

Cruel Heart Lover Novel

Chapter 336

Louis said excitedly, "Anyway, the rest of your scenes will be very relaxed, so I want you to go to the bar for a drink at night!"

Selena raised a finger and shook it, "I'm sorry, although I am indeed planning to go to the bar to relax tonight, but I will go alone without you!"

Louis immediately became angry, "Dmn! Why didn't you take me with you!"

Selena rolled his eyes at him, "You think the two of us didn't struggle enough last time, don't you?"

"Isn't that an accident? Besides, because of that incident, you accepted the endorsement for nothing!" Louis said confidently.

"Who can guarantee that I will be so lucky every time? Star Jiang, you can do me a favor. Please forgive me and go play on your own. I don't want to cause sister Zhizhi any more trouble!"

...

An hour later, carlos bar.

Carlos Bar has a characteristic, the guests who come here almost eliminate all the bottom of society, especially men.

In the outside world, the most frequently mentioned sentence in Carlos Bar is "poor people and dogs shall not enter".

And those who attract the rich generation and the rich second generation are naturally those aid girls and socialites with superior looks, figures, and temperament.

In addition to power and money, a beautiful appearance is also the most effective passport here.

Selena managed to get rid of Louis who was complaining. When she got to the bar, it was almost full, so she found a random corner and sat down.

For Selena, the biggest advantage of this bar is that she doesn't need such troublesome disguises, because it's almost impossible for anyone here to know a little star like her, so she can relax completely.

As soon as Selena sat down, a few middle-aged men not far away looking around, as if they were looking for "prey", immediately turned their eyes and stared in Selena's direction, with a hint of deep meaning in their eyes...

"The appearance and temperament are very outstanding, but the clothes are not suitable for my taste."

"Well, it doesn't look like a celebrity."

"If it's not a celebrity, then it's an aid? Let's take a look first. There are many beauties in the bar tonight, so don't worry!"

These middle-aged men were sitting on a relatively high-end leather sofa, posing in a lazy and comfortable posture, their voices were neither soft nor loud, and it happened that people around could hear them clearly.

As soon as the voice fell, several young people next to him suddenly stood up together.

The young man in the lead was wearing an expensive shirt and trousers, and stared at Selena closely with a pair of small narrow eyes, "Hehe, this girl's

temperament and appearance are top-notch, and she doesn't suit your taste, then we brothers are going to have sex with her." !"

"Mr. Li, whatever you want." The middle-aged men on the sofa smiled slightly and didn't care. Most of these people's goals are real celebrities, and they disdain women of this class, no matter how beautiful they are.

So, the young masters surrounding Mr. Li frivolously whistled in Selena's direction, "Hey! Beauty! Do you want to come and sit with me?"

The light music was played in the bar, it didn't seem harsh or noisy, and Selena naturally heard the voices of the young masters.

Selena's slightly cold eyes glanced at the young masters carelessly, but she didn't respond.

Selena has encountered this kind of thing a few times, and she's used to it for a long time. She just came to the Carlos bar to relax, so she chose to ignore it.

This bar is quite high-grade, and generally no one will make too much noise.

Chapter 337

"Little girl, didn't you hear Mr. Li asked you to come and sit?" Seeing that Selena didn't pay any attention to it, the faces of the young people in front of Mr. Li all looked a little ugly, and their tone became a little hard in an instant.

What they didn't expect was that after the invitation again, the woman remained motionless, drinking her drink to herself, as if she didn't hear her at all.

"You stink..."

The young man hadn't scolded the word 'cousin', but Mr. Li stretched out his hand, patted him on the shoulder, and said with a smile: "This is not how girls make love, the process of conquest is a kind of enjoyment, understand??"

Hearing Mr. Li's words, the young man was full of smiles: "Mr. Li's lesson is that I am too impatient. We can't deal with this kind of girl. Then Mr. Li has to do it himself. My brothers will watch from the sidelines." Study and resolutely not to embarrass Mr. Li in the future!"

Mr. Li nodded in satisfaction, and said in a senior tone, "If you want to have sex with a girl like this, don't be in a hurry, let's take your time!"

After speaking, he looked at Selena meaningfully, and then returned to the VIP seat with a few young people.

Seeing that the young masters didn't continue to chat, Selena stopped paying attention and listened to soothing music leisurely while drinking a drink.

This kind of laziness inadvertently revealed under extreme relaxation adds a bit of seductive flavor...

While waiting for the order, Selena logged into Weibo.

She found that her Weibo hadn't been updated for a long time, and it happened to be finished soon. It would be better to stir up a little heat at this time, so she thought about it, edited a post and sent it out:

Lying in the night and listening to the wind and rain, the Iron Horse and Glacier are dreaming! Finish the countdown!

Soon the number of comments and likes began to soar, and many crew members also forwarded it.

Louis reposted it, adding a sentence: Ten years of life and death are boundless, don't think about it, never forget it

Just in time for the tragic and touching relationship between Jing Meng Change and Sun Huanqing.

As soon as Louis retweeted it, the fans on the Internet immediately exploded, and they began to discuss Meng Change, Sun Huanqing and the super popular CP.

At the same time, in the box on the top floor of Carlos Bar.

Daniel was thinking about it for himself when the phone on the table rang with a vibrating "ding".

Click on it, and a new message pops up on Weibo, which is exactly the Weibo that Selena just posted.

He set special attention on Selena, and installed a small program in his phone. Whenever Selena updates, it will automatically vibrate and ring to remind him.

Saul who was on the side glanced at him from the corner of his eye and was speechless, "I'll go! Brother, you are really enough! In order to keep track of other people's news, I even created a small program! I really can't understand the romance of your science men..."

Daniel ignored his younger brother, but kept looking at Selena's Weibo over and over again.

"With such a short sentence, how can you still see the flowers..." Saul muttered softly.

Afterwards, his brother's slender fingers pressed a few times without haste, then edited a text message and sent it to Selena...

Saul leaned over to take a peek unceremoniously, and the next second, after seeing the content clearly, he covered his eyes and rolled back on his

seat...“Oh! Dmn!!! My dog’s eyes! My titanium alloy dog Eyes! I shouldn’t have peeked!”

It’s just looking for abuse!

He thought that his brother was in a state of broken love, so he would not be abused, but he never expected that he would be abused even worse!

Chapter 338

Soon, downstairs, a new message popped up on Selena’s phone, from Daniel.

Selena took a sip of the cocktail that the waiter had just brought, thinking that Daniel was just reporting on his safety as usual, so she opened it casually, only to see that the message read...

Lying in the night and listening to the wind and rain, the iron horse is you, and the glacier is also you

“Pfft...” Selena spit out the wine in one gulp, her whole face was on fire!

Yaoshou! The Great Demon King is simply too cruel to look directly at!

Ever since the big devil said that day, “One day you will find that cabbage tastes better than radishes”, she has been thinking about it for a long time when she got home, but she has never figured out what the big devil’s plan is going to be...

At this moment, she finally wanted to understand...

The Great Demon King is clearly planning to use a big trick on her – a beauty trick!

Selena was being teased to the point of death when she caught a glimpse of something flying towards her from the corner of her eye, so her eyes flicked

and she made a move instantly, picking up the tray on the table in time to block it.

The next second, there was a “bang”, and the wine bottle that almost hit her head fell to the ground, making a piercing sound.

Before Selena could find the other party, the other party came to the door first.

Surrounded by a group of people, a celebrity wearing a tight red sequined dress walked up to her, looked down at her and said, “Oh, I’m sorry, I don’t know why, but the wine bottle suddenly flew out, Didn’t meet you?”

Selena gave those people a cold look, but didn’t respond.

She doesn’t like to cause trouble, but she’s not afraid of trouble. It’s fine if she doesn’t hit herself, but if the wine bottle really hurt her, she doesn’t mind using her strength to teach them how to be human. Anyway, there is no one in this kind of place. Knowing her, you can let yourself go as much as you want.

“It’s okay.” Selena stood up, not wanting to have any contact with these people, and immediately prepared to leave to find another quiet seat.

Seeing this, the famous lady winked at the girls in front of her in private.

A few girls around the ladies immediately understood and stepped forward, blocking Selena’s path.

“Don’t, the wine bottle almost hit you just now, we are very sorry, we must make up for you!”

“That’s right, we were careless before, if we let it go like this, I feel really guilty!”

The girls sang together, as if they really felt guilty, but they didn't hide the naked disdain, contempt, and contempt in their eyes.

At this time, the music in the bar became lighter, and many eyes fell on it, most of them stared at Selena, as if they were waiting to see a joke.

"That girl is an authentic celebrity. Although she looks ordinary, her family background is extraordinary. How did that chick offend her?"

"Hahaha, then you don't have to ask, it's probably because the chick hooked up with her man! I know this lady, the eldest lady of the Wang family, Wang Ruolan, is the most jealous!"

"Hook up? No way, I saw that chick never left her seat!"

"This is the Carlos bar. To hook up with someone, you just need to look a little more. Have you ever heard of eye contact? Don't be so vulgar!"

...

There were some well-dressed men and women around talking about it.

Things like this happen almost every night in the Carlos bar. People who see it often don't make a fuss, just watch the excitement.

Selena squinted at the girls, and said expressionlessly, "There's no need for compensation, your wine bottle didn't hit me."

Chapter 339

"How can we do that? We promise you, and Sister Lan won't agree, right?" One of the girls looked at the famous lady beside her.

While talking, the lady stepped forward, stared at Selena, with a sneer on her face, "It's not easy for you, coming to the Carlos bar in the middle of the night,

and buying this outfit will cost a lot of money, I can't let you go empty-handed
And back, this is a reward for you... no, compensation for you!"

After the celebrity finished speaking, she opened her bag, took out half a bundle of dazzling banknotes, and threw it directly at Selena's feet: "Five thousand, is it enough?"

"Sister Lan, you are so generous. You just hit her directly, and five thousand is enough!"

"That's right, our sister Lan is really generous. If you sell meat, one time is enough!"

Several girls sneered with sarcasm on their faces.

In the bar, this scene was really exciting, and more and more people gathered around.

The previous Mr. Li raised his mouth and continued to drink in a leisurely manner as if he was waiting for the best time to make a move.

At this moment, Selena frowned slightly. This woman didn't come to apologize, she was obviously looking for trouble on purpose.

"What, that's not enough? You butchers, you were paid by those old men, at most, at this price?" The celebrity stared at Selena with a disgusted face.

Before Selena could say anything, another wad of red banknotes fell under her feet with a "bang".

"This is 10,000, plus the 5,000 just now, is 15,000 enough?" The celebrity sneered.

"Oh, Sister Lan, this is too much. I think three thousand is enough. For a woman like her, seeing someone with Sister Lan's status, of course she wants to blackmail more!"

"Sister Lan's heart is kindness, otherwise I will add 10,000, and make up 25,000!"

"Twenty-five thousand? I like that number." The socialite smiled arrogantly, and actually pulled out another stack and threw it in front of Selena.

Selena raised her eyebrows and looked at the woman in front of her. Her gaze was almost the same as looking at a fool.

This kind of person has a lot of money and wants to find a sense of existence.

It's a pity that she really doesn't have any sense of existence in front of her, she's too stupid, she doesn't even have any interest in abuse, because there is no pleasure in abuse.

"Beauty, you can take this money. Although 25,000 is not much, it is better than working hard at night!" At this time, the muscular, blond mixed-race man next to the celebrity squatted down, picked up the money, and prepared. Handed it to Selena, and gave Selena an ambiguous look.

"Thank you, I don't think I need these compensations." Selena's voice was a little cold.

"Stinky ba5tard!" At this moment, the famous lady didn't know what had stimulated her, and she suddenly scolded, "I thought you were pitiful, so I kindly compensated you, but you didn't know how to hook up with my family Chengyun!"

Just now she was angry because her boyfriend kept looking in this b!tch's direction, but this b!tch blatantly hooked up with Cheng Yun in front of her, did she think she was dead?

Although Selena didn't want to deal with this kind of person, but these people kept pestering her several times, and she lost all her patience. She immediately sneered and swept the mixed-race little fresh meat with her eyes as if she was looking at a piece of cheap pork, "I hooked up with him?"

"Nonsense! It wasn't you who hooked up with him, could it be that we promised to hook up with you!"

"You still watch it! Have you never seen a handsome guy? Is it necessary to be so hungry!"

"Tsk ts, those old men must have slept too much, have you never seen such a handsome man?"

...

Chapter 340

The famous lady caressed her well-manicured nails, looked at Selena's pretty face, and said with a stern expression, "Now, kneel down and apologize to me, and promise that you will never think about other men again. Get out of this bar, and today's business is over! Otherwise, don't even think about leaving tonight!"

"Offended our Miss Li and wants to leave, how can it be so easy!"

As soon as the words fell, a group of celebrity thugs surrounded him.

Selena glanced at the thugs, and calmly squeezed her knuckles...

"Hehe, Miss Lan, what's wrong with this lady, you are so angry?"

At this time, Mr. Li, who had been drinking in the VIP seat, suddenly walked towards here, looked at the famous lady, and said with a smile.

"Hey, Mr. Li..." Seeing the person coming, the lady's complexion softened, "Don't you not like this kind of poor and cheap meat wh0re? Why are you suddenly speaking for this kind of person today?"

"Sister Lan, I like this lady very much, just give me some face and don't make things difficult for her." Mr. Li acted like a gentleman.

"Mr. Li likes it?" The lady was taken aback for a moment, and then she came back to her senses, "That's fine, since Mr. Li likes it, there is nothing to say. With Mr. Li's strength, I can give you at least 50,000 yuan a night! I really don't know her What kind of sh1t luck!"

Beside, several women laughed secretly when they heard the words.

This Mr. Li is notoriously perverted in bed. I don't know how many women have played to death. She is the one who is taken by Mr. Li.

But as long as you have money, it doesn't matter to this kind of woman, does it?

"Miss, buy you for one night, 50,000, come with me, or you will offend Sister Lan, and it will be very difficult for you to leave the Carlos bar!" Mr. Li walked towards Selena with an expression of determination to win. , wanting to hold Selena's hand.

The next second, with a "snap", Selena's figure moved slightly, but she directly deflected Mr. Li's outstretched hand heavily.

"You?!" Being refuted on the spot, Mr. Li's face suddenly became gloomy, as if dripping water.

Without Young Master Li saying a word, the group of supporters beside him and his family's thugs had already quietly surrounded him.

So, the situation at the moment was that Selena directly confronted two groups of people, and the atmosphere on the scene was on the verge of breaking out.

"Is it so lively tonight?"

In the noisy and chaotic air, a cold voice like ice edge suddenly sounded, like a ray of Sanskrit sound in the muddy world, refreshing.

In an instant, everyone looked at the direction behind Selena, dumbfounded.

Selena froze, what was this voice?

demon king...?

As soon as Daniel appeared, the ladies at the front froze in place.

The man who appeared suddenly could no longer be described as handsome, his gestures were full of nobility, it seemed that just a cold look was enough to make one fall into a trap and be unable to extricate himself.

"Oh my god! Who is this man! He's so handsome!"

"It's not just about being handsome! It's about aura! You're so aura, okay! So an!"

"I thought someone like Cheng Yun was enough for a man, but in front of this man, it's simply not enough!"

At this moment, Miss Wang in the middle was staring blankly at Daniel, her cheeks flushed.

The man in front of her was just like a god, just like the ideal man in her dream, just seeing him, all the fresh meat male companions she was proud of next to him became garbage...
