

Chapter 5155

Hearing Charlie order to make a move, Shane was first stunned.

One of the thoughts in his mind was: "Do it? What kind of action?"

"The envoy is not asking us to kill more than 200 of them with 20 people, right?"

"This is clearly an impossible task!"

The other Cavalry guards who had towels in their hands like him were also confused,"

"Not knowing what exactly Charlie meant by doing something.

But at that moment, those Cavalry guards around him suddenly moved!

Leroy, who was the left banner commander, and another banner commander attacked Shane in an instant,

And before Shane had time to react, both his arms were grabbed by the two men in a deadly grip.

Before he had time to react, both of his arms were grabbed by the two of them.

He was shaken and asked, "What do you two want?"

"In front of the special envoy, do you still want to rebel?!"

Leroy said coldly, "Shane, do you really think that today is an auspicious day for you to soar to greatness?"

Shane was controlled by the two men and could not break free at all,

While those Cavalry guards who were following him,

And holding the towel in their left hands were all instantly subdued by the others around them one by one.

After all, the difference in numbers between the two sides was too great,

Shane and his men simply had no room to resist.

Seeing that his men were all wiped out in an instant,

Shane did not realize that it was the envoy who was in trouble,

He thought that the Cavalry guards thought that the poison in their bodies had been cured,

And under Leroy's leadership, they intended to mutiny directly.

So, he looked at Charlie with a face full of fear and said offhandedly,

"Lord Envoy, you quickly tell them the truth!"

"Quickly tell them that what they are taking is not the antidote at all!"

"They dare to betray the organization, sooner or later,"

"They will be cleaned up by the organization! You should tell them quickly!"

Charlie smiled faintly and said indifferently, "Shane, in fact, I am not a special envoy at all,"

"The medicine I gave you is the antidote that can completely remove the poison in your body,"

"And I originally intended to give all of you a chance to fight for freedom,"

"But unexpectedly, you chose to betray your ancestors, betray your companions!"

"Since this path was chosen by you, you have to bear the consequences yourself!"

When Shane heard Charlie's words, his whole body was struck by lightning,

And he subconsciously blurted out, "You are not Lord Special Envoy?"

"Then who the h3ll are you? Why impersonate Lord Special Envoy to come here?!"

Charlie looked at him, and then looked at the more than two hundred Cavalry guards below,

Smiled and said, "Let me introduce myself, my name is Charlie Wade, and from today onwards,"

"I will temporarily become the supreme commander here,"

"Together with all of you Cavalry guards who are unwilling to confront the Warriors Den,"

"And fight the Warriors Den to the end!"

A crowd of people on the stage was already excited,

And they all raised their arms together and shouted, "Fight to the end! Fight to the end!"

Charlie nodded, reached out his hand to signal everyone to be quiet for the moment,

Then raised his right hand and snapped his fingers.

At this time, Joseph led the seven Cavalry guards who had surrendered to Charlie in Norway and stepped up.

When the Cavalry guards on the stage saw these seven people, they couldn't help but let out a gasp!

They originally thought that the eight people who were sent on the mission,

The last time had all been killed, but unexpectedly, there were still seven people who survived.

So, suddenly meeting, they were naturally shocked to no additional.

Chapter 5156

Charlie pointed at the seven people and said aloud:

“These seven people, who were once your fellow soldiers,”

“Had decided to pledge their allegiance to me in Norway some time ago,”

“And now I am bringing them back so that they can return to the Cavalry Guard and go to fight alongside you!”

Those seven people were also excited at this time.

To be able to come back was something that was previously unthinkable.

What’s more, right now, Charlie already had complete control of the situation here.

Not only were they able to return, but they were even able to reunite with their loved ones here!

This was definitely the best outcome for them.

Charlie then said: “I announce that from today, all the Cavalry guards will be reorganized,”

“With Leroy Li as the commander of the Cavalry guards,”

“The right banner commander will remain unchanged, the left banner commander and the middle banner commander,”

“Leroy will nominate five people each, and then you will vote internally,”

“To choose the person with the highest number of votes from the five people to serve!”

“In addition, the Cavalry Guard from today, to set up a cabinet,”

“The maximum number of the cabinet is eleven people, in addition to the commander,”

“Left, center, and right banner chiefs, the other seven people,”

“By secret ballot elected by all members, in the future,”

“All internal affairs of the Cavalry Guard, in principle, by the cabinet to develop,”

“Can get at least six votes out of eleven people can be implemented within the Cavalry Guard!”

The crowd did not expect that Charlie would really let them form internal self-government,

Their hearts are naturally excited.

And Charlie pointed to Joseph, said indifferently:

“This is Joseph Wan, the master of the Cataclysmic Front,”

“In the future, he will be in charge of the affairs here on my behalf.”

“But don’t worry, as long as it doesn’t affect our cooperation and position,”

“Joseph will not abuse his veto power.”

The crowd naturally did not have any comments on this,

After all, they are now considered Charlie’s subordinates,

Military discipline in the military, military orders like a mountain,

Any affairs of subordinates, strictly speaking, require the approval of superiors,

Not to mention that Charlie has given them considerable autonomy,

Which has fully demonstrated respect for them.

Then, Charlie continued, "Right now, the first matter that needs to be decided internally"

"By you is about how these traitors should be handled."

Immediately, someone from the Cavalry guards below shouted, "Kill them, traitors!"

Immediately after that, someone else also immediately echoed, "Yes! Kill them!"

Soon, many more people shouted slogans in excitement, wanting to kill all these traitors.

But Charlie said very seriously: "It is not suitable to make a decision in the heat of the moment,"

"I give you three days to form a cabinet, and then give you three days to discuss the treatment of these people,"

"I hope you can calm down and discuss the punishment of these people."

"At that moment whatever decision you make, I will respect your opinions."

In Charlie's opinion, if the Cavalry guards were not stopped,

None of these twenty people would survive.

However, if he really let them kill all these twenty people,

He felt that it is somewhat overkill.

Therefore, it is better to let them calm down and then discuss this issue carefully,

When they will not interfere with their judgment,

If they finally decide to put all these people to death, then they also respect their opinions.

After hearing these words of Charlie, Leroy said respectfully,

“Mr. Wade, don’t worry, your subordinate understands!”

The others also said in a loud voice, “Your subordinates understand!”

Charlie nodded slightly and said to Leroy,

“First, arrange for them to be escorted down under strict supervision,”

“And you take me down to the copper mine to meet the dead soldiers!”

Chapter 5157

The mining location of this copper mine was located underground at a depth of about five hundred meters or so.

Charlie let Leroy, as well as the people under his control,

Lead the crowd together and take the elevated cage to the dead man's quarters.

As they made their way down, Leroy introduced the specifics of this copper mine to Charlie.

After decades of continuous development, the interior of this copper mine had become extremely intricate and complex.

It consists of a total of three parts, the first was the normal mining part of the copper mine,

Including the tunnel and mining surface; the second, the part where the dead soldiers and their relatives lived;

And the third is the part where all the supplies and equipment were stored.

From the mouth of the shaft down to the very bottom,

In fact, just down to the working face of the copper mine.

After going down, it can be seen that this is a very standard medium-sized copper mine,

All the facilities and equipment are required for production, no abnormalities can be seen at all.

Led by Leroy, Charlie walked out of the cage, looked at the deep mine tunnel,

And curiously asked, "Where do the dead soldiers and their relatives usually live?"

Leroy hurriedly said, "Back to Mr. Wade, this plane at an altitude of minus five hundred meters,"

"Is all the working surface of the copper mine, the area where the dead men live,"

"You have to go in through a hidden dark tunnel in front and take another lift cage to go down another hundred meters."

Charlie nodded and asked him, "Why is no one working here now?"

Leroy answered: "Because today is the time to take the medicine,"

"So the dead soldiers have to be driven away early back to the living area of minus six hundred meters as ordered,"

"So that they can wait there for the antidote to be delivered and take the medicine together."

Saying that he added: "Under normal circumstances,"

"Only the dead soldiers working in the copper mine and the families of the dead soldiers,"

"Are qualified to come to this level as miners,"

"Others have been staying in that level below and only have the opportunity,"

"To come out when they are selected to go on a mission."

Charlie asked, "How do you usually manage these dead soldiers who act as miners?"

Leroy said: "There are a total of three teams of miners, each team about a hundred people,"

"Working in three shifts, the specific management method is the same as the United States prison management work,"

"With each shift up, there will be a special group of Cavalry guards responsible for this shift in advance of the count below,"

"And then personally bring them up to work, and the Cavalry guards above will also be on time to count the number of their own management shift,"

"To determine the number of shifts with the change of shift."

"After making sure that there is no difference between the number of people on duty and the shift change,"

"They will hand over with another team that comes to hand over the shift,"

"And after the number is verified correctly, send all the people of this shift back,"

"And count the number once more after reaching the layer below,"

"And after confirming that it is correct, the miners of this shift will go back to rest,"

"And the Cavalry guards who are responsible for supervising them will also go back to rest."

Charlie asked him, "Is there any extra pay for the dead soldiers who act as miners and their families?"

“No.” Leroy shook his head, “According to the organization’s requirements,”

“We will only select those dead soldiers and their families who are not strong enough to perform labor,”

“And will not give any additional compensation.”

Charlie nodded gently.

At this moment, Leroy had already led him and the others to a room that said power distribution room.

After entering the room, the first thing that jumped into the eyes was the well-organized circuit equipment,

But as Leroy operated a set of power distribution cabinets on the wall for a moment,

Immediately after that, the whole wall suddenly opened slowly inward.

Charlie was able to see from the side of the door frame, the door disguised as a wall,

The thickness of almost nearly one meter, and both sides are very thick steel plate reinforcement,

Not to mention martial arts experts, even for ordinary heavy firepower, it is impossible to blow this wall open.

Chapter 5158

Behind this wall, there is a large machine room,

Which is actually a heavy elevator equipment and operation room,

In the machine room below, is a large lift cage.

Leroy led the crowd up to the cage, using his iris to start the cage,

Then the cage will take the crowd, and continue to the depths of minus six hundred meters altitude drop.

In the process of the cage downward running, Leroy said to Charlie:

“Mr. Wade, all the safety equipment here is one-way, just now the hidden door,”

“As well as this lift cage, only we can operate from the outside, in addition,”

“After the cage goes to the bottom, there is a door that opens from the outside,”

“Also only we can open from the outside. “

Charlie asked him: “This should be the only access to the outside world from the dead man’s quarters, right?”

“That’s right.” Leroy nodded and said: “the dead can only rely on a passage in and out,”

“But their premises and a large number of steel ventilation ducts,

But the thickest internal diameter of those ducts is only eleven centimeters,”

“People simply can not get out, so they also have no possibility of escape,”

“Even if they can open the door underneath, it is impossible to climb up this 100-meter-high shaft,”

“Even if they climb up, the cage is always tightly blocked at the mouth of the shaft,”

“They simply can not get out, so this place has been put into use for so many years,”

“There has not been a breakout situation.”

Saying that Leroy continued: “Of course, this has to do with the poison in their bodies,”

“Even if they go through a lot of trouble to escape from here,”

“Without the antidote, within a week is certain death.”

Charlie nodded, in his heart sighed a little more at the living environment of the dead soldiers.

In this underground six hundred meters, for years and months without seeing the sun,

This kind of living must be tormenting for them.

As May 47 said, many dead soldiers’ children were born here,

And from birth to the time he started working for the organization at the age of twenty,

He didn't even have the chance to see the sunlight during the twenty years in between.

Thinking about this, how to solve the life of these dead soldiers,

And the families of the dead soldiers in the future, it becomes a relatively tricky problem.

Charlie naturally did not want to continue to let them live in the six hundred meters deep underground,

But this copper mine in the eyes of the outside world is the size of a few hundred people,

So if he gets these people to the ground, the buildings on the ground can not carry so many people at all.

At this point, the cage has come all the way to the very bottom.

After walking out of the cage, there is a transition area of about 40 square meters,

The so-called transition area, the back end connected to the cage,

The front end is connected to the last gate where the dead men are kept.

Leroy took out a key from his pocket, inserted the key into the lock hole,

And then went through the pupil comparison,

And then heard a click from the gate, followed by a slow opening outward.

And the moment this iron door opened, Charlie was a little disoriented by the sight in front of him.

What appeared in front of him was an underground square of at least tens of thousands of square meters,

The height of the square was at least fifteen meters, every ten meters or so,

There was thick weight-bearing pillar support,

And the lights on the top, the whole square illuminated like daylight!

The passage in front of Charlie was not at the bottom of the square,

But in the middle of the vertical side of the square.

When he stepped out, in front of him was a round and outward poking platform,

Which was seven or eight meters from the ground, and seven or eight meters from the top.

When he stepped on the platform, seven or eight meters from his feet on the ground of the square,

There were thousands of people standing neatly and uniformly.

At this time, thousands of people suddenly all knelt down on one knee

And shouted respectfully under their breath, "Welcome Lord Special Envoy!"

Chapter 5159

At this moment, the dead soldiers who knelt down to greet the envoy,

As well as their families did not know that the man in black robes in front of them was not the envoy they thought he was.

According to the rules, on the day of the antidote distribution,

All the dead soldiers and their relatives have to line up in advance,

In this tens of thousands of square meters hall and kneel down to greet the envoy the moment they see him.

When Charlie saw so many people kneeling down,

He was shocked by the sight in front of him for a while.

This area of tens of thousands of square meters, more than ten meters high underground world,

With those huge support pillars, has been the top of the bright as daylighting,

Making this space a magnificent ancient palace sense of sight,

Plus thousands of people kneeling in unison, the same mouth to say the same sentence,

The echo makes the entire underground space tremble.

Charlie looked at these people, and could not help but frown,

Asked in a loud voice: "Did they force you to kneel,"

"Or did you take the initiative to kneel?"

With one sentence, all the dead soldiers were asked with horrified faces.

This was the first time they had heard the envoy say something other than the established lines.

The so-called established lines were just to thank the lord for giving the antidote,

And everyone should do their best to serve him, and so on and so forth.

Therefore, in their impression, the envoy was more like a human repeater,

Who only had two things to do every time he came over,

One was to supervise the cavalry guards to give medicine to the dead soldiers,

And the other thing was to repeat the nonsense,

That the dead soldiers would not believe or care about at all.

And Charlie suddenly and coldly said such a sentence, really let their hearts feel shocked,

They can not understand this envoy in the end, how dare to speak so, and even came to a “they”.

Who are they? Are they not the Warriors Den?

But isn't the envoy himself also a member of the Warriors Den?

Then he should have said “we”, not “they”!

Just when everyone was confused, Charlie asked again,

“Who is the commander among you? Stand up and speak!”

A middle-aged man in the center of the first row slowly stood up and said in a loud voice:

“I am thirty-nine zero, the person in charge here.”

Charlie grunted and asked him, "Answer the question I asked just now,"

"Did they force you to kneel here to greet the envoy,"

"Or did you take the initiative to kneel?"

Thirty-Nine Zero looked around and said with a somewhat apprehensive expression,

"Lord Envoy, it has always been a tradition for us to kneel here to greet you,"

"And the antidote is given by the lord, so why are you suddenly asking such a question?"

Charlie laughed and said, "Kicking the can down the road, right?"

Thirty-Nine Zero hurriedly bowed and said, "This subordinate does not dare!"

"Your subordinate is not representing myself, but these three to four thousand men,"

"Women and children behind me, so naturally I don't dare to speak nonsense."

Charlie nodded approvingly, thirty-nine zero seems to be somewhat clever,

In the uncertainty of their own origin, not to speak too slowly,

And not to show too heartfelt to the Warriors Den,

But instead of Charlie's problem, to the definition of "tradition",

So that can be considered into the attack, and retreat can be defended.

Charlie also did not make it too difficult for him,

But slowly took off his black robe, to show his true face to the crowd.

This action made all the dead soldiers and their families dumbfounded.

They had never seen the true face of any of the envoys before,

Because according to the rules of the Warriors Den, the dead soldiers could only meet with specific cavalry guards,

And other than that, they were not allowed to meet face-to-face with anyone else in this organization.

Chapter 5160

The reason for this is also mainly because of the special status of the dead soldiers,

Once they go out, they are all going on important missions,

And it is necessary to stop them from recognizing any of the members of the Warriors Den while they are on their missions.

Therefore, every envoy came here with a black robe and covered his face with a black cap.

But this time, Charlie suddenly broke this long-standing rule,

Which made all the dead soldiers involuntarily tense up.

Charlie saw the people's horrified expressions and panic, so he lightly spoke:

“To tell you the truth, I am not a special envoy of the Warriors Den,”

“The real special envoy has been controlled by me, now,”

“All the cavalry guards have sworn allegiance to me, and I fight together against the entire Warriors Den with them,”

“So I came here to ask you, are you willing to be like them,”

“To fight together with me? Fight side by side with me?”

When Charlie said this, the whole hall was in an uproar!

No one expected that things would be this much unexpected!

At this moment thirty-nine zero said: “Even if they get the antidote from the real envoy,”

“It will only allow them to live for one more week,”

“So even if they want to fight alongside him, they are afraid they won’t be able to survive.”

Thirty-Nine Zero’s words caused all the dead soldiers who were in shock to be dismayed for a moment.

Everyone knew that Thirty-Nine Zero was right.

Once they didn’t have the antidote, they would soon die of poison,

And even if they wanted to fight the Warriors Den to the death,

They wouldn't be able to wait until the day they killed the enemy in front of the battle.

At this moment, Charlie looked at thirty-nine zero and a group of dead soldiers and asked curiously,

"Are you willing to be controlled by the Warriors Den for life and all eternity,"

"Or are you willing to fight with them to the death?"

Thirty-nine Zero blurted out, "We are naturally willing to fight to the death,"

"But how can we have such an opportunity? For hundreds of years,"

"The dead are firmly controlled by the organization,"

"Not to mention hundreds of years of living places are comparable to a heavenly prison,"

"The poison in the body alone, it is destined that we simply can not resist,"

"Not to mention resist the Warriors Den,"

"We do not even have the ability to resist the cavalry Guard and escape from here"

Charlie smiled and asked aloud, "If I can completely cure the poison in your bodies,"

"Are you willing to fight them to the death?"

Thirty-nine zero said without thinking, "If the master can really solve the poison in our body,"

"Thirty-nine zero is willing to follow master for the rest of this life and serve his progeny in life and his ancestors after death!"

Charlie nodded slightly, looked around for a while, and asked,

"What about the others? Are you willing?"

The crowd of people looked at each other for a while.

If what Charlie said was true, they would naturally be willing to do so.

However, at this time, they could not believe the "if" Charlie said.

Because, so many years, so many people, have been trying to fight,

The poison in their bodies, but no one has ever succeeded.

In the minds of the dead, the poison, like a lifetime can not break free of the invisible shackles,

It is like gravity on its own, there is no ability to fight it,

And they can not hope that it can completely disappear.

Therefore, everyone faced with Charlie's bold words at this time, for a time did not know how to answer.

At this time, someone whispered below,

“Could this be a ploy used by the organization to test our hearts?”

As soon as these words came out, everyone else echoed them and began to whisper below.

Even thirty-nine-zero heard this, his expression could not help but exude awe.

He was also somewhat unable to distinguish whether Charlie was an enemy or a friend.

At this time, Charlie took out an antidote, looked at Thirty-Nine Zero,

And said indifferently, "Since you were the first to take a stand, let's have you set an example for them."

After saying that, he threw the antidote at Thirty-Nine Zero and said in a loud voice:

"Take this antidote and it will completely remove the poison in your body,"

"Whether you have enough guts to try it or not, you decide for yourself!"

Thirty-Nine Zero reached out and grabbed the antidote thrown at him,"

"And after just a glance, he said without thinking,

"Master you should be the first outsider to find this place in hundreds of years,"

"Based on this alone, I, Thirty Nine Zero, believe in you!"

After saying that, without hesitation, he immediately put the antidote into his mouth!

Chapter 5161

From the time he could remember, his father made him understand through practical action,

That the fate of the dead men was so difficult, but each generation was still living strong and reproducing offspring,

With the sole purpose of hoping that his own bloodline would finally be able to break,

The shackles of the Warriors Den one day in the future and truly win freedom.

And there are several mountains in front of this goal,

And the first mountain that needs to be crossed is the poison that comes on regularly in the body.

For this kind of poison, there is really no reason to speak.

No matter how hard so many dead soldiers and so many generations have tried,

They have no way to dissolve this bizarre poison.

Although Thirty-Nine Zero had never forgotten his father's sage advice,

He knew very well in his heart that this was simply beyond his ability to accomplish.

He had even placed his hopes, on his own son, or even his future son's son.

Just like the psychology of generations of dead soldiers:

Although he could not break the shackles, but his son,

His future son must have a chance, as long as they can achieve this wish in the future,

Then he will be able to smile at the nine springs.

He never thought that when he swallowed the antidote given by Charlie,

He could feel a special power spreading rapidly toward his body,

And then it fused with the poison in his body.

Immediately after, the antidote and the poison seemed to have some kind of chemical reaction,

And both disappeared without a trace.

If the poison was originally a flesh and blood body can not resist the iron rope,

Then the antidote, like a strong acid that specializes in dissolving the iron rope,

But has no effect on the flesh and blood body, directly melting the lock to nothing!

At this time, all the dead soldiers and their relatives, eyes are staring at thirty-nine zero.

The large scene was almost silent, everyone was holding their breath,

Anxiously waiting for the feedback from thirty-nine zero.

After ten seconds, thirty-nine zero, who had been like casting a fixation,

Suddenly had two lines of hot tears gushing from the corners of his closed eyes.

In this wide and long hall, you can even hear the sound of his tears dropping to the ground one by one.

Chapter 5162

At this time, Thirty-Nine Zero suddenly opened his eyes,

Looked at Charlie with tears in his eyes, and did not say a word,

But respectfully bowed deeply to him, and he bowed long.

In this instant, all the dead soldiers and their relatives understood.

Charlie's antidote must have solved the poison in his body,

Otherwise, he would never have suddenly given such a big salute of worship.

And at this time, thirty-nine zero worship on the ground,

The body has been unable to control the violent trembling.

Charlie looked at him and asked aloud, "Thirty-nine zero, how do you feel?"

Thirty-nine zero slowly raised his head, fully excited but more grateful.

At this time he respectfully said: "Back to the sir under"

“Under the skin of this body..... there is no trace of the poison

Once these words came out, thousands of people around fell in shock,

The color of excitement on everyone’s face is already overflowing.

Thirty-nine-zero looked back at the dead soldiers,

And families on both sides and the people behind them,

Turned back to Charlie, hands clasped fists raised above his head, shouted:

“Sir! You are the one who has the great power!”

“We dead soldiers have been enslaved by the Warriors Den for hundreds of years,”

“For hundreds of years without seeing the light of day,”

“Our life is worse than death, please help us out of the sea of suffering,”

“We are willing to follow you for the rest of our lives!”

After saying this, he bowed down again!

The crowd immediately followed suit, shouting:

“We will serve you for the rest of our lives and follow your lead!”

The chanting of thousands of people made the whole underground facility feel a little trembling.

Charlie could hear that their voices were filled with extreme urgency and desire.

Getting rid of the shackles of the Warriors Den was, for each of them,

The greatest wish of their lives,

As well as the generations of ancestors over the centuries.

Now, this wish of more than a dozen generations finally had the chance to come true.

Charlie looked at the crowd’s determined and exuberant appearance,

He couldn’t help but splash a pot of cold water and said,

“If you serve me, you will necessarily have to be enemies with the Warriors Den,”

“Although you are now controlled by the Warriors Den,”

“At least you can still survive here if you are enemies with the Warriors Den,”

“Maybe you will all face danger to your lives, so have you thought it over?”

Chapter 5163

All in unison replied: "We are ready!"

After all, the dead soldiers were successfully detoxified and gradually calmed down,

Charlie walked down the stone steps and came to the square.

Thousands of people looked at him, thankful and formerly kowtowed on their knees.

The leader, Thirty-nine, choked up and said, "On behalf of all the dead soldiers and their relatives,"

"I thank you Master for your great kindness!"

Others also like him, kneeling on the ground, respectfully shouted,

"Thankful for the great benevolence of you sir!"

Charlie looked at the thousands of people kneeling on the ground and said indifferently,

“Get up, from now on, you are no longer slaves, there is no need to perform kneeling.”

After saying that, without waiting for the others to respond,

He said to thirty-nine zero who was kneeling respectfully at the front,

“Show me the place where you live.”

Thirty-nine zero said respectfully, “This subordinate obeys!”

After saying that, he stood up and pointed to the back of the square and said,

“Sir, the area where the dead soldiers live is at the back of the square, please follow me!”

Charlie nodded and followed him, crossing the large square.

As he walked, Thirty Nine Zero introduced to him that the square was basically where,

The dead soldiers trained except for when the antidote was given out,

Whether it was close combat or a firearms shooting, it was all done in this square.

After crossing the square, there is a corridor nearly five meters wide and thirty meters long,

Through the corridor, it is the living area of the dead soldiers.

The living area is more like an underground town,

Where the streets are planned horizontally and vertically,

Like cutting tofu, and are precisely divided into several square areas.

In each square area, there are eight rooms of more than ten square meters,

As well as a common kitchen, and common bathroom.

The domestic water for the entire living area is taken from the groundwater in the copper mine,

Which is then filtered and purified by the purification equipment and transported here.

The domestic wastewater is directly treated together with the production sewage of the copper mine,

And is often secretly discharged to the sea at night,

So it has not been detected by the outside world as any abnormality.

The air in the entire underground space relies on the air exchange equipment in the copper mine,

This ensures that the air indicators are still up to standard in this several hundred meters deep underground.

Here, there is one and only one energy source, that is, electricity,

Including the daily life of the dead soldiers using electricity.

The ceilings of the public areas are all covered with full-spectrum lights,

Illuminating all the public areas as bright as daylight.

Thirty-nine zero introduced to Charlie: "Here we can not see the sun, moon, and stars,"

"We all rely on lights to simulate, as long as the wake-up bell rings,"

"All lights will also be lit at the same time, for us, this starts the daytime,"

"The night curfew time lights out bell rings, all the lights outside are turned off, for us, it enters the night time. "

Saying that he sighed and added: "Like me, who went out on a mission,"

"At least know what the sun, moon, and stars are like,"

"But my wife, as well as other women, and those children who did not have the opportunity to go out on a mission,"

"So far have not even really seen the sun and moon."

Hearing this, Charlie also could not help but feel sympathy and regret the fate of these dead soldiers.

A person, from birth to death, could possibly have never seen the sun,

If this was said out loud, I'm afraid no one would believe it.

Thinking of this, Charlie couldn't help but say to Thirty-Nine Zero,

"My plan is to take down the dead soldiers' quarters quietly,"

"And let everyone change their banners quietly so that the Warriors Den won't notice anything unusual in a short time,"

"But this also means that the entire quarters will remain largely unchanged."

Thirty-nine zero heard the meaning of Charlie's words and quickly said,

"Sir, don't worry, we have persevered through so many generations, we can naturally continue to persevere now!"

Charlie nodded and said seriously, "After all, this is the scale of several thousand people,"

"On the ground, there are only a few hundred people,"

"It is unlikely to transfer everyone to live on the ground,"

"And if the number of people surges too much at once,"

"It will also trigger suspicion and speculation from the outside world."

Chapter 5164

Speaking of this, Charlie turned his words and continued,

“However, from today, the channel between the dead and the ground will remain unobstructed,”

“You do a good job of internal coordination, every day in multiple periods,”

“You can let some people go to the ground, to feel the real day and night, to feel the real sun, moon, and stars.”

Hearing this, Thirty-Nine Zero was thrilled beyond words and said gratefully,

“Thank you, sir! Thank you, sir!”

“I’m satisfied to let the children go out to see the real world and breathe fresh air!”

Charlie laughed: “All of you can go out, just for the time being,”

“You still have to lie down, so the overall people still have to continue to endure and aggravate for a period of time,”

“But don’t worry, in terms of daily food, clothing, housing, and transportation,”

“I will have people upgrade the treatment of the dead men as much as possible,”

“The children if they need to receive a normal education,”

“I can also have people to coordinate for you to fit the education of children of all ages.”

“If you have any needs, you can also mention them to me, and I will try to solve them if I can.”

“The children’s education is basically limited to literacy and the sporadic basic knowledge we have,”

“But we, even if we have the opportunity to go out, we all go on missions,”

“And time is short, and someone is always secretly watching,”

“So we don’t have the opportunity to contact with any systematic knowledge,”

“Even want to get a map of the world to show the children we are not able to achieve

Charlie nodded and said with understanding, “These problems,”

“I will have people solve all of them in the shortest possible time.”

After saying that, Charlie asked thirty-nine zero:

“By the way, how do you usually solve medical problems?”

Thirty-nine zero explained: “We have a medical team of ten people,”

“The members of this medical team, are selected from the young girls to be trained by the Warriors Den,”

“But they mainly learn about maternity, to ensure that the entire resident pregnant women’s birth and infant care.”

Charlie couldn’t help but ask: “If someone has a major illness, how will it generally be handled?”

Thirty-nine Zero thought about it and spoke, “We don’t seem to have encountered any major illnesses,”

“Because our bodies will always be in a relatively healthy state because of the antidote we take every week,”

“And this antidote will improve our physical quality, allowing us to grow stronger.”

So it suddenly dawned on Charlie.

In the beginning, those dead soldiers of May Four Seven, although they were not real martial artists,

But their physical quality was no less than martial artists,

Coupled with modern weapons, and well-thought-out tactics,

Making their real level of actual combat very high,

Even eight-star martial artists were not their opponents.

It is thought that the reason for their strong physical quality is because of the regular use of this antidote.

Thirty-nine zero then said: "Although the antidote can make our physical quality greatly improved,"

"But it seems to have a very significant impact on our per capita life expectancy,"

"Long-term use of the antidote, resulting in our average life expectancy, will not exceed sixty years,"

"There are records, the oldest one dead soldiers, lived to fifty-eight years old,"

"Most in the upper and lower fifties basically died without illness."

Charlie nodded: "That kind of medicine is not relying on the power of the medicine to improve your physical quality,"

"It only accelerates the burning of your own vital energy, so that you can explode greater potential,"

"From a sense of a short time, the strength is indeed a great improvement,"

"But in reality, it is overdrawn subsequent life."

Saying that, Charlie asked him, "How old are you this year?"

Thirty-nine zero respectfully said,

"I am forty-five years old."

Saying that he couldn't help but let out a light sigh and said self-deprecatingly,

"I guess I only have ten years to live,"

"I hope that within these ten years, I can follow you to eradicate the Warriors Den!"

Charlie looked at him and said seriously, "Don't worry, it won't take that long to eradicate the Warriors Den,"

“And you won’t live to be only 50 or 60 years old,”

“Now that the poison in your body has been solved,”

“I will make your per capita life expectancy on par with normal people.”

Knowing that Charlie was by no means a liar,

Thirty-Nine Zero said with immense gratitude, “Thank you, sir, for your rejuvenating grace!”

After saying that, he knelt down on one knee to show his devotion.

Charlie saw him kneel on one knee and laughed helplessly.

He had just said that he was not allowed to kneel down and salute,

So he changed from kneeling on both knees to kneeling on one knee.

Charlie shook his head, one hand to help him up, looked at the time, and said:

“I think it’s almost dawn, you go and let all the underage children get ready, they can witness the first sunrise in their lives!

Chapter 5165

“Enjoying the sunrise?!”

Thirty-nine zero stunned, and at the same time full of excitement asked:

“Sir is this really happening?!”

Charlie nodded: “I just said, in the future, I will make sure that the dead soldiers,”

“Can take turns to go to the ground at any time of the day,”

“Right now this first time, prioritize those children who have never seen the sun, moon, and stars.”

Thirty-nine zero was excited, but suddenly remembered something and asked Charlie:

“Sir, at this time it is still dark outside?”

“Yes.” Charlie said, “In another half hour, it will be light.”

Thirty-nine Zero looked at the dense lights on the ceiling and sighed,

“It seems that our day and night inside are diametrically opposed to the outside.”

Charlie smiled faintly: "They don't want you to calculate the dates in real life,"

"So naturally they will invert and distort the time in here with reality."

After saying that, Charlie added: "But you don't have to worry,"

"From today onwards, the day and night here will be the same as outside,"

"I will have someone prepare clocks for you,"

"And from now on your dates and times will be completely synchronized with real life."

Thirty-nine zero gratefully and respectfully said, "Thank you, sir!"

Charlie said, "By the way, there is another task for you."

Thirty-nine Zero said, "Sir, please give the orders!"

Charlie seriously said, "Starting tomorrow, you have to divide your people, into three groups,"

"The number of people in each group will be about a thousand,"

“And then from each group, select one hundred and thirty laborers to continue,”

“To participate in the daily production mining of copper mines.”

Saying that Charlie turned around and said to Leroy,

The Cavalry guard who was following behind him,

“For the sake of fairness, for the Cavalry guard, it is also the same,”

“Let the three banners within the left center and right select about twenty laborers each,”

“And participate in the work together with the laborers selected by the dead soldiers.”

Leroy said without thinking, “Sir, don’t worry, I will do it later!”

Charlie instructed again, “The work adopts an eight-hour time period,”

“Three-shift work system with one-off, so this requires that when the internal people are selected,”

“At least one more shift has to be selected so that the shifts within each group are rotated,”

“To ensure that everyone gets a good rest.”

“No problem!” Leroy said, “The production scale of this copper mine is not that big,”

“There are only a hundred people who started working at the same time,”

“The dead soldiers and Cavalry guards combined are almost four thousand people,”

“It’s still easy to deal with this amount of work.”

Chapter 5166

Charlie nodded and said, "We let them participate in the work, not to exploit their labor,"

"But to maintain the normal operation of this copper mine,"

"Not to let the Warriors Den notice any abnormalities,"

"So you two tell all the laborers involved in the work,"

"As long as they participate in the labor, I will settle their salaries,"

"According to double the normal treatment of mine workers in Cyprus,"

"When the time comes to use the dollar settlement."

Leroy and Thirty-Nine Zero looked at each other, and Leroy said,

"Sir, money is not necessary you have helped us so much,"

"You are our great benefactor, how can we take your money again,"

"And the ore produced by this copper mine is given to the Warriors Den,"

“The settlement money also can not enter your pocket,”

“It is not the same as you purely throw money?”

“Yes” thirty-nine zero also hurriedly echoed:

“Sir, we can not let you throw money, secondly,”

“The money for us is of no use at all,”

“If you give us that money it is like a pile of waste paper,”

“It is better for you to keep this money,”

“And also for the future eradication of the Warriors Den.....”

Charlie waved his hand and said very firmly:

“Labor must be paid, this is the development of mankind to date,”

“One of the several unchanging truths, this money you can save,”

“Can also use it to buy some of your favorite things,”

“But as thirty-nine zero just said, for security reasons,”

“Certainly not let everyone take the money to go out and spend freely,”

“But I will let people give a list of commonly used goods,”

“Then send the list to everyone, if you need,”

“Let the Cataclysmic Front be responsible for purchasing,”

“And then use hidden means to transport it here, and hand it to everyone,”

“What I can promise is that the Cataclysmic Front will never earn any difference in price.”

Leroy and Thirty-Nine Zero were both a bit stunned.

They didn’t expect that Charlie would intend to use the Cataclysmic Front,”

“To help them with their simple shopping problems, which obviously sounded a bit too much.”

However, when they thought that they would really be able to purchase various things,”

“From the outside world for themselves and their families with the money,”

“By earning from the daily work, they could not help but look forward to it.

Especially thirty-nine zero, he does not have as much freedom as Leroy,”

“After all, Leroy was already the flag commander of the Cavalry Guards,”

“Although the flag commander is also not paid,”

“But at least they live above ground, the knowledge of the world is much better.

Thirty-nine zero had to let his son understand that the earth is a sphere,

And continued to explain to him for several years of time.

However, his son had not yet gone out on a mission,

And had never seen the outside world, and Thirty-Nine Zero himself could not even get a globe,

So there were no reasonable ways to make his son understand this simplest of truths.

Once the kind of model Charlie said was implemented,

He earned money, even only a few dollars,

He can buy a globe to explain to his son what the world really looks like.

Chapter 5167

All the children's eyes, at this time, were attracted by that soaring golden thing!

As the arc of the rising sun became larger and larger,

Ten thousand feet of golden light dyed the entire sky, along with the entire sea, getting golden.

The sky is full of haze, and the sea is sparkling!

With this rising sun, the skyline light is slightly distorted,

It looks, like more than a few dreamy feelings.

Children, as well as those parents who take care of young children, are looking frozen.

Even if the light has become more and more blinding,

But no one wants to blink their eyelids.

Those mothers of young children, and those who are still in adolescence,

Subconsciously with their best buddies held tightly together,

They alone or in groups of three or five have been unable to control the tears.

Now the scene in front of them is the first time they have been living underground,

And they are racking their brains to think about the past years,

But also simply can not think of a reason to explain this feeling.

Soon, the round golden sun has completely broken out of the sea level,

Looking at the world, bathed in the first sunlight.

For the hundreds of millions of ordinary people living in this time zone,

This is just a normal and ordinary day.

But for these seven hundred children, this moment is the brand new beginning of their lives!

Charlie looked at the hundreds of young faces illuminated by the sunlight in front of him,

And said to Leroy, Thirty Nine Zero, and Joseph beside him,

“Before today, their lives were a long eternal night;”

“After today, they have a real light!”

After saying that, he suddenly made a decision and said in a stern voice,

“From today on, don’t let these children practice martial arts anymore!”

“If anyone really wants to learn,”

“It’s not too late to learn after they reach the age of eighteen!”

Thirty-nine zero subconsciously said, “Sir,”

“If they wait until they are eighteen before they start learning martial arts,”

“I think it will be too late

“Late?” Charlie coldly snorted: “If you really want to learn, any day is not late!”

“If you do not let them practice martial arts it is to make their childhood what it really should be like,”

“This was something designed for them by Warriors Den based on their own interests.”

“Besides, if our generation can eradicate the Warriors Den,”

“What need is there for these children to learn martial arts?”

“Instead of practicing martial arts, they should get out of here,”

“Settle down with their parents in a peaceful and stable country,”

“Study hard, get into a good university, study a profession they are interested in,”

“And then find a job that will allow them to start a family and create their own value in society!”

“This, for them, is the best choice!”

Chapter 5168

Thirty-nine Zero then realized that his thinking was still stuck in the previous mode.

Before Charlie appeared, the only thing the dead soldiers could do,

Was to improve their abilities as much as possible,

To become Cavalry guards as much as possible,

And after becoming Cavalry guards, to have more children to ensure that their offspring had a “scholar”,

So as to get away from the life of fighting and killing.

However, the situation has changed.

These children, do not need to work hard to become a “scholar”.

As long as they can go with Charlie, will completely eradicate the Warriors Den,

Their children, all can become real scholar!

Thinking of this, thirty-nine said with more than tears,

“Thank you, sir, for your great kindness, your generosity is immense,”

“The dead soldiers will never forget it!”

Charlie patted his shoulder, turned to Joseph, and said,

“Joseph, from the Cataclysmic Front, find a few female warriors with higher education,”

“Let them come here regularly to teach the children,”

“They will use regular teaching materials, in addition to preparing a set of projection equipment down there,”

“Every day to show the children some films that can let them quickly understand the world, understand the history and the present.”

Saying that he continued: “Right, there is the Internet, move a network cable in,”

“Prepare some computers, so that the children know what is the Internet,”

“But the Internet for the time being can not let the children themselves on the hands,”

“After all, we must be careful not to accidentally leak information, or else the Warriors Den will find.”

Joseph said without thinking,

“Mr. Wade don’t worry, I will arrange all of them properly!”

Charlie nodded gently and said to Thirty-Nine Zero,

“In another twenty minutes, take the children down first,”

“Then come to the meeting room, we will have a meeting together.”

Thirty-nine Zero immediately said respectfully, “Yes sir!”

Charlie didn’t talk anymore, but took Joseph and the others and came to the conference room first.

Right now, the sky is already blue, and the supplies that the ship had delivered to the copper mine last night had been quietly transported long before dawn,

And now the loading of copper ore was being carried out at the pier,

And once the loading was finished,

It was time for Reverend, as the special envoy, to return to the ship.

Charlie needs to smooth out all the links and solve all the hidden problems before this,

Only in this way can he ensure that after Reverend leaves, he will not reveal anything in Turkey.

As for how to make Reverend not reveal the clues, Charlie also has a new idea of his own.

In the past, the reason he did not use psychological suggestions too often,

This is because it has a very serious drawback, once the target person is in a controlled state,

His behavior, and reaction will seem a little slow,

And a discerning eye can see at a glance that something is wrong.

Chapter 5169

Reverend's situation was the same.

Even more tricky.

The main reason is that these middle and high-level members in the Warriors Den are not weak.

The masters of the dark realm already see all directions and listen to all directions.

If Reverend shows too many abnormalities, once he arrives in Turkey,

When he meets his superiors, he will definitely be seen.

Therefore, Charlie planned to play tricks.

So, he called Reverend and asked, "Reverend,"

"Let me ask you, besides you and your assistant, are there any other people from Turkey who came here?"

"No." Reverend Shaking his head said respectfully:

“I am a permanent special envoy, mainly responsible for the transport of materials between the two points.”

Charlie asked again: “There will be no one with a higher rank than you coming here to check the situation?”

Reverend shook his head and said: “In order to avoid exposing the senior management,”

“The organization’s consistent attitude is to contact with one person and one line,”

“And no other executives will be sent to participate in this process.”

“That’s good.” Charlie was more at ease in his heart, and asked him:

“As long as you tell your superiors that everything is normal here,”

“They will also accept it. They won’t be too suspicious, right?”

Reverend nodded and said, “Normally, that’s the case,”

“But I still need to combine some of the surveillance videos here.”

“Before I leave, I will take the surveillance hard drive back to them,”

“And let them Copy the video from the hard disk and analyze it.”

Charlie asked him: “Who will analyze it?”

Reverend said: “There should be a dedicated security team in charge for this purpose.”

Charlie turned to Joseph: “Joseph, can the surveillance video be tampered with?”

Joseph nodded and said: “It’s too simple, my team can modify the surveillance video frame by frame,”

“And make sure that the other party does not see any clues.”

“Okay.” Charlie nodded slightly, then turned to Leroy and said,

“Copy out the monitoring before this morning and let him take it away,”

“And after Joseph’s team deals with it later, Reverend will take it away.”

Leroy hurriedly said: “Okay sir!”

Charlie asked Reverend again: “If you tell your superior that everything is normal here,”

“And the surveillance video shows nothing abnormal,”

“Will your superior still ask you for more information? Details?”

“No.” Reverend shook his head and said, “He also has very little communication with me,”

“And we rarely see each other.”

“If I say that everything is normal, he will report that to the superior.”

With that said, Reverend further explained: “Inside the organization,”

“Due to the high toxicity in the body and the fact that everyone needs an antidote,”

“The organization has never had any deviation in its control over us,”

“So the organization has always focused on preventing The outside world from spying on the secrets of the Warriors Den,”

“But they are not too worried that there will be traitors inside the Warriors Den.”

“After all, everyone’s life is in the hands of the Warriors Den,”

“And no one will go against it, even if it is to go out to execute a mission no one will dare to escape,”

“After all, not only their own lives are in the hands of the organization,”

“But also the lives of their family members.”

Charlie nodded, it seems that Warriors Den is very confident with their antidote,”

“And they don’t think there is any anyone who can crack the antidote.”

Thinking of this, there was only one last thing left for him to do,

Which was to give Reverend a new “psychological suggestion”.

This new “psychological suggestion” is more complex, powerful, and skillful.

This will be his trump card to solve the last problem.

Thinking of this, he called Reverend to the office,

And when there were only two people in the office, he sent more aura into his body.

Afterward, Charlie stared at Reverend, and said in a cold voice:

“Reverend, remember! From now on, as long as you get off the boat and enter the premises of this copper mine,”

“You will remember me and meet me.”

“Remember that I am your only master, and then you stay here honestly,”

“And after my people make all the preparations,”

“You will return to the freighter as if nothing happened, do you understand?”

Reverend nodded without hesitation and said: “Subordinate understand!”

Chapter 5170

Charlie changed the subject, and said again: "However, once you get on the boat,"

"You will temporarily forget me as a person, and that I am your only master,"

"And forget that I just gave you a psychological suggestion,"

"And in your subconscious mind, you only need to firmly believe in one thing, that is:"

"You have completed all the work in the copper mine,"

"And firmly believe that everything inside the copper mine is going well without any abnormalities!"

"Except for this point Other than that, you follow your true nature in everything,"

"Be the special envoy when you should be the special envoy,"

"Practice your martial arts when you should practice your martial arts,"

"Play with your male favorite when you should play, you act as the original, and it is what it is! Can you understand me?"

Charlie's words made Reverend feel a little short-circuited.

However, after a few seconds, he figured out the content of Charlie's hint.

In fact, Charlie just wanted to give him a hint, a trigger condition.

When Reverend was not here, Charlie didn't need him to be used by him,

Nor did he need him to keep thinking that he was his master.

What Charlie needs is that when Reverend is not here, he is still himself.

He doesn't remember that he has any master, nor does he remember that he was given psychological hints,

So as to ensure that he has no influence in front of other people.

And once he got off the boat and in the copper mines, the real strong cues kicked in.

In this way, it can be ensured that Reverend will become a tool man as soon as he arrives here,

And when he leaves this place, he can return to normal and be himself.

The only difference is that in the deepest part of his subconscious,

Charlie gave him a hidden hint, firmly believing that there is nothing abnormal here.

This order is extremely simple, and it doesn't require Reverend to think about it,

Nor does he need to deal with any other variables for it.

Therefore, the impact of this deep psychological suggestion on Reverend will also be reduced to a limit.

What's more, Charlie also specifically hinted that he should follow his true colors,

So that it would be more difficult for others to see the clues.

However, apart from Reverend, Charlie also controlled his favorite on the boat last night.

Right now, the same psychological hint needs to be given to that man as well.

So, he said to Reverend, "Go to the boat and bring your male pet over. I have something to tell him."

“Okay.” Reverend nodded without thinking, and then immediately opened the door and went out.

Just after Reverend left, Charlie called Joseph, Leroy, 390, 547, and Joseph’s master Jackson to the office.

After everyone came in, Charlie said: “Everyone, I have already solved Reverend’s problem.”

“In the future, as long as he is still a special envoy, he can temporarily avoid the monitoring of the Warriors Den.”

“However, once this matter changes, I am afraid that this base will be in danger,”

“And everyone will have to evacuate from Cyprus immediately before the Warriors Den has mobilized enough troops to attack.”

Leroy asked respectfully: “Sir, all of us add up to more than four thousand,”

“If we really need to evacuate, where can we evacuate to?”

Charlie smiled slightly and said with relief: “Don’t worry about this,”

“The Cataclysmic Front is on the other side of this coast in Syria and is building a base that can accommodate 100,000 people.”

“If necessary, I will ask him to transfer everyone to Syria.”

Joseph said at this time: “Don’t worry, everyone, Cataclysmic Front maneuvers from Syria,”

“And the response speed is much faster than Warriors Den maneuvers from other places.”

“Moreover, judging from the current global mobility of the Warriors Den,”

“The number of dead soldiers they can mobilize around the world in a single day cannot exceed 2,000.”

Joseph said this with confidence.

The strength of the Warriors Den is indeed very strong, and its influence spreads all over the world.

However, if they really want to concentrate their efforts on doing big things,

They are definitely not as good as Cataclysmic Front in this regard.

Even if it is a country whose military strength ranks above the middle in the world,

It is impossible to deploy tens of thousands of people around the world in a short period of time,

And there are tens of thousands of soldiers under the command of Cataclysmic Front,

And most of them are concentrated around Syria.

Therefore, in the Middle East, the Cataclysmic Front really doesn't have to be afraid of breaking the Warriors Den.

Joseph's words made Leroy, 390 and others breathe a sigh of relief.

After all, they all have families and have just seen the dawn of changing their destiny.

Under such circumstances, they naturally want to see More hope, see a greater success rate.

If there is Cataclysmic Front behind it as support, then everyone can completely rest assured and stick to it here.

Charlie said at this time: "Everyone must be clear about one thing."

"No matter how well we can hide it now, this base will be exposed sooner or later,"

“But the exposure is not terrible. As long as we are fully prepared,”

“We can definitely avoid unnecessary casualties.”

Then, Charlie said again: “Listen well, once something happens to Reverend,”

“We will immediately evacuate everyone, but before evacuating,”

“You must completely destroy this base for me. I want Warriors Den to watch their hard work go to waste!”

The value of this copper mine is not high, but the value of the underground project under the copper mine,

Which is specially designed for dead soldiers, is immeasurable.

The construction cost of the entire underground project alone is estimated to start at one billion US dollars,

And when various hardware equipment is included, the cost is even more astronomical.

The most important thing is that it takes a lot of time to quietly build such an underground project,

And it may not be completed in eight or ten years.

This is the most distressing thing for the Warriors Den.

Leroy said: "Sir, with your permission, we can lay a blasting point underground in advance."

"Once needed, we only need to fill the blasting point with high explosives to blow up the entire underground fortification."

"Once the underground is destroyed, there will be a huge subsidence area on the ground, and the entire copper mine will have almost no rescue value."

Chapter 5171

390 immediately agreed and said: "Yes, sir, the daily mining of copper mines is to use blasting and excavation."

"There are a lot of emulsion explosives in charge there,"

"As long as enough explosives are pre-buried on the key support positions,"

"The entire underground can be blown up!"

Charlie nodded slightly and said: "In that case, let's do it in advance. Get it ready."

After that, he turned to look at Joseph and his master Jackson Qiu, and ordered:

"Joseph, your master will be the commissioner here from now on,"

"Responsible for coordinating the operation of the entire copper mine,"

"For the control of explosives and the response to crisis situations,"

"You organize a team from the Front and set up a special force team."

"The special force team will be managed by your master,"

"And it will be fully responsible for the daily security of the entire copper mine."

"Once you find out the day the special envoy who came here is no longer Reverend,"

“You immediately implement the evacuation plan.”

Joseph and Jackson said in unison: “Your subordinates obey!”

Jackson asked: “Mr. Wade, as you said, once the special envoy is no longer Reverend,”

“Are we going to kill the new special envoy?”

“Yes!” Charlie said firmly: “Once we find out that the special envoy has changed,”

“Put him in the copper mine. Once he enters the copper mine,”

“The special forces will attack him immediately,”

“And he and his followers must be killed in the shortest possible time!”

As he said, Charlie explained again: “Everyone, listen to my next order!”

The crowd immediately got attentive and waited for Charlie’s next words.

Charlie looked at Jackson, and asked loudly with a resolute expression:

“Once the killing is successful,”

“Jackson must immediately convey the message to Joseph within 30 seconds without any delay. Can you do it?”

Jackson clasped his fists in both hands, bowed, and said,

“Mr. Wade, don’t worry, if I delay for a second, please come and see me!”

Charlie nodded and continued: “After receiving the news, you must send a ship to Cyprus within half an hour.”

“The ship must be large enough to take everyone back to Syria,”

“And there must be enough concealment means to prevent any clues from being traced by the other party.”

“Can you do it?”

Joseph immediately said loudly: “Don’t worry, master,”

“This subordinate will definitely complete all the arrangements!”

“Okay!” Charlie looked at Jackson again, and ordered:

“Once you kill him successfully, pass the information to Joseph,”

“We must immediately synchronize the information to the Cavalry guards and dead soldiers in the shortest possible time,”

“And at the same time dispatch special forces to start planting explosives,”

“At the blasting points that have been laid in advance, and prepare for the blasting, can you do it?”

Jackson bowed again and said, “Return to Mr. Wade, this subordinate can do it!”

“Okay!” Charlie looked at Cavalry Guard Leroy, and ordered:

“Leroy, once you receive the news, immediately notify all Cavalry Guard’s family members,”

“Prepare to evacuate, and at the same time you personally lead,”

“The elite soldiers of the Cavalry Guards to dispatch quietly,”

“To control all the people on the freighter in the shortest possible time,”

“And ensure that they cannot transmit any information to the outside world,”

“In a short period of time, can you do it?”

Leroy without hesitation resolutely replied:

“Don’t worry, sir, this subordinate will not disgrace the mission!”

Chapter 5172

Charlie nodded, looked at the dead man Thirty-nine-zero again, and ordered:

“Thirty-nine, once you receive the news,”

“Immediately organize all the dead men and their families to prepare for evacuation.”

“You live deep underground, and you must be careful when evacuating.”

“In the case of ensuring speed and efficiency,”

“Make sure an orderly manner and never panic!”

“And you must ensure that the elderly, children, and women evacuate first.”

“If others dare to preempt, they will be killed. Can you do it?”

Thirty-nine zero said respectfully: “Don’t worry, sir,”

“390 will guarantee with my head, and will never disclose anything!”

Charlie nodded slightly in satisfaction and said:

“At that time, as long as you can kill the new special envoy and control the people on the freighter in the shortest time,”

“In theory At least half a day can be bought for the evacuation,”

“Which is twelve hours, which is also the time required for the freighter to unload and reload;”

“As long as we seize the opportunity, we will be able to withdraw without a trace;”

“After everyone has withdrawn, the special forces left behind,”

“Will be responsible for blowing up the entire copper mine!”

“At that time, The huge explosion will definitely attract the attention of the local people first,”

“Once they intervene, it will be very difficult for the Warriors Den to follow up and investigate.”

“Moreover, this kind of explosion will completely destroy the entire underground,”

“And at the same time form hundreds of meters deep barrier,”

“Making it impossible for them to investigate in depth hundreds of meters underground;

“So as long as we don’t leave any clues when we withdraw,”

“These thousands of people will seem to have evaporated in the eyes of the Warriors Den.”

“They can rack their brains and couldn’t figure out how these people did it,”

“Let alone how these people broke through the shackles of the antidote.”

“By that time, I’m afraid that the Warriors Den will be the first,”

“To be frightened to the point of sh!t. It must be a huge blow!”

Speaking of this, Charlie paused slightly, and said with a smile:

“The above is our plan to overthrow the nest!”

Charlie’s plan to overthrow the nest is complete and meticulous,”

“And the execution rate is high enough, and he has given everyone a very clear division of labor.”

“As long as these people can follow his orders at critical moments,”

“Every Individual performs their tasks in an orderly manner,”

“So they must be able to make a perfect response in the shortest possible time.”

Moreover, Charlie believes that once the day comes for the implementation of the plan to overthrow the nest,

It will definitely be a huge blow to the Warriors Den.

At that moment, the Warriors Den will realize that the poison they use to control,

All members have been cracked, and its interior will first fall into chaos,

And people’s hearts will definitely change.

To the Warriors Den, it would be like a person who had been invulnerable to a knife and a gun,

Suddenly had an arm broken by a sudden bullet.

Everyone was very excited at this time because they knew that Charlie's plan,

To overthrow the nest would be put into action sooner or later, it was just a matter of time.

Once this plan is really launched, it will be their first step in revenge against the organization!

At this time, Charlie said to May 47 who came from Syria with Joseph:

"547, from now on, you stay here, you are the same as 390, you are a dead soldier,

Living with them must be more comfortable for you."

May 47 said respectfully: "Thank you, Mr. Wade!"

Chapter 5173

Seeing May 47's hesitant appearance, Charlie said:

"Don't worry, maybe the next slain garrison that we take over will be the one where your wife, children, and family members are,"

"But you have to understand that there is no rush for this matter,"

"And the flaws will be exposed again when it is cleared up."

May 47 said with a smile With tears in his eyes,

"Thank you, Mr. Wade, for caring about this subordinate's wife and children."

"Judging from your words, it's worth the death of this subordinates!"

Charlie smiled slightly, and said: "Live well, and live to see your wife and children."

May 47 nodded heavily with tears in his eyes.

Charlie immediately said to Thirty-Nine Zero:

"May 47 is a hard-working person just like you, and I will leave him in your care from now on."

Thirty-Nine Zero said without hesitation:

"Don't worry, sir, the subordinates will definitely take care of him."

“Okay.” Charlie nodded, waved his hands, and said,

“Okay, you guys go out first, Joseph and Jackson stay back.”

The others got up one after another, respectfully leaving.

In the office, only Joseph and his master Jackson were left.

Charlie looked at Jackson, and said calmly:

“Mr. Qiu, I have one very important matter that I want to leave to you.”

Jackson quickly stood up, bowed, and said, “Mr. Wade Go all out!”

Charlie nodded, and said: “All the dead soldiers, as well as the Cavalry guards,”

“After the poison in their bodies is removed, their actual combat capabilities have dropped a lot.”

“It is also a kind of continuously accumulating energy,”

“Which can enhance their strength to a certain extent,”

“So I hope you can take out the energy with which you taught Joseph,”

“And treat these dead soldiers and Cavalry guards as your own apprentices,”

“Teach them the real martial arts.”

Jackson immediately blurted out: “Okay Mr. Wade,”

“This subordinate will definitely teach them with all I have learned, and will never hide anything!”

Charlie was very satisfied with his attitude,

Most of them People in martial arts cherish the arts they practice very much,

And they are unwilling to pass them on to strangers under any circumstances.

Moreover, martial arts skills are not only the undisclosed secret of a fighter,

But also a detailed summary of all his martial arts characteristics.

If one’s martial arts skills are mastered by the enemy,

The chances of the enemy defeating him will be greatly increased.

Therefore, in the field of martial arts, most of the martial arts methods are not passed on to the outside world,

But are only passed on to one’s own descendants and clan members.

And for some martial arts sects, they will also divide martial arts skills into several parts.

The outer disciples can only learn a small piece of fur,

While the inner disciples can learn some essence,

But if really want to learn the sect.

All mental methods in the sect must be exposed to the most trustworthy closed disciples to be possible.

Charlie asked Jackson to teach these dead men and Cavalry guards.

Even if a normal person would agree, he would definitely hesitate and even struggle.

However, Jackson didn't hesitate at all, and he didn't intend to hide his secrets.

Just from this point, it can be seen that this person is sincerely obedient and full of sincerity.

So, Charlie nodded, looked at him, and asked with a smile:

"I've been trapped in the Ming Realm for so many years, shouldn't you be very anxious?"

"Yes..." Jackson nodded sincerely and said:

"I've been trapped for decades, and it's really worrying."

Chapter 5174

Jackson at this point continued with utter disappointment: "If it weren't for my eagerness to break through,"

"I'm afraid I wouldn't be in a hurry."

"I know that drinking poison (zhèn) to quench my thirst,"

"But I still decide to join the Warriors Den..."

Charlie nodded slightly, and said indifferently:

"Breakthrough is about talent, but more about chance."

"If you don't have enough talent, no matter how hard you try,"

"You may not be able to become a master of the dark realm."

"If you don't have the opportunity, even if you hang around outside the door for decades,"

"You will still be able to become a master of the dark world."

"You may not be able to find the way to get started."

Jackson said with shame: "What Mr. Wade said is true."

"This subordinate is not talented enough,"

“And the opportunity has not yet arrived.”

“Unlike Joseph, who can get the greatness bestowed by Mr. Wade at a young age...”

Joseph looked at the humble and ashamed expression of his master, feeling distressed and grateful at the same time.

His heart ached because he saw his master wasting away for so many years but failed to fulfill my wish;

Grateful as he was fortunate because he had taken at least 30 years fewer detours than him.

Life is only more than a hundred years,

And the detours of 30 to 50 years have been avoided.

The significance of this is so great that it can no longer be described in words.

Charlie chuckled at this time and said:

“The special envoy of the Warriors Den is a master of the dark realm,”

“And the Jiedu envoy before you is also a master of the dark realm.”

“After Joseph and I leave, you are the master of the dark realm,”

“Theoretically the highest commander, if you can’t reach the dark realm,”

“Doesn’t it seem that we are worse than Warriors Den...”

Jackson said with an even more ashamed expression when he heard this:

“Mr. Wade, the subordinate is not strong enough, and they are holding me back!”

Joseph on the side heard Charlie’s implication,”

“And seeing that his master was still confused, he urged a little impatiently:

“Master, thank Mr. Wade for your promotion!!”

“Ah?” Jackson was taken aback,

Obviously, he still didn’t understand what Joseph meant.

Joseph was already a little anxious, and hurriedly said:

“Master, you don’t know Mr. Wade, he can say that,”

“This is to wish you a helping hand and help you break through!”

After finishing speaking, he immediately knelt in front of Charlie, and said in fear:

“Mr. Wade, I think I’m not smart, so I don’t know if I may have misunderstood what you mean.”

“If I really misunderstand, I hope you can forgive me!”

Charlie nodded and smiled: “You are right, That’s exactly what I mean.”

No matter how dull Jackson was, he had already understood by this time.

Hearing that Charlie had affirmed Joseph's guess,

He quickly knelt on the ground, choked with gratitude, and said,

"Subordinate... Thank you Mr. Wade for your generosity!"

Charlie nodded, he took out two blood-scattering and heart-saving pills from his pocket,

Handed them directly in front of Jackson, and said with a smile:

"Take the medicine immediately,"

"Close your eyes and let the power of the medicine spread to all meridians,"

"And when you open your eyes again,"

"You will be a master of the dark realm!"
