

Cruel Heart Lover Novel

Chapter 36

"Roman, why are you here? Didn't you say you don't come to pick me up?"
Susie trotted towards the man cheerfully like a bird.

"Don't worry, it's raining outside." Roman took off his coat and put it on for her, looking displeased, "Why are you wearing so little?"

Susie had a sweet look on her face, "You really are, how old I am, and you still treat me like a child!"

Selena leaned against the cold wall unsteadily, feeling that she was really a dog.

This night, either to watch Susie show off her family affection, or to watch her show off her affection.

To show these, to steal from her...

Just showing off wasn't enough, Susie deliberately walked up to Roman, holding Roman's arm, and said enthusiastically, "Junior Junior Sister, I think you've drunk a little too much, why don't you come with us? I'll let my boy My friend will give you a ride!"

Susie deliberately emphasized the word boyfriend.

It was only at this moment that Roman realized that Selena was right behind him. The moment he saw the girl, his pupils suddenly constricted.

Selena...

It's been a long time since I saw you.

She hadn't seen her in the past few years when she went abroad, and after returning to China, she only saw her a few times from a distance when she went to the company to pick up Susie.

Caught off guard and seeing her so close, he was so unfamiliar that he almost couldn't recognize her.

Back then, that little girl with braids and floral skirts had grown into a woman who could make all men fall in love...

Seeing Roman staring at Selena in a daze, Susie's eyes flickered darkly, and she shook his arm, "Roman, do you think it's okay?"

Roman woke up suddenly, nodded hastily, "Well, let's go together."

"Junior Sister Ning...Junior Sister Ning? Are you okay?" Susie looked concerned.

Selena stroked her forehead with the back of her hand. Under the influence of alcohol, her brain became more and more unconscious, her heart beat faster and faster, her blood seemed to flow backwards, and there seemed to be a beast inside her body, roaring and wanting to get out. I want to tear the two hypocritical faces in front of me to pieces...

"No need..." Selena staggered and walked towards the bathroom before completely losing control.

Seeing Selena running away in embarrassment, Susie finally showed a happy smile, but when she turned to Roman, she immediately changed into an extremely sad expression, "Roman, Selena still doesn't seem to want to forgive me... I've tried my best to make up for her, and I've been doing my best to take care of her in the company, but she's still like this all the time, I really don't know what to do..."

"Don't worry, Selena has that personality, she will forgive you after a while!" Roman comforted softly.

Downstairs in the hotel, a group of young girls from the crew were excitedly studying the luxury car that Roman drove.

"I just searched and found that this Maserati is at least 10 million smaller. It's so stupid!"

"I also really want to find a rich boyfriend, so how many years will I have to struggle!"

"The key is that he is still handsome! There are many celebrities who have climbed high branches, but they are all big-bellied Mediterraneans. It's disgusting to look at..."

...

Just as they were gossiping, they saw Roman and Susie walking out of the hotel together.

The two men are handsome and pretty, standing together is simply pleasing to the eye.

Everyone watched with admiration that Susie, who was wearing Roman's coat, got into the luxury car, and they were still thinking about it and sighing until the car was gone...

Not long after the car left, there was a pleasant sound of the engine speeding up, accompanied by a silver-white car shadow, a sports car stopped firmly at the entrance of the hotel at such a fast speed.

Most importantly, this car...

This car is so cool!

Handsome low-riding model, smooth body, cool scissor doors, texture like a work of art...

"fcuk, Bugatti Veyron supersport... My god... which God of Wealth is this..."
