

## Falling for the Contract Bride Chapter 20

Chapter 20 Let Me Do It Myself, Hold It!

Was Xiao Qingqing crazy? Why did she burst to her house?

Mu Zhi lied around at home and felt like she was transparent.

She was even a little afraid to look out.

She freshened herself up in the room like a thief, and finally went to bed. Lu Jinye did not come back that night.

When it was dawn, Mu Zhi stood up and walked into the bathroom. She came out of the shower, and heard the opening sound of the door.

Lu Jinye had come back, but he didn't come back by himself. He was carried home by Lu Yunxi, obviously drunk.

"Why did you drink so much?"

Mu Zhi looked at Lu Jinye and asked, puzzled.

Lu Yunxi only gestured implying that he didn't know. After quite some time, after putting Lu Jinye on the bed, he said, "Maybe he's had his heart broken."

This sentence made Mu Zhi even more speechless.

She was definitely not the culprit. After all, they had never been in love before, so... The reason for his broken heart might have been Xiao Qingqing.

No wonder Xiao Qingqing went over to her home last night.

After tucking Lu Jinye in bed, Lu Yunxi stretched and yawned, "Hey, it's too tiring to drink with my brother, let me excuse myself."

Upon finishing his words, Lu Yunxi left.

Mu Zhi returned again to the room after sending Lu Yunxi off. Just as she entered the house, she saw Lu Jinye up in a daze, and looked as if he was going to the bathroom.

"Honey, what are you doing?"

Mu Zhi was puzzled, and hurriedly stepped forward to stop Lu Jinye.

However, Lu Jinye only looked up at Mu Zhi and said, "Take a bath with you."

“ ... ”

Mu Zhi was stunned for a moment, “Okay, I’ll help you.”

She couldn’t sit and watch Lu Jinye stagger into the bathroom, fearing that he would accidentally slip and fall.

Nevertheless, when they got into the bathroom, just as she was about to turn on the shower and help Lu Jinye in, he dragged Mu Zhi and threw her into the bathtub with all his strength. Before Mu Zhi could react, he started closing into her with a kiss.

His breath was mixed with alcohol, but he didn’t seem to be too drunk. He still managed to practice many different types of positions.

He even turned on the hot water himself, and not long after, Mu Zhi had become wet all over.

“Hey! Don’t move.”

After finally breaking free from Lu Jinye’s arms, Mu Zhi wiped the water off her face while suppressing Lu Jinye from acting on her further.

However, Lu Jinye glanced at Mu Zhi with a frown, then immediately took his phone out of his pocket.

Now, Mu Zhi was even more perplexed.

Lu Jinye put his phone onto the cabinet at the side and continued to bath with his clothes on! Mu Zhi’s clothes were drenched as well.

She wanted to approach Lu Jinye to undress him so that he’d feel a little more comfortable, but just as she unbuttoned his shirt, Lu Jinye’s phone rang.

The phone was not damaged after being soaked in water.

Mu Zhi simply pressed her eyebrows and did not look at the name on the phone. Lu Jinye had already hung up. The phone rang again, twice, while Lu Jinye declined them both times.

Finally the phone stopped ringing.

Only then Mu Zhi continued, “Why did you drink so much today? Come... Shall we take our clothes off?”

Mu Zhi coaxed Lu Jinye.

Lu Jinye only raised his captivating eyes and looked at Mu Zhi. He still looked attractive after having had too much to drink.

“No!”

After a long time, Lu Jinye narrowed his eyes and said.

“Then you don’t think it’s... Uncomfortable not to take off your clothes in the bathtub?”

Mu Zhi tried to negotiate with Lu Jinye.

“Well, do it for me.”

Lu Jinye seemed to have compromised. So, Mu Zhi quickly stepped forward to undress Lu Jinye. Before she had the chance to do so, though, Lu Jinye grabbed her hand.

“Use your mouth.”

“...”

After Lu Jinye said these words, he closed his eyes and waited.

Mu Zhi gritted her teeth and said, “Okay.”

His eyes were closed anyway, perhaps he wouldn’t know if she used her mouth, so she tried to unbutton his shirt with her hands again. It was all right. She managed to unbutton all successfully. Lu Jinye didn’t object either.

Mu Zhi continued.

Lu Jinye suddenly opened his eyes after she had successfully done his top and was moving onto his underwear.

Mu Zhi was startled, but Lu Jinye just said to Mu Zhi, “Let me do it myself. Hold it.”

With that, he handed Mu Zhi his arm.

Mu Zhi was stunned... Grabbing his arm?

She did it anyway.

After Lu Jinye stripped himself naked, he fell asleep.

It took Mu Zhi two hours and a lot of effort to drag Lu Jinye out of the bathroom and to put him on the bed. After covering him with a quilt and tucking him in comfortably, she took a shower again and prepared herself for work.

Because Lu Jinye was still asleep, Mu Zhi had to use the subway to go to work. She arrived at work late. From the moment she entered the company, she saw others looking at her with weird gazes.

She sat on her chair. The gazes grew intense.

“What’s the matter?”

Mu Zhi couldn’t stand it anymore and asked the people around her.

A secretary blushed with embarrassment and said only after quite some time, “Let me play you a recording.”

Mu Zhi heard a voice she was familiar with from the recording. It belonged to her.

“Why did you drink so much today? Come... Shall we take our clothes off?”

“No!”

This was Lu Jinye’s voice.

“Then you don’t think it’s... uncomfortable not to take off your clothes in the bathtub?”

“Well, do it for me.”

“Use your mouth.”

“Okay.”

“Let me do it myself. Hold it.”

Mu Zhi’s face flushed after hearing this strange conversation.

And the gazes at her were even more surreal, as though waiting for Mu Zhi to explain the truth.

Because there were no images, they sounded almost ambiguous.

“So, Secretary Mu, did you help the chairman undress with your mouth?”

What an adventurous pair...

A secretary who was quite close with Mu Zhi tentatively asked.

Mu Zhi said through gritted teeth, “No, no, it’s a misunderstanding.”

But there was no way she could clear the misunderstanding at the moment.

“What did it mean by holding it at the end? The chairman’s...”

“Arms!”

Mu Zhi quickly explained.

“How is that even possible!”

Suddenly the office burst into chaos, and everyone almost unanimously said to Mu Zhi, “This recording obviously involves stripping. This must be the... The chairman’s... That... Umh, you know who!”

“...”

What exactly was going on!

The scene was beyond bashful and embarrassing for Mu Zhi. If there were a hole in the ground, Mu Zhi would have buried her head in it!

Mu Zhi gritted his teeth and insisted, “No. It’s his arm.”

“It’s okay, it’s okay, we know that you must be shy but it’s okay!”

“Where did you get hold of this recording?”

Mu Zhi had plans to explain her innocence, but she quickly calmed down.

There was no time to explain to them. The most urgent task now is to delete the recording as soon as possible, so that more people will not misunderstand!

“It’s spread on social media now! Mr. Lu has always been a celebrity!”

Mu Zhi went onto social media immediately in terror!

What they said was true!

Reposted and commented for over 100 million times, and the even more terrifying thing... The original poster was: Lu Yunxi!
