Chapter 1631: Special envoy Zhao Yu

“The moment Zhao Yu spat out the water, the accumulated points in his brain skyrocketed. In the blink of an eye, it had increased to more than twenty thousand points! ”

“”Cough cough ... Cough cough ...”” Zhao Yu choked on his water and was a little embarrassed by the series of surprises. ”

“”You don’t have to have such a big reaction, do you?”” Ding Lan explained,“”I’m not done yet! He’s not my biological father!”” ”

“”Stepfather?”” Zhao Yu pinched his fingers and started to analyze the relationship between the woman and Miao Ying. ”

“”No!”” Ding Lan clarified,“”it’s Godfather! I’m his goddaughter! We’re not blood-related!”” ”

“While they were talking, Ding Lan had already collected her Travel Pass and was driving the Chevrolet on the highway. ”

“”F * ck ...”” Zhao Yu was about to start cursing, but he held back and said,“”if we’re not biological, why do you think we’re so close? Cough, cough ...”” ”

“”Hehe ...”” Ding Lan chuckled.“”I told you, my name is Ding Lan, not Miao.”” It’s like this. When I was young, my parents died on a mission, so uncle Miao adopted me. He’s my Godfather in name!”” ”

“”And then, he trained you into a Special Agent?”” Zhao Yu sighed.“”What a classic movie script!”” ”

“”Almost! It can’t be helped even if you think it’s melodramatic. Anyway, this is my truth. ”” Ding Lan said,“”however, I joined the Special Forces of my own free will. There’s no reason for me to do so. I just think it’s cool.”” ”

“”It’s quite cool!”” Zhao Yu looked at the beauty again and asked curiously,“”if that’s the case, then you are closer to Miao kun than I am. Aren’t they afraid that you will be biased?”” ”

“”That’s why ...”” Ding Lan put on a self-deprecating expression, spread her hands, and said,“”they sent me to pick you up!”” ”

“”Holy sh * t!”” Zhao Yu could not help but curse,“”sister, now is not the time to joke. My father-in-law’s life and death are unknown, and he urgently needs me, the famous great detective Zhao, to come and save him! ”

“”But the higher-ups want to shut us out and let us be soy sauce, I really can’t stand it with my bad temper!”” ”

“Then, Zhao Yu started to roll up his sleeves. ”

“” ...”” This was Ding Lan’s first time hearing Zhao Yu blow his own trumpet, and she was stunned by his shamelessness. After a long while, she said,“”calm down, you seem to have misunderstood! ”

“““The higher-ups didn’t send us here to stop us from solving the case, but to arrange a more important task for us!”” ”

“““Holy sh * t,”” Zhao Yu rolled down his sleeves and begged,”” girl, can you please make it clear at once?”” ”

“““Why didn’t I hear Li Jing say that she’s giving me any important tasks?”” ”

“““They just came up with this decision, here ...”” Ding Lan pointed at the file in the back seat and said,”” brother-in-law, your identity has changed. You can open it and take a look!”” ”

“““This ...”” ”

“Zhao Yu opened the file in surprise and took out a stack of documents and documents. Besides his name and photo, there were also many other things that he couldn’t understand in Arabic. ”

“““Your current identity is the special envoy!”” Ding Lan explained,”” he’s an official investigator officially appointed by our country to Morocco to investigate Miao kun’s disappearance!”” ”

“““The police in Morocco are obligated to assist you in your investigation. ”

“““Not only do you have the authority, but you can also investigate this case openly ...”” ”

“““This ...”” Zhao Yu had never expected that things would change so drastically. He thought that he was here to carry out a secret mission like a Special Agent! ”

He didn’t expect that he would become the Xuanji envoy!

This ... Was there any room for reasoning?

“““Mm ...”” Zhao Yu was stunned for a long time, then asked with a face full of doubt,”” you mean, I’m going to lead a group of Morocco police to investigate my father-in-law’s disappearance?”” ”

“““Not exactly. It’s not a superior-subordinate relationship, but a cooperative relationship. You have no right to command them.”” ““But,”” Ding Lan said,”” when we arrive in d ‘albeida, the local police have an obligation to share the case information with us and help us with the investigation.”” ”

“““D ‘Albeda?”” Zhao Yu frowned.”” What is it?”” ”

“““Albeda is Casabianca,”” Ding Lan explained.”” Albeda is the real name, while Casabianca is what the Westerners call it.”” ”

“““Oh ...”” Zhao Yu’s mind was spinning, and he asked again,”” what’s the deal?”” Why did they suddenly push me to the official level? ”

“““I’ve never done any diplomatic work. It wouldn’t be good if I did something wrong, right?”” ”

“““I think that’s what the higher-ups mean!”” Ding Lan said,”” they think that with your temper, ability, and experience, you are more suitable to be the special envoy! ”

“““In this way, secret services will be in the dark, while we will be in the light. Only by working together can we solve the problem more effectively and find Miao kun.”” ”

“““Oh ...”” Zhao Yu wasn’t stupid. He thought about it and began to understand the meaning of his superior. ”

“The higher-ups might have thought that the Morocco police might have held back on the case and refused to cooperate, so they had asked Zhao Yu to negotiate with them. On the surface, it was to cooperate with the investigation, but in reality, they wanted Zhao Yu to stir up trouble! ”

Tsk tsk ...

Zhao Yu couldn’t help but sigh. It seemed that he couldn’t be a good person during this trip to Morocco.

“““By then,”” Ding Lan added,””you are the special envoy, and I am your assistant. We have to try our best to get more useful information from the local police, understand?”” ”

“““Interesting ...”” Zhao Yu said,””it seems that my father-in-law’s case is indeed more complicated than I thought.”” ”

“““Girl, tell me the truth. In this case, did someone die?”” ”

“““Waa?”” Ding Lan’s eyes were fixed on the car, but she couldn’t help but praise,””no wonder Godfather always praises you! That’s a fast reaction!”” ”

“““Sigh, I can’t help it, I was born to be a detective!”” Zhao Yu said naturally,””sister, now, can you tell me the truth?”” ”

“““Here ...”” Ding Lan took out an unlicensed mobile phone from her pocket and handed it to Zhao Yu, saying,””all the information is here! In the next few days, we’ll use this phone to contact each other. For now, use your fingerprint to set up a password ...”” ”

“Following Ding Lan’s instructions, Zhao Yu started working on his phone. ”

“At that moment, Ding Lan deliberately drove the car into a service area on the highway and parked it in a relatively quiet place in the parking lot. ”

“After stopping, Ding Lan took out a pack of cigarettes and gestured to Zhao Yu. Seeing Zhao Yu wave his hand, she took out a cigarette and lit it. ”

“Ding Lan took a deep breath, rolled down the window, and blew out the smoke. ““Actually, Morocco’s weather is pretty good. It’s been around 20 degrees for the past few days, but today is the hottest!”” ”

“““If it’s raining and it’s only 10 degrees, I’ll have to wear thick clothes ...”” ”

“At this time, Zhao Yu had already set the password on his phone and was looking at the information. ”

“““Ten days ago, on the 23rd of last month ...”” Perhaps to save time, Ding Lan began to tell Zhao Yu the details of the incident.””My Godfather received a mission to make a deal with a local intelligence dealer at Casabianca’s New Moon Hotel. ”

“““But, something happened during the transaction. Godfather went missing, the transaction information disappeared, and the information broker was shot dead in the room! ”

“““At that time, Godfather’s two bodyguards were also knocked out by the unknown weapon, but ...”“
Ding Lan paused for a moment, then said hesitantly,”“when the two bodyguards woke up, they both claimed that it was Miao kun who killed the intelligence peddler!”“ ”

Chapter 1632: serial disappearance case

“““The information broker was a woman,”“ Ding Lan said to Zhao Yu as she smoked.”“That night, my Godfather booked a room, and the information broker entered the room at about nine in the evening. ”

“““According to our prior agreement, my Godfather’s two bodyguards left the room and waited at the door. Only the intelligence dealer and my Godfather were in the room. ”

“““But, less than a minute after the female information broker went in, gunshots were heard from the room! ”

“““The two bodyguards heard the gunshot and immediately rushed into the room. Then, they saw the female intelligence dealer lying on the ground with a gun in her hand, and my Godfather holding a pistol! ”

“““However, when the two bodyguards saw this, they felt that the world was spinning for no reason, and they fainted on the spot. After that, they didn’t know anything! ”

“““Even now, they still can’t explain clearly what kind of weapon they were hit with. However, one of them mentioned that when they rushed into the house, they had seen a faint white smoke coming from the door. ”

“““I think it was the White smoke that knocked them out? ”

“““We’ve already examined them. We didn’t find any wounds on their bodies, nor did we find any traces of the drug.”“ ”

“““Oh ...”“ Zhao Yu pondered for a moment, then asked,”“then, did the bodyguards mention that they saw what Miao kun looked like when they were unconscious?”“ Miao kun isn’t unconscious?”“ ”

“““They were sure that when they fell, my Godfather was still standing,”“ Ding Lan said.”“And he even turned around to look at them ...”“ ”

“Zhao Yu took a deep breath, shook his head, and said,”“this is interesting.”“ Miao kun, why did you kill the human trafficker, no, the information trafficker?”“ ”

“““Yes, that’s one of the most important points,”“ Ding Lan agreed.”“Since they just entered, if Godfather is really the murderer, it means that he was prepared for it and didn’t do it on the spot!”“ ”

“““Then ... What about the surveillance?”“ Zhao Yu quickly asked,”“did you find anything from the hotel’s surveillance camera?”“ ”

“““The surveillance hard drive has been removed!”“ Ding Lan said,”“the security guard in the control room has been knocked out as well. The culprit’s technique was very professional.”“ ”

“Does this mean that it’s a gang?” Zhao Yu pondered for a moment, then said, “or, someone is here to pick Miao kun up? It’s also possible that after Miao kun finished his work, he went to the surveillance room and knocked out the security guard, then took the hard disk!”

“That doesn’t make sense.” Ding Lan shook her head and said, “I know my Godfather well. He may not be very reliable sometimes, but when it comes to matters of principle, he’s still reliable!”

“Whether it’s reliable or not depends on what happened,” Zhao Yu said, pointing to his mobile phone. “You also said that all the information is here, but why can’t I find it? what exactly did Miao kun do with the intelligence dealer?”

“This ...” Ding Lan said awkwardly, “the higher-ups have ordered me not to tell you!”

“Bullshit!” Zhao Yu puffed up his cheeks and roared like a bull, “you just said that Miao kun couldn’t have betrayed us, right?”

“Think about it, the information broker was killed, and Miao kun killed her! So, Miao kun might have been threatened, and the threat was probably related to the deal!”

“Little sister, you still call me brother-in-law! We’re family, and I don’t believe that Miao kun would betray us. He must have his reasons!”

“He’s still waiting for us to save him!”

“...” Ding Lan was obviously in a difficult position. Before she finished the cigarette, she snuffed it out in the ashtray.

“Okay, if you don’t want to tell me, I won’t make things difficult for you,” Zhao Yu said as he took out his phone. “Then I’ll have to ask Li Jing personally!” If she doesn’t tell me, I’m really going to flip out!”

“It’s because of the rich businessman londee!” Ding Lan put the cigarette into the ashtray and said to Zhao Yu carefully, “I’m sure Godfather has mentioned to you about the disappearance of the rich businessman, londee, right?”

“Londee ...” Zhao Yu tried hard to recall the familiar name, and it only took him a second to remember. “You’re talking about the world’s richest man, londee, right? The londee from londee technology company?”

“Right!” “Londee went missing a few years ago,” said Ding Lan. “The one who appears on TV now is just a body double who looks like him. They don’t dare to spread the news of Burundi disappearance to the public, for fear of causing a stock market crash.”

“In order to find londee, their company offered one billion US dollars as a hidden reward to search for londee’s whereabouts, but to no avail ...”

“I ... I don’t understand!” Zhao Yu shook his head and asked, “isn’t londee an American? An United States tycoon has gone missing. What does it have to do with my father-in-law? Miao kun wasn’t thinking of finding londee and getting the one billion US dollar reward, was he?”

“Isn’t that too naive?”

“““No,”” Ding Lan explained.”“Longdi technology is the leading technology company in the world today. Before longdi went missing, they had discussed cooperation projects with us, all of which were super big orders that benefited the country and the people. If the contract was signed, it could change the future of the world. ”

“““However, after his disappearance, all of these cooperation projects have been put on hold, which is not good for us. ”

“““That’s why my Godfather has been trying to find him. “” ”

“““Isn’t this a little too much?”” Zhao Yu raised an objection,”“the person has been missing for several years, so the possibility of her being alive is not high, right? ”

“““Furthermore, since we are the victims of londee’s disappearance, then the people who kidnapped him could also be targeting us, right? ”

“““Also, a tall tree attracts the wind, so it’s possible that they’re targeting him! ”

“““Because his company’s development has already touched the core interests of some authorities, so it’s normal for him to be eliminated, right?”” ”

“““You’re right, I think so too. “” Ding Lan said,”“but Godfather has been insisting on this matter. He must have his own ideas, right? ”

“““Perhaps, he knows that londee is definitely not dead?”” ”

“““So ... The information broker went to him?”” Zhao Yu returned to the main topic,”“could it be that the information broker has information on londee?”” ”

“““It should be!”” Ding Lan nodded.”“All I know is that Godfather found this information broker through a middleman!”” ”

“““They agreed to meet in Casabianca to complete the transaction. Godfather gave her money and other information, and she revealed londee’s information to Godfather. “” ”

“““Tsk tsk tsk ...”” Zhao Yu shook his head and said,”“that’s troublesome! In other words, Miao kun’s disappearance might have been caused by the disappearance of the world’s richest man. This was a serial disappearance case! ”

“““It’s possible that the people who kidnapped Miao kun and the richest man in the world are the same group of people! ”

“““Think about it,”” Zhao Yu said regretfully.”“That group of people can even kidnap the world’s richest man, so it won’t be easy to deal with them!”” ”

“““That’s true, and that’s what we suspect as well, but ...”” Ding Lan shook her head and said,”“we can’t be sure right now. My Godfather must have been kidnapped.”” ”

“““Don’t forget, he was the one who killed the female information broker! The bodyguard might have been knocked out by him ...”” ”

“““He might have taken the surveillance hard drive! ““Holy sh * t ...”“ Zhao Yu took a deep breath and thought to himself, ““father-in-law, what are you trying to do?!”“ ”

Chapter 1633: sister-in-law

“““Do you know Miao Ying?”“ After looking through the information, Zhao Yu asked curiously, ““one is a goddaughter, while the other is a biological daughter?”“ ”

“““We met when we were little,”“ Ding Lan said. ““We played together. She should still remember me, right?”“ However, we never saw each other again after we grew up. ““ ”

“““Oh ...”“ Zhao Yu nodded thoughtfully. ”

“““However,”“ Ding Lan added, ““to be more precise, Miao uncle is my foster father, not my adoptive father. What he gave me was more in my work than my family.”“ ”

“““Oh ...”“ Zhao Yu pondered the difference between his foster father and his foster father, then suddenly understood what she meant. ”

“““Therefore, there’s no such thing as jealousy or closeness!”“ ““My role is more like a disciple,”“ Ding Lan said. ““Sister Miao is the real pearl in my palm.”“ ”

“““Oh ...”“ Zhao Yu nodded, finally understanding the relationship between Ding Lan and Miao kun. ”

“““Although we never met again,”“ Ding Lan said sadly, ““I know that sister Miao is a strong person. She always wanted to join the Secret Service and become an elite in the police force. ”

“““But this is what Godfather doesn’t want to see the most! It’s too dangerous to be a secret agent. That’s why Godfather arranged for sister Miao to stay in Qin mountain for her safety. ““ ”

“““Hehe,”“ Zhao Yu laughed bitterly, ““this old man, no wonder he kept finding excuses, saying that MeowMeow can’t do this and that, she’s not qualified to join secret services! ”

“““But when it comes to me, it’s so obvious. Hehe ...”“ ”

“““I think,”“ Ding Lan took off her glasses, looked at Zhao Yu, and said, ““that’s because you’re capable, so Godfather did that, right? After all, he has praised you in front of me more than once! ”

“““And he rarely praises anyone.”“ ”

“.....”

“The moment Ding Lan took off her glasses, Zhao Yu’s heart throbbed again. Ding Lan had bright eyes, white teeth, and was extremely handsome. ”

“Especially her eyes, which were bright and sharp, as if they could see through Zhao Yu’s heart and see through everything. ”

“Boom, boom ... ”

Zhao Yu felt his heart beat faster and harder to control. Such a thick-skinned person was blushing for the first time in his life.

“““Mm ... You ...”” Ding Lan saw Zhao Yu staring at her with a red face and thought something had happened. She immediately asked,““are you okay?”” My brother-in-law?”” ”

“““No... No...”” The word ““brother-in-law”” made Zhao Yu return to his original state. Zhao Yu quickly continued,““how did your Godfather praise me?”” Are you saying that my shamelessness is very similar to his charm back then?”” ”

“““Hmm ...”” Ding Lan was speechless. ”

“““I’m thinking ...”” Zhao Yu said.””Miao kun is your Godfather, Miao Ying is your godsister, and I’m your godbrother-in-law. So, wouldn’t that make you my godsister-in-law? Godsister-in-law?”” ”

““Maybe it was because his bad habits were hard to change, or maybe Zhao Yu was doing it on purpose, but when he spoke, he deliberately emphasized the word ““F * ck”” and made it four sounds. So, the originally normal noun couldn’t be any worse.”

““Ding Lan was a smart girl. She immediately understood what he meant, and her face blushed.”

* Cough *

Zhao Yu could also tell that there was a problem with his pronunciation. He immediately scolded himself in his heart. Why did he suddenly think of teasing his sister-in-law at a time like this?

“““Aren’t you being too distant by speaking like this?”” Ding Lan smiled generously and said,““what do you mean by doing it? it’s too far away! Although we haven’t seen each other much, we should be like a family, don’t you think? Brother-in-law?”” ”

“““Yes, yes!”” Zhao Yu quickly nodded and said,““you call me brother-in-law, and I call you little sister. We are a family, hehehe ...”” ”

““Seeing Zhao Yu’s silly smile, Ding Lan only raised the corners of her mouth slightly, her smile calm. When Zhao Yu finally stopped laughing, she said seriously,““ ”

“““But, my brother-in-law, there’s one thing I hope you can be mentally prepared for ...”” Ding Lan stared at Zhao Yu with a sharp look.””Although we are all family, although I also think that Godfather is innocent ...”” ”

“““But, if the results of our investigation are disappointing, I will definitely not show mercy!”

“““I, Ding Lan, have always been fair in my work. If Miao kun is really a defector, I won’t show him any mercy. I’ll do whatever it takes to bring him to justice, or even kill him!”” ”

“““...”” Zhao Yu’s heart turned cold. He could already feel the killing intent from Ding Lan’s words. ”

“““So, this is one of the reasons why the higher-ups sent me to participate in the mission without any worries.”

“““I’ve been strictly trained. When I’m on a mission, I won’t care about any personal feelings!”” Ding Lan stared at Zhao Yu and asked,““what about you?”” ”

“Mm ...” Zhao Yu was stunned for a moment, then said calmly, “don’t worry, that kind of thing won’t happen. Miao kun would never defect!”

“Oh? How can you be so sure?” Ding Lan was curious. ”

“I just came from cossovia ...” Zhao Yu explained. “Before Miao kun went to Morocco for a mission, he went to cossovia to see an art performance with his old friend, Jecca. If he had already decided to escape, how could he still be in the mood to watch a performance?”

“Tsk tsk ...” Ding Lan pouted. “Do you call that kind of naked performance art?” It seems that you’ve watched quite a lot, haven’t you?”

“I’ve asked Jecca,” Zhao Yu said indifferently. “They’re not here to watch performances, but to collect information. If Miao kun had decided to flee, he wouldn’t have been in the mood to carefully collect information.”

“Moreover, he has no reason to rebel!” Zhao Yu opened his palms and said, “is there anyone richer than him? He would invite the world champion to join in the fun on his birthday, and he had a better time than anyone else ... ”

“Miao Ying was the apple of his eye. How could he be so heartless as to abandon his daughter?”

“Whether it’s public or private, he won’t get any benefits ...”

“But ...” Ding Lan said, “he did kill someone!”

“Isn’t he just an information broker?” Zhao Yu said indifferently, “do you know how many enemies we killed on Miracle Island?”

“No, this is different!” Ding Lan clarified, “this information broker is a legal citizen of Morocco!”

“So what?” Zhao Yu waved his hand. “What if it was the information broker who wanted to kill him, and he was just defending himself?”

“This ...” Ding Lan frowned and looked at Zhao Yu with a strange expression. ”

“The truth hasn’t been found out, so anything you say is just empty talk!” A wise look flashed in Zhao Yu’s eyes. He pointed to the phone he had just received and said, “the information on this is not comprehensive enough. When we arrive in Casabianca, take me to the scene to take a look! ”

“Also, I want to see the two bodyguards and the body of the information broker,” Zhao Yu said. “Sometimes, seeing is not always believing!”

“The bodyguards are our people, that’s easy, but ...” Ding Lan said, “if we want to check the scene and the body, we have to go through the Morocco police first! ”

“Now, the crime scene has been cordoned off by them, and the body is in the mortuary of their police station!”

“Oh, I understand!” Zhao Yu smirked and muttered, “the world is full of wonders. In the past, I always investigated a case before acting tough, but now it’s the other way around. I have to act tough before I can investigate a case!”

Chapter 1634: -honey trap?

“Although Casabianca was only a little more than 80 kilometers away from labard, the temperature here was much cooler than in labard. ”

“When Ding Lan drove the Chevrolet into the famous North African city, Zhao Yu suddenly felt a lot more refreshed. He was no longer as hot as before. ”

“Opening the window, one could feel the sea breeze of the Mediterranean Sea. Looking out, one could see many tall and majestic mosque buildings in Arabic style. ”

“““Casabianca means ‘White House’ in Latin, but ...”” Ding Lan explained,““the White houses are all near the beach, and you can only see them when you go to the new moon Hotel.”” ”

“Zhao Yu’s eyes were looking at the streets of a foreign country. He didn’t respond to Ding Lan’s introduction, but seemed to be thinking about something seriously. ”

“““Zhao Yu, Oh, brother-in-law,”” Ding Lan said.““We only matched our words once. Are you okay with that? There’s some information that can’t be disclosed to the Morocco police. ”” ”

“““I know,”” Zhao Yu nodded and said,““I’m the world-renowned detective Zhao. If I can’t handle this, wouldn’t I be a joke?”” ”

“““As long as there’s anything that’s harmful to father-in-law, just pretend to be stupid! ”

“““Don’t worry, sister. Acting dumb is also my Forte ...”” ”

“““Especially ...”” Ding Lan was still worried.““You can’t tell anyone about the world’s richest man, not only to the Morocco police, but also to the Secret Service agency. I’m already breaking the rules by telling you.”” ”

“““Don’t worry. Keeping secrets and being loyal are my basic principles!”” Zhao Yu patted his chest and promised. ”

“““Later, our embassy’s counselor and their country’s diplomatic officials will be waiting for us at the police station,”” Ding Lan said.““So, be careful with what you say, don’t damage our image.”” ”

“““I know,”” Zhao Yu said impatiently.““Sister, don’t be so nervous. I, your brother-in-law, am someone who has braved through storms and waves. I know what I’m doing and what I’m saying! ”

“““I know that our relationship with the Morocco police is like that of a couple whose relationship has broken down. On the surface, we seem to respect each other, but in reality, we both want to know each other’s account and password!”” ”

“““Hmm...Your analogy ...”” Ding Lan felt that it wasn’t appropriate, but it was interesting. ”

“““Don’t worry!”” Zhao Yu laughed.““Now I know why the higher-ups sent me to be the special envoy!”” ”

.....

“At about five in the afternoon, Zhao Yu and Ding Lan arrived at the local police station in Morocco. Unexpectedly, the local police station was also built in an ancient Arabic style. ”

“Here, Zhao Yu met with the various officials who had come to welcome him. Although it seemed to be an ordinary murder and kidnapping case, because it involved diplomatic matters, the officials of the two countries took it very seriously and held a more formal meeting. ”

“It was Zhao Yu’s first time as a special envoy, so it was a bit fresh for him. Although he had participated in many international events in the past, he had never had an official status like today. ”

“Therefore, Zhao Yu’s performance was considered satisfactory, and he completed the meeting very cooperatively. At the same time, he also expressed his strong points on the spot, saying that he would do his best and cooperate with the local police to find out the truth of the case. ”

“After the meeting ended, the director of the Morocco Police Bureau personally held a dinner party to welcome Zhao Yu. It was not Grand, but it was still decent. ”

“At the dinner party, the Bureau chief introduced Zhao Yu to an Arabic beauty with thick eyebrows, big eyes, green pupils, and black hair. She said that the beautiful woman was the female detective in charge of Miao kun’s disappearance case. Her name was Qianqian Rena. ”

Zhao Yu’s first feeling when he saw Rena was that he was burning with anger.

“She was the kind of woman with a voluptuous figure and clear lines. One point too fat would be too much, and one point too little. Whether it was her body proportion or her appearance, she was a beautiful woman with just the right temperament. ”

“Zhao Yu had originally thought that in an Arab country like Morocco, women were not so open-minded, but after seeing Rena, he completely changed his mind. ”

“Rena was dressed in a well-ironed police uniform and a black beret on her head. In addition to her valiant and heroic bearing, she also had a bit of enchantment, which was really pleasing to the eye. ”

“““Oh my God ...”” Zhao Yu thought to himself,““ could the Morocco police have taken the opportunity to drug me?”” ”

It was said that women in the Arabian world had no status. Why would they send a female detective to him for no reason?

This woman’s big eyes kept blinking. Could it be that ... She wanted to use her beauty to seduce me?

Hmph Hmph ...

“Zhao Yu thought to himself,““if that’s really the case, then you guys are going to go for wool and come home shorn!”” Hehehe ... ”

“““Officer Zhao, officer Zhao?”” Seeing Zhao Yu’s smirk, Rena was a little embarrassed. She could only speak in less fluent Chinese,““Hello! It’s our first time working together, please take care of me. “” ”

““““Oh ...”” Seeing her take the initiative to extend her right hand, Zhao Yu finally recovered from his self-satisfaction and quickly held the beautiful Arab woman’s plump hand. He chuckled and said,“““no problem, no problem ...”” ”

“Seeing Zhao Yu drool, Ding Lan, who was beside him, covered her face in embarrassment. ”

““““Because I learned Chinese, it’s easy for us to communicate ...”” Rena said indifferently.“““That’s why the chief sent me to work with you ... We have a good cooperation in washing the dishes and getting the sun to shine on the missing people in the morning ...”” ”

“Rena’s Chinese wasn’t fluent, and many of her words were out of tune, but Zhao Yu was still fascinated by her. He kept staring at her lecherously, which made Ding Lan even more embarrassed. ”

“After the dinner, Rena approached Zhao Yu and handed him her business card. She asked him enthusiastically,““““Police officer Zhao, in order for us to cooperate better and get to know each other better, why don’t we go to the bar for a few drinks? ”

““““We have a famous fruit juice cocktail called idesre. You’ll definitely like it.”” ”

““““Oh?”” Zhao Yu realized that when Rena was talking to him, she was deliberately standing very close to him, so that her unique womanly fragrance would impact his desire. ”

It seemed that ... He was thinking in his heart that this woman really had ulterior motives.

“At that time, Ding Lan, who was behind Zhao Yu, had already noticed that something was wrong, so she gently nudged Zhao Yu from behind, reminding him to be more vigilant. ”

““““I heard that Arabians don’t drink ...”” Zhao Yu deliberately took a step forward and came in front of Rena, touching her hot body. ”

““““I’m not Arabian,”” Rena said with a smile.“““You can tell from my eyes that my father is French!”” ”

“Zhao Yu could be considered an old hand, and he could clearly feel that Rena was trying to seduce him. The reason she had seduced him was to obtain information about Miao kun’s disappearance. ”

It seemed that the local police had also sniffed out something important from this case.

“Normally, Zhao Yu would have chosen to beat her at her own game and have a good taste of the beauty first. Then, not only would he not let her get any information about him, but he would also get some information from her mouth. ”

“However, Zhao Yu looked at his sister-in-law, Ding Lan, then thought about his girlfriend, Miao Ying, and his missing father-in-law, Miao kun. After thinking about it again, he still felt that it was inappropriate to do so. ”

“Moreover, he knew that this Rena was definitely not as easy to deal with as he had imagined. If he couldn’t deal with her, it would be disadvantageous to him. ”

“So, he had to put away his greedy face and said to Rena seriously,““““I think we’ll have plenty of opportunities to drink. Let’s talk about it later. Let’s get down to business first!”” ”

““““Yes ...”” Rena was obviously surprised and embarrassed. ”

“““Officer Rena,”” Zhao Yu asked,”” regarding the body of the victim, it should be in your police station, right? Let’s go, take me to see it now!”” ”

Chapter 1635: Female information broker

“““Her name is Hu lingye.”” In the police autopsy room, when the staff opened the cold cabinet that stored the female intelligence dealer’s body, Rena introduced her to Zhao Yu.””She’s 41 years old this year, unemployed, and was arrested for illegally hacking a government website. But she was bailed out after paying a fine.”” ”

“Then, Rena handed a document to Zhao Yu and explained, ““I’m very sorry. We can’t find a suitable Chinese translator here, so the autopsy report hasn’t been translated into Chinese yet ...”” ”

Zhao Yu took the autopsy report and flipped through it. He couldn’t help but frown.

“He didn’t know if this was how the criminal investigation environment in foreign countries was like, or if they did it on purpose, but the autopsy report was almost too simplified. ”

“Although it was all in Arabic, Zhao Yu could see that there were only a few sentences about the autopsy, and there weren’t even any photos attached. ”

“““He was shot in the heart, one shot dead.”” Ding Lan, who knew Arabic, didn’t care. She pointed at the autopsy report and explained to Zhao Yu,””from the wound marks, the murderer fired the gun at a very close distance ...”” ”

“““Oh ...”” Zhao Yu turned his head and asked Rena,”” what’s the name Hu lingye? It’s the first time I’ve heard of such a name. It sounds like a China Name. ““ ”

“““No, it’s just a common Arabic name. It means fairy!”” ”

“As Rena was explaining, Zhao Yu opened the curtain that was covering the body and saw the female intelligence dealer’s face. ”

“She had a pretty face and long black hair that looked like a waterfall. Although she was in her forties, her skin was well maintained. If he didn’t see the gunshot wound on her chest, he would have thought that she was just sleeping. ”

“““I heard ...”” Zhao Yu carefully examined the wound, while he continued to ask Rena,””when she was killed, she was wearing a robe, right?”” ”

“““Right!”” Rena replied unhappily,””I remember that we’ve already shared the information of the scene with you. When Hu lingye met with your country’s businessmen, she was indeed wearing a long robe with Arabic characteristics ...”” ”

“““Is he not only wearing a long robe but also a scarf?”” Zhao Yu made an exaggerated gesture.””You don’t even show your face, right?”” ”

“““Mm ...”” Rena glanced at Zhao Yu, but her eyes were obviously impatient. ”

“In her opinion, Zhao Yu was asking the obvious. Zhao Yu had already received information about Hu lingye, so he knew what she was wearing when she got into the accident. It would be a waste of time to ask her all these things again. ”

“””He seems to be ... Wearing a pair of sunglasses!””” However, Zhao Yu was extremely excited, and he was beaming with joy when he asked the question. ”

“””Officer Zhao, weren’t the two bodyguards of the missing merchant with you? You can ask them, they know much more than us!”” ”

“Rena crossed her arms, looking a little impatient. ”

“””Officer Rena,””” Zhao Yu explained calmly,”””although we have the information, the case changes every day. I just want to check the information with you. There can’t be any mistakes, right?”” ”

“””You know what? The clues to catch a criminal are often in these insignificant details!”” ”

“””Hmm ... You’re right!””” Rena gave a simple perfunctory reply, but her expression was still disapproving. ”

“””This Hu Ling ... Doesn’t she have any family members?””” Zhao Yu continued to ask curiously,”””until now, no one has come to claim the body? No marriage, no husband, no children, no parents?”” ”

“””Yes,””” Rena replied stiffly.”””Hu lingye was married once and had two children, but she was divorced a long time ago! ”

“””Her husband is in Spain with the child. We have sent people to contact him, but we have not been able to reach him. ”

“””Also, Hu lingye was born in the Bashgan area. We’ve already sent people to investigate her family situation. It will take some time.”” ”

“””Without a job, without a job, what do you rely on to make money?””” Zhao Yu asked, pretending to be curious. ”

“This time, Rena’s expression clearly changed. ”

“One had to know that Hu lingye was an information broker. They all knew this, but they had a tacit understanding. Now that Zhao Yu kept bringing it up to ask this and that, he obviously felt very disgusted. ”

“””I don’t know about that,””” Rena said, shaking her head.”””We’re still investigating ...”” ”

“””Then ...””” Zhao Yu said,”””have you been to Rena’s house? Where does she live? Did you find any useful information?”” ”

“””Yes, she lives in the apartment behind the Miranda ocean mansion. We’ve searched, but we didn’t find any useful information ...”” ”

“””Oh ...””” Zhao Yu thought for a moment and was about to ask something. ”

“To his surprise, Rena asked, ““““ Officer Zhao, I also think that the disappearance of your country’s businessman, Miao kun, and the murder of our citizen, Hu lingye, are all related to the deal between the two of them. ”

““““ Therefore, we can only investigate their transactions more effectively. Don’t you think so? ““ ”

““““ Of course I am! ““ Zhao Yu said, ““so, we are also actively investigating what kind of business they are doing. ”

““““ But, we’ve investigated Miao kun’s company and employees, and they didn’t know anything about it! What should he do? ”

““““ So ... ““ Zhao Yu pointed to the body in the freezer. ““Now, we can only find a way from her! ““ He said. ”

““““ Hmph ... ““ Rena laughed coldly, obviously scoffing at Zhao Yu’s act of pretending to be stupid. ”

“However, Rena was so angry that she forgot one thing. When Zhao Yu was talking nonsense with her, he had already carefully examined the whole body. ”

“Moreover, because he found some suspicious points, Zhao Yu’s eyes flashed with a strange light. ”

“Just like that, after checking the bodies, Rena prepared a police car for Zhao Yu and su lingyue. She planned to drive them to the crime scene herself. ”

“It was a nameless Jeep, and it had a strange smell that was similar to the smell of sheep. ”

“After Zhao Yu and Ding Lan got into the car, Rena, who was about to take out her keys to start the car, slapped her forehead in frustration and said, ““ ”

““““ Oh, I’m sorry, I left my keys in the office. I’ll go get them now. Please wait a moment! ““ ”

“With that, Rena ran out of the car in a hurry to get the key. ”

“Only Zhao Yu and Ding Lan were left in the car. Zhao Yu sat in the front passenger seat, while Ding Lan sat in the back. ”

““““ Officer Zhao, um, brother-in-law ... ““ Ding Lan couldn’t help but poke Zhao Yu and ask, ““did you see that just now? There’s something wrong with the corpse! ““ ”

““““ Oh? Was it? ““““ Wahaha ... ““ Zhao Yu turned around and suddenly laughed wildly for no reason. As he laughed, he extended his index finger and gestured for Ding Lan to keep quiet. ”

“Then, he pointed his index finger at the driver’s seat. ”

Oh ...

“Ding Lan was smart, so she immediately understood what Zhao Yu meant. She didn’t expect there to be a listening device in the car! ”

“Without a doubt, the bug must have been installed by Rena’s people. ”

“This was a common trick used by spies. She had deliberately said that she didn’t bring her car keys, so that Zhao Yu and Ding Lan could have some time to talk, and she could eavesdrop on them. ”

“However, Zhao Yu had an invisible detector on in his head, so nothing could escape his eyes. ”

Zhao Yu suddenly had an idea. He quickly took out his phone and played the song that had been playing as his ringtone.

“”Ah ... Hero, please chase after my beautiful dream ...”” ”

He deliberately turned the music to the loudest volume and placed it directly where the bug was ...

Chapter 1636: The newly-married couple

“In the monitoring room of the police station, there was a scream of pain. ”

One of the police officers who was eavesdropping on Zhao Yu and Ding Lan took off his headphones and rubbed his ears.

“When the director beside him saw this, he immediately unplugged the cable from his headphones. An old Chinese song came out of the speaker, ”

“”Ah ... Hero, please accompany me in my dreams ...”” ”

“The door of the monitoring room was pulled open, and the beautiful detective asked,“””How is it? What did he hear? Hmm ...”” ”

“When Rena also heard the song from the speaker, she suddenly sneered and shook her head.””I told you, this kind of underhanded means can’t fool him! ”

“”That China Special envoy looks stupid and cowardly, but he’s actually very smart! ”

“”This is great. They’ll only be more vigilant in the future. “”Director,”” Rena stopped sneering and said seriously,””from now on, just follow my plan!”” ”

“With that, she weighed the car keys in her hand and turned to walk out of the monitoring room. ”

“Although the first plan didn’t work, Rena’s steps were light, and her face always showed a mysterious confidence. From her point of view, she had already found Zhao Yu’s weakness, so she was very confident in her strategy. ”

Wuuu ...

“However, just as she arrived at the parking lot, she saw a black Chevrolet drive past her at a high speed. As it was very close, she could see that the people in the car were Zhao Yu and Ding Lan. ”

“”Hey ...”” ”

“Surprised, Rena hurriedly raised her arm to greet him, but the Chevrolet didn’t stop at all. It drove straight out of the police station and left ... ”

“” %?##...”” Rena was a gentlewoman police officer, but she couldn’t help but swear in Arabic. ”

Di di ...

“After she was done cursing, her phone suddenly rang. She picked up the call and heard Zhao Yu’s voice,
”

““Officer Rena,”” Zhao Yu said seriously, ““I’m really sorry, but there’s a smell of sheep poop in your car. I can’t stand it!”” ”

““So, we’re going to the crime scene now. Please inform the guards there! Thank you!”” ”

““Oh ... Sure, sure ...”” Although her chest heaved up and down in anger, she still agreed very politely. ““You can go first, I’ll be there soon!”” ”

“After hanging up the phone, she angrily dialed another number and said in the local language, ““Hello, I’m Rena. Are you all at the new moon Hotel?””

““Alright, the China envoy has already gone over to check the scene. “Remember,”” Gena ordered coldly, ““you must not let them enter the scene before I arrive.””

““Just say that this is an order from the higher-ups, understand?””

““Yes, but you have to be mentally prepared. When I get there, I will be very angry and reprimand you, and I will rain blood on your heads. But that was all an act for the Chinese, do you understand?””

““Alright,”” Rena sneered, ““do as I say!”” ”

“After hanging up the phone, Rena didn’t rush to drive. Instead, she returned to her office and played with her cell phone.”

“From her point of view, when Zhao Yu and su peizhen hit a wall at the scene of the crime, they would definitely call her for help. In that case, she could regain the face that she had lost just now.”

“He could also take this opportunity to give Zhao Yu a warning, letting him know that this was his territory, and that without his help, he wouldn’t be able to do anything.”

.....

“An hour later, in the new moon Hotel.”

“In fact, the new moon Hotel was only rated as a 5-star hotel because of its long history and great reputation. But in fact, its environment, facilities, and various other facilities were far from that of a real 5-star hotel.”

“However, the guests who stayed here had a Casabianca feeling and were here to reminisce about the past in this antique hotel.”

“As a result, the hotel’s rooms were not only expensive, but also often full. During the peak holiday season, it was even necessary to book more than three months in advance.”

“To Ding Lan’s surprise, when she brought Zhao Yu to the hotel, he wasn’t in a hurry to go to the crime scene. Instead, he handed his luggage to the attendant, then checked in.”

“““You ... You actually booked a room? In this place?”“ This time, it was Ding Lan’s turn to be surprised.”“When did you book this?”“ ”

“““When the Morocco police held a welcome meeting for me,”“ Zhao Yu said with a mysterious smile,”“I paid triple the price to get it from a newly-wedded couple!”“ You can stay here for a week!”“ ”

“““You ...”“ Ding Lan was bewildered.”“Are you planning to stay here tonight?”“ ”

“““Of course?”“ Zhao Yu’s eyes were wide open. Spending so much money and not staying?”“ ”

“““This ...”“ Ding Lan said awkwardly,”“secret services has already arranged a place for you to stay. If you live here, will it be unsafe?”“ ”

“““Don’t worry,”“ Zhao Yu said, gesturing at the room card in his hand.”“The owners of the room are still the newly-wedded couple! ““You see ...”“ Zhao Yu gently put his arm around Ding Lan.”“Don’t we look like a newly married couple?”“ ”

“““ ...”“ Ding Lan’s face was slightly red. She pulled Zhao Yu to the side and whispered,”“are you saying that I’m going to stay with you tonight?”“ ”

“““That’s a must!”“ Zhao Yu smiled.”“To tell you the truth, I have a lot of activities to do tonight! Whether you’re my partner, my sister-in-law, or my new wife, you must accompany me!”“ ”

“““ ...”“ Ding Lan was speechless again. ”

“The hotel had a total of ten floors, and the room card that Zhao Yu got was room 505. After checking in, he and Ding Lan went to the room first. ”

“Very quickly, the service staff brought their luggage over, and Zhao Yu generously gave them a tip. ”

“““Brother-in-law ...”“ After the waitress left, Ding Lan looked at Zhao Yu in shock.”“Did you lie to me too?”“ ”

“““How can it be so coincidental? the room you booked is room 505.”“ Then, she pointed to the roof.”“Room 605 upstairs is the crime scene!”“ ”

“““Of course I intended to book this room.”“ Zhao Yu pointed at the room and asked,”“Ding Lan, do you think the layout of this room is exactly the same as the one upstairs?”“ ”

“““Right!”“ Ding Lan nodded.”“I’ve been to the crime scene, and it’s exactly the same!”“ Hmm ... What do you mean by this? Aren’t we going to the crime scene?”“ ”

“““Hehe ... I have to go, but not now!”“ Zhao Yu laughed and said,”“I understand women. Rena must be resentful that we left her behind. ”

“““If we go up now, we’ll probably hit a wall!”“ ”

“““Oh, you’re saying ...”“ Ding Lan reacted.”“The police will stop us from going in?”“ ”

“““Then, we can only do two things,”“ Zhao Yu said, stretching out two fingers.”“Either we beg Rena, or we beat up the police on duty!”“ He said. ”

““““But I don’t want to do either of these things. Because I didn’t sleep at all last night in corsovia, so I’m a little tired!”” ”

““““Oh ...”” Ding Lan nodded and said admiringly,“““it seems that the detective is not blind!”” Brother-in-law, no wonder my sister Miao is such a picky person. She would like you!”” ”

““““Hehe, now you know how amazing your brother-in-law is, right?”” ”

“As Zhao Yu laughed evilly, he looked Ding Lan up and down, only to see that Ding Lan was slightly taller than Miao Ying.”

“Due to the long-term training, Ding Lan’s body looked even more sexy, full of an indescribable beauty of strength.”

“In fact, Zhao Yu had a certain immunity to beautiful women, but he could not help but be fascinated by such a heroic looking masculine woman.”

“Therefore, he was once again mesmerized by the sight. The thought of his brother-in-law and sister-in-law being in the same room tonight made his heart beat faster ... ”

Chapter 1637: Little aunt plays with brother-in-law

“At eleven o’ clock at night, Ding Lan’s laughter could be heard from Zhao Yu’s room.”

““““Whenever I think of officer Gena, I find it funny,”” Ding Lan said with a smile.”” She must be impatient by now.”” ”

““““Aiya ...”” Ding Lan mimicked Fiona’s impatient look and asked,“““where did these two guys go?”” Didn’t we agree to go to the crime scene? Where was he?” ”

““““Isn’t this too embarrassing? It’s not appropriate to go, and it’s not appropriate to not go. It’s not appropriate to call, and it’s not appropriate not to call either. Aiyo ... What should I do ... ”

““““Hahahaha ... That’s hilarious ... Brother-in-law,”” she gave Zhao Yu a thumbs up,“““you’re so mean!”” ”

“However, at that moment, Zhao Yu was not chatting with Ding Lan. He was wearing his pajamas and standing at the door of his room, looking at the floor seriously, thinking about some problems.”

““““Women don’t like bad men!”” Zhao Yu squatted down and measured something on the ground, not forgetting to echo Ding Lan’s words.”

““““You’re right.”” Ding Lan sat cross-legged on the bed and said to Zhao Yu,“““brother-in-law, do you know what Desir means? Is it the cocktail that the Arabian beauty wanted to ask you out for?”” ”

“Zhao Yu shook his head. After thinking for a while, he suddenly lay down on the ground.”

““““Desire means ‘desire’, and the locals also say ‘dream’,”” Ding Lan explained.””It’s a kind of strong liquor with a hint. It’s obvious that she’s trying to seduce you!”

““““I think you should beat her at her own game and get her first. Let’s talk after you’ve tasted the Arabian beauties ...”” ”

“Mm ... You ...” Ding Lan suddenly saw Zhao Yu lying on the ground, pretending to be dead. She couldn’t help but ask, “you are ...”

“Was this the place where the deceased was found?” Zhao Yu asked. ”

“Right!” Ding Lan nodded. This was the first time she’d seen such a way of thinking about the case. “What’s wrong, brother-in-law? are you trying to empathize with the deceased?” she asked curiously. ”

“What did you just say?” Zhao Yu, who was lying on the ground, didn’t answer the question. “You want me to have sex with Rena? Aren’t you afraid that I won’t be able to answer to your sister?”

“Cough, this is nothing! You’re a man, you won’t lose anything!” Ding Lan said indifferently, “if I were my sister, not only would I not be angry, but I would also be proud of you! This is called bringing glory to the country!”

“Hmph, you are urging me to make a mistake! “Let me ask you,” Zhao Yu turned around and pointed to the ground, “was there a carpet under the deceased’s body?”

“Hmm ...” Ding Lan thought for a moment and replied, “I don’t think so.” It should be exactly the same as our room! What’s wrong?”

“You don’t have to guide me. I’m not that stupid,” Zhao Yu said as he stood up slowly. “That Rena is not as innocent as we think. I can see that she’s not the kind of person to be easily taken advantage of!”

“If I want to push her down, I might fall into her trap and end up losing my rice instead.” Then, Zhao Yu turned to Ding Lan and said, “women are really dangerous animals! ”

“I feel that the words you said to me just now were not from the bottom of your heart. You were just testing me!”

“You ...” Ding Lan’s face turned red. She didn’t expect that Zhao Yu would play her right. She sighed helplessly. “I thought you only knew how to investigate!” I didn’t expect her to have such a high EQ ...”

“That’s enough, be obedient, sister-in-law!” “I’m warning you, I’m the kind of person who’s impulsive and can’t stand temptation,” Zhao Yu said seriously. “If you continue to tempt me like this, I might not be able to get the Arabian beauty, but I might have sex with you first. Then I’ll never be able to clear my name even if I jump into the Nile!”

“Let’s jump into the Mediterranean. The Nile River is in Egypt. It’s a little far!” Even though Ding Lan was joking, she still wrapped her clothes tighter around her body ... ”

“This is ridiculous,” Zhao Yu said, taking two steps in the room. “Such a famous hotel, but the room is so small and so expensive!”

“But, from here, you can see the White houses by the sea, the Hassan II Blue Mosque, and enjoy the sunset over the Atlantic Ocean,” Ding Lan explained. “This is an indescribable beauty!”

“Think about it.” Ding Lan closed her eyes in enjoyment. “The sea breeze, the coconuts and red wine, and the famous Casabianca ... It’s so pleasant ...”

“Is that so?” Zhao Yu opened the door to the balcony and looked out. He came back after a few seconds and said, “the balcony is like a cage. What’s the point of it?”

“It can’t be helped,” said Ding Lan. “You’ll meet all kinds of people when you’re famous. Some of them are here to enjoy the scenery, while others choose to commit suicide by jumping off the building. Plus, the security here isn’t very good, so the hotel has a security net.”

“Oh ...” Zhao Yu pondered for a moment, then said, “that is to say, no one can enter Miao kun’s room from the outside?”

“Right!” Ding Lan knew what Zhao Yu was talking about, so she nodded and added, “before the deal with Hu lingye, Godfather’s bodyguards had already checked the entire house. They didn’t find anything unusual. There was no one, nor any electronic devices like bugs or cameras ...”

“You told me in the car today that there was something wrong with Hu lingye’s body, right?” Zhao Yu suddenly asked. ”

“Yes,” Ding Lan was able to keep up with Zhao Yu’s pace and answered without stopping, “didn’t you see it too? Hu lingye’s body has some external injuries. Although they are not obvious, she should have had a physical conflict with someone before she died.”

“Yes,” Zhao Yu said. “I wanted to ask Rena today if there was anything detected in Hu lingye’s blood. But in the end, I held back from asking.”

“You’re afraid that our questions will give them hints?” Ding Lan was very smart, and she immediately understood what Zhao Yu meant. ”

“Yes,” Zhao Yu said, nodding. “I still don’t understand why Miao kun would do that. Why did he kill Hu Ling?”

“Is it because of ... Blackmail?”

“Someone used something to threaten him into shooting Hu Ling? Then, the enchanted bodyguards will take it away!”

“Suddenly, Zhao Yu recalled how Cheng lingfei had used Jiang Xiaoqing to threaten him to help the thief jiang ke escape from prison. ”

Could Miao kun be in the same situation?

“But ...” Ding Lan said, “we’ve investigated Godfather’s family and friends. There’s nothing wrong with them.”

“He then added, “also, we asked Godfather’s two bodyguards in detail. They claimed that Miao kun had been acting normally recently, and that he was just joking with them before the deal!”

“That’s strange,” Zhao Yu said. “Miao kun and Hu lingye didn’t know each other before. Even if the deal didn’t work out, they could have just broken up. Why would he kill her?”

““““Could it be that the problem was when they met?”” ”

““““But it’s only one minute!”” Ding Lan sighed.”““What could have happened in one minute for Miao kun to shoot her?”” ”

““““What if ... Miao kun shot in self-defense?”” Zhao Yu guessed,”““Hu lingye wanted to kill Miao kun, but Miao kun saw through her plan and shot her to death?”” ”

““““Of course not.”” Ding Lan shook her head.”““If that’s the case, there’s no way to explain the bodyguard incident!”” Since Godfather killed Hu Ling, why did he still knock out the bodyguard? ”

““““Besides, Hu lingye knew that Miao kun had bodyguards outside the door. Why would she risk killing him?” ”

““““Also, before the bodyguard fainted, he saw two things,”” Ding Lan continued.”““First, Hu lingye, who was shot in the chest, fell to the ground without a weapon in her hand! ”

““““Two, the boxes that the two of them used to trade were all closed! In such a short period of time, they shouldn’t have had the time to make a deal!”” ”

““““Tsk tsk ...”” Zhao Yu couldn’t help but say,”““this case is quite interesting!”” ”

““““Although we suspect that the murderer might be the world’s richest man, we can’t explain Miao kun’s murder. What could be the reason?”” ”

Chapter 1638: I must accompany you

““““Yes, it’s where you were standing.”” As time passed, Zhao Yu and Ding Lan were still studying the case tirelessly. Ding Lan pointed out the location to Zhao Yu while explaining the case.”““It was the hotel staff who found out and reported the case!”” ”

““““The waiter said that the door was open at the time, and he saw the unconscious bodyguard on the ground, so he went in to check ...”” ”

““““Can you remember the time?”” Zhao Yu asked. ”

““““Around 9:45,”” Ding Lan recalled.”““According to the bodyguard, the information broker Hu lingye entered the room at around 9:10. They heard the gunshots in less than a minute.”” ”

““““That is to say, from the time of the crime to when it was discovered, there was a gap of more than half an hour ...”” Zhao Yu thought for a moment, then asked,”““what about the surveillance cameras? When were the surveillance cameras destroyed?”” ”

““““It’s hard to estimate. In fact, the hotel doesn’t have a security guard who’s responsible for monitoring the surveillance. The security guard who was knocked out was just having supper in the surveillance room. ”

““““He only remembered that he lost consciousness at around 9:15. When the police arrived, he was still asleep!”” ”

“““In other words, we can’t determine the correlation between the two time points ...”” Zhao Yu frowned and asked again,““then, did you run a blood test on the security guard? Can you find out why he was unconscious?”” ”

“““No,”” Ding Lan said.““Don’t think that the criminal investigation standard here is so advanced. Their methods are still the same as ours from the last century. ”” ”

“““I don’t think there’s anything to be proud of!”” Zhao Yu shook his head and said,““the people from secret services are really something. Miao kun only brought two bodyguards with him to make such an important deal with the intelligence dealer? ”

“““Didn’t secret services arrange for any other support work? ”

“““If our people had arrived at the scene first, the local police wouldn’t have been able to arrest us, right?”” ”

“““Indeed,”” Ding Lan admitted.““The Secret Service has reflected on their actions, but they have their own difficulties. Do you know? Miao kun had lost count of the number of transactions he had made in order to find the world’s richest man! ”

“““There are many people who want to fish in troubled waters and sell false information! ”

“““If it wasn’t for the trustworthy middleman, my Godfather wouldn’t have come to Morocco.”” ”

“““A middleman?”” Zhao Yu quickly asked,““who’s the middleman? If we find him, we’ll know Hu lingye’s background, right?”” ”

“““The point is, only Miao kun himself knows about this middleman!”” Ding Lan was helpless.““There are rules in intelligence work. Even if we’re talking to our superiors, we can’t break the rules.”” ”

“““Then ...”” Zhao Yu said in a low voice,““hurry up and check Miao kun’s call records and e-mails to see if he ... Oh ... Um ...”” ”

“Finally, Zhao Yu understood one thing. No wonder Li Jing had sent him to corsovia to see Jecca! ”

It turned out that the middleman that secret services suspected Miao kun of being was none other than Jake!

Damn it!

“Zhao Yu clenched his fists and complained in his heart. Li Jing, why didn’t you explain this earlier? ”

“If he had known that this was the case, he would have investigated it more seriously back in corsovia. ”

“Now that he thought about it, was it possible that Jecca was Miao kun’s middleman? ”

“If that was the case, then he would have missed a great opportunity. ”

“But ... Zhao Yu carefully recalled the little things that happened in corsovia, but felt that Jecca didn’t seem to know anything. ”

“After all, he and Jecca were on the same side, and he had helped him solve an important unsolved case, so he should ... ”

“““I’ve already investigated everything, but ...”” Ding Lan made a helpless gesture.”“Godfather is very cautious, so there’s no way to find out.”

“““You’re right, we were too careless!”” Ding Lan said,”“if we had sent an extra group of people, we wouldn’t have been in such a passive position.”

“““I feel that the Morocco police might have already guessed that there’s a lot of money involved in this case, so their attitude towards the case is more ambiguous. They’ve protected a lot of evidence and didn’t disclose it to us.”” ”

“““It’s not just carelessness ...”” Zhao Yu shook his head again and sighed.”“Secret services ‘biggest mistake was that they didn’t call me, God Zhao, to come over in time!”

“““You had to send me to that so-called corsovia, but look at me now. Ten days have passed, and I’ve delayed the golden time to solve the case.”

“““If I had come here earlier, I might have found Miao kun ...”” ”

“““...”” Ding Lan looked at Zhao Yu, her expression complicated. But, in general, it could still be described as contempt.”

“““You’re right,”” Zhao Yu said, minding his own business.”“There is indeed something wrong with Hu lingye’s body. Tomorrow, we’ll focus our investigation on her!”

“““Let’s see who this woman is!”” ”

The investigation of the case had obviously come to an end.

The next step was to sleep.

“The room they were in was the hotel’s specially designed honeymoon room. There was only a large bed in the room, and there was no sofa.”

“If they were to sleep separately, one of them would have to sleep on the floor.”

“““How about this,”” Zhao Yu said gentlemanly,”“I’ll sleep on the bed! I didn’t sleep at all in corsovia last night, even a man made of iron can’t stand it!”” ”

“““Hehe, you’re quite practical!”” Ding Lan looked at him with disdain again.”“The nightclub dancers in corsovia are world-famous. You must be tired of it, right?”” ”

“““I’m just joking,”” Zhao Yu quickly clarified,”“I’m solving a case! I solved a major pending case in cozovia and even fought with the criminals! It’s true!”” ”

“““Tsk,”” Ding Lan snorted disdainfully, then said seriously,”“to tell you the truth, I can’t sleep on the floor.”” ”

“““So, I’m looking forward to what it feels like to share a bed with my brother-in-law and sister-in-law.”” ”

“““You ...”” Zhao Yu frowned.”“How dare you act like a scoundrel with my brother-in-law! Is ... Is there still justice in this world?”” ”

“Then, Zhao Yu took off his pajamas to show off his strength, revealing his strong muscles. ”

“However, to his surprise, Ding Lan also took off her coat in a fit of pique, revealing her white tube top ... ”

“””This ...”” No matter how shameless Zhao Yu was, he had to blush. He quickly cupped his fists and said in a pleading tone,“””miss heroine, as the old saying goes, if you can let someone off, you should let them off. Didn’t secret services arrange a place for you?”” Why don’t you go back and stay?”” ”

“””Don’t give me that.”” Ding Lan’s eyes were full of contempt, but her expression was serious.””My Godfather went missing in this hotel. If anything happens to you again, I won’t be able to bear the consequences!”” ”

“””So, wherever you go, I’ll follow. I must be with you!”” ”

“””Hmph,”” Zhao Yu was finally desperate. He sneered and patted his chest.””I, Zhao Yu, am not afraid of anything. Why would I be afraid of a sister-in-law?”” ”

“””Alright, you’re willing to do this! If I let your sister down, you’ll have to take some responsibility too ... Um, Hello ... Hello ...”” ”

“Before Zhao Yu could finish, Ding Lan had already turned around and walked into the bathroom. The most infuriating thing was that as she walked, she put her slender arms behind her back and took off her tube top ... ”

Hua Hua ...

“Ten minutes later, the sound of the shower stopped, and Ding Lan walked out of the bathroom wrapped in a towel. ”

“However, when she looked around the room, she saw that Zhao Yu had already rolled up his blanket and was lying on the floor.

Chapter 1639: North Africa spy film (1)

“The next morning, Zhao Yu was standing next to the swimming pool at the new moon Hotel, carefully examining the hotel’s overall environment. ”

“Although he had only slept for four to five hours last night, he felt refreshed and all his fatigue had disappeared. ”

“At that moment, Ding Lan was standing on the other side of the pool, talking to someone on the phone. ”

“Looking at his valiant and beautiful sister-in-law, Zhao Yu couldn’t help but smacked his lips bitterly, feeling upset. ”

“Recalling his experience of sharing a room with his sister-in-law last night, he still felt a little uneasy. ”

“He didn’t know why, but ever since he saw Ding Lan for the first time, he had been in a daze and had always mistaken Ding Lan for Miao Ying.”

“But, after last night’s bed-snatching incident, Zhao Yu finally understood that this female special Agent Ding Lan was a female special Agent Ding Lan, and was completely different from his Miao Ying.”

“In fact, when Ding Lan was taking a shower last night, Zhao Yu did have some evil thoughts, but at the critical moment, his rationality won over his lower body.”

He also understood one thing very well:

“The reason Ding Lan was teasing him wasn’t because she admired him, liked him, or really wanted to roll around in the sheets with him.”

“Her real intention was either to fight for the bed, to test Zhao Yu, or to embarrass Zhao Yu.”

“Therefore, since they weren’t in love with each other, if he pounced on her like a pervert, the ending would not only be embarrassing, but also very miserable.”

“Even though he had never fought her, he knew that he would never be able to defeat her!”

“If he tried to force himself on the Overlord, he would only be beaten up and lose face.”

“In the future, his sister-in-law would use him against him and he would never be able to lift his head again.”

“Hence, after weighing the pros and cons, Zhao Yu decided to give up on his evil thoughts and decided to stay put.”

“At that moment, looking at his long-legged sister-in-law walking back and forth by the pool, Zhao Yu couldn’t help but wonder if he really couldn’t beat her in a direct confrontation.”

“Thinking back to his previous experiences, taking Li Jing as an example, Zhao Yu knew that he was definitely not Li Jing’s match without the use of props.”

“Li Jing was getting on in years, while Ding Lan was in her Prime. The answer was obvious-he couldn’t beat her.”

But ...

Zhao Yu secretly made up his mind that he would find an opportunity to spar with his sister-in-law and find out more about her.

“If he really had a chance of winning, hehehe ...”

“Putting aside his thoughts about his sister-in-law, Zhao Yu started to seriously think about the case again.”

“Although the case in front of him didn’t look impressive, it would be very difficult to solve.”

This was completely different from the murder or disappearance cases that Zhao Yu had come across before.

“First of all, he could not be sure if Miao kun was really missing.”

Was he the murderer who killed Hu lingye?

Did he escape or was he kidnapped?

These were all unknown factors.

“Secondly, because the case was related to the disappearance of the world’s richest man, it was full of unknown and complicated reasons.”

Was the culprit behind this case related to the disappearance of the world’s richest man? Was he targeting Hu Ling or Miao kun?

Or was there another reason?

“All these unknown factors made the whole case complicated and confusing. In addition, the local police were not cooperating, so Zhao Yu couldn’t investigate according to his own routine, which made him feel a little uncomfortable.”

“After Ding Lan finished the call, the two of them went around the hotel’s floor structure, the garden on the roof, the surveillance room, as well as some unremarkable corners. This gave Zhao Yu a deeper understanding of the hotel’s environment.”

“However, the overall situation was not very optimistic. Although the new moon Hotel was not large, it had a semi-open dock and a completely open beach. If the murderer went out to sea from there, he could reach anywhere.”

“In addition, there was a market opposite the hotel, and on the left was the famous Hassan II Blue Mosque. The place was accessible in all directions, and people came and went, which was very difficult for investigation.”

“Moreover, the surveillance cameras in the area near the hotel had already been taken over by the Morocco police, so Zhao Yu and the others had no way of seeing them.”

“Although they were cooperating in name, and the local police had also copied some surveillance data to secret services, the surveillance data was of no value.”

“From the looks of it, there was not much use in continuing to get entangled in these areas.”

“So, after checking the hotel, Zhao Yu and Ding Lan didn’t go to Room 605 where Miao kun had disappeared. Instead, they drove the Chevrolet out of the hotel and headed to Hu lingye’s house.”

“Not long after the car left the hotel, Zhao Yu’s mobile phone rang.”

“After picking up, it was officer Rena.”” ”

““Hey, hey, hey,”” Rena asked in an obviously emotional tone.””Officer Zhao, we waited for you all night. Didn’t you go to the new moon Hotel to check the scene? Why don’t I see you guys?”” ”

““Oh, I’m sorry ...”” Zhao Yu made up a story,””I was too tired last night, so I couldn’t open my eyes, so I just found a hotel to sleep in!”” ”

“““Aiyo, I’m really sorry, I forgot to tell you!”” ”

“““Then ... Where are you guys now?”” Rena asked, suppressing her anger. ”

“““Oh, we just woke up and were about to go to the new moon Hotel!”” Zhao Yu said without thinking, ““please wait for us!”” ”

“““Um ... Okay ... Okay ...”” Rena squeezed out a voice from between her teeth.”“Then you have to come quickly!”” I still have a lot of work to do today!”” ”

“““Alright, alright, no problem! We’ll be there soon ...”” ”

“After Zhao Yu hung up the phone, Ding Lan was already laughing hysterically. She immediately gave him a thumbs up.”“No wonder you were able to trick my sister Miao Ying into your hands! This nonsense, he didn’t even blink ...”” ”

“““I’m doing this for work!”” Zhao Yu said, ““anyway, they are not in the mood to cooperate with us, so we’d better rely on ourselves!”” ”

“As he spoke, Zhao Yu’s eyes were shining with excitement. Obviously, the more difficult it was, the more it stimulated his desire to solve the case. ”

“According to the information, Hu lingye’s home was in a residential area in Casabianca. ”

“When he arrived at the designated location, he saw that it was all a narrow alley. There were many shops and stalls selling things on both sides of the alley. It was crowded and particularly lively. ”

“The car couldn’t get in at all, so Zhao Yu and Miao Ying could only get out of the car and walk. ”

“In order not to attract attention, Ding Lan had prepared local clothes. She put on a long robe and a scarf, and in the blink of an eye, she had turned into an Arabic girl. ”

What was even more interesting was that Ding Lan had prepared a long blue robe and a very unique hat for Zhao Yu.

“The lower edges of the hat were connected to form a mask on the face, which could cover the ears, part of the mouth, and nose. The rest could be hung in front of the chest as a scarf. ”

Ding Lan said that this was a hat unique to the Berber people.

“The Morocco people were also an important part of moroca’s population, making up 20% of the total population. ”

“““Are you sure ...”” When the two of them entered the market wearing such unique clothes, Zhao Yu asked Ding Lan, ““there are no police guards at Hu lingye’s house?”” ”

“““No,”” Ding Lan said.”“I’ve already been here once, and the police have already turned her house upside down. Her computer, mobile phone, and other electronic devices have all been taken back to the police station. There’s nothing valuable left.”” ”

“““I still have to take a good look,”” Zhao Yu said.”“I, Zhao Yu, have sharp eyes. Maybe I can find some clues?”” ”

Chapter 1640: North Africa spy film (2)

“The old streets were bustling with people. The sounds of peddlers, dogs barking, children crying, and the noise filled the market ...”

“Zhao Yu wrapped his long robe tightly around himself, feeling the hat on his head getting heavier and heavier, as if he was wearing Sun Wukong’s spell.”

“Ding Lan brought Zhao Yu through the market, and they soon arrived in front of a white two-story building.”

“Hu lingye lived on the second floor of this small building. The first floor was a shop that sold spices, and the strong smell of spices was everywhere ...”

Information broker ...

“Zhao Yu muttered in his heart. He was unfamiliar with this term, as he had not come into contact with it before.”

“According to Ding Lan, the so-called information peddler was someone who used illegal channels to obtain information that others wanted, and then sold it at a high price.”

“The information included all sorts of things, such as corporate insider information, political scandals, and some private information.”

“Such a person either had a well-informed gang behind him; Or, they had very powerful techniques that could be obtained through hacking. Or, they were the kind of insiders who were working in the government or the secret agencies of companies.”

“It was said that on the International Network, these intelligence peddlers even had underground forums where they could post missions and take orders. Every transaction was worth a lot.”

“According to the official information provided by the Morocco police, Hu lingye was just a jobless person. Her identity seemed very simple.”

“But in fact, secret services had already conducted a detailed investigation on this woman and found that she belonged to the second type of information broker, who was an expert in hacking.”

“No one knew where she had gotten the clues about the disappearance of the world’s richest man, but she felt that she could not solve it herself. So, she contacted Miao kun through a middleman, hoping to get a large sum of money by selling the information.”

“However, no one had expected that there would be an accident in the deal. She was killed, and the person who killed her was most likely Miao kun!”

“So, up until now, this matter still didn’t seem to make sense ...”

“While he was thinking, Zhao Yu followed Ding Lan to the door on the second floor. Ding Lan took out the key that she had prepared beforehand and was about to open the anti-theft door of Hu lingye’s house.”

“However, just as she inserted her key and was about to open the door, an accident suddenly happened.”

“Before she could insert the key, Ding Lan suddenly realized that the anti-theft door was open. Moreover, there was a strange rustling sound coming from the room.”

There’s actually someone inside!

“Seeing this, Ding Lan immediately pulled out her gun nervously, then exchanged a look with Zhao Yu.”

“As Zhao Yu had flown over from Corsovia, he didn’t have any weapons on him, so he could only wave at Ding Lan, then gently pulled open the anti-theft door, signaling for them to go in and see what was going on.”

“However, just as the two of them were about to rush in, a figure suddenly flashed out of the house.”

“Ding Lan’s first reaction upon seeing the figure was to pull out her gun. She had even raised her arm, but when she saw who it was, her second reaction forced her to put her arm back down.”

This was because the person who had suddenly appeared was wearing a local police uniform and was a young woman with a curly beard!

It was ... Another female police officer!

“The female police officer was a typical Arab woman. Her face was wrapped in an Arabic headscarf with a police hat on it, which looked a little different.”

“The policewoman was holding a clip in her hand. When she saw Zhao Yu and Su Yu, she was stunned for a few seconds, then started to speak in Arabic.”

Ding Lan could understand what she was saying. She quickly put down her gun and waved at her while speaking in Arabic.

Oh ...

Zhao Yu understood that the female police officer was here to record the scene.

“Unfortunately, the female officer was about to leave. If they had come a minute later, they wouldn’t have met.”

“However, as Zhao Yu was a special envoy China, they didn’t need to show him any fear. Ding Lan immediately took out their documents and showed them to the female police officer, to show her their identity and intentions.”

“At first, Zhao Yu wanted to activate an invisible translation device to hear what they were saying.”

“However, when Ding Lan showed her ID, the female officer didn’t make things difficult for them. She just waved her hand and walked past the two of them out of the house.”

“Just as the female police officer passed by Zhao Yu, he suddenly realized that something was wrong.”

“As he didn’t understand Arabic, he could see very clearly that the female police officer’s face was covered in sweat, especially the face that was facing Zhao Yu. It was as if it had been washed with water, and was covered in cold sweat.”

Eh?

That’s not right?

“Zhao Yu realized that Morocco’s weather was cool and refreshing. He was wearing such a thick headscarf, yet he was not sweating. Yet, this female police officer ...”

Eh?

“The next second, Zhao Yu realized that the look in the female police officer’s eyes and her face were not quite right. Her eyes were avoiding his, and her face was slightly pale.”

“Most importantly, Zhao Yu’s invisible detector also caught something unusual. He saw that, in addition to the female police officer’s mobile phone, she also had a pinhole camera, a communication device, and many other electronic devices.”

This ...

Zhao Yu immediately realized that there was something wrong with the female police officer. How could an ordinary police officer carry so many advanced electronic devices?

Could it be ...

“Just then, the female police officer seemed to have noticed something. When she passed by Zhao Yu, she immediately held the clip in her hand tightly and walked faster.”

““““Wait a moment!””” ”

“Suddenly, Zhao Yu shouted and put his hand on the female police officer’s shoulder.”

“The next second, something unexpected happened.”

“The female police officer’s eyes suddenly flashed with a fierce light. She suddenly grabbed Zhao Yu’s wrist with her left hand, then lifted her shoulder and twisted her back. She used some unknown technique and threw Zhao Yu out with a front somersault!”

“Just as Zhao Yu fell to the ground, she lifted her right leg and kicked Ding Lan’s chest!”

“Due to the suddenness of the situation, Ding Lan was caught off guard and had no choice but to take a small step back.”

“In the end, the female police officer took advantage of this opportunity to climb over the railing and jump downstairs ...”

““““Ah?””” ”

“Only then did Ding Lan come to her senses. She quickly pulled out her gun, only to find that the fake female police officer had already run off into the distance along the corridor on the first floor.”

“““Damn it!”” Ding Lan cursed, then rushed down the stairs to chase after her. ”

“““Damn it!”” Zhao Yu cursed and quickly stood up. ”

Depressing ...

“Although Zhao Yu had discovered the problem, he had not expected the female police officer to be so skilled. ”

“He knew that if the female police officer who had suddenly appeared was a fake, she must have a significant relationship with the case. Therefore, he had to catch her! ”

“Tut, tut, tut ... ”

“Just as Zhao Yu was about to give chase, he suddenly realized that the female police officer was riding a motorcycle. She drove directly into the crowd, getting further and further away ... ”
