

Falling for the Contract Bride Chapter 13

Chapter 13 Her Ex-Boyfriend Is a Grandson of the Lu Family

“No.” With a smug expression on Lu Yunxi’s face, he approached Mu Zhi, boasting, “For example, I am a faithful person.”

“It doesn’t show in your physical looks.”

Mu Zhi glanced at Lu Yunxi and blurted.

Lu Yunxi didn’t care. He coughed and continued to explain, “Okay, I won’t tease you anymore. Master has three wives and his life was rather chaotic. After cheating with my mother, Ye’s mother was so angry that she fell sick and was hospitalized. After she passed away, only then master changed.”

He thought for a while and added, “So, master wants our generation to be faithful towards our partners.”

Mu Zhi couldn’t help but frown and ponder on what Lu Yunxi said.

Faithful... Lu Jinye was obviously not like it, he had so many women outside, while Lu Jinye did not look like it either.

“So, among all of you, your eldest brother is the most faithful?”

Mu Zhi couldn’t help asking.

Lu Yunxi smiled, “Among us all, my eldest brother is the least faithful one. At least Ye and I pay more attention to feelings even though we seem to mess around. The sister-in-law whom my eldest brother is bringing today has a son, but he hasn’t been recognized by Lu Family yet. If Master Lu hadn’t paid more attention to the family recently, they would not have had the chance to enter Lu Family.”

As soon as he finished, the door opened.

A man who looked more alike Master Lu stepped into the house, and said to the woman behind him, “Come in, my younger brothers should have arrived.”

“Okay.” The woman replied, and at the same time, she ordered behind her, “Come on and bring along all the things I bought.”

Heaps and heaps of gifts arrived before the person entered the house.

Mu Zhi only felt that this woman’s voice was a bit familiar. Before Mu Zhi looked up, she heard the woman beckon her son.

“Junnian, come in quickly.”

Junnian! This family name was also Lu! Lu Junnian!

Mu Zhi was stumped. She looked up quickly, and saw that Lu Junnian and Xu Changshu had walked into the house, with Lu Leiming next to them, watching the maids positioning the gifts.

Mu Zhi and Lu Junnian met each other's eyes. Lu Junnian was a little surprised when he saw Mu Zhi, but he still looked cold.

Mu Zhi could only feel her whole body frozen. She did not know whether to hide or not.

At this moment, a voice came from upstairs. Lu Jinye and Master Lu were walking down slowly.

Mu Zhi felt even more embarrassed...

Lu Jinye slowly approached Mu Zhi, and spontaneously put his arm over hers.

“I'll take you upstairs to see the room I lived when I was a kid, so that you can understand me better.”

Lu Jinye said these words affectionately.

Mu Zhi promptly nodded, and followed Lu Jinye upstairs... One could cut the awkwardness air with a knife in this instance.

She didn't know if Lu Jinye recognized Lu Junnian, she only hoped that the relationship in this family can be a little simpler.

However, as soon as she entered Lu Jinye's bedroom, before she could even heave a sigh of relief, Lu Jinye began to speak.

“Is the newly admitted grandson of the Lu Family your little ex-boyfriend?”

“...”

It undone! Lu Jinye had recognized Lu Junnian.

“I just found out too.”

Mu Zhi bit her lip, having no idea what to say.

Why did it never cross her mind that both Lu Jinye and Lu Junnian had the same surname 'Lu', they might be family?
