

Chapter 5075

Charlie's words shocked the ten people in the study.

The lead man turned around and saw Charlie alone at the door of the study,

He frowned and asked, "Who are you?"

"Me?" Charlie snorted and said,

"I am someone who can't be offended. If all eight of you combined."

The man was stunned for a moment, then smiled contemptuously:

"What a joke! Don't be afraid to back down before you talk big,"

"Just because you are only one person, you want to fight against the eight of us,"

"You know where I come from?"

Charlie smiled and nodded: "I know, aren't you the commander of some cavalry guards?"

"Don't say eight of you, what if there are eighty?"

That person didn't expect Charlie to know him In addition to being surprised,

His expression became extremely gloomy, and he said in a cold voice full of murderous intent,

“Boy, you are really courting death!”

After that, he immediately picked up the gun and was about to pull the trigger at Charlie.

Charlie didn't hide at all, and suddenly a cold light flashed in his hand,

And then he heard the crisp sound of the other party pulling the trigger,

But strangely, no one heard the gunshot except for the click.

The man in the lead was also stunned.

He subconsciously looked down at the assault rifle in his hand,

And found that the gun in his hand was not dysfunctional, but for some reason, it just couldn't shoot the bullet.

So, he subconsciously wanted to pull the bolt again,

But what he didn't expect was that he just pulled it,

And the top cover of the entire assault rifle was suddenly pulled down!

He was horrified, thinking that something was wrong with the gun.

At this moment, one of his subordinates seemed to have seen the devil,

Pointed to the gun in his hand, and stammered: “Comm... commander... your gun... ...”

The lead man took a closer look, and he was so frightened that he was instantly blown away!

He suddenly found that his gun was not as simple as tearing off the cover.

Started from the center of the muzzle, it was cut open!

Not only was the barrel cut in half, but even the bullet that was loaded in the chamber was cut into a plane,

Just like a textbook, revealing the 5.56mm caliber cross-section,

Which could clearly show all the structures, warheads, eggshells, gunpowder, and primers.

He was completely frightened, looked up at Charlie subconsciously,

And asked with a trembling voice, "You... how did you do it..."

Charlie shot the soul-piercing blade. He was calm and said with a smile: "Well, that's what it is."

The man frowned and blurted out, "How can a mere shell cut off an assault Rifle made of steel!"

"Don't believe it?" Charlie raised his eyebrows, smiled playfully, and said,

"It seems that the old saying is right, this man really can't cry without seeing the coffin!"

Suddenly cold, he said sharply, "Since you don't believe me, I'll let you try it!"

As soon as the words fell, a cold light flashed in Charlie's hand again.

This time, before the man in the lead, could react,

He saw the other half of the assault rifle in his hand fall from the air.

Just when he was wondering how Charlie did it,

He suddenly felt a sharp pain in his right shoulder.

He instinctively looked at the sore spot, only to realize that there was only a bowl-sized wound left there!

The wound was neat and completely on a plane,

And the flesh and bones were clearly visible, and a lot of blood spurted out!

His whole brain was dizzy, and he quickly looked at the ground,

Only to realize that it was not just half an assault rifle that fell just now,

But a half-assault rifle, along with his entire right arm!

“Ah!!” The severe pain made him almost collapse, and he looked at Charlie as if he saw a ghost.

After experiencing extreme fear for about three seconds, he suddenly shouted:

“Quick! Quickly kill him! Quickly kill him!!”

Chapter 5076

The other seven people also came back to their senses in an instant,

And they instinctively wanted to shoot with their guns.

Charlie looked around for a while with sharp eyes,

And the chilling air suddenly erupted, and the whole person shouted: "Who dares!"

This shout made the seven people suddenly scared,

And the assault rifles in their hands seemed to be heavier than thousands of pounds, it is impossible to lift it up at all!

The man at the head was already desperate, and broke down and scolded:

"You bastards who are greedy for life and fear of death! Do you think he can let you go?!"

Everyone was so scared that they dared not speak.

Because they all know that if Charlie can cut off the commander's assault rifle,

Cut off his arm, he can cut off their heads.

Therefore, in order to avoid the tragic situation where the head is in a different place,

No one dared to take the risk of pointing the gun at Charlie at this time.

Charlie glanced at the seven people, and scolded coldly: "Put down the guns for me!"

When the seven people heard this,

They hurriedly threw the guns out and threw them on the ground.

The lead man was completely desperate at this time.

He knew that once these seven people handed over their guns, he would have no chance to come back.

So, he looked at the seven people with despair and said,

"You people who are greedy for life and afraid of death,"

"Don't forget, even if you can survive today, once the seven days are up,"

"You won't have the medicine to last your life. You will still burst and die!"

Charlie sneered: "Do you cavalry guards, like the dead, have to take antidote on a regular basis?"

The man in the lead looked at Charlie and said with a miserable smile:

"Since you know dead Soldiers, so it seems that the group of dead soldiers in New York were also killed in your hands?"

Charlie smiled: "It seems that you are not stupid."

After speaking, Charlie asked him: "How much do you know about this organization?"

The lead man said coldly, "I don't know much, but even so, I won't tell you anything!"

Charlie smiled and asked him, "You really don't plan to tell me?"

"That's natural!" The lead man snorted coldly: "I am loyal to the Lord, and I will never betray him..."

Before Charlie could finish his words,

He suddenly rushed forward and grabbed him His upper and lower jaws slammed with force,

Only to hear a click, something seemed to shatter in his mouth, and then, his whole body twitched violently.

Charlie guessed right. Although this person is not a dead man,

He still has dentures full of venom in his mouth.

At a critical moment, as long as the dentures are crushed,

The venom will flow into the abdomen along the mouth, causing them to die silently.

However, the difference this time is that Charlie actually helped him bite the denture directly.

Seeing that he was already showing signs of poisoning,

Charlie sneered disdainfully: "Be loyal to your lord, don't rush to reincarnate when you get there,"

"Maybe it won't be long before I will send him down to see you,"

“Then you will be there. You can continue to saddle for him.”

After speaking, Charlie suddenly realized something and sighed:

“Oh, sorry, I forgot that you haven’t seen the lord, even if I send him off, you may not be able to. Recognize him.”

At this moment, he said helplessly:

“Well, then I will let someone engrave the word lord on his forehead so that you can recognize him!”

The boss of the men’s eyes widened, staring at Charlie closely,

Even in his dreams, he couldn’t understand why Charlie was so confident that he could kill their boss!

Feeling that the venom had reached his internal organs,

He said in a very disintegrating tone: “You...you...you just...why...”

“Why not... ..don’t... don’t ask me again...you...you ask me again...again... I just...I’ll tell you...”

Charlie said disdainfully: “I’m too lazy to talk nonsense with you,”

“You haven’t even seen the face of the lord, and you have to carry dentures full of poison in your mouth,”

“When you come out to perform tasks, you can see from these two points.”

“Come on out, you are just trash in this organization,”

“I don’t think the seven people next to you know less than you, and after you die, I can still ask them!”

Chapter 5077

Charlie's remarks full of jokes and ridicule made the commander fill with resentment.

He held on to the last bit of strength, gritted his teeth, and said,

"Lord... Lord will definitely avenge me!"

Charlie snorted and said disdainfully, "I can see that for you and the dead men alike,"

"There is also a deadly drug in the body that periodically attacks,"

"And if there is no antidote within a week, there is no doubt that you will die, right?"

The commander heard this, his eyes were full of horror.

He didn't know how Charlie could see the toxins hidden in his body.

Charlie ignored his horror, but continued to sneer:

"There is no essential difference between you and the dead men,"

"They are all donkeys for the Lord, and the only thing you are better than the dead men,"

"Is that you don't need to be blindfolded by a black cloth like the dead man."

Speaking of which, Charlie suddenly remembered something, and said with a smile,

“If I guessed correctly, you or your parents should have climbed up from the dead men’s class. Yes, right?”

“Because of your more dedicated performance, the Lord gave you a ladder,”

“Gave you a so-called cavalry guard title, so that you can take off the black cloth,”

“That covers your eyes, you or your fathers were deeply moved and encouraged by this,”

“Thinking that they had completed the leap of class, but in fact,”

“You are still tightly controlled by this organization,”

“You have no other freedom except to perform the tasks they gave you,”

“You can only continue to work hard, Try to achieve the next class leap, right?”

“Let me guess, you may become a so-called guide if you move up the ranks,”

“And then you may have a chance to get a real society.”

After being in contact with Duncan for a period of time, Charlie’s logical analysis ability has also improved a lot.

Before tonight, he only knew how the May 47 dead men worked.

But at that time, May 47 said that there are only two ways for those dead men who are in darkness to get rid of their fate, either die or work hard to climb up.

No shrewd manager will choose a flat management method.

He will definitely plan a long ascending ladder for the people who work hard for his subordinates,

And then let them climb up by gritting their teeth.

Just like those big Internet companies, some are from P1 to P14, some are from T1 to T17, and some are from M1 to M9.

Therefore, even the deadliest at the bottom will definitely have an ascending channel.

Tonight, from the conversations of these people, he learned about the new title of the cavalry guards.

Combined with their main mission, they also have deadly toxins in their bodies,

And deadly fangs in their mouths. He can infer that they are actually no better than the dead men.

How much stronger? As for the word "guide", Charlie also heard it from May 47.

Although he was not sure whether his aunt who had committed suicide by taking poison was a guide,

It could be logically inferred that the guide should live in real society.

For example, the guide of this mysterious organization in New York must live somewhere in New York,

And have a reasonable and legal identity, as well as relatively strong local resources.

Only in this way can they have the qualifications of a qualified guide.

It's like going out on a trip and finding a local who is familiar with the local area to arrange reception.

At this time, the commander heard Charlie's series of analyses.

Chapter 5078

Although the whole person was speechless, his eyes were full of shock and fear when he looked at Charlie.

He didn't expect that this man had figured out their organization's external structure!

He really wanted to know who he was and how he mastered such deep secrets.

However, he ultimately failed to do so.

Because of his life, after a painful struggle with his expression, it came to an end.

Charlie threw his body aside without the slightest pity,

Then looked at the remaining seven people, and said coldly:

"I believe, you guys are shouting that you are willing to give everything for the Lord,"

"But in your heart, You should be full of hatred for him that you have never seen before,"

"Like the group of dead men, right?"

When Charlie said this, the expressions of the seven people were very complicated.

Hatred is natural.

Moreover, it is a deep-seated hatred, a deep hatred in the sea of blood!

Their ancestors, for over a hundred years, could only be reduced to the killers supported by this organization,

And lived a life without seeing the light of day every day.

Although they later took a step up through hard work,

The unforgettable hatred was not enough. How could it be forgotten?

Charlie continued at this time: "I'm giving you a chance now,

Not a chance to live, but a chance to take revenge!

As long as you can find your way back and tell me everything you know, I'm here."

"I promise you that I will definitely avenge your companions and your ancestors!"

The seven people suddenly froze when they heard this.

And Charlie's super strength made them understand that today's seven people are bound to die.

If they can help him fulfill the promise of destroying the organization before they die,

It will be considered as a sacrifice for all the dead,

As well as the current dead and themselves. The descendants have done a great deed for the future!

Thinking of this, one of them knelt on the ground with a thud, and choked out,

"Just ask what you want to know, sir, and you will know everything and I will say everything!"

Seeing this, the other six immediately knelt down with him and shouted loudly and said:

"I'm sure I know everything and I have everything to say!"

Charlie nodded and asked, "The first question, where exactly is your base?"

The person who knelt down first said, "Our base, it is near the Cyprus port city of Limassol, in a copper mine called Candice."

"Copper mine?" Charlie frowned and continued to ask:

"Is this copper mine operated by your organization? Tell me about the specific situation inside!"

The man quickly said, "The copper mine is operated by cavalry. Yes, there are more than 200 cavalry guards."

"The copper mine is closed and managed. These 200 people live and train inside."

"In addition, the bottom of the copper mine is only a few hundred meters deep."

"There are more than 800 dead people and their families living there."

Charlie asked again, "Then your main task is to guard these dead people?"

"Yes." The man said without hesitation: "Guarding and managing the dead is our main job,"

"But we are usually ordered to go out to perform tasks."

"In today's situation, it is a sudden incident. We are required to organize the eight best personnel to come over immediately,"

“Before, that we also made a mold for ourselves to make us look like stevedores when we arrived.”

Chapter 5079

Charlie continued to ask, "What is the goal of your mission this time?"

The man turned around and pointed not far away.

The nervous look of one old and one young person hurriedly said:

"Our mission goal is to take the two of them alive to Sweden, where there will be a plane waiting for us."

Charlie asked: "After arriving in Sweden? Where is a destination?"

"The next destination?"

The man was slightly startled, and quickly waved his hand and said:

"We don't know this at all, even before our departure,"

"We didn't know where we were flying. Where is the destination,"

"They didn't tell us the specific requirements of our mission until after we got on the plane and the plane took off."

Then, he added: "As for the arrangements after arriving in Sweden,"

“We will not even know what to do. I don’t even know if we can get on that plane after we arrive in Sweden.”

“After all, these two are meant to meet the lord and he is unpredictable.”

“It is impossible for us to know his location.”

“It is very likely that the plane takes the two of them away,”

“And we will find a way to return to Cyprus by ourselves.”

Charlie frowned slightly when he heard this, and asked,

“Isn’t the plane that sent you usually not under your control?”

“My intelligence shows that This plane is stationed in Cyprus most of the time.”

The man nodded and said truthfully: “That plane is indeed stationed in Cyprus,”

“But that plane is not managed by our cavalry guards,”

“And all planes are owned by the ‘postman’ Jurisdiction.”

“Postman?” Charlie asked curiously: “Is it another type of work like the ‘guide’?”

“Yes!” The man hurriedly said:

“We and the dead men we manage, all personnel transfers are determined by the above.”

“After the above decision, the task details will be handed over to the postman.”

“The postman will then notify us. For example, the dead man goes out to perform the mission.”

“After the mission is over, the postman will send the survivors back to us.”

Charlie probably understood the operation mode of the other party, and he said with a solemn expression:

“You said that you cavalry guards, most of your responsibilities are equivalent to prison guards.”

“Yes.” The man said in agreement: “Most of our jobs are similar to prison guards,”

“And we are also prison guards in reform-through-labor prisons,”

“And usually supervise the dead men’s mining operations in there.”

Charlie asked in surprise: “Is the copper mine still producing?”

“Yes.” The man explained:

“The copper mine was purchased from the Cypriot government through legal procedures and with legal funds;”

“Because this is a copper mine that has been in production for many years,”

“The organization cannot allow it to go out of business,”

“Because it would definitely arouse suspicion from the outside world,”

“So after the organization bought the copper mine,”

“It announced that it had invested 500 million US dollars to upgrade and expand the copper mine;”

Chapter 5080

At the bottom of the copper mine, there is an area for us and the dead to live and train.

At the same time, the copper mine also retains several working surfaces,”

“And the dead and their families take turns to work on weekdays to ensure the normal production of the copper mine.”

“In the outside world. It seems that there are more than 200 employees in our copper mine,”

“But in fact, more than 200 of us do not work,”

“And the people who are really responsible for the mining work are the dead men living below and their families;”

“We need to ensure that more than 100 people are responsible for the mining work every day,”

“So that our production capacity can reach normal standards, and the outside world will not be suspicious.”

Charlie frowned: “But you are still detaining more than 1,000 dead men and their Family members,”

“There are at least a few thousand people on this scale,”

“And so many people have to rely on imports for their food and drink expenses.”

“If you import a large amount of food materials that exceed the needs of your more than 200 people for a long time,”

“Won’t the outside world be suspicious?”

“No. Yes.” The man further explained:

“The copper mine we are in is located on the coast and has its own wharf.”

“All material dispatches are transported by sea,”

“And the copper ore dug out is also normally sent out by sea;”

“And our copper ore is packaged and sold to our copper smelter in Turkey,”

“And that copper smelter is also an organized enterprise,”

“So every time they send a ship to transport copper ore,”

“They will bring a large amount of food supplies in;”

“What’s more, a small country like Cyprus with a poor economy has a lot of chaotic internal management,”

“And a lot of corruption, so we bribed the customs of Cyprus and will not conduct any inspections,”

“On incoming and outgoing ships. , so that ensures we have plenty of supplies to bring in quietly.”

Charlie didn’t expect that this organization could even form a closed loop for the sale of copper ore.

While amazed, he asked him, “Do you know the name of the copper smelter in Turkey?”

“Yes!” The man said without hesitation: “ The name of the copper smelter is Isdmir.”

“Okay.” Charlie nodded lightly, thinking to himself:

“I have mastered the copper mine in Cyprus and the copper smelter in Turkey,”

“And the clues about this mysterious organization. It’s a bit more improved.”

Immediately, he asked again: "Besides these, what other information do you know about this organization?"

The man thought for a moment and said, "To tell you the truth,"

"Our information channels are also not very good."

"On the surface, we are much freer than the dead,"

"But we are actually more like prisoners held on the ground."

"The organization has strict rules, and we are not allowed to go out without authorization."

"Usually, there are supervisors stationed in the copper mine."

"So we spend most of the time in the copper mine, and occasionally go out to perform tasks."

Charlie nodded slightly, and then looked behind the seven people,

The old and the young who were especially nervous.

He saw that the girl was only seventeen or eighteen years old,

So he put his eyes on the old man and said,

“Gentleman, may I ask, what is your relationship with this organization?”

“Why do they want to take you away?”

Chapter 5081

“Ah...I...”

Suddenly being questioned by Charlie, the old man seemed very nervous for a while.

He hesitated, not knowing what to do or what to say,

So he could only subconsciously look up at the beautiful girl beside him.

Seeing this, the girl hurriedly said, “Grandpa...”

“It’s all over now, you should tell the truth to this gentleman!”

“I...” The old man didn’t expect the girl to be saying that, he doesn’t know what to do for a while.

After all, he was just a servant beside the young lady,

And the young lady called him a grandfather in public,

But he could understand that, he could hear the meaning of the young lady’s words,

That he wanted to pretend to be a grandfather and granddaughter.

However, the young lady suddenly wants to tell him the truth, which makes him confused.

Because I don't know how to tell the truth.

Before the old man showed his timidity, the girl hurriedly took the lead and said to Charlie,

"Gentleman, my grandfather is still a little undecided, so let me explain it to you."

Charlie did not see that the girl and the strangeness between the old men,

Seeing that the girl was willing to tell the reason,

He nodded and said: "Little girl, please tell me."

The girl couldn't help but pursed her lips and smiled, and then said:

"Actually, the reason why these people want to arrest My grandfather and me,"

"Is because the person behind them wants a treasure left by my father."

“Treasure?” Charlie couldn’t help frowning when he heard this, and asked in surprise,

“What treasure is worth that much that it arouses the interest of this so-called lord?”

Although Charlie didn’t know who the Lord was, or how strong the Lord was,

He could still get a glimpse of him with his little understanding of the organization.

In his opinion, the comprehensive strength of this mysterious organization must be higher than himself,

And even the An family will be played by them.

Therefore, Charlie speculated that the strength of this mysterious organization would not be,

Inferior to that of the Routhschild family, which currently ranks first in the world.

It is even possible, much stronger than the Routhschilds.

It was because he knew that the other party was very powerful,

So he couldn't understand how such a high-ranking person would grab something from these two.

Seeing that Charlie had some doubts,

The girl took out a sachet the size of a palm from her close-fitting clothes for a moment.

Then, with her slender, white, and tender hands,

She took out an inconspicuous bronze ring from the sachet.

And the moment the ring was taken out of the sachet, Charlie felt a very rare, yet very familiar feeling.

This made him immediately realize that this little ring was actually a magic weapon,

Just like his own Thunderbolt Order and Soul Piercing Blade!

This is also the first time that he has seen a real magic weapon in the hands of others!

He thought that this girl also had the same spiritual energy as himself,

So he subconsciously divided some spiritual energy and quietly checked the girl.

However, after some investigation, he did not find any trace of spiritual energy from this girl.

That is to say, this girl has absolutely no spiritual energy,

And it is impossible for him to be the same person as her in terms of energy.

So, he couldn't help but ask her: "Little girl, what is the origin of this ring?"

The girl said faintly, "My father left this ring to me."

Charlie asked again, "Then did your father tell you what's so special about this ring?"

"No." The girl said seriously, "My father just said that this ring is extraordinary,"

"So I must take good care of it and not let it fall into the hands of rogues people."

Chapter 5082

After that, the girl lowered her head and pondered for a moment,

Then suddenly raised her head to look at Charlie, and said in a firm tone,

“Sir, if you can let my grandpa and me live today, I would like to give you this ring,”

“Anyway, with this thing in my hands I can’t do anything, and it always brings disaster.”

“After giving it to you, my grandfather and I will find a safe place to live in seclusion,”

“And we won’t have to be bothered by this kind of harassment again.”

Then, the old man, he stared at the girl with wide eyes and told her not to be so impulsive with his eyes.

But the girl gave a wry smile and said to him: “Grandpa, this thing,”

“We can’t protect it, not only will we not be able to protect it,”

“But it will likely be taken away by the bad guys.”

After speaking, she said firmly: " It's not In this way,"

"It's better to give it to this gentleman! I think this gentleman has a good face,"

"And he will not let it go astray, and this gentleman is very powerful,"

"And he will definitely be able to protect this ring well! "

Charlie asked her curiously:

"Little girl, since your father told you that you must not let it fall into the hands of wicked people,"

"Aren't you afraid that I am a wicked person?"

"Not afraid." The girl shook her head and said seriously,

"I believe you are definitely not here for this."

"The ring came, and you appeared at the juncture, although I dare not say that you are all for saving me and grandpa,"

"But I believe that at least part of the reason,"

“So I can be sure that you are definitely not a bad person.”

Charlie smiled noncommittally, and then looked at the ring in her hand.

To tell the truth, he really had some yearning for this ring.

After all, this was the first time he had seen a magic weapon in the hands of others,

So he wanted to know what special effects this magic weapon had.

So, he said to the girl: “Okay! I promise you!”

After that, he changed his words and said,

“But before I promise you, I have one more thing to explain to you.”

The girl hurriedly said: “Sir, please speak!”

Charlie said lightly: “That is after tonight, you may forget what happened just now,”

“If you find out that the ring your father left you and let you keep it properly is lost,”

“Maybe you will live amidst the guilt and self-blame, do you think you’re okay with this?”

The girl was startled slightly, then nodded and said,

“I’m fine! If this ring is still on me,”

“Then my grandpa and I may not be like this next time. Having bad luck.”

“Okay.” Seeing that she agreed, Charlie said very cheerfully, “Then we have a deal.”

The girl nodded, and immediately tossed her jade hand,

And the ring swirled in a circle from the air.

It crossed a graceful curve and landed in front of Charlie.

Charlie reached out and grabbed the ring in the palm of his hand,

And then a little bit of spiritual energy entered, wanting to see what the mystery of the ring was.

However, after the spiritual energy entered the body of the ring,

It was like a stone sinking into the sea, and it all disappeared in an instant.

Charlie's brows couldn't help frowning, and he thought to himself:

“What kind of formation is there? Why does the aura enter, but the ring doesn't respond?”

Thinking of this, he didn't show any sound,

And allowed a bit more spiritual energy to enter into it.

And this time, the small ring suddenly made a humming sound that was as crisp and sweet as the sound of a sword.

Aside from this buzzing reputation, though, the ring itself hasn't changed.

Chapter 5083

Charlie frowned, feeling that there must be some mystery hidden in this thing,

But he might not have time to study it now, so he put the ring in his pocket.

And that girl, at the moment when she heard the buzzing sound,

Those eyes that were still a little distressed were instantly replaced,

By a kind of excitement that was difficult to suppress...

Charlie didn't notice the change in the girl's eyes.

After he took the ring, he looked at the seven cavalry guards again and asked,

“Does your lord just want you to snatch this ring?”

The man who kept answering Charlie's questions said respectfully:

“To tell you the truth, we don't know this either.”

“The order we received was to take them both to Sweden,”

“And we didn’t reveal any details of the rest to us. .”

Charlie nodded, looked at the girl again, and when his eyes met,

He put a trace of spiritual energy into her mind, gave her a psychological suggestion to answer his question truthfully,

And then asked her: “Little girl, how much do you know about their organization?”

Charlie didn’t fully believe in this girl,

So in order to make sure he didn’t miss any clues,

He planned to use psychological hints to cover everything the girl knew to come out.

Although it’s a little immoral to use psychological hints directly,

But the stakes are very important, and Charlie can’t care so much at this time.

Moreover, Charlie had given the girl a vaccination just now,

And planned to erase the memory of tonight from the girl’s mind after all this was over.

Therefore, she will definitely not remember what happened by his own psychological suggestion.

After the girl was psychologically hinted by him,

She shook her head slightly, and said seriously:

“I don’t know much about this organization, these are the disasters my father caused at the beginning,”

“Neither my grandfather nor I are very clear,”

“I only know that they have been trying to find out where my grandfather and I are, and grab this ring from our hands...”

Charlie couldn’t help but feel disappointed when he heard this.

These cavalry guards didn’t know any valuable deep clues, and this girl didn’t know either.

It seems that if he wants to get more clues about this organization,

He will have to slowly peel off the cocoon in the future.

Thinking of this, he looked at the girl and asked, “What does your father do?”

The girl replied, "My father used to be a martial artist,"

"But he got this ring from nowhere, so he started to be hunted down by that organization,"

"And in the end, he was not spared and died under the hands of that organization."

Charlie pointed and nodded, then looked at the seven cavalry guards, and said,

"If I can give you a chance to survive,"

"And at the same time give you a chance to take revenge, would you all be loyal to me?!"

The leader of the seven men from the sect said with a wry smile:

"Sir...you are a person with great supernatural powers."

"If we can really survive, we are naturally willing to be loyal to you,"

"And we are willing to shed blood for you."

"However, all seven of us have bodies that are highly poisonous."

“If we don’t go back to take the antidote,”

“We will all die from the poison within a week.”

“Even if we want to be loyal to you, there is no chance at all...”

Charlie said lightly: “As long as you are willing to be loyal to me,”

“I will naturally have a way to solve the poison in your body,”

“So that you will no longer be threatened and troubled by toxins from now on.”

The leading man said without hesitation:

“Sir! If you can really solve the poison in our body,”

“We are willing to be loyal to you for the rest of our lives,”

“If there is any disobedience, we will surely die without a place to be buried!”

The other six also expressed their opinions with great excitement at this time.

Chapter 5084

Charlie can feel the excitement and sincerity of these people.

It seems that although they have gotten rid of their identities as dead men,

Their hatred for the organization is no less than that of the dead men who are still struggling at the bottom.

So, he said lightly: "In the next few hours,"

"Your organization will probably not send people to Norway."

"You can use this time to go to Oslo City, the capital of Norway, as soon as possible,"

"And arrive at the highest peak in Oslo."

"At the top of the mountain, I will let someone pick you up there."

Charlie was not familiar with Oslo, and he didn't want these people to gather in the city,"

So he came up with the idea of the highest peak there,

Regardless of whether these seven men of the Cavalry Guard go.

For Joseph, it should not be difficult to find the highest peak in Oslo.

At that time, he can directly ask Joseph to go to the highest peak in Oslo,

To pick up these seven people and bring them directly back to Syria.

When the seven people heard this, there was almost no hesitation.

The person in the lead said, "Sir, when do you want us to leave?"

Charlie said lightly, "Let's start now, and remember to deal with all the clues on the way."

The man in the lead said excitedly:

"Don't worry, sir, we will definitely not leave any traces!"

"Yes." Charlie nodded, and instructed: "In that case, hurry up and set off."

"Okay!" The man accompanied by other six stood up,

And after the seven bowed deeply to Charlie, he said,

“Sir, then we will set off first and go to the highest peak in Oslo to wait for your next instructions!”

Soon, The seven people who were pardoned by Charlie quickly left the country house and drove the truck they arrived in Oslo.

Charlie looked at the old man and the girl in front of him, and said lightly:

“You two, I want to make some adjustments to your memory,”

“You will wake up in ten minutes, and then you will forget everything that happened tonight,”

“I hope you don’t think much about it so much,”

“Hurry up and leave Norway and find the safest place to stay.”

The girl and the old agreed without hesitation,

The girl looked at Charlie with a different look in her eyes and said,

“My name is Maria Lin, what is your name?”

Charlie said casually: “Little girl,”

“What is my name, you don’t need to ask, after all, you won’t remember me soon.”

She looked at Charlie and said firmly and seriously

“I don’t remember, I don’t remember, but at least I can remember it for a certain period of time.”

After speaking, she looked at Charlie and asked,

“Since I will forget it soon, what worries do you have, sir?”

Charlie hesitated for a moment, then didn’t think much, and said frankly: “My name is Charlie Wade.”

“Charlie Wade...” The girl repeated, nodded lightly, and asked curiously:

The girl smiled slightly and said to Charlie,

“Mr. Wade, I will try my best to remember your kindness.”

“If there is a chance in the future, I will definitely repay it.”

Charlie waved his hand gently and said indifferently:

“No need, I saved you and your grandfather, you gave me a ring,”

“And we have settled between us. I hope you two will be safe in the future.”

After that, he waved his hand, a little spiritual energy entered into the body of the two.

The old man lost consciousness almost instantly, and Maria closed her eyes immediately.

Seeing that the two had lost consciousness, Charlie wiped their memories with aura,

Then walked out of the country house alone, left the place quickly, and returned to Helena’s palace in Bergen.

Ten minutes after he left, the old man woke up first.

Seeing the mess in front of him and an unfamiliar corpse, he turned pale in shock.

When he saw the young lady lying unconscious on the desk,

He rushed forward and shouted nervously, “Miss!”

Maria suddenly opened her eyes. Opening her eyes, she looked at the old man,

Smiled slightly, and said, "You are awake."

The old man said in a panic, "Miss, I... I seem to have a problem with my mind,"

"I remember that you asked me to arrange someone. Pack up and leave Norway quickly,"

"But I don't know why I fell into a coma, and... and I feel like I'm missing a part of my memory..."

Maria nodded and said lightly, "I feel that the memory is missing."

"It's missing because someone erased your memory."

The old man was dumbfounded and blurted out, "Can someone really erase someone else's memory?"

Maria sighed and sighed, "Yeah, he also wanted to take mine too."

Speaking of this, she suddenly smiled and said, "Tsk tsk...but it's a pity, he failed!"

Chapter 5085

the old man heard Maria's words and quickly asked:

"Miss, does that person know that he failed?"

Maria shook her head: "Of course, he doesn't know, otherwise, How could he let us go so easily?"

The old man heard this and couldn't help but sigh:

"It seems that no matter how superb the methods are, they are of no use to you, miss."

Maria sighed in a lonely sigh, and said sadly,

"Father left it to me. I don't have many skills, but this is one of them."

After that, she said to the old man, "Go and pack your things."

"Except for the necessary things, you don't need anything else."

The old man nodded respectfully, turned, and left the study.

After the old man left, Maria took out a small wooden spiritual tablet from the drawer of the desk,

With eight characters written on it: the spiritual seat of my late father, Warren.

Maria scrutinized this spiritual seat carefully and whispered:

“Father, your daughter is unfilial, the ring you gave me with your desperate efforts is given to someone else by your daughter,”

“It’s not because your daughter doesn’t want to protect it, it’s really limited,”

“If it weren’t for today. That Charlie suddenly appeared, and your daughter was afraid that it had already fallen into the hands of the thief.”

“I don’t think that Charlie looks like a bad person, and he has great supernatural powers.”

“The ring in his hand should be able to play a real effect.”

Saying that, Maria said again: “By the way, father, Charlie and we have the same enemy,”

“And it seems that he is still in the dark. Maybe in the future,”

“He will be able to kill our common enemy and fulfill your last wish for you!”

Immediately, Maria fell into silence.

She couldn’t help recalling that the ring once made a sword cry in Charlie’s hand,

And the sword cry was clear and melodious, which was fascinating.

After thinking about this, she secretly made a decision,

And then put the spiritual position and the nine copper coins on the table into her backpack, and walked out of the study.

Outside the villa, the old man was packing his things.

He dragged some unnecessary things out of one of the cars, and finally sorted out two large boxes.

After Maria came out, the old man hurriedly stepped forward and asked,

“Miss, do you still have your blue and white porcelain?”

Maria hesitated for a moment, then sighed softly,

“Let’s take it, after all, if it stays here, maybe it will be ruined by people who don’t understand.”

After speaking, she added: “Take all the blue and white porcelain that has been packaged,”

“And donate to the museum after returning to China.”

The old man asked in surprise: “Miss, Aren’t you going to the Russian Far East?”

“We have a stable and safe industry there, and going there, it’s easier to find than going back to China.”

Maria shook her head and said lightly, “I won’t go to Russia,”

“I’ll go to China to find this Charlie Wade, he must be very interesting.”

The old man couldn’t help but said: “Miss, huge China has a population of 1.4 billion,”

“Where are we going to find Mr. Wade you mentioned?!”

Maria said: “Mr. Wade’s Mandarin is very good, his words are round, and his pronunciation is accurate.”

“There is almost no trace of an accent. So I guess that he is most likely from the north,”

“And most likely he is from Eastcliff or several provinces and cities around Eastcliff.”

“Then let’s fly to Eastcliff first, and look for clues there.”

“Okay!” The old man nodded: “Then going to Eastcliff!”

...

Charlie returned to Bergen Airport and retrieved the car and returned to Helena’s palace according to the original road.

All the way, his mind has been on that strange ring.

Therefore, he held the steering wheel in his left hand,

And held the ring in his right hand, constantly rubbing it in his hand,

And constantly releasing a little spiritual energy into it,

Trying to figure out the real purpose of this thing.

Chapter 5086

There is a strong mutual attraction between this ring and spiritual energy,

But the strange thing is that the spiritual energy did not get any actual transformation after entering it,

Which made Charlie very surprised.

According to the law of conservation of energy,

Energy is a kind of existence that can neither appear out of thin air nor disappear out of thin air.

It is like putting a pot of hot water outdoors, even if it finally cools down,

The heat does not disappear out of thin air but is released into nature through the air and other objects.

It's just that the heat of a basin of water is a little insignificant to the whole of nature.

But no matter how small it is, it is real.

However, the spiritual energy that Charlie entered into the ring one after another disappeared,

Like a stone sinking into the sea, he received no response.

He finds it more and more strange. In his opinion, the principle of a magic weapon is equivalent to an electrical appliance,

Except that the magic weapon needs to be driven by aura,

And the electrical appliance needs to be driven by electricity.

When electricity is delivered to a water heater, it will be converted into heat energy;

When electricity is delivered to a motor, it will be converted into kinetic energy;

When electricity is delivered to a light bulb, it will be converted into light energy;

When electricity is delivered to an electrolysis device, it will be converted into chemical energy.

It's like sending an aura to the Thunder Command, which can be transformed into thunder and lightning that falls from the sky,

And transporting the aura to the soul-piercing blade, which can be transformed into an indestructible blade,

But this ring swallowed so much of its own aura, but only transformed a humming.

A ring, making a sound similar to the sound of swords, is also very strange in itself.

This kind of phenomenon is strange as if the electric fan is powered on,

The blades of the electric fan do not rotate, and no wind is generated,

But it makes a blowing sound out of thin air, which cannot be explained.

While Charlie wondered, like a red-eyed gambler who kept throwing chips at the gaming table,

He kept sending spiritual energy into the ring.

Until half of the spiritual energy in the body was drained,

He still couldn't get any feedback other than Om's reputation.

He was a little annoyed.

Before reaching the destination, he simply took out a Cultivation Pill,

Pinched it together with the ring on his fingertips, and then gritted his teeth,

Forcibly transporting almost 90% of the spiritual energy in his body into the ring.

He felt that he had input most of the spiritual energy into it,

And this ghost had to give him a little bit of different feedback.

But what he didn't expect was that the ring was still like a black hole of spiritual energy.

After swallowing so much of his spiritual energy, there was still no change.

Charlie was helpless. In order to make up for the lack of spiritual energy in his body,

He could only throw a Cultivation Pill into his mouth.

When the surging spiritual energy spread rapidly, he crossed the half-spiritual energy into the ring again,

But the result was still extremely disappointing to him.

At a certain moment, he couldn't wait to quickly take out another Cultivation Pill and fight to the end with this pit ring.

But reason finally triumphed over his impulses.

Cultivation Pill is very precious, and there is no need to put them one after another for such a pitiful ring.

In this situation, it is the most sensible choice to stop loss in time.

So, he could only put the ring back in his pocket angrily.

Although he couldn't figure out the magic of this ring,

It subconsciously told him that it was definitely not simple.

You know, this is something that even the mysterious lord can't wait to get,

And even that kinds of high-level people are thinking about getting this thing,

This proves that this thing must have some kind of value that he doesn't know yet!

Chapter 5087

Therefore, this ring must be kept well, and it may be of great use in the future.

What's more, this thing has swallowed more than one Cultivation Pill's spiritual energy.

With such a large investment, he must find an opportunity to let it spit out even the profit!

Putting away the ring, Charlie continued to drive.

And he also silently reviewed what happened today in his heart.

There was nothing special about the eight cavalry guards,

But the girl named Maria Lin always gave him a vague sense of mystery.

Although he used psychological hints about her,

And there were no loopholes in what she said, Charlie still felt that something was not right.

However, after thinking about it, he couldn't figure out what was wrong.

At this time, a picture suddenly flashed in his mind.

That was the desk in front of Maria at that time.

On the desk, there were nine copper coins.

And the nine copper coins seemed to be a complicated divination image.

Thinking of this, Charlie suddenly thought of the contents of the Book of Changes, gossip and divination in the

“Nine Profound Heavenly Scriptures”.

Among them, in the Six Yao Bagua, there is a method of using three copper coins for divination.

Therefore, Charlie could understand three copper coins, but he couldn't figure out nine coins.

After all, this was not even recorded in the Nine Profound Heaven Scriptures.

Thinking of this, he couldn't help but took out his mobile phone and called Lai Qinghua,

A geomantic physicist far away in the United States.

Lai Qinghua is the one the strongest in the Book of Changes among Charlie's acquaintances,

So Charlie intends to ask him about the number of ways to understand nine copper coins.

Soon, the phone was connected.

Due to the jet lag, Lai Qinghua, who was in Los Angeles, had just finished dinner.

After receiving Charlie's call, he said very excitedly and respectfully, “Master Wade!”

Charlie said politely: “Mr. Lai, I take the liberty to interrupt, there is something I want to ask you.”

Lai Qinghua hurriedly said: “Young Master Wade, it is absolutely not inappropriate to ask for advice.”

“If you have any questions, you can ask at any time!”

Charlie was no longer polite, and went straight to the topic:

“Mr. Lai, you have been divination and fortune-telling for many years,”

“Have you ever seen someone use nine copper coins for fortune telling?”

“Nine copper coins?” Lai Qinghua exclaimed: “If it is six lines of gossip Even if it is three copper coins,”

“It contains a lot of information. If you want to see the hexagrams quickly and accurately,”

“You need a strong memory and mental arithmetic talent. If you use nine copper coins,”

“Then every three copper coins are one. Groups, these are three groups of hexagrams,”

“And each of the three groups of hexagrams is a whole, and can form a deeper and more detailed hexagram...”

“So, if you use nine copper coins, it will be divided into four Combining hexagrams to calculate hexagrams,”

“This amount of computation is equivalent to raising the difficulty of guessing a 2-digit password to 12 digits.”

“This technique is at the top of the I Ching gossip, and it has a nickname called “Jianshen Gua”.”

“That is to say, those who can calculate this kind of hexagram have an excellent understanding of the I Ching gossip.”

Speaking of which, Lai Qinghua sighed again: “However, the Jinshen hexagram has been lost,”

“And I heard about it from my grandfather when I was young, but I have never seen anyone who can really do it.”

Charlie wondered, “But I have seen people make a hexagram with nine copper coins,”

“And the hexagram looks different. It’s not like throwing it away at will, does that person really have such ability?”

“This...” Lai Qinghua said, “I haven’t seen the hexagram you mentioned,”

“So I can’t confirm whether that person really has the ability,”

“But Judging from the experience below, it is indeed unlikely, and the probability of coincidence is higher.”

Charlie felt even more strange when he heard this.

That Maria, the ring that she gave, and the hexagram that she posed all seemed a little out of place.

But if according to Lai Qinghua’s words, as a girl,

It should be impossible for her to grasp the content of the “Nine Profound Heavenly Scriptures”,

Which is not even recorded in the “Nine Profound Heavenly Scriptures”.

Thinking of this, he couldn't help thinking to himself:

"I don't know where Maria and her parents and grandfather came from?"

"If there is a chance to see her again in the future, I must find a way to find out!"

He said to Lai Qinghua, "Thank you, Mr. Lai, I'll think about it myself."

Chapter 5088

When Charlie arrived at the palace, the sky was getting brighter.

Bergen Airport also started its own busy day.

Whether it is passenger or cargo, all work is going on in an orderly manner,”

“And no one realizes that eight of their colleagues died here at this airport.

The eight stevedores were originally on night shifts, and they worked one day off and one day of work.

They worked from yesterday until the early hours of this morning,

And they would rest until tomorrow afternoon to come back to work,

So they won't see these eight people here, and no one will show suspicion.

As for the family members of these eight people,

These eight people had already greeted them when they were alive,

Claiming that they had some goods to pick up and would go home later, so the family members did not notice any abnormality.

At this moment, on a farm on the southern outskirts of Bergen, many corpses lay in the house and have long since died.

A sign was hung outside the farm gate with a line of words written in English on it: This is a real estate transaction.

There will not be many people passing by this kind of place.

Once someone passes by and sees this sign, they will no longer have any interest in this farm.

If the mysterious organization no longer sends people to find out,

Then it will be possible to wait for exposure here,

At least until the corpses are severely decomposed and the smell extends for hundreds of meters.

But this will take at least five to seven days.

So, this will buy Maria enough time to escape from northern Europe.

The seven cavalry guards, after the starry night, also rushed to the highest mountain in Oslo after sunrise.

The highest peak in Oslo is not even 500 meters above sea level.

Joseph successfully collected these people and temporarily hid them in Oslo, waiting for Charlie's next instructions.

As for Charlie.

After returning to the palace, he was extremely depressed.

After all, he put in a Cultivation Pill for that ring,

And he couldn't say that he didn't even hear a single sound, he could only say that he really only heard a few sounds.

Although he is not a stingy person, but Cultivation Pill is really precious,

So it is so wasted, the more he thinks about it, the more it hurts.

In order to wait for Charlie to come back, Helena stayed up all night.

She couldn't help thinking of the conversation with her grandma in her mind, and her mind was very confused.

She knew that in her current situation, the best outcome was to get pregnant with Charlie's child as soon as possible.

However, she also knew that Charlie was not only married,

But also had countless suitors around him, so he had no feelings for her at all.

Under such circumstances, how can he be willing to do something with her?

Therefore, every time she thinks of this, Helena wants to give up this unrealistic idea several times.

However, when she thought about the current situation of herself and the entire royal family,

She really couldn't think of a better solution.

Moreover, Helena knew very well that her grandmother had not been open and honest with her before.

Grandma kept saying that if she had no children, she might go to another European royal family to borrow a king or queen in the future.

But Helena knew in her heart that once she really had no children,

After she died, the Nordic government and the Nordic people would definitely invite her cousin Olivia back to inherit the lineage.

If Olivia has children, her children will most likely become Nordic kings or queens in the future.

That way, the throne is back in the hands of Olivia and her descendants.

This is definitely something Helena would rather die than see.

With the help of Charlie, she finally got the queen's seat from Olivia.

If the throne is to be taken back by Olivia's descendants after her death,

She would rather let the entire Nordic royal family completely withdraw from the history stage.

The chaotic thoughts and the tangled reality made Helena exhausted physically and mentally.

She even had some regrets, regretted coming back from China, and regretted taking the throne of the queen.

If he had chosen to stay in China, she might have been closer to Charlie,

And she would not have to worry about the royal family.

When she is not the queen, she actually has an inextricable relationship with Charlie.

She has long realized that it is not the queen's seat that she is attached to.

What she is really attached to is Charlie standing in front of her. That feeling of the sword making way for itself.

Just then, she heard the sound of an engine from far.

She quickly got up and went to the window, and when she saw the car driven by Charlie is back to the palace,

She rushed out the door and walked downstairs quickly.

When she arrived downstairs, Charlie just stopped the car.

Seeing Charlie getting out of the car, Helena hurriedly stepped forward and said respectfully,

"Mr. Wade, why have you been out for so long... I've been very worried..."

Charlie said with a slight smile: "It's a little more complicated than I thought, but fortunately it was resolved smoothly."

Helena breathed a sigh of relief and quickly asked,

"Mr. Wade, you haven't eaten for so long, must you be hungry? I'll let the chef prepare breakfast for you!"

Charlie shook his head tiredly, and said casually,

"I don't have the appetite to eat, so please arrange a room for me and let me sleep first!"

Chapter 5089

In fact, for Charlie, sleep has long been optional.

Even if he doesn't sleep all the time, his body doesn't feel tired.

However, just now he poured a lot of spiritual energy into the ring,

And even if he ate a Cultivation Pill, he could not fully replenish it.

Such a rapid consumption of spiritual energy really made his body feel a little tired.

Seeing Charlie's tired face, Helena quickly said, "Mr. Wade, please come with me."

Because the palace was in disrepair, there were only a few rooms available for occupancy at any time.

She took him to her bedroom in this palace.

When Charlie first arrived here, he didn't know the internal structure and distribution of this palace,

And because of his rare physical fatigue, he followed Helena to the bedroom.

This is the largest bedroom in the palace. More precisely, it should be a large suite.

Pushing the door in, it is a meeting room with a Nordic style and antique flavor.

Every piece of furniture, ornament, even floors, and chandeliers here has a history of at least more than a hundred years.

Although the classical beauty of northern Europe is very artistic,

But after all, it is old and poorly maintained, and the room has a musty smell that is difficult to remove.

Helena stayed in this suite for half a night, and was used to the smell,

But after going out and coming back, the smell became very obvious again.

She couldn't help frowning slightly, and said apologetically,

"Sorry, Mr. Wade, there is a musty smell in the room."

"Besides the age, it may also be related to the rainy weather here in Bergen."

Charlie smiled casually: "It's okay, it's already good."

Helena bowed slightly, pointed to the bedroom inside, and said to him,

"Mr. Wade, the bedroom is inside, you can rest for a while!"

"Okay." Charlie nodded and said, "You don't have to worry about me."

"I'll take a moment and think about something. If I don't get up before noon, please ask someone to wake me up."

"Okay!" Helena nodded respectfully and agreed, then pursed her lips slightly,

And said to him, "Mr. Wade, I will help you tidy up the bed."

“The bed in this bedroom has not been tidied up, and it is a little messy.”

Charlie was a little surprised, and he didn't have time.

Asked, Helena hurriedly stepped into the bedroom first.

Charlie followed her to the bedroom, only to find that on the large bed,

The quilt had been lifted halfway, and the mattress was slightly wrinkled,

Clearly showing that someone had slept in it.

Moreover, there is a faint fragrance in this room, exactly the same as the perfume on Helena.

This made him unable to ask her, “Is this your bedroom?”

Helena blushed with shame, and said hesitantly,

“I'm sorry, Mr. Wade, most of the rooms here have been dusty for too long.

It's not suitable for entertaining guests, only this room is reasonable,”

“So you have to rest here. Please don't mind...”

Charlie shook his head and said, “I don't mind, it's just that I sleep here.”

“Doesn't it mean that the dove occupies the magpie's nest, and it will also affect your rest.”

“No, no.” Helena waved her hand without hesitation and said,

“I’ve woken up, you can rest, I’ll sit on the sofa outside for a while.”

When Charlie heard that, he didn’t insist anymore.

No one could have imagined that someone like Helena,

Who attracted the attention of the whole world and was sought after by all the nobles,

Was like a personal maid, willing to clean up her bed for Charlie.

She never thought about what to do or not to do as a queen.

She only knew that in the face of Charlie,

She could put down all the pride and restraint of an empress and be willing to do anything for him.

Chapter 5090

Moreover, at this moment, when Helena thought that Charlie was about to sleep in the bed she had just slept in,

Her restless heart was both happy and ashamed.

After Helena helped Charlie clean up the bed, she said respectfully,

“Mr. Wade, please rest first. If you have any needs, please let me know at any time.”

“Okay, thank you.” Charlie smiled After nodding and thanking her, he watched her exit the room.

Afterward, he took a shower in the bathroom in the room,

Took off his clothes tiredly, and placed them neatly on the bench at the end of the bed.

Except for his underwear, he only held the ring in the palm of his hand.

Immediately afterward, he lay on the bed that was still warm and smelled of fragrance.

Thinking that this body temperature and fragrance all came from the graceful and moving Helena,

Charlie couldn't help but feel weird at a certain moment.

However, when he thought of the pitiful ring in his hand again,

He couldn't help but feel a little pain in his heart.

He put the ring on his fingertips and kept turning it around,

Hesitating again and again, but still couldn't help pouring a bit of spiritual energy into it.

As a result, it was still the same as usual, except that the ring made a buzzing sound,

As if to tell him that his heart had been received, and there was no other indication.

Charlie was a little annoyed again.

Did you deceive yourself with a ring?

How can this ghastly thing be as shameless as those deceptive slaughtering plates on the Internet,

And deceptive online gambling? How can there be such a person who keeps asking,

But is so stingy that it doesn't give anything in return?

Even those slaughtering pigs who lie next to an electric baton in northern Myanmar while trembling and pretending to be a beauty,

Or a rich second-generation deceiver on the Internet with their fingers,

At least when they cheat for money, they will be extremely concerned about their targets and ask for help.

In contrast, the professional ethics of this ring is not as good as that of fraudsters.

However, Charlie couldn't help but feel a little overwhelmed.

He thought to himself, "Could it be the wrong way for me to open the ring?"

Thinking of this, he immediately put the ring on his left middle finger,

And then poured a little spiritual energy into it,

Wanting to see if this thing had to be worn on the finger to trigger it.

However, even though he had put the ring on his finger, the ring was still as shameless as ever.

Seeing that a lot of spiritual energy was taken away again, Charlie was really annoyed.

But when he thought that he has put so much spiritual energy into it, it is really a shame to just give up.

After all, what he is facing is a ring, not the kind of insatiable online scammer.

Thinking of this, he gritted his teeth and continued to comfort himself:

"Maybe it's the wrong finger I am wearing? Let's try again with another finger!"

Since the ring couldn't fit into his thumb, Charlie put it on the other eight fingers.

Tried it all over again.

After the test, the whole person's mentality of anger completely collapsed.

This ghost is really just like those pig-killers, eating without spitting bones.

The purpose of the pig killer is to drain every penny of the victim's money,

And the purpose of this ring may be to drain every penny of his spiritual energy...

At this point, Charlie's heart was stunned.

At this time, the spiritual energy in his body has been consumed by more than 90% again,

The whole person is very tired, and his heart is especially decadent.

He is like a gambler who has come to his senses.

After waking up, he realizes that he has lost too much in this scam.

At this moment, Charlie wanted to take another Cultivation Pill,

But then he thought about it if he took another Cultivation Pill,

How would it be different from those victims who fell into the scam?

What you need to do now is to stop your losses in time, and don't have any illusions about this ring!

Thinking of this, the exhausted Charlie took off the ring, held it in his hand,

And no longer poured any spiritual energy into it.

At the same time, he couldn't help thinking of that Maria Lin.

He felt that this girl seemed extremely difficult.

Not to mention whether there are any unknown secrets in this ring,

Just the fact that she can decide to give this ring to him in an instant.

That is enough to see that her courage in doing things is very ordinary.

Chapter 5090

Moreover, if the nine copper coins that he saw were indeed hexagrams,

Then the girl's accomplishments in the I Ching gossip would have even beat Lai Qinghua by a large margin.

Lai Qinghua is at the top of the top in I Ching gossip and Feng Shui secrets.

It is no exaggeration to say that he is an Einstein in the field of divination and Feng Shui.

If such a great figure at the top level is really left behind by a little girl like Maria,

Then Maria will be so strong that she is simply not a human being.

It seemed that she could only solve this series of riddles herself.

After the great consumption of spiritual energy and the constant thinking in his mind,

Charlie felt that his body was getting more and more tired,

Just like an ordinary person who had stayed up for three days and three nights,

And the whole person was already at the critical point of falling asleep.

So, he slowly closed his eyes unknowingly and fell asleep completely.

...

About half an hour later.

When he was fast asleep, Helena, who had been fidgeting in the living room,

Suddenly stood up from the sofa after a long and fierce psychological struggle.

She took out her mobile phone in a panic,

Found the date record of her last period, and then searched the Internet for an ovulation calculator.

When she entered the start and end times of her last period,

As well as her average time between periods, the small software popped up a pink love sign for her with a line of words on it:

“Congratulations on your current period.”

“During the ovulation period, this is the best time to start giving birth to a new life!”

Seeing this line of words, Helena’s expression first became a little surprised,”

“And then she became extremely determined as if she had made a major decision.

Afterward, she took a deep breath, and with an uneasy heart,

She walked to the bedroom door and gently pushed it open the door.

At this time, Charlie was lying on the bed, sleeping like a baby.

Helena looked at him who was sleeping and after a moment of silence,

She simply turned her heart away, slowly stretched out her snow-white hands,

Wrapped them behind her, and opened the long zipper on the back of her dress.

As the zipper opened, her stunning back was almost completely exposed to the air.

Then, the whole long skirt slid down from her tender shoulders,

And instantly fell on her slender and s3xy ankles...

Charlie, who has not experienced such a deep sleep as today.

He was completely unaware of Helena's arrival and her series of actions.

At this time, Helena was extremely nervous, and even the rhythm of her breathing was completely chaotic.

The courage of the backbone just now has been exhausted when taking this step until now.

At the moment when the long dress fell on her feet,

Helena seemed to have been immobilized, and stood motionless and looked at Charlie for five minutes.

She needs to keep encouraging herself so that she can take a brave step forward.

The weather in Bergen is cloudy and rainy,

And even the midday temperature in midsummer will not make people feel hot,

Not to mention that it is only early summer, and the temperature in the early morning is even a little cool.

She stood on the spot and soon felt that her body was a little stiff from the cold.

She felt that her skin exposed to the air had dense goosebumps, and her body shivered uncontrollably.

At this moment, she gritted her teeth, put her hands behind her again,

And untied the hooks behind her upper body underwear.

Immediately afterward, the last strand of soft cloth was also removed from her body.

At this time, her body only felt even more chilled, so she no longer hesitated,

And shiveringly lifted the quilt on the other side of Charlie's body and crawled in decisively.

At this time, Charlie's body was scorching hot in the bed.

That body full of masculinity is emitting a steady stream of heat.

After Helena got into the quilt, she felt a warm feeling,

And the coldness of her body was instantly relieved a lot.

At this time, she could no longer be shy, and her first thought was to hug Charlie tightly,

And try to make the body and skin of the two people have more and closer contact,

So as to quickly warm her own body and skin. Already a little cold body.

At this time, Charlie still showed no sign of waking up.

The moment Helena hugged him, she was ready for him to wake up suddenly.

After all, his strength is unbelievable, and it is impossible for him not to notice her bold behavior.

Chapter 5091

Moreover, Helena was even ready to confess to him the moment he woke up.

But what she didn't expect was that Charlie next to her didn't move.

She hugged him subconsciously, but he still didn't respond.

She was a little stunned for a while.

She didn't know whether Charlie really hadn't woken up,

Or whether he had woken up but was still pretending to be asleep on purpose.

She carefully looked at his profile, looked at his eyelashes that trembled with his breathing,

And listening to his breathing and heartbeat, she realized that he was really sleeping!

For a moment, Helena couldn't help but burst into laughter.

She really did not expect that, a man who was almost indistinguishable from a god in her own eyes,

Actually had a side like a baby, sleeping so sweetly, and being so well-behaved.

At this moment, for the first time, she also found some kind of intimacy with him.

So, she still hugged him tightly, stared at his profile at the same time,

And said softly, "Charlie... Do you know how much I love you in my heart?"

"If I have that I am lucky to be with you, let alone giving up the title of queen,"

"Even if I die immediately, I don't think I will have any hesitation..."

Speaking of this, she suddenly smiled at herself: "If you hear these words,"

"You will definitely think that this woman must be lying?"

"After all, in the eyes of others, I am obviously addicted to power,"

"The biggest dream is to one day be able to wait for the Queen's throne and let the world look up..."

Helena said, her eyes suddenly became red, and sighed: "You know, in fact,"

"I never thought that I would do it in my life. What is the queen, the reason why I crossed the ocean,"

“To marry the Wade family is not because I am greedy for glory and wealth,”

“I just wanted to sell my happiness in exchange for my mother’s safety.”

“If I refuse to marry Morgan, my mother would definitely have evaporated.”

“At that time, I could only save her life by obeying the arrangement of the family...”

“However, in the eyes of many people, including your cousin Morgan,”

“I was just a person for the sake of prosperity and wealth.”

“Crossing the ocean and trying to cling to his poor royal family,”

“I believe you must have thought so when we met for the first time, right?”

Speaking of which, her voice had become a little choked:

“As for ascending the throne and becoming a new Queen, this is not what I thought...”

“You helped me to stand out and solve Olivia’s threat. My biggest dream at the time was to be able to rescue my mother,”

“And then I wanted to go to China to settle together, even if you don’t have me in your heart,”

“I’d like to live around you, but I didn’t expect that you would let grandma give me the throne...”

With a sigh, she looked at him With a bitter expression and said,

“Do you know that I may be forced by you to be the most famous single woman in the world?”

“If I don’t have the chance to be with you in my life, I’m destined to be alone forever.”

“If I’m just an ordinary woman living in a corner of the world,”

“It doesn’t matter if I die alone, but you pushed me to the highly anticipated position of the Queen...”

“Do you want me to end up being a single old woman who lives alone in the limelight?”

“The whole world will laugh at me, and these unscrupulous media will definitely create a lot of fake news about me;”

“They will say that I am indifferent, they will say that I am gay,”

“And they will even frame me as having an affair with others.”

“At that time, all kinds of negative fake news will fly all over the sky,”

“And as the Queen, in order not to fall into a more and more dark situation,”

“I can only choose to be silent, it’s so long for a lifetime, you say, how do you compensate me?”

Speaking of this, she suddenly stood up and lay beside him,

Her clear eyes staring at Charlie all the time. , with a serious expression,

And even whispered with a bit of pleading: “Charlie, I don’t expect anything to be possible with you in this life,”

“I just want you to give me a child, a child that belongs to both of us,”

“My family, who has no successor, will need someone who has the same blood to inherit the lineage in the future,”

“And my life is too long, I also want to have someone to accompany...”

At this time, Charlie was still in a deep sleep,

He didn't realize Helena's arrival at all, let alone what she said in his ear.

At the same time, Helena was already deeply in love.

She took the initiative to lean towards Charlie, and her lips gently kissed him.

She was instantly immersed in this kiss, unable to extricate herself,

And the impulse was like an invisible big hand, desperately pushing her to continue to step forward.

But at this moment, she looked at Charlie's handsome and decent face,

But was always sleeping, and suddenly felt a little depressed.

She looked at him and asked him softly,

"If you wake up now and see me like this, you will be very disappointed..."

Chapter 5093

Helena's voice was soft and sad.

However, Charlie, who was sleeping soundly in front of her, still didn't respond.

At this time, he was almost completely cut off from the outside world.

Seeing that he didn't respond in the slightest,

Helena's sadness in her heart was suddenly magnified rapidly.

The tears she shed when she looked at Charlie were already on the line.

She stroked his face lightly, choking with sobs in a low voice:

"I can see that from the first day I met you, you have been keeping a distance from me."

"In your heart, I must be a very realistic, very profit-seeking,"

"Even for a woman who will do anything for her superior..."

"If I just have s3x with you without you knowing anything,"

“And at the same time I am lucky enough to conceive your child, must you look down on me even more?”

“Even, you may be full of discrimination and prejudice against our child because you look down on me...”

“If I fail to conceive your child, then you may look down on me.”

“You will stay away from me in this life, and I will never see you again, right?”

Having said that, she wiped away her tears and said firmly:

“No...I will not deepen this feeling for you again. An opportunity for a wrong perception...”

“Absolutely not! Life is still early, I will definitely use an aboveboard method to let you change your wrong perception of me,”

“And let you know that, except for my mother, The only thing I really care about in this world is you!”

After that, she bent down again, kissed his lips lightly, and curled up in his arms like a kitten.

Hiding in Charlie’s arms, she couldn’t help laughing out loud, and said,

“I want to hold you and sleep for an hour. Promise me,”

“Don’t wake up for this hour, so that I can wake up decently and go out of here.”

After finishing speaking, she put her face on Charlie’s heart, and slowly closed her eyes.

At this moment, she felt that she was the happiest woman in the world.

However, the only regret is that because she was afraid that he would wake up earlier than herself,

Helena didn’t dare to let herself fall asleep completely.

Although she was full of happiness, she was somewhat cautious and apprehensive.

In Charlie’s arms, she fell asleep for nearly an hour, half dreaming and half awake.

This hour is the most satisfying hour since she was an adult.

Seeing that the wall clock on the wall had already pointed to the position of nine o’clock,

She got off the bed softly, put on her clothes gently,

And then tidied up the half of the bed she had slept on, and cautiously pinched away the hair that fell on Charlie's arms.

After doing all this, she stared at him, kissed him again uncontrollably,

Then reluctantly walked out of the room, and closed the door carefully behind.

...

It was almost noon when Charlie slowly opened his eyes.

He felt that he had experienced the longest but most peaceful sleep since he had memory.

Although this sleep did not significantly replenish his aura, it did greatly improve his spirit.

He slowly got up from the bed, stretched his arms wantonly, and stretched his body,

And suddenly felt that there was a very familiar fragrance on his body.

This smell is the same as the fragrance on Helena's body.

Although he had smelled this fragrance when he first entered this room and even when he was lying on the bed,

He clearly felt that the fragrance on his body now was even stronger than when he was lying on this bed.

He also knew very well in his heart that things like fragrance are constantly being worn out,

And now the smell is stronger than before,

Which only means that this smell has been replenished in the middle of his sleep.

Thinking of this, Charlie subconsciously stretched his hand into the quilt on the other side of the bed,

And could clearly feel that there was still a slight residual warmth,

In the quilt on the other side where no one was sleeping.

At this moment, he suddenly realized something.

Chapter 5094

Charlie lifted the quilt subconsciously, looked down at his underwear,

And was slightly relieved when he found that it was still in good condition.

At this time, he had already realized that Helena must have come when he was asleep and slept next to me.

The scent on his body, as well as the residual temperature in the bed on the other side, pointed the evidence to her.

Charlie didn't understand why she sneaked into his bed when he was asleep,

But after some consideration, he decided to pretend he didn't know anything about it.

In his view, doing this is the best solution. On the one hand,

It can alleviate the embarrassment between the two and on the other hand,

It can prevent this matter from continuing to have any further consequences.

After making up his mind, he got up from the bed.

At this time, there is still very little spiritual energy left in the body.

Since the aura that can be absorbed by nature is extremely scarce,

If you want to supplement it by absorbing aura from nature,

It may be difficult to return to the previous state in a year or so,

So he took out another Cultivation Pill to be on the safe side to quickly replenish the consumed aura first.

So, he sat cross-legged on the carpet, took out a Pill from his pocket,

And put it in his mouth with great distress.

In an instant, the elixir turned into a rich aura, which continuously gathered in the body.

However, what surprised him was that the aura in his body could be fully replenished with a single Cultivation Pill.

However, after yesterday's frequent and rapid consumption and replenishment of spiritual energy,

The Cultivation Pill that he just took had only replenished 80% of his spiritual energy.

Charlie thought to himself: "It seems that frequent extreme states are not a bad thing,"

"Just like athletes can gradually surpass themselves in high-intensity training,"

"I can also pass through this high-intensity state To increase the upper limit,"

"If the upper limit of aura in the body can be doubled, the overall strength will also be greatly increased!"

Thinking of this, he couldn't help but feel melancholic.

After all, the Cultivation Pill was too precious, once it was exhausted and no new pills could be replenished,

It would be very difficult for him to replenish his aura.

This is also doomed that he cannot frequently use this extreme state to continuously increase his upper limit.

Afterward, he stood up, walked into the bathroom in the bedroom, and took a shower.

When he came out of the bedroom with wet hair, Helena was taking a nap on the sofa in the living room.

Hearing Charlie's movement, she quickly opened her eyes, and seeing Charlie had come out, she felt nervous for a while.

In order not to be seen by him, she hurriedly asked Charlie respectfully:

"Mr. Wade, did you sleep well?"

Charlie saw that Helena's cheeks were already flushed just as she spoke,

And her heart became more firm in her speculation.

However, he still decided to pretend to be stupid to make this matter turn over smoothly,

So he said casually: "I slept very well, I haven't slept so well for a long time."

Helena was indeed relieved when she heard Charlie's words.

She hurriedly said: "It's already noon now, you must be hungry,"

"Do you want to go to the dining room to have something?"

"Okay." Charlie nodded and said: "If you have no other arrangements,"

“It’s time for me to go back to the United States.”

Helena suddenly said with some reluctance:

“Mr. Wade, are you in such a hurry to go back?”

“You arrived in the early morning, and you haven’t stayed for ten hours.”

Charlie smiled slightly, and said casually:

“My wife is alone in the United States, and I want to go back to accompany her as soon as possible,”

“Not to mention that everything here has been settled,”

“And I have to withdraw as soon as possible to avoid long nights and dreams.”
