

# Chapter 5009

The plane slid across the night sky of New York and landed steadily at JFK Airport in a whistling.

Ruoli has been waiting here anxiously for a long time.

Since seeing Yuhiko Ito and Hiroshi Tanaka regenerating their severed limbs with her own eyes,

She can't wait for her mother's plane to land one minute earlier.

After Roma and Zynn passed through the customs together,

Ruoli saw the two walking out of the passage, so she hurriedly greeted them and shouted excitedly,

“Mom!”

Roma hugged Ruoli and asked with a smile, “How long have you been waiting here?”

Ruoli hurriedly said, “I just came here.”

Roma nodded and whispered, “Go and say hello to your father.”

Ruoli glanced at Zynn, who was not far away.

Although she was a little embarrassed, he said respectfully, "Hello, Mr. Su!"

"Don't call me Mr. Su in the future."

After speaking, Zynn also said a little embarrassedly:

"You... if you don't dislike it... you can call me dad... .."

After speaking, he also felt that he was quite shameless, and quickly added:

"You are just like Zhiyu. You don't need to call me Mr. Su again. ."

Ruoli looked at her mother subconsciously, and when she saw that she smiled at her.

She gathered up her courage and said softly, "Dad..."

"Okay...Okay... Zynn was immediately overjoyed, and quickly said:

"Ruoli, you don't know, your mother has been talking to me about you these days,"

“Saying that you were afraid that you got into trouble in the United States before,”

“And you would get into trouble again when you are here this time.”

Listening to Zynn Ruoli comforted: “Mom, with Mr. Wade here, you don’t have to worry.”

Roma smiled slightly and said, “I’m not really worried, it’s your father who is worried in his heart,”

“And I told him that with Mr. Wade is here and he will definitely ensure your safety,”

“But he may have some personal feelings towards Mr. Wade,”

“So he has never been so comfortable. I’m so relieved.”

Seeing Roma revealing his shortcomings, Zynn could only sneer and say to Ruoli,

“Dad is not suspicious of Mr. Wade, Dad is mainly worried about your safety.”

Ruoli naturally understands Zynn’s mentality, she can understand more or less, so he said:

“Dad, Mr. Wade has great powers. As long as I am by his side,”

“I will be the safest. You and Mom can rest assured in the future.”

Zynn saw Ruoli’s expression of admiration when she mentioned Charlie,

He couldn’t help sighing in his heart: “What exactly do I, owe Changying...”

“My wife liked him for so many years and I can’t bear it,”

“But my two daughters are in love with his son, what the fcuk? What’s wrong here?!”

Ruoli saw that her father was a little absent-minded and had a complicated expression,

So she couldn’t help asking him, “Dad, what’s wrong with you?”

Zynn came back to his senses, waved his hand, and said,

“It’s okay, I have a day traveling. I didn’t go out, and I didn’t quite get used to it.”

Ruoli knew that Charlie had made an order to her mother and grandfather,

And without his permission, Zynn should not be allowed to leave the villa for half a step.

According to Charlie's arrangement, it is estimated that Dad was really bored for too long during this time.

Roma looked at Ruoli in surprise at this time, and blurted out,

"Ruoli... Has your cultivation level improved again? Why can't Mom see your realm?"

Because Charlie gave the He family pills,

So Roma's cultivation base had been upgraded to a three-star warrior some time ago.

Ruoli's cultivation base was also three-star before she came,

So Roma could see what Ruoli's cultivation base was originally.

However, seeing her this time, she found that she could not see through Ruoli's cultivation,

So she guessed that she had improved.

Ruoli nodded earnestly and said, "Thanks to Mr. Wade, my cultivation has made some progress."

Roma immediately said excitedly: "That's great! In addition to your grandfather,"

"We have another four-star warrior in the He family!"

"It's really gratifying! If your grandfather finds out, he must be very happy!"

Ruoli pursed her lips and said seriously:

"Mom, I'm already a five-star warrior now..."

"Five-star?!" Roma was stunned and asked subconsciously:

"Ruoli, it has not been long since Mom separated from you,"

"How could you be promoted two levels in a row,"

"And become a five-star warrior?! This...is this too fast?!"

Ruoli said sternly: "Mr. Wade intended to promote,"

"That's why he helped me break through to the realm of a five-star warrior."

"My God..." Roma couldn't help but exclaim:

“You know Mr. Wade, this is really your good fortune! I can’t even dream of it.”

“The He family can even produce a five-star warrior...”

“I am afraid that if the ancestors of the He family were alive,”

“They did not dare to expect the He family to reach such a high level!”

Ruoli couldn’t help but sigh: “Yeah. ...My biggest wish in the past was,”

“To have the opportunity to break through to a three-star warrior in this life, but I didn’t expect it to be five-star now...”

# Chapter 5010

Zynn on the side couldn't help feeling for his daughter.

He was relieved, and then he couldn't help but ask her:

"By the way, Ruoli, your mother told me, you said that Charlie let us come to New York, it is a good thing, right?"

"Yes!" Ruoli couldn't hold back and said excitedly:

"The good thing I said was about my mother,"

"And it is definitely a good thing I didn't even dare to think about!"

After speaking, she suddenly became anxious and quickly said:

"Dad, Mom, let's go quickly, Mr. Wade is waiting for you at the hotel!"

Zynn hurriedly asked: "Ruoli, what is the good thing, tell us first!"

Ruoli said without hesitation: "This matter is completely beyond the imagination of normal people."

“Even if I say it now, you won’t believe it, so hurry up and let’s see Mr. Wade first!”

Although Zynn and Roma were a little puzzled, seeing that Ruoli was unwilling to reveal it,

They stopped asking more and followed her to the Hotel.

At this time, Charlie had just had a drink with Ito Yuhiko and Tanaka Hiroshi,

And after the two were dizzy, they were arranged to rest first.

Nanako originally thought about drinking tea and chatting with Charlie on the terrace of the presidential suite facing Central Park,

But after learning that Ruoli’s parents were arriving soon,

She dismissed the idea directly. She went back to the room that Charlie had arranged for her early.

Soon, Issac came to report to Charlie: “Master, Miss Ruoli is back,”

“Ms. He and Zynn from the Su family are also here. I asked Orvel to take them to the prepared suite.”

Charlie nodded and said, “Okay, I’ll go right now.”

After that, Charlie walked quickly to the luxury suite prepared in advance.

Ruoli, Roma, and Zynn had also arrived at the room at this time.

Seeing Charlie coming in, Roma quickly said respectfully, "Mr. Wade!"

Charlie smiled and nodded at her, and said,

"Ms. He, calling you from a long way in such a hurry I did not delay your other arrangements, right?"

"Roma waved her hands hastily and said, "How could it be, Mr. Wade, the He family will always follow your orders,"

"No matter what time or place, as long as you give your order,"

"The He family will come over as soon as possible!"

Charlie nodded lightly.

At this time, Zynn on the side said somewhat submissively: "Hello Mr. Wade!"

Charlie looked at him and asked him with a smile, "How has Mr. Su been doing recently?"

“It’s all good!” Zynn said without hesitation, “Thank you, Mr. Wade, for raising your hand,”

“So that I can have the opportunity to live a peaceful and stable life like I am now.”

Charlie smiled and asked again: “Is there any dissatisfaction? Feel free to say anything.”

Zynn shook his head like a rattle, and said repeatedly, “No, no! Absolutely not!”

Charlie nodded slightly, and asked him again, “By the way,”

“Do you have any contact with Elder Mr. Su?”

“He is in Madagascar now. How’s it going for him?”

Zynn laughed with some schadenfreude, and replied, “From what the old man says in Madagascar...”

“The whole thing is pretty good... It is said that a large piece of land was acquired.”

“They have raised a lot of wild animals unique to Africa,”

“And he also said that he plans to build a horse farm for a few days and raise some horses to play with.”

Charlie smiled: “That’s good, if you have the opportunity to help me bring take it to him.”

Zynn laughed twice, thinking to himself: “The old man complains about that shitty place he is living in every day,”

“And I don’t know how many times he has scolded you.”

However, he said respectfully: “Sure, definitely!”

Charlie turned to look at Roma, and said seriously,

“Ms. He, I’m asking you to come here this time, mainly because there is a new medicine, and I want you to try it for me.”

Roma heard this, and combined with her daughter, she said earlier that there was a big good thing,

And she thought that Charlie was going to give her medicine pills to improve her cultivation,

So she hurriedly said: “Thank you so much, Mr. Wade, I don’t know how to thank you!

Charlie smiled and said, “Ms. He doesn’t have to be so polite, it doesn’t matter.”

Roma glanced at her empty right sleeve, and said seriously,

“Mr. Wade, you don’t need to waste the medicinal pills on me.”

“In this case, even if the cultivation level is improved, compared with the warriors of the same rank,”

“The combat power is a lot worse. The lack of an arm not only loses a quarter of the combat power,”

“But more importantly, the physical coordination will always be improved.”

“But in an uncoordinated state, in actual combat, it is difficult to exert enough attack power.”

“If you use that elixir on me, it will be a waste...”

Ruoli on the side said quickly: “Mom, the medicine that Mr. Wade is asking you to try,”

“It is specifically designed to solve your situation! Don’t refuse, just agree!”

Roma didn’t know what Ruoli’s words meant, and thought to herself:

“The lack of the right arm is a shortcoming that I can’t make up for at all.”

“What solution can Mr. Wade have to solve my situation? Maybe let my right arm grow back?”

Ruoli saw her mother’s doubts, she wanted to tell the truth,

But she was afraid that after her mother found out, her emotions would fluctuate greatly due to doubts,

Excitement or tension, so she said: “Mom, don’t hesitate, just agree to it!”

Roma said embarrassedly: “It’s not that Mom doesn’t want to obey,”

“It’s just that Mom doesn’t want Mr. Wade to waste medicinal pills...”

Charlie smiled at this time He said, “Ms. He, believe me,”

“This medicinal pill will not be wasted unless it is not used on you.”

Then, he took out a pill, handed it to Ruoli’s hand, and said,

“Ms. Ruoli, take Ms. He to the bathroom, and after she has soaked in the mud, give her the pill.”

Ruoli took the pill, and was so excited that tears burst into her eyes,

She said gratefully: “Thank you, Mr. Wade!”

After saying that, she looked at Roma and said with a bit of excitement,

“Mom! Come and try the medicine with me!”

# Chapter 5011

Just when Ruoli couldn't wait to arrange for her mother to go to the bathroom,

And prepare her to take the reshaping pill, Zynn in the living room of the suite looked at Charlie and asked tentatively,

"Mr. Wade, can I ask you something?"

Charlie said indifferently: "Mr. Su, just say it, don't be so polite."

Zynn didn't know what to do, and said with a smirk:

"I want to request something, can you give me a day of freedom tomorrow, even for half a day?"

Zynn knew very well that although he also followed Roma to New York,

But he was essentially under house arrest by Charlie.

Charlie listened to his request and asked him curiously:

"What does Mr. Su want to do with one day's free time?"

“You can talk about it first. If it is reasonable, this matter is not negotiable.”

Zynn looked a little embarrassed all of a sudden, he hesitated for a moment,

Then gathered up his courage and said, “I want to buy a gift for Ruoli’s mother.”

“If conditions permit, I will invite her out for dinner.”

Charlie heard this and immediately got interested, he looked at Zynn and asked straight to the point:

“I take the liberty to ask, do you plan to go further with Ms. He?”

Zynn quickly explained with a flustered expression:

“Mr. Wade, don’t get me wrong. I don’t have any unreasonable thoughts,”

“And I definitely don’t want to use this method to influence your punishment on me.”

“I make this request based on my personal feelings.”

Speaking of this, he couldn’t help but sigh. Sighing with emotion he said:

“Mr. Wade, in fact, during this period of time in Aurous Hill,”

“I have seriously reflected on myself, I have really failed in my life,”

“I have chosen for myself an opponent that I will never be able to defeat,”

“And I have chosen for myself a woman I can never influence,”

“I thought I had stood at the top of many families in the country,”

“But I didn’t expect that my three children were repeatedly in crisis...”

At this moment, he looked in the direction of the bathroom with shame and murmured:

“Also, I let a woman who loves me silently sacrifice for me for so many years,”

“And every time I think of it, I feel ashamed... ..”

When Charlie heard this, he nodded slightly, and his attitude toward Zynn could not help but change.

In Charlie’s eyes, there are two kinds of enemies,

One is the one who must die because of the heinous crime,

And the other is the one who can be rescued before it is necessary for him to die.

If the Su family was really the mastermind behind the death of their parents back then,

Charlie would definitely let all the Su family involved be buried with his parents.

Fortunately, the Su family did not actually participate, so there is still a chance for rescue.

So, he pretended to sigh: “Ms. He has indeed paid a lot for you, not only she,”

“But even Ruoli has paid a lot for you and the Su family, and she has been betrayed by the Su family many times.”

Zynn said ashamedly: “You’re right... The previous Su family members were too indifferent, including me...”

After speaking, he couldn’t help but said sincerely:

“So I have been thinking, I hope there will be a chance to make up for the mother and daughter.”

Charlie asked curiously, “How do you plan to make up for it?”

Zynn hesitated again and again, but still said what he thought, as he looked at Charlie very resolutely:

“Mr. Wade, to tell you the truth, I want to buy a ring tomorrow,”

“Call a high-end restaurant, invite Ruoli’s mother to have dinner together, and then propose to her at the dinner... ..”

# Chapter 5012

“Proposal?” Charlie frowned slightly, looked at him, and said seriously,

“You are the eldest son of the Su family. Although Ms. He gave birth to Ruoli for you,”

“Her status is closely related to that of her. You are 108,000 miles away,”

“Not to mention, she is still a disabled person, of course,”

“I don’t mean to discriminate against disabled people,”

“Just want to ask if you have carefully considered the gap between the two of you?”

Zynn saw Charlie frown and said some doubtful words, thinking that Charlie was questioning him,

So he said without thinking, “Mr. Wade, you don’t have to doubt my motives,”

“I really want to talk to her and walk hand in hand for the rest of her life,”

“I know she always has me in her heart, and I hope so in my own heart during this time,”

“And you can rest assured that I want to marry her, not for the so-called freedom,”

“If she agrees to marry me, I am willing to continue to be under house arrest in Aurous Hill in the future,”

“You only need to give me one day of freedom, after this day of freedom,”

“I will continue to obey all your previous arrangements.”

After speaking, Zynn was very serious as he said:

“As for the gap you just mentioned, it no longer exists in my eyes,”

“I am not the eldest young master of the Su family, nor the heir of the family,”

“And her arm is missing because she lost it to save my life.”

“I owe her what she lost, so to say that there is a real gap,”

“It is also the gap between her high and my low, it is me and her, the gap is 108,000 miles.”

Seeing Zynn’s sincerity, Charlie knew all of what he said came from the bottom of his heart,

And he suddenly felt a little emotional in his heart.

In fact, from a certain point of view, Charlie also had some sympathy for Zynn.

If nothing else, he loved Liona so much for so many years,

But he couldn't exchange Liona's sincerity, which is really embarrassing.

In addition, the old man Su is a strong man and his methods are vicious.

Zynn has always been suppressed. At a critical moment, he was driven to Australia by the old man.

Even his daughter was betrayed by the old man.

If he can really get together with Roma and live the rest of his life in a down-to-earth way,

He is willing to end his punishment and even send his own blessings.

However, Charlie couldn't help reminding him:

"Mr. Su, every successful man will reflect and criticize himself when he is in trouble."

“When Zhu Yuanzhang was in trouble, he also cooked porridge from leftovers.”

“He regarded it as the best soup of his life, but the problem is that some people can truly reflect,”

“And even if they succeed in the future, they can remember the lessons,”

“But some people’s reflection will only stay in the trough.”

“If you regain your freedom and regain control of hundreds of billions of wealth in the future,”

“Will you still stick to your current decision?”

Zynn sneered and said, “What hundreds of billions of wealth? But it’s just a passing glimpse.”

“The Su family used to have mansions all over the world.”

“I have lived in many villas, manors, and even castles, but to tell the truth,”

“I have never lived in Aurous Hill during this period of time.”

“For a while, I no longer have to rack my brains to express myself, no longer care about what my father thinks of me,”

“No longer worry about intrigue between brothers, you fight with me,”

“And I no longer need to worry about knowing whether or not Zhiyu’s mother is my wife.”

“But thinking of other men behind my back...”

“Besides, there is Ruoli’s mother’s meticulous and considerate care every day.”

“I don’t know how easy life is, with what young people often say today.”

“Just a word, this is the happiness of lying down...”

# Chapter 5013

Speaking of which, Zynn looked at Charlie and said solemnly,

“Mr. Wade, I know what you are worried about, it is definitely not me that you are worried about.”

“I will regret it in the future, but worried that she will regret it in the future.”

“Will it make Ruoli’s mother sad and let Ruoli disappoint me?”

“I promise you on my personality today, from now on until I die,”

“I will live up to the wishes of mother and daughter, and I promise Mr. Wade to do my best!”

Zynn’s words were sincere.

Charlie could also see that he was able to tell all of this to him after much thought.

And it is not difficult to hear from his words that he has indeed seen the situation through now,

And he is no longer interested in taking charge of the Su family and the trillions of properties of the family.

For him now, how to make up for a woman who has loved him for many years and dedicated herself a lot,

How to be a good husband and a father, has become the most important thing in his life planning.

Seeing this, Charlie's frowning brows finally stretched out.

He glanced at Zynn, and immediately said with a serious expression:

"If you really want to propose marriage, you don't have to wait until tomorrow, because tomorrow, things will change qualitatively."

Zynn was very surprised and asked inexplicably:

"Mr. Wade, what do you mean by qualitative change?"

Charlie said seriously: "If you really decide to propose marriage,"

"Start preparing now, and wait until the bathroom door opens and Ms. He walks out of it."

“You go up immediately, kneel on one knee and propose to her. Trust me, this is your best chance.”

The qualitative change that Charlie just said was,

Actually the remodeling pill he handed over to Ruoli just now.

It is estimated that Ruoli should be in the bathroom now,

Helping her mother, to prepare before taking the medicine.

From now on, in another 20 to 30 minutes, when Roma packs up and walks out of the bathroom,

She will completely become a normal person, and her broken right arm will grow back intact.

If Zynn waited until tomorrow night to propose again,

Then there would be a sense of seeing Roma recovering and him proposing marriage.

Therefore, out of consideration for him,

Charlie hoped that he could be ready immediately and propose marriage as soon as Roma comes out.

In this way, Zynn has a chance to get what he wants, and Ruoli will definitely be very pleased.

For Roma, it is a double happiness.

As long as Roma nodded, everyone would be happy tonight.

Zynn didn't understand why Charlie had to prepare himself immediately and said nervously:

"That...Mr. Wade...you ask me to start preparing now, I really don't know what to do..."

"I originally wanted to pick a diamond ring tomorrow,"

"And then choose a decent suit, but now there's no time..."

Charlie smiled: "It's not too late. There are several luxury brands on the first floor of the hotel,"

"Including a Cartier jewelry, and several men's clothing brands."

"I will let Mr. Chen take you down to pick things now."

“As for the flowers, I will also ask him to help arrange them. 20 minutes are enough to get ready.”

Almost all the top luxury five-star hotels have their own small commercial streets,

Attracting first-line brands in the luxury industry,

Which is convenient for high-end customers to shop nearby.

So, whether it is a diamond ring or a suit, you can find it here.

Zynn didn't expect Charlie to arrange it for him at once,

But the time was suddenly pushed in front of him, he couldn't help getting nervous,

And he hesitated and said, “This...isn't it a bit too sudden? I'm not mentally prepared yet...”

Charlie asked him, “In addition to the diamond ring and flowers,”

“What preparations do you need to make for a marriage proposal?”

“This...” Zynn said for a while. Somewhere at a loss for words, not sure how to answer.

Charlie said impatiently: “Okay, don’t scoff, I’ll let Mr. Chen take you down now.”

After that, he picked up the phone and called Issac over.

# Chapter 5014

As soon as Issac entered the room, Charlie said to him,

“Mr. Chen, take Mr. Su to Cartier on the first floor of the hotel to choose a ring,”

“A decent suit, and ask the housekeeping department to prepare a bouquet of fresh roses for delivery.”

Although Issac was a little surprised, he still said very simply: “Okay young master!”

After speaking, he made a gesture to Zynn: “Please, Mr. Su.”

Although Zynn felt a little like rushing a duck to the shelves,

But at this moment, the ink was no longer there,

And he hurriedly followed Issac out of the room.

At this moment. Ruoli’s thoughts were all on her mother alone.

On the hanger in the bathroom, there is a short-sleeved dress that she prepared for her mother in advance.

This dress was specially selected for her mother.

Unlike Takehiko Ito, Roma's right arm has been broken for more than 20 years,

So she has never seen her mother wear any kind of short-sleeved clothes since the day she could remember.

Even in the hottest summer, her mother will wear a long-sleeved top and occasionally a skirt,

And the upper body must also be long-sleeved.

Ruoli had never seen her mother with healthy limbs,

But she guessed that if her mother changed into the feminine dress she chose, she would be dazzling.

At this time, Roma did not realize that this skirt was bought for her.

With the help of Ruoli, she took off her clothes one by one,

While looking at the light green dress with elegant floral arrangements, she said with a smile,

"Ruoli, this dress is so beautiful, you usually look like a tomboy every day,"

“Why are you willing to wear a skirt this time?”

Roma didn't realize it. This dress was actually bought by her daughter for her.

In her impression, Ruoli almost never wore a skirt because of her martial arts practice.

At this time, Ruoli took the skirt off the hanger, gestured in front of her, and asked with a smile,

“Mom, do you think it looks good?”

Roma nodded lightly, and said, “It looks good. Yes, it just feels a little old-fashioned,”

“Not suitable for girls in your early twenties, but suitable for women in their thirties and forties.”

Ruoli giggled and said: “Your vision is quite accurate!”

“I also think this skirt is not suitable for a girl like me.”

Roma said with a dotting smile: “You are in your twenties,”

“But no longer a little girl, many girls as old as you are now mothers.”

Ruoli stuck out her tongue and said coquettishly,

“Mom, in front of you, I will always be a little girl.”

Roma touching Ruoli’s face, sighed: “Mom really didn’t expect that my Ruoli could become a five-star warrior.”

“You can have this opportunity today, which is definitely the happiest thing in my life!”

“Ruoli raised her arm and gently touched the back of her mother’s hand,

Her eyes were red, and she said firmly: “Mom, there will be something more happier later,”

“Since I was five years old, the one thing I asked for every birthday. My that wish will soon come true!”

Ruoli, a child, was most distressed by her mother’s broken right arm.

Therefore, since she was sensible, she made a wish on her birthday every year,

And she silently made the same wish, that is, she hoped that her mother could recover and become a normal person.

Although she always knew that this wish was impossible to achieve, she kept making this wish year after year.

It was also from when she was five years old that when her mother asked her what she wished,

She would only smile and say one word: confidentiality.

Therefore, Roma suddenly heard that her daughter had made the same wish for more than ten years in a row,

And asked in surprise: “Ruoli, what kind of wish is it, that can make you make it for so many years?!”

Ruoli smiled mysteriously, took her mother to the bathtub, and urged,

“Mom, you lie down in the bathtub first,”

“And all the questions you want to know tonight will be answered soon!”

# Chapter 5015

Roma didn't know why her daughter let her lie down in the bathtub,

But she didn't ask more when she saw that her daughter was looking forward to something.

After she soaked the body below the neck in the bathtub,

Ruoli took out the reshaping pill and instructed:

"Mom, Mr. Wade said that you will fall asleep after taking the pill,"

"But you don't have to worry, I will be watching over you all the time!"

After saying that, she put the pill into Roma's mouth.

Roma smiled at her daughter, and before she had time to speak,

She felt that her mind went blank for a while, and she lost consciousness.

Seeing that her mother had lost consciousness, Ruoli stood motionless in front of the bathtub,

Looking forward to the moment when the miracle will happen.

At the same time, Issac took Zynn and found a high-end diamond ring worth 1.3 million US dollars in Cartier's store.

This is already the best diamond ring that can be bought in this store, but in Zynn's eyes, it is still a little petty.

He couldn't help but ask the young saleswoman:

"Is there only one that's this big? Is there something bigger and purer?"

The saleswoman said nervously, "Sir... This is already the best diamond ring in our store,"

"And this diamond ring is not usually in our store. According to the company's requirements,"

"It is on tour in many stores in New York. It just arrived at this store this morning."

"If it came yesterday, the best diamond ring in our store is actually less than a fraction of this one..."

Zynn looked at the exaggerated diamond ring and said with disgust:

"But this really isn't big enough, and the color isn't rare enough."

“I’m planning to propose, so I can’t figure it out...”

The saleswoman was stunned and couldn’t help asking:

“Sir.....I do not know what kind of diamond ring is big enough and rare enough in your eyes?”

Zynn thought for a while, and said casually: “It should be a rare blue diamond,”

“Pink diamond, or red diamond? The price is at least five million US dollars, at least not worth it...”

The saleswoman could not tell whether Zynn was telling the truth or joking,

But her professionalism still drove her to explain patiently:

“I’m sorry, sir, we generally don’t put these kinds of diamonds in the store for retail sale.”

“Yes, most of them are specially customized for VIP customers, and some are even put up for auction.”

For Issac, Zynn’s words were not unusual, after all, it was the first young master of the Su family,

With a diamond ring worth millions of dollars. It is certainly out of his sight.

However, Issac also knew that the time did not allow him to be too selective,

So he reminded in a low voice, "Mr. Su, our time is limited, and the options in the store are also limited."

"A ring that you are completely satisfied with, I am afraid it is not possible to get it here,"

"Why don't we buy this one first, and then go to see the suit, don't delay the business."

Zynn sighed, nodded, and said, "Okay then. I want this one."

After he finished speaking, he looked at the saleswoman and said,

"Please help me with the checkout, the ring will not need to be packaged, I will take it directly."

The saleswoman was stunned and asked in a low voice.

"Sir... Do you really want to buy this ring? It's \$1.3 million..."

Zynn hummed, took out his wallet, and took out An Amex Centurion black.

And the gold card was handed to the saleswoman and said,

“Hurry up and swipe the card, I have something else to do.”

After seeing this card, the saleswoman realized that the man in front of her was not joking.

The big guy on the board hurriedly said respectfully:

“Sir, wait a moment, I’ll settle the bill for you...”

Soon, Zynn signed his name on the bill and put the \$1.3 million diamond ring into his pocket.

Afterward, he chose a ready-to-wear suit in Armani that could barely fit in.

# Chapter 5016

Although this suit was already expensive for ordinary people, it still made Zynn quite dissatisfied.

For a rich man of his level, it is an insult to wear ready-made clothes made in any brand store.

Under normal circumstances, it should be the top clothing masters of these brands.

Who come to the door in person and measure the size for him.

It is completely tailored according to his figure, such a suit can really be worn.

But at the moment, the conditions are indeed limited, and Zynn is no longer entangled.

After choosing the clothes, he put them on directly and put the diamond ring in the pocket of the new suit.

Only then did they rush back to the housekeeping department with Issac.

The staff of the hotel also brought up the ninety-nine roses that were prepared.

In Chinese custom, ninety-nine means forever, and for love, it is an excellent meaning.

Fortunately, the flowers prepared by the hotel concierge are all well-known top varieties,

And each flower is very fresh, delicate, and flawless.

At this time, Roma's eyelashes trembled slightly in the bathtub.

After Ruoli, who had never left for half a step, found out,

She knew that her mother would wake up soon,

So she couldn't wait to go around to the right side of the bathtub,

Gently stretched out her hand, followed her mother's right shoulder, and searched all the way into the mud.

Originally, Roma's right shoulder was downward, and it was a vertically downward and uneven wound.

Although her arm was cut off by the roots, due to the irregularity of the scar,

The entire wound was like tree bark, with its irregular lines and folds.

Roma usually wears long sleeves, so almost no one can see the wound of her broken arm except Ruoli.

And Ruoli, who has been careful about her mother,

Often touched her mother's wound when she slept with her as a child,

And asked her with concern whether it hurt or not, so she is very familiar with her mother's wound.

But when she touched down her mother's right shoulder, the vertical section like a cliff did not appear.

What she felt in her hand was her mother's round and full shoulders.

At this time, Ruoli's hands were shaking uncontrollably.

Then, she continued down the right shoulder,

And she touched her mother's upper arm, elbow, and forearm.

In the end, it was her mother's right hand that she had never seen, let alone touched!

At this moment, Ruoli burst into tears!

Since she was sensible, her birthday wish every year was to hope that her mother could become a normal person.

Although she knew that this kind of wish would never come true,

She still couldn't help but use the most precious wishing opportunity of the year to make this wish.

But who would have thought that the most impossible wish could actually become a reality?

Excited, Ruoli intertwined her fingers with her mother's right hand,

Lifted her right hand from the mud, and clasped her mother's right hand tightly with both hands.

At this time, as if Roma had just woken up from general anesthesia,

Her vision gradually became clear from blurred.

When she saw Ruoli in front of her, she asked lovingly,

"Ruoli, why are you crying?"

Ruoli held her mother's hand tightly, her tears kept flowing uncontrollably,

And she choked up at the same time and said: "I cry because I am happy..."

Roma didn't notice her right hand being held tightly by her.

She was without an arm for more than 20 years and was completely accustomed to living without a right arm,

So she saw the daughter cry with none stop tears,

And subconsciously raised her left hand, trying to help Ruoli dry her tears.

But just when her left hand was about to touch Ruoli's face,

She suddenly stayed on the spot as if struck by lightning.

Because she suddenly discovered that in addition to her left hand,

# Chapter 5017

Roma also saw three hands within her line of sight.

The two belong to her daughter Ruoli, and the other is held tightly by her...

Roma only felt horrified and had a chill on her back!

She didn't know whose hand her daughter was holding, and she even felt like she was in a nightmare.

Terrified, she couldn't help but ask: "Ruoli...you...the hand you are holding is..."

Roma's expression suddenly froze when she asked this.

She originally wanted to ask her daughter who the hand she was holding belonged to.

However, at this moment, she suddenly felt that a nerve that had disappeared for many years was suddenly affected,

And a feeling of being clenched was returned.

That feeling came from her right hand that had been cut off for more than 20 years!

Roma is different from Ito Takehiko. Ito Takehiko just lost his legs.

He has been a normal person for nearly fifty years.

The sudden loss of his legs made it extremely difficult for him to adapt.

But Roma has also been a disabled person without a right arm for half of the past fifty years.

For such a long time, she has long been used to the feeling that her right arm is empty.

Now, her right arm suddenly returned, and she couldn't get used to it for a while.

However, when she was asked to subconsciously control her right arm,

She could clearly feel the clear feedback from all the nervous systems in her right arm.

That feeling was extremely real!

She looked at Ruoli terrified and asked,

“Ruoli...this...what's going on here...am I gone mad?!”

Ruoli hurriedly explained: “Mom Don’t be nervous! You are not insane,”

“This is all thanks to Mr. Wade’s remodeling pill, which can regenerate severed limbs!”

“Before you came, Ito Takehiko of the Ito family relied on Mr. Wade’s remodeling pill,”

“Both of the amputated legs have completely recovered!”

Roma was horrified when she heard Ruoli’s words, but her reason had already made her make an accurate judgment.

She has seen the miraculous effects of Charlie’s pills,

Which can make a martial artist use a stick of incense to cross the sky that can’t be crossed for decades.

Having seen this kind of miracle, and now that the severed limb is regenerated,

Although she is also extremely shocked, she will not question its authenticity.

After confirming that all this was a reality, Roma was so excited that she couldn’t add more.

She looked at her right hand and murmured, "Since the moment my arm was cut off,"

"I never thought that there would be a day when I could recover... .."

Ruoli took her mother's right hand and choked:

"Mom, didn't you ask me what I wished for my birthday before?"

"This was my wish... But I never thought that it would actually come true..."

Roma was moved to tears when she heard this.

The mother-daughter two have a very deep relationship,

And since they have been dependent on each other since childhood,

This relationship is much deeper than that of ordinary mothers and daughters.

And Roma's broken arm is a very special existence for the mother and daughter.

From a practical point of view, if Roma hadn't broken this arm, Ruoli would never have been born in this world.

Therefore, although the mother has lived with a disability for more than 20 years,

She was willing to have this broken arm in her heart, but her daughter was ashamed because of this.

How could she not know what her mother was thinking?

However, when she thought that she was exchanged by her mother with an arm,

She was full of guilt towards her mother.

But now, a reshaping pill given by Charlie completely untied Ruoli's knot,

And also made up for Roma's shortcomings for more than 20 years.

# Chapter 5018

For a time, the mother and daughter were extremely relieved, and both were crying pear flowers with rain.

What the two of them didn't know was that Zynn, who had put on a suit,

Was already pacing back and forth in the living room nervously.

A large bouquet of bright roses was in his hands, and the diamond ring,

Which he was not very satisfied with, was also lying quietly in the lined pocket of his suit.

He had never proposed to a woman in his life, so he was inevitably nervous.

When he married Liona, it was not because he proposed to her,

But because Liona took the initiative to find him after Changying got married,

Put forward several requirements for marrying him, and said that as long as he could agree,

She would do it. marry him immediately.

At that time, Zynn did not hesitate, and immediately agreed in full,

And then the parents of both parties met, urgently set the wedding date, and hurriedly completed the wedding.

Due to the fast pace, there was no chance for Zynn to formally propose.

At this moment, while pacing back and forth, he silently recites the lines to propose marriage in his mind,

And at the same time, he also keeps an eye on the time on the watch.

Seeing that the mother and daughter had been in for half an hour,

He couldn't help asking Charlie anxiously: "Mr. Wade, why haven't they come out yet?"

Charlie smiled slightly: "It should be soon, are you ready?"

It's done..." Zynn replied without confidence, then wiped the sweat on his forehead,

And asked him a little helplessly: "Mr. Wade, please tell me,"

"The proposal is to kneel on one knee. Right? Give flowers or rings first?"

Charlie shook his head and said, "I don't know either."

Zynn asked subconsciously, "Why don't you know...Aren't you married?"

Charlie said lightly: "When I got married, it was basically an arranged marriage."

"My wife's grandfather was the sole leader and arranged the marriage, so there was no marriage proposal process."

After speaking, Charlie asked him, "Did you and Auntie not propose marriage back then?"

Zynn embarrassedly smiled and said: "You are in an arranged marriage, I was in a contract marriage, and we are half a catty..."

Charlie nodded understandingly, and said with a smile:

"I think, to propose marriage, the first step is to do the 'begging' step,"

"So it must be necessary to kneel on one knee first, and then take out the ring,"

"Ask the other party if she is willing to marry you, if the other party nods,"

"You put the ring on the other party, and then give her the flower,"

“If the other party refuses, you should stand up as a gentleman and prepare to leave.”

Zynn hearing this became even more nervous, and couldn't help asking:

“What if she leaves and refuses me for a while...”

“I will be under residential surveillance by her in the future. It's too embarrassing...”

Charlie said with a smile: “I think Ms. He has not been married for so many years,”

“And she is raising Ruoli by herself, and even after Ruoli becomes an adult,”

“She sent Ruoli a gift. Coming to your side to protect you, it can be seen that your weight in her heart is very high.”

“In other words, she should love you deeply.”

“If you propose to a person who loves you deeply, you can still be rejected.”

“Then you have to find the reason from within yourself.”

Zynn couldn't help but nodded as if to cheer himself up, and muttered:

“Mr. Wade you’re right... So, as long as I sincerely propose to Roma,”

“To show her what I think in my heart, she should not reject me,”

“Not to mention that if Ruoli is by her side, she should not reject me...”

After speaking, he quickly looked at Charlie, begging: “Mr. Wade, can I ask you one thing?”

Charlie said lightly: “You say it.”

Zynn said sincerely: “If Ruoli’s mother promises me, I hope you will allow it.”

“We will hold a simple ceremony and a few tables of banquets in the villa in Aurous Hill,”

“And then let Zhiyu and Ruoli come together!”

Charlie smiled and said, “If Ms. He promised you today, then wait for me to come back.”

“There will definitely be a grand wedding for you at Shangri-La in Aurous Hill.”

“At that time, everyone in the Su family can come to participate if they want,”

“Including Mr. Su who is far away in Madagascar, and Zhifei who is on the pilgrimage!”

# Chapter 5019

Zynn was so shocked by Charlie's words that he was speechless.

He really didn't expect that Charlie would promise to hold a grand wedding for him.

In fact, the reason why he begged Charlie just now was that after Roma agrees to his proposal,

Charlie would allow him to hold a small ceremony and banquet in the villa where he was under house arrest,

Just because he didn't want to owe Roma a wedding.

But he also knew his current situation. Charlie was very kind to him by letting the He family put him under house arrest.

Although he lost his freedom to go out under house arrest in Aurous Hill,

His other freedoms were not restricted in that villa.

He uses mobile phones, computers, the Internet and TV, and can contact anyone he wants to contact,

And Roma also takes good care of his food and clothing.

Despite the previous behavior of the Su family being a dog in the Cataclysmic Front, and attacking Wade family,

Zynn is already very grateful to Charlie for his lenient treatment of himself and other family members.

In this case, as long as Charlie could promise him to hold a small wedding in the villa, he would be very satisfied.

But how could he have thought that Charlie would give him such a big concession.

At this moment, all Zynn's inner dissatisfaction with Charlie dissipated in an instant,

And the only thing left was gratitude.

He tried to calm down his emotions, bowed deeply to Charlie, and said to him with red eyes:

"Mr. Wade, thank you...Thank you very much!"

"Thank you for repaying your grievances with virtue, I thank you so much!"

Charlie smiled lightly, pointed behind him, and reminded:

“Ms. He should be out soon, you should do the business as soon as possible.”

For Zynn, Charlie can no longer speak of hatred.

Since he can sincerely propose to Roma now, it is enough to prove that this person has lost his way.

What’s more, Charlie admires Roma’s single-mindedness and dedication to this relationship,

So Charlie naturally hopes that this love reaches a conclusion eventually.

Moreover, Charlie has also made up his mind. After the wedding time is set,

He will tell Ruoli in advance to let her plan a honeymoon trip for her parents,

And then use it as a gift for the two at the wedding,

And she will also be there at the same time.

At that time, it will officially be announced that Zynn’s house arrest is lifted and he is completely freed.

At this time, Zynn didn’t realize that Charlie had even bigger surprises waiting for him.

Immediately afterward, there was a sound of a latch popping from the bathroom door,

And Zynn's whole body was instantly shaken, and he hurried to the bathroom door to get ready.

In the bathroom, Roma had put on a dress that her daughter had bought in advance,

Her white and flawless arms were directly exposed to the air, and she looked very young and confident.

Ruoli opened the door and walked out with her mother,

When she suddenly saw her father, standing outside the door in a suit,

And at Zynn's feet, there was a large bouquet of roses.

At this time, Ruoli didn't think that her father was going to propose to her mother.

She thought that her father knew from Charlie that her mother was about to return to normal,

So he prepared flowers to celebrate.

At this time, Roma did not expect that Zynn would be waiting at the door,

And was a little surprised for a while? As for Zynn, due to being overly nervous,

He didn't realize that Roma had undergone tremendous changes at this time.

The moment he saw her, Zynn's nervous mind went blank for a while,

And then he remembered the steps that Charlie told him before, and his heart slammed,

And he immediately fell to one knee on the ground.

The moment Zynn knelt down, Ruoli instantly realized her father's true intentions,

And covered her mouth in disbelief.

And Roma seemed to be aware of Zynn's intentions.

She, who had just regained her former self-confidence, was so nervous that she couldn't add more.

After all, in her opinion, she has been a servant of the Su family for so many years,

And is not worthy of a man like Zynn, not to mention that she has been a disabled person for more than 20 years,

And subconsciously feels that the gap between her and him has long been the difference between clouds and mud,

And even if it is a dream, she dares not have any arrogance.

However, seeing Zynn in a neat suit suddenly kneeling in front of her on one knee,

Roma was so panicked that her heart was beating wildly, and she even lost her breath.

Zynn kept his head down. After kneeling on one knee,

He fished for the ring box from the inner pocket of his suit.

# Chapter 5020

Afterward, he held the ring box with one hand, opened the ring with the other,

Looked up at Roma's face with almost no trace of the years,

And said very emotionally: "Roma... for so many years,"

"I let you raise Ruo by yourself. It's really hard for you..."

Roma's tears kept flowing, but she just shook her head subconsciously and said softly:

"It's not hard... it's not hard at all... .."

Zynn's brain was confused, and as soon as he opened his mouth,

He found that he seemed to be in the wrong direction,

The ring box was already opened, shouldn't he propose first?

Thinking of this, he didn't know how to talk about the marriage proposal for a while,

So he could only bite the bullet and say, "That... I mean..."

"I haven't been able to be a father for so many years. The responsibility..."

"Made Ruoli suffer a lot of hardships and grievances..."

Ruoli saw that her father was in a mess, and while moved,

She couldn't help but choked and reminded: "Dad... What's the point you want to say?"

"The ring in your hand should be prepared for Mom, right?"

Zynn sincerely said: "Roma, I have really wronged you for so many years..."

"Today in front of Ruoli, I want to ask if you would like to marry me."

"If you are willing, for the rest of my life, I will I must do my best to make you two happy..."

Although Roma had realized what Zynn was going to do before,

She was still shocked when he asked if she wanted to marry him. She was speechless.

For her, marrying Zynn was something she didn't even dare to think about.

Strictly speaking, Roma never thought that she would marry Zynn in this life.

In addition to the huge difference between the identities of the two,

More importantly, since she had a relationship with him more than 20 years ago,

She has always been very ashamed of her involvement in the marriage of Zynn and Liona.

In the following twenty years, she hardly ever met Zynn again.

Even though the entire He family was serving the Su family,

And even the adult Ruoli was sent to Zynn's side,

Roma stayed in Mocheng and never set foot in the Su family again.

So, now Zynn suddenly proposed to her, and she didn't know what to do for a while,

So she was stunned and didn't move at all.

Ruoli on the side hurriedly urged: “Mom, what’s wrong with you? Dad is still kneeling on the ground!”

Roma came back to her senses and said in a panic,

“Eldest young master...I...I... I don’t know what to say...”

Zynn knew very well what Roma was worried about, and he said seriously:

“Roma, let’s stop worrying about what happened in the past, even without you,”

“My original marriage was not happy, not to mention that I am no longer the eldest young master of the Su family,”

“And there is no gap between you and me in terms of status.”

“Right now, I just want to live with you in a down-to-earth way.”

“After the rest of my life, I will give Ruoli a complete home.”

“Nothing else matters. If you think the Su family will make you uncomfortable,”

“I can give up all my rights and interests in the Su family.”

“Now I don’t ask for anything, just ask you can promise me!”

Ruoli couldn't help but persuade him: "Mom, just promise Dad,"

"Dad and Aunt Du have already divorced, and you have always had him in your heart for so many years,"

"Now Dad is proposing to you. , what are you hesitating about?"

"If you can become husband and wife, I will have a home in the true sense..."

Roma heard this, her psychological defense line loosened a lot.

Ruoli grew up in a single-parent environment since she was a child.

Although the He family loves her very much, she still cannot make up for the lack of her father's role.

Before the Su family did not provoke Charlie,

Roma even knew very well that Zynn would never publicly admit Ruoli as a daughter in his life.

But now, he is kneeling in front of him, and while proposing to himself,

He longs to give his daughter a complete home.

At this moment, all of Roma's concerns disappeared.

She said to Zynn with tears: "I promise you..."

Zynn immediately asked excitedly: "Really?! Roma, you really You promised to marry me?"

Roma didn't say anything, just looked at Zynn and nodded heavily.

Although this man whom she had loved for half her life was much older than her before,

And lost the heroic spirit of those days, she was still the most attractive one in her mind.

Before, she would always control her heart and restrain her emotions toward him.

But at this moment, her eyes were full of affection.

# Chapter 5021

Ruoli, who was beside him, was also very relieved,

And hurriedly urged: “Dad, please bring the ring to Mom!”

“Oh, yes!” Zynn came back to his senses and quickly took the ring out of the jewelry box.

And Roma didn’t get used to her right arm being recovered at all,

So she handed over her left hand subconsciously.

Zynn held Roma’s palm lightly, and when he was about to put the ring on her,

Ruoli reminded him again: “Dad! Men are on the left and women are on the right!”

“The ring should be worn on the ring finger of mother’s right hand!”

Zynn’s mind was completely blank at this time, and he had to rely on his daughter’s instructions,

So when he heard this, he said without thinking: “Oh, right, I forgot about this...”

Roma came back to her senses, not too skilled, she handed her right hand to Zynn.

Zynn was nervous and just wanted to put the ring on her quickly,

So he didn't notice anything unusual.

When he held the ring and carefully put it on Roma's right ring finger,

He suddenly realized that something was wrong.

He stared at Roma's right hand for a long time, followed it all the way up,

And found that the entire arm was actually grown on Roma's right shoulder!

At this second, he subconsciously looked at Roma and asked in horror,

"Roma...this...what's going on?!"

Because of the nervousness, Zynn, who was a little confused,

Has only just found out that Roma, who lost her right arm for more than 20 years,

Actually, become a normal person with healthy arms!

At this moment, he also thought that Roma was wearing some kind of advanced prosthesis.

So he subconsciously said: "This...Where is this prosthesis made? This...this is too real!"

Roma said gratefully: "This is not a prosthetic... ...."

"It was Mr. Wade who gave me an elixir, and after taking it, the arm that was missing grew back..."

"What?!" Zynn asked dumbfoundedly, "It grew back?! How is this possible?"

Ruoli on the side reminded: "Dad, you have seen Mr. Wade's magical powers on Waderest Mountain,"

"So we can't use our limited common sense to measure his ability."

Zynn's expression froze for a moment, and he immediately remembered what he saw on Waderest Mountain that day.

The unbelievably powerful of Joseph was also defeated in a single blow in front of Charlie.

And the second of the four war commanders of the Cataclysmic Front also died easily.

Charlie's strength and ability are indeed beyond his understanding.

Therefore, it seems that there is nothing incomprehensible about being able,

To come up with an elixir that can regenerate a severed limb.

Thinking of this, he couldn't help sighing: "I didn't expect our family to be blessed by Mr. Wade..."

Roma nodded lightly and said, "Young master, please get up first, I want to thank Mr. Wade!"

"Yes, yes!" Zynn was completely convinced, he quickly picked up the roses,

Handed it to Roma, and said seriously, "Let's go thank Mr. Wade together..."

Charlie, who was in the living room, heard the conversation between the three people,

And without waiting for them to come out, he immediately stood up and said loudly,

"The three of you can have a good chat, I'll go back to the room first."

Has already stepped out.

Ruoli hurriedly chased out, and Charlie was already out the door.

After hesitating for a second or two, she chased out the door and shouted at Charlie's back,

"Mr. Wade..."

Charlie turned around, glanced at Ruoli, and said,

"Don't do anything. I said you will accompany them back tomorrow."

"I believe your grandfather and the others will be very happy to know the good news."

"Why don't you go back and give them a surprise? Besides, when I return to China,"

"I will hold a wedding for your parents. If this daughter has any ideas,"

"She can find a wedding company in advance to start communication."

Ruoli was very moved, and quickly asked, "Mr. Wade, can I stay here and wait for your dispatch?"

“When you are here there must be many places where people need to be employed!”

Charlie waved his hand and said, “You don’t have to stay here,”

“Go back to accompany your parents, from today onwards,”

“You will be considered the only child of the family of three.”

After speaking, he said again: “Oh, by the way, go to my place to sleep at night,”

“There are many rooms, you can choose anyone and give them both a little private space.”

She stuck out her tongue, closed the door directly,

Ran towards Charlie lightly, and said with a smile,

“I don’t think I should stay as a light bulb... “

# Chapter 5022

One night, many people stayed up all night because of their happiness.

Ito Yuhiko was lying on the bed of the hotel at this time,

While he was pedaling his 'air bike' into the air, while looking at the chandelier with silly joy.

He liked the feeling of regaining his legs so much, if he wasn't afraid of his daughter's anger,

He would have wanted to go out and run three laps around New York.

The same goes for Tanaka Koichi.

He didn't lie on the bed for less than five minutes,

And he couldn't help but get down and walk around a few times,

And then put his legs on the table to look carefully and touch them carefully.

Roma didn't have much chance to experience the feeling of having her right hand again,

Because Zynn couldn't wait to carry her to the bedroom.

After more than 20 years, the two relived the passion of the year.

As for Duncan, who was the first to take Reshaping Dan,

He returned to his home in Houston with his wife, daughter, and son-in-law on the private jet of An family.

Since Stella endorsed him, his image in the eyes of his family is comparable to that of a superhero.

In their early years, his wife and daughter lived with him in New York.

At that time, he devoted himself to work and seldom asked about his wife and children.

And because of his identity as a policeman, he is quite strict with his wife and daughter on weekdays,

And the atmosphere at home has been very depressing without knowing it.

Later, his relationship with his family became tenser and tenser.

When his daughter was in college, she deliberately gave up the school in New York and chose to study in Houston,

In order to stay away from him so that she could breathe a sigh of relief.

The wife also took the opportunity to choose to accompany her daughter to study in Houston,

And began to separate from him in fact. But fortunately, the two sides have only been separated for a long time,

And it has not risen to the point of needing a divorce.

Duncan's daughter is not very good at her studies. She was rebellious when she was young,

And her father is a resolute detective who is more strict than ordinary parents.

Therefore, although her rebelliousness is struggling, she has never had a chance to emerge.

Although Duncan has lived in the United States for most of his life, He is a downright Chinese-style parent.

The way he treats his daughter's education can be summed up in the words

'excessive intervention and strict restraint'.

And because of the high pressure he brought, his daughter turned from rebellious to a relatively decadent school-weary mentality.

Because of this, the relationship between father and daughter has never been eased.

Duncan's income before retirement was almost \$400,000 to \$500,000 a year.

Although this income level is not low, it also firmly welds his family's social stratum to the middle class.

His daughter got married last year to a young Chinese man who graduated from a prestigious university and worked for NASA.

Although his son-in-law is somewhat talented, he is too high-spirited.

In addition, he is not valued very much in NASA, and he is even marginalized and thus a bit depressed.

Duncan understands his son-in-law quite a bit.

He is a professional in aerospace and has excellent education and skills.

However, because of his unrelated background, he has been suppressed where he works.

After returning home, Duncan left his family in the living room and said with emotion:

“It’s hard to come back, let’s have a meeting with everyone first.”

His wife, daughter, and son-in-law agreed without hesitation and sat on both sides of Duncan.

Duncan took out the \$10 million check given by Stella from his arms and said,

“As for this money, my current idea is to leave it all to the baby in Paula’s womb and make a family trust.

The daughter hurriedly said: “Dad, the child has not yet been born, you don’t have to think so long for him...”

Duncan said solemnly: “This is something I must consider because I did not think too much about you before.”

“That’s why our family is so alienated, and besides, I didn’t do it for you, but for your children and his future children...”

Speaking, he sighed: “I have more contact with your Uncle An and his family,

And I understand the truth. The reason why the rich in the West can keep getting rich is that their asset inheritance pays more attention to contracts, not blind inheritance.

So starting from the baby in your womb, we will also make a family trust,

And invest all ten million dollars into it. Before the child turns eighteen,

All this money will be used for the lowest-risk investment.

At the age of eight, it should be at least doubled.”

Duncan’s son-in-law couldn’t help but said at this time:

“Dad... there is something, I have been looking for a chance to tell you on the way back. But don’t be mad at me...”

Duncan looked at his son-in-law, nodded, and said, “Stephen, you can talk about it.”

The son-in-law hesitated for a moment, and then said bravely,

“When I was in the Anbang Building, Mr. Marsshal An talked to me,”

“And he said that the An family was willing to take out 100 million US dollars to make a trust for Paula’s children and me,”

“On the condition that if the child in Paula’s womb was a boy, we would give him the surname Li,”

“If it’s a girl, you can choose the surname Li, or wait for a boy to be born and let the boy’s surname Li...”

Duncan and his wife and daughter were both surprised.

Duncan was even more guilty. He didn’t expect that Marshal would tell his son-in-law about this in private, and quickly said:

“Stephen, don’t be angry, your uncle An told you this, mainly because you, Grandpa An is a bit of an old feudal person.”

“Don’t take it to your heart, let alone blame him...”

“No...” The son-in-law said awkwardly:

“Dad...I... ....I’ve...I’ve made my own...promise...”

# Chapter 5023

“You agreed?!”

Duncan was surprised and excited when he heard his son-in-law’s answer.

Although he said that Mr. An was an old feudalist, he was actually told by Mr. An for a long time.

He knows that the old feudalism should be criticized to some extent,

But he also agrees with the logic of Mr. An, that is: the surname needs to be inherited.

Whether it is a man or a woman, as long as there are descendants of the surname,

Then this line will surely be passed down. However, once there is a break in the middle,

This vein will completely withdraw from the stage of history within a few decades.

Therefore, if the son-in-law promised to give his daughter’s child the surname Li,

Then his family’s surname could continue to be passed down.

Because of this, he was very excited when he heard that his son-in-law had agreed.

However, he didn't expect that his son-in-law, a talented man who had always regarded himself very highly,

Would be so easily persuaded by Marshal.

The son-in-law also seemed a little ashamed at this time.

He explained embarrassingly: "Dad, it's not that I have no prospects..."

"It's just that the conditions offered by the An family were too tempting..."

"Even if I work hard all my life, I can't leave it to future generations. It is so much money..."

The son-in-law at this time was just eager to give himself the reason for compromising with money.

But he didn't realize that his compromise was the result Duncan was most looking forward to.

However, in order to wash away his shame on his dignity, he continued to explain:

“Dad, what Uncle An said is almost the same as what you said just now,”

“What he means is, first take 100 million US dollars as a trust, and the trust is operated by An family’s trust company,”

“And because An family’s trust company is backed by the resources of the entire An family,”

“Their income is much stronger than that of most trust companies on the market,”

“So at least about 8% a year yield, as long as I fulfill my promise,”

“After 18 years, this trust can be conditionally lifted!”

After speaking, the son-in-law continued with a little bit of excitement:

“Dad, I probably used a quick calculation in my heart.”

“If Under the condition that an 8% rate of return can be guaranteed every year, and calculated according to compound interest,”

“Then after 18 years, the child will become an adult,”

“And the money will be changed from 100 million US dollars to a full 400 million US dollars!”

Speaking of this, the son-in-law is even more emotional and excited, he couldn't hold back his emotions, and blurted out:

"Dad, Mom, Paula! What is the concept of 400 million US dollars!"

"Even if we don't move the 400 million US dollars principal,"

"We will continue to calculate it according to the 8% rate of return every year."

"Then the annual interest is 32 million dollars!"

"32 million dollars! And there are so many every year!"

"No matter how serious inflation is in the future,"

"32 million US dollars will definitely be enough for a family's daily expenses for a year!"

"At that time, we can give our children the best living standard,"

"The top educational resources, let them become the top group of people in society!"

"This is a step-by-step class leap!"

“Also, in addition to our annual interest income of 32 million US dollars,”

“This principle of 100 million US dollars is immovable. In this case,”

“As long as the An family Trust Company that we rely on does not go bankrupt, we can continue at an interest rate of 8%!”

“But what if the trust company goes bankrupt? The law has long stipulated that the trust company’s own assets,”

“And the client’s trust property is completely separated.”

“Even if he goes bankrupt, it is impossible to liquidate our money during liquidation!”

“We only need to change a trust company, just transfer the rights.”

“In other words, as long as the United States is still there,”

“Our money will always be there! This is the eternal preservation of assets and the eternal prosperity of the family!”

# Chapter 5024

The excited son-in-law, when he came to this point, his heart beat faster and his breath was short.

His whole face was flushed and sweat was pouring down, his eyes widened to the extreme involuntarily, and all the blood vessels were faintly bursting.

Duncan was a little dumbfounded when he heard it.

He couldn't help but ask: "100 million US dollars...can it have such a large amount of energy?!"

The son-in-law nodded his head without thinking:

"That's right! Dad! 100 million US dollars is such big energy!"

After speaking, he added: "Of course, the most important point here is that An family can guarantee us an annual net profit rate of 8%."

"Uncle An said that if the market environment declines, the net profit rate cannot reach 8%,"

"And there may even be losses. An family will also make up 8% of the net profit for our trust."

“For example, under normal circumstances, 100 million US dollars will add 8 million in the first year.”

“But if the market environment is not good this year, and only 90 million is left of the 100 million,”

“An family will give 18 million to ensure that our trust has 108 million remainings!”

“Yes! We don’t have to worry about loss at all when the An family endorses it,”

“We just need to wait for the trust income to be lifted after 18 years!”

Duncan’s wife and daughter were already dumbfounded, but Duncan said subconsciously:

“Stephen, this money. Is it not too much? How can our family,”

“How can we take so many benefits from others? This is really inappropriate...”

Duncan was not lying.

After listening to his son-in-law finish the calculation,

He realized that his family is not just giving him a sum of money, he is giving an indefinite and eternal promise.

As long as An family still exists, it will guarantee the interests of the trust.

This means that the An family has issued a long-term meal ticket to the Li family,

And the denomination of this meal ticket is still very high.

Therefore, although he expected that his son-in-law would agree to Marshal's request,

When he heard this, he also felt that the affection was too heavy, and he couldn't bear it.

But his son-in-law saw that he was a little hesitant, and said nervously:

"Dad! Don't forget about it, Dad! This is a great opportunity for our family to jump into the dragon gate.

If you miss it, you will regret it in your life!"

Having said that, he hurriedly winked at his wife Paula and blurted out,

"Paula, hurry up and persuade Dad!"

Paula was also frightened by this number, but she was not the same as her father.

Duncan has been a policeman all his life, and he has long looked down on life and death,

So he doesn't really care about money at all.

Otherwise, based on his relationship with An family,

He could quit his job as a police officer at any time in the past few decades of his life and go to them for a bite to eat.

And An family will definitely give him excellent treatment.

With An family's behavior and economic strength, maybe Duncan would have been now worth billions of dollars.

But Paula is different.

Paula's living conditions and the living environment from childhood to adulthood can barely reach the level of the American middle class,

But there are too many middle classes in the United States.

Moreover, Paula studied and lived in a capitalist society since she was a child.

It's just that she knew before that she yearned for the return,

But it was impossible to have the opportunity to achieve it.

But now, she suddenly realized that a rare opportunity is in front of her and within reach.

So she hurriedly said: "Dad... Even if it is for the sake of the children, you must accept it."

"If we have this trust, Stephen and I can have more children."

"In this case, our family will all of a sudden, will be prosperous."

Stephen couldn't help but blurted out: "Yes, yes! We must have more children!"

"And these children can all be surnamed Li, I agree with my hands and have no opinion!"

# Chapter 5025

Originally, Duncan admired his son-in-law very much, but he always felt that this boy had the energy to not be overwhelmed,

Not afraid of being poor, and not to admit defeat or bow his head.

To put it simply, he felt that his son-in-law was very similar to him, and even had a shadow of himself.

It is precisely because of this, and Duncan has no son himself, so he treats this son-in-law as a son sincerely.

But the performance of his son-in-law at this moment made him realize that, as a detective who has read countless people,

His views on his son-in-law are one-sided, wrong, and naive.

He used to think that he was the kind of noble character who was rich and could not be promiscuous,

But now it seems that he is just a bit high starting point for “prostitution”.

And this starting point, in the past, neither himself nor his son-in-law could touch it at all.

It is as if a person never knows if he is afraid of heights if he has never been there.

Some people are shouting that they are not afraid of the sky, but maybe their legs will become weak at a certain height.

At this moment, Duncan suddenly despised him. However, after thinking about it,

He felt that he was not the same? Although the boy didn't impress him, but about the so-called surname and bloodline inheritance, didn't he impress him?

Both he and his son-in-law have betrayed their own loftiness,

But one is kneeling in front of money and the other is kneeling in front of inheritance.

Stephen didn't know what Duncan was thinking, but when he saw that his expression was cloudy and sunny for a while,

The whole person couldn't help but feel a little worried, and couldn't help saying:

"Dad, can you do it, you have something to say!"

Duncan hesitated for a moment, sighed, waved his hand, and said, "Forget it, just do as you said!"

“Really?!” Duncan nodded heavily and said,

“This is your grandfather An’s heart, but it is really too heavy.”

“I will find a way to pay it back slowly in the future!”

Excitedly clenched fists. Immediately afterward, the two rushed over excitedly,

Hugging Duncan from left to right, and their excited expressions were beyond words.

On the other hand, Duncan’s wife Julie’s expression has not changed from beginning to end.

At this time, Duncan’s daughter suddenly remembered something and asked,

“Dad...then...that 10 million from Miss Fei...what are your plans for it?”

As soon as these words came out of Paula’s mouth, Stephen on the side also immediately looked at Duncan,

And blurted out subconsciously: “Yes, Dad, do you have a plan now for the 10 million yuan?”

The billions of dollars are to be placed in a family trust, and the trust must be conditionally lifted when the first child turns 18.

That is to say, even if Duncan has already agreed, they must wait 18 years for the golden mountain of 100 million US dollars to achieve a huge leap in class.

No matter whether it is a luxury house, a luxury car, or a luxurious upper-class life,

All of them have to wait eighteen years. If you count the child's expected due date of eight months,

Rounding up equals to 19 years. However, the \$10 million check given by Stella is different.

This is not a conditional family trust, but a real cash check.

Just take this check to any bank in the United States and it can be exchanged for \$10 million in cash.

Duncan listened to them asking about the 10 million, and couldn't help but said:

"Actually, my original idea was to put the money in the trust,"

"But the trust I checked did not have such a high annualized return of 8%."

"Calculated with an annualized income of about %, it will be almost 20 million after 18 years,"

“And then starting from the 19th year, the interest can be taken out every year,”

“Part of which is used as the child’s education fund, and part as the child’s living allowance, etc.”

“After the child gets married, you can withdraw one million US dollars at one time.”

“If you have more than two children, you can divide the two million US dollars equally,”

“And the rest will continue to be placed in the trust...”

As he said this, his daughter said hurriedly: “Dad...you can’t put this money into the trust anymore...”

“In that case, we will put all the money in 18 years before we can withdraw it,”

“From now on, we will still have many uncertainties in the next 18 years.”

“For example, if you move to Houston to live with us in the future,”

“And the child will be born in our house, we will always have to change it.”

# Chapter 5026

Paula continued: "For the older ones, Stephen and I don't have to live in an apartment in the city."

"We can come and live with you. In this case, you can also help us take care of our children,"

"And if there are more children, we may have to invite nannies,"

"There is still a lot of money needed to purchase all kinds of hardware..."

Duncan looked at the woman and asked her, "Paula, how do you mean to arrange ten million?"

Paula thought for a while, opened her mouth, and said,

"Dad, that's what I think, let's take a million dollars to exchange for a house,"

"We can change to a villa that is closer to the city, bigger, newer, better,"

"And then we can change the rest of the house. Upgrade the hardware,"

"Such as food and clothing expenses, cars, and home appliances,"

“And the rest will be put into more flexible financial management first,”

“And if necessary, you can withdraw at any time.”

Stephen couldn't help but agree: “Yes, Dad, I think this is more flexible.”

“With this money to support, we can choose a better private hospital for Paula to give birth,”

“So that her prenatal check-up during pregnancy can be more comfortable and convenient.”

Duncan hesitated for a moment, sighed, and said, “Well, as you said,”

“\$1 million to buy a house, \$500,000 to upgrade the family expenses, and another \$500,000 as a reserve for flexible withdrawals.”

“As for the remaining 8 million, all of them will be handed over to your mother.”

“How to arrange the specific arrangements is not counted by the three of us, your mother has the final say.”

Paula couldn't help but ask: “Dad, we only get the total amount.”

“Two million is it a little less... Why don't you take three million first...”

Duncan waved his hand: "I have made up my mind, what should I do first?"

"If you both feel there is another place to use the money next, go and apply for it with your mother."

After speaking, he looked at his wife and asked her,

"Julie, do you think this is okay?" Julie was stunned for a moment before returning.

When she came to her senses, she smiled and said,

"Duncan, if you want my opinion, you don't give me this money,"

"Isn't it a total of 8 million? Just put it in the trust, just get a short-term trust,"

"From now on, in the future For 18 years, take out 1/18 of it every year,"

"Until it is fully taken out after 18 years. As for how to use the money, we have the final say."

Duncan couldn't help but be a little confused, but he soon understood,

The wife also found that the child took money a little too seriously,

And didn't want to be the money manager directly.

So, he sighed softly and said, "Okay, just do it like this."

After speaking, he said, "Oh, by the way, if we want to buy a house,"

"Let's do it as soon as possible. I will go to another place in a few days,"

"I want to do something for the old man and Miss Fei."

Julie hurriedly asked: "What's the matter? Is it dangerous?"

Duncan smiled and said, "Don't worry, it's just to investigate something,"

"There is nothing dangerous, you know that the old man has a grandson who they have been unable to find,"

"He wants me to help him find the grandson, it's just looking for someone, there's no risk."

Julie breathed a sigh of relief, looking at her daughter and son-in-law,

Who were so excited that they couldn't control it and kept winking at each other,

She sighed silently. With a sigh, she stood up and said,

“Okay, Duncan, it’s getting late, let the children go back first, and we both have an early rest.”

The daughter and son-in-law didn’t think much about it,

And the two of them still had a lot to talk about in private,

So they agreed without thinking. After saying goodbye, they quickly drove back to their apartment in the city.

Seeing that Duncan was a little absent-minded and lonely,

Julie couldn’t help asking softly, “What’s wrong? Are you disappointed?”

Duncan smiled bitterly: “A little bit... a little bit.”

“I’m disappointed, but I think it’s understandable, so I’m more entangled.”

Julie nodded and said seriously: “Duncan, never test human nature, human nature is like this real world.”

Speaking of this, she changed the subject and said seriously: “But even the universe has boundaries!”

# Chapter 5027

When Yuhiko Ito and Koichi Tanaka were running in Central Park wearing masks,

Ruoli and her parents, after saying goodbye to Charlie thankfully,

Went to the airport and took a flight back to Aurous Hill.

Charlie stayed in New York for two more days.

After spending two days with Ito Nanako and other members of the Ito family,

Ito Nanako also reluctantly said goodbye to Charlie, and the family set off for Japan.

After Ito Nanako left, Charlie gave Cataclysmic Front an order to bring back Phaedra,

Who had handed over the contraband to Elaine.

Phaedra's real name is Sivana Yan. In recent years, she has been with her head and followed Georgina to go offline.

This person's main task is to pretend to be a female entrepreneur under the false identity of Phaedra Zong,

And bring contraband to those who are going out of the country and hand it over to that mule selected by Georgina.

Although this woman did not kill anyone with her own hands,

But she followed Georgina and gave her help and did harm many innocent victims.

If it is reasonable, she should also be dead.

However, considering that she is now the key to Elaine's release from prison,

The people at Cataclysmic Front left her alone.

As for her companion who was also full of evil,

She was killed by the soldiers of Cataclysmic Front and thrown into the desert near Las Vegas.

At the same time, the Cataclysmic Front officers also possessed the identity information of Phaedra's domestic family,

So they used this as a bargaining chip to ask her to take the initiative to confess all her crimes to the police,

Otherwise, not only would they kill her, but also let her family pay the price.

Phaedra, who knew that she could not escape, did not dare to disobey the demands of the Cataclysmic Front Palace.

She knew that if she confessed to the police,

Although she would never be able to get out of prison again in her life, she could at least save a dog's life.

Therefore, at the moment, she has no second choice at all.

When Phaedra was brought back to New York and surrendered to the New York police,

She was at the Bedford Hills Correctional Institution on the outskirts of New York City,

And it was time for the inmates to have lunch.

According to the regulations of the Institution, before lunch starts,

The early warning will conduct a roll call for each cell. After the roll call,

The door of the cell will open and everyone will go to the restaurant in an orderly manner.

After eating in the restaurant, everyone will then go to the playground to let the wind out,

Return to the cell after the wind blowing, and count the number of people again.

After confirming that it is correct, close the door and wait for the afternoon meal.

At this moment, Elaine didn't know that her good days had already begun shrinking.

Right now, the number of people in her cell has just been counted,

But even though everyone else has already started to line up,

Elaine is still lying lazily on the bed, leisurely reading a book with her legs crossed.

The prison guard who counted the number of people turned a blind eye to Elaine's behavior.

After confirming that no one had escaped from the cell,

The prison guard said loudly: "Now you can go to the restaurant to eat!"

After speaking, she came to Elaine and said attentively:

"Sister, today the kitchen made pasta with bolognese sauce and shrimp steak."

"I asked the chef to prepare you a marinade with tomatoes and eggs."

"If you need it, just go to the restaurant and find her directly."

The main reason why this prison guard is acting so good to Elaine is because the warden has specific orders to take care of her.

As well as she knew the former prison guard was reduced to a prisoner just because she offended Elaine.

Therefore, every prison guard at the Institution knows that Elaine has a very strong background,

So they are very respectful when they see her.

# Chapter 5028

The reason why the warden took care of Elaine was mainly that Elaine was the person Stella named her to take care of.

Stella's influence in New York is extraordinary, and it is by no means comparable to a small warden.

Therefore, for the warden, Elaine is a perfect opportunity for her to cling to the upper class,

So no matter what she doesn't want to miss it either.

It is precisely because of this that the prison guards in the entire Institution are even more afraid of Elaine.

And Elaine is not only authoritative in front of the prison guards,

Because the combat effectiveness of the three Cataclysmic Front Temple soldiers is really overwhelming,

The thorns, almost all of them have been cut several times.

Now it all stopped, and no one dared to be in prison for the slightest bit.

With the support of these three people, Elaine has long since become the veritable number one person and even gave herself a nickname, Bedford Hill Ghost.

At this time, Elaine looked at the prison guard, slowly put down the magazine reading in her hand,

And said with some dissatisfaction: "These magazines sent in the past few days are too boring,"

“The story inside is rotten and vulgar, and there’s no nutrition at all,”

“So can’t you show me a few books of “Zhiyin”?”

“Ziyin?” The prison guard is a native Chinese-American, so she doesn’t even know what “Ziyin” is.

So she asked nervously: “Sister Ma, what do you mean by “Zhiyin”?”

Elaine said arrogantly: “Zhiyin” is a very deep and literary book.

“These magazines are my favorite literary publications for so many years.”

“If it wasn’t for the prejudice against our writers,”

“The authors of “Zhiyin” would have won the Nobel Prize for Literature!”

The prison guard said embarrassedly: “Sister Ma, the Nobel Prize is not awarded by us, but mainly by the Swedes...”

Elaine frowned and asked, “Really? Why don’t I know?”

The prison guard quickly introduced: “Because Nobel was a Swede...he donated the money to give out the Nobel Prize.”

Elaine realized that she had missed out, and immediately snorted coldly and said:

“So what? What about Sweden and Switzerland? Isn’t it all controlled by you Americans?”

The prison guard hurriedly said: "Sister Ma, this Nobel... It really has nothing to do with the United States. ..."

Elaine said impatiently: "Oh, I won't talk nonsense with you anymore,"

"Hurry up and find a way to get me a batch of "Friends" to have a look."

The prison guard had to respectfully say: "Okay, Sister Ma, I'll go and find a solution for you now!"

Elaine snorted and waved her hand: "Okay, you can go out."

The prison guard nodded quickly and said: " Okay, Sister Ma, then I'll go out first."

After the prison guard left, a group of attentive female prisoners gathered around and said,

"Sister Ma, how was your rest?"

"Sister, let's accompany you to dinner!"

Elaine hummed and sat up slowly from the bed, she stretched lazily.

Later, she saw the obedient Chloe in the crowd.

That Chloe, the prison tyrant in the previous cell, has been trying every means to impress Elaine,

But unfortunately, in this cell, she has completely become Elaine's venting object.

Seeing Chloe, Elaine waved to her impatiently and said,

“Come on, Chloe, I have something to do with you.”

Chloe suddenly trembled nervously, and quickly asked respectfully:

“Ms. Ma, what’s the matter?”

Elaine asked coldly, “I can’t call you if I’m fine?”

Chloe kept shaking her head and said, “Yes, of course,”

“You can call me, I am at your disposal 24 hours a day...”

Elaine snorted in disdain and said sharply: “You and Jessica don’t go to dinner today,”

“Stay here and take everyone’s dirty clothes and clean them up,”

“If you have left one, I’ll slap you fifty times!!”

Chloe said in horror: “I...I just washed everyone yesterday.”

“The changed sheets, quilts, and pillowcases have been washed until twelve o’clock at night, can we take it easy...”

Elaine threw the reading in her hand directly on Chloe’s face, instantly smashing half of her face flushed,

And then said coldly: “If you dare to bargain with him, I will give you everyone’s pants and br@s in the future.”

# Chapter 5029

Elaine's icy voice made Chloe and Jessica pale in fright.

In recent days, their lives have been like hell.

What the two of them did to Elaine before, combined with Elaine's stubborn character,

It is doomed that the two of them will not have a good end.

And Elaine also started beating and torturing the two of them,

And gradually turned into the extreme humiliation and enslavement of the two of them.

She won't let them eat, find them all kinds of work, and watch them work hard,

Without a moment's breath, this is Elaine's favorite thing to do.

For example, when the weather is hot, she likes to go barefoot in the cell,

So the two of them have to take turns to wipe the floor at least five times a day.

If the soles of her feet get dirty after walking in the cell for a day,

Then the two of them will not want to sleep that night.

When others are sleeping, they have to kneel on the ground and wipe the floor all night.

Right now, Elaine asked the two of them to wash dirty clothes,

And neither of them dared to have any disobedience, so they could only accept it silently with tears.

Seeing that the two of them began to honestly collect the sheets and quilts that every one replaced,

Elaine sneered with satisfaction, then stood up and greeted the people around her: "Let's go, let's eat!"

The others quickly followed. Surrounded her and walked out of the cell.

Along the way, no matter who she meets, no matter what the identity, age, or skin color of the other party,

They will almost always greet Elaine respectfully saying "Hello Sister Elaine."

This feeling of responding to all kinds of calls made Elaine extremely satisfied and extremely inflated,

And the whole person was a little flirtatious.

When they came to the restaurant, the people who were queuing for dinner immediately consciously moved away from left and right.

The woman who was originally in the first line immediately said respectfully,

"Sister Elaine, please you first!"

Elaine hummed and took a step. Walking up, looking at one of the staff members, she asked,

"Is the tomato and egg marinade I wanted ready?"

The staff immediately nodded and said, "Sister Elaine it is ready."

With that, she took out a heat preservation box from under the dining table,

Which was filled with scrambled eggs with tomatoes made in Chinese cuisine.

Elaine nodded with satisfaction. This is what she specifically asked the prison guards to arrange for her.

Eating the meals provided by the prison every day really makes her feel a little bored.

In addition, they eat too much meat, sugar, and oil.

So much that she now misses the light and simple food of tomato and egg noodles.

Elaine winked at another prisoner beside her, and the other party immediately understood,

And hurried forward to take the insulation box, and then asked Elaine:

"Sister Elaine, where else do you want to eat?"

Elaine said lightly: "Just prepare a bit of everything and bring it over."

"Okay!" The prisoner nodded respectfully, and then, together with another prisoner,

Put all kinds of food on the plate, and followed Elaine to Elaine's royal palace dining table.

This dining table is by the window, with the best and most comfortable view.

Ever since Elaine became a ghost at the Bedford Hills Correctional Institution,

She has made a rule that she can only use this table in the future.

Originally, almost every day there would be quarrels and even conflicts between prisoners for this table,

But since she became the boss here, everyone will consciously stay away from this table to avoid angering her.

After all, Elaine not only has three extremely capable sidekicks,

But more importantly, from the prison guards to the warden,

They must give her face. It can be said that she is all in all here.

She came to her favorite table and sat down.

# Chapter 5030

The attendants on both sides hurriedly put the plates and lunch boxes in front of her.

A staff member also quickly brought a glass of iced Coke and said respectfully,

“Sister Elaine, this is sugar-free cola, you can drink it with confidence without worrying about blood sugar.”

Elaine hummed with satisfaction, took a sip of the cola,

And immediately felt a refreshing comfort in this hot summer.

She couldn't help but sigh in her heart: “This person is also strange.”

“I never want to drink Coke when I see it outside, but here,”

“Drinking a sip of iced Coke can be so satisfying.”

Thinking happily, the previous prison guard was in a hurry.

Running to her dining table, she said with joy,

“Sister Elaine, Sister Elaine! There is good news, Sister Elaine!”

Seeing her excited face, Elaine suddenly thumped, and couldn't help but blurted out and asked,

“What good news made you so excited.”

The prison guard hurriedly explained: "Sister Elaine, your lawyer is here!"

"My lawyer?!" Elaine's expression instantly froze, and she exclaimed:

"Is that James White? What is he doing here?!"

The prison guard said excitedly,

"He came to meet you, saying that there is great news to convey to you."

Elaine was stunned frowned and said: "Could it be... Did he clear my suspicions?!"

The prison guard said without hesitation: "It should be,"

"Otherwise how can it be called good news?! Sister Elaine, congratulations to you,"

"You will be able to clear your suspicions and regain your freedom soon!"

Elaine's expression was a bit depressed, and she thought to herself:

"But I don't want to recover my freedom now..."

"If I recover now Now that I am free, how can I be a ghost in Bedford Mountain?"

The prison guard saw that Elaine was a little lost, and couldn't help reminding:

"Sister Elaine, the lawyer is waiting in the interview room now, do you want to go now?"

After speaking, she hurriedly said: "Sister Elaine, why don't you eat first,"

"It's the same thing before you go after you've eaten enough,"

"Just let the lawyer wait in the meeting room for a while."

Elaine felt a little bit in her heart. Unsteady, what is going on,

She has to see James White before she can eat know.

So, she stood up and said, "Take me to see him first, otherwise I really can't eat!"

With that, she followed the prison guard to the interview room of the correctional institution.

At this point, New York's most famous criminal lawyer, James White, was already waiting here.

Seeing Elaine come in, he immediately stood up and said with great respect:

"Hello, Ms. Ma, we meet again."

Elaine nodded absently, and then asked him:

"What did you come to see me for? Is something wrong?"

James said with a smile: "Ms. Ma, I came here to tell you good news,"

"The woman who handed you the contraband at the airport has finally been brought to justice!"

"What?!" Elaine blurted out and asked, "Are you talking about Phaedra?"

James explained: "That woman's real name is not Phaedra, her name is..."

Elaine put it down impatiently and waved her hand, interrupted him, and said,

"I don't care what her name is, I just want to know what the state of the matter is now."

James thought that Elaine couldn't wait to go out, so he looked excited

"According to my informant in the NYPD, the woman has confessed to the police what she did,"

"And the police can now basically confirm that you are innocent,"

"But the police still need to go further with some legal process, and when it's over,"

"You'll be issued a certificate that you really didn't know anything about it,"

"And then a document will be sent to Bedford Hills Correctional Institution, and then you'll be free ."

When Elaine heard this, she quickly asked, "Then when will they let me out?"

James looked at the time and replied, "I'm afraid it's a bit late today, but tomorrow will be fine!

"Ah?!" Elaine blurted out with a look of disappointment:

"Then what... can't we let them slow down for a few more days?"

# Chapter 5031

Elaine's words made James stunned on the spot.

He subconsciously asked: "Ms. Ma, what do you mean by a few days' delay?"

Elaine said angrily: "A few days later is the literal meaning,"

"Just let them be a few days later, don't be so anxious!"

James' whole person was instantly embarrassed.

He really couldn't understand why Elaine made such a strange request.

Confused, he couldn't help but ask: "Ms. Ma, I'm a little confused,"

"Don't you want me to get you out of here as soon as possible? Why don't you want to go out now?"

Elaine said seriously: "To tell you the truth, I have fallen in love with this place,"

"The people here are very friendly, and I have made a lot of friends here."

"I'm not an American, and I'll be returning to China in a while."

In fact, Elaine has no real friends here at all,

And some are just flatterers from all over the world.

These people are respectful and flattering to her every day, and even make her feel like a queen.

It is not easy for ordinary people to experience this kind of feeling.

After all, the free world has always been a place where there are people outside the world,

And it is difficult to find the feeling of being self-reliant.

But in a small environment like a prison, it is relatively easy to implement.

So Elaine also knew very well that if she left Bedford Hills Correctional Institution,

She would never be able to find this kind of self-serving experience.

James was also a little confused at this time.

He really couldn't figure out why Elaine fell in love with this ghost place.

So, he said embarrassedly: "Ms. Ma, this matter is not up to you and me now."

"In this matter, it all depends on the efficiency of the police."

If they are efficient enough, you will be released soon."

"Of course, if their efficiency is slow enough, maybe you can stay here for a few more days."

Elaine suddenly thought of something, and quickly said to him:

"By the way, aren't you invited by my son-in-law's client?"

“Then can you ask my son-in-law’s client to help me clear the way with the police,”

“So that they don’t let me out for the time being,”

“Wait another 10 days or so, and let me out in another ten days!”

Because the case is almost closed, Elaine’s situation is equivalent to taking a reassurance pill.

Although she had been very comfortable here before,

She was somewhat worried, what if she couldn’t get out by herself?

Prison life is fun, and it’s fun to be a ghost in Bedford Hills, but it’s all based on experiencing life.

If she really can’t get out, so that this kind of life becomes normal, then she can’t stand it.

But now she can be completely relieved, Phaedra has surrendered,

And her grievances have been washed away, so she can leave whenever she wants.

That being the case, she would prefer to stay at ease for a few more days.

James was a little embarrassed at this time, but he had a goal of not disappointing customers,

So he immediately agreed and said, “Ms. Ma, don’t worry, I will help you with this matter!”

Elaine breathed a sigh of relief and said, “Then don’t forget, I’m waiting for your good news.”

...

The first thing James left Bedford Hill Correctional Institution,

He immediately took out his mobile phone and called Douglas, the old man of the Fei family.

On the phone, he reported Elaine's strange performance to Douglas one by one,

And Douglas hurriedly conveyed Elaine's demands to Charlie word for word.

When Charlie was on the phone and heard Mr. Fei say,

That Elaine didn't want to leave the prison for the time being, he himself felt dumbfounded.

He really didn't expect that his mother-in-law would be addicted to squatting in prison.

It seemed that she had a really good life at the Institution.

At this time, Douglas on the other end of the phone said respectfully,

"Mr. Wade, it's not too difficult to keep your mother-in-law in Correctional Institution,"

"I can call friends from the judicial department to say hello."

# Chapter 5032

Charlie said without thinking at this time:

“Forget it, don’t bother, let’s arrange for her out of prison tomorrow.”

In fact, Charlie didn’t want to let Elaine out so early.

After all, he doesn’t really look forward to see her face every day.

However, he also has to consider the feelings of his wife.

He has been away from Providence for some time. During this time,

His wife goes to school and lives alone, and she has to worry about Elaine in prison.

Life is a bit torturous for her.

Although she was 100% sure that he could bring Elaine out at any time,

In her view, even if she was more sure of what he said, she would still feel insecure.

After all, from her point of view, her mother was framed this time and stabbed out a big basket,

And she might be sentenced to life imprisonment for the slightest carelessness,

So she could not reassure herself completely before her mother was released from prison.

Charlie didn't want Claire to continue to worry,

So he planned to let Elaine come out tomorrow, and then take her to Providence,

So that Claire could feel at ease as soon as possible.

Right now, at Bedford Hills Correctional Facility.

Since Elaine met James White, her mood has become uneasy.

When she returned to the restaurant, she lost her appetite even for the tomato and egg braised noodles.

When a group of people saw that she was in a state of dismay,

They hurriedly asked, "Sister Elaine, what's wrong with you? Did something happen?"

Elaine shook her head dejectedly and said,

"It's nothing, you don't have to worry about it."

Elaine didn't want to tell them that she might be leaving soon.

In that case, it is estimated that many of them will celebrate with the crown.

Even inmates in other cells will celebrate the departure.

Therefore, Elaine decided not to say a word,

And let every second she stayed in the Bedford Hills Correctional Institution be fearful.

However, in order to ensure that she could stay in prison for a few more days,

She used the public phone in the playground to call Charlie when she was out for fresh air.

After Charlie connected, Elaine hurriedly said on the other end of the phone:

“Good son-in-law, it’s Mom!”

Charlie said politely: “Mom, how are you doing these two days?”

Elaine said repeatedly: “All fine. Good, very good,”

“I called you just to tell you don’t worry about Mom, I am okay inside.”

Charlie snorted and said, “That’s good, by the way, Mom,”

“I heard about the suspect who lied to you. The person has been caught, I believe you will be out soon.”

Elaine hurriedly said: “Good son-in-law, I am calling to talk about this matter,”

“Can you help Mom to tell your client and let them find a relationship,”

“Don’t let me come out so early, I don’t want to come out now...”

Charlie pretended to be curious and asked, “Mom, what’s wrong with you?”

“It’s hard to get a chance to regain your freedom. Now, why don’t you want to come out?”

Elaine said hesitantly: "That... the thing is that mom made some friends in here,"

"And I'm quite speculative with these people. I want to talk to them every day."

"So I want to stay for a few more days! Charlie, I don't care! You must help Mom find a way!"

Charlie said vaguely: "Okay, then I'll give it a try, but I'm not sure it will work."

Elaine reminded: "It must be done! If you can't help your mother,"

"She will give the prison guard a big mouth immediately so that they could lock me up again!"

Charlie smiled helplessly: "Okay. Okay, I'll help you think of a way to make you satisfied."

"It's almost the same!"

Elaine hung up the phone contentedly after receiving Charlie's promise.

However, Charlie didn't have any idea of helping Elaine get her wish.

He directly sent a voice message to Joseph, which read:

"Joseph, all the people you arranged for the Bedford Hills Correctional Institution can be evacuated,"

"And find a way to let them complete their evacuation tomorrow at noon."

Joseph immediately replied with a message:

“Okay, Mr. Wade, your subordinate will make arrangements!”

# Chapter 5033

Charlie knew Elaine very well every move of her in prison

He is very aware of her acting style and thinking logic.

Now that she has fallen in love with Bedford Hills Correctional Institution,

And liked the feeling of being intimidating there and being a ghost,

Then if she doesn't take his request seriously, she should let her be.

She will be released from prison tomorrow, so she should definitely be unwilling.

In this way, whenever she thinks about her wonderful life in there, she will definitely criticize him later.

So the best way is to let herself decide to leave that place.

Don't look at how happy she is now, but it's not difficult for her to decide to leave by herself,

As long as the three female soldiers are evacuated,

She will definitely change immediately, like crazy, and want to come out quickly.

Elaine doesn't know what kind of routine her good son-in-law has prepared to deal with her.

In order to ensure that Charlie could keep her in Bedford Hill Correctional Institution,

After dinner, she was going to call him again to inquire about the progress of the matter.

On the playground, the Chinese prison guard saw Elaine and said very politely:

“Sister Elaine, what are you doing in such a hurry?”

Elaine said worriedly: “Oh, the lawyer was here at noon today. Wasn’t he?”

“Told me that my case has been settled and that I will be released tomorrow.”

“Really?!” The prison guard said in surprise: “Congratulations to you,”

“Sister Elaine, you will be free soon.”

Elaine waved his hand: “To tell the truth, I don’t want to go out yet,”

“So I’m going to call my son-in-law and ask him to say hello to the boss of the New York police system,”

“And let me stay here longer. a few more days.”

The prison guard asked in surprise: “Sister Elaine, why are you doing this?”

“Everyone here wants to go out early, why do you want to stay for a few more days?”

“This kind of opportunity to experience life, I also want to know more about,”

“Feel more about life in American prisons, and introduce myself to my friends when I go back in the future.”

Although the prison guard didn't understand, she still said with a very polite smile:

"Sister Elaine, I think you are here to experience the hardships of the American people..."

As she spoke, she suddenly remembered something and said quickly,

"Publishing books is very popular here, not only by simple writers,"

"But also by some writers with special experience also like to publish books,"

"You shouldn't be accumulating materials for your own writing, right?"

Elaine's eyes lit up, and she said, "Oh, this is a good reason, this..."

Thinking of it, she hurriedly said to the prison guard:

"I won't tell you first, I'll go and call my son-in-law!"

On the phone, she asked him, "Good son-in-law, how is the work that Mom asked you to do?"

She thought of the flash of inspiration just now, and said to him,

"By the way, good son-in-law, Mom wants to stay here for a few more days,"

"Not just for fun and making friends, but Mom also wants to go back and be able to write a book or something,"

"Such as 'The Days I Was in Prison in the United States',"

“To expose the darkness in American prisons, maybe it will be a hit!”

# Chapter 5034

Charlie was stunned, Elaine writing a book?

To reveal the darkness in American prisons? Seems like she's the darkest one at Bedford Hill Correctional Facility right now?

However, he didn't say anything, just smiled slightly, and said in a very determined tone:

"Mom, don't worry, I have already greeted my client,"

"And he said that he will definitely help you clear the relationship,"

"So that if you don't want to, the New York police wouldn't let you out so soon."

"Okay!" Elaine burst into a smile when she heard this.

For her now, the flowery world outside is still a little unremarkable,

And she feels more satisfied with the dominance of Bedford Hills Correctional Institution.

So, she said happily: "It's still my good son-in-law who has the ability!"

"It's amazing to be able to find a relationship so in New York!"

Charlie laughed and said casually: "It's a coincidence,"

"There just happens to be a client. Otherwise, I couldn't help you much here."

Elaine said with a smile: “Oh, okay, it’s good to be able to help!”

“Good son-in-law, then mom won’t keep you busy,”

“You help mom Say hello to Claire and tell her not to worry,”

“And also, you don’t have to wait in New York all the time,”

“Go back to accompany her first, and Mom will come out in ten days and a half.”

“Okay.” Charlie opened his mouth and said,

“I’ll tell Claire in a while, so you don’t have to worry about it.”

After hanging up the phone, Elaine was overjoyed.

She happily hung up the phone, and when she turned her head,

She bumped into a woman’s back. The woman turned her back in anger but

When she saw Elaine, she immediately bowed respectfully and said “Sister Elaine!”

Seeing her shivering nervously, Elaine couldn’t help sneering, and said casually,

“I am in a good mood now, so I am letting you go this time.”

After speaking, she turned her face and walked away swaggeringly.

On the playground, everyone who saw her still respectfully greeted her, which made her mood even better.

But she still doesn't know that all this is about to usher in a drastic change tomorrow!

...

The next day.

The first thing Elaine did after getting up was to vent on Chloe and Jessica.

Seeing that the two of them were still sleeping on the bed,

She immediately went to the bathroom to bring out a basin of cold water,

And poured half of the water on Chloe's body.

She poured the remaining half of the basin onto Jessica, who was curled up on the other bed.

Jessica also screamed in fright, and then jumped up from the bed.

Seeing Elaine standing in front of her with an empty basin,

The two wet people dared to be angry but did not dare to speak.

Elaine looked at Chloe and asked coldly,

“What do you think I'm doing? Why don't you get up and work!”

Chloe cried and said, "We did laundry until the early hours of the morning,"

"And we just fell asleep three or four hours ago. Can you still let us live for an hour?"

Elaine said contemptuously: "It's already cheap for you to sleep for three or four hours!"

"Get up quickly and wipe the floor for me, if there is dust on my feet, look if I won't kill you!"

Elaine has a deep hatred for Chloe.

In her opinion, even her mother-in-law was not as pure evil as Chloe.

# Chapter 5035

In addition, Elaine herself is a character that must be punished.

Now that she has become the boss here, she will naturally retaliate on Chloe.

Chloe dared to be angry but didn't dare to speak,

So she could only get up quickly, and with Jessica, went to the bathroom to change into clean clothes,

So she began to kneel on the ground and wiped the floor with all her might.

After everyone moved freely in the cell for a while,

The prison guards came over and began to roll the call.

After the name was called, the prison guard suddenly said, "Evelin Chen, Shaniya Wang, Anika Luo,"

"You three come back after dinner to prepare, and pack your personal belongings,"

"And you can go through the formalities for getting out of prison before noon today."

As soon as this came out, Elaine's expression suddenly became extremely horrified.

The three names that the prison guard called were the three female soldiers of the Cataclysmic Front,

who were Elaine's biggest supporters at this Institution?

It is precisely because of the unparalleled combat effectiveness of these three people,

That no one dared to provoke Elaine here.

As for those former prison bosses, who had tried to challenge Elaine's authority,

They were all taught a good lesson by these three.

Later, all those who were unconvinced were beaten and feared,

And Elaine became a well-deserved Bedford Mountain ghost.

However, she never thought that the three big backers who supported her,

To become the Bedford mountain ghosts would suddenly be released from prison!

Nervous, she immediately asked, "What's the matter?! They...they are going out now?"

The prison guard smiled, nodded, and said,

"The defendant in their case has been withdrawn, and it can be done today. They will be free again."

As she said that, she looked at Elaine and said with a smile,

"By the way, Sister Elaine, I asked the kitchen to prepare soy milk fritters for you. You can try it later."

Elaine stayed on the spot. What soy milk fritters, she is so scared that her face is blue and white now.

The three female soldiers were also a little surprised.

Because the order they received before was to protect Elaine at the Bedford Hill Correctional Institution.

Therefore, in their opinion, only when Elaine is released from prison first will it be their turn.

But they never imagined that they would be released from prison in front of Elaine.

The three of them are also very clear that they have helped her during this time,

And established absolute prestige in the Bedford Hill Correctional Institution,

But at the same time, they have also made countless enemies.

Because the three of them were by Elaine's side 24 hours a day,

Those who were beaten naturally did not dare to make trouble.

However, if the three of them are released from prison first and only Elaine is left,

Then will she not be beaten to death by these vengeful people?

No one else will say it, just Chloe, who is in the same cell, will probably kill Elaine!

Elaine was also trembling with fright at the moment.

She never dreamed that the transition from heaven to hell would come so quickly!

When Chloe, who was kneeling on the ground and mopping the floor,

Heard this, the whole person immediately cheered up.

She knew very well that Elaine's protective umbrella here mainly came from two aspects,

And the first to bear the brunt were these three women who were particularly capable of hitting.

The second is the special care that the prison guards gave her.

And what really troubled Chloe was the three women living in the same cell.

Chloe hated Elaine for a long time. When she heard that the three women are going to be released from prison,

The first thing that came to her mind was to wait for the three women to leave,

And after everyone had finished she will beat Elaine to death.

# Chapter 5036

As for what would happen after Elaine tells the prison guards,

Chloe had completely ignored it at this time.

During this period of time, she was tortured by Elaine in an inhuman form,

And she just wanted to work hard for her.

The reason why she has been restrained is that she knew that with these three women, it is useless to try her best.

But after waiting for the three women to leave, the desperate opportunity came!

At this time, Elaine was in a panic and fear filled her heart,

And she also gave Chloe a look. When she saw that Chloe was secretly aiming at her with extremely vicious eyes,

Elaine only felt a chill in her back.

At this time, she could not wait to slap herself a hundred times on her big mouth.

She pondered nervously in her heart: "Dmn...isn't this a finished calf?"

"It's not...If I knew that the three of them would be released today,"

"Yesterday I would ask Charlie to Hurry up and get me out of prison today!"

“It’s good now... Charlie has already greeted his friends and helped me to stay here for a few more days,”

“Then when the three of them leave, am I going to die here?”

At this time, the three female warriors of the Cataclysmic Front were also a little worried.

Among them, Evelin, the leader, couldn’t help but said to Elaine:

“Sister Elaine, we are leaving, you must take care of yourself!”

Elaine was about to cry, and she held Evelin’s hand tremblingly, cried, and said:

“Evelin, Evelin, you can’t leave me here, Evelin! If you leave like this, what will I do, Evelin...”

“Chloe and Jessica, these two b!tches, can’t wait to strip me alive?”

“There are others in other cells... They must all want to kill me...”

Evelin helplessly said: “Sister Elaine, I... I don’t know how I can go out so soon,”

“I thought I had to go out later than you... When we leave, You must take good care of yourself,”

“Or you should hurry up and find a way to get out as soon as possible...”

Elaine choked and said, “It’s too late to say anything...”

“Even if I want to go out, I have to call my son-in-law first,”

“And ask my son-in-law to quickly think of a way, but you all leave before noon today.”

“Even if my son-in-law can get me out in the afternoon,”

“I’m afraid I won’t survive the period from noon to the afternoon...”

After speaking, she looked at Evelin and said expectantly:

“Evelin Why don’t you hurry up and do something! Go out and hit a prison guard,”

“Or beat a few prisoners in front of the guard, so you can be locked up again?”

Evelin was stunned, then shook her head and said: “Sister Elaine...”

“The judicial system doesn’t work that way. Even if I beat the prison guards here,”

“It wouldn’t just keep me in jail, they would definitely notify the police first.”

“I get caught, and then the police will charge me to the court,”

“And then the court sentences me to come in before that I couldn’t come in.”

“Then when I come in, it is estimated that it will be two days later... “

Ah?!” Elaine was as anxious as an ant on a hot pan,

And kept spinning in circles. She cried and muttered in her mouth:

“It’s finished, it’s finished, this time I’m really finished!”

Speaking, she suddenly came back to her senses and said nervously:

“No, I have to hurry up and call my good son-in-law and let him quickly find a way to save me...”

Evelin comforted her and said:

” Sister Elaine, don’t worry first if you want to make a phone call,”

“You have to wait for the wind time, or go to a meal first!”

Elaine said in a panic: “I have the heart to die now, how can I still have the mood to eat...”

After she finished speaking, she mumbled to herself with tears in her eyes,

“My good son-in-law, it’s up to you whether Mom can get out alive...”

“You can and you must find a way to save your mother...”

# Chapter 5037

When Elaine was in a state of despair, while she was absent-mindedly grabbing breakfast in the restaurant,

The news that the three powerful inmates were about to be released from prison,

Had already spread throughout the Bedford Hills Correctional Institution.

Everyone knew that the reason why Elaine was able to make a kingdom here was mainly,

Because she had three women who were powerful enough to be perverted.

Now, these three women are suddenly going to be released from prison,

This means that Elaine will completely lose her asylum!

As a result, many people who were suppressed, humiliated by Elaine,

And even cleaned up by the three females, began to ignite the flame of revenge in their hearts.

Everyone was looking forward to repairing Elaine after the three people leave,

To see if she was still the so-called Bedford Mountain ghost.

Because of this, throughout breakfast time,

Elaine could always feel the eyes and threats from all directions.

The flustered Elaine, after breakfast, went to the playground to grab a public phone as soon as possible,

Got the phone, and called Charlie immediately.

After receiving Elaine's call, Charlie didn't find it strange at all,

And asked with a smile, "Mom, why did you call me so early?"

"I have already done everything you asked me to do yesterday,"

"And it is expected that the New York police will be there after a week,"

You will regain your freedom. During this time, you can have a good time in there with your new friends,"

"And by the way, you can also accumulate some materials for the book you want to write."

Elaine suppressed the fear in her heart and blurted out:

"Good son-in-law, about that...you better let them release me quickly, I don't want to stay here..."

Charlie pretended to be surprised and asked, "Mom, why did you suddenly think about it again?"

"I just said hello to them, I'm afraid it won't change anymore..."

When Elaine heard this, she was even more frightened,

And even her voice was a little nervous and pleaded:

“Good son-in-law, please help me to find a way to get my mother out as soon as possible,”

“It is best to let your mother get out of here before noon today.”

“I really don’t want to stay here for a minute!”

Charlie asked inexplicably: “Mom, what’s wrong with you?”

“Actually, I think your motivation for writing a book yesterday was really great.”

“When your book is finished and published in China at that time,”

“We will also be able to let people see the unknown side of the United States, and maybe even win an award!”

Elaine saw that Charlie actually believed her nonsense remarks and it made her feel extremely annoyed,

But she didn’t dare to let him know the truth, so she could only bite the bullet and say;

“You also know about Mom’s situation, how can someone like me be able to write books?”

“Ah! If it’s not well written, wouldn’t it make people laugh...”

After speaking, she couldn’t wait to ask: “Good son-in-law,”

“Can you get Mom out today? I can’t stay any longer! Please help Mom!”

Charlie pretended to be surprised and asked,

“Mom, what happened to you? Did you get bullied inside?”

Elaine wanted to follow Charlie’s words, tell him that she was indeed bullied in prison,

She believes this will make Charlie pay attention and get her out quickly.

But after thinking about it, in the future, she still wants to rely on the stalks of the Bedford Mountain Ghost to brag to others.

If she now admits that she was bullied in prison,

How can she tell others vividly about her time in the future?

The legendary experience of the Bradford Hill Correctional Institution?

Thinking of this, she could only quickly explain: “Mom mainly misses you,”

“And I dreamed of Claire last night, so I thought that I would call you when I had a meal early this morning.”

“It’s better to go out early, go out early and see Claire sooner...”

# Chapter 5038

Charlie thought for a moment, and said with some embarrassment:

“Mom, I will definitely help you with this matter, but I don’t know if it can be done.”

“Sure, if you can’t come out today, you will work hard and persevere,”

“And I will try my best to let you come out tomorrow or the day after.”

Elaine said nervously: “Good son-in-law, can you be in a hurry, not tomorrow or the day after tomorrow!”

“Think of a way to see how I can go out today...”

Charlie snorted and said, “I call my friends and wait for my news first.”

Elaine hurriedly said: “Good son-in-law,”

“Then I will call you at noon! You must help Mom find a relationship!”

“Okay.” Charlie deliberately trying to make her nervous, he reminded her:

“Mom, I’m still saying that, you just told me yesterday that you don’t want to come out for the time being,”

“But now you suddenly are telling me that you want to come out today,”

“I really don’t know about it. Can’t give a 100% guarantee.”

Elaine was extremely annoyed at this time, but she also knew that her request was too sudden,

And it might be really difficult for Charlie to fish her out before noon,

After all, from now on there are only four hours left for lunch.

Thinking of the urgency of time, Elaine's heart immediately became uneasy,

But now she can only tell Charlie: "Good son-in-law, you must do your best!"

After speaking, she thought to herself: "If he still does it at noon I'm not sure,"

"I'll call him again during the lunch break, and then I won't care about my face,"

"Crying and begging him to let him find a way to take me away..."

Hanging up the phone, she walked through the playground in a panic,

Looking for the three females. This time, no one of the other prisoners encountered by passing by called her Sister Elaine respectfully.

Everyone looked at her with a smile that was not a smile.

It's because the three ladies haven't been released from prison,

So everyone doesn't dare to directly trouble Elaine.

At this time, Elaine came to the three and said worriedly:

“You haven’t left yet, the eyes of these people looking at me are not quite right, if you leave, what should I do?”

“...”

Evelin, the leader of the three, quickly suggested to her:

“Sister Elaine, then you have to find a way to get out!”

“It’s difficult for the prison guards to guarantee your safety 100% here,”

“Not to mention that Chloe and Jessica are eyeing you.”

Elaine nodded again and again: “I’ve already called my son-in-law,”

“But I don’t know if he can get me out as soon as possible...”

After speaking, she asked Evelin: “Evelin, can you teach me?”

“A little self-defense, in case anyone troubles me, I at least have the ability to protect myself.”

Evelin said embarrassedly: “Sister Elaine, I can teach you,”

“But it is impossible for you to learn it in one day...and even if you learn it,”

“It’s hard for you to take advantage of Chloe and Jessica at your age.”

“Then what to do...” Elaine was extremely flustered, and then she suddenly thought of something,

And quickly said to Evelin: "Evelin, why don't you do this!"

"Don't you guys want to go back and start packing your personal belongings later?"

"Why don't you take this opportunity and find an excuse?"

"I'll give them an excuse to repair them!"

"It's better to break their legs so that they can't do anything to me!"

Evelin was stunned, if Elaine made this request yesterday,

She must do it immediately without saying a word, after all, this is the task given to her by the Supreme Commander.

However, things are different now.

Joseph had told them a long time ago that under normal circumstances,

They would protect Elaine at the Institution until she is released from prison, and they had to obey her.

But if they are released early, the signal would mean an emergency termination of the mission.

And once the mission is terminated urgently, they must no longer actively interfere with Elaine's situation!

So Evelin said embarrassedly: "I'm sorry, Sister Elaine,"

“Although we got along very well during this time, we are not your bodyguards,”

“Not to mention, we are finally going to be released.”

“In this case, we cannot cause trouble, so from now on, you’re on your own.”

# Chapter 5039

With Evelin's words, Elaine fell into a cold ice cellar.

She was not in the mood to bother her if her request was too much.

She only knew that Evelin, who had been covering her at the Institution, was no longer concerned with her life.

The uneasy Elaine sat alone on the bed,

Watching Evelin and the two pack their personal belongings, she panicked and was afraid.

Staying up until noon in anxiety, the prison guard came to the cell again.

After the roll call was over, she said to Evelin and the others,

"Have you three packed your things? Your lawyers have arrived."

"Now you can go through the formalities with me and prepare to be released from prison."

Evelin nodded. She opened her mouth and said,

"We've all packed up, and we can leave now."

"Okay." The prison guard said, "Come with me."

After that, she took Evelin and the two and started to leave.

At this time, Elaine hurriedly asked:

“Is there any news about me? When will you let me out?”

The prison guard asked in surprise, “Sister Elaine,”

“Don’t you have to wait a few more days to get out of prison?”

Elaine blurted out: “I’ve already called my son-in-law and asked him to get me out today,”

“Haven’t you received the news?”

The female prison guard shook her head and said, “I haven’t received any news yet.”

“Today it is only three of them getting released from prison in your cell, and no one else.”

Elaine immediately became nervous and blurted out,

“Stephene, please say hello to your warden and tell them my case has been overturned,”

“And the person who framed me has also been caught, can you release me earlier?”

“This...” The female prison guard said embarrassedly,

“Sister Elaine, it’s not up to us to let people go, it’s up to the police or the court,”

“Or you can go to the playground after the meal later. Call your son-in-law to ask?”

Elaine could only nod her head uneasily, and at the same time she made up her mind,

That when she goes out later for fresh air, she must call Charlie as soon as possible,

And let him rescue her, if it was really impossible,

At least she had to let the prison guards put her in the solitary cell,

Otherwise, she might really be beaten to death.

Afterward, the prison guards took away the three,

While the others began to line up at the restaurant.

The three had just left, and Chloe, who had been suppressed by Elaine recently,

Walked up to her, gritted her teeth, and whispered: "You are dead!"

Elaine said in a panic: "Don't be too arrogant! My son-in-law is very powerful!"

Chloe sneered: "So what? Can he come in to protect you? If not, then I will kill you first!"

She said again: "Don't worry, everything you did to me,"

"I will get it back tenfold! I'd rather be locked up here for the rest of my life!"

Elaine's legs can not help but be a little weak.

And the former prison guard Jessica also stepped forward and said with hatred:

“Your son-in-law caused me to lose my job and go to prison, and you tortured me for so many days,”

“This afternoon. When you get to the cell, I’m going to break your legs,”

“And let you lick the floor clean with your mouth!”

Chloe looked at Jessica and said with a smile,

“Jessica, you can only break her one leg.”

Jessica asked inexplicably: “Why?! I’m willing to break both her legs!”

# Chapter 5040

Chloe sneered: "Because you want to leave the other leg for me!"

Jessica smiled and said, "I want to save one for you,"

"But I'm worried that when we go to the playground after lunch,"

"The people in the other cells will not be able to control themselves and beat her to death first!"

"Also..." Chloe looked at Elaine and sneered: "You still don't know if you can go back to the cell alive,"

"Those people who have been bullied by you in other cells,"

"I'm afraid they are all waiting now to teach you a lesson!"

When Elaine heard this, her whole body softened and she almost fell to the ground.

She can't wait to find a place to hide immediately,

But she is queuing up to go to the restaurant. There is nowhere to escape except this way.

Even if she wants to go to the playground to call Charlie for help,

She has to wait until lunch is over, because only After lunch,

They, the prisoners and suspects, can enter the playground.

However, going to the playground also means great danger.

Because there are often violent incidents on the playground.

At Bedford Hills Correctional Institution, people in the same cell usually resolve disputes in the cell,

But people in different cells can only have the opportunity to do it when they are in the playground.

The reason why Elaine was able to become the ghost of Bedford Mountain was because,

When she used to let out the air almost every day,

She would ask Evelin and the others to teach the people in other cells a lesson,

Naturally, she became the eldest sister of the entire Bedford Hills Correctional Institution.

However, this also means that she has made countless enemies here.

Now that she has lost her shelter, she might be beaten to death when she is released later.

Elaine's heart was already extremely desperate, for fear that she would have to explain it here today.

Following the line to the restaurant, all the prisoners in the restaurant knew that Elaine had lost his backing.

For a time, many people looked at her with hostility in their eyes,

And many people even wished they would rush up to beat her right now.

And those who usually follow her in front of and behind the horse have kept a distance from her at this time.

They used to come to the restaurant to eat, and there were people who especially served her plates,

But now there is not even a person who dares to sit with her. All are gone.

Many people are watching her, wanting to confirm whether she still has a backer,

And Elaine also knows that it is extremely important for her to find a group to join in.

If anyone is willing to help at this time, take them in, maybe she can have more security.

Elaine held the dinner plate, looked around for a long time,

And saw a few Chinese compatriots who had been very flattering to her before.

These compatriots originally lived in the cell next to hers.

Elaine and they had nothing to do with each other, but after Elaine became a ghost in Bedford Hills,

One day, when they were out in the air, they found her and said tearfully that there was a woman in their cell.

She as the head of the cell always bullied them, hoping that Elaine could help out,

So that the other party would stop bullying them.

In order to let Elaine take action, when they begged her for help,

They even knelt in a row in front of her.

Elaine was at the stage of extreme expansion at the time.

Seeing that the other party was so respectful to her,

And another compatriot was being bullied, and she immediately agreed.

She directly asked Evelin and beat the cell leader so hard that the cell leader was still lying in the infirmary.

And these few Chinese compatriots, because of Elaine's protection,

Turned over and became the new boss in their cell.

After that, these people would gather around Elaine to greet her every day,

When they were eating and venturing out. It was so respectful.

Therefore, at the moment, she thought to herself, since she owes this other party a big favor,

They have to lend a helping hand and help her at this time,

And at least they have to protect her from being beaten when she is out for fresh air.

So, she took the dinner plate and walked towards these people.

However, when she just arrived in front of the other party and was about to sit on an empty seat next to them,

One of them immediately put her leg on the empty seat and said indifferently, "There is someone here!"

# Chapter 5041

Elaine subconsciously said: “Monica, isn’t this free?”

After speaking, she quickly said to the woman:

“Monica, for the sake of sister who helped you before,”

“I beg you to help me this time, as long as You can protect your sister,”

“And let me go to the playground to call my son-in-law later!”

The woman called Monica hummed and stood up suddenly,

Elaine thought that the other party got up to let her sit Next,

She was about to open her mouth to thank her,

But she didn’t expect that the other party suddenly grabbed the plate in her hand,

And directly took the plate with the meal, and threw it into the trash can next to her!

Just when Elaine looked surprised and wanted to ask the other party why she did this,

Monica said coldly: “Elaine, I have long disliked you because there are a few who can fight.”

“You, you don’t look like a goddamn float, and you still act like my mother,”

“Who the hell are you to get me as far as you want!”

Elaine never dreamed that the person who used to wag her tail in front of her and begged for pity,

And then followed her with respect and sadness, will now turn into this face.

She couldn't get over her anger and blurted out,

“Monica, you can't be so unconscionable,”

“How did I do when you guys knelt in front of me and cried and begged me to help you get ahead?”

“Now I need your help. Do you still have a conscience?”

The woman called Monica gave Elaine an ugly look, and said coldly,

“Don't give me your face, right? No more. Don't blame me for being rude to you!”

Elaine was very indignant and couldn't help but grit her teeth:

“You have to be rude to me, I have helped you so much, do you still want to hit me?!”

An angry rebuke attracted the attention of many people in the prison.

Many people know that these few Chinese female prisoners have been with Elaine all the time,

So many people who want to do something for Elaine are also observing the performance of these women,

To see if they will be able to do it.

Monica also saw that everyone around her was paying attention to them.

She didn't want these people to mistakenly think that she would help Elaine to get ahead,

So her face darkened, she slapped Elaine in the face with a flick of her hand, and scolded loudly:

"Dmn, you're so shameless! Get out of here! No more of this nonsense!"

Elaine never dreamed that this woman who used to cry in front of her and begged for help...

Would raise her hand and slap her when she needed help the most.

She covered her face, tears were already swirling in her eyes, she choked and asked:

"Monica, even if I didn't help you before, you should at least give me a hand for the sake of my compatriots?"

"Even if you don't Give me a hand, there's no need to get into trouble at this time, right?!"

Monica said impatiently: "Who the hell is your compatriot, I have an American passport!"

"Unlike you, you don't even have a fcuking green card. You still have a tourist visa!"

"You..." Elaine only felt that the whole person's heart was cold to the extreme.

She really did not expect that the people she helped would become so vicious!

Desperate and collapsed, Elaine's tears flowed uncontrollably like a broken thread.

She thought that she was heartless enough, but she didn't expect to encounter a more shameless existence than herself.

At this moment, she realized how ridiculous she was before.

And those who were respectful to her before did not really fear or respect her at all.

In the end, she is the real joke.

When Monica saw Elaine burst into tears in front of her,

She couldn't help but said fiercely: "If you want to cry, get out and cry,"

"Don't fcuking cry in front of me, otherwise don't say those people are going to kill you,"

"I don't care. It will make me feel better!"

Elaine felt resentment in her heart, but she could only turn around silently,

And hid in a corner of the restaurant alone.

At this time, a Chinese woman who was a few years younger than her took the initiative to sit in front of her,

# Chapter 5042

And at the same time handed a fried chicken leg in front of her, and said,

“In this kind of place, no one can believe it, especially when you go out.”

“You have to be more vigilant when you are outside.”

Elaine said aggrievedly: “I really didn’t expect these people to be so shameless.”

The woman smiled and said lightly: “What is this... This is nothing, your stay here has been too short,”

“If you stay longer, you can encounter anything.”

After speaking, she asked Elaine, “Do you know how I got in?”

Elaine shook her head, blankly. Ask: “How did you get in?”

The woman laughed and said, “Because of selling hairy crabs...”

Elaine asked inexplicably, “How can you sell hairy crabs and get to prison?”

The woman shook her head and said, “You don’t know that hairy crabs are an invasive species,”

“In this part of the United States. Selling hairy crabs here is essentially illegal.”

Elaine asked in surprise: “You still sell and you break the law?”

The woman smiled bitterly: "In the past, everyone sold it secretly,"

"And all of them were sold to the Chinese. You know, we Chinese love to eat hairy crabs,"

"Especially when people in the United States miss the bite of their hometown,"

"So we find some channels to import a batch of crabs. Coming here, on the one hand,"

"You can make some money, and on the other hand, you can help your compatriots get back the feeling of hometown,"

"And this kind of business is carried out in private, only in the Chinese circle, and it has always been safe... ."

Elaine hurriedly asked: "Since it's been safe all the time, why is there still an accident?"

The woman sighed: "I bought a batch of hairy crabs some time ago."

"Because the quality was good and the price was not too expensive, they sold very well and quickly,"

"A Chinese man heard about it and drove a long distance to buy it,"

"But it was sold out by the time he came."

"He was so angry that he called the police, and the police immediately arrested me."

Elaine was stunned and blurted out: "How can such a thing happen?!"

"Yeah." The woman laughed at herself and said, "So like I told you just now,"

“You must always be vigilant, don’t trust anyone.”

After speaking, she lowered her voice and said seriously: “When you helped them in their earlier,”

“I wanted to find an opportunity to remind you, but I haven’t spoken to you.”

“Individuals are not bullied like they told you. In fact, they have always wanted to compete with that woman for the position of the cell boss,”

“But because the number of people was a little different, and the methods are not as ruthless,”

“They are always being bullied. The other party suppressed them and never got their wish.”

“Later, when they saw that they couldn’t beat the other party,”

“They ran to ask you for help. You directly let that woman be maimed, and they became the boss.”

Elaine heard this. She trembled, gritted her teeth, and said:

“Dmn, these people are so good at acting! They knelt in front of me and cried,”

“And said that that woman has been bullying them and didn’t even treat them as human beings,”

“I thought they were really bullied, I thought they were pitiful to help them...”

The woman on the opposite side smiled slightly and said,

“There are basically not many poor people who can come here,”

“And most of them deserve what they deserve! You should take it as a lesson,”

“And you must polish your eyes up when looking at people in the future.”

Elaine was angry and regretful in her heart, but now she knew that regret had no meaning,

So she asked the woman, “Why did you tell me this?”

The woman said lightly, “I think you are not bad. Just a little crazy,”

“But at least there is a little conscience, otherwise it is impossible to help them for no reason, so I thought of reminding you.”

Elaine suddenly felt ashamed, and couldn't help but choked:

“I should have known them earlier. So shameless, even if they die in front of me, I won't reach out!”

Saying that she lamented: “I knew it would be like this,”

“I shouldn't have been so high profile.”

“I don't know how many people want to kill me, I'm really afraid I won't survive today...”

# Chapter 5043

Elaine endured a long twenty minutes in darkness and fear.

As the twenty minutes passed, Elaine rushed to the public phone on the side of the playground.

Seeing her desperately running, many prisoners watched with cold eyes.

Although many of them were eager to teach her a lesson, they were just starting to let loose.

There were many prison guards staring around, and they didn't dare for a while to immediately act on her.

According to the practice of the prison guards at Bedford Hills Correctional Institution,

In the first fifteen minutes and the last fifteen minutes of the one-hour release time,

It is necessary to focus on this group of prisoners,

Because according to their consistent experience,

The most frequent mode of escape from prison is,

In the middle of the prisoner's journey through the different areas.

From the cell to the restaurant, from the restaurant to the playground,

And from the workplace to the cell, these processes are generally the high-incidence stage of prison escapes.

It often happens that there are 20 people just now, but they pass through a certain area.

Note that there are only nineteen left.

Therefore, after they escorted the prisoners to the playground,

And before they are ready to bring the prisoners back to the cell from the playground,

The prison guards spend fifteen minutes to count the number of people,

And observe whether there is any abnormality in numbers.

As for the middle half an hour, it is the prisoner's free time.

In prison, fights are almost impossible to avoid.

Therefore, for managers, it is also a very important control method to set aside a little time,

Every day for prisoners to resolve conflicts.

If the prisoners are not given the opportunity to resolve their conflicts for a long time,

And let the prisoners squeeze out their dissatisfaction with hatred, it is often easy to cause big troubles.

If they are given the opportunity to have a meal with their bare hands every day, then basically nothing big would happen.

In the past few days, Elaine has used this half-hour of vacuum time,

To continuously establish her prestige and make herself the ghost in Bedford Mountain.

Right now, her biggest wish is to make a call to Charlie before the half-hour vacuum time,

And let him find a way to save her no matter what.

After running all the way, she was the first to pick up the public phone,

And then dial Charlie with trembling hands.

As soon as the call got through, she couldn't care less about losing face,

And cried and said, "Good son-in-law, when are you going to get Mom out!"

Charlie said on the other end of the phone, "Mom,"

"I have asked someone to say hello, today You must be released before the evening."

When Elaine heard this, she blurted out: "Ah?! We have to wait until the evening!"

"Good son-in-law, Mom is telling you the truth, I can wait at most ten minutes now."

"If you don't think of a way to save Mom, Mom may die here."

Charlie actually knew everything about her,

But at this time he still pretended to be surprised and asked,

“Mom, what happened? Aren’t you very happy in prison?”

Now, Elaine is no longer just trying to save face, she choked and said to him:

“My good son-in-law, the reason why I didn’t want to be so fast some time ago,”

“Was because I met a few Chinese friends inside. They not only have a good relationship with me,”

“But they were also very good at fighting. With them covering me,”

“I was very comfortable here...” Speaking of this, Elaine lamented:

“But...but I never dreamed that they would be released this morning.”

“Now they have been released from prison, but the people they offended before are waiting to get revenge on me!”

“If you don’t get your mom out quickly, those people will probably beat me to death!”

Charlie exclaimed, “Mom, you shouldn’t be in a gang in prison anymore. Right?”

Elaine said angrily: “That’s almost what it means... Good son-in-law,”

“Can you help me and save me right away... I am begging you.”

“Now! The situation is so urgent, Mom really can’t wait any longer!”

# Chapter 5044

Charlie sighed and said, “Mom, this is America after all, and I’m not familiar with things here,”

“So it’s really not that easy to operate, and I’m also entrusting others to help,”

“So there will definitely be delays in efficiency... ..”

After speaking, he said again: “Mom, let’s see, I’ll rush over now,”

“Call my client on the way, see if he can help find a way,”

“And try to release you as soon as possible. When the time comes,”

“I will pick you up directly, and let’s go back to Providence together!”

In fact, Charlie himself had already arrived at the Bedford Hill Correctional Institution at this time.

Along with him, there was Douglas from the Fei family.

The two were standing in the warden’s office at this time,

Overlooking the entire prison playground from a height.

Elaine was so anxious in front of the public phone at the moment that Charlie had a panoramic view.

For him, if he wanted to get her out, with just one sentence,

Douglas could make the warden release her immediately within ten seconds.

But for Charlie, it was really too cheap for Elaine.

She is a person who always remembers what to eat and not to fight.

If there is little benefit, she will completely lose her normal judgment.

Even if it is licking blood with the tip of a knife or taking food from a tiger's mouth,

As long as she is allowed to taste the benefits, she will become braver and braver.

The more you do it, the more addictive it becomes.

Just like this time at Bedford Hills Correctional Institution, if she has food and knows how to advance and retreat,

If she knows how to take it as soon as possible, then the first time James White finds her,

She should be ready to be released from prison and quickly leave that place of right and wrong.

However, because she was greedy for her unique influence here,

She took the initiative to request a delay in her release from prison.

In Charlie's opinion, it was outrageously stupid.

If he doesn't take this opportunity to teach her a lesson,

Then she will not have a long memory next time.

Therefore, he has planned a whole set of reality shows for her in advance,

But now it is only just entering the warm-up stage.

Now he is embarrassed on the phone, but it is to make Elaine more frightened,

Even more regretful, and to teach her a complete lesson.

Elaine is indeed very regretful, but it is too late to say anything now,

She can only pin all her hopes on him, and choked:

“Good son-in-law, it must be as soon as possible, otherwise,”

“You can only wait to collect mom’s corpse...”

As soon as she finished speaking, a black shadow appeared in front of Elaine’s eyes,

And then the phone in her hand was snatched away.

Before she came back to her senses, the other party had hung up the phone,

Then kicked her in the stomach, and she flew far away, and said cursingly,

“This is a public phone, not your home. Why is it taking you so long!”

Elaine fell to the ground with a hoot, only to see clearly when she got up,

The one who kicked her, it turned out to be Monica.

Elaine was a little angry, and blurted out: "Monica! You are going too far!"

"I'm calling my family, what does it have to do with you?!"

The woman called Monica Zhang smiled and said coldly:

"We have a relationship! Don't we?"

She said this and stared at her through gritted teeth, and scolded:

"Do you know that I thought you could cover me, so I asked you for help,"

"I gave Mandy a hard lesson in our cell, but now? Your backers are gone,"

"And now a lot of people are waiting to teach you,"

"Have you ever thought that when Mandy comes back from the infirmary, What should we do?!"

"That Mandy, she's been detained for two or three years, and there are quite a few good inmates."

"Those people didn't dare to help her against me before because they were afraid of you."

"The people around me, now that they are out of prison, when Mandy comes back,"

"She will definitely call her fellow inmates to seek revenge on me,"

“And I am afraid my end will be miserable!”

# Chapter 5045

Saying that she stepped on Elaine's chest and shouted angrily:

"You fcuking made me miserable! I'll let you make it clear in front of everyone in a while,"

"It's not me who told you to teach Mandy, it's you who watch Mandy yourself."

"It's not pleasing to the eye! If you say it honestly,"

"I'll let you go, otherwise, I'll break your dog's legs!"

For Monica, what she is most worried about now is self-protection.

Once the injured Mandy comes back, she will definitely seek revenge,

And she, who lost her backer, is not her opponent at all,

So the only thing she can do now is to distance herself from it.

Right now she is in the release stage, everyone is watching from the playground,

And even can't wait to do something to Elaine later.

If she beats Elaine violently in front of everyone at this time,

It would be equivalent to telling everyone with practical actions that she has nothing to do with Elaine.

If she forces Elaine to take the blame in public again, then her risk will be greatly reduced.

She really can't wait for Mandy to come, and kneel down and beg her for mercy, maybe she can escape this disaster.

It was only at this moment that Elaine understood how sinister the human heart can be.

She had a rare bit of backbone, and scolded her through gritted teeth:

"Monica, you fucking want your mother to take the blame for you,"

"You are just dreaming! You were the one who knelt in front of me and begged me to help you solve that Mandy,"

"If you want me to take the blame for you in front of everyone, let me tell you, there is no door!"

Monica didn't expect that Elaine would dare to expose her own bottom line in public,

And suddenly became angry and kicked Elaine again.

Pointed at her and scolded: "You are courting death yourself, don't blame me for being ruthless!"

After that, she winked at the two beside her, and said loudly: "Beat her to death!"

In addition The two were still a little worried at this time,

And one of them whispered: "Monica, it's not good to do it at this time,"

"Let's wait for a while, or if we are seen by the prison guards, we will be in trouble!"

Monica scolded in a low voice: “Dmn, are you out of your mind!”

“The problem now is not the prison guards at all?”

“Now we must let everyone see how we taught Elaine, otherwise in case she goes back before Mandy comes back.”

“What should I do if she gets out of prison? When Mandy has nowhere to take revenge,”

“We will definitely be blamed! If we can help her teach Elaine a hard lesson in the presence of everyone,”

“When she comes back, We can tell her that we have already avenged her!”

The other two suddenly came to their senses, so without saying a word,

They rushed up and started punching and kicking Elaine.

In the upstairs office, Charlie saw that she was suddenly beaten by several oriental-looking women,

And asked Evelin next to him in surprise:

“Who are those women? Why did they attack my mother-in-law?”

With a surprised face, she said, “Mr. Wade, these women are all people your mother-in-law helped.”

“They were bullied a lot here before. Later, your mother-in-law instructed,”

“Us to take action and help them solve the boss of their cell.”

“And let them take the other’s place.”

Charlie frowned and said, “That is to say, my mother-in-law was kind to them, right?”

“Yes!” Evelin nodded without hesitation, and said,

“Before whenever it’s time to eat and let out the air, they always follow your mother-in-law,”

“To the front and back, very attentive, and I don’t know why they suddenly attacked her this time.”

Charlie nodded and said coldly, “No matter what the reason is,”

“It’s definitely the case. It’s a favor and avenging, so let’s start Plan B.”

When Douglas on the side heard this, he immediately said to the warden, “PlanB!”

The warden agreed without hesitation, and immediately took out the walkie-talkie and ordered a few times.

And Charlie turned around and said to the female soldiers of Cataclysmic Front:

“You also follow the alternative plan, and teach a good lesson to these ungrateful ba5tards!”

The three immediately said, “Subordinates obey!”

After saying that, she immediately turned around and walked out.

# Chapter 5046

At this moment, the alarm sounded loudly in the playground,

And several prison guards rushed out of the door and ran all the way to Elaine,

Who was being surrounded and beaten, and directly controlled by the three who were beating her.

Monica didn't panic at all at this time. She knew that when she was fighting at this time,

The prison guards would definitely not ignore it. However, in her opinion,

It didn't matter even if she was locked up by the prison guards.

After all, she beat Elaine in public because she wanted to express her attitude.

So, she tried her best to break free from the prison guard who was hugging her,

Rushed to Elaine's side, and stomped her foot on the calf of her right leg.

Elaine had broken her right leg several times,

But now she is not completely agile. She was suddenly stomped on by Monica,

Only to hear a click, and instantly felt a sharp pain,

The whole person collapsed and shouted: "Ah... ..my leg...my leg! It's broken again!"

Monica watched Elaine rolling on the ground with her broken leg,

And scolded deliberately in a loud voice: "Listen you b!tch! I gave you this kick for Mandy!"

"Don't forget that Mandy's leg was interrupted by you!"

"Then I'll break your leg to avenge her! This is called Blood debt is paid for by blood!"

Elaine rolled on the ground in pain and couldn't help shouting to several prison guards:

"My leg...my leg is broken again! Please take me to the hospital."

"Come on! Don't let me stay here any longer! Please!"

For Elaine, the pain was secondary, the most important thing was that she had to quickly find a way to leave the Bedford Hills Correctional Institution,

If it really doesn't work, go to the hospital to delay,

Maybe Charlie will be able to let the prison release her at night.

At this moment, the female prison guard suddenly ran over and said out of breath,

"Sister Elaine, you have been released!"

Elaine even forgot the pain and subconsciously heard this.

"Really?! I am really released?!"

“Yes!” The prison guard had already started to execute according to Charlie’s plan B,

So she said without hesitation: “The relationship your son-in-law is looking for has already called our warden,”

“And the warden asked me to arrange for you to be released immediately!”

“Great!” Elaine almost cried with joy.

Although she was beaten by the three and even broke her leg,

But now that she is to be released, it means that she has stopped her losses in time!

She originally thought that if she couldn’t get out at noon,

She was afraid that she would be beaten for half her life.

So, she blurted out and choked: “Quick... let me out... I don’t want any personal belongings,”

“I just ask you to let me out immediately...”

The prison guard immediately said, “Don’t worry, Sister Elaine,”

“You can go through the formalities with me now.”

“I’ll call an ambulance for you first and take you to the hospital for treatment!”

“Okay, okay!” Elaine was excited. With tears in her eyes, she quickly said,

“Please, send me there now, I don’t want to stay here for a minute...”

The prison guard asked her, “Sister Elaine, are you sure you want to get out of prison?”

“Don’t want to stay in Bedford Hill Correctional Institution anymore, right?”

“Yes, yes!” Elaine nodded like an oil drilling machine, choked up: “No more, no more!”

Just after finishing speaking, another prison guard walked in with three women in custody.

Elaine took a closer look, and suddenly her jaw dropped.

Because these three women are none other than Evelin and her friends who were taken away before lunch and released.

She ignored the pain and asked in astonishment: “Evelin...you...why are you back?”

Evelin said helplessly, “Don’t mention Sister Elaine, the plaintiff gave up again.”

“The lawsuit was withdrawn, saying that we had to discuss the conditions with our lawyers,”

“There is no way, we have to continue to be detained here...”

As she spoke, she looked at Elaine and asked in surprise: “Sister Elaine, what happened to you?”

Elaine was full of grievances and had nowhere to vent.

She pointed at Monica and the other two of them and cried,

“They beat me...I helped them so much, and they beat me to death...”

When Evelin heard this, she immediately gritted her teeth and said,

“Sister Elaine, don’t worry, we will definitely teach these ba5tards who will pay for what they did!”

# Chapter 5047

Monica, who just beat Elaine, had never dreamed that the three of them,

Who had just been released from prison, would come back!

At this moment, she was completely frightened!

She has seen the strength of these three people. As long as they are here,

No one at the Bedford Hills Correctional Institution will be able to overturn the sky.

Even if Mandy comes back, she can't be their opponent...

This means that the act of hitting Elaine is simply going to be a disaster!

Terrified, she quickly knelt on the ground with a thud, and said tearfully,

"Sister Lan, I'm sorry, Sister Lan, I really didn't mean it...I...I was completely blind. Sister Lan..."

Elaine hated the woman, gritted her teeth, and said,

"You fcuking have the face to say that you didn't mean it!"

“I have lived so this long, and I have never seen a person with such a face!”

After speaking, she looked at Evelin and choked:

“Evelin, you must avenge me, and you can’t let her go!”

Evelin said without thinking: “Sister Lan, don’t worry, what I hate the most in my life,”

“Is a rubbish that doubles down on both sides and repays kindness and vengeance!”

“If I don’t break all three of their legs, I won’t be named Evelin!”

Monica was so frightened that her face was pale, she knelt on the ground and kept slapping herself while crying:

“Sister Lan .....Please forgive me, Sister Lan...I was wrong, Sister Lan...Just forgive me this time...”

Monica’s two servants were also extremely frightened at this time,

And they all knelt on the ground and kept begging for mercy.

At this time, the three of them also regretted the original.

They thought that Elaine lost power, but they never thought that they would turn over so quickly.

Those who were watching the excitement on the playground,

And even those who were waiting to attack Elaine were dumbfounded at this time.

While they resented that Elaine's backer had returned,

They were also glad in their hearts. Fortunately, they held back and did not rush to do it,

Otherwise, they would definitely be hammered to death by these three women.

Elaine was naturally furious in her heart,

And she wished she could break the legs of these women with her own hands.

But when she thought that she had to go to the doctor immediately,

She could only explain to Evelin: "Evelin, don't let them go!"

"As long as they are still here for a day, don't let them feel better!"

Evelin did not hesitate and said: "Don't worry, Sister Lan!"

After speaking, she deliberately asked:

"Sister Lan, are you... going to be released from prison?"

"Ah? Me?" At this moment, Elaine suddenly hesitated.

When Evelin and the others were away, she wanted to leave ten thousand times,

Wishing to grow a pair of wings and fly directly out of this purgatory.

However, now that Evelin is back,

She feels a little sad about leaving Bedford Hills Correctional Institution.

After all, she experienced the pinnacle of her life here.

That feeling of being alone made her very high.

At this time, Charlie looked at his mother-in-law from a distance from a height,

And was a little curious in his heart. He wondered whether his mother-in-law could have a long memory.

If she sees Evelin coming back and decides to stay out of prison, for the time being, it will be hopeless.

After a bit of ideological struggle, Elaine said with difficulty:

“Yeah, Evelin...I...I’m going to be released from prison...”

Evelin smiled and nodded and said: “Sister Lan, you can rest assured that you are released from prison.”

“I will help you teach a lesson to these sgums.”

“If you still have someone who needs to be taught a lesson,”

“Just tell me the name of the person and I will solve it!”

When Elaine heard this, she nodded vigorously and blurted out:

“Evelin, after you return to the cell, you must teach a lesson to Chloe and Jessica,”

“You just left at noon, these two ba5tards turned against me, you must not let them go!”

# Chapter 5048

Evelin solemnly promised: "Sister Lan, don't worry,"

"As long as we are here for one day, they will not have a good life!"

At this time, The prison guard on the side said to Elaine: "Sister Lan,"

"I think you should go to the infirmary with me first,"

"And let the doctor check whether your injury is serious!"

Elaine felt the pain in her right leg and couldn't bear it.

She choked and said, "Is it serious, my leg seems to be broken again..."

After speaking, Elaine asked her quickly,

"Can you take me to the hospital? Give me my mobile phone by the way,"

"I want to call my son-in-law..."

The prison guard said, "Your son-in-law has already came and is waiting outside to pick you up from prison."

“Really?” Elaine said with great relief:

“Quick, take me out to meet him!”

The prison guard hurriedly found a colleague,

And the two carried Elaine away from the playground together.

What made her extremely gratified was that before she could go far,

She heard the tragic wailing from Monica and the others behind her.

Listening to the screams of those people, her mood was a little relieved.

At this time, Charlie was already waiting in the family meeting area of Bedford Hill Correctional Institution.

Soon, Elaine, with a bruised nose and a swollen face,

Was carried by the prison guard into a wheelchair and pushed out.

The moment she saw Charlie, Elaine burst into tears and said,

“Good son-in-law, your mother’s leg is broken again. , what can I do...”

Charlie shook his head helplessly.

He didn't expect that those women would be so ruthless when they hit Elaine.

However, this is indeed Elaine's own fault.

If she knows how to accept it when she sees it,

And go out happily when she is ready to release her for the first time,

This situation could have been naturally avoided.

So, Charlie could only say: "Mom, then I'll take you to the hospital first!"

"We have to look at your legs as soon as possible, so as not to leave any sequelae."

When Elaine heard this, she nodded quickly and said,

"Yes Right, let's go to the hospital, I have broken my leg too many times,"

"If I don't recover well, I will be in trouble in the future if I become lame..."

Charlie then asked the prison guard to help him and put Elaine in the car,

He drove to the New York City area.

At the same time, he did not forget to take out his mobile phone and send a message to Douglas,

Asking him for the location of Fei's hospital, and planning to send Elaine there for a simple treatment.

At this time, Elaine was sitting in the back seat, crying and saying,

"Good son-in-law, Mom really regrets this! If I knew there would be today,"

"I could just come out of prison in a hurry yesterday."

"My legs won't be able to go down in a month or two... My life is so hard!"

Charlie asked inexplicably, "Mom, is this prison so comfortable? You didn't want to come out."

Elaine said angrily: "Didn't Mom tell you the truth on the phone,"

"The main reason was that I met a few girls who were particularly good at playing,"

"And they covered me, No one dared to provoke me in Bedford Hills,"

“And anyone who saw me would respectfully call me Sister Elaine, it was more enjoyable...”

Charlie sneered and said seriously:

“Mom, do you know what kind of person can make money from the casino?”

Elaine shook her head and asked curiously, “Is it me?”

“No.” Charlie said lightly, “It’s the one who knows how to stop profits in time.”

“Only people can make money from casinos. As long as you are still in casinos,”

“You must understand a truth. Money in casinos is not money, but a pile of worthless plastic chips.”

“Only the plastic chips you win can be exchanged for If you choose to continue to stay in the casino,”

“You may end up losing all the chips in your hand, and even losing all the money you have come in.”

# Chapter 5049

After speaking, Charlie said again: "It's the same for you,"

"You have someone covering you in Bedford Hill, and after a few days no one dares to be addicted,"

"This is the net profit, at this time, once the opportunity is suitable,"

"You must quickly stop the profit and put your money in your pocket,"

"Otherwise, it is very likely that you will spit it out with the profit."

Elaine was stunned for a moment, and said angrily:

"Good son-in-law, you are right. Ah! Mom didn't understand this truth!"

"I should have understood this truth earlier, I would have been running around outside now..."

Charlie didn't care about her awakening at this time.

He just pondered in his heart that if she was like this now,

If he took her back to Providence, Claire would definitely feel distressed when she meets her.

Moreover, Elaine's leg is broken again, and most of her self-care ability has been lost.

If she is taken back, who will take care of her daily life?

Claire still has to attend classes, and it is inconvenient to take care of her by himself,

So the best way is to let her stay in New York for treatment.

However, there are still two problems, one is how to make Elaine willingly stay in New York,

And the other is how to explain this to his wife.

But the top priority is to send Elaine to the hospital for treatment first.

Although she has a leg injury, half a blood-scattering pill can make her walk,

But he still feels that it is somewhat wasteful to use the pill on Elaine.

So, he drove her to the Fei family's private hospital.

Because Douglas had greeted them in advance, the hospital was waiting in full force.

As soon as Elaine arrived, she was carefully lifted out of the car by several nurses,

And then pushed to the orthopedic treatment room in a wheelchair.

A group of orthopedic specialists surrounded Elaine and used all kinds of professional means to treat her,

Which made Elaine regain the feeling of being a ghost in Bedford Hill Correctional Institution.

After the doctor's diagnosis, although Elaine's right leg has a certain fracture,

It is not too serious and does not require surgical treatment,

But still needs to be immobilized in a plaster cast,

Combined with drug treatment and self-cultivation.

Later, in order to allow Elaine to rest better,

They directly arranged her in the best ward,

And its interior luxury was much more upscale than a suite in a luxury hotel.

Several nurses gently moved Elaine onto the hospital bed and adjusted it to the most comfortable angle for her,

And then one of the nurses said to Elaine:

“Ms. Ma, wait a moment, I’ll get you some fruit.”

“And snacks, you need to replenish your stamina first.”

“Okay! It’s really hard for you!”

Elaine’s condition improved a lot because of the use of the analgesic pump.

In addition, lying on the comfortable hospital bed, she finally regained her smile.

The nurse said respectfully, “Ms. Ma, you are welcome, this is what I should do.”

After the nurse went out, Elaine couldn’t help but sigh to Charlie,

Looking at the luxurious surroundings, “Good son-in-law.”

“The hardware conditions of this hospital are also very good.”

“This ward must be at least 100 square meters, right?”

“Such a luxurious ward cannot cost less than a thousand dollars a day?!”

Charlie smiled: “Mom, this hospital is my client’s.”

“He has already said that your treatment here will not cost you a penny,”

“And you will definitely be provided with the best doctors, nurses, and ward.”

“No money?!” Elaine was stunned, and blurted out:

“Mom, it’s really cool not to spend a penny to live in such a big ward!”

Just after speaking, the nurse knocked on the door and came in,

Bringing a very beautiful fruit plate and dessert.

She put all the food on the small table in front of Elaine, and said respectfully,

“Ms. Ma, please have some fruit snacks first,”

“And I want to introduce to you that the screen at the head of your bed is actually a touch screen.”

“There is an ordering interface, where you can choose the meal you like,”

“And we will deliver it to you as soon as possible.”

Elaine said in surprise: “Mom, so considerate?”

“Let me see what you all have. Is it delicious!”

# Chapter 5050

Then, Elaine clicked on the ordering interface and exclaimed,

“Chinese, French, Japanese, Italian... Oh my God, you have so many menus...”

“These menus are not even in general hotels. So many varieties?”

The nurse nodded and said, “We have many Michelin restaurants that we cooperate with.”

“Generally, after you choose, the restaurant will deliver your order within an hour,”

“So you should place your order a little in advance to avoid the long waiting time.”

Elaine asked quickly: “Why isn’t there a price on this?”

“I don’t dare to order it without a price.”

“If this meal costs several thousand dollars, wouldn’t the family be bankrupt?”

The nurse explained: “Ms. Ma, you are now in the top VIP ward of our hospital,”

“Which is generally used internally by our president’s family members,”

“So you don’t need to pay for everything when you live here.”

My god, it’s free??” Elaine asked in surprise and delight:

“Then are there any desserts, drinks, perfumes, or skin care spas on it, are these also free?!”

“Yes.” The nurse nodded and said: “All the services that can be provided are free.”

“You can order whatever you like. If there is something that is not suitable for your current physical condition,”

“We will give you professional advice.”

Elaine was extremely excited. She said,

“Okay, okay, then I’ll study it carefully later!”

The nurse bowed slightly and said, “Then you can ring the bell whenever you need something,”

“And I’ll be on standby at the nurse center next door to you.”

After the nurse left the ward, she looked at Charlie, and said with admiration:

“You have to be my good son-in-law! That’s why you have such great skills!”

“In such a good place, you don’t need to spend money on seeing a doctor and being hospitalized,”

“And you don’t need to spend money on food and drink.”

“If there is no time limit, I can live here until my 80th birthday!”

After speaking, she hesitated for a moment and asked experimentally:

“Good son-in-law, do you think Mom can live here and rest well?”

“Recuperate, I won’t go to Providence for the time being.”

Charlie didn’t expect that Elaine would offer to not return to Providence,”

“So he agreed without hesitation: “Actually, I also think it would be better for you to stay here.”

“Better because there are the best doctors and nurses here who can give you the best treatment and care 24 hours a day,”

“Much more convenient than going to Providence, after all,”

“No one in Providence can take care of you 24/7.”

Elaine nodded again and again, and said seriously:

“Anyway, you don’t need to spend money here, and there are people waiting for everything,”

“Such a big advantage, don’t take it for nothing!”

After speaking, she said again: “Oh, yes, Claire’s course is estimated to have only a week left,”

“And then you will definitely be leaving from New York.”

“In my opinion, it is better for me to live here alone. While recuperating,”

“You go to Providence to accompany Claire first, and after she graduates,”

“The two of you will come to New York to pick me up, and we will go back together.”

Charlie nodded and said, “This arrangement is quite good.”

“Yes, but the only problem is that Claire has always been worried about you.”

“We have to let her know that you are out of prison before she can relax,”

“And we can’t let her know that your leg is injured. Otherwise,”

“She will definitely want to come to New York to see you.”

“It’s easy!” Elaine said without hesitation: “I will call her in a while and say that I have been released from prison,”

“And then met a very close prisoner in prison friend,”

“My inmate invited me to stay in New York for a few days,”

“So I won’t go back yet, when you come from Providence to New York, I will tell her the truth.”

Charlie felt that Elaine’s this idea was good.

So he said, “Okay, if that’s the case, then you can call her.”

Elaine took out her mobile phone, charged it for a while and turned it on, then immediately Call Claire.

Claire had just returned to the hotel from school at this time,

And suddenly saw her mother's mobile number calling her,

The whole person was startled at first, and then she realized that her mother was probably out of prison,

So she immediately answered the phone, Excitedly asked: "Mom, is that you?!"

Elaine quickly said: "It's mom, Claire!"

"I want to tell you good news, I have been released from prison!"

# Chapter 5051

When Elaine said that she had been released from prison,

Claire immediately breathed a sigh of relief and said excitedly,

“Mom, where are you now? Has Charlie contacted you?”

Elaine hurriedly said: “Charlie is right in front of me,”

“And he let me out because of the relationship he helped me find.”

Claire was very happy, and said quickly, “Mom, then hurry back with Charlie.”

“Well, you don’t know how worried I was about you during this time!”

Elaine pursed her lips and said embarrassedly:

“That... Claire... Mom doesn’t want to come to Providence,”

“That place is really boring, why not I stayed in New York for a few days,”

“And I just met a friend in prison, and we came out on the same day,”

“And she invited me to stay in New York for a few days.”

Claire refused almost without hesitation after hearing this:

“Mom, don’t trust people outside. How did you get into the prison, haven’t you figured it out?”

“Those people outside don’t really want to be friends with you,”

“They only get close when they have plans for you!”

Elaine explained: “Oh no, Claire, the friend your mother met in prison is a very real person.”

“Like your mother, she was in prison after being framed by gangsters.”

Saying that Elaine moved out of the story of the compatriot she met in the prison, and sighed:

“Do you know how this sister got into the prison?”

“You may not believe it because she sold hairy crabs to the Chinese in here,”

“And the result was a stupid dog couldn’t buy it, he turned around and reported it to police,”

“And as a result, she was sent to prison!”

“How can you say that there are such bad people in this world?”

Claire, however, didn't understand, but she still said worriedly:

“Mom, you finally got out of prison, I really worry that you are alone in New York,”

“Or you should listen to me and come back with Charlie. Come to Providence!”

Elaine said firmly: “Oh, Claire! Do you want to believe it?”

“There is absolutely no problem with seeing people this time.”

“Just I will be careful. What else can your mother do now to be deceived?”

After speaking, Elaine was afraid that Claire would not agree, so she stubbornly said:

“Anyway, I have already promised my sister that I will have a good time in New York for a few days!”

Claire said helplessly. : “Mom, then give Charlie the phone!”

“Okay.” Elaine hurriedly handed the phone to Charlie, then winked at him.

Charlie answered the phone and said, “Hello, wife.”

Claire on the other end of the phone asked,

“Husband, have you seen the friend Mom is talking about? Is she reliable?”

He can only say casually: “I have seen her, she’s quite reliable,”

“I also asked customers to help me in New York. Mom must be fine here, you can rest assured.”

Hearing Charlie’s words, Claire was relieved and said helplessly:

“Okay, with mom’s character, as long as it’s something she decides,”

“Even eight horses can’t pull it back. Since you think it’s reliable, then I won’t argue with her. “...”

After speaking, Claire said again: “Husband,”

“This time is really too hard for you, thank you for your troubles for mom!”

Charlie smiled slightly and said softly:

“Wife, do you still need to be so polite to me?”

“Besides, your mother is mom-in-law, this is my duty.”

Claire hummed softly and asked him,

“Husband, So when are you going to come back?”

Charlie thought to himself, his current mission in New York was completed,

And it was time to go back to accompany Claire, so he said,

“I’ll come back later, a few hours’ drive away. I’ll be there.”

Claire reminded: “By the way, husband, don’t forget to thank your customer.”

“They must have been worrying about helping us these days.”

“Why don’t you invite them to dinner in the evening,”

“If they have enough time, wait for it. We will drive back after dinner,”

“If we don’t have enough time, it’s fine to come back early tomorrow morning,”

“We can’t let others think we’ve been disrespectful.”

Charlie didn’t plan to invite Douglas to dinner,

But since Claire said so, he planned to explain it to Orvel and Issac first,

And let them stay at Shangri-La in New York for the time being.

So, he said to her: “Good wife, then I’ll make arrangements and come back as soon as possible.”

He hung up the phone and said to Elaine, “Mom, you are staying here these few days.”

“Take a good rest, I’ll go meet the client, and then go back to accompany Claire.”

“Go, go!” Elaine said with a smile: “Mom will definitely be taken care of here,”

“You and Claire, don’t worry about Mom!”

Charlie naturally didn’t worry about Elaine.

The treatment given to her by Douglas’s hospital is basically the highest level,

That only core members of the Fei family can enjoy.

Elaine recuperating here will definitely make her feel that her broken leg is worth the money.

# Chapter 5052

So, Charlie said goodbye to Elaine and prepared to go to Shangri-La Hotel.

But just as he got into the car, he suddenly received a call.

To his surprise, the caller turned out to be Duncan,

Who had just returned home to reunite with his family two days ago.

Charlie answered the phone and asked curiously, "Why did Inspector Li call me at this time?"

"Shouldn't you be with your family in Houston?"

Duncan sneered and said, "Master Wade, I'm in New York, and I've made an appointment."

"The evening flight is going to the Middle East to Syria,"

"So I want to ask if you are still in New York if you are still in New York,"

"I would like to meet you and chat face-to-face."

Charlie was a little surprised, he did not plan to let Duncan,

So quickly into the work of investigating that mysterious organization.

After all, he is also a person who has been shut out of the gate of hell for a while.

At this time, he would definitely prefer to spend more time with his family.

Therefore, Charlie gave him at least a week to reunite with his family.

But it was full of calculations, and it was only two or three days ago that Duncan had already arrived in New York.

However, Charlie didn't ask too much on the phone,

But said very readily: "If that's the case, let's meet at Shangri-La."

Duncan said without hesitation: "Okay, Young Master Wade,"

"Then I'll do it now. Rush over to see you!"

...

Twenty minutes later.

Charlie arrived at Shangri-La first.

When he first arrived in the presidential suite, Orvel quickly came to report:

“Master Wade, that Inspector Li is here.”

Charlie nodded: “Let him come in.”

Orvel hurriedly put Duncan in casual clothes to come in.

When he saw Charlie, Duncan bowed his hands to him respectfully,

And said respectfully, “Master Wade, we meet again!”

Charlie smiled slightly, pointed to the sofa in front of him, and said,

“Inspector Li, please take a seat. Didn’t I leave you more than a week to reunite with your family in Houston?”

“Why are you ready to go to Syria so soon?”

Duncan laughed at himself and sighed: “My daughter and son-in-law are busy watching cars and houses every day,”

“And have no time to accompany me. I don’t want to continue to waste time in Houston,”

“I plan to go to Syria first, meet the live mouth you caught last time, and learn about the details.”

Charlie saw Duncan’s expression was a little lonely, smiled knowingly, and said:

“Inspector Li, people have seven emotions and six desires, and material desire is one of the most important ones.”

“People work hard to make money and want a better life,”

“And material desire accounts for at least more than half of them.”

“Young people pursue material desire and enjoy life.”

“This is also not a bad case. It’s not a bad thing, you don’t need to be too concerned.”

“Yes...” Duncan sighed and nodded helplessly,

He also knew that Charlie was right, but he was still a little disappointed.

Charlie persuaded him, then changed the subject and asked, “Inspector Li, have you thought about where you want to start investigating that mysterious organization this time?”

“According to the confession I got before, this mysterious organization’s information protection is extremely strict, and it is not easy to find their clues.”

Duncan said seriously: “I have thought about this issue carefully these days,”

“And they have hidden the relevant clues very well, whether it is the dead or the living.”

“Basically, your aunt’s family has not left any clues that have any substantial relationship with this mysterious organization.”

“As you told me, those dead men have worked for this organization for hundreds of years,”

“But they don’t even know where they are. I don’t know anywhere,”

“This kind of secrecy method can be said to be unheard of...”

After speaking, Duncan added: “However, I think we can narrow it down a little bit from a large scale,”

“Such as finding a way to investigate first, that group of dead soldiers Which of the seven continents they are stationed in,”

“And which state it is. Then get it locked, and then find a way to further refine it.”

Charlie sighed: "It's probably not that simple to determine which of the seven continents they are in."

"After all, these dead men have been in darkness for so many years, and they haven't found any clues themselves."

Duncan said confidently: "As long as the job you caught is high enough,"

"And your memory is good enough, then I have a chance. Lock the approximate area with him."

After speaking, he further explained: "Master Wade, no matter how hidden they are hidden in,"

"They will not be able to get rid of the impact of major geological disasters,"

"If an earthquake occurs, they will definitely have the relevant departments also have clear records of every detectable earthquake that has occurred in this world."

"So, the question now is, they must remember how many earthquakes they can feel have occurred,"

"The problem is, they don't have an accurate timeline, and they don't have outside information to back it up."

After speaking, he took out a printed document from his bag, handed it to Charlie, and said,

“Master Wade, this is the major natural disasters that have occurred around the world in the past 20 years based on the statistics I have collected in the past two days.”

“Among them, serious tsunamis, earthquakes, and typhoons are the main ones. If you can roughly match the memory of the other party,”

“Then every memory of his will become a coordinate. As long as there are enough coordinates, it can help me find their approximate location.”

Charlie asked tentatively: “Is it like the so-called communication base station positioning?”

“Yes!” Duncan nodded heavily and said, “That’s what it means! Each time it corresponds to the last major disaster,”

“It can reduce them to a certain extent. If they can correspond to the tsunami in Indonesia,”

“It means that the area they are in is within the coverage of the Indonesian tsunami.”

“If they can also correspond to the tsunami in Japan in the last 11 years, then they are in the area of two The overlapping part of the coverage of the second tsunami,”

“So the more clues you find, the more accurate the positioning will be.”

Charlie couldn't help but admire: “Detective Li is indeed a well-known detective in the United States,”

“And this method can be thought of by you. It seems that you find out their specific whereabouts, it should only be a matter of time!”

# Chapter 5053

Charlie once felt that finding the specific address of the dead men would be as difficult as going to the sky.

The reason is that the mysterious organization controls the dead men extremely tightly,

Preventing them from perceiving the exact time, nor allowing them to perceive the light,

Temperature, sound, and the changing seasons of the outside world.

Therefore, May 47 doesn't even know which of the seven continents he lives in,

Let alone whether he is in the tropics or the frigid zone.

Even the only living mouth can't come up with any substantive clues,

And it is even more impossible for outsiders to find this place.

However, Duncan accurately found clues that the mysterious organization could not control.

Earthquakes, tsunamis, and typhoons are all powerful natural phenomena.

If a strong bunker can still isolate typhoons and tsunamis,

Then no matter how strong the bunker is, it is impossible to isolate the strong shock caused by the earthquake.

Those who are imprisoned in the dark, or in some kind of underground fortification,

May not perceive the sunlight, the stars, the real sound, and the temperature of the outside world,

But when the earthquake comes, no matter how deep they are.

Underground or in a cave, they will definitely feel something.

Moreover, violent earthquakes are not common. If they have occurred,

A very accurate timeline can be judged. In this way, as long as the clues are relatively consistent,

There is a high probability that they can correspond.

However, Duncan was not overly optimistic, he said to Charlie with a dignified expression:

“Master Wade, the job you mentioned is the only clue that can be found so far that is related to that mysterious organization,”

“If I can successfully find their station, it is possible to find the clues of the mysterious organization behind it,”

“But if I can’t find their station, or if they have already evacuated this group of dead soldiers when I find them,”

“Then I am afraid the clues will be completely cut off.”

“After all, last time The mission of that group of dead men was a complete failure,”

“Maybe the mysterious organization will move all the dead men to other places out of caution.”

Charlie nodded and said seriously: “I think there is a high probability that they will not evacuate.”

“Think about it, why did they spend so much energy to hide this station,”

“And even tried their best to block the perception of these dead men?”

“It’s because of this. The site selection, construction, and maintenance of the station take a long time and cost,”

“And it cannot be easily replaced, so they must ensure that the dead soldiers who are sent out on the mission know nothing about the place where they live,”

“So that even if they failed and were captured, they couldn’t provide the actual information about the station.”

Duncan nodded: “If that’s the case, it would be the best,”

“The station of the dead must be closely guarded by the core members of this organization,”

“As long as you can find this station,”

“You can follow the vines and find the veins of this mysterious organization.”

After speaking, he looked up at Charlie and asked, “Master Wade,”

“Based on my years of experience in the police,”

“I have concluded an eternal truth. , that is: contact is always mutual.”

Charlie said lightly: “Inspector Li may wish to talk about it.”

Duncan said: “If you watch too many police and bandit movies,”

“It will make people feel that the police always seem to be completely unaware of the criminals.”

“However, the criminals of that kind are relatively low-level.”

“A considerable number of high-IQ criminals have a very sensitive sense of smell.”

“We have just found his clues and also When he didn’t lock his identity,”

“He had already discovered us, and when we tried to dig deeper into the clues,”

“The other party had already disappeared. The organization you mentioned is extremely powerful.”

“When the time comes, it is very likely that they will find me too.”

“Also, this is not the police catching criminals,”

“Generally, the worst result is that people run away and are not caught.”

# Chapter 5054

Duncan continued: "However, this mysterious organization is stronger than me."

"It's too much, maybe even stronger than you, and once we come into contact with them,"

"The situation is likely to get out of hand, and we may even be exposed to them."

Speaking of this, Duncan said with a dignified expression: "Master Wade,"

"I'm not telling you this because I'm afraid of death or retreating, after all, you saved my life,"

"And it is thanks to you that my wife, children, and grandchildren are alive today."

"It doesn't matter if I die, I just hope that you can prepare in advance to protect yourself on the one hand,"

"And on the other hand, if possible, please try to protect my family as much as possible."

Charlie was silent for a moment, and said solemnly:

“Detective Li, what you need to do now is to work with May 47, using your professional skills,”

“The natural disaster data in your hand, and the memory of May 47, in a state of no contact,”

“First put the location of the other party and lock it,”

“If you really need to get in touch, I will go out in person without you taking risks.”

Duncan quickly explained: “Master Wade, I’m not afraid of taking risks...”

Charlie nodded: “I know, I too I don’t doubt your courage, but as you said, contact is mutual.”

“To be cautious, if you really need to make contact,”

“It is definitely more secure for me to contact than you,”

“So you just do the preliminary investigation and about the rest let me decide.”

Duncan’s purpose was to remind Charlie to be careful and cautious again.

Seeing that Charlie had accepted his suggestion, Duncan was relieved and said,

“Master Wade, since this is the case, then I have nothing to worry about,”

“And I will let you know as soon as I make progress.”

...

Evening.

When Charlie drove back to Providence, Duncan took a Virgin Atlantic flight to Beirut, the capital of Lebanon, via London.

After a twelve-hour flight, after the plane landed in Beirut,

Joseph personally used a helicopter to take him to Cataclysmic Front’s base in Syria.

Due to the extremely abundant funds for the infrastructure construction of the Front,

The current base already has a prototype of a large scale.

A large number of workers from all over the Middle East are working on this huge construction site 24 hours a day,

And the various high-end heavy machinery used in the construction of the base can only be seen in developed countries.

When Duncan saw several Liebherr 750-ton all-terrain cranes hoisting wind turbines around the base, he was stunned.

He subconsciously asked Joseph: "Master Wan..."

"Are these wind turbines also owned by Cataclysmic Front?!"

Joseph nodded and said with a smile, "The power source of the Cataclysmic Front is diverse."

"There are several types, and wind power generation is only one of them."

"On the mountain not far away, we have already built a large number of photovoltaic power generation systems."

"We use photovoltaic power during the day and wind power at night."

"There is not enough official supply from Syria."

"They will invest in the construction of large-scale energy storage base stations."

"In addition, more than 80% of the oil in Syria is not in their hands,"

"And the Syrian government will not get a dime,"

“So they plan to give us a mining license. We can explore and extract oil by ourselves,”

“And then invest in building an oil refinery and oil power plant.”

Duncan was shocked and blurted out: “This battle is too big...”

Joseph said lightly: “Mr. Wade arranged it, he asked me to build it into a permanent base,”

“So the infrastructure must be well-prepared, and Mr. Wade gave tens of billions of dollars in funding,”

“So we plan to invest more funds and take money Change the time.”

Duncan couldn't help but admire: “Young Master Wade is really generous in his work.”

“If this base is completely built, maybe it will be able to compete with that mysterious organization.”

After speaking, he quickly asked: “By the way, Master Wan,”

“Where is the job that Young Master Wade talked about now?”

Joseph said, "May 47 is in the core area with the highest level of confidentiality,"

"Inspector Li, please come with me!"

# Chapter 5055

Under the leadership of Joseph, Duncan came to the core area of the Cataclysmic Front.

The so-called core area is a four-square-kilometer central area at the very center of the Cataclysmic Front base.

Although the base has not yet been completed, a high wall has been erected in the core area,

And inside the high wall, there are a large number of frame buildings of different heights.

These framed buildings are all modular building units purchased by Cataclysmic Front.

After rapid assembly, they can be put into use in the shortest time.

However, these buildings are only a temporary transition.

Once the Base is completed, these buildings will be gradually demolished and eliminated.

Joseph brought Duncan to a six-story building.

The interior of the building, the rapid renovation has ended.

Although the construction site is still in full swing outside,

There were basically no traces of construction inside.

A few minutes later, on the top floor of the building, Duncan saw May 47 who had lost his limbs.

During this period of time, May 47 became the tactical guide of the Cataclysmic Front.

Although he lost his hands and feet, he still taught all the formations he had mastered when he was a dead soldier,

And let the soldiers of Cataclysmic Front give him a quick look.

It seems to have opened the door to a new world and has mastered many unprecedented flexible tactics.

In order to study how to decipher the tactics of these dead soldiers,

Joseph also arranged for several senior officials of Cataclysmic Front to study,

The methods of restraining the dead soldiers' tactics together with May 47.

In order to ensure that the secrets of May 47 are not leaked,

Only the high-level officials of Cataclysmic Front are qualified to set foot in this building,

And May 47 himself never leaves this building for half a step.

At this time, May 47 was discussing tactics with several instructors in Cataclysmic Front.

Joseph invited the others out, then invited Duncan to come in and said to May 47,

“Mr. 47, Mr. Wade’s invitation Detective Li is here,”

“He is here to investigate the mysterious organization behind you,”

“I hope you can cooperate with Detective Li and explain everything you know to him.”

Seeing Duncan on May 47, the whole person was as horrified as if he had seen a ghost!

He hadn’t heard of Duncan’s name, nor did he know his origin and background,

But he remembered Duncan’s face, and when he went to assassinate the An family,

When the elevator door opened, the first thing he saw was this man's face in front of him.

At the time, he was even the first person to shoot.

Therefore, he knew very well how many shots Duncan was shot at that time,

And he could conclude that Duncan had no chance of surviving at all.

Because of this, when he saw Duncan's familiar and unfamiliar face, he panicked to the extreme.

Duncan also knew that this person was the culprit who almost killed him in the first place,

But he didn't get angry, just smiled slightly:

"Looking at your surprised appearance, you should still remember me, right?"

May 47 was frightened, and couldn't help but said: "This...how is this possible..."

"At that time...that person at that time...is that you?!"

Duncan smiled indifferently and said: "If the person you're talking about is the one,"

“Who was beaten into a hornet’s nest by you at the elevator door, then I can tell you in person that it’s me.”

“But...but it’s not logical....”

May 47 said suspiciously, “You were shot so many times, your body died at that time,”

“And it was obviously impossible to revive...”

Duncan nodded, and earnestly said: “I was going to die,”

“But I was lucky to have Mr. Wade, so I came back to life.”

“Mr. Wade...” May 47 suddenly remembered Charlie’s shocking strength,

And how he could still break the poison that had been comforting him for more than 30 years with a snap of his fingers,

And then he thought of how Duncan had been shot to the end at that time,

And he was even more impressed with Charlie.

So, he said very ashamedly: “Detective Li, I have done many bad things at the beginning, please forgive me...”

Duncan nodded and said indifferently:

“You were also acting on orders, which is understandable.”

# Chapter 5056

May 47 breathed a sigh of relief, and quickly said:

“Inspector Li, no matter what questions you have,”

“As long as I know, I will say everything.”

May 47 has long hated the organization that controls his own destiny.

To the core, he even looked forward to Charlie finding the resident of his own line of dead men,

And helping him saving his wife, children, and family by the way, so he naturally cooperated with Duncan.

Duncan nodded, and without too much nonsense, he went straight to the point and said:

“The most urgent task now is to find a way to find out the location of your station on the map.

Before that, I don’t know if you have any valuable clues to follow that you can share?”

May 47 shook his head and said, "To tell you the truth, Detective Li,"

"I have been thinking about this issue for a while,"

"But the organization was too cautious and didn't let me leave any valuable information."

Duncan smiled slightly, took out the list of major natural disasters that he had sorted out,

And asked him, "Mr. 47, how old are you this year?"

May 47 hurriedly said: "Going back to Detective Li,"

"I will arrive at the age of thirty-six this year or between the ages of thirty-eight."

Duncan asked curiously, "How did you calculate your age?"

May 47 explained: "There is a secretly recorded 'calendar' inside the dead man."

"I have roughly recorded the time of my own work and rest,"

"But since there is no absolute reference standard, there are still some errors."

Duncan nodded and said, "Then let's count it according to the age of thirty-eight."

Thirty-five years of major natural disasters have been sorted out,”

“And while looking at the entry, he asked:

“From your birth to the last time you left the station, has your station moved or changed?”

“No.” May 47 replied: “The place where I was born is an underground fortification,”

“That I don’t know where or how deep it is. I haven’t migrated for so many years.”

Duncan asked again: “Then in your memory, have there ever been a very strong disaster? earthquake?”

“Big earthquake?” May 47 thought about it and said,

“There has been a relatively strong earthquake, but it has been many years.”

“Many years?” Duncan asked again: “How many years are many years?”

May 47 frowned and thought for a moment, then said,

“It’s about twenty years, but my timeline may deviate from reality to a certain extent.”

“The difference between positive and negative is within two years.”

Duncan nodded and stretched out his hand to take the 2008 China, Japan in 2011, and several items closer to the timeline were crossed out, and then he said:

“In this case, you can exclude the surrounding areas of Japan, as well as the central and southwestern parts of China.”

After speaking, he saw the entry for Indonesia in 2004 and asked:

“Does the earthquake in your memory feel strong?”

May 47 said without hesitation: “It was very strong,”

“And even brought a lot of damage to our station at that time,”

“Some people were injured, and some people even died.”

Duncan’s eyes lit up, and he said excitedly: “That might be the Indonesian tsunami in 2004.”

He took out the map, found the epicenter of the Indonesian tsunami on it, and muttered:

“The epicenter at that time, In western Indonesia, the earthquake was felt in many countries and regions,”

“But the earthquake in your area was relatively strong, and it should be around the Indian Ocean, and it may even be in Indonesia.”

“However, in 2003, Hokkaido, Japan, and the Solomon Islands had a magnitude of 7. For the above earthquakes, a magnitude 7.8 earthquake also occurred in Pakistan in 2005,”

“And your timeline is not precise enough, so there may be some deviations here.”

Having said that, he looked at May 47 and asked, “Then this earthquake, do you have any other clues?”

“Other clues?” May 47 was silent for a moment, then shook his head and said,

“There are no clues, although the earthquake was scary,”

“But after all, no one died, so we did not take it too much to our heart.”

Duncan looked at the map and asked, “If the earthquake you are talking about is the tsunami in Indonesia,”

“You live underground. Have there been any flooding accidents after the earthquake?”

“Water penetration...” May 47 pondered for a moment, suddenly remembered something, and blurted out:

“There was indeed a water penetration accident at that time,”

“And the entire station was filled with at least 20 cm thick water. The water was taken away.”

When Duncan heard this, he couldn't help asking him excitedly: “Was the water salty?”

# Chapter 5057

“It’s too clear, after all, it’s been too long, but in my impression,”

“It seems that after that time, there were some white residues on the ground and clothes,”

“Could it be the salt from the seawater?”

Duncan nodded and said: “The probability is Salt if this is the case,”

“Then what you experienced at the time should be the Indonesian tsunami.”

“The reason why the flood occurred was that the earthquake at that time triggered a tsunami,”

“And many surrounding countries were affected, including your residence.”

Speaking, Duncan circled two areas on the map and said,

“So it seems that your station may be in the western part of South East Asia,”

“Or it may be in the eastern part of Southeast Asia.”

Then, Duncan saw a few more One entry, he muttered:

“The epicenter of the Indonesian tsunami has also had earthquakes in recent years,”

“But the magnitude was not high. Did you feel the tremor?”

May 47 shook his head and said, “I can’t guarantee this.”

“I haven’t felt the tremor for many years, but I can guarantee that I didn’t notice any obvious tremor.”

Duncan nodded: “In this case, it means that your station should be at the relative edge of the 2004 Indonesian tsunami.”

“And it’s basically outside the influence range of the subsequent earthquakes nearby,”

“In this case, it is probably equivalent to locking the area between the ninth ring and the tenth ring on a huge target paper,”

“Which is already a big breakthrough.”

As he said that, he drew a few circles on the map, and finally marked the middle of the two outer circles with a red marker,

And said, "Although these parts are also very large, fortunately, most of them are in the ocean,"

"And you said that your station felt the earthquake in 2004,"

"And there was also water penetration, which proves that your station must be not far from the coastline,"

"It should be in a certain coastal area within this ring or some island!"

Looking at the circle on the map, May 47 said with a complicated expression:

"For so many years and so many people, we have been trying to figure out where we are, but no one knows..."

Speaking of which, May 47 suddenly shed two lines of hot tears,

Letting the tears slide down his face, staring at the not-so-small ring area and choking:

"Detective Li... Thank you... ..."

Duncan waved his hand and said, "Don't rush to thank me now, even this ring area is very large."

"It's actually very difficult to do a carpet search here, and before I came,"

“I have also discussed this matter with Young Master Wade.”

“I think it is not suitable to actually go to these areas to search for your station.”

“We discuss these issues on paper, at least not revealing any clues,”

“But once we think If we go to this area to find the other party,”

“We must be prepared to be discovered by the other party.”

After speaking, Duncan added: “So, the best way at present is to find a breakthrough point on paper together,”

“Preferably through the cooperation and analysis between us,”

“We can narrow the target range to a small enough size,”

“And then let Young Master Wade contact them personally.”

May 47 nodded in understanding, and sighed: “The strength of the organization is indeed very strong.”

“It is likely to lead to disasters, and we have not been able to get rid of their rule for so many years,”

“And we don’t even know their true colors. It might be much bigger.”

Duncan said, “It’s really embarrassing that you haven’t escaped the control,”

“Of this organization for so many years and so many generations.”

After speaking, he looked at May 47 and said seriously,

“I think If you want to get rid of the shackles of this century-old tree,”

“Then Young Master Wade is definitely your only chance,”

“Only he can save you dead men and give you back your freedom.”

“Yes!” Nodding, he said with anticipation:

“My biggest dream now is to be able to reunite with my wife and children outside.”

“I’m afraid this dream can only be realized by Mr. Wade...”

As he said that, he asked Duncan, “Inspector Li, what else can you do to make our location more detailed?”

“If you need me to provide clues, I will share everything!”

# Chapter 5058

Duncan looked at May 47 and asked:

“Do you always fly out to perform missions?”

May 47 nodded and said, “Yes! Every time we fly.”

Duncan asked, “What state were you in midway?”

“In a coma.” May 47 said truthfully: “When we are about to go out on a mission,”

“We will first take drugs that make people deeply coma, and then wake up and be there.”

Duncan asked again: “Then how do you make sure that you take a plane every time you go out?”

May 47 explained: “Every time I have a mission,”

“I ask my wife to help me calculate the time. Although our time is not very accurate,”

“The error is not too big when the time axis is relatively short;”

“Every time I go on a mission, the time I can’t grasp is the round-trip journey.”

“I can accurately record the time when I perform the mission in the middle,”

“So every time I go back, I check the time with my wife,”

“And use the time she recorded to reduce the time.”

“The time to do the task recorded in my middle is the time spent on the round trip.”

“Generally speaking, whether we go to any place in the world to perform the task,”

“The time spent on the round trip will not exceed six or seven days. At this speed, only the plane can do it.”

Duncan nodded lightly and said, “It won’t take more than six or seven days,”

“Which means that your turnover efficiency is very high,”

“And even the airport you depart from is likely to be near your station.”

After speaking, Duncan remembered something and blurted out:

“Next, we can take two steps. On the one hand, we can find a more complete map,”

“Including satellite cloud images, and find all the islands and airports in the ring area,”

“And then take each ten-kilometer area around the airport to locate the key investigation targets;”

“As for the other hand, start with your transportation!”

May 47 hurriedly asked, “How do you start with the transportation?”

Duncan said: “Although you are flying on a mission,”

“You didn’t go through customs when you entered the United States, right,”

“Because when you woke up, you had already arrived in the United States and completed the entry.”

“Yes.” May 47 Nodding his head, he said, “Every time we perform a mission,”

“We haven’t gone through the customs, and we have already arrived at the place when we open our eyes.”

Duncan continued: "I don't know about other countries, but the United States has attached great importance to aviation safety since 9/11."

"Therefore, it is impossible for the plane you take to enter the United States directly."

"When entering the United States, you must go through customs."

"Therefore, they must have chosen a certain country to be the springboard country."

"First, they will fly the plane to the springboard country,"

"And then immediately arrange for you to sneak across the border by land."

"The entry line is completed."

After a pause, Duncan asked again, "Have you been to the United States before?"

May 47 nodded and said, "I went once a few years ago when I went to Los Angeles."

Duncan continued to ask: "The trip to Los Angeles was the same as the trip to New York,"

"Where you woke up and went back and forth within six or seven days, right?"

May 47 nodded, "Yes."

Duncan smiled slightly and said: "You must have been smuggled to enter the United States,"

"And there are only two ways to smuggle, either by sea or by land,"

"But if it is by sea, it is impossible to achieve a round-trip time of no more than six or seven days,"

"So I feel that you must be the first to fly by plane."

"The springboard country, and then smuggled into the USA by land."

Then, Duncan added: "The United States has only two neighboring countries, Mexico and Canada."

"If it travels by land, it must be one of these two countries, but Canada's aviation control is also very strict."

"So if your plane chooses Canada as the springboard country, you can't get around the process of going through the customs,"

"But the situation in Mexico is different. Mexico is relatively more chaotic."

“A plane avoids customs and directly landed somewhere in Mexico. The possibility should still be very large.”

“I can basically confirm that your station is in the coastal areas or islands of western or Eastern South Asia or eastern Southeast Asia,”

“Not far from the airport, and if you are going to the United States to perform a mission,”

“The plane should first fly to Mexico, and then transfer you by land to New York,”

“And the organization must have another group of people stationed there in Mexico.”

“I think Mexico should have the leads I want.”

# Chapter 5059

“Mexico?”

After listening to Duncan’s analysis, May 47 quickly asked:

“Inspector Li, what do you mean, when we go to the United States to perform a mission,”

“The plane will land first in Mexico, and then we move into the United States by land?”

“Yes.” Duncan nodded and said, “This is the most reliable way for me,”

“Other methods are too difficult since they use planes To transport you,”

“You must have a landing site, and neither the United States nor Canada,”

“Can allow them to bypass customs and enter quietly, and only Mexico has this condition.”

May 47 asked in confusion: “The plane enters Mexico, what does it mean?”

“Don’t you need to go through customs?”

Duncan explained: “There are two customs to enter the aircraft,”

“One is air traffic control, the other is customs, air traffic control is to control the aircraft before the plane lands,”

“And the customs is to control the passengers and goods after the plane landed.”

“In the world, no one can completely hide the whereabouts of the plane,”

“Unless he is dead because the current density of civil airliners is too high,”

“The flight must be arranged and dispatched by air traffic control,”

“Otherwise it is very likely to have a collision, so I speculate,”

“The plane that sent you at the beginning must be a normally registered plane,”

“And applied for a route in compliance with the regulations.”

After speaking, Duncan added: "But the advantage of them choosing Mexico is that after the plane lands,"

"They have to get to Mexico. It must be much easier than the United States,"

"And Canada to transport your soldiers out of the customs."

May 47 nodded lightly and asked Duncan, "Inspector Li, what are you going to do next?"

"You just said that the plane can't hide its whereabouts, so start the investigation from the plane?"

"Yes." Duncan said: "From the day you arrive in New York, push it forward three to five days,"

"And put all those entering Mexico in the past few days."

"All the planes you have taken are sorted out, the one you are taking should be in it,"

"And the rest is how to screen, which should be a lot of work."

Joseph, who had not spoken for a long time, opened his mouth and said:

"Inspector Li, from your position in the ring, flying to any place in Mexico is at least 16,000 kilometers,"

"And most of the planes can't fly that far,"

"Do you think they fly directly to Mexico or do they have a stopover in the middle for supplies?"

Duncan said with a serious expression: "It tends to fly directly, for them, the stopover adds extra cost."

"Landing is not only a waste of time but also a great risk."

"If you think about it, even if you are a strong martial arts master,"

"Once you put them all into a plane, there is still a risk of being taken away by someone."

“Just imagine, If the plane is shot down during takeoff and landing, what kind of expert can survive the crash?”

Joseph only felt a chill on his back and said, “If the plane really crashed,”

“The speed of hundreds of kilometers per hour, coupled with the weight of more than 100 tons and dozens of tons of fuel,”

“I am afraid that no matter how strong the martial arts master is, it is impossible to survive.”

After speaking, Joseph added: “The plane that can fly such a long distance is basically the same.”

“It is an ultra-long-range passenger plane among large passenger planes.”

“Under normal circumstances, some passenger planes can fly more than 16,000 kilometers,”

“Which are also the ultra-long-distance models of Boeing 777 and Airbus A350;”

“If Inspector Li thinks that they will land first in Mexico,”

“Let’s take out the planes that entered Mexico at that time,”

“And focus on checking these ultra-long-range passenger planes,”

“Which should be able to rule out most of the flight information.”

“If the eligible flight information is from the information you drew just now.”

“Those who take off in or near the ring area are the key suspects.”

Duncan’s eyes lit up, and he said, “This clue is very valuable and can save a lot of trouble.”

Joseph said, “Then I’ll do it here. Let someone check the Mexican aircraft entry records during that time!”

Duncan said quickly: “Master Wan, it is not difficult to investigate the aircraft entry records,”

“But can you ensure that your investigation channels are 100% secure?”

“Don’t worry.” Joseph nodded and said, “The information channels of Cataclysmic Front are of a very high level of confidentiality.”

“Besides, we have many firewalls, so Detective Li can rest assured.”

Duncan nodded lightly and instructed: “By the way, Master Wan,”

“I also need to sort out the information of all incoming cargo planes.”

“No problem.”

# Chapter 5060

Soon there was a dense document In the hands of Joseph.

This document records the information of all flights entering Mexico in the five days before the New York incident.

Since the vast majority of inbound flights are small and medium-sized aircraft,”

“Aircraft with a range of more than 15,000 kilometers are only a minority,”

“So after sorting out, there are less than 100 sorties in total.

And among the flights with less than 100 sorties,

Passenger planes accounted for 80%, and cargo planes accounted for 20%.

However, since the location of the circle drawn by Duncan is probably in South Asia and Southeast Asia,

There are no direct passenger planes between these places and Mexico.

During these five days, there was only one cargo plane taking off from Colombo, the capital of Sri Lanka.

The model of this cargo plane is exactly the Boeing 777 ultra-long-range passenger plane mentioned by Joseph just now.

It can be seen from the entry information that the plane took off from Colombo,

On the fourth night before the incident in New York.

After a 20-hour flight, it arrived at the border city of Monterrey in Mexico in the early morning two days before the incident.

And landed at Monterey International Airport.

The entry information also shows that in the entry application for this plane,

The goods filled in are tea and coffee beans, which are specialty products of Sri Lanka.

After seeing this information, Duncan said excitedly,

“There is a high probability that this is the plane!”

Joseph also agreed: “This aircraft is a Boeing 777-200LR,”

“Which is Boeing’s longest-range aircraft. It is not impossible to fly 20,000 kilometers with a moderate modification,”

“And cargo aircraft converted from passenger aircraft are very common,”

“But it stands to reason. , It should not be modified with ultra-long-range passenger aircraft.”

“Because ultra-long-range passenger aircraft has added more fuel reserve space,”

“The available commercial load is not large. Using this kind of aircraft to convert to a freighter does not care about the load,”

“But only about the efficiency. This kind of aircraft can basically fly directly to any two airports on the earth.”

Speaking of this, he paused for a moment, then said,

“Inspector Li, this plane seems to be prepared for global maneuvering,”

“Combined with that mysterious organization. The characteristics of the previous behavior,”

“I think your series of inferences, including this result, are correct! It is the target we are looking for!”

Duncan nodded: “I also think it is it!”

Joseph couldn’t help but admire: “Inspector Li, you are really amazing!”

“You can lock the plane used by the other party in such a short period of time.”

“I’m afraid this mysterious organization would never have imagined that they would be exposed so quickly!”

Duncan said seriously: “The main reason is May 47. With him here,”

“He can gradually help me identify clues and help me to conduct cross-comparisons.”

“This organization definitely did not expect that some of their dead men would survive,”

“And they would not believe that the dead men could help leak some useful key information,”

“It is even more unexpected that someone will find their plane.”

“If there is no information on May 47, we would even think that these dead people are all from the United States.”

“And, normally, even if someone is investigating suddenly”

“The dozens of dead people who appeared in the United States would never have thought that this was related to a regular cargo plane flying from Sri Lanka to Mexico.”

“They never thought that we could use the earthquake information of the past so many years to locate the approximate location of the dead people, so as to narrow the scope a little bit.”

Joseph sighed: “Information is important, but your ability to extract information from limited information,”

“And keep narrowing the scope is the key to finding clues, so you are called the best detective. It’s not unreasonable!”

Duncan smiled humbly, then pointed to the cargo plane’s registration number and company, and said,

“By the way, Master Wan, the plane’s registration number starts with 9V.”

“If I remember correctly, this is the registration of a Singapore aircraft. number, so this aircraft must be registered in Singapore,”

“And the company that it belongs to is YT-Airlines. Please check where the company is registered and the company’s public information,”

“Since it is a normal registered company. Then the public information should be relatively easy to find.”

“Okay!” Joseph also had a feeling that he could see the moonlight through the fog,

And he couldn't hide his excitement and said:

"Inspector Li wait a moment, I'll use it now. Check it out on my computer!"

After that, Joseph opened his laptop and searched for the company registered as YT-Airlines on Singapore's corporate information query website.

The information shows that this company is registered in Singapore and is an aviation logistics company named Yuantai International Express in Chinese.

The company has a total of three shareholders, all of whom are Chinese,

And there are six registered cargo planes under the company's name,

All of which are ultra-long-range versions of the Boeing 777.

After Joseph found out the information, he said to Duncan,

"Inspector Li, if you find these three shareholders, will you be able to dig out clues about the mysterious organization?"

Duncan said solemnly: "I think among these three, every shareholder should have a false identity."

"It is impossible for such a cautious organization to leave any substantive clues related to people in this link."

"The reason why a company must be registered and every aircraft must be registered is also their last resort."

"For this reason, aviation safety is a major issue that most countries in the world attach great importance to,"

"If there are no complete procedures, their planes will not be able to fly at all."

Joseph asked him: "Then what should we do next? ?"

Duncan thought for a while and said, "I met Young Master Wade before I came,"

"And he and I both felt that we should not have direct contact with each other during the investigation process,"

"So as to avoid exposure in advance, so I'd better report it to him. See what he thinks!"

# Chapter 5061

At this time, Charlie had returned to Providence.

Claire went to class on time as usual, while he stayed alone in the hotel, waiting for news from Duncan.

Although Charlie saved Duncan's life like a savior, he admired Duncan in his heart.

He admires his meticulous thinking and meticulousness,

And he thinks this man can find breakthroughs in places that others can't think of.

It is his ability that has created his reputation as a detective.

And his idea of trying to use the clues of huge natural disasters to gradually locate where the dead soldiers are located is indeed very practical in Charlie's view.

Therefore, he believes that after Duncan went to Syria to see May 47,

It would not take long. The clues will gradually become clear.

Duncan didn't let Charlie down either. He made a phone call to him, which lifted Charlie's spirit.

After answering the call, Charlie asked him the first sentence: “Inspector Li, what’s the outcome?”

Duncan hurriedly said, “Young Master Wade, we have analyzed some clues now,”

“But what to do in the future is still up to you to decide.”

Having said that, he reported to Charlie in detail what he had analyzed and investigated together with May 47 and Joseph.

Charlie didn’t expect that Duncan would sort out so many valuable clues so quickly.

First of all, it is the location of the May 47 and other dead men.

At present, it can be determined that the high probability is in South Asia,

Especially the southeastern coast of Sri Lanka,

And the islands in the surrounding waters of Sri Lanka. It’s very accurate.

If they really want to find it in this range, it shouldn’t be difficult.

Secondly, it is the Yuantai International Express Company registered in Singapore.

In Charlie's view, the function of this company is most likely to transport the soldiers for this mysterious organization;

In addition, there is a very key clue, which is the six Boeing ultra-long-range aircraft registered under the name of Yuantai International Express.

Having mastered the registration numbers of these six planes,

Theoretically, he has mastered the transfer of the dead of this mysterious organization.

After reporting this, Duncan said to Charlie:

"Master Wade, there are two directions for in-depth investigation at the moment,"

"One is to find the dead man's station in the currently locked area,"

"And then monitor the person in charge of the dead man's station,"

"And then go all the way. Follow the clues and find the real core members of the mysterious organization;"

"The other is to find out the actual controllers of Yuantai International Express first, and monitor them closely;"

“I personally feel that this Yuantai Express has a high probability of linking your Aunt who committed suicide by taking poison,”

“She was the white glove of this mysterious organization in the outside world.”

“Most likely they are members of this mysterious organization’s periphery,”

“Or another kind of death squad that is higher than the May 47 dead men,”

“Looking up from their line, you should be able to find clues about the organization.”

Charlie thought for a moment, then said, “Inspector Li, there is no need to investigate these two directions for the time being,”

“This organization can exist for hundreds of years.”

“It must have built multiple firewalls long ago,”

“Once there is a problem with any one of the firewalls,”

“All connections can be immediately disconnected, leaving almost no clues.”

Having said that, Charlie added: “In contrast, We don’t have any firewalls now.”

“As you said before, once there is substantial contact, the contact must be mutual.”

“At that time, as long as the other party grasps a few clues,”

“They will be able to check all the people around me.”

“It’s clear to me that I’m not afraid of death, and besides, I have enough self-protection ability,”

“But I can’t make sure that everyone around me will not be in danger.”

Duncan couldn’t help but ask, “Master Wade, then What should we do next?”

“Can’t just stop like this? Then it will be difficult to make new progress...”

Charlie smiled and said, “Detective Li, we have another direction. You can go deeper.”

Duncan asked subconsciously, “What direction?”

Charlie said, “Keep an eye on the six planes under the name of Yuantai Express!”

After speaking, Charlie said again:

“They would never have dreamed that this express company and these six planes have been exposed.”

“This is the biggest advantage in our hands.”

“As long as they don’t notice the exposure, this Six planes will continue to serve this organization,”

“And since aviation information is public, every time they move planes in the future,”

# Chapter 5062

Charlie continued: “No matter how well they cover it up, they will be exposed in front of us;”

“What we have to do is to be strict. Monitor the movements of these six planes.”

“Once their planes move, it means that they are definitely moving personnel or materials;”

“So record the time and place of each plane’s departure, and then track the destination of the plane.”

Duncan said immediately: “No problem, Young Master Wade,”

“I will closely monitor the movements of these six planes.”

“Once they move, I will notify you as soon as possible!”

Charlie smiled slightly: “Let Joseph arrange for the monitoring.”

“Let’s do this, you are responsible for commanding the rear,”

“Analyzing the collected information by the way, and sorting out valuable clues from all the information.”

“Okay!” Duncan said without hesitation: “I will be cooperating closely with Mr. Wan!”

“Okay,” Charlie said with a satisfied smile:

“Then it’s hard work for Inspector Li to stay in Syria for a few more days,”

“And let Joseph prepare a bedroom and an office for you.”

Then Joseph’s voice came from the other end of the phone:

“Mr. Wade, rest assured, your subordinates have made arrangements!”

“I have also asked the intelligence personnel to pay close attention to these aircraft.”

“According to the latest flight records of these six aircraft,”

“They are currently located in Singapore and the capital of Sri Lanka, Colombo,”

“the Mexican border city of Monterrey, the Nigerian port city of Lagos,”

“The Cyprus port city of Larnaca, and the Brazilian port city of Natal.”

Charlie frowned slightly, and with his memory of the world map, he said:

“Sri Lanka in South Asia, Mexico in North America, Nigeria in West Africa, Cyprus in Southern Europe,”

“Brazil in South America, Singapore in the throat of Southeast Asia...”

Speaking of this, he added: “Except for Singapore, which is a developed country,”

“The remaining five countries are all developing countries.”

“It should be that these countries have more loopholes in the overall management and control.”

“It can be drilled, and these locations are scattered all over the world,”

“Either they have their dead soldiers stationed near these places,”

“Or they are deliberately scattered so that they can make maneuver dispatches on a global scale anytime, anywhere.”

Immediately afterward, he asked and answered himself:

“But at present, the possibility of the former is not very high.”

“After all, when they sent May 47 to the United States,”

“They flew from Sri Lanka to Mexico. If they have dead people near Mexico, they should not be far away.”

Joseph said: “Mr. Wade, I will let people keep an eye on these six planes,”

“And if there is any movement, I will report to you as soon as possible!”

“Okay.” Charlie said with a smile: “Keep an eye on them,”

“Let me know as soon as you have a clear move,”

“If I have a convenient time and place, I can go and give them some surprises!”

Joseph exclaimed, “Mr. Wade, didn’t you say that you won’t have actual contact for the time being?!”

Charlie smiled slightly and said, “I hope Detective Li will maintain a non-contact unilateral investigation,”

“And not have any substantive contact with the other party during the investigation process.”

“As for me, I am not going to investigate them. I’m going to surprise them.”

Hearing this, May 47 said in a panic, "Wade...Mr. Wade..."

"I can assure you that almost all the dead are not those who are willing to sacrifice their lives for them..."

"I also ask you to look at their tragic fate...give them a chance to live..."

Charlie said lightly: "May 47, if I meet a dead man like you,"

"I can give them a chance, but the premise is that they must be able to be used by me."

May 47 blurted out: "Mr. Wade, don't worry if you are willing to give the dead man a chance."

"The opportunity to take revenge on the organization,"

"I believe that any dead soldier will not refuse to serve you!"

"If you can rescue them from the shackles of hundreds of years,"

"Even if they die generously for you, they will never have half a minute of hesitation!"

"Okay." Charlie said cheerfully, "If that's the case, then I can give them a chance!"

As soon as he finished speaking, Joseph blurted out to Charlie,

“Mr. Wade, I just received news that one of the Boeing 777,”

“After applying for four hours, took off from Larnaca Airport in Cyprus.”

Charlie blurted out: “Can you see the destination they applied for?”

Joseph said: “The destination is the second-largest city in Norway, Bergen!”

# Chapter 5063

Hearing the word “Norway”, the first person that came to Charlie’s mind was Helena,

Who had just been crowned the new queen.

So, he asked Joseph:

“How far is Bergen from Oslo?”

Joseph replied, “About 400 kilometers.”

Charlie heard this and felt a little relieved.

Four hundred kilometers, it seems that the target of the mysterious organization’s operation,

This time should have nothing to do with Helena.

Immediately, he said: “Since it is flying from Cyprus,

“It is highly likely that it has nothing to do with the location of May 47.”

“It may be another batch of dead soldiers.”

After speaking, Charlie asked Joseph: “Joseph,”

“How long does it take for a Boeing 777 to fly from Cyprus to Bergen?”

Joseph hurriedly said: "Mr. Wade, wait a moment, I will check the map."

After that, he checked the computer for a while, and said,

"Mr. Wade, the distance of the flight route is about 4,000 kilometers,"

"Including take-off and landing, the whole journey is estimated to take nearly five hours."

"Five hours." Charlie nodded and muttered,

"What if I fly from New York to the Norway capital of Oslo?"

Joseph marked the distance on the map and said,

"Mr. Wade, it is about 6,000 kilometers, and the civil aviation flight takes seven and a half hours."

Charlie said lightly: "6,000 kilometers if you let the Concorde fly,"

"It will be two and a half hours. If you take a helicopter from Oslo City in an hour and a half,"

"You will be able to reach Bergen in an hour and a half..."

"It seems that there is still plenty of time."

Joseph exclaimed: "Mr. Wade, you are here. Are you planning to go to Northern Europe?"

Charlie smiled and said: "Yes, I plan to meet them, but just to be cautious,"

"I plan to use the Concorde airliner to fly to Oslo,"

“And then transfer by helicopter to Bergen, but my speed is faster,”

“And I will definitely reach Bergen one step earlier than them.”

Joseph hurriedly said: “Mr. Wade, their plane will take off in four hours,”

“And Cyprus and Syria are in a straight line. The distance is only more than 300 kilometers.”

“If your subordinates fly over from Syria, they will not be much farther than them.”

“It is better for me to rush over now and arrive in Oslo in advance to join you and help you.”

Charlie thought for a while and said: “Joseph if the other party is still acting like last time in New York,”

“They will first put the dead men in a coma, and then smuggle them to Northern Europe,”

“Which means that in addition to the people on the plane.”

“There must be support in Northern Europe, so you must not start off by stunning snakes.”

After that, Charlie said again: “However, if you really make a move at that time,”

“You really need someone to clean up the battlefield, so let’s take 20 elite soldiers.”

“Immediately prepare to take off and fly directly to Oslo first.”

“After you arrive in Oslo City, immediately disperse and hide on the spot and wait for my order.”

“If I need you to deal with the aftermath, I will contact you at that time.”

“If I do not contact you, You two will just stay in Oslo City for two days,”

“And then you will be evacuated one after another.”

Joseph said respectfully immediately:

“Okay, Mr. Wade, I will arrange it and leave immediately!”

In Charlie’s opinion, since it happened to catch up with the other party’s Actions,

Then they must go to explore the truth.

Although it is impossible for this mysterious organization and the express company under their command to know that they have been exposed,

For the sake of prudence, Charlie still intends to use Oslo City to hide the itinerary and clues.

# Chapter 5064

After all, there will be records of plane flights and personal entry.

Although it is impossible for the other party to know that they have been exposed,

Once the number of damages is too much, they will definitely notice the abnormality.

If they turn around at that time, they will carefully investigate the relevant clues,

Before and after each mission failure, and then follow the clues to find the culprit.

If there is a person as meticulous as Duncan in the opponent's camp,

It is very likely that the clues will be focused on him.

Therefore, out of prudence, Charlie planned to ask Helena,

Who was already firmly seated as the Queen, to do a favor

Helena, the queen, and the royal family behind her are only the mascots of the Norway people,

But the royal family is the royal family after all.

Even if the monarchy is already constitutional, the royal family still has some privileges.

Therefore, Charlie planned to fly himself and the soldiers of the Cataclysmic Front to Oslo City first,

And let Helena use the royal channel to send him to Bergen quietly,

And if necessary, send Joseph and Others along too.

In this way, all the official records of everyone going from Oslo to Bergen can be hidden,

And the clues can be completely disconnected. This should not be difficult for Helena.

So, Charlie hung up the phone and called Helena again.

At this moment, Helena, just got out of a special school accompanied by the royal housekeeper and got into her own car.

Recently, she has been working hard to increase her exposure in front of people,

So she frequently organizes and participates in various charitable activities.

Today's activity is to go to a special school to visit the disabled children there.

Helena, who had just finished the activity, was sitting a little tired in the royal car.

She was thinking of taking the opportunity to close her eyes and rest for a while,

When the personal mobile phone in her handbag suddenly vibrated.

She took out her mobile phone and found that it was Charlie who called.

Her exhaustion was instantly swept away,

And her expression immediately became a little bit expectant and ashamed.

She pressed the answer button and said with some excitement: "Hello, Mr. Wade!"

"Helena." Charlie asked with a smile, "Did the call bother you at this time?"

Helena quickly said: "How could it be, Mr. Wade!"

"It's not a nuisance you can call at any time!"

"That's good." Charlie went straight to the point:

"Helena, I'm calling because I want to ask you for help."

Helena said without hesitation, "Mr. Wade, please tell me."

Charlie asked her, "If I fly directly to Oslo City tonight,"

"Can you arrange a helicopter to take me to Bergen without leaving any trace?"

Helena asked in surprise: "Mr. Wade, are you coming to Oslo City?"

Charlie snorted and said: "The main thing is to go to Bergen,"

"But I need to turn around in Oslo City, but I can't leave any traces that can be verified."

Helena immediately said without thinking: "The royal family there in Bergen has a palace,"

"And I happen to be going to Bergen to attend a charity event."

“If you fly to Bergen with me, there will never be any traces left,”

“Not even the helicopter I take has any flight records.”

Charlie didn't expect Helena to be going to Bergen,

So he asked her, “When are you leaving?”

Helena replied, “I can do it any time, as long as I can reach Bergen tomorrow.”

After that, she asked him, “Mr. Wade, when will you arrive in Oslo?”

Charlie looked at the time and said, “I will take off from Providence in about three hours,”

“And arrive in Oslo in two and a half hours.”

Helena said: “It's almost ten o'clock in the evening of Oslo City time,”

“And I will wait for you here! If you are not in a hurry to come to Bergen immediately,”

“You can spend one night in the palace first, If we are in a hurry, we can fly over by helicopter overnight.”

Charlie immediately said, “Then we are going straight over!”
