

## **Contract Marriage With Mysterious President**

### **Chapter 31 A pleasant talk**

Richard had already started the foreplay. Disillusioned, Amy was totally upset with an icy heart. It

turned out that even such an ugly person despised her.

“What are you thinking about, Amy?” Richard found that Amy was not in the mood.

Amy didn't respond, while Richard was gently caressing her body. He had already known how to turn

her on. With his lips close to her ear, he was licking her earlobe softly.

Shivering, Amy tried to hold back, but she couldn't help slightly groaning. With Richard kept going all out, Amy finally got aroused. They were quite enjoying it.

Richard slowly wiped her sweat off with a towel. He stood up and was about to leave, but suddenly she grabbed his hand.

“Honey, if I marry other people in the future, will you be sad?” Amy wanted to see if he was really that cold.

“No.” With one word, Richard left without looking back.

Taking a warm bath was supposed to be comfortable, but Amy felt very painful.

It turned out that the man who slept with her every day had no feelings for her. To Amy, all the love

bites on her body now were so humiliating. But she found that she had already got used to his care.

This was not a good sign depending on somebody who didn't love her.

Amy let the water sprinkle on

her face, trying to wash herself out. But no matter how hard she tried, she couldn't wash off the

disgrace after having sex with a heartless man.

Since he had an aversion to her, why didn't he remind her not to get pregnant? Lately she had been so

tied up that she almost forgot about contraception.

Amy counted the days and found she would get her period in a few days. She was hoping there was no

surprise. If she had a baby, she would screw things up.

Amy divorced Matt and remarried Richard within only one month, but to Amy, it was like a century.

In the hospital.

“How’s my father, Andy?” Amy asked as Andy had been waiting in the ward.

“Uncle Miller is good. Don’t worry too much. He is very optimistic, and it’s good for his recovery.

What’s more, he asked me about the hospital bill yesterday. I told him it was donated by a volunteer.

We should align with this. Don’t make him suspicious.” Andy pulled Amy aside.

“Okay. Thank you, Andy.” Amy once told Andy not to tell her dad the truth about the money, but she didn't expect that he would keep her words in mind all the time.

“Well, I just want to let you know about this. Let’s go and meet Uncle Miller.” Andy went to meet

Stephen with Amy.

“Amy, you’re here!” Stephen said with a big smile while seeing his daughter.

“Dad, you are leaving tomorrow. I’m so worried. How do you feel now?”

Amy went in and sat next to

Stephen.

“I feel good, very good, thanks to that kind-hearted person. Amy, once you know who he is, you should pay it back.” Actually, Stephen felt very strange, but he didn’t ask them about it.

Stephen didn’t believe there could be such a kind-hearted person paying so much money for his

surgery and even getting the proper heart for him. He believed it was Andy who did it.

“I know, Dad. Don’t worry. You know I’m grateful. When I know who the person is, I will pay him

back.” Amy was harboring bitterness, but she pretended to be fine in front of her dad.

Amy brought her father his favorite cake, and they talked all day. Indeed, she could not bear to let her

father go, but for his own good, he had to go.

And during their family time, Andy was accompanying them in the ward.

"Where is Matt? Doesn't he know I'm leaving tomorrow?" It was late in the evening, and Stephen

found out that he hadn't seen Matt today.

"Well, Dad, Matt has been on a business trip and will be back in a few days." Amy said with wandering eyes.

"Oh, I see. Amy, you should go back early then. It's not so safe for a girl to be on the way alone at

midnight." Stephen felt so tired talking all day since he was still a cardiac patient. He wanted to get

some rest.

"Uncle Miller, I can send Amy home." Andy said to Stephen.

"Well, then, thank you, Andy. You haven't changed a bit, still so considerate." Stephen was so tired

that he closed his eyes and fell asleep immediately.

"Amy, let's go and bring you home." Andy led Amy out of the ward.

"Okay, Andy, and thanks for taking care of my father." Amy looked at Andy.

If Richard was strong like a king, Andy would be a gentleman.

Andy had always been warm-hearted and gentle with a handsome face.

Amy remembered that when she was a child, she wooed Andy and kept asking him if he wanted to

marry her.

After ten years, it had become impossible. She was a remarried woman.

If she got divorced again, she

would feel so lost.

"Well, we're just like a family, so don't mention it." Andy was still fond of Amy's long soft hair as much

as before.

After a pleasant talk, they walked down to Andy's car. He opened the door for Amy and carefully tied

the safety belt for her after she got in.

"Amy, I haven't had dinner today. Would you like to dine out with me?"

Andy's stomach was growling.

"What? Let's go find a restaurant then. It's so late. You must be starving." Hearing that, Amy was very

worried. Like what most doctors did while working, he was always too busy to eat.

“Well, I’ll take you to a restaurant I know. The food there is very delicious.” Seeing that Amy was still so concerned about him, Andy felt sweet in heart. It was a plain, average-size restaurant, and it looked quiet from outside. Andy parked the car and got into the restaurant with Amy. It turned out that there were so many people in here. If Andy hadn’t booked a table, they would have to dine elsewhere now. The waiter led them to a VIP room and they got in. \_

Chapter32 An encounter

Andy ordered some dishes and told Amy some interesting stories about her years abroad.

Those stories made Amy laughed out loud. She hadn't laughed so happily for a long time.

“Excuse me, Andy. I will be right back.” Amy suddenly felt a stomach upset, then went to the ladies’ room.

When she came out of the ladies’ room, she crashed into a man from the gents’ room. She said sorry to that man, but she immediately felt cold and weird.

The man was taller than Amy so she couldn’t see his face. He didn’t respond, but a sudden cold shiver ran down Amy’s spine. She was wondering whether the temperature was too low in the restaurant.

Amy looked up at the man. When she saw clearly his face, she was about to leave.

She reacted so quickly. However, Richard grabbed her arm in an instant. If he hadn’t caught her that fast, she would have run away.

Richard wondered what she was doing here tonight since her father was going abroad for surgery the next day. She certainly couldn’t come here alone. This restaurant looked very ordinary, but it was somewhere wealthy people often came.

“Amy, why are you here?” Richard was curious about who brought her in this restaurant.

“This is the toilet. I’m here to do whatever you do.” Amy was thinking how this president of the HD group was hovering like a ghost. She always met him wherever she was. “By the way, Mr. Carter, it’s not working time now. I can go wherever I want. I’ll go wherever I like.”

Amy tried to struggle to free herself but failed.

“That’s right. I can’t control it, but you have to work tomorrow, so maybe you should go home and get rest earlier. If you are late tomorrow, I swear I will deduct your wages.”

Richard didn’t know what was wrong with him. He just felt uncomfortable watching Amy staying out. “I know, but it’s not proper for people seeing you catch me by your hand like this, so please let go of me. I’ll go home after dinner. And Mr. Carter, you should go home earlier too. If you’re later than me tomorrow, that sounds not good, either.” Amy finally won her freedom from Richard.

And then Richard directly left without a word.

Amy’s arm hurt due to Richard’s great strength. She rubbed her arm carefully and went back to the VIP room.

“What took you so long?” Andy had been waiting for a while.

“Oh, nothing. I met a pervert. Fortunately, I got away from him.” Amy started enjoying the dishes.

These dishes looked very common, but as they started eating, Amy understood why there were so many customers here. The food tasted so good.

Amy ate quickly and was full in an instant.

Actually, the food was ordered by Andy but was almost eaten by Amy, only with some soup left.

“Andy, why are you eating so little?” Amy found that Andy was having the rest of the soup.

“Would you like some more?” Amy was very embarrassed. Andy was so hungry, but she ate them up.

“No, I’m good. You know what, all the nutrition is in the soup.” Even eating leftovers, Andy behaved as a gentleman.

Amy was stunned. She had grown up in a noble family, but she never behaved so elegantly like him.

She always had supper very fast, so rude.  
Andy was blushing as Amy was staring at him with her hands cupping her cheeks. Since childhood,  
Amy liked to look at him in this pose.

No matter whether he was doing his homework or eating anything, she would look at him in this way,  
and then adorably said, "Oh my, Andy, you are so cute. Promise me you will marry me when you grow up!"

It was for this promise, he came back from abroad, but it was still too late. She was already married.

"Well, I've already finished. Let's go. It's dark outside. You should go home now." Andy stopped eating  
and wiped his mouth with a tissue.

"Okay, let's go." Amy stood up and picked up her purse.

Richard watched all the way as Amy went out of the restaurant and got in Andy's car. He pulled a long  
face which made the people around him uncomfortable.

"Richard, why have you become so weird lately? And always ask me to find out some strange things."

Kevin tried to make fun of Richard.

Richard didn't respond, watching the car fade away.

"What did you say?" Richard turned his head to Kevin.

"Never mind. What put you under spell? I mean, I have heard that you are very concerned about a  
new girl in your company." Kevin slowly shook his wine glass and looked at Richard jokingly.

"No way! Is he still able to have a crush on other women? Unless that woman is beautiful as hell!"

Rocky Walters hugged a woman around him and gave her a kiss.

Richard was not in the mood to join the conversation anymore. He would like to go immediately and  
see whether Amy was home.

"I'm leaving. You guys have fun." Richard picked up his coat and walked out of the door, leaving other  
people shocked here.

“If I marry in the future, will you be sad?” Richard recalled what Amy said last night. He said no at that time. However, he kept thinking about it all day today. Would he feel sad? The answer was yes. He would be suffering.

For instance, just now, seeing she was out with other man, he felt so angry.

“Do I fall for her? No, it’s impossible. It’s just because she’s my wife now, and my wife should behave herself.” Richard tried to make an excuse to prove that it was impossible for him to fall in love with other women.

However, he didn’t slow down his car. Instead, he was speeding up. He wanted to go back and hold

the hot Amy. Only when he was with her, he could feel relieved.

Richard was home quickly, when Amy hadn’t come back yet.

‘Damn it! Where did she go? Didn’t she know it was very dangerous being alone with a man at night?

And she’s so gorgeous that almost every man wants to kiss her! Richard couldn’t help thinking about all terrible things that might happen.

Hearing the sound of a car outside, Richard went to his bedroom immediately.

“Bye, Andy. Thank you for driving me home.” Amy said goodbye to Andy and got into the villa.

It was already late in the evening. In order not to wake others in the house, Amy quietly opened the door and went in.

The servants had gone to bed so the living room was empty. Amy went upstairs hurriedly.

Amy was planning to take a bath then go to bed. If she was really being late the next morning, her wages would be deducted by the president.

As soon as she got upstairs, she was pressed on the wall by someone in the dark and kissed before she could react.

Chapter 33 A wet white shirt

The sudden kiss freaked Amy out. But as soon as she smelled Richard, she stopped struggling.

Richard held Amy up in his arms and ran toward the bedroom immediately. Amy hung from him like a rag doll, completely at his mercy. Richard felt satisfied and pressed on top of her, kissing and caressing her gently. She had fair white smooth skin. Richard was so aroused that he couldn't stop.

They both reached their climax. Richard let off all his anxiety and anger, and immediately fell asleep. However, Amy was so upset for the quarrel yesterday that she couldn't get over it. Now Richard noticed that Amy was not herself but he chose to leave her alone. After all, they meant to divorce in a couple of years, so he simply didn't give her much hope. Richard stood up, ready to go back to his own bedroom. Amy sat up as well. Groping in the dark, she opened the drawer to grab her medicine bottle. She then took a pill.

Stephen was seen out. Cherishing hope in her heart, Amy prayed every single day for her father's recovery. Lately she had worked overtime to deal with her tasks. She would not step into the president's office unless she had to. It's really weird for her to stay with Richard. Yet someone made her no choice even if she wanted to hide. "Amy, submit this file to the president's office." A sultry woman came over and threw a thick stack of papers at Amy. "Zoe, I'm sorry but I've got a lot of other things to do. Could you please just let someone else do it?" Amy pointed at her mountain-like papers stacking beside her.

She would do anything that others asked as long as not going to Richard's office. But why did she still need to go there anyway? She really wanted to refuse this time. Zoe's lips crumpled and then she said, "Can't let that happen. This file is really important so you should go there right now. The president said that you speak three languages. So you can help him anytime,

and you have to do that.”

Actually, Zoe should have delivered the files and she just dressed herself up. Everyone knew that

Richard Carter, the most famous rich handsome man in this city, was able to better any woman’s life if

he fancied her. A lover would be really nice, left alone being his wife.

However, she got an order to deliver the files. This task had already upset Zoe, yet Amy wanted to

reject the real plum that all women ever dreamed of.

Every person in the office mastered one or two foreign languages. Amy just couldn’t figure out what

exactly was wrong with Richard. He did this only to insult her.

But what could she do? She had to accept her fate. After all, she worked for him to make her living.

Amy made up her mind, stood up and picked up the stack of papers. Zoe compared her boobs with

Amy’s by glancing at them, and then suddenly walked away.

Up here at the thirtieth floor, Amy casually tidied herself up. She wore a white shirt and a black skirt

today, pretty formal but still hot.

Amy gently knocked the door, extremely wishing that Richard was out so she could just leave the files

there and then walked away. Unfortunately Richard was asking her to get inside.

As Amy opened the door, she saw that Richard was busy with his work with his head down, and the

thick hair was combed so smoothly.

In R City, there was no love affair about Richard at all. Apart from his first love Allison Field, it’s said

that in the past five years since Allison left, Richard had no interest in women at all. Is he gay or

something? Amy thought no wonder he always wanted to play tricks on her. He must get something

wrong.

Amy gracefully walked over there without saying a word. She put the files on the desk and waited for

his instructions. But Richard didn't say anything to her while still dealing with his stuff.

Amy took a breath and prepared to sneak out. However, as soon as she lifted her feet, she was caught by Richard's attention.

"Where are you going?" Richard still kept his head down. If there were not only the two of them in the office, Amy would have felt that he was talking to someone else.

As she still got a lot of work to deal with, she said, "I should get back to work if everything is alright."

"I've let other people deal with your work. Your job today is to wait here. I've read the file. If there's anything I don't understand, you can translate it for me. You speak three languages, don't you?"

Richard said seriously.

"Many people in the office can speak three languages. I'm not the only one, and I'm not very good at it. Better let someone else help you translate the file. And I should finish my own work?" Amy refused.

She really didn't want to stay with this pervert.

At the moment, Richard finally put down his pen and looked up at Amy.

This woman joyfully talked

with other men, but she got nervous every time she saw him. Was it true that he was such a difficult person?

But what happened to the white shirt she was wearing? It made her boobs look so big. Obviously the white skirt was supposed to be very normal, yet she was so hot.

This charming Amy would belong to him for two years and others must not covet her. As for two years from now, Richard had not gone that far yet.

"Come a little bit closer," Richard told her so.

Amy looked at him but stayed still because she had already stood right before him. If she moved forward, she would sit on his thighs.

And Richard finally realized that Amy should really stay there.

"You go and get me a cup of warm water, not too cold, not too hot. Go ahead, and then we'll discuss the materials you brought." Richard pointed at his cup.

Amy saw his cup was really empty, so she didn't think much about it. She took the cup and went to fill it with water.

A few seconds later, Amy walked over next to Richard and handed him the water. Richard didn't look at her, but just reached out his hand. He didn't pay attention for one second, the water spilt out onto

Amy. The white shirt got wet, and all the black lace inside was revealed. "Ah," Amy screamed. What could she do to fix this? The white shirt was clinging to her body, easily seen through. She quickly covered her boobs.

At this moment Richard finally looked up at Amy, his heart beating fast. The clinging white shirt made her more fascinating. Richard kept staring at her breasts, almost drooling. \_\_\_\_\_

Chapter 34 Sharing a room

Richard turned out to "panic". He hurriedly stood up, walked into his own lounge, and took out a black shirt to Amy.

"Go change your shirt. I didn't pay attention just now. I'm sorry." Richard said.

There was nothing Amy could do. Her shirt was all wet. If she went out like this, people would be gossiping about the two.

So she went into Richard's lounge to replace her wet shirt.

"Hey Richard, I'll tell you something. Lately I've found something really interesting." Kevin Smith excitedly opened the door of Richard's office.

Kevin couldn't believe his eyes by the fact that Richard was laughing, especially by laughing like an obscene goat. Ever since Allison Field left, this iceberg-like man had never laughed for a very long time.

Richard immediately stopped laughing as soon as he saw this dude come in. Instead, he immediately kept a straight face.

"What's so interesting?" he asked Kevin coldly.

Kevin nearly choked himself. How could Richard change his attitude so fast? Richard was definitely

laughing just now. Or it was simply because he was dazed.

“Was I dazzled just now? Why did I think you were laughing?” Kevin found things more interesting now.

“You are dazzled. Say something or get out.” Richard said with a cold face.

“Well, the thing is I found out that Miller Group went bankrupt last year. It was actually conspired by someone.” Kevin sat on the sofa not far away from Richard, just opposite the lounge.

“What?!” Richard was surprised as well. Miller Group was more or less an enterprise in R City, but it had been in a disadvantage since two years ago, and finally went literally bankrupt last year.

Kevin heard someone else’s voice mingling with Richard’s, and that voice was absolutely not his own.

Then Richard saw that Kevin’s mouth was wide open.

It finally occurred to Richard that Amy was changing her shirt in the lounge. Amy opened the door of the lounge. Wearing Richard's black shirt made her skin as pure as a perfect jade.

The shirt was too long so she tied a knot up her waist. Her slender legs were right covered under the black skirt. She looked extremely enchanting.

Kevin obsessively gazed at Amy and was about to drool.

“What were you talking about, Sir? Was the bankruptcy of Miller Group conspired by someone?” Amy went straight to Kevin and asked anxiously.

“Whom do I speak to?” Kevin turned to Amy’s face and said.

“Sir, I want to ask you about something. Do you know the truth about the bankruptcy of Miller Group?” Amy got close to Kevin and was a little bit emotional.

“Amy, calm down. He doesn’t know anything about it. Well, be a good girl and come here.” When

Richard saw that Amy was getting a little out of control, he came over to her and pulled her over.

Not until this moment did Kevin recall that the girl Richard asked himself to do a reference check not long ago was the daughter of the Miller Group. And that girl seemed to be Amy.

Jared Kushner & Ivanka Trump Dropped Off The Planet  
Angelina Jolie Health Struggles - Talk About A Dramatic Change

“You are Amy?” Kevin said to her.

“Well, Kevin, you should get going. We'll talk about this later in the evening.” Richard noticed that

Amy got mad so he asked Kevin out hurriedly, and Kevin listened to him obediently.

“Mr. Carter, that Sir just said that the bankrupt of the Miller Group was a plot. What is the truth? Can

you please do me a favor to ask him about it?” Amy also felt that she was a little over-excited just now, which might scared the man.

“Come on, just let it be. Why are you so serious? Do you think you can actually help the enterprise

back to the stage? What are you capable of?” Richard let Amy sit down on the sofa, and then went to get a cup of water and passed it to her.

“But I insist and I want to know the truth.” No matter how Richard humiliated her, Amy still wanted to figure out what exactly was going on.

“It's all on your ex-husband Matt Wilson. He did it to your family, but what's the use of knowing the truth right now? It is unreliable to count on others. You want to revenge, and then you have to be

strong by your own.” Richard looked at Amy's parched lips and forced her to drink the water.

Drinking a swig of water down, Amy choked and began to cough severely.

Richard wanted to pat her on the back so he could help her feel better.

But his movement stopped in the air.

In the whole afternoon Richard was busy with his work, but he glanced at Amy from time to time. Amy was translating the file that Richard gave her.

Amy got a lot of thoughts. She had been speculating on what Kevin said, but Richard also made a good point. She was incapable of avenging Matt at the moment. The Miller Group was gone, and her father was sick. She had nothing but a husband, yet she had to keep the fact that she had a husband in secret.

"Are you going to translate this file overnight?" Amy didn't notice Richard even when he stood right beside her.

She didn't translate a single word, but just kept writing Matt Wilson's name on the paper.

"I'm sorry?" In a panic, Amy wanted to put away the paper.

"Are you still thinking of this man?" Richard grabbed the paper over. He looked at the paper and found out that the name of Matt Wilson was all over.

What exactly was inside this woman's heart? Matt Wilson hurt her so badly yet she was still thinking about this man.

"No, I was not thinking about him at all. I hate him as hell!" Amy stopped grabbing the paper any more. She was ready to start translating seriously. With such a large pile of papers, she thought that she would have to finish her work until end of the day.

Richard found that Amy ignored him and began to translate the file carefully. She was wearing his big shirt, and the first button on her chest was untied. From his angle, he could see her tasty big breasts.

Swallowing saliva, Richard threw the paper at Amy, and turned around to walk away into his lounge.

He urgently needed to take a shower to calm himself down.

Nobody knew whether she would punish Amy or punish himself by bringing her to his office.

In order not to contact with Richard for a long time, Amy translated the file quickly. She wanted to leave this place as soon as the work was done.

Richard took a cold bath. When he came out, he saw that Amy was working on the file wholeheartedly.

Richard went back to his seat greatly satisfied by Amy's positive attitude to her work. But once he knew what Amy had thought of him, would he be terribly mad?  
Chapter 35 A drunken night

As Amy finished the translation, her shirt was dry. And it was end of the day.

"Mr. Carter. I need to wear my own shirt." She changed her shirt and thought it better to wash his.

"Mr. Carter. Let me wash your shirt and give it back to you tomorrow," said Amy.

Richard was staring at the hot Amy's big boobs.

"Don't bother. I got plenty of shirts. You can throw it away," said Richard.

He got a bit grumpy because of Amy. He wanted to get rid of this bad mood, for he would laugh at himself if he got used to her existence.

'It was an expensive shirt. Now he wanted to throw it away. He must hate me.' Amy decided to take it home to wash it anyway.

After Amy left, Richard felt so hollow. Why did he act like this? Was it because of Amy's charm?

Impossible.

Richard tried to calm down and forget about her body. He decided to stay at office from now on.

When Amy was back to her office, she found it strange that everyone was still at work, but it was time to knock off already. Why? As she walked in, everyone was studying her from head to toe.

Amy had no idea what was going on. She only knew it had been a hard time this afternoon.

"Look how lucky you are, Amy. Stay at boss's office for the whole afternoon, huh?" said Zoe. The strong aroma of her perfume disgusted Amy.

"Mr. Carter asked me to translate the documents. I've been working at his office," explained Amy. She was confused why everybody acting oddly to her.

"You'd better behave yourself at your age," said Jack.

Amy felt even more confused.

“What do you mean I need to behave myself?” asked Amy.

“I don’t know why you girls are chasing to be a mistress instead of marrying a good guy.” Jack sighed and left.

“Jack, stop!” Amy thought they must misunderstand. She did nothing like that.

“Don’t forget to button up your clothes next time. Look at you!” Zoe pointed at her shirt, unbuttoned.

Amy felt so embarrassed.

“Oh god, you finally went out. What did he do to you?” Hannah walked through the crowd towards

Amy, looking at her up and down.

Seeing everyone staring at Amy, she said, “ Seems like you wanna work overtime, right? Ok I will

inform the HR to rearrange your working hours.” Hannah said and was ready to call the HR.

At HD Group, everyone knew that if they didn’t work overtime as told, their salaries would be deducted.

Hearing this, everyone kept silent and was about to leave. Soon, they left. Only Hannah and Amy

stayed in the big office.

“What happened? Did they hurt you?” asked Hannah as she already felt Amy was having a hard time in the office.

“No. It’s just because of the boss. He made me stay at his office for so long that they misunderstood.”

Amy didn’t care about others. She knew herself well.

“No worries. They are just jealous of you. It’s difficult to stay in a place filled with gossip girls. Now

let’s go have dinner and forget about the boss. It’s Andy’s treat.” said Hannah.

“Sounds good. It’s really an awful day. Let’s chill out at night!” Amy agreed.

Since she knew who led to Miller Group’s bankruptcy, everything got easier. She would try to be

stronger as the boss said.

“Hey, Amy, Hannah. Come over here,” said Andy.

“Hey, Andy!” Hannah greeted. Andy looked so charming in the car that he was catching eyes of the girls passing by. Amy and Hannah got in his car.

Then they arrived at a restaurant far away from the city. And they drank a lot. When Amy was staggering to the bathroom, she suddenly felt like vomiting. She was so drunk that she went into male’s room.

Across came a man who grabbed Amy quickly. She was too drunk to identify who he was. She pointed at that man and said, “Don’t move. You make me dizzy...” Before she finished, she started vomiting.

Matt saw that was Amy. He looked around to make sure there was nobody here. Then he lifted her up gently and left.

Chapter36 In danger

Matt carried her to a room without anyone inside, and locked the door. Seeing Amy’s beautiful face, plump breasts and slender legs, he thought all these 3 years went in vain.

All he had focused on was to ruin Miller Group these years. And now it had gone bankrupt as expected. But Gina just kept throwing herself on him, so he had neglected his wife.

What he saw turned him on and he couldn’t help doing something more to Amy.

He bent down and kissed her cheeks, feeling her soft and smooth skin. He got so aroused.

Amy was unconsciously dreaming of her dog licking her face.

“Billie, don’t!” whispered Amy. She thought it was her dog licking her face.

Matt couldn’t stop himself. He continued kissing her body.

This woke Amy up, and she slapped on his face. When she saw the man was Matt, she started screaming.

“Amy, I know you can’t forget me. Now that you’re here for me, I will make you satisfied,” said Matt.

He took off his clothes and was ready to take off Amy's as well.

"Get out, you asshole!" Amy got completely sober, trying to escape.

"Don't lie to me. I know you can't forget me so you are here for me. I can't forget you, either. Just take off your clothes." Matt tore her clothes open. Her beautiful breasts made him even more excited. He started caressing her butt.

But she was too weak to struggle free of him. With her clothes taken off, she was almost naked.

Humiliated, she burst into tears. Why was she so unfortunate?

Seeing Amy stopped resisting, Matt took off his pants.

But the door was suddenly kicked open.

Richard broke in together with Andy and gave a heavy punch on Matt's face. And he covered his jacket

on Amy, going to carry her out of the room.

"Don't touch me. Don't!" Amy was too scared.

"Mr. Carter, let me handle this. I am so sorry for everything," said Andy.

Richard didn't listen to what Andy said. He lifted Amy out of the restaurant though she was trembling.

Richard just wanted to protect this little shaking kitty in his arms.

"Just cry if you want," said Richard worriedly. But she was too frightened to cry in his arms.

No Wonder She's Always In The Top 10 Of These Lists

Robin was scared to ask anything when they were back home. He got her a glass of icy water.

As Richard was about to leave, Robin asked, "Master, are you going to leave tonight? Amy seems not well."

"She's not that weak. She's going to be fine. Find her a doctor. I won't come back for several days."

Richard left with no hesitation.

Robin sighed. What happened to Amy? Did they quarrel? Seems like there's something else... Fine, he

would never know what Richard was thinking. He'd better go look after Amy.

Amy ate nothing. The only thing she wanted to do was to take a shower. She needed to wash away everything completely. Robin was worried about her. He asked a young maid to accompany her, but Amy just ignored her. Robin called Richard, but he didn't answer. Didn't master love Amy anymore? For 4 days, Richard wasn't home. Amy didn't go to work, either. She was quite not herself. Finally in day 5, someone came for Amy. "Yes, that was Amy." Robin said to Cathy. "I heard that she was in a hard time, so I'm here to see if she's ok," said Cathy. She slowly walked to Amy, and sit beside her. Amy noticed someone's here, and she turned around, with the fruit falling from her hand. "Mom?" called Amy. "Yes." Cathy didn't expect Amy to know who she was. After all, it's the first time that they had met each other. How came she knew it? "Mom, is it really you? I've missed you so much." For five days she had been in silence. Now she finally spoke. She cried in Cathy's arms. This beautiful young girl looked so lovely to Cathy. "Baby, don't cry. I am here." Cathy wiped off the tears on Amy's face with a tissue. "Mommy, don't leave me." Amy held her hands so firmly, glaring at her with teary eyes. Cathy's heart melted. \_\_

#### Chapter 37 Her mother-in-law

It was not that easy to soften Cathy's heart. But at Amy's words, Cathy showed empathy abruptly, feeling like Amy was her own kid. Amy cried a long time and she just felt like relieved from all the hatred. Her mind was all cleared up. At this moment, Amy realized that she made a mistake. This beautiful noblewoman was not her mother.

"I am sorry, madam. I was mistaken you as someone else." Amy sat up straight.

Amy slipped out of Cathy's hug and Cathy felt a little hollow in her mind. Cathy had three sons and one daughter. But the only daughter was very boyish and didn't hug Cathy like this before.

Being hugged by a girl like Amy, Cathy felt very comfortable too.

"It doesn't matter. You can treat me like your real mother. I had four children. Isn't it just perfect to be your mother?" Cathy looked at Amy with motherly love.

Amy smiled shyly, but she suddenly realized that this noblewoman must be a relative of the owner of the house. 'Was she my mother-in-law?'

"Yes, Madam, you came here to visit someone, right?" Amy cleaned her face and wiped out all the tears.

"What should I say? I supposed I was here to visit someone. But he was not here. Since he wasn't here and we are so agreeable with each other, we should have a nice and long talk." Cathy held Amy's hand, looking at this skinny girl.

"No problem. I will get you some water." Amy stood up and Robin came with a glass of water.

"Madam, here is your glass of water." Robin put down the glass.

"Amy, why don't you stay and chat with madam? Do you want to have lunch here, madam?" Robin said to these two women, and they were still holding hands.

Madam was very picky but she liked Amy very much, which meant that Amy was actually a very lovely girl.

Even for the master's ex-girlfriend, madam didn't treat her so warmly.

"No, I don't want to have lunch here. I will have a talk with this girl and then leave." Cathy said to Robin.

Then Robin left. Cathy cleared Amy's messy hair up.

"Are you Amy?" Cathy chatted with Amy.

"Yes, Madam, may I know your name?" Amy asked Cathy.

"Well, I am a relative of the owner of the house. I came here to talk to him. But he was not here. Don't

tell him that I have been in here. This is between you and me, OK?”  
Cathy didn't want her son to quarrel with her again so she asked Amy to keep this as a secret.  
“No problem. I will not tell him absolutely,” Amy promised.  
Cathy found that this girl was very fun and they have talked about everything for one hour and more.  
“Look, we are getting along so well with each other. I didn't even realize the time have passed quickly.  
I need to go home now. Amy, tell Robin if you need anything. He will manage to do everything you asked for. Remember, you deserve it. You are the madam in this house,” Cathy said to Amy when she was leaving.  
“OK, got it, Cathy. I am not a guest in this house.” Amy thought that she liked this noblewoman very much. Cathy was beautiful and so kind.  
At the first sight, Amy defined Cathy as a gentle kind woman, but later in the future, she would see how fussy Cathy was.

Angelina Jolie Health Struggles - Talk About A Dramatic Change  
Islamabad Janitor Became A Millionaire Almost Overnight!  
Cathy also warned Robin not to tell Richard that she had come here to visit her daughter-in-law.  
It was weird to visit the daughter-in-law in a secretive way.  
Cathy left and Amy felt much better.  
“Robin, I want something to eat. I am so hungry,” Amy said to Robin.  
Robin heard about that, and he went to get it ready immediately. It was a big surprise. Madam Cathy came and eased Amy's worry.  
Richard sat at the bar, drinking the liquid. In front of him, there were many empty bottles.  
“Richard, what is wrong with you lately? Aren't you busy? Why would you have free time to buy me some drinks?” Kevin was also drinking wine. And while he was drinking, he was waving to the beautiful lady at the bar.  
“If you are not happy with me getting you the drink, you can pay the bill.” Richard ordered another bottle of wine again.

Although the wine was not very strong, Richard had drunk many bottles. “No way. You pay for the bill, Richard. I was wondering whether you have met something that bothered you. You will never come to a bar to have a drink before. And what’s more, you would never let other women touch your clothes before but now you let your secretary wear your favorite shirt.

You have decided to forget Allison?”

Kevin saw Richard’s chilling face. Though Richard was one of the richest men in R city, he was always cool, so no one dared to get along with him. So many people wanted to have sex with him but he declined every time. He would not look at women for a second, except his first lover Allison.

But lately, things had changed. What was happening to him?

“How come you talked so much? You only need to drink the wine and chase after the girls. And then I will pay the bill. Just enjoy it!” Richard realized that Kevin was right but he didn’t admit it.

“Well, as you said so, I will go make some friends now. You stay here and drink the wine then.” Kevin heard what Richard said. He couldn’t wait to leave. Everyone in R city knew that Kevin was a true playboy.

Walking around in the bar, Kevin didn’t meet any suitable woman. He always thought of a girl whose face flushed with anger. Her shiny eyes impressed him deeply. Feeling not so interested, Kevin went back to Richard, sat next to him and drank some wine.

“What happened? You are not interested in the beauties today?”

Richard laughed at Kevin.

Kevin was a playboy but that was actually fake. Everyone saw Kevin messing with many women, but no one would know that he was still a virgin.

“Yes. I seemed to lose interest in all these women. Last time, I met a fun girl in your company but I don’t know her name.” Kevin felt it a pity.

“My company? You saw all the women in my company before. Why would be interested in them

now?” Richard realized that as long as Amy was not mentioned, he felt a lot better.

“Maybe she is a new comer. She is not very beautiful but a little irascible, which impressed me a lot!”

Kevin thought about the fight they had that day, feeling secretly happy. Richard gave Kevin a mean look. Kevin loved all kinds of women and the relationship would only last for a few days. No one would believe that he would fall in love with a girl. \_\_\_\_\_

Chapter 38 The destined perfect lover

Hannah knew that Amy was almost molested by Matt that day. She felt very regretful. Why did she drink so much wine? She didn't take good care of Amy, and because of this, her cousin even took care of Amy, leaving Amy in danger.

Amy didn't come to work for a few days now. Hannah dared not to contact Amy. She was afraid that Amy cannot bear what happened. But without knowing what was going on right now, Hannah felt terrible too. She went to a bar to have a drink and relax herself. Coming into the bar, Hannah wanted to stay at a quiet corner to drink a lot.

With colorful light and loud music, the bar was full of people, singing and dancing.

Hannah walked through the dancing pool to the most remote place. She thought that no one would even notice her, but actually someone saw her.

Kevin rubbed his eyes hard. He just talked about a girl, and then the girl showed up immediately. What a coincidence! Was this meant to happen?

Making sure that was the girl he wanted to meet most, Kevin said to Richard, “Why am I so lucky today? You stay here and enjoy it. I will go meet a girl.”

Kevin didn't even look at Richard and walked towards Hannah.

Hannah sat in a booth. There were less people there, except some young couples. Other people just preferred staying around the dancing pool.

The bartender was very clever, seeing Hannah came and following her. Hannah ordered a bottle of wine and some snacks. She sat, facing the dancing pool, and was able to see the people dancing wildly to the music. Drinking two more glasses of wine, Hannah felt better. Wine was a good thing. And then she ordered another bottle. She drank happily by herself.

“Why do I get drunk that day? I can drink a lot. But why didn’t I protect Amy that day? Matt, you are a bastard. You left Amy and insulted Amy. You should go to hell!” Drinking a bottle of wine, Hannah became very talkative.

Sitting back to back with her, Kevin laughed to himself. This girl was drinking and murmuring something by herself. No one knew what she was muttering about. Feeling it was time to meet, Kevin sat opposite Hannah. But Hannah focused on herself and didn’t notice the man sitting opposite her.

“Matt, I wish you will be unhappy for your whole life, you were able to have sex at night, and Gina would cheat on you definitely.” Hannah cursed.

“You hated Matt so much.” Kevin talked to Hannah jokingly.

“I hated him very much. He dared to insult my friend when I was not there. If I were there, I would have definitely cut his penis.” Hannah even made a scissor gesture. Kevin felt painful in his crotch. This girl was very heartless and cruel and she wanted to cut down the penis.

“Are you drunk?” Kevin thought that Hannah wasn’t even talking clearly. He saw there were two empty bottles on the table.

“No. I will not get drunk. I can drink a lot! Bartender! Give me another bottle.” Hannah waved her hands, asking the bartender for another bottle.

The bartender came, but Kevin asked him to leave. He knew that Hannah was drunk.

He gave Hannah a glass of soda water. Hannah poured it into her own glass and drank it all.

“Oh, this wine tasted weird. Why was it different from before?” Hannah looked at her glass, with her eyes fuzzy.

Looking at the glass for a long time, she didn't know what was wrong with the bottle.

“I am leaving now. This place sucks. Even the wine has gone bad. No wonder Matt has changed his mind too. He's a jerk. A jerk!” Hannah stood up unsteadily, looking for her car key.

“Are you leaving?” Kevin held on to Hannah and asked.

“Yes, the wine here tastes bad. I need to find another bar. Where is my car key?” Hannah looked everywhere but couldn't find the key.

“I got your car key. I will give you a ride. Where do you live?” Kevin took out his own keys and handed it to Hannah.

Hannah took over the car key but ignored Kevin. She was about to go through the dancing pool alone and left.

Kevin didn't stop her but followed her silently.

She was muttering about Matt all the time. Did Matt do something bad to upset her?

Knowing that Matt upset Hannah, Kevin wanted to get back on Matt for her.

Hannah was collided at the doorway. She fell to the ground. Kevin helped her stood up and walked out of the bar with Hannah on his back.

Matt was at his office, looking at the scar on his face in front of the mirror. It was so unlucky. ‘Amy brought too much misfortune to me.’ When they were still in a relationship, he was actually very lucky.

Amy must be his destined perfect lover. Leaving her behind made Matt very unlucky.

He applied some medicine on the wound. He thought Gina still waited for him to accompany her in the hospital. It annoyed him a little.

Back then, Gina seduced him by having sex with him. Being in a relationship with her, Matt had been unlucky.

If it was not for the baby, Matt would have broken up with her.

“Mr. Wilson, here you are.” The secretary went in and gave Matt a parcel.

Matt thought it would be some materials or files so he tore it apart.

Taking some paper out, he saw a testing result from hospital.

Matt looked at it carefully. The words on top of it stung his eyes and his heart.

Matt put the testing on his pocket, and drove to the hospital angrily.

Gina was lying in the hospital. She realized that she was very clever. By using a plot, she made Matt

hate Amy even more, and also she was able to get rid of the baby.

‘Amy, you had a better life than me all the time, but you were not as clever as me. I would take

everything from you, including your man and your wealth.’

Gina was very proud of herself. She believed that Amy must have made a deal with an old man for her

body. Stephen had been sent abroad for a surgery which cost a large amount of money. Amy was not

able to afford it now.

Gina was fantasizing when the door of the ward was kicked open. Then Matt came in furiously.\_\_\_\_

Chapter 39 Getting fired

While Matt was walking in, Gina welcomed him with a grin.

“Matt, where have you been? You didn’t come to see me. I’ve missed you so much,” Gina said as she

pressed her plump breasts on his chest.

Matt used to like it very much. But out of the blue, he slapped Gina on her face.

“You bitch. How dare you lie to me?” Matt said to Gina cruelly.

Gina was confused by the slap. She didn’t know what she did wrong in front of Matt, the man who

loved her deeply.

“Matt, why do you slap me? When did I lie to you?” Gina said with a sad face.

Gina was crying, heart-broken. The previous Matt would care about her, but now, it was totally different.

“Look!” Matt took out the testing result from the bag, and threw it on the ground beside Gina.

Gina picked up the testing result and had a look at it. She was confused because what she did was very secretive. Why would someone take a paternity test?

“Matt, listen to me. It was not what you think.” Gina held Matt’s leg. At this moment, she saw the wound on Matt’s face.

“Matt, did you get hurt? Who hurt you?” Gina asked anxiously.

“Gina, we have been together for two years, and you didn’t get pregnant. Why would you be pregnant and marry me suddenly? But actually I am not the baby’s father. The similarity rate of the paternity test is zero. Zero! How shameless!” Matt threw her off.

As a man, he could be a playboy. But if his wife cheated on him, he turned out to explode.

“Matt, this must be a trap. Listen to me. How can we take a paternity test with an unborn baby? Also I believed that no one has taken your hair or something else from you to take the test. It must be that bitch Amy. She set me up.” Gina panicked. She relied deeply on Matt right now. Without Matt, she was nobody.

“Fine. Since you said that it was all set up, we will take the paternity test again. If the result is the same, then you will pay for this.” Matt said furiously.

Gina was certain that she got rid of the baby, so she nodded.

“No problem. If you are not the biological father of the baby, I will kill myself!” Gina continued to hold Matt’s leg.

Matt went to the hospital and the doctors said that the baby was kept safely. Matt asked the doctors to take another paternity test for him.

Now Gina panicked because Matt was not the biological father of the baby. Back then, she had sex

with others and then she regretted. Hearing Amy would marry Matt, she had no choice but to sleep with others.

“Matt, I can explain this, please.” Gina wouldn’t dare to take a paternity test again.

“You dared not to take the test, Gina. I was wondering why I’ve been so unlucky lately, and you are the reason. You made me break up with Amy and be with you, and even you brought me bad luck.

Seems I have a terrible taste for women.” Matt finished talking, pushed Gina away, and then left.

Gina fell to the ground and she didn’t know why someone took the paternity test with his own child.

In the end, she still believed that Amy did this. ‘She didn’t want me to have a better life, and she was jealous so she set up the whole thing.’

“Amy, I will get back on you.” Gina was so angry, biting her lips.

After talking to Cathy, Amy felt much better and went to work. She didn’t want her colleagues to look down on her.

Angelina Jolie Health Struggles - Talk About A Dramatic Change

In a casual look, Amy was in a good mood today.

She wore a white T-shirt and a blue jean, with the long hair tied up into a ponytail. She looked like a high school student.

When she walked into the office, it was still early, and many colleagues even didn’t arrive.

She cleaned the office, and her colleagues gradually came.

“Amy, come to my office.” Jones looked at Amy, and asked Amy to go to her office.

Amy took out the rubbish and then went to Mrs. Jones’s office.

“Amy, do the math yourself. You have worked in the company for only two months, but you asked for a one-month leave. It never happens before. I don’t think you are qualified for the job. Why don’t you just resign?” Mrs. Jones looked at Amy. She believed that Amy had no merits except her beautiful look. She even suspected how she got the job offer before.

“But, Mrs. Jones, I...” Amy wanted to say something but Mrs. Jones interrupted her.

“The most important thing for a girl is to have some self-respect. You should not be too complacent about being pretty.”

Amy knew that Mrs. Jones still wanted her to resign. That was fine. She thought it to work in this company anyway because of the pervert Richard.

“Fine. I will write a resignation letter.” Amy stopped talking and left. After she finished it, she handed it to Mrs. Jones and was ready to leave with her stuff.

Her colleagues were very happy when they saw Amy leaving. They all came here for Richard. But only Amy managed to get in touch with the president. They all considered her as a shameless slut.

At the front door, Amy called Hannah.

“Hannah, I have resigned. You should stay and work hard in the company. I am leaving now.”

“Amy, where are you? Come to me now. I am not working today because I had a great trouble. Come stay with me,” Hannah said, feeling depressed.

Hearing this, Amy got on the bus and went straight to Hannah, still holding all her stuff.

Hannah’s mother opened the door, and she was relieved once seeing Amy.

“Amy, finally you are here. Hannah’s been in her room since she came home yesterday.” Mrs. Adams took the paper box from Amy.

“No problem, Mrs. Adams. I will check it out what happened to her.”

Amy went to Hannah’s bedroom quickly.

With a knock at the door, Amy was dragged into the room.

Hannah hugged Amy and cried out loud. When they were little girls, Hannah seldom cried in front of

Amy. But now she burst into tears. Amy was quite confused. \_\_\_\_\_

Chapter 40 Unrequited love

“Honey, what’s going on? Why are you crying? Tell me.” Amy embraced Hannah.

“Amy, what should I do? What should I do? I met a bastard.” Hannah was sobbing, tears falling down on Amy’s neck.

“What? Who’s the bastard? But...” Amy wanted to say that Hannah could deal with all kinds of bad guys.

At the sight of Amy, Hannah felt much better. Amy sat beside her, wiping out her tears.

“Didn’t you meet Matt that day? And later seeing that you didn’t come to work for a long time, I felt so ashamed so I went for a drink. But I got drunk, and then a masher came, he...” Hannah cried again.

Amy didn’t know what happened next because Hannah cried out loud before she could finish. Amy was a bit worried.

“Alright now, what happened next? What did the masher do to you?” Amy asked anxiously.

“Nothing serious. I slept in his house. Then when I woke up in the morning, he was sleeping beside me, so I slapped him.” Hannah was afraid, for she believed that the man was rich and perhaps would get back on her.

Amy was speechless. Her intimate friend never got hurt by anyone. But it turned out to be just fine.

That man did get hurt. But why was Hannah crying so sadly?

“So you slapped him, but why are you crying? You frightened your parents.” Amy was relieved.

“You have no idea. That man’s house was huge and luxurious and I even got lost after I had slapped him and tried to run away. I am afraid that he will get back on me and my family,” Hannah said.

Amy couldn’t help with this either. In R City, rich and powerful people were actually very scary. She was an ordinary person, so she couldn’t help with this.

So, they had no idea what to do next, and sat on the bed blankly and silently.

“Kevin, what’s up with your face? It looks like a handprint.” Richard saw that there was a red mark on Kevin’s white face.

Kevin took up his cup in a sad look. He sat on the sofa, crossing his legs, and didn't know what to say.

Richard put down the pen and studied Kevin's gloomy face carefully.

"Let me guess. That day you drove that woman back home, and then you got slapped by her?" Richard

was almost right about the whole story but still Richard thought highly of that woman. In R City, no

one dared to slap Kevin, but surprisingly, she had the gut to do so.

"Yes, Richard. Let me tell you. I kindly drove her home, and took care of her all night. In the morning,

she slapped me without asking and then ran away." Kevin touched his face, feeling upset.

What upset him was - he was too ashamed to ask Richard where this woman was after she ran away.

"You deserved it. You have a terrible impression in R City. A decent woman will definitely avoid seeing you." Hearing this, Richard was clear.

Kevin looked at Richard pitifully. They were childhood buddies. Didn't Richard really have to be so honest to him?

"Richard, do me a favor." Kevin asked after he thought for a while.

"What?" Richard continued his work.

"Show me the profiles of all the female staff in HD Group." Kevin smiled and looked at Richard hopefully.

Angelina Jolie Health Struggles - Talk About A Dramatic Change  
Islamabad Janitor Became A Millionaire Almost Overnight!

"Are you sure that she works at HD Group? Now you even dare to covert the women in my company?"

Richard knew Kevin well, and knew that Kevin's passion for women would not last over three months.

"Yes, I am pretty sure. Because when I met her at the first time in the lobby of HD Group, she was holding a cup of coffee." Kevin said urgently.

"Just forget about her. She is one of my employees, and your passion for her would not last for long. If you break her heart, she will be so sad." Richard refused Kevin's request, because Richard had a very bad impression on him.

“But she slapped me. Why couldn’t I get back on her?” Kevin saw that Richard didn’t want to help, so he decided to make another excuse, because he himself couldn’t know how long he would be interested in her.

“No way. She is one of my employees, so you can’t get back on her. Since she slapped you, I will buy you a drink tonight.” Richard refused to help again.

In this way, Kevin had no other choices, so he went back to stay on the sofa.

Richard was known for his helpfulness to anyone who he cared about. But to Kevin’s surprise, Richard even cared about his employees.

Kevin sat on the sofa, scratching his face and pondering silently. How did he truly feel about this girl?

Why would he think of her all the time when he didn’t meet her?

He was twenty-eight now, and it was the first time that he had missed a woman, even in his dream.

“Richard, I think you are right. My feelings for her will not last long. Just forget what I said before. It’s just a woman and I don’t need to get back on her too. We will have that drink tonight, and I will leave now. Shall we invite those two guys too?” Kevin realized that he didn’t like that woman very much.

“If we invite those two guys, then you pay the bill.” Richard asked Kevin.

“No way. We had better not invite them,” Kevin said immediately. He needed to go to sleep right now

because he didn’t have a good rest last night when he had to take care of that woman.

“Is it Secretary Department? Ask Amy to come upstairs.” Richard missed Amy suddenly, realizing that she didn’t come home for a few days. And also there was a file for her to translate.

“Mr. Carter, A...Amy has resigned,” Mrs. Jones stammered.

“What? What do you mean? Does the HR know about this?” Richard was very angry.

“She has just resigned not too long ago. I haven’t reported to the HR yet.” Mrs. Jones didn’t know that the president would ask for Amy directly.

“Has she resigned out of her own free will?” Richard became angrier.

The HR would definitely not

allow Amy to resign, which was very clear on the contract.

“Yes, she resigned by herself.” Mrs. Jones thought that since Amy had

resigned, it was fine for her to

take the blame.

“Go to the finance department and collect your salary. You are fired!”

Hearing Mrs. Jones’s nonsense,

Richard fired her directly.

Richard called Robin but Robin said the Amy didn’t come back home.

Richard hung up the phone and wondered where she was. As he was not

around, was she totally free?

‘Fine. She must feel upset after being fired. Maybe she went to visit her

best friend. Should I give her

some gifts to cheer her up?’ \_\_\_\_\_

Chapter 41 A quarrel at mall

“Amy, I am so scared. Would you please go shopping with me? Then we

get something to eat and I will

definitely not drink anymore. I promise. Drinking is troublesome.”

Hannah couldn’t stand it anymore,

so she wanted to chill out with Amy.

“No problem. I feel suffocated too. Let’s go.” Amy agreed right away.

Lately, she had been very

unlucky, so she really needed relax, too.

“Ok. So let’s go shopping first, then enjoy something delicious, and go to

the karaoke at night. What

do you think?” Hannah made a plan.

“You bet!” They agreed.

“Mom, I am going out with Amy, and I will not have dinner at home

tonight.” Hannah said to Mrs.

Adams as they packed themselves and was ready to go.

At the sight of Hannah’s happy face with Amy’s presence, Mrs. Adams

felt delighted.

“Well, enjoy you time, girls.” Mrs. Adams consented quickly.

So they went out hand in hand quickly. They arrived at the mall and

started shopping excitedly.

“Hey, girls, come have a look at our new arrivals. They just look natural and will be long-lasting on the face all day.” A booth assistant greeted them when they walked over to a booth.

“That’s right! Let’s go wear some makeup. Makeup makes us happy.”

Hannah walked into the store with Amy.

Amy didn’t even know what happened, and then she was seated at the dressing table.

The booth assistant cleaned Amy’s skin so quickly that Amy couldn’t refuse.

After one hour, they finished makeup. They looked at each other excitedly. They looked totally different!

“Wow, Amy, you are so beautiful.” Hannah said with surprise.

“Hannah, you are very pretty, too, so pretty that I don’t even know how to describe. If I were a man, I

would be so into you,” Amy complimented.

They held hands and praised each other. Hannah finally bought a set of cosmetics.

They then got to the womenswear area.

All the clothes here were expensive. Amy saw the high prices and recalled she didn’t have much

money, except the bank card Robin gave her.

“Amy, look at this dress. I think you will look good with it.” Hannah had already chosen a dress for

herself, so she was now picking one for Amy.

Amy looked at the price tag secretly, shaking her head, “One hundred thousand! It’s so expensive.

Let’s have another look.” Amy whispered to Hannah.

“Go try it on. Anyway, I am ready to shop today. Your birthday is coming, so let’s consider it as your

birthday gift.” Hannah insisted.

Amy couldn’t refuse Hannah so she had to try it, but she decided that she would not accept this dress

by saying its shortcomings. Then they would go to the Women’s Wear Area downstairs and she was

able to afford those dresses.

After putting on the dress, Amy walked out and saw Hannah's wide eyes. "How does it look? Not good? I know! I am gonna put it off." Amy misunderstood. As she thought it didn't look good, she didn't need to pick on its shortcomings herself.

It Must Have Been A Kind Of Hell For A Little Chrissy Metz

"I will take this dress." Hannah said to the shop assistant immediately.

"Hannah, it feels uncomfortable, and I don't like it." Amy didn't want such an expensive dress. Back

then, when her family was still rich, she could afford this dress. But now her father needed much

money for medical treatments, and she lost her job too, so she couldn't afford this.

"But I like it, and I can tell you look so gorgeous in this dress, so let me make the decision." Hannah

decided to buy this dress for Amy.

"You are now totally different after sleeping with a rich man, Amy. Now you are rich enough to buy

such an expensive dress?" a voice sounded behind.

Amy didn't even look back, and Hannah rushed to her, "Gina, let me tell you. You are a shameless

woman, and you should stop bullying Amy."

"Hannah, what are you talking about? When did I bully her and why am I shameless? You should mind

your words." Gina also stood in front of Hannah, and they were blaming each other.

"You seduced Matt, so you are very, very shameless!" Hannah held her hands on the waist and said to

Gina directly.

"Alright, Hannah, this dress..."

"The bill please!" Hannah interrupted Amy, and Amy didn't know how beautiful she looked in the

dress, nearly like a fairy.

Although the dress was indeed expensive, its simple design highlighted her beauty.

Amy was tall, and she was the perfect fit for the dress. With a slender waist and legs, Amy looked

prettier than a model.

Gina looked at Amy, jealous.

“You defined me as a shameless woman. Look at Amy. She must have a sugar daddy. Her family was broke, but she could afford this expensive dress now. Can I say she’s just a whore?” Gina pouted.

Back then, Amy was the richest among them. Gina’s and Hannah’s family was just above average.

Now Amy’s company went bankrupt, so Gina felt a little superior, but she was defeated by Amy’s confidence.

“Why do you care? We didn’t steal or rob anything. Let’s go, Amy, and don’t talk to her anymore.”

Hannah was about to leave with Amy.

“Amy, wait! I have something to tell you. Please wait.” At this moment, Matt turned up and came over to Amy.

Seeing this, Gina felt unhappy, so she stopped him.

“Matt, didn’t you ask me out, not her? Let’s have a talk upstairs.”

“Let go! You go first, and I will talk to you later.” Matt was not happy with Gina.

Gina stared at Amy sharply, and then looked at Matt full of love. But seeing the angry Matt, she dared not to say anything, so she went to a restaurant upstairs.

“Amy, listen to me. It was a misunderstanding that day, a total misunderstanding,” Matt said to Amy.

Chapter 42 Lucky to meet him

“Amy, listen to me. That day, I was drunk, and I missed you so much, so I almost did something terrible to you. Please forgive me.” Matt held Amy’s hands tightly.

He was very close to Amy, smelling the sweet scent from her, which was much sweeter than Gina’s strong perfume. He had such a bad taste on women that he fell in love with Gina back then.

“Let go of me! Matt, we had no relations now, so please leave me alone.” Amy wanted to escape from him, but Matt held her hands too tightly for Amy to escape.

“Matt, let go of Amy. She used to love you so, but you hurt her. Now you know you are wrong, but it is

too late. Let go or I will beat you!" Hannah saw that the jerk Matt keep holding Amy, so she went to help, but even the two of them were not as strong as Matt. "Mr. Wilson, what are you doing here? Your girlfriend went upstairs already, and you are here flirting with another woman. You had better behave yourself in public." Someone said in a cold but magnetic voice, which shocked Matt. So he loosened his hands and let go of Amy and Hannah.

"Kevin? Do you have nothing serious to do?" Matt looked at Kevin with disdain, considering Kevin as a jobless playboy, so he thought Kevin had no right to judge him. "Yes, but why do I think that you also do nothing all day? Matt, you are a man, so please show some respect to these two ladies." Kevin walked towards them. Kevin wanted to buy a present for his mother, and then he had an appointment with Richard. Richard said that he would pay the bill for the drinks. However, he heard Hannah talking, and turned around to see that Matt held her and the female secretary of Richard. He felt happy because he met her so easily, and he walked towards them, trying to save her. But when Hannah saw him, she ran away quickly.

"This is my wife, and this is her best friend. Do you have any problems about me talking to them?" Matt weren't afraid of Kevin. "Don't listen to him. They have got divorced now." Hannah was going to run away with Amy but hearing Matt lying, she couldn't help to come back and explain. But when she came back, she was held by Kevin. Seeing this woman running again, Kevin felt anxious, but this woman came back to explain for her girlfriend, so Kevin would not allow her to run away. "Amy, please forgive me. I used to have poor taste on women so I gave you up and fell in love with others. I want to marry you again, and I will cherish you this time." Watching Amy became so beautiful

now, Matt couldn't wait to woo genuinely. They had been in a three-year long relationship, but they didn't have sex. Even on his wedding day, he listened to Gina, sending Amy to have sex with other man. "No, Matt. It was me that had poor taste, and really, you made me understand and I thanked you for this. However, I hoped you can leave me alone from now on." Amy wanted to leave with Hannah, but Hannah was stopped by Kevin. "Let go! Let go of me!" Hannah wanted to kick Kevin on his crotch. Kevin stopped her in time and they ended up hugging each other ambiguously. Seeing that Kevin was hugging Hannah, Matt walked away by holding Amy together.

"Matt, I hope you just leave me alone, or I will hate you for this." Amy actually hated Matt very much now, so she would never get back together with him. "Amy, please don't be mad at me. Let's have a nice talk calmly." Matt loosened her when they were alone.

"Amy, you are the one that I love, and I was cheated by Gina. Honestly, I regret now. Amy, I don't want to leave you, so let's get married again." Matt almost wanted to kneel down before Amy.

"Matt, I have waited for a long time, but you are here pleasing her. Who do you think I am?" Gina waited so long and didn't see Matt coming upstairs, so she went downstairs to find him.

Gina looked at Amy in delicate makeup, feeling so jealous of the slender Amy.

The day when Amy got married, she bribed the wedding dresser to put terrible makeup on Amy, so that Matt would feel disgusted with Amy.

But today, Amy wore beautiful makeup, so beautiful that everyone would love her.

"Amy, didn't you sleep with the old man? Why would you seduce my husband?" Gina walked towards

Amy, and she tried to slap Amy.

But she was stopped by Matt.

“Gina, who is your husband? Look, Amy is my wife and we are talking here, so you have no right to cut in. Piss off now.” Matt pushed Gina away hard, and then she fell on the ground.

“Gina, look at him. This is the man that you tried your best to seduce and I really should thank you for this. If it isn’t because of you, now I am the one that fell on the ground.”

Amy was interested seeing them quarreling.

And all of this made Gina very awkward and embarrassed.

“Amy, you misunderstood me, and I will never do this to you. I love you most and I will treat you nicely. Really, Amy, please say yes to me. No matter who you slept with, I don’t mind this. Let’s get back together.” Matt was begging Amy.

“Amy, what are you doing here? I think you should be working at the company right now.” A tall man

came in front of Amy, and his strong attitude scared Matt.

Everyone saw the man with astonishment.

Matt wanted to run away, because he was hit by this man a few days ago, still terrified.

“Mr. Wilson, lucky to meet you again!” Richard felt nothing at all to say this to Matt, but Amy felt weird and it seemed that she ran into Richard all the time.

‘But he shows up almost whenever I am in danger.’

“Mr. Carter, I still have something to deal with, so I am leaving now. I will ask Amy out next time when

I am free. Get up and we are leaving now.” Matt helped Gina stand up, and they left hurriedly.

Chapter 43 Get the Job Back

Richard had no interest in Matt, but he was really into the beautiful Amy.

‘This little girl was actually very good-looking, but why were she pouting? She must be bullied by Matt.’

“Mr. Carter, I think you forget something. I am not employed by HD Group now. I’ve been fired. You

can take your time to shop. I am leaving now.” Amy was thinking of her friend Hannah, and Hannah was still in a stalemate with Kevin. She was worried that Hannah would be hurt.

Amy didn't want to see Richard because he talked in a very harsh way and Amy felt hurt by it, although he showed up every time to save her from danger, like a superhero.

“Wait a minute, who fired you? I am the boss of HD Group, so without my consent, no one dared to fire anyone. Take it easy. I am in charge of HD Group, and I will fire the one who fired you. Remember to show up at work tomorrow, and you can relax today.” Richard seemed trying to be nice.

“I can get back to work tomorrow?” Amy heard that she could get back to work, and she became nice to Richard. In the R City, HD Group had the best salary and employee welfare. She would get a divorce after two years, so she needed to make a living herself, and HD Group was the best choice for her.

“If you won't come tomorrow, you will be recorded as absence. Make your own decision now.”

Richard looked at Amy's smooth hair, and he wanted to touch it. It had been a few days since he went home last time, so he or his body, wanted to have sex with her now. But he thought that he should control himself, because he had restrained himself for twenty-eight years now, but he was almost out of control today.

“Sure, Mr. Carter. I will definitely come to work on time tomorrow.” Amy was in a good mood now.

After saying this, she went to find Hannah at once, and forgot that she still worn the new dress which she didn't pay for.

“Wait!” The shop assistant saw this, and followed Amy.

“What's the matter?” Richard asked the shop assistant.

“Mr. Carter, that lady didn't pay for the dress.” The shop assistant nodded to Richard.

“It doesn’t matter. I will pay the bill then and if she comes here to buy clothes in the future, show her the latest dresses and I will pay all the bills. But, don’t let her know that it is me who pays. You guys figure a way out to keep it as a secret.” Richard said and left.

The shop assistant was very surprised, and was wondering that the lady was not that beautiful, but why would Mr. Carter be fond of her? ‘That lady was so lucky, and I had to gossip with others about this.’

So she went back into the store happily, and gossiped with her colleagues.

“You! I took care of you a whole night out of kindness, but you slapped me without reasons, and I meet you now, so you can’t run away from me.” Kevin hugged Hannah tightly.

Hannah couldn’t loosen herself, so she pretended to be a pitiful girl.

“It’s my fault and I will apologize for this. I slapped you before so do you want to slap me in return?

Slap me then!” Hannah moved her face next to his, eyes closed.

‘Slap me, and then leave me and my family alone.’ Hannah thought.

Kevin was angry with her and wanted to laugh. ‘Do I look like a bad person? And even let me slap you back!’

But Kevin reached out to Hannah’s face, and when he touched her fair skin, he couldn’t help caressing it.

Hannah felt surprised when Kevin caressed her face with his big warm hand, so she opened her eyes to check.

“What are you doing?” Hannah was alert.

“I am slapping you!” Kevin said, and he felt that Hannah’s skin was soft.

He wondered what makeup

she had been wearing, and what perfume she was wearing, too. It smelt good, and maybe he could ask

her about the brand so that he could recommend it to his mom.

Kevin withdrew his hand reluctantly in the end.

Once he stopped touching her, Hannah kept a distance from him immediately, "Alright, you just slapped me back and we are even. You should leave me alone from now on." Hannah was about to leave since she was worried about Amy leaving with that jerk Matt. "I want to ask you something. What perfume are you wearing?" Kevin followed her and asked.

Hannah stopped and turned around, "I never wear perfume!" Amy met Hannah on the passage, and they hugged each other tightly as if reuniting after a long separation.

"What happened? Did he hurt you?"

"What happened? Did he hurt you?"

They asked the same questions and looked at each other with concerns. "No, I am fine." They couldn't explain in details so they answered briefly. Seeing that nothing happened, Amy and Hannah wanted to grab something to eat to calm themselves down.

"Richard, I think that they are very fun." Not far away, Richard and Kevin looked at the two ladies jealously. They were really good friends and cared about each other very much.

"Didn't you want me to buy you a drink? Let's go." Richard felt better because he ordered Amy to go back to work. In this way, he believed his life would become cheerful and bright again.

Amy brought all her stuff back to HD Group the next day, and she came very early because she didn't want to draw any attention from her colleagues.

After organizing all the things neatly, she began to clean the office. Feeling happy about going back to HD Group, she couldn't help singing a song while sweeping and cleaning.

At this moment, some colleagues were coming one by one and they felt surprised to see Amy here.

Who was supporting Amy behind her back? Mrs. Jones, who had been working in the company for ten years, was fired because of Amy. How astonishing! So they realized they should treat her nicely now.

However, someone just ignored this and wanted to bully Amy. She was Zoe, whose family was rich in R City, so she always looked down upon others, including Amy.

“Look! How hard she is working! Sweeping? Stop putting on a show. It’s disgusting.” Zoe walked towards Amy, and said evilly. She put her handbag on her desk, and looked at Amy with her arms crossed.

Amy continued sweeping, and she didn’t answer Zoe. To be honest, she didn’t know what to say, so she thought she might as well ignore Zoe.

But Zoe wouldn’t let her go easily, and she was pissed off seeing Amy didn’t reply. So she walked towards Amy and left many dirty footprints on the clean floor on purpose. \_\_\_\_\_

Chapter 44 Not my fault

Seeing the dirty footprints on the clean floor, Amy took a deep breath and chose to ignore Zoe. And she went back and cleaned the dirty floor again.

“Well done! You are really good at playing nice. But I believe that some day, you will expose your true face. I warn you. Don’t ever try to seduce Mr. Carter. He has a girlfriend.” Zoe saw Amy being silent, so she felt bored and gave up bullying Amy.

After Amy cleaned the floor, almost all colleagues arrived in the office. So Amy went back to her seat and began working.

Since Mrs. Jones was fired, there was no officially nominated director in the Secretary Department yet.

Zoe was more experienced so she acted as a director temporarily.

Zoe sorted out the work and knew what work was tricky and hard to finish. She was going to arrange all these difficult work to Amy.

‘Humph, she is an excellent graduate, right? Since she is so good, she must be the best employee here.

Of course she should take over the work that others can’t do.’

“Amy, this is the work for you today. Finish it before you get off work.”

Zoe was holding a pile of files and put them on Amy’s table.

Amy skimmed through all the files, and thought that it was impossible she could finish it today.

“Zoe, I can’t finish it before getting off work.” Amy said to Zoe honestly. “If so, just go to the Human Resource Department and tell them that you aren’t qualified for the job and you want to resign.” Zoe was very arrogant.

However, Amy was not a coward. If someone treated her nicely, she would be friendly in return, but if someone picked on her deliberately, she would just fight back.

“Zoe, you are wrong about this. Even you, an experienced secretary, won’t be able to finish all the work within one day, let alone a new comer like me. You are picking on me purposely, so I will not accept these work.” Amy pushed all the files away.

“Everyone, listen to her! I am in charge now and I just gave Amy some work. But she not only refused the work, but also spoke ill of me. That’s absurd and I won’t allow this to happen!” Zoe was shocked that Amy had the courage to refuse her in public.

Zoe was very angry, yet other colleagues in this department was praising Amy secretly.

Zoe always bullied others in the department since she was more experienced, and sometimes even

Mrs. Jones had to follow her instructions. But today, Amy dared to contradict her, which cheered everyone up!

“It’s not my fault and you went too far. It is very obvious that no one can finish the work in one day, yet you still ordered me to do so. I just told you the truth in advance. To be precise, it takes at least three days to finish the work.” Amy said to Zoe.

“Very well, then I will report this to the Human Resource Department. You are so bold and rude as a new comer. Maybe you should be the acting director, not me!” Zoe turned around and left angrily.

It seemed that Zoe was really heading to the Human Resource Department. A nice colleague came to Amy, trying to comfort her.

“Amy, Zoe is a senior employee here, and it is said that she is also a relative of Mr. Carter’s girlfriend. I guess in this case, you have to leave now.” Amy felt so unlucky today. On her first day of returning to work, something bad happened to her. She already tried her best to avoid trouble. But it was impossible for her to finish this work in one day. She had to tell the truth.

No Wonder She’s Always In The Top 10 Of These Lists

While Amy was upset, Zoe came back with excitement.

“Amy, Mr. Carter asked you to meet him upstairs.” Zoe believed that she could easily get Amy fired because of her connection with Allison.

‘Oh, shit! I just got my job back yesterday, and today I was caught in trouble again. How unlucky I am!’

All the colleagues in the office looked at Amy sympathetically, thinking that she was so poor, and she would be fired even though she was nice to clean the floor in the morning.

Amy held her head high, pretending to be calm and brave even if she was worried to get fired.

It was very quiet on the 30th floor, and the door of Mr. Carter’s office was half-closed. She knocked, and no one answered, so she opened the door carefully and tried to peek inside.

“Can’t you just come in?”

Just when Amy was about to leave since she found that there was no one inside, she heard Richard’s voice from behind her back, which startled her so much that she hit the door on her head.

“You almost scared me to death! Can’t you speak properly?” Amy covered her head and almost cried in pain.

“What are you saying?” Richard looked at Amy confusedly. She seemed to be really in pain and her eyes turned red immediately. But he thought she actually looked quite cute in this way.

“Mr. Carter, I mean I am so happy to see you. Please allow me to open the door for you.” Amy

suddenly realized that she was here to get fired, so she endured all the pain and opened the door for Richard.

Once Richard came in, he pulled Amy inside and closed the door considerately.

“Mr. Carter, please listen to me. I can explain what happened in the morning, and it was not my fault.

Please let me explain.” Amy thought that Richard was mad at her and wanted to scold her.

“Sit down here, and wait a minute.” Richard left after he ordered Amy to sit on the sofa.

Amy was rubbing her forehead in pain. Her forehead seemed to swell slightly since she could feel a bump there.

Soon, Richard came back with the ointment in his hand. He walked towards Amy and took a closer look at her. There was indeed a red bump on the center of her forehead. However, it looked so funny that Richard couldn't help laughing.

He applied some ointment on her forehead, and she felt cold and relieved there.

“Mr. Carter, this ointment is very useful! I don't feel the pain anymore.” Amy praised Richard.

“Very well. Now let's talk about what happened in the morning!”

Richard said seriously. \_\_

Chapter 45 Work with me then

After applying the ointment, Richard became very serious. Now he needed to talk about what happened in the morning with Amy.

“So, tell me. What exactly happened in the morning? Why did Zoe say that you didn't respect her and even refused her arrangement?” Richard was sitting close to Amy, which made Amy feel a little anxious.

“Well, in the morning...” Amy told Richard everything in detail. After all, she already told the truth. If Richard didn't believe her, there was no point in arguing.

“Even though you have a problem with her arrangement, you can talk to her politely. You don’t have to scold her.” Richard said.

“Mr. Carter, I swear to God. I didn’t scold her at all, and I am a nice and polite lady. When have I ever scolded anyone?” Amy raised her voice, feeling wronged.

“Fine, I will look into this. But I’m worried about you since you always get yourself in trouble. Now, pack all your stuff and work here then. It is very spacious here.” Richard frowned.

What? Working under his watch! Amy heard this and thought she was going to die.

“No, don’t bother, Mr. Carter. I didn’t make a mistake. I came to the company very early. I even cleaned the office. I had no idea why this happened, and I didn’t say anything impolite to Zoe. I don’t even know why Zoe picked on me.”

Amy was trying her best to stay from working near Richard, because it was a lot better working downstairs. Although there were some unfriendly people downstairs, it was merrier to be working around many colleagues. If she worked near Richard and faced his stern face every day, she would be living in the hell.

“Look at you now. I just made a proposal and you retorted with so many words now. You just refused Zoe’s arrangement and you still want to go back there? No way, you must come here, and I will be in charge of your work personally.” Richard didn’t give Amy the choice to refuse.

Now Amy thought she was doomed. Working upstairs near Mr. Carter, she would be very painful and suffering Richard’s harsh words every minute.

“Now you may leave. You still have much work to do. Don’t be lazy,” Richard said quite calmly.

Now Amy had no choice. She had to go downstairs to get her stuff. Once Amy walked into the Secretary Department, she heard Zoe talking happily, asserting that Mr. Carter would take her side and Amy was fired.

Seeing Amy walking in, everyone suddenly became quiet. No one was talking and all turned to Amy curiously.

While Amy didn't say anything. She just walked to her seat and began to pack.

"Humph, look at yourself. I told you not to step in my way. But you won't listen. You just got your job back and now you got fired. How are you feeling now?" Zoe walked towards Amy and said very complacently.

While Amy focused on packing unhappily, without answering Zoe. "Next time, learn to be smart and more careful. You should know who you are dealing with or someone will laugh at you if you get fired again." Zoe said loudly on purpose. She wanted to humiliate Amy before everyone.

"Who is Zoe?" Someone showed up and asked.

It Must Have Been A Kind Of Hell For A Little Chrissy Metz  
Islamabad Janitor Became A Millionaire Almost Overnight!

"It's me and you are?" Zoe walked to the doorway. But she didn't know who he was.

"I am Kent from Human Resources Department. Mr. Carter ordered that you should take over all work you gave Amy, and you should finish it before getting off work. If you can't, you should resign. By the way, Mr. Carter ordered me to take some photos of the files for him. He wants to know the workload."

The next minute, Kent walked in and came to Amy's seat. He took some photos of all the files on Amy's table.

"Kent, please listen to me. I can never finish all the work by myself in one day. It's unreasonable. Mr.

Carter shouldn't give such an order. Do we have some misunderstanding?" Knowing that Mr. Carter gave this order, Zoe was frightened at once.

"What are you saying? As a senior and experienced employee, you couldn't even finish these work yourself, but you ordered Amy to do it in one day. Zoe, now I'm telling you. You have violated the

basic principle of HD Group: We cannot bully or oppress a new employee. By the way, Mr. Carter has faith that you are able to finish all the work yourself. So, good luck.” Kent said calmly and left quickly.

The next second, Kent stopped and turned around, “Amy, speed up. Mr. Carter is waiting.”

“Yes, I got it.” Amy was happy now. It seemed that Mr. Carter was very nice and brilliant. He trusted her and helped her out of trouble. Well, now she had a better impression of Mr. Carter than before.

“Didn’t you get fired, Amy?” Zoe felt confused.

“No, I didn’t. Mr. Carter thinks that I am a nice and kind person, so he ordered me to work upstairs under his direct supervision.” Amy walked past Zoe, holding all her stuff. Holy shit! Zoe went furious. What was wrong with Richard? Why did he defend Amy? Did he still love Allison or not? Then she took out her phone, planning to ask Allison for help. Allison was the only one who could help her now.

While Amy went to Richard’s office with all her stuff. She put all her stuff on the desk.

While she was organizing, she felt like that something was missing in this office.

All the colleagues in the Secretary Department were female, and they all decorated their space with some flowers.

But Richard’s office was very huge in just two colors: black and white.

The wall was white, the floor was white, and the furniture was black.

People would feel dull and vapid here.

Amy sat down and took a look, finding that Richard was very busy with his table full of piles of files.

Only God knew whether he felt tired and stressed when he looked at all those files. But it was true

that a man focused on working was the most handsome.

Richard was very handsome. His prominent nose, soft lips, and his black hair. He was even more

handsome than some superstars!

“How much longer will you stare at me? You’d better hurry up. Because now I have some work for

you!” Richard didn’t even look up, and he already noticed that Amy was staring at him. What he said made Amy embarrassed and blush. \_\_\_\_\_

#### Chapter 46 What Did Mary Say to You

Amy was looking at Richard secretively and was even caught by him, so she was very embarrassed

now. ‘What is wrong with me? I am married! Although we will get a divorce in the end, at least for now, I am still married. I shouldn’t watch another man for such a long time.’

Amy stopped looking at him and calmed herself down. Then she walked towards Richard, seeing him as a pig in her mind.

“Now you work in my office. You should be in charge of all the files handed in by everyone, and then sort them out for me. In this way, my working efficiency will be improved. Also, you need to do some translation for me.” Richard thought that would be all for her, just for now.

“No problem.” Amy said.

“By the way, I like coffee and tea, so in the morning, prepare a cup of coffee for me, and in the rest of the day, several cups of tea will be fine. Also, you need to buy me my lunch, too.” While thinking, Richard arranged Amy some other work.

“No problem.” Amy said again.

Then Richard focused on his work, and Amy kept standing for a while. Seeing that Richard had done talking with her, she wondered what she should do now.

It was not the right time for Richard to drink coffee, so should she offer him a cup of tea then? Amy took a look at Richard’s table, and there was no tea, so she turned around to the tea room and made some tea for him.

It was noon now, but Amy had many questions about Richard’s dining habits. Where did he want to have lunch, at the restaurant or in the office? What kind of food did he like? There were a lot of

questions.

No one could help Amy so she had to ask Richard in person.

“Mr. Carter, what do you want to have for your lunch? Should I buy the lunch for you or do you get downstairs to have lunch?” Amy asked carefully.

“I have been busy working all the morning. Let’s have lunch together downstairs and we don’t need to go to the staff canteen. We can have lunch at a small restaurant, where the food is very tasty. I like it very much.” Hearing that it was time to have lunch, Richard stopped working and looked up.

“Mr. Carter, maybe it is better for me to have lunch at the staff canteen, alone.” Amy didn’t want to

have lunch with Richard. Now everyone gossiped that Mr. Richard ordered her to work near him. If she had lunch with him, there would be more rumors all over the company.

“What is your job then?” Richard was not mad, but asked Amy calmly.

“Your secretary.” Amy looked down and answered.

Richard didn’t say anything, and he stood up, and passed by Amy to the door. He saw that Amy didn’t

follow him, so he said to her. “You are just working here, so don’t overthink.” After saying, he left.

‘That’s right. I am his secretary, and that is my job duty. I shouldn’t overthink, and I have no feeling for Mr. Carter at all.’

Amy felt relieved in her mind, so she followed Mr. Carter to go downstairs.

It was indeed a small restaurant but it was very clean with few people in it. Amy walked into the restaurant, following Richard.

“Richard, long time no see. Here, sit down please. Your favorite seat.”

The hostess saw Richard coming so she welcomed him very warmly.

“Mary, I will take my seat and my dishes, like before.” Richard said to Mary.

Mary looked at Amy, smiling suddenly.

Amy smiled back to Mary, and she whispered something to Amy warmly before she left to get the dishes ready.

No Wonder She's Always In The Top 10 Of These Lists

Amy heard it and blushed. When she was going to say something, Mary left already, so she had to walk towards a booth with Richard.

Amy was too awkward to look at Richard, so she started to observe the layout of the restaurant.

Just at this moment, Amy realized that this small restaurant was very beautiful.

The overall layout was very antique, like an ancient house, with primitive simplicity and elegance. The

chairs and the tables were made by rattan, delicate and beautiful.

Amy loved it instantly, and Mary came back with dishes very quickly.

Mary's clothes were also like

ancient dresses, so the whole restaurant brought the guests to the ancient times.

"Here you are. Enjoy! If you need anything, tell me anytime. By the way, an extra dessert is on the

house, coming right away." Mary said and then left.

The dishes smelled very tasty.

"Enjoy! The dishes here are very good." Richard started having lunch.

Amy began eating because she was very hungry today, and also, sweet and sour ribs were her favorite, so she kept eating that.

"Have some vegetables." Richard saw that Amy only had meat but no vegetable.

Thinking back, his ex-girlfriend always had only a few vegetables for dinner, so Richard thought that all the girls preferred vegetables.

But now, was Amy a normal girl? Her lips were oily and she had lunch very quickly, so Richard stopped

eating to look at Amy, who was still enjoying her lunch.

When Amy almost finished her lunch, she found out that Richard didn't eat at all! And she ate all the dishes up, except the vegetable soup.

"Mr. Carter, why don't you have the dishes? You don't like them?" Amy said, and in the meantime, she began having the dessert.

Richard ignored her, thinking that as a lady, Amy was very unbelievable to eat so much food.

Richard started to have the vegetable soup.

After paying the bill, Amy was very satisfied, touching her own round and full belly.

“Mr. Carter, you are so nice picking this restaurant. The dishes are very delicious, and I will come here

next time!” Amy thought that Hannah hadn’t come here before, and they had a similar taste on food,

so Hannah would definitely love this restaurant too, like she did.

Well, Richard thought that Amy was inviting him to come here next time, so he was happy.

They walked back to HD Group slowly, and there were not so many people at noon because they were resting.

They went into the elevator, and Amy pushed the elevator button to go to 30th floor, leaning against

the wall. At this moment, Richard asked her a question.

“What did Mary say to you?” \_

Chapter 47 Alas, My Life

Amy was shocked when Richard suddenly asked what Mary said to her.

Amy was so surprised and her face turned red immediately.

“Nothing, she told me to enjoy the dishes.” Amy lied, because she didn’t dare not to repeat what Mary said.

“Fine.” Richard said and didn’t say anything.

While Amy was looking at him secretly. She thought that Richard didn’t seem to be mad, so she was relieved, thinking that Richard believed her.

Amy didn’t have much work today, and no one sent files here. Richard was busy doing all the work

submitted by others yesterday, so she had no work today. Therefore, Amy was talking to Hannah online.

Hannah knew that Amy was ordered to work on 30th floor by Richard, and she was so worried,

because everyone knew that Mr. Carter was very strict. So she was afraid that Amy would get hurt.

However, Amy said that she was fine, and she was quite free and comfortable up here, with little work to do.

Hannah also told her what happened to Zoe, saying that someone was watching Zoe to finish all the work. And Zoe was asked to finish all the work today, or she needed to quit the job. After saying this, Hannah couldn't help laughing.

However, hearing this, Amy was not that happy. Mrs. Jones was fired because of her, and if Zoe got fired too, more rumors against her would come out. They kept talking, and then Hannah invited Amy to her home, saying that Mrs. Adams made some delicious food today, and she invited Amy to have dinner. Hearing that it was Mrs. Adams who invited her, Amy said yes immediately, because Mrs. Adams was a great cook. Amy enjoyed having dinner in the Adams' house since she was a little girl.

Finally, it was time to get off work, but Amy saw that her boss Richard was still working, so it would be irresponsible for her to leave now.

She looked at Richard for several times, but he kept working.

"Mr. Carter, it's time to get off work now. Shall I leave now?" Amy was urged by Hannah several times.

It had been half an hour since the off-work time.

"You are leaving?" Richard heard that Amy was going to leave, and he realized that it was time to get off.

"Yes, it's time to get off now. Mr. Carter, take care, and shall I leave now?" It was the first day for Amy to work here, so she thought that it was the best for her to ask before leaving.

"Fine, you can leave now." Richard wanted to say something, but he didn't say it in the end.

Hearing that she could leave now, Amy disappeared as quickly as she could.

When Richard remembered to take Amy to see whether Zoe had finished all the work, Amy had

already gone.

Hannah drove Amy back to her home in no time.

Amy's mother went missing many years ago, so since she was a little girl, Amy had had dinner in the Adams' house many times, and she considered Mrs. Adams as her own mother.

Going into the house, they saw Andy, and he smiled when he saw Amy and Hannah coming home.

He's Using This Secret Trick To Make Millions

"You are back! That was quick." Andy greeted them.

"Andy, you are here, too. That is great, and we can have a great drink at home without any worries.

Amy, stay and sleep here tonight, and we can have a long talk." Hannah loved to have fun, so she wanted Amy to stay.

"I need to make a call to see whether I can stay or not." Amy wanted to stay too, so she called Robin at once.

"Amy, you are married now, so I think you can enjoy yourself out there, but it is better for you to come home every night. You can take your time, and I will pick you up whenever you like." Robin declined Amy's request.

Amy had to admit that it was reasonable for her to go home because she was indeed married.

"I guess that you can't stay here tonight, right? It doesn't matter, and we can enjoy ourselves right now, and then Andy or I will drive you home." Hannah saw that Amy was not happy, so she knew that Amy couldn't stay.

Actually Robin's request was totally reasonable. After all, Amy indeed married and her husband paid for the medical treatment of her father. So she needed to follow his orders.

Mrs. Adams cooked lots of dishes, and everyone loved them. Even Mr. Adams served his precious wine and everyone was very happy.

Mrs. Adams and Mr. Adams finished their dinner, and went for a walk.

And the three of them continued drinking and eating.

“Amy, stop drinking now. If you are not happy, you can talk to me, because we are best friends.”

Hannah saw that Amy didn't say anything, so she wanted to cheer Amy up.

“That's right, Amy. Talk to us. We are all friends.” Andy also saw that Amy was not happy.

“Alright. You know that I wanted to work in HD Group very much, but now I am considering whether I am unlucky to work in HD Group. I haven't worked there for long, and I already asked for leaves several times. Someone wanted to fire me, and in return she got fired instead, so now I feel very awkward in company.” Amy said.

“Amy, you are thinking too much now. Someone picked on you deliberately and got fired instead, and you should be happy about this. Why bother?” Hannah didn't understand Amy.

“But the whole company is gossiping about me, and they see me as a whore, but I didn't do anything wrong, and I don't know what happened either.” Amy said and then drank a cup of wine.

Andy stopped her, so Amy only drank half a cup.

“Andy.” Amy looked at Andy, feeling wronged.

She wanted to marry Andy so much but he was sent abroad by his family, so she hadn't heard from him for so many years.

Even seeing him now, she felt a little excited.

“Amy, Hannah is right. You shouldn't overthink now, and you should wait and see what will happen later. Now it is not a big deal, so you should just ignore it, and we can discuss about it when something serious really happens.” Andy looked at Amy deeply.

“Really? I can ignore it?” Amy was a little drunk, and she was dizzy now. She drank another glass of wine, and then she got totally drunk.

Amy fell on the table, sleeping.\_\_\_\_\_

Chapter 48 Allison Was Coming Back

Amy was very drunk, and Hannah, too. But Hannah was better than her and was trying to help Amy get up.

Andy saw this and sent Hannah back to her room. Then he wanted to lift Amy to sleep beside Hannah.

Right at this moment, Amy's phone rang.

Andy saw that it was Robin calling, and he didn't want to pick up the phone, but Robin kept calling.

So he had to answer the phone.

"Madam, have you finished your dinner? I am waiting downstairs now."

Robin saw that the phone was finally answered, so he thought that it was Amy and he said immediately.

"She is drunk, and I will take her downstairs now." Andy heard that Robin called Amy Madam, and although he didn't know what happened, he sent Amy downstairs very gently.

"Thank you a lot. Please sent her down." Hearing a nice male voice, Robin was surprised. Amy was drunk with a man?!

Andy lifted Amy downstairs, and he saw a luxurious black car in a distance.

Robin saw Andy lifting Amy as well, and Andy was as handsome as his master, so Robin felt nervous now. He walked to them hurriedly and lifted Amy himself.

"Thanks a lot." Robin lifted Amy and put her into the car.

Andy didn't say anything, and no one knew what he was thinking.

Looking at the car, he felt unhappy, and the word 'Madam' hurt him especially.

Seeing the car leaving, Andy didn't go home. 'What happened to you, Amy?'

When he came back from abroad, he heard from Hannah that Matt cheated on Amy, and they got a divorce the next day.

He was thinking that it was the perfect time for him to come back. But now, Amy married a stranger.

He knew that this stranger offered money for the medical treatment of Amy's father, and of course he

also had enough money for the medical treatment. But before he had the chance to tell Amy about this, Amy got married.

“Andy, what are you doing here?” After a walk, Mrs. Adams and Mr. Adams went back and saw Andy standing there silently, so they walked towards him.

“Mrs. Adams, I just sent Amy. And it is late now, so I am going to go home. I will visit you next time when I am free.” Andy looked at his watch, and it was indeed late now, and he still needed to go to work.

“Alright, Andy, come and have dinner with us when you are free. We welcome you a lot!” Mrs. Adams sighed.

Andy’s family wanted him to be in charge of Baker Group, but Andy wanted to be a doctor. In order to be a doctor, he had a big quarrel with his father, and they reached a deal in the end.

“I know, Mrs. Adams, I will come visit you if I have time. I still have a night shift, so I am leaving now.”

Andy said goodbye to them.

Richard saw Amy who was very drunk now. ‘Amy is so bad at drinking, and she got drunk easily, but her rosy cheeks look very attractive.’

Suddenly, Amy got hold of Richard’s hand, “Mom, don’t leave me. Don’t leave me and dad.” Amy put Richard’s hand on her breast, tightly.

Then she cried, very sadly.

Richard wanted to get away. But once he touched her soft breast, he was turned on. Richard hadn’t been home for a few days because he restrained himself from being attracted by Amy.

He told himself that it was a two-year marriage, and he married her just to stop his family from urging him to get married.

But now things were out of control, and he couldn't control himself once seeing Amy.

Looking at Amy, Richard found that she was totally different from Allison.

Allison was an elegant lady

in all ways, but Amy, she was just an ordinary person, not elegant at all.

But why would he like her?

'Impossible! I should stop coming back to her.' He became more and more addicted to the sex with

Amy, and he must stop this.

The moment Richard turned round and left, his phone was ringing.

It was Kevin calling.

"Richard, good news! Allison is coming back."

"What? Allison is coming back? Why will she come back a year earlier?

That is so quick." Hearing

Allison coming back soon, Richard was surprised.

"I don't know why, but she quit the competition suddenly to come back and it is such a pity because

she had been preparing for the competition for so many years." Kevin felt regretful for Allison.

"But why? Nothing seems to happen to her family or her. Let's wait and see." Richard was feeling very

complicated now.

If he heard the news earlier, he would be very happy. But now, he was not that happy, not as happy as

he had imagined.

"Fine. You must be extremely happy about this. Look at you! You can't even speak in your usual way."

Kevin grew up with Richard and Allison, so he knew that Richard loved Allison very much.

But Allison was very passionate about dancing, so when they were going to get married, she decided

to pursue dancing and left Richard.

It had been three years since she left, and Allison didn't contact Richard at all. But Richard asked Kevin

to pay close attention to her all time.

Allison had prepared for so many years for the competition next year, but suddenly she gave up.

Richard was very restless and he didn't know what he should do at all.

At night, he left the villa, and he went to a bar to have a drink because he had nowhere to go.

The next morning, Amy still felt a little dizzy, and she got up in great difficulties when the alarm was ringing.

At this moment, someone was knocking at the door.

Amy opened the door and saw Robin, who was taking some medicine to her.

“Madam, Mr. Carter ordered me to bring you some medicine, and it can ease your dizziness from the hangover.” She was supposed to take the medicine last night with Richard’s help. But he didn’t know what happened to Richard since he left immediately after picking up the phone. \_\_\_\_\_

Chapter 49 Richard Caught Amy

Amy looked at the medicine soup, and she was quite thirsty now, so she reached to it and drank it all.

“It tasted good, and do you have more?” Amy wiped her mouth, and she felt better after drinking this soup-like medicine. Or she would need to ask for a leave from work today.

“Yes, I do. You can come downstairs to have more.” It was the first time that Robin had seen someone asking for more medicine.

“No problem.” Amy felt very well now, and she walked to the restroom, looking at herself from the mirror. Her face was red, the color of an apple, and she thought that she maybe had a fever.

‘No way.’ Seeing red face, everyone would think that she was still drunk.

So she put a thick makeup on her face and now her face was not red anymore. But she didn’t know that she looked very pale now with her face extremely white.

After this, Amy put on a pink dress, and tied her hair into a ponytail.

Now she looked very cold and strict.

She went downstairs, and Robin was frightened by her face, but he dared not to say anything, because

he thought that maybe this was in fashion now. He never understood what the young people loved.

“Amy, do you still go to work today?” Robin asked carefully. He saw that Amy couldn’t even walk straight, so he was worried about her.

“Yes. I can’t ask for one more leave now, and it’s not easy for me to get this job.” Amy said. Because of her, two people were fired, and the whole company now must be gossiping.

“That is right, and it is good for you to continue working.” Robin thought that Amy was a nice lady who had her own ambition.

After the breakfast, Amy went to work by bus on her own. As usual, she got off the bus earlier, so she could walk to HD Group.

She went into the office right on time, but very weirdly, Richard seemed to be late today.

‘Mr. Carter didn’t show up today, and he’s always right on time. So why was he late for work?’

Amy cleaned the office, and also made a cup of coffee for him, but he still didn’t show up.

Amy was bored, and she had no work to do because of Richard’s absence, so she was walking around the office freely.

“Amy, come! I brought you some snacks!” Hannah talked to Amy at the front door.

She brought a huge pack of snacks for Amy, but she couldn’t tell Amy that all these snacks were sent by Andy. Andy gave them a pack of snacks, respectively.

“Wow, those are my favorite! Thank you, Hannah.” Amy took all the snacks happily.

“Amy, do you want to come and visit the Sales Department? I heard that Mr. Carter would not come to work today, because his ex-girlfriend was coming back from abroad. They broke up three years ago.

So, Mr. Carter is going to win her back. You know, his ex-girlfriend! Maybe they are making out in bed now.” Hannah shared this rumor with Amy.

Amy heard that Mr. Carter’s ex-girlfriend was coming back, and she suddenly felt unhappy.

“Let’s go, Amy.” Hannah didn’t realize what Amy was feeling. Amy also stopped herself from being unhappy, and it had nothing to do with her even if Mr. Carter’s girlfriend came back. Why would she feel unhappy? “Alright, let’s go then. I have no work to do right now.” Amy shook her head, and then followed Hannah to the Sales Department. There was only one female employee in the Sales Department. Three men versus one woman. So all men agreed that as long as it was a lady, she must be a pretty lady.

When Amy came to the Sales Department with Hannah, all the men in this department were excited.

Someone was passing by Amy on purpose, smelling the sweet scent from her and feeling satisfied.

Also someone gave her something to eat, his precious snacks.

Seeing this, Amy and Hannah were laughing at them.

They were all young, so they became familiar after talking and joking, and they realized that they had

such a good time that they wanted to invite Amy to some parties.

But Amy kept thinking what kind of woman Mr. Carter’s ex-girlfriend was, and Mr. Carter was a great

person, so his girlfriend must be great, too. She was so jealous now.

Thinking of that, Amy felt crazy. Why would she keep thinking of Mr. Carter? He was way out of her league.

Let alone that she was married, and although her husband hadn’t come home for a long time, she still

had the contract to be his wife for one more year.

“Amy, have a cup of coffee. These coffee was bought by Mark especially for us. And he paid a lot

today!” Hannah gave a cup of coffee to Amy, who was absent-minded.

“Thanks.” Amy said, and she drank it immediately, but it was too hot for her.

“Amy, are you single? Look around! Do you like any of us? If you do, tell us now!” It was a brave man,

and he was trying to ask Amy out.

Hearing this, Amy and Hannah laughed.

“Too late now! Amy was not single, and maybe you can wait in line.”

Hannah said to that man in a funny way.

And then came another burst of laughter.

Suddenly, the laughter stopped, and a man stood by the door. Everyone dared not to say anything.

“Amy, I think you should know where your office is.” Richard said coldly. All the people in the Sales Department were frightened, so they kept silent.

Richard saw a man whose arm was behind Amy’s chair, and he felt very uncomfortable.

“Mr. Carter, you are back. I am coming back to the office right now.”

Amy put down the coffee and

stood up hurriedly, while Richard looked around the people and left.

“Oh my god, Amy, it’s my fault. Now Mr. Carter found that you were not in the office, so he will

definitely punish you for this.” Hannah knew that Mr. Carter was very strict to Amy.

“That is fine. I am leaving now, and I will come visit you next time.” Amy said goodbye to others.

“Amy, be careful. Just keep silent no matter what Mr. Carter said.

Hopefully in this way, he will not be

so mad.” Everyone was worried about Amy, while Amy was very happy to see that so many people

cared about her.

“I know. Thanks, and bye.” Amy said goodbye again and then left in a hurry. But she bumped into

someone outside the department. \_\_\_\_\_

Chapter 50 Allison’s Trick

Amy bumped into someone around the corner, and she felt painful on her head. She rubbed her head

and pushed the man slightly, but he didn’t move at all.

“What are you doing here? To get in my way?” Amy couldn’t help yelling at him. But when she found

out who he was, she immediately said in a gentle and soft voice.

“Mr. Carter, it was my fault. Did you get hurt?” After saying, Amy pretended to check Richard.

“No, go back to the office now.”

‘Oh, she cares about me.’ Richard felt quite pleased with her care.

“No problem.” Amy followed Richard obediently, and they went back to the President Office on the 30th floor.

When Amy opened the door, there was a pretty lady with the long hair reading the newspaper.

“Miss. Miller, go and get a cup of tea for Allison.” Richard said to Amy. ‘So I am asked to be here and to serve his ex-girlfriend.’ But since she was paid by him, it was totally reasonable for her to serve the guests.

Amy went to the tea room and made some tea for Allison.

When Allison heard someone coming in, she looked up and saw a young girl. But she didn’t know why this young girl put heavy makeup and painted her own face white.

Allison also noticed that Richard had feelings for this young girl.

“Allison, please help yourself. I need to do some work and then we can have lunch together. You must be tired after the long trip. So after lunch, I will drive you home to get some rest.” Richard had already made a plan.

Allison was smiling gently, and she was a delicate young lady well-known in R City, with elegance and gentleness.

“No problem. Thank you.” Allison said softly.

But she was anxious. If it weren’t for Zoe’s call, Allison would have still thought confidently that

Richard would be there for her forever no matter how long she had been away.

But now, it seemed that Zoe was right. Richard started to have feelings for another lady now. But she

wouldn’t allow that because Richard would be hers no matter what.

Amy made a cup of tea and gave it to Allison. Allison hated Amy in her mind, but she smiled and took the cup.

“Oh!” That cup of tea was poured to Amy’s hands, and Amy didn’t see this coming, so her hands

turning red immediately, burnt by hot water. Both Amy and Allison screamed.

“Richard, I am so sorry. Oh, poor her. Look at her hands now. Did she get hurt?” Allison looked very guilty.

Richard heard the screams, and he saw that the hot water was poured to Amy’s hands. Oh no, Amy was hurt just a few days earlier.

Richard stood up, looking at Amy’s red hands. She was about to cry in pain but she didn’t cry at last.

“You should be more careful.” Richard wanted to send her to hospital, but Allison was still here, so he ordered his assistant to take her to hospital.

“Richard. I made a big mistake right after I came back from abroad, and it’s so nice of you to forgive me.” Allison leaned and hugged Richard sweetly.

While Amy was leaving the office, she heard that, too. But she did not cry, and she knew that Allison poured the water to her deliberately. However, she couldn’t explain it because Richard would not believe her.

Richard needed to stay with Allison, but he was worried about Amy, so he asked Kevin to go to hospital to take care of Amy.

“Amy, what are you thinking?” asked Kevin.

Amy watched the doctor applying ointment to her hands, and she didn’t move at all.

“I was thinking whether my hands would get better or not.” Amy looked at her hands, so red that they were going to desquamate.

“Of course you will get better. You have the best ointment here and your hands will get better than before. Just relax now.” Kevin believed Amy was really worried about this so he comforted her.

‘I’m such a good friend. To help Richard catch up with his girlfriend, I came here to take care of his secretary. But to be honest, he treats his secretary quite nicely. He even asked me to look after her

especially! Me! The handsome and rich guy in R City. Looking after a secretary now!' Kevin thought to himself.

"Amy, what's the name of your friend?" Kevin wanted to make friends with Hannah.

"Why do you want to know?" Amy looked at Kevin alertly.

"Easy. I just want to know her name. Do I look like a bad guy?" Kevin stood up, walking back and forth in front of Amy on purpose, to show himself off.

But Amy destroyed his confidence by saying only a word.

"Yes." Amy looked at him, considering him as a playboy. He was too handsome and flaunty in her eyes.

"If so, I am leaving now. Since I am a bad guy, I will stay away from you. In case that some day you should be affected by me and become a bad woman." Kevin felt mad, pretending to leave right now.

"Wait a minute! I didn't mean that you were a bad guy. How can a bad guy be so handsome, just like you!" Amy stopped teasing with Kevin, and she wondered what Kevin wanted to do with Hannah.

Hannah said she was afraid that Kevin would do something terrible to her families, but looking at Kevin, Amy thought that he was just a rich playboy and he was not mean at all.

"That sounds right. By the way, Amy, Mr. Carter said that you could take a rest for a week, and go back to work when you get better. You will get paid as usual, and you should take it easy and have a good rest." Kevin remembered what Richard said.

Amy was not happy at all. 'Do they think that I bothered them in the office? After all, they are in a relationship. But Mr. Carter is the president, so it's totally reasonable for him to do anything.'

"Alright. Please thank Mr. Carter for me." Amy said to Kevin.

On the way home, Kevin still took good care of Amy. He might look careless but was very gentle and reliable instead.

"Let me drive you home then. It's not convenient for you to go home alone with your burnt hands."

Kevin opened the car door, and asked Amy to get in.

“No, I don’t need this. I can take a bus to go home. It is quick. Thanks a lot, Mr. Smith.” Amy didn’t

want others to know where she lived.

“Alright. I will leave after you get on the bus.” Kevin saw that Amy was very determined about this, so

he stopped insisting. He sent her to the bus station. Once he saw that she got on the bus, he left

finally. \_\_\_\_\_
