

CORRUPT CREATIONS

Chapter 224 - Fighting For Dominance \*

While Seth was still lost, enjoying the beautiful view in front of him, Jiang Yi started to move towards him, climbing up the bed and moving his way. The way she did it, captured Seth putting him in an enchanted state.

But instead of doing anything a common couple would do, like kissing or even fucking, she pushed Seth down on the bed, moving her legs towards his face and positioning them on each side of his head.

Jiang Yi was basking on the feeling of dominating over him, someone not only stronger but with superior status than her.

Her legs took the position of an inverse V, staying opened right before Seth's face and giving him the complete uncensored view.

Seth was surprised to see her sacred garden right in front of his eyes. If he had been caught off guard in the situation before and was out of words, on this particular situation, he couldn't even properly form a thought other than the desire to completely eat that pussy.

Giggle!

Jiang Yi felt a bit embarrassed, but she was enjoying the feeling of a man directly staring at her most secret place. However, she felt that there was something missing. But this time, she knew what it was and in order to supply what was missing, there was only one thing to do.

Jiang Yi abruptly lowered her hips, sitting on Seth's face. Her beautiful lower lips, going for a direct kiss with Seth's lips.

Seth couldn't believe he was receiving a kiss like that, but since he loved to kiss, he opened his mouth and started to eat the meal she delivered for him.

"Ahn!"

Seth ate it like he has been starving for many days, making sure to kiss every part of her, until he finally stopped right at her pink pearl.

Suddenly, he sent his tongue to attack it, sucking and swirling with everything he got.

"AH! Ahn!

Jiang Yi started to moan uncontrollably, feeling a pleasure she wasn't able to feel when she did it by herself. That pleasure left her super excited, making her slit wet with sweet nectar. But just as it was being produced, Seth made sure to lick it clean.

Jiang Yi started to swing her hips forward and backward and at the same time her legs pressured Seth's head in the middle. Her restlessness was a signal that there was something building up inside of her.

While doing that, she delighted that she was able to do one of the things she initially wanted to do with Seth; dominating him. Impressively, she felt it was way better than she initially thought it would be. Truth be told, Jiang Yi didn't plan on going this far with him when they were at the party inside her father's house. She would only whip and toy with him, making him do what she wanted. But something changed after she saw his strength and the woman he had, Rina.

After that, a feeling of conquering something impossible and stealing from someone way better than her, made her disregard her past limits. She was certain that doing that would be very exciting experience and at the same time, a thing that would fuel her ego.

With both of them moving unrestrained, Jiang Yi quickly felt something big was coming. Her back arched up as she felt a huge pleasure right at the area where Seth was wildly sucking. Her muscles started to strongly contract and

her brain released all the pleasure hormones she wanted, making her reach the best climax of her life.

Suddenly, Seth felt a lot of sweet nectar spraying on his face. There was so much of it that he wasn't able to drink it all at once; however, that sudden bath, made something inside of him wake up.

While Jiang Yi was still delighting on that explosive sensation, Seth suddenly pushed her down, standing from the position he was and getting Jiang Yi by surprise.

With this woman he didn't need to stand on ceremony, he could go harder and release his most primitive lustful desires on her body, and that's what he was going to do. If that's what she wanted, then he would give her that. But it would be his way, not hers, because he wasn't a submissive person.

The monster that awakened inside of him, wanted to dominate her, that's why after pushing her down, he grabbed both her hands and pinned them behind her head. He held them there with his right hand, while with the left, he separated Jiang Yi's legs, opening them wide and revealing her beautiful wet heaven for him.

Jiang Yi squirmed around, trying to free her hands and invert the situation, pinning Seth down and ride him again, but nothing she could do was able to free her from his strong hands.

Seth looked at the inviting position she was in and his already hardened rod, got even harder. With Jiang Yi, it didn't matter if she was a virgin or not, he would assault her without mercy. And because of the super excited face she was making, he felt it was the necessary proof showing that she was more than ready.

Seth positioned his dick at the right place, moving his hips forward and ravaging her insides with a single thrust. He just stopped when it hit the end of the road.

Gasp!

Jiang Yi felt full. She could swear that there wasn't space down there that wasn't filled with him.

Seth realized that while thrusting, he didn't feel any resistance in the way, meaning that she was not a virgin, but that was to be expected by someone like her. He didn't give a shit about that, but it seemed that Jiang Yi herself did.

After recovering from that first thrust she received, Jiang Yi smiled and looked right at Seth's eyes.

"Hehehe... Did you think you would be the one to steal my virginity? No man could ever do that! I was the one that ripped it off while pleasuring myself."

There was a victorious smile on her face, showing Seth she would not be a trophy on his collection. She thought that saying this would make her stand on top of his ego, dominating over him again. However, her phrase actually made Seth value this situation a bit more, since it implied, she didn't do it with anyone.

He smiled back at her and said: "I may not have stolen your virginity, but that doesn't matter. I'll make sure to stole every inch of this body of yours, making you never forget the feeling of my dick inside you."

"Ahn!"

He started to move, not caring if she was feeling any pain at all. Actually, he knew that even if she was in pain, she would actually like it, since she had that kind of kink.

"Ahhh!"

With every move, he attacked her at a different spot, making sure to identify the places Jiang Yi reacted more. Less than two minutes later, he already knew her sweet spot.

"Hmm! Ahn!"

While still holding her hands above her head, he started to move faster, focusing on hitting the same spot over and over. The way he was penetrating her, was more like he was trying to plunder her essence, going rough and fast.

Even though Jiang Yi had those peculiar tastes, she was actually inexperienced and her body was not able to last long while being plundered like that.

Her limbs started to tremble and a sensation that seemed thousand times stronger than the one she felt before, was building up inside her body.

"AH! AH! AH!"

Even though Seth saw Jiang Yi's body writhing below him, he kept attacking her without mercy. She was able to awaken a sleeping beast inside his body, that shouldn't have been awoken.

"AHHHH! It's coming! AHNNN!!!"

Suddenly, Seth felt his weapon was being squeezed from all sides and he was forced to stop to enjoy that feeling. The view in front of him was pleasing to the eyes, something that made him delight.

Jiang Yi was currently inside a white world of pleasure. Her body was acting as if she had been electrocuted. Her pelvic muscles kept spasming with the intense pleasure she was currently feeling.

Seth kept feeling her insides moving restless and getting more and more lubricated, as if it knew that he would not stop with a single round.

Pant! Pant! Pant!

Jiang Yi didn't have words to express what she felt. Just because of that, she considered everything was worth it.

Seth released her hands and moved away from her, taking his dick out of her.

"Ah!"

But suddenly, Seth lifted her body, turning her around and putting Jiang Yi in a position where her butt got totally exposed for him. Not even letting her adjust her position properly, he inserted his weapon back in, completely taking her off guard.

There were no words in between their endless rounds of pleasure, just moans and naughty noises.. Seth was releasing all his hidden strong libido right on her body, while Jiang Yi was having the time of her life.
