

Falling for the Contract Bride Chapter 15

Chapter 15 Give the Both of Us a Chance

The kiss was full of urgency and outrage. Mu Zhi wanted to squirm, but the person held her tightly.

He had a faint smell of disinfectant mixed with the smell of sunlight. It was Lu Junnian's smell.

Mu Zhi gritted her teeth tightly, but the other party kept exploring into her, and was impatient to pry her teeth apart to surmount her.

After several failed attempts, Mu Zhi found the opportunity to push Lu Junnian away.

"Lu Junnian, you are crazy! Are you so desperate? Do you have any idea where is this..."

She wanted to remind him of their identities now.

But Lu Junnian looked at Mu Zhi angrily, "I think you are the insane one! Why did you marry Lu Jinye! Do you love him?"

"Yes, I love him."

Mu Zhi stared at Lu Junnian. He was trembling from being overly emotional. Although he tried his best to hide it, Mu Zhi could still see tears flashing under his eyes.

He was restraining his emotions, even his tears of anger.

Mu Zhi had never seen Lu Junnian like this. When they were an item, he was always as bright as the sun on good days, and as cold as iceberg when he was unhappy.

He had always had good control of emotions, and the ability to keep calm regardless of the situation.

He hadn't even cried for her before.

How could Lu Junnian cry? When they were an item in college, Mu Zhi would be the one crying during quarrels, while Lu Junnian would be the sensible party trying to reason and explain to her.

At this time, Lu Junnian's eyes moved Mu Zhi's heart.

She bit her lower lip and turned her face away from him.

“You love him, but he doesn’t love you. Don’t you know about Xiao Qingqing?”

Lu Junnian asked Mu Zhi.

Mu Zhi did not respond.

Lu Junnian took another step forward. He reached out and hugged Mu Zhi, but when he spoke this time, his tone was lower. He said softly, “Zhi, I don’t know what happened to you for the past few years. I don’t know why you married Lu Jinye, but I know you definitely didn’t do so out of love.”

“Give both of us a chance, come back to me.”

Mu Zhi’s whole body was stiff and trembling.

She could even feel her own teeth chatter.

If it hadn’t been for Lu Junnian’s tears, she could have refused him, but she didn’t know how to react in this instance.

The man’s familiar breath hit her neck. She had once terribly missed his embrace, but his love...

Lu Junnian loved Mu Zhi. Before he went abroad, they had the perfect love.

If Xu Changshu hadn’t set her up, without all those spectacles, she would have still been by Lu Junnian’s side.

“Zhi, I love you. I can’t live without you. Come with me, I can give Lu Family up, and desert the title of the Lu Family’s eldest grandson.”

His words were too sentimental.

Mu Zhi’s tears streamed down without her realizing it.

She had really loved Lu Junnian, and she couldn’t bear to ignore his words.

Lu Junnian hugged Mu Zhi for a long time. He turned her body around as he realized that she was no longer struggling, only to find her in tears.

He hurriedly reached out to help Mu Zhi wipe away her tears, but then changed to kiss her tears away.

Mu Zhi forgot that she should push Lu Junnian away.

She also forgot that Lu Jinye had gone to take his car keys and would be back at any second.

Mu Zhi saw Lu Jinye staring at herself from a distance. The emotions in his eyes were brewing unfathomably.
