

Cruel Heart Lover Novel

Chapter 536

Saul scratched his head anxiously, and finally, his eyes lit up, he pulled the little bun over, held his little shoulder, and said with an extremely serious expression, "Rick, why are you only focusing on eating! Burn your little universe quickly!" Fight! Your Aunt Xiaoxi will be snatched away!"

Rick held a glass of fruit juice in his arms, with a little cream on the corner of his mouth, and blinked his eyes without any sense of crisis.

They are all girls, why fight?

Little bun lowered his head and wrote three words on the clipboard: Girl

"Female...girls...they are girls, that's right...but it's not just men who need to be vigilant, girls are even more terrifying, okay?" Saul was completely at a loss, and didn't know how to explain it to Rick.

It's over, it's over, even Rick can't be trusted anymore!

Things have progressed to this point, and finally some people can't stand it anymore.

That is, the single dogs on the scene.

Who in the circle didn't know that Saul's party definitely had the most beauties and the highest quality, so as soon as they got the news, all the singles in the free period flocked to it screaming.

One Saul was enough to steal the limelight, but with another Daniel, there would be no drama for them at all.

It was very difficult for Daniel to leave just now, but who knew that not only did Daniel fail to leave, but also a heavy atomic bomb came.

This brat came out of nowhere, not to mention the goddess Travis who saved them, and even stole all the women's attention, how could they not hate him!

Under envy, jealousy and hatred, it is natural to make troubles.

A boy with dyed flaxen hair came over and handed Selena a cigarette. He squinted his eyes and looked unhappy, "Brother, I haven't seen it before!"

"Thank you, I'm quitting smoking." Selena didn't pick up the cigarette, but took out a lollipop from Rick's pocket and put it in her mouth.

Selena was indeed quitting smoking, but such behavior was obviously regarded as disrespectful. The young man's face darkened, and he suppressed himself. There was a glimmer of malicious intent in his eyes, and he said with a fake smile, "Brother, Come and play together?"

Selena naturally knew what these sons wanted to do. She was gentle with girls, but it was different with men. Now that someone came to her door for abuse, she naturally wouldn't be soft-hearted, and immediately said straightforwardly, "Okay!"

After finishing speaking, he rubbed Rick's head, and said softly, "Rick, go to your father's place and stay for a while, I will go to find you soon."

Little Treasure nodded, and went to find his father obediently...

Not far away, Daniel looked at his son who was running towards him. He had an inexplicable sense of being left at home with the children while his wife was outside.

After a while, Selena's side was already playing.

The table is full of depth charges, and you drink when you lose.

Those young masters were all used to playing games, and they all belonged to the same enemy. They made up their minds to make Selena look ugly, and wanted to drink him to death.

At first, Daniel was a little worried that Selena would suffer, but he soon realized that he was thinking too much.

Whether it was playing cards or dice, Selena had never lost a single game. Instead, those young masters who came to provoke her were tortured to the point where they lay on the table until they drank so much that they almost vomited.

And Selena, who didn't drink a sip, sat in the middle of the sofa carelessly and successfully harvested the hearts of all the girls present.

Well, maybe there are still a few who were bent on the spot...

Chapter 537

"Hey, it's so boring to play these games! You guys are too boring, you keep losing! Why don't we play truth or dare?" At this time, Xiao Qiao excitedly suggested.

After a short contact, she has become more and more interested in the man in front of her.

The most important thing was that she could tell at a glance that Travis was also interested in this man, but because she was too self-confident and chased after Daniel first, it was difficult to make a move at this moment, so she could only watch from the corner.

Xiao Qiao's greatest hobby in life is to hit Travis, so she immediately met her sister's eyes and was ready to strike.

On such an occasion, playing truth or dare is the easiest way to spark sparks between men and women. And what Da Qiao is best at is playing truth or dare, basically letting whoever gets what he wants to get.

Of course, the premise is that Selena doesn't make a move.

So, Xiao Qiao hugged Selena's arm and said coquettishly, "Brother Tang, it's fine if you play with them, but don't bully us too much when you play with us later!"

When Selena played with girls, she didn't know how to play tricks. It was all luck, so she said indifferently, "Of course not."

Only then was Xiao Qiao satisfied, and she winked at Da Qiao. Games start.

Selena's luck tonight was really not good without any manipulations. She was drawn several times in a row. Although she could see that the twins had secretly manipulated the cards, she wouldn't mind this with the girls. Small things, totally conniving attitude.

the first time.

"Brother Tang, are you telling the truth or taking a big risk?" Xiao Qiao asked with a smile.

Selena thought for a while, "Let's tell the truth." Usually, in this kind of situation, the first question is just a tentative one, not too extreme, so it's safe.

Sure enough, Xiao Qiao asked a very important question, but she answered it without pressure, "Brother Tang, do you have a girlfriend?"

Obviously, many people wanted to know this question, and Xiao Qiao herself tensed up a little nervously.

"No." Selena replied directly.

"Really? Brother Tang, don't lie to me!"

Selena chuckled, "Oh, no, tell the truth." Although her attitude seemed casual, her eyes could tell that she was telling the truth.

After hearing Selena's answer, everyone became more excited and played more vigorously. Even knowing that the twins were controlling the game, they couldn't help but get excited.

The second time, Selena was drawn again without any surprise.

Xiao Qiao winked and said, "Brother Tang, what about this time? Truth or risk?"

Selena: "Speak the truth." Compared with the first time, the second question will definitely be a little more exciting, but it should be within an acceptable range.

Xiao Qiao deliberately searched for a long time, and then asked in a drawn out voice, "Brother Tang, how many girlfriends have you had?"

Selena was not surprised by this question, she just raised her eyebrows slightly, and then answered truthfully, "This question...sorry, I don't remember clearly."

She really didn't remember how many sgumbags she had abused back then, and the only one she still had contact with now was probably Louis.

When answering this question, Selena glanced at the big devil who was hiding in a corner with some scruples and couldn't see his expression clearly.

"Hmph, brother Tang hates it, I know you have had many girlfriends!" Xiao Qiao said angrily. However, such a man had had many girlfriends, which was completely within her expectation. She was just not reconciled, so she asked a question anyway.

When she was drawn for the third time, Selena finally stopped choosing the truth, "Let's take a big risk."

Chapter 538

When she was drawn for the third time, Selena finally stopped choosing the truth, "Let's take a big risk."

Because, if she continued to choose the truth this time, Xiao Qiao would definitely not let her go easily, and she didn't know what exaggerated questions would be asked.

If the Great Demon King is not around, she doesn't care even if she goes too far.

However, the Great Demon King is sitting in command at the moment, how dare she go too far.

Although Daniel sat in the corner and seemed to have no sense of presence, to Selena, his aura was like a shadow, and his presence became stronger and stronger...

Uh, a certain one even eats Gong Shangze's jealousy, so this time it must be jealous of a girl, right?

After hearing Selena say "big adventure", although Xiao Qiao was very disappointed that the explosive questions she had prepared would not be used, it didn't matter, she still had plan two!

So, Xiao Qiao coughed lightly, and immediately said the adventurous way that she had prepared a long time ago, "Brother Qiao, my request is very simple. From all the girls present tonight, you can choose one at will and be your girlfriend for a long time!"

When she said the last few words, Xiao Qiao lowered her head shyly.

As long as he was a man, he would definitely be able to understand her hints.

As long as he chooses himself, even if it's just a game, then she can go along with the flow and do the fake show for real, half a day becomes an infinite delay...

In fact, at the beginning, her plan was to have a kiss, but later, she changed her mind, just a kiss was not enough, she wanted more, and wanted to completely own the man in front of her.

After hearing Xiao Qiao's request, everyone at the scene couldn't understand what she meant. Although the other girls were jealous, they knew that they couldn't compare to this pair of sisters working together, so they could only secretly hate each other. The men were all abused by Selena After doing it again, he has no fighting power, and can only watch helplessly as this later brat wins the beauty.

"Oh! My little goddess Qiao! I'm so mad!"

"It's okay, it's okay, Xiao Qiao is gone, and Da Qiao is still there!"

"Fart, Xiao Qiao is gone, can Da Qiao be far behind? These two sisters have the same heart, and the men they like are the same. If this kid can handle Xiao Qiao, it doesn't mean that he can handle Da Qiao! This... ..This is simply the blessing of enjoying the same people!"

"Dmn! Where did this brat come from! He stole all the beauties out of thin air!"

"Second Young Master, what are you doing! What about the bachelor party you promised, and the promise of a lot of beauties to get us out of the singles? Is that how you let us out of the singles?"

...

Saul, who was inexplicably scolded for the contradiction, had black lines all over his head, and he groaned silently, "All of you combined can't compare to others, and you have been tortured into sgum by others, can you blame me? "

He couldn't bear to tell them that they lost to a girl, girl!

At this moment, Xiao Qiao was not in a hurry at all, and was eagerly waiting for the "man"'s answer, and even took the time to look in Travis's direction proudly.

In the corner, seeing Xiao Qiao's provocation, Travis bit her lip hard. She didn't want to continue watching, but she didn't want to leave, so she could only keep telling herself that her target was Daniel.

It just so happened that Daniel's precious son was also there tonight, so she should take advantage of the fact that everyone's attention was on Selena to build a good relationship with Daniel and his son.

Chapter 539

However, Travis thought so in her heart, but her eyes and heart didn't listen at all, and she focused on Selena and Xiao Qiao with all her body and mind.

At this moment, his heart was raised in his throat, that "man"... would he really choose Xiao Qiao?

how can!

This man was clearly the one she met first!

Under the extreme anger, Travis even started to waver, she didn't want to continue to sit still...

All of a sudden, everyone's eyes fell on Selena.

Selena didn't expect Xiao Qiao to make such a request, let alone, it was a bit embarrassing.

Not to mention that she has already noticed that the big devil may be jealous, even if the big devil is not there, she still has a sense of proportion.

If it's just for fun, even if Xiao Qiao asks her to kiss her, that's not a problem.

However, girlfriend, this kind of famous thing, if you are not sincere, you can't easily agree.

She can abuse sgumbags, but she definitely doesn't want to hurt girls' hearts.

If there is no possibility, don't just give others hope.

This little Qiao, at first she could tell that she was just playing around, but after playing around, Selena was keen to see a trace of seriousness in the girl's eyes.

So, Selena resolutely stopped.

"Sorry, I'll punish you with three drinks." Finally, Selena finally spoke.

As soon as the words fell, everyone froze.

Because everyone thought that Selena and Xiao Qiao were a sure thing tonight, but they never expected that Selena would accept punishment at the last moment.

Especially Xiao Qiao, with an expression of disbelief on his face, "Brother Tang...why..."

Selena smiled relaxedly, and said in a joking tone, "There are too many beauties tonight, and the flowers are becoming more and more attractive, so let's forget it."

Although she knew that Selena was stepping down the steps for her, Xiao Qiao became stubborn, regardless of her sister's reminder and obstruction, and regardless of the embarrassment, she said perseveringly, "Brother Tang, don't fool me, I want to know Reason! Why?"

Under the watchful eyes of everyone, the girl had tears in her eyes.

Selena...has a headache!

It's over, it's time to play...

Basically, anyone who is familiar with Selena knows that what she fears most is girls crying.

Seeing Xiao Qiao's teary eyes, Selena squeezed the center of her brows, struggling inside, "Little Qiao, don't cry, I..."

She was thinking about how to minimize the damage and end the situation. Otherwise, she would first agree to Xiao Qiao, so that the girl would not be able to step down in public?

After all, she was also at fault for what happened tonight...

Not far away, Saul wiped his face and prepared for a high-energy warning. He had basically figured out Selena's temperament of pity and pity, and he had every reason to believe that under Xiao Qiao's offensive of tears, Selena would really Agree to the girl's request.

Because everyone, including Saul, was focused on Selena and Xiao Qiao, so no one noticed that in the corner, a certain big demon king who had been sleeping for a long time had its seal lifted...

No one noticed that Daniel had stood up at some point, walking towards Selena's direction step by step...

until...

Until the moment Selena was about to let go, a wrist was suddenly pulled up, and her waist was brought into an icy embrace. The next second, a hot k!ss that was completely opposite to the man's icy expression landed on her with perfect accuracy. on her lips...

Chapter 540

In an instant, there was a clatter of cups, plates, knives and forks, and the sounds of men and women gasping for air one after another...

Saul gulped down the alcohol and coughed so loudly, the medicinal oil that Travis was tightly clutching in his hand fell to the ground and shattered on the spot, Da Qiao's face turned pale, and Xiao Qiao... Xiao Qiao looked completely terrified. up...

Of course, there was another person present who was even more frightened than Xiao Qiao, and that was Selena herself.

fcuk trough trough trough trough trough trough trough trough trough trough trough trough trough trough trough trough trough trough trough!

What is the big devil doing!

Under Selena's horrified expression, his eyeballs were about to pop out, Daniel finally slowly moved away from her lips, but the hand around her waist, which represented the declaration of sovereignty, did not loosen at all, and he only lifted his hand slightly. The incomparably intimidating eyes of the two heavens of ice and fire looked at Xiao Qiao, who had already been frightened, and said in a hoarse and gloomy voice, "Is there any question?"

Just now, Xiao Qiao, who had been asking Selena why she didn't choose her, froze for a second, then immediately shook her head violently.

Brother Tang didn't lie to her, he really doesn't have a girlfriend! But, he has a boyfriend! And the boyfriend is still Master Xiao! Oh my god!

Saul stroked his forehead, his expression was horrible, he felt that the poor girl's head was about to fall off her neck.

Hey, silly boy, it's not good to hook up with anyone, but you want to snatch food from the tiger's mouth...

Selena tried to break free, but she didn't. She was so anxious that she almost scratched her, "Daniel...are you crazy? Do you know what you're doing?"

There was no sign of remorse on Daniel's face. Instead, he took it for granted and said calmly, "Solve the trouble."

Selena wanted to die...

Even if he wanted to save her, but now she is a man. Hey, did he realize this?

k!ssing in public is sensational enough, and now it's still two men...

It doesn't matter if she changes face, no one knows her anyway, but he is different, he thinks the previous rumors are not exaggerated enough, right? It was just a rumor before, but now it's good that he himself confirmed it!

This guy is too capricious!

Selena was annoyed for a while, "Let go!"

Daniel didn't let go, not only that, but looking at the girl's eyes that were filled with concern and worry in anger, he couldn't help but leaned over and k!ssed again...

Feeling the fiery temperature on her lips that was caught off guard again, Selena was already dumbfounded: "...!!!"

fcuk!what's the situation? The big devil got a virus?

There was a "plop", and I don't know which unlucky guy didn't stand still, and fell into the swimming pool after being overly frightened...

Looking at the scene in front of them, everyone who was frightened for the second time was holding their chests and coughing...

mother! too frightening!

They learned such a shocking secret tonight, so they won't all be silenced here in the end, right?

but...

Although both of them are men, but... But why do you feel that the two are particularly suitable for each other?

One of the two is wild and unruly, the other is domineering and strong. The scene of embracing and kissing makes people blush, heartbeat and blood flow faster!

Wake up! Wake up! God, how could they have such weird ideas?
