

Cruel Heart Lover Novel

Chapter 37

In the car, Rick stared at the phone that didn't respond, with a look of pain and hatred on his face.

Daniel unbuckled his seat belt, "I'll go in and have a look, wait for me here."

Rick immediately grabbed the corner of his father's clothes, expressing that he wanted to go together.

Daniel looked at his son, "What if she gets drunk, should I hug you or her?"

The little bun puffed up his cheeks, expressing his dissatisfaction, he didn't need to be hugged.

Daniel's face darkened, "Unfortunately, the last incident has already reduced your credibility in my heart. I can't believe that you can take care of yourself. If you lose it again, even I can't bear the consequences. Understand? "

The little bun drooped his head, his face full of desolation.

Realizing that his words were too harsh, Daniel rubbed his son's head, "I'll be back soon."

"Old Zhang, drive the car to the underground garage."

"Yes, master."

Under the excited eyes of the onlookers at the hotel entrance, the car door opened slowly, and a man stepped out of the car.

Wearing an iron-gray suit, he is tall and tall, with a strong aura.

"Ah...it's Lu... Daniel ahh! I was wondering which God of Wealth this is, but I didn't expect it to be the God of Wealth! Let me tell you, who else can afford such a car? !Compared to Master Xiao, the Su family is simply not enough!"

"God, help me, I'm so excited that I'm about to faint...I only saw it once in a magazine, but I didn't expect to meet a real person here! I really want to go up and ask for an autograph! Sign it on my underwear superior!!!"

"Those little fresh meat big movie kings can only kneel down in front of our Master Xiao. If Master Xiao enters the entertainment industry, there will be no business for them!"

"It's a beautiful idea. It's been a lifetime of good luck to see a real person at such a close distance. Why do you want someone to enter the entertainment industry and show you every day?"

...

Until the people had already entered the hotel, the people at the door still refused to leave and were still gossiping enthusiastically.

"Which time did Boss Lu appear without shouting and hugging? Why did you come to the hotel alone at this late hour?"

"Who knows, it's impossible to find a woman anyway!"

"It's such a pity, such an outstanding man doesn't like women! Why do you think Daniel doesn't like women?"

"I like men!"

"Those are all nonsense. How can a son like a man come from? I think Master Xiao must be an infatuated kind. He has a deep love for the mother of the child, so he has been guarding her body for her all these years!"

...

When Daniel went upstairs, he found that all the crew members had left. Those who were at the hotel entrance just now should be the last group of people, but Selena was the only one missing.

While looking for someone along the corridor, he called Selena again.

There was still no answer on the phone.

When passing by the bathroom, Daniel suddenly stopped in his tracks, and there seemed to be a burst of mobile phone ringing from the direction of the bathroom.

He stood still and listened, and found that it was coming from the direction of the women's toilet.

Daniel hung up the phone, and the voice in the women's bathroom also stopped.

Finally found someone, Daniel heaved a sigh of relief, then frowned slightly.

The women's toilet, he couldn't go in and find someone.

She didn't respond to the phone ringing like that just now, so she must be very drunk.

"Selena?"

Daniel called out tentatively, but sure enough there was no response from inside.

Standing in front of the sink between the men's and women's toilets, Daniel raised his slender fingers and pinched the space between his eyebrows, with

an expression on his face as if he was making a decision on a major cooperation project involving more than one billion yuan.

A few seconds later, he took his slender legs and walked towards the women's toilet.
