## Chapter 331

### Chapter 331

After resting for two days, Selena revived with full blood and returned to the set to continue working.

She looked at the work schedule for the next few days and found that her main scenes had already been completed, and most of the rest were scenes with Jia Qingqing before reshoots.

She is already familiar with this part of the play, so there is no pressure.

When she got to the set, it was not her turn to play yet.

As soon as Xiaotao saw her, she came up to meet her, "Sister Xi, you are here! I just wanted to send you a message to tell you not to come so early!"

Selena raised her eyebrows and joked, "What's the matter? The director is so good, and you want to give me a vacation?"

"No! Look over there..." Xiaotao whispered to her to look at Guan Xiaoqi and Fang Ya who were filming in front of her, "It's Guan Xiaoqi and Fang Ya, a scene that has been ng countless times, even better than Jia Qingqing back then. Still scary!"

"Guan Xiaoqi..." Selena propped her chin and pondered for a while.

"That's right, it's the new singer that our company is promoting, his singing is terrible, but there is no way, he has money, and the money that Nima spent is like running water!"

It is said that she had been arguing desperately for acting from the very beginning, but the company assessed her basic skills and found that acting skills were even scarier than singing, so they did everything possible to persuade her to become a singer, at least the singer can tune in later!

How's the result? After so much money was spent, she only worked as a singer for a few months, she said she wouldn't do it, she quit, and she still clamored to act, so, she came to harm showbiz again..."

After Xiaotao finished gossiping, she especially reminded Selena nervously, "Although we belong to the same company as her, let's stay away from such people!"

Selena nodded her chin slightly, with a thoughtful expression on her face. In fact, when she was in the apartment last time, although Guan Xiaoqi did not necessarily mean it, she did help her once, but before she got to know a person thoroughly, she must be Will not act rashly.

Knowing the situation, Selena didn't leave early, and sat down on the chair directly. She also had a lot of roles with Guan Xiaoqi, so it is necessary to know Guan Xiaoqi's level in advance.

Not far away, the filming between Guan Xiaoqi and Fang Ya was still going on...

In the film, Guan Xiaoqi plays Meng Changge's deadly rival, Concubine Xian, and Fang Ya plays Concubine Shu, another concubine of the Hunjun.

Selena glanced at it from a distance. From the current point of view, it was Guan Xiaoqi who had problems all along, and Guo Qisheng who was beside him seemed to be on the verge of collapse...

"Guan Xiaoqi! You are a favorite concubine! A favorite concubine! Be enchanting! Be charming! Don't act like a wooden stake!"

"And your lines, we don't use dubbing for this drama, all the original sounds are recorded on the spot, how can your lines be as smooth as reading?"

"Expression! Where's your expression?"

...

Xiaotao handed Selena a pack of melon seeds, "Sister Xi, you saw it now, am I not exaggerating? The acting skills are really terrible! Hey, your cooperation with Mr. Jiang is so good and smooth. Everyone thought that we could make it ahead of schedule." It was finalized, but who knew that Guan Xiaoqi would appear in the middle of it! It's the king of ng!"

Selena didn't speak.

Objectively speaking, this is not a question of good or bad acting skills.

Because Guan Xiaoqi has no acting skills at all, she is a blank slate.

Generally in this case, the person who acts opposite to her is very important.

To make matters worse, Fang Ya, who was acting opposite to her, had a feud with her again, and Fang Ya's acting skills were only so-so, so it was strange that Guan Xiaoqi could perform well against her.

## Chapter 332

Finally, Guo Qisheng couldn't take it anymore, he yelled "Ka", and said exhaustedly, "Ten minutes... no, twenty minutes! Guan Xiaoqi, you should adjust your state properly!"

Selena pondered for twenty minutes...

To Guan Xiaoqi, this actually had no effect.

If this pattern continues, Guan Xiaoqi will only live until he dies...

Guo Qisheng must have known this too.

Selena glanced in Guo Qisheng's direction, and sure enough, she saw him sneaking away to make a phone call, probably asking for help.

Xiaotao shook her head while eating melon seeds, "Director Guo probably wants someone from our company to come over, but this is impossible. Guan Xiaoqi's background is too deep, and he can't be replaced!"

Sure enough, in less than five minutes, Guo Qisheng came out from the corner with a dark face. Looking at his expression, he failed to call for help.

Guo Qisheng walked straight up to Selena, and said with an apologetic expression, "Selena, they've been delayed for a while, you may have to wait a little longer!"

Selena smiled, and said indifferently, "It's okay director, you are busy, don't worry about me."

While Selena was talking with the director, Guan Xiaoqi and Fang Ya were already arguing.

Fang Ya was gloating and complaining to the people next to her, "Hahahahaha... I'm so ridiculous! Some people told me at the beginning that their acting skills are top-notch, but in the end, it's only this level?"

Guan Xiaoqi kept a straight face and said nothing.

Fang Ya saw that she was silent when she was hurt by the rumors, and she was even more proud, "So what if you are rich, with your acting skills, even your family's gold and silver can't be spent! What a waste!"

Guan Xiaoqi didn't have much patience in the first place, and when he heard this, he immediately complained, "I'm willing to waste it, I'm willing to waste it, can you control me! For a person like you, does your family have the money to waste it like this? Can't you eat it?" Grapes say grapes are sour! Your eyes are red with envy! Look at your poor face!"

"You...you...you..." Fang Ya almost vomited blood from anger.

But at the same time, Guan Xiaoqi's words not only angered Fang Ya but also scolded all the other entertainers from ordinary backgrounds in the crew, which really drew a lot of hatred...

But it's no wonder that the eldest lady who has been spoiled since she was a child can't bear such anger, and she can't possibly consider other people's feelings.

Seeing that the situation was getting more and more serious, Guo Qisheng rushed over to try to break the fight, which made his head burnt out.

Xiaotao was also indignant, "I'll go, Guan Xiaoqi's words are too annoying! I can't blame everyone for hating her!"

Selena didn't comment, but patted Xiaotao on the shoulder, "I'm going to the bathroom."

"Oh, yes! By the way, sister Xi, do you have anything you want to eat? I'll go buy it for you! I guess we'll have to wait a while!"

Selena waved her hand, "No, thank you, you can buy something you like..."

...

Selena came out of the bathroom and was walking back when she caught a glimpse of a person squatting under a tree root not far away from the corner of her eye.

Guan Xiaoqi...?

What is she squatting there for?

Selena stood there suspiciously for a while.

I saw Guan Xiaoqi was holding the script in her hand, chanting words non-stop, her expression looked very serious, not at all as arrogant and conceited as she showed in front of everyone.

Selena stood there watching for a while, but Guan Xiaoqi didn't notice anyone nearby at all, so he just practiced there by himself over and over again...

## Chapter 333

Twenty minutes passed quickly.

Selena returned to the rest area.

The filming of Guan Xiaoqi and Fang Ya continued, and the result was basically unquestionable and horrible...

Selena calmly walked up to the director who wanted to bang her head on the camera...

"Director, I have something to discuss with you!"

Guo Qisheng turned his head wearily, "Oh, Selena, what's the matter? Tell me!"

Selena thought for a while, and then asked, "It's this kind of director. I have some urgent matters to deal with later. I really can't wait any longer. Can you adjust the scene between me and Guan Xiaoqi to the front?"

"This..." Guo Qisheng was troubled when he heard the words, "Hey, you have seen Guan Xiaoqi's acting skills, it's even more difficult for you to play with her opponent..."

"It doesn't matter, director, let's try it out! Maybe she's just stuck in this plot, and it will be fine with a different plot?" Selena comforted.

"How is it possible..." Guo Qisheng smiled wryly and shook his head, "Forget it, her acting skills are the same anyway, so just do as you say, if it doesn't work this time, you don't have to spend time with her anymore, get busy with your business first!"

Selena hurriedly thanked, "Thank you director!"

Guo Qisheng coughed lightly and interrupted Guan Xiaoqi's mechanical lines, "Guan Xiaoqi, stop! Fang Ya, go and rest first, because Selena has something urgent to do later, so shoot her first!"

Fang Ya's eyes lit up when she heard the words, "Okay, I have no objection!"

When Guan Xiaoqi heard the director's words, her whole body froze, and her hands beside her were tightly clenched into fists.

Of course, Fang Ya had no objection, not only did she have no objection, but when she returned to the rest area, she said excitedly to the people next to her, "Hahaha, Guan Xiaoqi is doomed! You know that she and Selena will know what to do next." What kind of play is it?"

"Uh, it couldn't be... the scene where Jia Qingqing ng over thirty times?"

"That's right! That's it!"

"Oh my god! Then Guan Xiaoqi is really dead!"

...

At this moment, Guan Xiaoqi's two assistants, Eleven and Twelve, are running around in a hurry.

"Miss, otherwise I'll discuss it with the director and Selena! This scene is too difficult! You definitely can't do it!"

"That's right, when Jia Qingqing and Selena played against each other, they played from beginning to end!"

"Shut up! Who said I can't do it!" Guan Xiaoqi clenched his fists tightly and scolded the two of them viciously, "No one is allowed to talk! This is the only one! Am I not as good as Jia Qingqing?"

The two little assistants looked at each other, feeling distressed, thinking that if you were half as good as Jia Qingqing, they would wake up laughing from their dreams.

"Hey, this Selena is also the same. After all, she is also from the same company. Why is she like this? Why don't you just wait a little longer? I know this scene is so difficult!"

"So what if you're in the same company, and you don't have much friendship at ordinary times? With my lady's temper, she almost offends everyone in the company, okay? In a place like the entertainment industry, everyone cleans up their own door, so don't care about others. !"

...

After a while, the next shoot is ready.

Selena and Guan Xiaoqi took their places. Selena sat on the luxurious wooden chair, while Guan Xiaoqi fell to the ground in a state of embarrassment.

Seeing Selena looking down at him, Guan Xiaoqi's face showed a trace of humiliation...

This time, Guo Qisheng didn't even bother to give pre-shoot guidance, so he just waved his hand and said, "Let's get started!"

## Chapter 334

Background: cold palace.

Characters: Meng Changge, Xianfei.

In the dilapidated palace, sitting on a large seat, Selena looked contemptuously, while Guan Xiaoqi looked angry and humiliated.

Seeing this, Guo Qisheng frowned slightly, huh? Guan Xiaoqi's expression...not bad!

Then, Selena looked at her as if she was looking at a dead person, "Concubine Xian, do you know why I hate you so much? Why must you be put to death?"

After Selena finished reading his lines, Guo Qisheng pinched the center of his brows, he was ready for Guan Xiaoqi to ng at the first sentence, and the cameraman was also fiddling with the equipment absent-mindedly.

The other staff members and entertainers onlookers couldn't get used to Guan Xiaoqi's usual domineering appearance, so they were all watching a good show...

"b!tch! You are just jealous of me! Jealous of the emperor liking me! Jealous of my being favored!" Guan Xiaoqi recited the lines angrily, her eyes even turned slightly red. Dmn it! Fang Ya, and these people, all these people are just jealous of her, just jealous of her!

As soon as Guan Xiaoqi finished speaking, everyone present was stunned.

Huh?

Actually read the lines accurately, and the expression and tone are also very good...

luck!

After finishing the line, even Guan Xiaoqi was stunned for a moment, but before she could get distracted, Selena immediately read the next line, "Oh, I'm jealous? Jealous of you being favored by that bad old man?"

Guan Xiaoqi followed Selena's words and acted out the next scene naturally. She couldn't believe it, "Concubine De! Are you crazy? I want to tell the emperor! I want to tell the emperor that you insulted..."

Selena immediately turned back Guan Xiaoqi's words with a look, and then said gloomily, "Concubine Liang, do you know who I am? Do you still remember... the name Meng Changge?"

Seeing this, everyone was staring with bated breath, the atmosphere on the scene was extremely tense, the crowd lowered their voices, whispering inconceivably:

"Guan Xiaoqi, what kind of sh1t luck is this, and he hasn't ng yet?"

Fang Ya circled her chest and sneered, "Hehe, it's about to be ng, just watch!"

"That's right, Jia Qingqing ng the following line thirty-three times in a row!"

...

Under Selena's gloomy gaze, Guan Xiaoqi looked dull and terrified, "You are Meng Changge? How could you be Meng Changge! Meng Changge is clearly dead! This is impossible! Impossible!"

Selena approached suddenly, "Zhao Wanrou! If you don't die, how dare I die? Even if I die, I will crawl out of hell! I will hold you and die together..."

"Ah...don't come here...don't come here..." Guan Xiaoqi screamed in extreme fear.

Zhang Rui: "Director, director...Click! Click!"

In the end, the assistant director reminded him that the director came back to his senses and quickly shouted, "Crack!"

this scene...

Actually passed...

One is over...

The moment Guo Qisheng yelled "Ka", everyone didn't react, and it took a long while before a heated discussion erupted at the scene:

"Oh my god! Has the sun come out from the west? Guan Xiaoqi has passed?"

"And it's a pass!"

"Amazing!"

"What kind of evil is this!"

...

Fang Ya's face was livid, and she was the first to stand up to protest, "How is this possible? Director, how could you let her live! She...she didn't act well at all just now! Her expressions and movements are too exaggerated!"

## Chapter 335

Guo Qisheng glanced at Fang Ya impatiently, "Xiao Qi is not like you who came from a major, so it's pretty good to be able to behave like this!"

After speaking, she looked at Fang Ya with dissatisfaction, "Looking back, you should be more careful when playing with Selena. Only when you get into the play, can she get into the play, you know?"

"I'm the director, it's obviously her..." Fang Ya was so angry that she almost vomited blood.

Guan Xiaoqi's poor acting skills, could it be her fault?

At this time, other people around also began to change their attitudes, "The director is right, I thought it was all Guan Xiaoqi's problem at first, but now that I think about it, Fang Ya also has a problem!"

"It must be! Otherwise, why would the scene between Guan Xiaoqi and Selena be over!"

"Although Guan Xiaoqi's acting skills are poor, in fact Fang Ya's acting skills are also bad enough, and she keeps laughing at those fifty steps!"

...

After the match ended, Guan Xiaoqi almost floated back to the rest area.

The two little assistants, one playing a fan and the other delivering water, greeted him with great joy.

"Miss, you were too powerful just now!"

"Yeah, yeah, it's over once! The acting is great!"

Guan Xiaoqi raised her chin with a proud face, "I said long ago that my acting skills are fine! It's just that I can't act because I feel disgusted by Fang Ya's face! Do you believe me now?"

"I believe it! Miss, you are the best! It's all Fang Ya's fault!"

...

Selena glanced in Guan Xiaoqi's direction, then walked over to Guo Qisheng, "Director, how is this going? Is there a problem?"

"No problem, no problem! Very good!" Guo Qisheng's face was full of joy.

Selena paused for a moment, then said casually, "Director, I think Guan Xiaoqi is in pretty good shape now, wouldn't it be better to shoot the scene immediately?"

"Well, what you said makes sense, I'll let them start the next game immediately! By the way, if you are in a hurry, hurry up!"

"Okay, thank you director!" Selena nodded and said goodbye.

Xiaotao followed Selena suspiciously, "Sister Xi, what's the matter with Guan Xiaoqi? She passed it once! It must be just luck, right?"

Selena: "Probably..."

"I knew it! Sister Xi, are you in a hurry? Do you need my help?"

"No, you can get off work!"

"Okay, thank you sister Xi..." I thought I had to work overtime today, but I didn't expect to get off work early in the end, so Xiaotao immediately ran away happily.

...

Here Selena took off her make-up and changed, and was walking in the corridor leading to the hotel.

At this time, a hand suddenly stretched out from the slant, grabbed her shoulder...

"Tsk tsk, Selena, can you, a hero save the beauty?"

Selena threw away Louis's hand, and patted the nonexistent dust on her shoulder, "What, do you have an opinion?"

Louis put his paw over indifferently, "Don't you always dislike meddling in other people's business? Why are you helping Guan Xiaoqi, that annoying woman this time?"

Selena rubbed her chin, "Guan Xiaoqi did me a favor once before, and just returned it. I don't like to owe favors. And... let's not talk about this girl's character and personality, but I can tell that she is I really like acting..."

She has a good impression of those who really like and love acting.

Louis was speechless, "You are quite sympathetic!"

"Do you care if I pity the fragrance or cherish the jade!" Selena rolled his eyes at him, "Aren't you out of action today? What are you doing here on the set?"
