

## Claiming His Tempting Mate novel chapter 26

Hardwick's POV

I pulled down the heavy curtain of the tent and walked towards the bed before laying her down on the soft mattress. Once her back touched the bed she looked at me with wide eyes, it was filled with shock and also embarrassment because her fair cheeks are now stained with pinkish colour.

Oh, how much I love to see that face of her. It's enough to make me hard, thinking all these effects on her body were only because of me.

"How can you do that?" She asked as her eyes were still wide.

I smirked "why can't I darling?"

"Hardwick, everyone there watching us. It was too embarrassing" she pouted her lips while her voice felt like scolding.

I hovered over her and smiled down at her flushed face "do I need others opinion to have you darling? You are mine and if others has any problem with this simple fact then they can just fuck off"

Savannah rolled her eyes and threw her head on the bed. She sighed and mumbled "you are impossible. Talking to you is like banging my head aimlessly on the wall"

Her words fell in my ear and it made me laugh out loud. It was funny but also sexy to find her giving in, in my every need. She perfectly fits me and is only made for me. My mate, my other half and my destiny.

"Do you know how beautiful you look right now?" I whispered leaning more to her face. Her breath quickens as I can hear her heartbeat racing inside her chest. Her body is reacting and responding to my action which is the best part of her. I reached out and placed my hand on her soft breast lightly squeezing it. Savannah let out a low moan closing her eyes.

"You have such a responsive body baby. I can't wait to devour you wholly" I used my husky tone in her ear before dipping down and kissing her neck. My hand cupped her breast which was fitting perfectly in my palm and I used a little pressure to knead them.

"Hardwick" she moaned arching her back.

"Do you like it, baby? Feeling my hand on your soft spot and how I play with it?"

"Oh....god .." she moaned loudly as I bit her neck. I sucked on her soft skin, nipping a little harshly. When I raised my head I smirked as the red mark formed on her skin.

~ Fuck she looks beautiful ~ I can hear Onyx's low growl in my head ~ I want to bit her nipples ~ he demanded.

I shook him off and looked at my mate again. Gripping her chin I made her look at me before crushing my lips to her. The sweet taste of her lips made me crazy with need. I sucked on her lips tasting it like my favourite candy before pushing my tongue inside her mouth. As a good little girl, she let me in and I devoured all her sweetness inside her mouth. This soft and tender feeling of her lips made me hard and I felt my little buddy twitching in my pants. I roamed my hand on her body. She was wearing a knee length frock so it was even easier to slip my hand inside the dress. While devouring her sweet mouth I trailed my fingers on her thigh pushing the dress up and then slipping inside it. My hand found her soft spot down there clad in her thin layer of panties.

I trailed my fingers over her silk panties and rubbed her sweet spot over the cloth. Damn, her sweet juices couldn't hide itself and dampen her panty already.

"So fucking wet baby, you are making me go crazy" I said as left her mouth. "You want me down there don't you?" A smirk played on my lips as her face flushed even more.

"Are you wet for me?" I cupped her wetness as I asked her.

"Hardwick..." she moaned but that's not what I wanted to hear. I wanted her to answer me so I used my fingers to pinch her wet pussy lips.

"Ah..." Savannah moaned in pain and pleasure arching her back.

"Answer me" I demanded, pinching a little harder.

"Yes" she breathed out.

"Yes what?"

"Yes I am wet for you" finally she answered.

I smiled "good girl. You like it when I play with this horny cunt of yours don't you?"

"Yes," she replied.

I slid the thin cloth of her panty to the side and touched her wet pussy lips. This feels fucking good. God, she is wet that urging me just to slide inside her and fuck the hell out of her.

"You are so fucking wet baby" I said as I pinched her clit then used my middle finger to slide it in her wet cunt. But I stayed still and didn't move.

"Oh god ..." Savannah moaned again.

I used the pad of my thumb to run her clit slowly while I added another finger in her cunt  
“can you feel it baby? Feel how tight you are that even my fingers couldn’t relax a bit.  
You are fucking making me horny to no end baby” I leaned down and bit her shoulder.

“Hardwick....please” she moaned again.

“Please what baby?”

“I....I....”

“Yes, tell me baby, tell me what you want?” I encouraged her.

“I....am aching please....” Savannah’s face got even redder if possible.

“Do you want me to move darling?” I smirked “tell me do you want me to finger you in your sweet little cunt baby?”

“Yes, please”

That was the sweetest thing I ever heard. This woman beneath me looks so seductive that I could hardly control myself. I never knew how I stayed all these years not even knowing her existence in this world. I pulled my fingers out before pushing it inside her, making her body jump a little.

“Ahm....” Savannah groaned, biting her lips.

“Feel me baby, feel my finger invading your sweet little cunt, claiming its place to mark you as mine” I whispered as I pounded her cunt with my fingers. She holds my shoulder with her hand moaning.

As I increased my pace she clung onto me like her life depended on it. I looked at her flushed face as she laid beneath me, a moaning mess. It did not take long before I felt her clenching her walls around my fingers.

“Ah.. Hardwick...” With a loud moan she released her juices all over my fingers coating it.

“Fuck, that was sexy baby” I kissed her taking all of her sweetness. I circled my thumb on her clit then again pounded in her cunt. She moaned again but it was stuck in my mouth as I kissed her hard. No matter how much I want, I just couldn’t stop myself from making her cum again and again, to coat my fingers with her milk to show me how much of a greedy cunt she has and all that greediness belongs to me.

And me only.

Reese’s POV

I walked inside and found Avan talking on the phone. He was only wearing his boxers and his back was facing me. Seeing his hard body and muscles I blushed. No matter how much I have seen him naked but still his nude form managed to make me blush. I was wearing my thin black night dress which only ends on my thigh giving a good look of my legs. I slowly walked towards him.

“Yes, of course. There will be no problem” he said on the phone.

I sighed and hugged him from behind. I love this man so much that the mere thought of him being away from me scares me. I will never let him go, no matter what. Avan turned around, cutting the call.

“Reese?”

“Avan” I looked up with my seductive eyes.

“Why are you here?” He asked.

“Can’t I come to meet you?” I looked at him then smiled “My tent is cold, I don’t like it. Can I sleep here tonight?”

Avan frowned “cold?”

I nodded “yes, you know that I don’t like cold” I put my hand on his chest and trailed it over his hard muscles.

Avan grabbed my wrist “fine, you can stay here. But I have work to do so I am going out” he said then pushed me a little before grabbing his pants and shirt.

I frowned at him. What happened to him suddenly? Last night he was so romantic and even fucked me till dawn but today he is deliberately avoiding me even though I am trying to seduce him. I walked to him.

“Avan, you are working too hard. Aren’t you tired?” I touched his shoulder as he sat on bed wearing his pants.

“It’s important,” he replied shortly. I clenched my fist but smiled at him.

“You are always this busy. Taking all the work and fulfilling all the responsibility. I am just worried it will exhaust you. Why don’t you just rest with me tonight, so that you can relax your body?”

He looked up and stared at me for sometime before wearing his shirt “thanks for your concern Reese, but you should know, I am an Alpha now and there’s some matters of pack that needed my attention and no matter what I just couldn’t ignore this” he got up

“you should rest early” then without any other words he walked out of the tent leaving me alone.

I looked at his back before clenching my jaw so tightly till it hurt. He is now ignorant again. Why? Last night he was like a beast tormenting me in every way possible but now he just avoided me like I am kind of sin. What mom said was right, I couldn't let it happen again and again. I can't let him think about me for a second time and then leave me when he gets bored. I couldn't let that happen. Avan is mine and he has to stay mine whether he likes it or not. I need to proceed with my plan first before it's too late to take any action.

I walked out of the tent and was about to head towards mine when suddenly a hand pulled me away. I was dragged to the side corner. Once I saw who it was my blood boiled with anger.

“Why were you at Alpha's tent at this late time?” John frowned as he looked at me. I shook off his hand angrily.

“I told you already, what I do is my personal matter and has nothing to do with you”

“You are my mate. Did you forget it already?”

I gritted my teeth “mate or not, I don't care”

His face turned dark as he glared at me “what the hell are you talking about?” Then he looked at my body “you went to Alpha late at this night wearing a fucking revealing night dress”

I rolled my eyes “what I wear is my concern. Who are you to lecture me about it?”

“I am your mate you” he almost growled “do I need to remind you every time”

I laughed “mate? A beta?”

“Why? What does that have to do with me being the beta?”

“I don't want to be a mate of beta. I don't want to become your mate and live my life under the pressure of Luna” I replied through gritted teeth.

John frowned at first then his eyes roamed over my body again. His eyes went wide as he stared at me in disbelief “you, you went to his tent to seduce him?”

I didn't reply but stared at him.

He shook his head before running his fingers on his hair “you really wanted to seduce your Alpha because you want to become his Luna? Fuck, you are not even his mate” he snapped.

“You don’t need to interfere in my matter. What I want to do or will do has nothing to do with you” I almost screamed at him.

His eyes flashed with dark glint as he glared at me. John is tall compared to me. My full height just reached upto his shoulder so he looked down at me. There’s no warmth or tenderness in those eyes like before. Suddenly my heart clenched tightly.

“I thought I had found my mate, I was happy at the thought but I never expected that my mate will be someone like you. Unruly and shameless” he spat angrily.

I felt something pierced my heart. Whether I like it or not, he was my mate. The person who was destined for me. But the position he held was not something I wanted. Since childhood I was told that the one who has great power can only be happy in life and that was the time I have decided to grab power. And John does not have that thing. But Avan does, he is the Alpha and once my plan gets successful, what I want will be in my grasp. Thinking about all this I tightened my aim and heart.

“You” John shook his head “I couldn’t believe I got you as my mate. Fucking hell” he punched the tree near him angrily. He turned around and glared at me with his anger filled eyes “for a woman who can climb into the bed of someone else who is not even her mate just to get some title is nothing but a greedy bitch. You can never be someone’s mate, do you know why? Because you are worse than a slut who uses her body to climb stairs for power. Your greed is so high that ordinary people could not reach it. Fuck, I regret the day I met you. To know a person like you is the wasting of time and efforts”

My eyes suddenly brimmed with tears. No one had ever cursed me like this. No one ever used such languages to talk to me. But the one who is doing this was my mate. I couldn’t force any words as I just stared at him.

“It was my bad luck that I was paired with you. I would never accept such slut as my mate who couldn’t wait to fuck other man. Hell” John cursed, shaking his head. He turned around and paced for a while like thinking what to do next. I blinked the tears that were threatening to fall. This will be for the best isn’t it? I have already given my virginity and my heart to Avan as for my mate, I have nothing to give him.

“We could have been happy together. We were destined but you ruined everything. It’s all your fault” he accused again but there’s pain in his eyes that stayed for a moment. “Since you are so addicted to sleeping with your Alpha then it will be better to stay with him as his slut. I will free myself from this bond. Bonding with you is nothing but a curse for me and now I will free you from this bond so that you can proceed with your greedy need” he clenched his jaw as he glared at me with his dark eyes.

My chest tightened as my heart started to beat faster. I knew what's coming after this. This is going to be all over after this.

John stared at me for sometime as something flashed in his eyes before he closed it and shook his head. He opened his eyes and there's was nothing but emptiness " I, John Smith, reject you Reese as my mate"

A sudden forceful wave barged inside my chest as it started to burn. I held my chest trying to ease the pain. This is rejection pain. My wolf whimpered in pain. My knees went soft and I couldn't help but fall on the ground. John shook his head as a pained expression crossed his face before turning around and leaving the place. While I sat there clutching my chest as the burning started to increase more.

"This is all for you Avan, all for you" I mumbled as I closed my eyes trying to endure the pain.

"It's all for – " I couldn't complete the line as my vision blurred and my mind went black. I felt my body fall backward.
