

Crazy 1681

Chapter 1681: Chaos in prison (10)

“““I really didn’t do anything!”” The Arabian man led by Wright said innocently,“““he’s already in such a miserable state. How can I bully him?””

“““I believe in the heaven Lord, I’m really not a terrorist!””

“““Besides, that Chinese guy is quite good at fighting. I can’t beat him anyway ...”” ”

“““Cut the crap!”” Wright had some authority among the prisoners in the Paradise District. She patted the man’s shoulder and asked,“““then tell me, what happened to that Chinese man?”” ”

“““He doesn’t understand Arabic, so we can’t communicate ...”” The Arabian man explained.“““Last night, he suddenly vomited white foam. He vomited so much that his whole body twitched, and his face was pale. It looked like ... Maybe ... Maybe he’s dying ...”” ”

“““Ah?”” Hearing this, Zhao Yu couldn’t help but feel anxious and asked in a hurry,“““then ... Where is the medical room? How do I get in?”” ”

“““Hey, I’ve been tolerating you for a long time. You’re a newcomer, how can you speak so arrogantly! Are you looking for death?”” The Arabian man glared at Zhao Yu arrogantly. ”

“““You’re the one who’s F * cking looking for death, dogshit!”” Zhao Yu didn’t say anything, but Wright slapped the Arabian man.“““How can you say that? “““This is my ... Um ...”” He pointed at Zhao Yu and said,“““this is my friend!”” ”

“““It can’t be?”” Seeing Wright supporting Zhao Yu, the Arabian man gave in and said,“““the medical room is not on this floor. If you want to go there, it’s very simple. You’ll either get sick, or get beaten up!”” ”

“““But ...”” Wright interrupted,“““let me remind you, the prison guards here are very lazy. If you’re not sick or beaten to death, they won’t send you to the infirmary!”” ”

Oh ...

“Zhao Yu thought for a moment, then his eyes suddenly lit up. ”

There was!

He suddenly remembered that there was a very suitable device in his device bar called the invisible emaciated pill.

“After using this item, it can cause vomiting. ”

“He had never used this prop before, and it came in handy today. ”

“Hence, Zhao Yu didn’t think much, but took the pill and swallowed it. ”

“The system device was very powerful. As soon as Zhao Yu took it, he felt his stomach churning, as if it was churning.”

“In less than a few seconds, he vomited all over the ground, and white foam even appeared at the corner of his mouth.”

“In order to make the effect more realistic, he simply fell head first on the ground, his body trembled exaggeratedly, and his eyes rolled up, as if he was about to die ...”

“””It can’t be?”” ”

“As they hadn’t discussed this with Wright and the Arabian beforehand, the two were so scared that they quickly backed off. They didn’t know if Zhao Yu was pretending or if he was really poisoned.”

Toot ...

Toot ...

“With a few whistles, two prison guards ran in from the door. When they saw Zhao Yu’s miserable look, they quickly ordered the two,”” ”

“””Quick, you two carry him to the infirmary!”” ”

“Wright and the Arabian man looked at each other, then helped Zhao Yu up and carried him to the door.”

“Seeing that his plan was going so smoothly, Zhao Yu opened one eye and was secretly happy.”

“However, just as he was carried to the door, there was a prisoner being carried in by the prison guards, who passed by Zhao Yu and the others.”

“The prisoner was held up by two prison guards, shaking and struggling, while constantly begging in English,””””Hey, hey, hey...You can’t do this. I’m not pretending to be sick. I’m really sick. I’m dying. You have to treat me. I want to take medicine ...”” ”

“However, the two prison guards either didn’t understand English or didn’t want to talk to him. They immediately carried him into the dining room very roughly and then threw him on the ground like a bag.”

No way!

“At that very moment, Zhao Yu opened both of his eyes, as he was very familiar with the voice of the criminal. It was his father-in-law, Miao kun!”

“What a coincidence! He had wanted to pretend to be sick and go to the infirmary to find Miao kun, but he didn’t expect that Miao kun would be sent back from the infirmary.”

This ...

“Seeing Miao kun appear, Zhao Yu was no longer in the mood to go to the infirmary. He immediately straightened up and returned to normal.”

““““I ... I’m fine ... I’m fine ...”” Zhao Yu said to the prison guard and Wright in Arabic.”“““I feel much better. I don’t need to go to the medical room!”” ”

“The prison guards didn’t expect Zhao Yu to recover so quickly, so they were stunned. ”

““““My Dear Mother!”” As a result, Miao kun saw Zhao Yu and immediately rushed over to him. He grabbed Zhao Yu’s arm with one hand and shouted,”“““Zhao Yu! You ... You, you, you ... Why are you here?”” ”

““““Hey ...”” The prison guards thought that Miao kun was trying to escape, so they quickly chased him back. ”

““““I ... I’m not dreaming, right?”” Miao kun was still in shock. He was so shocked that he could not even close his mouth. ”

“Zhao Yu was excited to finally find his father-in-law, but when he saw Miao kun’s face, he felt a little sad. ”

“Miao kun, who was wearing a prisoner’s uniform, was much thinner than before. His hair had turned white, his back was a little hunched, his face was covered in bruises, and his right arm was bandaged ... ”

“Zhao Yu clenched his fists and thought to himself,”“““who the hell dared to touch my father-in-law?”” ”

I’ll definitely make him pay back double!

.....

“Five minutes later, Zhao Yu and Miao kun each had their breakfast. They sat in a quiet corner of the dining room, chatting as they ate. ”

““““Zhao Yu ... You weren’t knocked out and sent here, were you?”” Miao kun was obviously a little anxious.”“““This is bad. This place is called the house of evil, and it’s in Western Sahara!”” ”

““““Don’t worry, I wasn’t sent here. I came here of my own will. I’m here to save you!”” He said. Zhao Yu quickly comforted her. ”

““““Oh ... That’s good, that’s good ...”” Miao kun’s eyes were unfocused, and it was obvious that he had a serious mental problem. He held Zhao Yu’s hand and said,”“““but this is not only a prison, but also a military base. It’s not easy to escape!”” ”

““““It’s fine, it’s fine. I’ve already planned it out!”” Zhao Yu comforted him, then asked curiously,”“““father-in-law, tell me, how did you end up in this prison?” ”

““““What happened at the new moon Hotel in Morocco?”” ”

““““Morocco ... Morocco ...”” Miao kun trembled as he tried to recall, then said,”“““Oh ... I ... I was framed! Someone’s slandering me!”” ”

““““Is that so?”” “““Who is it?”” Zhao Yu asked. ”

““““It’s ... It’s that female information broker who made a deal with me!”” Miao kun said,”“““she used to be a Special Agent of the United States. She was the one who defamed me!”” ”

““““Oh?”” Zhao Yu was confused. Hu lingye was already dead, and she was killed by Miao kun. How could she slander Miao kun?”

What was this ...

“Just when Zhao Yu wanted to clarify the situation, a few strong black men suddenly walked over.”

Miao kun’s expression changed when he saw the black men.

““““Hey, Chinese man, you’re really sly!”” A black man with a knife scar on his face sat next to Zhao Yu and said to Miao kun,““““in order to avoid me, you pretended to be sick and went to the infirmary, right?”” ”

““““What are you saying? ““““Hehehe ...”” Miao kun laughed.““““I vomited and had diarrhea last night. I’m really sick!”” ”

““““Hmph ...”” Scarface snorted and laughed.““““I don’t care if you’re really sick or pretending to be sick. Since you’re out now, let’s talk about you and our Matt gang!”” ”

“Hearing this, Miao kun’s body trembled, and his lips turned white ... ”

Chapter 1682: Chaos in prison (11)

““““Mark ...”” Miao kun pleaded with the scar-faced man in English.““““As you can see, my arm is broken. I can’t make phone calls with that phone!”” ”

““““That’s your problem,”” Mark said in half-baked English.““““I helped you, and you promised to pay me. Now, I’m here to collect the debt!”” ”

““““Why do you still not understand?”” Miao kun explained,““““if the call went through, you could have asked for as much money as you wanted, but you can’t make any calls with that phone!”” ”

““““I’ll say it again, that’s your business!”” Mark slammed the table and sneered,““““I’m going to collect the money now. If you don’t have the money, you’ll have to pay with your body!”” ”

““““F * ck ...”” Miao kun cursed angrily.““““I think I understand now. You should have known that the prison guards can’t make phone calls with their cell phones, right?”” ”

““““You guys are working together to mess with me! My arm is broken, what do you want to do to me?”” ”

““““Hahaha ...”” The scar-faced man named mark laughed and said gloomily,““““you only have one arm left, so at least you can still eat. What if ... You break both arms?”” ”

““““Hehehe ...”” One of Mark’s men laughed and said,““““then you have to lie down and eat like a dog. I like it ... Hahaha ...”” ”

The black men burst into laughter.

““““You ... You guys did this on purpose!”” ““““Zhao Yu, do you have any money on you?”” Miao kun asked Zhao Yu, trembling with anger. ”

“““There are!”” Zhao Yu took out the twenty dollars that he had won the day before. ”

“““Wow, you really did bring money! So many? That’s great!”” Miao kun’s eyes lit up, and he reached out to grab the money from Zhao Yu’s hands. ”

“However, Zhao Yu held the money in his hand and said to Miao kun in Mandarin,“““Father-in-law, they’re obviously trying to scam you. You can’t avoid it even if you give them money!”” ”

“““Zhao Yu, I know what you’re trying to do!”” Miao kun shook his head helplessly.““I did choose to be rude to them in the beginning, but look at me now!”” ”

“As he spoke, he pointed at his arm that was wrapped in bandages. ”

“““That’s because...Your fist isn’t hard enough!”” Zhao Yu’s eyes were cold, and his fists were clenched even tighter. ”

“““Cough, what’s the use of having a strong fist?”” Miao kun said dejectedly,““there are so many of them. You can beat one of them, but not a bunch of them! They could fight for a day, but they couldn’t fight every day! Also, even if you can beat up the criminals, you can’t beat up the prison guards! ”

“““I’m a living example. Listen to me, give them the money, and avoid them as much as possible! Prison isn’t a place to be a hero ...”” ”

“Then, Miao kun tried to break Zhao Yu’s fist, as he wanted to take more money. ”

“““Tsk tsk ...”” Seeing his father-in-law being forced into such a state, Zhao Yu felt sad. He immediately held Miao kun’s palm and said,““father-in-law, since I’m here, I’m going to take back all the pain that you’ve suffered, one by one!”” ”

“““No, I really can ‘t!”” Miao kun saw that Zhao Yu was about to hit him and immediately stopped him.““They all have powerful backgrounds,”” he said.““You’ll be fine!”” ”

“““But if you hit them, not only will you be locked up immediately, but you’ll also be controlled and beaten by the prison guards ...”” ”

“““Wahaha ...”” Zhao Yu suddenly laughed arrogantly and said,““father-in-law, believe me, I know the way of life in a prison better than you! I know what to do!”” ”

“As he spoke, Zhao Yu glanced at the white man, Wright, who was in the distance. He saw Wright hiding in the crowd and watching coldly. ”

“His intention was obvious. He naturally hoped that Zhao Yu would be beaten up by the gang of black men, so that he could vent his anger. ”

“““Hey! Where did this rookie come from? Are you crazy?”” Mark slammed the table and shouted at Zhao Yu,““I’m warning you, I have the final say here. Chinese is prohibited. If anyone dares to speak again, don’t blame me for ...”” ”

“Before mark could finish, Zhao Yu suddenly stood up from his seat, grabbed Mark’s head, and smashed it on the table! ”

“With a thump, mark was knocked into a daze. ”

""Ah!?" "

"Ma ke's men were shocked, and they rushed over to Zhao Yu. "

""F * ck your grandmother!"" Zhao Yu grabbed Mark's collar, lifted him up, and threw him towards the enemies who were rushing over. "

""Oh oh oh ..."" "

"Ma ke's subordinates cried out in alarm and hurriedly hugged ma ke. Ma ke covered his head and shouted at his subordinates in exasperation, ""Attack! Beat him to death! You dare to provoke the Matt gang, you're really tired of living ..."" "

"Just as ma ke was shouting, he suddenly saw a shocking scene. Before his men could rush over, Zhao Yu was roaring and charging at them! "

"This time, Zhao Yu was really angry. Like a fierce tiger, he attacked ruthlessly. He sent two enemies flying, then rushed into the crowd and started fighting with them. "

"Zhao Yu's movements were Swift and fierce. Although he did not use any props, he was still very powerful. He used flying kicks, back throws, elbow presses, whirlwind kicks, spring kicks ... "

"In a single exchange, the enemies were immediately thrown into a flurry, and their men and horses were thrown off their feet. "

Waya!

"One of the enemies raised his leg to kick Zhao Yu, but Zhao Yu grabbed his ankle and put his thigh on the table. Then, he turned around and kicked the man's ankle, which was supporting his leg. "

"In the end, the enemy did a super big split, and his pants even made a tearing sound. He was wailing in pain! "

Buzzzzzz!

"Another enemy threw a heavy punch at Zhao Yu's face, but Zhao Yu lowered his head to avoid it. At the same time, he straightened the tip of his foot and kicked the man in the knee. The man lost his balance and fell forward. "

"Zhao Yu seized the opportunity to press the man's back against the chair. The man crashed into the chair, then fell directly under the table, right at Miao kun's feet. "

"Miao kun kicked him without hesitation, sending him flying. "

"After the kick, Miao kun looked at the ceiling as if nothing had happened and whistled frivolously ... "

""Ah ..."" "

"Suddenly, several enemies surrounded Zhao Yu, throwing punches and kicks at him, but Zhao Yu dodged and moved in the crowd, dealing with them with ease. "

"Soon, he found an opportunity and used a whirlwind kick, kicking an enemy out and causing him to fall heavily on the table. "

“Although Miao kun only had one hand, he still took the opportunity to grab a bowl of hot congee and poured it all over his face.”

Ah ...

“The man covered his face and rolled on the ground, screaming for his mother in pain.”

“””You’re looking for death!”” ”

“At that moment, a black man noticed Miao kun and immediately rushed toward him.”

Miao kun quickly ran to the back of the table and played hide-and-seek with him.

Ah ...

The black man was so angry that he jumped onto the table and tried to pounce on Miao kun.

“However, Zhao Yu managed to free up some space, so he gave the man a sweeping kick. The man immediately flew into the air, then fell heavily on the table.”

Thump!

“The man was about to vomit blood, but before he could, he saw Miao kun holding a chair in one hand and smashing it at his head.”

Ah ...

Pa ...

Ah ...

“The chair fell, and the man could only scream ...”

“As the number of enemies decreased, Zhao Yu fought even more fiercely.”

“He pressed an enemy to the ground and gave him two punches. Zhao Yu’s punches were fierce. With just two punches, the man’s nose was broken, and his face was smashed. He couldn’t even scream.”

“Another black man rushed over to attack him from behind, but Zhao Yu did a scorpion tail wagging in advance and kicked him in his vital part.”

Owuuu ...

“The man cried out in pain, then covered his crotch and jumped ...”

“””Ah ...”” ”

“Finally, Zhao Yu’s madness erupted. He shouted and kicked the man away.”

“Then, he faced the two strong black men and punched them several times. First, he broke one of their wrists, and then he threw the other one to the ground like a beast and punched his face.”

Buzz ... Buzz ... Buzz ...

Every punch was powerful and shocking.

“After a few punches, blood spurted out of the man’s face. The man named mark was so scared that he stood rooted to the ground. The crowd around him was also so frightened that they didn’t even dare to breathe. No one had ever seen such a brutal and bloody person!”

Chapter 1683: Chaos in prison (12)

Ah ...

“Following a scream in the cafeteria, mark, the leader of the Matt gang, fell to the ground after being slapped by Zhao Yu.”

“At this time, there were still two men beside him who had not fallen, but these two men had long been scared pale, trembling all over, and did not dare to step forward.”

Pa ...

“Zhao Yu’s left hand grabbed Mark’s bloody collar, and his right hand gave him a fierce slap. The slap made Mark’s mouth bleed, and he couldn’t stop wailing.”

“““Don’t ... Don’t hit me ...”” ”

Pa ...

“Just as mark was begging for mercy, Zhao Yu gave him a second slap. This time, Mark’s mouth and eyes were all crooked, and he screamed even more miserably.”

“The other prisoners shuddered at the sound of the slap, as if they were the ones being beaten.”

Pa ...

“Then, Zhao Yu slapped him for the third time. This time, it was even more ruthless, and Mark’s face suddenly swelled up.”

“““Let me tell you,”” Zhao Yu pulled mark in front of his face and roared in Arabic,””I’m the one who came to collect the debt!”” What you owe me, you will have to pay me back in double!”” ”

Toot ...

Toot ...

“As Zhao Yu was talking, the prison guards “”whistle suddenly sounded at the entrance of the restaurant.”

“In fact, it wasn’t that the prison guards didn’t see the fight just now. They just turned a blind eye.”

“After all, the Matt gang had a lot of power in the heavenly area. Seeing the gang bullying the newbies, the prison guards all went to the corridor.”

“As long as no one died, they would not interfere.”

“However, when they heard the sound of the fight gradually die down, they thought that the Matt gang was done. They entered the restaurant to clean up the mess, but they were surprised to see an incredible scene. ”

“The newbie who was supposed to be beaten up and begging for mercy was standing in the middle with a murderous look on his face. He was slapping Mark’s mouth, and the members of the Matt gang were all lying on the ground ... ”

“Seeing this shocking scene, the prison guards were also stunned for a long time before they remembered to blow their whistles. ”

“““I ... I don’t owe you anything,”” Ma ke asked with his swollen eyes as he spat out blood. ”

Pa ...

“Zhao Yu didn’t give her a chance to explain, and gave her a fourth slap! ”

“““Wuuu ...”” ”

“This time, ma ke wanted to cry for his father and mother. He could no longer speak ... ”

“““Don’t move, don’t move!”” At this time, the prison guards finally rushed in front of Zhao Yu and pointed their batons at him.”“Don’t move, kneel down ...”” ”

“““Humph!”” Zhao Yu ignored the warning of the prison guards and pulled mark in front of him again, then said fiercely,”“don’t you want to experience what it’s like to eat like a dog? Alright, I’ll fulfill your wish!”” ”

“Then, Zhao Yu pulled Mark’s left arm behind him, then swung it upwards. Mark’s arm suddenly made a bone-cracking sound! ”

Ah ...

Ma ke was in so much pain that he wailed miserably and almost fainted. His screams resounded throughout the entire canteen.

“““Stop! Stop!”” At this time, the prison guards saw that the gang leader’s arm had been twisted and broken, so they didn’t dare to delay. They rushed forward and beat Zhao Yu with batons. ”

“““Thump thump ...”” ”

“The police baton hit Zhao Yu’s body, making a dull and terrifying sound, which made people’s hearts tremble. ”

“““Roar ...”” ”

“Suddenly, Zhao Yu turned around and shouted at the prison guards who were beating him up! ”

“The power of this shout was amazing. It was like a thunderclap, and also like the rage of a beast. Under the loud roar, several prison guards were scared and retreated. Two of them even staggered and knelt on the ground! ”

“““Ah ...”” The prison guards were shocked. They quickly pointed at Zhao Yu and asked weakly,““you ... What are you doing?”” ”

“““Hmph! ““Hmph ...”” Zhao Yu snorted, then laughed wildly.““Wahaha, Wahaha ...”” ”

“The wild laughter shook everyone’s hearts, making them feel frightened and trembling. ”

“““What am I doing?!”” Zhao Yu raised the corner of his mouth, pointed at himself, and said,““from now on, there will only be one boss in the heavenly area, and his name will be ... Um ...”” ”

“Suddenly, something embarrassing happened. Zhao Yu wanted to say his name, but he thought that he had to call the imposter by her name. ”

“However, he couldn’t recall it at that moment ... ”

“““Hmm ... MA ... MA what? Makawan, cardsharp, and cardsharp? What’s stuck?”” Zhao Yu scratched his head, which shocked everyone. ”

“““Oh ...”” Zhao Yu finally remembered. He patted his chest and shouted,““kawan! Remember my name. This place is mine from now on!”” ”

“Then, he raised his hands in front of the prison guards and said coldly,““““Alright, you can take me away now! You can beat me up or punish me!”” ”

“““...”” The prison guards had never seen such a strong and stupid prisoner. After hesitating for a long time, one of them carefully handcuffed Zhao Yu and took him away. ”

“There was no doubt that Zhao Yu had made such a big mistake, so he would definitely be put in the detention room to receive punishment. ”

“““Zhao ... Zhao Yu ...”” Miao kun was anxious and complained in Chinese,““I told you, no matter how good you are at fighting, you can’t beat the prison guards! This is bad ...”” ”

“Zhao Yu turned around and smiled at Miao kun, telling him not to worry as he had his own plans. ”

“Then, Zhao Yu was escorted by the prison guards through the crowd. When he passed Wright, he suddenly reached out and grabbed her arm. ”

“““Ah?”” Wright was so shocked that she almost fell to the ground. ”

“““Kid!”” Zhao Yu said to Wright in English,““remember this, if you can’t get me out of the detention room, then I promise ...”” He used his chin to point at mark, who had lost an arm, and threatened him with a cold look,““you will end up much worse than him!”” ”

“““Ah ...”” Hearing this, Wright trembled and almost fell to the ground. ”

“Very quickly, Zhao Yu was escorted out of the restaurant by the prison guards, and they walked in the direction of the detention room. ”

“Because Zhao Yu’s performance just now was too violent, the prison guards were still scared. Although they were holding Zhao Yu, they didn’t dare to talk nonsense. ”

“““Hey, bosses ...”” Just as they walked into the corridor, Zhao Yu opened his palm and said in fluent Arabic,““this is a small gift. Please accept it!”” ”

A few US dollars suddenly appeared in Zhao Yu’s palm. It was a total of 20 US dollars.

“““This ...”” The prison guards looked at each other. Twenty dollars was not a small amount to them, and their eyes were filled with greed. ”

“““Take it!”” Zhao Yu laughed.““Don’t worry, as long as you’re willing to show me mercy, I’ll give you more benefits based on my abilities!”” ”

“““ ...”” The prison guards didn’t say anything, but one of them took his money. ”

“““I think ...”” Zhao Yu saw that there was a chance, so he continued,““yesterday, you should know that I defeated five people by myself in the challenge Tournament, right? ”

“““I have a more important game next week ...”” ”

“Just as Zhao Yu said this, footsteps suddenly came from the stairs. A few prison guards quickly signaled Zhao Yu to keep quiet, then escorted him down the stairs. ”

“Then, they reported to the security guard and escorted Zhao Yu out of the small second floor, walking in the direction of the guardhouse. ”

“Zhao Yu looked around to make sure no one was around, then continued,““With my ability, I’ll definitely win more bonuses in the future. Don’t worry, you’ll always have a share in my bonus! ”

“““Also, in every competition, I can cooperate with you to bet. If you want me to win, I can win! If you want me to lose, then I can lose! How is it?”” ”

“After Zhao Yu said this, the prison guards were obviously more tempted. They pretended to walk a few more steps until they reached an empty corner, then pulled Zhao Yu to the side and said seriously,““ ”

“““Friend, we know you’re good at fighting. We also watched your match yesterday!”” One of the prison guards said,““but what you did today isn’t something we can protect even if we want to!”” ”

“““Yes,”” another prison guard said worriedly.““The Matt gang is very powerful outside, and they can even talk to the warden. Now that you’ve broken their boss’s arm, you can imagine the consequences!”” ”

“““Right!”” The previous one said,““if you don’t have a background, you’re dead! Even if they had a background, they would be crippled or sent to hell, where they would rather die than Live! ”

“““So, we really want to cooperate with you, but ... Sigh ...”” The man sighed and handed the US dollars back to Zhao Yu. He said helplessly,““mark is in trouble, and now we can’t even protect ourselves. We really can’t do anything!”” ”

“““Let’s ... Go!”” ”

“Then, the prison guards took Zhao Yu and left the corner resentfully, continuing to walk in the direction of the detention room. ”

Chapter 1684: Chaos in prison (13)

“The detention room was located on the south side of the Paradise area, next to the military factory area. It was a single building transformed from an abandoned factory.”

“After entering, Zhao Yu was not brought into the detention room, but was locked in a room that looked like an interrogation room, and was fixed on an old and rusty chair.”

“Then, the prison guards all went out, leaving Zhao Yu alone in the room.”

“The interrogation room was dimly lit and filled with a damp, stinky smell, which naturally gave rise to an uncomfortable sense of fear.”

“Soon after, the sound of whips being whipped could be heard from the other rooms, as well as the wails and moans of the prisoners ...”

It was obvious that this was the place where the prison guards controlled the prisoners. All the prisoners who made mistakes in the heavenly area would be sent here to receive punishment.

Zhao Yu didn't know what he would be facing later.

“So he quickly browsed the device bar and found the emetic pill, antidote, bone setting device, fire-resistant suit, and other defensive tools in case of an emergency.”

“In addition, he had even prepared a pseudo-death potion that he had never used before. If he really couldn't hold on, he might as well fake his death and escape the torture first!”

“Zhao Yu waited for a full two hours. Two hours later, the door of the interrogation room was opened again.”

It's broken!

“Seeing more than a dozen prison guards coming in from outside the door, Zhao Yu knew that something bad was going to happen.”

“Sure enough, after the prison guards entered the interrogation room, two of them unlocked Zhao Yu's handcuffs, straightened his right arm, and put it on a rack!”

““Kawan,”” at this time, the prison guard that Zhao Yu knew whispered in his ear, ““you're lucky that your life is safe, and you don't have to be sent to hell to wait for death!”” ”

““It's just that ...”” He said regretfully, ““in order to give Matt gang an explanation, I need you to break an arm as an apology!”” ”

“Then, one of the stronger prison guards took out an iron bar. It seemed like they were going to use the iron bar to break Zhao Yu's right arm.”

“At the same time, there was another person holding a video camera, ready to record the entire process.”

Tsk tsk ...

“Hearing this, Zhao Yu suddenly hesitated. He was wondering if the invisible bone setting device could cure such a serious injury.”

“Under normal circumstances, his arm would have been crippled by this strike. Even if it were to recover in the future, his arm would not be able to exert any strength.”

“However, the power of the invisible bone setting device was not weak. What if it could be restored?”

Should I ... Take a gamble?

“If he didn’t want to gamble, was there any other way?”

If it really didn’t work ... Should he first use the emetic pill to delay time?

“Or, use a fire-resistant suit or a spacesuit to block it?”

“That shouldn’t be enough, right?”

But ... What if they still wanted to examine his injuries?

How about ...

“Before Zhao Yu could think too much, the prison guard with the iron stick had already raised it and aimed at Zhao Yu’s arm. He was about to hit him!”

“In order to prevent Zhao Yu from struggling, the other police officers swarmed around him, stretching his arms and pulling him, making Zhao Yu unable to move.”

“1.....2.....”

“The prison guard raised his stick and aimed at Zhao Yu’s arm. He had already called out the count of two and was about to take action. Who knew that, at this critical moment, someone suddenly knocked on the door of the interrogation room.”

“When the prison guards turned around, they were surprised to see a prison guard in a military uniform running in with a document in his hand. He shouted to the crowd,””

“““Don’t hit me, don’t hit me!”” As he spoke, he handed the document to the prison guards and hurriedly shouted,””this is the pardon order issued by the warden himself. You Can’t Touch This person!”” ”

“““Ah?”” Hearing this, the prison guards were shocked and quickly let go of their hands, and the iron bars fell to the ground with a clang ... ”

“After that, the prison guard in the military uniform called the others to the door and explained the whole situation to them. After a few minutes of discussion, most of the prison guards left.”

“After waiting for a while, the prison guard in charge of Zhao Yu entered the interrogation room again and came to Zhao Yu’s side.”

“““You’re really good at hiding your skills!”” The prison guard said,””no wonder you even dared to provoke the Matt gang! You actually got a special pardon from the warden!”” ”

“As he spoke, the prison guard actually unlocked the chains on the chair. ”

“””” Alright,”” the prison guard said again,”” you’ll be in detention for a day, and you’ll be sent back to the cell at night! In the future, you must pay attention and not violate any more discipline!”” ”

“””” Oh?”” Zhao Yu rolled his eyes and immediately took out the twenty dollars from his pocket.”” In that case, I’ll have to trouble you guys to take care of me in the future!”” ”

“When the prison guard saw the money, his eyes suddenly lit up. He quickly took it and nodded, obviously very satisfied with Zhao Yu’s performance. ”

“””” Bro,”” Zhao Yu struck while the iron was hot and asked,”” can you tell me why the warden let me go?”” ”

“””” Um ... Well ...”” The prison guard first looked at the door, then at the money, and then whispered,”” cough, to be honest, it’s because you’re too good at fighting!”” ”

“””” The warden probably wants you to keep fighting. It’s not easy to find someone who can fight, so he naturally doesn’t want you to be disabled, right?”” ”

“””” Oh ...”” ”

“Zhao Yu nodded silently. Before this, he thought that it was the white man, Wright, who had helped! From the looks of it, it had nothing to do with him at all. ”

“Alright, I’ll keep my word. Wright, just you wait! ”

“Then, Zhao Yu was brought into a solitary room to receive his punishment. ”

“The confinement rooms were all individual cells separated by iron plates. The space was small, dirty, and smelly. There was nothing inside, not even sunlight. ”

An ordinary person would feel great fear in such a place and would go crazy after being locked up for a short time.

“However, Zhao Yu had the invisible flashlight and other devices, and he had not been locked up for long, so there was no problem. ”

“The only bad thing was that he hadn’t eaten much for the past few days. He finally managed to get a decent breakfast today, but it was ruined by the Matt gang. ”

“At this moment, he only felt an unbearable hunger in his stomach. He was so hungry that he felt weak all over. ”

“Fortunately, when he was browsing through the device bar, he suddenly found a device that he had ignored before. It was called the Pi Xiu invisible energy agent! ”

“As the name suggested, it could provide energy to the user for a day. ”

“In the past, no matter what task Zhao Yu had completed, he had never been hungry, so he had completely forgotten about this device. ”

“Unknowingly, he had already accumulated more than 40. ”

“At this moment, he was so hungry that he couldn’t stand it anymore. He had no choice but to use one on himself to test its effect.”

“In the end, this device was really magical. After using it, he was no longer thirsty or hungry. He felt that his body had returned to normal.”

Hehe ...

“This item was really not bad. With this, even if he was deep in the desert, he would no longer have to worry about finding food and water. It was simply a divine tool for survival in the wilderness!”

“With the energy, Zhao Yu felt that he had recovered a lot. So, he began to plan his future escape plan.”

“He knew that now that he had found Miao kun, his top priority was to find the communicator that could contact Ding Lan.”

“The communication device was still attached to the prison van, and he had not found a suitable opportunity for it in the past two days.”

“It seemed like he had to act quickly. The later he contacted Ding Lan, the more anxious she would be. Moreover, Zhao Yu was also worried about the safety of Ding Lan and the others. He was afraid that they would not be able to escape the pursuit of the prison.”

“Coincidentally, Zhao Yu had observed the location before. The prison van was usually parked in the military factory area, and the detention room he was in just happened to be adjacent to the military factory area.”

“Therefore, this was the perfect opportunity to retrieve the communication device!”

Chapter 1685: Chaos in prison (14)

“7 p.m. Was the meal time for the prisoners and the prison guards, but the prisoners who were in confinement were not qualified to eat.”

Zhao Yu knew that he would be sent back to the prison cell after the meal.

“Therefore, it was the best time for him to make a move.”

“After meditating in the detention room, Zhao Yu had already prepared two sets of plans. He first turned on the invisible x-ray vision and the life detector to check the situation outside the chamber.”

“After he found that no one was patrolling the corridor outside, he used the universal lock-breaker and easily opened the door of the detention room.”

“When Zhao Yu was brought in, he had already observed the terrain. As the main entrance was guarded, he could only leave from another way. So, after he left the detention room, he went upstairs directly.”

“The windows upstairs were all equipped with protective nets, but because this was not an important place for prisoners, the protective nets were not installed closely.”

Zhao Yu opened the window and used a device called the invisible breaker to break two of the guardrails!

“This invisible disrupter was also an item he had obtained a long time ago. It could break through metal obstacles to achieve the purpose of rescue or escape. Now, it came in handy.”

“After pushing it away, he didn’t stop and got out of the guardrails. At the same time, he used his invisibility cloak, anti-camera, and other devices.”

“The sky in the desert turned dark later, but the sun was setting, so the night was enough to cover him in his invisibility cloak.”

“The window was more than seven meters above the ground. Zhao Yu naturally didn’t choose to climb or jump, but instead used the invisible aircraft to fly quickly and powerfully straight to the military factory area.”

“When he had attached the communication device to the prison van, Zhao Yu had used an invisible locator to set the location. So, not only did he know that the prison van was inside the prison, but he also knew the exact location of the van.”

“Therefore, he did not waste a second. As soon as he entered the parking lot, he immediately found the prison van.”

“However, Zhao Yu had missed one thing. As soon as he landed, there was a dog barking at the entrance of the parking lot!”

Woof woof woof ...

“Obviously, there was a dog there, and the dog had already smelled Zhao Yu’s scent.”

“Following the dog’s barking, the light at the door turned on, and soon, the sound of the guards came. After that, the soldiers immediately ran over to the prison van with their guns and dogs.”

“However, when they arrived, all they could see was the dog barking at the sky, but no one was there ...”

Hu ...

“More than ten meters away, Zhao Yu, who was flying in the air, was panting heavily. It was really dangerous just now. Fortunately, he was fast enough and found the communication device in no time.”

“Otherwise, Today’s Plan would have to be scrapped.”

“While rejoicing, Zhao Yu put the communication device in his pocket, then went back the way he came.”

“While he was flying, he saw many soldiers, but because he was wearing an invisibility cloak, no one noticed him.”

“In less than a minute, he returned to the window with the broken fence and returned to the building where the confinement unit was.”

“In order to cover up his tracks, he tried his best to repair the guardrail. Although it could not be completely restored, at least it would not cause too much suspicion.”

“Next, he would close the window and go downstairs. As long as he could return to the detention room on time, it would be considered a success.”

“Just as Zhao Yu was about to go downstairs, the life detector suddenly showed signs of four living beings walking in the corridor.”

“Zhao Yu looked at the corner of the wall, and his heart skipped a beat.”

This was terrible!

“The four of them were the prison guards who were in charge of looking after him. At that moment, they were holding the keys and walking towards the detention room where Zhao Yu was. It seemed that they were going to escort him back to the prison in the heavenly area.”

It’s broken!

“If they found out that he wasn’t in the detention room, he would be completely exposed!”

What to do?

“There was only one corridor on the first floor. Although he had an invisibility cloak, it was impossible for him to rush over in time and enter the detention room before they did.”

“His invisibility cloak wasn’t perfect. If he got too close, he would be seen.”

“Furthermore, as soon as the door to the confinement unit was opened, it would definitely attract their attention.”

This ... What should I do?

“Seeing that the four prison guards had already come to his detention room and were about to take out their keys to open the door, Zhao Yu was so anxious that he was sweating!”

“He looked at the other confinement rooms anxiously. In a moment of desperation, he could only take the risk and fight!”

“With that in mind, he immediately entered the corridor. While the invisibility cloak had not disappeared, he used two master lockpicks in one breath and opened the doors of the two holding rooms at the end of the corridor!”

“After he opened it, he quickly scurried back to the stairway and hid.”

Creak ...

Creak ...

“As the heavy iron door made a sound, two iron doors opened. In such a quiet corridor, it seemed a little strange.”

“”Ah?”” ”

The sudden opening of the two iron doors caught the attention of the four prison guards. They immediately put down their work and looked at the corridor.

""What?"" "

"The next second, a thin and shriveled prisoner walked out of one of the holding cells. The prisoner thought that he had been released early, but when he came out, he didn't see any prison guards. He was instantly confused!"

""Waa!"" "

This was too much!

"When the four prison guards saw a prisoner running out of the detention room, they hurriedly shouted to stop him while running over."

""This ..."" The prisoner was still in a daze, not knowing what to do. "

""Don't move!"" "

Four prison guards stepped forward together and quickly pressed the prisoner under their bodies.

"Just as they were about to pounce on the prisoners, Zhao Yu took the opportunity to fly over the corridor and over the heads of those people."

""What?"" "

"One of the prison guards seemed to have heard something and raised his head to take a look, but Zhao Yu was too fast, so he didn't see anything."

"At this time, a curious voice came from another detention room that had been opened. From there, another prisoner who was locked up also walked out!"

""Hey, don't move! Kneel down!"" "

The prison guards could no longer care about the strange noise just now. They all pounced on the two prisoners and pressed them to the ground.

"While they were in a mess, Zhao Yu quickly opened the metal door of his holding room and got in."

Clang ...

The iron door closed with a muffled sound again.

"The four prison guards turned around when they heard the sound, but the iron gate was already completely closed. They didn't see anything!"

Whoosh ...

"When he returned to the detention room, Zhao Yu was already drenched in sweat."

"It was too dangerous just now. If there were no prisoners in the two holding cells, it would have been difficult to hide from the prison guards ..."

“Hu Chi, Hu Chi ... ”

“Zhao Yu panted for a long time. When he finally calmed down, the prison guards reopened the detention room he was in and informed him to return to his cell. ”

“About ten minutes later, Zhao Yu finally returned to cell 109, where he had stayed the night before. ”

“Thinking about rice, Zhao Yu quickly put the fear in his heart to the back of his mind. He put on a fierce expression and decided to vent his anger! ”

“In his opinion, when Wright saw that he returned from the detention room intact, she would be so scared that she would pee her pants. ”

“However, when he entered the room, he was shocked to find that the person sitting on the bed was not Wright, but his father-in-law, Miao kun! ”

Chapter 1686: Chaos in prison (15)

“““Zhao Yu, Zhao Yu!”” When Miao kun saw Zhao Yu, he immediately clasped his hands together and bowed to the sky.””Thank God, thank God, you’re back!”” ”

“““Let me see ... Let me see ...”” ”

“Then, he reached out to Zhao Yu’s body to check his injuries. ”

“““It can’t be?”” Seeing that Zhao Yu was completely unharmed, he felt even more incredulous.””He didn’t even fight? His arms aren’t broken, and his legs aren’t broken ...”” ”

“““Please!”” Zhao Yu squinted his eyes.””Can’t you look forward to something good?”” ”

“““His voice didn’t change ... He didn’t become a eunuch ...”” Miao kun was so excited that he was incoherent.””His complexion is still so good. He doesn’t look like he was in confinement at all!”” ”

“““I’m fine, I’m fine!”” Zhao Yu quickly asked,””what about you? Why are you in this room?”” ”

“““Um ... It was that white man, Wright, who bribed me,”” Miao kun said quickly.””He probably couldn’t save you, so he was afraid that he would be beaten up when he came back. That’s why he gave the prison guards money to transfer me to this room!”” ”

“““Oh ... That’s good.”” Zhao Yu nodded.””In that case, let’s spare him for now!”” ”

“““Oh right, you can’t eat after a day of confinement. You must be starving, right?”” Miao kun quickly opened a plastic bag with food inside.””This is the food I left for you. Hurry up and eat!”” ”

“““It’s okay, I’m not hungry ... Um ...”” After Zhao Yu put down the plastic bag, he suddenly realized that if Miao kun had left him some food, it would mean that he had not eaten. He was touched and immediately lied,””I’m different from the other prisoners. I already ate in the detention room!”” He said. ”

“““So ...”” He handed the plastic bag to his father-in-law and said,””you should eat it!”” Don’t go hungry!”” ”

“““Then let’s have supper!”” Miao kun said, “““anyway, I got these from the kids of the Matt gang!”” ”

“.....”

“Zhao Yu stared at him for a full fifteen seconds, then remembered what he had to do. He quickly turned on the communication device he had picked up and sent Ding Lan a call signal. ”

“““It can’t be?”” Miao kun was dumbfounded. “““Where did you get this? Are you really in confinement?”” ”

“““Hey...Hey...Hey ...”” Zhao Yu turned on his communication device and called more than ten times, but there was no reply. ”

“““Maybe ...”” Zhao Yu shook his head and sighed. “““They’re too far away. It’s okay, I’ll try again later ...”” ”

“““You ... Um ...”” Miao kun pondered for a moment, then asked, “““who did you contact?”” How many people are waiting for us outside? Hurry up and tell me about your escape plan!”” ”

“““What are you saying, boss? oh no... Father-in-law!”” Zhao Yu put away his communication device and said to Miao kun seriously, “““you’d better tell me about the information broker first! What happened in the new moon Hotel?”” ”

“““Okay, okay ... I’ll tell you ...”” Miao kun massaged his temples to adjust his thoughts, then recalled and said, “““you should know everything that happened before, right? ”

“““I came to Morocco to make a very ordinary deal, just for the disappearance of the world’s richest man, londee! ”

“““The female intelligence dealer used to work for the United States military intelligence Department. She said that she quit later, but I have a feeling that she’s still in love with him, right?”” Miao kun frowned and said, “““I’m guessing that when she was collecting information for the military intelligence Department, she accidentally found a clue about londee!”” ”

“““Then ... What kind of clue is it?”” Zhao Yu asked curiously, “““what’s the relationship between londee and the house of sin?”” ”

“““No way? I was going to ask you the same question!”” Miao kun retorted, “““I didn’t even have time to look at it before I was F * cked by that woman!”” ”

“““Zhao Yu ... Since you’ve come all the way here, you should know more than I do, right?”” ”

“““Please, father-in-law!”” Zhao Yu pleaded, “““why don’t you talk about the hotel first? you can talk about me after you’ve made things clear, okay?”” ”

“““Okay, okay ...”” Miao kun said. “““I’ve received a lot of false information about londee before, so I didn’t have high hopes this time. That’s why I didn’t attract any attention, and that’s why I fell into her trap! ”

“““This is what happened,”” Miao kun said, trying hard to recall.”“That night, I made an appointment to meet the intelligence dealer at the new moon Hotel. According to our agreement, she brought the information, and I brought the money. Then, we made the deal in the hotel room I booked!”” ”

“““She arrived on time, so I asked the bodyguards to wait at the door and brought her into the room ...”

“““But ...”” Miao kun’s face tightened as he said,”“we just entered the house ...”” ”

“““Um ... At that time ... We were sitting on the sofa and casually talking about the opening, but the woman suddenly stood up and said something to me!”” ”

“““Oh, what did he say?”” Zhao Yu asked. ”

“““She questioned me angrily,”” Miao kun said, imitating a woman’s tone.”“She said,”” how could you disobey the rules? why did you bring a gun?”” ”

“““Of course I’m confused. I quickly explained to her that we didn’t say that we were not allowed to bring guns, right?”

“““Who knew that the woman would angrily say,”” then take out your gun first. I’m worried about you hiding it on your body like this ...”“I didn’t know it was a trick, so I took out my gun!”

“““But ... As soon as I took out the gun, the woman ... The woman ...”” Miao kun waved his hands in excitement.”“Her chest exploded!”” ”

Ah?

Zhao Yu found it unbelievable.

“““It’s true!”” Miao kun pointed to his heart and said,”“that’s it! It exploded!”” ”

“““When the explosion occurred, the woman fell to the ground, face up. What was even more shocking was that when she fell, she released a silver metal ball from her hand!”

“““Look, it’s so big, and it’s very round ...”” Miao kun gestured the size of an egg and said hurriedly,”“the ball rolled to the door, and then white smoke came out!”” ”

“““To be honest, if I were younger, I might have reacted in advance, but ...”” Miao kun said helplessly.”“This scene is so weird!”

“““I thought that woman was really shot. I’m really confused!”” ”

“““Oh ...”” Zhao Yu gradually understood what she meant and asked,”“what happened after that? What happened after that?”” ”

“““After that?”” Miao kun shook his head and sighed.”“Two of my bodyguards came in to check. They smelled the White smoke and fell to the ground on the spot!”

“““Only then did I realize that the sudden attack was aimed at me. However, it was already too late!”

“““As soon as I turned around, an electric bullet was shot from the woman’s hand, and I passed out ... So ...”” Miao kun said awkwardly.”“That was the whole process!”” ”

“““That woman was just knocked to death. She was the one who caused everything!”

“““Hmph, I’ll have to settle the score with chief Yusoff later. He was the one who introduced that woman to me. That woman even used an Arabian name, she ‘s...Hu something? The huji flower?”” ”

“““It’s Hu Ling!”” Zhao Yu said, wiping his sweat. ”

“““Yes, Hu Ling! ““That’s her name,”” Miao kun said.””Zhao Yu, you’ve seen her before, right? Did you use her to find this place?”” ”

“““Well, about that ...”” Zhao Yu shook his head and said,““I’ve seen her before Morocco but ... I saw her in the moroca police station’s morgue!”” ”

“““Oh ... So she was hiding in the Morocco police station. How dare she disguise herself as a forensic doctor?”” after seeing Zhao Yu’s look, Miao kun realized something and quickly changed his words.””No way!”” ”

“““You mean ... That woman is already dead?!”” ”

Buzz ... Buzz ...

“While Miao kun was still in shock, Zhao Yu’s communication device suddenly vibrated. ”

Chapter 1687: Jailbreaking berserk Dragon (1)

“The communication device looked simple, but it was actually very high-tech. The date pit-shaped design allowed it to be directly stuffed into the ear, and the hidden button on it could play a role in fixing it. ”

“After the knob at the bottom of the communicator was turned down, it could extend to the mouth and become an earpiece that could talk instantly. ”

“However, due to the instability of the signal, the quality of the call was not very high and was somewhat intermittent. ”

“After the other party confirmed Zhao Yu’s identity, Ding Lan’s voice came through the earpiece.””“Thank God, you finally turned on your communication device! How are you? What kind of environment was a prison? Have you found Godfather?”” ”

“Zhao Yu heard Ding Lan’s voice and was extremely excited. He immediately explained to her what had happened after he had entered the prison. In order to make her feel at ease, he even handed the communication device to Miao kun. ”

“““It can’t be?”” Miao kun was even more excited. They actually sent you here! My dear daughter, I’ve missed you so much ...”” ”

“““Alright, now is not the time to chat.”” After greeting them, Zhao Yu quickly put the communication device back into his ear and asked Ding Lan,““what about you guys?”” How have you been these few days? Was it safe? Are Laura and Rena alright?”” ”

“““It’s fine,”” Ding Lan said. “““After the van was robbed, the prison increased the number of patrols, so we temporarily hid in a place far away and only returned today, but we can’t get too close!”” ”

“““Ding Lan, listen to me,”” Zhao Yu said. “““This isn’t just a prison, it’s also a military base. Even if we can escape from the prison, it’ll be difficult to avoid their pursuit and interception. So, we need air support and helicopters!”” ”

“““Don’t worry, I’ve already thought of this!”” Ding Lan replied, “““we’ll be sending one over here, and you SUFU has agreed to send one over as well. We’ve agreed to meet in the evening seven days later!”” ”

“““That’s good ...”” Zhao Yu finally felt at ease. ”

“““What’s so good about it?”” “““Are you addicted to being a prisoner?”” Ding Lan asked anxiously. ”

“““This is different from our original plan. That’s a military base. So what if there are planes? It’s impossible for us to enter the prison to pick you up! ”

“““I’ve already applied for emergency aid from my superiors, but due to the sensitivity of Western Sahara, it’s really not convenient for us to come out. Once we attack the house of sin, the Western media will definitely get hold of something, which is quite unfavorable to us! ”

“““The suggestion given by the higher-ups is to find a way to get in touch with the management of the house of sin and buy you out with money!”” ”

“““No!”” Zhao Yu firmly denied it. “““We didn’t know before, but now we do. Miao kun was sent here on purpose. Once our people negotiate with the prison, not only will they not admit it, but they might even kill him to silence him and destroy the evidence!”” ”

“““Yes ...”” Ding Lan said. “““Amelia talked to Yusufu, but Yusufu couldn’t do anything about it either. She only agreed to send a plane over, but not to have any conflicts with them!”” ”

“““Zhao Yu ...”” Ding Lan said solemnly, “““we’re at the most dangerous moment now, so we should Start Plan B! ”

“““As long as we spread the news that londee is locked up in the house of sins, there will definitely be a lot of people paying attention to this place, especially the Merika side. If they send troops to intervene, it will be easy to handle!”” ”

“““No,”” Zhao Yu shook his head. “““This plan won’t be effective in the short term. Besides, we don’t have any evidence to prove that londee was locked up in the house of sin!”” ”

“As he spoke, Zhao Yu glanced at Miao kun. He was asking Miao kun if he had heard anything about londee in the past few days. ”

“Miao kun naturally understood. He immediately shook his head and said, “““The way I see it, londee’s information could very well be fake. He’s just a bait to lure me into his trap!”” ”

“““Without evidence, no one would be stupid enough to go against the house of sins!”” “““Then ... What else can we do?”” Ding Lan asked worriedly. ”

“““It’s okay, trust me!”” Zhao Yu said with confidence,““just wait for us at the safe meeting point. We’ll meet up with you in seven days ‘time!”” ”

“““Zhao Yu, this isn’t child’s play ...”” Ding Lan said worriedly.““Do you know what the consequences would be if you failed to escape from prison? We won’t have another chance!”” ”

“““Don’t worry,”” Zhao Yu said.““I’ve already found a loophole in the prison. I’ll definitely be able to get out! I told you, after our family reunions, we’re going to seal the restaurant for hotpot chicken!”” ”

“““But ...”” ”

“““There’s no ““but””!”” Zhao Yu said decisively,““the power of the communication device is limited, so we have to use it sparingly! Let’s keep in touch tomorrow night ...”” ”

“Then, Zhao Yu hung up the phone. ”

“Zhao Yu still had four flying devices in his device bar, so it would be easy for him to escape from the prison. ”

“He had already come up with a plan. Seven days later, he would give Miao kun an invisible sleeping pill to put him to sleep when he was not paying attention. ”

“Then, she flew him out of the prison and met up with Ding Lan and the others. Then, they got on a helicopter and flew away. ”

“At that time, no one would know what would happen. ”

“““Zhao Yu,”” after hanging up the phone, Miao kun said to Zhao Yu with a serious face,““lan lan is right. This is no joke!”” Look at my arm. Are you sure I can escape with you in this state?”” ”

“““Don’t worry! Even if you’re unconscious, I can still get you out!”” Zhao Yu was full of confidence. ”

“““Well ...”” Miao kun opened his only palm and asked,““tell me about your escape plan now, and we can analyze it together. ”

“““To tell you the truth, ever since I came in, I’ve been thinking about breaking out of prison. ”

“““However, even though the facilities here are simple and crude, there are surprisingly many people here. There are no loopholes at all! ”

“““And ...”” He said worriedly,““I’ve asked some old prisoners who have lived here for more than a decade, and they told me that no one has ever been able to escape from the house of sin successfully!”” ”

“““Aiyo, don’t worry!”” Zhao Yu patted his chest and promised,““when have I ever let you down? Since I have the guts to come in and find you, I have already thought of a foolproof plan. Don’t worry!”” ”

“““Well ...”” Miao kun wiped the cold sweat from his forehead and said worriedly,““I think you’d better tell me the plan first!”” ”

“““Lan lan is right. If we fail to escape, we’ll either be shot on the spot or sent to hell!”” ”

“““No,”” Zhao Yu said impatiently.““I can’t tell anyone, not even you! In short, just trust me! ”

“““You, don’t think about this now. Let’s talk about Hu lingye!”” ”

“““Tsk tsk ...”” Miao kun frowned and pouted. Although he believed in Zhao Yu’s ability, breaking out of prison was not an easy task. How could he have a clear conscience? ”

“““Now it seems that ...”” Zhao Yu’s thoughts had already turned elsewhere. He said,““in the new moon Hotel, after Hu lingye electrocuted you, someone came in and killed her!”” ”

“““Then ... This person is the real mastermind. He planned the whole thing ...”” ”

“““Yes!”” ““Could it be the Americans?”” Miao kun guessed. ”

“““The point is ...”” Zhao Yu frowned.““If he wanted to take revenge on you, he could have killed Hu lingye. Why didn’t he kill you? ”

“““Think about it. After knocking you out, isn’t it very troublesome to send you to the desert prison hundreds of kilometers away? ”

“““What does the mastermind want to do?”” ”

Chapter 1688: Jailbreaking berserk Dragon (2)

“““They must have injected me with an anesthetic. I don’t remember anything ...”” Miao kun put his injured arm on the bed and made a comfortable position. He then said to Zhao Yu,““when I finally woke up, I was wearing a mask. I only knew that I was in a car, but I couldn’t see anything.”” ”

“““It wasn’t until someone took off the hood that I realized that I had been thrown into prison as a criminal ...”” Miao kun gestured to his arm with his chin.““I had a needle hole on my arm, and I was wearing a prison uniform. The tracking device on me was also gone!”” ”

“““I’ve been thinking about it these days!”” Miao kun shook his head and sighed.““Why didn’t the person who framed me kill me directly? Why must you put me in prison? ”

“““If there is one explanation that can be explained, it is ‘seeking revenge’! After all ... I’ve offended too many people!”” ”

“““Yes, but this enemy shouldn’t be sent by the government!”” Zhao Yu analyzed,““like the United States or the United Kingdom military intelligence Department, they definitely wouldn’t have the time to do this!”” ”

“““Yes!”” Miao kun agreed.““Over the past few days, I’ve filtered out all the people who have the ability to mess with me. Only about 20 people have the ability to do so, right?”” ”

“““F * ck, so many?”” Zhao Yu was surprised and said,““but there’s one thing I don’t understand. If they wanted to mess with you, why did they let you live in the relatively comfortable heavenly area? ”

“““I heard that you have to pay the prison every month to be placed in the heaven District! ”

“““If it was just for revenge, why didn’t they just throw you into the Imperial prison in the hell District? To let you taste all the pain?”” ”

“““Yes!”” Miao kun pouted at his arm and said,““but it’s terrible enough in the heavenly area. I even broke my arm!”” ”

“““Matt helped those people lie to me, saying that they could help me get a cell phone, but it turned out that the cell phone was actually a radio, and it was stolen from the prison guard.”

“““Maybe those people were paid to do this to me!”

“““Actually, I was doing pretty well in the first few days!”

“““Mm ... Zhao Yu ...”” As he spoke, Miao kun saw that Zhao Yu was in a daze and quickly pushed him.““Hey, what are you thinking of? Now, can you tell me how you found this place?”” ”

“““I’m thinking ...”” Zhao Yu closed his eyes and said,““if a woman wanted to knock you and the bodyguards out, it didn’t seem necessary to make it so complicated, right?”

“““Think about it ...”” Zhao Yu said.““In the hotel, she had to trick you into taking out a gun, then self-destruct to pretend to be shot. At the same time, she had to release a smoke bomb to knock the bodyguard out, and at the end, she had to knock you out with a Taser ... ”

“““All the steps have to be perfect. This isn’t something an ordinary woman can do!”” ”

“““Of course,”” Miao kun said, waving his hand.““Didn’t I tell you? Hu Jihua, oh no, Hu lingye, was from the military intelligence Department! Even if she’s not a Special Agent, she should have received professional training. She’s not ordinary!”” ”

“““Why do you still not understand?”” Zhao Yu opened his eyes and said,““after all this, you’re a murderer!”

“““Before the bodyguards fainted, they could only see Hu Ling, who was shot, and you, who was holding a gun. What do you think they would think? What would other people think?”” ”

“““Holy sh * t, it can’t be?”” Miao kun finally realized the seriousness of the problem. He patted his chest and promised,““I’m telling the truth!”” ”

“““Could ... Could it be that someone would think that I’ve betrayed and fled?”

“““What ... What the f * ck am I trying to do?”” ”

“““So, that’s the core of the case,”” Zhao Yu said, pointing at Miao kun.““The person who framed you not only wanted to send you to prison to torture you, but also wanted to destroy your reputation, so that Secret Service would think that you were a defector!”

“““This person has put in a lot of effort for you! ““Father-in-law, think about it again ...”” Zhao Yu asked.““Among all the people you’ve offended, who would hate you so much?”” ”

“““This ... This ... This ...”” Miao kun’s heart sank. He tried hard to think, but to no avail. ”

“At this time, Zhao Yu seemed to have thought of something new, and felt that there was a bigger conspiracy behind this. ”

“However, as for what the suspicion was, he did not grasp it. ”

“Then, under Miao kun’s urging, Zhao Yu told him the entire process of how he, Ding Lan, and the others had been looking for Miao kun.”

Miao kun finally understood what had happened after his disappearance.

“““Detestable!”” ““If Li Jing hadn’t wasted so much time and called you over, I’m afraid I wouldn’t have been sent to the house of sin before you could have solved the case!”” Miao kun said, annoyed.”

“““I’ll have to go back and reason with her. I really don’t know what she’s thinking by not using a great detective like you.”” ”

“““Right, before I came, she also sent me to corsovia!”” Zhao Yu said frankly.”

“““What? Corsovia?”” Miao kun was surprised.”“Why are we going to corsovia?”” ““Oh ...”” He patted his head and remembered.”“You went to check on Jecka, right?”

“““Because I went to play at Jecca’s place before I went to Morocco, so you’re all worried that Jecca has something to do with my disappearance ...”” ”

“““Mm, right! ““That’s what I meant ...”” Zhao Yu nodded.”“I also helped Jack solve a small case ...”” ”

“““Aiyo ...”” Miao kun suddenly realized something. He pressed on Zhao Yu’s shoulder and asked nervously,”“Zhao Yu, tell me the truth. Did jieka take you to see any art performance?”” ”

“““Did he find a local dancer to accompany you? Speak, quickly speak! Have you done anything to let my daughter down?”” ”

“““Go to hell,”” Zhao Yu said.”“You’re still thinking about these things at a time like this!”” ”

“““This is related to my daughter’s happiness. How can you call it a trivial matter?”” ““I’m telling you,”” Miao kun said seriously.”“When you were on the phone with Ding Lan, I could tell that there was something wrong with your tone!”

“““I’m warning you, you already have my biological daughter. You’re not allowed to touch this goddaughter!”” ”

“““Go to hell!”” Zhao Yu pushed Miao kun away impatiently and threatened him,”“don’t just talk about me. What you did in cossovia, Jake told me clearly. You watched a lot of those performances, didn’t you?”” ”

“““Well ...”” Miao kun’s face suddenly turned red. He first circulated his Qi, then said righteously,”“alright, let’s not talk about this for now. What case did you solve in cossovia?”” ”

I’ll ...

“Although Zhao Yu knew that his father-in-law was fickle, he still gave Zhao Yu a hard time.”

“Then, Zhao Yu told him about his experience in corsovia.”

“““Oh ... I guess I didn’t misjudge you!”” When Miao kun learned that Zhao Yu did not mess around with the dancers, he patted him on the shoulder and praised him,”“this way, you can show your face all the way to Eastern Europe. You’re one step closer to your goal of becoming an International Detective!”” ”

“““Just wait and see,”” Miao kun said with a meaningful smile.”““In the future, more and more people will come to you to solve major international cases!”” ”

“““Father-in-law, you flatter me,”” Zhao Yu replied humbly.”““In fact, in a sense, I am already an International Detective! What do you mean by getting closer and closer ...”” ”

“““Cough cough ... Cough cough ...”” Looking at Zhao Yu’s arrogant and boastful appearance, Miao kun choked a little. ”

“However, a few seconds later, his eyes lit up, as if he had thought of something important. ”

“After that, Zhao Yu told Miao kun about his experience in prison. ”

Miao kun did not expect Zhao Yu to be so willing to sacrifice so much for him. He was very touched and decided that he would reward his son-in-law handsomely when he got back.

“Just like that, the two of them talked for a long time, and when they were really tired, they finally fell asleep. Zhao Yu slept on the upper bunk, while Miao kun slept on the lower bunk. ”

“However, less than 20 minutes later, Miao kun suddenly got out of bed. ”

“With the light from the small window, he found the communication device in Zhao Yu’s clothes. Then, he went back to his bed, turned on his communication device, and pressed a button to make a call. ”

“““Hello ...”” A few seconds later, Ding Lan’s voice came through the earpiece.”““Zhao Yu, what’s the matter?”” ”

“Seeing that the call was connected, Miao kun’s eyes lit up. He then tapped his finger on the communication device, causing it to vibrate rhythmically ... ”

Chapter 1689: Jailbreaking berserk Dragon (3)

“The next morning, Zhao Yu suddenly remembered something important. ”

“Since he had the magical invisible bone setting device, why not let his father-in-law use it? Not only could it set his bones, but it could also speed up the recovery of his bones, which would help Miao kun recover. ”

“Hence, Zhao Yu gave Miao kun the invisible bone setting device as an excuse to check on his injuries. ”

“After the bone setting device’s examination, Miao kun’s injury was indeed not light. His arm had been broken. Although the medical staff had treated him, the treatment was very perfunctory. Even if the wound healed in the future, it would definitely have a serious impact. ”

“For this reason, Zhao Yu spent 2000 points without hesitation to strengthen the bone setting device, then let Miao kun use it. ”

“In this way, Miao kun’s injuries would not only be alleviated, but there would also be no side effects after his recovery. ”

“Even so, Zhao Yu still felt angry. So, when he entered the dining room with Miao kun to enjoy breakfast, his hair was standing up, making him look even more murderous than when he was fighting the day before.”

“As such, when Zhao Yu appeared in the dining hall, the entire place fell into a suffocating silence.”

“The prisoners from the heavenly court looked at Zhao Yu timidly. Some of them had goosebumps, and some of them couldn’t even hold their plates.”

“Zhao Yu brought Miao kun to the food area, and the prisoners there immediately made way for them.”

“After they finished eating, they went straight to the nearest table. When the prisoners at the table saw Zhao Yu, they quickly moved away with their plates, leaving only the two of them at the table.”

“Miao kun took a sip of the porridge and sighed.” “Well, I admit that your fist is hard enough!”

““Oh my God ...” At this time, the white man, Wright, suddenly ran over and handed a pack of cigarettes to Zhao Yu respectfully. He nodded and said, “so, my money wasn’t wasted. They really did let you out, boss!”

““Hmph,” Zhao Yu snorted, “who’s your boss?”

““I’m telling the truth,” Wright quickly explained. “Yesterday, I bribed the steward of the heavenly District with all my belongings, but he said that you offended the Matt gang and he couldn’t protect you!”

““I thought it was over. I didn’t expect it to work!”

““Wrong!” Zhao Yu waved his hand and said, “the only reason I’m fine is because I received a pardon from the warden! It has nothing to do with you!”

Whoosh ...

“Upon hearing this, everyone exclaimed.”

“In the house of evil, the warden’s pardon was like an Emperor’s imperial edict. For Zhao Yu to be pardoned by the warden, it was obvious how powerful he was!”

““Oh ... This ... This ...” Wright saw the murderous look in Zhao Yu’s eyes and suddenly felt that something was wrong. She quickly wiped her cold sweat and said, “but, I really did as you said. I really tried my best. To show my sincerity, I even specially changed rooms with Mr. Miao ...”

Pa ...

“Before Wright could finish, Zhao Yu slammed the table, scaring everyone. Rice was so scared that he almost fell to the ground!”

““Didn’t you say that I’ve offended the Matt gang, and no one can save me?” Zhao Yu looked at Wright and said coldly, “then, you better watch carefully now!”

“Then, Zhao Yu stood up and walked straight to the table at the furthest end of the dining room.”

He saw that the people sitting around the table were all the black men from the Matt gang.

“These people had all tasted Zhao Yu’s fists the day before, and they were still badly bruised. ”

“They had thought that Zhao Yu would be severely punished for breaking the gang leader’s arm, but they had never expected that Zhao Yu would return unscathed! ”

“One could imagine the degree of horror, so they chose the farthest table early on and ate with their heads lowered, not daring to raise their heads. ”

“However, when they saw Zhao Yu, the Demon King, walking towards them, they could no longer stay calm and were all trembling in fear. ”

“Zhao Yu saw that the dining table was full of people, and there was no empty space. He walked over, grabbed one of the People’s heads, and threw him on the table! ”

The plates flew and the man fell to the ground.

“”Ah ...”” The others were already frightened. When they saw Zhao Yu, they all held their plates and prepared to leave. ”

“”Don’t move! Sit down! All of you, sit down!”” Zhao Yu shouted in Arabic, then pulled out a stool and sat between them. He knocked on the table with his hand and said,“”breakfast is not over yet. Where can you run to?”” ”

“Hearing Zhao Yu’s shout, the members of the Matt gang all returned to their seats and sat down in fear. ”

“”I, Zhao ... Um ... I, MA gang kawan, keep my word!”” Zhao Yu looked at the people at the table and said,“”a man can not stand without his word. Where is your boss, mark?”” ”

“”He’s ... He’s in the infirmary ...”” A black man answered timidly. ”

“”Okay,”” Zhao Yu smiled,“”help me pass on a message. He still owes me an arm, so tell him to break his other arm as well!”” ”

“”Otherwise, I’ll beat you up once a day! Do you understand?”” ”

“”This ...”” The black men looked at each other, and no one dared to answer. ”

“”Did you hear that?!”” Zhao Yu suddenly stood up and kicked the person next to him. ”

That person was sent flying and fell miserably.

“”I ... I heard it, I heard it ...”” ”

“Seeing Zhao Yu’s anger, the members of the Matt gang quickly nodded. ”

“Giggle, giggle. ”

“Zhao Yu clenched his fist and expanded his chest, then stretched out a finger and said,“””””Today is the first time!!”” ”

“”Ah?”” Everyone thought that everything would be fine after they agreed, but when they saw the murderous look in Zhao Yu’s eyes, they realized that the nightmare was just the beginning. ”

“After Zhao Yu finished speaking, he immediately rushed into the crowd, like a tiger in a flock of sheep, and beat up the Matt gang members. ”

“As these people were all scared out of their wits by Zhao Yu, none of them dared to resist. All of them were beaten up by Zhao Yu! ”

“After beating her, Zhao Yu’s expression didn’t change, as if he had just done some warm-up exercises. He returned to his own table and enjoyed his breakfast, while looking at Wright, who was sweating and pale, and said, ”

“”This time, do you still think that I’ve offended the Matt gang and will never come back?”” ”

“”No... No, no, no...”” Wright reacted very quickly and immediately flattered Zhao Yu,“”boss, I mean, I have a few people under me. If I teach them a lesson in the future, you don’t have to do it yourself!”” ”

“”Just leave it to me. I’ve long found the Matt gang unpleasant to the eye! Hehe...Hehehehe ...”” ”

.....

“From 8 to 9 am, the prisoners of the heavenly District were released from the prison on the roof of the small building where they were imprisoned. ”

“At that moment, Zhao Yu, Miao kun, and the other prisoners of the heavenly District were all strolling around leisurely. Some were taking a walk, some were sunbathing, and some were playing basketball ... ”

“”Zhao Yu ...”” Miao kun pulled Zhao Yu to a corner and whispered in Chinese,“”I think you don’t have to provoke the Matt gang anymore. They’ll bite when they’re desperate!”” ”

“”We just need to get through these 6 days safely. You’ve already broken Mark’s arm, what else do you want?”” ”

“”Hmph!”” Zhao Yu snorted and said,“”father-in-law, don’t you know my temper? I’m avenging you! How filial?”” ”

“”Go away ...”” Miao kun said seriously.“”You think I don’t know? Are you trying to force mark to reveal the mastermind who hired him to mess with me?” ”

“”Zhao Yu,”” Miao kun said,“”it’s no use. Our top priority is to make sure that we can get out of here!”” ”

“”Besides, maybe mark doesn’t like me, so no one hired him!”” ”

“”Hehehe ...”” Zhao Yu laughed and said,“”although I don’t know if it’s the right thing to do, I really want to see how he eats and drinks with both of his arms broken!”” Wahahaha ...”” ”

“”Alas, there’s no medicine that can save you ...”” Miao kun covered his injured arm and walked to the bench next to him to sit down and rest. ”

“Zhao Yu turned around, his face suddenly looking very serious. ”

“For some reason, even though he had already made a foolproof escape plan, he still felt that something was not right.”

Would he really be able to escape with Miao kun in six days?

Chapter 1690: Jailbreaking berserk Dragon (4)

“In the blink of an eye, six days had passed.”

“Finally, it was the day that Zhao Yu and Ding Lan had agreed on. They had agreed to meet at the sand dune North of the prison between two to threeo’ clock that night.”

“At that time, secret services and chief Yusoff would each send a helicopter to wait there. Once the meeting was successful, they would leave the Sahara Desert as soon as possible.”

“In the six days of patient waiting, Zhao Yu didn’t stay idle. In addition to continuing to suppress the Matt gang, he also took the opportunity to carefully observe and study the layout of the prison. He also learned more information about the house of sin from the prisoners and the prison guards, so that his escape would be smoother.”

“It seemed that today was destined to be different. It was early in the morning, and the sun shone in through the small window of the cell, making it particularly scorching, indicating that it was going to be an extremely hot day.”

“Not sure if it was a coincidence, but Zhao Yu realized that today was the fortieth day since the system’s hexagram area had been frozen. In other words, ever since the last time he had gotten a mutated hexagram in vacheria, the system could get new hexagrams!”

“And today, it just so happened to be an extremely important day.”

Waa ...

“Zhao Yu couldn’t wait to open the system interface to check. When he saw that the hexagram area had returned to normal, he couldn’t help but feel his heart beat faster and his blood boil.”

“40 days felt so far away, as if a year had passed.”

Oh my ...

“Zhao Yu looked at the hexagram area and reveled in it for a while, then started to get ready to open the hexagram.”

“After all, today was an important day. Since the hexagram area had been restored, he had to open a hexagram to see if his escape today was successful.”

“The spirits of the heavens and the earth, the Grand Supreme elderly Lord had come ... ”

Zhao Yu shook his head and recited the incantation. He then pressed the button to open a new hexagram.

“Before this, he had thought that as long as he got a “Gen” hexagram, which represented his career, or a “Zhen” hexagram, which represented his status, he would have a good start for today’s Prison Break.”

“Secondly, even if they got a “kun” or “Qian”, it would still be reasonable. After all, a Prison Break was not a small matter.”

“However, the system was just so capricious. In line with the principle of never letting Zhao Yu guess correctly, it opened another hexagram that Zhao Yu could never have dreamed of.”

“Kun Qian DUI kan!”

“What the f*ck! Seeing such a weird hexagram, Zhao Yu almost fell off his upper bunk.”

What the hell?

“I haven’t opened a hexagram for so long, and you suddenly came up with a different hexagram. It’s too unreasonable, right?”

“Furthermore ... It was fine if one of them had mutated, but why did two of them die at once?”

Kun Qian...DUI kan ...

Where did this all go?

“I can understand “Kun Qian.” Today’s jailbreak must be a little difficult. It’s a big event.”

But ... What the hell were the two behind?

“If it’s Gen Zhen, I won’t say anything, but what’s DUI kan for?”

“Kan” represented women, and there were three beautiful women waiting for him outside, including Ding Lan and Amiola, so it was still acceptable. But what about “DUI”?”

“DUI” represents money. I broke out of prison, is there any fortune? Or perhaps ... He was broke?”

“However, I’m all alone now, Where can I go?”

“Moreover, “Qian” represented a compound hexagram, which already included “DUI, kan, Gen, Zhen” and so on ... Then you added a suffix at the end, wasn’t it obvious that you were trying to stir up trouble?”

“Thinking of this, Zhao Yu touched the crucial communication device instinctively. He wondered if tonight’s Prison Break would still proceed as planned.”

“However, it was already dawn, and Ding Lan and the others had already hidden far away from the prison. There was no way to contact them, so they could only wait until after dark.”

Alright!

“Zhao Yu clenched his fists in excitement. He thought to himself, “it’s a blessing, not a curse. If it’s a curse, I can’t avoid it.” Since he had such a strange hexagram, he could only do his best.”

“Perhaps he was overthinking it. After all, there was a big difference between the power of “Kun Qian” and “Qian Kun.” If he got a big “Qian Kun” hexagram today, that would be really bad!”

“Although it was in a different order, “Kun Qian” seemed to be easier to deal with. Zhao Yu was just not sure how much of the variation would be.”

“Based on his own experience, a change in hexagram would usually increase the difficulty of the side adventure. Now that two had mutated at once, he couldn’t help but feel a little nervous.”

“Therefore, he felt that he had to be more careful today to prevent any accidents from happening that would affect his escape plan.”

“Sure enough, when the prison guard on duty found Zhao Yu’s registration information when he went to the roof to take a walk in the morning, he realized that there was indeed a variable waiting for him that day, and that was the night’s Youyou fighting competition!”

Tsk tsk tsk tsk ...

“As it turned out, today was the day of the weekly competition. As the winner of the previous competition, Zhao Yu would be representing the heavenly court this time.”

The prison guard had asked him to register for the competition that night.

Sigh ...

“Zhao Yu thought about it seriously. Logically speaking, he had so many devices, so he shouldn’t be afraid of any competition.”

“However, today was an important day, and he had gotten such a strange hexagram, so ...”

“Zhao Yu knew the rules. As a prisoner, he had no right to cancel the competition, so he could only fight tonight. He was worried that he would run into some accident after the competition.”

“If he couldn’t return to the prison in the heavenly District after the game and meet up with Miao kun, it would be terrible. It would definitely delay the escape tonight ...”

What to do?

“Thinking about it, Zhao Yu suddenly had an idea. He secretly put a pack of cigarettes and a few cash notes that Wright and the others had given him to the prison guard.”

“Boss,” Zhao Yu pointed to the registration form and said, “look, can you add my roommate to the list? he’s quite good at fighting, so let him participate in the competition!”

“What?” The prison guard was surprised. He pointed at Miao kun, who was in the distance, and said, “everyone knows that he broke his arm. Why did you let him participate in the competition?”

“I’m almost fully recovered, but I can guarantee with my dignity that the old man may still fight! There’s no problem with one hand!”

“You ...” The prison guard looked at Zhao Yu again, then laughed. “Oh, I understand! You’re trying to mess with him on purpose, aren’t you?”

""Hehehe ... You've seen through me!"" Zhao Yu said hurriedly, ""I'm sure I'll win the competition tonight. I'll give you half of the prize money, okay?"" "

""Hmm ... Alright!"" The prison guard had a good relationship with Zhao Yu, so he simply ticked Miao kun off on the registration form. "

.....

"At half past six in the evening, the prison guards took Zhao Yu and Miao kun out of their cells and asked them to prepare for the game. "

""Zhao Yu, are you trying to kill me?"" ""I only have one arm left! Do you think I'm an old man with one arm?"" Miao kun said angrily. "

""Shh ..."" Zhao Yu whispered in Chinese, ""did you put on your communication device?"" "

""Okay ..."" Miao kun nodded and pressed his pocket. "

""That's good!"" Zhao Yu replied, ""I was afraid that the situation would change tonight, so I asked you to follow me! As for the competition, just deal with it simply. At most, you can just go up and admit defeat!"" "

""Go to hell,"" Miao kun said. ""If I lose, I'll be kicked out of the Paradise area, and I won't be able to go back to my room!"" "

""It doesn't matter,"" Zhao Yu said. ""Even if you lose, I lose. At least we're still together! But ... You're a Special Agent, after all. Even if it's just one arm, do you really have to lose?"" "

""Mm ... Mm ..."" Miao kun rolled his eyes, then nodded and said, ""alright, I'll fight them to the death tonight!"" "
