Chapter 1411: Special Investigation mission

In the evening, a silver-gray Chevrolet Cruze quietly drove to a building in the western suburbs of Harland city.

The car drove into the parking lot and parked in an inconspicuous corner.

"It's here." The driver was Xiao hang, the captain of the Secret Service. He turned to Zhao Yu and Miao Ying, who were in the back seat, and said, "Wanghai restaurant is a large comprehensive club. The building in front only serves normal guests.

"The villa area behind is a high-class private club used to entertain distinguished guests."

"Meowmeowmeow...It's not that I want to say this ..." Zhao Yu did not respond to Xiao hang's introduction, but instead pressed on his tie and complained to Miao Ying, "this suit really doesn't fit me. I can't breathe with the tie on!"

"Don't be ungrateful. This shirt is still 9999 after the discount!" Miao Ying helped Zhao Yu adjust the collar of his suit. "You just don't wear it often, so you're not used to it!"

"Alright! But ... To be honest," Zhao Yu pointed to Miao Ying's light blue evening gown and said, "we're here to investigate a case, so your outfit is too eye-catching. Shouldn't we be more low-key?"

"I think it's okay ..." Xiao hang said as he wiped the cold sweat from his forehead. "You'll know when you go in later." This club is very famous, and the people who come here are either rich or noble. Team leader Miao's clothes are not exaggerated at all!"

"This doesn't feel like investigating a case!" Zhao Yu said, "it's more like a secret agent completing a secret mission!"

Then, Zhao Yu made a classic 007 gesture.

"You're still in the mood to play?" Miao Ying shook her head and sighed. "Tomorrow is the three-day deadline of Liang perseverance. If we can't find anything here tonight, then we'll just wait and see!"

"Don't be so discouraged," Zhao Yu said encouragingly. "Since the three victims came here on the same day, it's very likely that there is a secret here!"

"Maybe the answer that Liang Weiyi wants us to know is right here!" He patted the gun hidden on his ankle and asked, "how is it? are you guys wearing your guns?"

"That goes without saying," Miao Ying said, pointing at her thigh under her long skirt. She shook her head and said, "but ... I still don't think so!" Although we found out that the three victims came here one day, but ... What if the three of them had agreed to meet?

"They only had a meal here. What else can we find out other than the menu they ate?"

"We've checked their surveillance cameras before," Xiao hang said. "But ... Only the open area in front has surveillance cameras. We didn't find any footage of the three people. They must have gone to the VIP area in the back."

“But there are no surveillance cameras in the VIP area!” Xiao hang said, “I guess it’s to ensure the absolute privacy of the nobles and tycoons?”

“I still don’t quite understand ...” Miao Ying pointed to the entrance of the club and asked, “why don’t we send a team of police officers in and directly ask them about the three people?”

“Of course not,” Zhao Yu said. “We don’t know what’s going on, so we can’t reveal the death of the three of them!”

“I don’t understand that!” Miao Ying continued, “after we go in, what should we do? There are no surveillance cameras inside, and we can’t find any witnesses. How can we investigate?”

“Hmm...About this! Don’t worry, let’s talk inside!” Zhao Yu said excitedly, “let’s go in and think of a way!”

“I think ...” Xiao hang said. “Those three people must be VIP members here. We should at least find a way to get their membership records. Maybe we can find something?”

“Then, let’s stop dilly-dallying.” Zhao Yu rubbed his hands eagerly. “I’m a little hungry. Since I’m here in Harland, I should at least try the seafood here!” Let’s go, even if we can’t find any clues, we still need to fill our stomachs!”

Then, under Zhao Yu’s lead, the three of them finally got out of the car and went to the main door of the sea-gazing tower.

Earlier that day, Xiao hang and the others had confirmed the identity of the first male body. It was Cai Xingwen, whom he had suspected before.

After that, secret services launched a secret investigation on the relatives and friends of the three deceased, including monitoring and even tracking, but so far, no suspicious people had been found.

The family and friends of the three deceased did not know their true identities at all.

Hence, Xiao hang immediately shifted his focus to the victims themselves. Through the continuous deduction of the video, he finally found a point where the trajectories of the three victims overlapped.

It turned out that about 60 days ago, Cai Xingwen, Huang Baili, and Xing feiyuan had all been to a large club called the sea-gazing tower in Hailan city at the same time.

Zhao Yu couldn’t help but suspect that the three of them might have arranged to meet here, so he decided to investigate the scene.

However, just as Zhao Yu had said, they still didn’t know why Liang Weiwen had left the murder puzzle behind. So, they didn’t want to investigate it openly, in case they alerted the enemy or attracted other unnecessary trouble.

Thus, the three of them put on formal clothes and dressed up as guests, and came to visit secretly.

In fact, even though Zhao Yu looked confident, he didn’t know how he was going to start his investigation in secret after entering the clubhouse. What exactly did he want to investigate?

Sigh ...

Because of this, when he entered the hall, Zhao Yu couldn't help but take a look at his Miracle System. He started to miss the days when he could get a hexagram!

How good would it be if I could get a hexagram now? At least he could be prepared according to the prediction of the hexagram. But now, because he couldn't open a hexagram, he only felt a little lost and didn't know where to start.

"Hello," the front desk staff said politely to the three of them. "Our VIP area is only open to members. At least one of you must be a member!"

"And ... You have to make a reservation. Our seats are very limited ..."

"F * ck!"

Zhao Yu didn't expect there to be so many rules here, so he immediately cursed angrily. It was obvious that if they wanted to find out anything, they would have to at least go to the VIP area.

"00575," Xiao hang called out. He then said to the waitress, "see if it's me." I've already made a reservation!"

"Oh ... Please wait a moment ..." The staff hurriedly searched on the computer and found the member's information with Xiao hang's photo. "You've reserved table 5 in the VIP hall. Please wait a moment, I'll have someone bring you in!"

"It's fine," Xiao hang said with a domineering expression. "I come here often, so I'll go by myself!"

Then, he gestured to Zhao Yu and the other man, and the three of them walked into the VIP area.

"You brat, have you been here before?" Zhao Yu asked, "how did you get their membership?"

"Hehe, boss, if you can't even handle such a small matter, how can you call yourself the Secret Service?" Xiao hang said, smiling.

"Oh ..." Zhao Yu suddenly realized that Xiao hang had secretly used some tricks.

When the three of them arrived at the VIP area, it wasn't as crowded as they had expected. From the corridor, they could see that many of the elegant private rooms were empty, even a little empty.

"What do you mean by tight seats!" Zhao Yu frowned. "They're all empty!"

"This is called rare goods that can be held," Xiao hang said as he led the two of them to the hall of the VIP area. "No matter how many empty seats there are, they all said that there are no seats! What I can't get is the best ..."

As they spoke, the three of them arrived at the entrance of the VIP hall. Zhao Yu stood at the entrance and said to the two of them, "Everyone, pay attention later. The assassins who believe in the patuo sect all have tattoos on their bodies!"

"We need to focus on the people with tattoos!"

Then, Zhao Yu opened the door and walked in.

In the end, he was dumbfounded as soon as he entered the hall. Half of the room was filled with people in the VIP hall, all of them shirtless, and all of them had Kasaya tattoos!

Chapter 1412: you're treating!

"What is this?" As soon as they entered the VIP hall, Miao Ying pouted and complained to Xiao hang, "I can't believe you're so good at gathering information. I came here in an evening dress. This place is almost like a bathhouse, let alone a cafeteria."

"This ... This ..." Looking at the tattooed man, Xiao hang wiped the cold sweat from his forehead and explained gloomily, "special circumstances, it should be special circumstances! From the information we have, not to mention evening dresses, there are even people wearing trendy fashion! But how ... I didn't expect it, I really didn't expect it ..."

As far as the eye could see, there were at least four large tables of guests in the large VIP hall. All of them were men with bare arms and tattoos.

They were either smoking, drinking, or cursing, turning the hall into a foul mess. How could it still look like a VIP dining hall?

However, Zhao Yu was familiar with the affairs of the underworld, so he could almost see at a glance that although these people were dressed similarly, the seats they were sitting in were clearly separated. They were obviously divided into two groups.

Moreover, the people on both sides were staring at each other. It didn't seem like they were here to eat.

No way?

Zhao Yu was a little surprised. Looking at the situation, the two groups were most likely here to negotiate. The Zhao Yu from before he transmigrated had attended many such events, so he was naturally very familiar with them.

The reason why they were shirtless and showed their tattoos was nothing more than to overwhelm each other with their aura.

However ... The usual negotiations in the pugilistic world were usually held at food stalls or low-end restaurants. It was rare to come to such a high-end place!

Looking at the tattooed men, who were shouting and yelling, there might be other guests in the hall, but they must have all been scared away, except for Zhao Yu and the other two.

"I'm not scolding you, Xiao hang!" Zhao Yu complained, "since you can choose here, why did you choose the main hall when there are so many other private rooms out there?"

"How would I know it would be like this?" Xiao hang explained innocently, "I think it'll be easier to get information if there are more people in the hall."

Miao Ying looked at the number on the table. They had booked Table 5, and it was right next to the tattooed men.

Xiao hang frowned. "Should I go to another table?" he asked.

"Sigh, forget it." Zhao Yu pointed at the table and said with great interest, "since we're here, let's just make do with it. We're not here to eat anyway, so let's make do with it!"

Then, Zhao Yu pulled Miao Ying towards table five.

"Jiang Liu!" Zhao Yu and the other two had just come to the table when they heard an older man among the tattooed men shout at the other side, "you have a lot of money on both sides! Lang Jiang is so big, why do you have to go against me? Aren't you afraid of being stuffed to death?"

"Boss Jia, you have to speak with your conscience," a bald man at another table said through gritted teeth. "I won the No. 3 Boatshop through bidding, and the procedures are legal. You can't just take advantage of your seniority and always come to make trouble for me, right?"

"I know how many years you've been at the langjiang Wharf, but you must not make things difficult for me. If you're jealous, why don't you bid for it?"

"Let's order, let's order ... Waiter ..." After Zhao Yu and the other two sat down, they realized that there was no waiter coming to order. Zhao Yu called out to them a few times, but there was no one. He couldn't help but feel a little angry and immediately shouted, "what kind of private club is this?" There's not even a place to order?"

"Hey, bro ..." As Zhao Yu's voice was loud, a tattooed man with a goatee at the next table said to Zhao Yu, "he orders by pressing the buttons here. Look at the touch screen ..."

As the goateed man pointed, Zhao Yu saw that there was an LCD screen on the table.

"Oh ... Thanks!" Zhao Yu nodded politely, then started to fiddle with the menu.

Bang!

"You make it sound so simple." The guy called boss Jia slammed the table and shouted at Jiang Liu angrily, "don't think I don't know what you did during the bidding.

"I'm telling you, if you don't give me an explanation today, don't even think about mingling in lang Jiang city in the future!"

Hearing boss Jia's words, his men also started to clamor, including the man with the goatee who had tried to strike up a conversation with Zhao Yu.

"Hmm ... I think this seafood set meal is not bad," Zhao Yu said, pointing to the menu. "It's only 888 Yuan, with caviar and red wine. It's not expensive!"

"I think it's fine," Xiao hang said with a smile. "As long as it's your treat, I'll eat anything!"

"Please ..." Miao Ying rolled her eyes at the two of them and said, "if we just eat here, how are we going to check our member numbers? I think we should take the photos of those three people and ask the service staff here if they have any impression of them. "

"That's a good idea ..." Zhao Yu replied as he pressed the order button. "We should ask them with their photos. Maybe Liang perseverance was here before!"

Bang!

"Boss Jia, you're wrong to say that!" The bald man named Jiang Liu slammed the table and shouted at boss Jia, "I'm not afraid of wearing shoes. If you dare to come and cause trouble, I'll fight you to the death. Let's see who's going to suffer the biggest loss!"

"Right! Don't think that we're afraid of you just because you're so arrogant. Come and try if you dare!" Jiang Liu's underlings echoed in a domineering manner.

"What are you saying? do you think you're going to die too slowly?" Boss Jia's side was also not to be outdone. Many people slammed the table and stood up.

As they clamored, some people began to grab wine bottles, some people began to grab chairs and stools, and the scene was about to go out of control ...

"It's so noisy here ..." Miao Ying looked at the people who were making threatening gestures, shook her head, and said, "we really shouldn't have come here today. It's messing up my train of thought!"

"Hmm ... Why don't we have a bet?" Zhao Yu said with a serious smile. "Guess if they've started fighting? Who's wrong and who's treating?"

"Good, not bad, not bad!" Xiao hang immediately responded, "I bet they won't fight. This is a public place. The club should have called the police long ago!" "Once the police come, I'm sure there won't be a fight!"

"Alright, I'll bet that they'll fight!" Zhao Yu could tell that the referee was not afraid of a big funeral, so he said, "without a middleman, it's rare to come to an agreement on things like fighting for territory!"

"Miao meow ..." Zhao Yu asked Miao Ying playfully, "what about you?"

"I just want to investigate the case," Miao Ying said, crossing her arms. "Do you two want to have fun?"

"Hey, I say ..." Just as Miao Ying finished speaking, the man with the goatee suddenly turned around and said to Zhao Yu and the others, "I think I need to remind you guys that you should change tables! Hurry up!" "It's not suitable to have your blood splattered all over you when we fight later!"

"Hahaha...Yes, yes ..." A man with a cigarette in his mouth next to the goateed man seemed to have drunk too much. His face was red as he laughed a few times, then suddenly blew a few smoke rings in Zhao Yu's direction.

Such an action was extremely impolite. If it was any other time, Zhao Yu would have let him have a taste of the temperature of his fist. However, the situation was still unclear, and Zhao Yu didn't want to act rashly.

"It's okay, it's okay," Zhao Yu said indifferently. "You guys go ahead, I like to see people getting hit and chopped!"

"You ..."

The goateed man glared at Zhao Yu and wanted to say something.

Unexpectedly, an urgent voice suddenly came from the entrance of the hall,”

“Aiya, Aiya ... What’s going on ... Stop, stop ...” A middle-aged man in a suit ran in quickly and bowed to the crowd.”Bosses, bosses, please HOLD it in. Let’s talk this out ... Let’s talk this out!”

“Boss Jia, brother Jiang,” the middle-aged man cupped his fists at the two of them and hurriedly tried to persuade them,”let’s not do this for the sake of the monk, but for the sake of the Buddha. Even if it’s not for me, you two should at least give my Big Boss some face, right?”

Upon hearing the middle-aged man’s persuasion, the two bosses hurriedly raised their hands to signal their subordinates to quiet down.

Puchi ...

Xiao hang couldn’t help but laugh. He snapped his fingers at Zhao Yu.”Team leader Zhao, I think this meal is on you!”

Chapter 1413: -peace is important

The middle-aged man in a suit was thin, with long but sharp hair. From his tone, he should be the lobby manager of the club.

“Everyone, everything in the world can be discussed. Didn’t the United States and North Korea hold a meeting?” This person was good with words and immediately persuaded,”I hope that the two bosses will give us some face. How about this? isn’t it just your matter at the riverbank Pier?

“Why don’t we sit down and discuss a solution together? we can work together to achieve a win-win situation and live in harmony. It’s not better than fighting and killing, right?

“Come, come, come ...” He beckoned to the waiter in the distance and ordered,”hurry up and prepare a bowl of top-quality shark’s fin for each of the guests!” Everyone, calm down, let your anger cool down, hehehehe ...”

Under the middle-aged man’s persuasion, the two big shots finally suppressed their anger and sat back down.

Next, the middle-aged man stood in the middle of the two groups and began to use his glib tongue to start a new round of negotiations ...

“It’s over ...” Xiao hang said with a smile.”Team leader Zhao is going to spend a lot of money today!” Didn’t I tell you that they won’t fight?”

“Xiao hang,” Miao Ying suddenly thought of something and asked,”have you checked who the owner of this private club is?” Do you think we can talk to their boss directly?”

“Yes,” Xiao hang said, nodding.”Their boss’s surname is MA, and he’s very famous in the area of Hailan. Although he’s from all walks of life, he’s a legitimate businessman.”

“I think we’d better start from the ordinary Level,” Xiao hang said, pondering.”If we can’t find any clues, it won’t be too late to find him!”

"They're too smart. If they catch a whiff of something, it might interfere with our investigation!"

"That's true," Miao Ying said. "The three victims came here more than 60 days ago, so they might have met in one of the rooms. So, we have to confirm this first before we can make the next step of the plan!"

"So, it's the safest for us to confirm with the waiter first! "And ..." Xiao hang said in a low voice, "I've checked the floor plan of this place, and there's a big space inside the VIP area.

"Maybe we should go inside and take a look later!"

"Right!" Miao Ying nodded. "Also, I don't believe that there aren't any surveillance cameras in the VIP area! We'll have to pay more attention later. If we can find the suspect's video, then this trip will be worthwhile!"

"Zhao Yu, what do you think? Mm, Zhao Yu ..."

When Miao Ying and Xiao hang looked at Zhao Yu, they realized that he wasn't listening to them at all. Instead, he was staring at the middle-aged man in the distance.

"Hey," Miao Ying quickly called out, "Zhao Yu, what are you thinking about? You're not thinking of going over to negotiate, are you?"

"Oh ... Mm ..." Zhao Yu replied mechanically, but his eyes did not leave the middle-aged man and the other tattooed men.

"No way? What did you find?" Miao Ying saw Zhao Yu's dazed look and immediately had a bad feeling. She quickly said, "Zhao Yu, don't cause trouble! I know what you're up to when I see your eyes! You ... You're not thinking of going over to mess things up, are you?"

"Don't mind me ..." Xiao hang had seen Zhao Yu's mania, so he immediately tried to persuade him. "It's not worth it for a meal. At most, I'll pay, I'll pay, okay?"

"No... No..." Zhao Yu frowned slightly. "I just feel a little strange!"

"Oh?" "What's weird?" Miao Ying asked.

"The location is wrong!" Zhao Yu said without blinking, "if they were afraid of the boss's power, they wouldn't have chosen to negotiate here to resolve their conflict!"

"Oh?" Miao Ying thought about it seriously, then shook her head and asked, "how can that prove anything?"

"Did you see ..." Zhao Yu whispered. "In the crowd, there were a few people with dark faces who didn't say a word!"

"I don't know if my feeling is right ... Someone is holding it in!" Zhao Yu smacked his lips and said with uncertainty, "this might not be a simple negotiation, but a premeditated attempt to ruin the place!"

"Oh?" Miao Ying finally understood what Zhao Yu meant and asked, "you're saying that these people's real purpose is the club? Or ... The owner of the club?"

“Is that so?” Xiao hang scanned the crowd and saw that there were indeed five or six people who were looking at him strangely. His heart sank and he said disappointedly, “oh no... If leader Zhao is right, I’ll have to treat you to dinner!”

“Zhao Yu ...” Miao Ying tugged at Zhao Yu’s arm and said, “whether it’s the negotiation or the destruction of the venue, these people have nothing to do with the case we’re investigating.

“I think we’d better move to another place and start working!”

“Good idea ...” Xiao hang was also afraid that Zhao Yu would get involved in the negotiation and fight, so he immediately stood up and said, “let’s find another place to eat!”

“Al! “That’s right,” the goateed man at the next table turned around and said to Zhao Yu and the others, “listen to someone’s advice and eat your fill!”

Just as the goateed man finished speaking, a wine bottle suddenly flew over from the opposite table and smashed into the goateed man’s head, splitting it open!

Pa!

The glass shattered, and the goateed man fell to the ground without even making a sound.

“Ah!”

Who was it?

Everyone was shocked, and no one saw where the bottle had come from. However, when they saw the goateed man’s head bleeding and falling to the ground, all the tattooed men stood up immediately. The more experienced ones even quickly grabbed a stool to cover their faces!

“Who is it? Who threw the bottle?” The goateed man was boss Jia’s man, and boss Jia immediately shouted.

“What’s this?” The middle-aged manager was also caught off guard. He quickly turned around to see who had thrown the bottle.

However, the moment the manager turned around, something unexpected happened!

A tattooed man next to boss Jia suddenly jumped up and stabbed the middle-aged manager’s back with a dagger that he had hidden.

The dagger was sharp, and the tattooed man’s stab was also ruthless. With one stab, the hilt of the dagger was almost gone!

Ah ...

The middle-aged manager didn’t expect that someone would take advantage of the chaos to plot against him. He immediately let out a scream and fell down!

However, this attack seemed to be just the beginning. Two people suddenly jumped out from the opposite table. They both had knives in their hands and they were all aiming at the middle-aged manager!

“F * ck! Don’t move!” This sudden scene caught Zhao Yu off guard. After he shouted, he quickly reached for his gun.

However, the two people who rushed out ignored Zhao Yu’s shout and stabbed the middle-aged man’s chest with the knife!

Chapter 1414: there’s a reason

Everything happened in a flash. Although Zhao Yu had already noticed that there were people in the crowd with impure intentions, he had never expected that they would have the intention to kill him right from the start!

Moreover, their target was not the man, but the middle-aged manager!

Zhao Yu couldn’t understand what was going on.

It was because of this hesitation that Zhao Yu was unable to pull out his gun in time. The two men who had rushed over had already stabbed the middle-aged manager in the chest.

However, at the crucial moment, another accident happened.

Although the middle-aged manager had been stabbed in the back, he did not lose his footing in the face of the two enemies. He stretched his arms forward and grabbed the wrists of the two enemies.

Immediately after, his right hand reached into his arms and threw one of the enemies away. His left hand went with the flow and grabbed the other enemy’s neck, pressing him down to the ground!

Wow, he was so fast!

Zhao Yu had seen it before, so he could tell at a glance that the middle-aged manager’s move was not simple. If it was not a person who had been professionally trained, it would be impossible to do such a move.

This person ...

However, things had developed too quickly, and Zhao Yu didn’t have time to think.

The guy who stabbed the middle-aged manager in the back saw this and immediately pulled out the dagger. The manager screamed in pain and fell to the ground.

“Don’t ... Don’t hit me!” At this time, boss Jia was so scared that his face turned pale and he hurriedly shouted to stop him.

Unexpectedly, from the corner of the opposite table, a teapot flew over and smashed on boss Jia’s body. The hot water splashed instantly, causing boss Jia to fall down and scream.

“Crazy, are you crazy? Who the F * ck did this?” On the other side, Jiang Liu also realized that something was wrong. He immediately turned around to see who had thrown the teapot.

In the end, he had only turned halfway when someone actually stepped forward and kicked his chair!

The chair flew away with a whoosh, and Jiang Liu immediately fell to the ground, head first, feeling dizzy

...

“Ah!?”

As the two bosses fell into the trap, which of the tattooed men at the scene could sit still? They immediately picked up the teacups, tea bowls, tables, and chairs, and rushed forward to fight!

“Don’t move ... Everyone, don’t move!” Miao Ying and Xiao hang reacted at the same time, and the three of them pulled out their guns.

However, the situation was out of control, and no one noticed their pistols. As soon as the two sides came into contact, they immediately began to fight, creating a lively scene.

He looked at the men with the daggers. They clenched the sharp daggers tightly and stabbed at the middle-aged manager again.

Bang! Bang!

Finally, a gunshot was heard!

It was Xiao hang who had fired the shot. Seeing that the situation had gone out of control, he had no choice but to fire a shot at the sky. At the same time, he shouted, “Don’t move! Police!”

Originally, with the sound of the gun, according to Zhao Yu and the others “habitual thinking, no matter how much fun this group of people were fighting, they would definitely stop.

However, another accident happened. After the gunshot, the people who were fighting were shocked and stopped.

However, they only stopped for less than a second before a heavy chair flew out from the crowd.

This time, the chair flew straight at Xiao hang, fast and ruthless. Xiao hang was caught off guard and fell backward with a thud.

“Ah ...”

as soon as xiao hang fell, the crowd burst into an uproar. some people ran straight to the door to escape, some lowered their heads and hid under the table, some continued fighting, and some ... continued killing!

taking advantage of the chaos, the knife-wielding men swarmed up again and stabbed the middle-aged manager.

bang ...

in a moment of desperation, miao ying finally opened fire and shot one of the knife-wielding criminals in the shoulder.

However, these criminals didn’t seem to be afraid of death. Even though they saw someone getting shot, they still stabbed the middle-aged manager like crazy.

The middle-aged manager pushed one of them away with all his might, but he was still stabbed in the lower abdomen!

Ah ...

The manager's mouth was bleeding, but he still punched the assassin to the ground. He then staggered to his feet and tried to escape.

Waya!

Another criminal screamed and jumped up, stabbing the manager's back with a dagger.

"F * ck your grandmother!"

At this time, Zhao Yu could no longer just stand there. He took a big step forward and used his special skill, bull charge, to knock the man away!

Zhao Yu's strength was violent. After the man was knocked away, his whole body hit the dining table, and the large and heavy table was lifted up high. The plates, bowls, and chopsticks on the table suddenly fell to the ground, making a loud shattering sound.

"Ah!"

With a shout, another knife-wielding criminal rushed over and stabbed Zhao Yu with a dagger.

Just as Zhao Yu was about to fight back, he suddenly heard a loud bang. It turned out that Miao Ying had fired again!

Miao Ying's shooting was accurate, and the criminal fell to the ground, screaming in pain ...

However, just as Miao Ying fired the gun, another chair flew over from an unnoticeable place at the table, heading straight for her face!

The person who had thrown the chair was very cunning. He had already succeeded several times before. He had smashed goatee's and boss Jia's teapots, and the chair that had been thrown at Xiao hang. It was all his doing!

However, Miao Ying had already noticed this person. When he threw the chair again, Miao Ying did not show any mercy and shot at the chair!

Bang! Bang!

The sharp bullet passed through the chair and hit the neck of the person who threw the chair!

Miao Ying was hit by the chair and fell back, and the person who threw the chair also covered his neck and leaned against the wall.

The bullet hit his carotid artery. Even though he held his neck tightly, blood still gushed out uncontrollably, turning a large area red in the blink of an eye ...

Whoosh ...

On the other side, the middle-aged manager wanted to escape, but another man with a dagger rushed past him and stabbed him in the face.

"Ah!"

The middle-aged manager endured the sharp pain from the knife wound and tried his best to raise his hands to block the man's arm. However, he didn't expect another criminal to rush over with a chair in both hands!

The criminal raised his chair and slammed it on the middle-aged manager. The middle-aged manager fell back quickly and bumped into Zhao Yu.

Zhao Yu subconsciously stopped the manager.

However, just as the two of them touched, Zhao Yu was shocked!

Due to the previous fierce fight, the middle-aged manager's clothes had been torn in half. Zhao Yu saw at a glance that on the manager's chest, there was an eye-catching Kasaya tattoo!

Originally, it wasn't surprising that the manager had a tattoo, but what surprised Zhao Yu was that the tattoo on the manager's chest looked very familiar. It was very similar to the tattoos on the three male corpses!

"Ah!?"

Suddenly, Zhao Yu seemed to have understood something. He grabbed the middle-aged manager's wrist and looked at his palm.

In the end, he clearly saw that the middle-aged manager's fingers were covered in corrosive scars, and his fingerprints could no longer be seen ...

Chapter 1415: How could a kun hexagram be impressive?

It was actually like this?

Suddenly, Zhao Yu finally understood why the middle-aged manager was so skilled. It turned out that he, like the three male corpses and Liang Weiyi, used to be an assassin!

This was really ... A case of searching for him in a long time!

Zhao Yu could never have imagined that the middle-aged manager in front of him was the person he had been looking for. There was no doubt that Cai Xingwen, Huang Baili, and Xing feiyuan's arrival at the hall was definitely related to this person.

Perhaps, this person was the only one who could solve the mystery behind Liang Weiyi's murder.

But ...

Zhao Yu looked at the chaotic situation in front of him, as well as the armed criminals, who were eyeing him covetously. He felt that the situation was not good.

Those people who tried so hard to assassinate the middle-aged manager, what was it for?

"Ah ..."

Just as Zhao Yu was thinking about this, one of the knife-wielding criminals charged at the middle-aged manager, still trying to stab him with the dagger. It was as if someone had cast a spell on him, and he completely disregarded his own safety.

Go to hell!

At the critical moment, Zhao Yu made up his mind and raised his gun.

Bang! Bang!

The close-range bullet hit the criminal's chest, and the powerful inertia immediately pulled his body back and he fell heavily to the ground ...

At this time, Zhao Yu didn't care what the criminals' reasons were. He had to make sure that the middle-aged manager was alive, because he might be the key person in solving the white bone case!

So, he no longer showed mercy and quickly aimed the pistol at the other knife-wielding criminal.

"Ah ..."

Zhao Yu thought that he had already intimidated the man, but to his surprise, just as he raised his gun, someone suddenly jumped out from his right and pushed him to the ground.

Bang ...

The bullet missed and hit the leg of the table!

Zhao Yu rolled on the ground with the criminal who had pinned him down. Before he could fight back, the middle-aged manager had already flown over and kicked the criminal away.

However, because he was injured, his movements were sluggish. As a result, one of the criminals caught up to him from behind and stabbed his ankle!

Ah ...

The middle-aged manager knelt on one knee and cried out in pain.

Bang ...

Another shot. Xiao hang quickly rushed over and killed the criminal who had stabbed the middle-aged manager on the spot.

"Run ... Run to Wadu!"

At this time, as more and more criminals were shot dead, the tattooed men who were not criminals were scared out of their wits and their faces turned pale.

"Run!" Someone shouted, and they all rushed to the entrance of the hall.

There were a total of 30 to 40 people on the scene. With their charge, the situation immediately became more difficult to control.

Miao Ying knew that the situation was serious, and she could not let these people escape.

So, she immediately raised her arm and wanted to shoot at the sky again to warn everyone. However, she didn't expect that there were many armed criminals among the crowd.

Just as she raised her hand, someone immediately stabbed her with a dagger.

The man was very close to Miao Ying, and the knife was fast and hidden. If it had been an ordinary person, they would have been hit. However, Miao Ying was very focused. When she heard the sound of the blade, she immediately dodged.

Whoosh ...

The knife slid past Miao Ying's body, and even made a cut on her evening dress.

Seeing that his first attack had missed, the criminal immediately stabbed again!

However, Miao Ying, who had already regained her senses, did not give him the chance to do so. With a bang, the criminal flew into the air like a rocket and fell to the ground, dead.

"Ah!"

Miao Ying shouted and jumped up. She kicked the tattooed men who were trying to escape to the ground!

Then, she finally raised her arm and fired a shot at the ceiling!

Bang ...

Bang ...

"Don't move! Don't move!" "I'll shoot anyone who dares to move!" Miao Ying shouted as she raised her gun.

Deafening gunshots and shouts.

Those who were running away were immediately intimidated and stopped in their tracks.

"Oh oh oh ..."

However, at that moment, a tattooed man had already run to the door. He was just one step away from leaving. Naturally, he was unwilling to stop. He wanted to jump out of the door and escape.

As a result, just as he was ready to jump, Miao Ying's gun sounded. The bullet shot out and hit the man's calf.

Ah ...

The man fell on the ground and let out a shrill scream!

With that, the crowd was completely stunned. No one dared to move, and they all squatted on the ground obediently ...

However, Miao Ying had only managed to control most of the people at the entrance. Zhao Yu and Xiao hang were still in a mess.

These people were all tattooed and shirtless. Zhao Yu and Xiao hang couldn't tell who was the civilian and who was the criminal.

In the chaos, Xiao hang was in the same situation as Miao Ying. Someone had tried to sneak attack him with a knife, but he had shot them dead on the spot.

However, the assassins among the tattooed men didn't care about the threat of the guns. They were determined to kill the middle-aged manager. In an instant, two more thugs rushed out and ran straight at the middle-aged manager with daggers.

However, the situation was different from before. Xiao hang and Zhao Yu were prepared for this, so they immediately opened fire and killed the two criminals on the spot.

"Don't move! Don't move!" Xiao hang also fired two shots at the sky and finally got the rest of the people in the hall under control.

"All of you, get down! Get on the ground!" Xiao hang vigilantly scanned the crowd with his pistol and shouted, "put your hands on your heads. Let me see your hands. Hurry!" If you can't see it, shoot!"

Under Xiao hang's intimidation, the people obediently lay on the ground and did as Xiao hang asked.

Oh ...

When the situation was under control, the middle-aged manager let out an "Oh" and his body fell to the ground.

Zhao Yu quickly went forward to help him up, but saw that his lower abdomen was bleeding, and his clothes were already stained red.

Terrible!

Zhao Yu then remembered that he had forgotten something important. He quickly selected two invisible hemostat from the system device bar and gave them to the middle-aged manager.

'Good, good ...'

When he saw that the hemostat had been successfully used, Zhao Yu was relieved. As long as the hemostat was used, at least his life would be saved.

Just as Zhao Yu relaxed, the middle-aged manager suddenly took a step forward and used his arm to press down on one of the criminals who had been shot. He asked angrily,

"Speak! Who was it? Who wants to kill me? "Say ... In his excitement, he punched the criminal and shouted," say it! Who is it ... Cough cough ... Cough cough ..."

The middle-aged manager coughed in agitation, but when he moved his fist away, he found that the criminal had already died ...

Zhao Yu then looked up and saw that the hall was in a mess. At least five criminals had been killed on the spot!

So many people died all of a sudden, tsk tsk ... Zhao Yu pondered in his heart. If I can get a hexagram today, it must at least be a kun hexagram that represents a big event, right?

Xiao hang raised his gun with one hand and took out his phone with the other, ready to call for backup.

However, after he pressed the call button, there was no response for a long time.

"What?" Xiao hang shook his phone and frowned."That's impossible. How can there be no signal?"

It's broken!

Hearing Xiao hang say that there was no signal, Zhao Yu suddenly had a bad feeling. He couldn't help but think, could it be that today's adventure couldn't be represented by just a kun hexagram?

Chapter 1415-predicament

"There's no signal on mine too ..." Miao Ying looked at her phone, then suddenly saw a figure flash past the hall door. She quickly shouted, "Hey! Waiter, call the police! Hey ..."

However, no one responded to Miao Ying's call.

Almost all of a sudden, the outside of the hall seemed to have quieted down.

Feeling that something was wrong, Miao Ying immediately held the gun with both hands and walked out of the door.

"Miao Ying, be careful!" Zhao Yu shouted, but he had to protect the middle-aged manager, so he couldn't keep up.

In order to avoid any complications, he immediately opened the device bar and looked for the signal booster that he had not used for a long time. He wanted to quickly make a call and call for reinforcements.

"Don't move, don't move!" Xiao hang was using his gun to control the tattooed men at the scene. He knew that there must be some hidden killers among them, so he didn't dare to relax.

"What?"

At this time, Miao Ying, who had come to the door, suddenly made a sound and immediately raised her pistol.

That was because she realized that the corridor outside was unusually quiet. It didn't look like something major had just happened. There were no screams, no shouts, and no police reports ...

This was ...

Miao Ying leaned against the door frame and carefully peeked into the corridor. She saw that there were a few people lying on the floor!

They were all shirtless tattooed men. They should be the first ones to run out of the hall. They were lying on the ground, motionless. They had clearly become corpses!

No...

Miao Ying immediately remembered that the people who escaped first were not stabbed or shot, so they couldn't have ...

Ah?

As she was thinking, Miao Ying discovered something even more surprising. She saw that on the back of the corpse closest to her, there was a feather-like object!

That's the Arrowhead!

Miao Ying had undergone formal military training before, so she recognized it at a glance. It was the handle of a crossbow!

This person ... Was shot to death by a crossbow?

Not good!

Miao Ying suddenly realized that the dead bodies on the ground had been shot in the back, which meant that the people who shot them should have been hiding in the opposite direction!

She immediately dodged to the other side of the door and aimed the gun at the other end of the corridor.

In the end, before she could see the situation outside clearly, a burst of hissing sound suddenly rang out and went straight to her face.

Miao Ying was quick to react. She quickly lowered her head and rolled back into the hall.

Knock Knock ...

Two arrows were shot at the door frame, right where Miao Ying had been standing.

Ah?

Zhao Yu was busy making phone calls, but he didn't expect something to happen to Miao Ying so quickly. He quickly pulled out his gun and prepared to help.

In the end, another accident happened.

There was more than one main entrance to the hall. There was a small escape door in the depths of the hall. However, the restaurant was usually not in use, so it was always locked.

Some people had tried to escape from there, but they couldn't open it.

However, just as Miao Ying was about to be shot, the small door was suddenly opened. After the door opened, two arrows were shot at him before he could see the person.

F * ck!

Zhao Yu and the middle-aged manager were the closest to the small door, so the two arrows were obviously aimed at them. In a moment of desperation, Zhao Yu quickly pushed the middle-aged manager to the ground, and the two arrows flew past their heads.

Bang! Bang!

Bang! Bang!

Xiao hang wasn't someone to be trifled with. As soon as he saw people rushing in through the small door, he immediately fired in that direction.

His marksmanship was accurate, and both shots hit the target. A scream came from behind the small door, and a man with a crossbow immediately rolled out.

No way?

Zhao Yu looked up and saw that the man with the crossbow was wearing an exaggerated clown mask, which looked very strange.

The crossbow in his hand was also a small crossbow that could fire continuously.

“Team leader Zhao, are you alright?” Xiao hang aimed his gun at the door and asked Zhao Yu.

However, before Zhao Yu could answer, an arrow was suddenly shot from outside the main door, hitting Xiao hang in the shoulder.

“Ah!” Xiao hang shouted and quickly squatted down, hiding behind the table.

Bang! Bang!

At the same time that Xiao hang was shot, Miao Ying’s gun fired. She shot the attacker, and a scream came from outside the door ...

* Whoosh ... *

However, the enemy did not stop and shot another arrow. This time, the arrow was not aimed at Miao Ying and the others, but at a tattooed man who was lying on the ground.

The arrow was very powerful. The arrow hit the man’s neck and almost went through it. The man didn’t have time to react and died on the spot!

“Ah ... Ah ... He’s dead! He’s dead!” Suddenly, someone in the crowd on the ground shouted, “run! Run!”

With this person’s Bluff, the tattooed men at the scene were stirred up again. Each and every one of them was eager to try and escape. It looked like they were about to fall into chaos again.

Bang! Bang!

Miao Ying had no choice but to fire another shot at the sky, and shouted, “Don’t move! The murderers are all criminals. If you move, you’ll fall into their trap! Don’t move!”

Miao Ying’s shot finally managed to suppress the momentum of the crowd.

However, as soon as she finished speaking, she saw the enemies outside the main door flash. They were probably going to shoot the innocent tattooed men again.

How could Miao Ying let them have their way? He immediately leaped out and fired two shots at the door. Although the bullet hit the door frame, it also forced the enemy outside to retreat a little.

“Quick!” Miao Ying shouted at the tattooed men at the door, “get out of the way and hide! Don’t let them shoot you!”

After Miao Ying said that, the few people at the door quickly got up from the ground and looked for a place to hide.

However, the crowd was not filled with the innocent tattooed man. One of the armed criminals, who had been hiding for a long time, suddenly charged at Miao Ying and stabbed her!

However, Miao Ying had been watching their every move, and had long noticed that there was something wrong with the guy's eyes. At the same time, Miao Ying had already fired her gun.

However, something unexpected happened again. Miao Ying had run out of bullets!

Ah?

Miao Ying exclaimed and quickly dodged the dagger. At the same time, she grabbed the man's wrist with both hands and threw him to the ground!

However, because Miao Ying's movements were too big, the long evening dress was torn apart, and in the blink of an eye, it became a cheongsam.

However, miss Miao was completely unaware of it and immediately used the pistol as a weapon to hit the man's face. With just one hit, his face was covered in flowers and he almost fainted ...

Just as Miao Ying made her move, the enemies outside the door seemed to see an opportunity. Someone immediately shot an arrow out of the door, trying to sneak an arrow at Miao Ying.

Bang ...

In the end, with a gunshot, the arrow was hit by a bullet and shattered into pieces.

"Oh ..."

It was Xiao hang who fired the shot. Although he had been shot in the shoulder, he saw that Miao Ying was in danger, so he endured the pain and fired the shot.

However, after firing the shot, he could no longer raise his arm and immediately fell behind the table.

He raised his other hand, wanting to pull out the arrow that had shot him, but the force of the arrow was so strong that it was almost completely stuck in his shoulder. He couldn't pull it out at all ...

Chapter 1416: predicament

"There's no signal on mine too ..." Miao Ying looked at her phone, then suddenly saw a figure flash past the hall door. She quickly shouted, "Hey! Waiter, call the police! Hey ..."

How could Miao Ying let them have their way? He immediately leaped out and fired two shots at the door. Although the bullet hit the door frame, it also forced the enemy outside to retreat a little.

Chapter 1417: snaketooth King

While Miao Ying and Xiao hang were fighting the enemy, Zhao Yu was not idle. He knew that the most important thing at the moment was to quickly get in touch with the police force and get more members.

As long as the reinforcements arrived, there was nothing they could do about it.

So, he hid behind the table and used a signal booster on his phone.

The Special Investigation Group's mobile phone had a special alarm system, so Zhao Yu didn't need to make a call. He only needed to press the specific alarm button, and Zeng ke and the others would receive his help message and accurate mobile phone location.

However, Zhao Yu was still worried. After calling the police, he wanted to call Zeng ke to confirm it and ask them to come as soon as possible.

However, before he could press the button, the middle-aged manager beside him suddenly clenched his fists, gritted his teeth, and shouted, "I understand! I understand now! The person who wanted to kill me ... Was actually bi an!"

Eh?

Zhao Yu was slightly stunned, then remembered the purpose of his visit to the clubhouse today.

At this moment, when he suddenly heard the middle-aged manager speak, his eyes suddenly lit up, as if he had seen a great opportunity. He quickly asked, "Then hurry up and tell me, who is he?"

"It's just ... It's just ..." The middle-aged manager trembled. He wanted to spit it out, but after seeing Zhao Yu, he held back his words, as if he still had some concerns.

"Don't pretend, I know everything about you." Zhao Yu saw that he didn't want to say anything, so he had to use his great trickery. "Isn't it just 'chat seven'? I'm telling you, Cai Xingwen, Huang Baili, and Xing feiyuan are all dead. Do you think they'll let you off?"

"Ah?" Upon hearing this, the middle-aged manager trembled as if he had been struck by lightning. He then looked at Zhao Yu in shock and asked, "you ... Who ... Are you?!"

"I'm your benefactor, can't you tell?" Zhao Yu glanced at the man and urged him, "alright, stop wasting time. Tell me quickly, who is the person who wants to kill you? Otherwise, I won't be able to save you!"

“That’s impossible ... Don’t try to trick me.” The middle-aged manager was still very cautious even though things had already come to this point. “Since you know about Liao Qi, you should know what we’re capable of. Even if something happened to the three of them, I should at least know!”

“I’ll go to hell!” “F * ck!” Zhao Yu cursed and pulled up the victim’s photo on his phone. “Take a look for yourself. Cai Xingwen has been dead for almost a month! You should know something ...”

“Ah? Why?” After the middle-aged manager saw the photo, his face turned pale, and even his lips turned purple. He shivered and asked, “why did you kill us? This ... Why? I’m standing so close to you. Did you not notice anything?”

“Who is it?” Zhao Yu pointed to the hall and asked again, “do you see how many people died because of you? Hurry up and tell me, who is the one who wants to kill you?”

“I ... Um ...” The middle-aged manager obviously had deep scruples and still refused to reveal the truth.

At this time, Xiao hang had shot at the door to save Miao Ying, but he had fallen into the corner of the wall and groaned in pain.

“Ah?” Zhao Yu was shocked. He looked up and asked, “Xiao hang, are you okay?”

“Hurry up!” Xiao hang grabbed the shaft of the arrow on his shoulder and pointed to the main door. “Team leader Miao is out of bullets. We have to guard the door and not let them in!”

“Oh, okay!” Zhao Yu looked at Miao Ying and immediately threw his gun to her.

After Miao Ying took the pistol, she fired at the door without hesitation, repelling an enemy who was about to test the waters.

“Team leader Zhao,” Xiao hang said to Zhao Yu. “They must have blocked the signal here. I don’t think we can stay here. We have to find a way to get out!”

As he spoke, he glanced at the window, but the window was covered with anti-theft mesh, so there was no way to get out.

“It’s fine, don’t worry,” Zhao Yu said, pointing to his mobile phone. “I’ve already called for reinforcements. We just need to hold on!”

“They ... They can’t hold on ...” The middle-aged manager interjected. “These are all desperadoes ... If they hear the police siren, they will definitely rush in!”

“F * ck! What’s big brother’s name? You’re really good at chatting!” Zhao Yu patted the middle-aged manager’s head and shouted, “don’t you understand? Even if they did, they were here to kill you!”

“My ... My surname is Rao.” The middle-aged manager pointed to the name tag on his clothes.

“Please,” Zhao Yu shouted in a pleading tone, “tell me, boss, who is the person who wants to kill you? What does Liang Weiyi have to do with you?”

“What?” The middle-aged manager was confused. “What Liang Weiyi? Who’s Liang Weiyi?”

“Hmph! Don’t tell me you don’t know him!” Zhao Yu flipped the phone screen, and Liang perseverance’s photo appeared on it.

“Ah!!?”

However, when the middle-aged manager saw the photo of Liang Weiyi, he was so scared that his hair stood on end.””H-how could it be him? He’s back ... He’s back ...”

“Who is he?” Zhao Yu saw that the middle-aged manager’s reaction was so strong, so he quickly asked.

“K!”The middle-aged manager said an English letter and then said,”this is the snake tooth King. I ... We all thought ... He was dead!”

“Ah? K ? ”

Zhao Yu pondered for a moment. Miao kun had said that the meaning of “liaoqi” was “snake fangs” or “venomous fangs.” Since this “K” was the King of Snake fangs, did that mean that K was their most powerful killer?

It seemed that this Liang Weiyi was indeed the King of Assassins!

“K...K ...” The middle-aged manager trembled as he asked,”tell me, is K dead?” Was he killed by him as well?”

“Ah?” This sentence confused Zhao Yu, and he blurted out the truth almost unconsciously,”No... You’re wrong. K didn’t die. Cai Xingwen and the other two were all killed by K!”

“What?” Upon hearing this, the middle-aged manager suddenly crumbled, and his eyes revealed a sense of despair ...

“Okay, now ...” Zhao Yu quickly seized the opportunity and pulled him by the collar.”Can you tell me, the ‘he’ you mentioned, who is ...”

Bang!

Before Zhao Yu could finish his question, the small door across the street was knocked open again, and a man in work clothes rushed in.

Seeing this, Xiao hang immediately used his other hand to hold the pistol and fired at the small door.

Bang ...

The bullet hit the man accurately, but Xiao hang regretted it as soon as he opened fire. The man in work clothes had come in from the door upside down. His legs were limp, and he was clearly a dead man!

Moreover, the man was not wearing a mask, so he should not be the enemy with a crossbow. He was only used as a shield!

Sure enough, Xiao hang was right. After he fired the shot, an arrow whizzed toward him from under the dead man’s armpit. Fortunately, he had reacted in time and dodged the arrow.

Then, as the dead man fell to the ground, five enemies wearing clown masks and holding crossbows rushed in from the small door ...

Chapter 1418: killing with a borrowed knife

Bang ...

Gunshots rang out. Although Xiao hang tried his best to aim, he was using his left hand and the enemies in the clown masks were too fast. In the end, he didn't hit a single one.

However, the gunshots still had a deterrent effect. After the enemies rushed in, they did not dare to launch a large-scale attack. Instead, they looked for cover to hide.

At the same time, the situation at the main gate changed drastically. The enemies there saw that their companions had succeeded and all of them rushed in from the main gate.

Although Miao Ying managed to hit one of them, there were many of them, and they all had offensive weapons.

Miao Ying saw that things were not looking good, so she quickly put down a table and hid behind it, waiting for an opportunity to fight back.

"It's over, it's over ..." At this moment, Zhao Yu looked dejected and said to the middle-aged manager surnamed Rao, "they rushed in so quickly. It seems that we are dead for sure!"

"Brother," he pressed on manager Rao's shoulder, "do you have any last words? Do you still intend to remain silent at this time?"

"Mm ..." Manager Rao looked at the situation, then looked at her own injuries and her blood-stained clothes. Finally, she sighed heavily and said to Zhao Yu, "okay!" I said, the person who wants to kill me should be him!"

As he spoke, he pointed to the depths of the hall and said angrily, "This man is my boss, the chairman of the Association, MA Hongyi! However, his real name is abikula, and he was one of the leaders of the snake fang organization!"

"Ah? The owner of the club? The leader of the snake fangs?" Zhao Yu was surprised.

"That's right!" Manager Rao pointed at the enemy in the distance and said, "to be able to arrange such a Grand scene to kill someone, there can't be anyone else other than him!"

"What a joke. I've worked so hard to buy his life for so many years, but I didn't expect that he would still lay his hands on me!"

"Wait ... It's a bit messy!" Zhao Yu said seriously, "he's the owner of the club, and you're the manager. If he wanted to kill you, was it worth it to use such a big force?"

"And ... Why did he want to kill you? Because you know too much. Why didn't he kill you earlier? why did he have to wait until now?"

"I ... I don't know ..." Manager Rao had a bitter and bitter look on her face. "Maybe, he used those negotiators to kill me in order to frame someone else?"

"Let others think that I died in a fight or an accident. Then he won't have anything to do with it!"

“But ...” Manager Rao looked at the enemies holding crossbows and said, “as for these people, it should be a backup plan, right?”

“He was afraid that those people wouldn’t be able to handle me, so he arranged for these foreign desperadoes to come over. This is really...Really...Oh ...” Speaking of this, manager Rao suddenly understood something. She hurriedly grabbed Zhao Yu’s arm and said, “I know what’s going on!

“K! The F * ck!” He said excitedly, “MA Hongyi must have received the news and knew that K-Zhong was out in the world. Then ... He found out that Cai Xingwen and the other two were also missing, so ... So I became the last person who knew!

“He’s worried that K will find him through me, so he wants to kill me in advance to avoid any future trouble!”

Oh ...

Oh ...

Zhao Yu took some time to digest the information, then finally realized something.

It seemed that the real answer to the murder puzzle that Liang Weiyi had left them with was here! Liang Weiyi’s ultimate goal was none other than the former leader of the snake fangs, the Deputy leader MA Hongyi!

This way, everything seemed to be smooth.

Liang Weiyi’s reason for returning to Harland was probably to find MA Hongyi for revenge.

Hence, he found Cai Xingwen and the other two and tortured them to find out MA Hongyi’s whereabouts.

However, it was unclear if MA Hongyi had hidden it too well, or if the three men had gritted their teeth and refused to confess, but Liang Yiwen had not been able to get what he wanted, and even manager Rao had not been found.

However, even though the lead was cut off, Liang Weiyi didn’t choose to give up. He deliberately exposed the three bodies to the police, and then asked Zhao Yu and the others to help him find MA Hongyi.

In the end, they found a clue, but it just happened to be in time for MA Hongyi’s murder!

This ...

What a good move to kill with a borrowed knife!

When Zhao Yu finally understood Liang Weiyi’s purpose, he couldn’t help but take a deep breath. He didn’t expect that this guy was not only smart and cunning, but also arrogant to this extent. He actually dared to use the police to solve his personal grievances ...

Tuk ...

Just as Zhao Yu was thinking about this, a sharp arrow suddenly shot towards him and nailed itself to the wall not far above Zhao Yu's head!

Ah ...

Manager Rao was shocked. She hurriedly picked up a chair and prepared to launch a final counterattack.

"Sigh ... Alright!" Zhao Yu sighed, then told manager Rao, "I still have a lot of things that I don't understand, so you better hide yourself well. I'll come back to ask you after I'm done with these people!"

As he spoke, Zhao Yu bent over and found a dagger in the hands of one of the criminals "bodies. Then, he stared at the enemy in the distance and prepared to attack.

"Hey ..." After manager Rao saw this, she hurriedly advised, "this can't do. They have so many people. If you rush out like this, Won't You Be sending yourself to your death in vain?"

"F * ck!" Zhao Yu frowned and scolded, "can't you say something more auspicious? What kind of manager are you?"

After scolding him, Zhao Yu reached out to grab the body on the ground and moved it in front of him, saying, "Who said I'm going to die in vain? they're allowed to use their shields, but I'm not allowed to use my meat as a cushion?"

Then, Zhao Yu lifted the body and placed it in front of him.

"But ..." Manager Rao frowned. "This body is so heavy, how are you going to lift it alone?" Also, the opponents are all at different angles. Your corpse can't block them!"

Zhao Yu was so angry that he kicked manager Rao hard and shouted, "if you keep doing this, I'll put you in front of me!" Can't you say a single auspicious word?"

"I ..." Manager Rao immediately shut up.

Zhao Yu picked up the body and rushed out from behind the table, running towards the crowd of enemies.

"It's over, it's over ..." Manager Rao mumbled in a low voice, "it's over, it's over ..."

"Team leader Zhao, don 't!" At this time, Xiao hang also saw Zhao Yu's reckless behavior. He immediately roared and fired to cover him.

However, he had only fired two shots before he ran out of bullets.

"Damn it!" Xiao hang quickly pulled out a dagger from his ankle and was ready to rush over to save Zhao Yu.

However, at this critical moment, an accident happened. All the lights in the restaurant suddenly went out!

Not only the lights in the restaurant, but even the lights in the corridor outside were all turned off, causing the hall to fall into complete darkness!

Immediately after that, a series of screams and wails sounded in the darkness. The sound was so miserable that it made people's hair stand on end ...

Chapter 1419: Any good words?

That's right, Zhao Yu didn't want to fight these killers at all. Even though the system was so powerful, there wasn't a single device in the device bar that could block a bow!

So, Zhao Yu had already made up his mind. After getting manager Rao's confession out of him, he would use his best trick, the Qianqian power jamming device and invisible night vision device.

Zhao Yu had practiced this move to the point of perfection. As soon as he used it, his enemies were all plunged into darkness, and they couldn't see anything!

For an Archer, having their vision obstructed was undoubtedly the most fatal. The five enemies hiding near the small door were caught off guard.

With the help of the invisible night vision device, Zhao Yu had already seen their positions clearly. He immediately threw away the dead people on him as a shield, then took a big step forward and rushed to the nearest killer.

Pfft!

Zhao Yu rarely used a dagger to stab people, so in order to hit the target in one shot, he used a little too much force. The knife stabbed deep into the killer's shoulder. He tried to pull it out but failed.

"Ah ..."

The killer didn't expect to be hit so quickly. When the knife was almost in the hilt, he suddenly called out,"

His cry was like a donkey 's, and he was in so much pain that he jumped around on the spot. In the end, he managed to break free and took Zhao Yu's knife away!

"Hey, hey, hey?" Zhao Yu reached out to catch him, but the killer had already run far away.

I'll go!

Zhao Yu was depressed. He wanted to curse, but he was afraid that he would expose his target in the dark and attract the enemy's shooting.

'Damn it ...

Zhao Yu saw that he was empty-handed, so he decided to follow his usual routine and hit him!

After making up his mind, Zhao Yu reached out to grab a chair and smacked it directly on the head of one of the killers. The killer's head was immediately split open, and he fell unconscious to the ground.

"Pa La La ..."

The person who was hit loosened his grip and the crossbow fell to the ground. Zhao Yu didn't think much and stepped on the crossbow, breaking it into four pieces.

Unexpectedly, these killers had also been trained. Zhao Yu had just stepped on the crossbow, when a killer in the distance, who could tell from the wind, shot an arrow at him!

* Whoosh ... *

Although the arrow missed its target, it still scared Zhao Yu.

He quickly picked up a chair and threw it directly at the man's face. Under the powerful force, the chair even fell apart. The assassin who sneaked the arrow was hit and fell face up ...

Ah?

In the darkness, the other killers cried out in surprise. No one had thought that victory would be in their hands, but things would take such a sharp turn.

In a hurry, someone took out his phone to light it up, but found that his phone could not be turned on.

What was even more amazing was that one of the killers even had a lighter with him. He finally managed to start the fire, only to find that his crossbow had been taken away by someone!

In the end, before he could see what had happened, he was shocked to see his own crossbow falling from the sky and smashing into his face!

The crossbow was shattered, and he could only cover his face and howl in pain ...

Next, Zhao Yu did the same thing, using his advantage in the dark. Not only did he beat up the killers, but he also smashed all their crossbows into pieces.

Zhao Yu didn't want to waste any more time with them. He knew that Miao Ying was still in danger, so he quickly rushed to the door in the dark.

Miao Ying had already killed two enemies, so there were only three killers left at the main entrance. At this moment, all three of them were nervously hiding in a corner, blankly aiming their crossbows in front of them. They were at a loss.

Zhao Yu could clearly see the three of them, so he couldn't help but have a bad idea. He felt that it wouldn't be satisfying to kill them quietly.

So, after he snuck over from the side, he suddenly kicked two of the crossbows away. Then, he did a fish jump and rolled forward, hugging the last person with a crossbow!

Then, something sinister happened. Just as Zhao Yu hugged the man, he immediately turned off the power jamming device.

In an instant, the power was restored, and the lights in the hall were lit up, making it as bright as day.

"Ah ..." Zhao Yu deliberately pulled the killer who was entangled with him and turned the killer over to him, then pretended to be in pain and shouted, "help, help!"

Eh?

After the power was restored, Miao Ying was shocked to see Zhao Yu being pressed down by the enemy. Without thinking, she shot at the man.

Coincidentally, Miao Ying had run out of bullets again. After pulling the trigger, there was no reaction from the pistol.

Damn it!

“F * ck!” Miao Ying cursed under her breath. Then, without caring about her own safety, she rushed out of cover. When she was in front of him, Miao Ying spread her long legs and used her ultimate skill, the thunderclap whirlwind kick!

At that moment, strong winds were blowing, and the killer did not have any reaction. He was kicked by Miao Ying.

Whoosh ...

His entire body flew out like a cannonball, hitting the wall with a thump, and then landing with a thump, directly fainting.

Due to the force of the kick, a large piece of the wall’s paint fell off and landed on the man’s body ...

“Ah!?”

Miao Ying’s kick was so powerful that the other two killers were stunned. They stopped for a second before they remembered to pick up the crossbow that had fallen on the ground.

However, how could Zhao Yu and Miao Ying give them the chance?

The male and female demons swarmed up and almost tore the two of them apart with their hands. They only hit their faces and cried out. After a while, they didn’t even have the strength to cry out in pain ...

While Zhao Yu and Miao Ying were dealing with the killers, Xiao hang was not idle. He had already rushed to the door of the restaurant and beat up the killers who had been bullied by Zhao Yu.

Xiao hang was no less ruthless than Zhao Yu. He broke the arms and ankles of these people with just his feet. The killers rolled on the ground in pain and wailed,

As a result, Xiao hang had completely intimidated the tattooed men who were lying on the ground. None of them dared to move.

“Zhao Yu, are you okay?” After seeing that the enemies had all lost their ability to resist, Miao Ying quickly asked Zhao Yu, “what a good time for the power to be cut off! Weren’t you over there just now? How did you end up here?”

“I saw that the battery was out, so I sneaked over,” Zhao Yu said. “I was afraid that you would be in danger!”

“But ...” Miao Ying looked at the subdued killers in the distance, still a little confused.

However, Zhao Yu didn’t give Miao Ying a chance to ask questions. He rushed to a corner and grabbed manager Rao, then said to Miao Ying in a hurry,

“Quickly look, this person is the person from chaoqi!” Zhao Yu pulled manager Rao to the front and showed Miao Ying his fingers that didn’t have any fingerprints. “Someone didn’t want Liang Weiyi to find him, so they sent an assassin to kill him, but we just happened to run into him!”

“Oh ... Mm ...” It had happened so suddenly, and Miao Ying was not used to it.

“I don’t have time to explain in detail!” Zhao Yu said in a hurry, “the murder puzzle that Liang Weiyi left us was actually a trick to kill someone with a borrowed knife. He wanted to use us to find one of the leaders of ‘chat seven’!

“And this leader is the boss of this club, MA Hongyi! “So ...” Zhao Yu bent down and picked up another dagger, then said, “I have to arrest MA Hongyi now and see what he knows.”

“Well ... It won’t be that easy, will it?” Suddenly, manager Rao interrupted, “my boss should have run away long ago. If he wanted to run, I’m afraid no one would be able to catch him, right?”

“You motherf * cker!” Hearing this, Zhao Yu slapped manager Rao’s face and scolded her angrily, “are you the god of death? Do you still have any good words? Was it so difficult to flatter him?”

“Good! Since that’s the case, you’ll have to come with me now!” Zhao Yu grabbed manager Rao’s collar and shouted, “I want you to see with your own eyes how I catch your Big Boss!”

Chapter 1420: Where is the boss?

“How can we do that?” In the dining room, Zhao Yu pointed at Miao Ying’s horrible-looking evening dress and complained, “she’s exposed, right? Quickly find some clothes to put on ...”

“Go, go, go.” Miao Ying lifted her long skirt and pointed to her tight shorts. “I knew there was a mission, so I was prepared. You don’t have to worry!”

“Oh ... That’s good, that’s good ...” Zhao Yu said, wiping his sweat.

“Team leader Zhao,” Xiao hang said as he handed Zhao Yu a crossbow with his left hand. “Take this for self-defense. There are at least three more arrows in it!”

When Zhao Yu took the crossbow, Xiao hang picked up another, undamaged crossbow from the other side and held it in his hand.

“Team leader Zhao, I’ll go with you!” Miao Ying pointed at manager Rao and said, “don’t forget, this man is an assassin. We can’t be careless!”

“No, no, no, I can’t leave now ...” Manager Rao hurriedly covered her injured lower abdomen and said, “I’m too seriously injured. I can’t move, or my life will be in danger!”

“No need!” Zhao Yu ignored manager Rao’s suggestion and pulled him out of the door. At the same time, he said to Miao Ying, “Xiao hang is injured. You guys stay here. The support team will be here soon!”

“This ... No!” Miao Ying stopped Zhao Yu. “It’s too dangerous! If he didn’t lie, that Mr. MA is also an assassin. You can’t take care of him alone! Why don’t we ... Wait for the reinforcements to arrive ...”

“No, there’s no time to waste!” Zhao Yu said firmly, “we have to control Mr. MA now. Any later, and it’ll be hard to say.”

“What are you saying?” manager Rao shook his head. “It’s as if you know where Boss Ma is!”

“Why didn’t I know?” Zhao Yu replied coldly, then pulled manager Rao and walked out.

“Team leader Miao,” Xiao hang said to Miao Ying as he stood at the door of the living room. “I’ll take care of this. You can go with team leader Zhao.” Don’t worry, I can definitely handle it with one hand!

“Team leader Zhao,” Xiao hang said, handing Zhao Yu his phone. “The photo on the phone is of Boss Ma, MA Hongyi. If you want to arrest him, you have to at least know what he looks like, right?”

“En!” Zhao Yu pretended to nod in satisfaction, but in fact, he had already used an invisible browser in his mind to search for MA Hongyi’s basic information.

Although the browser couldn’t find out MA Hongyi’s true identity, as the owner of the club, it was easy to find out.

This person was already close to 60 years old. He was a short and fat balding man. He was also extremely ugly, and was the type that was particularly easy to recognize.

“Alright, then I’ll leave this place to you!” Zhao Yu returned Xiao hang’s phone and the crossbow to Miao Ying. He then escorted manager Rao out with Miao Ying.

“I’m serious, Oh ... Oh ...” Manager Rao struggled to speak. “I was stabbed several times by them. Didn’t you see it?” I’m suffering from serious internal bleeding right now. If I don’t get treatment in time ... Wuu ...”

Before manager Rao could finish speaking, Zhao Yu covered his mouth with one hand and punched him in the face. Manager Rao was immediately thrown off her feet, and his nose started bleeding.

However, this was just the beginning. When manager Rao fell to the ground, Zhao Yu was like a wild beast. He did not say another word, but just madly hit manager Rao’s face. The corners of his eyes cracked, and his face was covered in blood ...

“Don’t ... Don’t hit me, don’t hit me! “D * MN, d * MN ...” Manager Rao covered her face with both hands and cursed, “I know where Boss Ma lives!” I can bring you to him, stop hitting him ... Stop hitting him ... Ah ...”

Thump!

Zhao Yu landed another punch on manager Rao’s chest, causing him to spit out blood.

Then, Zhao Yu quickly searched manager Rao from top to bottom, not even letting go of her hair. After confirming that the guy had no weapons on him, he pulled him up and said fiercely,

“Don’t think that you can play tricks with me! I may have saved you, but that doesn’t mean I won’t kill you! You better be careful!” After that, he pulled manager Rao, who had been beaten up so badly that she could barely open her eyes, in front of him and said coldly, “have you forgotten one thing? do you think that Boss Ma would arrange so many people to kill you?”

“Do you think that those foreign assassins are after you, huh?”

When Zhao Yu said this, not only was manager Rao surprised, but Miao Ying was also taken aback.

“I’ll tell you!” Zhao Yu said, “in the beginning, Mr. MA only arranged for those negotiators to kill you under the guise of the negotiation.

“But, this seemingly flawless assassination had an accident. Three of us police officers suddenly appeared at the scene and saved you!

“Then, your boss got anxious. He was afraid that we would really save you and then expose his crime, so he used his backup plan and sent out those foreign assassins!

“Do you still remember the signal jammer?” Zhao Yu said with a murderous look, “just as we were about to call the police and request for help, the signal was blocked. This is the best explanation!

“So ...” Zhao Yu pressed manager Rao against the wall and said fiercely, “your Boss Ma has been paying attention to what happened in the restaurant. He was nearby!

“Maybe he was the one who caused the power outage just now!”

“Ah?” “If that’s the case, we have to catch him as soon as possible!” Miao Ying said, feeling the urgency of the situation.

“Don’t worry, let’s see if my reasoning is right ...” Zhao Yu pushed manager Rao towards the main entrance of the club. Miao Ying didn’t know what was going on, so she followed closely with her crossbow.

“Since Mr. MA dared to make a move on his territory, it means that he was fully prepared,” Zhao Yu speculated. “Whether it was the tattooed men who came to negotiate or the foreign assassins behind them, he was sure that the police would not trace it to him.

“Boss Ma used to run an assassin organization, so he knows the hard truth of drawing a clear line between himself and the others. Back then, the entire chaoqi was taken down by the police, but this guy could still sleep peacefully and hide until now. This was enough to show how cunning he was!

“So ...” Zhao Yu said, stepping over the dead bodies in the corridor. “Even though he made such a big scene, he might not have chosen to escape.

“As long as this person is dead,” he pointed at manager Rao, “he can still rest easy without worrying about the police investigation, and he won’t have to worry about Liang Weiyi finding him!”

“But ...” Manager Rao spat out a mouthful of blood and said, “I didn’t die, did I?”

“Yes, you didn’t die! “But there are no surveillance cameras here,” Zhao Yu said, pointing at the corridor and manager Rao. “We can only take a gamble, assuming that Mr. MA doesn’t know that you’re still alive!”

“Mm, this ... But ...” Manager Rao obviously had a different opinion, but when she thought of Zhao Yu’s rage, she quickly kept quiet.

“Let’s assume that, as the owner of the club, something so big happened to the club, then ...” Zhao Yu threw out a question. “Where would he be now?”

By the time the questions were asked, they had already arrived at the junction between the VIP hall and the ordinary restaurant. The previously open passage had been blocked by a closed door.

Zhao Yu turned the door handle, but the door was locked.

However, Zhao Yu didn’t care about that. He immediately used the universal lock opener to open the door lock.

“If it were me ...” Zhao Yu held the door lock with one hand and said to Miao Ying and manager Rao, “I would be in the hall now, pretending to be busy evacuating the guests, and pretending to call the police as an emergency!”

Then, Zhao Yu opened the door and saw that in the crowd in the hall, there was indeed a short, fat man holding a phone!

The short fatty was extremely ugly. He was wiping his sweat and saying something into the phone in a panic. He really looked like he was in a terrible state and in a hurry ...
