

Cruel Heart Lover Novel

Chapter 386

Lu Chongshan shook his head when he heard the words, and said in a deep voice, "No! That Long Fanyin is indeed capable, but he is not honest. If someone bribes him to cheat, it will have a lot to do with it. This kind of thing has never happened in the past. It's not that it hasn't happened... So, it's better not to look for him.

You go to Fahua Temple and find Master Xuanjing. Although it is a bit troublesome, it is much safer. The Lu Group donates a lot of sesame oil money every year to build a golden body for the Bodhisattva. If you go there in person, the master should sell this face! "

Yan Ruyi nodded and said, "Okay, then I'll go to Master Xuanjing! This is not a trivial matter, no matter how troublesome it is, it's better to be safe!"

At this time, the front seat of the car suddenly made a "snap", and the telescope in Xing Wu's hand accidentally slipped from his hand.

"Master, madam! The young master seems to have discovered us again! Do you want to keep watching?" Xing Wu asked with a trembling voice and a bitter face.

He confronted the young master again and again, and was caught on the spot. He felt that he was dead enough to die a hundred times!

Lu Chongshan already knew what he was most concerned about, so he took another look from afar and saw that Selena seemed to be saying goodbye to Daniel. The two of them were about to separate and there was nothing to continue watching, so naturally he didn't plan to stay any longer, "Okay, Let's go back!"

"Yes!" Xing Wu breathed a sigh of relief, and immediately started the car and left.

On the other side, the first thing Selena did after seeing Rick in was...

Decisively run away!

"Then... Mr. Lu, if I have nothing else to do, I'll leave first! I'm going to shoot an advertisement for a game company today, and I'm going to meet up with Sister Zhizhi later!"

After finishing speaking quickly, without waiting for Daniel to reply, he immediately prepared to run away!

Then, the next second...

I just ran two steps away...

With a tight wrist, he suddenly couldn't move forward, and was dragged into a warm embrace...

Daniel wrapped his arms around the girl's slender waist, hugged her tightly, and whispered in her ear, "Don't go yet."

Selena: "...!!!"

Brain crashed!

The Great Demon King... His skills have been upgraded again!

At least I knew to ask her opinion last time, but this time I hugged her directly!

Daniel sighed helplessly, and hugged her a little tighter, "I wanted to talk to you, but you've been avoiding me, and now it seems like this is the only way..."

Selena: "...???"

So, is it still my fault?

"Selena, remember? Last time you told me to be more careful and bring more bodyguards when I go out..." Daniel said suddenly.

As soon as this was mentioned, Selena immediately tensed up, "Of course I remember! What's wrong? Did something happen?"

Daniel patted her on the back reassuringly, "Don't be nervous, it's nothing, I just want to tell you one thing."

"What's the matter?" Selena was at a loss.

And she really wanted to say, Big Devil, spare me, I won't run away, you let me go, can we have a good talk?

"Selena, when you said those things to me before, in order to make you worry about me and to have a chance to get close to you, I deliberately used a little... Cough..." Daniel coughed lightly, "A bitter trick."

Selena: Actually, there's no need to explain, she's not so stupid that she can't even see this. So, what is he trying to say?

Chapter 387

Daniel continued, his tone became serious, "So, Selena, don't think of me too weakly. Don't stay away from me because of this. I promise, no one can hurt me, no one can use this as a threat You leave me!"

Hearing this, Selena finally understood what he meant, and her heart couldn't help but tighten.

Daniel let go of her slightly, held her by the shoulders, let her look at him, and said every word as if it was about to be engraved in her heart...

"Selena, I've said so much, I just want to tell you that no one or anything can affect your decision. All you need to consider is me, and there is only one thing, and that is whether you like me or not.

If it's because you can't fall in love with me, then I admit it, and I only admit this one reason.

Another point, and the most important point, Selena, I'm already an adult, I can be responsible for all my actions, no matter what I do, it's all out of my heart and willingly.

Although I like you, it can actually be said that it has nothing to do with you, so you don't have to have any pressure at all. I will wait for you, waiting for the day you fall in love with me. do you understand? "

Hearing this, Selena smiled wryly and stroked her forehead. Whoever said that Daniel was not good at words, this guy's eloquence could go to the National Debating Competition. Every sentence really poked at the softest part of her heart.

In my heart, a voice and an answer echoed...

Daniel...

In fact, there is no need to wait...

I have fallen in love with you a long time ago!

It's just that she is not yet strong enough to defeat everything that happened back then.

Telling him all the truth directly, telling her that she had been given birth to a dead baby, was just a sentence, it was very simple.

But what he couldn't bear was what she would face after he knew it.

Even if she believed that Daniel was so generous that he didn't mind this kind of thing, who would want to rip off his dirtiest side and show it in front of the person he loves the most?

Just imagining it, she can no longer bear it...

I would rather that I would always be the best in his eyes...

The man in front of him is too good, he should have the best, the best girl as his wife...

However, when she thought of this, at this moment, Selena suddenly had a thought and impulse that she had never had before!

Yes, the man in front of him deserves the best!

So why can't she be the best?

So good that one day, I can overcome the past, overcome the inferiority complex in my heart, so good enough to stand side by side with him!

Not only his weakness, but also his armor!

"Selena...Selena?" Daniel looked worriedly at the girl who hadn't spoken for a long time.

The gentle voice next to her ear made Selena suddenly recover from the ups and downs of her heart, her eyes burst out with a light she had never seen before, "Yes, Daniel, I understand!"

Daniel stared blankly at the radiant light in the girl's eyes, and his heart moved slightly. Although he didn't know what she was thinking at the moment, he was still affected by her emotion, "Okay."

After she figured it out, Selena felt as if she had been reborn. In her life, besides her dream, there was another incomparably beautiful thing that was worth her efforts!

Before her brain reacted, Selena's body had already stepped forward to hug Daniel actively. Although it was extremely short, it was just a light hug, only half a second hastily...

Chapter 388

After hugging my brain, I randomly found a few reasons, "Thank you, Mr. Boss, for your love, thank you for your kindness, thank you for helping me out, anyway, thank you, thank you! I will go to the company to work hard and make progress every day!!"

After finishing speaking, like a gust of pink wind, he rushed away...

And Daniel didn't seem to realize what happened, he just stood there in a daze...

It took him a long time before he realized that Selena seemed to be giving him a hug just now?

Since we have known each other for such a long time, this is the first and only initiative...

It's really a feeling of trekking through mountains and rivers, crossing glaciers, and finally smelling a scent of flowers...

"Hey! My dog's eyes! I just repaired it, and I'm blind again! Why! Why, every time such a huge lethal picture, I will be caught by my young master! My life! What kind of physique am I? Ah! Masochistic physique?"

An unsightly wail came from the side...

Saul didn't know where it came from. Looking at the spring breeze on his brother's face, he covered his eyes and felt pain.

"Why are you here?" Daniel smiled and asked his younger brother beside him.

The corners of Saul's mouth twitched, rubbing the goose bumps on his arms, "Brother, don't talk to me with a smile, you're panicking, I'm so used to it..."

"What do you need from me?" Daniel seemed to realize that his emotions were a bit out of control at the moment, so he restrained himself with a soft cough and asked.

"It's nothing! It's just that I saw Xing Wu secretly following you and Rick in a car, so... so I also sneaked out with him... Oh, by the way, I put this on Xing Wu's body! Hehehehe..." Saul took out a miniature listening device with a sly smile on his face, "That kid must have never thought of it, mantis catching cicadas and orioles are behind!"

"Well, well done." Daniel praised without hesitation.

Saul was so happy that his tail almost went up to the sky, "Of course! I've just heard that my parents are going to Fahua Temple to calculate the horoscopes for the famous ladies you selected for you! Brother, tell me, should we What are you going to do? For example, let those famous ladies disagree with you, and then give Selena a shockingly good horoscope that matches you! Maybe this way, parents can change their minds? The old people seem to believe in this! "

"No need." Daniel vetoed it without hesitation, "This is an insult to Master Xuanjing."

Xuan Jing is a true eminent monk, it is impossible to do such false things.

Although there are people like Long Fanyin, he is very clear that with his father's prudence, he will never believe the words of such people, and it will be counterproductive.

Saul touched his chin and nodded, "Okay... If it's Master Xuanjing, this matter is really difficult to handle! Besides, maybe you and Selena are really a match made in heaven?"

"En." Daniel... actually nodded directly, and his expression was quite determined.

Saul clutched his chest, indicating that he had suffered ten thousand points of damage!

"Okay, okay, bro, I don't want to talk to you anymore, and I don't want to be abused anymore, I'm going to leave gently, I'm going to find a small island to heal my wounds... look at your current state , I can finally rest assured to take my vacation....."

Thinking of the three-month holiday, Saul revived from the spot.

what! Get away from this unforgiving land!

beach! the sea! beauty! I'm here.....

Chapter 389

Shengshi Entertainment.

In the hall downstairs, Su Yimo was wearing a long white dress with a trace of stain on the hem, and she was full of disgust and displeasure.

At this moment, an ordinary-looking, well-dressed woman beside her was scolding an older-looking female artist in front of her in a sharp voice, "Bai Lu! Do you know how to do things! Sprinkle water and wipe the floor. It made Sister Yimo's clothes dirty! Do you know how much this dress costs?"

On the side, Su Yimo's manager Zhao Meixin put her arms around her chest and snorted coldly, "Oh, money? Chanel's latest limited edition haute couture this season! It hasn't been released yet! Because we Yimo just signed a contract with them The spokesperson of the company, that's why I got this dress! Is this something you can buy with money?"

The female artist named Bai Lu turned pale and kept apologizing, "I'm sorry I'm sorry... Sister Yimo! Sister Meixin! Sister Biqin! I know I was wrong! It's all because of my carelessness!

Otherwise... otherwise, Sister Yimo, take it off later, and I'll wash it for you! I must wash it clean so I can't see it at all! "

The female artist who spoke was 30 years old and had been in the industry for ten years. She was older than Su Yimo, Zhao Meixin, and the female artist Liang Biqin who scolded her.

However, it is probably because there is really no red life. These years have been tepid, and in recent years, they can only play tricks.

In a place like the entertainment industry, it doesn't depend on how long you stay, but on how popular you are, so even if you entered the industry early, you still have to call me "Sister" in front of these people.

Originally, a small person like her would be disdainful even to embarrass her. The bad thing is that some time ago she was lucky enough to be cast by a director as the second female lead. As a result, Liang Biqin also liked this role.

Liang Biqin is Su Yimo's cousin, and relying on Su Yimo's influence to run amok in the company, this time she was robbed of the role by a little trick, how could she not be punished...

At this moment, many people were already watching in the hall. Anyone with a discerning eye would not know that Liang Biqin was deliberately finding fault?

However, no one dared to stand up, and no one dared to say a word. Instead, many people took advantage of the situation to join Liang Biqin and scold Bai Lu angrily...

It is no exaggeration to say that Su Yimo's world belongs to Shengshi Entertainment, if she and her party members are offended, then there is basically no need to mess around in the entertainment industry.

Looking at the cold eyes and numbness of the people around him, Bai Lu could only hold up the stained skirt with a cold heart, and continued to beg, "I promise that this stain can really be washed off..."

Liang Biqin crossed her arms and kicked Bai Lu unceremoniously, "Take off your dirty hands! Wash? Are you kidding me? How do you wash? Do you wash it by hand? Such expensive clothes are washed by your rough hands." If so, can I still have it?"

After scolding, Liang Biqin rolled her eyes, took Su Yimo's hand, and said coquettishly, "Cousin, this woman has been in our company for ten years and is still playing tricks, asking her to do small things is clumsy, it's simply It's for nothing! It's a waste of company resources for such a person to stay in the company, just let her go!"

Liang Biqin's words... turned out to be a complete gesture of treating Su Yimo as the mistress of the company...

However, Su Yimo obviously liked her very much, her complexion improved a lot immediately, and she began to think seriously.

Chapter 390

After all, no one in this company dares not to sell her face, it's too easy to drive someone away, just say hello to Bai Lu's manager.

When Bai Lu heard this, she became even more anxious, and knelt down with a thud, clutching Su Yimo's clothes tightly, begging, "Sister Yimo! Please! Don't drive me away! Just don't drive me away! What do you want me to do?" Anything! Please...please..."

Bai Lu was pleading, at this moment, in the direction of the gate, a pink figure just ran in from outside.

Because Bai Lu stood in the middle of the road kneeling abruptly, Selena couldn't dodge it at all, so she accidentally bumped into her...

"Ah..." Bai Lu tilted her body, and then exclaimed.

Su Yimo's clothes, which she was holding in her hands, were accidentally torn off by her...

Bai Lu's face turned pale with fright, and she didn't care about being hit. The first thing she did after getting up was to check her clothes, for fear that she might accidentally tear them.

At this moment, Liang Biqin stretched out her hand, picked up the hem of the skirt, glanced at the torn place on the hem of the skirt, then turned to Selena, and cursed, "Don't you have eyes? How are you walking! What do you think this is?" The place allows you to run around without rules! Do you know how much trouble you have caused! What kind of things have you broken! You can't afford to sell this dress!"

Selena's appearance made the onlookers who were focusing on the development of the Bailu incident even more excited...

"Hey, isn't that Selena? She's dressed so... so pink today! It's not her style at all! I almost didn't recognize it!"

"Tsk tsk, this is a good show! It is said that the company trained her as Leng Manyun's successor! Recently, the limelight has been very popular! Tell me, what will happen if the two are torn apart? "

"Then do you still have to ask? No matter how popular Selena is, she can still overwhelm Su Yimo? Isn't this a mantis' arm as a car!"

...

"I'm sorry I bumped into you, are you okay?"

On this side, Selena was apologizing to Bai Lu, but was suddenly scolded by Liang Biqin.

She frowned slightly, listened to the discussions around her, and then glanced at the stained skirt in Bai Lu's hand, and got a general understanding of the current situation.

Originally, Bai Lu accidentally soiled Su Yimo's clothes, but now it seems that because she accidentally bumped into Bai Lu, she accidentally tore Su Yimo's clothes...

At this time, Liang Biqin, who didn't recognize Selena at first, knew who Selena was under the reminder of Zhao Meixin.

Liang Biqin took a good look at Selena's pink and tender princess dress and the rhinestone hairpin on her head, with a funny face on her face, "Is she Selena? I thought she was such an extraordinary person, just like that? No wonder my cousin doesn't take her seriously, no wonder!"

As for Su Yimo, as usual, she didn't even look at Selena.

No matter how much Selena jumped around, in her eyes, they were just ridiculous ants who could be crushed to death with one finger. It's ridiculous that those people dare to keep comparing this kind of person with themselves!

Now that she knew that this woman was Selena, it was even more impossible for Liang Biqin to let her go, so the two of them happened to clean up together.

So, he immediately sternly said to the two of them, "Bai Lu! And you, Selena, right? Now don't say I'm trying to make things difficult for others, everyone has seen it, and the clothes have already been torn into pieces by the two of you." Now, do you still want to wash and finish?"
