Chapter 1701: Jailbreaking berserk Dragon (15)

“Just as the prison guards ran away, Zhao Yu immediately changed his expression and revealed a sly smile.”

“Hehehe ... I didn't expect it to be so fun to play the role of the warden. I'm not good at other things, but I'm one of the best saboteurs!”

Wahahaha ...

“After laughing wildly, Zhao Yu quickly left the prison area and ran towards the main entrance of the prison.”

“Although his invisible disguise machine was good, it had a time limit and couldn't be delayed for too long.”

“Besides, the prison van with Ding Lan and the others should be arriving soon, so he had to get there as soon as possible.”

“As he walked forward, there were no obstructions, and Zhao Yu soon arrived at the prison entrance.”

“When he was brought to the house of sin earlier, he had alighted from this car as well.”

“At the door, the soldiers on duty were in a mess. They stood in the open space outside the door, pointing at the fire in the distance and discussing nervously.”

Zhao Yu looked around and saw that there were at least fifteen prison guards standing at the scene.

He didn't expect the house of sin to have so many guards on duty even though he had sent so many away! It felt like there were more prison guards and soldiers here than there were prisoners ...

““Hey, hey, hey...Stop shouting.”” At this time, someone saw Zhao Yu's arrival and quickly called the other prison guards.”“The warden ... The warden is here!””

““Ah?””

“The others were shocked, and quickly ran to Zhao Yu and saluted him.”

““Reporting to the warden,”” the first prison guard came forward and reported,”“the cafeteria seems to be on fire!””

““Something seems to be on fire!”” Zhao Yu frowned.”“It's clearly a real fire!””

““Ah?”” Everyone was shocked again.”

“Zhao Yu wanted to send them away, but when he thought of Ding Lan and the others, he immediately changed his mind and asked,”““Let me ask you, where is the new prison van? Didn't they say that a new prisoner had just been sent here? Where is he?””

““Reporting to the Lord!”” A prison guard quickly pointed to the prison wall in the distance and reported, “the car has arrived. They’re signing the papers outside! I guess ... Um ... You see ... They’re here!””

“As the man pointed, Zhao Yu finally saw a prison van drive in from the gate!”

Yay!

“Zhao Yu was secretly happy. If Ding Lan and the others were locked up in this prison van, then as the warden, he should have the ability to send them out.”

But ...

“Before that, he still had one more thing to do, and that was to find his father-in-law, Miao kun.”

So ...

Zhao Yu’s mind was spinning as he started to think about the follow-up plan. How should he operate to ensure that everything went smoothly?

Hmm ...

Hmm ...

“Just as Zhao Yu was thinking about his plan, he suddenly discovered something interesting. Why was the prison van that had just entered the prison courtyard driving faster and faster?”

“Logically speaking, it should be slowly driving over, right?”

This was ...

“Aiyo, damn!”

“Just as Zhao Yu realized this small problem, he suddenly realized that the prison van was not only driving faster and faster, but it was also coming straight at him!”

Oh my God ...

Ah ...

““Ah!”” Zhao Yu shouted, then quickly did a quick fish-dive and rolled to the side, hiding behind cover.”

“As Zhao Yu was facing the prison van, he could see everything, so if his reaction was slightly faster, he could still manage to avoid it. However, the prison guards who had their backs to the prison van were in trouble.”

“The large prison van rushed over at high speed. First, it broke the brake lever with a bang, then it plunged into the crowd, sending a large number of people flying!”

Ah ...

“Screams rang out one after another, and several prison guards were sent flying, rolling around like bowling balls. They were obviously dead!”

“As for those who were not directly sent flying, they were more or less hit by the impact and were knocked into a mess.”

Wuuu ...

“However, after knocking down the prison guard, the prison van showed no signs of slowing down. Instead, it went straight for the prison gate.”

“However, not only was there a shelf in front of the gate, there were also some industrial sandbags piled on the ground. When one of the prison van’s wheels hit the sandbags, the entire prison van was lifted into the air and did a graceful flip in the air ...”

“Oh, oh ...”

“Due to the suddenness of the incident, Zhao Yu couldn’t react at all. He could only watch the prison van drive into the hole on the side of the prison gate, and the front of the van hit a huge stone pillar!”

Bang ...

“With a loud bang, the stone pillar shattered and the earth trembled. The prison carriage finally stopped there, but the wheels behind it were still spinning in the air, and the wheels were making a harsh sound.”

“In the next second, white smoke rose from the engine, and one of the doors of the back carriage was thrown off ...”

Ah ...

Aiya ...

“At this time, the prison guards who were knocked down or injured by the prison van groaned in pain, but more people quickly picked up their rifles and slowly surrounded the prison van.”

It was obvious that the prison van wouldn’t hit someone for no reason. Something must have happened inside the van.

No!

“Seeing this, Zhao Yu felt anxious. He was naturally worried that the people in the prison van were really Ding Lan and the others, so ... Mm ...”

“However, just as Zhao Yu was thinking about this, there was a shocking change in the prison van.”

“From the half-opened door, a black shadow suddenly jumped out!”

“””Ah!?”” ”

The prison guards shouted in shock and fired at the black shadow almost subconsciously!

Bang Bang Bang ...

“The bullet hit the black shadow, but as the black shadow fell to the ground, the prison guards could see clearly that the black shadow was not only a person, but also a prison guard wearing the same uniform as them! ”

* Whoosh ... *

“Just as everyone was in a daze, another sharp figure sprang out of the car, but this time, it was much faster than the previous one. ”

Bang ... Bang ... Bang ...

“The figure was still in the air, but he had already fired two shots in a row, instantly killing two prison guards who were besieging him! ”

“””Ah!?”” ”

“The other prison guards quickly turned their guns and aimed, but from the tilted window of the prison van, a woman in red suddenly emerged. She held a rifle in her hand and fired two shots, cleanly taking down two more prison guards! ”

“””Ah!?”” ”

“At this time, there were only two prison guards left in the middle of the field. They hesitated for a moment and were about to find a place to hide when a woman in a white gown suddenly rushed out of the door of the prison van! ”

“The woman was also holding a rifle. As soon as she appeared, she shot two bullets. The bullets seemed to have eyes and accurately hit the last two prison guards. ”

BOOM!

BOOM!

“The two prison guards fell to the ground, turning into two corpses! ”

“In this way, the prison guards who had surrounded the prison van were all knocked down in the blink of an eye. ”

“F * ck, no way? ”

“At that moment, Zhao Yu could finally see clearly that the three people who had rushed out of the prison van were none other than his sister-in-law, Ding Lan, the Morocco special police officer, Rena, and the Middle Eastern special Agent, amilora! ”

This ... Was really a pleasant surprise!

Tsk tsk ...

“When he saw the three ladies, Zhao Yu was happy, but also embarrassed, excited, nervous, and a little helpless. ”

“He had really calculated everything, but he had never expected the three ladies to appear in such a way. ”

This had messed up his plans!

What to do?

“If these three ladies had already become prisoners, then this ‘Warden’ might have an easier time dealing with them, but ... ”

Bang ...

Bang ...

“Just as Zhao Yu started to feel awkward, a team of soldiers in military uniforms suddenly appeared behind him. ”

“There were more than a dozen of them, and as soon as they appeared, they immediately fired at Ding Lan and the others. ”

“One of the officers who was at the forefront saluted Zhao Yu and shouted, ” ”

“““Don’t be afraid, Lord Warden. We’re here! ““Brothers, ”” he waved to his companions behind him and shouted, ””attack! ”” ”

“As soon as the person called out, the dozen or so people immediately launched a fierce attack on Ding Lan and the others! ”

Chapter 1702: Jailbreaking berserk Dragon (16)

“At the entrance of the prison, gunshots were heard. The soldiers who had just arrived had already exchanged fire with Ding Lan and the others. ”

“Ding Lan and the other two hid behind the cement bags and fired their guns with great accuracy. The soldiers, on the other hand, relied on their numbers and dense gunfire. After the confrontation, the battle became extremely intense. ”

“““Hey, you guys ... ”” ”

“At this time, the officer hiding next to Zhao Yu made a few hand gestures to the soldiers under him. The soldiers understood and immediately divided into three groups. One group covered fire, and the other two groups outflanked from both sides. ”

Bang ...

“A bullet was fired, and a soldier on the right fell to the ground. The others quickly hid behind the stone pillar at the prison gate. ”

Bang Bang Bang ...

“However, the soldiers in charge of covering fire fired continuously and quickly suppressed Ding Lan and the others. The cement bags were filled with popping sounds, and bullets were flying everywhere. ”

“These soldiers were different from the prison guards. Not only were they well-equipped, but they were also well-trained. As soon as they saw Ding Lan’s group being suppressed by the fire, the soldiers on both sides went up to surround them again. They were about to get close and successfully pincer attack.”

““Hey, hey, hey ...”” Zhao Yu saw that the situation was not right, so he quickly shouted at the officer, ““you can’t kill them, I want them alive, they must be alive!”” ”

““What?”” The officer was stunned. ”

““These prisoners are very important!”” Zhao Yu pointed at Ding Lan and the others and explained loudly, ““they have important information. The higher-ups have instructed us not to let them die!”” ”

““Then ...”” The officer quickly shouted at the soldiers, ““wait!”” ”

“The soldiers on both sides were about to charge forward, but they were all stunned when they heard the order. ”

“As a result, Ding Lan and the others took advantage of this opportunity to shoot coldly and knock down a few more soldiers. The others were so scared that they quickly lay down to hide. ”

““I can’t, Sir!”” The officer frowned anxiously, took out his walkie-talkie, and said, ““if we want them alive, we can only call a few more teams of soldiers over. We have to surround them!”” ”

“As he spoke, he turned on the walkie-talkie and was about to call for help. ”

“At that moment, a system notification suddenly came into Zhao Yu’s mind, informing him that the invisible disguise device and the bullet proof suit were about to run out of time. ”

““Eh?”” After hearing the news, Zhao Yu quickly stopped the officer and said, ““forget it! There’s a large-scale rebellion in the prison now. Special circumstances require special measures. You’d better end the battle quickly! ”

““You guys hurry up and kill those people. Don’t worry about their lives!”” ”

““Oh ...”” The officer was not used to the warden’s rhythm. He hurriedly responded and shouted to his soldiers, ““attention, charge!”” Go!”” ”

“At the officer’s command, the soldiers in the front immediately rushed out of cover, firing wildly while pouncing on Ding Lan and the others. ”

“The soldiers on both sides also moved forward, and all of a sudden, the sound of gunfire rang out, and the firepower was so intense that Ding Lan and the others couldn’t even lift their heads. ”

““Don’t worry, Sir Warden!”” The officer, who was carefully observing the battle, said to Zhao Yu, ““if we’re lucky, we should be able to leave one alive! Hmm ... The warden?”” ”

“As he did not hear the warden’s response, the officer turned around to take a look. However, just as he turned around, he suddenly saw a huge gun barrel coming straight for his face! ”

Pa!

BOOM!

The officer didn't see anything clearly before he was knocked unconscious by the spear and fell to the ground.

"The person who had hit him was naturally Zhao Yu. As the disguise had ended, he had returned to Zhao Yu's appearance!"

"Although he still had a lot of disguise vessels to use, there was no need for him to continue acting as the warden at this time."

"The next second, Zhao Yu stood up straight, held his rifle, and quietly moved towards the team of soldiers who were charging at them."

"The soldiers were all focused on Ding Lan's group, so they didn't expect a sneak attack from behind."

Crack ...

"Zhao Yu pulled the bolt and immediately fired at the soldiers. However, Zhao Yu was kind, so he aimed at the soldiers' thighs!"

Bang ...

Bang ...

"When he fired the shot, Zhao Yu was standing behind them, so he could almost touch them. At such a close distance, no matter how bad his marksmanship was, it was impossible for him to miss."

"After two shots, two soldiers fell to the ground, clutching their thighs and wailing."

"The other soldier turned around and saw Zhao Yu, who was wearing a prison guard uniform. He was about to fight back, but Zhao Yu shot him in the thigh."

"Aiya ..."

The soldier also fell to the ground.

"Zhao Yu once again turned the rifle upside down, then kicked and hit them. In the blink of an eye, he had knocked out all three soldiers."

"At this time, the soldiers on both sides also realized that the situation was not good. They immediately turned their guns and fired at Zhao Yu."

Bang Bang Bang ...

"A few bullets flew over and hit Zhao Yu, but he didn't react at all. Instead, he calmly raised his gun and reflected the bullets."

"However, this time, the distance was longer, and Zhao Yu missed."

"However, at this time, Zhao Yu was no longer of much use. He watched as Gena and Amerolaha both rushed out of cover, shooting as they ran. After a fierce round of shooting, several enemies on the right wing were all killed on the spot!"

“On the other side, Ding Lan was already in front of the enemy. She moved agilely, her long legs moving up and down, and she finished off the enemy with ease in a flash! ”

“Just like that, the dozen or so soldiers who had rushed over to add to the force were either dead or unconscious, all of them losing the ability to resist. ”

“””Zhao Yu!”” ”

“””Zhao Yu?”” ”

“””Zhao Yu ... Brother-in-law ...”” ”

“The next second, the three ladies recognized Zhao Yu and immediately surrounded him excitedly. ”

“””Zhao Yu, our plan has failed!”” “””We were all caught by them, but we broke free in the prison van!”” Amilora said in disappointment. ”

“””Zhao Yu ... Tsk tsk ...”” Rena looked at Zhao Yu and pouted.””Aren’t your clothes a little too small? How could it be so funny? Why did you change into the prison Guard’s uniform?”” ”

“””You’re still talking about me!”” Zhao Yu pointed to Rena, who was wearing a Big Red Robe, and asked,””you’re wearing red. Are you pretending to be a ghost, or are you afraid that people can’t see you?”” ”

“””It’s none of your business if you dress so sexily like this!”” Rena pouted and then explained,””actually, I lost my jacket ...”” ”

“””Zhao Yu ...”” Finally, Ding Lan got to the point. She grabbed Zhao Yu’s arm and asked,””where’s my Godfather?”” ”

“””Mm ...”” ”

“In the end, Zhao Yu only managed to say one word, when there were hurried footsteps and noisy shouts from the prison. Obviously, there were new people coming from there. ”

“””Eh?”” At this moment, amilora suddenly saw a fire in the distance.””Why is there a fire?”” Did you put it there?”” ”

“””It’s too late ...”” Zhao Yu said anxiously.””This is not the place to talk. Let’s go!”” ”

“With that, he quickly led the three ladies along the wall outside the main door and ran to a relatively dark corner. ”

“Before they left, the three ladies didn’t forget to pick up the weapons and equipment from the unconscious soldiers. They also took their rifles, magazines, walkie-talkies, and other things. ”

Buzz ... Buzz ...

“Zhao Yu had only run a few steps with the three women when the prison alarm suddenly sounded. As the alarm went off, all the searchlights at the top of the building were immediately turned on. ”

“Suddenly, the whole prison was lit up as if it was daytime. Under the back and forth of the searchlights, Zhao Yu and the others were quickly covered in the light. ”

“F * ck!” Zhao Yu was shocked and quickly hid under a row of small carts, barely avoiding the searchlight. “Hurry ... Hurry ...”

“The three ladies followed closely behind and got under the carts one after another. These carts were used to build houses, so the wheels were not tall. When the few of them hid under the carts, they were squeezed into a ball, and it was extremely sullen.”

“Zhao Yu ...” Ding Lan nudged Zhao Yu and whispered in Chinese, “the situation is not good. The helicopter that was supposed to pick us up has been intercepted by the enemy. We can’t leave!” I’m afraid ...”

“Don’t worry,” Zhao Yu quickly turned his head and comforted her, “I ... Um ... I still have Plan B!”

Buzz ... Buzz ...

“At this time, the alarm made everyone panic, and the searchlight flashed back and forth on the small cart, which was unusually piercing.”

“Zhao Yu, then tell me quickly! I’m so worried,” Rena urged. “What’s plan B?”

Bang ...

“Before Rena could finish her words, all the searchlights suddenly went out! The entire prison was plunged into darkness ...”

Chapter 1703: Jailbreaking berserk Dragon (17)

“As the searchlights went out, the alarm stopped as well. The entire prison fell into darkness, and only the cafeteria was lit.”

“Zhao Yu knew that the power outage must have been caused by the two prison guards, who had followed his orders and pulled the power switch.”

“Hehe ...” Zhao Yu laughed and said to Rena, “how is it? My plan has already begun!”

“You’re really something!” Rena patted Zhao Yu, but because of the narrow space and the darkness, she slapped Zhao Yu’s butt.”

“Oh ...” Rena blushed. “Sorry!”

“But ... What’s the point of having a blackout?” “How ... Are we going to get out?” amerolla asked.”

“I don’t understand ...” Zhao Yu turned around and asked, “I’ve been in prison for so long, and it’s only natural for Ding Lan to save me, but why aren’t you two leaving yet?”

“Aren’t you guys too loyal?”

“You ... What are you talking about?” Rena said, “have you forgotten that I was kidnapped by you? If I can’t solve Hu lingye’s case, how can I go back?”

“““I’m different,”” said Laura as she quickly waved her hand. “““I’m not loyal, I just received orders from my boss to help you. After I’m done, he will give me double the reward!”” ”

“““Zhao Yu, can’t you just get to the main point?”” “““What’s your plan B?”” Ding Lan asked, looking depressed. And, where’s my Godfather?”” ”

“““My Plan B is for you guys to find a car, and we’ll rush out ...”” Zhao Yu said. “““Now, listen to my command. Walk 100 meters in the Five O’ clock direction from here, and that’s the parking lot of the house of sin. You guys go there and find a car that can be driven and wait for us ... ”

“““Be careful, there’s a dog over there with a very sharp nose. You have to find a way to get rid of the dog! ”

“““Remember, after you find the car, don’t run away. Wait for me to contact you!”” ”

“““Then, you ...”” Ding Lan asked, “““are you going to find my Godfather?”” ”

“““Right!”” Zhao Yu said, “““Miao kun and I have been exposed. Miao kun is locked up in the death row. I’m going there to rescue him and meet up with you. Then, we’ll rush out together!”” OK?” ”

“““That’s good!”” Ding Lan pressed down on her rifle. “““I’ll go with you!”” ”

“““No! Don’t cause any more trouble!”” “““Don’t worry!”” Zhao Yu said. “““I’ve already arranged everything. I’ll definitely get Miao kun out!”” ”

“““All of you have to listen to me now!”” ”

“““But ...”” Amiola was worried. “““We’re surrounded by quicksand. The car will break down once we go in. We can only take the road!”” There are checkpoints all over the road. Even if we manage to get a car, how are we going to get out?”” ”

“““You don’t have to worry about that.”” Zhao Yu could only lie. “““I’ve already gotten a pass, so I’ll ensure that we’ll be unimpeded!”” ”

“Zhao Yu’s expression did not change, but he was excited in his heart.”” Nonsense, if I can become the warden, isn’t that the best pass?”” ”

“As long as I personally drive out, who would dare to stop me? ”

“““You can even get a pass, you’re really amazing!”” Although Amiola complimented him, she still didn’t quite believe him. ”

“““Alright, cut the crap,”” Zhao Yu said, pointing at his clothes. “““I can get the prison uniform, so the pass is a piece of cake. Hurry up!”” ”

“With that, he took the lead and got out from under the cart. He handed the two walkie-talkies to Ding Lan and said, ““““Here, we’ll use this to contact each other later! Do you know how to adjust your frequency?”” ”

“““I’ll do it ...”” Amelia immediately adjusted the two walkie-talkies to the same frequency and said, “““215, remember this band.”” ”

“Zhao Yu!” Suddenly, Ding Lan grabbed Zhao Yu’s arm and looked at him affectionately. “You must ... Be careful!” She warned. ”

“Aiya!” Seeing Ding Lan’s affectionate look, Rena suddenly pushed Ding Lan away and kissed Zhao Yu hard on the lips. She then said, “kiss if you want, don’t waste time!” ”

“How is it? “The China detective,” Rena blinked her big eyes and asked, “did you get my power?” ”

“I ... Um ...” ”

“I’ll come too, I’ll come too ...” As if she was magical, Lara stood on her tiptoes and kissed Zhao Yu affectionately on the lips. She even hugged him affectionately and said, “we’ll be waiting for you!” No matter what, you must succeed!” ”

“Alright, it’s your turn!” At this moment, Rena gestured to Ding Lan, signaling for her to kiss her. ”

“Mm ...” ”

“Oh ...” ”

“Ding Lan moved closer to Zhao Yu’s face, obviously embarrassed. ”

“Alright, I’m done!” Zhao Yu quickly hugged Ding Lan and said, “I’m full of energy! Don’t just talk about me, all of you should be careful too. There are many of them, so avoid them if you can, don’t force it!” ”

“As he spoke, Zhao Yu wasn’t stingy anymore. He gave his precious invisible bullet proof suit to the three ladies, one for each of them. ”

“At the same time, he didn’t mind spending more than 4000 points to extend the usage time of their bulletproof vests to 17 minutes. ”

“This way, it would at least increase their safety. ”

“After using it, there was only one bullet proof suit left in Zhao Yu’s device bar. He had saved this bullet proof suit for his father-in-law, Miao kun. ”

“Alright, let’s begin! If I do it smoothly, I’ll be done in ten minutes!” Then, Zhao Yu gave the three ladies a direction, then turned around and left. ”

“After turning a corner, Zhao Yu immediately used a disguise device and turned back into the head Warden. ”

“He took a deep breath and thought, ” ”

“Alright, this time, there can’t be any more mistakes! ”

“Later, as long as he could save Miao kun and meet up with Ding Lan and the others, he would lock them in the car and drive out as the warden. ”

It was perfect!

“Zhao Yu clapped his hands excitedly, then quickly checked the devices he was using. In addition to the voice changer and the disguise device, he also had many other devices, such as the invisible detector and the bullet proof suit. ”

“Especially the bullet proof suit. Because the time limit for the bullet proof suit was up, Zhao Yu had to spend more than 2000 points to extend it by another ten minutes. ”

“Although he could pretend to be the head Warden, he still felt that it was better to keep the bulletproof vest. After all, he would have one less bullet proof to use. ”

“Moreover, his points had been increasing rapidly, so he didn’t feel any heartache at spending a little money. ”

“After checking, Zhao Yu didn’t hesitate anymore. He immediately ran as fast as he could towards the Hell area of the house of sin. ”

“At this moment, the chaos in the prison had reached a new height. ”

“The prisoners from the common district were brought to the field, but the power was suddenly cut off, so it was inevitable that there would be a commotion among the prisoners, which made the prison guards unable to cope with the situation. ”

“At this time, not only did the cafeteria not quell the riot caused by the fighters, but there were also many fires. Many prison guards were too busy to take care of themselves, and it was getting more and more chaotic. ”

“After a while, Zhao Yu arrived at the hell area. ”

“As he had transferred most of the police force from hell in advance, he only saw two prison guards when he arrived. ”

“There was a sudden power outage, and two prison guards were chatting with an oil lamp in their hands. ”

“Suddenly, when they saw the head Warden coming in person, both of them were frightened and quickly saluted. ”

“““Hurry up!”” In order not to give the two a chance to think, Zhao Yu asked anxiously,““where’s the Chinese man who was just sent here?” ”

“““Hurry up and take me to him! Hurry up!”” ”

“““Oh ... Oh ...”” One of the prison guards quickly replied,““you mean No. 1896, who was just sent here?”” ”

“““Right!”” Zhao Yu remembered Miao kun’s prisoner number and quickly nodded.““Hurry up! I want to see him now!”” ”

“““Oh ... Okay, okay ... Please follow me ...”” ”

“The two prison guards didn’t dare to delay. One of them took out a few sets of keys from the cabinet, and the other held an oil lamp. Then, they brought Zhao Yu along and walked into the depths of hell. ”

Chapter 1704: Jailbreaking berserk Dragon (18)

The situation in the hell area was a little different from what Zhao Yu had imagined. The prison cells here were all single.

“Each cell was locked with an iron door, and there was only a rectangular delivery port on the iron door. The iron door was rusty and looked very primitive. ”

“When they passed through the corridor, they could smell a strong stench that made them feel uncomfortable. ”

“Zhao Yu had heard from other prisoners that the reason why the hell District was called hell was not because the environment here was much worse than other districts, but because the prisoners here had their personal freedom strictly restricted. ”

“The prisoners didn’t have any outdoor activities. Except for very special circumstances, they would stay in this room full of stench almost all year round. ”

“What was even more terrifying was that there was only a small window the size of a palm in the cell, and it was almost impossible to see the sky. Being trapped here for a long time could often drive people crazy! ”

“”Room 15, this is it!”” ”

“Soon, the two prison guards led Zhao Yu to the door of one of the cells. The door was locked with two large locks, which needed to be opened by the two prison guards at the same time. ”

“Zhao Yu lowered his head and opened the delivery door to take a look inside, but because it was dark, he couldn’t see anything. ”

“”Let ... Let me out!”” However, as soon as they heard the commotion, a roar came from the cell.””I didn’t do anything wrong. Why did you lock me up? Let me out!”” ”

Hu ...

“Hearing the roar, Zhao Yu was relieved. The man was speaking English, and the voice belonged to his father-in-law, Miao kun. ”

“However, at the same time, Zhao Yu also heard the sound of chains. It seemed that Miao kun was not only locked up here, but was probably shackled as well. ”

“”Cough, cough ...”” Zhao Yu coughed and immediately ordered the two prison guards,””alright, open it!”” ”

The two prison guards didn’t dare to delay. They quickly took out a key each and started to unlock the door.

Tsk tsk ...

Zhao Yu wondered how he should deal with Miao kun later when he saw him.

Should I knock Miao kun out?

And then let the two prison guards carry him out?

No!

“He quickly denied it. After all, Miao kun was too heavy. It would take too much time to carry him out. Besides, he had to meet up with Ding Lan and the others later. No, no...”

“Just as Zhao Yu was thinking about this, the two prison guards had already opened the cell door. They both turned their heads, waiting for Zhao Yu’s orders.”

“Zhao Yu was worried that Miao kun would see him, so he quickly turned to the side and stood next to the door. He then glared at the two prison guards and shouted,”

“““Why are you looking at me? Go in and bring her out!”” ”

“““Yes, yes, yes ...”” The two prison guards quickly entered the cell with an oil lamp and began to untie the chains.”

It’s done!

“At that moment, Zhao Yu had already made up his mind. With a thought, he ended the effects of the disguise device and returned to his original appearance.”

“As soon as he recovered, the two prison guards unlocked Miao kun’s shackles.”

“Zhao Yu turned on his invisible night vision, then rushed in and kicked the oil lamp!”

Huala ...

The oil lamp fell to the ground and went out.

“Then, there was a series of cracking sounds in the cell. Ten seconds later, Zhao Yu pulled Miao kun out of the cell and came to the door.”

“““Ah? ““Ah ...”” Miao kun couldn’t see anything. He trembled in fear and wailed,”“no! Don’t kill me, I confess, I confess everything! Spare me, spare me ...”” ”

“““Alright, alright, summon your sister!”” Zhao Yu cursed angrily,”“don’t you have any principles?”” ”

“““Ah? Zhao Yu?”” Miao kun was so surprised that he almost jumped up.”“Zhao Yu! You’ve come to save me. How ... Did you get here?”

“““Hey!”” ““Be careful! I heard the warden’s voice just now. He’s right here!”” Miao kun said, suddenly remembering something.”

“““...”” Zhao Yu was too lazy to explain. He suddenly noticed that although Miao kun could walk now, his legs were still tied with anklets, which made it very inconvenient for him to walk.”

“However, the two prison guards had already been knocked out by Zhao Yu, so he wasn’t sure if the key to unlock the anklet was in the hands of the two prison guards.”

“““Okay, don’t move, don’t move ...”” In order to save time, Zhao Yu had no choice but to use the universal lock picker. Miao kun’s leg cuffs were unlocked. ”

“““Wow ...”” Miao kun was shocked.”““You have sharp eyes. How did you see that?”” ”

“““Alright, you can stop talking!”” Zhao Yu turned around and closed the cell door. In order to prevent the two prison guards from waking up, he even locked the two locks again. ”

“Of course, just in case, Zhao Yu took out the key from the prison guard in advance and held it in his hand. ”

“““Zhao Yu ...”” Miao kun was not going to keep quiet. He asked,”““just now ... What happened in the ring?”” Why did that person ask you to leave? ”

“““And How did you come here to save me? this is the hell District!”” ”

“““Boss, oh no, father-in-law, this is not the place to talk!”” Zhao Yu pulled Miao kun towards the exit.”““I’ll tell you more when we get out. Let’s go!”” ”

“““Wait ... Wait ...”” Miao kun suddenly pulled Zhao Yu aside and asked,”““tell me, are you sure you can Get Me Out Of Here?”” ”

“““Are you alright?”” Zhao Yu was depressed.”““I can’t take you out, so I’m here to save you? Hurry up!”” ”

“““No... No, no, no...”” However, Miao kun refused to leave. He suddenly grabbed Zhao Yu’s arm and said excitedly,”““Zhao Yu, what if ... What if we bring one more person?”” ”

“““What!?”” Zhao Yu was stunned.”““What do you mean? What did he mean by bringing one more person? You’re already a burden, I need to bring more ...”” ”

“Just as Zhao Yu said this, he suddenly thought of something. His heart trembled and he was stunned. ”

“““Zhao Yu, londee, that’s londee ...”” Miao kun’s voice trembled as he spoke.”““He’s in Room 18. Do you think ... We can save him as well?”” ”

“““Oh my God!”” Zhao Yu felt his heart beating wildly. He quickly grabbed Miao kun’s arm and asked,”““are you joking with me?”” ”

“““I ... I’m not joking!”” “““I’m sure that londee is in Room 18!”” Miao kun said solemnly. ”

“““Why?”” Zhao Yu was puzzled.”““You saw him? How can you be so sure?”” ”

“““I didn’t see it,”” Miao kun said, panting.”““But, when I was locked in here, I heard someone knocking on the water pipe with a stone. The rhythm of the knocking was the most common Morse code!”” ”

“““So, I also knocked on the pipe with the chain and interacted with him. Zhao Yu ...”” Miao kun said in an unusually serious tone.”““That person said that he was londee! He’s locked up in Room 18. I have to save him!”” ”

“““This ...”” Zhao Yu frowned.”““Father-in-law, you have to think this through. This could be a trap!”” ”

““““Alright,”” Miao kun nodded,””then forget it!”” Let’s just pretend I didn’t say anything and let the world’s richest man and his 1 billion US dollar reward pass by our shoulders! Let’s go!”” ”

““““What the ...”” Zhao Yu glared at Miao kun, but Miao kun couldn’t see his eyes in the dark. ”

“Suddenly, Zhao Yu felt all the pores on his body open up. That was because Miao kun’s ““one billion US dollars”” had suddenly reminded him. ”

“One must know that the hexagram that he had opened today was a super mutated hexagram,””Kun Qian Gen kan””! ”

“Now, he finally began to understand what the hexagram poem meant. ”

“The word ““kan”” didn’t just represent the three beauties, but also the mastermind behind the scenes, Xi menna! ”

“And since DUI was before kan, it meant that DUI was even more powerful than kan. ”

Oh my God ...

“Thinking of this, Zhao Yu felt his heart beat faster and his blood boil. Could it be that the world’s richest man, who had been missing for six years, was really with Huahua? ”

Chapter 1705: Jailbreaking berserk Dragon (19)

Crack ... Crack ... Crack ...

“In the dark corridor, there was the sound of metal rubbing against metal. It turned out that Zhao Yu was looking for the keys of the prison guards. ”

““““Zhao Yu, are you sure you can do it?”” Miao kun could not see the situation clearly. He stood in front of cell 18 and asked anxiously,””don’t you have a gun? Lock it up and open it?”” ”

““““Are you crazy or am I crazy?”” Zhao Yu was depressed.””Shooting can open the lock? Also, are you worried that no one will notice us? You’re really something!”” ”

“Then, Zhao Yu took out a flashlight, turned it on, and shone it on the key. ”

““““I’ll go!”” ““““Why didn’t you take out your flashlight earlier?”” Miao kun scolded. ”

“Zhao Yu had taken the flashlight from the two prison guards. Because he had invisible night vision, he had not used it yet. ”

“However, the night vision device couldn’t see anything very clearly, so he had to turn on the flashlight and shine it at the two sets of keys. ”

““““There’s a number on the key!”” ““““Look for it!”” Zhao Yu finally saw the number engraved on each key. He quickly called out to Miao kun. ”

““““Oh ...”” Miao kun stopped complaining and squatted down to look for the key with Zhao Yu. ”

“In fact, Zhao Yu still had a lot of universal lock breakers with him, but he felt that it was a waste to use two precious devices to open two locks. ”

“”I found it, I found it ...” ”

“Soon, the two of them worked together and found the two keys marked with the number 18. ”

“The key was inserted into the lock, and it matched perfectly. ”

“With two crisp sounds, the door of cell 18 was opened by the two. ”

“Miao kun was about to step in, but Zhao Yu pushed him aside and said,“””Don’t move, let me do it!”” ”

“Zhao Yu was wearing a bullet proof suit and an emergency alarm. If this was a trap, he would be able to deal with it. ”

“””Who is it?”” However, before Zhao Yu could do anything, an old voice came from the cell,“””is there a power outage? This is rare ...” ”

“””Long ... Londee ...”” Hearing this voice, Miao kun could no longer hold himself back. He asked,“””is that you?”” ”

“””Ah ...”” The person inside was shocked and asked excitedly,“””who is it?”” Who are you?”” ”

Zhao Yu raised his flashlight and shone it inside. He suddenly saw a white-haired man in a prisoner’s uniform sitting on the bed.

Oh ...

“Zhao Yu and Miao kun were both shocked. The man had disheveled hair and a long beard, looking like Ren woxing from “”laughing proudly in the pugilistic world”” . ”

“However, there were no exaggerated chains on the man, not even handcuffs or leg shackles. ”

“””It’s him!”” “”Londee, I’ve finally found you!”” Miao kun said excitedly. ”

“””This ...”” Zhao Yu raised his right eyebrow and looked at Miao kun suspiciously. He thought to himself,“””how can you recognize him at a glance when he’s already in this state?”” ”

“””Who is it?”” The white-haired old man pushed aside the White hair covering his face and took a careful look, but he could not see anything. ”

“””There’s no mistake!”” Miao kun stepped forward and said excitedly in English,“””londee, it’s me, Female Miao. We’ve talked about business before! ”

“””Just now, the one who used Morse code to contact you was also me!”” ”

“””Female Miao ... Female Miao ...”” Londee thought for a long time but did not seem to have any recollection. However, he still asked in an unusually excited manner,“””can ... Can you take me out of here?”” ”

“““As long as I can go home, I’ll pay you however much you want! I ... I’ve been suffering here for six years. Please ... Please ...”” ”

“““You ... Can you still walk?”” Zhao Yu looked at the man’s weak appearance and felt uneasy. If this person was really the world’s richest man, londee, then he would be an old man in his sixties by now. ”

“““No... No problem ...”” Londee quickly stood up and walked a few steps away from the two of them.””Although I’m trapped, I train every day just so that I can get out one day ...”” ”

“Londee walked with great effort, his voice choked with emotion due to his excitement. ”

“““Alright then ...”” Zhao Yu waved at Miao kun and said,””let’s go!”” ”

“““No!”” To his surprise, Miao kun made a gesture to stop him. He shone the flashlight on his face and said to londee,””take a good look. Do you really not recognize me?”” ”

“““You ... Hmm ...”” Londee gritted his teeth, his expression was unusually ugly. ”

“““Londee,”” Miao kun said seriously,””I’m here to save you, not for any reward, but for the promise we made back then!”” ”

“““Wu ... Wu ...”” Hearing this, londee burst into tears and knelt in front of Miao kun.””I beg you ... I beg you. I’m living such a miserable life because of the promise I made with you. I beg you, don’t talk to me anymore!”” ”

Zhao Yu was a little confused.

“““Alright then!”” Miao kun patted Zhao Yu’s arm and said,””let’s go! Let Mr. Londee enjoy his old age in peace! Let’s go!”” ”

“““Don’t ... Don’t, don’t, don’t ...”” Londee was shocked and quickly grabbed Zhao Yu’s other arm,””don’t go, I ... I, I, I ... I promise you!”” ”

“The two old men each held onto Zhao Yu’s arm. The scene was very weird, and Zhao Yu felt very embarrassed. ”

“““But ... Things change with the passage of time,”” londee continued,””I don’t know what the company’s situation is like now, and whether I can still keep my promise when I go back ...”” ”

“““Don’t worry! The situation is better than you can imagine!”” Miao kun let go of Zhao Yu’s arm and nodded.””As long as you’re willing ...”” ”

“““Enough! That’s enough!”” Finally, Zhao Yu was anxious.””Do you think this is your home? There are thousands of enemies here, and we’ll be surrounded soon, and you two still have the mood to waste time here?”” ”

“““Yes, yes, yes ...”” Miao kun patted his head.””I almost forgot. Let’s go ...”” He said. ”

“With that, the two of them quickly brought londee out of the cell and ran towards the gates of hell. ”

“““There’s one thing I don’t understand,”” Miao kun said.””You’ve been locked up for so long. Do you know who put you in here now?”” ”

““““I don’t know!”” Londee replied in an unusually straightforward manner,““““I only know that this should be Africa, because I’ve heard them speak in their berserk language and I’ve seen black people before ...”” ”

““Miao kun was surprised.””No one interrogated you?”” ”

““““Yes.”” Londee nodded.””There’s an Arab who comes to interrogate me frequently.”” ”

““““What did you interrogate?”” Miao kun asked. ”

““““Um ... It’s usually business secrets and some political secrets. Of course, there’s also my company’s technology products ...”” ”

““““Shh!”” ”

““Before londee could finish, Zhao Yu suddenly hushed him. ”

““At this time, they had already run out of the prison cells and were walking along the corridor towards the main entrance of the prison. As he heard the sound of hurried footsteps, Zhao Yu quickly motioned for them to keep quiet. ”

““But fortunately, the sound of the footsteps grew distant and soon disappeared. ”

““Taking advantage of this opportunity, Zhao Yu quickly turned on the walkie-talkie and sent a message to Ding Lan in Chinese,”” ”

““““Hey, Ding Lan, Ding Lan...I’ve completed my mission. Please reply, please reply!”” ”

““With a squeak, there was an echo from the walkie-talkie. However, upon hearing the Echo, Zhao Yu suddenly tensed up and had an ominous feeling. ”

““Not only was Ding Lan’s voice echoing through the walkie-talkie, but the sound of bullets could also be heard. ”

““““Zhao Yu, Zhao Yu ...”” Ding Lan said helplessly.””We’ve been exposed. We’re stuck in a house on the south side of the parking lot, so we can’t come to your aid! ”

““““Brother-in-law, you should take Godfather and leave! We’ll think of a way ...”” ”

Boom ... Boom ...

““There was a sudden roar from the walkie-talkie, and the signal was cut off ... ”

Chapter 1706: Jailbreaking berserk Dragon (20)

““““Hey! ““Hello, hello, hello ... Ding Lan ...”” Zhao Yu pressed hard on the walkie-talkie and called a few more times, but there was no response from the other side. From the sound, he could tell that they had been attacked by heavy weapons. ”

““““Damn it!”” Zhao Yu clenched his fists tightly. He was really unlucky today. Not a single thing went according to his original plan. ”

“““What ... What’s wrong?”” Miao kun asked worriedly,““Ding Lan ... Are Ding Lan and the others alright? Our plane ...”” ”

“““Don’t say anything!”” Zhao Yu closed his eyes and panted heavily.““Let me be quiet!”” ”

“Seeing Zhao Yu’s worried expression, Miao kun did not dare to ask any more questions. ”

“““How about this!”” However, Zhao Yu only thought about it for less than two seconds, then immediately reached out his hand and gestured to the two of them,““come, follow me. Let’s get out first!”” ”

“Then, he led Miao kun and londee out of the door. ”

“At this moment, as the fire was getting bigger and bigger, most of the prison guards had rushed to the cafeteria to put out the fire. There were no other living people at the prison gate. ”

“After seeing the overturned prison van and the large number of corpses at the scene, Miao kun gulped in shock. He had no idea what had happened. ”

“He wanted to ask, but seeing Zhao Yu’s pale face, he held back. ”

“““Here ...”” Very quickly, Zhao Yu took the two of them to the cart from before, then pointed to the bottom and said,““you guys ... You guys hide here and wait for me!”” ”

“““Remember, if I don’t come back, don’t go anywhere!”” ”

“““Okay, okay ...”” Miao kun immediately lowered his head and got into the car. ““Don’t worry, we won’t run away!”” ”

“““Father-in-law ...”” Zhao Yu suddenly remembered something. He immediately handed the pistol he had picked up from the warden to Miao kun, then said,““be careful!”” ”

“““You too!”” Miao kun quickly took the gun and got into the cart, with londee following closely behind. ”

“As Miao kun lowered his head, Zhao Yu put the last bullet proof suit on him and extended the duration of the use by spending points. ”

“After that, he quickly turned around and ran straight to the South of the parking lot! ”

“Although there was a high possibility that Ding Lan and the others had already met with misfortune, how could Zhao Yu just leave them be? No matter what happened, he had to rush over. ”

“Concerned about the safety of Ding Lan and the others, he ran faster and faster. With the help of the invisible night vision device, he ran to the front door of the parking lot as fast as he could. ”

“As a result, as soon as he arrived, he immediately heard a loud gunshot. A large number of soldiers had appeared on the south side of the parking lot and were firing fiercely in a certain direction! ”

F * ck!

“Zhao Yu was extremely anxious. Since they were still shooting, that meant that Ding Lan and the others might still be alive. So ... ”

Zhao Yu didn't think too much about it. He immediately transformed into the prison warden and ran towards the place where the shots were fired.

"When he ran to the front to take a look, he became even more anxious, as if he had added oil to the fire. He saw dozens of soldiers surrounding a two-story building and firing wildly!"

"The brick-and-tile structure of the small building was already riddled with holes, like a hornet's nest. Moreover, there was a hole in the corner of the small building, and half of the roof had collapsed. It was already in danger."

""Stop! Stop! Stop!"" Seeing that the situation was critical, Zhao Yu immediately rushed into the crowd and shouted,""everyone, stop firing! Stop firing!"" Stop fighting!"" "

"When he saw that one of the soldiers was still shooting with his light machine gun, Zhao Yu went up and gave him a kick, knocking him to the ground."

Whoosh ...

"The crowd was in an uproar. The soldiers thought they were under attack, so they quickly turned their guns to Zhao Yu."

"However, when they saw Zhao Yu's face clearly, they were all shocked and quickly put away their guns."

""Warden ... Warden! It's the Lord Warden!"" "

"As one of the soldiers shouted, the others stopped shooting, and the sound of gunfire gradually weakened."

Crack ...

"After the shooting stopped, Zhao Yu saw that in the open space in the distance, there was a soldier with a rocket launcher on his shoulder. He was kneeling on one knee, ready to fire the rocket at the small building."

"When he saw the prison warden, he quickly put away the rocket launcher and looked at Zhao Yu in confusion."

""Who gave you the order? are you all crazy? What are you all doing?"" Zhao Yu put his hands on his waist and cursed angrily, but his eyes were nervously looking at the small building, worried about the safety of Ding Lan and the others."

""Mr. Warden,"" an officer hurriedly ran to report,""we just found three enemies who sneaked into the prison. They tried to steal the military vehicle and killed our soldiers. Now, we have blocked them in the small building!"" "

""I know, I know!"" Zhao Yu roared angrily,""those three people are important criminals. They have important information. The higher-ups have given a death order to keep them alive. Do you all want to die?!"" "

“Hey!” Before Zhao Yu could finish his sentence, a man suddenly appeared from behind the crowd and shouted at Zhao Yu in a very special tone, “ito, what the hell do you want?”

“As the crowd parted, an officer with a long beard appeared in front of them. This person was wearing a well-ironed military uniform, which made him look different from an ordinary officer.”

“You ...”

“How could Zhao Yu know this person’s identity? However, everyone in the prison addressed him as ‘Warden’, but this person dared to call him by his name. This meant that he must be of high status.”

Bang ...

“With the appearance of this person, the power in the prison was suddenly restored. The searchlights lit up everywhere, once again illuminating the entire prison as if it was daytime.”

Not good ...

“Since the power was restored, it meant that someone had changed his command. Could it be ...”

“Otto, are you crazy?” “Look at what you’ve done!” The bearded officer came to Zhao Yu and asked loudly.

“What ... What did I do?” Zhao Yu pouted. “What do you want to do?”

“Men, take away the head warden’s gun!” The bearded officer shouted, and a few soldiers immediately came up and took control of Zhao Yu.

“Hey! Hey ...” Zhao Yu shouted. “Are you guys crazy? How dare you touch my Warden? are you looking for death?”

“Come here, this way ...” Following the bearded man’s order, a few soldiers grabbed Zhao Yu’s arms and pulled him into a small house next door.

“Etho,” at this moment, big beardy revealed a ferocious expression and roared, “you’re finished!” As he spoke, he pointed to his ear. “The boss already knows what you’ve done!”

“You couldn’t even do such a simple thing, and you even made a mess of the prison. You’re ... Fired!”

“Now ...” He pointed at himself, “I’m the Supreme Commander of the house of sin! You don’t have the right to give orders to anyone, do you understand?”

“Ah?”

“Zhao Yu was stunned at first, then he was disappointed.”

He had thought that the head Warden was the local tyrant here with absolute authority. He did not expect that Simone had another trick up her sleeve and had arranged for another leader to be in the military.

“Alright,” the bearded officer said coldly, “you’re going to be punished! I have to quickly deal with the mess you left behind!”

“After saying that, he quickly walked out of the door, waved his hand, and shouted to the soldiers,””””Continue shooting. Raze that house to the ground. Don’t leave a single person alive!”” ”

Chapter 1707: Jailbreaking berserk Dragon (21)

“At the big bearded officer’s command, the soldiers raised their guns again and fired at the building where Ding Lan and the others were. ”

“At the same time, the rocket soldier with the bazooka also began to reload his rocket, ready to fire another ... ”

“In addition, with the restart of the searchlights, on one of the Sentry towers on the prison wall, several soldiers were loading bullets into a heavy machine gun and preparing to bombard the small building with it. ”

“At this moment, Ding Lan and the others had not made any moves, and it was already unknown whether they were alive or dead. If they were hit by another rocket or heavy machine gun, the small building would definitely be blown up. ”

“Even if the girls were still alive, there was no possibility of them surviving! ”

“What was even more despairing was that Zhao Yu’s hard work to play the role of the head Warden was no longer of any use. Not only had he been dismissed, but he had also become a prisoner and was being controlled by the soldiers. ”

“However, even at this point, Zhao Yu couldn’t be considered to be in a desperate situation! ”

This was because he only needed a super combination of an invisible cloak and an aircraft to immediately escape.

“However, while he could escape easily, what about Ding Lan and the others? ”

What about Miao kun and londee?

No!

No!

“Listening to the increasingly concentrated gunfire outside the house, and then recalling the explosion he had heard from the walkie-talkie, Zhao Yu was anxious and on edge. ”

Ding Lan!

Amiola!

Rena!

“The three girls ‘survival was unknown. Although he had given them bulletproof vests, the possibility of them surviving such a fierce attack was very small. ”

They ... They all fell into the trap for her ...

“Suddenly, Zhao Yu recalled the encouragement that the beautiful women had given him at the cart. They had placed all their hopes on him, so how could he back down now? ”

“““Even if ... Even if they’ve already sacrificed themselves, I, Zhao Yu, will never let these bastards go!”” ”

Ah ...

“Thinking of this, Zhao Yu’s anger rose to the top of his head, and he was filled with viciousness. It was as if the small universe had exploded, and his blue veins were bulging, and he was full of murderous intent! ”

Alright!

“You’ve forced me to do this. Since that’s the case, don’t blame me for being ruthless! ”

“Today is destined to be a day worth remembering. I’ll make the house of sins remember my name, Zhao Yu the crazy detective! ”

Giggle!

Zhao Yu clenched his fists so hard that they cracked. He then used the last two invisible hammers on his left and right hands at the same time.

“““Hey!”” ”

“At this time, the soldiers in charge of guarding Zhao Yu realized that something was wrong and immediately aimed their rifles at him. At the same time, someone took out a rope and wanted to tie up Zhao Yu, the fake prison warden. ”

“In the end, just as the rope touched Zhao Yu’s body, Zhao Yu suddenly stood up and punched the soldier holding the rope! ”

* Whoosh ... *

“The man flew backward, hit the wall, and fell unconscious on the ground. The rope fell to the ground with a clatter ... ”

“““Ah!?”” ”

“Seeing Zhao Yu’s sudden outburst, the soldiers in the room were shocked. They quickly aimed their rifles at Zhao Yu and were ready to shoot! ”

“““Wahaha ... Wahaha ...”” ”

“The next second, Zhao Yu’s classic laughter came from inside the cottage, followed by loud gunshots and sparks. Then, there were the sounds of fighting, screams, and wails ... ”

What?

“Finally, the gunshots in the cabin caught the bearded officer’s attention. ”

“He turned around and waved his hand. A group of soldiers immediately turned their guns and rushed to the front of the small house. At this time, the house had returned to silence. The screams and screams from before had all stopped. It was so quiet that it was a little strange.”

““Go! Let’s go in and take a look!”” The bearded officer was curious and immediately gave the order.”

“Thus, five or six soldiers raised their guns and carefully came to the door of the small house, ready to open it.”

“As a result, just as they opened the door, a loud bang erupted from inside the room. Bang ... The door was knocked open by something, and a person flew out from inside!”

“The man flew out of the house horizontally. Due to his speed, not only did he break through the door, but he also knocked down the five or six soldiers, who were crying out in pain.”

Ah ...

“It was chaos at the entrance. People then saw clearly that the person who flew out was also a soldier who was guarding the head Warden. Under such a violent impact, this person had long been dead, vomiting blood and dying!”

Ah?

“Everyone was shocked, completely unable to understand what was going on.”

Roar!

“With a beast-like roar, Zhao Yu, who had returned to his original appearance, rushed out of the house. As soon as he rushed out, he was like a fierce tiger that had descended the mountain, and he plunged into the crowd!”

Ah ...

“The soldiers were still in a daze, but Zhao Yu had already spread out his left and right hammers, barging in and smashing anyone he saw!”

Buzzzzzz!

Whoosh ... Ba da ... Ah ...

“Zhao Yu’s mallet was fierce. Every time he hit a person, that person would fly back and knock down a large number of soldiers, just like bowling.”

“In an instant, the soldiers were beaten until they wailed like ghosts and howled like wolves. They were in a sorry state.”

“Zhao Yu, who had entered the berserk mode, was having the time of his life when he suddenly saw that the rocket soldier had loaded his rocket and was ready to fire at the building again.”

Zhao Yu’s eyes were sharp and his hands were quick. He quickly ran over to a soldier who was already vomiting blood. He aimed at the soldier’s back and hit him in the chest with a hammer. The soldier flew towards the rocket soldier like a cannonball.

Clang!

“The human cannonball hit the rocket launcher, causing the rocket soldier’s body to tilt and the muzzle of the rocket launcher to shift. However, the trigger for the rocket launcher had already been pulled. ”

“Then, as if it had been calculated in advance, the rocket flew out of the rocket launcher, but it did not fly towards the small building, but towards the prison’s courtyard wall! ”

“With a loud boom, the courtyard wall was blasted into pieces of bricks and stones. In the blink of an eye, a large part of it collapsed. ”

“Coincidentally, the collapsed courtyard wall was connected to the Sentry tower. When the courtyard wall fell, the Sentry tower’s wall cracked. In a few seconds, it collapsed with the wall! ”

Ah ...

The soldiers on the Sentry tower exclaimed.

Boom ... Boom ...

“As the guard tower collapsed, the heavy machine gun was buried in the dust without even firing a single bullet ... ”

“”Ah!”” ”

“At this moment, the bearded officer was shocked. He had no idea what had just happened. ”

Could it be ... That Warden ito had betrayed him?

But ... How could that guy be so fierce?

“”Oh oh oh ...”” ”

“Finally, after a careful identification, his chin almost hit the ground. He didn’t expect that the man who was like a tiger among a flock of sheep wasn’t the head Warden, ito! ”

“Although he was wearing the same clothes as the head Warden, he looked like an Asian! ”

This ... This ... This ...

“The bearded officer grabbed his beard, unable to believe what he was seeing. ”

“This ferocious man was like a werewolf from the West, but also like the Hulk in Marvel movies. Anyone who was hit by him was sent flying exaggeratedly ... ”

“This, this, this ... ”

“No matter how incredible it was, the bearded officer instinctively took out his pistol and shot at Zhao Yu! ”

Bang Bang Bang ...

“He fired a few bullets in a row, almost emptying the pistol’s bullets. ”

“However, something even more terrifying happened. He was sure that all his bullets had hit the target, but the man in front of him did not fall. Instead, he became even more brutal and bloody!”

Ah ...

“Finally, the big-bearded officer’s face revealed an irrepressible horror ...”

Chapter 1708: Jailbreaking berserk Dragon (22)

Ah ...

“A soldier screamed as he was hit by Zhao Yu’s hammer. He was sent flying into the air and did an exaggerated freestyle movement in the air, then he hit a pillar heavily.”

Boom! Boom! Boom!

“The pillar as thick as the mouth of a bowl broke with the sound, and the roof supported by the pillar collapsed in an instant. With a loud bang, dust rose.”

““Shoot! Quickly shoot!”” Although he didn’t manage to shoot Zhao Yu, the bearded officer still retreated and ordered the soldiers to shoot at Zhao Yu.”

Bang Bang Bang ...

“Very quickly, the soldiers who were hiding in the distance started shooting at Zhao Yu.”

“Countless bullets were shot at Zhao Yu. Although he was wearing a bullet proof suit, Zhao Yu knew that it had its limitations, so he couldn’t just let the bullets hit him.”

“Therefore, he quickly picked up a soldier’s body and used it as a human meat shield. He continued to run towards the place where there were many people. Every time he ran to a place, he would start a massacre!”

He had no choice. He had limited items and had to kill as many enemies as possible.

“However, the enemy was not stupid. They saw that Zhao Yu was like an unrivaled beast. After suffering a big loss, they no longer rushed forward to fight with Zhao Yu, but retreated to hide.”

“Some hid behind cover, some hid behind cars, and some climbed up to the roof and shot from above ...”

“All of Zhao Yu’s abilities were focused on the secondary hammer, which was only suitable for close combat. Once he was far away from his opponent, it would not be able to play its role.”

“In the meantime, he picked up the rifle to counterattack, but because the other side had too many firepower points, it was not of much use.”

“This time, it was different from the gunfight in vachery. Zhao Yu didn’t have a scope, and his poor marksmanship made it even more difficult for him to shoot.”

“Soon, he finally understood that it was impossible for him to defeat so many enemies by himself.”

“Helplessly, he could only take a step back and make a new choice.”

“Now, he only had two options. One was to immediately turn invisible and fly far away. The other option was to take advantage of the chaos to steal a military vehicle, then escape with Miao kun and londee.”

“However, at such a critical moment, Zhao Yu gave up on these two options and ran towards the two-story building.”

“In his opinion, even if Ding Lan and the other two were already dead, he had to see their bodies with his own eyes! Otherwise, he really couldn’t give up on them just like that.”

“Hence, Zhao Yu continued to kill his way through the hail of bullets, while running towards the small building that was about to collapse.”

“However, as time went by, more and more enemies swarmed in, and in the blink of an eye, more soldiers surrounded them.”

“The soldiers fired at him at the same time. Even though Zhao Yu tried his best to Dodge, he was still shot a few times, which caused the system to send out a damage alert.”

“If he continued to take the beating passively, the bullet proof suit would lose its effect very soon. At this point, Zhao Yu only had one bullet proof suit left. If it was damaged and lost its effect, he would have no more protection.”

Zhao Yu had no choice but to hide in a small alley.

“However, just as he entered the alley, he found three soldiers squatting there.”

Ah ...

“””Ah!””” ”

“The three soldiers were squatting in the pit, and when they saw Zhao Yu jump in, they were so scared that they immediately raised their guns and shot.”

“However, Zhao Yu’s reaction was fast enough. He was the first to kick the first person to the ground. Then, his left hand grabbed the second soldier’s gun barrel and his right hand slammed into the third soldier!”

Boom ... Boom ...

“With a loud bang, Zhao Yu’s heavy punch not only knocked down the soldier, but also broke the wooden wall and pushed the man in!”

“””Ah!””” ”

“The remaining two people were scared out of their wits. Zhao Yu went up and gave them two kicks, easily knocking them out.”

“Seeing that the two of them were still holding onto their rifles, Zhao Yu quickly bent down to pick them up.”

“Just as he lowered his head, he heard footsteps behind him. When Zhao Yu turned around, he saw two soldiers with light machine guns standing outside the alley, pointing their guns at him!”

F * ck!

“In such a narrow alley, if he were to shoot, even if he had a bulletproof vest, it would be useless.”

Not good!

“At the critical moment, Zhao Yu immediately took out his hand shield, ready to defend against the incoming shots.”

Bang ...

“However, a crisp gunshot came from the entrance of the alley. One of the soldiers holding a light machine gun was shot to the ground before he could even pull the trigger. Blood burst out of his temple!”

Ah?

“The other man was shocked. He quickly turned the gun and aimed in the direction of the bullet. However, just as he turned around, a cold light flashed. He was surprised to find that his throat had been cut open by a knife!”

Blood spurted out as the man fell to the ground with disbelief in his eyes. The light machine gun in his hand fell to the ground!

“However, before the light machine gun could hit the ground, it was caught by a strong and Swift figure!”

“Tut, tut, tut ...”

“Tut, tut, tut ...”

“As soon as the man grabbed the light machine gun, he immediately opened fire at the enemies outside. While he was shooting, he didn’t forget to shout at Zhao Yu,”

““Brother-in-law, that’s a dead end! Hurry up and come out! This way!””

““Ah?”” ““Ah!”” Zhao Yu exclaimed. He finally saw clearly that the person who had suddenly rushed out to save him was none other than his sister-in-law, Ding Lan!”

Waa!

“Seeing that Ding Lan was still alive and well, Zhao Yu was overjoyed. He quickly ran out with the two rifles he had snatched.”

“Tut, tut, tut ...”

“Tut, tut, tut ...”

“At that moment, Ding Lan was shooting at the enemies with her light machine gun. Although it was only a spray, she still knocked down many enemies and forced them to Dodge.”

“Taking advantage of this opportunity, Zhao Yu rushed out of the alley. Under Ding Lan’s cover, they ran to the opposite parking lot and hid behind a car. ”

“Further ahead was the parking lot, but there was a wire fence blocking the way. ”

Crack ...

“At that moment, Ding Lan ran out of bullets. She quickly squatted down and hid with Zhao Yu. ”

“When the enemy saw that the light machine gun had failed to fire, they quickly began to counterattack. Suddenly, the sound of gunfire rang out, and it was intense. ”

“““Didn’t I tell you to take Godfather and leave first?”” Ding Lan shouted at Zhao Yu, holding another light machine gun in her arms. Why did you come back?”” ”

“““Nonsense!”” Zhao Yu said seriously,“we’re a family, and we’re waiting to eat hotpot chicken together!”” ”

“““Hehehe ...”” Ding Lan smiled, looking very handsome.“““Alright! Then let’s rush out together!”” ”

Ding Lan raised her machine gun. It seemed like she was trying to open a gap in the iron fence.

“““Wait!”” Zhao Yu quickly stopped her and said,“““don’t waste your bullets. You cover me, I’ll open the door!”” ”

“““A door?”” Ding Lan looked at the iron fence and wondered,“““where’s the door? Eh?”” ”

“Seeing Zhao Yu suddenly jump out from his cover, Ding Lan was shocked. She quickly got up again and shot at the enemy with her light machine gun. ”

“The power of the light machine gun was not weak. It immediately knocked down the enemy, scaring the soldiers into hiding again. ”

“After Zhao Yu rushed out, he hit the iron fence with his fist. Under the huge power of the hammer, the iron fence was like paper, and a large part of it suddenly fell! ”

“““Waa?”” Ding Lan turned around to take a look. She didn’t expect Zhao Yu to be so fierce. She was stunned for 0.1 seconds, then pointed to the depths of the parking lot and shouted,“““brother-in-law, go over there! There’s a good car there!”” ”

Chapter 1709: Jailbreaking berserk Dragon (23)

“““Go! Go! Go!”” Seeing Zhao Yu and Ding Lan run into the parking lot, the bearded officer stood up from his cover and shouted hysterically at his soldiers,“““all of you, attack! Don’t let them escape!”” ”

“““Hurry up! Kill them all, leave no one alive!”” ”

“Following the bearded man’s order, dozens of soldiers swarmed into the parking lot from all directions, surrounding Zhao Yu and the woman. ”

“There were many vehicles parked in the parking lot. Some were from the prison, some were from the private cars of the officials, but most of them were military vehicles.”

“Because of the importance of military vehicles, there were many soldiers stationed here from the beginning.”

“Ding Lan and the others were in a hurry to get the car, so they were discovered by the soldiers. A gunfight broke out between the two sides, and they were finally blocked in the small building.”

“Because of this, when Zhao Yu and Ding Lan ran into the parking lot, it was not a safe zone, as there were still a large number of soldiers stationed there.”

“As soon as the two of them entered, they exchanged blows with a few guards.”

“Fortunately, Ding Lan had a light machine gun. As she opened fire, she and Zhao Yu moved through the cars.”

“The two of them were running for their lives when they suddenly bumped into several guards. As Zhao Yu was running so fast, he didn’t have time to shoot and ended up running with them.”

Ah?

“It happened so suddenly that the soldiers were also stunned for a moment. Then, they quickly pulled the bolt of their guns and prepared to shoot.”

“Zhao Yu’s mallet could only be used for a short five minutes, so it had lost its effect.”

“However, Zhao Yu wasn’t just doing nothing. He saw that there were many enemies, so he kicked one of them over, then held the other and swung him around to block the attacks of the others.”

“Then, he pushed the soldier in his arms away and knocked into the others so that they could not shoot.”

“Then, Zhao Yu stood up and started fighting with them.”

“At that time, the soldier who had been kicked to the ground had not fainted. He was lying on the ground, pulling the bolt of his gun and aiming at Zhao Yu.”

“However, before he could fire, blood spurted out of his head as a bullet shot from behind.”

“Then, Ding Lan appeared behind him with a light machine gun.”

“Ding Lan saw that Zhao Yu and the enemy were locked in a fierce fight, and it was not a good time to shoot, so she simply hugged the machine gun in her arms, threw a flying kick, and joined the battle.”

“She kicked one of them in the air and threw the light machine gun horizontally. With a bang, it hit the back of the head of another soldier! The soldier didn’t even make a sound before falling to the ground.”

Way!

“Zhao Yu was also in high spirits. He shouted, grabbed a soldier’s head, and hit it against the car. Then, he kicked the soldier away.”

“Just like that, in the blink of an eye, the few soldiers were all taken care of by Zhao Yu!”

“However, even though the enemy in front of him had been defeated, more enemies were coming from all directions.”

“”Zhao Yu, move!”” He shouted.”

“Ding Lan suddenly shouted at Zhao Yu, then raised her machine gun.”

“As Zhao Yu lowered his head to Dodge, Ding Lan immediately opened fire. The bullets shot out and hit several soldiers who were rushing over from a distance, while forcing the other enemies to retreat.”

“”Go! Let’s go!”” ”

“Ding Lan shouted, and the two quickly turned around and ran through the gaps between the cars toward the deeper part of the parking lot.”

“However, the enemies were closing in from all directions. In addition to the back, there were many enemies in front of them.”

“They had the advantage in numbers, and when they fired together, the power was very strong.”

Bang Bang Bang ...

“Rows and rows of bullets were fired, leaving holes all over the car. Many of the car windows and tires were also broken.”

“Zhao Yu and Ding Lan fought as they ran, engaging in guerilla warfare with the enemy among the cars.”

“At first, with the advantage of the light machine gun, Ding Lan was able to suppress them a little, but as more and more enemies surrounded them and the bullets became denser, Ding Lan felt more and more exhausted.”

“To make matters worse, the light machine gun did not have many bullets to begin with, and Ding Lan did not last long before she ran out of bullets.”

“Fortunately, Zhao Yu had picked up a few rifles earlier, so he immediately threw one to Ding Lan.”

“Ding Lan’s marksmanship was accurate. Although she was moving at high speed, she never missed a shot. Every shot she fired knocked out an enemy.”

“Suddenly, a wave of enemies appeared in front of them and blocked their way.”

“Ding Lan fired several shots and knocked down several people, but there were too many enemies, so she could only Dodge.”

“Another row of bullets was fired at Ding Lan. He couldn’t Dodge in time, and blood burst out of his shoulder. He had been hit!”

Oh ...

“”Oh,”” Ding Lan said, and her body tilted.”

“”Ah!?”” ”

Zhao Yu was shocked and quickly checked the system. He then realized that the invisible bullet proof suit he had used on Ding Lan had disappeared!

“Logically speaking, it hadn’t even been 17 minutes, so Ding Lan’s bulletproof vest should still be there. ”

It seemed that the explosion in the small house had damaged her bulletproof vest.

Damn it!

“Without the protection of the bullet proof suit, then ... ”

“Suddenly, with the sound of hurried footsteps, a few soldiers appeared in front of them. When they saw Zhao Yu and Ding Lan, they immediately fired! ”

“At this time, Zhao Yu couldn’t let anything happen to Ding Lan, so he quickly stood up and stood in between Ding Lan and the enemy, then opened fire! ”

Bang ...

Bang ...

“In an instant, the bullets fired at close range made a loud noise. The two sides fired at each other, which was very thrilling. ”

“”No...” ” ”

“Ding Lan thought that Zhao Yu would definitely be shot, so she suddenly exclaimed. ”

Bang ...

Bang ...

“However, two seconds later, she was surprised to see that, after a series of fierce shots, Zhao Yu had shot down all the soldiers who were surrounding him, but he was still standing upright, as steady as a mountain. ”

Ah?

“Ding Lan didn’t know about the bulletproof vest, so she thought it was a miracle. ”

“”Zhao Yu, are you okay?”” “”Watch out!”” Ding Lan suddenly saw a figure rushing out from behind Zhao Yu. She immediately shouted,””watch out!”” ”

“”Ah ...”” ”

“A soldier suddenly rushed out from the gap between the cars, grabbed Zhao Yu, and knocked Zhao Yu into the car next to him. ”

Plop ...

Zhao Yu’s rifle fell to the ground.

“”Go to hell!”” Zhao Yu turned around and hit the man’s nose with his head, causing him to bleed. ”

“Then, Zhao Yu grabbed his hair and pressed his head down. At the same time, he knelt on his head, knocking him unconscious on the ground. ”

“However, just as the man was killed, three more enemies jumped out from the gaps between the cars on both sides. They saw Zhao Yu and quickly raised their guns to aim at him! ”

“At that moment, Zhao Yu’s rifle had already dropped, so he obviously couldn’t fight back, nor could he Dodge. ”

Bang! Bang!

“However, Ding Lan’s gun was the first to fire. She fired a shot in an instant and shot the one in the front. ”

“However, when she fired the second shot, she realized that the rifle had run out of bullets. ”

Ah?

The remaining two soldiers were stunned for a moment before they quickly turned their guns to Ding Lan.

“Ding Lan flicked her wrist, and a dagger with a cold glint shot out, hitting one of the men in the chest. ”

“At the same time, Ding Lan jumped up, caught another man’s rifle with her arm, and then elbowed the man’s face! ”

“The next second, Ding Lan snatched the man’s rifle, turned around, and shot the two men on the spot!
”

“The entire movement was smooth and fluid, and it was so beautiful that it was stunning, and even Zhao Yu was a little dazed! ”

As expected of an outstanding agent. This level of skill was simply unparalleled!

““““Oh ...”” ”

“However, after he was done, Ding Lan suddenly covered the wound on her arm and tilted her body. Zhao Yu quickly went over and hugged her. ”

““““Ding Lan, how is it?”” Zhao Yu saw that Ding Lan’s wound was bleeding, so he quickly used the invisible hemostatic agent on her. ”

““““Don’t worry!”” Ding Lan pointed at her arm and said,““the bullet went through it. Brother-in-law, let’s go!”” ”

““““Oh, okay! ”” Mm ... Suddenly, Zhao Yu remembered something important and asked in a hurry,““ by the way, where are Lola and Rena? How are they ...?”” ”

“In fact, Zhao Yu had been worried about the safety of the two ladies from the very beginning, but because he had been so nervous, he didn’t have time to ask. ”

““““They ...”” ”

“Just as Ding Lan was about to answer, the emergency alarm in Zhao Yu’s head suddenly went off. The dangerous target appeared again! ”

“The target was flashing, and the arrow had moved to the center of the target, which obviously indicated that danger was coming. ”

“”Ah?”” ”

“Zhao Yu was shocked, and he quickly held Ding Lan tightly, then leaped out! ”

“Just as he flew out, a rocket hit the car behind them with a terrifying sound! ”

Boom ... Boom ...

“With a deafening explosion, the car suddenly flew up into the sky and exploded into a fireball, enveloping Zhao Yu and Su Yu in flames. ”

Chapter 1710: Jailbreaking berserk Dragon (24)

Ah ...

“Zhao Yu fell to the ground, screaming, and protected Ding Lan under him. ”

Boom ... Boom ...

The burning car rolled down from the sky and hit the front hood of another car with a loud bang.

“Zhao Yu and Ding Lan happened to be hiding at the front of the car, and were almost hit. ”

“However, as the scorching flame burst out in an instant, Zhao Yu didn’t have time to use his fire protection suit, and a part of his back was burned. ”

“Zhao Yu couldn’t care less about the pain, as he quickly pulled Ding Lan out from under the burning car and continued running deeper into the parking lot. ”

“However, after the intense fight, the two of them no longer had any weapons in their hands. Zhao Yu’s invisible bullet proof suit had also lost its effect after the explosion, so he could no longer use it. ”

“However, as the flames died down, more and more soldiers came from all directions, rushing towards Zhao Yu and Miao Ying. ”

Bang ...

Bang ...

“In an instant, bullets flew past Zhao Yu and su lingyue, and the situation became more and more dangerous. ”

No!

“As Zhao Yu protected Ding Lan, he checked the invisible aircraft in his emergency device bar! ”

It seemed like ...

He could only use this last life-saving treasure. Only by flying with Ding Lan would he be able to escape from danger.

“He had planned to give the aircraft to Miao kun, but now he had no other choice. ”

“However, if he took Ding Lan with him, he didn’t know how to explain it in the future. Even though he didn’t know where he could take Ding Lan. However, he couldn’t just watch Ding Lan get shot to death!
”

“At this time, the enemies saw that Zhao Yu and his wife were unarmed, so they quickly approached them and surrounded them next to a small car. ”

“””Get in the car!”” Ding Lan had no other choice. She immediately raised her elbow and smashed the car window. ”

“””No!”” Zhao Yu quickly pulled her back.””They have rocket launchers. We can’t run!”” ”

“””There’s no other way ...”” ”

Ding Lan was about to punch Zhao Yu when a row of bullets suddenly shot at her. Zhao Yu quickly pulled her away.

“The bullets instantly hit the car, creating a row of bullet holes. ”

“””Believe me, believe me, Ding Lan!”” Zhao Yu held his sister-in-law tightly and was about to use the invisible aircraft to fly out of the siege. ”

“However, at this critical moment, a loud rumbling sound suddenly came from in front of the two! ”

“Following the loud noise, a burst of fire could be seen in front of them. A row of bullets whizzed through the air, sweeping all the soldiers who were blocking the way in front of Zhao Yu and Miao Ying to the ground! ”

Ah ...

“The soldiers who were shot screamed in pain. The bullets were extremely violent. Not only could they shoot down the enemy, but they could also penetrate a car! ”

“The next second, as the rumbling grew louder and louder, Zhao Yu and Ding Lan suddenly saw a huge object with a gun barrel driving over from the distance! ”

“It turned out to be an armored vehicle with caterpillar tracks. Not only were there two machine guns on it, but there were also small-caliber cannons like tanks! ”

“””Waa!?”” ”

Zhao Yu was a little confused. He didn’t understand why the armored car was aiming at the enemy.

Bang ...

“Just as Zhao Yu was in a daze, a Cannonball was fired from the barrel and shot behind Zhao Yu. With a loud explosion, the cannon hit a truck! ”

“The truck exploded with a bang, and the fragments of the explosion shot out in all directions, immediately knocking down the enemies surrounding the area.”

Ah ...

“With a series of screams, the truck caught on fire and the scene was terrifying!”

Hong long long ...

“Very quickly, the huge object crashed through a few cars and arrived in front of Zhao Yu and Ding Lan.”

““Hey! You guys are really lucky!”” A familiar voice came from the armored vehicle.”

“Looking up, he saw a voluptuous woman in red standing in the machine gun position of the armored vehicle. It was none other than Morocco’s police detective, Rena!”

“Without a doubt, the one driving the armored vehicle was amerolan!”

“Unexpectedly, not only were the two ladies not killed by the grenade, but they also took the opportunity to steal an armored vehicle!”

This was really ...

““Don’t just stand there!”” Ding Lan pulled Zhao Yu to the front and urged him to get into the car. At the same time, she told Zhao Yu,““this is the good car that I told you about. It’s the one that we saw before!”” ”

““Hmm ...”” Zhao Yu climbed up the armored car and praised,““this is a really good car!”” ”

““That’s right,”” Rena shouted excitedly.““This car moves forward with caterpillar tracks, so ... Even if we drive into the quicksand desert, we won’t get stuck in the sand!”” ”

““Oh ...”” ”

“Zhao Yu finally understood why the girls had chosen this armored car. With this, they didn’t need to drive on the road, and could avoid the checkpoints!”

Amazing!

“Zhao Yu and Ding Lan quickly got into the car and saw that the person sitting in the driver’s seat was indeed the Middle-Eastern beauty, amilora.”

“However, before Zhao Yu could greet her, he heard Ding Lan ask urgently,“““Brother-in-law, where’s Godfather? Didn’t you say that you’ve already saved her?”” ”

““Right!”” ““It’s in the cart where you kissed me!”” Zhao Yu said to amerolan.”

““Alright!”” Ding Lan quickly waved her hands.““Then let’s go pick him up now! Let’s go!”” ”

“Having said that, amilora started the armored vehicle and drove straight to the prison.”

“After sitting in the armored car, Zhao Yu and Ding Lan were both relieved. Ding Lan quickly sat in the car seat, tore a piece of cloth, and began to bandage the wound.”

“Du, du, du ... ”

“Du, du, du ... ”

“However, not long after he drove, Zhao Yu heard the sound of a collision. It was obvious that the enemy’s bullets had hit the armored car. ”

“““Don’t worry, this is a France AMX. Even heavy machine guns can’t penetrate it!”“ ““I don’t know about the weapons, but we have filled the gas up beforehand!”“ ”

“““As long as we enter the desert, they won’t be able to catch up to us!”“ ”

“““Oh ...”“ Zhao Yu nodded slightly. However, just as he nodded, the emergency alarm in his head rang, and the target suddenly appeared again. ”

“However, the target wasn’t very clear. It was a bit looming, and there was no marking that indicated that the target was about to be hit. ”

Not good!

“Zhao Yu sat up immediately. Obviously, someone was threatening them! ”

“Needless to say, it was the rocket soldier who fired the rocket at him and Ding Lan! ”

“Although it was an armored vehicle, it would be very troublesome if it was hit by a rocket. ”

“At this moment, Zhao Yu could not allow any more mistakes. So, he immediately released an invisible drone, and the system screen quickly showed the image captured by the drone. ”

“Sure enough, a Jeep came from the right side of the parking lot, side by side with the armored vehicle. Furthermore, there was a bazooka in the Jeep, aiming with the bazooka! ”

“Zhao Yu compared their positions and found that Rena was standing at the machine gun position on the left, while the Jeep was on the right, so Rena couldn’t see them at all. ”

“““Lola, Lola ...”“ Seeing this, Zhao Yu quickly pointed to the machine gun on the right and asked,”“does the machine gun on the right have bullets?”“ ”

“““There should be, right? What are you doing?”“ Amiola asked. ”

“Zhao Yu didn’t say anything, but got into the machine gun on the right, and stuck his upper body out of the car. ”

“After the bloody battle in vachery, Zhao Yu was very familiar with the use of a machine gun. When he saw that the machine gun was loaded with bullets, he immediately pulled the safety and aimed at the Jeep on the right. ”

“At the same time, the target in his mind became clearer and clearer, and a marking appeared. Obviously, the enemy had also aimed at him! ”

“““Go to hell!”“ ”

“Zhao Yu raised his gun, aimed, and pulled the trigger. A hail of bullets was fired at the Jeep in the distance.”

“The ferocious bullets flickered with tongues of fire. As soon as they hit the Jeep, the Jeep burst into flames. Then, the front of the Jeep turned sharply and plunged into the crowd of cars!”

Boom ... Boom ...

“The Jeep burst into flames, and the emergency alarm in Zhao Yu’s head instantly disappeared.”
