

Chapter 2801

Charlie smiled slightly and said in his heart: "Although the time I went out this time is not long, the distance I went is really far.

A trip to Syria is 6000 kilometers, which is worth one and a half round trips from Aurous Hill to Japan."

But naturally, he couldn't tell them that he had gone to Syria, so he smiled and said: "This time I went to Haicheng, not far away, and it took only three hours to drive."

"Haicheng..." Jacob asked curiously: "According to that, your client this time is Tailai, the richest man in Haicheng?"

Charlie borrowed the donkey from Po and said with a smile: "Dad's guess is really accurate!"

Jacob chuckled, "Old man's brain is not covered!"

Elaine curled her lips on the side: "Just your mind, what can't you do, what's not enough to eat, and you still have a face?"

Jacob was impatient, and blurted out: "I said, Elaine! I didn't ask you right now? What are you doing with this?"

Elaine said disdainfully: "Why? I'm still committing a crime, to tell the truth? This family doesn't have my voice yet?"

Charlie said hurriedly: "Mom, Dad, you two shouldn't just seize the opportunity and quarrel, it hurts your feelings."

Elaine hurriedly said, "Hey, good son-in-law, let me interrupt, I don't have any feelings with Jacob anymore. After all, we are separated."

Jacob hummed: "Hey, you can be regarded as saying something, and I have no relationship with you. We are now neighbors at best."

Elaine immediately slapped the table and shouted angrily: "Jacob, did I give you a face? Let me say, you have three sentences waiting here. Have you become more skilled?"

Charlie hurriedly finished the game: "Oh mom, don't be angry, isn't Dad just jocking?"

After finishing speaking, he quickly looked at Jacob, winking his eyes, and said: "Dad, you just finished eating, and you are idle.

Or you can go for a run. Now the weather is getting warmer. It's helpful to go for a run by the river. It's so fun to digest and keep fit."

The meaning of Charlie's words was to let Jacob go to Meiqing.

Doesn't Meiqing like to go for a run by the river? It happened that Jacob used his words to find Meiqing.

But as soon as Jacob heard that he should go for a run by the river, he waved his hand and said,

"I'm not going... my calf is still pumping and painful. It's definitely not going to be better after ten and a half months!"

Chapter 2802

Elaine heard Jacob say that his calf was still pumping pain, and immediately frowned and asked: "Jacob, did you go for a run behind me?"

Jacob retorted, "What does it mean to carry you on my back? If I take a walk, I have to report to you?"

Elaine snorted coldly: "Half of your body is buried in the loess. What are you still running for?"

What do you do for running?

Do you want to rejuvenate your second spring?"

Jacob said impatiently: "Does it have anything to do with you? What are you asking so much for?"

After that, he glanced at the crutches placed on the dining table next to Elaine, and sarcastically said,

"Why, your legs are not working well, so I am not allowed to go out for a walk?"

Charlie heard it loudly and said: "Dad and Mom, you two should not argue with each other much. The more you talk like this the more frustrated you two will end up."

Claire said without looking back while cooking the noodles: "Husband, you don't know how I got through this meal.

They have been pinching here for more than an hour, but I can't persuade them. It's..."

Elaine said angrily at this time: "I didn't mean to find his fault. The key point is that this guy speaks too annoyingly.

My worst thing is this leg. I broke it twice. He doesn't care about me at all. Forget it, who is still being ridiculed here, who are you bullying?"

Jacob said coldly: "What does your broken leg have to do with me?"

I didn't break it for you. Besides, you have been talking with me for a long time, and you didn't mention your leg at that time.

Son, don't engage in moral kidnapping here."

Elaine said desperately, "I am morally kidnapped? Jacob, you are really discouraged!

You forgot that you were paralyzed when you were driven by Junwei's arrangement. How did I wait for you in the hospital?

I was busy doing it for you. If you're busy, will you leave me alone?"

Jacob said disdainfully:

"I don't know? When I was injured, who was busy looking for a genius doctor?"

With that, Jacob pointed to Charlie next to him, and said loudly:

"My good son-in-law Charlie found it for me! If it weren't for him, I would still be lying on the bed now."

Immediately afterward, Jacob looked at Elaine and asked,

"You said you were busy, what were you busy with? Were you busy with cheating girls? You think I don't know?"

Chapter 2803

"Don't f@rt!" Elaine was uncovered, and suddenly shouted: "Which eye did you see me cheating my girl?"

Jacob curled his lips and said, "Pretend, right? In the beginning, I was cured by the genius doctor.

The doctor said that I would be hospitalized for another two days of observation and pay fewer hospitalization fees.

What happened? You just took away the girl's cheque. Yes, if I remember correctly, the amount on the cheque was at least 170,000, right?"

Elaine suddenly didn't know how to refute, her expression was green and white.

Jacob sneered at this moment: "If I learn from you, after your broken leg, the first thing I do is to ask a girl to cheat some money, but I am not that kind of person.

I am a qualified person. , Understand?"

Elaine was anxious. She picked up the crutches and smashed Jacob with them. She still cursed and said: "Quality? I will let you talk about the quality and see if I don't interrupt your leg!"

Charlie hurriedly stopped her, and said with a bit of anger, "Oh, it's all fine! You can't say anything, right?"

Just when I got home, you two performed the martial arts at home, don't forget that Claire and I are still there. ."

When Elaine saw that Charlie was a little angry, she hurriedly laughed and said, "Good son-in-law, don't be angry, it's not against you, it's all against Jacob this dog.

Jacob originally wanted to fight her a few more words, but Charlie seemed unhappy when he thought about it, so he just sat a little farther, and muttered: "I don't know what you do."

Elaine stared angrily, and Charlie said directly at this moment: "It's OK, mom, don't stay here and don't let it go.

Let it go, you must be annoying to recuperate at home these days, or I will let my friend prepares a VIP card for you at Shangri-La tomorrow.

From now on, you can go to the SPA there every day, and you can just relax and enjoy a bit."

As soon as Elaine heard this, her brows were instantly delighted, and she cheered and said, "My God! Son-in-law, are you for real?"

I heard that the spa at Shangri-La is the most expensive and high-end SPA in Aurous Hill, just do whatever you want.

It costs thousands or tens of thousands of dollars to order any item!"

Charlie smiled and said: "Shangri-La is the best hotel in Aurous Hill after all. Spas are all integrated with the hotel. Naturally, the grades cannot be low, but the money is not a problem.

Their President happens to be my client. I can ask for an internal price even if I go to him, maybe I can get a free one."

Chapter 2804

"Oh, that's great!" Elaine was very excited, and said excitedly: "Good son-in-law, then you will help mom to contact him tomorrow morning?"

Mom is really tired of staying at home these days, if I can go to a SPA sooner. Relaxation is not only good for physical and mental health, it might also be helpful for the recovery of my legs!"

Charlie nodded and said,

"I'll help you ask, but the premise is that you don't quarrel with Dad anymore."

Elaine said without hesitation:

"Good son-in-law, don't worry, I don't even bother to be familiar with him. From now on, I will count myself as losing if I look at him right away!"

Charlie did not delay, immediately took out his mobile phone, sent a WeChat voice to Issac, and said:

"Mr. Issac, please do one thing, my mother-in-law wants a SPA VIP card for Shangri-La. Can you arrange it?"

Now, it's best if all options are free."

Issac responded to the message almost in seconds: "Master Wade, VIP cards are all trivial matters.

Wait a moment, I will personally send you home."

Charlie said: "Mr. Issac, you don't need to take a trip in person, just arrange for a subordinate to send it over."

Issac hurriedly said:

"Master Wade, you are welcome, I just want to go out to do something, pass by Tomson, and deliver it right away."

Charlie knew that he definitely couldn't be on the way, but when he saw that he insisted on bringing it in person, he didn't insist, and said to him:

"Then you will be very hard to come by, Mr. Issac."

"Master, you are polite."

When Elaine heard this, the whole person flushed with excitement, and said excitedly:

"Mom, my son-in-law just has faced, dear, Mr. Issac from Shangri-La will personally give the VIP card to this call. It's incredible!"

After speaking, she hurriedly asked Charlie: "Good son-in-law, can this card be used casually without spending money?"

Charlie smiled slightly: "It should be, the details will not be known until President arrives."

Elaine was already so happy to fly, stretched both hands to the left for a while, and then to the right, still not forgetting to throw a wave-like curve, and said with joy:

"The SPA at Shangri-La can't be visited once a year by most people. If I can have a free VIP card, I will go every day from now on.

I will simply go after breakfast every morning and come back at night!"

Jacob curled his lips and said, "You can just move over and live there."

Elaine stopped quarreling with him, and said with a smile:

"Do you think I don't want to? If you are the only old b@stard at home, I will definitely move in there and not come back."

After she finished speaking, she changed the conversation and said with a flattering smile:

"But there are still my good son-in-law and my good daughter at home, don't say anything else, I have to make breakfast for my good son-in-law every day, so I like being here. You just know to reach out and open your mouth to eat, I have never seen you moving a leg to do anything for my good son-in-law."

Chapter 2805

As Jacob heard this, he was a little agitated and wanted to say something, but he thought he couldn't find a good reason to refute with his voice.

"I haven't made any contributions to this family, despite the fact that I haven't been a demon all the time like you..."

"Through Teng Teng Antique, I had previously made a fortune from Ervin.

I figured it would be a decent way to make a fortune, but who would have known there would be none after that..."

"Even the scumbag Ervin was enthralled. He used to be there every time I went to Antique Street, but I haven't seen him in a long time!

"Do not say that I am unable to locate Ervin's number. Later, with the mindset of picking things up, I began collecting antiques, but I ended up losing a lot of money.

I paid thousands of dollars to buy it, but I didn't gain a lot of money. People opened their mouths and gave me a dollar or two as soon as I went to a professional organization to ask for a price, so it was basically a complete loss."

"I later formed the Calligraphy and Painting Society, and I was involved in the organization's affairs every day."

Despite the fact that I am doing well in the association, it is mostly based on prestige and qualifications.

It's completely pointless when it comes to making money..."

As a result, Jacob thought about it and realized, with emotion in his heart, that "Wow, so I seem to be very lackluster."

Charlie, my good son-in-law, bought me a car, assisted me in pretending, assisted me in slapping my forehead, and followed me around every day.

But, but I haven't helped him in any way..."

Jacob felt more guilty in his heart for a while.

"Charlie, what do you think is appropriate for Dad in this situation?" he said awkwardly to Charlie.

"Dad, don't you mix well in the Calligraphy and Painting Association?" Charlie asked, laughing.

"It's a good mix," Jacob sighed, "but I still can't mix capital."

"You and mom don't have to worry about making money,"

Charlie said, waving his hand. You two will retire with peace of mind or do anything you enjoy for this family I and Claire are enough.

IF you insist, Painting and calligraphy are two things that come to mind.

The connection is very powerful.

It corresponds to your interests. It can also help you develop your feelings and make new friends. "Why don't you try it?"

"This is always free food at home, and Dad's heart is still disturbed," Jacob confessed, a little ashamed.

Chapter 2806

"Oh, Jacob, do you realize that you are eating for free?" Elaine sarcastically asked. I believe you have no self-awareness!"

"Mom, it's all a family," Charlie hurriedly said. There is no such thing as a free lunch. Will you have to go out with father in the future to be self-reliant and self-sufficient?"

"Oh, my son-in-law, that's not what mom intended," Elaine waved her hand when she realized this.

Mom simply believes that Jacob does not work every day and does not do housework. It reminds me of a slap master. "Adequate....."

Despite her desire to mock Jacob, Elaine did not want to put herself in danger.

If Charlie honestly asked her to go out and find something to do, she will no longer have such a fun leisure time.

"In this way, she will be responsible for mopping the kitchen, sweeping the floor, and cleaning the table to carry out the garbage in the future,"

Jacob added hastily. All will be mine!"

Charlie helplessly shook his head, but it was rude to Jacob. It just so happened that the villa was very big, making cleaning a big task.

After all, Charlie had been living in the orphanage since he was eight years old, so he wasn't used to asking the aunt.

The young master's problem is that he isn't used to seeing anyone waiting for him.

Elaine's heart became a little more balanced after seeing Jacob taking the initiative to contract housework, so she didn't bother to argue with him any longer.

She is now awaiting Issac's arrival because Issac has promised to give Charlie a SPA VIP card from Shangri-La, which is what she is most worried about right now.

After a few minutes, Claire cooked the noodles, removed them from the pot, and quickly dipped them in cold water before placing them in a bowl with his garlic moss fried pork gravy and chopsticks.

"Husband, how about my craft?" Claire said with a smile as he approached him.

"It smells really sweet, it must be delicious!" Charlie exclaimed after giving it a good sniff.

He took a sip of this soup as soon as he finished speaking.

He was pleasantly surprised by this flavor.

The taste of fried pork with garlic moss is excellent, the garlic moss is very fresh, and the heat is well balanced, so the taste is excellent, and Claire cuts the pork belly into diced meat and stirs the rich meat aroma in the pot. The initial garlic moss scent is mixed in, which is very appealing.

Chapter 2807

Furthermore, the noodles are perfectly cooked, and the hardness is just right. At first glance, it appears to be cooked with a pinch of salt and then precisely passed through cold water, resulting in fragrant and solid noodles.

"Mom, what you do here is very wonderful!" Charlie couldn't help but exclaim as he ate. Why didn't I realize you had such a valuable skill?"

"In the past, you used to cook," Claire admitted, "and I rarely get started in the kitchen." Since you like it, I'll try to cook for you more often in the future!"

"That's awesome!" Charlie said with a light nod and a smile. But, my wife, don't get too busy cooking. Isn't the Emgrand Group's schedule jam-packed? It's preferable to focus on your job."

"I'll take care of the change," Claire said quickly.

"You eat quickly," she said after speaking, "and if there isn't enough, there will be noodles in the cup."

"Wow!" exclaims the speaker.

"The noodles made by my wife are really the best I have ever eaten!" Charlie exclaimed after finishing two large bowls of noodles and wiping his lips.

"Next time," Claire said, smiling sweetly and comfortingly, "I'll make you some other braised meat to try!"

"It's nice to dare to love," Charlie said with a smile.

The doorbell rang unexpectedly while he was speaking.

Elaine was the first to respond, exclaiming, "Oh! I'll open the door for President Issac, who must have come to deliver the VIP card!"

After speaking, she bolted.

"I, too, will come out and take a look," Charlie said as he stood up.

"Dad, there are visitors at home," Claire said to Jacob. "Let's go to the living room and say hello together."

"All right." Jacob was also eager to meet Issac, so he followed Charlie out the door.

Elaine had already opened the door over there as soon as the three of them entered the living room, and Issac was the one who came in.

"Hello, Madam, I am Issac from Shangri-La," Issac said politely at the time.

"Oh, Mr. Issac, please come in, please come in!" Elaine hurriedly gave up the room, made an inviting gesture, and said with a smile.

"Then I will trouble you, Madam," Issac said quickly.

With that said, he saw Charlie walking over as soon as he walked in, so he hurriedly said politely, "Master Wade!"

"It's very embarrassing to make you have a hard time running," Charlie said with a small nod.

"Not a big deal, don't be so polite with me master," Issac said, flattered.

"Master Wade, these are two Shangri-La unlimited SPA VIP cards, which are for Ms. Elaine," he said politely as he quickly took two Shangri-La personalized premium envelopes from his pocket and handed the cards to Charlie.

Chapter 2808

Elaine's face was fixed when she saw these two envelopes.

The most important thing for a woman of her age is to keep her body in good shape.

It is nothing more than body skincare and body control, to put it simply.

For many middle-aged women, body management is a daunting job.

After all, if you want to shape your body, you must engage in physical activity. Many individuals are unable to keep up due to laziness or a lack of motivation.

The skin care, on the other hand, is much simpler.

You go down to the salon and sit down on the bunk. You don't need to be concerned about anything.

Many light-skinned, delicate little girls welcomed them with a selection of high-end skin care items.

It's the equivalent of having a massage because you have taken care of the whole body's skin.

As a result, affluent and wealthy wives, in general, enjoy visiting beauty and health salons.

The price and cost of this high-end beauty SPA, on the other hand, are extremely high.

In general, a full-body treatment would set you back at least 5,000 yuan.

Furthermore, 5,000 yuan is just the basic equipment; first, the time will be short, and second, the skin care product brands used for care will be fairly common.

In general, a full-body SPA with a top-tier skin care brand will set you back tens of thousands of dollars.

The price will be approaching if you use a super first-line brand, such as the caviar skin care product that Charlie originally gave to Elaine.

A hundred thousand dollars.

Elaine didn't have the confidence or courage to go to Shangri-La for SPA when she was the best in the past.

Nowadays, Issac's unlimited number and unlimited amount of VIP cards brought directly to top locations such as Shangri-La is simply one move that fully meets all of Elaine's skin care needs. She couldn't help but be ecstatic.

Claire, on the other hand, was extremely embarrassed and said, "Mr. Issac, I am extremely embarrassed to accept such a costly gift..."

"Mrs. Wade, you are welcome. Two VIP cards are nothing for Shangri-La, but Master Wade has supported us in Shangri-La all the time.

If it weren't for Master adjusting the Feng Shui for us, I'm sure Shangri-La would have long been in negative business.

Bankruptcy was imminent," Issac said with a smile.

While Issac's words were merely propaganda, Claire, Jacob, and Elaine were persuaded.

Chapter 2809

After all, they assume that Charlie's promotion to Master status in Aurous Hill was due to his knowledge of Feng Shui, as many wealthy families sought his assistance. The words of Issac were not a concern.

However, Claire continued to believe there was no validity, so he said euphemistically, "Really, I am very busy every day and don't have much time to go to SPA or return my card. As for the other, I will first Thank you for my mother!"

"Wife, don't be shy about this little thing. Don't tell me if you have time. You and mom can hold the card first.

If you have time later, you can directly visit them," Charlie said with a smile.

"Mr. Issac, the next time I come to Shangri-La to see Feng Shui, you don't need to pay me anymore," he said to Issac after speaking to his wife.

"Then how embarrassed Master!" Issac exclaimed, hurriedly and courteously.

"Well, I should consider it.

I will accept it," Charlie said, waving his hand. "President Issac should not shirk this matter any longer."

"If this is the case, then I'm better off respecting my life!" Issac said after borrowing the donkey.

"By the way, President, I have something to ask you for help with, I don't know if it's okay?"

Jacob, who had been silent for a while, said, a little embarrassedly.

"Mr. Willson, please say!" Issac hurriedly said.

"That's it..." Jacob coughed and said, "Our Aurous Hill Painting and Calligraphy Association recently wanted to hold a painting exhibition, but the venue has yet to be determined."

Originally, I wanted to go to Treasures Pavilion, but there was a kidnapping and bombing case some time ago, and the citizens were a little panicked there after the incident. If we still want to go there.

"No problem," Issac said with a smile, "we have several banquet halls in Shangri-La, as well as a sky garden, which you can simply take out for your use if you don't have time."

"Hey, didn't Sky Garden say it's wrong to outsource the field?" Jacob exclaimed, excitedly.

"Will it create trouble for President Issac if I choose that?"

"There is nothing to worry about," Issac said quickly.

"The sky garden is big and tastefully decorated, and it will undoubtedly contribute to the exhibition's efficiency. Mr. Willson doesn't need to be so polite!"

"Wow! Thank you very much, Mr. Issac!" exclaimed Jacob, his face beaming.

"By the way, President, do you know if there is an estimated sum for the cost of this sky garden?" he inquired after he had finished speaking.

"Mr. Willson, I heard you are now the executive vice president of the Painting and Calligraphy Association?" Issac asked, smiling.

"It's just a falsework, not worth mentioning, not worth mentioning..." said Jacob, ashamed.

"It's already nice to be able to sit in this role," Issac said solemnly. "Mr. Willson doesn't have to be so modest."

"Since Mr. Willson is the executive vice president of the Calligraphy and Painting Association, this is my own business," he said again.

"Of course, I can't raise money for my own business, so I have people arrange the place for free use by the Calligraphy and Painting Association."

Chapter 2810

Mr. Issac, you have really helped us... To be frank, our Painting and Calligraphy Association has been relatively tight lately, and this expense has been compressing..." Jacob was pleasantly surprised.

"In the future, if the Calligraphy and Painting Association wants venues or even funding for any events, you can contact me directly,"

Issac said with a smile, handing Jacob a business card.

Jacob was flattered and repeatedly thanked him, "Wow, thank you very much!"

"Ah, by the way, Master, I still have something to do, so I won't bother too much," Issac said, looking at the time.

"So I'll give it to you," Charlie grinned as he nodded.

"Oh, Mr. Issac, you can be considered to know the door this time," Elaine said, smiling. "You must come often in the future!"

"Okay, okay, Master Wade and Madam Elaine, please stay, I can go by myself," Issac said quickly and respectfully.

"Then I won't send you off," Charlie smiled, not being polite.

Elaine couldn't wait to tell Charlie, "Good son-in-law, show me the VIP card quickly?" as soon as Issac had left she uttered.

Charlie handed her an envelope.

Elaine was ecstatic when she opened it. She danced with delight as soon as she opened it. When Charlie saw her smile, she shook her head helplessly.

late in the evening

Zhiyu stayed up late chatting with the excited family before retiring to her specially prepared bed.

She couldn't stop thinking about Charlie's presence as soon as she laid down.

Her girlish heart easily overflowed with girlish shyness, fantasy, and hope for the future when she thought of Charlie.

Given the fact that Charlie had many ties with her family and that Charlie's own situation was also peculiar,

Zhiyu was not discouraged because she was halfway to finding him.

In any case, this is a positive development.

However, if you really want to be good, you will have a long way to go.

The duration, on the other hand, is irrelevant.

Zhiyu had the impression that she should either wait or try slowly.

A knock on the door rang just as she was about to leave.

"Who?" she unintentionally inquired.

"Zhiyu, it's me," Zhifei declared.

"You wait a moment, brother," Zhiyu said hurriedly.

She quickly got up and put on her dressing gown after speaking, then opened the room door.

"Brother, is there something going on at this late hour?"

She inquired as she approached Zhifei outside the house.

"Zhiyu, is it convenient for you to talk?" Zhifei asked, looking around and purposely lowering his voice.

"Convenient," Zhiyu said, thinking that her brother was concerned about her and wanted to speak to her, so she easily gave up time and invited Zhifei in.

She had no idea that her elder brother had experienced earth-shattering changes during the time she was rescued by Charlie...

Chapter 2811

Zhifei came to Zhiyu in the middle of the night with one goal in mind: to find out what Zhiyu and mother had been through and who had saved them.

He also overheard his mother explaining the particular process of her encounter, which is the so-called version of the tale in which a mysterious individual was there who saved them but never turned up, at the dinner table.

Zhifei still has the feeling that something is wrong, even though there are no apparent flaws in reasoning.

Furthermore, his grandfather Chengfeng suspected that this incident was linked to his Grace, who had saved him and his sister in Japan, and he wanted to speak with Zhiyu privately to see if she could make sense of her.

"Zhiyu, you haven't suffered much these days, right?" Zhifei inquired as soon as he entered Zhiyu's bed.

"No..." says the speaker. "Father, didn't you mention that you didn't have any resentment at the dinner table?" Zhiyu asked, moved. "Instead, I ate and slept every day and developed a lot of meat."

"There's none..."

Zhifei sighed and exhaled a breath of relief: "Brother is worried that I will be affected.

After all, it would be difficult to sustain minor injuries in such a large car accident."

Zhiyu agreed and listened to what he said: "It's only a minor issue. After all, they'd assembled a highly qualified medical staff."

Zhifei inquired, intrigued:

"What did you think about the mysterious person who rescued you and mother, Zhiyu?

Why did they come to your aid quietly? And they continued to handle you quietly, without warning the outside world."

"I'm not sure." Zhiyu shared her thoughts as follows:

"I'm not sure how to say this... After all, I haven't seen anybody and they haven't explained why they have come to save us..."

"Zhiyu, sharing the truth with your brother, is there any secret that you didn't say in front of grandpa and others at the dinner table?"

Zhifei asked seriously.

"No, I'm talking about the actual case," Zhiyu said quickly.

"Zhiyu, the one who rescued you and mother, isn't he the Grace, right?!" asked Zhifei, frowning.

Zhifei's abrupt sentence caught Zhiyu off guard. She came to her senses after a while and immediately denied:

"Why would this happen... I had previously exhausted all avenues for locating my Grace. Furthermore, the Grace should be in Japan, and he will not visit Aurous Hill."

Chapter 2812

Zhifei has been watching Zhiyu's expression for a while now.

Zhiyu's face was clearly uncomfortable and anxious when he spoke about Grace, and her denial was also a little bit of a cover-up, he noticed.

He was almost positive that his sister was lying based on his interpretation of her.

The Grace who saved him and his sister in Kyoto, Japan, should be the one who really saved her and mother this time!

Zhifei got jittery just thinking about it!

"Grace is a top-tier specialist with outstanding strength.

He stays unharmed and can easily destroy many top ninjas on his own.

The Su family would almost certainly be unable to withstand such strength..."

"It would prove that he was in Aurous Hill if he really rescued Mom and Zhiyu!

This will include an explanation for the second uncle's and father's disappearances. There isn't a second choice besides him..."

"Even though he rescued Mom and Zhiyu, if this is done, he will most likely be on the opposing side of the Su family..."

As a result, Zhifei decided to get more details.

At this point, he sighed lightly, looked at Zhiyu, and said, somewhat disappointed:

"Zhiyu, we grew up together and have always had a great friendship, as well as having shared life and death in Japan.

There are 11 million reasons in my heart for your good, what can you hide from me as an older brother?"

When Zhiyu heard this, she couldn't help but feel bad, and her tone of voice became even more bottomless, and she said, "Brother...I don't have..."

Zhifei enquired: "Are you a total moron? I haven't seen you in a long time? You're in this state, so you're obviously lying."

Zhifei, as he put it, said helplessly: "Hey, what are you trying to hide from me by saying this?"

The Grace is not just your Grace, but also mine. He saved our lives, and I know you and I both want to repay him! If he really saved you and mother this time, then he owes our Su family four lives.

If I have the opportunity, I would kneel to thank him in person, but you keep covering up here; won't I ever have the chance to thank my Grace in person?"

Zhiyu's psychological defense was shattered all of a sudden.

She was unaware that her brother Zhifei had already started moral kidnapping.

She found herself in a predicament all of a sudden.

On the one hand, she promised Charlie that she would not reveal his true identity

Her brother, on the other hand, seemed to have figured out the gist of the situation and stated that. Now she didn't know how to deny it.

Chapter 2813

Zhiyu felt like this after thinking about it: "Because my brother guessed correctly, I'll confirm his guess so he doesn't get upset.

I will not reveal any additional detail about Grace."

"Brother, you guessed it right, Grace saved me and mom..." she had no choice but to say.

Zhifei felt a groan in his chest.

"Of course..."

"It is indeed very fiery..."

Grandpa has never seen Grace, so he can assume he is the one.

I'm afraid I won't be able to recall this degree unless he reminds me..."

So he pretended to be ecstatic and exclaimed enthusiastically:

"Oh, no! It is, without a doubt, my Grace! That's awesome!"

When would you take me to meet my Grace, Zhiyu? I need to thank him personally!"

"Brother, I don't know where the Grace is..." Zhiyu hurriedly said.

Zhifei inquired, surprised: "What exactly do you mean? Didn't you happen to note Grace's details?"

Zhiyu expressed her thoughts as follows:

"I saw him, but Grace remained silent and advised me to keep my mother's identity a secret.

His last name is unknown to me, and mother and I were previously limited by him. We don't have any more details about him."

She expressed her fear that Zhifei would not believe her and then added: "Grace is a mysterious man who refuses to reveal anything about himself. You are also aware of this.

Don't mention him the first time he saved us. He didn't want to say anything to the two of you.

Perhaps this top player has a bad temper..."

When Zhifei learned this, he couldn't help but be saddened.

He didn't have any doubts about Zhiyu's argument.

Since that Grace is extremely low-key and cold, unable to leave any traces for anyone.

He hurriedly said, "Thinking about this," "Grace, in my opinion, must be in Aurous Hill.

Then we'll be free to continue searching for him.

The variety is much narrower this time than it was previously. I assume we will be able to follow some leads!"

Zhiyu feared her brother would notice the hints, so she pretended to agree with him and nodded repeatedly:

"You are right, brother! This is something I was just curious about.

It should be much easier to find Grace now that we can narrow the distance to a city in Aurous Hill!"

She hurriedly said again after she finished speaking:

"However, we must maintain a low profile and avoid making a big deal out of it.

After all, he's concealed his identity, and he doesn't want us to find him. If he sees us, he will become enraged, even aggressive. Perhaps he'll leave Aurous Hill!"

Chapter 2814

When he had the information he needed, Zhifei told Zhiyu,

"Zhiyu, you must be tired as well, so take a break early and we'll talk about it tomorrow!"

"All right, brother," Zhiyu said with a nod.

"All right, I'll go back to my room and relax," Zhifei said as he stood up.

Zhiyu returned to the bed after sending him to the door.

In her mind, she was still thinking about Charlie's appearance, and the entire person was completely absorbed.

Zhifei entered the room with trepidation at this point. "Grandpa, I asked Zhiyu, this time who rescued her and mother.

It is indeed the Chinese who saved us both in Japan..." he said in a voice message to his grandfather Chengfeng.

Chengfeng sat alone in the study, not sleepy, and drank tea. He suddenly slumped in a chair after hearing this, unable to move for a long time.

"How can such a powerful person be an enemy of the Su Family?" he wondered aloud.

"Could it be...Is it because I enraged him over Liona's actions?" he wondered.

"But what does this have to do with defensiveness and offensiveness? Why are they kidnapped?"

"That guy saved Zhiyu twice; he must have a close relationship with her; if Zhiyu enrages me because of her mother, this mysterious master will undoubtedly be used by her in the future, and it will undoubtedly be to my detriment."

"Furthermore, even if the He family agrees to work with me again, I'm afraid it will be a drop in the bucket; this person is too powerful to imagine, how can this family match him?"

Chengfeng was even more terrified at this point.

"I just take the initiative to plead guilty to Zhiyu and her mother," he reasoned, "and if Zhiyu can alleviate the hatred toward me, it might be changed..."

But then he thought to himself, "No...this appears to be incorrect!"

"Even if Zhiyu despises me, she has no reason to despise her biological father! Her father was sent to Australia by me and was not involved in the car accident that killed her mother, so she has no reason to let the master attack her father.

Furthermore, her second uncle has nothing to do with this matter, but both of them have vanished one after the other.

"In this way, the whole thing seems to be different from what I thought before; this enigmatic master shouldn't act solely on Zhiyu's preferences; he should act on his own preferences..."

"Because his criteria is based on his own likes and dislikes, he must target the Su Family and my children for his own reasons..."

"When did my Su family offend him?" asks the narrator.

Chengfeng was on the verge of going mad, and he couldn't find out why.

He now just has the impression that the individual as a whole is extremely insecure.

Chapter 2815

After all, the adversary was capable of killing many top ninjas with his own hands.

If he really comes to the gates, I'm afraid the Su Family's current defensive ability won't be able to handle it!

He immediately dialed Anson after thinking about it. He blurted out, "Anson, where are you!?" as soon as the call was connected.

Anson's surroundings were a little claustrophobic, and the helicopter engine roared loudly.

"Boss!" yelled Anson, "I'm going to Mocheng; it's just around 100 kilometers away, and I'll be there in half an hour!"

"Anson, please remember it for me; in any case, you must invite the He family to me; even if it doubles on the basis of 2 billion, I will not hesitate to let them go as quickly as possible; let the family move to this Suzhou within a short period of time!" Chengfeng hurriedly said.

"Master, is there anything wrong?" Anson inquired.

"Don't ask too many questions," Chengfeng exclaimed.

"Remember what I said: it's best to let them leave early tomorrow morning, and then I'll send a big plane to pick them up!"

"All right!" Anson said quickly, sensing the urgency of the situation. "Then I'll try to persuade Luther tonight!"

After a half-hour.

A low-altitude, fast-flying helicopter interrupted the calm of Mocheng in the middle of the night.

The helicopter flew by, heading straight for He's compound.

Luther was waiting in the courtyard at the time, wearing a thin coat.

Before getting off the plane and switching to the helicopter, Anson called him.

Luther didn't want to see the Su family at all, even if it was just the Su family's housekeeper.

Anson, on the other hand, said that he was sent by the old man Su and that he didn't look at the monk's face in order to see the Buddha's face. Luther was a little perplexed.

He knew in his heart that, despite the fact that the He family was a martial arts family with a natural aptitude for fighting and killing, they were nothing compared to the Su family.

Martial arts masters have only represented the wealthy since ancient times.

Who would dare to provoke the wealthy, aside from the fledgling stunners?

Even a martial arts family with hundreds of years of history, such as the He family, should not offend the powerful;

otherwise, if you really annoy the other party, the hook might ruin the He family's hundreds of years of history.

As a result, Luther thought that if Anson came on Mr. Su's behalf, he couldn't explicitly contradict his face, but he had to do a good job on the surface.

Chapter 2816

Tom, the He family's eldest son, is also present with Luther.

Roma's eldest brother and the foundation of the He family's next generation.

Luther's face was more or less grave as he watched the helicopter land slowly, thinking that he must be respectful and polite to the Su family who murdered his granddaughter.

He felt more or less receptive at times.

"Dad, once you meet Anson, you must contain your emotions and don't get angry with him!"

Tom reminded him before the plane landed.

After hearing this, Luther felt uneasy.

In reality, he was well aware that he would never be able to anger Anson.

However, what the eldest son said made him annoyed.

But he also knew that even though he held back the flames, he wouldn't be able to turn his face away from Anson, which made him even more uneasy.

Anson's trip's intent had already been deduced by Tom.

Su's family is on the lookout for He's family, and they're just looking for one thing: The Su patriarch wants his family for something.

In reality, the He family is devoid of any other abilities.

If Su's is a supermarket, then there is only one thing in this store.

It reminds him a lot of the street vendor selling candied haws. Who has driven a long way to see him.

Other than buying candied haws, what else would he do?

As a result, he was confident that Anson would come over this time, and he was determined to get the He family back to the Su family.

This is just what he had wished for.

Since his eldest son's life has been extremely tight after the He family separated from the Su family and absolutely ended their cooperation.

On weekdays, the He family used to provide cultivation for younger generations, which would have cost a lot of money, particularly since they have now lost their source of income.

It's nothing more than a way of securing a source of revenue. What's more insane is that he spent hundreds of millions to track down Ruoli.

Even though a few hundred million is a large amount of money, he really wanted to use it to find someone in the sea, and the money is insufficient to feed the sea.

What about the sea? It occupies 70% of the planet's surface area! A US aircraft carrier formation was thrown in, and 99 percent of the world's countries couldn't figure out what it was, let alone a Ruoli?

Chapter 2817

In reality, Tom was opposed to the search for Ruoli from the start.

He believed that at the time, the whole world understood that Elder Su had betrayed Ruoli, and that the He family had no choice but to look for Ruoli, not the right one. Didn't it just mean that Elder Su was opposed to him?

The best option is for the He family to say or do nothing, allowing the old man Su to see that the He family is still on the Su family's side and is able to accept Ruoli's fate for the Su family.

In that scenario, Elder Su would certainly provide more benefits to the He family, and Ruoli would be considered a successful death because she used her life to provide more benefits to the He family.

Unfortunately, sister Roma was enraged by Ruoli's murder, and the old man had to draw a straight line between the He family.

This is awesome.

Ruoli's death may have been traded for certain benefits, but the benefits were not exchanged, and the He family's own income was fully taken into account. It was too irrational in his mind.

As a result, he is now very willing for the He family and the Su family to re-establish a cooperative relationship.

Tom's hopes were shattered when the helicopter landed safely in the courtyard.

Anson jumped out of the helicopter and stuck out his hand from a long distance, trotting all the way to Luther until the blades completely stopped.

Anson took the initiative as soon as he entered, taking Luther's hand and politely saying, "Mr. He, I haven't seen you in a long time!"

"Anson, it's been a long time since I saw you, how have you been?" Luther could only sneer.

Anson sighed and said, "No, it's not at all pleasant. Is it possible for me to be happier without you?"

He hurriedly said after he finished speaking: "The master demanded that I greet you alongside him, and he also listed the previous events. He has always been deeply remorseful and apologetic.

The master had intended to visit in person, but it was a long journey and the master's health doesn't make this possible. His body can't bear tossing because it's too heavy, so I can't help but come for him..."

"Oh, how can he, how worthy to make Master Su miss so much..."

Luther can only tell with a flattering expression.

He quickly made a motion and said, "Anson, it's too cold outside; come inside and chat!"

"Mocheng is so cold, I think it will be minus 20 degrees, right?" Anson nodded repeatedly and sighed.

"The minimum temperature tonight is minus 35 degrees," Luther said lightly.

"Hey..." says the voice. Anson said with a smile, "This is much too frightening. Let's go inside and chat because otherwise my body would be totally frozen in no time..."

Luther guided him to the main hall, a step ahead of him.

Chapter 2818

Anson couldn't help but inquire as soon as he stepped into the main hall: "Why is this room so frigid, Mr. He?"

Despite the fact that Eastcliff is very cold in the winter, the room is heated and the temperature is above 20 degrees Celsius.

I'm afraid it's not even ten degrees in your bed..."

Luther said with a smile: "The He family's exercises are particularly special. It's preferable if the temperature is as low as possible. We came to Mocheng for that purpose.

The main hall has some heating, so the temperature remains above freezing and the water does not freeze.

If you go into the room where the children live, you will note that there is no heating and that the temperature is usually about minus ten degrees."

"My mother..." says the speaker. "Fortunately, I am not a part of your family, otherwise I would have frozen to death..." said Anson, shrugging his neck.

"Tom, go get Anson a basin of charcoal fire, and let people turn on the heating," Luther said to Tom, who was following.

"Great father," Tom hurriedly said.

"Tom, thank you for your hard work!" Anson said with a smile.

Tom isn't as qualified as his father, so he treats Anson with respect. He politely bowed slightly and said:

"Su steward doesn't have to be so polite. Only a second, and I'll be right here."

Anson was asked to sit in a cold wooden chair by Luther. He had just sat down and couldn't help but get up.

He remarked, "Hey, old man, I'll sit and wait for the charcoal fire to return. I can't bear it because it's too cold..."

"It's because we didn't entertain you well," Luther said, nodding.

"Where is it, I came to disturb you at night, it was too presumptuous," Anson hurriedly waved his hand.

Luther didn't continue to be friendly with him, instead of asking, "Anson, I wonder if Master Su asked you to come this time, what's the matter?"

Anson quickly replied: "This is the case, Mr. He, because of Ruoli he feels he is genuinely guilty and ashamed of the past.

He knows you're upset with him, so he sent me over to see you and tell you about his care and his apologies. I'm also hoping to turn fighting with you into jade silk."

Chapter 2819

Luther said, with a dry chuckle, "Please tell Master Su that if Ruoli's surname was Su after all, even though it was my He family who raised her to adulthood, it's the same as sending her back to Su's time.

The Su family received her back. Master Su made the decision to kill her in order to save the Su family. He does not have to apologize to me because I am Ruoli's grandfather and also an outsider."

Luther didn't say it out of the goodness of his heart.

He had a deep affection for Ruoli.

Chengfeng had betrayed Ruoli and was bitter about it.

He was aware, however, that his power was too far away from that of the Su Family.

He would certainly turn the Su Family into an enemy if he said he despised the He Family in front of Anson today.

As a result, he purposely used rhetoric to indicate that Ruoli was a member of the Su family and that he is an outsider.

On the one hand, he couldn't offend the Su family directly on this topic. He may, on the other hand, indirectly express his disappointment with the family.

After all, a person who can even sacrifice his own granddaughter is unworthy of Luther's continued friendship, so the best thing to do in the future is to go their separate ways, and no one can bother each other.

Anson is a human, so how can he not understand what Luther is saying?

Despite this, he proceeded to speak in a witty manner: "You are right. Ruoli must be of the Su family's bloodline since she is the illegitimate daughter of the eldest young master.

However, if this is the case, the master always has feelings for you and your kin. For Ruoli, he is extremely guilty, as half of the blood in her body comes from the He family..."

Luther was irritable, to say the least. Anson, he learned, was still afraid to move the conversation away from Ruoli.

Why did he hold on to this topic when he didn't want to talk about it?

Anson, just as he was becoming perplexed, said: "In fact, what the master meant was that the He and Su families do not have a typical master-servant relationship. After all, the He's have built a bloodline for the Su's.

The master is extremely aware of this and is hopeful that he will be able to make amends."

Luther's eldest son, Tom, came in with an iron charcoal-burner while they were conversing.

He was overjoyed as soon as he heard this. He couldn't help but wait in anticipation for Anson's surprise as he put the burner in front of him.

He was curious as to what the Su Family Master was able to do in return for the He Family.

Anson reached into his inner pocket and pulled out a check, which he handed to Luther and said, "This is a one billion yuan cash check, Mr. He. I was ordered by the master to deliver it to you."

Chapter 2820

"One Billion?" you might wonder.

Tom on the side was startled as soon as the paper was taken out.

This amount is very frightening.

May equal the entire He family's previous two-year income.

Furthermore, the He family is currently facing a financial crisis. Tom is both excited and overwhelmed by the one billion cheque.

This number alarmed Luther as well.

Father Su shocked him by offering one billion in cash with a wave of his hand.

However, he realized deep down in his heart that the Su family's money could not be taken so easily.

It's something you can think about with your toes, and the money isn't exactly secure.

Rather than taking the check, he asked, "Anson, I'm curious why Master Su asked you to take this check with you?"

Anson said solemnly:

"As I clarified that Master feels bad for the He family and hopes to make amends.

He also hopes to be able to preserve the previous cooperative partnership with the He family.

As a result, he confessed to me and asked me to inform you that if the He family agrees to restore cooperation with the Su family, the annual salary will be raised to 2 billion.

It makes no difference if the He family is reluctant. This one billion should suffice as the remuneration to the He's!"

Luther was taken aback at first.

He expected the Su family to want to continue cooperating with the He family, but he didn't expect Su's father's price to nearly quadruple from the previous basis.

What is this definition of two billion a year?

A listed firm with a market capitalization of 40 billion has a profit of 2 billion year-round, based on a price-earnings ratio of 20 times.

Most companies in the domestic stock market have a P/E ratio of more than 50 times.

In other words, tens of thousands of people are busy with their lives in several group businesses with a market value of 100 billion dollars, and their annual earnings are just 2 billion.

And as long as the He family returns to the Su family's arms, they will earn a yearly income of 2 billion, which is equivalent to a golden brick from the sky!

Luther was stunned for a moment, and Tom, on the other hand, was already ecstatic and uncontrollable!

He thought this was a great opportunity that the He family had never considered. The He family would be able to ascend into the sky if he took advantage of this chance.

With this large sum of money, in the future, He family might be able to become the country's top martial arts family!

And he's on his way to becoming the patriarch of the country's most powerful martial arts family!

After this, he and his family would be able to fly!

Luther was also a little giddy.

While he was aware that his daughter Roma has traveled to Aurous Hill to meet the Wade Family's Young Master, he assumed that the Wade Family wanted to work with

the He Family as well, but he believed that the Wade Family would not be able to give the He Family such a high price.

Chapter 2821

This amounts of two billion a year!

It is only then that he understood that a person's bottom line could shift at any moment.

At times, he believed his bottom line is crystal clear and his attitude is unwavering. That's because he has never been faced with a strong enough temptation.

There would be no bottom line at this stage if the temptation had exceeded one's psychological standards and even explicitly provided him with a super deterrent.

True, Luther was angered by the Su Family's abandonment of Ruoli, and also their actions of betraying her.

That kind of rage is like a never-ending forest fire that is difficult to put out with ordinary force.

The anger in his heart seemed to be greatly calmed in an instant when he heard the price of 2 billion.

It was as if a sudden wave had rushed through the burning forest with unprecedented speed and intensity.

What if the forest fire is especially ferocious?

Isn't it enough for a tsunami to submerge the whole forest, never mind a forest fire?

The bottom line has been defeated.

For a long time, Anson stayed quiet.

His eyes, like eagles', have been eagle-like in their observation of the father and son in front of him, noting all of their facial expressions, eye, and even movement shifts.

Anson's greatest skill is his ability to observe words and colors.

Mr. Su's eyes are just as accurate as a polygraph after so many years with him.

He can simply and unequivocally determine that the father and son in front of him have been enticed.

He was finally relieved as a result of this.

Surprisingly: "The master remains concerned that two billion would fall short of impressing the He family.

The psychological cost of this family does not appear to be as high as the master predicted. Two billion appears to be a little excessive.

Let's say he started with a billion. Let's talk, there have been several tugs-of-war, and He's family will undoubtedly be settled within 1.5 billion! What a shame, at least 500 million was wasted, and if the price remains the same, 2 billion will be invested every year for the next ten years. It's \$20 billion... which means at least \$5 billion has been invested over the next ten years excessively..."

But then he had a change of heart and thought: "However, the Su family is currently in a state of emergency, and the father's own safety has become a concern. It isn't the best time to haggle.

The top priority is to quickly get the He family over and ensure the Su father's safety. The elderly gentleman must have his own strategy.

For the He family, this price will be retained for a period of one or two years. When the crisis is over, the old man will no longer be able to support the He family at such a high rate."

Anson felt a bit more at ease after thinking about it.

Chapter 2822

"Mr. He, what do you think of it?" he immediately asked Luther.

"I just didn't expect Master Su to respect the He family so much..." Luther felt a dry pain in his throat, swallowed, and then said,

"Of course, our master doesn't respect the He family for one or two days," Anson said with a smile.

Anson smiled as he said, waving his hand and saying:

"Let's not talk about these ridiculous things because I am old. I've only recently relayed the master's words to you. You are the He family's leader, and do you think the He family would recognize the master? You must provide me with a firm answer."

Luther nodded and calmly weighed the advantages and disadvantages of the He family's approval or rejection of this matter.

Guaranteed, the advantages would be multiple.

Returning to the Su family's authority, with enough funds, the younger generations of the family will be able to provide all of the resources required to practice martial arts at any expense.

Perhaps within a few years, the He family would be able to produce a group of exceptional geniuses similar to Ruoli.

This is extremely important to the He family.

Since, once the younger generation's overall strength has improved significantly, the entire He family will easily begin attacking their foes.

The He family has been around for hundreds of years, and every Patriarch's greatest wish is for the He family to rise to the top of the domestic martial arts family.

Climbing to the top allows you to see all of the mountains, both large and small.

One of the eight large families, one of the four large families, or one of the three large families is no more.

Rather, the biggest and most strong!

There's no one left!

This is one of the advantages of working with the Su family.

What, on the other hand, are the drawbacks of agreeing with the Su family?

Luther pondered it as if he had nothing else to think about except his aching heart and pity for his daughter Roma and granddaughter Ruoli.

It's a complete waste of time...

On the one side, his daughter and granddaughter were betrayed by the He family's centuries-old scheme.

Great variations have emerged from the beginning of this balance.

Luther immediately felt like he didn't need to worry about this issue at all.

Why wait any longer?

It is time to begin a new journey.

Chapter 2823

Tom on the side, sweating profusely as he watched his father not respond to Anson's question.

What concerns him the most now is that if his father's brain is short-circuited and he rejects Anson, it would be disastrous.

As a result, he hurriedly stated: "Dad, it's you! Master Su sincerely welcomed us back, and he sent Steward Su directly to invite us. Why should we take our time?"

"I am not hesitant, I am not hesitant, I had already thought about it, but I didn't think about how to say it," Luther said.

However, after considering whether or not his son had responded, he added a step between himself and Anson.

He didn't know what to say at first, but he felt like his son just decided too quickly, and it seemed a little too open for money.

No one wanted to wear such a hat, even though he had truly opened his eyes after seeing the money.

Since the son had spoken first, it was akin to putting on the hat before the money was opened.

You can borrow the donkey from the hill, which is convenient for you.

So he solemnly nodded and said, "Tom is right, Steward Su. This time, Master Su is completely sincere. It's not safe for us to deny..."

"Then Mr. He have you agreed?" Anson, overjoyed, asked hurriedly.

"Yes, I promised!" Luther said softly.

"Wow!" exclaims the speaker. "Master, if he knows this news, he must be very pleased!" Anson slapped his thigh and exclaimed cheerfully.

Tom was also delighted, and he exclaimed,

“Can we set up the follow-up procedure with the steward Su now that we decided to return to the Su family?

When will it pass, for example, and how will the subsequent payments be made?”

Anson quickly replied: “Tom, because Elder He has agreed, I believe it is best for us to report to the master right away and let him arrange the plane and bus, after which Elder He will quickly notify the entire He family.

Overnight, pack the things. When the bus arrives next morning, we’ll all travel together to the airport, where we’ll board a special plane to Suzhou.”

“Do you want to go to Suzhou?” “Don’t you go to Eastcliff?” Luther inquired, shocked.

Chapter 2824

Anson immediately replied: “Isn’t it just the first month of the year? The weather in the south is warming up, and spring is in full bloom.

The master has relocated to Suzhou for a period of time, so let us fly to Suzhou to meet with him.”

Luther!

However, he had not anticipated the Su family’s request being so urgent that he would have to pack overnight and leave early the next morning.

“Steward Su, the remaining one billion, I don’t know what Master Su planned for that?” Tom hurriedly chuckled.

Anson said with a smile: “If the He family wishes to continue cooperating with the Su family, Master said that he would arrange for someone to sign the contract as soon as the He family arrives in Suzhou, and the remaining time will be the first time after the contract is signed.

The billions we've spent have been paid in full. We used to pay monthly remuneration, but in the future, we won't be as bothersome and will pay them all annually!"

"Wow, that's fantastic!"

Tom was giddy with anticipation.

Two billion a year is also a significant amount.

It's even more remarkable if it's a one-time bill.

You will save a lot of money if you pay monthly.

Put two billion in the bank and leave it to the bank's fund manager to handle, and the one-year yield will be more than 10% or even more!

Luther was able to quantify the account, and he was naturally happier in his heart, so he said without hesitation:

"In this situation, Anson, let's make our arrangements separately. I'll tell the rest of the family to pack their belongings, and you and Master Su will return here. Then arrange buses and planes based on the circumstances."

"All right!" "In this situation, please ask Mr. He to arrange a room for me, and I will return to the room to organize these items," Anson said excitedly.

"Tom, you've come to make plans for Steward Su!" Luther said, nodding.

Tom laughed hurriedly and said, "It's not a problem, it's not a problem! Su, the housekeeper, please accompany me!"

Anson quickly replied: "You must find a warm room for me, Tom. I can't bear it because it's so cold..."

Tom said with a smile:

"Don't worry, the He family only hires people who sleep in a house without fire, with the rest of the house heated by the floor.

It's nearly 30 degrees Celsius in here, so short sleeves are fine!"

"Wow!" exclaims the speaker.

"Take me over, my scorching face is about to break..." Anson yelled as he wrapped a thick down jacket around his shoulders.

Tom quickly made an inviting motion and said, "Steward Su, please!"

Chapter 2825

Anson rose to his feet and addressed Luther, saying, "If that's the case, Old He, I'll go with Tom.

Furthermore, Mocheng is too far away, and getting here is inconvenient.

Planes and buses must, I think, be organized. It's been late. It's almost twelve o'clock. Tomorrow morning, we are tentatively expected to depart at ten a.m. What are your thoughts?"

"No problem," Luther said flatly, "we'll leave on time tomorrow at ten o'clock!"

"Then I will retire first!" Anson said, smiling and claspng his fists.

After that, he went to the guest room with Tom.

Luther was shocked when he was left alone.

He felt more or less unbearable and guilty when he thought of his daughter Roma.

He realized he couldn't pass up the chance to collaborate with Su family because of his daughter's feelings.

As a result, he readily agreed to the family's offer for assistance.

His only concern now is not understanding how to communicate with Roma. Can Roma blame him if she finds out?

When he thought this, he couldn't help but feel: "Ruoli is more important to Roma than herself. If I go back to work with the Su family, she will not forgive me for wanting to do this..."

"With the Su family's two billion in hand, I'll be able to give Roma more money by then so she can keep searching for her daughter. This, too, is a viable option."

"Roma would not have to go to Su's house at that time. Simply take the money from Su's house and go outside to look for Ruoli. Even if she never finds her, if I let her search like this, she will be fine....."

He felt a bit more at ease at this stage.

While the time was a little late, to a practicing family member like Roma, it was nothing.

So he took out his phone and dialed her number.

Some terms, he thought, needed to be explained ahead of time.

If you wait until tomorrow, after the entire family has gone to Suzhou, to tell Roma, she will undoubtedly be upset.

Perhaps if your first step with love, then understand with reason, and then pair with the promise of money, she'll understand and embrace her his arrangements!

Chapter 2826

Roma did not rest at this time.

She and her daughter were talking nonstop on the bed in the Aurous Hill Shangri-La Hotel.

At the time, Roma was in a really good mood.

This is something she hasn't seen in a long time.

It was more surprising than God's favor and the Bodhisattva's blessing to her today.

The daughter is still alive, and her cultivation has advanced to the point that she has become the first He family member in a century.

And the handicapped, such as herself, were given a wonderful opportunity.

Charlie also promised the He family five pills and a yearly payment of 100 million.

For the He family, this is unquestionably the most rare and valuable opportunity in hundreds of years.

Initially, she was eager to return home and notify her father.

But, after all, she hasn't seen her daughter in such a long time that it feels like a farewell.

As a result, she plans to spend tonight in Aurous Hill with Ruoli before returning to Mocheng the next morning.

After all, there are far too many thoughtful things to say between the mother and daughter.

Ruoli was vividly explaining the situation with her mother when Charlie saved her at sea at the time.

"This man will transform her unsmiling and extremely cold daughter into the appearance of the cheerful and shy girl today,"

Roma thought as she looked at her daughter's excited expression like a girl. The allure is incredible. "It's impossible to fathom..."

"However, this is helpful to Ruoli."

She had been too cold previously. In Su's home, she was taught how to be a cold-blooded murderer.

She had been reduced to nothing more than a killing machine.

She can see her regaining the qualities that a normal girl should have.

As a mother, it appears that she is much more relieved..."

Roma's phone rang at this precise moment.

"Ruoli, switch the phone to mom," she said with a smile to Ruoli.

Ruoli hurriedly stretched out her hand, snatched the charging telephone from the bedside table, looked down, and saw that the caller was her dad, and exclaimed, "Mom, grandpa is calling!"

Chapter 2827

"Are you serious?" "Your grandpa must have something important to call so late," Roma said hurriedly. "Hand it over to me."

"Mom, don't forget that we told the Master not to expose my condition to the outside world," Ruoli said, nodding. "Don't forget about it!"

"Don't worry, mom knows it, don't speak," Roma said solemnly.

"Dad, what's the matter for calling so late?" she asked after she finished speaking to Ruoli and connecting the call.

"Roma... there is something, dad has to tell you, don't be angry after you hear it," Luther said embarrassingly.

"Father, please tell me," Roma hurriedly said.

"Ahem...it," That's Luther said after coughing twice.

Anson unexpectedly arrived in Mocheng tonight..."

"Anson?" says the narrator. "What is he going to do in Mocheng?" enquired Roma, frowning.

"That's right, Mr. Su sent him over in the hopes of letting go of his grudges and cooperating with the He family once more," Luther explained.

"Will you cooperate once more?" Roma erupted in anger and screamed, "Dad!" Ruoli was killed by Chengfeng. She is not only his granddaughter, but He's granddaughter as well!

The He family will no longer have anything to do with this kind of guy because he has no love or affection in his eyes!"

"Roma, these things you are talking about dad understands," Luther sighed helplessly.

To be honest, your father despises Chengfeng just as much as you do, and I even wish to kill him, but what's the point? We can't help ourselves.

You've been fighting with the Su family for a long time. We decided to leave the Su family after Ruoli's accident because of this, but we did not want to keep the Su family liable. In the end, there is still a large strength difference..."

"I confess that the strength gap is too great, and I never considered allowing the He family to go against the Su family and take revenge for Ruoli, so the matter of leaving the Su family and Ruoli at the start,"

Roma raged. Take it in stride; I, for one, will embrace it..."

"What I can't understand is that you now wish to cooperate with the Su family again," Roma exclaimed again. Isn't this implying you're looking for tiger skin?!"

Chapter 2828

"Roma!" said to her father, sighing. This time, the Su family's price is so tempting that he can't say no. "I have to think about you and Ruoli, as well as the rest of the He family."

The He family is now in a tough situation. Our family consists of over a hundred members, half of whom are elderly and frail, women and children, and half of whom practice martial arts.

There isn't a single person in this group of a hundred who can make money. Everyone is a hungry mouth that needs to be fed!"

"Recently, the whole He family has been struggling to save money.

The elderly and children's living costs have been significantly reduced.

Cultivator rations have also limited the supply of certain medicinal materials.

If this trend persists, the He family's relative power will be isolated from that of other families within five years. There is a significant disparity.

We'll never be able to hold one of the four major families' seats by then. I'm afraid we won't even be able to stay in the top ten.

In my our, the ancestors' base will be broken!"

"But now, the Su family is able to continue cooperating with the He family at a price of two billion a year," Luther said, a little excitedly.

With these two billion, the He family's current condition can be rectified in a single phase.

When the time comes, complete change, or even to an unimaginable new stage, the elderly in our family will have sufficient living security, children will have sufficient growth security, education security,

and, most importantly, the younger generation who is working hard to nurture will be greatly aided. Our He family may be able to become the country's top martial arts family in five years.

The revival of the He family is just a matter of time!"

When she heard this, Roma couldn't help but sigh and say:

"Dad... the so-called eight martial arts families, four martial arts families, and even the country's largest martial arts family." These are all made-up names with no practical sense..."

"What are you talking about? Roma!" said Luther, a little glumly.

How much work did our forefathers in the He family put to elevate the He family to one of the country's four big martial arts families?

You said that such a thing does not exist. Is this true in some way? Is this deserving of the forefathers?"

"Dad, before today, just like you, I believe the He family can become one of the four big martial arts families in the world," Roma said solemnly.

The meaning is far-reaching and invaluable among them, but I now completely understand that we are nothing more than frogs at the bottom of the well."

"Dad, can you believe that someone in this world can directly link a person's Ren Vessel to the realm of Dacheng by himself?" Roma paused before saying,

"Can you believe that someone in this world can directly connect a person's Ren Vessel to the realm of Dacheng by himself?"

"Isn't this a fantasy?" Luther exclaimed. There are many masters among the He family's ancestors, but who can truly enter the domain of Renmai Dacheng?

Meridians Dacheng is an ideal state, as if people will live indefinitely, but consider it!"

"So that's why I said, why we're the frogs at the bottom of the well," Roma sighed. The martial arts path has always felt very powerful to us.

Counting on it, it's possible that we won't be able to defeat the opponent on our own, and that we won't be able to avoid the opponent with a pass..."

Chapter 2829

Luther was perplexed as to why Roma said that.

"Roma, what's wrong with you?" he exclaimed, shocked. Why do you suddenly start talking gibberish?

You claimed that the He family as a whole might not be better than one person. I'd like to know who is so strong.

Is that what there is to it? "Does that happen to be Master Wade?"

"Dad, I'm not talking nonsense," Roma said solemnly. We used to have a limited perspective and believed that martial arts are the pinnacle of power.

This is a huge blunder. In reality, in the eyes of people of higher realms, even ants aren't as good as the martial arts we consider normal..."

"As for Master Wade, I can't give you many details over the phone, but I can assure you that he is not in the pool."

Cooperation with him on time is the only way out for our family in the future!"

"What kind of cooperation requirements did the Wade Family Master offer us?" He asked, his face beaming.

"Can he give like the Su family up to 2 billion per year?"

"Master Wade will give 100 million yuan a year for the He family, as well as some training tools that can't be bought for 2 billion yuan," Roma said.

"A hundred million?" you might ask. "This little money is to give beggars?" snorted Luther.

What, after all, do you mean about cultivation tools that aren't worth two billion? What exactly is it? "Is it a two-billion-dollar medical substance?"

"Yes!" Roma said enthusiastically. These drugs, in my opinion, are worth at least several billion yuan, if not several billion dollars, and they may not be affordable!"

"What kind of medicinal materials are they?" Luther inquired quickly. "Tell me everything!"

"They are five medicinal pills with excellent effects," Roma said.

"Wait, what?" Luther was taken aback: "He will give only five pills?" "Are you sure it's not five trains, but five pills?"

"It is only five pills," Roma said solemnly. The results of these five pills are amazing, beyond belief!"

"I just can't think of any pill that can be magical to the tune of \$400 million!" Luther smirked as he listened.

Do you know how many rare medicinal materials two billion can buy? While five trains could be an exaggeration, there is always a complete train carrying thousands of tonnes of valuable medicinal materials!

It can make a lot of Qi San and wake-up syrup, plenty for our family's younger generation to use whenever they want! It makes no difference if you eat it!"

Chapter 2830

"What about Buqisan and Xentel Decoction, even though they are really eaten?" said Roma, shaking her head. It may not be worth a pill after ten years."

"Roma, I understand that you are reluctant to believe that the He family will cooperate with the Su family again,"

Luther said angrily, "but you should not doubt the He family's decisions because of your personal emotions."

What a great achievement! Buqisan and Body Rejuvenation Decoction are two of the He Family's most significant core strengths to date.

How will I get through the three meridians without these two things? "Why do I find out about the He Family's status?"

"Dad, I'm still not talking about it," Roma hurriedly said. You will automatically understand when you see this pill..."

Luther, who had no faith in Roma's words, sighed and said, "Roma, I have already considered it."

I'll send you another 200 million to locate Ruoli's once the Su family's 2 billion payment is made.

So, do you think you have a better chance of finding Ruoli?"

"Father, have you agreed to Anson?" Roma asked helplessly.

"Yes," says the speaker. "I promised Anson," Luther said. "Later, I'll inform the He family of my decision.

I'll be leaving for Suzhou at 10 a.m. tomorrow."

Roma knew that there were several things she couldn't tell her father over the phone, and that even if she did, he wouldn't believe her.

If she tells him, for example, that her new Ren Vessel has become a big deal, he would most likely dismiss it as an illusion.

He would not believe her if she told him that someone had given her medicine and that all he needed to do was take one medicine to make his cultivation advance by leaps and bounds and even achieve a qualitative breakthrough.

It is difficult to believe in things outside the scope of one's cognition if one's cognition is limited by inherent cognition.

If you let him see it for himself.

It's pointless to say anything if that's the case.

"Dad, don't rush to agree," Roma hurriedly said. Even if you agree, don't take the whole family.

And wait a while for me. I need to speak with you face to face about some important matters.

I'll return early tomorrow morning, and I'll be there as soon as possible in the afternoon!"

"Roma, I promised Anson," Luther said. "Maybe he has already told Mr. Su about the situation."

"It's fine if he agrees," Roma hurriedly said. Su family members have the desire to sell their own flesh and blood.

What if anything goes wrong? The most important thing I want to tell you about is the He family's future.

Regardless, you must pay attention to me. Only after you receive the information you can make a decision!"

Chapter 2831

"Roma, now is not the time to be inspired,"

Luther said solemnly. It is important to consider the overall situation.

We must push the He family to new heights, and we must not be blinded by a little hate!"

Roma became irritated and shouted, "Dad!" Ruoli has nothing to do with what I'm about to say.

It's entirely because Mr. Wade's circumstances are much superior to those of the Su family! If you can believe it, it's true.

I'll just have to wait before you return to make my final decision!"

"However, I have promised Anson that the bus will stop at He's door at ten o'clock tomorrow morning,"

Luther said, embarrassed. "Wouldn't it be because I've hit Old Man Su's face, and if he gets upset, the whole He family is affected if I hesitate for no reason at that time?"

Roma hadn't expected her father to turn around so quickly, and he was angry and nervous for fear of offending Chengfeng, so she blurted out, "Okay!" Then I'll leave and come home.

I should be able to make it home before the sun rises. By then, I'll have told you.

"Explain everything!"

"If Roma can return before dawn, in any case, it won't affect the original plan, it doesn't hurt," Luther reasoned when he learned this.

"If this is the case, then you can return as soon as possible," he said, opening his mouth. "Let's talk about it in person if you have anything to say."

"All right!" Roma clenched her teeth and said, "Then I'll start!"

"Ruoli, mom has to go," she said to Ruoli next to her after hanging up the phone.

"Mom, Grandpa insists on cooperating with the Su family?" she asked hurriedly.

"Yes," says the speaker. "Anson went to Mocheng and gave your grandpa a price of 2 billion yuan,"

Roma said helplessly. "Your grandfather has already given his consent. Tomorrow morning at 10 a.m., he'll carry the family over."

I must return to see him before he departs and remind him of Master Wade's fate.

The most important thing is to give him Master Wade's pill and let him decide for himself."

"Your grandfather... is far too sure of what he thinks," Roma sighed as he said.

The internal boxing system of the He family, as well as the He family's Qi San and Awakening syrup, are both the best martial arts medicines in his eyes.

He doesn't even realize that the high quality on the way, the pride of the He family, and the basis for survival aren't worth mentioning in front of Young Master Wade's pill!"

For him to recognize it, he must taste it.

Chapter 2832

Ruoli also knew very well grandpa's temperament.

He was too convinced of his own set of perceptions, as her mother put it.

They believed that the earth is the center of the universe and that the sun and all the stars revolve around it, just as those who believed in geocentric theory did in ancient times.

This seemingly absurd theory persisted in the world's major civilizations for thousands of years.

The heliocentric theory proposed by Copernicus was gradually disproved until the 16th century.

It demonstrates that these words are deeply embedded and influence a person's vision and pattern.

Therefore, even if Roma described the medicinal pill given by Charlie on the phone, Luther would never believe it.

Allowing Roma to return to Mocheng and personally hand over the pill to him is the best and only option.

Only then will she be able to alter his cognitive concepts.

So, Ruoli hurriedly asked: "Mom, it's so late, how are you leaving?"

"There is no way," Roma said helplessly. "Now there are no flights from civil aviation." I have to wait until tomorrow morning at the earliest.

It'll be too late, so I'll have to bother Young Master about getting the plane ready..."

"All right!" Ruoli quickly picked up the phone and said, "I'll call him."

"For such things, don't annoy the Master," Roma said, stopping her. Master does, after all, have a family.

It would be difficult for him to justify himself to his wife if you call him too late, so don't bother him."

"I believe Master has a lot of faith in Issac,"

Roma said after speaking. He organizes a lot of stuff for Master. Let's find him, who I believe has sufficient authority to arrange the plane."

"Mom, wait a minute, I'll tell the staff!" Ruoli said with a nod.

"Please inform Mr. Issac, I have an urgent matter to find him," Ruoli said as she hurriedly got up, hurried to the door, and said to the staff outside the door.

Issac arrived a few minutes later, running all the way over.

"What's the matter with Miss Su?" he asked hurriedly when he saw Ruoli.

Ruoli most likely informed him of the situation.

"No problem," Issac said without hesitation when he learned that Roma needed to return to Mocheng as soon as possible.

In ten minutes, the helicopter on top of the building can take off.

Arrive at the airport and board a private plane to the Northeast. I'll also book a helicopter in advance in the Northeast so Ms. He can get to Mocheng as soon as possible!"

Chapter 2833

Ruoli exhaled a sigh of relief and thanked Mr. Issac, saying, "Thank you very much!"

"Not a big deal!" says the voice.

Roma also changed her clothes at this time, and sadly said to Ruoli, "Ruoli, I'm so sorry, your mom said to be with you tonight, but I have to go again..."

"Mom, it doesn't matter,"

Ruoli said with a smile. It gives me great pleasure to see you. Furthermore, I assume that grandpa would want to work with Master after seeing the pill that he has given to you.

You can return to Aurous Hill. We can meet every day if that's the case!"

"Yes!" exclaims the speaker.

"You are here waiting for mom, and mom will come back as soon as possible!" Roma said lovingly, touching Ruoli's cheek.

"Wow!" exclaims the speaker.

Anson had already informed Chengfeng that the He family had agreed to re-cooperate when Roma was rushing back to Mocheng.

Chengfeng exhaled a sigh of relief when he learned that the He family would be able to join him and his family in Suhang the next morning.

While the He family's power might not be enough to equal the mysterious master's, it does put him in a better position.

He'll also have more energy to consider how to mediate with Zhiyu, his granddaughter.

After all, that individual had twice rescued Zhiyu.

Zhiyu's safety would be a bit more assured if he is able to defend himself.

So, after praising Anson, he went straight to work putting together a special aircraft.

The He family numbers more than a hundred people and only a medium-to-large passenger plane can transport them all at once.

In terms of the bus, he's afraid that at least four buses will be required, as well as one or two additional trucks to transport luggage and materials.

Chengfeng arranged for his subordinates to pack passenger flights, buses, trucks, and other equipment, on the one hand, and to leave Mocheng with his family at ten o'clock tomorrow, on the other hand.

In this situation, you'll be able to get to Suzhou before it gets dark.

Chapter 2834

Luther didn't dare to postpone the plan for tomorrow at this stage. He had already begun informing the rest of the He family and packing his own luggage.

Late at night, the whole He family became extremely busy.

Anson stayed in the guest room, satisfied, listening to the sounds of people walking around and the movement of things moving next door.

He knew Master Su was a little puzzled this time, but he managed to keep the He family inside the 2 billion quotations.

This is something that should be credited. The master will, of course, have it when he returns. It has been expressed.

Anson fell asleep to the sound of ding and cling.

All night, Luther and his son Tom, as well as several other key members of the He family, were almost awake.

Everybody had their own ideas. Except for Luther, everybody else had already figured out how to get a piece of the 2 billion dollar annual profits.

What they'll get and how they'll use it once they have it.

The sky in the east had started to steadily light up at six o'clock in the morning.

Last night, there was a snowstorm, and Mocheng was almost completely covered in snow.

Because of the cold, most residents of this small city spend more than half of the year at home for the holidays.

This is also a very quiet time, with very few people on the street.

A helicopter appeared in the southern sky at this precise moment.

Roma sat in this aircraft, anxiously searching the horizon for Mocheng, which was just a few hundred kilometers away.

Charlie had given her two blood-saving, heart-saving tablets, which she kept in her arms.

She assumes that if her father and the Su family are reunited, no matter how intense the conviction, if the father takes one of them, he will change his mind immediately.

"Brother, please find a suitable place to land one or two kilometers away from the compound, so as not to be discovered by someone who is interested," she said to the pilot when they were more than ten kilometers away from He's mansion.

Since helicopters are unusual in small towns, they are sure to draw attention.

It makes no difference if others are paying attention. Anson, who lives in Roma's house, is Roma's main concern.

If he discovers that she returned to a helicopter, he will most likely become suspicious and investigate the helicopter's sources.

If he discovers some information about the Wade family, it will undoubtedly become an issue in the future.

He wouldn't be suspicious if he doesn't find the helicopter, even if he sees her in He's villa.

"Ms. He, on the map, I can't find a suitable landing place in the area, but the distance outside the city is a bit far away," the pilot hurriedly said. "Do you have any recommendations?"

"There is a river about 1.5 kilometers southeast of He's family," Roma said. In the winter, the river is totally frozen.

Tanks ran on the ice and helicopters flew over the ice when I saw the troops practicing a few years ago. It's perfectly fine."

"On such a cold day, the river must be able to carry it," the pilot said. Then I'll simply land on the river, as you mentioned!"

Chapter 2835

The helicopter touched down on a sheet of ice as hard as a rock.

Roma didn't wait for the plane to come to a complete stop; instead, she pushed open the door and jumped out.

She rushed to her 1.5-kilometer-away home after saying her goodbyes to the pilot.

Many members of the He family had already risen early at this stage.

The He family's lifestyle has always been a little different from that of mainstream society.

They, on the other hand, have a lot in common with the ancients.

The He family, for example, seldom uses new technology in their daily lives. Except for necessities such as telephones, the He family rarely uses mobile phones, computers, or the Internet.

He family is made up of generations ranging from eighteen to fifty years old men and women alike. All are busy studying martial arts as long as they are with their families.

Everyone will do it whether it's spring, summer, fall, or winter. As long as the rooster crows, in a quarter of an hour, get up and begin training.

They normally sleep for around six hours if there are no special conditions, and the rest of the time is spent doing exercises.

Other elderly people who have finished practicing medicine, as well as married women, get up early every day to do some housework in order to keep the whole family in order.

Despite the fact that the He family was up early today as well, there was no scene of young and middle-aged people practicing.

All were preoccupied with packing their belongings and finishing household chores. After all, the family had to relocate this time, and even the elderly members of the family have to accompany them.

As a result, this huge house would be in a semi-desolate state for a long time with no one to manage it, so it must be resolved before leaving.

Luther, the He family's elderly member, dressed neatly in the morning. Even though he was over a year old, he put on his most upright collection of Tang suits, combed his silver hair back into his back, and carefully groomed his grey beard.

Even though he was eighty years old at the time, he was still wearing the same style.

Luther wandered alone through the He family compound's forecourt and backyard, his gaze drawn to this century-old mansion.

He is not a materialistic person. The only way to spend the two billion yuan pledged by the Su family is to improve the He family.

He was also very clear in his heart that he was already an old man, and that even though he had a strong base of martial arts practice throughout his life, he still needed God's blessing if he wanted to live to be a hundred years old.

As a result, the entire play will be completed in no more than 20 years.

Money has always been something outside of his body for him, and he has no desire to live a lavish lifestyle.

He hopes to be able to live in peace in Mocheng before he reaches the earth if he puts aside the He family's future plans.

It is not easy for him to take his family to fight in the south while he is in his eighties.

It's just that he's involuntary in a lot of things, but this time it's only because his family has burnt out the last of his life before he died, and he's made up his mind in his heart that he'll never return before death.

Chapter 2836

Luther is not being hypocritical or pessimistic; rather, he has already considered it in his core.

Why did the Su family father suddenly allow Anson to visit him at this time, as well as give such favorable cooperation terms?

The only explanation is that the Su family is now facing a formidable foe, and the He family is desperately needed to boost the Su family's military ability.

As a result, even though the impact of these two billion is immense, making this money would be difficult.

Perhaps He family will face innumerable difficulties in the future.

Luther didn't know if he was doing the right thing by leading the He family to the south at the time.

A familiar footstep echoed from far to close, just as he was feeling down.

He had already guessed that his daughter Roma was the one, before he turned around to confirm it.

He couldn't help but frown again before turning around.

He pondered the following: "Roma's power is impressive, but she lacks control over her body and breath!

This person's power, in my opinion, should be at least one level higher than Roma's!"

"Who would this person... be?" says the narrator.

Luther's heart couldn't help but become tense at this point.

His internal strength had been lifted from his dantian to his hands when he unexpectedly turned around, in case he needed an emergency shot.

However, when he turned around, he saw that the person approaching him was indeed Roma, his daughter.

She seems to be the same as she was when she left yesterday.

Luther, on the other hand, noticed that Roma today appears to be very different from yesterday!

This conflicting sensation is akin to returning to the same pool of water after a day, and it always appears to be the same size and age.

But today she gives the impression that the same pool of water is much deeper than it was yesterday!

"Roma, you...how are you doing?" he inadvertently inquired.

"Father, can I speak to you in private?" Roma hurriedly interrupted him.

Luther instantly sensed that this daughter's breath regulation is indeed much more subtle after she spoke.

Look not at just saying a word, but at Roma's involuntary control of her breath while speaking. She's not the same person she used to be.

So he stifled his surprise for the time being and hurriedly said, "Come, go to my study!"

Chapter 2837

Roma chased after her father, and the two dashed to the backyard study.

They just met Tom, Roma's eldest brother, on the way. Tom was about to greet the elderly gentleman.

He was startled to see Roma standing by his side. Tom was taken aback and inquired: "Dad didn't say you went to the Jiaodong Peninsula yesterday, Roma. What time did you return?"

"Brother, I just returned, and I have something to communicate with Dad," she quickly responded.

Tom's cultivation is similar to Roma's, if not slightly lower because he is oblivious to the changes in Roma's body.

He assumed her sudden reappearance was due to father's pledge of cooperation with the Su family.

He guessed that Roma, as Ruoli's mother, would certainly not want the He family to continue cooperating with the Su family, so she returned in a rush, presumably to prevent this.

As a result, he hurriedly stated: "There are just a few hours before departure, Dad. Let's get to work and get ready.

Have you packed all of your belongings? If they aren't packed, I'll have someone come over to handle it for you!"

"I'm almost done packing," Luther said. "You should go to work first; I have something to discuss with Roma."

Tom hurriedly said: "Please don't take too long, Dad. We can't afford to wait to hear from the Su's."

We have mentioned that we would begin at ten o'clock. At about 7:00 or 8:00 p.m., I expect the car to begin loading."

Luther understood what Tom was saying. He was afraid that after speaking with his daughter Roma, he might change his mind.

Luther is certainly responsible for his daughter Roma, but he is also adamant that he will not change his mind because this is such a significant matter for the He family. He is not permitted to be arrogant as the head of the He family.

"You should prepare, or start loading your luggage at eight o'clock as scheduled," he told Tom, "and the whole family will leave on time at ten o'clock."

When Tom learned of this, he smiled and said, "That's OK, Dad, I'll make arrangements now."

Roma did not talk on the side, but she did pick up on some subtleties in her father's and elder brother's conversation.

She couldn't help but smile and think to herself: "Dad now seems to be unwavering in his willingness to work with the Su family."

My father has always done what he said, but I'm afraid that after ten minutes, he'll break his own pledge to those who insisted on it..."

Chapter 2838

The father and daughter walked through the front and back courtyard halls, one after the other, to Luther's study.

Luther entered the house first, followed by Roma.

He turned around and closed the door, then said to Roma, powerless and guilty, "Roma, you must forgive your father in this matter.

Dad is still unwittingly..."

"Dad, I know you're worried about the He family..." Roma nodded.

"Yes!" exclaims the speaker. He sighed and said, "Why would I be able to make such a decision if it weren't for the He family?"

It appears to be a casual sentence, but it smacked in the face."

He explained "Don't blame Dad, Roma. Dad, likes you, wants to recover Ruoli so you don't have to deal with Su's family again. Only go all out in your hunt for Ruoli!"

Roma gave a bitter smile and muttered to herself: "What else can I do if it's too good to be better than it is now, but you are a bit one-sided about the issue.

The He family now has a once-in-a-lifetime chance, but it is not related to the Su family, but rather to Charlie, the great Master Wade."

Yet, since she couldn't say it outright, she formulated a tactic to make small steps forward.

Luther took a serious look at her at this point and asked: "By the way, Roma, I notice your power, breath, and overall feelings have improved significantly since yesterday? What really is going on?"

"Dad, how much progress do you think I have made now?" Roma asked her father, who she didn't expect to see it.

Luther smacks his lips together and says, "Actually, I didn't see much of a difference. You can always only go through two meridians in my opinion, but I have a peculiar feeling..."

"Dad, what kind of feeling are you talking about?" Roma asked as she smiled slightly and looked at her father.

Luther pondered for a moment before saying, "What's the best way to put it? For instance, you resemble a pool of water.

Your surface area hasn't changed much since yesterday, so when I look at it, it doesn't seem to have changed, but I still get the impression that the water in this pool has gotten much deeper overnight, and it's bottomless. This makes me a bit perplexed."

In reality, Luther's metaphor simply depicts Roma's true transformations.

Chapter 2839

Roma's power has increased significantly, but this can be split into two categories.

The first aspect of her development is that her physical strengths are rapidly improving, and her stamina, speed, vision, and endurance have all greatly improved; however, this kind of strength is literally invisible to outsiders, regardless of how good their eyesight is.

It's difficult to tell how many pounds of muscle a guy has, how fast he can run a 100-meter sprint, or how fast and how much stamina he has in long-distance running just by looking at him.

As a result, Luther is oblivious to Roma's changes in these regions.

The degree of smoothness of Roma's second line of appointment, which has significantly improved from before, is the second feature of her development.

Originally, her Ren Vessel had a 50% pass rate and her Du Vessel had a 20% pass rate.

However, her Ren Vessel is now a huge success, and her Du Vessel has hit 40%.

However, this is also very fascinating. Luther would be able to see the difference at a glance if Roma opened up the third meridian or if Ruoli, who had opened up the three meridians, returned to Luther.

After all, the two were brought together. Between the opening of one meridian and the opening of three meridians, there is a world of difference. It's as if they're in the same body of water.

It was just about the size of a basketball court yesterday. It has suddenly grown to be twice the size of a football field.

With such a large distance, Luther himself only opened three meridians, allowing him to see it at a glance.

What's odd is that, unlike Ruoli, Roma was unable to open up the third meridian, but she did greatly boost the first two.

The pool of water, in Luther's view, has always been the size of a basketball court and has not changed.

He couldn't see the smoothness of Roma's second line of the main one with his naked eyes, but he had the impression that Roma's overall level had risen significantly, so she gave him the impression that the same pool of water had suddenly become much deeper.

Chapter 2840

Roma looked at her perplexed father and proactively stretched out her remaining left arm in front of Luther, the palm of her hand raised, and said, "I know you have a lot of reservations, Dad.

You should give it to me because I said nothing. Number one will be aware of the situation."

Luther knew what he had to do, so he quickly put his finger on Roma's veins and measured her internal strength.

He was taken aback by this look.

As if hit by lightning, he trembled: "Your Ren Vessel, Roma...has been a huge success?! I'm not sure how this is possible... I've been studying martial arts for a long time and have never met someone who has mastered it. Pulse of Dacheng..."

With so many ancestors, no one has been able to split the Ren pulse to more than 90% in the past few hundred years of the He family. Only 80% of the strongest evidence has been reported...

You, on the other hand, How is this accomplished?!"

Roma "This is what I said to you over the phone, Dad. This time, I realized that we're all just frogs at the bottom of the well. A master of turning his hands into clouds and rain is well beyond our grasp!"

Luther was eager to ask: "Tell your dad, Roma, what adventure did you have this time in Aurous Hill?! What is the name of that Young Master Wade?! Is it true that he supported you in the success of Ren Mai?!"

Roma said with a nod, "Father, Master Wade's power is unfathomable! And the best part is that a man like Master, who possesses magical abilities, would take the initiative to work with our He kin! This is a once-in-a-lifetime chance for our He family!"

"You haven't said how Master Wade made you improve so quickly!" exclaimed Luther, impatient.

Roma "Your daughter was lucky enough to receive a god pill from Master Wade. My second meridian has significantly improved since taking it.

Not only that, but I believe my body is much more capable. It had previously risen by more than one step!"

"Is that a God pill?" Luther was a fool, and he blurted out with a look of surprise on his face: "For hundreds of years, our He ancestors have exhausted all methods of looking for the best medicinal materials in the world, and some will even spend their entire lives doing so.

I'm soaking in the medicine jar, but no one seems to be having much luck with the veins. What kind of magical pill could generate this effect?"

Roma reached into her pocket and pulled out two mediocre pills, handing them to Luther and saying, "These two, Dad, are the god pills, as I previously said. Master Wade

is the one who sent these back to you. He said, if the He family continues to work with him, he will give five divine pills as well as a yearly salary of 100 million yuan."

Luther took the pill in both hands, terrified in his heart, and exclaimed, "Is this god pill really that god?"

Roma "Isn't it real, Dad, that I've mastered the pulse? You can take one to test the effect if you don't believe it."

"If this god pill really has such a strong impact," Luther exclaimed, "then the He family will surely look forward to this young master in the future!"

Chapter 2841

Luther's lifelong ambition is to see the He family prosper under his control.

He is willing to give everything, including his life, for this.

That is why he was able to stand in front of two billion people and endure the blood and guts of his granddaughter Ruoli, because, in his opinion, the granddaughter is important, but not as important as the future of the entire He family.

When he saw Roma's progress, however, he realized that this kind of opportunity is far more valuable and rare than money.

With 2 billion RMB in hand, he can only ensure that dozens of He family Children will receive some assistance in cultivation; however, the assistance that ordinary medicinal materials can provide is limited; even if two billion is spent on one person, it will be impossible for him to succeed.

As a result, he can determine which is lighter and which is heavier.

So he swallowed his disbelief and challenged Roma to prove it:

"Roma, the reason why your Ren Vessel is able to achieve great success and your main Vessel's rise from 20% to 40% is because you have taken this kind of pill?!"

"Yes," Roma said solemnly, "Dad, say nothing; you'll know if you take one!"

"I'm 80 out of three. If this god pill is so amazing, it would be a waste of my time to take it. I think it's better to call your eldest brother over and let him have a try!" sighed Luther as he placed one of the pills in his mouth, hesitated for a moment before putting it down again, and sighed with a smile.

"Dad, you are the head of the family; whether our He family will cooperate with Master in the future will also be up to you to decide; so you should take one first and see the effect, and you are our He family's strongest strength and highest cultivation base, after subscribing to this god pill, the cultivation base can definitely go further," Roma hurriedly said.

"Then I'll take one for now and try it!" Luther thought for a moment, nodded lightly, and sighed.

Put the pill in his hand into his mouth after that.

In the mouth, the elixir melted.

Through the three meridians opened up by Luther, the surging internal force spread from the abdomen to the entire body and gathered in the dantian.

Ren vessel, which had previously scored 70%, was immediately inspired to greatness by this powerful internal force!

The Du Channel was originally passed by 50%, but under the influence of the medication, it increased to 70%!

Chongmai, which had previously reached 20%, has now directly doubled to 40%!

And the vein on the fourth meridian, which he had been trying to crack through for decades, was loosening as well!

Chapter 2842

Luther was overjoyed, believing he had a chance to bypass the pulse, so he sat down on the ground, fighting for his life and the surging internal force in his body that was attacking the pulse.

Ordinary people's eight meridians of the odd meridians are inherently closed, and martial arts practitioners must do everything possible to pulse open the eight meridians that are originally blocked if they want to outperform ordinary people in strength.

But, oh, what a challenge it is to break through the eight meridians!

You can become a master in the eyes of ordinary people and enter the gate of martial arts if you break one, but most martial arts practitioners will stop here, and most of them will not be able to get through Ren Du's two channels in a lifetime;

If you can crack two, you'll be one of the few martial arts practitioners in the world today, and you'll be considered a martial arts master.

If you can get past these three, you will undoubtedly be among the top ten martial artists in the world.

When it comes to breaking through the four points, none of the dozens of martial arts families, large and small, can compete.

Luther believes that if he can break through the fourth meridian, he will be the pinnacle of Chinese martial arts practitioners.

He was shocked to discover that a significant portion of his body's surging medicinal power was desperately flowing into his internal organs and body via various blood vessels and nerves, just as he desperately wanted to realize this ambition.

It felt as if his entire body had dried up at this point, and the medicinal effect of that god pill was beyond his understanding.

Originally, he intended for this state to use his entire pulse, but due to the body's dryness, a large portion of the blood was unable to flow to the pulse and was quickly absorbed by the body.

He felt his body functions had been greatly restored and strengthened almost immediately afterward. When his body felt a few years younger, but the medicine's impact was dragged down by the body, and he was almost drained, there was no extra energy to go. Start a collision with the belt pulse.

Chapter 28343

Roma kept staring at her father and was surprised to notice that his expression had improved significantly and that his skin didn't appear to be as old and shriveled as before.

She wanted to know if her father's cultivation level had improved significantly, but she didn't dare to interfere, so she had to keep her surprise to herself and wait for him to wake up and speak.

Luther immediately opened his eyes after a moment, and tears rolled down his cheeks.

"Dad, why are you crying? How are you feeling?" Roma hurriedly inquired.

"This divine pill is really amazing, and the power of the medicine is so terrifying," Luther said quietly, a little annoyed.

"I originally wanted to take the opportunity to attack the veins and open the fourth meridian, but unexpectedly, my body is indeed too old, dragged a lot of hind legs, more than half of the medicine power was sucked by this body, too much of it is sucked by this body.

"Dad! How could this be a waste! After all, you are over eighty years old, and your body's internal and external functions are severely degraded. This magic pill distributes the efficacy of the medicine to your body, and it will definitely delay your aging.,

It can even extend your lifespan. This is a good thing! In my opinion, you will be able to live over a hundred years!" said Roma hurriedly.

"If I can break through the four meridians, even if I only have three to five years left to live, I will be willing to live..." said Luther, regretfully.

"Dad! Or take this magic pill too! Maybe you'll be able to break through the fourth meridian in one fell swoop!" Roma exclaimed as she handed another pill to Luther.

"Don't, don't, don't! I am a bad old man, not really worth wasting another magic medicine!" Luther snatched her hand away and exclaimed guiltily.

"Dad! Now you are the only one in our entire He family who has broken through the three meridians. Our He family can be one of the four major martial arts families, and most of them rely on you alone.

Support, if you are a hundred years later, the He family will inevitably fall out of the four major families, so these medicines are the most appropriate for you!" Roma said unwaveringly.

"So, call your eldest brother over and give him a try on the remaining magical medicine," Luther said after a moment's thought.

Roma categorically stated, "Dad! Brother has always tended to reconcile with the Su family, and I can say to my heart, the eldest brother has not put his mind on cultivation at all in these years, but on money, To enjoy life too much.

The colder the way of martial arts in the He family, the better, but he bought a villa in Sanya as soon as possible. Every winter he always finds a girlfriend."

Chapter 2844

Roma's words allude to Luther's suffering.

He was the only one who understood the virtue of the eldest son.

He learned his eldest son had lost his greatest martial arts pursuit as early as twenty years ago.

Not only that, but he developed an unhealthy obsession with material goods.

After 20 to 30 years of martial arts experience, he says it's time to relax and enjoy life. Those martial arts and action stars faced adversity when they were younger and started to hit the pinnacle of their careers in their middle years. He let it all go.

Many martial arts celebrities have become billionaires by the age of 30, and their personal status has deteriorated at a rate that can be seen with the naked eye. On the surface, they seem to be training less and less.

The training is becoming less and less, but the quality of life is improving.

Working hard to make a movie at the age of seventeen or eighteen may earn you a few hundred thousand dollars, but by the age of thirty, you can earn tens of millions of dollars or more by casually showing your face and embroidering your legs.

Tom was also greatly stimulated by this.

He reasoned that if martial arts stars who just practiced some foreign three-legged cat kung fu could become masters, why couldn't he? He had been studying martial arts for 20 or 30 years, so why couldn't he?

Tom's cultivation has almost reached a halt since then.

Martial arts, on the other hand, are incredibly difficult in the first place, and they are in no way equivalent to those fake guns.

Luther was well aware that his eldest son's cultivation degree gave him a significant advantage over average citizens, but he was desperate to make a living while studying martial arts, which was almost meaningless.

Not to mention allowing him to lead the entire He clan.

Luther, on the other hand, is disappointed with Tom's negativity, but he has no other options.

His other younger brothers are bad at best. Despite their efforts, they lack the overall power of Tom, who is passive and sabotaged.

Roma recently claimed that the He family is one of the four big martial arts families, and that Luther is the main reason for this. This is right. The He family would easily fall out of the four main families if he dies, based on the power of the He family's descendants. In one breath, the family series dropped out of the top ten.

Roma was excellent as a child, but she was unfortunately chosen by the Su family as an adult, and she went to the Su family to personally protect Zynn, which is why she went out early to make money.

Luther could only drive Roma out because the He family had to depend on the Su family for survival at the time.

Since then, she has spent the majority of her days ensuring Zynn's safety, leaving her with little time to devote to full-fledged martial arts training.

As a result, her cultivation base developed at a glacial rate.

Later, in order to defend Zynn, she sacrificed her right arm, and her power plummeted.

Despite having a higher cultivation base than Tom, after losing one arm, the real fighting strength is even worse than Tom's.

Chapter 2845

Furthermore, Luther is very clear that even though he is not partial and does not have a patriarchal mindset, it is still difficult for the entire He family to accept a woman as the head of the house, and even more difficult to accept a disabled woman as the head of the house, so Luther believes that, in the future, the owner of the He family, apart from Tom, I am afraid that there will be a woman as the head of the house

But now, Roma's words have made him realize something important.

In recent years, the eldest son has shown little interest in martial arts. He may not have any good effects if he gives him the last god pill.

Furthermore, even though he is willing to entrust the He family to his elder son Tom in the future, he may not be able to fully grow the He family.

On the opposite, he is more likely to bundle and sell the entire He family to the Su family, then take the large amount of money offered by the Su family and flee to live his life to the fullest.

In that scenario, the whole He family would be used to make money for him.

Instead, finding a way to live a few more years and actively leading the He family forward would be preferable.

He will die without remorse if he expends all of his remaining resources to propel the He family to the rank of first martial arts family in the world!

He finally made up his mind at this point and told Roma: "Our most important task, Roma, is to allow the He family to fly higher and farther! Master Wade will be the only one to look forward to for the future of my He family, because he has bestowed upon us such a cherished good fortune!"

"Father, do you plan to cooperate with Master?" Roma hurriedly inquired.

Luther said categorically: "The god pill was given by Master Wade, and I had already taken one. Is there some way I can go back in time at this point?"

Roma "That's fantastic! It's incredible! What Master will get us is much more complicated than five divine pills and 100 million dollars per year if we fully cooperate with him. I believe, he will not only make the He family the country's number one martial arts family, but will also help the He family to overtake the martial arts families and become a stronger force in this field!"

Luther "Roma, you said that you have outgrown the martial arts family and have evolved into a more powerful being. What exactly is this more powerful existence?"

Roma calmly shook her head and said: "I'm not sure. I used to believe that martial arts masters should be the most effective in melee fighting. However, when I met Master Wade yesterday, I felt as if we were frogs at the bottom of the well, practicing martial arts. We simply have no idea what the wide world outside the well is like..."

Chapter 2846

"Then what do you think of that Master's strength?" Luther couldn't help himself.

"I can't see Master's true power..." said Roma honestly.

"Do you think this Master is a few steps higher than us?" Luther inquired again.

"How many levels are there?" Roma paused, recalling something her daughter Ruoli had said to her.

Ruoli's great success in his Ren Vessel was not due to the god pill given to her by Charlie.

Charlie, according to her daughter, simply counted her meridians and seemed to use internal power to move around in them, specifically assisting her in achieving Renmai Dacheng.

This is the equivalent of a height that most people have been trying to achieve for a lifetime, and she will never be able to achieve it. Giving the opponent a pulse is all Charlie needs to do, and he can easily lift the opponent to that height.

For a lifetime, just moving your fingers is worth the effort of others. How many stages do you have in between?

Isn't it possible that it can't be clarified solely by the level?

As she pondered this, she turned to her father and said solemnly: "If you really want to hear it, Dad, it may be the same difference that exists between Monkey King and Buddha Tathagata... Even though Monkey King appears to have exceptional powers, Tathagata Buddha managed to escape. If we don't go back, it appears that the gap between us and Master Wade will widen..."

When Luther heard it, he was taken aback and asked, tremblingly, "When... is there really such a gap?"

"Dad, in my view, it is real!" Roma said without hesitation.

"Since this Young Master Wade has such a talent, where will we be seen in his eyes?" Luther couldn't help but wonder.

Roma: "I'll take responsibility for not clarifying what I said, Dad. This time, Master Wade did not come to me to win over the He family."

Luther yelled, "What are you talking about?! What is the point of not winning over the He family?!"

Roma smiled bitterly in her heart as she remembered her precious daughter Ruoli: "In truth, she thought her daughter died on the high sea. On the contrary, he rescued her and kept her safe. After he saw that she misses her mom, he found an opportunity to reunite the two. All of these nice things are just because the master wants to look after my family for the sake of Ruoli."

But, since she believed she had told Charlie that she would not tell her father anything, she had no choice but to say: "Father, there are some things I promised Master Wade that I can't say, so you don't have to ask; all you need to know is that the young master requested our cooperation not because he admired our abilities, but because he wished us luck..."

Chapter 2847

Luther also realized that cooperating with the He family was a kind of help and gift because the other party possessed such power and possessed such a god pill.

It's just that he couldn't fathom how such a wonderful thing could happen to He's family.

As a result, he inadvertently asked: "Why does he want to work with us, Roma? Before you returned, I assumed Master Wade would want to fight with the Su family.

After you returned, I discovered that the Wade family's young master possesses a wide range of magical abilities, and the Su family is nothing in his eyes. He doesn't need to work with us at all if he really wants to fight with them..."

Roma nodded and said solemnly: "That is why I said that this is a blessing from Master for our He family. Regardless, we must seize this opportunity!"

Charlie's motivations had already been examined by Roma.

She had the following thoughts: "Master isn't sure how much stronger he is than the He Family in terms of size. The He Family can't get into his eyes because of his supernatural abilities."

"It's all because of Ruoli's face that he's still willing to take the initiative to give the money, give the pill, and cooperate with the He family."

"It occurs to me that Master must harbor some sort of feelings for Ruoli."

"This is not just Ruoli's good fortune, but the good fortune of the entire He family."

"Such a god-given opportunity is naturally to be grasped firmly!" said Luther, who nodded in agreement.

"I will go to Anson and tell him directly that the He family rejects the Su family's invitation to cooperate!" he said immediately.

Roma abruptly came to a halt and said, "You should start with the second divine pill, Dad! What if you could cross the fourth meridian in a single attempt?"

Luther paused for a moment before softly nodding and saying: "Okay, that's it! In that case, I'll take it lightly to see if I can get past the fourth meridian! If I succeed, my family will be able to reclaim their former glory!"

Roma was looking forward to it as well.

Luther is not only a king, but also a mainstay for the He family.

If his cultivation level can be raised, not only will the He family progress significantly, but it will also provide them with a significant opportunity.

Luther is looking forward to it as well.

He took the god pill, examined it for a few moments, and then swallowed it.

Since he has already had an experience, he focused on his luck and trained his internal energies so that when the medicinal force diverged, he could guide the medicinal power to rush to the fourth meridian and restore the pulse.

The effect of the drug was forcefully consumed by the dry body while taking a magic pill due to inexperience. While this will significantly boost physical health, it will also make the body appear younger and longer. He has a long life span, but he is also hesitant to use drugs to prolong it.

He decided to use the second god pill's therapeutic properties to influence the pulse.

Chapter 2848

The surge of medicinal strength rushed outwards from his abdomen after a while. Luther had prepared himself by quickly exhausting his entire body's internal strength and tightly wrapping the medicinal force.

Luther's internal force is like a dam used to stop a flood, desperately guiding the course of the medicinal power and doing everything possible to guide the medicinal power to the fourth meridian.

It's just that this therapeutic influence is so powerful that even though he has complete control over it, nearly 30% of it is still consumed by the body.

While there are signs of loosening in his heartbeat, he has no faith in his heart to break through, so he can only focus all of his attention on making the final battle.

Roma noticed her father was flushed and sweaty, and her left hand couldn't help but grab the corner of her shirt. Despite her anxiety and nervousness, she realized she couldn't support her father with his affairs and could only wait patiently.

Luther is also apprehensive.

He could feel the medicine's strength draining the pulse, but there was still no indication that the pulse would be disrupted. Pessimism was inevitable in his heart, given that the medicine's strength was mostly broken and there was not much remaining.

When the therapeutic power was only around 20% remaining, he immediately felt that the metaphysical platform was transparent and that the whole individual had reached an unparalleled state of detachment, as if he had just awoken from the best night of his life. It is impossible to say that an individual is happy and secure as a whole.

For a brief moment, he was taken aback, but then he became ecstatic, exclaiming: "What a breakthrough! Roma, Roma, Roma, Dad made a huge breakthrough!"

"Dad, are you serious! This is fantastic! It's fantastic!"

Roma was ecstatic when she learned this. She felt deeply relieved in her heart when she saw her father's animated face, and tears welled up in her eyes for a brief moment.

Her father's lifelong ambition had been to break through the four meridians, she remembered.

Initially, everybody, including father, believed that this day will never arrive, but today it is here, arrived!

Luther's eyes welled up as Roma began to cry.

"I just didn't expect to one day smash through the four meridians, and eventually be worthy of our He family's ancestors..." he trembled and choked.

After all, the feelings are heightened, and the old tears have already begun to flow.

"Father, how much do you have through the fourth meridian now?" Roma hurriedly inquired.

Luther "Just 10% of the students graduate, but there must be space for improvement in the future!"

Chapter 2849

After all, the Ren Vessel has already proven to be a huge success, and the Du Vessel's power has risen from 50% to 70%. Cultivating the Ren Du Vessel is a top priority.

It's akin to solidifying the foundation for future cultivation, and future cultivation will be more effective as a result!"

Roma excitedly nodded several times and said: "I see that your physical condition and mental outlook have greatly improved since you took the second divine pill.

It is not a fantasy to wish you a long life, and you will undoubtedly continue to grow your cultivation in the future. It's possible that we'll be able to break through to the fifth meridian and set a new record in the He family history!"

"If I really have that day," Luther exclaimed, "I would die without regrets!"

After that, he hurriedly added: "Roma, your current cultivation level has also increased significantly, and your talents have always been sharp.

Despite the fact that you have lost an arm and your actual fighting potential has been severely harmed, there is still a lot of space for development. In my view, you should resume your cultivation, and you will undoubtedly achieve a new breakthrough!"

Roma fell silent all at once.

She has never fully abandoned her martial arts training.

It's just that she's no longer as committed to cultivation as she once was.

Martial arts practitioners follow a similar path to professional athletes.

If you really want to make a difference, you must first prioritize martial arts as the most important aspect of your life, dedicating at least half of your waking hours to structured and rigorous training.

People start training frantically before the table is high, much like a table tennis player, and they don't hit their peak condition until they are in their twenties. During this time, you must ensure that you are getting the most out of your preparation.

Roma has gone from becoming a professional athlete to becoming a retired athlete since her injury. Every day, she devotes the majority of her resources to caring for Ruoli, and she has insufficient time to practice.

While she can fit in two to three hours of preparation a day, it falls well short of the demands of professional athletes.

Her father asked her to pick it up again this time, with the intention of reintroducing her to the professional athlete-like training form.

She, too, wanted to train as hard as her father said, but when she realized she had promised Charlie to go to Aurous Hill and had to watch over her daughter, she told Luther:

"Master Wade said, "Dad." If you agree to comply, I must transport the He family's ten best masters to Aurous Hill at any time to obey his instructions. I imagine it would be difficult for me to train as hard as I did previously."

Chapter 2850

Luther almost said without hesitation after hearing Roma's words, "In this situation, after I settle down at home, I will also go to Aurous Hill with you and wait for Master Wade's dispatch."

Despite his age, her father is the most powerful member of the He family. She didn't know what to say to Master Wade if he didn't go to Aurous Hill.

"Father, what should we do about the Su family?" she later asked her father.

Luther broke through the fourth meridian, becoming just the second master in the He family's hundreds of years of history to do so. At the moment, he was ecstatic.

Hearing Roma's predicament, he instantly started to formulate new ideas for the He family's future. Adjustment is needed.

"Since Wade Master has bestowed such good fortune upon us, I will naturally terminate our cooperation with the Su family, and fully draw a line with them, and then immediately set out to find the right guy, and return to Master Wade in Aurous Hill."

"Master Wade, including you, just need eleven people from the He family," she said, movingly. As a result, the elderly and infirm, as well as women and infants, are not required to leave the homes with us.

Those who haven't progressed far enough in their cultivation should remain in Mocheng and practice with great concentration..."

He couldn't help but sigh at this point: "Hey! In my heart, Mocheng is a legacy left by our forefathers, and I don't want to give up on it."

This old house must be abandoned before the Su family would let us go south, so it is generally nice that these hundred people will stay in Mocheng and work hard."

"Dad, let's discuss something," Roma said, nodding and thinking about something.

"Say!" hurriedly said, Luther.

"This time I went to Aurous Hill, I didn't consider my elder brother's thread," Roma said. His cultivation is fine, but he has been squandering so much in recent years, and his mind isn't on this. He is still not permitted to communicate with Master Wade.

Those two sons, on the other hand, are much worse; they aren't even in the top 20 in the family."

"Yes," says the speaker. "Your eldest brother is worried about making money," Luther nodded solemnly. Anson arrived with a one-billion-dollar check this time.

You have no idea how ecstatic he was. It was very discouraging..."

"I originally planned to hand the He family to him after a hundred years," he sighed again, "but after experiencing these years, your eldest brother is not a capable individual..."

"Father, you don't have to think about these matters," Roma hurriedly said. In the next 20 years, the He family will undoubtedly prosper under your leadership, in my view! You do not need to be concerned about potential master selections at this time.

With your presence in town and the sponsorship of Master Wade, the He family will undoubtedly have a better young generation in the next 20 years, and there will undoubtedly be a suitable host to choose from!"

Chapter 2851

When Luther heard this, he felt relieved and nodded slightly, looking forward to the future of the He family.

But he couldn't help but sigh when he remembered Ruoli: "Hey! It would have been fine if Ruoli was still here. When you consider the entire He family, your elder brother is devoted to material gain, your second brother's talent is mediocre, and your case is unique. It's one-of-a-kind.

There is no young generation that is optimistic and decisive, and who truly possesses the demeanor of a general, but if there was only one person, the entire He family, I can't think of anyone else who would be more qualified to lead the He family....."

Roma couldn't help but say, "If Ruoli is a girl with a foreign surname, even if she is here, many people will be unconvinced if she leads the He family."

"Are you really not convinced?" "It appears that you are a mother, and you don't know anything about Ruoli," Luther sneered.

Ruoli's acting style makes it impossible for someone in this family to remain unconvinced. Those stings would undoubtedly be handled by her.

Even if it's your eldest brother, the thorns on his head are all clean, so it's not Ruoli's opponent."

"Ruoli this girl, she was too aggressive before," Roma sighed as she remembered Ruoli's destruction of the entire Matsumoto family in Japan.

The Su family, who has been using her like a knife, is also to blame. The murderous aura has built up much too far. "Weight....."

"Yes..." says the speaker. "Don't worry about it, Roma, I know you really don't want to give up on Ruoli, or I'll choose some people from the younger generation at home, when they're a party of three or five," Luther sighed.

What do you think about going out in pairs to continue looking for Ruoli's whereabouts?"

"Dad, let's forget it," Roma said after a brief pause. Let's go see Master in Aurous Hill. We should set Ruoli's affairs aside for now if we're searching for her it will be distracting."

Roma couldn't contain herself on a few occasions and wanted to tell her father about her daughter Ruoli's current condition.

This would reassure and console the father.

More importantly, if the father really wants her to succeed the Patriarch in the future, her mother will be 10,000 willing to help. If the father was aware of Ruoli's condition, he could make preparations ahead of time.

She swallowed the words every time they reached her mouth.

She believed that because she had agreed to Master's request for confidentiality, she would not make an exception, even though it was her own parent, because otherwise there would be no honesty.

She reasoned that once the old man had gone to Aurous Hill and Master Wade had gotten to know him better, he could allow Ruoli to meet him privately.

Chapter 2852

Luther, on the other hand, was unconcerned. "Go, go to Anson, and explain stuff as soon as possible," he said after checking the time.

"Dad, if the Su family is to blame, what are you going to do?" Roma asked, nodding.

"If the Su family is a part of the family, it is naturally difficult to extract energy to deal with us," Luther said calmly. Furthermore, since we are aligned with Master Wade, we do not need to be concerned about the Su family pursuing us.

We could even tear up the face first if the Master family gives us an order to deal with the Su family. People are, after all, the masters. "This is the world's rule."

"I understand Dad," Roma said with a sigh of relief.

Someone knocked on the door outside the study while he was speaking.

"Come in," Luther said.

"Dad, you haven't finished talking here?" Tom said to Luther as he opened the door and looked at Roma suspiciously.

Steward Su has woken up and is eating breakfast, saying he wants to meet you to discuss the particular situation."

"It just so happens that I have something important to find him," Luther said, nodding. "Let's go together."

In the middle chuckles and murmurs, "Important thing?" What is the most important thing? Isn't that after a long conversation with Roma?! That's two billion dollars a year!"

"Dad...what do you want to find Steward Su for?" he hurriedly asked tentatively, thinking of this. "Hasn't there been any progress in the cooperation?"

Luther cast a look at him, seeing his eldest son's anxious expression, his appearance having lost two billion, and he couldn't help but feel disgusted.

The lion is said to be the progenitor of the dragon, and the phoenix is said to be the progenitor of the phoenix. I've always been obsessed with martial arts and have never yearned for so-called fame and fortune.

"What?" he said angrily, thinking about it. Are you concerned about shifts in collaboration?"

"Dad, the terms of cooperation offered by the Su family this time are uncommon in a lifetime," Tom hurriedly said. Don't get a case of the flu or make rash decisions!"

"Huh!" snorted Luther coldly. Is it prudent for you to pass judgment? To be honest, I have chosen not to work with the Su family any longer. Now I'm going to tell Anson in person about this decision!"

Chapter 2853

When Tom heard this, his whole person was suddenly struck by lightning!

He hurriedly stopped in front of his father, with an anxious tone, and even said incoherently, "Dad, that...no dad! We can't refuse this cooperation from the Su family anyway, it's a matter of the life and death for our family, dad!"

Luther couldn't help frowning and asking: "Joke! I don't want to cooperate with Su family, so why does it matter for the life and death of my He family? Cooperation has been our wish for a long time. Since I don't want to cooperate with him, then he still pays. Can this force me to fail?!"

Tom almost collapsed and blurted out: "Oh, dad! Why are you so confused!? What is the size of the Su family? How can we afford to provoke them? If we toast and not eat, eat good and drink fine wine, then in the future, once the Su family sees us as the enemy, how can we gain a foothold in the arena?"

Luther immediately scolded: "Tom! In your eyes, if my He family leaves the Su family, isn't it possible to have a foothold in the rivers and lakes? Don't forget, my family is one of the four major martial arts families in the country! When this family is ranked among the top four martial arts families in the country, nothing can this Su family do to us!"

Tom didn't expect his father's attitude to be so determined. He turned his head and gritted his teeth and glared at Roma, and sternly said: "Roma! What kind of ecstasy did you give to father? Do you know what a good opportunity is before us! If we miss such a good opportunity, then you are the sinner of the He family!"

Luther couldn't bear it and shouted angrily: "Enough! Shut up now!"

Tom was shocked by his father's voice.

Luther looked at him coldly, and hated that iron cannot become steel, and said: "I didn't expect that I could raise a son with such a soft bone! Tom, it is my decision not to cooperate with the Su family, and I will never change it again. Say one more thing, I will punish you for a month of lockdown!"

Chapter 2854

Tom suddenly felt five thunderstorms.

He knew that what he missed was a huge sum of 2 billion a year.

This money could allow him to live the most luxurious life in the world.

What luxury houses, yachts, airplanes...With this money, it is no longer a dream.

What is Sanya's villa? With 2 billion, he can buy a villa in Hong Kong, buy a villa in the United States, buy a villa in France and Switzerland!

With two billion, he can buy a luxury cruise ship with everything he needs to travel around the world.

With two billion, he can buy a private jet and go where he wants to go 24 hours a day!

At that time, he still needs to guard a small and cold place like Mocheng!

Until then, how could he still be holding back in this extremely cold place!

The pinnacle of life, but so!

However, all these beautiful dreams lasted only one night, and they were completely shattered before the sun had even come out this morning.

Seeing that he had lost his soul, Luther sighed with a sigh, then waved his hand and said to Roma: "Roma, let me see Anson!"

Roma nodded hurriedly: "Okay, dad!"

Seeing his father and sister walking away, Tom hurriedly followed. At this moment, he had already made a decision deep in his heart.

Since his father was stubborn, he would just separate from him! At that time, he will take away all the He family who are willing to cooperate with the Su family and who are willing to leave Mocheng to enjoy the glory and wealth!

...

At this time, Anson was eating breakfast leisurely in the dining hall of the He family.

The He family has a large population and a large dining area. Hundreds of people can eat in this dining hall at the same time.

Anson was holding a bowl of ballast porridge at this time while sucking into his mouth, while chewing on the slightly hard corn ballast with relish, he said something in his mouth: "I didn't expect the porridge made from this coarse grains to have a different flavor."

After speaking, he picked up a fist-sized meat bun and bit it down. While his mouth was full of oil, he also bit out the meat that was bigger than a ping-pong ball inside.

"It's delicious, delicious!" Anson looked relished, and he was very happy.

This time he came out, he quickly and smoothly completed the task that the master confided, and helped the master solve the urgent need, which can be regarded as a triumphant victory.

Therefore, it is natural to be in a good mood.

He is now only waiting for the convoy to arrive and take the He family to Suzhou. By then, the master will be able to breathe a sigh of relief.

Thinking positively, Luther and Roma walked over quickly.

Chapter 2855

As soon as Anson looked up and saw the two of them, he was a little surprised and smiled with a somewhat flattering smile: "Oh, how old! Ouch! Roma is back too! It's

great! I can invite Roma again this time. Master, he will be very happy when Roma comes out of the mountain!"

Anson didn't look down on the He family too much. In his eyes, the He family were just the subordinates of the Su family, and they were only subordinates who could gain a foothold by fighting and killing.

As for himself, although he is also a subordinate, least he is also in the top spot among subordinates.

In other words, the Su family has so many dogs, and he is the noblest one.

However, he only took a look at Roma, because after all, Roma is the woman of Zynn, the eldest son of the Su family. Although she has no status, at least she has given birth to a daughter for Zynn, so he is naturally a little more polite to Roma.

More importantly, Zynn's wife, Liona, has made up her mind to divorce Zynn, and after the car accident planned by his father, she will definitely draw a clear line with the Su family. In this way, Roma can appear openly. Where is it the need to hide anymore!

In case Zynn returns someday, maybe there will be a follow-up with Roma.

It is precise because of this that Anson has a somewhat flattering attitude to Roma.

When Roma saw Anson, she greeted him coldly and warmly: "Hello, Steward Su."

Anson smiled and said hurriedly: "Roma, we have not seen each other for some years."

She nodded: "Yes, it's been some years."

Anson smiled and said, "I didn't expect even you to come out of the mountain again this time. What a surprise!"

Luther on the side said lightly: "Anson, please report to Master Su after you go back. The He family can't cooperate with the Su family this time. Please ask Master Su to forgive us."

Anson heard this and asked dumbfounded: "Old He, who are you singing for again?! The bus convoy is coming soon!"

Luther handed over the one-billion-yuan check to Anson, earnestly said: "I have already said very clearly. The He family cannot cooperate with the Su family this time. In other words, we will not go with you today. So, please take this money back to Master, please."

Anson suddenly became anxious, and blurted out: "Hey old man, you can't make a mistake! Let me ask you, how can you change your mind all of a sudden when the arrangements have been made?"

At this time, Luther's eldest son Tom also grumbled: "Dad! The housekeeper Su is right. Our He family has always kept our promises, and we never break our promise, let alone turn back this time!"

Luther said coldly: "Tom, you don't have to try to persuade me here, I have decided, and I will never change it!"

After that, he looked at Anson, clasped his fists, and said: "Mr. Anson, wait for the car to come in a while, please I will trouble you to go back with the car yourself, the old man is will stay here, I am extremely sorry!"

Chapter 2856

Anson's heart raced when he saw Luther's resolute attitude. He had no idea why the old man Luther had suddenly changed his mind, and he had no idea how he could approach Old Su when he returned.

"Mr. He, you are still not satisfied with money, it does not matter; if you are not satisfied, you can simply ask it. Our master said that two billion is only an intention price; however, if Mr. He is not satisfied with the bid, he can still increase it by three billion in the future, what do you think?"

Tom on the side was almost insane when he heard, "Three billion?"

He doesn't have time to consider the concept of 3 billion, so he can only say to himself in his heart that he can directly multiply the original illusion of 2 billion by half. Luxury

homes all over the world can be upgraded to larger homes, and luxury yachts can be upgraded as well. Half the price of a private jet should be half the price!

Tom stared at his father with bloodshot eyes, blurting out, "Father! What are you still hesitating about? This is 3 billion!"

Luther screamed coldly, "Even if 30 billion, I refuse!"

Anson was taken aback.

Initially, it was assumed that if Luther was not happy with the 3 billion quotations, he would increase it slightly.

However, it appears that there is no longer any need to raise.

He nodded heavily and said, "Okay! Okay! What's your condition!" as his face darkened.

After all, he pointed to Luther, clenched his teeth, and said, "He, old man, toast not to eat or drink fine wine, I will write down this account for the master first; if the Su return to the original and profitable in the future, then they can get a thousand times better than this!"

"If you want to recall," Luther said sternly, "I, Luther, am never afraid of anything!"

He patted the table after speaking and said coldly, "Let's go! Let me see you off!"

"No need!" gritted Anson's teeth and exclaimed, "I'll go by myself!"

He gave Luther a sour look as he finished speaking and walked out of the dining room without looking back.

"Dad! Are you crazy?! We can't insult the Su family!" exclaimed Tom, stomping nervously.

"I am the head of the He family, and I will bear all the consequences," Luther said coldly.

Tom realized he couldn't convince his father, so he turned and ran after Anson.

Anson had come to the outside of the He family mansion in anger, and a convoy of several buses and trucks had just passed by.

Chapter 2857

Anson stepped forward as soon as the car in front of him came to a stop and said to the driver, "Just me, go to the airport!"

Tom rushed all the way to the front of the car, leaning against the door frame, and said to Anson above, "Steward Su, you calm down!"

"Can you hold your breath?" Anson asked, glaring at Tom: "I'll be a little enraged! Your He family is now able to handle it! Let's see!"

"Steward Su, listen to me, my father is old and stubborn; give me some time, and I will convince him; I will certainly give you a satisfactory response!" Tom exclaimed hurriedly.

"Come on, Tom, what is the character of your old man? I know very well that if you can convince him, you will be the Patriarch of the He family instead of him! He is still in his eighties, and refusing to pass it to you means he doesn't trust your ability! If he doesn't trust you, how will he listen to your persuasion?" Anson said dismissively.

Anson's words made Tom blush.

Anson's words are not without any merit, despite the fact that he intentionally sows discord.

Luther has not passed on the role of Patriarch to Tom because he does not trust his strength, and even less so his determination.

For a long time, Tom has been critical of this.

He knew he would be the prince if he were transported to ancient times, but which emperor abdicated until he was in his eighties?

Isn't it obvious that the prince must be forced to rebel?

As a result, his heart exploded with rage when he heard Anson's words.

"Steward Su, you are correct, I just can't convince my father," he said coldly shortly after.

Tom turned around and exclaimed, "Still I can convince myself to move my own legs!"

Anson's eyes widened when he realized this, and he blurted out, "Tom, what do you mean by this?"

"It's very easy," Tom exclaimed, "my father is unwilling to cooperate with the Su family, but I am. My cultivation is second only to the old man in the He family, and I have two sons and a hoard of people willing to follow me. As long as Master Su can look down on us, I am willing to take them and return to Master Su!"

Anson was ecstatic.

"The old thing with the surname He is too stubborn; it's hard to convince him to change his mind," he secretly says, "but this Tom seems to be genuine. If he really has a following and can take them to Suzhou, serving the Lord, then my mission this time isn't a complete failure."

He instantly changed his mood, grinned, and said to Tom, "Haha, Tom, come, come in!"

He took the initiative after speaking to reach out his hand and pull Tom.

.....

Chapter 2858

In the He family mansion at the time.

Luther has informed the entire family that the Su family's cooperation will be fully ended. The He family, who had decided to leave early in the morning for Suzhou, would no longer have to worry about it.

Luther took Roma to the ancestral hall, which was located at the tomb of the He family's ancestors, after announcing the news.

He decided to directly inform the He family's ancestors about the great news that he had broken through the four meridians.

The He family, on the other hand, was both pleased and sad when it was revealed that he had refused to work with the Su family.

In reality, no family can ever be fully united.

Every small family, if not anyone, owns a small abacus.

The fact that the desire to manage with the old man is relatively high and the majesty is relatively strong, and no one in the entire He family dares to disobey him, is the key reason why there have never been any disagreements over the years.

However, as the adage goes, stealing money is the same as murdering your parents.

Many people in this world place higher importance on money than on family love.

In other words, most people would betray their family love if the price is right and psychological needs are met.

It's just that everyone's internal price code is different.

Since certain economic conditions are difficult, parents may be able to spend one to two thousand yuan a month on pensions, allowing them to turn their backs on their brothers and sisters and remain disconnected.

Those whose economic circumstances are too good may seem pleasant on the surface, but once the fight for vast riches starts, everybody will do everything in their power to compete with their loved ones.

Now, Luther has turned down the Su family's offer of 2 billion or even 3 billion in cooperation, effectively separating the entire He family from this vast sum of money.

Some people are unconcerned with money, while others are obsessed with it.

And those who care can't wait to drink the old man's blood and eat his flesh.

Mr. He simply has the greatest majesty and cultivation foundation, and no one can provoke him, so they can only dare to be angry and not dare to talk.

However, in this situation, Tom met with a few brothers and a few uncles in the fastest time.

After some lobbying by him, almost half of the people were willing to go to Suzhou to serve the Su family with him.

Just as Luther personally lit three sandalwood incense in front of each ancestor's spiritual position, his youngest son Tim ran over and reported loudly outside the door: "Dad, it's not good! Big brother brought forty or fifty family members. They all are ready to go to Suzhou with Anson!"

Chapter 2859

When the He family heard the news that Luther has announced that he had broken through the fourth meridian, everyone was astonished for a moment, and then, there was a burst of almost crazy cheers!

Breaking through the four meridians means becoming a four-star warrior!

Throughout China, the title of "Four-Star Warrior" has not appeared in nearly a hundred years!

To them, hearing this news is as exciting as the news of the success of the first atomic bomb that the Chinese people heard back then.

Back then, China successfully developed an atomic bomb, which meant that the country no longer had to face nuclear threats from nuclear countries, and at the same time, they had strong self-protection capabilities.

Now, Luther has successfully broken through the fourth meridian, which is almost equivalent to the He family possessing an atomic bomb!

Just a few minutes ago, everyone present was worried about the future fate of the He family because of Tom and the others.

But now, they have completely ignored Tom's problem.

Because from now on, the He family will take a big step forward and become the top martial arts family in the country!

Luther's youngest son, Tim, was extremely excited. He blurted out, "Dad! Did you go to the ancestral hall early in the morning to report your breakthrough to the ancestors?"

Luther nodded: "Yes, Just now, I have already reported to all the ancestors of the He family. I believe that the ancestors will be proud of my success."

Tim couldn't help but sigh: "Dad, why didn't you announce this news earlier? If the eldest brother knows that you have made such a major breakthrough, he might not be tempted by the conditions set by the Su family."

Luther said lightly: "Fortunately, I didn't announce it in advance, otherwise how could I know his wolf ambition!"

After speaking, Luther sighed and said, "Well, everyone has their own ambitions. As long as he doesn't threaten to harm our He family's interests in the future, I will stay with him in the future."

Tim also knew that what his father said was reasonable, so he stopped insisting too much.

Luther's eldest brother, Robert said: "Luther, when will you announce the news of your breakthrough in the fourth meridian?"

Chapter 2860

Luther thought for a while, and said: "Let's announce it now, and inform all martial artists of this matter publicly, and also declare that from now on, the He family will no longer accept solicitations from anyone, and He's house in Mocheng will be closed from now on to entertain any visitors again."

In the martial arts family, there is an unwritten rule that once someone in a family with a name and a surname breaks through three or more meridians, it must be advertised among the martial arts people.

Luther is no exception this time.

Moreover, he knew very well that once the outside world knew that he had broken through the 4th meridian, a large number of people would come to visit Mocheng after hearing the wind.

Among them, not only fellows come to congratulate, but also scattered martial arts people come to apprentice, and there are also many families like the Su family who came to solicit.

Therefore, he let people explain in advance that the He family no longer accepts solicitation and no longer treats foreign guests.

This is tantamount to shutting out all the above possible people.

The reason for this decision was that Luther had already thought clearly in his heart that the future of the He family was actually pinned on Master Wade.

Therefore, the most important thing for him is to serve him with all his strength. As for other people, there is no need to waste his energy and the energy of the He family.

Robert was very puzzled and couldn't help asking: "Luther, in the past, some people broke through the three meridians. Almost all martial arts families would send people with gifts. Among the martial arts people, the limelight is naturally the same. But when we close the door at this time, will it look too different?"

Luther said earnestly: "Brother, I was able to make such a major breakthrough. Thanks to the help of a noble person, all He family will look forward to this nobleman in the future, and this nobleman will give He family a lot of very scarce training resources in the future.

Believe me, this will definitely benefit the whole He family. Maybe in a few years, the next person who breaks through the three meridians will appear in the He family, or maybe in a few years, there will be the next breakthrough like me.

People of the four meridians, by then, the strength of our He family will be different!"

Robert immediately nodded when he heard this, and said excitedly: "In this case, I will wait for nature to listen to your instructions!"

The remaining people, regardless of age or sex, are very loyal to the He family and Luther, so at this time Luther makes any decision, they will support him.

Luther also realized that after the eldest son took the group of people away, when he made major decisions, he lost a lot of voices of opposition or doubts, which also made him realize the importance of the team's unity.

Chapter 2861

The current He family will no longer face endless internal friction as before. On the contrary, the current family will twist into a rope and work together to achieve greater achievements!

Thinking of this, he couldn't help getting excited deep in his heart, and said, "That's right! There is one more thing to announce to the public. All those who leave the He family will not be allowed to come back. From now on, the door of the He family will not open to the people who left!"

...

Just as Tom took a large group of He family to the airport by bus, the martial arts field suddenly caused an uproar!

The He family announced that Luther, the head of the He family, successfully broke through the fourth meridian!

As soon as this news came out, it immediately detonated the entire domestic martial arts field!

At present, among the hundreds of thousands of martial arts practitioners in China, 90% have just opened up one meridian.

Those who can get through the two meridians account for 9.999% of the remaining 10%...

There are only five people known in the country who can get through the three meridians and become a three-star warrior!

Moreover, these five people are all in the sequence of the four major families.

Except for the Northwest Huo family who owns two three-star warriors, there is only one of the remaining three families, including the He family.

As for the four meridians, there was no one before Luther.

In other words, he is currently the only martial artist in China who has broken through the four meridians.

This also means that Luther became the first person in the martial arts field in the country.

Originally, everyone on the bus was still looking forward to a new life after arriving in Suzhou. At this moment, don't know who shouted: "Second Uncle, he has broken through the four meridians!"

"what?!"

Everyone knows that Luther is the second of his brothers, so the second uncle is naturally him!

In an instant, the He family in the bus suddenly exploded!

Before Tom recovered, the phone exploded!

A large number of colleagues sent news to him and his father. Tom saw the news and his whole body was struck by lightning!

He never dreamed that he had just broken with his father on the front foot, and his eighty-year-old father on the back foot made an achievement directly!

Being very sensitive to money, he almost immediately realized that the He family was bound to rise to power from then on!

Tom was very annoyed at the thought of his father's announcement when he had just left on his front foot, and he thought to himself: "No wonder the old guy repented temporarily! It turned out to be a breakthrough in martial arts! I am his eldest son. He broke through such an important thing, but he didn't tell me! This is outrageous!"

Chapter 2862

Just when Tom was full of resentment, someone in the car shouted angrily: "The He family has announced to the public that anyone who leaves will not be allowed to go back!"

For a while, everyone was shocked.

They didn't expect that they would abandon the He family and raise another branch, but they did not expect that the He family gave them a trick to draw their salaries.

Now, they are abandoned sons of the He family.

Elder Su, who was far away in Suzhou, was also very depressed.

This morning, he heard almost all bad news one after another.

At first, Luther suddenly turned back.

Then, it was Luther who suddenly became the number one martial artist in China.

The most painful thing is that something that originally belongs to him became better after not belonging to him.

For example, a girl who once looked down on an ex-boyfriend suddenly became a master after a breakup, and then married the most beautiful girl, the girl might be depressed for a lifetime.

Although Chengfeng has no love for Luther. Luther was originally a subordinate of the Su family and served the family. To put it ugly, he was a dog of the Su family.

But now, he has turned against the family, and his strength has doubled after turning against the head. How can this not be depressing?

Chengfeng now feels that the world seems to be against him.

He wanted to betray Ruoli, but she just disappeared. The Japanese rummaged the coast of Japan, but she could not be found.

He wanted to kill Liona, but she was rescued by a powerful mysterious man. He wanted to kill her to protect the reputation of the family, but he didn't expect that the reputation of the family was not successfully maintained. On the contrary, he became infamous and embarrassed. Everyone yelled and beat the rat crossing the street.

Now the He family has made such a big move again, which makes his heart very uncomfortable.

In addition to these, his second son and eldest son have disappeared one after another, and the Chinese master who saved his grandchildren in Japan has also become a huge potential threat to him.

Thinking of this, Chengfeng muttered to himself with extreme depression: "I lifted a rock by myself, hit my own foot, a stone fell from the sky, and the damn hit my own foot. There is still a master in the dark, constantly moving. I picked up a stone and smashed it on my foot. I tossed and tossed, except for loss or pain. I didn't get any benefits. What the fuck is that?"

While being so depressed, his cell phone rang suddenly.

The call was an unfamiliar number from Aurous Hill.

Chapter 2863

He hurriedly connected, only to hear a man on the other end say coldly: "I have arrived in Aurous Hill. This is my latest contact information. Within the next seven days, I will

stay here and try to find what you are looking for. If I can't find him within seven days, I will go back to the UK directly. The deposit you paid will not be refunded!"

When Chengfeng heard this voice, he blurted out with excitement: "Oh, Master Cary! You have finally arrived in Aurous Hill! You must be very tired after traveling all the way from the UK? Would you like to rest for a few days?"

The other party said coldly: "No, I will start to do things right away. If you have any valuable clues, you can tell me."

Chengfeng hurriedly said: "Master, things have made a little progress. I didn't have any clues about the mysterious person, but now I probably know that this person is of Japanese Chinese descent, and he is not very old, at most 27-28. He is about the age, but his strength is extraordinary.

It is said that even the Japanese ninja is not his opponent. He can deal with several by himself! Master, be careful!"

The other party said disdainfully: "What's so great about Japanese ninjas? It's like someone who has never killed a ninja. I think there was a Japanese ninja who had offended me back then. He was really strong. I would definitely not be his opponent when facing.

So what? He didn't know it, so he was poisoned by the poison I raised, and in his sleep, I personally cut his stomach with a ninja knife. When he died, his internal organs flowed out. It is said that his wife saw at the time, she was scared to death."

Chengfeng said in surprise: "I have long heard that Master Cary's methods are extraordinary. Since you have such skills, then I can be completely relieved. I am waiting for the good news of Master Cary's victory in Suzhou!"

The other party snorted and said: "I declare that someone likes killing people invisible, and likes to kill masters the most. I like to see those so-called masters who die unclearly in my hands, but they continue to die. They don't know why they died. This feeling, like a god, can control everything!"

Chengfeng was so excited that he blurted out and asked, "Master Cary, can you kill a four-star warrior?"

"Four-star warrior?" The other party asked in surprise: "Do you know a four-star warrior? As far as I know, there are no four-star warriors in the country for a long time, right?"

Chengfeng gritted his teeth and said: "Yes, one just came out this morning!"

The other party smiled, and said: "Four-star warriors are not easy to kill. If you want me to try, you can double the money to me."

The extremely depressed and extremely angry Chengfeng's heart had already burned him uncomfortably. Hearing this, he said without hesitation: "Master, money is not a problem, but you have to kill the Aurous Hill master first."

The other party hummed and said: "Don't worry, I will kill him first, and then I will talk to you about the four-star warrior."

After that, he directly hung up the phone to Convenience.

The master Cary mentioned by Chengfeng is a metaphysical master who he commissioned from the UK.

China has had a line of metaphysics since ancient times. Fengshui mysteries, Qigong insects, and even the Book of Changes, Bagua, and Qimen Dunjia belong to the line of metaphysics.

However, due to the vast land and resources of China, the customs, habits, and preferences of different regions are different, so metaphysics is generally more prosperous in the south.

In particular, Hong Kong has been the bridgehead for the development of metaphysics in the past two hundred years.

In Hong Kong, feng shui masters and metaphysical masters are not feudal superstitions believed by the poor.

On the contrary, the richer the person, the more obsessed they are with Feng Shui metaphysics.

There are many top wealthy people in Hong Kong who are worth over hundreds of billions or even over 100 billion U.S. dollars. These people, without exception, believe in metaphysics very much.

Not only the top wealthy believe that, but even the stars in the entertainment circle are also extremely fond of Feng Shui metaphysics.

Cary started his career in Hong Kong and grew up to become the most famous master of metaphysics on Hong Kong Island, and even became the queen master of the Hong Kong Li family.

Chapter 2864

More than ten years ago, the Li family wanted to transfer funds and business to the UK, so they invited him to go to the UK. Cary didn't want to stay trapped on a small Hong Kong island, so he went to the UK and established his own clan.

In the past ten years of Cary in the UK, relying on the resources of the Li family, he has indeed made considerable progress. Not only did he make a lot of money, but he also recruited many disciples.

However, he did not expect that the Li family made major mistakes in strategic direction in recent years, so that while the wealth continued to shrink, the reputation was getting worse and worse, and he was likely to become a mouse on the street.

This caused Cary to suffer as well.

He does not understand Feng Shui luck himself, and he is good at Miao Jiang Gu technique and some insidious things that harm others and self. After he started to behave like a man, the Li family immediately drew a line with him, so that Cary's income in recent years was straight Decline, now he is running out to make money by himself.

This time, Chengfeng asked someone to find him, offered him a price of 100 million pounds, and asked him to come to Aurous Hill to kill someone. Cary had never used the insidious methods he had learned to harm people in his entire life, so faced with such a

high reward, Naturally, without any hesitation, he just packed up and rushed over from England.

However, although this task is rewarded a lot, it is relatively tricky.

The most nonsense is that he still doesn't know who he is going to kill.

In the past, when he helped others to do things, they would directly tell him the information about the competitors he wanted to target.

For example, the other party's surname, birth date, ancestor, and even the ancestral tomb will be investigated first, and then he will start directly after he gets the information.

This time, Chengfeng didn't know the specific clues of the mysterious master, so he could only ask Cary to come over and let him use his metaphysical methods to find the person first, and then kill him!

Chapter 2865

After a day and night of flying, Zynn finally arrived in Syria.

Unlike Charlie, he has the benefits of taking a Concorde airliner. He can only fly all the way to the Middle East. After landing in Turkey, he took the road to cross the border overnight and into northern Syria.

When Zynn set foot on Syrian soil, he even had the desire to die.

Because he entered the country illegally, the vehicle dragged him all the way to avoid the city, so that he was shocked by this desolate country.

This devastated country is full of deserts, hills, and ruined villages and towns.

The endless deserts and mountains immediately reminded him of an ancient poem, the desert is lonely and smoked.

After going deep into Syria for a hundred kilometers, he realized in his heart that if Charlie doesn't nod his head, then he would not be able to leave Syria in his life, not to mention that he didn't know anyone here. Just because of the face that is very different from the surroundings, it is destined to be difficult to get out of this country.

Thinking of this, he was desperate deep in his heart.

He thought that his despair had penetrated into the Mariana Trench, and when it was impossible to be more desperate, he finally reached the armed zone occupied by Commander Hamid.

When the car drove into the valley, the fortifications on the mountains on both sides were being built in full swing.

Hamid's friend who worked in a construction team in Iraq, for the sake of money, arrived in Syria in just over ten hours. He has now begun to command his workers and the engineering company that Hamid had just formed last night. Work together and hurry up to build fortifications.

Zynn looked at the desolate valley in front of him, the soldiers with live ammunition around him, and the permanent fortifications being actively built, and he was crying deep in his heart.

"What the hell is this place?!"

"Located in the middle of ten thousand mountains, traffic is extremely blocked, and the level of development is far below that of a small mountain village in China..."

"I don't know, I thought this was the base area behind enemy lines during the War of Resistance Against Japan..."

Chapter 2866

Zynn wanted to cry without tears, if the TV series "Bright Sword" were filmed here, it would definitely be more real than the version that is currently broadcast on TV!

Just when he was crying without tears, the convoy, led by a military convertible jeep, stopped in front of Hamid's command.

As soon as the car stopped, Hamid, wearing a camouflage uniform, walked out excitedly.

The person who escorted Zynn was Issac's men, but Hamid didn't know Issac. He only knew that among these people, Charlie wanted to "foster" with him. The rest, it must be Charlie's men.

Charlie is not only his nobleman, but also his God of Wealth and his strategic commander. Therefore, he is also full of enthusiasm and respect for Charlie's men. Bring the passion and respect back to him.

Seeing Hamid stepping out like flying fast, Zynn felt a bit in his heart.

He thought: "This guy looks extraordinary, he should be the boss here."

When Hamid came out, Zynn was also dragged down by Issac's men.

Seeing a few yellow people with East Asian faces, Hamid immediately said with a smile: "You people should be Mr. Wade's men. It's really a welcome, a warm welcome!"

Several people looked at each other and couldn't help looking at each other.

In their impression, the slogans of welcome, warm welcome, are all slogans shouted by young pioneers with a blush on their cheeks, red scarves around their necks, and wreaths in their hands.

But they never expected that these words would be yelled from a Middle Eastern warlord who was big five and three thick and had a beard.

The headed person is Issac's confidant, and his name is Hale.

Seeing that Hamid was so polite and like a warlord, he smiled politely and asked, "You should be Commander Hamid!"

Hamid nodded and said with a smile: "It's all from the family, what is the name of the commander, just call me Hamid!"

After speaking, he said politely: "It must have been very hard for brothers to come from such a long way. Come, hurry up and have a cup of tea and take a break!"

Hale pointed to Zynn and said to Hamid, "Commander, this is Mr. Zynn Su who our young master asked us to bring over to experience life."

Having said that, he pulled a handful of Zynn's collar, pulled him in front of him, and said to Hamid: "Commander, our master has ordered, let me tell you, no matter what. This man will stay here well. Besides, you don't have to take him too much. Just watch him and don't let him run around. In addition, put him in the bunker fortifications during the war and don't let him get injured That's it."

Chapter 2867

Zynn's tears almost came down when he heard this.

"Is this the damn talking human? I spent 100 million US dollars, but in exchange for a sentence, don't take too much care, b@stard, isn't it!"

But Zynn dared not to be angry but didn't dare to speak, and he didn't even dare to put his unhappy emotions on his face.

After all, this Hamid is Charlie's friend, and it sounds like he is quite loyal to Charlie. In case he is unhappy, he will deduct his treatment or even torture him, then it will not be worth the loss!

When he thought that he would be "taken care of" by Hamid for a long time in the future, or that he would be merciful from his men, Zynn had to bite the bullet and complimented him: "Hello, Commander, admiring your name for a long time. It's a great honor to see you today!"

After speaking, he quietly looked at Hamid.

Then thought to himself: "At a glance, although the hardware in Hamid is very old and backward, there are at least a thousand soldiers, and after entering, I have seen a lot of

relatively modern weapons and equipment. How can I say this? The guy is also a warlord on one side, and he definitely has a bit of hard power.”

“However, logically speaking, this kind of person who puts his head on his waistband to beg for life should be very arrogant in nature. Even the president of the United States may not necessarily see it. How can he nod and bow to the young boy Charlie? Mom! doesn’t make any sense...”

Hamid then glanced at Zynn, and said without a smile: “You don’t have to slap my a\$, what kind of treatment you will have here in the future, what kind of life you will live here, it is not my decision. Brother Wade is in charge. He allows you to live in a small courtyard alone, and you can live in a small courtyard alone, but if he lets you sleep in the sheep pen, you can only go to the sheep pen!”

Zynn could only accompany the smiling face, nodded and bowed his waist, said: “That’s that, everything is decided by Master Wade...”

Hamid was too lazy to pay attention to him, and smiled and said to Hale: “Please tell Brother Wade, after this guy is handed over to me, don’t worry, as long as I am alive, I won’t let him die. If this place is captured by the enemy, I will destroy him with a single shot before I die, and I will never let him fall into the enemy’s hands!”

Zynn was about to scold his mother in his heart, and secretly scolded: “What the hell is your literacy level? Even speaking is self-contradictory! While saying that as long as you live, you won’t let me die, and at the same time, say in case something goes wrong. You beat me to death first and then you die. Isn’t this fcuking nonsense?”

Chapter 2868

Hamid didn’t have the time to take care of Zynn.

He smiled and said to Hale: “You people, I have made good black tea, come in and have a few cups!”

People in the Middle East love to drink black tea. Generally, a very large amount of tea leaves are boiled into a very rich tea soup, which is then paired with a lot of sugar and refreshments with extremely high sugar content.

This point is quite different from the Chinese people.

Seeing that Hamid was so hospitable, several people couldn't refuse for a while.

So, Hale said: "Commander, please arrange your subordinates first and take this man to his place of residence."

"Okay, no problem!" Hamid patted his chest and said, "Since Brother Wade ordered, I have asked people to prepare the yard. The yard is next to my guard camp, except for my guards. All the rest are soldiers from the army. There are people on patrols and guards 24 hours a day, and they will never let him run away!"

After speaking, he smiled and said: "And I have had people clean up the small courtyard again, and the conditions are also good."

Zynn heard this all the time, only to breathe a sigh of relief.

Since he got on the plane, he never thought about running away.

Because it is impossible to escape.

This kind of place where birds don't sh!t, even if they are exhausted, they can't run out.

What's more, the surrounding area is full of soldiers with live ammunition. In case the other party finds that a few bullets come over, there is no chance that he can keep a whole body.

Therefore, he can only force himself to adapt.

Chapter 2869

As for the future, he can only hope that his daughter, Zhiyu, can inherit the Su family as soon as possible.

But he changed his mind and thought again.

“Let Zhiyu inherit the Su family, and the possibility is almost zero... Let’s not talk about the old man who will never delegate power until death, even if he is willing to delegate power, my brothers and sisters, can be willing to let Zhiyu A girl who inherits the Su family? I am afraid that it will start an unprecedented family battle...”

Thinking of this, he felt even more desperate.

I don’t know how long and when my “Syria Journey” will end.

Soon, Zynn was taken by Hamid’s personal guards to a small farmhouse a few hundred meters away from the headquarters.

From the outside, this small courtyard is almost entirely made of loess, with earthen walls and earthen houses. Except for the roof tiles, which appear to be fired, there are almost no traces of modern processing.

The small yard is not big. The yard after entering is just the size of a basketball court. There is a cowshed on the right hand side of the entrance, but there are no animals in it.

As for the middle of the yard, there is no root grass except the soil.

As for the supporting houses in this small courtyard, there are only three earthen houses facing the courtyard.

It’s not like the rural areas of China, where there is something like a wing house or something. There are only three earthen houses side by side, and the total is estimated to be no more than 40 square meters.

What made him even more disintegrated was that in the very central room, there was nothing but a dilapidated wooden chair.

On the left hand side, is an extremely simple bedroom. If it weren't for a pile of straw-like things in the middle of the bedroom, he wouldn't even know that the room was used for sleeping.

As the room in the middle, in this so-called bedroom, there is only a pile of straw and a pile of rolled bedding.

Zynn stepped forward and spread out the quilt, which contained a quilt, a mattress, and a pillow.

As soon as he saw this simple three-piece suit, he couldn't help but stomped his mother: "Fcuk! I spent 100 million dollars, how come even the bedding is second-hand? Just this tattered thing, buy a new set. It's not more than two hundred yuan, right?!"

Chapter 2870

Zynn was furious, kicked the pillow far away, turned his head, and rushed out to the room on the right.

As a result, as soon as he entered the door, he smelled a long-lasting stench.

Looking down, what the fcuk is this room, this is a built-up dry toilet!

There is nothing in the room, except that a deep hole is dug in the middle and two wooden boards are built. A hole was exposed in the middle. Inside is a cesspit. Besides, there is no sewage device. It is estimated that before it is full, it can only manually be removed...

He almost collapsed.

"From now on, if you have to shovel the pit every once in a while, who the hell can stand it?"

"The point is, this broken house has just a broken window, and the ventilation is not very good. In case of a large size here, how long will the smell be cleared?"

At this moment, Zynn felt that his future life was full of darkness.

Here, he has no personal belongings, no mobile phone, no computer, no internet, not even a cup to drink water. From now on, he can only sleep on the haystack every day, and he can only stay there when he wakes up. Sitting on a shabby wooden chair, or letting out the wind in this empty yard.

Come to think of it, this is even more tragic than going to jail.

After all, when in jail, at least you can still use the toilet, and you can chat and talk with inmates, occasionally watch TV in the cafeteria, and read newspapers when you go back to your cell.

But what can he do here? There is not even a person who can talk.

Thinking of this, Zynn, a fifty-year-old master, couldn't help but shed tears.

He is not like an average middle-aged person.

Chapter 2871

The vast majority of middle-aged people have suffered a lot in their childhood.

But Zynn was born with a golden key more than 50 years ago.

He has never suffered or been tired in his entire life, and the worst was that he was sent to Australia.

However, even during the days when he was sent to Australia, he lived in a large villa by the sea every day.

Compared with this, it is simply heaven.

Just when he was extremely depressed, someone opened the courtyard door and entered the courtyard.

Zynn hurried out and saw Hale stepping in under the leadership of several soldiers.

When Hale saw Zynn, he said, "Mr. Su, we are ready to leave for our country immediately. Come and see you before we leave. The detached house our young master has won for you, don't know if you are still satisfied?"

Zynn said without tears, "Brother, the conditions in this place are really terrible..."

Hale said earnestly: "Mr. Su, you are also an old comrade. You can definitely overcome some difficulties by gritting your teeth. People can conquer the sky, right?"

Zynn hurriedly said, "No... my brother... This condition is really bad. Or you can go in and see, my brother, where is such a place where people live? It's the donkey of the production team a few years earlier, which is also better than mine. The conditions here are not good!"

Hale waved his hand and said apologetically: "I'm sorry, Mr. Su, I'm in a hurry. I have to leave soon, so I won't go in and watch."

After speaking, he smiled and asked, "I don't know if you have anything to explain?"

Zynn really wanted to say something, please go back and tell Charlie, just say that Zynn is repenting with his eight generations of ancestors!

But this kind of thing, he is determined not to say it.

He could only choked up and asked, "Brother Hale, can I trouble you to take a message to Master Wade?"

Hale nodded: "Just tell me, as long as it's not a personal attack, I will try my best to carry it."

Zynn said hurriedly: "Can you let him say hello to Commander Hamid, and somehow buy me some furniture, so you can't let me sleep on the haystack..."

After finishing speaking, he hurriedly said: "Also, I don't have any daily necessities, not even a teacup or toothbrush. Can you give me a chance to let my daughter buy me some daily necessities from China and mail it over?"

Hale chuckled: "Mr. Su, I am not attacking you. You are also well-informed. But which domestic courier company does dare to deliver in Syria?"

Chapter 2872

Zynn was completely wilted.

Although he wanted to add another 100 million US dollars to Charlie to change at least a decent living condition for himself, he now has not so much money to spend.

Father Su has very close control over the financial power of the family. Although Zynn is the eldest son, he also has a lot of real estate and various assets, but he has not much money at his disposal.

The entire Su family's capital expenditure is basically through family credit, and money can be spent, but the money must be under the control of the family's financial system.

Chengfeng is not stingy, but has a strong desire for control. Even if he buys an airplane for hundreds of millions of dollars, he is not reluctant, but he must be informed and he must approve before one can spend the funds.

Once the Su family dares to be behind If he spends a lot of money, or transfers the money from the family credit to his own small vault, he will inevitably be severely punished by the family.

In order to consolidate financial power, the family's financial team is completely at the mercy of Chengfeng alone.

They will audit the capital expenditures of each Su family's heirs every once in a while. The severity of this audit is comparable to investigating financial crimes.

Therefore, none of the descendants of the Su family dared to spend money on the back of the old man.

Before Zynn bypassed the old man and paid Hamid US\$100 million, it was a cut beforehand.

If he did such an operation in peacetime, he would inevitably be severely punished by the old man.

So Zynn also knew very well that after the first time, he couldn't have the opportunity to repeat his tricks again.

Maybe the old man has stopped his family credit now, and besides he doesn't even have a phone call, it is impossible to get money to give to Charlie, so there is no other way but forbearance at the moment.

After greeting Zynn, Hale hurried away.

Leaving Zynn alone in this dilapidated courtyard.

Chapter 2873

Syria is warm and rainy in winter, and when Zynn was at a loss, heavy rain poured on his head.

He hurriedly hid in the room, seeing the rain getting worse and worse, making the entire yard muddy and desperate.

Although Syria's winter is relatively warm, when it rains, the temperature drops directly to about 10 degrees.

Coupled with the dampness and coldness, Zynn soon became a little unable to carry it, so he could only quickly spread the bedding and wrapped himself in a blanket to listen to the sound of rain outside.

While feeling bored, he subconsciously looked up at the wall and found that where the top of the wall was connected to the roof, many watermarks had leaked out of nowhere.

Zynn hugged his legs and sighed and cursed inwardly: "It seems that this stupid house is not only dilapidated, but it is also damn water leaking. It's fine for water to seep. It's best not to fcuking rain..."

As soon as he finished speaking, his forehead suddenly felt cold.

It turned out that rainwater seeped from the roof, gathered into a drop of water, and dripped on his forehead.

He touched his forehead, wet, and couldn't help crying and cursing: "Fcuk! Really damn the water leaking?! God, you're still endless?! Don't keep playing with me! Who can stand it?!"

Unfortunately, no one can hear his questioning.

Even if the soldier standing guard next door could hear it, he couldn't understand it at all.

...

At the same time, Zhiyu, the eldest daughter of Zynn who was not hopeful, formulated a three-year plan for herself after a day and night of rest and thinking.

She has always remembered what Charlie said, letting herself become the Patriarch of the Su Family within three years.

Although it sounded like a fantasy, she didn't want Charlie to look down upon her.

Therefore, she decided to work hard for this goal starting from today.

And her first plan was to thoroughly announce to the public the news of her and her mother's safe return.

The reason for doing this is on the one hand to deter her grandfather Chengfeng, on the other hand, it is also for the safety of herself and her mother.

She was worried that Chengfeng would not let her mother go easy in the future, so she decided to make this matter a little bit more influential.

In this way, the attention of the people of the whole country will be attracted by this matter.

No one dares to risk the world's unrest under the attention of the people of the whole country.

Therefore, the bigger the trouble, the more passive grandpa will act in the future and the safer she and her mother will be.

So she found her grandfather and asked to help contact the media. She was going to hold a press conference this evening about what happened to her and her mother in the Aurous Hill Tunnel.

The media, the police, and the people of the whole country have been waiting for the whereabouts of Zhiyu and Liona. Zhiyu believes that as long as the news is released, this conference will surely garner great attention.

To this end, she also contacted several popular video live broadcast platforms in China through friends.

This time, she intends to broadcast live directly online.

Chapter 2874

As a result, various media, websites, and news apps quickly received the news. The Du family announced that Liona and Zhiyu, who had been missing for many days, had returned to Aurous Hill safely. More details will be given in the press conference held tonight.

This news immediately swept the country!

Hundreds of millions of people have been following this case, and even many netizens have been discussing various possibilities about Zhiyu and Liona on the Internet.

Among them, most people think that the mother and daughter must have been killed.

But a small number of people still believe that miracles will happen, thinking that God will take care of the poor mother and daughter.

Now, the event that everyone has been following for a long time has finally settled!

It turns out that Liona and Zhiyu are really alive!

As a result, everyone began to look forward to the live broadcast of the evening conference.

Everyone wants to see with their own eyes, this mother and daughter are safe and sound!

The news that Zhiyu was about to hold a press conference reached Chengfeng's ears, and it frightened him all of a sudden.

He guessed that Zhiyu must hate him in her heart, so he could predict that he would definitely become a target at the press conference.

Although his reputation has been messed up, he really doesn't want to be lashed by the people all over the country...

No matter how strong a person's mental endurance is, it is also limited.

If only a few people scold occasionally, most people can resist.

But if dozens of people scold you all day long, quite a few people will feel a lot of pressure.

If tens of thousands, millions, or even tens of millions of people are overwhelmingly cursing, no matter how thick-skinned people are, they will not be able to withstand this pressure.

If resentment is also a kind of energy field, the resentment that Chengfeng carries is afraid that half of China can be enveloped in it.

Over time, this kind of torture has greatly consumed his fighting spirit and made him develop a kind of Go to your mother, I just go to the Maldives islands to take care of the old, no matter what his mother does kind of idea.

It's just that the desire for power in his heart is equally strong, so these two forces often compete at the bottom of his heart, which gives him quite a headache.

Today, Zhiyu suddenly wanted to hold a press conference, which immediately made him anxious.

So, he called Zhifei and asked, "Zhifei, I will ask you, do you know what your sister is going to say at the press conference tonight?!"

Chapter 2875

Zhifei has been busy with concerts in the venue recently, and he ran out to supervise the work early in the morning, so although he saw the news that his sister was about to engage in a press conference, he never asked her what she planned.

Therefore, he said to Chengfeng: "Grandpa, I happened to be busy with something today, and I haven't had time to talk to her. Why don't you wait for me for a while, I'll call her and ask her."

Chengfeng blurted out: "Don't call, there are many details on the phone that are undetectable, so you should go back and talk to her in person. It is best to bypass your mother and your grandpa and ask her in private. Ask exactly what she intends to do, and I have to make preparations here too."

Chengfeng was really afraid that Zhiyu would directly target him at the press conference.

People outside scolded him, it was a group of dragons without a head, one person spitting.

But if Zhiyu takes the lead in scolding him, then the anger of hundreds of millions of people across the country will have a very clear way to vent. At that time, I am afraid that some people will march on the street with banners to scold him.

Zhifei sensed that his grandfather was very nervous about this, so he hurriedly said: "Okay grandpa, I'll be back now, I will report to you as soon as there is progress!"

Chengfeng exhorted: "I'm not just asking you to inquire about Zhiyu's thoughts. You have to find a way to persuade her to let go of her hatred.

You have to let her know that she is from the Su family, not from the Du family. She and Su The family is a whole, and everything is fine, and everything is damaged if it is conflict.

Now the Su family's internal and external difficulties can no longer be consumed by us!"

Zhifei hurriedly said: "I know Grandpa, don't worry, I will try my best to persuade her!"

"Okay..." Chengfeng said dejectedly: "You must do your best to persuade her to handle this matter gently! As long as you can persuade her, Grandpa will not treat you badly!"

Hearing this, Zhifei agreed with excitement, and drove home quickly.

In Du's old house, Zhiyu shut herself in her room and is preparing the manuscript for tonight's press conference.

Tonight's press conference is the beginning of her three-year plan. It is of great significance for her, so she can't make any mistakes.

Zhifei knocked at the door and asked, "Zhiyu, can I come in?"

She heard her brother's voice and her expression was a little cold.

She has been speculating for the past two days that the private relationship between her brother and grandfather Chengfeng may be very close, and even his heart may have completely fallen to his grandfather.

But she has no evidence to prove it.

Chapter 2876

She knew that Zhifei went to the venue early in the morning to prepare for Sara's concert.

So she thinks that if Zhifei suddenly puts aside his own things and rushes back after he wants to develop the conference, then he has at least a 70% probability that he has fallen into his grandfather's trap.

Moreover, if Zhifei rushed back for this incident, and in front of her, said kind words to grandfather, and begged for forgiveness for his grandfather, then he would have completely rebelled 100%!

If Zhifei really turned against her, not only would Zhiyu's heart be guarded closely, but she would also be unable to forgive him.

Because she felt that what grandfather Chengfeng did this time was really inhumane, and almost killed her mother and herself!

In the face of this kind of big right and wrong, the brother said that everything should stand on the side of justice and family affection, and stand close on the same front with her and her mother.

If he stood beside his grandfather in the face of this kind of big right and wrong, it would prove that in his eyes, the importance of money and status has completely surpassed justice and family affection.

If that is the case, it also proves that her brother has lost the humanity that a normal person should possess.

At the very least, it is no longer in line with the basic requirements of her brother Zhiyu.

So, she put away her manuscript indifferently, and rubbed her cheeks with a cold and even stiff expression.

After trying to make herself look natural, she said, "Brother, come in, the door is unlocked."

Zhifei hurriedly pushed in.

As soon as he entered, he immediately locked the door and then looked at her.

herefore, today is actually her day to test Zhifei.

Chapter 2877

Seeing that there was nothing unusual in her expression, he smiled and said, "Zhiyu, why do you suddenly want to arrange a conference?"

Zhiyu said earnestly: "The people all over the country were paying attention to the safety of my mother and me when such a major incident happened in the tunnel. I think it is necessary to explain it publicly so that those who care about us can rest assured."

"Oh..." Zhifei nodded lightly and smiled: "So that's the way it is! You are right. Since the accident happened to you and mother, the people of the whole country have been paying great attention to your condition!"

"Moreover, there are still many people who spontaneously go out looking for various valuable clues. There are even people who have set up many analysis groups on the Internet. We work together to analyze the relevant clues of the incident. They are really very enthusiastic!"

"We really need to let them know that you and mom have returned safely!"

"That's right." Zhiyu nodded, and asked pretendingly: "By the way, didn't you go to the stadium to work? It's just such a thing, it's worth a special trip to come back?"

Zhifei smiled and said, "Zhiyu! I'm also worried about you. I'm afraid that you are too excited to think of these things when you are preparing for the press conference, so I came back to see you."

Zhiyu whispered: "Brother, thank you!"

"Between brother and sister, what are you doing so politely."

Zhifei patted Zhiyu's head and said, "Oh, yes, what are you going to say at the conference?"

Zhiyu said casually: "In fact, there is not much to say, I have summarized it, basically three points."

"The first point is definitely to tell everyone that my mother and I have returned safely, so that everyone can rest assured."

"The second point is to tell everyone that we were saved by a mysterious benefactor and he also gave us high-level medical care. On the one hand, it is an opportunity to thank my benefactor, and on the other hand, it is to eliminate the curiosity of the majority of netizens. I guess Many people must want to know how we survived such a serious car accident."

"As for the third point, I want to explain my attitude towards this matter. After all, people all over the country know that this matter was done by the Su family and even controlled by Grandpa. I want to talk to him at the press conference. Ask him to apologize and voluntarily go to the police station to surrender. After all, he is suspected of intentional murder."

As soon as Zhifei heard this, he suddenly became nervous and blurted out: "Zhiyu, the first two points are nothing, but the third point, is it a bit more radical and aggressive?"

"Aggressive?" Zhiyu asked her elder brother back: "He attacked my mother and almost killed us two! I just ask him to apologize and accept legal sanctions.

This is considered aggressive? So what is his behavior? Ruthless, inferior to beasts?"

Zhifei was embarrassed and said: "Zhiyu, you have to know, he is your grandfather after all, and, among so many younger brothers and sisters, he loves you the most! Look at the name he gave us, which one is not I have placed a lot of his requirements? Only you, he hopes you can be happy, nothing else matters..."

Zhiyu looked at Zhifei, deeply disappointed.

At this moment, she could already confirm that her brother was actually standing with the murderer, grandpa.

However, instead of expressing her disappointment, she nodded slightly and said indifferently: "Brother, I admit what you said, but you must be fair and objective when you behave and do things!"

"So, many things must be like sorting things, one is one, one yard is one yard!"

"It's not because he was nice to me before, I cannot forgive the fact that he wanted to kill my mother!"

Chapter 2878

Zhiyu's rebuke caused Zhifei a headache.

He couldn't help questioning her in his heart: "Grandpa really wanted to kill mother, yes, but is she not responsible for mother too?"

"As the daughter-in-law of the Su family, she kept thinking about the dead man named Wade, and she also went public to bid for the house that the family named Wade lived in. Isn't this like slapping on the face of the Su family?"

"Furthermore, everyone is an adult. Does hatred matter? The Su family has trillions of fortunes. Is it because the grandfather has brutally attacked mother that we have to draw a clear line with him?"

"Drawing a line with him is equivalent to drawing a line with the Su family's trillion-dollar property. In the end, aren't we left with ourselves nothing else?"

"If you lose the right to inherit the Su family's property, what will you and I do in the future?"

"Don't forget, our surname is Su, not Du. Do you still expect grandpa and grandma to give us a share of the inheritance?"

However, Zhifei could only complain about these words in his heart, and couldn't say it in front of his sister.

Because he knew very well in his heart that his sister was too strong in the concept of right and wrong, so terribly strong, there was almost no room for mediation. If he said this directly, she would not listen, but would turn her face against him.

Thinking of this, Zhifei was very depressed, and thought: "Hey, you are better suited to the name than I am."

She thought to herself, Zhifei agreed with Zhiyu's point of view, and nodded again and again: "Zhiyu, you are right, this kind of thing is really unforgivable, let alone you, I can't forgive it either."

Zhiyu didn't speak, she knew that if her brother said so, there must be something else.

As predicted.

Zhifei turned around and sighed: "But, let me tell you the truth, if we turn our faces with Grandpa, we won't get any benefit, and we can't give him any substantive punishment."

Chapter 2879

After a pause, Zhifei spread his hands: "Just let him accept legal sanctions as you just said. It's impossible. The old man is always cautious. There is never more than one firewall. You said he intentionally killed people. There is direct evidence?"

"As long as we don't have direct evidence, we can be said to be deliberately slandering. If it is really impossible, he can just push someone out to top the bag!"

"He can find too many people who carry the bag. As long as he has a word, I don't know how many people are rushing to carry this blame for him. Do you know how many scapegoats Anson helped Grandpa raise? Come any trouble! These are the firewalls of the old man!"

"If we don't have the resources and connections of the Su family, let alone bring down Grandpa, even Anson, we won't be able to bring him down!"

Zhiyu kept listening silently, and after Zhifei finished speaking, she asked him back: "When did you say that you are going to bring him down?"

Zhifei also asked: "Then what is your picture?"

Zhiyu said seriously: "I accuse him, maybe he has many ways to evade sanctions, but you have to know, if I don't accuse, he doesn't even need to evade! What I want is justice! It is justice in many ways! Not only result of justice, but also process justice and procedural justice! I know that result justice is very difficult, but procedural justice is within my power, so I must start a complaint against him today!"

Zhifei was big for a while.

He knew that, in fact, Zhiyu had no influence.

Because the Su family has always kept the personal information of the offspring very good.

The outside world doesn't know the names of the descendants of the Su Family, and naturally, they don't know who Zhifei or Zhiyu are.

But Zhifei is indeed different now.

The car accident in the Forbidden Mountain Tunnel in Aorous Hill is known as the "China Princess Diana Incident", and it has been made public through a video of the mastermind's confession.

You know, the population of Europe is only about half of China's, but Princess Diana's influence is very far-reaching, while China has almost twice the population of Europe, and the influence of Liona and Zhiyu's affairs is of course very far-reaching.

Chapter 2880

In recent years, the Internet has become more and more developed, and people have become more and more eager for all kinds of fairness and justice. Once some cases occur that can arouse the indignation of ordinary people, even if the parties are just ordinary people, it will cause an uproar on the Internet.

Both the unscrupulous and vicious nanny, or the murderer's beauty accomplice, have received condemnation from the people.

What happened to Liona and Zhiyu was not only bad in nature, vain family affection, and annihilated humanity, but also involved the grievances between the top giants, and the attention was naturally beyond ordinary.

Therefore, Zhifei can almost conclude that once Zhiyu condemns the old man and asks him to surrender at the press conference, there will be countless people's support and even petitions.

At that time, even if the old man has layers of firewalls, he can escape by chance. But such a massive condemnation will definitely make him peel off.

Thinking of this, Zhifei hesitated and said: "Zhiyu, would you like to talk to grandpa?"

Zhiyu frowned: "What shall I talk to him?"

Zhifei said very solemnly: "Of course it is about compensation! You are going to turn your face with him now, but the elder brother also has to remind you that if the trouble is really unacceptable, even if you get the old man into prison, you have to. Does not have any substantial benefits."

"Besides, the old man will definitely make arrangements for the Su family before going to jail, but the arrangement will definitely exclude all of our family. By then, he will be in jail, what shall we do?"

"You are the eldest granddaughter of the Su family. If you don't break your face with the Su family, then you are still the top rich second generation in the country.

As long as you have the aura of the Su family, you can marry the descendants of the top family in the future, even the European royal family, it is impossible for them to find any sense of superiority in front of you."

"However, once you draw a clear line with the Su family, the halo on you will completely disappear. What will happen to your life, your marriage, and your happiness in the future?"

"And you have to think about it, but it's okay to say that you don't have the Su Family's aura, but if you turn against the Su Family, it will be really troublesome. Who dares to marry you in the future? If they marry you, they will be the enemy of the Su Family!"

Zhiyu suddenly smiled when she heard this, and said: "Brother, in this world, except for my benefactor, I don't look at any man, whether he is a descendant of a top family or whether he is a grandson. Even if it is the royal family of Europe, it is worthless in my eyes!"

What Zhiyu said was from her heart.

But it was also what she deliberately wanted to say to her brother.

Since she confirmed that Zhifei has completely turned to the side, she has already started her own plan, which has only four words: the plan is to count.

She knew that Zhifei would definitely pass on these words to Chengfeng once and for all.

That is her real purpose!

Chapter 2881

As soon as Zhifei heard this, his whole person suddenly became nervous.

He knew that Zhiyu and his mother were rescued by the Grace this time.

He also knew that this benefactor had a mysterious identity and superior strength.

In the past, the two top masters of the Su family were Mr. Helo and Luther.

Mr. Helo is infinitely close to breaking through the third meridian.

And Luther is even more powerful, he was almost able to break through the third meridian.

But even Luther's strength will not be equal to a Shang among Japanese ninjas.

But at the beginning, in Japan, Grace easily killed several ninjas, and one of them was Shang Ninja!

Calculated in this way, the strength of Grace can beat Luther at least two to three.

Moreover, it is under the condition that he is not wounded at all.

This kind of strength is simply unheard of in the domestic martial arts field.

Let alone a three-star warrior, even a four-star warrior might not be enough to watch.

What worries Zhifei, even more, is that he doesn't know what the relationship between Zhiyu and the benefactor is.

Or, is there any substantial progress?

He also realized that Zhiyu had a certain amount of concealment from him about the matter of Benevolence's saving her. If she and Benevolence really have a relationship, then it will be over. If Benevolence helps her, even if he can't manage it. Defeating Su's family can also kill the old man!

Moreover, Zhiyu herself said that in this life she will only marry her benefactor, and no other men will be looked at by her. Maybe they really have something!

"This is bad..." Zhifei was flustered.

He thought to himself: "I should have thought that the benefactor might have fallen in love with Zhiyu..."

"Otherwise, he wouldn't be able to save her once in Kyoto and then come to Aurous Hill to save her again!"

"This is really bad..."

Chapter 2882

Thinking of this, Zhifei asked tentatively: "Zhiyu, do you know the specific identity of the benefactor? Wouldn't you two be together anymore?"

Zhiyu was silent for a moment, and said seriously: "Brother, I promised that there are some things about Benevolence that I can not say to the outside world, even to you, I can't, you have to understand."

There is no exaggeration in what Zhiyu said.

She did agree to this with Charlie, not revealing his identity and the specific details of saving her by him.

However, Zhiyu is smart because she knows, and she deliberately wants to be vague.

A statement of "something" immediately left the listener with a lot of room for reverie.

Zhifei really couldn't help thinking a lot.

"Zhiyu said something, what is it? Is she really with her grandson?!"

So, he hurriedly said: "Look at you, you still see me like this. If the two of you are really together, then he will be my brother-in-law in the future. Our dad's whereabouts are still unknown. In case you two get married, we will pay. If you can't find him, maybe I will have to hand you over to your benefactor at the wedding. What can't you tell me?"

Zhiyu said very seriously: "Brother, if I were fortunate enough to step into the marriage hall with the Grace as you said, I won't hide it from you, but it's not time yet after all."

Zhifei realized that it was impossible for his sister to tell the specific situation, so he cursed to save the country and sighed:

"In fact, in the literary themes since ancient times, heroes are indispensable for saving beauty. This is also very understandable. After all, which woman can withstand the shock of life-saving grace."

Zhiyu followed his words, nodded, and said with a smile: "Yes, you see, since I came back from Japan, I've been so desperate to find my benefactor all the time. I was almost blinded by the airport surveillance video... ..After all, life-saving grace is really too deep for a woman!"

After that, she couldn't help but sigh: "God is still good to me. I thought I would never meet my benefactor in my life. Unexpectedly, he would save me again in Aurous Hill..."

Zhifei heard this and couldn't help asking: "By the way, Zhiyu, I've always been curious, is he a Chinese or a Japanese Chinese? This time he saved you in Aurous Hill, but it's him. Has he been in Aurous Hill, or has he been watching you quietly?"

Zhifei asked this question because he wanted to get more information about the Grace. If the Grace was originally from Aurous Hill, he would be able to narrow the scope a lot.

How can Zhiyu couldn't hear the true motive in the words of her brother, but she pretended to be a little bit ashamed, and with a completely shy appearance of a girl, shyly said: "Oh, brother, I can't tell you about this, or you Guess for yourself?"

Zhifei thought: "You suddenly became so shy, you look like a girl in love, do I still have to guess?"

"No wonder... No wonder the benefactor appeared in Kyoto last time, this time in Aurous Hill. It turns out that this time he came to her... Isn't it possible that he has been obsessed with her since that time?"

"Yes! The time is right! Zhiyu came to Aurous Hill with mother first, and it happened after a few days in Aurous Hill. It is estimated that when she first came to Aurous Hill, the Grace had already heard the news... .."

"Otherwise, it would be too late to save her in such a short time..."

Thinking of this, Zhifei panicked even more.

Chapter 2883

Originally, both he and his grandfather were worried that this press conference would bring an even more fatal blow to the old man's personal reputation.

However, it now appears that the "benevolent man" who is hidden in the dark but with great power is the real danger that needs to be dealt with!

So, Zhifei sighed and said, "Hey, if you and your benefactor can be cultivated, I will be, your brother, 10,000 times happy for you. As for the grandfather's side, I can't do much better. Advise you, but I still suggest that you think twice. There is still some time before the press conference. Think about it again."

Zhiyu knows that her brother said so, this is to temporarily terminate the conversation.

It is very likely that he intends to report the situation to the old man as soon as possible.

After all, she just moved her benefactor out and put another smoke bomb. Now her brother must have been bluffed by her, and his cognition has also been driven away.

This is actually Zhiyu's purpose.

She knew that her abilities were limited, not to mention what she had, so she could only move out of the banner of her benefactor to fake her might.

Although she was a little bit ashamed, but fortunately, she was just a feint and didn't leak any information about Benevolence.

So she said to Zhifei: "Brother, don't mix up this matter, let me take care of it myself."

Seeing Zhiyu's attitude, Zhifei didn't try to persuade her anymore. He planned to report the important situation that he had just discovered to the old man to see what his attitude was.

Thinking of this, he didn't say anything but sighed: "Think about it for yourself first. If you have any ideas, you can also talk to me. I won't go to the venue today and go back to the room to lie down for a while."

"it is fine."

Zhiyu escorted Zhifei out of the room. As soon as the door closed, her expression instantly became very indifferent. She could no longer suppress her inner worries and hurried back to her room with a gloomy expression on her face...

Chapter 2884

Zhiyu's guess of Zhifei was indeed accurate.

The first thing Zhifei did after returning to the room was to immediately report to Chengfeng what he had just talked to her.

When Chengfeng heard what Zhifei said, Zhiyu decided to accept legal sanctions at the press conference tonight, and his whole person suddenly felt extremely anxious.

He naturally has a way to protect himself from legal punishment, and what he is really worried about is that if she does this, he will never come back.

This is because as long as they have broken the law, the people of the whole country will not easily forget this matter. In that way, as long as they are still in the public eye, the people will feel that they are a criminal who should go to jail.

In this way, no matter where he goes, he will be beaten like a rat in the street.

In terms of fame, he will never stand up.

Just when he didn't know how to stop Zhiyu from condemning him at the press conference, Zhifei gave another message that made his jaw dropped.

Zhifei said: "I've explored Zhiyu's tone. It seems that she might have an affair with that mysterious master. I think that mysterious master knew that Zhiyu came to Aurous Hill, so she came here. Yes, this also explains why he was able to rescue Zhiyu and mother as soon as the incident happened!"

After listening to this, Chengfeng's palms of his hands were full of sweat.

He found that things have indeed been developing in the worst direction.

He was afraid that Zhiyu and Liona would survive, but neither of them came back just like everyone else.

He was afraid that Zhiyu was saved by the Japanese master of Chinese descent, and he was indeed the result;

He was afraid that there was a person behind Zhiyu who had been supporting her. As a result, he did not expect that the two of them really seemed to have a love affair.

Chapter 2885

In this situation, the best solution Chengfeng can think of is to quickly repair the relationship with Zhiyu.

Other than that, there seems to be no better choice.

If he can repair the relationship with Zhiyu as soon as possible, he can temporarily stabilize her emotions and behavior. Not only will the trouble of the press conference be saved, but the threat of the mysterious master will also be much reduced.

In that case, he can also win more initiative.

Maybe he can let her put down her guard completely, so as to find out the specific information of the master through her, and then find a way to solve the master completely, and then find a chance to send her abroad under house arrest, all crises can be lifted.

Thinking of this, Chengfeng made up his mind and said to Zhifei: "I will call Zhiyu immediately and see if I can persuade her."

Zhifei hurriedly said: "Grandpa, if you want to call her at this time, doesn't she know that I have withdrawn the money secretly with you?"

Chengfeng said indifferently: "With Zhiyu's cleverness, even if I don't call her, you suddenly go back and ask her about this, she should have already guessed it."

With that, Chengfeng sighed again and continued: "Maybe the reason why she told you this is to use your mouth to pass these words to me, and then come to negotiate terms with me."

Chengfeng still knows his granddaughter very well.

Zhiyu was so smart when she was a child, she was definitely not comparable to his other grandchildren, and she couldn't be led by Zhifei.

Zhifei felt his cheeks hot after hearing Grandpa say this.

He knew that his younger sister was indeed smarter than him, but the words of the old man did hurt his self-esteem somewhat.

At the same time, he couldn't help asking from the bottom of his heart: "Could it be that Zhiyu is really borrowing my mouth to send a message to the old man?!"

Chengfeng didn't have the time to care about Zhifei's mood at this time, and said: "If you do, let me call Zhiyu."

After that, he hung up the phone and called Zhiyu.

Zhiyu was sitting at the desk at this time, staring at the mobile phone placed on the desk.

Seeing the phone rang suddenly and it said "Grandpa" twice, she was relieved.

However, she did not pick up the phone immediately, but only pressed the answer button when the phone rang for the fourth time.

Chapter 2886

As soon as the phone was connected, Zhiyu asked in a cold voice, "What are you calling me for?"

Chengfeng heard her question and hurriedly explained: "Zhiyu, grandpa called to apologize to you. Regarding the encounter with you and your mother, I do have to take full responsibility, but I want to tell you clearly, I never thought of hurting you. What happened to you was just an accident."

Zhiyu gave a hum, and said silently: "I believe what you said, but the fact that you were going to kill my mother is not an accident, right?"

Chengfeng knew that there was no need to explain or cover-up at this time.

Everyone is a smart person, and this kind of well-knowing thing is naturally impossible to clean up.

So, he sighed and said ashamed: "Hey! I admit that I do have a big opinion of your mother, especially this time she went to Aurous Hill to publicly participate in the auction of Changying's old house, which made the whole Su family's face lost.

I was furious for a while before I made that irrational decision. I hope you can understand my difficulties to a certain extent..."

Zhiyu said neither humble nor overbearing: "Yes. Of course, there is something wrong with my mother in this matter, but I think she is not wrong. After all, it is my dad who betrayed the marriage first!"

"He had cheated before my mother was pregnant with me, and he had an illegitimate daughter. You also know this!"

"In contrast, my mother came to Aurous Hill after she clearly requested a divorce from my dad!"

"What's more, I don't think there is a principal problem with what she is doing. Because of such a little thing, you hurt my mother. It's a bit too much!"

"Yes, you are right!" Chengfeng said sincerely: "After this incident, I regretted and blamed myself, so I also hope that you two can give me a chance to make up for it."

Zhiyu said lightly: "I don't think there is anything to make up for this kind of thing. My mother will never want to see you in her life. I may not want to see you for a long time in the future."

After speaking, Zhiyu said again: "Although I am your granddaughter, deep down in my heart, I still hope that you can use it to assume responsibility and consequences and surrender to the police."

Chengfeng was extremely annoyed when he heard this.

However, he did not dare to express anything but said helplessly: "Zhiyu, after all, I am the head of the Su family. Not only should I lead the family forward, but also represent the image and status of the Su family. I really went to jail, not only was it not good for the Su family, it was not good for you either."

Zhiyu said: "I just want a just result."

"Justice?" Chengfeng sighed and said, "Zhiyu, let's do this, you are a smart girl, we don't have to talk around like that. You can tell me directly, what on earth do you want me to do so you can forget it?"

Zhiyu said: "I just said, I hope you surrender yourself to the police!"

Chengfeng smiled and sighed: "Zhiyu, if I'm not wrong, you have said so much to Zhifei, you should be thinking about this matter, can you negotiate some conditions with me?"

To be honest, I don't blame you for having such thoughts. After all, I will make compensation for your wife. So if you have any request, just say it, as long as I can accept it, I will agree to it!"

Chapter 2887

Zhiyu heard Chengfeng straightforwardly say what he thought in his heart, and couldn't help but sigh in her heart: "Talking to smart people is peace of mind. Everyone is a master who can nod in a word, saving a lot of twists and turns."

As a result, she no longer concealed her true motives and said: "You are right. I really want to get some compensation for my mother and me. I think this is what we deserve."

As she said, she added: "By the way, this is not only for me and my mother, but also for my dad! I heard that he, like my second uncle, has disappeared. He is only working for the Su family. Those who are missing should receive a certain amount of compensation."

Chengfeng asked her: "Zhiyu, don't you know about your father's disappearance? He disappeared in Aurous Hill, and I think his disappearance has a very strong relationship with your benefactor."

Zhiyu denied: "I don't know exactly how my dad disappeared. I only know that he came to Aurous Hill to help Su family negotiate cooperation with the Japanese."

Chengfeng sighed and said, "Your dad did go to Aurous Hill to discuss cooperation. He was going to see Ito Takehiko from the Ito family, but he has disappeared before he even meets Ito Takehiko."

Closely, before he disappeared, he used his authority to transfer the family's 100 million U.S. dollars to an unknown overseas account. I suspect that he might have been kidnapped."

With that, Chengfeng asked again: "Do you really know this thing? Did you never ask the benefactor, or he didn't tell you at all?"

Zhiyu said indifferently: "He never told me, but I don't think he has any reason to target my dad. My dad has never offended him, and the danger that my mom and I encountered this time has nothing to do with him."

When Chengfeng heard this, his face suddenly became very ugly.

"Zhiyu said that Zynn didn't offend her benefactor because Zynn didn't participate in her and her mother's distress. Isn't that just to point fingers to me?"

"In other words, I offended her benefactor for planning the assassination of Liona? Then is he still prepared to deal with me?!"

Zhiyu's words contained a faint threat, which gave Chengfeng a headache.

However, he now dare not directly offend his granddaughter.

After all, he also plans to ease the relationship with her first, and then find a way to find out who the benefactor is.

If he could provide Master Cary with some clues and let Cary use metaphysical means to kill him, then he could solve this problem once and for all in the future.

So, his tone was immediately full of compromise, and he said with emotion: "Zhiyu, what you said is really correct. I'm sorry for you and your mother. And your dad suffered an accident because of the Su family. I really have to compensate you well..."

Chapter 2888

After speaking, Chengfeng said: "Zhiyu, what compensation do you want, just say it, as long as I can do it, I will promise you!"

Originally, Zhiyu did not want to make any transactions with him.

She didn't care about money, and it was not so easy to forgive him for what he did, and she could not forgive him for what he did all his life.

However, since Charlie let her become Su Family Patriarch within three years, she has changed her mindset.

She used to be in the family, not fighting, not robbing, and not getting ahead, but now, she wants to change her way.

So she asked Chengfeng: "The reason why my dad wants to meet Yuuhiko Ito must be for the ocean shipping business, right?"

"Yes." Chengfeng said frankly: "Our ocean shipping business has now been stopped, and there is dissatisfaction with Su empire from above, so I have not let go of it during this period.

Your father also wants to take our ships and the resources and transfer them to Japan, and the Japanese company's shipping permits, route resources, and terminal resources can be used to continue operating this business, but it's a pity..."

Zhiyu said at this time: "Well, I want the Su family to transfer this business to me. In the future, all the ocean transportation business of the Su family will be in my charge, and all related resources will be controlled by me."

"Furthermore, I also require that I am solely responsible for the operation and finances, and the equity belongs to me alone, and I must not have any affiliation with the Su family!"

Chengfeng did not expect Zhiyu's appetite to be so great.

He secretly thought in his heart:

"Zhiyu girl, want the entire ocean transportation business of the Su family?"

"Su empire's total assets in this business exceed 300 billion! At least 20% of Su empire's assets!"

"She wants to walk so much in one breath, this girl really has a lot of appetites!"

Chapter 2889

Chengfeng is obsessed with power, and for him, he is 10,000 times unwilling to let others separate power from him.

Therefore, at such an age, he still has to firmly control the position of Su Family Patriarch, and control every sector of the Su Family's business, as well as the overall financial power.

His seven children hadn't mentioned the idea of separating the family before, but he was resolutely rejecting each time.

Later, the seven children changed their way of thinking, regardless of the family. At least the business should be divided up and given to different people to take full responsibility.

But he still disagreed.

He is like an ancient emperor, not only disagreeing to distribute the world to the princes, but also disagreeing to let his children become kings in charge of one party.

In short, the Su family belongs to him, so no part of it can be separated.

Because of this, when he heard Zhiyu's request, his first thought was to get very angry.

If it were in the past, let alone Zhiyu, even his own children, anyone who would dare to speak to him like this would definitely get a slap in the face, and then directly driven away to some overseas country.

But now, various crises forced him to carefully consider Zhiyu's request.

He thought to himself: "If I don't agree, if she holds a press conference tonight, my reputation will never stand up;"

"Moreover, what if her benefactor stood up for her and then attacked me?"

"Before Cary killed her benefactor, I could only promise her first."

"What's more, the Su's ocean shipping industry has basically been shut down, even if it is temporarily given to her, she will not be able to make any storms, nor will she get any benefits!"

"When I resolve the threats behind her, I can naturally get these businesses back easily."

Thinking of this, he gritted his teeth and said, "Okay! Grandpa promises you! Su's ocean transportation business will be yours in the future. If it is convenient, you come to

Suzhou to find me, and I will do all the relevant documents and contracts, and put it in your hands!”

Zhiyu said: “Grandpa, it’s true that I am still complaining to you, so I may not be able to face you for the time being. As for the contract, I will ask a lawyer to help.”

Chengfeng hesitated for only three seconds, and said straightforwardly: “No problem! In this case, I will let Anson come to Suzhou. You can find a lawyer to connect with him. After the connection is completed, the Su family ocean shipping group is yours!”

Chapter 2890

The so-called press conference, the so-called result justice, and the procedural justice, for her formerly, absolutely did not allow any moisture to be mixed in it.

But for Zhiyu now, the main thing is that she can achieve the results she wants, and she can compromise.

And the result she really wanted was Su’s ocean shipping business.

Although this business is now in trouble because of Chengfeng’s actions, she is confident that this business will be restored to life.

The ocean shipping business has high profits and great potential, and it is definitely the most promising sunrise industry at the moment.

Moreover, the Su family’s business has been hit hard and cannot be revitalized. Now that the old man is looking for this business, the old man can still accept it through gritted teeth.

But if she asks him for those industries that are currently operating smoothly and are highly profitable, he may not be able to agree.

So, she said to the old man: “Grandpa, since we have reached a consensus, please arrange for Anson to come over before dark, and try to sign the contract before the press conference.”

Chengfeng had no other words, and immediately said: "I will let him come by helicopter now, and he will be over there in an hour!"

Zhiyu said: "Okay, then I'll wait for Steward Su."

Chengfeng hung up the phone, his face was already dark to the extreme.

He couldn't help muttering to himself: "Zhiyu, Zhiyu, I want you to know the joy of fish, but I didn't expect you to be the only one who is not satisfied! Grab a little bit and want to bite such a big piece of meat, you good granddaughter, you really make me admire!"

After that, he gritted his teeth hard, picked up the landline phone on the desk, pressed the quick dial, and said, "Anson, come to my study!"

Half a minute later, Anson knocked on the door of the room, by the way, pushed the door in, and asked respectfully: "Master, are you looking for me?"

Chengfeng said in a cold voice: "Bring the legal director, and then bring all the equity information of our shipping company, the company's articles of association and official seal, and go to Aurous Hill urgently."

Anson asked puzzledly: "Master, what do you want him and take these materials to Aurous Hill?"

Chapter 2891

Chengfeng gritted his teeth and said: "I want you to go to Aurous Hill and change the shipping company's ownership to Zhiyu. From now on, the shipping company will be hers alone."

"Ah?!" Anson's chin was almost astonished, and he blurted out: "Master, you...are you...are you kidding me?! For such a big shipping company, just give it away like that?!"

Chengfeng asked in return: "Otherwise? Zhiyu is a good girl now! My reputation will be in her hands in the future, and if she really asks me to surrender in front of the people of the whole country, then how can I settle this matter? I don't want to think about turning over again in the future!"

"Moreover, there is a mysterious master behind this girl, and I am not sure now, whether I can kill him before he attacks me!

Anson asked quickly: "Master, the British Cary has arrived in Aurous Hill, right? Is there any progress on his side?"

"Not yet." Chengfeng said: "Although Aurous Hill is a small city, it has a population of nearly 10 million. It is as difficult as climbing to the sky to find someone, so we still have to give him some time!"

Anson hurriedly said: "Master! In my opinion, you might as well call Luther yourself. This old thing is now a four-star warrior. If you can convince him and let him protect you personally, your safety will be guaranteed.

Greater the protection, and there is no need to worry that the expert will come to trouble you!"

Chengfeng sighed: "Luther didn't leave any leeway before. I think he is determined to draw a clear line with us. Asking him now will probably be useless."

After that, Chengfeng said again: "Even if Luther still has a chance, it will never be possible to find a breakthrough in a short while, so you should go to Aurous Hill first, first give the shipping company to Zhiyu and stabilize this matter. Go through today's hurdle safely."

Anson nodded and said respectfully: "OK master, I am ready to go!"

...

at the same time.

Charlie has received a call from Roma.

The He family has selected ten family members with the strongest strength, the highest talent, and the highest loyalty this time, and they are ready to set off to Aurous Hill to report to him immediately.

Chapter 2892

According to Roma, Luther, who has just broken through the fourth meridian and became a four-star warrior, also became one of the ten people.

Charlie didn't feel much about who came from the He family, after all, he didn't really need the He family to work for him.

However, hearing that the old man of the He family personally put on the battlefield did make Charlie feel the sincerity of the He family.

Because the He family is here tonight, Charlie came to Shangri-La and told Ruoli the news.

Ruoli was naturally extremely excited when she heard that both her mother and grandpa would come.

After hearing that Grandpa had broken through the four meridians and became a four-star warrior, her eyes were wet with excitement.

She looked at Charlie, choked, and said, "To break through the four meridians and become a four-star warrior is the biggest and greatest wish of my grandfather in his life. After he was sixty years old, he knew that he would definitely have no hope of breaking through in his life, so he kept putting this incident and regarded it as the biggest regret of his life..."

Having said this, she said with a grateful expression: "Master, all thanks to the opportunity you gave, if it weren't for your pill, grandpa would definitely not have such an opportunity, thank you!"

Charlie smiled slightly: "You don't have to thank me for anything. The cooperation with your He family is indeed for your face, but this kind of cooperation is also equal, and it is not my unilateral charity."

"Furthermore, I may have many places where I need to use the He family in the future. As long as the He family can work with me wholeheartedly, I will definitely give them more opportunities to rise."

"This kind of opportunity is not only money and pill, it may even include a complete inner family boxing technique and other inner family techniques."

When Charlie said this, he paused and asked: "According to my observations, the inner boxing technique that your He family cultivates should be a broken scroll. I don't know if what I said is wrong?"

Ruoli said quickly: "Master really has a lot of magical powers, you can even see this..."

After that, she explained truthfully: "In fact, the inner boxing techniques that the He family has passed down for hundreds of years were not created by the family ancestors, but were obtained by chance by them."

"In fact, when it was first obtained, it was a fragmented volume, and most of the content was missing..."

Chapter 2893

"Therefore, when the He family practices this inner family boxing method, there are many restrictions, and it is easy to cause internal force disorder and life-threatening injury"

"It is precisely because of this that the family settled in the coldest place in China, because the colder, the less the chance of internal forces being disordered..."

Charlie nodded.

In fact, the way of martial arts has been in decline a lot since its development in ancient times.

In fact, from the Song Dynasty to the late Ming and early Qing, the development of martial arts was relatively prosperous.

After all, in the era of cold weapons, kung fu was very useful, not only to protect the home and the country, but also to make a living, so in addition to scholars, the rest of the people wanted to become martial arts masters.

However, in the Qing Dynasty, foreign powers opened the country with guns and suddenly let countless martial artists discover that they could hardly practice their skills for a lifetime, and they were even no match for a bullet gun or a cannon in the hands of foreigners.

In the beginning, many patriotic martial artists also had the heart to serve the country loyally, but their strength was not worth mentioning in the face of hot weapons.

The most sighing thing was that thousands of names and regiments besieged hundreds of foreigners in Dongjiaomin Lane, but they stayed for 56 days, but they didn't attack.

Since then, a large number of martial arts practitioners have become the biggest opponents of martial arts from their original love of the field. The reason is that they have seen a huge gap and realized that they have lost a bullet in their lifetime efforts.

Since then, domestic wars have been perennial, domestic, and foreign troubles, and the speed of weapon development has been getting faster and faster, which has widened the gap between martial arts and weapons.

Therefore, since the Qing Dynasty, martial arts began to go downhill, and it has not really re-emerged until now.

Originally, there were millions or even tens of millions of people in China, out of the total population, who practiced martial arts, but now, there are no more than hundreds of thousands of martial artists in the country out of these billion people.

Many internal martial arts have been gradually lost in this period of time, so that many martial arts practitioners do not have complete internal martial arts to practice, which can be regarded as a great sorrow of the decline of this art.

Chapter 2894

However, the enthusiasm of this art today is not at all inferior to those of their ancestors.

Take the He family as an example. In fact, the He family has always been eager to fill up their incomplete set of internal boxing, but unfortunately, they have not found any relevant clues.

For Charlie, the inner boxing method was nothing remarkable.

The "Nine Profound Heavenly Scriptures" recorded a lot of internal martial arts, and he didn't even bother to practice these, because he had already completely exceeded the level of martial arts practitioners. This internal martial arts was of no value to him.

However, if he casually took out one of the internal boxing techniques in the "Nine Profound Heavenly Scriptures", I am afraid that the martial arts families in the world would be able to trade their heads for this.

What's interesting is that nowadays, among the martial arts practitioners in the country, the only one who has mastered complete internal martial arts is the little pepper Aoxue who has just entered the industry and has no style.

The "Four Elephant Palms" she is now quietly practicing is a complete internal boxing technique that Charlie found out from the "Nine Profound Heaven Classics".

Therefore, he said to Ruoli: "If the time is right in the future, I can provide the He family with a complete internal boxing technique. By then, I may be able to help the family to a higher level!"

She was shocked when she heard this, and she was equally excited.

She didn't doubt that Charlie had a complete inner family boxing technique, but she did not expect that he would be willing to take it out and give it to the He family.

Although Charlie did not say to give it immediately or definitely, he also said that it would be given when the time is right, which means that he is willing to give it to the He family as long as the time is right.

Ruoli was very clear about the significance of complete internal martial art.

So when she heard this, she couldn't wait to hope that the He family could become Master Wade's confidant as soon as possible, and at the same time, she could receive the inner family boxing technique gifted by him as soon as possible!

While Charlie was chatting with Zhiyu, his mobile phone suddenly received a call from Leon.

This made Charlie a little curious.

Chapter 2895

Generally speaking, Leon doesn't contact him very often, but whenever he contacted him, it was usually a very important matter.

So, he hurriedly connected the phone and asked, "Steward Leon, is it something important that you are looking for me?"

Leon smiled slightly and said, "Master, I have nothing to do with you, but there is something that may require you to come up with an idea."

Charlie asked, "What's the matter?"

Leon said, "That's right, Miss Zhiyu's conference will be broadcast live on the whole network tonight.

She also contacted the short video platform you asked Wade family to buy, and hope we can also participate in this conference. I hope we can provide some recommended resources, so I would like to ask you to come up with an idea and see if you agree to her."

Charlie didn't pay much attention to the news today, so he still doesn't know that Zhiyu will appear in a press conference.

Suddenly hearing Leon say this, he asked very curiously: "Why is she suddenly appearing in a conference? And also engaged in such a big battle... Has she disclosed in advance what the conference is about?"

Leon hurriedly explained:

"It is said that the content of this press conference is related to their experience during this period. After all, the people of the whole country have paid great attention to the fact that they were missing after a car accident. Now that they have returned to the public eye, she should give an explanation."

Speaking of this, Leon paused slightly and said:

"And I think she must have a big move for this press conference.

Maybe she wants to take advantage of this opportunity to tell her grandfather in front of the people of the whole country. Chengfeng was in trouble! That's why I called to ask you, should we get involved in this matter?"

Charlie hesitated for a moment, combined with Zhiyu's character in his mind, pondered the matter carefully, and said: "Steward Leon, you can let our short video platform broadcast it for her."

Leon said: "Master if she really attacks Chengfeng at the press conference, it will be more or less embarrassing for us. After all, Old man knows that the short video platform is in the hands of Wade family. If we come forward to help Zhiyu live, maybe it will be rejected by insiders."

The upper class has the rules of the upper class.

Generally speaking, the upper class doesn't like to engage in small actions behind the scenes.

In the past, many wealthy people manipulated social media by looking for people who had nothing to do with them. Even if the whole world felt that they did it by themselves, there was no direct evidence to prove it.

But the Wade family is different this time. People all over the country know that the short video platform belongs to the Wade family. If the Wade family deliberately disgusts the Su family on their platform, it will definitely be a little unglamorous in the eyes of outsiders.

Charlie smiled and said at this time: "From my point of view, Zhiyu shouldn't attack her grandfather at this press conference, so you can let the short video platform rest assured to broadcast it for her."

Chapter 2896

Leon asked in surprise, "Master, why are you so sure?"

Charlie smiled and said: "If you have to explain the reason, it will be a long story, but you just believe me."

Leon hurriedly said, "Okay young master, then I will deal with it."

"Okay." Charlie asked with a smile: "Steward Leon, is there anything else?"

Leon said, "The rest is nothing."

Charlie said in a convenient way: "That's good, then do this first, and then contact me if you have anything."

After hanging up the phone, Ruoli who was next to Charlie hurriedly asked, "Master, Sister Zhiyu is going to hold a press conference?!"

"Yes." Charlie said with a smile: "Not only will a press conference be held, but also a live broadcast will be conducted on the entire network. By then, there will be at least tens of millions of people watching the live broadcast simultaneously on so many platforms."

Ruoli asked incomprehensibly: "Then why do you think she will not attack Chengfeng? This is a good opportunity to ruin him!"

Charlie smiled slightly: "It seems that your sister is a little smarter than you."

Ruoli put out her tongue in embarrassment, and said with a sigh:

"How can I be compared to Sister Zhiyu, who has received elite education since she was a child, and she is also a high-achieving student who graduated from a top university.

In contrast, except After 9 years of compulsory education, I have never attended high school..."

Charlie shook his head and smiled: "This doesn't have much to do with how many studies she has attended, mainly because Zhiyu clearly knows what she wants."

Ruoli asked curiously, "Master, can you tell me more specifically?"

Charlie explained: "Everyone thinks that your sister's press conference is an excellent opportunity to challenge Chengfeng, and everyone thinks that as long as your sister seizes this opportunity, Chengfeng will be ruined and never turned back. , But if you think about it, what does this mean to her?"

Ruoli was even more puzzled, looking at Charlie blankly, and said seriously: "At least she can get revenge! Attacking the enemy is not just revenge for herself?"

Chapter 2897

Charlie looked at her, shook his head, and said, "When Zhiyu does this, it is just a bit of hatred for Chengfeng. It won't have any other effects, and it doesn't even make him lose a dime. It's meaningless."

Charlie said again: "This is different from when I first exposed Chengfeng's conspiracy. Before I exposed him, Chengfeng's personality was very top-notch. It can be said that countless people worship and admired him. Made him fall to the altar, and also caused the Su Family to suffer a great blow."

"Including the suspension of ocean shipping business, it is also the punishment given to him by the above."

"However, Chengfeng has already been thrown this time. Even if Zhiyu stood up and scolded him today, she would just pour cold water on the fallen Chengfeng. It is impossible for him to fall again."

"Rather than pour a pot of dispensable cold water, it is better to take this opportunity to ask him for some benefits."

Ruoli exclaimed: "Young Master, you say that my sister wants to make peace with him?!"

Charlie waved his hand and said, "On the surface, it is a peace talk, but in reality, it is cutting Chengfeng's meat with a blunt knife."

After that, Charlie said again: "This time Chengfeng must be severely cut by Zhiyu. After this cut, the two of them seem to have reached some kind of reconciliation condition, but in fact, the relationship between them. The old man and grandchildren's love points are completely exhausted, and after the talks, they are the real enemies."

Ruoli couldn't help asking: "In this case, Sister Zhiyu will be in danger in the future, right?"

Charlie shook his head and smiled: "No, Chengfeng provokes no one, dare not provoke her. Don't forget, there is me behind Zhiyu. Chengfeng is absolutely absolute before he finds me out. He dare not start with Zhiyu."

After speaking, Charlie said again: "Your sister is really going to work hard for the position of Su Family Patriarch this time. This is a good thing. If she really becomes Su Family Patriarch in the future, Su Family and Wade Family have been in the past decades. We can draw a full stop for the kindness and grievances!"

"Moreover, your future, even your mother and the future of the whole He family, will have a better home!"

"At that time, you can change your identity and assist her as sister's side!"

"If she has the support of you and the He family, her future will be limitless!"

Charlie's hatred of the Su family was only on those people who were related to the Anti-Wade League back then.

Chapter 2898

Now, Zynn, the apparent leader of the Anti-Wade Alliance, has been thrown into Syria by himself, and Shoude, the apparent number two figure, has also entered the Orvel's kennel.

So at the moment, Chengfeng is the only enemy from the Su family.

According to the agreement between Charlie and Zhiyu, she ascends to the top of the Su Family Patriarch and could take the initiative to surrender Chengfeng in exchange for her father to return to China.

If she can do this at that time, she will get Zynn back, but she still has to make sure that he stays away from all the real power of the Su family, forcing him to retire.

In that way, whether the Wade family or himself, they can let go of all their old hatreds with the Su family, and never offend the river.

Therefore, Charlie naturally hoped that Zhiyu would get better and better by then.

And Ruoli was also Zhiyu's half-sister. When the two sisters met last time, Charlie looked at her closely.

He can be sure that in Zhiyu's heart, there really is this sister Ruoli.

And Ruoli also has her sister.

More importantly, Ruoli now has no cruelty and hostility at the beginning. In the future, she will definitely be able to follow Zhiyu with all her heart and escort her.

He originally thought that his arrangement is very reasonable, and he also considered the two sisters very much.

But he never expected that Ruoli's eyes would suddenly turn red when she heard what he said.

She looked at him and choked: "Master... Ruoli's life was saved by you... My cultivation was also broken through with your help... You are Ruoli's greatest benefactor in this life. In the future, if I just want to stay with you before and after serving you with all my heart, and don't want to return to Su's house..."

Charlie explained: "I'm not asking you to go back to the Su family, but you will go back after your sister becomes the head of the Su family."

Ruoli choked up in anger and said, "Then I won't return! Although my sister and I have half the same blood relationship, in the final analysis, I don't owe her anything, and I don't want to stay with her in the future..."

Chapter 2899

Having said this, she subconsciously grabbed Charlie's hand and cried and said, "Master, please don't rush away in the future, okay?"

Charlie said helplessly: "You are only more sensitive to your identity and cannot return to normal life immediately, so I will keep you by my side, but in the future, this matter will eventually pass, and the hatred of the Japanese will also recede by the time.

It gradually fades and is even forgotten. At that time, you can have your own life again. Why do you need to spend it by my side?"

Ruoli said firmly: "I don't want my own life...I just want to stay with you before and after the horse..."

As she said, she wiped away her tears, and said a little angrily:

"Master, if you don't want me to follow you someday, if you don't want to be stalked, I will find a nun's haircut when the time comes. For nuns, eat fast and recite Buddha for the rest of life! Don't think that me if it frightens you.

I can swear to the sky with my own life. If there is any violation, the sky will thunder and kill me!"

Charlie was completely speechless, and he asked after a long time:

"You...what are you doing? You are only in your early twenties this year, and you will have a lot of good times in the future!

And with your current cultivation base, even if you start from now on, there will be an improvement in your cultivation base, and you can easily live a hundred years old, which means that your life has only passed one-fifth, or even one-sixth!"

"I don't care." Ruoli said firmly: "If I hadn't met you, my life would have passed one hundred percent, and there would be no Ruoli sitting here safe and sound!"

So, No matter how long I have left, it will be given to me by Master, so I am willing to spend this time for you only!"

When Charlie heard Ruoli's words, deep in his heart, he was moved and helpless.

He originally wanted to continue to persuade this stubborn girl, but the look in this girl's eyes seemed to be something he could not persuade at all.

So he gave up this idea.

Just like what he said earlier, there is still a long, long time in the future, and there is absolutely no need to pursue Ruoli to be able to achieve it in one step now.

There will be a lot of time in the future, and the days to come will be long, and even if her mind is as solid as a rock, it will definitely change over time.

Thinking of this, he simply turned off the topic and said: "By the way, Ruoli, I have asked Mr. Issac to urgently buy a riverside villa. The villa is a second-hand detached house with eight rooms.

In the basement, when your grandpa and the others come, they will live there, and they can practice quietly without being affected by the outside world."

Ruoli hurriedly said: "Master, you don't have to spend so much money. The He family used to serve the Su family. They lived in the Su family. They were divided by gender and lived in the upper and lower bunks like the school dormitory. A villa is too expensive..."

Charlie smiled and said: "I bought the villa and loan it to your grandpa. You must not have any psychological pressure, and I bought the house as an investment, mainly for the appreciation of the value."

Ruoli said again: "However, after Grandpa and the others come, they must be waiting for you 24 hours a day, and they will even be around you on call 24 hours a day. You arrange for them to live in the villa. In case you have something to do, They must not be able to arrive in time."

Chapter 2900

Charlie smiled slightly: "These are all trivial things. In fact, I am used to being alone. Generally, I don't keep people around. Even Orvel and Issac are not by my side 24 hours a day.

They usually do. They have their own affairs, they have their own lives, and they won't revolve around me 24 hours a day. The same goes for your grandpa and others with him."

Ruoli asked hurriedly: "Master, if you don't let Grandpa and the others follow you, what are their main tasks after they come?"

Charlie said: "I've already thought about this. When the time comes, these practitioners of your He family can be divided into several people to help Orvel and Issac."

"Even though there are many younger brothers with Orvel, they are all unfamiliar with the techniques. It's okay to fight hard with others on the street. If they really meet a master, all of them will be given for nothing."

"So at that time, your family, on the one hand, will help Orvel do some things beyond his ability, and on the other hand, will also help him train his little brothers a little."

"As for Issac, although all the people under his hand are well-trained, they are still a bit worse than you martial people, so you have to help them improve their overall strength."

Ruoli hurriedly said: "These must be fine! Grandpa and they must be able to do very well!"

With that said, she looked at Charlie a little embarrassedly, and asked faintly: "Master, I don't know... I don't know what your arrangement is for me..."

Charlie smiled and said, "You are now in a special situation, so just continue to stay in Shangri-La, and try not to have any contact with anyone except me and your mother."

Ruoli has no opinion on Charlie's arrangement.

She is most afraid that he would also send her to Issac, Orvel, or her sister.

Since he is willing to continue to keep her in Shangri-La, of course she is also willing to accept it.

Anyway, as long as she doesn't get driven by him to other places and sees him often, she will be satisfied.

Charlie said to her: "By the way, I have never allowed you to contact the outside world, or even let you have access to outside information.

On the one hand, I am still a little wary of you, on the other hand, It's really because your identity is too special. If the news is revealed, it is easy to cause trouble for you."

After speaking, Charlie paused, and then said: "But now it seems that you are no longer as irritable as when the accident happened, and you have also met your mother. I believe your current state of mind must be relatively stable. A lot."
