She heaved a deep sigh trying to pacify herself

Her mind was in a deep mess

Now, her speculations had ended

Now, it was another nightmare

’ ‘That tiny thing is your baby

’ Her inner self kept on reminding her

“Baby, I will take care of you

You don’t need to worry

Mommy will love you forever

I promise you that we will be happy forever

I am excited to see you so please be healthy

I will do all my best to protect you

She was going to be a mom again

For sure, Arabella would feel the same too

For a while, the air froze

She could see there was a coldness in his eyes

“What is your plan?” Finally, Eric asked

Everything would end so

Her life was a messy one

It frustrated her a lot

“I know what you’re thinking

” Eric held her hand and she regained her senses

“Arabella, let’s be husband and wife for real

” Eric could not hold his raging emotion

He was angry yet she pitied her situation

After Eric’s words, Arabella was shocked

Someone to call her baby daddy

Secondly, she would have a shelter

A home with Eric and Ivan and her new child

Then she regained her senses looking at his eyes

“Brother, I don’t want to be unfair to you

You deserve a woman who will truly love you

” Arabella stopped and heaved a deep sigh

I am a woman with two kids

Someone had already touched me

” Her eyes became moist

“Brother, you are a very good person

“Helping you is my great pleasure

” Eric heaved a deep sigh before he continued

“I am helping you because

His eyes were talking to hers

They say, your eyes are the windows of your soul

I love you, Arabella

” Eric finished his statement

” Arabella’s heart was beating fast

“I don’t need another woman

Arabella, you complete my world

” Eric smiled along with his sparkling eyes

Your beauty is just so amazing

As a man, I respect relationships but I can’t

It seemed it was not a coincidence

I was on cloud 9 every day

” Eric continued with his sincerest tone

She didn’t want to hurt him

‘Brother, please give me time to think about it

” Eric nodded as he squeezed her hand

‘I don’t want to pressure you

Please take all the time you want

I have been waiting for you for too long

They served them and then left quickly

‘Arabella, don’t worry about your pregnancy

I will take care of everything

‘Thank you, brother

I wanted to keep my child’s real identity

” Arabella answered with controlled hatred

He seemed to be satisfied with her plan

Then he got his wine glass and took a sip

‘I can be your child’s father

I will love your child my own, Arabella

Just give me a chance

” Then Eric took her hand and softly kissed it

The next morning came

She went to water her plants in the garden

The air in the garden was fresh

It was all she wanted

Sexy and foxy with his black stiletto

She was like a barbie with long blonde hair

‘ She answered directly then swiftly left

Meyer was showing how powerful he is

She had to walk 30 minutes to get a cab

Inside the car, she was still in a deep mess

‘Are you okay, Ms

She opened her eyes and sat up straight

She ordered a cold latte and sat in a corner

She heaved a deep sigh stabilizing herself

Meyer just gave her 3 days to get back his wife

‘Wow! I don’t know what to say

‘Why are you here alone?’ He asked frowning

He was obviously puzzled

‘What about you?’ She asked sipping her latte

‘Jayson answered smirking lazily

‘And you?’ He asked her back

Arabella was taken aback

“What is it, Arabella?” He asked

” She heaved a sigh before she continued

“My dad is not dead

I just saw him yesterday

yeah,” Jayson answered absentmindedly

” She blurted out along with a deep sigh

‘Oh! That’s awful

She didn’t want to give them any problem

No problem with that

” He said with a smile

Hearing Jayson, she felt great relief

Of all people, Jayson saw her there

So they exchanged contact numbers

” Suddenly, a female melodious voice was heard

A sexy woman was already in front of them

‘Arabella, meet Jennie Kendler

” Jayson introduced the woman to her

Arabella knew the woman

“Honey, Arabella Jones

” Jayson introduced her

She felt pity for Margaret

“Alone?” Arabella couldn’t help it

She sounded strict but she didn’t care

‘What’s this Jayson? You are married

She was scolding him like her little brother

His expression carried strong refusal

“I just married her to help her

Why she was surrounded by these kinds of men

Untrustworthy and dishonest

From her father to Jayson and Bill Sky

She couldn’t believe it

Men were a great pain in the ass

‘Jayson, Margaret loves you

You have a son Clark

He loves you too! Value the people who love you

Will you? Before it's too late

More likely as her family

Jayson just nodded at her

” She continued not feeling sober from her irk

” Jayson answered lazily

‘I know, Arabella

And I don't love her too

” Jayson answered with a charming smile

This is my life now after you turned me down

Arabella was dumbfounded

It was clear that Jayson blamed her

I promise to help you see your father

They left her in awe

It was another shock of her life

Jayson, her ex-boyfriend became a playboy

‘Arabella, as promised

Tomorrow you will see your dad

Thinking of talking to him again

She still didn't know how to react

” She could only mutter

At your mother's grave
