

## Crazy 1601

### Chapter 1601: original sin (2)

“Zhang Yun.” In the interrogation room, Wu Xiumin saw that Yun Duo’ er’s condition was stable, so she continued to question her, “let me ask you, other than those 11 videotapes, did you kill anyone else?”

“Especially ... In 2006, after you lost your videotape?”

“Are all 11 sets here?” Yun Duo’ er frowned and thought for a while. Then, she shook her head and said, “no! All the people I’ve killed have been recorded, they’re all on the tape!”

“Oh?” Wu Xiumin asked, “so, after 2006, you didn’t make a move again? Even if ... Li Feifan showed that kind of excited look to a woman again?”

“Yes, I didn’t ...” Yun Duo’ er said with certainty. “I was so scared at that time that I didn’t lay a hand on anyone. I didn’t even ... Think about it!”

“Zhang Yun,” Wu Xiumin said in a clear voice, “you should know what kind of trial you will be sentenced for your crimes, right?”

“I know.” Yun Duo’ er nodded. “It’s a capital crime no matter what, so there’s no need to hide the number of people! So, I’m telling the truth.”

“But ...” She paused for a moment, then said, “I don’t understand why you only found the video that was lost in 2006 now.”

“Who ... Who stole my videotape? That person had sneaked into a secret room that even Li Feifan didn’t know about. He had only taken the videotape and nothing else!”

“This is enough to prove that he’s coming for me, but ...”

“Well,” Wu Xiumin took the opportunity to ask, “first, tell me the details of the videotape you lost in 2006, and then I’ll tell you the answer!”

“Yun Duo’ er sank for a few seconds before she nodded slightly and recalled, “At that time, Li Feifan and I were attending the Eagle Award ceremony in Shanghai. When we came back, I found that the door of the secret room had been pried open.”

“Nothing was lost inside, except for the 11 videotapes!”

“At that time, of course I was scared. That incident was very strange and sudden. I was not mentally prepared at all!”

“In that situation, I had no choice but to destroy the car used for the crime, the Honda CRV.”

“I have some common sense. I know that the car will leave traces of those girls, so we have to destroy the car!”

“How did you destroy it?” Wu Xiumin asked.

“““I simply cleaned it up, then pushed it into the Taiping River,”” Yun Duo’ er replied.”” Although I got rid of the car, I’m still certain that my matter will be exposed, and I’ll definitely die. In a few days, the police will come to my door! ”

“““But ... Something strange happened!”” Yun Duo’ er revealed a look of disbelief.”” I’ve waited for a long time. The will has been written, but it’s as if nothing has happened. ”

“““Later on, I began to suspect that li Feifan had sent someone to steal the videotape! ”

“““Maybe li Feifan found out my secret, so he sent someone to steal the videotape in order to imprison me and use the videotape to threaten me so that I would listen to him! ”

“““However, after I observed him for a long time, for more than a year, I realized that li Feifan’s behavior was normal. It seemed to have nothing to do with him ... ”

“““At that time, although I felt strange, I felt more fear than anything else! ”

“““That kind of fear is something that ordinary people can’t understand. It’s pressing on me all the time, eroding me, making me unable to eat or sleep in peace. ”

“““There were many times when I was on the verge of collapse, living in fear ... ”

“““So, under that huge psychological pressure, how could I still have the mood to kill? ”

“““In order to give up on my desires, I started to distance myself from li Feifan on purpose. I stopped filming with him and stayed away from his social circle. As long as I could no longer see his excited eyes and hear him say that ‘cheery and lively’, I wouldn’t feel so bad ... ”

“““I know I’m lying to myself. Li Feifan would still look at other women with that kind of gaze and praise them with ‘cheerfulness and liveliness’! ”

“““But I have no other choice! I can only stay at home and not go anywhere. I don’t care about anything ... ”” ”

“Wu Xiumin then asked,”” so ... Where are the cameras?”” ”

“““A camera?”” Yun Duo’ er recalled for a moment and said,”” when the videotape was stolen, I just happened to bring the camera to Shanghai. ”

“““Later, I found out that the videotape was gone, so I threw the camera away! ”

“““In addition to the camera, there are other tools,”” Yun Duo’ er said.”” Anesthetics, knives, shovels, masks, ropes, gloves, clothes, isonioxated randomly ... ”

“““In short, I threw away everything related to the case!”” ”

“““You threw it away?”” Wu Xiumin frowned.”” Where did you throw it?”” ”

“““I ... ”” Yun Duo’ er said slowly,”” I threw those things at the garbage disposal main station in Beicang city! Everything was scattered and thrown into the garbage ... ”” ”

“““You ... ”” ”

“Wu Xiumin couldn’t help but clench her teeth. Yun Duo’ er’s method was really too cruel. If she had buried the thing somewhere, there might still be a possibility of finding it! ”

“However, it had been thrown into the garbage station more than ten years ago, and where could it be found? ”

“””At that time, I only had one thought!”” However, Yun Duo’ er continued to talk to herself.””If I’m really brought to the police station, I’ll be sure that I was framed and that I had nothing to do with the murder! ”

“””Although I recorded the video, my face was not in the video, so the police could not prove that I was the killer in the video! ”

“””They couldn’t find the tools, the body, or the car. How could they convict me with only 11 videotapes? ”

“””However, my preparation was too early. I didn’t expect that the police would only come to find me today after I lost the videotape in 2006. ”

“””So ...”” Yun Duo’ er said with a complicated expression,””when the police came to take me to the police station, I didn’t react for a while. I actually forgot all the preparations I had made! ”

“””That’s why I attacked the police officers. I was so confused that I wanted to escape ...”” ”

“””It wasn’t until I was brought into the interrogation room that I recovered and remembered what I should do ... ”

“””It’s a pity ...”” Yun Duo’ er took a deep breath and said sadly,””no matter how long I prepared, in the end, it was all for nothing ...”” ”

“After saying that, Yun Duo’ er finally shut up. ”

Wu Xiumin kept her word and began to tell her about how Kang Ziqing stole the videotape and got into a car accident.

.....

“On the high-speed train, Zhao Yu and the other two were watching the interrogation video on their mobile phones, not saying a word for a long time. ”

“Although Yun Duo’ er had already confessed to her murder, she had not shown any signs of repentance! ”

“It was as if she had killed 11 young girls, and it was a matter of course. It wasn’t even a small mistake. ”

“Such a cold-blooded, indifferent, and contemptuous criminal really made Zhao Yu’s heart turn cold. ”

“If it had been any other criminal, Zhao Yu might have wanted to scold them a little to wake them up! But towards this extremely egoistic, cold-blooded, and numb Yun Duo er, let alone scolding her awake, Zhao Yu didn’t even have the mood to comment on her! ”

“Indeed, Yun Duo’ er must have had some psychological problems for committing such a crime. ”

“However, if a person’s heart could be twisted to the point of being unable to distinguish right from wrong and even losing the most basic moral bottom line, then what was there to pity about this person?”

“Chapter 1602: New evidence, new case ”

“Three days later, Yun Duo’ er’s interrogation was nearing its end. ”

“Yun Duo’ er, who had completely given up on resisting, truthfully and in detail confessed to the police that she had killed eleven girls in the past seven years. ”

The main task of the Special Investigation Group was to search for the girl’s body.

“In order to minimize mistakes as much as possible, they would bring Yun Duo’ er to identify the burial sites one by one and dig up the bones. ”

“Due to the large number of victims and the long history of the case, the closing of the video murder case was very complicated. They would probably need to work on it for a long time. ”

“““Hell is empty. The devil is in the human world!”” In the Special Investigation Group’s office, Zeng ke sighed as he packed up the information about the video murder case. ”

Zeng ke’s sigh made the atmosphere in the office even heavier.

“It was different from the past when they had solved major cases. Although the murderer had pleaded guilty, Zhao Yu and the others still felt their hearts sink, and could not be happy. ”

“Wei Qiqi, que Sha, Zhang He, Miao Xiaowen ... As they looked at the photos of the young girls on the whiteboard, everyone felt that it was not worth it for them to die so tragically under Yun Duo’ er’s twisted resentment ... ”

“At this time, Wu Xiumin pushed the door open and reported to Zhao Yu,““team leader, li Feifan can’t be detained anymore. He has passed the time limit for interrogation.”” ”

“““Now ... Are you going to release him?”” ”

“““It can’t be?”” Cui Lizhu pouted and asked,““is li Feifan not guilty? Did he try to cover up for a criminal? Don’t you think that he also played a crucial role in the video murder case? ”

“““How can we let him go so easily for such a big case?”” ”

“““According to Yun Duo’ er’s confession, li Feifan had no idea about her murder, so ...”” Wu Xiumin said solemnly,““we have no reason to continue detaining him!”” ”

“““Mm, release it!”” Zhao Yu said, waving his hand. ”

“““It can’t be?”” Cui Lizhu was unwilling to give up.““You’re really letting him go?”” ”

“““But,”” Miao Ying suddenly added to Wu Xiumin,””according to the criminal regulations, li Feifan has a close relationship with the murderer of the major homicide case, so he must be ready at all times to return to the police station for interrogation and investigation.”” ”

“““Moreover, his actions will be controlled by the police, including, of course, being restricted from leaving the country ...”” ”

“““Understood!”” Wu Xiumin nodded, then walked out of the office to make arrangements for li Feifan’s release. ”

“““I heard,”” Miao Ying said to the crowd,””that after li Feifan and his wife were detained by the police, the film Association asked the criminal Division to sign a joint guarantee for li Feifan to go to Hollywood to film a movie, but Division Chief Jiao refused!”” ”

“““Oh ... You deserve it!”” Cui Lizhu said,””his wife has become a murderous demon, but he still wants to go to Hollywood and continue to be a big director! In your dreams!”” ”

“““Cui,”” Zhao Yu turned around and said calmly,””you don’t have to compete with li Feifan. Can’t you see that even if we can’t punish him, his career and life are already over?”” ”

“““Ah? Are you done for?”” ““How did it end?”” cui Lizhu asked, stunned. ”

“““Hmph ...”” Zhao Yu snorted coldly and said,””the video murder case will be made public sooner or later! ”

“““I can guarantee that the nature and impact of this case, even if it can’t surpass the five major pending cases, will definitely be listed as one of the six major pending cases! ”

“““When people find out that the wife of the famous movie director, li Feifan, and the famous movie star, Yun Duo’ er, is a murderous demon, will anyone still dare to approach him to film a movie?”” ”

“““Oh ... That’s ... That’s true ...”” Cui Lizhu finally understood.””Li Feifan is a nobody from now on!”” He would be isolated by the entire society! Hmph! You deserve it!”” ”

“““All things have cause and effect, and all good and evil will be rewarded!”” Zhao Yu said sadly,””Yun Duo’ er got what she deserved, and li Feifan’s sins will also be paid for sooner or later!”” ”

“““It’s a pity ...”” Miao Ying put away Kang Ziqing’s photo on the whiteboard and said,””if Kang Ziqing didn’t get into that car accident, maybe his sin could have ended earlier!”” ”

“““Yes!”” ““If the police had paid more attention to the disappearance of these girls, maybe the video murder case wouldn’t have had so many victims,”” cui Lizhu said. ”

“““I don’t understand ...”” She frowned and said,””why didn’t the police discover that li Feifan and his wife were suspects when they were investigating the missing people?”” ”

“““They’re considered public figures. Logically speaking, even if they don’t know that Yun Duo’ er is the real murderer, there should at least be some evidence in their records, right? ”

“““If we could see li Feifan and his wife’s names on the missing person record, would we have been able to trace them back to them long ago?”” ”

“““Not necessarily!”” Miao Ying sighed. “““Back then, surveillance cameras weren’t as common as they are now, and the technology used to handle cases was backward. Plus, Yun Duo’ er was well-prepared, so it was indeed difficult for the police to investigate. ”

“““Besides, be it Yun Duo’ er or Li Feifan, other than Cao lejiao, they did not have any close contact with the victims. Even if the police investigated the interpersonal relationships of the missing people, they would not be able to trace it back to them.”” ”

“““What about Cao lejiao?”” he asked. Cui Lizhu pouted. “““Didn’t Cao lejiao take off her clothes and show off her figure to Li Feifan? This isn’t considered intimate contact?”” ”

“““It’s not like that,”” Miao Ying said. “““When Cao lejiao went missing, Li Feifan was already a famous director! ”

“““When the police were investigating Cao lejiao’s disappearance, they wouldn’t have linked her disappearance to a famous director! ”

“““Even if they do, they’ll just follow the usual practice and ask Li Feifan’s assistant. ”

“““Moreover, Li Feifan isn’t the real murderer. He has an alibi, so the police won’t record his name on the missing person record!”” ”

“““That’s true, but ...”” Cui Lizhu glanced at Zhao Yu, then said, “““I still think that if there had been a police officer like our boss, who was persistent in pursuing the truth and wouldn’t give up until he got what he wanted, maybe ... He could have saved the lives of those girls.”” ”

“““Therefore!”” Zhao Yu patted Cui Lizhu’s shoulder and said, “““In the future, learn from me. You can also be a detective Cui who will never give up in pursuit of the truth!”” ”

“““Boss ...”” Just as Zhao Yu finished speaking, Ran Tao suddenly stood up and reported, “““I just received the latest news from my colleagues in Feng ping!”” ”

“““Kang Ziqing’s son, Li Mo, has sent them a piece of evidence!”” ”

“““Oh? Feng ping? Li Mo?”” Zhao Yu was surprised, “““What evidence?”” ”

“““The evidence has been sent over. It’s like this!”” Ran Tao explained, “““Li Mo found a letter that Kang Ziqing wrote to his mother, Li Shuping, in his stepfather’s rental house! ”

“““There’s some important information about Kang Ziqing in this letter ...”” ”

“Then, Ran Tao tapped on the keyboard and displayed the contents of the letter that had just been sent on the big screen. ”

It was an old letter covered in oil stains and had turned yellow. The letter was written in a crooked way:

“““How have you been, Shuping? Did his son do well in his exams? ”

“““No matter how your studies turn out, don’t be anxious. Li Mo is a slow-witted child. Give him more time ... ”

“““Let me tell you a piece of good news. Do you still remember the great director Li mentioned in the letter last time? ”

“““He’s going to open a big film and television company in the capital! ”

“““He promised me that once the company is done, he’ll bring me over and make me a full-time employee of his film company. In the future, my job will be guaranteed, and I’ll earn more money than before ... ”

“““Shuping, I’ll work hard. I’ll be able to live a better life before I go back to see you! ”

“.....

“““Shuping, you don’t know how to cherish something you don’t lose. I really understand now! ”

“““I was so F \* cking stupid in the past ... I blamed the heavens and the earth, this and that, I blamed you for not being able to have children, and I blamed Li Mo for being adopted. But after I lost you two, I finally realized that I had so much in the past! ”

“““I was wrong. I only realized now that you and Li Mo are the most precious things to me. You’re the best wife, and Li Mo is my best son! ”

“““Even if you can’t have children, even if the son isn’t your biological son ... We’re only a family when we’re together ... ”

“““I know that I can’t make up for the mistake I’ve made. I just hope that you’re all well ... ”

“““I also hope that you can nag at our son and tell him that I’ve let him down. I know that I’m wrong now. I only hope that when I go back in the future, he can still call me ‘dad’... ”” ”

.....

“At the same time, Li Mo, who was far away in Feng ping, was holding Kang Ziqing’s last letter in his hands. His face was covered in tears, and he cried until it hurt. Then, he shouted in a trembling voice, ””dad!!!”” ”

.....

“At the same time, Miao Xiaowen’s family, who was far away in Yunwu, Yue Zhou, had picked up the child’s body from the police station and buried it in an exquisite red coffin. ”

“Miao Xiaowen’s father, mother, and brother were all crying, but there was an indescribable comfort in their cries ... ”

.....

“At the same time, in the capital Police department’s evidence room, a police officer in a neat uniform placed 11 videotapes neatly in an evidence box. He first wrote the date on the label and then placed the box in an inconspicuous corner ... ”

.....

“At the same time, Yun Duo’ er, who was curled up in a corner of the cell, was looking up at the cold ceiling of the cell. Her expression was dull, and her eyes were blank. It was unknown what she was recalling ... ”

.....

“At the same time, Zhao Yu’s phone suddenly rang. It was an unknown number. ”

“”Hello ...”” A familiar woman’s voice came from the phone, and she said to Zhao Yu hurriedly,“”Zhao Yu, I’m going to tell you something, but you have to remember not to tell your girlfriend Miao Ying!”” ”

“”Oh? It’s you?”” “”What’s the matter?”” Zhao Yu asked anxiously. ”

“”Come to the Secret Service immediately!”” “”Miao kun is missing!”” The familiar female voice said. ”

“Chapter 1603: Getting to know “”Hitler”” ”

21 days later.

The Sahara Desert in North Africa.

This place was 12000 kilometers away from the capital of China.

Yellow sand rolled and heat waves rolled ...

“As the yellow sand blew past, a large area of buildings with obvious local characteristics appeared in this uninhabited desert hinterland. ”

“However, this group of buildings that were isolated in the desert was not a tourist spot, nor was it a desert town, but a real, solid prison! ”

“Thousands of vicious criminals were locked up here, and the locals affectionately called it the “”world of evil.”” ”

“At this moment, in the cafeteria hall of the prison, there was a great uproar. ”

More than 30 burly prisoners roared and forced a young man with a Chinese face into a corner!

“These people were like wolves and tigers, baring their fangs and brandishing their claws. They were extremely ferocious, as if they were about to rush up and tear the young man into pieces. ”

“However, the young man was strangling a tattooed prisoner with his left hand and holding a fork in his right hand. He was pressing it against the prisoner’s throat! ”

“In the blink of an eye, the Chinese man’s back hit the corner of the wall, and he could no longer retreat. ”

“”Motherf \* cker!”” Unexpectedly, the man suddenly roared, his eyes revealing a fierce light. He shouted in Chinese,“”you dare to compete with me in madness! Today, I’ll let you see how powerful your Grandpa Zhao Yu is!”” ”

“As he spoke, he pushed the hostage in his hand forward, grabbed the fork, and ran straight into the crowd!”

“”Whoosh ...”” ”

“The prisoners roared and swarmed forward, drowning the young man in a sea of people in the blink of an eye ... ”

.....

21 days ago.

“China, Jingzhou, Capital Police Department, inside the Special Investigation Group office. ”

“Zhao Yu had just learned that his father-in-law, Miao kun, had gone missing, so he naturally felt uneasy. ”

“The woman who had just called was Li Jing, the commander of secret services. ”

“Since Li Jing had called him personally, it meant that the situation was very urgent. ”

No wonder ...

Zhao Yu pondered. He hadn’t been able to contact his father-in-law for the past few days!

Why did she go missing?

“She felt that he was usually very cautious, and he was also a high-ranking official of the Secret Service. How could he just go missing? ”

“”No wonder ...”” At this time, Miao Ying also said “”no wonder””, but the content was completely different from Zhao Yu ‘s. She was only expressing her opinion after reading the letter.””When Kang Ziqing was working, he didn’t look for any other woman! ”

“”It turns out that he’s still thinking about his wife. Oh no, it should be his ex-wife, and his child ...”” ”

“”Yes!”” Cui Lizhu sighed.””Some things are just like that. Only when you really lose something will you know how to cherish it. And when people know how to cherish it, it’s often too late!”” ”

“”That way ...”” Miao Ying nodded.””The chain of evidence regarding Kang Ziqing is all clear! He had originally planned to follow li Feifan to the capital to develop his career and become a full-time employee. He wanted to live a good life, but li Feifan stood him up. ”

“”So, with a grudge in his heart, he went back to his old business and sneaked into li Feifan’s house to steal his property. However, he did not expect to find the 11 videos of the murder by accident! ”

“”Because Kang Ziqing knew some of the missing people, he felt that it was a big deal, so he didn’t dare to steal anything else. He immediately put the videotape in his bag and rushed to Beicang city! However, the heavens were not on her side and she got into a car accident at great Moon Bay ...”” ”

“”That’s right!”” Cui Lizhu added,””li Feifan’s failure not only prevented Kang Ziqing from becoming a formal employee, but also shattered his dream of getting back together with his family!”” ”

“““If it were me, I would definitely be unhappy too!”” ”

“““I just heard from my colleagues in Feng ping that,”” Ran Tao suddenly stepped forward and said,””when Li Mo found out the truth, he abandoned his prejudice against his father and decided to move his mother’s remains to the Kang family’s Cemetery to be buried with his father!”” ”

“““As for himself, he will quickly change his name back to’ Kang mo ‘...’”” ”

“““Hmm ... ”

“““Even though he’s been through a lot ... But Kang Ziqing should be able to rest easy now that he’s gotten this result, right?”” ”

“““Although the truth has been found out,”” Miao Ying said to the crowd,””as for the case closing in the future, we still need everyone to put in more effort. ”

“““Behind every victim, there was a family that had been through a lot of trauma! ”

“““For their sake, we have to do every job seriously. We can’t be sloppy, especially when it comes to the task of finding the corpses ...’”” ”

“““Mm, don’t worry!”” Ran Tao and the others agreed in unison.””We will definitely find all the victims ‘bones!’”” ”

“““Team leader Zhao ...’”” At this time, Miao Ying finally noticed Zhao Yu’s strange expression and asked,””you don’t look too good. Leave this to me. You should go and rest!”” ”

“““Mm ... I ...’”” Zhao Yu seemed to be at a loss. ”

“““What’s wrong?”” Miao Ying asked, pointing to her ear.””Is there a problem here again?”” Listen to me, you are too tired! You haven’t had a good rest since you came back from vakreya!”” ”

“““Yup!”” Cui Lizhu said with concern,””our boss is the toughest. Now that the case has been solved, you can leave the rest to us!”” ”

“““Hmm ... Alright!”” Zhao Yu took the opportunity to say,””in that case, I’ll go back and rest first! Don’t forget to give Chen Zhuo the case report from the criminal Division ... ”

“““And ... Um ...’”” Zhao Yu walked over to Miao Ying and said gently,””don’t just talk about me, you should also pay attention to rest. Now that the case is solved, you don’t have to work so hard anymore. And ... Um ...’”” ”

“Zhao Yu wanted to talk to Miao Ying about his father-in-law, but he remembered Li Jing’s instructions and held back. ”

“““Alright, I know!”” Cui Lizhu laughed and pushed Zhao Yu away.””Don’t show off your love in front of us. If you have any secrets, let’s talk at the hotel tonight!”” Let’s go!”” ”

“Hearing this, Miao Ying’s face turned red. ”

“However, Zhao Yu’s heart was in turmoil, as he was about to report to the criminal Division. Needless to say, the criminal Division would definitely send him to look for Miao kun’s whereabouts. ”

“In other words, it was very likely that he would not be able to meet his girlfriend in the near future. ”

“However, this was not the right time, so even if he had a thousand words to say, Zhao Yu could only pretend to smile and leave the office. ”

.....

“A few minutes later, Zhao Yu had just walked out of the capital’s police station when a black Cadillac stopped in front of him. ”

“Zhao Yu looked around out of habit, then opened the door and got into the car from the back seat. ”

“As soon as he got into the car, Li Jing, who was sitting in the front passenger seat, handed a mobile phone to Zhao Yu and said, ““““The password is your fingerprint. In the next few days, use this phone to contact us!”” ”

“Zhao Yu looked up and saw Li Jing, who was wearing a black tweed coat, looking thinner and more Haggard than before. ”

““““Tsk tsk ...”” Zhao Yu smacked his lips and asked,““so, now can you tell me what exactly happened? How did my father-in-law, officer Miao kun, go missing?”” ”

““““A week ago, he was on a mission in Morocco when he was attacked at a hotel. We lost contact with him after that!”” Li Jing answered concisely. ”

““““Is there a mistake? No bodyguards? You don’t have a location?”” Zhao Yu was confused. ”

““““The bodyguards were all knocked out. Miao kun’s mobile phone, watch, and special Positioning System all failed. He just disappeared!”” ”

““““Oh ...”” Zhao Yu said.““If that’s the case, it means that the opponent is very professional and has a strong background! ““So ...”” He picked up his phone and asked,““I’m going to Morocco now?”” ”

““““No!”” ““You go to corsovia!”” Li Jing said. ”

““““What?”” Zhao Yu was confused.““Corsovia?”” ”

““““Before Miao kun went to Morocco he went to corsovia and met a man named Adolf in his own name!””

““““Your mission is to investigate this person’s background and see if he can provide any clues?”” ”

““““Adolf? Hitler?”” Zhao Yu was still surprised.““But my father-in-law went missing in Morocco. As a super detective, I should be in Morocco ...”” ”

““““We’ve already sent our best agents to look for Miao kun. You don’t have to worry about the Morocco side!”” Li Jing said,““but we didn’t have any arrangements in corsovia, so we decided to send you there!”” ”

““““Moreover, you know this Hitler you’re talking about. He’s the great Jeka!!!”” ”

## Chapter 1604: Appreciation of art

“Cossovia was a branch of the former Federal Republic. Because of its special historical origin and geographical conditions, it had been the fuse of several wars in Europe.”

“At present, this place was similar to vachery and was not recognized by most countries. It was still a controversial area.”

“However, unlike vakrya, the political situation in corsovia was still stable. It was currently led by a unified political party and was working hard to obtain international recognition.”

“The area of corsovia was not large, and the capital was called pushtina.”

“Because of the special national conditions, although passengers in pushtina had their own airport, all the passengers entering and leaving the country had to go through complicated procedures, so the airport seemed particularly deserted.”

“Zhao Yu arrived two days after he left Jingzhou, the capital. As there were no direct flights, he had to transfer to another plane in Turkey.”

“Of course, as China had not established diplomatic relations with Kosovan yet, Zhao Yu’s procedures were not complete. If the Secret Service were to operate it, it would probably take a long time.”

“However, Zhao Yu was different from the others. He had people in corsovia.”

“As soon as he got off the plane, under the escort of the local military, he successfully walked out of the airport through unofficial channels and set foot on the land of corsovia.”

“As soon as they walked out of the airport, Jecca, who had a cigar in his mouth, led his men to welcome them.”

“““Hahaha, welcome, welcome ...”” Knowing that Zhao Yu could understand English, Jecca greeted him in English and hugged Zhao Yu warmly.”

“Zhao Yu’s figure was decent, but when he hugged Jecca, he was a whole size smaller than him.”

“He saw that Jecca was wearing the kind of fur coat with its fur turned out, with a big gold chain on his chest and a big gold watch on his wrist. He looked like a local tyrant.”

“““China’s godly detective is a man of his word! I’m impressed!”” ““Don’t worry, I’m very touched that you’re here. No matter what the result is, I won’t let you lose out!”” ”

“Jieka accompanied Zhao Yu to the Land Rover, while his men got into other cars. They then escorted the Land Rover forward. The scene was particularly high-profile and domineering.”

“From this, it could be seen that Jecca did have a certain amount of power here.”

“Zhao Yu saw that there were only him and Jecca in the car, so he used a simultaneous translator and spoke to Jecca in English,““““Why do you always sound so weak?”” ”

“““Last time, when I asked you to help me check the account of an adult website, you said that you were in Bucharest, 89 km away from Corsovia.”

“““In fact, your old nest is in Corsovia. You can do it in minutes, but you made me wait for you for so many days? Has your conscience been taken away by a dog?”

“““Have you forgotten who saved your life on Wondrous Trace Island?”” ”

“““Oh God!”” Hearing this, Jecca sighed in surprise.”“He’s really an arrogant China detective. He’s so arrogant!”

“““Do you know that if someone in Corsovia dares to talk to me like that, his tongue will appear on the plate of the ‘fat head’ the next day!”

“““Well ...”” Jecca explained seriously,”“fatty is my little dog!”” ”

“““You motherf\*cker!”” ““I don’t have time to talk nonsense with you. Tell me, Miao kun, did the Female Miao come to your place a few days ago?”” Zhao Yu scolded, not caring how the simultaneous translator would translate.”

“““You ... What grandma? How did grandma become a Black Bear? Is it a brown bear or a black bear?”” In the end, Jecca didn’t understand. He took off his sunglasses and asked curiously,”“Female Miao? Why are you mentioning him again?”” ”

“““Cut the crap! Stop pretending!”” ““Female Miao stayed at your place for two days. What did you guys do?”” Zhao Yu asked directly.”

“““Eh? That’s not right?”” ““You’re asking me this?”” he asked.”“Is it because something happened to the Female seedlings?”” ”

“““I’m asking you a question! I’m asking you first!”” Zhao Yu roared, his eyes wide.”

“““Okay, okay ...”” Jecca surrendered.”“I admit, I’ve seen Female seedlings. Is that okay?”” He said he was going to North Africa to attend some meeting organized by the Mediterranean trade association ... ”

“““Before I go, I’ll drop by to see you!”” ”

“““Oh?”” Zhao Yu stared at Jecca’s face and asked,”“it’s that simple?”” ”

“““Yeah?”” Jecca looked innocent.”“This is the usual practice! In a year, he would come here at least three or four times to meet me! The last time we decided to show off on the island of wonder, it was also discussed at my house ...”” ”

“““Only the two of you? Is there anyone else?”” Zhao Yu then asked,”“did he mention anything else to you? Or did he have some abnormal reaction? Also, what did you guys do?”” ”

“““Hey, hey, hey, don’t be so agitated, okay?”” ““Don’t you dare!”” Jecca comforted Zhao Yu and said,”“I personally applied for your entry documents with the Minister of Foreign Affairs. Don’t cause me any trouble in Corsovia!”” ”

“““Oh my God, what’s going on?”” ““I thought I invited you to help me solve the case,”” said Jecca.”“Why are you interrogating me now that we’ve met?”” ”

““““I say, China’s godly detective, don’t keep us guessing! It’s not like you don’t know about my relationship with Female Miao. I’m also very worried about you! Hurry up and tell me, what happened to him?”” ”

““““Mm ...”” ”

“Zhao Yu thought for a moment and felt that what Jecca said was right. In the past, Miao kun had mentioned to him that Jecca and Li Bencheng were trustworthy friends, even more so than Juliet. ”

“Otherwise, they wouldn’t have put on such a show on Miracle Island. ”

Since that was the case ...

“Zhao Yu thought for a while, then calmed down and said to Jecca,““““Well, I’m telling you, Miao kun is missing! They were probably kidnapped, and all the bodyguards were taken care of ...”” ”

““““I knew something had happened!”” Jecca patted the seat and said angrily,““““hurry up and tell me, where did he go missing? Let’s go and find him now!”” ”

““““Don’t worry,”” Zhao Yu said to Jecca.““““Our people are more anxious than you! I’m here to ask you about the situation!”” ”

““““Ahem!”” Jecca stubbed out his cigar and said,““““what can he do to me? Of course, we’re here to watch the most unique performance!”” ”

Zhao Yu’s eyes became straight.

““““The world’s dancers look at Eastern Europe, and Eastern European dancers look at cossovia ... Such a smooth tongue, haven’t you heard the Female Miao talk about it before?”” ““““Every time your father-in-law comes over, he always tip him a few thousand euros!”” Said Jecca. ”

Zhao Yu felt like a group of crows were circling around his head.

““““But don’t think too much about it. You’re a man, and you’re usually under a lot of pressure, so there’s nothing wrong with coming here to release some pressure! ““““Besides ...”” Said Jecca.““““He really didn’t mess around. He’s just here to appreciate art!”” ”

““““Cough cough ... Cough cough ...”” Zhao Yu choked on his food. ”

“In the past, he would definitely add,““““Since that’s the case, I’ll also properly appreciate this kind of art tonight!”” ”

“However, Miao kun’s disappearance was of great importance. Zhao Yu was so anxious that he was in no mood to joke. ”

“If what Jecca said was true, then it meant that there was no need for him to come to corsovia this time. If he wanted to save his father-in-law, he had to go to the place where he disappeared. ”

“However, Li Jing had said that Zhao Yu’s current mission was only to go to cozovia and ask Jake. If he wanted to go to North Africa to find Miao kun, he would have to apply to his superiors. ”

“So, since they were already here, it didn’t seem too much to go and watch this rare artistic performance at night, right?”

“Right, Zhao Yu suddenly remembered something else.”

“He had come to Kosovia this time under the banner of helping Jecca investigate an unsolved case. Thinking of this, Zhao Yu asked,”

“By the way, I was too busy talking about Female Miao that I almost forgot. What case do you want me to help you with?”

Chapter 1605: The wallet

“Although Kosovia had been through war, the city’s construction was not as backward as Zhao Yu had imagined. There were many high-rise buildings in the city center, and the streets were neat and tidy. It looked no different from any other European country.”

“However, military vehicles could be seen everywhere, and on both sides of the street, many armed soldiers could be seen patrolling.”

“From this, it could be seen that the military control here was still quite strict.”

“The place that Jecca took Zhao Yu to was also located in a military-controlled area. There were many checkpoints along the way, and each checkpoint was guarded by a team of soldiers.”

“However, these soldiers were already familiar with Jecca’s convoy. When Jecca’s car passed through the checkpoint, no one from Feifan stopped and inspected it. All the soldiers saluted Jecca.”

“Seeing this, Zhao Yu was even more certain that Jecca wasn’t just a rich man. He must have a very strong background in the local military.”

“Actually ...” When the car arrived at a beautiful garden area, Jecca continued to tell Zhao Yu, “the Female seedlings came to me not only for entertainment, but also to collect some information.”

“As for me, I’ll arrange for him to meet some important people and have a chat. For example ...” Jake bent down and whispered in Zhao Yu’s ear, “I already know the story of green and that batch of diamonds!”

“You and Female Miao did the right thing. Returning the item to its rightful owner is the best choice. In this world where the strong prey on the weak, other than the old devil Xi Wei, no one else can eat such a large number of bare diamonds!”

“Jecca was mysterious and calm, but in Zhao Yu’s ears, he had to be careful.”

“It was possible that Miao kun had told him about the return of the diamonds, but it was also possible that he had obtained them through other channels.”

“So, what Jecca said might also be to get information from Zhao Yu.”

“““I think ...”” Zhao Yu was not an easy person to deal with, so he immediately changed the topic and asked,““the Female seedlings coming to your place should not be called gathering information, but rather exchanging information, right?”” ”

“““You profiteers put profit above all else. Without any benefits, who would be willing to sell the information?”” ”

“““Hahahaha ...”” Jake laughed.““China detective, I like you more and more!”” Come ... I’ve arrived at my home!”” ”

“As Jecca was speaking, the convoy had already entered a white Manor. This Manor was not an ordinary style, and the entrance was guarded by fully armed soldiers. ”

“After the car drove in, it passed through a garden rockery and a huge fountain. After driving for a full five to six minutes, they finally arrived in front of a magnificent palace-like mansion in the center. ”

“““Come on,”” as one of his men opened the car door, Jecca motioned for Zhao Yu to get out of the car and said,““don’t waste the dinner I prepared for you.”” After we finish eating, I’ll start to prepare the men and we’ll go look for the Female Miao together! ”

“““I know.”” After getting out of the car, he led Zhao Yu into the mansion as he continued,““the Female Miao has many enemies and has touched the interests of many powerful forces. Many people want to get rid of him as soon as possible. ”

“““But to be honest, if he was assassinated by some organization, it might still make sense. ““But ... Kidnapping ... Tsk tsk ...”” He smacked his lips and stopped. ”

“““Oh? Do you think that kidnapping is impossible?”” Zhao Yu was surprised. ”

“““Right!”” ““After all, Female Miao’s background is too strong. No one dares to mess with you now!”” If we kidnap Female Miao, it’s the same as declaring war on you. Everyone knows how severe the consequences are!”” ”

“““There’s something wrong with your logic,”” Zhao Yu said bluntly.““The consequences of kidnapping are serious, but the consequences of assassination are not?”” ”

“““You’re still too young. Female Miao knows a lot of secrets, and you know that too, don’t you?”” Jecca led Zhao Yu into the luxurious living room of the mansion, pointed to the sofa, and continued,““do you still remember what happened to us on the island of wonder? ”

“““Didn’t you see how desperate the people from MI6 were when they saw us? At that time, Female Miao had even said a very appropriate proverb, ‘catch a Toad and pee’? ”

“““For people like us who shoulder the country’s mission,”” Jecca said frankly,““what our boss doesn’t like the most is to see us being kidnapped! ”

“““It’s better to be killed directly. I’ll feel more at ease ...”” ”

“““That is to say ...”” Zhao Yu pondered for a moment, then asked,““you mean, the people who kidnapped Miao kun wanted to get important information through Miao kun?”” ”

“““Of course, there’s one more thing!”“ ““What was he doing before he disappeared?”“ ”

“““China’s super detective, you really don’t have to be wary of me. I’m friends with Female Miao! Our friendship is something you can’t understand! ”

“““I now know that something has happened to him. Regardless of whether you’re worried or not, I won’t just stand by and watch!”“ ““So, tell me, did he get into trouble in North Africa?”“ The Mediterranean trade fair he was talking about?”“ ”

“““Alright,”“ Zhao Yu thought that what Jecca said made sense, so he told her the name of the place,”“Morocco!”“ ”

“““That’s good!”“ Jecca clenched his fists excitedly.”“I have a bunch of friends in Morocco! I’ll give them a call later ...”“ ”

“““No!”“ Zhao Yu waved his hand and said,”“I really didn’t expect you to be more anxious than me! To be honest, I can’t make the decision on this matter. You’d better wait until I report the situation to the higher-ups! ”

“““I’m afraid that Miao kun might be misunderstood ...”“ ”

“““I understand!”“ ““But I have to remind you that the people who kidnapped Female Miao are definitely not good people. You must find them as soon as possible!”“ ”

“““Otherwise, if Female Miao can’t hold on any longer, he’ll definitely be dead!”“ ”

“““I don’t need you to remind me of this!”“ Zhao Yu nodded and said,”“we’re already investigating!”“ ”

“Just as Zhao Yu said this, someone who looked like a butler suddenly brought a stack of documents to Jecca and placed them on the coffee table in front of them. ”

“““Let’s take it first!”“ ““We have more important things to do now. Let’s talk about the case later!”“ Said Jake in his local language. ”

“““Yes!”“ The Butler picked up the documents and prepared to leave. ”

“““Wait!”“ Zhao Yu suddenly stopped him and asked,”“let me see, what kind of case is it that is worthy of me, a God, to investigate?”“ ”

“““Hmm ...”“ The Butler hesitated. ”

“““Oh God, you’re really good at hiding your skills!”“ ““You can even understand Sylvie?”“ ”

“After that, Jecca tilted his head and asked the Butler to put the information back on the table. ”

“““I was just guessing based on your tone!”“ Zhao Yu couldn’t wait to take the information and start reading. ”

“For this case, Jecca had even exchanged information with Zhao Yu to get his help. Also, Juliet France had specifically reminded him not to work with Jecca. ”

“Hence, Zhao Yu had been very curious about this case for a long time. He wondered what kind of cold case it was. ”

“““General Wilkerland is a member of the Parliament and the Minister of Defense in Corsovia. He is also a strong contender for the next leader! “““But ...”“ Jecca pointed to the photo in the information and said, “““about four months ago, he was murdered! ”

“““The murderer hasn’t been found yet!”“ ”

“““Oh? Murder?”“ Zhao Yu finally understood why the nature of the case was so important. ”

“““This is simply a great humiliation!”“ Jecca pointed at the information and said, “““the Minister of Defense was found dead under the monument in Liberation Square one morning. He was naked and his heart was dug out! ”

“““The most infuriating thing is that the murderer even put a wallet where the heart was originally!”“ ”

Chapter 1606: Complicated disappearance case

“““No, absolutely not!”“ “““Miao Kun’s disappearance is more complicated than we thought,”“ Li Jing said firmly over the phone. “““We’ve already taken emergency measures and even carried out an internal clean-up. You must not come and cause trouble at this time!”“ ”

“““Internal purge?”“ Zhao Yu was shocked. “““You suspect that there’s a mole?”“ ”

“““I can’t say more!”“ Li Jing said, “““but you have to remember to keep it a secret. You can’t let anyone know that Miao Kun has gone missing!”“ ”

“““Oh? Is that so?”“ Zhao Yu said frankly, “““it seems ... Too late! I just talked to Jecca, he’s going to take a car full of people to North Africa to help!”“ ”

“““You!”“ Li Jing was about to go crazy. “““No organization, no discipline! How could you do that? You’ll get officer Miao in trouble!”“ ”

“““Is that so?”“ Zhao Yu had already guessed that Li Jing would go crazy, so he said calmly, “““I’ll harm Miao Kun?”“ ”

“““Zhao Yu!”“ Li Jing said angrily, “““Miao Kun’s disappearance is not the time for you to act on impulse! You don’t know this, but he’s going to North Africa on a special mission!”“ ”

“““Is that so?”“ Zhao Yu was obviously angry, “““what special mission? Why didn’t you tell me earlier? I wanted to know the details of his disappearance, but you didn’t tell me. What’s the reason? ”

“““Officer Li, I used to be a detective. My father-in-law is missing. Why don’t you let me go and look for him?”“ ”

“““Why do you still not understand?”“ Li Jing said, “““it’s because of your special relationship that I can’t send you!”“ ”

What the ...

“When Li Jing said this, Zhao Yu’s sharp senses picked up on something. There was an important message in her words, which was: ”

“The goal of the internal purge was probably not to get rid of the mole, but to suspect that the mole was Miao kun himself!”

“Could it be that they suspected that Miao kun’s disappearance was not an accident, but a self-desertion?”

“Because of this, they didn’t want Zhao Yu to investigate the case himself, as they were worried that Miao kun would instigate a rebellion against him or play favoritism.”

“Oh my God, this is too strange, right?”

“Miao kun was usually a bit high-key and arrogant, but he was never ambiguous when it came to matters of principle!”

Zhao Yu could not believe that Miao kun would betray his country.

“““Zhao Yu, how about this?”” Li Jing replied,“““five days! You can rest in corsovia for five days. After five days, if there is no progress on our side, you can come back!””

“““I can’t tell you the details of the case no matter what!”” ”

“““This ...”” Zhao Yu was anxious, but he now understood the nature of Miao kun’s case. ”

“““But, I’m warning you,”” Li Jing said,“““it’s best not to let outsiders interfere in Miao kun’s Affairs. These things are often sensitive. You tell Jecca not to get involved in this, otherwise, we won’t show any mercy!”” ”

“““This ...”” Zhao Yu frowned, but still agreed,“““okay!”” ”

“After hanging up the phone, Zhao Yu paced back and forth in the room that Jecca had arranged for him, thinking about what to do next. ”

“Before he made the call, he had already used an invisible detector to explore the room. Jecca had not installed any hidden cameras or eavesdropping devices. ”

“Although there didn’t seem to be anything wrong with Jecca, Zhao Yu still regretted telling him about Miao kun’s disappearance so easily. ”

“From Li Jing’s words, he could now determine the general situation of Miao kun’s disappearance. ”

“Miao kun had first gone to Morocco to carry out a secret mission. In the end, he had been kidnapped in a hotel and then disappeared. ”

“However, when the Secret Service team went to investigate, they found all kinds of clues that Miao kun might have escaped on his own, and thus suspected that he might have taken the opportunity to escape. ”

“Secret services didn’t want Zhao Yu to get involved at first, but in order to find out more about Jecca, they had no choice but to let him participate. ”

Zhao Yu believed that Miao kun would never betray his country.

“If he had gone missing on his own initiative, it meant that he had his own difficulties. They were either threatened or caught.”

“In addition, it might also be related to the special mission that Miao kun had completed ... ”

Alright!

“Since Li Jing had said five days, then he would wait for her to recover in five days. Perhaps the truth would come out after five days! ”

Sigh ...

“Zhao Yu sat on the big bed in his bedroom, trying to calm down.”

A man who is too anxious has no wisdom!

“Now that he thought about it, Miao kun’s situation might not be as desperate as he had thought, and he was most likely still alive. ”

“Thinking back to his father-in-law’s past, Zhao Yu also knew that he had his own set of survival rules, which often played a key role in desperate situations. ”

“Therefore, instead of being anxious, he might as well sort out his thoughts and make a good plan. ”

“With this in mind, he took out his phone and looked at the latest messages. ”

“Of course, the other people’s messages were secondary. What he was looking at was, of course, Miao Ying’s reply. ”

“In order not to arouse Miao Ying’s suspicion, Zhao Yu only said that secret services had arranged a small task for him, which was to go abroad to help with a small case. ”

“As for the follow-up of the video murder case, Miao Ying was in charge of it. ”

“At that moment, Miao Ying had left him a message in the internal system, telling him about the progress of the investigation of the video murder case. She said that, under Yun Duo’ er’s identification, they had found the body of the missing girl, Gong Yili, from Guizhou. ”

“After the report, Miao Ying reminded Zhao Yu to take care of his body and rest more, especially his ears. ”

“Seeing this, Zhao Yu subconsciously touched his ears and felt much better. ”

He had kept his hearing aid in his bag for the past few days and did not even wear it.

“He didn’t know if it was because he had passed that period of anxiety, or if he knew how to adjust his state of mind, but in short, ever since the video murder case was solved, his ears had never had problems again. ”

Meow Meow ...

“However, Zhao Yu still had mixed feelings. The person he was going to save was Miao kun’s father, his own father-in-law! ”

“If something really happened to Miao kun, how was he going to explain it to Miao Ying?”

“Also, when Miao Ying found out about the whole story in the future, would she be angry with him for not telling her the truth?”

“Before this, Zhao Yu had thought of telling Miao Ying the truth, and then bringing her along to find Miao kun.”

“But after thinking about it again and again, he still didn’t dare to say it.”

“Firstly, the Secret Service had made it a rule not to let Miao kun’s family know about this.”

“Secondly, it was impossible for the Secret Service to approve Miao Ying’s participation in the operation.”

“Third, saving Miao kun would be full of danger, and Zhao Yu did not want Miao Ying to be in danger.”

AI!

““I’m sorry, MeowMeow,”” Zhao Yu said in his heart. ““I’ll do my best to find my father-in-law!”” ”

But ...

“Suddenly, Zhao Yu remembered Li Jing’s five-day appointment. It seemed that he could only stay in corsovia for five days. What should he do in these five days?”

“With this in mind, he finally turned his eyes to the murder case information on the coffee table.”

“Due to the inexplicable appearance of a wallet in the victim’s heart, the local military had been calling the case the wallet murder case!”

“Moreover, the general wasn’t the only victim in the wallet murder case. Before him, there were two other people who were almost killed in the same way!”

Chapter 1607: The wallet murder case

““Yes, they’re all men!”” In the study of Jake’s house, he was explaining to Zhao Yu about the case of the wallet murder. ““One of them was the captain of the police, younishenko, and the other was a painter from the village of walicana.”

““But these two people are not the main point,”” said Jecca, placing the photo of the Minister of Defense in the middle. ““The most important thing is general wilkerland.”

““His death has left the Parliament without a leader. The different factions are pushing the responsibility to each other, which is very unfavorable to the stability of the situation! ““If we can’t figure out the truth behind his murder, it’s equivalent to planting a bomb for the future election!”

““Those unscrupulous politicians will use this matter to create rumors, slander, and attack. There are also those foreign forces that are ready to make trouble.”

“““And ...”” Jake said indignantly,““the current Prime Minister is not in a good situation either. The death of the Minister of Defense is so strange, but after so long, the murderer has not been found. It’s so embarrassing!”” ”

“““Wait ...”” Zhao Yu looked at Jecca’s study, which was full of case information about the wallet murder case. He suddenly sniffed something and asked,““old ka, what’s your identity?”” ”

“““This case, don’t tell me your Prime Minister personally entrusted you to investigate it?”” ”

“““My identity?”” ““You’re a China detective,”” he said, lighting up a cigar.””Do you know why I’m so close to your father-in-law?”” ”

Oh ...

“Zhao Yu finally understood. It turned out that the role that Jecca played in cozovia was the same as that of his father-in-law, Miao kun. On the surface, he was a successful and well-known rich businessman, but in fact, he was a Special Agent in service of the country. ”

“““What’s wrong?”” Jecca blew out a smoke ring.””Do you think that we like to be gay?” ”

“““But, you were right, the Prime Minister did assign this case to me! However, he asked me to investigate in secret and to report to him no matter what I find!”” ”

“““Hmm ...”” Zhao Yu flipped through the information and asked,““were the first two people’s situations the same as this general ‘s? Their hearts were all gouged out and exchanged for wallets?”” ”

“““Right!”” Jecca nodded. ”

“““Roughly what time?”” Zhao Yu pointed at the information and said,““seriously, if you knew I was coming, why didn’t you use Chinese? It’s too troublesome to look at it like this!”” ”

“Indeed, the information was all in Sylvie Serbia and Zhao Yu’s simultaneous translator did not work at all. ”

“““I’ve asked my Secretary to do it!”” Jecca had already memorized the case by heart and immediately replied,““the first case was about the painter seven months ago. The second was the captain of the military police, who was killed half a year ago. Then, it was his Excellency, four months ago! ”

“““The three bodies were all found in Liberation Square, but their locations were slightly different. The first one is beside the flower bed on the south side, the second one is under the flagpole, and his Excellency is under the monument!”” ”

“““Mm ... So ...”” Zhao Yu said.””The possibility of a political assassination is not great? It seems that this case is more like a serial murder!”” ”

“““But the three of them have no contact!”” ““We’re not relatives,”” said jieka.””We’ve never worked together before, and we’re of different ages. It doesn’t make sense! ”

“““I’ve studied it for a long time, and I feel that it’s possible that someone wants to make the case look like a serial murder. After all, the general’s identity is too sensitive!”” ”

““““Hmm, where’s the wallet? What kind of wallet is it?”” Zhao Yu flipped open the information and pointed to a photo.””Is this it?”” ”

““““Right!”” Jieka nodded.””The three wallets are all the same. The police checked and the wallets are hand-sewn real leather wallets made of the more expensive crocodile skin!”” ”

““““Hand-sewn?”” ““““Crocodile skin?”” Zhao Yu was surprised. ”

““““Yes,”” Jake replied.””It was made very crudely. If the wallet was made by the murderer, then the murderer is definitely not an expert!”” ”

““““What does it mean to take out a person’s heart and Exchange it for a wallet?”” Zhao Yu racked his brain, but couldn’t figure it out. He muttered,””debts are paid, and murder is paid with life? In that case, wouldn’t it be more appropriate to use cash? ”

““““Besides, why did you take out his heart?”” Zhao Yu asked,””can you find out if the place where the body was dumped was the crime scene?”” ”

““““It should be!”” ““““There were bloodstains at the scene. The police believe that the murderer brought the victim to the scene first before killing her,”” answered Jecka. ”

““““Is Liberation Square strictly guarded?”” Zhao Yu asked. ”

““““Hmm...Not too strict, right?”” ““““It’s just a normal patrol,”” said Jecka. However, we have military control here, so the murderer would have to take a certain risk, right?”” ”

““““Did you do it at night?”” Zhao Yu asked. ”

““““Right!”” ““““According to the autopsy report, it was around four in the morning!”” ”

““““Are there surveillance cameras in the square?”” ”

““““Yes, but not many!”” ““““I’ve already checked everything, but I didn’t find anything ...”” Said Jake. ”

““““I still don’t understand ...”” Zhao Yu said.””It’s not easy for a murderer to kidnap your general. Where was the general that night?”” ”

““““Well ...”” Said Jecka awkwardly.””In the house of the woman he just met ...”” ”

““““F \* ck! Why don’t you just say that she’s a mistress?”” Zhao Yu pouted. ”

““““You can only say this to me!”” ““““If you were outside, I’m afraid even I can’t protect you!”” ”

Tsk ...

“Zhao Yu’s eyes were filled with disdain, but after Jecca’s reminder, he understood why Juliet had warned him not to help Jecca with the case. ”

“It seemed that this case was indeed very sensitive, and he could get himself into trouble if he was not careful. ”

“If the murderer was just a serial killer, it might be easier to investigate. However, if it was an internal struggle in the military, then Zhao Yu would have to bear the consequences. ”

“However, although Zhao Yu understood the truth, his long-term detective habits made him have an irrepressible obsession. ”

He was getting more and more curious about the identity of the person who had committed the wallet murder.

“If the military was behind this, it wouldn’t have been so complicated! ”

“If he was a serial killer, how could he have killed someone in a place with such strict military control without leaving any traces? ”

“Also, why did the murderer choose such a method of killing, and even choose three seemingly unrelated people? ”

“Based on his initial understanding of the case, Zhao Yu had a strong feeling that there was something more powerful behind the wallet murder case. ”

“However, he did not know what this powerful thing was. ”

“““That night,”” Jecca continued,””the general spent the night at the house of his new acquaintance, and only his two bodyguards were outside. ”

“““But the bodyguard is asleep, and he didn’t hear anything ...”” ”

“Zhao Yu asked again,””what about the surveillance cameras?”” You didn’t find anything?”” ”

“““China’s super detective, how can a small place like ours be compared to you guys who are rich and overbearing?”” Jecca said helplessly,””we only have surveillance equipment at some important intersections, and most of them are broken! ”

“““Otherwise, we wouldn’t have arranged for so many soldiers to patrol the streets!”” ”

“““Don’t mess around, how much is a camera worth? How expensive is the labor?”” Zhao Yu laughed,””you’re so rich, why don’t you just donate some to them?”” ”

“““Wrong!”” Jecca shook his head again.””You will never understand the mentality of people like us who are often on the edge of war! ”

“““The war might break out any day, and people only like to spend money on the edge of the blade. Do you see my big house? It’s imposing enough, right? ““But ...”” Jecca took a deep puff of his cigar and said sadly,””these are all illusory! ”

“““You could become cannon fodder at any moment! Or, become someone else ‘s! ”

“He stood up and held the photo of the wallet murder in his hand, then said,””so, no matter who it is, they have to strive for the best!”” ”

Chapter 1608: let’s drink first

“““Hahaha, come, cheers!”” At the dining table full of exotic delicacies, Jecca stood up and toasted Zhao Yu,””welcome to the China detective! I’ve been looking forward to this day for a long time!”” ”

“Zhao Yu also stood up, clinked glasses with Jecca, and drank the strong wine in his glass. ”

“After drinking the strong liquor, Zhao Yu felt like his chest was on fire. ”

“However, in order to show that he was extraordinary, he still pretended as if nothing had happened and shouted, ”good wine, good wine.” ”

“”Hahaha ... Great! Refreshing! He’s much stronger than your father-in-law!”” Following Jecca’s gesture, a waiter in a suit immediately filled Zhao Yu’s glass. ”

“They were drinking a kind of local high-concentration liquor similar to vodka. The alcohol content was extremely high and it was extremely spicy. Usually, when he drank it, he would mix it with other drinks or ice cubes. If he drank it directly, it was no different from drinking alcohol. ”

“The wine glasses they used were also very special. They were a kind of golden wine cup with the shape of a lotus flower. One cup could hold two taels. According to the concentration of strong wine, ordinary people would reach their limit after drinking two or three cups. ”

“”Wahaha!”” Zhao Yu let out a classic wild laugh. He had just filled the glass, when he picked up the glass and said to Jecca, ”come, thank you for your warm hospitality, old ka. This glass of wine is for you!!” ”

“”Mm ...”” Jecca didn’t expect Zhao Yu to drink like this, and his eyes suddenly looked strange. ”

“”Come, let’s drink first!”” Zhao Yu raised his head and finished the wine in the cup. ”

“He turned the cup over to Jecca, making him feel a little awkward. ”

“As a last resort, Jecca could only frown and drink another cup. ”

“”Phew ...”” Even though he was the host, Jecca was still smacked by the spiciness ... ”

The waiter looked at Jecca’s expression and hesitated. He stood there and did not continue to pour the wine.

“”Eh?”” Zhao Yu pointed at the waiter and shouted, ”how can you be so rude? Can’t you see that we have no more wine? Come, come, come, pour us full!” ”

Zhao Yu’s angry roar made the waiter shiver. He quickly went forward to fill Zhao Yu and Jecca’s glasses for the second time.

“”Wahaha ... Now this is more like it!”” Zhao Yu laughed wildly as he raised his glass and said to Jecca, ”in my hometown, we always drink three glasses first! ”

“”Here, old ka. This toast is for us to find Miao kun as soon as possible!” ”

“” ...”” Jecca suddenly swallowed his saliva and looked at Zhao Yu as if he was looking at a monster. ”

It had to be said that the reason why Jecca had arranged for strong wine to entertain Zhao Yu at the dinner was also for his own purposes.

“He wanted to take the opportunity to make Zhao Yu drink a few more glasses. He wanted to make use of the strong alcohol to make Zhao Yu feel scared, or to get some information from him. ”

“However, he never expected that Zhao Yu would turn the tables on him. ”

“””This ...”” Jecca’s face was red and his forehead was sweating. Even though he could hold his liquor well, he had never drunk hard liquor like this before. He could only wave his hand and say,“””this can’t do!”” Our wine has a high alcohol content. You can’t drink it continuously!”” ”

“””F \* ck!”” Zhao Yu’s face tensed up.””Are you looking down on me? Wasn’t this too disrespectful? It’s the most basic etiquette in our hometown to drink three first. Even if you die from drinking three cups, you can’t neglect the honored guest! ”

“””Come on! I’ll drink first!”” ”

“Then, Zhao Yu raised his head again and drank the strong liquor in one gulp. After he poured it over, not a single drop fell. ”

“This time, Jecca was completely embarrassed. ”

“If he drank another cup, it would be six taels, which would be as high as half a catty. The alcohol concentration of this kind of hard liquor was about 60 degrees. If he drank this glass, it was hard for Jecca to guarantee that he could still keep a clear mind. ”

“Therefore, he held the wine glass, his entire person appearing to be at a loss. ”

Hmph!

“Zhao Yu laughed in his heart. Anyway, I have an Alcohol Extractor, not to mention a few taels of white wine, I can even drink from a bottle. ”

“””Eh? You won’t not give me this little bit of face, will you?”” Zhao Yu pretended to be surprised.””After three glasses of wine, we can officially start drinking!”” ”

Huala ...

“The waiter next to him lost his balance, and the wine bottle made a clattering sound ... ”

“””Well ...”” There was really no other way. He could only pinch his nose and drink the wine with difficulty as if he was drinking poison. ”

“Looking at his sad expression, it was as if his father had died. ”

“””Good! That’s a good friend, Wahaha!”” Zhao Yu laughed wildly again, then raised his arm again, signaling the waiter to pour him some wine. ”

“This time, the waiter’s hair stood on end. He had never seen someone who could drink so much in his eight lives. ”

“At this critical moment, Jecca reacted quickly. He quickly held Zhao Yu’s arm and said with a smile,”” ”

“””Detective Zhao, brother Zhao!”” “””You don’t know,”” said Jecca, almost pleading.””In addition to hard liquor, our corsovia is also very famous for wine! ”

“””Here ...”” He quickly raised his hand to signal to the waiter.””You’re here, you must ... Um ... You must try it, hehehehe ...”” ”

“Because of the alcohol, Jecca couldn’t even speak properly. ”

The waiter understood immediately and quickly ran to the wine rack. He put down the bottle of hard liquor and changed it to a bottle of red wine.

Hmph ...

“Seeing that Jecca had admitted defeat, Zhao Yu smiled with satisfaction, then pretended to be dizzy and echoed, ” ” ” ” “Hmm, this one’s not bad, not bad! ”

” ” ” ” “However, there’s a rule in my hometown. After changing wine, you have to drink three cups in a row! Hahaha ... ” ” ”

I’ll ...

“Hearing this, the waiter and Jake both fell to the ground ... ”

.....

“After more than ten minutes, Jecca finally came to his senses, and his eyes regained some clarity. ”

“This time, he didn’t dare to take the initiative to toast Zhao Yu. He tried to change the topic and said, ”

” ” ” ” “So ... We can only postpone saving the Female seedlings?” ” Jecca shook his head and sighed. ” ” “Actually ... You’re a super detective. Many things can’t be hidden from your eyes. ”

” ” ” ” “To be honest, I’m really anxious! ”

” ” ” ” “A few years ago in Bucharest, if Female Miao had not risked his life to leak the information to me, I would have been killed by a bomb! ”

” ” ” ” “Because of this, he was even punished!” ” ”

” ” ” ” “I won’t stand by and do nothing this time! Did you know?” ” His face was red, and he said sincerely, ” ” “to solve this kind of problem, sometimes it’s easier for us, the unofficial ones, to do it. ”

” ” ” ” “We have more connections and pay more, so we can often find information that the officials can’t! ”

” ” ” ” “All these years, I’ve been able to survive in Europe thanks to my network. Many of the difficulties encountered at the national level were even solved by my network!” ” ”

” ” ” ” “I understand, but ... Military orders are like mountains!” ” Zhao Yu said, ” ” “if you take action now, you might have a misunderstanding with our people, which is what my father-in-law doesn’t want to see. ”

” ” ” ” “So, you’d better not interfere in this matter! I think they can handle it!” ” Zhao Yu said. ”

” ” ” ” “Alright then!” ” Jieka said helplessly, ” ” “I was going to contact Li Bencheng! Since that’s the case, I’ll listen to you. However, I do have a lot of connections in North Africa. If you need help, remember to find me!” ” ”

” ” ” ” “I know, but ... ” ” Zhao Yu said again, ” ” “in order to avoid suspicion, I can’t go there now. ”

” ” ” ” “It just so happens that I can use this time to fulfill my promise and help you study the wallet murder case!” ” ”

## Chapter 1609: A serial killer?

“The next morning, Zhao Yu woke up on the big bed in Jecca’s bedroom.”

“Recalling the banquet last night, although he had turned on the alcohol disintegrator, he still felt dizzy. There was a kind of feeling that the wine was not intoxicating, but he himself was.”

“He and Jecca touched cups, called each other brothers, and talked nonsense, which was also a kind of fun.”

“Drinking itself had an extraordinary magic. After the banquet, Zhao Yu no longer felt distant from Jake. Although there was a big age difference between the two, they hit it off very well.”

“Zhao Yu could always see the shadow of his father-in-law, Miao kun, in Jecca. From this, it seemed that Jecca and Miao kun were close friends.”

What was even rarer was that Zhao Yu had an unexpectedly good night’s sleep last night.

“His dreams were sweet and sweet. When he woke up in the morning, he felt relaxed and full of energy. He had found the previous state of being full of energy and vigor.”

Oh ...

He gave a long stretch and habitually looked at the garden outside the window.

“Through the garden, he could see the Cathedral in the distance, as well as the residents who were doing their morning exercises in the square.”

He didn’t expect that he would be in a foreign country so soon after the video murder case was solved.

“This pace, no one else could do it, right?”

Corsovia ...

“To Zhao Yu, this was a very unfamiliar name. He had only heard of it from the news before, and knew that it was a country that had been baptized by war.”

He didn’t expect that he would have the opportunity to come here and participate in the investigation of the mysterious wallet murder case.

“In fact, the wallet murder case involved important people, so the investigation was particularly sensitive.”

“But for Zhao Yu, he didn’t feel the sense of urgency and pressure that he had felt when he solved major domestic cases in the past.”

“After all, he came to corsovia as a friendly guest and did not have too much political pressure. It was fine if he could break it, but it did not matter if he could not break it.”

“It’s not a disgrace that I, Zhao Yu, can’t solve a case that even their country’s elites can’t solve, right?”

“Hence, this was the first time Zhao Yu had experienced the relaxing feeling of solving a case based on his hobby. And this kind of relaxing feeling made him feel good about himself, and he was in an excellent state.”

“Today, Jecca would take him to inspect the scene and question a few related witnesses. So, before he left, Zhao Yu made a simple plan in his notebook.”

“After finishing his plan, he couldn’t help but look at the miracle System in his mind.”

“With the investigation of the video murder case, he had earned back the points he had spent on enhancing the props, and there was still a surplus.”

“Looking at his score that was about to break through the 20000 mark, he felt particularly comfortable.”

The only regret was that the hexagram function was still in the cold. There were still two weeks before he could open a hexagram.

AI!

“If he could use the points, how good would it be to unfreeze the hexagram function in advance?”

“Zhao Yu couldn’t help but think that he could use the hexagram to solve the case, and that it might play an important role in finding Miao kun’s whereabouts.”

“However, he had already studied it many times in advance. Once the hexagram poem was frozen, it couldn’t be unsealed. At present, there was no other way but to wait patiently.”

“After enjoying the classic western breakfast, Jecca personally took Zhao Yu to visit the scene of the wallet murder case.”

“The temperature in Corsovia was slightly higher than in the capital, Jingzhou. However, it was winter, after all, and most of the people on the streets were wearing all kinds of cotton-padded clothes.”

“Corsovia was a typical Eastern European city. Its streets and buildings were antique, and it was full of mystery. This made Zhao Yu, who was visiting for the first time, feel especially refreshed.”

““Here ...” In the Land Rover, Jecca handed the translated information to Zhao Yu.”“Our Chinese translator is an amateur, so you can just make do with it. If there’s anything you don’t understand, just ask me!””

“Zhao Yu took over the information. It was just as Jecca had said, the Chinese translation was not up to standard, and there were some problems with the sentences, so he could only barely understand them.”

““And ...” Jake continued,”“I can take you to see the witness! I can help you with the information.”

““But I can’t do anything about the evidence or the corpse. You have to remember that I’m not a detective in the police station. I’m just secretly giving orders to the Prime Minister himself, and I can’t make a big fuss. Do you understand?””

“When Jecca spoke, there was still a strong smell of alcohol in his mouth. It could be seen that Zhao Yu had indeed made him drink too much yesterday.”

“““Okay,”” Zhao Yu pointed to the photo in the information and said,““I don’t know if you guys noticed it. There were a few unreasonable points in the wallet murder case. ”

“““For example, the three people the killer killed made no sense; For example, His Excellency the general was such a Big Shot, but the murderer still dared to lay a hand on him? Also, why did the murderer put a hand-sewn wallet into the victim’s heart and take his heart?”” ”

“““Yes, if this case was so easy to solve, I wouldn’t have tried so hard to invite you here!”” ““Our initial suspicion was that the general’s death was due to a political assassination, or that some foreign force was trying to split us,”” ”

“““You know, if the murderer was just an ordinary serial killer, he couldn’t have done it so quietly and left no trace. ”

“““It’s very likely that this was a premeditated assassination, and there could be more than one murderer! ”

“““As for why there were two identical victims, it was because they wanted to create the illusion of a serial killer!”” ”

“““Wrong!”” Zhao Yu said with certainty,““if what you said is true, then they should have done it more simply and directly! ”

“““Don’t you think it’s too troublesome to take out your heart and Exchange it for a wallet? ”

“““Also, the location, time, and identity of the deceased are all problematic!”” Zhao Yu continued,““if you wanted to make it look like a serial killer, there was no need to dump the bodies in the same place, nor was there a need for such a long interval. ”

“““If it were me, in order to create the illusion of a serial killer, I would choose four to five of your military or government personnel to kill. This way, the police would logically rule out the possibility of a military assassination!”” ”

“““Hmm ...”” It took a long time for Jecca to digest it, then he nodded as if he had understood something and said,““that makes sense! Then, in that case ... You mean ...”” ”

“““This case should be a serial murder case! ““But ...”” Zhao Yu said,““the murderer’s ability is better than the average person’s, so he must have done a lot of preparation in advance. ”

“““I think you should focus on investigating the general’s movements before he was killed, as well as the videos of his public activities. See if there are any suspicious people in the videos.”” ”

“““Well ...”” Jake frowned and said,““to be honest, we’ve already checked over a hundred times! We’ve even investigated every single person who appeared beside the general!”” ”

“““Is that so?”” Zhao Yu said without thinking,““then show me all of them! Not just videos, but photos and news reports as well!”” ”

“““Sure, no problem!”” ““Yes, sir!”” Jecca agreed, his eyes already showing a look of respect. ”

“““Old ka!”” Zhao Yu looked at Jecca and said,““let’s make a bet! If I win, you’ll take me to appreciate your dancing art?”” ”

“““Oh ... Oh ...”” Jecca couldn’t keep up with Zhao Yu’s thoughts. He hesitated for a few seconds before asking,““what bet?”” ”

“““I’m guessing,”” Zhao Yu said, squinting his eyes.““The wallet murder is not just a serial murder, and the murderer didn’t randomly pick a victim. He killed someone with a purpose!”” ”

“““Ah? You mean ... Seeking revenge?”” Jecca was shocked.““Is he going to take revenge? Then ...”” ”

“““Then ...”” Zhao Yu said coldly,““your investigation is not rigorous enough. Just wait and see! There must be some sort of connection between the three victims!”” ”

Chapter 1610: killing the heart

“Just as Zhao Yu had imagined, the liberation square of pashtina was similar to most European squares. There were statues of heroes, monuments, flags, as well as a magnificent church and many gardens. ”

“The square was not small. It was usually an Activity Center for the locals. When Zhao Yu arrived with Jecca, he could see that the square was full of people. ”

“There were men and women, young and old, tramps, street performers, and vendors selling snacks. ”

“In the open space of the square, there were also pigeons. A group of children who had not yet gone to school were happily feeding the pigeons with their parents ... ”

“““There, this is the place!”” Jieka brought Zhao Yu to the flower bed in the South of the square and introduced him,““linkolov is a painter from valekana, only 31 years old. ”

“““We’ve looked through all his information, but we didn’t find anything related to the other two victims!”” ”

“““What do you mean by”” walikana ““?””” Zhao Yu was a little unfamiliar with these foreign names. ”

“““It’s a village near the city of pushtina, more than 50 kilometers away. It’s the hometown of the famous star player, stovich!”” Jecca explained. ”

“““I’ve never heard of him.”” Zhao Yu shook his head and asked,““where does he usually live?”” What’s your background?”” ”

“““He usually lives in a co-rented apartment with his co-workers,”” Jecca replied.““There’s nothing remarkable about this person. He’s just an ordinary painter. Since he graduated from high school, he has been painting. ”

“““According to his friend, linkolov is an introverted and honest man. He’s gentle and has never had any conflicts with others. ”

“““Through our investigation, we really can’t find anyone who has a grudge against him! ““So ...”” Jecca shook his head and said,““why do I feel like you’re going to lose the bet? ”

“““But it doesn’t matter ...”” Jake patted Zhao Yu’s shoulder.”“If you want to see the dance, that’s not a problem. If you like it, I’ll Take You There tonight!”” ”

“““You can play with me however you like. Not only will I make you pay, but I will also never reveal any secrets!”” ”

“““Straightforward! You’re my brother!”” Zhao Yu complimented, but his eyes were carefully observing the crime scene, and his brain was already in a nervous state of thinking. ”

“The flower bed was in a remote location. Even if there were people patrolling outside, it would be difficult to see this place. ”

“Also, why did the murderer change locations when he killed the last two victims? Why not kill all three of them in the same place? ”

Was he afraid that the police would set up an ambush?

Then why did he choose to do it in the square? Can’t we just find a quiet alley?

“With all kinds of doubts, he quickly followed Jecca to the flagpole. ”

“Unlike China, the national flag on the square was only for decoration purposes. There was no flag-raising or flag-lowering ceremony. ”

“Therefore, the flag was not in the center of the square, but slightly to the North. ”

“““You’ve seen the photos!”” ““Yes,”” jieka explained.”“The police captain, youngshenko, was killed here. His body was flat, and his chest was cut open by a sharp weapon! ”

“““Judging from the wounds, the murderer should have practiced,”” said Jecca.”“The wound was not too big, and he didn’t even cut the ribs, but ...”” He gestured with his hands.”“He pulled the ribs open and dug it out directly!”” ”

“““Oh ... It’s actually like this!?”” Zhao Yu hadn’t seen the specific autopsy report yet, so he was surprised. ”

“““Take the heart out and then put the wallet in!”” ““Although it didn’t take long, the scene was still quite tragic,”” said jieka. ”

“““Just like that ...”” Zhao Yu gestured with his hands in disbelief.”“You took it out?”” Can you even get it out?”” ”

“““It definitely won’t be easy!”” Jecca said,”“you have to use quite a lot of strength, and it has to be ruthless enough! Just like this ...”” ”

“As he said that, Jecca made an even more exaggerated grabbing gesture. ”

Oh my God ...

“Zhao Yu was shocked. If the murderer killed in this way, it was obviously a typical act of revenge! ”

But ... What kind of deep hatred would make a person dig out another person’s heart?

“Furthermore, he had to change his wallet? ”

Why?

““““However, this method of winning hearts is not unfamiliar in the Baltic plateau!”“““There are many herdsmen on the plateau who slaughter lambs in this way.”“ ”

““““The herdsmen will open up the sheep’s chest, put their hands in, and grab the sheep’s heart, and the sheep will die instantly!” ”

““““They said that this kind of heart-piercing death was the most humane way! ““““But ... To use it on living people, that’s ... Tsk tsk ...”“““ Jecca shook his head and sighed.”“““The autopsy report showed that the three victims had no other external injuries, so removing their hearts should be the direct cause of their death. ”

““““It’s just that the heart is missing, so we can’t be sure if the murderer had committed suicide or if the method was the same as how herdsmen slaughter lambs ...”“ ”

““““What about anesthesia?”“““ Zhao Yu asked,““““the murderer must have injected the victim with anesthetics, right?”“ ”

““““Lidocaine,”““““The murderer used an intravenous injection,”“““ said Jake.”“““It’s a common anesthesia method used in surgery nowadays! ”

““““It’s worth noting that, according to the autopsy report, the murderer injected the victim with a much higher dosage of anesthetic than normal, which was already lethal.”“ ”

““““That is to say ...”“““ Zhao Yu nodded and said,““““the murderer’s attitude was very firm, and he was ready to kill!”“ ”

““““Right!”““““ Jecca nodded. ”

““““Then ...”“““ Zhao Yu pointed to the crime scene and asked,““““tell me more about the military police captain!”“ ”

““““He’s from the security Department. He’s 45 years old this year and has a bright future. He also has a beautiful family!”““““I really don’t know why the murderer chose him,”“““ said Jecca. ”

““““Have you checked his history?”“““ Zhao Yu asked,““““is there a conspiracy?”“ ”

““““No, um ...”““““ Jacada said.”““““It’s just a small stain of bribery. After all, the captain of the military police has some power! ”

““““However, this person is smooth and knows how to conduct himself. He treats his superiors, colleagues, and soldiers well, so he shouldn’t have such a big grudge! ”

““““I remember,”““““ Jecca recalled.”““““When I was in the intelligence Department, I was on duty with him! He’s quite easy-going. ““ ”

““““Mm ...”““““ Zhao Yu pondered for a moment, then said to Jecca,““““well, let’s go to the scene of the general’s death!”“ ”

“““Okay,”” said Jecca, pointing to the center of the square.”“It’s right there, under the Monument of Heroes!”” ”

“““It’s not that I want to say this ...”” Zhao Yu said as he walked.”“You guys are really big-hearted! Two people have already died in Liberation Square, and they died in such a special way. Why haven’t you guys attracted any attention yet?”” ”

“““At that time, after the second case happened, the square was indeed under martial law for a period of time, and the patrols were strengthened, but ...”” Jake admitted.”“After a long time, they started to slack off. ”

“““Moreover, the square is too big and it’s accessible in all directions. It’s very tiring to patrol!”” ”

“““You guys are really good!”” Zhao Yu shook his head.”“If the first one to die was the general, I’m afraid the effect would be different, right? Even if you install a few cameras, it’ll be of some use ...”” ”

“““Well ...”” Jake admitted awkwardly,”“well, it was indeed our negligence. The authorities did not pay enough attention to it, which gave the murderer an opportunity! ”

“““But,”” Jecca added,”“the square is not completely without surveillance cameras. It’s just that we couldn’t find anything after checking the video!”” ”

“““No,”” Zhao Yu said, shaking his head.”“Maybe the murderer disguised himself. Can we get these videos?”” I have to see it with my own eyes ...”” ”

“““Alright, no problem!”” ”

“As they spoke, the two of them walked in front of the monument. Zhao Yu looked around and asked again, “““Old ka, are you sure that the general, the captain of the military police, and the painter don’t know each other?”” ”

“““Yes, it’s absolutely true!”” ““They never had any contact ...”” Said Jecca as if he was swearing. ”

“““Tsk tsk ... Except for gender, age, identity, work, and appearance, everything is different ...”” Zhao Yu frowned and said excitedly,”“this case is really interesting!”” ”
