## Chapter 351

### Chapter 351

Before the banquet began, the main crew members, including the producer, director, hero, and heroine, went up to speak and deliver speeches.

After everyone finished speaking, the host came back to the stage, "Today, there is another gentleman who wants to use our podium and this opportunity to say a few words, everyone is welcome!"

"Oh—"

Realizing that it must be Roman who proposed marriage, the scene was filled with cheers and screams, all the media set up equipment, everyone picked up their mobile phones to record, the atmosphere was extremely enthusiastic.

Not far from Selena's left, Susie in the crowd looked excitedly at the man who was slowly walking up the stage, and then calmly smiled mockingly in Selena's direction.

Roman is wearing a white suit today, which echoes Susie's white mermaid skirt today. It looks like a couple's outfit, let alone a perfect match.

Roman picked up the microphone, a little shy, "Cough, sorry, I'm a little nervous, I'll calm down."

There was a chuckle at the scene, waiting patiently.

After three seconds of silence, Roman looked at Susie's direction affectionately, and with a voice as gentle as a spring breeze, slowly spoke...

"Susie, five years ago, I saw you for the first time in your garden, you were wearing a white dress, you were as beautiful as an angel, at that moment, I fell in love with you at first sight; goodbye, you were wearing a sky blue school uniform, Call me Roman, at that moment, I made a promise to you for the rest of my life. In five years, from meeting, acquaintance, to getting to know each other, we have experienced laughter, tears, happiness, and setbacks. Fortunately, all the way Come on, we're still together..."

The girls couldn't stand this kind of scene the most. Many girls at the scene were teary-eyed. Although Xiao Tao was dissatisfied with Susie, she was also moved by Roman's confession.

At this time, she suddenly noticed that Selena's expression was not quite right...

"Xi...Sister Xi...what's wrong with you? Are you okay? You look so pale...Is there something wrong?"

Selena squeezed her eyebrows, "It's fine."

Heh, what a love at first sight, promise the next life.

When Roman first met Susie, he hadn't broken up with her at all, but he turned around and fell in love with a second woman at first sight, and made a promise for the rest of his life...

Tears, frustration?

It seems that she is their tears and setbacks, a stumbling block on the road to their true love...

At this moment, Roman on the stage was holding a diamond ring and knelt down on one knee: "Susie, marry me and let me take care of you for the rest of my life! Okay?"

"Promise him..."

"Promise him..."

"Susie! Promise now..."

...

Everyone at the scene was shouting yes for Roman.

Susie covered her mouth, sobbing uncontrollably.

Everyone gave way, and Susie walked towards Roman on the stage step by step, and nodded slowly under Roman's nervous gaze, "I agree."

"Oh!!! k!ss one! k!ss one!"

"k!ss! k!ss!!!"

...

Amidst the cheers of the crowd, Susie condescendingly cast a condescending glance at Selena who was submerged in the crowd, her face was full of victorious light.

Selena, did you see it? The man you love the most already belongs to me completely!

But at this moment, there was no expression on Selena's face, let alone a trace of sadness. Susie's most used method was to suppress and stimulate her with the things she cared most about.

However, those things that Susie relied on now were already worthless in her heart.

On the stage, a pair of handsome men and beautiful women who were a match made in heaven k!ssed affectionately. Off the stage, flashing lights came and went, because many people were broadcasting live, and the Internet had already blown up...

Unsurprisingly, the proposal of the century will probably be the headline for a long time to come.

This grand marriage proposal has finally come to an end, and tonight's banquet has just begun...

## Chapter 352

After the proposal, the most eye-catching thing is tonight's dishes.

Many people at the scene are food lovers, and there are even reporters and popular bloggers on the food column. They all came here specially after hearing that the chef tonight is William Fei. At this moment, they are all excitedly waiting for the God of Cookery play.

This feast alone is enough to write a headline on its own.

At this time, Fang Ya suddenly exclaimed in the crowd – "Oh! I suddenly remembered something!"

Fang Ya's voice was so loud that everyone could hear it, so for a moment, everyone subconsciously looked at Fang Ya.

Seeing that everyone was attracted by her, Fang Ya intentionally put on a curious expression, and looked at Selena who was in the corner, "Selena, the romantic suitor who wrote you a love letter yesterday, didn't she say that she wants to marry you today?" Did you prepare a surprise for you? How come you haven't seen it until now?"

When Fang Ya mentioned this, the others also thought of it one after another, echoing excitedly and gossiping:

"That's right, that love letter also said to prepare the noblest, tempting, and irresistible gift!"

"It made us all curious and looking forward to it!"

...

"What kind of surprise? Someone wants to prepare a surprise again?" Some unidentified media immediately asked.

"Quiet, that's our second female lead, Selena, who suddenly received an affectionate love letter during the finale yesterday!" Fang Ya said, and unexpectedly took out a piece of pink letter paper.

Seeing the letter paper, Xiao Tao's face turned pale immediately, "How could that be! I've already thrown away that love letter! How could it be in her hands!"

Selena also frowned.

"Sister Xi, it's all my fault. I shouldn't have thrown it away, I should have destroyed it! What to do... what to do..." Xiao Tao was so anxious that her body began to tremble.

Selena patted the back of her hand to reassure her, "It's okay, it's just a love letter, Fang Ya violated other people's penis in public, and her image won't be much better, we can fight back later!"

Xiaotao's eyes were flushed, "But I've already lost my face... so many people today... all blame me..."

I saw that Fang Ya not only read the love letter aloud in public but also circulated the love letter everywhere. Almost all the guests and the media at the scene saw it, and even the reporter laughed and filmed repeatedly as if he had caught some big joke...

Seeing this, Roman frowned slightly, "Is Selena's suitor mentally ill? Nothing will happen, right?"

A malicious smile flashed across Susie's eyes, and she said calmly, "The tone in the letter is a little neurotic, and it's probably a poor diao who lives in poverty, and got some spiritual sustenance through star chasing. There are quite a lot of people like this, and Selena is unlucky to be entangled by this kind of people..."

After circulating the love letter, Fang Ya leaned close to Selena again, blinking her eyes and asked, "What's wrong Selena? Why didn't you talk? Is your surprise coming yet? We're all waiting!"

"Yes, yes! Hurry up and urge him to be surprised! We are all looking forward to it!"

"Pfft, by the way, that diao fan really sent a truckload of corn bread, right?"

"I've never eaten steamed buns! I'm going to learn more today..."

...

Taking pictures on the spot, recording live broadcasts, all waiting to watch the excitement.

In the corner, Xiao Tao had already started crying secretly because she couldn't stand the humiliation and self-blame. Selena couldn't bear the girl crying the most and tried to comfort her, but at this time, the reporter who had a good thing discovered Xiao Tao's gaffe, and she was rude Just put the camera on Xiaotao's face...

Just when Selena was about to scold the reporter angrily, the door of the banquet hall was suddenly pushed open with a "bang".

Everyone looked up subconsciously, only to see the owner of the hotel standing at the door in formal attire, and behind him was a tall mixed-race man...

## Chapter 353

"Clang" sound.

In the crowd, someone whose knife and fork fell to the ground made a harsh sound.

The food reporter who had been praising Fei William all the time lost his composure, suddenly stood up, stared blankly at the foreign man behind the hotel owner at the door, and said with surprise on his face, "Fei...William... .."

In the past, they only saw William Fei on the cover of magazines, but tonight they saw him in person.

Compared with those magazine covers, William Fei himself had more taste, especially some actresses, after seeing Fei William, their bodies were straight and they pretended to be noble, as if they wanted to attract Fei William's attention.

With his mixed-race appearance and his top reputation, besides the smell of delicious food, he also has a full masculinity.

"The one at the door seems to be the owner of the hotel, but who is the half-breed guy behind him?" Some guests who had never met Fei William asked casually.

"It's William Fei himself!!!" The food reporter finally called out the man's name excitedly.

“Ah? He is Fei William! How handsome? I thought it was some big star!”

Hearing that it was Fei Wei himself, many guests were slightly taken aback, and then rushed towards Fei Weilian, offering to take a photo with him.

With a faint smile on his face, Fei Weilian did not refuse this request, and satisfied the guests' requests one by one.

Xiaotao clenched her fists tightly, looking at Selena in front of her from time to time, her face full of grievances, “It’s just a hype! He even asked Fei William himself to take a photo with those guests, and when the reporters write again tomorrow, What a romantic proposal, what kind of rich and rich money invited William Fei to take a photo in person...”

Selena shook her head, and signaled Xiaotao with her eyes not to talk nonsense. In such a public place, if she can speak as little as she can, she should speak as little as possible, otherwise she will be overheard and will inevitably be criticized again.

Fortunately, at this moment, everyone’s eyes were on Fei William, and no one heard what Xiaotao said.

“In the first place, Susie’s acting skills are not as good as yours, and her appearance and character are also incomparable to yours, but why all the limelight belongs to her!” Xiao Tao was not only wronged by herself, but also for Selena.

In Xiaotao’s mind, with Selena’s appearance and acting skills, which one is not perfect for Susie, the most important thing is character, character!

Susie had a strong sense of presence in the crew, and she seemed easy to get along with, but no one knew what the truth was. She knew best when Xiaotao was by Selena’s side.

It was said that Selena was jealous of Susie and always competed with Susie for the limelight. In fact, Selena never talked to her at all. It was Susie who took the initiative to provoke each time.

.....

"It's a great honor to be able to personally present delicacies to Miss Susie tonight, and I'm even happier for Mr. Roman to embrace the beauty!" Fei William stepped forward with graceful steps, looked at Susie and Roman, Said enthusiastically.

"I'm also very honored to be able to invite Mr. Fei." Susie smiled and nodded.

"Thank you, my friend!" Roman hugged Fei William intimately.

At this moment, the audience was in an uproar.

A God of Cookery at Fei William's level is no less influential than a first-line star. It is extremely difficult to invite him to such a wrap-up banquet, but because of the good relationship between Roman and Fei William, the two are also friends Only then did William agree to play.

"Oh my god, Susie is really going to die of happiness!"

"If someone is willing to do this for me..."

"It's a good idea. You think Fei William can invite anyone, but there is only one Roman, and there is only one Fei William!"

A group of actresses surrounded Susie chattered non-stop.

"That's right, it's really very difficult to invite a top chef like Fei William, not to mention he is a direct disciple of Apassa, with this status... how many people can invite him!"

“Okay, distinguished guests, next, I will prepare dinner for you, please wait for a while!” Fei William left the banquet hall and went to prepare dishes.

Seeing William Fei leave, those gourmet journalists followed immediately, they didn't want to miss any shots of William Fei.

The combination of gourmet food and beautiful men is enough to attract attention at any time!

Not long after William Fei and the gourmet journalists left, the door of the banquet hall was opened again.

Everyone thought it was William Fei who had finally prepared the delicious food, but it was not William Fei who came here, but an older foreign chef...

## Chapter 354

“Why is there another chef here?” Fang Ya was a little puzzled when he saw that the person was wearing a chef's uniform, and asked inexplicably, “Who knows this chef?”

Hearing the sound, everyone in the hall shook their heads with bewildered faces. They are not those food reporters, so naturally they don't know who is coming.

Only Selena in the corner, her expression changed again and again.

Why does this foreign chef look a bit like apassa? It is the master of that God of Cookery William Fei...

But Selena wasn't sure, so she didn't say anything, it should just look a little similar.

“Dear guests, I am here to prepare a dinner for Miss Ning!” the foreign chef said.

“Preparing for dinner?”

“Strange, it’s prepared for Susie? But isn’t Fei William the chef of the dinner?”

“Where is this chef from?”

Susie looked at Roman who was also puzzled, and suddenly seemed to remember something, and gently reminded Fang Ya who was in front of her, “It should be for Selena!”

Fang Ya suddenly realized, “噗嗤” laughed out loud, and shouted loudly, “Ah... so this is the chef who prepared the dinner for Miss Ning! Could it be that the diaper suitor gave us Beauty Ning? Are you preparing for a surprise? Haha, it’s really enough surprise, enough surprise!”

Hearing Fang Ya’s words, the cast and crew instantly understood, looked at Selena, and laughed ironically.

Sure enough, there is no harm without comparison...

This comparison, this damage, is simply tons...

Roman invited the Michelin Master Fei William who is known as the God of Cookery, but what did Selena’s suitor prepare? Which small restaurant invited the chef? He actually found a foreigner on purpose, so it’s worth the money, right?

“Hahaha, that Diaosi suitor is really very thoughtful, he actually thinks the same as Roman, but...don’t be ashamed if you don’t have that strength...”

“Hey, look, that chef actually brought his own equipment. Could it be that he wants to chop and serve dishes by himself? He’s really a chef!”

As soon as this remark came out, everyone burst into laughter, and even a few actresses exaggerated to the point of tears.

Although everyone knew that Selena might make a fool of himself today, but this shame was really a surprise and an unexpected surprise.

.....

The foreign chef was very calm amid the ridicule, and took out the equipment he was carrying with him. Anyone who was a little knowledgeable could tell that they were some extremely expensive knives.

However, although these knives are priceless, it is difficult to see what is different from the outside.

Seeing that the foreign chef really brought his own knives, Fang Ya and the others laughed even louder. In this hotel, the ridicule was endless.

In the corner, Xiaotao's face was flushed red, and she wished she could find a hole in the ground.

Now I don't know how many pairs of eyes are on Selena, no matter whether Selena cares or not, but she really can't bear it, she has scolded Selena's 51st suitor hundreds of times in her heart, It was enough to be embarrassing, and now such a big joke is made!

Just when Susie was about to say something, the gourmet journalists who had gone out with Fei Weilian, surrounded by the prepared delicious food, Fei Weilian returned to the banquet hall again.

The hotel waiters carefully served the freshly prepared scallop and white truffle to everyone one by one.

## Chapter 355

Food journalists are busy documenting this scene.

At this time, one of the food reporters inadvertently glanced at the foreign chef opposite with a dull expression. In an instant, his mind went blank, as if a clap of thunder had exploded, and he forgot to take a picture. His eyes were full of disbelief... ..

"God...God...God! Apassa! It's unbelievable, it's actually apassa! Why is Mr. A here?"

"Apassa? Who is that reporter talking about?"

"I don't know, what's the background? Why is that reporter so excited..." The guests who didn't know the truth looked at each other.

At this time, those food reporters had all seen the foreign chef, and everyone was going crazy with excitement.

After they came back to their senses, they began to excitedly explain to the people beside them, "Apassa! The current executive chef of Ledoyen Michelin three-star restaurant in country f, the recognized number one god of food in country f!"

Fang Ya was shocked when she heard the words, "That foreign chef is very good? Can he compare with our Fei William?"

One of the food bloggers took a look at Fang Ya with a brain-dead expression, "That Fei William said he is the God of Cookery, but he can only call himself a place like Xiangcheng, and this Mr. A is Fei William's master." , he is the God of Cookery of Zhenzong, understand?"

"What! William Fei's master!?" Fang Ya finally changed his expression.

"The No. 1 God of Cookery in country f? So awesome!"

"Then why did he come here suddenly? This kind of person can't be hired even if he has money, and the waiting time will be at least half a year, right?"

"That's right, that's right, I remembered, the last time I wanted to invite a diva to a birthday party, I said that he would open it no matter how much money I wanted, but in the end I couldn't invite him! The reason seems to be that I dislike her for being too low-grade... .."

"Really, that Diao Si can invite such an awesome character?"

...

Behind the gourmet journalists, Fei William, who was striding forward, looked up inadvertently, and immediately showed a surprised expression when he saw the foreign chefs in the banquet hall.

After recovering from his senses, he hastened to greet him in fear and trepidation, and called out, "Master!"

When Fei William said "Master", all the guests were dumbfounded, and no one doubted that this foreigner was really Fei William's master...

"Yeah." A slightly nodded solemnly.

"You... why are you here?" Fei William was surprised.

At this time, a guest explained, "Mr. A is also in charge of this banquet! He said it was for Miss Ning!"

As soon as the words fell, those food reporters immediately let out a burst of exclamation...

Fang Ya rolled her eyes, showing a sudden realization expression, and exclaimed, "Oh my God! Just now Mr. Apassa said it was for Miss Ning, but I thought it was for Miss Ning, but it turned out to be for Susie Yes... By the way, I'm also to blame for being stupid, Susie is also surnamed Ning..."

Others also echoed after hearing the words, "That's right! Everyone made a mistake, it's really rude!"

"It's actually not our fault. Roman has already invited Fei William, who would have thought that he would invite Fei William's master next!"

"Susie, take care of your man! Don't bring such a dog abuser!"

...

Seeing everyone's envious gazes, Susie was also full of surprises. She held Roman's arm affectionately and shyly sent a sweet kiss, "Roman, thank you, I was really surprised today. So happy, so happy!"
