Now, she had a very big problem

Enough about thinking of Bill Sky

She heaved a very deep sigh

Her frustration was eating her up

There's no time for crying now

Meyer was calling her

At first, she didn't answer

She quickly grabbed the envelope from the floor

Her father's life was in danger

Her phone kept on ringing

Her phone rang again

“Huh! Finally, you answered

“I hear your plan was a failure

” His voice was full of dismay

“Ah!!!” Her father screamed again in agony

Meyer seemed to torture her dad by whipping him

“I will meet Bill Sky now

I will try my best to give it to him

After her words, the screaming stopped

Now here's the thing

“Tomorrow, Arabella Jones

” His voice was serious

It made her goosebumps

She could feel her knees didn’t want to stand

Her heart was so heavy

Meyer is a dangerous man

She would not let that happen

She would not drag Eric in danger with her

He could feel his head was heavy

He was still very worried about her

He took his phone and tried dialing her number

Fortunately, it pushed through

She just didn’t know how worried he is

Brother, it’s nothing

I just feel that I miss all my friends

I miss Adam so much

Thank god that you’re okay

” Eric uttered sincerely

She tried to control it but she couldn’t

He wanted to go directly to where she is

‘I’m very good, brother

I’m just happy to hear your voice

I’m just in my apartment right now

” She declared trying not to lose her cool

Eric felt satisfied hearing her

He was going to surprise her

” He uttered sincerely

Eric’s heart was clenched

” He muttered then ended the call

Then he stepped outside

Tell Martel that I will find my way

He could not wait with his other driver

He walked outside with one suitcase in his hand

He heaved a deep sigh

Cabs were just passing him with passengers

He smirked looking afar

’ He uttered in the air with great satisfaction

He raised his hand and hailed it

The girl quickly opened the door

Eric was pissed as he ran quickly to his cab

“You can’t take my cab woman

‘I’m sorry mister but I’m in a hurry

I have an emergency so I have to take the cab

He pulled her outside again

He wanted to scold her for her rude manner

Her long soft hair danced in the air

Eric’s heart skipped a bit

It seemed everything was in slow motion

His grip on her arms loosened a bit

She is the girl with many names

She is the girl he was looking for

The girl smiled at her

He released her totally

She tapped the driver and they drove away

” He clenched his fists irking so much

, please follow that cab in front of you

She didn't answer

'The cab's driver answered fast

'Brother Eric?' She answered cheerfully

Eric looked at her wearing casual clothes

He was just behind her

'Where are you now?' Eric asked coolly

Will visit you as soon as I get back

Arabella strode inside the hotel's lobby

She looked sporty but chic

Eric continued tailing Arabella

His heart was beating fast

He was not used to Arabella's being secretive

He knew she trusted him a lot

But now, she was on her own

It was on the 55th floor

Eric didn't want to think in advance

She hated him so much

Bill Sky is the villain in her life

Maybe they were together again

Eric felt very restless with his thoughts

Eric quickly went to the hotel's reception

He didn't recognize her but he smiled

Heaven was helping him right now

'Hi!' He uttered in a very friendly tone

Grant, do you remember me? Ms

Grissle from the manager's department

I am one of your hotel's managers before

Grissele, I'm very pleased to meet you here

” Eric quickly cut her

‘I’m sorry but I have to see Mr

‘ Eric leaned over to her

‘Leave it to me, sir,’ Griselle replied

She went away for a little while

He knew she spared an access card successfully

‘I owe you this one Griselle

I’ll pay you for this

He clenched his hands into fists

How he awfully hurt her made him very angry

Meanwhile, Arabella reached the penthouse

The receptionist smiled

He seemed to know her

Adam was just behind the door

She heaved a deep sigh

She was the trespasser

She had still no sleep

Her father, her son, Bill Sky, and Sen

still no one opened the door

She started to doubt if Sen

Meyer's information was accurate

'Use this access card to reach the penthouse

Bill Sky is waiting for you

' She remembered one of Sen

It was up to her now

On the third ring, the door opened

Bill Sky was standing in front of her

He was still in his dark blue suit and tie

Seeing him, her heart jolted

She tried to smile but her lips were trembling

Bill kissed her and that's it

It made her feel disgusted with herself

What she did was also Sen

She was merely a puppet for the Senator now

Bill frowned deeply

‘Aren’t you not going to come inside?’ He asked

‘Bill Sky, I’m here to give this to you

‘ She smashed the folder on his muscled chest

His touch made her feel nervous

It was warm sending her different sensations

‘ There was an emphasis in all his words

His words were all direct to her soul

She wanted to run away but she couldn’t

She thought, he was still out of the country

He obviously didn’t like someone ordering him

He smirked handsomely at his uninvited guests

Grant, I think you are barking at the wrong tree

‘ He smiled provokingly

With questioning eyes, Eric looked at Arabella

He was sincerely waiting for her explanation

‘Brother Eric, I’m

Meyer would surely take him down too

Worst, he would use her too to get Eric’s money

That would never happen

She would never make it happen

It's my decision to go here

I have something to settle with him

'Come on, Arabella, talk to me

If you have a problem tell me

We can solve it together

Arabella quickly got Bill's message

He wanted her to shoo Eric immediately

She didn't know how to explain Eric

'Is this about Adam? Then I stay with you

Hopefully, Eric would understand and go

'No! She's not here to talk about our son

” Bill was obviously playing with them

His smirk was so annoying

'Brother, please go now

I will explain later

I will not go if you will not come with me

” Eric answered stubbornly

“It was not a request but an order

His tone was calm but dangerous

“Oh, what about you choose

I wanna hear, who are you going to choose

Arabella shot Bill with daggers
