

Chapter 131

In the hospital. Noila Mo was lying on the hospital bed with a needle pierced in the back of her hand and was undergoing an infusion. His face was shockingly pale.

Gu Jinxin's eyes were red with tears, and he stared at Allen Chu fiercely: "President Chu, I beg you, let Noila go! Don't force her!"

She originally hoped to facilitate Allen Chu and Noila Mo, but she never dreamed that Noila would reject Allen Chu so much!

Allen Chu didn't sleep all night last night, his eyes were bloodshot.

Hearing Gu Jinxin's words, blood-red eyes narrowed dangerously, and angrily wanted to go and hit someone. Had it not been for Pei Jun and Gu Jinxin ran into him last night, Noila Mo wouldn't have wanted to die!

Seeing that the situation was not right, Pei Jun hurried over to persuade him to fight: "Forget it, fortunately Noila is fine. Fortunately, the doctor said the rescue was timely."

Allen Chu's anger was full of nowhere to vent, and Pei Jun happened to be his punching bag.

A fierce punch hit Pei Jun's face with the sound of wind! Pei Jun knew that Allen Chu was sad, and did not fight back, just dodge.

Gu Jinxin saw Allen Chu beating Pei Jun, so he rushed over, and slapped Allen Chu together: "What are you doing! Blame you! You are the cause of Noila! You still anger others!"

Gu Jinxin's affection for Pei Jun suddenly doubled, and only with Allen Chu's comparison did Pei Jun's goodness appear.

The little nurse hurried over: "Don't fight! The patient is awake!"

Allen Chu pushed Pei Jun away and ran to the ward. The heartbeat is so fast.

Noila Mo was lying on the hospital bed, pale as a paper man. His big eyes looked hollowly at the ceiling. The three people who walked in were completely indifferent.

"Noila, you are awake!" Gu Jinxin rushed over and looked at Noila Mo with concern.

Noila Mo tried to squeeze a fragile smile at Gu Jinxin. The light from his eyes turned his head away silently after glancing at Allen Chu who was standing next to him.

Allen Chu's haggard face has grown green stubble, which makes his whole person look a kind of despair.

Standing in front of the hospital bed, Allen Chu didn't know what to say to Noila Mo.

What he said seemed to be too superficial, what could he say in front of death? He is not a murderer, but he is indeed the one who pushed Noila Mo to a dead end.

If at that time, she was going to find Gu Jinxin, he would not stop... If he entered her for the second time, he would be gentler and less brutal...

But no if...

Allen Chu lowered his head slumpingly, took out the diamond doll from his pocket, and gently placed it next to Noila Mo's pillow.

The small cartoon doll, with big eyes, shining stubbornly.

It reminded Allen Chu of the rainy night the first time he saw Noila Mo, his car hit her, and the bright car lights hit her face, her big eyes flashed like this.

Allen Chu remembered Noila Mo instantly.

"You go, I don't want to see you again." Noila Mo whispered on the bed. The voice is still hoarse.

Allen Chu's deep eyes fixed on Noila Mo's face.

The cold words shattered the last hope in his heart. Maybe, it's really time to let go...

Finally, he took a deep look at Noila Mo's face. Her thin lips were pressed tightly. There is no expression on the handsome face, but the whole body is full of sadness.

"Noila Mo, I'll let you be free." He whispered, then turned and left. Never stay for another second.

The sun shone from the front, and Allen Chu left with his back to the sun. The tall figure was so lonely.

The weather is getting colder. Three months have passed in an instant.

It rained today, and cold rain poured in from the windows with the wind. Noila Mo hurried to the balcony to collect clothes.

In the past few months, she has been staying at home. Rely on the meager income of writing for the magazine. Jin Xin did not collect her rent, thank you

very much. Noila Mo stood on the balcony and looked far away, only to realize that winter had already come...

The leaves fell bare. Noila Mo shuddered as the cold wind mixed with rain blew on her body.

"Noila...I'm back!" Gu Jinxin walked in with a bag and went out to meet the client today, so he came back early. It feels good to have someone waiting at home. Seeing Noila Mo's busy figure at home, Gu Jinxin felt very warm.

Noila Mo had already cooked the chicken soup in the kitchen, and the rich aroma of chicken soup was everywhere in the room.

"Noila, you are so kind! Whoever marries you will be very happy!" Gu Jinxin said moved.

Noila Mo smiled slightly: "I'm going to serve you soup! It's so cold today. Drinking some soup will make it warmer."

The two sat at the dining table, and the warm light shining on the rich dishes made people appetite.

"Noila, our company organizes to go to the hot springs on weekends, so you can take your family, will you go with me?" Gu Jinxin said slurredly while chewing on the chicken.

"Soaking in hot springs?" Noila Mo was really tempted.

She hasn't been out for months. The whole person is going to be moldy. In the wet and cold winter, it is really a good choice to go to a hot spring.

"Noila, let's go! Our company colleagues are very good, you will definitely have a good time." Gu Jinxin tried his best to urge Noila Mo.

In the past few months, Noila Mo had shut herself in her room, and her white face was almost transparent. The character has also become introverted. If you go out to relax and make some friends, it might be much better.

The new director of the company heard that he is single and looks very handsome. Maybe he can help Noila match it up. Gu Jinxin secretly made a small calculation.

"Yeah. Okay. I haven't been out for a long time anyway." Noila Mo finally nodded in agreement.

Gu Jinxin was very happy, and immediately took out his mobile phone and called the administration department: "Sister Mei, I want to take a family member to the hot spring organized by the company tomorrow."

"Family name and ID number?"

"Noila Mo. The ID number is XXXXXXXXXXXX", Gu Jinxin reported Noila Mo's name and ID number.

In the president's office, Pei Jun is discussing the latest cooperation business with Allen Chu.

The secretary of the administration department knocked on the office door with a form.

"President Pei, this is the list of tomorrow's hot spring activities, please take a look." The secretary said respectfully.

Pei Jun glanced indifferently, but was stunned when he saw Noila Mo's name. It turned out to be Gu Jinxin's family.

Just two days after Gu Jinxin came to the company, Pei Jun went on a business trip to the UK. It took more than a month after I left. I have been on business trips in China since I came back, and basically haven't met Gu Jinxin much.

Pei Jun generally does not participate in employee activities organized by such companies, lest his presence makes employees feel restrained. However, since Gu Jinxin is also going, the situation is different...

Pei Jun picked out a smile from the corner of his mouth. Is preparing to return the list to the secretary. Allen Chu asked, "A Jun, is there anything special about this list? Why do you laugh like a cat who stole the fishy?"

The corners of Pei Jun's mouth stiffened. This Allen Chu was really straightforward, and his subordinates were standing next to him, and he didn't give him any face.

Pei Jun shrugged: "It's nothing, just a list of company activities." He changed hands and handed the list to the secretary.

As soon as the secretary reached out to pick him up, Allen Chu took the list casually.

Originally, this was an internal affair of someone else's company. Allen Chu had always been cold-hearted and was not a gossip at all, but like a ghost, he even reached out to take this list, not knowing why, he just wanted to see it.

Sweeping his eyes casually, Noila Mo's name immediately fixed his sight.

Take another look at the name of the employee in front, Gu Jinxin. I was even more sure that the three words "Noila Mo" on this were indeed not the same name and surname. This Noila Mo was Noila Mo.

Allen Chu's hands shook as if they were scalded, and immediately returned the list to the secretary.

The secretary closed the door. Pei Jun asked indifferently: "Have you seen it all?"

"Hmm. Have you seen her recently?" Allen Chu couldn't tell how he felt. Desire and fear. The disturbing thoughts made his heart very confused.

"I didn't see it. I have been on business trips all this time." Pei Jun glanced at Allen Chu. Secretly worried that Allen Chu is about to resurrect again?

Three months have passed, and the three most difficult months have passed. Allen Chu and Noila Mo should have also broken the relationship, right?

"Tomorrow's activities, count me." Allen Chu took out a cigarette from Pei Jun's platinum cigarette case and started smoking.

Since separating from Noila Mo, he has smoked more and more fiercely and drank more alcohol. The handsome face became more grim and ruthless.

"What are you going to do? This is our company's internal activities." Pei Jun tried his best to stop Allen Chu. He really didn't think Noila Mo was suitable for Allen Chu.

People with strong male chauvinism like Allen Chu should find a little bird who is friendly to others, not a little hedgehog like Noila Mo.

"You don't want to do this business?" Allen Chu picked up the contract on the table and shook Pei Jun.

"..."

Pei Jun suddenly understood why Noila Mo hated Allen Chu. The feeling of being threatened is really uncomfortable.

"That's it. Tomorrow I will come to your company to meet you." Allen Chu dropped the contract, picked up the suit jacket on the sofa, and walked out the door.

"Allen! Wait!" Pei Jun shouted anxiously.

“Ok?”

“Didn’t you already tell Noila Mo to let go? You have to meet her now, what do you mean?”

“I just... want to see what she has become. Don’t worry, I will take Mary with him.” Allen Chu raised his eyebrows. Mary is his new girlfriend, a 17-year-old model. Not long after his debut, it has become a big hit.

Pei Jun shook his head. What is this Allen Chu thinking? Since he wants to meet Noila Mo, why should he bring his new love?

Pei Jun saw Allen Chu’s lace news when he returned home yesterday. It is said that he is very fond of this tender model and spends a lot of money on her.

There will be a good show tomorrow. Pei Jun shook his head helplessly.

Chapter 132

It’s been a long time since I went out. Noila Mo is still very excited about this hot spring trip.

Simply wearing a black down jacket, gray jeans, and a pair of black snow boots, Noila Mo was ready to go out.

“Noila, you are too vegetarian! The girls in our company are all dressed up, you will be compared to them.” Gu Jinxin frowned when she saw Noila Mo’s dress.

Drag Noila Mo to the room, add a red hat and a big light gray cashmere scarf to her, and push her to the mirror: “Look, is there a lot of bright spots?”

Indeed, a playful red hat added a touch of color to Noila Mobai’s almost transparent face.

With a pair of agile water eyes, a beautiful and unparalleled white face, coupled with this simple and elegant dress without losing fashion, Noila Mo in the mirror looks very beautiful.

Gu Jinxin took Noila Mo to the hot spring, in fact, to introduce Noila Mo to the new director.

Xie Shaohang, graduated from a top 10 university in the world, his parents are both senior executives of foreign companies, handsome and handsome, and very gentleman. Gu Jinxin thinks it goes well with Noila Mo. Noila should also come out of the shadow of her last suicide.

At the door of the company, Gu Jinxin, who was far away, saw Xie Shaohang standing beside the bus making a call.

Xie Shaohang politely hung up the phone when he saw Gu Jinxin approaching with a girl.

"Hi, Jinxin, take your family to the hot springs?" Xie Shaohang greeted politely.

"Yes, this is my good friend Noila Mo. Noila, this is our Director Xie Shaohang Xie."

Xie Shaohang and Noila Mo raised their eyes to greet each other at the same time. Both sides were taken aback.

Xie Shaohang was stunned because the girl in front of him was so special. His face was pale and melancholy, but the smart black eyes made up for everything. Those eyes are unforgettable. Talking is not enough to describe.

This girl has a very unique temperament that he has never seen before. Xie Shaohang felt very surprised. How could a tomboy like Gu Jinxin have such an elf friend.

Noila Mo was stunned, because – this man was actually somewhat similar to Salmon Shen!

The white and gentle appearance, the amber eyes, and the gentleman manner all over him, they all resemble Salmon Shen's appearance. Suddenly I felt a little more fond of Xie Shaohang.

When Gu Jinxin saw Xie Shaohang's appearance, he knew that he had a good impression of Noila Mo.

Turning his big eyes, he pretended to be uncomfortable: "Oh, Noila, my stomach hurts suddenly, so I have to go to the bathroom. Director Xie, you can take Noila to the car first. Noila is not familiar with everyone. You have to take good care of her. I'll take the bus behind me. Bye bye~"

After speaking, he ran away in a slip of smoke.

Noila Mo was a little surprised. Just about to say "Jinxin, I'll accompany you", Gu Jinxin had already run away.

"Miss Mo, I'll take you up." Since Gu Jinxin confessed, Xie Shaohang just rightly approached Noila Mo.

"Thank you!" Noila Mo smiled politely. But his eyes were a bit afraid to look directly at Xie Shaohang's eyes. Those eyes are too similar to Salmon Shen's!

Noila Mo started to feel a little dizzy and nauseated as the car bumped all the way. She has never been motion sickness, it may have been too long since she went out, and now she has started motion sickness.

"Miss Mo, are you okay?" Xie Shaohang asked concerned.

The girl's transparent face is now pale, and with her tightly frowning eyebrows, her pink lips have lost their color, which makes people very affectionate.

"Oh, it's okay, it's a bit motion sickness, it will be fine in a while." Noila Mo whispered.

Fortunately, the hot spring bath will be here soon. If he walked for another ten minutes, Noila Mo felt that he would almost vomit.

"Noila, be careful." Xie Shaohang helped Noila Mo walk down the car. I don't know when, the title has changed from Miss Mo to Noila.

Allen Chu and Pei Jun also drove there. The two stood by the car and smoked, waiting for a round with the army.

Allen Chu was smoking a cigarette, but his eyes kept looking on the two buses that came one after another.

Noila Mo and Gu Jinxin should be in the car behind. Allen Chu's heart suddenly jumped a little faster.

Is it anticipating? There is still a little fear. He was afraid that he could not control it, so he brought his new girlfriend here. Let Noila Mo know that he won't pester her anymore.

"Allen, what are you looking at?" The 17-year-old young model Vivi talked to Allen Chu. He didn't even hear him. He kept looking at the bus behind him with his eyes unconscious.

Allen Chu pinched out the cigarette butt, glanced at Vivi, and said nothing.

Vivi is a newly debuted model, an absolute devil. Although young, he is very relaxed on the bed. The sticking skills are also top-notch.

Allen Chu now likes to be glued to women, and Noila Mo is too non-sticky, making him feel deeply frustrated.

Vivi was about to continue acting like a baby, but after seeing Allen Chu's eyes, his eyes widened in surprise.

What kind of look is this?

Intense anger and wildest jealousy were intertwined in his deep eyes. A pair of gloomy eyes is about to burn, if this is a fire, it will definitely burn the whole world clean!

Vivi was so scared that he covered his mouth and dared not speak again. Follow Allen Chu's line of sight and look towards the bus.

A fair-skinned and slender girl was being helped out of the car by a handsome and handsome man. The girl in a black down jacket, gray jeans, and a red hat is very eye-catching in the white snow.

Among the crowd, Allen Chu saw Noila Mo at a glance.

However, he did not expect that Noila Mo would have a new love so soon. The man was holding her cautiously, for fear of her slipping.

But it's the snow. As for showing affection like this? Allen Chu's anger rolled, his big hand tightly gripped the rearview mirror of the car next to him, almost breaking the rearview mirror!

Pei Jun also discovered Allen Chu's strangeness. Following Allen Chu's eyes, he was also a little surprised. Isn't that the new director of the company? Why be with Noila Mo?

Raising eyebrows, it is estimated that Gu Jinxin introduced it. This little girl, for fear that the world will not be chaotic.

Looking around for Gu Jinxin, she finally locked her in the crowd. Pei Jun smiled secretly in his heart. In the past few months, he has been on business

trips and held back for a long time. This time he has to eat Gu Jinxin in the hot spring.

Noila Mo felt much better after the cold wind blew for a while. He looked up and smiled at Xie Shaohang: "Director Xie, thank you for always taking care of me. I'm so sorry."

Xie Shaohang looked at Noila Mo Qingli's small face, and he was a hundred willing: "Don't be so polite, you should. Call me Shaohang from now on."

"Okay... Okay. Shaohang, thank you." Noila Mo said with a thankful smile to Xie Shaohang. Suddenly, she turned her head and looked to the right as if she was telepathic.

At a glance, he stayed in place.

Allen Chu. It is Allen Chu.

Allen Chu was holding a very, very beautiful girl in his arms, and was talking to Pei Jun, but his eyes crossed the crowd, staring at her closely.

Noila Mo's heart trembled. After three months, she thought she had calmed down.

But when they met again, she suddenly discovered that she had never forgotten him!

Feeling sour, I suddenly wanted to cry. Noila Mo didn't know why he was like this. I just think the woman in his arms is particularly dazzling.

Glaring, but also piercing.

In those dark nights and nights when she couldn't sleep, when she tried to forget him, but was in pain because she couldn't do it, Allen Chu had already left her behind and had a new love.

Noila Mo sighed. fair enough. Didn't she beg Allen Chu to let go? Now that Allen Chu really let go, why is she so sad?

It is impossible for Allen Chu to have a strong desire for men without women. Without her, Noila Mo would naturally find other women.

Seeing Noila Mo turning his head to look at him, Allen Chu's eyes did not evade. Just stare straight at her.

Noila Mo... lost weight. This little woman seems to have always been so skinny, can't she raise herself a little fatter?

Allen Chu frowned dissatisfied. When the line of sight fell to the man beside her, it became cold again.

It's getting late. Everyone went back to the room to put things, and then gathered to go to the restaurant for dinner.

I have to say that Pei Jun is generous, and all employees live in a separate room. Ensure their privacy.

Noila Mo packed up his things and went to Gu Jinxin's room to find her. I don't know how to do it this time. Noila Mo is a family member of Gu Jinxin. It is supposed to live in the next room with Gu Jinxin, but the organizer divides Noila Mo and Gu Jinxin far away. Noila Mo lives on the third floor and Gu Jinxin lives on the fifth floor.

The elevator opened, and Noila Mo was about to enter the elevator, but was stunned.

In the elevator, Allen Chu and his new love.

Xin Huan was wearing a snow-white mink coat, but at a young age, she desperately dressed in the direction of grace and luxury. It's too pretty to show off.

Allen Chu and Noila Mo faced each other, and Allen Chu's eyes kept piercing Noila Mo's heart sharply.

Noila Mo lowered his eyes silently and smiled reluctantly: "You go first."

Vivi suddenly recognized that this was the woman Allen Chu had been staring at in the parking lot just now. The expression in Allen Chu's eyes can be seen at a glance, that he is unusual for this woman.

This woman is only beautiful, so why fight with her? Vivi was not convinced.

Reached out to stop the elevator that was about to close, and smiled innocently: "This lady, you are welcome. Come on!"

Noila Mo thought that Vivi was a kind invitation, thanked him faintly, and got on the elevator.

The elevator rises steadily. Neither Allen Chu nor Noila Mo spoke. Vivi took Allen Chu's arm and talked.

The fifth floor is here. Noila Mo was about to get out of the elevator, and a deep, familiar voice came from behind: "Have a new boyfriend?"

Allen Chu pretended to say this easily, but he was actually very nervous.

Noila Mo didn't look back, turning her back to Allen Chu: "No. That was Jinxin's colleague just now." After that, she walked out of the elevator.

Allen Chu in the elevator suddenly became very happy.

I am looking forward to the upcoming hot spring trip!

Chapter 133

VIVI painted big eyes with delicate eyeliner and stared at Noila Mo's back. Based on a woman's instinct, she felt that Allen Chu was unusual for this woman.

"Allen, who is she?" VIVI asked tentatively.

"What are you asking for?" Allen Chu turned his head and examined VIVI's face.

"I think she looks a little weird, her face is white like a ghost, so ugly." VIVI is young and has no city government, and makes no secret of her dislike of Noila Mo.

Allen Chu's originally smiling face suddenly became as cold as ice. He pinched VIVI's neck: "Woman, do you know the consequences of nonsense?"

Allen Chu's hands used ten percent of his strength, and VIVI's ruddy face suddenly turned blue and almost suffocated.

Allen Chu saw the extremely scared expression in her eyes, and then relaxed the strength in her hands.

Allen Chu withdrew his hand and VIVI immediately coughed loudly. The whole face was flushed and looked very embarrassed.

"Allen, I don't dare anymore. Don't be angry, okay?" He pitifully begged for mercy, but he was more certain in his heart. The position of that woman in Allen Chu's heart was very unusual.

It was so easy for her to spell it out from many women and became Allen Chu's new love.

The diamond ring on the hand, the necklace on the neck, the fur on her body, if Allen Chu no longer spoils her, all this will be gone! She can't lose these!

Vivi remembered the bottle of medicine in the bag. Fortunately, she was prepared. Today is her best date to conceive. She must find a way to let Allen Chu plant seeds in her body.

Otherwise...the day Allen Chu gets tired of her, she will have nothing.

When Noila Mo walked into Gu Jinxin's room, she was changing clothes.

"Noila, why are you still wearing this?" Gu Jinxin asked in surprise when she saw the T-shirt collar exposed in Noila Mo's bathrobe.

Inside the hot spring hall, there are bathrobes specially made for bathing in the bath. They are Japanese-style, wide and wide, with only a belt around the waist. Wear nothing inside.

"Ah, I'm a little uncomfortable. There is still a long way to go to the hot spring. I'll be taking off until there." Noila Mo was a little embarrassed.

"What does it matter? Isn't everyone the same?" Gu Jinxin disapproved, but didn't say anything. The two walked slowly towards the bath.

It was snowing outside, and there was a thick layer on the ground. Often the wooden corridor leads to the side of the bath. Walking on the heated wooden floor, admiring the falling snow outside the corridor, the air is cool and moist, which is really very comfortable.

Noila Mo took a deep breath. Started to enjoy this hot spring trip.

"Hey, isn't that President Pei? Strange, why did he come? President Pei never participates in company activities!" Gu Jinxin pointed to a few shadows on the corner of the corridor and showed Noila Mo.

Noila Mo's heart suddenly tightened, and an inexplicable feeling came to her heart. She was a little scared, and she seemed to be looking forward to...what she was looking forward to, she herself couldn't tell...

"Ah, there seems to be Allen Chu!" The figure over there got closer and closer, and Gu Jinxin recognized the tallest black figure, "Strange, there seems to be a woman."

While talking, Allen Chu, VIVI, and Pei Jun had already walked over.

Noila Mo stopped. Standing in the shadow of the pillar, watching the three people who came by. The eyes finally fell on Allen Chu.

He has lost weight.

"Jin Xin, did you guys get in trouble in the past? Let's go, let's go together." Pei Jun was very happy to see Gu Jinxin.

Allen Chu did not speak, but kept looking at Noila Mo who was hiding in the shadows. Allen Chu's brows frowned because of his flimsy appearance.

When he left the hospital, he placed an unlimited gold card next to Noila Mo's pillow. But it didn't take long for her to courier back to his company.

What is going on with this little woman, making herself so pale and haggard?

Allen Chu wanted to go over and yell at her. I want to pinch her face and tell her how ugly she looks now!

"Let's go! Noila, let's go over together!" Gu Jinxin took Noila Mo's hand and walked towards Pei Jun and the others.

Vivi kept looking at Allen Chu's face. She could see clearly who Allen Chu was looking at. I was worried. I'm afraid she will be abandoned by Allen Chu if she can't make it tonight.

"Allen, shall we not be with them? They want to be with you alone." Vivi began to act like a baby.

Noila Mo couldn't help biting her lips when she heard Vivi's words. She hoped that Allen Chu and Vivi would go away, and she also hoped that Allen Chu and Vivi would not. She didn't know what she wanted.

Allen Chu turned his eyes away from Noila Mo, looked at Vivi with a sharp gaze, did not say a word, but made Vivi trembled in shock. Hurry up and take Allen Chu's arm and follow Pei Jun and Gu Jinxin obediently.

For some reason, Noila Mo breathed a sigh of relief.

Breath out gently, but it was so clear in the silent air.

Allen Chu thought Noila Mo was sighing, and her thick eyebrows wrinkled tighter!

Because she wants to go to the hot spring with her, so she feels troubled? She is upset? So sigh? I haven't seen each other for three months, and when we meet again, he is the only one who is happy.

He is still indulging in fantasy in the past, and others have forgotten that period of time.

Fists clenched fiercely! The anger is full but there is nowhere to vent! Allen Chu's whole body was tight, like a leopard about to get angry, full of shocking aura!

Vivi also felt Allen Chu's murderous aura, and thought it was his proposal that made Allen Chu unhappy. So he was more trivial to please.

"Allen, today's night is so beautiful!" Vivi had nothing to say.

Noila Mo just silently followed the team behind, silently watching the snowflakes fall. Try not to let his eyes fall on the intimate figure of Vivi and Allen Chu.

"Allen..." Vivi wanted to say something more. Allen Chu, who was about to collapse by Noila Mo's sigh, leaned over and k*ssed Vivi's mouth!

"Ah..." Vivi was stunned by the sudden happiness! She has been in bed with Allen Chu many times, but this is the first time Allen Chu has k*ssed her on the mouth!

Does this indicate that her shelf life is still some time? Think about it too, I am only 17 years old, looks and figure are in peak state, how can I not beat the pale old woman!

Vivi's eyes were open, and he looked at Noila Mo from over Allen Chu's shoulder as a demonstration.

Pei Jun, Gu Jinxin and Noila Mo were all stunned by Allen Chu's sudden stallion behavior.

"Disgusting!" Noila Mo looked away. I feel very uncomfortable. I really want to turn around and go back to the room. Do you show affection in the public? Allen Chu is really not afraid of disgusting others!

"Mr. Chu, are you too open? Not suitable for children!" Gu Jinxin watched Allen Chu and Vivi k*ss with gusto, still not forgetting the irony.

As soon as Allen Chu's tongue stuck into Vivi's mouth, it came out immediately! Damn it! What is this smell! Vivi has no bad breath, but this kind of smell just makes him unacceptable!

There was a little woman before, her mouth was always sweet and sweet, let him taste it again and again, can't stop!

Allen Chu pulled out his tongue from Vivi's mouth and bit her red lips in revenge. Vivi was bitten to death, but did not dare to cry. I can only make the sound of "Uh... Uh..." from the nose.

Hearing this sound in other people's ears, it seemed very enjoyable.

"Allen, if you really can't help it, go back to your room! Don't torture us here." Pei Jun also laughed and joked. His eyes glanced maliciously on Gu Jinxin's face.

Gu Jinxin, who was so careless, was also a little embarrassed.

Allen Chu pushed Vivi away fiercely, and Vivi was unsteady and almost fell. Gu Jinxin quickly supported her.

Allen Chu looked at Noila Mo with a pair of cold eyes. When she saw the disdainful expression on Noila Mo's face, her face became more gloomy.

With a cold snort, he turned and walked towards the other side road.

"Allen, are you really going back to your room? You don't go to the hot springs?" Pei Jun was a little surprised. Allen is not someone who can't play a joke. How can I get annoyed after a few laughs?

Vivi hurried to catch up, she wished that Allen Chu was a little farther away from that Noila Mo, the farther the better!

Allen Chu felt very depressed. Forget it, why bother to stick to someone's cold ass!

There is also a small hot spring with only five baths, each of which is individual. Extreme exclusive, originally Pei Jun left it to himself and Allen Chu. Now Pei Jun is busy going to soak in Gu Jinxin and go to the public area. Allen Chu happened to take Vivi to this place.

There are only two people in the huge bath, Pei Allen and Vivi. vivi is so proud! It seems that there is hope for borrowing tonight!

As soon as he entered the bath, Vivi couldn't wait to take off the bathrobe outside. She didn't wear anything inside, revealing a fair and smooth body.

Allen Chu didn't take off his bathrobe, and went straight into the largest bath. Sitting in the bath, his eyes were a little erratic. His face was still gloomy and terrible.

Vivi twisted and walked to Allen Chu, and sat down next to Allen Chu in the bath: "Allen, what's the matter? It seems unhappy?"

Allen Chu's body was stretched tight, and his anger was still alive. Ignored Vivi's words, but the big hand directly pinched her slender waist!

"Allen, you are good or bad!" Vivi said.

It turned out that Allen Chu didn't mean to tease her at all. He just hugged her mechanically, and he didn't know where he was floating.

Allen Chu's mind played back Noila Mo's contemptuous eyes. Depressed in my heart.

Chapter 134

Seeing Allen Chu's appearance without "sexual interest", Vivi became a little anxious.

Turning her eyes, she said to Allen Chu, "Allen, I'll go to the bathroom." After getting Allen Chu's consent, she began to walk back. The medicine she brought was still in the club room.

I was going to use the hot spring after soaking, but the situation was too urgent, and it would be too late if I didn't do it.

When Allen Chu saw that Noila, he couldn't stand his heart. She must take measures early.

Noila Mo saw that Pei Jun and Gu Jinxin were talking vigorously, and a slight smile formed at the corner of his mouth. It seems that Pei Jun and Jinxin have the possibility of development... Then she should not be an electric light bulb.

Going slowly on purpose, seeing Pei Jun and Gu Jinxin turning around the corner and disappearing into her eyes, Noila Mo turned to the right and embarked on another inaccessible path.

Snow flakes gently falling from the dark night sky, and under the dim light of street lamps, it is as beautiful as a dream.

Noila Mo walked slowly in the snow, trying to sort out the chaotic thoughts in his mind.

After three months of recuperation, she originally thought that she had forgotten the old things and that nothing would make her sad again, thinking that she had died once and her mentality had become strong enough.

But why would seeing Allen Chu make her feel so uncomfortable?

Is it because of the woman next to him, or because of his dark and unclear eyes? She and Allen Chu only said a few words.

"Have a new boyfriend?"

"No, that was Jinxin's colleague just now."

But why did she panic when she saw his eyes. Why does she always feel that the ambiguous atmosphere with him is still there? Could it be that she really fell in love with Allen Chu?

Noila Mo, what are you thinking? At the beginning, he did not hesitate to commit suicide to escape from his side. Noila Mo scratched her hair with her hands in distress and decided not to think about it too much.

Anyway, Allen Chu has taken his little lover to enjoy the warm fragrance of nephrite alone, so why bother.

Thinking of the 17-year-old model, Noila Mo's heart was a little sour. Now these days, men are really getting more and more serious, and they have begun to poison underage girls!

There is a small courtyard over there, and the architectural style is very quiet and unique. Noila Mo raised his foot and walked over there.

Pei Jun said that all the baths here are open to the public. So Noila Mo walked in without worry.

This is a small bath, small in area, misty, quiet inside, and there is no one. The soft yellow light in a pool of hot spring water makes people have the desire to soak in the water.

Strange, how come there is no one. Noila Mo muttered a little curiously.

To be safe, I raised my voice and asked, "Hey, is there anyone?"

Allen Chu, who was soaking in the darkest pool at the bottom, only showing his head, was in a daze, and was suddenly stunned by this familiar voice!

Isn't this Noila Mo's voice?

There happened to be a pillar next to the bathtub where Allen Chu was soaking in. Allen Chu raised his eyes to see the shadow of the pillar, knowing that he was covered, and Noila Mo did not see him.

Holding his breath, he did not dare to speak out, afraid that Noila Mo would find out that he would flee later.

But he looked at the little man not far away without blinking. The heartbeat is about to jump out of the chest.

It has been three months, this is the first time he has been alone with Noila Mo! Allen Chu looked at Noila Mo greedily.

White face, tall nose, rosy lips, slender and plump body, everything about Noila Mo is so beautiful in Allen Chu's eyes.

Seeing no one answered, Noila Mo confirmed that there was no one in this bath. Feel relieved to start taking off the bathrobe. It's a shame not to soak in the hot spring at the hot spring club.

Seeing Noila Mo take off his bathrobe, Allen Chu's breathing began to become rapid. Somewhere in the body began to slowly raise his head.

Noila Mo can always arouse his desires easily.

The bathrobe slipped slowly, and Allen Chu's heart also raised his throat.

However, after seeing the body under the bathrobe, he was deeply disappointed.

Noila Mo actually wore a long T inside! The beautiful figure is completely covered!

Noila Mo raised his arm and was about to start taking off the long T-shirt underneath. Allen Chu's eyes narrowed, and desire began to flow in his eyes.

"Allen! Do you feel thirsty? I brought you something to drink!" A crisp voice sounded at the door, and Vivi walked in with two glasses and a bottle of wine in his hand.

Seeing each other, both Noila Mo and Vivi were surprised.

Vivi asked angrily, "This is a private bathing place, why did you come in!" Anger was burning in his big eyes. This Noila Mo really has a way to seduce Allen while she is away!

Noila Mo was stunned. Hearing what Vivi said just now, Allen Chu was also inside! But why didn't she see it just now?

Regardless of answering Vivi's words, he turned around in a panic, searching for Allen Chu's figure everywhere.

Allen Chu in the shadows saw Vivi coming in and was furious. He could have admired Noila Mo's wonderful body, but was disturbed by this damn stupid woman! Damn it!

He stood up from the pool, and the bathrobe on Allen Chu's body was wetly attached to his body, outlining his strong and fit body.

Walked directly to Vivi and took the glass and bottle in her hand. The voice was harsh and deep: "Get out!"

Tears burst into Vivi's eyes.

Why! She was the female companion that Allen Chu brought over. This wild woman from Noila Mo didn't know where she came from. Now Allen actually drove her away for this woman!

"Allen, I..." Vivi also tried to save it.

"Get out!" Allen Chu scolded without hesitation.

Seeing what Allen Chu looked like, Vivi didn't dare to say anything more, and walked away dingly.

Noila Mo stood beside her chest, coldly watching Allen Chu scolding Vivi. A cold smile came up at the corner of his mouth.

This is Allen Chu, and it hasn't changed at all. For women, when they are in a good mood, they will spoil them, and when they are in a bad mood, they will immediately turn their faces and deny them.

This is Allen Chu, cold, domineering, and doesn't know how to respect women!

Noila Mo felt incredible that she missed Allen Chu just now. It is impossible for her to fall in love with such a man!

Vivi was gone, Noila Mo also watched the whole scene, picked up the bathrobe from the floor, put it on, and was about to leave.

Allen Chu blocked her way.

"Noila." The low, dull voice was still magnetic.

"Sorry, I didn't see you there just now, so I'm bothering you. I'm leaving now." Noila Mo walked around Allen Chu's body and wanted to leave quickly.

At such a good time, Allen Chu really wanted to stay with Noila Moduo for a while. Even if he doesn't do anything, just chat, he is very satisfied.

"Noila, long time no see. Are you okay?" Allen Chu greeted him in a low voice, blocking his body at the door.

"Very good. Thank you for your concern." Noila Mo frowned slightly. What does this man want to do? In the late-night bath, lonely man and widow, this place should not stay long!

Seeing Noila Mo looking like he wanted to leave immediately, Allen Chu's anger rose again. Does this woman hate him so much?

He didn't do anything to her today, just a greeting, which annoyed her so much?

He tightened his brows and asked, "Noila Mo, you hate me so much? Or, you don't have the courage to be with me, afraid that you will be tempted to see my handsome face?"

Haha, Noila Mo, who was nervous before hearing Allen Chu's words, almost laughed. This is too happy. Still handsome face! What a cheeky!

"Yeah, your face is too handsome, I'm afraid I can't hold it, I'll be indecent to you! So I should leave as soon as possible."

"Noila Mo, you coward! You don't dare to face me at all!" Allen Chu began to use the radical method. He knew Noila Mo too well. He knew that Noila Mo had a stubborn personality and could only deal with her with agitation.

Sure enough, Noila Mo was fooled.

A pair of beautiful water eyes directly met Allen Chu's gaze, and said coldly, "Who said I dare not face you?"

Noila Mo's eyes were like two pools of water, and Allen Chu was lost in it all at once. Walking towards Noila Mo step by step like an enchantment, his voice became lower and muffled, and the male breath came closer and closer to Noila Mo.

Noila Mo's heart became nervous again for no reason. But the words have been spoken, it seems too bad for her to escape now!

Seeing the wine bottle in Allen Chu's hand, Noila Mo began to change the subject: "Are you holding wine in your hand?"

Allen Chu smiled, sat down on the short table next to him, poured two glasses of wine, and handed Noila Mo a glass: "It's the best red wine, let's taste it."

Noila Mo bit her lip in embarrassment. She just wanted to change the subject and leave. She didn't expect Allen Chu to call her to drink together.

Seeing Noila Mo hesitating, Allen Chu's eyes brightened, and he seemed to see her inwardly: "Why, dare you? Afraid that I might eat you?"

Cut~! Noila Mo gritted his teeth and sat down. Who is afraid of whom! Just a glass of red wine, can't put her down!

Noila Mo took a sip of the red wine that Allen Chu handed over.

Why is it a bit bitter? Is this the top red wine?

Allen Chu also felt that something was wrong. Today's wine tasted a little strange. But before the beauty, he didn't even think about it. Just kept thinking about how to hold Noiladuo to sit for a while.

He didn't want to use force, because Noila Mo's suicide had scared him last time. He was afraid of the taste of loss. Even if Noila Mo does not belong to him and refuses to see him again, he hopes that Noila Mo will live well. It's okay not to love him.

After a glass of wine, Noila Mo felt a little dizzy. It's strange, it's okay for her to drink a cup!

Noila Mo stood up and wanted to leave early. She instinctively felt that something was wrong, and her body sent a dangerous signal.

Allen Chu also felt that his body was getting hotter and hotter. No, the wine today is not right! This wine was brought in by Vivi just now. Could it be that she drugged it?

Chapter 135

Noila Mo also started to feel something wrong here, her body getting hotter and hotter, and her head started to feel dizzy. Not right, Noila Mo tried his best to turn her mind.

It was good, but after a glass of Allen Chu's wine, it became like this. Did Allen Chu do anything in the wine?

She is too naive! I really shouldn't believe Allen Chu so easily! She should be very clear about who he is!

Noila Mo's bright eyes were filled with mist, and two blushes appeared on her pale cheeks, making her very charming.

My throat is so dry and dumb, I really want to drink a glass of ice water to alleviate the hot body. Noila Mo trembled: "Allen Chu, what the hell are you doing? What did you put in the wine?"

Trying to suppress the restlessness in her heart, Noila Mo's voice was extremely unstable, with a little panting, it sounded more alluring.

Hearing Noila Mo's slight gasping voice, Allen Chu couldn't help it anymore, pushed away the chair and walked towards Noila Mo.

Noila Mo wanted to escape, but her body was soft and she didn't have any strength!

Allen Chu couldn't help it anymore! One leaned over, accurately held Noila Mo's pink lips, and tried to suck.

k*ssing fiercely again, while whispering: "Noila, I miss you so much...do you know? I miss you so much, I'm going crazy thinking about it..."

His hot words of love echoed in Noila Mo's ears: "Noila, why are you so cruel... If you don't see you, you won't see you...you little fairy...you mustn't think about me...you haven't thought about me for a minute? "

Noila Mo's consciousness had gradually blurred, and she couldn't hear what Allen Chu was talking about.

I only knew that his voice was full of pain and surprise, as well as longing, which penetrated deeply into her heart.

...

Gu Jinxin and Pei Jun were walking in front and chatting, and suddenly they turned around and found that Noila Mo was missing.

Gu Jinxin was a little anxious: "It's dark everywhere here, Noila don't get lost, let's go find her!"

Pei Jun finally caught the opportunity to be with Gu Jinxin, and of course he didn't want to go to Noila Mo.

"It's okay. This is our company's private room. The security work is done very well. Noila will be fine. Didn't you see, she doesn't want to be a light bulb." Pei Jun's mouth smirked.

"What light bulb, don't talk nonsense!" Gu Jinxin heard Pei Jun's subtext, and his face turned a little red. Fortunately, the night is very dark, Pei Jun should not be able to see her expression.

Snow fell lightly under the street lamp, as beautiful as a painting.

Gu Jinxin was a bit boyish at first, but he was tempted now. He had to go up and down the wooden walkway to the ground to play in the snow.

Pei Jun looked at Gu Jinxin dozingly, first jumped off the snow, and then stretched out his arm towards Gu Jinxin.

Gu Jinxin blushed and stared at Pei Jun: "What are you doing? Want to eat this girl's tofu?"

Pei Jun looked at Gu Jinxin with a smile: "Yes, Ms. Hua, quickly jump down and let this young master taste it."

This is simply flirting! Gu Jinxin opened Pei Jun's hand, and jumped onto the snow without looking!

People who come to the hot springs are all wearing clogs. The bottom of clogs is inherently inflexible. Gu Jinxin jumped too eagerly, and his body tilted aside.

Pei Jun just stretched out his arm and steadily received Gu Jinxin into his arm.

"Hey! What are you doing, let go!" Gu Jinxin would not appreciate Pei Jun's kindness in catching her! I knew this man had bad intentions!

"Don't let it go! I'm so cold, you are warm." Pei Jun looked at Gu Jinxin with a peach-eyed smile.

"What? Are you warmer than mine?" Gu Jinxin stupidly stretched out his hand to touch Pei Jun's chest.

Look, it's hot! Obviously hotter than my body!

Pei Jun was laughing to death, why is this little girl so simple? Still touching him!

"Little girl, do you know what you are doing?" Pei Jun kindly reminded.

"Ah!..." Gu Jinxin suddenly raised her head and realized the narrow light in Pei Jun's eyes.

I was fooled!

"You rascal! Quickly let me down!" Gu Jinxin desperately broke free from Pei Jun's arms.

"Who is the gangster? You just ate other people's tofu!" Pei Jun thought Gu Jinxin was so funny, and it was a pleasure to argue with her, "Pity my innocence for 27 years! It was ruined by you like this! Responsible to me!"

Pei Jun made an aggrieved look, but peach blossom eyes had a narrow smile.

"You...!" Gu Jinxin was speechless.

————— I am the dividing line of purity —————
—————

Allen Chu and Noila Mo's body were close together, and Allen Chu took a deep breath of the fragrance of Noila Mo's body. He hasn't smelled this scent for three months...

Noila Mo only felt dizzy, but his body was extremely hot...

Allen Chu's hand gently stroked Noila Mo's smooth skin.

He couldn't wait any longer and couldn't bear it anymore.

A big hand stroked the bathrobe on Noila Mo, and the bathrobe fell. The cold air confuses Noila Mo

There is a little more clarity in his mind.

She shuddered all over, she suddenly woke up from her sleep, sober, she was in

doing what?

Haven't you already said that you have nothing to do with this man? Why is this happening again?

Do not! No! This is not what she wants!

Summoning the last trace of sober will, Noila Mo put his small hand against Allen Chu's hard chest: "No!"

Allen Chu smiled evilly: "Nothing? Noila, don't lie to yourself!"

Noila Mo's blushing face turned red like a fire.

Try to maintain your sober will. She made her voice sound colder: "Allen Chu, you know very well that we don't love each other. We can't do things that couples can do!"

Allen Chu twisted Noila Mo's sharp chin: "Who said we don't love each other?"

The deep eyes were a little dark red, looking at the little woman in front of him. She was stabbed by her saying "We are not in love".

At this moment, he was pretty sure that he still loved Noila Mo. He loves her, the past was, the present is, and the future will be. This life will never change.

But this little woman, dare to say that she doesn't love him!

Time and time again, she slipped away from his palm. It hurts his heart. Do not! He can no longer stand her leaving again! He wants her to belong to him! Want it now!

The big hand touched Noila Mo's white and soft back again with blazing temperature, softly, as if coaxing a child, Allen Chu's voice was incredibly gentle: "Noila, I love you. Don't refuse me, okay?"

Shocked by the difficult gentleness of Allen Chu's voice, Noila Mo looked up at him in shock.

There is a deep feeling in the deep eyes, and the feelings are a little bit painful.

Noila Mo's heart trembled for no reason. Her heartstrings were easily moved by Allen Chu's eyes.

Immediately, Noila Mo woke up again.

Allen Chu's love? It was too domineering and heavy, she couldn't accept it at all! She is an independent person with dignity and personality, unable to accept Allen Chu's love like dolls and pets. Want to ban her and let her be his lover?

This is never possible!

Taking a deep breath, Noila Mo looked up at Allen Chu: "Allen Chu, you can figure it out, I can't be your lover!"

Allen Chu hugged Noila Mo tightly into his arms: "Who said I let you be my lover? I want to marry you. Noila, marry me!"

Noila Mo was shocked. Looking up at Allen Chu, his lips have been pressed down.

Noila Mo's brain went blank...
