

Coolest Girl in Town Chapter 267

Chapter 267, Coolest Girl in Town

All the students stood in a long line aside and watched as their classmates entered the track for the assessment. Addison was at the very front of the line. She barely passed the 50-meter run and was exhausted when she finished. Soon, it was Janice's turn. Standing at the starting line, she had a calm expression on her face. As soon as she heard Harry's command to start, she sprinted forward as quickly as lightning. Ruthlessly and steadily, she crossed all the obstacles, prompting her other classmates to squeal in excitement. "Wow! She's so good!" "My gosh! I couldn't tackle that obstacle. I can't believe she passed it so easily!" "Why did it seem so difficult for me but so easy for her?" To everyone's amazement, Janice successfully completed the obstacle course in 2 minutes and 37 seconds. Everyone applauded, and even Harry couldn't refrain from expressing approval. "You performed really well. You're guaranteed to receive full marks with such a result. Everyone, please learn from Janice." Smiling brightly, she answered humbly, "Thank you, Sir. I was able to achieve such results because I've been training since young. It's normal that everyone else did poorly since they rarely train. You can't use me as a comparison." "You were amazing, Janice!"

"I'm so jealous that you started training at a young age. You have such a good physique. "You're our class' number one!" Listening to everyone's praises, she couldn't help but feel a little smug. Then, she glanced at Harry. As their gazes met, he couldn't help but cough and avert his eyes. "Alright. Next is Elise!" When he called Elise, she simply acknowledged and went to the starting line. "Okay. Your time starts now!" As soon as he said this, she started running and passed the first obstacle effortlessly. Her movements were even swifter than Janice's.

All the students who were watching were stunned. As she ran along the course, her movements were swift, and there was hardly any hesitation. After passing all the obstacles, she sprinted toward the finish line. "What the heck? She's so fast!" "She already reached the finish line before I realized it." "Sir, what's her result?" Quickly, Harry came back to his senses. Luckily, he managed to record her result immediately after she finished. When he looked down and saw the numbers on the timer, he tensed. "1 minute and 59 seconds!" Everyone gasped when they heard the numbers. "Sir, did I hear that correctly? Did she really finish it in 1 minute and 59 seconds? That's unbelievable!"

"That's right. Elise only used 1 minute and 59 seconds to complete the obstacle course," he confirmed. Instantaneously, there was a burst of applause. Watching as she walked over, everyone couldn't help but cheer. "You're so cool, Elise!" "1 minute and 59 seconds! You're the legend of our class!" When Janice heard their cries, her face turned grim and then white. She was terribly unhappy. It was just a few minutes ago that they were still cheering for her. Now, everyone's attention was on Elise. Completing the obstacle in 1 minute and 59 seconds was an achievement Janice never dared to imagine. Yet, Janice was unwilling to accept the fact that she had lost to Elise. How is it possible that I've lost to someone so ordinary?

Are my years of training in vain? Janice clenched her fists. Glaring at Elise, who was walking over, her eyes dimmed. "Your results are quite good; you surpassed

a professional athlete's level. May I know if you've received any professional training before?" Harry asked. Elise narrowed her eyes. The training she underwent was confidential and could not be considered professional training. Besides, she was not at liberty to disclose it. Hence, she had no choice but to reply, "Nope!" "Not bad! It's a great start!" Harry praised with a nod. Everyone cast her envious glances.

"Go ahead and take a rest at the side!" Harry told her. With that, she acknowledged him and went to the side to rest. Just then, Janice stopped her. "Hold on!" Hearing this, Elise turned to look at Janice and asked, "Yes?" Janice lifted her eyes and crossed her arms. "Let's have a competition, shall we?" It was an outright challenge from her. Meanwhile, the other students gathered around and watched enthusiastically. "Wow! A competition between two of the best! It'll definitely be entertaining!" "Hey, Erudite Elise! Why don't you satisfy our curiosity?"

"Come on! We're rooting for you!" In response, Elise furrowed her brows as she was not interested to compete with Janice. Then, she said, "Sorry, I can't compete with you." It was the first time that Janice was rejected, and it made her upset. Thinking that Elise was looking down on her, she boiled with anger. "Why? Are you scared?" Upon hearing this, Elise lifted her eyes to meet Janice's and simply replied, "I just think it's unnecessary." As soon as Elise said so, Janice's face darkened. "What, now? Are all ugly people so unreasonable?" Disregarding Elise's feelings, Janice insulted her harshly. "Do you have low self-esteem? Is that why you keep wearing that mask? To be honest, nobody would laugh at you for being ugly."

Immediately, Elise's eyes sank. Seeing this, Addison stepped forward and spoke up against Janice. "People with manners wouldn't criticize other people for their shortcomings. Do you really think that you're the best? You should know that there's always someone better." "It's none of your business! What a busybody!" Janice snorted. Hearing this made Addison furious. Just as Addison was about to retort, Elise pulled her back and gave her an assuring look. Then, Addison said, "What are you scared of, Elise? Compete with her! You're much better than her, and everyone saw your result earlier. Even Sergeant Miller said that you're as good as a professional athlete! Anyway, she already lost to you, so why should you reject her?"

Besides, I can't stand that annoying face of hers. How disgusting!" "Who are you calling disgusting?" Janice pointed at Addison fiercely before rolling her eyes. "Do you seriously think that she's afraid of you? We're just worried that you might look bad after losing to her!" Janice had never faced such humiliation before. "Are you brave enough for a match with me?" With a frown, Elise questioned, "What event do you want to compete in?"

Quickly, Janice replied, "Any event's fine. You choose. I'm okay with anything." At that moment, Janice sounded so arrogant that even Harry couldn't help but give her a worried look. However, Janice completely ignored him and stared at Elise as she gritted her teeth. Janice had to prove that she was better. "So, are you up for it?"

Everybody stared at Elise while Addison cheered, "Break a leg!" In response, Elise pursed her lips before replying, "I will." As soon as Elise accepted the challenge, Janice already knew that she would win. With years of training experience, beating Elise was a piece of cake. Hence, Janice suggested, "What's the point of just competing? Let's place a bet to make it more exciting." "What kind of bet?" Elise asked calmly. Looking at Elise, Janice finally said, "How about you take off your mask in front of everyone if you lose?" When Addison heard this, she was furious.

"You're doing this on purpose, aren't you?" Ignoring Addison, Janice challenged Elise. "So? Are you up for it?" Then, the corner of Elise's mouth tugged upward. "What if you lose?" Immediately, Janice answered, "Do you think I'd lose?" The idea of her losing never popped into her mind. "Tsk tsk... You should look at the situation you're in before making big statements as such. Stop acting like you're invincible. It's annoying," Addison criticized with disdain. With a cold snort, Janice stated, "I'll do anything you want if I lose." Quickly, Elise uttered, "I won't ask for anything else. I just want you to apologize in front of everyone. Can you do that?" "Sure. So, what are we competing in?"

Janice replied indifferently. Hearing this, Elise responded, "You choose! I don't want you to think that I'm bullying you." Janice was offended. "You really don't know your place, do you? I've been through so much training since I was three, so every event is my strong suit. Do you think I'd worry if you're bullying me? You can choose! I don't want you refusing to accept defeat." With that, Elise nodded her head and looked around before saying, "Let's compete in three events. The first to win two games is the winner." "Sure." Then, Elise pointed to the side. "Shooting, rock climbing, and a 100-meter obstacle course. Are you okay with that?" "No problem." After reaching a consensus, everyone sensed war between the two.

Noticing that the situation was about to go out of control, Harry stood up. "I'll be the judge. I promise to be fair and just." "Sure." "Okay!" Elise and Janice replied at the same time. "Alright. Now, let's move to the shooting range and prepare." All the students cheered because they wouldn't have to train anymore as they would be watching Elise and Janice compete. With an excited look on their faces, they hurried to the shooting range. "The competition rules are simple. 10-meter shooting range and three chances. Whoever scores the highest wins."

As soon as Harry finished, he prepared two handguns for Elise and Janice. Right after, the two ladies positioned themselves and started aiming at the target board with their guns. "There's no turning back now. A bet's a bet." After saying this, Janice took her aim quickly. Then, there was a loud bang as she took her shot. Soon after, the target inspector announced loudly, "9 points!" As for Elise, she aimed at the bullseye and pulled the trigger. "Elise, 9 points!" Upon hearing this, everyone cheered. "Good luck, Elise!" Addison shouted with the rest of the crowd. Meanwhile, there were also many people rooting for Janice. "All the best, Janice!" Janice smirked and continued with her second shot. "9.5 points. 9.5 points."

For the second shot, both of them received the same score again. With constant training, Janice was mentally tough. Yet, she started to waver upon seeing this.

Holding the gun, she prepared to fire her third shot. Then, the inspector shouted excitedly, "10 points! 10 points for Janice!" As soon as he said so, Janice smiled smugly and glanced at Elise provokingly. "Fire your last shot well. Be careful not to miss because you'll lose if you do." Unfazed, Elise took her aim. A loud bang sounded before the inspector shouted, "10 points! 10 points as well!" Then, there was a loud roar of applause. "Well done, Elise!" Janice's face turned grim as soon as she heard this. She thought that she would win, but they ended up with a tie after three rounds.

Without a winner, they would have to play another round. However, she had lost all her confidence. After taking her aim, she fired and scored 9 points. Seeing this, she frowned, and her hands started to sweat. With standard movements, Elise aimed at the target and fired. The bullet shot through the bullseye. "10 points! Elise scored 10 points! Elise wins this game!" Instantaneously, Janice's face turned dark. Shooting was her forte, yet she had lost to Elise. "You're amazing, Elise!" Addison showered Elise with praises. Then, Addison shot Janice a provocative look. "Some people are just too ambitious. Now, everyone knows that Elise is much better." Janice clenched her fists and hissed through gritted teeth, "This is only the first game.

Best of three, don't you understand? She only won the first game, and there are two more. I'm not scared!" Helplessly, Addison sighed. "You really don't give up, do you? Never mind. Elise will give you a lesson," she commented irritatingly. Janice was boiling with anger when she heard this. Yet, her arrogance was greatly extinguished after she lost the first event. Hence, she simply gritted her teeth and said nothing in response to Addison's comment. "See you at the rock climbing site. I'll definitely win this time." With that, Janice straightened her back and walked away.

Annoyed by Janice's cocky attitude, Addison stuck her tongue out behind Janice's back. "Do your best, Elise! We're all rooting for you!" After acknowledging Addison, Elise made her way to the rock climbing site. With a height of 50 meters, the venue was the university's biggest rock-climbing site.

After fastening their safety harnesses, Elise and Janice ran toward the wall at Harry's command. Upon hearing Harry's command, Janice climbed halfway up the wall in a dash. Turning her head back, she glanced disdainfully at Elise, who was behind her. Then, she looked back ahead and continued to climb. Physically strong, she was still breathing steadily halfway up the wall. Yet, she began to lose momentum after that.

Stepping on one of the climbing holds, she gazed at the finishing line not far away. Then, she took a deep breath and told herself to keep it up. However, her foot slipped, and she nearly fell. "Hang on, Janice! You can do it!" the students down below cheered. Right after, she calmed herself and reached out for the next climbing hold. Just then, she realized that Elise had caught up to her.
