

## Crazy 1761

Chapter 1761: -key

“““Finding a consultant ... Shouldn't be too difficult, right?”” In the car, Cui Lizhu gave Zhao Yu an idea. ““There are many eminent monks in Xiangjiang. Why don't we just find one?”” ”

“““It's not the same,”” Wu Xiumin said. ““Not all monks know about Gu Mantong. They are two different things.”” ”

“““How about this ...”” Ding Lan, who was sitting in the driver's seat, turned around and said, ““leave the consultant to me!”” ”

“““However, I think ... No one is more suitable than that Mia!”” ”

“““Yes!”” Zhao Yu said, ““this person has been researching the Goman Tong murder case for nearly ten years. Even if he managed to squeeze out a little bit of information from his brain, he would know more than us. ”

“““No matter what, I have to think of something from this guy. I have a feeling that he might have already found an important clue!”” ”

“““Boss ...”” Cui Lizhu blinked her big eyes and asked, ““tell me, do you want to steal it, or do you want to install a bug and a camera?”” ”

“““No...”” Wu Xiumin quickly stopped him. ““This is not a spy war. You can't mess around!”” She turned to Zhao Yu and said, ““team leader, after all, both parties are in an international partnership. I suggest that you talk to him directly! ”

“““We're all looking for the truth to solve the case. If he's not willing to cooperate sincerely, then he's in the wrong. However, as us, we must clear our name!”” ”

“““Right!”” Zhao Yu nodded, then nodded seriously. ““Sis Wu is right. We need proof to graduate ...”” ”

Everyone wiped their sweat ...

“““It's okay,”” Ding Lan said. ““I know that it's your first time in Xiangjiang, so you must feel very awkward.”” ”

“““It doesn't matter, I'm here! I'm not just here to be a bodyguard. If you need any information, investigate anything, or communicate with anyone, I can handle it!”” ”

“After hearing Ding Lan's words, Zhao Yu felt relieved. After all, Ding Lan had the powerful Secret Service behind her. Since he had the Secret Service as his backing, Zhao Yu naturally had nothing to worry about. ”

“However, Zhao Yu had to complain. ”

“““I’m indeed not happy!”” He said to Ding Lan, “““I think there’s something wrong with their attitude. For example, the police officer who explained the case to me just now didn’t know anything. Someone like that would be fired at any time!”” ”

“““It’s not like that, brother-in-law,”” Ding Lan said. “““I’ve worked in Xiangjiang for a while. It’s related to their working habits. Don’t mind them.”” ”

“““In fact, they are not targeting you or the Special Investigation Group. It’s just that there are fewer vicious murders here, and the young police officer is inexperienced in handling cases.”” ”

“““I’m not blaming that kid, but that inspector shouldn’t have sent a rookie to help me, right?”” ”

“““But, I’m not a calculative person, and I’m not really angry. It’s just that ...”” Zhao Yu said with a complicated expression. “““I don’t know why, but as soon as I came to Xiangjiang, I had a very uncomfortable feeling!”” ”

“““It seems that some people’s minds are not focused on solving the case, and some people are deliberately hiding something from us!”” ”

“““Brother-in-law, don’t think too much!”” Ding Lan said, “““although the Gu mantong murder case is strange, it’s just a murder case! I believe that you, the great detective, will be able to handle it!”” ”

“““Hehe ...”” Zhao Yu raised the corner of his mouth and laughed smugly. “““My little sister knows me best!”” ”

“As Zhao Yu had already explained his relationship with Ding Lan to the crowd, the ambiguous relationship between the two of them was no longer as awkward as before. ”

“““Mm ... Team leader!”” At this time, Zeng ke took out his computer and said, “““when you were investigating the scene, the inspector sent someone to send me the information. If you want to know anything, you can just ask me!”” ”

“““Well, it’s more comfortable for my people to use it. Zeng, I just observed the environment there,”” Zhao Yu said. “““There are surveillance cameras on both sides of the street, both inside and outside the community. The crime happened in the middle of the night, so the local police couldn’t have found nothing, right?”” ”

“““You’re right!”” Zeng ke answered without thinking, “““all the surveillance cameras did not find any suspicious people. We are still looking for them!”” ”

“““Tsk tsk ...”” Zhao Yu pouted. ”

“““I heard that ...”” Cui Lizhu said with a wicked look in her eyes. “““The previous Gu mantong murder case was also like this, right? The cameras and whatnot couldn’t capture anything? It’s said that the murderer looks like a ghost?”” ”

“Ran Tao suggested, “““cui, don’t spread the rumors. Maybe ... The murderer entered the community by car?”” You can ... You can enter a long time ago, or you can leave very late after killing people?”” ”

“““But ... I also walked around the neighborhood just now,”” cui Lizhu said. “““If it were me, I could avoid all the cameras in the neighborhood and go to the victim’s house, but I would have to climb to the top of

the building and descend, and I would have to be very familiar with the surveillance in the neighborhood!” ”

“““Oh?”” Zhao Yu then remembered Cui Lizhu’s old profession and asked in a hurry, ““then ... How do I get in?”” ”

“““You’ve finally asked the right question. That door is really not easy to enter!”” Cui Lizhu grinned and said, ““because there’s an internal lock on the door. Even if you can open the anti-theft door, the lock is locked inside the house, and you can only break it with long-headed pliers!”” ”

“““But, I just saw that both the anti-theft door and the internal lock are intact!”” ”

“““Then ...”” Zeng Ke quickly asked, ““is it possible that the murderer went through the window?”” ”

“““Yes,”” Cui Lizhu said. ““There’s an air vent in the bathroom, but only children can go through it. Even I can’t!”” ”

“““But ...”” Wu Xiumin continued, ““the deceased was 1.75 meters tall and weighed 90 kilograms. If the murderer wanted to strangle the deceased, he couldn’t have been a child ...”” ”

“““Is that so?”” Ran Tao scratched his head. ““That’s strange. How did the murderer get in?”” ”

“““That’s easy, the murderer has the key!”” As Zhao Yu blurted this out, the heated discussion suddenly stopped. ”

“““What?”” ““Why?”” Cui Lizhu asked after a few seconds. ”

“““It’s written in the report!”” Zhao Yu pointed at the information and said, ““the deceased was found by his father. After his father opened the anti-theft door, he went straight into the house and found the body!”” ”

“““Oh ... Cough!”” Cui Lizhu slapped her forehead in realization. ”

“““The victim didn’t have the habit of inserting the plug into the inner lock,”” Zhao Yu said. ““I just checked it carefully, and there were no scratches on the plug of the inner lock ...”” ”

“““Amazing ...”” Cui Lizhu gave him a thumbs up. ““Boss, you’re the best!”” She said. ”

“““So ...”” Zeng Ke analyzed, ““the murderer made a duplicate of the deceased’s key?”” It seemed that he had put in a lot of effort on the deceased! ”

“““In that case, we should start from the video of the deceased to see who followed him! As long as we can find this person, the case will be much easier, right?”” ”

“““Right!”” Ran Tao snapped his fingers and said, ““good idea!”” ”

“““In that case,”” Ding Lan said to Zhao Yu and the others, ““let’s go to the Xiangjiang police station first.”” ”

“““The body is over there, the video is over there, and the office you need is ready!”” ”

“““Alright!”” Zhao Yu snapped his fingers and said, ““let’s go!”” ”

## Chapter 1762: The real cause of death

The police station in Xiangjiang was called the police station.

“At that moment, Zhao Yu and Zhang Peipei were examining the bodies in the autopsy room and listening to the reports of the local police and forensic staff. ”

“An old forensic doctor Who looked a little unkempt said in particularly stiff Mandarin, ””””He was indeed strangled to death! It was very tight, and the marks were very obvious ... ”

””””His face is bruised and swollen. There are bleeding spots on his skin and his corneas. There’s also a foam-like liquid in his mouth and nose. These are the most common symptoms of strangulation ... ”” ”

””””Wait a minute, I just want to understand one thing, ””” Zhao Yu said. ”””The deceased was dragged from the bedroom to the living room and strangled to death by the murderer! ”

””””But ... The deceased was lying on the ground, so how could he be strangled to death? ””” Zhao Yu made a simple pose and asked, ”””if you want to strangle a lying person to death, do you have to put your foot on his shoulder and then tighten the rope? ”” ”

””””It’s not that ... ””” The old forensic doctor also made a gesture and said, ”””I pressed his face down on the ground, then stepped on his back, and strangled him like this ... ”” ”

””””Do you strangle me like this? ””” Zhao Yu gestured as well. ”””If that’s the case, there are no footprints on his back? ”” ”

””””What? A footprint? ””” The old forensic doctor scratched his head and said, ”””I don’t think there are any obvious footprints. ”” ”

””””What do you mean by ””” seems like ”””? ””” Zhao Yu pouted. ”

””””Yes, definitely not! ””” The old forensic doctor quickly corrected himself. ”””The murderer might have taken off his shoes or was wearing shoe covers ... ”” ”

””””Alright, alright ... ””” Zhao Yu shook his head helplessly and continued to ask, ”””where’s the weapon? What did you find? ”” ”

””””It’s metallic, ””” the old forensic doctor said. ”””It should be something like a steel rope or steel wire. From the marks, it’s as thick as half a finger! ”” ”

””””Then ... What about Gu mantong? Where is Gu mantong now? ”” ”

””””At the forensics department. ””” The old forensic doctor gestured to the room next door. ”””They should be done with the tests by now. ”” ”

””””Okay, ””” Zhao Yu turned to Zhang Peipei and said, ”””Dr. Zhang, I’ll leave this to you. You can check the body and the evidence again. If there’s anything else, let me know immediately. ”” ”

””””Yes ... ””” Zhang Peipei nodded. ”

“Then, Zhao Yu left. But just as he reached the door, he suddenly thought of something and turned to the old forensic doctor, asking, ”

“”By the way, is that Thai here yet?”” Zhao Yu gestured to his long hair and glasses.””The expert?”” ”

“”It’s coming, it’s coming!”” The old forensic doctor nodded affirmatively.””He came over half an hour ago to take a look at the body and then left in a hurry!”” ”

“”What? It’s that simple?”” Zhao Yu muttered in his heart and quickly asked,””did he say anything?”” ”

The old forensic doctor shook his head.

“”What was his expression at that time?”” Zhao Yu asked again. ”

“”Expression? ””As for his expression ...”” The old forensic doctor thought for a moment and said seriously,””I was busy working, so I didn’t look at it carefully!”” ”

“”What the ...”” Zhao Yu glared at the man, but he couldn’t do anything. ”

“Helplessly, he strode out of the autopsy room and walked to the forensics department. ”

“Originally, the local police had arranged for Zhao Yu to have a high-ranking assistant, but Zhao Yu was angry, so he sent the assistant away. ”

“However, Zhao Yu was now very famous, and all the local police officers knew him. So, when he entered the forensics department to check the evidence, he soon saw Gu mantong. ”

The so-called Goman thong was a child-like doll made of some special materials. They were of different shapes and sizes.

The one found on the dead body was a black goatle child the size of a goose egg.

“Gu mantong was sitting, and there were some incantations written on its body that he couldn’t understand. ”

This kind of thing made him feel a little uncomfortable at first sight.

“Zhao Yu asked the forensic Department, and the other side replied that they only found the fingerprints that matched the deceased’s on Gu mantong’s body, nothing else. ”

“”Then ...”” Zhao Yu saw the incantation on Gu mantong’s body and suddenly thought of the Thailand expert. He asked casually,””did the Thai expert, Mia, come to see this Gu mantong?”” ”

“”No... No...”” The forensic scientists looked at each other and shook their heads in unison. ”

No way?

“This time, Zhao Yu felt that something was even more wrong. ”

“If the Thailand expert had just gone to the autopsy room to check on the body, why didn’t he come over to take a look at Gu mantong? ”

“Also, the old forensic doctor said that he only came to take a look at the body and then left in a hurry ... ”

He left?

Where did he go?

'No...'

Zhao Yu felt that the Thailand expert's behavior was getting more and more strange. He quickly put down the Goman Tong and left the forensics department.

"As soon as he stepped out of the door, he called Ding Lan." "

""Hello? Little sister, didn't you say before that I can look for you if I want to communicate? Can you help me find that Thailand expert? I want to have a good talk with him!"" "

""No problem,"" Ding Lan replied without hesitation.""Go to the parking lot now, I'll take you to him!"" "

"After that, Zhao Yu didn't return to the office to lead the investigation. Instead, he got into Ding Lan's car and drove to a Western restaurant that was very close to the police station. "

""Room five."" Ding Lan pointed at the restaurant and said,""he's alone! You guys can talk among yourselves, I'm not going in!"" "

Amazing ...

"Zhao Yu was secretly impressed. Secret Service was indeed the Secret Service, as everyone's whereabouts were within their grasp. "

"Hence, Zhao Yu walked into the Western restaurant and quickly saw professor Mia from room five. "

"To his surprise, the doctor was leisurely sipping coffee while reading an English newspaper. "

"However, this person was more alert, and Zhao Yu had just appeared when he was discovered by professor Mia. "

""Oh?"" Miya put her hands on her glasses and looked at Zhao Yu carefully. She wasn't surprised, so she said,""isn't this Mr. Detective? What are you doing here?"" "

"Zhao Yu smiled and greeted him, then sat opposite the doctor. "

""Oh ..."" Mia put down the newspaper and nodded at Zhao Yu.""I was wondering if you would like to talk to me about this case?"" "

""Gu mantong is your strong point."" Zhao Yu cupped his fists and said,""I hope you can teach me!"" "

""Oh, I'm flattered, I'm flattered!"" Mia quickly waved her hand and said,""we're supposed to be doing a joint investigation. We're just learning from each other!"" "

""Then ..."" Zhao Yu opened his palm and made a gesture, which meant,""stop wasting time and get to business!"" "

""Hehehe ..."" Mia habitually pushed her glasses up with her hand and said,""this case was a clumsy imitation, not the real Gu mantong killer. You can rest assured about this!"" "

As expected ...

“Zhao Yu had already guessed that this would be the result. Otherwise, Miya would not have left Gu mantong alone. ”

“““The Altar of the Dead is facing the West, this is a great taboo for raising Gu mantong! ”

“““And ... The belt of the deceased was made of crocodile skin,”” Miya said.”“It is forbidden to use wild animal products, such as elephants and crocodiles, to raise Goman children. ”

“““Also, the fragrance and decorations in the room don’t seem to belong to a person who raised a Gu Man Tong. ”

“““So, that Gu mantong shouldn’t be the victim ‘s!”” ”

“““Oh ...”” Zhao Yu had done his homework before, but he had little contact with such things. ”

“““Also, the location of the strangulation marks on the deceased’s neck is wrong,”” Mia said.”“When the Gu mantong killer strangled someone, he would be closer to the front, and the shape of the strangulation marks on the neck is wrong! ”

“““So ... This is a very simple imitation murder. The murderer didn’t know the details of the real Gu Man child case at all ... Hmm ...”” ”

“Suddenly, Mia became absent-minded, as if she was thinking about something. ”

“After waiting for more than ten seconds, he finally lowered his voice and whispered to Zhao Yu,”“““I’m not sure if you know that the real cause of death in the Gu mantong case was not strangulation!”” ”

“““Ah? What?”” Zhao Yu was shocked ... ”

## Chapter 1763: The purpose of killing

“““It seems that you really don’t know much about this case! ““We need to have a good chat ...”” At this point, Miya waved to the waiter.”“Waiter, give us another cup of coffee ...”” ”

The waiter understood.

“““Thank you ...”” Zhao Yu thanked her, while thinking about what Mia had just said. ”

“Although he had read Grimm’s manuscripts and read Juliet’s files, he had never heard of any other explanation for the cause of death in Goman juvenile case. He believed that the murderer had strangled the victim to death. ”

“““Al!”” Mia sighed and said,”“this is the scariest part of the Gu mantong case. In order to avoid causing panic among the people, whether it is our local government or the governments of other countries where the Gu mantong case has happened, they all issued a ban to reveal the real cause of death!”” ”

“““Then ...”” Zhao Yu asked in surprise,”“how did he die?”” ”

““““We’ve dissected the bodies of the victims. The real cause of death of all the victims in the Goman kid case was not suffocation,”” Mia said with a mysterious look in her eyes.””All of them died from a non-external cause of heart muscle rupture!”” ”

““““Cardiac muscle rupture?”” Zhao Yu was puzzled.””Not due to external factors?”” ”

““““Right!”” Mia said,””in other words ... A human puppet is scared to death!!!”” ”

“Suddenly, Zhao Yu felt a chill down his spine, and his scalp went numb. ”

““““You ... What do you mean?”” Zhao Yu’s eyes were wide open as he repeated,””scared to death?”” ”

““““Yes, this is ... A cause of death that can not be determined as reasonable or unreasonable, which is the most terrifying part of this case!”” Mia said,””we found that the victim of the Goman thong murder case had a large amount of epinephrine secreted in her body. We also found traces of ACH, catapheol, and other substances. ”

““““These substances will cause arterial spasms, causing the arteries to contract intensely, causing blood pressure to rise intensely, and the brain to lack oxygen. ”

““““After a person is frightened, the human body’s defense mechanism will provide a lot of blood to the brain, heart, and other important organs, which will cause the blood vessels to contract and the hands and feet to turn cold ... ”

““““Under normal circumstances, no matter how frightened a person is, the probability of being scared to death is less than one in ten thousand! ”

““““But it’s different in the Goman kid case,”” Mia said seriously.””Before the victim was frightened, the murderer strangled her! ”

““““You know what? The murderer was like a machine that could perform precise calculations. When he strangled the victim’s neck, he deliberately moved the rope forward to reduce the force of the strangulation and then extended the time of strangulation! ”

““““This way, the victim’s respiratory tract will be less completely blocked, especially the carotid artery, which will cause serious blood pressure accumulation. ”

““““Then, when the time is right, when the blood pressure accumulates to a certain level, the victim will be frightened, which will be enough to kill him! ”

““““At that time, the sympathetic nerves will be transmitted to all the organs in the body, controlling the heart rhythm. The blood vessels will contract intensely, and the heart rate will be too fast ... ”

““““Under such a strong impact of blood, the heart muscle eventually tore and bled, causing the victim to die ... ”” ”

Oh my God ...

“Although Zhao Yu was not familiar with these technical terms, he still understood what Mia meant. He didn’t expect that the victims in the Gu mantong case were all scared to death! ”

“If this were to be spread by the media, the consequences could be imagined. No wonder the governments of all countries had reached a tacit agreement. Even Grimm did not know the real cause of death!”

“““Now you know why this case is so difficult to solve, right?”” Mia said bitterly,““the fact that the murderer could use such a complicated and superb method to kill someone shows that he is a very capable person!””

“““It’s going to be very difficult to capture him!”” ”

“““The point is ...”” Zhao Yu pondered for a moment, then asked,““why did he do that?”” If it was only to kill, there should be a simpler method. Could it be that ... He didn’t do it just to kill?”” ”

“““Right!”” Mia’s expression suddenly turned serious.““I know what he’s trying to do! He wanted people to misunderstand that the Gu mantong murder case was not man-made, but by the ghost God or Gu mantong himself!”” ”

“Hearing what Mia said, Zhao Yu felt his hair stand on end, and his hands and feet turned cold.”

“““We’ve been researching for so many years ... Although we haven’t caught the murderer, we can roughly understand the reason for his killing. “” Miya continued,““all the people he killed had the habit of raising Gu mantong. Furthermore, their motive for raising Gu mantong was obviously not pure!””

“““We’ve checked, and all of the victims had some bad records. They didn’t provide for the Gu Man Tong to pray for their own safety, but rather, they hoped that the Gu Man Tong would harm their opponents to satisfy their own selfish desires!”” ”

“““Oh ...”” Zhao Yu nodded.““That is to say, the murderer wanted to kill those people who used Gu Man Tong to do bad things? So ... He should be someone who was hurt by Gu mantong before!”” ”

“““Yes, we came to the same conclusion, but ...”” Mia shook her head helplessly.““This person is very cautious and has never made a mistake. We have caught countless suspects, but in the end, we ruled them out!”” ”

“““Maybe ... There’s more than one murderer?”” Zhao Yu analyzed,““or maybe it’s some evil cult!”” ”

“““Al! ““It’s useless to say all this now ...”” Mia sighed.““Since 2015, the Goman thong murder case has stopped!””

“““I thought he committed another crime in Xiangjiang. It seems like it was just a false alarm ...”” ”

“““Perhaps the Goman kid case will be sealed in history forever, just like Jack the Ripper, and become a new unsolved mystery?”” ”

“Then, the waiter brought Zhao Yu his coffee.”

“““Don’t be discouraged!”” Zhao Yu took a sip of his coffee and advised,““even if the murderer is dead, it doesn’t mean that we can’t find out the truth!””

“““Try to investigate backward again. Perhaps the clues to the truth are hidden in the last few cases he committed?””

““““Anyway, I don’t believe that there are perfect crimes in this world. The more crimes a person commits, the more chances he will be exposed!”” ”

““““Mm ... That makes sense, that makes sense ...”” Miya thought over Zhao Yu’s words, then nodded and said,““““you really reminded me!” ”

““““The last few cases did show a different state of mind. Either the murderer’s body had problems, or his state of mind had changed. ”

““““You’re right. I’d better go back and investigate it to see if I can find anything that I haven’t noticed before ... Oh ...”” He raised his head and said to Zhao Yu with admiration,““““after you’re done with the Xiangjiang case, would you be interested in coming over to work with me?”” ”

““““Mm ... Well ...”” Zhao Yu shrugged.““““It depends on the situation! ““““But ...”” He pointed at Mia and asked,““““the Xiangjiang case ... Are you not going to handle it?”” ”

““““Yeah, I’m here for the Gu mantong killer!”” Mia said,““““since it has been proven that this case has nothing to do with the Gu mantong killer, I naturally have nothing to do with it!” ”

““““I’ve already booked a flight for tomorrow morning. As for this case ... I can only wish you good luck! ““““But ...”” He said sincerely,““““I believe in your ability. This case shouldn’t be a problem for you!”” ”

#### Chapter 1764: Can’t be embarrassed

“After that, Zhao Yu and Mia chatted for a while more until they finished their coffee. ”

“Unexpectedly, even though Mia was a foreigner, the two of them got along quite well. Regarding the Gu mantong murder case, Mia did not hold back anything and told him almost everything she knew. ”

“He told Zhao Yu that the reason why he told Zhao Yu the truth was that he hoped that one day, the truth of the case would be unearthed. ”

“In the end, he once again expressed that he hoped that Zhao Yu would have the opportunity to go to Southeast Asia in the future to help him with the investigation. ”

“Of course, Zhao Yu was also very polite to them. He said ““““have a safe journey,”” then bade farewell to professor Mia and walked out of the restaurant. ”

“Ten minutes later, Zhao Yu and Ding Lan returned to the temporary office in the police station. ”

“Although the office was much smaller than the one Zhao Yu had been to before, he was quite satisfied with the hardware. ”

““““What? Scared to death? Isn’t this too fantastical?”” ”

One could only imagine how shocked everyone was when Zhao Yu told them what Mia had said.

“Wu Xiumin then said seriously,““““but, if I were the one who wrote the report ... I still insist that there was only one murderer, so the possibility of an accomplice was very small.”” ”

““““Otherwise, it wouldn’t have ended so easily! ”

““““Also, a serial killer’s hatred usually stems from personal factors. Although the murderer is very capable, it doesn’t mean that he has accomplices!”” ”

““““The Gu mantong murder case happened in various Southeast Asian countries,”” Zeng ke analyzed.””In that case, it means that the murderer’s true identity or job often traveled to and from these Southeast Asian countries. ”

““““We ... Can we start looking for people who fit the criteria from the gate of entry? after all, science is so advanced now ...”” ”

““““Alright, please,”” cui Lizhu said, patting Zeng ke’s shoulder.””Little Zeng, you’re overthinking it again!”” Have you guys forgotten our job? ”

““““We don’t seem to be here to investigate the Gu mantong murder case, right? He just wanted to investigate the case in Xiangjiang city! ”

““““Since this case has nothing to do with Gu mantong, then ...”” She glanced at Zhao Yu,””we don’t have to worry about it anymore, right? Like the Thailand experts, they went back to their own homes and went to their mothers?”” ”

““““Of course not!”” Zhao Yu said,””the murderer who killed fan Bowei hasn’t been caught yet! ”

““““Although this case has nothing to do with Gu mantong, if we don’t find the murderer, how can I, a China detective, live in the future?”” ”

““““Boss,”” Ran Tao said hurriedly.””Since fan Bowei’s death had nothing to do with Gu mantong, it must be a vendetta, right?”” Next, we should quickly sort out his interpersonal relationships and search for his personal secret information!”” ”

““““Yes,”” Zeng ke agreed.””I’ve read the information. Fan Bowei is a rigid man, and he has had conflicts with many people!”” ”

““““But ...”” Zhao Yu pulled the whiteboard over and said,””why would you make it look like the Gu mantong murder case? ”

““““And ... In Mia’s words, fan Bowei’s murder was a very poor imitation, and the murderer didn’t even know the basic situation of the Goman Tong case! ”

““““Also, the most important thing is ... That Gu mantong!”” Zhao Yu got to the point.””Why would the murderer go through so much trouble to get a Gu mantong and put it in fan Bowei’s hands? ”

““““Miya said that Gu mantong wasn’t fan Bowei ‘s!”” ”

““““That’s true!”” Cui Lizhu thought for a moment, then asked,””could it be that the murderer didn’t kill fan Bowei just for revenge? could it be that he had another purpose?”” ”

““““That’s also why I’m here,”” Ding Lan, who had been silent for a long time, suddenly said.””There has never been a Gu Man child case in Xiangjiang before. Now that there’s one, it will definitely attract more attention, especially from the criminal Division ...”” ”

“““Oh ...”” Zhao Yu finally understood what Ding Lan meant.”““You’re saying that you’re worried that this case is a trap? And it’s directed at me?”” ”

“Zhao Yu thought about it carefully, and indeed felt that there was something wrong with it. The night before, he had been at the scene of the well case, when he suddenly received Juliet’s call. ”

“After that, the criminal Division urgently requested him to come to Xiangjiang for an investigation ... ”

“With such a major international case in Xiangjiang, of course, the central Criminal Division would send him here. So ... ”

“““No matter what the reason is?”” ““You’d better solve this case, brother-in-law!”” Ding Lan said. As long as we can find the murderer, all the mysteries will be solved!”” ”

“““But ...”” Cui Lizhu said cautiously,”““since there is a possibility that there is something fishy going on, we still have to be careful!”” No wonder I have a bad feeling since I arrived in Xiangjiang ...”” ”

“““Zeng ke ... Tell me, did you find any problems with the deduction of the video?”” ”

“Zhao Yu didn’t say anything more, but pulled over the whiteboard and started to write down the case information on it. At the same time, he turned to Zeng ke and the others and asked them some questions. ”

“In the blink of an eye, it was night time again. Zhao Yu didn’t even eat dinner, as he was still thinking about fan Bowei’s case. ”

“After an afternoon of investigation, the police officers did not find any suspects. Although fan Bowei was old-fashioned and did not have many friends, he was not the kind of person who would have a grudge against everyone. ”

“In addition, they didn’t find any suspicious targets through the surveillance video. They only found a few cars that had followed fan Bowei, but they were all ruled out. ”

“In addition, through the careful comparison of the deceased’s family, they didn’t find anything missing in fan Bowei’s house, so the possibility of robbery or murder was basically ruled out ... ”

“““How is it, everyone must be hungry?”” While they were still deep in thought, Ding Lan suddenly pushed the door open and entered, carrying a large bag of things.”““There are xiaolongbao, fishball noodles, and wonton noodles, all local specialties. Come and try them!”” She said to everyone. ”

“The moment they smelled the intoxicating fragrance, everyone gathered around. After working for such a long time, everyone was really hungry. ”

“““Here, brother-in-law ...”” Ding Lan handed Zhao Yu a cup.”““Give me a bowl of Guilin paste, it’ll help to lower your internal heat ...”” ”

“““I have a fire too. I want one too ...”” Cui Lizhu licked her face and reached out to ask for it. ”

“““Yes, there is!”” Ding Lan smiled and gave cui Lizhu a box as well. ”

“Then, Ding Lan took out a few room cards and handed them to Zhao Yu.””””Brother-in-law, this is the room card for the boleme hotel opposite the police station. They are all five-star rooms, you can give them to everyone! ”

””””We’ve already set up a perimeter around the hotel. It’s a critical period, so we’ve instructed everyone to follow the plan as much as possible. Don’t walk around!”” ”

””””I know!”” Zhao Yu opened the Guiling ointment and took a bite. It was sweet, but not greasy, and had a different flavor. ”

””””By the way, how’s the case going?”” ”” Any progress?”” Ding Lan asked, pointing at the whiteboard. ”

””””No, I didn’t!”” Zhao Yu shook his head.”””The murderer is more cautious than we thought.”” ”

””””It’s okay, I just received the news,”” Ding Lan said.”””There’s no progress at the Xiangjiang police station either! If there is, I will tell you immediately!”” ”

””””Powerful, powerful!”” Zhao Yu gave Ding Lan a thumbs up and was just about to try some of the Xiangjiang specialties. ”

“Suddenly, someone knocked on the office door again. A local police officer rushed in and reported,”” ”

””””Sir, we have just received a report that there is a murder case suspected to be Gu mantong’s in a private residence in the nearby area!”” ”

Chapter 1765: fiery eyes

“8 p.m., In a house in sharp end. ”

“Crack, crack, crack ... ”

The camera kept flashing.

“Zhao Yu stood in the middle of the room, looking at the body on the ground. ”

“The lights were dim, and the room was decorated in a somewhat depressing and strange way. ”

””””The deceased’s name is Huang lican,”” Zeng ke began to report to Zhao Yu.””He’s the person in charge of the port’s container yard. He’s 51 years old, divorced, has two children, and his son lives with him ...”” ”

””””According to preliminary estimates, the deceased died at about four o’ clock this afternoon. The cause of death should be suffocation after being tied up by a rope ... ”

””””The first person to find the body was his son. He found the scene after returning home from work. ”

””””According to his confession, he said that when he entered the scene, the door was open ...”” ”

“After listening to Zeng ke’s report, Zhao Yu squatted down and touched the dead man’s arm with his gloved hand. A golden goatle suddenly appeared. ”

“““I’ve already asked,”” Zeng ke said.”“This Gu mantong was provided for by the deceased himself! The deceased’s son can prove it. ““ ”

“““Dr. Zhang ...”” At this time, Zhao Yu saw Zhang Peipei examining the body and asked in a hurry,”” can you be sure that he died of suffocation?”” ”

Zhao Yu’s purpose in asking this question was obvious. He wanted to confirm whether the murder case was just an imitation show.

“If the victim really died of asphyxiation, it meant that this case was the same as the first one, and had nothing to do with the real Gu mantong murder case. ”

“Zhang Peipei nodded and said,””from the surface features ... The possibility of death from asphyxiation is very high!”” However, if we want to get an exact conclusion, we’ll have to wait until after the dissection!”” ”

“““Alright, then you’ll be in charge of the dissection!”” Zhao Yu said,””to see if the deceased was frightened or if there were any lacerations in his heart muscles.”” ”

“““Understood!”” ”

“As he spoke, Zhao Yu took a closer look at the body. Although the dead man’s face was hideous, he didn’t look like he had been extremely frightened. ”

“In addition, the previous Gu mantong murder cases were all committed at night, but this case happened in the afternoon. There was obviously a difference. ”

“But, even so, Zhao Yu didn’t dare to delay, so he quickly said to Zeng ke,””““Little Zeng, help me contact the Thailand expert and ask him to come over and confirm it!”” ”

“““Alright ...”” Zeng ke said. ”

“At this time, Zhao Yu raised his head and observed the environment in the room. He could see the altar that was emitting a strange light, the offering table with snacks, and many incense tables. ”

“This environment was obviously different from the first victim, fan Bowei ... ”

What ... What was going on?

“Zhao Yu couldn’t help but have some doubts. Obviously, there must be some connection between the two cases, but there were also obvious differences. ”

“Fan Bowei’s Gu mantong wasn’t his own, but Huang lican’s Gu mantong was the exact opposite. What did the murderer want? ”

“After that, Zhao Yu observed the scene, then returned to the police station to take charge of the investigation. ”

“Another whiteboard was added, and Zhao Yu wrote down Huang lican’s information on it. ”

“““Team leader,”” Zeng ke said, holding the information.””After a preliminary investigation, we didn’t find any connection between Huang lican and fan Bowei. We need to investigate further!”” ”

““““Oh.”” Zhao Yu nodded. ”

““““And,”” Zeng ke added,””about the Thailand expert you asked me to contact, I don’t know why I haven’t been able to get in touch with him!”” ”

““““I’ve already spoken to Ding Lan. She said she’ll contact ...”” ”

““““Alright ...”” ”

““““Boss ...”” Cui Lizhu pointed to the whiteboard and said,””why do I feel like these two cases are a little awkward?”” You see, the first case was fan Bowei ‘s. The case happened at night, and the last door was locked. ”

““““But the second one happened in the afternoon, and the door was open! ”

““““I feel that the murderer doesn’t have any logic, right? Isn’t that a little too casual?”” ”

““““Indeed!”” Zhao Yu shook his head.””I’m also thinking about this. If the murderer killed because of Gu Man Tong, the first one is obviously unreasonable!”” ”

““““Boss, boss ...”” Just as he finished speaking, Ran Tao suddenly ran in from outside the door, holding his mobile phone and reporting to Zhao Yu in a hurry,””look, I found a suspicious person!”” ”

“As he spoke, he played the video on his phone and explained,”” ”

““““Look, this was captured from a surveillance camera on the east side of fan Bowei’s house. It was at Seveno’ clock in the morning. Look carefully.”” He pointed at the video.””Do you see an adult with a child?”” ”

“Zhao Yu saw that, in the surveillance video, he could see a child carrying a school bag to school, walking with a middle-aged man in blue. ”

“The two of them exchanged glances. At first glance, everyone would think that the Father was sending his child to school! ”

““““But, look at this ...”” Ran Tao opened another video and said,””this is the camera from the other side of the street. It was a video from a few minutes ago. Look ...”” ”

“Zhao Yu took a look and suddenly understood what Ran Tao meant. A few minutes ago, in the video, the child carrying the school bag had been alone. ”

““““So ...”” Ran Tao said,””where did this man come from?”” You see ...”” ”

“Ran Tao turned to the whiteboard and pointed at the map of fan Bowei’s house.””““This is the location of the two surveillance cameras. Between the two cameras is the east wall of fan Bowei’s residential area! ”

““““At this time, if the murderer climbed over the wall to get out, he would be on the street where the child was!”” ”

“““Oh, I understand!”” Cui Lizhu said,““the murderer used this child to disguise himself. He saw a child on the street from the top of the wall, so he climbed over the wall and went out to get close to the child.”

“““This way, even if we catch him from the surveillance, we will only think that he is an ordinary parent who is sending his child to school!”” ”

“““Yes, and ...”” Ran Tao pointed to the video.““This guy was carrying a canvas bag, which could hide the weapon!”” It’s a rope used to strangle someone!”” ”

“““Awesome, brother Tao!”” Cui Lizhu slapped Ran Tao hard and asked,““when did you learn to have discerning eyes? You saw through such a powerful disguise?”” ”

“““Boss!”” Ran Tao looked very proud, but he still quickly said,““I have already sent people to look for this child. There is only one school nearby, so we should be able to find him soon!”” ”

“““As long as we find him, we’ll know if this man is a suspect!”” ”

“““In that case ...”” Zeng ke said.““Send me the image of the suspect, and I’ll see if I can find out his identity.”” ”

“““Okay ...”” The two of them quickly went to Zeng ke’s computer and played the video. ”

“However, although he might have found some clues, Zhao Yu was even more confused. ”

“If that person was really a suspect, it was enough to prove that he was a smart, cautious, and bold guy.”

But what was his purpose in doing this?

Why did he want to kill fan Bowei? And Huang lican ... Did he also die in his hands?

Di di ... Di di ...

“Just as he was thinking, Zhao Yu’s phone rang, and an unmarked number appeared on it. ”

“Ding Lan’s voice was heard on the other end of the line.”” ”

“““Brother-in-law, we’re in trouble. You have to come over quickly!”” ”

“““Ah?”” Zhao Yu was stunned.““What’s wrong? To where?”” ”

“““I’m at Nanfeng Road, hurry over,”” Ding Lan said solemnly.““Mi ya is dead!!!”” ”

Chapter 1766: crime case escalated

“Nanfeng Road was located to the South of Xiangjiang Island. To get there, one had to go through the undersea tunnel. ”

“Fortunately, there weren’t many cars at night, so it only took Zhao Yu slightly more than an hour to arrive at the scene.”

“Because they still had to check the new bodies, Zhao Yu had to ask Zhang Peipei to leave the examination work and follow him to the scene.”

“The south wind Road was a mountain road, and its location was relatively remote. After passing through Xiangjiang tunnel, they turned East and soon arrived at the crime scene.”

A black Ford sharp edge was parked at a bus stop by the road.

“As Zhao Yu had been discovered early, there were only two police cars on patrol to maintain order at the scene. Seeing Zhao Yu arrive, Ding Lan immediately came up to him.”

“““Brother-in-law,”” Ding Lan said,”” we found his location through his mobile phone’s GPS, but we didn’t expect that ... Mia would be dead!”” ”

“““What’s wrong?”” Zhao Yu pointed at the Ford,”” was it a car accident?”” ”

“Ding Lan shook her head, then pointed at her own neck.””””He was also strangled to death!”” ”

No way!

“Zhao Yu exclaimed in his heart, how could it be so strange! ”

He had never expected such a situation to occur. Mia was an expert in the Gu mantong murder case. How ... How did she suddenly die?

What would his death foretell?

“““But ...”” As Ding Lan led Zhao Yu forward, she said,”” this time, we didn’t find any Guman children on him!”” ”

“““His death was more like a simple murder!”” ”

“When he got to the car, Zhao Yu immediately saw professor Mia sitting in the driver’s seat.”

“At this moment, Mia’s head was tilted as she fell into the driver’s seat. She had long lost her life.”

“Under the light, Zhao Yu could see that there was a deep strangulation mark on his neck, and some parts of it were even bleeding.”

“Zhao Yu examined the scene carefully, including the bodies and the car.”

“““The car crashed into the bus stop,”” Ding Lan explained.”” Judging from the scene, Mia was attacked on the way, and then she hit the bus here! ”

“““Of course, we can’t rule out the possibility that someone strangled him first and then fabricated the scene.”” ”

“““The person died in the front seat ...”” Zhao Yu said.”” So, the murderer must have been sitting in the back seat and strangled him to death with a rope!”” ”

“““So ...”” Ding Lan concluded,”” the murderer should be someone who is close to Mia!”” ”

“““It’s hard to say ...”” Zhao Yu shook his head. ““If the murderer hid in the back seat of the car in advance, then took him by surprise, it’s possible!”” ”

“““This car ... Where did you get it?”” Zhao Yu pointed at the car and asked. ”

“““I don’t know yet, I’m still investigating!”” Ding Lan replied, ““I’ve asked the Xiangjiang police station to contact Mia’s assistant. He should be on his way here.”” ”

“““Brother-in-law ...”” Ding Lan asked in a low voice, ““do you think that Mia’s death is related to those two cases?”” Did Mia find out about the situation, so she was killed to silence her?”” ”

“““It’s hard to say. This strangle mark is different from the previous two victims,”” Zhao Yu said, pointing to the body.”” Maybe it has nothing to do with the two cases.”” ”

“““If Mia was killed because she found out about something, why did she come to such a far place?”” ”

“““Maybe ... He’s not sure yet, and he wants to prove something ...”” Ding Lan said. ““That’s why he’s here?”” ”

“Indeed, Zhao Yu also felt that it was a little unreasonable for Miya to come to such a far place in the middle of the night. ”

“““Oh yeah, since you guys found this place based on Mia’s phone’s GPS ...”” Zhao Yu suddenly thought of something.”” What about her phone?”” ”

“““It’s here. ”” Ding Lan took out a black iPhone from the evidence bag. ”

“Zhao Yu put on his gloves and checked his phone, but it required a fingerprint to unlock. ”

“Fortunately, although Miya was dead, the fingerprints were still there. ”

Zhao Yu used the dead person’s fingerprint to quickly unlock the phone.

“However, when he checked the victim’s cell phone, he did not find any suspicious clues except for a few call records. ”

“““These phone numbers are all from overseas,”” Ding Lan said, looking at the call history.”” I’ll send someone to check it out!”” ”

“While they were talking, a police car arrived at the scene. A dark-skinned young man quickly got out of the car and ran to the scene. ”

“The man was Mia’s assistant. When he saw Mia die in the car, he burst into tears and cried in thai, which he could not understand. ”

The police officer in charge of maintaining the scene quickly pulled him away.

“Zhao Yu and Ding Lan immediately walked over. Zhao Yu asked him in Chinese, ““““Why did Miya come to Xiangjiang Island?”” ”

“As expected, the assistant didn’t understand Chinese, so Ding Lan had no choice but to repeat it in English. The assistant then nodded and said, ““ ”

“““Mr. Miya asked me to book the tickets for Xiao Yaqi’s concert in advance!”“ The assistant said,““he is going to Xiangjiang island’s Stadium to watch a concert. He ... He is Xiao Yaqi’s fan ...”“ ”

F \* ck ...

Yet another surprise. Mia was actually here to watch a concert.

“““Where’s the car?”“ ““Whose car is this?”“ Ding Lan asked. ”

“““The car was lent to Mr. Miya by a friend of his, a local entrepreneur ...”“ The little assistant quickly said a name. ”

“““How ... How did this happen?”“ The little assistant burst into tears.”“Mr. Mia, why did he die? Who killed him?”“ ”

“““Let me ask you,”“ Zhao Yu asked,““before Mia came out, did she have any unusual reactions? did she receive any phone calls or see anyone?”“ ”

“““Mm ...”“ After Ding Lan repeated the story, the assistant replied,““there’s nothing unusual!”“ Mr. Miya only explained the situation to the Xiangjiang police station and confirmed that the case was not the real Gu mantong’s murder case. Then ... Then he went to the concert! ”

“““As for the phone ... Mm ...”“ He saw the mobile phone in Zhao Yu’s hand at a glance.”“Yes, this is Mr. Mia’s mobile phone!”“ ”

“““But ... He still has a white one!”“ ”

“““What?”“ ““He has two phones?”“ Ding Lan asked. ”

“““Right!”“ The assistant replied,““he has a white one, also an Apple. That’s for work!”“ ”

“Hearing this, Zhao Yu quickly turned around and snapped his fingers at Zhang Peipei, who was examining the body. However, Zhang Peipei searched the body again and did not find the White phone. ”

“After that, Zhang Peipei and the forensic scientists searched the whole car again, but they still couldn’t find it. ”

“Ten minutes later, Ding Lan reported to Zhao Yu,”“ ”

“““Brother-in-law, it has been verified that Xiao Yaqi’s concert was held at Huang Zhushan Stadium tonight. Also, looking at the time, Miya’s accident should have happened after the concert! ”

“““And about the car,”“ Ding Lan continued,““it’s a businesswoman named Yan Li. She was a University classmate of Mia, and she’s in Canada now, so I don’t think she’s a suspect.”“ ”

“““Well, then we can only check the concert’s surveillance video!”“ Zhao Yu said,““we have to follow the entire course of events after Mia finished her concert. We have to see what exactly happened to him. ”

“““And ...”“ Zhao Yu pointed at Mia’s assistant and whispered,““immediately send someone to arrest him and bring him back to the police station for interrogation! ”

“He knows about Mia’s whereabouts, and he’s someone close to him, so we have to investigate him! ”

Chapter 1767: diversion

Why?

Why?

“In the past, Zhao Yu had never encountered such a tricky and Strange Case. The Gu mantong imitation murder case was not over yet, and even the Thailand experts had been killed! ”

The three cases made Zhao Yu feel like he was in a fog.

“Due to the addition of another case, not only was the whiteboard used to write down the case not enough, but there was also a serious shortage of manpower. ”

Zhao Yu could only coordinate with the local police station and assign the Special Investigation Group members to the three cases to investigate together with the local police.

“At that moment, only Zhao Yu and Zeng ke were left in the office. Although it was already twoo’ clock in the middle of the night, the two of them were still busy with their work. ”

“”Tao has contacted the school,”” Zeng ke reported to Zhao Yu.””He has found the little boy who appeared with the suspect, and he is trying to contact him.”” ”

“”But ... Because it’s too late, I might have to wait until tomorrow morning!”” ”

“”What about the suspect? Did you find anything?”” Zhao Yu asked. ”

“”No, I’m comparing it with the database. It will take some time ...”” ”

Di di di ...

“Zhao Yu’s phone rang. It was Ding Lan.””Brother-in-law, I’ve found the numbers on Mia’s phone. They’re all his family members in Bangkok. ”

“”I’ve also looked it up through international relations. Mia does have a work phone, but it’s not registered under his name!”” “”The phone was probably taken away by the murderer!”” Ding Lan said. ”

“”And this phone could be the cause of Mia’s death!”” Zhao Yu quickly asked,””then ... Can you locate it?”” ”

“”I’ve tried, but there’s no signal at all! “”But ...”” Ding Lan said,””we can check the call history of that phone, but because of the access problem ... It will take some time!”” ”

“”Okay,”” Zhao Yu nodded,””we can’t let go of any clues.”” ”

“”By the way, we’re still looking for the surveillance footage from the stadium,”” Ding Lan said.””But ... As you know, there were more than 10000 fans that day. It’ll take some time to find Mia!”” ”

“”Okay, continue to investigate ...”” Zhao Yu said.””If you find anything, just let me know!”” ”

“Um ... Brother-in-law ...” Ding Lan hesitated for a moment before saying, “do you think ... We’ve thought too highly of ourselves?”

“What?” “What do you mean?” Zhao Yu asked, confused. ”

“Do you think that the two murder cases that imitated the Gu Man Tong’s murder were not targeted at us?” Ding Lan pondered for a moment before saying, “but ... But to attract Mia here?” This trap was designed for Mia?”

“Well ...” Zhao Yu thought for a moment, then said, “it doesn’t seem like it.” Don’t forget, Mia was in trouble not long after the second case happened! ”

“If they were after him, why did they commit the second case? ”

“And ...” Zhao Yu continued, “if you want to kill Mia, you can do it anywhere. Why did you choose Xiangjiang?”

“Hmm ... That’s true ...” Ding Lan was confused. “Then I don’t understand!” Is Mia’s death related to these two cases?”

“Don’t worry,” Zhao Yu said. “I feel like we’ll know the answer soon! Have you forgotten that your brother-in-law is a super detective?”

“Hehe ...” Ding Lan laughed dryly and hung up the phone. ”

“Zhao Yu stopped smiling and stood in front of the whiteboard, continuing to think about the case. ”

“However, it didn’t take long for Zhang Peipei and Wu Xiumin to call him again. ”

“Zhang Peipei told Zhao Yu that, in the second case, the victim, Huang lican, had indeed died of suffocation, not a torn heart. ”

“Therefore, he could now rule out the possibility that it was the real Gu mantong killer. ”

“However, the autopsy on Mia’s body had not begun yet. After all, he was a foreigner, and he still needed to go through the relevant procedures before he could be dissected for tests. ”

“Wu Xiumin informed Zhao Yu that, through the hotel’s surveillance cameras, assistant Miya’s innocence had been proven. That night, he had stayed in the hotel and had a video call with his family. ”

“Since the evidence was clear, they had no choice but to release her ... ”

“After putting down the phone, the office finally quieted down. Zhao Yu once again thought hard about the relationship between the three cases. ”

“First, on lanshu Street in Xiangjiang, the victim was a white-collared executive. He died at night and the murderer stuffed a Gu mantong into his mouth ... ”

“However, in the second case, the victim was also a white-collared executive in a small district in tsunstip. However, he had died in the afternoon and Gu mantong had been provided for by him. ”

“The third case was Nan Feng ‘s. The deceased was a Thailand expert, Dr. Miya. He died in a car that he borrowed at night, but there was no Gu mantong in his arms ... ”

“For some reason, the three cases seemed to be closely related, but when they were analyzed together, there were too many similarities and differences.”

“The time was not right, the place was not right, the identity was not right, the time between them was not right, the Gu mantong was also not right. Some of the doors were locked, some were open, and some were simply left in the car ... ”

What did the murderer want to do?

“Just like that, Zhao Yu stood in front of the three whiteboards, pacing back and forth, thinking hard. Just like before, standing in front of the whiteboards, he felt that the truth of the case was very close to him, but he had yet to figure out the key point! ”

The key point was ...

The key point was ...

“Thinking about the key points in his mind, Zhao Yu’s eyes almost naturally fell on the three words “Gu mantong.””

That’s right!

All the cases were caused by Gu mantong.

Then ...

Could the key point be ...

Hmm ...

“He suddenly remembered that after Miya was killed, she did not have Gu mantong in her arms! ”

What did this mean?

This meant ...

“Zhao Yu thought about this for a while, then his eyes suddenly lit up. He immediately turned the whiteboard, turning the one that had Miya’s murder written on it. ”

“In this way, only the two murder cases that mimicked the Gu Man Tong remained in front of him. ”

If ...

“Zhao Yu thought,”so, Miya’s death has nothing to do with these two cases?””

Could he find something?

“Mia had said that, at least for fan Bowei’s case, the murderer’s imitation was quite poor, which meant that he had not even done his homework on the real Gu mantong murder case! ”

Then ...

Why did he want to kill fan Bowei?

Revenge killing?

No...

“Suddenly, Zhao Yu had an idea. He seemed to have thought of a very important point. ”

What if the murderer didn't kill fan Bowei because of revenge?

Then ... What other reason could there be?

“And ... There's a second victim, Huang lican? ”

“If these two people's deaths were not due to revenge, and not because of Gu mantong, then ... Then what else could it be? ”

“Fan Bowei ... Zhao Yu recalled carefully and murmured in his heart, fan Bowei was the director of the Customs Department ... Huang lican was the person in charge of the Xiangjiang dock container yard! ”

Customs ... Port ... Cargo!

Ding dong!

“In that instant, it was as if a doorbell in her head had been suddenly rang. ”

“Zhao Yu suddenly thought of an important place. He exclaimed, then ran to Zeng ke and shouted, ””””Zeng ke, Zeng ke ... ”

””””Hurry ... Hurry up and check the detailed information of fan Bowei and Huang lican, and focus on their work!”” ”

””””Oh?”” Zeng ke was stunned, then quickly turned on his computer and pulled up the information of the two. ”

””””Oh my God ...”” After Zhao Yu looked at it, he pointed at a map on the computer screen and said, ””it turns out that the murderer gave me a diversion! ”

””””He only made us think of Gu mantong, but his real purpose is here!!!”” ”

Chapter 1768: strength

””””I found it, I found it!”” Ten minutes later, Zeng ke found an important clue through the Customs Department. He quickly took out his laptop and told Zhao Yu, ””on the night fan Bowei was killed, he logged into the customs system! ”

””””This is the internal system of the customs. Only some senior executives can access it and check the list of all imported and exported goods ... ”” ”

””””Oh, it's possible ... That's why the murderer killed fan Bowei. He must have been forced to log in.”” Zhao Yu asked, ””Zeng ke, can you see what he does after he logs in?”” ”

””””Well ...”” Zeng ke clicked on the link and said, ””he only registered the list of goods at customs, but did not add or delete anything. I guess he just searched it!”” ”

""Search?"" Zhao Yu clenched his fists.""Can you find out what he was searching for?"" "

""This isn't easy to handle!"" Zeng ke shook his head.""I have to go to the customs server to find fan Bowei's specific search traces!"" "

""However, according to the customs administrator, fan Bowei's main focus was on container goods. I'm guessing that he's trying to find the exact location of a certain container. "" "

""The container ... How about it ..."" Zhao Yu clapped his hands.""The second victim, Huang lican, was the person in charge of the container factory. The starting point of this case was not Gu mantong at all. Gu mantong was just trying to distract us!"" "

""And the murderer was really looking for a container?"" Zeng ke was puzzled.""Why did you find such a container? you even dared to kill people for it?"" "

""It's useless to say all this now!"" Zhao Yu said, ""we have to find this container to know what's inside."" "

""Plus, Huang lican just died not long ago, "" Zhao Yu said.""It's night time now, so if we act fast, we might be able to catch up with them!"" "

""Then ... I'll contact the customs officers and see if they can use a trace search to find out which container fan Bowei is looking for! "

""But ... Team leader, "" Zeng ke asked again, ""should we inform the container yard now? Aren't there security guards there?"" "

""You know how big the Xiangjiang Wharf is!"" Zhao Yu said, ""if we can't find the exact location, we'll be left scratching blindly! "

""Also, these people came prepared. I don't believe that the security at the container yard can stop them!"" "

""Okay ... I'll hurry ..."" As soon as Zeng ke picked up his phone, Zhao Yu's mobile phone suddenly rang. "

Di di di ...

He opened the phone and saw that it was Ran Tao.

""Boss, I did as you said and searched Huang lican's house carefully. You're right. This time, I really found something!"" "

""Oh? What's that?"" "

""Huang lican's work card is missing! His son said that the card was the access card to Huang lican's workplace. It was usually placed in the drawer, but he couldn't find it after searching the cabinet. "

""Then, I contacted Huang lican's unit. They also said that work cards are always carried with them ..."" "

“““I’ll cut!”” Zhao Yu suddenly stood up and shouted at Zeng ke,“““contact the Xiangjiang police station and ask them to send reinforcements to the Xiangjiang dock container yard!”” ”

“““Ran Tao,”” he said over the phone,“““if I’m not wrong, the murderers are now using Huang lican’s work card to carry out criminal activities at the container yard!”” ”

“““Inform Huang lican’s unit to check on the usage of Huang lican’s work card. Where the card is used indicates where the problem is ...”” ”

“““Yes!”” Ran Tao realized the importance of the matter and immediately went to investigate according to Zhao Yu’s instructions. ”

Zhao Yu quickly put on his clothes and ran straight to the main entrance of the police station.

“Just as he ran out of the police station, Ding Lan’s car arrived. Ding Lan did a beautiful drift, and the car screeched to a stop right next to Zhao Yu. ”

“After they got into the car, Ding Lan threw a pistol to Zhao Yu. ”

“““Don’t worry!”” Ding Lan said,“““my men are on their way to the box cargo dock. If the murderer is really there, I don’t think a crazy detective like you would need to do it personally!”” ”

“With that, Ding Lan stepped on the gas, and the car sped toward the dock. ”

“““Brother-in-law, I don’t understand ...”” While they were driving, Ding Lan asked Zhao Yu,“““How did you come up with this idea in such a short time?” ”

“““I’m still thinking about Gu mantong ...”” ”

“““Ha ... Ha ha ...”” Zhao Yu said humbly,“““this is what strength is, right? I have no choice, hehe ... ”

“““You’re right, the most cunning part of the murderer is here!”” Then, Zhao Yu began to explain the reason.“““If they killed fan Bowei so easily, we would definitely investigate all the details about fan Bowei, including his work! ”

“““However, the sudden appearance of a Gu Man Tong made the case unusual. ”

“““So, our eyes were only on Gu mantong, but we ignored the identity of the deceased. ”

“““Of course, how could all of this escape my sharp eyes?”” Zhao Yu said proudly,“““when the second case appeared, I thought of Huang lican’s workplace, and my mind suddenly cleared up ...”” ”

“““Oh, so ...”” Ding Lan asked,“““this case might be related to the containers at the dock?”” You killed someone just to find a container?”” ”

“““This is enough to show how important this batch of goods is!”” Zhao Yu nodded.“““If it was an ordinary smuggling case, it wouldn’t have caused such a big commotion. The scale of this case is definitely not small! ”

“““So, I’ve already applied for support. Xiangjiang is called ... What’s it called again ... Flying Tiger Team, right?”” ”

“““But ...”” Ding Lan frowned and asked,““if that’s the case, why did Mia get killed?”” Don’t tell me ... His case has nothing to do with these two cases?”” ”

“““I can’t say for sure, but ...”” Zhao Yu pointed to the front and said,““let’s see how lucky we are today. I hope those criminals haven’t gotten what they want yet. If they’ve already run away, it’ll be hard to catch them!”” ”

Di di ...

“Just as Zhao Yu finished speaking, Ran Tao called him again. ”

“““Boss, you got it again!”” Ran Tao said excitedly,““there is feedback from the box yard. They said that Huang lican’s work card was used at Pier 6 an hour ago!”” ”

“““Pier 6!”” Zhao Yu quickly signaled Ding Lan, who stepped on the gas pedal, as if she was about to fly. ”

“““Ran Tao, tell the people at the container yard not to act rashly,”” Zhao Yu said.““These robbers came prepared. They might even have weapons with them. Let’s wait until our backup arrives!”” ”

“““I understand, but ...”” Ran Tao said anxiously,““it’s been an hour, can we still make it in time?”” ”

“““There should be no problem!”” Zhao Yu said,““they went through so much trouble. It’s impossible for them to just take a small thing! ”

“““Our show is about to begin!”” ”

Chapter 1769: double-crossing

Whoosh ...

“On the freight yard that was full of containers, there was a violent collision sound. ”

Ding Lan’s bulletproof MPV knocked into a pickup truck that was trying to escape. The truck rolled two rounds before it tilted to one side.

“As the pickup rolled over, the sound of a propeller suddenly came from the air, and police sirens sounded from all directions. In the blink of an eye, dozens of police cars rushed over. ”

Bang Bang Bang ...

“As the car door opened, hundreds of armed Flying Tigers surrounded the car. ”

“At the same time, the hexagram in Zhao Yu’s mind also flashed. ”

“The system reminded Zhao Yu that the Gen Qian kan Zhen hexagram had ended, and he had obtained a super high completion rate of 607%. In addition to the tools and points rewarded by the system, he had also successfully obtained the universal scope. ”

“In addition, because he had previously bet more than 2400 points on a completion rate of 600% and above, this time, he had also made a lot of money as he had wished. ”

“Including all his points, his total points had reached an astonishing 50000 points. He was only half way from the next upgrade of the system. ”

“Of course, because of the hexagram, Zhao Yu didn’t have much expectations for the arrest operation at the Xiangjiang port container yard. ”

“He knew that, after all, in the hexagram that he had opened this time, only the “Qian” hexagram had appeared, not the “kun” hexagram that represented a major event. ”

“If it was the kun hexagram, it would be a different story! ”

“However, even though Zhao Yu knew that nothing major would happen, the criminals in front of him were still a little different from what he had expected. ”

“This was because they only had four people and a car. They didn’t carry any powerful weapons, not even a pistol. ”

“About ten minutes ago, when Zhao Yu and Ding Lan had arrived at the No. 6 container yard, he had used the invisible drone to observe the situation. He saw a group of people working on a huge container. ”

“When he got closer, he saw that they were moving things from the containers and loading cardboard boxes onto their pickup truck. ”

“In the end, before Zhao Yu and Ding Lan could do anything, the helicopter from the Flying Tigers team arrived! ”

“The panicked robbers had no choice but to get into the car and escape, but Ding Lan happened to hit them, which led to what had happened earlier. ”

“After the pickup was knocked over, the fully armed Flying Tiger members swarmed forward and quickly took control of the four criminals. ”

The entire arrest process was simple and clear without any suspense.

“A few minutes later, the four criminals were escorted by the Flying Tigers members in a row on the open space and knelt on the ground. ”

“Zhao Yu took out the photos on his mobile phone and compared them one by one. When he compared them to the fourth one, Zhao Yu’s eyes lit up. He saw that this was the man who had appeared near fan Boweri’s house, pretending to be the Father of a school kid. ”

“In this way, the case had become quite clear even before the interrogation began. ”

Fan Boweri and Huang lican’s deaths were definitely their doing!

“Of course, the case could only be considered half-done at this point. ”

“Then, Zhao Yu and Ding Lan walked towards the overturned pickup truck. They saw that there were a lot of cardboard boxes in the pickup truck, some of which had been damaged due to the accident. ”

“““It can’t be?”” Zhao Yu was speechless. He shook his head at Ding Lan and said,“““I thought that with such a big commotion, it would be some kind of exclusive product! ”

“““It’s all ... Money!?”” ”

“Ran Tao, who had just arrived, came to Zhao Yu and reported,““““Team leader, these five criminals took control of the night security guards of the sixth goods yard, and then drove in with Huang lican’s pass! ”

“““The security guards are all fine. They’ve been rescued!”” ”

“““Mm ...”” Zhao Yu nodded, his eyes looking at the money again. ”

“““Wow! What ... What is this?”” Ran Tao’s eyes widened.“““This ... This much money?”” This is ... US dollars?”” ”

“““It seems ...”” Ding Lan looked at the money, then at the open container in the distance.“““This isn’t just a simple smuggling murder case. Why do I smell a conspiracy?”” ”

“““Indeed ...”” Zhao Yu nodded and said,“““if it was done by our own people, why couldn’t we find the container and sell the stolen goods directly at the dock?”” ”

“““It seems that I’m quite lucky. I solved a big case on my first visit to Xiangjiang!”” ”

“Then, Zhao Yu and Ding Lan turned around and walked towards the container, while Ran Tao was still staring at the cash in a daze. ”

“When they came to the container and saw the situation inside, Zhao Yu and Miao Ying finally understood. They saw that in the container that had been pried open, there were several two-meter-tall Kasaya Buddhas! ”

“The Buddha’s body was cast in copper. Among them, the heads of two big Buddhas were cut open, and inside them were paper boxes wrapped with banknotes. ”

“““Boss, boss ...”” Ran Tao ran over in a hurry and pointed at the container.“““This container was shipped from mahazaya (a country in Southeast Asia). These copper Buddhas were sent to Kongming temple for consecration, and then transported to the mainland ...”” ”

“““Tsk tsk ...”” Zhao Yu shook his head.“““That’s F \* cking immoral. They’re using the Buddha statues to smuggle ... But ...”” Zhao Yu turned to Ding Lan.“““Is this considered smuggling?”” There’s money involved in smuggling?”” ”

“““Yes!”” Ran Tao picked one up from the ground and looked at it. “““Are these all fake?”” ”

“However, after looking at it for a long time, Ran Tao couldn’t tell whether it was real or not. ”

“Ding Lan knew the trick, and after some observation, she told Zhao Yu,““““The money is real! Moreover, there are almost no new tickets, and there are even defective tickets!”” ”

“““What if we can fill these four Buddhas?”” Zhao Yu looked up and exclaimed,““isn’t there at least a hundred million Yuan in this?”” ”

“““No, not that much!”” ““I just saw that some of the boxes didn’t contain 100-dollar bills,”” said Ding Lan.““There were even smaller ones!”” ”

“““So much money?”” Zhao Yu scratched his head.““No wonder the four of them dared to take such a risk!”” ”

“““Okay,”” Ding Lan shook Zhao Yu’s hand and complimented him,““congratulations, brother-in-law, you solved such a big case when you just arrived in Xiangjiang!”” ”

“““Don’t say it. If you hadn’t figured out their true intentions first, they might have gotten their way!”” Ding Lan pointed at the container.““After today, it’ll be hard to catch them again. Thank God you found them in time!”” ”

“““No, no, no, it’s all my credit. Oh, no, it’s not my credit alone,”” Zhao Yu corrected her.““It’s inseparable from everyone’s efforts!”” ”

“““But ...”” Zhao Yu looked at the few suspects who were being taken into the police car and said to Ding Lan,““our mission isn’t over yet!”” ”

“““Don’t forget, out of the three cases, we’re still missing one!”” ”

“““En!”” Thinking of the murder of the Thailand experts, Ding Lan immediately nodded.““Then let’s go back to the police station and interrogate them!”” ”

“““Let’s see if they have anything to do with Mia’s death!”” ”

Chapter 1770: died of greed

“The next day, 8 am, in the Special Investigation Group office of the Xiangjiang police force. ”

“Wu Xiumin handed the interrogation report to Zhao Yu. After last night’s interrogation, the four people confessed to the murders of fan Bowei and Huang lican, as well as attacking the guard of the container yard and stealing cash. ”

“It turned out that the four of them were drug dealers from mahazaya. They were the underlings of a famous drug lord in mahazaya. This time, they came to Xiangjiang for the US dollar bills hidden in the copper Buddha. ”

The entire process of this crime could be traced back to the coup that happened not long ago in mahazaya.

“Maha Zaya was an independent island country in Southeast Asia. Because of its special geographical location, many of the local islands were involved with drug dealers from all over the world. It had always been known as the Golden Triangle of the sea, and a large number of drugs flowed out from there every year. ”

“Moreover, the local government had been in cahoots with the drug dealers for a long time and was notorious.”

“However, not long ago, the reformists of mahazaya had suddenly emerged and launched a coup in the capital, overthrowing the old faction and establishing a new government.”

“After that, the new government was determined to wash away the old shame and quickly joined forces with the military of many countries to carry out an unprecedented joint purge of the drug lords hiding in the Maha Zaya territory.”

“Among them, there was a man named Polo ahong, the leader of the drug dealers there. He had a premonition that his power was gone. In order to preserve his strength, he cast all his accumulated drug funds into the bronze Buddha and sent the bronze Buddha to Xiangjiang.”

“After that, he brought his family to Xiangjiang to find the copper Buddha and continue his life as a rich man.”

“However, before he could retreat in one piece, the coalition Army had attacked his old nest. He and his family all died in the clean-up, but his four men were lucky enough to survive.”

“The four of them gathered together and discussed it. They felt that this was a great opportunity to make a fortune. As long as they could find the four Buddhas, they would be able to get more money than they could spend in ten lifetimes.”

“However, they were just ordinary men of Polo ahong. Although they were involved in the transfer of the money and knew that the Buddha statues were sent to Xiangjiang, they had no idea where the Buddha statues were stored and where they were transported to.”

“Moreover, the most troublesome thing was that Boro ahong must have other subordinates who survived. Those people would also have their eyes on the Buddha statue, so they had to strike while the iron was hot and act as soon as possible.”

“Therefore, the four of them finally managed to sneak into Xiangjiang.”

“However, when they went to the Xiangjiang cargo terminal, they were dumbfounded. There were so many containers, but they had no idea where the Buddha statue was stored.”

They had no choice but to calm down and ask around step by step.

“In the end, through many inquiries, the four of them finally learned further information. They learned that the director of the Customs Department, fan Bowei, could help them find the location of the Buddha statue, and Huang lican, who worked at the dock’s container yard, could help them transfer banknotes at the dock.”

“At first, they only wanted to use the simplest method, which was to hold fan Bowei and Huang lican hostage, to force them to find the location of the Buddha statue and transfer the things inside.”

“However, these four people were quite cunning. They knew that it would take a long time to transfer the money in the Buddha statue. If they only threatened the two people, they would be easily exposed.”

“Thus, they had already harbored killing intent since then, not wanting to leave anyone alive.”

“However, they soon realized that they couldn’t kill the person, because after the murder, the police would immediately investigate the victim’s work and quickly shift their attention to the customs or the dock.”

“If that happened, they would have lost the rice instead of trying to steal the chicken.”

“Thus, at the crucial moment, one of the people called Mi yang suddenly had a plan and thought of Gu mantong’s idea.”

“This was because, in the Gu mantong serial murder case, two of them had happened in Maha Zaya, so they still remembered it clearly.”

“Mi yang felt that if they could disguise the murder scene as the Gu mantong murder case, they could divert the police’s attention and create a diversion.”

“Moreover, when they investigated Huang lican, they also found out that he had the habit of providing for Gu mantong. They could use this to achieve their own goals.”

“Mi Yang’s idea immediately got the unanimous approval of his accomplices. Thus, a murder case disguised as a Gu mantong happened!”

“If Zhao Yu hadn’t peeked at the truth in the end and caught the key point of the case, he might have really fallen into their trap.”

“At that time, they had already found the location of the container with the Buddha statue through the system check done by fan Bowei. Then, they used Huang lican’s pass and went to Dock 6 without any obstacles.”

“Moreover, they had already anticipated that it was impossible for them to carry the Buddha statue away, so they had prepared cutting tools in advance to cut the Buddha statue.”

“However, they had overlooked one crucial point in the end, and that was their greed!”

“According to the criminal’s personal confession, it only took them about 20 minutes to cut one side of the Buddha statue and take the money inside.”

“If they had stopped in time and driven the car away, they would have been able to avoid Zhao Yu and the others ‘arrest.”

“Unfortunately, a man’s heart was not content. Looking at the pickup truck that was not fully filled, the four of them did not hesitate to cut the second Buddha statue ...”

“In the end, it was their greed that led to their eventual destruction. By the time they realized it, it was too late for regrets!”

“””Amazing, amazing!”” At this time, inspector Cheng Jiajun came into the office and praised Zhao Yu and the others,“”you’re really a genius detective!”

“””It’s a good thing we met you. Otherwise, we would be in big trouble!”

“““Hahaha ... It’s all good now,”” inspector Cheng said with a carefree expression.””Not only did it prove that the two cases had nothing to do with the Gu mantong murder case, but it also helped us crack a major smuggling case worth hundreds of millions! ”

“““Detective Zhao, you’ve really made a great contribution! Tomorrow night, we’ll be holding a press conference and a celebration party at the police station. At that time, the chief Superintendent will also ...”” ”

Zhao Yu was not in the mood to listen to inspector Cheng’s nonsense. He walked to the whiteboard and turned his gaze to the third whiteboard.

“After interrogating the four criminals, he now knew that they had nothing to do with Mia’s death! ”

The four of them claimed that they had no idea who Mia was.

“Moreover, they had been busy preparing for the Buddha statue that night and had no energy to pay attention to anything else. ”

“So, Miya’s death should have nothing to do with these two Gu mantong imitations. ”

Since that was the case ...

“Zhao Yu frowned and had a bad feeling. If Mia’s death had nothing to do with the two cases, then ... What else could have caused his death? ”

Could it be ...

Could it be ...

“Suddenly, Zhao Yu recalled the conversation he had with Mia. At that time, Zhao Yu had given him a few directions to investigate the case. ”

“Zhao Yu could still remember that Mia’s eyebrows had relaxed after she heard that, as if she had thought of something. ”

Could it be that his death was related to the real Gu mantong murder case?
