

Cruel Heart Lover Novel

Chapter 356

Roman's face froze, "Susie, this person is actually..."

Susie smiled lightly, "Roman, don't be shy! I know how good you are to me!"

The others also jokingly teased, "Small oil, don't be shy! It's not shameful to spoil your wife! Just now we thought that the diaosi suitor invited Selena. It's really a good idea. Does he have that fate? You're so ridiculous, how can you compare with our beautiful Susie!"

"That's right! It's just that Roman's surprise is really too big! It shocked us all!"

"Isn't it? Look at how excited those food reporters are!"

"It also caused us to make a huge misunderstanding!"

...

Roman wanted to explain, but everyone kept praising him, and Susie had an expression of admiration on his face. He didn't have a chance to tell the truth until the end. He really didn't invite this person.

So, who could it be?

Could it be that the hotel owner invited him to sell him a favor?

It is also possible...

After thinking about it this way, he felt relieved, put on a humble look, and stopped refuting everyone's compliments.

In the corner, Xiaotao's face was full of grief and anger, "It's amazing to be rich! I'm so mad that even the master was invited directly, no matter how delicious it is, I don't want to eat it..."

Selena sighed softly, patted Xiao Tao on the back to comfort her, and at the same time, a trace of suspicion flashed in her eyes.

She has also heard about the God of Cookery A in country f, but, logically speaking, even if he makes an appointment in advance according to his rules, catches up with his schedule, and pays enough money, it is impossible for him to make an appointment for a small banquet of this size It is right that the one who lowered his grade to attend, how did Roman invite him here?

Now that even the chef had personally stepped in, Fei William naturally gave up the main position, retreated to the second line, and consciously took the position of the sous chef.

There is an open cooking table in the banquet hall, and it seems that it is ready to cook on the spot.

This is simply a visual and taste double feast!

In the banquet hall, everyone stared at a expectantly, salivating unconsciously, looking forward to a unique feast of food.

However, for some reason, A did not go to the position of the chef that Fei William had vacated, as they expected, but walked to the deputy where Fei William was.

"Master, what is this?" Fei William was puzzled.

A looked at his apprentice with a serious face, "You can leave after this banquet, and I will be the deputy."

"What?!" Fei William was shocked, "You...you are the deputy? Aren't you the chef tonight?"

"I'm not." A denied.

"Then...then who is the chef tonight?" Fei William was completely dumbfounded.

A replied with a respectful face, "When he comes later, you will know."

After he finished speaking, he paused, looked at his apprentice and said, "This is also a rare learning opportunity. You can watch it carefully later."

Hearing this, Fei Weilian's expression was a bit unsightly. Who is it that makes him not even qualified to be a deputy, and can only watch on the sidelines?

He became famous at a young age, arrogant and arrogant, how could he suffer such humiliation, but he didn't dare to disobey his master's order, so he could only retreat to a corner reluctantly, "Yes, I understand!"

The guests first saw Fei William retreating to the sous chef's position, and then saw A walking to the sous chef's position, and in the end, Fei Weilian didn't even have a seat, and was squeezed into a corner...

Chapter 357

Everyone was dumbfounded.

"What... what's going on?"

"I don't know! It seems that someone is coming!"

"It seems to say that a is just the sous chef, and the real chef hasn't arrived yet!"

A certain gourmet reporter had a crazy expression, "Oh my god! I'm going crazy! I can only be a sous chef with a level like A? Then who is the head chef?"

Another food blogger made a gesture of God's blessing, "I am satisfied enough to see this great god in this life. Could it be... can I still be lucky enough to see the legendary one today..."

"Who is it?" Someone asked in confusion.

"Who else can make A only be the sous chef?" The food blogger showed a secretive expression.

Other food journalists and knowledgeable food lovers also thought of that person at the same time, with disbelief on their faces, "This... this is impossible..."

"I don't think it's possible either!"

"It is absolutely impossible to invite that person! Otherwise, I will swallow this wine glass!"

"Then I'll swallow the spoon!"

...

Time passed by every minute and every second, about five minutes passed.

In the anticipation of all the guests, the door of the banquet hall finally opened again.

The leader is a foreign old man in a neat chef uniform, followed by a well-trained team, the old man is walking in at a steady pace.

The owner of the hotel not far away saw the person coming, trotted hurriedly, greeted him politely, and stretched out his hand excitedly, "Mr. Danial, you are finally here! Everything is ready here! We are waiting for you!" "

The old man nodded slightly, briefly shook hands with the boss politely, and then walked straight in the direction of the chef.

At the position of the sous chef bowed reverently at ninety degrees to the old man, and then stepped forward to help him tie his apron, and prepared lemonade for him to clean his hands.

And Fei William, who was making soy sauce in the corner, saw the old man, his eyes nearly popped out of his eyes, and he couldn't close his mouth for a long time, "D...Master Danial...how is it possible...!...I am I'm not dreaming..."

After finishing speaking, he pinched himself exaggeratedly, showing a grinning expression.

Master Danial has been his idol since the beginning of his career, the holy scripture in his heart!

Not to mention watching from such a close distance, even if he can take a look at it from a distance, he will have no regrets in this life!

The original unwillingness and reluctance have all turned into joy at this moment!

In the banquet hall, those who declared that they would swallow cups and spoons just now were all stunned.

"Nimma, who is going to pinch me! Pinch me harder! I'm fucking dreaming!"

"You'd better pinch yourself! I pinched myself several times just now! My thighs are purple from pinching! It's not a dream!"

"Who is this old man?" Fang Ya asked curiously.

Other crew members, who didn't know much also joined in, "That's right, who is this? Is he better than Fei William's master?"

One of the senior food reporters stared intently at every movement of the old man, and explained in a reverent tone: "If William Fei is the best among the young food practitioners, then his master apassa is the mainstay of the food industry." , representing the highest standard in today's gourmet industry..."

"What about Danial?" Someone immediately asked next to him.

Chapter 358

"Danialjoseph..." Another food blogger sighed, "It is regarded as a textbook by every food practitioner, it is the bible in the eyes of food lovers, it is an eternal classic, and it is a treasure-level master of country f!"

The food reporter sighed, and seemed to be on the verge of tears, "Everyone, eat and cherish! This is the only time in your life!"

Fang Ya blinked her eyes, "Having said so much, is it really awesome anyway?"

Others also sighed again and again, "I don't know why, anyway, I must eat more tonight!"

"Fortunately, I didn't eat all day today, so I kept my stomach here!"

Fang Ya approached Susie with a smile and joked, "Susie, Roman proposed a marriage, it really cost money, I see you, your body is not enough, you should get married quickly and give it to others." Let's have a baby!"

"Hahahaha... that's right! It makes sense! And it's enough to have a few more children!"

Susie stomped her feet in embarrassment, "Hey, you guys are serious, stop talking nonsense!"

"Okay, stop teasing her!" Roman looked at the little woman beside him with eyes full of admiration. At this moment, he completely believed that it was the two masters invited by the hotel to please the Su family. Peace of mind.

"Oh, this hurts so much!"

"It's too cruel to a dog! I really can't see it anymore!"

Fang Ya knocked on the plate and looked in Selena's direction with a half-smile, "Some people, pretending to be calm, must be so jealous that their livers are going to explode right now? Isn't she always the most fond of flirting with us? Did she lose the competition? Let her continue the competition!"

"Pfft... I can't help it, this time Roman is really too ruthless, the three generations of chefs, old, middle-aged and young, are all legends of an era, so please invite them all!"

"As expected of the Su family! The background is too deep!"

"Selena is good at pretending, but her little assistant is too young, she almost cried without looking at it?"

...

Listening to those people discussing herself, Xiaotao tried her best to hold back her tears, not wanting to make it more embarrassing, "Sister Xi, I'm sorry..."

Selena hugged her, "Okay, you've already said sorry a lot, and even if you want to say sorry, it should be me who said it, I'm the one who got you in trouble, I'm not strong enough now, not strong enough to , can keep you from being wronged!"

Xiaotao pursed her lips, and couldn't help it anymore, sobbing, she threw herself into Selena's arms and began to cry...

Although she was not reconciled to the sudden transfer from Leng Manyun to Selena's side, she still liked Selena very much.

Although Leng Manyun is a big name, but she is too noble, so she is not easy to get along with. Unlike Selena, she has no airs at all when getting along, and she is especially good at making people happy. Obviously, she should be the one who comforts her at this time, but she always It's all her comforting herself...

Fortunately, Mr. Danial is about to start cooking right now, everyone's attention is already on the old man, and they didn't notice Selena and the others in this small corner.

In fact, the current situation tonight is already the best for Selena. Although she will get some blank stares, at least there are no major irreversible problems.

However, she was still a little uneasy in her heart. With that guy's bad taste, since she said in the letter that she wanted to make a "surprise", she couldn't do nothing.

Tonight, I'm afraid it won't be so easy to get through smoothly...

Hey, Oscar bless you, don't make any fools...

Otherwise, if that ba5tard really dared to ruin her career, she would never make him feel better...

Chapter 359

At this time, on the main stage, Susie, who was full of ambition, rolled her eyes and thought of something. The corners of her mouth slightly raised, and then

she looked at Selena in the far corner, and said in a soft voice: "Selena, Can you come over here?"

Hearing that Susie asked Selena to come on stage, Fang Ya and the others were a little puzzled, why did they call that woman up so well?

However, since it was Susie's request, of course they would not have different opinions.

Xiaotao glanced at Susie who was on the main stage, she was really angry, "Sister Xi, just go! Otherwise, others will think we are afraid of her! With everyone watching, what else can she do?"

In this kind of situation, it's really not good to refuse directly, besides, there are still people in the hotel who are broadcasting live...

Selena narrowed her eyes slightly. After fighting for so many years, Susie's evil intentions, in fact, she can basically guess how much...

So, without any hesitation, Selena stood up slowly, walked onto the main stage calmly, and stood in front of Susie.

Seeing the two standing side by side, some of the actors in the crew were secretly sneering. This scene was really interesting. If Selena's diabolical suitor sent a so-called surprise after a while, it would be even more perfect.

Susie enthusiastically asked Selena to sit next to her, and then said, "Selena, I heard that you are very interested in these top names in the gourmet world, and the position just now was not good. You are here, you can watch Be more clear, those masters are usually invisible!"

After Susie finished speaking, she naturally took Roman's arm, and leaned against Roman's body, looking extremely intimate.

Selena smiled politely and didn't say much. She also knew in her heart that Susie had no high-end conspiracy to let her go on stage, it was just to disgust herself.

"Hmph, I don't know what it's like, but he acts so calm, he's really a good actor!" Fang Ya sneered, and the other cast members were also whispering, occasionally looking at Selena with funny eyes.

"Tell me, what kind of surprises will Selena's suitors bring? If you don't come, our banquet will be over!"

"Who knows, don't guess about your weird thoughts!"

"Hahaha, let's taste the big meal first! Don't lose your appetite if you can't eat it later!"

.....

Next, under the pious eyes of all the guests, before starting to cook the dinner, Mr. Danial paused for a moment, then suddenly looked in the direction of the guests, and then said in fluent Chinese...

"Tonight, I am very honored to be invited to be in charge of the beautiful and honorable Miss Ning's banquet. Cook a delicious dinner for you, your friends and your distinguished guests!"

After the words were finished, the old gentleman bowed in the direction of Selena and Susie in a very gentlemanly manner, "Beautiful and honorable Miss Ning, I wish you a wonderful night!"

Susie smiled happily, and immediately nodded to the old gentleman.

Seeing this, the old gentleman frowned, a little puzzled, he clearly said this to Miss Selena, why did the woman next to her keep nodding to him...

It's just that the old man didn't pay much attention to it. His task was to prepare the dinner, and the rest had nothing to do with him.

Chapter 360

Soon, with A as the sous chef and Mr. Danial as the head chef, the pre-dessert for the first course was ready.

"Beautiful and noble Ms. Ning, the Chinese name of this dessert is High-grade Frozen Chocolate Ice Cream Sundae. Although the name is a bit complicated, you can try the taste first!" After the words fell, Mr. Danial was actually holding the dessert in person. The main stage went.

Those food journalists are going crazy. Not only did Danial make it himself, but he also delivered it himself. This kind of glory is simply amazing, isn't it!

"I didn't expect it to be that kind of dessert!"

"Nimma, is it going against the sky! The sundae contains nearly thirty kinds of cocoa! Fourteen of them are the most expensive and delicious cocoa in the world, and there is edible gold on the sundae! Where is dessert, it's all money!"

...

Some food journalists have only heard of it, but tonight is the first time they have seen it with their own eyes, and it is still made by danial, so the excitement can be imagined.

Most girls like this kind of delicate food, and Susie was naturally attracted by the dessert in Danial's hands. Seeing Danial walking gracefully, her heart beat faster, and from time to time she looked at Selena beside her with a meaningful smile.

"Thank you." Roman was courteous, reaching out his hand, wanting to take the dessert from Danial's hand.

However, Danial didn't buy it, and said with a serious face: "Sir, I'm sorry, this is an exclusive dessert, not for you."

"Uh..."

Seeing Roman's face full of embarrassment, Susie smiled lightly, and pulled Roman's arm: "Roman, alright, let Mr. Danial hand it over to me personally, Roman, don't join in the fun!"

Roman smiled helplessly, then stepped aside consciously, thinking that these top chefs were a little weird, so he let them go.

When Danial walked in front of Susie, Susie immediately smiled sweetly: "Mr. Danial, I'm sorry to trouble you."

After finishing speaking, Susie was about to reach out to pick up the plate of ice cream that looked extremely attractive.

However, in the next second, Mr. Danial's actions were beyond the expectations of everyone present...

I saw Mr. Danial's face full of bewilderment, he stared at Susie with displeasure and said, "Miss, the dim sum in my hand is not for you either."

"It wasn't prepared for me?!" Susie was full of surprise, "Who was that for? Didn't you just say...Miss Ning?"

"Sorry, the Ms. Ning I'm talking about is Selena, Ms. Ning!" Danial said firmly, without even looking at Susie, he walked past her and walked straight to Selena under countless pairs of surprised eyes. In front of him: "Beautiful and honorable Miss Ning, please taste it!"

The old man probably didn't do it on purpose, but the words "beautiful" and "noble" sounded to other people's ears at the moment, as if they were deliberately emphasized, as if they were saying that only Selena could be worthy of these two adjectives.

At this time, let alone Susie, even Roman and Fang Ya were completely dumbfounded.

" ... "

" ... "

" ... "

After the old man finished speaking, there was a dead silence on the scene.

It took a long time before sporadic voices sounded from the crowd.

"Cheat... a lie?! Miss Ning is not Susie, but Selena?"

"No way! How could such a thing happen? Could it be a prank, intentionally trying to make Selena look ugly, deliberately surprise and excite Selena first?"

"Are you kidding me, would a big shot of this level do such a prank!"

"It's really Selena! Did you make a mistake? The two masters, A and Danial, are all here for Selena???"

...
