

## The Contract Lover

### Chapter 121

The rule of the game is to guess the number, put four character cards, and everyone will draw lots. Whoever draws the judge will lead the whole game.

I have to say that Pei Jun is very lucky, he actually got the judge's card in the first round.

"Now I lose a number within 10 on my phone. Everyone guesses. The person who guesses right will be punished. I decide how to punish." Pei Jun smiled and looked at the three present. I don't know if it was an illusion, Gu Jinxin always felt that his eyes stayed on her for a long time, which made her feel a little hairy.

Pei Jun lost a number on the phone, and the first person to guess was Gu Jinxin.

"5." Allen Chu sat on Pei Jun's left, and he was the first to guess.

"No. It's older than 5." Pei Jun shook his head and looked at Noila Mo, "Noila, now you can only guess between 5-10."

"7" is Noila Mo next. She quoted a number.

"Nor. It's older than seven. Miss Gu, it's your turn. You can only choose a number between 7-10." Pei Jun looked at Gu Jinxin and smiled narrowly.

Gu Jin became nervous. There are only 8 and 9 between 7 and 10, which means that the probability of her guessing right is 50%. If she guesses right, she will play Truth or Dare. Pei Jun said just now that the scale of this Truth or Dare is relatively large. 555...I don't know how Pei Jun will fix her!

Gu Jinxin bit her lip, her heart almost jumping to her throat, "8." His eyes were fixed on the phone in Pei Jun's hand.

"No. Hey, you are lucky!" Pei Jun's handsome face was a little upset. Unexpectedly, Gu Jinxin was so lucky.

"Allen, it's your turn. You can only choose a number between 8 and 10." Pei Jun looked at Allen Chu with a smile. Allen Chu must die! The number on the phone is 9.

"Okay, I'll admit it!" Allen Chu calmly retracted his claws from Noila Mo's legs and squeezed his eyes at Pei Jun.

Pei Jun knows. A severe sentence was pronounced against Allen Chu: "I order you to take a big adventure and k\*ss Noila Mo!"

Allen Chu took the big palm from his lap, and Noila Mo was relieved. In the end, Pei Jun asked Allen Chu to k\*ss him!

"I protest! Your honor, your ruling is unfair!" Noila Mo stared at Pei Jun, this was purely to help Allen Chu take advantage of him!

"The protest is invalid. I am the judge, and the rules of the game are controlled by me." Pei Jun didn't care about Noila Mo, anyway, he was helping Allen Chu.

Allen Chu glanced at Pei Jun, avoided the sight of Noila Mo and Gu Jinxin, and gave Pei Jun a thumbs up.

The bar started to play the world's best music, Gu Jin's heart healed his scar and forgot the pain, and now he began to encourage Noila Mo: "Noila~play it! It's all games anyway! Don't let it go.

"Well, only your face!" Noila Mo stood up reluctantly. Now that you have played the game, you have to lose. She didn't believe it, and Allen Chu dared to eat her and failed in the crowd.

Noila Mo stood up, Allen Chu also got up from the chair and walked in front of her.

The lights in the bar were blurred, Allen Chu was already a little bit lustful by the wine, and his big palm directly touched Noila Mo's slender waist. Noila Mo dodged a moment and glanced at Gu Jinxin. She was really scared of what a good friend would see.

"Start! What are you still daunting about!" Pei Jun looked forward to watching the show.

Gu Jinxin also booed beside him: "Quick! Quick! President Chu, be agile!"

Noila Mo glared at Gu Jinxin, really a bad friend! I was arguing with Allen Chu just now, and now he is starting to encourage Allen Chu to take advantage of her! What an accident of making friends!

Allen Chu saw Noila Mo's angry look, and his heart moved again. Noila Mo was really beautiful in the light. A pair of watery eyes could talk, and the plump breasts slumped under the V-neck skirt, and Allen Chu's throat tightened.

Noila Mo raised his head, and put his right cheek in front of Allen Chu: "Only your own face!"

Allen Chu ignored Noila Mo's request. He grabbed Noila Mo's waist and held her tightly in his arms. In the next second, his hot lips were already pressed against her mouth!

"Wow!" Gu Jinxin and Pei Jun both began to cheer and applaud.

Gu Jin thought to himself that he must go back to torture Noila Mo in a while. Judging from the appearance of her and President Chu, it must be difficult. It seems that Allen Chu is pursuing Noila Mo.

If Noila can handle Allen Chu, then I don't know how many people will be envious of it! Haha, it's best that those eight women in the company are mad with envy!

Gu Jinxin has started to design a wedding date for Noila Mo.

The hot tip of the tongue got into Noila Mo's mouth with domineering possessiveness, and the big palm was close behind her through the clothes. The strong masculine aura swept through everything, and Allen Chu greedily plundered her fragrance and sweetness. The tip of the tongue kept rolling and stirring in her mouth, not letting go of every inch of her sweetness.

Noila Mo was embarrassed and embarrassed, struggling desperately, and the corner of his eyes looked at Gu Jinxin and Pei Jun. Seeing that both of them were watching her and Allen Chu's reality show with relish, he felt even more angry.

How could this Allen Chu estrus casually regardless of time, place and occasion!

Allen Chu felt the body struggle in her arms, and a certain part of her struggles had a stronger reaction.

The big palm hugged Noila Mo tighter, moved her hot lips to her ears, and whispered: "Don't move, I'm already hard! Be careful I want you here!" The fiery breath pours on Mo Behind Noila's sensitive ears, if she is naked, Noila's blush is about to burst!

Her soft body had already felt Allen Chu's prosperous male, and she didn't dare to struggle anymore, fearing that Allen Chu would really get on her brain and do something that would make her more embarrassing.

The hot scene made Gu Jinxin a little embarrassed. Although she speaks boldly and looks like a girl, she is actually very conservative in her style, and she is an out-and-out little virgin.

Don't stop looking at Allen Chu and Noila Mo at the beginning, Gu Jinxin's eyes don't know where to put them.

"Miss Gu, if you don't know where to look, you might as well look at me." Pei Jun said jokingly. Looking at Gu Jinxin with burning eyes.

Halo, this person is really cheeky. Gu Jin thought to himself, with the most uncompromising expression: "Look at it! Who is afraid of whom!"

Gu Jinxin raised her head and looked at Pei Jun. Pei Jun's eyes were romantic and peachy eyes, with the tail up, his eyes were not as deep as Allen Chu, but with an unpredictable smile. Pei Jun still looks like a bohemian, leaning lazily on the sofa, his eyes fixed on Gu Jinxin.

The three-dimensional and handsome facial features, the affectionate peach eyes, the lines of the lips are very beautiful, and they must feel very good when they k\*ss... Gu Jinxin suddenly recovered! day! What is she thinking about!

Hurry up and look away, feeling hot on his face!

"Haha..." Seeing Gu Jinxin suddenly retracted his eyes and blushed, Pei Jun was in a good mood. He laughed and said to Gu Jinxin, "Miss Gu, you have lost!"

"Huh?" Gu Jin looked up because of unknown heart.

"Aren't we playing the game of 'whoever lowers his head and loses' just now?" Pei Jun deliberately teased Gu Jinxin.

"Who played this game with you? I just looked at you casually!"

"Just take a look? Didn't think about it? Then why are you blushing, Miss Gu?" Pei Jun didn't let the opportunity to tease Gu Jinxin.

Noila Mo was stunned by Allen Chu's k\*ss. The scene was so hot that even the people at the next table were shouting!

Noila Mo was ashamed and angry, holding both hands against Allen Chu's chest, telling him not to stick to himself so close: "Enough! Let me go!"

Allen Chu was about to go into flames, his voice was dull and unbelievable, and he whispered in Noila Mo's ear: "Shall we go to the back box?"

Noila Mo is about to explode, the box, let you be big! Stomp on Allen Chu's foot hard, trying to take advantage of Allen Chu's pain and run back to his seat. But Allen Chu's body was tightly clamped.

This brave little woman! I must teach her a lesson when I go back tonight!

Allen Chu was so angry that he didn't dare to move too much. The little brother was still braced in his pants. No matter how thick he was, he couldn't be embarrassed to be seen by others.

"Noila Mo, you go ahead of me, get closer to me, and block the sight of others for me." Allen Chu whispered to Noila Mo.

"What?" Allen Chu was finally willing to let her go. Noila Mo was very happy, but was puzzled by his request.

"Pighead! How can I go back like this!" Allen Chu pushed Noila Mo with his thing, and the hard touch made Noila Mo blush.

Under Noila Mo's cover, Allen Chu finally returned to his seat. But still not letting go of Noila Mo, he leaned over in her ear and said, "I'll get back to you later!"

A pair of magic claws, with eager dissatisfaction, stroked Noila Mo's smooth legs.

What a shame! Noila Mo dodged desperately, but that hand became even stronger, and he went deeper and deeper!

"Jin Xin, I'm so hot here, shall I change seats with you?" Noila Mo felt that if she was harassed by Allen Chu like this, she would be crazy!

"Okay!" Gu Jinxin readily agreed to Noila Mo's request.

"Jin Xin, don't go! Just sit next to me." Pei Jun reached out and held Gu Jinxin, with an ambiguous smile at the corner of his mouth, and raised his eyebrows at Allen Chu.

Gu Jinxin opened his eyes and looked at Pei Jun: "You just called me Jinxin? President Pei, when did we get so familiar?"

Pei Jun squinted, and a pair of peachy eyes lingered on Gu Jinxin's face: "When you blushed just now."

...

Allen Chu also stared at Noila Mo: "Noila Mo!" This little woman wanted to escape from him? !

In the past few days on business trip, he has been thinking about her every day. She is good, and she ran to the friendship with her behind her back. Now she still looks disgusting with him and wants to stay away from him? well!

Seeing Allen Chu being so fierce towards Noila Mo, Gu Jinxin began to fight for Noila Mo: "Chu, I found that you are unusual for Noila! Are you interested in Noila?"

"Interesting?" Allen Chu seemed to think the word was funny, and repeated it again.

"Yeah! Do you like Noila? Would you like me to help you chase her?" Gu Jinxin said jokingly.

## Chapter 122

"Uh..." Noila Mo looked at Allen Chu nervously. With Allen Chu's personality, she still didn't know what would make her blush!

"Do you still need to chase? Noila Mo was originally my woman!" Allen Chu glanced at Noila Mo and said lightly.

"Wow! Noila! So you and Mr. Chu have been dating for a long time! You didn't tell me! Not enough friends!" Gu Jinxin exclaimed, "No wonder Mr. Chu took care of you so much! No wonder the game was really hot just now! k\*ss! Noila Mo! You are so unfriended!"

Noila Mo was speechless.

Where did Jin Xin know that she was not a genuine girlfriend at all, but just a prey and a mistress that Allen Chu was entangled in and did not want to let go!

Allen Chu said it herself, she didn't even think about fate!

Noila Mo raised her head and took a deep breath: "Jinxin, it's not what you think, I didn't associate with President Chu. Me and him, just..."

She really didn't know how to explain the word mistress, too humble, too humiliating.

Pei Jun's eyes shimmered, and his face still had an unruly smile. He looked at Noila Mo and Allen Chu.

Allen Chu's eyes narrowed. Is this little woman so unwilling to admit her relationship with him? Is he so embarrassed to see Allen Chu?

The anger rolled in his heart, his eyes became more cold and sharp, his big palm directly grabbed Noila Mo's chin: "Noila Mo, what did you say? You repeat it!"

Noila Mo's stubbornness also came up: "Repeat what? Are we dating? Don't you dare to say that you are my boyfriend and I am your girlfriend?"

Allen Chu's deep eyes looked at Noila Mo's face closely, and the meaning in his eyes flowed, but he couldn't see the emotions.

Seeing that something was not right, Pei Jun quickly pulled Allen Chu: "Allen, don't do this, come out to play for fun, why are you so nervous?"

Gu Jinxin was also frightened by the sudden quarrel. Noila Mo and Allen Chu looked like they were lovers, in other words, President Chu was chasing Noila Mo! Why did it quarrel?

Allen Chu didn't care about Pei Jun at all, and fixed his eyes on Noila Mo: "Are you to blame for not giving you status? Do you want to be my true girlfriend?"

Suddenly, I felt very happy. It turns out that Noila Mo was mad at this, and wanted to marry him, and pester him forever? Allen Chu loved the feeling of being pestered by Noila Mo.

Seeing the worried and sympathetic eyes of Pei Jun and Gu Jinxin next to him, Noila Mo trembled with anger!

I was played by Allen Chu in the palm of my arm like a monkey. If you say a strong *kss*, *you will kss* strongly. You don't ask her opinion at all. If you say coercion, you'll be forced to ask. In front of so many people, you use violence against yourself. Does this man understand? Respect a person! !

He said he loved her, but he never considered her feelings! She is arrogant, domineering, and unreasonable. She doesn't like such a man at all!

Biting her lip, Noila Mo looked at Allen Chu coldly. She spoke in a small voice, but very firm and clear: "Sorry, Allen Chu, I never thought of being your girlfriend! I'm to you Not interested in!"

I am not interested in you, let me go! I'm not interested in you, stop pestering me!

Allen Chu's eyes suddenly became cold and bloodthirsty, and the hand that squeezed Noila Mo's chin suddenly tightened! Noila Mo let out a low cry of pain.

"Allen Chu! What are you doing! Let go!" Gu Jinxin yelled when he realized that something was wrong.

Gu Jinxin has always been enthusiastic about chivalry and is very loyal to his friends. Noila is her good friend, of course she would not watch Noila being bullied by Allen Chu.

Although Allen Chu is his boss, so what? Big deal, quit your job! It is absolutely impossible for her to watch a good friend being bullied in front of her!

Pei Jun was a little surprised. This Gu Jinxin was really courageous. She knew who Allen Chu was and dared to call him by name like this! Looking at Gu Jinxin's eyes, there was an extra touch of appreciation.

Noila Mo didn't struggle, didn't speak, but looked at Allen Chu coldly, his eyes were desperate and cold, with contempt.

All the anger in Allen Chu's heart was caught by this look! Come to fellowship with him behind! Don't admit her relationship with him! Looks disgusted with him!

Lowering his voice, Allen Chu gritted his teeth and said to Noila Mo: "Noila Mo, if you want to die, I will fulfill you!"

He dragged Noila Mo up from the seat and dragged it out of the door! The movement was so sudden that Noila Mo couldn't stand firmly, and her foot was twisted! The pain was painful.

But Allen Chu didn't even notice that Noila Mo's ankle was twisted. He just carried her angrily to continue walking!

Noila Mo bit her lips tightly and said nothing, she was completely desperate! If you drag her out, drag her out, it's better to kill her! She has had enough of this kind of life!

Just twisted, the shoes fell off the feet, the white and tender feet dragged on the floor, the skin was worn out, and the blood was winding all over the ground!

Pei Jun and Gu Jinxin stared blankly and reacted fiercely. The two pounced at the same time!

Pei Jun took Allen Chu's arm, "Allen, calm down!" Pei Jun has never seen Allen Chu have such a big temper to a woman. The woman is not good and makes him hate him, or she can ask someone to do it directly. Get rid of her, or throw a bunch of money away.

This was the first time he had seen this teaching a woman personally. This Noila Mo really has the ability to make Allen Chu so angry!

Gu Jinxin didn't think so much. She saw Noila Mo's feet bleeding, and she was furious, Allen Chu, what if you are the president? Others don't want it, how can you force it!

He rushed forward and tried to pull Allen Chu's arm away fiercely: "Allen Chu! It's great that you are the president! Don't bully others! Noila says that you don't like you but you don't like you! You quickly let go!"

Allen Chu was in a bad mood at first. Gu Jinxin's sentence "Noila said he didn't like you, but he didn't like you" sounded so harsh, and Allen Chu's eyes flashed with bloodthirsty light: "Secretary Gu, there is nothing wrong with you here!"

The arm held by Gu Jinxin waved fiercely, with too much force, Gu Jinxin rushed to fight Allen Chu, but the center of gravity was unstable and fell to the ground.

"Jinxin!" Noila Mo felt terrible anger in her heart! Allen Chu, a beast, a scumbag, it's nothing more than treating her like this, Jin Xin and him have any grudges, even treating her like this!

He opened his mouth bitterly and bit Allen Chu's naked arm fiercely! Exhausted all his energy, like an angry little beast, bite fiercely and desperately!

"Hey..." Allen Chu took a painful breath. Bright red blood flowed from the corners of Noila Mo's mouth, and Noila Mo raised her head. There was still a palpable blood on the corners of her pale lips. The whole person was strangely beautiful.

Without thinking about it, Allen Chu slapped his backhand directly.

"Pop!" The slap in the face is extremely dull, which fully shows how powerful this palm is!

Noila Mo was directly slapped to the ground, and his hips fell heavily on the hard ground, a pain in the heart!

Her hip bone was pushed down by a clerk when she was pregnant before. She had an old injury. Now it hurts even more. Tears are about to come out!

"Noila!" Gu Jinxin got up from the ground and ran to Noila Mo quickly, trying to help her up.

The movement was so loud that the guests in the store were all disturbed, no longer dancing or chatting, they all looked over here one after another. In an instant, the crowd formed a small circle.

Others recognized Allen Chu. "Oh, isn't the man who beaten Chu's president?"

"So handsome, how come you beat women~ What a scumbag!" The woman who said this was aggrieved.

"Wow, if I have such a handsome boyfriend, I would be willing to be beaten by him every day!" said another nympho woman. Suffered by a bunch of eyes around.

"..."

The expression on Pei Jun's face is also ugly. He never expected that there would be such a big trouble in his shop.

"Allen, how are you? Is your arm okay?" Pei Jun took out a tissue from the table and helped Allen Chu hold his bloody arm.

Noila Mo's heart was cruel enough, and the bite was very deep. It seemed that the paper towel didn't work at all. It's best to go to the hospital for a look.

Allen Chu didn't care about Pei Jun helping him stop the bleeding, pushed Pei Jun away, and walked towards Noila Mo.

Gu Jinxin opened her arms in front of Noila Mo like an old hen: "Allen Chu! What are you doing! Don't come over!"

Half of Noila Mo's face was red and swollen. She covered her face and looked around at the same eyes as the monkeys in the zoo, feeling completely ashamed!

As long as she is with Allen Chu, she will live in the eyes of others. She really hates this feeling!

Pei Jun frowned and grabbed Allen Chu, "Allen, forget it! Stop it! Let's go to the hospital to help you look at your arm!"

Seeing the people watching the excitement around him, Pei Jun winked at the security guard at the corner of the bar, and the security guard came over to grab Allen Chu's arm with Pei Jun.

"President Chu, let's go, President Pei and I will accompany you to the hospital!"

Allen Chu gave face to Pei Jun, but that didn't mean that he also gave face to the security guard, clenched his fists, and slammed the security in the face!

Allen Chu has a strong physique and often exercises. His physical strength is extremely good. Although the security guard has a bit of skill, Allen Chu's ears are buzzing. But without Pei Jun's order, he didn't dare to let go, holding back the pain, and holding Allen Chu tightly with Pei Jun.

Seeing the excitement of playing here, Gu Jinxin hurriedly pulled Noila Mo to run outside!

Noila Mo twisted her ankle and couldn't run fast. Gu Jinxin desperately held her back, almost half of Noila Mo's body was pressed on Gu Jinxin.

People watching the excitement around automatically made way for the two girls.

The matter is very clear, that is, the rich President Chu deceived others by beating two girls without telling him, and he was rude to the security guard.

Some people have even started hitting the hotline of the news agency. This is definitely the entertainment headline of tomorrow!

Allen Chu was dragged by Pei Jun and the security guards, and his eyes were red like a sleepy beast: "Let go! You f\*cking let me go!"

Where did Pei Jun dare to really let go? He was also afraid that Allen Chu would really go crazy and cause death, and his bar would be closed for a while for rectification.

Watching Noila Mo and Gu Jinxin go further and further away, Allen Chu gritted his teeth and shouted in a low voice: "Noila Mo, you wait for me!"

## Chapter 123

Gu Jinxin supported Noila Mo, and the two stumbled to look back at Jinxin's home, only when their thumping hearts settled down.

"Noila, sit down and I will get you the traumatic ointment." Gu Jinxin looked at Noila Mo's feet distressedly, and ran to find the ointment.

Noila Mo put down her bag and looked at Gu Jinxin's cabin.

The house is a one-bedroom and one-living room, with only more than 50 flats, but it was cleaned up by Gu Jinxin. The floor was clean and shiny. The glass jar on the small table was filled with fresh gerbera.

It can be seen that Gu Jinxin is very dedicated to life.

Noila Mo suddenly envied Gu Jinxin, and she really wanted to have such a small room, not too big, as long as it belonged to her completely. She wants to be an independent person, not Allen Chu's pet.

"Noila, what is going on with you and President Chu?" Gu Jinxin walked over with the ointment and expertly helped Noila Mo apply the medicine.

"I..." Noila Mo really didn't know how to describe her relationship with Allen Chu. She was very afraid that Gu Jinxin would look down on her. She has very few friends, so she cherishes everyone.

Gu Jinxin is a very smart girl. Seeing Noila Mo hesitating, knowing she must have difficulties.

Holding Noila Mo's hand tightly, Gu Jinxin looked at her sincerely: "Noila, no matter what your difficulties are, no matter what your relationship with Allen Chu is, I am your friend and I will always stand by your side."

A moment of emotion filled my heart. Since my father passed away, who else has said such warm words to her?

Allen Chu sometimes treats her well, but that kind of goodness is good for pets, not good for a woman. Touch twice when you are in a good mood, use violence when you are in a bad mood. Gu Jinxin is different. Gu Jinxin really thinks about her and can really stand in her position.

"Jin Xin...Actually, I am Allen Chu's mistress." Noila Mo said with difficulty, every word.

After finally telling the truth to Gu Jinxin, Noila Mo suddenly felt relieved. The burden in my heart is personally borne, and I feel much better.

Gu Jinxin's eyes widened in surprise: "Noila, you have only been here for a few days, why did you get caught by Allen Chu?"

Noila Mo smiled sadly: "Jin Xin, in fact, Allen Chu and I have been entangled for more than a year..."

Seeing Gu Jinxin's surprised eyes, Noila Mo told her the story of herself and Allen Chu little by little.

Sometimes angry and sometimes worried, Gu Jinxin was completely immersed in Noila Mo's description. Noila Mo has finished the whole process of getting to know Allen Chu, but Gu Jinxin is still sinking in the story.

"Noila, do you think that President Chu actually likes you?" Gu Jinxin frowned and said to Noila Mo.

"..."

Noila Mo was speechless. After spending a long time talking and talking, Gu Jinxin came to such a conclusion?

"Noila, in fact, President Chu just has a more domineering and strong personality, but he seems to have moved his true feelings towards you. Otherwise, it won't be like this. You think, he is overwhelmingly powerful, what kind of woman can't? Why not? Want to haunt you? Except that he loves you, no other reason can be explained."

"Jin Xin, do you understand that it is not love at all! It's just his possessiveness! To love someone, you must first learn to respect her instead of imposing your will on her!"

Gu Jinxin was also a little shaken by Noila Mo's words: "Oh! Maybe! But I think from what you said, President Chu is not a bad person. It's just a bad temper and a little overbearing."

Noila Mo looked helplessly at the sky. For the first time, she felt unable to communicate with Gu Jinxin.

"Noila, I think you can consider it! If Allen Chu can change your character for you, I think you can consider accepting his pursuit." Gu Jinxin said seriously.

"Jin Xin, are you dizzy? Is that pursuit? That is imprisonment! Do you understand it!" Noila Mo really felt that Gu Jinxin was not right.

"Forget it, don't talk about me. Tell me about you. Pei Jun seems to have a good impression of you, how about it, do you want me to help you match up?" Noila Mo felt that he didn't understand Gu Jinxin, so he simply changed the subject.

Gu Jinxin rolled his eyes at Noila Mo: "Don't! Don't help me match up! Then Pei Jun, at first glance, is a playboy, I don't want to be his 2750th woman!"

"Haha..." Noila Mo was almost amused by Gu Jinxin: "Pei Jun seems to be twenty-seven years old this year. If he has 2,750 women, then he has to sleep with a hundred women a year, assuming he starts from 1. He starts to be XXOO at the age of, then he changes a woman every three days. Wow~~ What a scary number!"

After hearing Noila Mo's joking, Gu Jinxin laughed loudly: "I'll be XXOO at just one year old! Little sparrows haven't developed well! You think beautiful for Pei Jun!"

The two frolicked into a group, temporarily forgetting the farce at the bar.

In Pei Jun's bar, Allen Chu was drinking a cup of wine.

Lafite in 1982 opened a bottle and poured three mouthfuls and five mouthfuls directly into the stomach. Later, he didn't use the cup at all and drank directly into the bottle.

The blood from the wound on the arm had clotted, but it was still stinging abnormally.

"Allen! Don't drink it!" Pei Jun looked at Allen Chu worriedly. This Noila Mo has completely affected Allen Chu's life.

In the past, Allen Chu regarded women as clothes and never took women seriously. Pei Jun had never seen him use alcohol to relieve his sorrow and worry about women.

Now I have a quarrel with Noila Mo. I am bitten so hard by Noila Mo, and drink so much alcohol, making myself inhuman and ghost.

"Leave me alone!" Allen Chu continued to drink a bored wine. The tie was torn open indiscriminately, revealing a strong chest. He is still handsome, but his face is deeply lonely.

Pei Jun sighed. He would rather Allen Chu be the same Allen Chu who didn't care about women at all and just vented his desires. Such Allen Chu would be happier.

What happened tonight, Pei Jun looked on coldly, seeing clearly, it was Allen Chu who was shaved and hot, and Noila Mo didn't want to be with him.

"Allen, let go! Let Noila Mo go, and let yourself go." Pei Jun seriously persuaded Allen Chu.

"Let go?" Allen Chu suddenly laughed arrogantly: "Pei Jun, you let me let go? What I want, Allen Chu, has never been unavailable in my life!"

"Feelings can't be forced, Noila Mo doesn't love you! You wake up! You get her people, but you can't get her heart!" Pei Jun is polite.

"What are you talking about?!" Pei Jun's words were like a sharp knife, which deeply hurt Allen Chu's heart. The bloodshot eyes opened in anger, and his big hand grabbed Pei Jun's collar: "What are you talking about? You said Noila Mo doesn't love me?!"

Pei Jun was not afraid of Allen Chu going drunk, and at this moment Allen Chu needed someone to wake him up. Otherwise he will remain obsessed with it!

"Yes! I'll say it again! Noila Mo doesn't love you! Let go! Why bother to make yourself so embarrassed!" Pei Jun said coldly.

Allen Chu's heart suddenly became a ball.

Noila Mo didn't love him, Noila Mo didn't love him, and Noila Mo had never loved him. The idea that has been hovering in my heart for a long time, but has never been willing to admit it, is exposed to life at this moment, like a bloody peeling off his skin, making him heartbroken!

Suddenly letting go of Pei Jun's collar, the wine bottle in his hand also slammed to the ground. Allen Chu slumped to throw himself into the sofa, holding his head in both hands, not wanting Pei Jun to see his expression.

He was so failed that he couldn't even handle a woman. Noila Mo, is your heart made of stone? What is it going to do, what can I do to impress you?

Allen Chu muttered to himself, all his anger and domineering disappeared. At this moment, he only felt depressed and desperate.

"Allen, cheer up." Looking at Allen Chu's depressed and painful look, Pei Jun didn't know what to say. He grew up with Allen Chu and was used to his arrogant and domineering appearance, Allen Chu who is now so depressed. It made him feel very uncomfortable.

The woman Noila Mo really didn't know what to do. It was the friend she brought, named Gu Jinxin, who was more cute.

Pei Jun thought in his heart. Gu Jinxin's shadow suddenly jumped into his heart.

Gu Jinxin is a girl that Pei Jun has never seen before, sunny and cheerful, and a little boyish chivalrous, her face is cute like a doll, but she is thin and tall, vigorous like a boy.

A complex of contradictions, the charming little girl's breath and the hearty boy's breath combine so well in her. It is unforgettable.

Thinking of Gu Jinxin, Pei Jun had a faint smile on his face.

---

---

---

At dawn, Noila Mo realized that she and Gu Jinxin were squeezed in a small bed and fell asleep. I kept chatting till late last night without knowing when I fell asleep.

"Jinxin, wake up soon! I'm going to be late!" Noila Mo looked at the watch on his wrist, it was already past 8 o'clock! You will be late for work if you get up!

"Ah!" Gu Jinxin jumped out of the bed with a carp. I was about to rush to wash, but suddenly reacted and looked back at Noila Mo: "Noila! Are you sure we are going to work?"

"Ah?...Uh..." Noila Mo was taken aback, then suddenly remembered what happened last night and was stunned.

Indeed, after experiencing what happened last night, how did she face Allen Chu? Gu Jinxin probably can't go to work anymore, right?

"Jinxin, I think we don't need to go to work."

"Noila, didn't you always want to escape from Allen Chu? This is an opportunity! Maybe you bit him yesterday, and he will never come to you again when he is angry!"

"I hope it's like what you said!" Noila Mo's eyes lit up after hearing Gu Jinxin's words. She bit Allen Chu too hard yesterday. She still remembers the look in Allen Chu's eyes. It was indeed a chilling look. Maybe Allen Chu really won't come to her again!

"Noila! Let's find a new job! I heard that the department store of the Shen Group is hiring a secretary!" Gu Jinxin said cheerfully.

Shen? Is it the company of Senior Shen? Noila Mo's heart jumped suddenly.

## Chapter 124

Noila Mo quickly asked Gu Jinxin: "Shen family? Which Shen family?"

"It's the Shen who specializes in shopping mall office buildings! The boss seems to be married to Mayor Liang's daughter." Gu Jinxin looked at Noila Mo very interested, and then said, "But yeah! There seemed to be a lot of trouble at the wedding. In the end, the marriage didn't happen!"

"Not married? No? I seem to have read reports before that Mayor Liang's daughter is pregnant?" Noila Mo was also a little surprised. She had already gone to the United States when Salmon Shen got married, and she didn't understand the twists and turns.

It turns out that Senior Shen didn't marry Liang Nuanxin... But the last time I saw them in the mall, they were very happy. It is clear that they have given birth to a baby...

"We were planning to get married at the time, and the wedding was already held. But it seems that there was a disturbance at the wedding and the wedding was not completed." Gu Jinxin added: "However, the president of the Shen family and the mayor's daughter have been living together. There are kids."

Noila Mo was a little dizzy: "Is that married or not?"

"I am not married, but I have children, and I live together." Gu Jinxin said, looking at Noila Mo: "Noila, why are you so interested in these now? I remember you are not a gossip!"

Noila Mo hesitated, and decided not to tell Jin Xin about her and Salmon Shen. I told her too much last night, afraid that her little brain could not bear it for a while.

Indeed, it is too messy. Noila Mo herself felt that her relationship with Allen Chu and Salmon Shen looked like a mess.

"Noila, do you want to try?" Gu Jinxin asked.

"No! I definitely don't go to Shen's. I'll see if there are other job opportunities." Although Noila Mo said so, she didn't have any confidence in finding a new job. She doesn't know whether Allen Chu will let her go...

"Noila, I will go back to the company today to complete the resignation procedures. Are you going?" Gu Jinxin asked.

"Ah...I won't go anyway. I haven't been to work for a few days anyway, and the company has nothing to take away, and there is no paper to hand over." Noila Mo is actually a little frustrated. If she goes back to the company, I don't know yet. How would Allen Chu torture her.

"Okay, then I'll go there first. I should be back at noon. By the way, let's go shopping in the afternoon!" Gu Jinxin suggested.

"it is good."

---

When Allen Chu woke up from a hangover, his headache was about to explode.

Struggling to get up, I found myself lying on the floor of Pei Jun's house all night.

Pei Jun is sleeping on the big bed.

"Pei Jun!!" Allen Chu roared! Anyway, he was taken to the guest room to sleep, so he just threw him on the floor! Sleep in a big bed by yourself!

Pei Jun was awakened from his sleep, and he didn't look good.

"Why? The person who was trapped by love finally woke up?" The opening was ironic.

A light red flashed across Allen Chu's handsome face, but his voice became even more angry: "Pei Jun, don't tell me that your house has no guest rooms!"

"Haha...what kind of room, don't you feel comfortable sleeping on the floor?" Pei Jun turned over, too lazy to look at Allen Chu's angry face. The floor of his house is constant temperature, and there is a long pile carpet on it, which will not freeze Allen Chu's.

"Are you the way of hospitality?" Allen Chu was dying of anger. He and Pei Jun had been friends for so many years, so they didn't even prepare a bed for him.

Pei Jun's voice came faintly: "You were drunk and you were full of alcohol. It would be good for President Pei to endure the smell of alcohol and help you back yourself! Don't pick and choose!"

"..." Allen Chu was speechless.

"Hurry up and wash! The smell of alcohol on your body makes my boudoir smelly!" Pei Jun said solemnly.

If before, this "boudoir" would definitely make Allen Chu laugh, but today he really doesn't have the mood to laugh.

Sitting on the floor blankly, Allen Chu tried his best to recall what happened yesterday.

It seems that memory will always consciously shield those unpleasant scenes. What happened last night, Allen Chu thought very hard, seemed to be just a hazy shadow. But one thing is clear, that is-Noila Mo doesn't love him. He finally saw one thing clearly, Noila Mo didn't love him.

A slash of heartache washed away the numbness caused by the hangover, and Allen Chu only felt that his heart was blocked badly, and it was painful.

"Allen, let's take a shower. Don't go to the company at all today. Let's go play ball!" Seeing Allen Chu in a daze, Pei Jun calmed down and persuaded.

Allen Chu did not answer. The handsome face was deeply lonely, and his expression was not like a high-spirited president at all, but like a 70-year-old man. Sad and frustrated.

Pei Jun sighed: "Allen, let go! Why bother? You don't want a woman you want? Why embarrass others and yourself?"

In a word, Allen Chu woke up from a daze and heartache.

Passed? Leave Noila Mo?

This thought circled in his mind. Maybe, it can really be considered. This kind of heartache is really uncomfortable. Since he was a child, it was the first time he was so sad for a woman. This feeling is really uncomfortable.

But are you really willing to let go? Since then, and Noila Mo have become strangers? From then on, she no longer belongs to him. Will she smile in the arms of other men and k\*ss other men to do ai?

Do not! impossible! He can't do this anyway! He will not let go!

As if seeing through Allen Chu's thoughts, Pei Jun sat up and said to Allen Chu earnestly: "Allen, I know it's hard to let you go now. Why don't you give yourself a week and don't meet Noila Mo for now. A week later, you find that you would rather be with her and endure the pain of her not loving you, then go back to her again."

Allen Chu looked up at Pei Jun, and suddenly saw his face in the glass by the window.

Haggard and lonely. For one night, the green stubble had already appeared on his chin, and his eyes were bloodshot.

Allen Chu was taken aback, how did he become like this? The handsome face seemed to be covered with a gloomy tulle, and the whole person lost its luster.

Maybe it's time to let go... He has spent so much thought on Noila Mo, if she had a good impression of him, she would have been tempted long ago, and she wouldn't be like this.

Perhaps Noila Mo was destined not to belong to him.

Allen Chu's heart ached, but he nodded to Pei Jun: "Okay. I'll try."

---

Gu Jinxin's resignation procedures went smoothly unexpectedly. The chief executive did not ask the reason at all, and asked her to complete the handover with other secretaries and sign the paper. Anyway, there are many Chu secretaries. One less than her.

When the resignation certificate was finally issued, something went wrong. The young supervisor in charge insisted that Allen Chu had to agree to give her a resignation certificate.

"Secretary Gu, you'd better call the president about your resignation. After all, you are the secretary of the president. We don't know if the president has given you any special tasks. You just left. If the president asks, We are not easy to explain." The little supervisor said it was reasonable.

"Okay. Then let me call Mr. Chu." Gu Jinxin said with a heart.

After dialing Allen Chu's phone, Gu Jinxin was still a little nervous. Allen Chu's aura was too strong. Although there was a phone call, Gu Jinxin was still a little surprised: "Hey, President Chu, this is Gu Jinxin."

Allen Chu and Pei Jun are playing golf. Suddenly received a call from Gu Jinxin.

"Hello, President Chu? This is Gu Jinxin. I am going to resign. I will come to the company to complete the resignation procedures today. The supervisor said that he must report to you." Gu Jin was still very worried. She didn't know how Allen Chu would treat her.

"Okay." In a simple sentence, Allen Chu hung up the phone.

Gu Jinxin was taken aback. Allen Chu was so happy.

"Allen, whose call?" Pei Jun was a little curious.

"Gu Jinxin's resignation call." Allen Chu said lightly, with no expression on his cold face.

"Gu Jinxin?" Pei Jun suddenly became interested, and grabbed the mobile phone in Allen Chu's hand, "I'll remember her phone number."

"What are you doing?" Allen Chu was surprised. Is Pei Jun really interested in that man?

"What? Of course it's picking up girls~" Pei Jun said casually, but a smile appeared in his eyes.

---

After completing the resignation formalities smoothly, Gu Jinxin happily called Noila Mo: "Noila, I have completed the procedures, you come out soon! Let's go shopping and watch a movie today!"

"Don't go shopping. Watch a movie! It's been a long time since I watched a movie."

Noila Mo changed her clothes and was about to go out. I twisted my foot yesterday, and it still hurts a little today, but it does not hinder walking. It's just that the wound on the foot that was cut yesterday still has eye-catching blood stains, and the bare feet in sandals\* are exposed, and the blood stains look a little scary.

Forget it, no matter how much, Noila Mo tossed her hair. It feels good to be able to escape from Allen Chu and move freely. She must be happy today.

In the cinema, Noila Mo bought the tickets and sat in a chair quietly waiting for Gu Jinxin.

Outside the cinema, Salmon Shen accompanied Liang Nuanxin looking at the large propaganda poster at the door.

Today is Liang Nuanxin's birthday. She begged to be coquettishly, and Salmon Shen took Liang Nuanxin to watch the movie. It's true that he hasn't been with her for a long time to warm up his heart. He owes her a wedding, he owes her a lot of love and a lot of time, and Salmon Shen feels a little guilty.

"Salmon, I want to watch this horror movie!" Liang Nuanxin pouted coquettishly. Although she has become a mother, she still likes to act coquettishly with Salmon Shen.

Salmon Shen smiled: "Okay."

The sun shone on Salmon Shen's face, white and gentle, elegant and handsome, and his tall figure looked so tall in the sun.

Liang Nuanxin looked at Salmon Shen with a sense of pride in his heart: This is her man, handsome and good-natured, walking on the road holding Salmon

Shen's hand, often being envious of others. Let Liang Nuanxin be extremely satisfied.

She thought, she really loves Salmon Shen.

With a sweet smile on his face, Liang Nuanxin looked up at Salmon Shen: "Salmon, the movie is about to begin, let's go in!"

## Chapter 125

"Good." Salmon Shen nodded and smiled.

The hall was full of people waiting for the movie to start. Salmon Shen glanced around randomly, his eyes suddenly attracted by a slender figure in the corner.

With his head hung down, his long black hair slightly covered half of his face, the familiar silhouette looked like a person.

Salmon Shen's heart suddenly pounded. Unable to contain the excitement in his heart, he quickly ran to the slender figure.

"Salmon, what are you doing?" Liang Nuanxin saw Salmon Shen suddenly ran over there, and followed him.

As she got closer, Salmon Shen's heart beat faster and faster, and finally stopped a few steps away from her.

He did not admit his mistake, the sitting girl was Noila Mo.

Thousands of words rushed to my heart, but I couldn't say a word. Salmon Shen wanted to speak, but felt that his throat was blocked.

Liang Nuanxin also followed, and at a glance she recognized Noila Mo, who was still immersed in her mobile phone. Jealousy climbed into her heart like a poisonous snake, her coquettish face was a little distorted.

Salmon Shen stood quietly in front of Noila Mo, afraid to speak. He was afraid that as soon as he spoke, Noila Mo would disappear, and he would have to wait for several years.

As if sensing Salmon Shen's gaze, Noila Mo suddenly raised her head.

His eyes collided with Salmon Shen.

Senior Shen...

Noila Mo's eyes were full of shock, and... a touch of embarrassment.

"Noila! Where did you go? I called your sister and she said you were killed in a car accident." Salmon Shen also felt like she was dreaming, and couldn't believe that she could really meet Noila Mo again.

"Ah? I didn't have a car accident, I, I went to the United States to live for a while." Noila Mo's eyes passed over Liang Nuanxin next to Salmon Shen, and said lightly.

Salmon Shen's always gentle face was somewhat urgent: "Noila, how have you been in the United States?"

"Will others take care of you? Salmon Shen, you care too much, right?" Liang Nuanxin's voice sounded sharply. The words were addressed to Salmon Shen, but his angry eyes stared at Noila Mo.

Not wanting to get involved in the dispute between Salmon Shen and Liang Nuanxin, Noila Mo stood up and squeezed a smile at Salmon Shen: "Senior Shen, my friend is coming soon. I'll go there first."

He nodded politely to Liang Nuanxin, and prepared to go inside.

"Noila Mo, I warn you! Stay away from my fiance! Don't be cheap!" Liang Nuan said cruelly.

"Heart-warming, you are too much! Do you know what you are talking about? Hurry up and apologize to Noila!" Salmon Shen, who has always been gentle, said in a cold voice.

Salmon Shen had never said such a heavy word to Liang Nuanxin, she couldn't hold it on her face, but she hated Noila Mo even more in her heart! He bit his lip and stared at Salmon Shen, "Salmon, you asked me to apologize to this woman?"

"Yes. Noila is my friend, you can't talk to her in this tone!" Salmon Shen's face was ugly.

Liang Nuan trembled all over, and tears flowed out: "Salmon, I have children for you, and have been by your side. What's wrong with this woman? You, you shouted at me for this woman!"

Salmon Shen sighed, mentioning his son, his heart softened a bit. No longer looking at Liang Nuanxin, she turned her head and said to Noila Mo: "Noila, it's wrong to warm your heart. I apologize to you for her."

I apologize to you for her.

But Noila Mo's heart was aching because of Salmon Shen's words.

He apologized for her? What stand? She is his son's mother, her own, and her family, so he has a stand to apologize for her. Isn't it?

She Noila Mo was already an outsider to Salmon Shen. It is no longer possible to enter his life.

Holding back the sadness in her heart, Noila Mo smiled slightly at Salmon Shen: "It's okay. Don't mind."

Turn around and walk to the door. She was afraid that one second later, her tears would stay. All her strong disguise will collapse, and her fragility will be completely exposed to the sun.

Suddenly lost the mood of watching a movie. Noila Mo called Gu Jinxin: "Jinxin, where are you? I suddenly don't want to watch the movie. I'll go back first. You can watch it yourself."

"I just arrived at the cinema. Where are you?" Gu Jinxin saw Noila Mo in the crowd as soon as he finished.

"Noila, why don't you want to watch a movie suddenly?"

"It's nothing, I'm not in a good mood." Noila Mo said with a frown.

"Then let's go to dinner! A nice Japanese restaurant has opened in the city center. Let me invite you to dinner! Celebrate leaving today."

"Okay." Noila Mo couldn't bear to refuse, looking at the enthusiastic look of her good friend.

The newly opened Japanese restaurant looks really good. The decoration outside is very elegant. There are two stone fish tanks at the door. Water lilies are planted inside and goldfish are raised. It looks very emotional.

The leader at the door saw Noila Mo and Gu Jinxin come in, and said apologetically: "Two ladies, there are no seats available now. Could you please go to the private room inside and wait for a while?"

"Okay." Wait a while, just wait a while. It's not very hungry anyway.

The two followed the leader and walked to the more elegantly decorated small room.

Gu Jinxin, who was walking in front, stopped suddenly, turned her head nervously, and said to Noila Mo: "Noila, Allen Chu."

"Eh?" Noila Mo wondered why she suddenly mentioned Allen Chu.

"Allen Chu is inside!" Gu Jinxin raised his voice. The two men inside heard Gu Jinxin's voice and raised their heads at the same time.

Hearing what Gu Jinxin said, Noila Mo just wanted to take Gu Jinxin away, but it was too late.

Allen Chu's deep eyes had already fixed on her closely. Noila Mo's heart trembled.

"Miss Gu, what a coincidence." When Pei Jun saw Gu Jinxin, his eyes lit up, "Are you guys coming over to wait for a seat? You can just put together a table for dinner in a while."

Gu Jinxin looked at Noila Mo's pale face, and at Allen Chu's angry face, and said to Pei Jun a little embarrassed: "Thank you, President Pei, for your kindness. Let's go to another place to eat. Goodbye."

"Stop." Allen Chu said coldly, pinning the legs of Noila Mo and Gu Jinxin.

After a short pause, Noila Mo picked up Gu Jinxin and wanted to leave.

"Noila Mo, if you dare to leave, Gu Jinxin won't even want to find any job in City C." Cold threats.

Noila Mo trembled in anger. Does this man do nothing but threats? In the past, she used her father to threaten her, but now she uses Gu Jinxin.

Why does everyone she cares about becomes his handle to threaten her?

Allen Chu, what exactly are you trying to force me to?

Noila Mo stopped and turned his back to Allen Chu, but his slender figure stiffened because of this threatening word.

“Noila, go! I don’t believe that if I walk out of this door today, I really can’t find a job!” Gu Jinxin is not afraid of Allen Chu’s threat! He didn’t believe that Allen Chu could really cover the sky with one hand.

But Noila Mo didn’t dare to be so optimistic, no one knew Allen Chu’s strength better than her. His power in City C is beyond Gu Jinxin’s imagination. She can’t let a good friend take this risk.

“Jinxin, I’m hungry. Let’s eat here.” Noila Mo raised his eyes to look at Gu Jinxin. There is pleading in his eyes.

Seeing Noila Mo’s expression, Gu Jinxin nodded. The two reluctantly sat down at the table and happened to face Allen Chu and Pei Jun.

“Noila, don’t be so nervous. Allen won’t eat you.” Pei Jun looked at Noila Mo, feeling a little uncomfortable. Allen Chu is so handsome and rich, and his ability to manage the company is also top-notch. Yes, he likes Noila Mo. Noila Mo should wake up with a smile in her dreams. As a result, she still looks reluctant. Pei Jun is worthless for Allen Chu!

Allen Chu sat coldly with his arms folded and said nothing.

In the morning playing golf with Pei Jun, he was completely in no state, thinking about Noila Mo all over his head. He wanted to see Noila Mo, but only wanted to see Noila Mo. Other things couldn’t attract his attention.

The moment Noila Mo appeared just now, his heart suddenly beat quickly. The empty heart was filled in an instant.

But Noila Mo’s expression was like a basin of cold water, pouring it down from his head, making him feel cold.

Noila Mo smiled reluctantly at Pei Jun, without speaking.

The four of them were silent, and the atmosphere was awkward.

“Noila, you really don’t need to be so nervous. Allen has decided to let go. He won’t pester you anymore.” Pei Jun said tentatively. He wanted to see Noila Mo’s reaction and see what Noila Mo really did. Whether or not he has feelings for Allen Chu, even a trace, Allen will be much better.

Only Pei Jun knew how bitter Allen Chu felt. Allen Chu, who was ruthless and domineering, and trembling with his determination to kill him, had a day in which he was embarrassed. Pei Jun really admired Noila Mo.

Noila Mo’s body shook sharply when she heard Pei Jun’s words. Looking up at Pei Jun in disbelief, his voice trembled with excitement: “You, are you true?”

The surprise on Noila Mo’s face was clear.

The last hope in Allen Chu’s heart was shattered. It turned out that Pei Jun was right, the bystanders were the most sober, and Noila Mo had no affection for him at all! Otherwise, she would never have this expression.

Noila Mo’s expression was as if someone who had been hungry for a long time suddenly saw Gan Quan, so excited and so excited.

It turned out that staying by her side would make her so painful. It turned out that she really didn’t love him at all, even, never loved him...

Allen Chu’s hands were clenched into fists under the table, deep eyes, darker eyes, and the darkest night of the Buddha.

Pei Jun shrugged: “It’s true. If you don’t believe me, ask Allen.”

Noila Mo turned to look at Allen Chu inquiringly. This glance made her heart throb.

In Allen Chu's eyes, she saw a thing, this kind of thing can only be described in one word-despair.

Allen Chu's eyes have been seen a lot by Noila Mo, cold and domineering, arrogant, childish, and obsessed... But she has never seen a desperate expression in Allen Chu's eyes.

Will letting her go make Allen Chu so painful? She always thought that she was just Allen Chu's plaything. Could it be that she was really wrong? Does Allen Chu really love her?

Something in his heart was hit hard. In Noila Mo's heart, something slowly broke through...
