

Cruel Heart Lover Novel

Chapter 34

"I didn't expect Ning Dong to take care of all kinds of opportunities and still have time to come to our opening ceremony. It's a great honor!" Director Guo warmly greeted.

"Come on, Ning Dong sits here!" Producer Wang gave up his seat and let Ning Yaohua sit next to Susie.

Ning Yaohua looked at Susie lovingly, "Director Guo is being polite, my little girl is taking care of you."

"Ning Donghu's father has no dog daughter, Ling Qianjin is so good, I don't need to take care of her!"

"This child is usually too busy to be seen. If it weren't for this trip, I, a father, would never be able to see her!" Ning Yaohua said angrily. But although he had a stern face, there was no trace of anger in his eyes, it was clear that he was extremely fond of him.

"Hahaha, Susie works so hard, you should be happy, but Susie is not right, no matter how busy you are at work, you should always go home and have a look!" Director Guo was angry.

"I know the director, this is my fault! Dad, don't be angry, I'll go home for dinner tomorrow night!" Susie hugged Ning Yaohua's arm and acted like a good girl.

"Look, the director needs to speak for my old man, so that she can find time to come back!"

"Dad, there are so many people here, save me some face!"

"Yes, yes, you are a big star now, I can't even say it!"

...

Selena thought that she had already been tempered into steel, but she didn't expect that seeing this scene of fatherly love and daughterly filial piety, her chest would still be suffocated, and she almost wanted to run away immediately.

Fortunately, she couldn't control her heart, but she was able to hide it perfectly on the surface, discussing the plot with the screenwriter on the side calmly, as if she didn't pay attention to the excitement on the other side.

She could ignore it, but someone didn't think so, Ning Yaohua's eyes cut her body like a knife. As if seeing her appearing in public is such a humiliating and disgusting thing.

Selena finally left the box with the excuse of going to the bathroom, and walked to the window at the end of the corridor to get some air.

He took out the cigarette and lighter from the bag, groped for a long time on the slender cigarette, and finally put it back.

She is quitting smoking.

It was the first time tonight that I lost control and couldn't bear it.

The night wind blew randomly on her face, which made her feel a little better.

At this time, there was a sudden sound of footsteps behind him.

Selena's back stiffened, but when she turned around, the expression on her face seemed to be masked, impeccable, "Ning Dong came to see me?"

Ning Yaohua stared at her gravely, looking at her eye-catching outfit with great dissatisfaction.

Selena lowered her eyes and smiled slightly, "Heh, Director Ning, you just kept staring at me in the box just now, aren't you afraid that people will misunderstand that you have some bad thoughts about me?"

After all, in the eyes of outsiders, his identity is an investor, and her identity is a beautiful little actress. The most ambiguous relationship.

"ba5tard, what are you talking about?" Ning Yaohua was furious.

Selena raised her eyebrows, "Of course it's a human language, doesn't Director Ning understand human language?"

"You..." Ning Yaohua suddenly raised his palm.

Before falling, he was firmly held by a slender wrist.

How could she let Ning Yaohua have another chance to hit her?

He is not qualified.

Ning Yaohua was half-dead from her anger, and pulled out his hand, "You quit this role for me, don't embarrass me outside!"

Selena's face was condensed, "I won this role with my strength, I don't know where I am ashamed?"

"Whatever Susie wants to do, you just do what you want to do, and it doesn't matter what you look like, whether you can compare with Susie or not. I rushed to enter the entertainment industry, because I wish people would dig out those scandals of yours and make my Ning family face Nothing at all?" Ning Yaohua looked at her with extreme disgust.
