

You Can Run But You Can't Hide My Contractual Wife Chapter 217

"Good morning, guys!" Trishia's smile was up to her ears while her two girlfriends got her back.

"Aunt Trishia? What are you doing here?" Adam was first to break the silence.

He knew camping was not his Aunt Trishia's thing.

"Well..." Trishia moved to Bill who's beside Arabella then kissed him on his cheek. "We just want to join you guys if you don't mind." She added cheerfully.

Then her eyes landed on the other side of the table.

"OMG! Mr.... Mr. Eric Grant?" Trishia giggled at the handsome Eric who was silently observing the situation.

His eyes were merely focused on Arabella the whole time.

Trishia strode seductively to Eric and gracefully gave her hand to him.

Eric smirked cutely and shook Trishia's hand just not to embarrass her.

"Eric Grant. Hi." Eric sounded plain.

"Hi, I'm Trishia Meyer. Bill's...." She looked at the man who was calmly sitting and sipping his coffee.

"Bill's fiancée before but soon to be his next wife," Trishia claimed confidently.

Eric just nodded and released her hand immediately. The person he hated the most is a hypocrite.

Judging from Trishia's look and words, she was not a friend as she could claim someone's husband vulgarly.

"My mom is more beautiful than you." Ivan, the mute boy suddenly sounded displeased.

"You!" Hearing someone opposed her, Trishia got enraged. She ran towards the boy and pointed at him like she was going to teach him a lesson. "No wonder you wear eyeglasses because your eyes have difficulties in seeing." Childishly, Trishia blurted out at the unfamiliar boy.

"No. I'm not. I can see you clearly." Ivan looked at her and smirked mockingly.

"You!" Trishia giggled in annoyance. "You must teach a lesson!"

"You too." Ivan quickly replied with round eyes.

"Okay. Ivan that's enough." Eric sounded serious and went to Ivan.

"I'm sorry for my nephew's behavior," Eric said apologetically to Trishia.

Hearing the boy was Eric Grant's nephew, Trishia held Ivan's shoulder.

"Oh, it's okay Mr. Grant. He's just a little boy. Like Adam, they could be so over-thinker sometimes. But I find it cute! Really!" Her voice instantly changed to the sweetest melody.

Couldn't stand Trishia's fakeness, Ivan grabbed Adam's hand and they went away.

Eric went back to his seat.

He looked at Arabella who was still eating in silence like she didn't care about her surroundings.

Obviously, she didn't care about Trishia's presence. She seemed used to her arrogance and schemes.

"Hi, I'm Cheska!" A sexy woman strode towards Bill and gave her hand.

"Hello, I'm Fiona!" The other girl model went to Eric.

Bill just looked at the woman. His sharp eyes were dark as he was annoyed by the daring woman in front of him.

"My wife would get mad if I shake your hand." Bill sounded insulting the girl.

On the other hand, Eric just looked at the girl's hand. After a while, he shook it formally.

Arabella was taking her time. She ate like no one is waiting for her to finish.

She wanted to see what Trishia was up to her sleeve. She wanted to see Trishia and her friend's show.

"Hi guys, I'm Mark!" Another unfamiliar voice suddenly sounded.

All looked at the latecomer.

"Oh, I'm sorry. I just woke up." The man named Mark sounded very friendly and charming.

"Mark, come here!" Trishia sounded signaling her hand. He was with Trishia. He was a handsome and sexy model. "Meet Arabella."

"Hi! I'm Markie!" Mark went closer to Arabella and gave his hand but before Arabella could respond, Bill stood up and got Mark's hand.

Mark met Bill's dangerous eyes. Bill squeezed his hand hard and he seemed no plan to let him go.

"What's wrong with you?" Shocked and terrified, Mark asked as he was trying to take away his hand from Bill.

Bill smiled calmly at Mark but his dangerous eyes were pierced at him.

"If you don't want me to break your bones do not talk to my wife ever again." Bill's voice was calm but carried a huge wave of threats.

"Okay! Okay..." Mark replied quickly trying to snatch back his hand but Bill's grip got tighter.

"Ouch! Let go! I didn't know that she's your wife!" Mark shouted in pain but Bill was so stubborn enough not to hear him.

"Okay! Okay! I promise... I promise not to talk to her again." Mark was twisting his body to get rid of Bill's grip.

After hearing him, Bill let go of Mark's hand.

Then Bill took Arabella's hand and dragged her away.

Seeing the couple flee, Eric followed without any words leaving the newcomers on their own.

"Trishia, that man almost broke my wrist!" Mark angrily exclaimed.

"Hey! Don't complain. You have withdrawn the money I sent you from your bank account. So do your job!" Trishia pointed at Mark and reminded him. "You and You!" She pointed at the two girls. "Do your job well! You see your targets, right? Work on your charms! They are just men and all men are all the same as long as you offer your body to them, they will eat you! Clear?"

And that Arabella, she should fall into your hand! Don't make me regret that I hired you!" Trishia was too vicious. She was too desperate to ruined Arabella and Bill's relationship. For her, if she could not do it alone, she might as well use some people that could do anything for money.

Whatever happened, she would not be blamed. These three were experts in this kind of job. They are hired to do ferocious jobs.

Cheska and Fiona were usually hired to allure men by their wives to test if their husbands were faithful to them.

They were also used to get wealth and important information from men.

Mark was a callboy and used his charm to get rich girls, widowers, and old women's money.

They lived by modeling and having this kind of job as their sidelines.

After breakfast, the group went fishing.

Arabella was very happy about their catch.

"Wow! I'm so excited to cook all these for lunch." Arabella happily announced.

Bill, Eric, and the kids smiled brightly at her.

"Our mom is the best!" Adam and Ivan cheerfully sounded together with a high five.

Arabella winked cutely at the kids when her eyes caught Eric who was looking at her with a meaningful smile.

She didn't know what he was thinking but she could see something in his eyes was telling her something.

She quickly averted her gaze back to the water.

"Eric! Eric! I sliced some apples for you. Have a taste of my apples." Fiona walked sexily beside Eric who was now calmly sitting waiting for some fish to eat his bait.

"No, thanks. I am still full." Eric replied politely but Ivan who was sitting beside Eric looked at the new girl with contempt.

"Shhh..." Ivan put his index finger on his mouth signaling Fiona to keep silent. Then he looked at his uncle who was also looking at him.

"Thanks, buddy," Eric whispered with a wink at Adam for saving him. Ivan just shook his head and attentively paid attention to his rod.

"Bill! Bill! Can you teach me how to do it?" Cheska went behind Bill and swiftly held his shoulder.

Arabella looked at the seductive girl whose clothes are almost naked even it was cold in the place.

When everyone was covered with jackets, Trishia and the two girls were like going to a night disco party. Small clothes and low skirts flaunted their long legs.

Bill looked at the hand of Cheska now on his chest.

Arabella rolled her eyes on Cheska but the girl seemed not to care.

She seemed like a ghost who didn't exist besides Bill.

"Bill, please. I really wanted to learn fishing." Cheska sounded very sweet like she had a relationship with Bill for a long time.

Bill quickly took away Cheska's hand from his chest. "Do I know you?" Without any gentleness in his voice, Bill sounded full of irritation.

"Hmmm... I'm Cheska, Bill. I'm Trishia's friend." Cheska managed to answer still wearing her sweet smile. She had to do everything to get Bill or she had to give back Trishia's money.

In his seat, Bill looked up to see Cheska seriously but Cheska suddenly sat on his lap. "Ouch! I'm sorry I slipped." She cried out.

Bill lifted his both hands in the air. He didn't expect that Cheska would fall into his lap. He wanted to push her but he didn't want to touch her.

Plus, he could not harm a woman in front of the boys. Cheska smiled saw Bill's unmoved reaction. She hooked her arms around his neck.

"Bill, I'm really sorry. Ouch!" Cheska sounded melodious. "I can't stand. My ankle hurt." She cried out while she pressed her body to Bill. "Can you carry me to the car?" Cheska pleaded. Her expression was like an adorable puppy who wanted to allure her master.

Behind them was Trishia who was just sitting under the tree carefully watching and enjoying the show. Trishia smiled viciously seeing Cheska on Bill's lap while Arabella was already breathing fire. She was just like playing chess. Eric's glances at Arabella didn't escape from her eyes. Arabella's irritation as well with Cheska was also her favorite while Bill was still someone whom he knew for a long time.

"I know you very well Bill. You can't resist beautiful sexy women." She muttered in the air while folding her arms.

"Ouch! Ouch!"

Trishia stood up after hearing that scream.

Cheska's hair was dragged by Arabella from behind.

"Let go of me!" Cheska demanded in a very bossy and angry tone.

"You are seducing my husband in front of me. Now, let me teach you a lesson that you will never forget!" Arabella said toughly.

"No!No!" Cheska pleaded but Arabella didn't listen.

After a quick second, Cheska was thrown into the water by Arabella.

Everyone stood up but they seemed frozen in their spots.

What Arabella had done to Cheska was very quick and unexpected.

"Help! Help!" Cheska was crying out loud while struggling in the deep water.

"Now, you should remember not to seduce married men ever again!" Arabella roared triumphantly putting her hands on her waist.

A small clap was heard and it was coming from Ivan. Then it was followed by Adam. They applauded like they were amazed by how tough their mom was. Bill also clapped his hand with a cute proud smirk and so was Eric who was also proud of her through his smile.

When they were all entertained by Arabella, someone quickly dived into the water and saved Cheska.

Arabella felt somewhat relieved. She saw earlier the secret flirting of Cheska and Mark so she was sure they had a relationship.

Mark would definitely save her.

Arabella knew this was all Trishia's plan but she would never give her satisfaction.

Never again.

"You, Bitch!" Trishia suddenly roared who was now grabbing Arabella's hair from behind.

She couldn't accept that her plan failed just like that because of her. She used her money to hire these people but she was not entertained enough.

"Trishia! Let me go!" Arabella didn't expect Trishia's sudden attack. She struggled but her scalp was burning.

"Trishia! Let her go!" Eric and Bill suddenly came to her rescue and roared at the same time.

But Trishia was driven by intense madness. No one could scare her at the moment nor she didn't want to listen to anyone even Bill.

"You are the seducer here! You seduced two men at the same time! Aren't you that itchy? You are a slut! You should be the one to be punished!" Trishia roared angrily.

Bill quickly grabbed Trishia's wrist but Trishia stubbornly didn't let go of Arabella's hair instead she tightened her grip even more.

"Let go while I am still nice to you," Bill said with controlled anger.

Trishia looked at Bill and suddenly shivered by his deep dangerous eyes.

She roughly pushed Arabella to the ground.

Arabella shoved directly onto the grasses and made her body pained.

Eric and the kids stormed to her and quickly picked her up carefully.

"Trishia, this is over," Bill said with a dangerous expression. "I don't want to see you again. Leave my house and get out of our lives! Clear?" Bill said firmly.

His expression had no space for negotiation.

His words made Trishia's world became instantly dark.

"No Bill! No Bill! You can't do this to me. Don't forget what I did to your family." She kneeled and hugged Bill's leg but Bill pushed her away roughly like what she had done to Arabella.

Trishia's tears came flowing complementing her expression like she was treated unfairly and badly.

She stood up and her killer eyes were with Arabella.

"You! You think Bill, really loves you?" She laughed like she was going insane. "Bill was just toying you." She laughed again. "... because if Bill really loves you, he will give you"

"Trishia enough!" Bill quickly grabbed Trishia's arm but Trishia struggled and had no plan to listen this time.

"If he really loves you, he had already given you what's in the will of his grandpa...the biggest share of Sky Corporation as his wife." Trishia laughed again like she had already won the battle.

"He was just nice to you because he was protecting his company from you, you mor
