Chapter 1781: hiding?

“Maha Zaya, National Guard, 10 am. ”

“““What? A funeral?”” Juliet, disguised as a reporter, was talking to a local police officer.”“But ... We made an appointment in advance! ”

“““So your Ministry of Foreign Affairs also knows about this!”” ”

“““Miss,”” the head of the police said in fluent English,”“funerals wait for no one! As colleagues, we can’t just focus on the interview and ignore the funeral, right?”” ”

“As Juliet was talking to the man, Zhao Yu, who was standing behind the crowd, observed the environment carefully, and realized that the so-called National Guards Bureau was really terrible. ”

“The dilapidated two-story building, the lazy guards at the door, and the uneven uniforms made it look more like a police station. ”

“Moreover, there were so many of them, but they did not register or check. They just drove straight in without anyone stopping them or paying attention. ”

“““Funeral? whose funeral?”” Juliet asked. ”

“““Deputy Chief!”” The person-in-charge replied,”“the Deputy director’s house caught on fire and his entire family died ... Sigh ...”” ”

“““Oh?”” Juliet frowned and asked again,”“so, most of the officers went to the funeral today? Your bureau chief went too?”” ”

“““Of course, with such a big thing happening, the director has to go!”” ”

“““Tsk, tsk ...”” Juliet shook her head helplessly. ”

“““But ...”” The person-in-charge suggested,”“why don’t you interview me first? I’m the logistics Director of the garrison guard Bureau, so I know a lot of things!”” ”

“““What do you want to know? Do you want to know the impact of the new policy on our security force?”” ”

“““Well ...”” Juliet exchanged a look with her men, and then pretended to be happy.”“That’s great!”” ”

“As Juliet said this, someone immediately came up to her with a camera and a microphone. ”

“““Is that so?”” The person-in-charge adjusted his collar and said nervously,”“will this part be broadcast on TV?”” ”

.....

“An hour later, Zhao Yu was sitting in the car broadcasting the news, looking at the street View outside the garrison guard station. ”

“The weather was hot, but dark clouds were gathering in the sky, as if a heavy rain was about to fall. According to the information, Zhao Yu knew that in mahazaya, it rained half a year. ”

“Through the car window, he could see that on the deserted streets, there were groups of people in twos and threes. People were dressed in ragged clothes. Some were chatting, while others were hurrying on their way. ”

“There were all sorts of vehicles on the streets. There were bicycles, carts, donkey carts, horse carriages, motorcycles ... ”

“He really didn’t expect that this was the capital of a country, but it was so backward. ”

It was said that there were still uncivilized primitive people living in the primitive forest in the center of the island. Some places even had the habit of eating people.

Bang ...

“Just then, the door opened, and Juliet and her men got into the car. ”

“““There’s a problem, Zhao!”” As soon as they got in the car, Juliet’s expression changed.”“We might be in big trouble!”” She said with a serious face. ”

“““Oh?”” Zhao Yu and Ding Lan were stunned. Ding Lan quickly asked,”“what happened?”” ”

“““Through interviews and investigations, we have found the person who spoke to Mia!”” Juliet lit a cigarette and said nervously,”“the man’s name is Marge. He’s the Deputy Director of the National Guard, and the captain of the criminal Police in charge of the Goman thong murder case!”” ”

“““Ah?”” Suddenly, Zhao Yu realized something. ”

“““Right!”” Juliet nodded and said,”“the garrison guard held the funeral for him today!”” ”

“His words immediately froze the atmosphere in the car. For a minute, no one spoke. ”

“““This ...”” After a long while, Ding Lan finally said in a low voice,”“we’re in trouble!”” ”

“““I bet ten thousand euros!”” One of Juliet’s men said in English,”“the Deputy Director definitely didn’t die of natural causes!”” ”

“““Yes,”” another person said.”“It rains all year long in mahazaya and they were burned to death. We have to put in some gasoline!”” ”

“““The whole family is dead. What does this mean? The murderer is ruthless!”” ”

The crowd started to discuss.

“““Zhao,”” Juliet looked at Zhao Yu and said,”“did you notice? If Marge’s death was because of that phone call with Mia, then the whole thing is pointing to the Gu mantong murder case!”” ”

“““Mm ...”” Zhao Yu nodded.”“I’ve thought of it. It seems ... Tsk tsk ...”” ”

It was undeniable that Zhao Yu had encountered the most difficult case in history.

“Now, the clues for the Gu mantong murder case were clearly placed in front of them, but everyone knew that if they continued to persist, what would they encounter? ”

Huala ...

“At this moment, the door of the news van was suddenly pushed open. The nervous agents immediately took out their pistols and pointed them at the door. ”

“““Oh oh oh ...”” The person outside the door was shocked and hurriedly raised his hands. ”

“The next second, when they saw that it was one of Juliet’s men, they put down their guns. ”

“““What ... What’s wrong?”” The agent sighed, then turned to Juliet and said,““Sir, I just checked their files. The list of suspects for the Goman thong murder has been deleted!”” ”

“As he spoke, he turned on his phone and showed Juliet the picture he had just taken. ”

“““Look, all the other files are here, except for the list of suspects!”” ”

Hu ...

“Hearing this news, Zhao Yu started to pant heavily. The facts were obvious. Someone wanted to cover up the information regarding the Gu mantong murder case, and obstruct anyone from investigating this case. ”

Whoosh ... Whoosh ...

“Zhao Yu closed his eyes and tried to recall the whole process. Without a doubt, the final conclusion he came to was terrifying! ”

“““But ...”” Ding Lan said,““I still don’t understand! Although the Gu mantong murder case had many victims, it was still a serial murder case! ”

“““Why ... Why did it end up like this? ”

“““Why is someone so crazy about obstructing the investigation? could this person be the murderer himself?”” ”

Ding Lan’s question was exactly what everyone else couldn’t understand.

“““And,”” Zhao Yu added,““this person even dared to kill the Deputy bureau chief of the garrison guards, and he killed so many people. It’s enough to show that his power is much more powerful than we thought!”” ”

“““Juliet,”” Zhao Yu said to France senior,““I don’t think you need to hide it anymore, right? What else do you ... Know?”” ”

“““Eh? I?”” Juliet was taken aback, and then said innocently,““I’ve told you everything I know! We’re investigating together, what else do I have to hide?”” ”

“““Fine, you won’t tell me, right?”” Zhao Yu waved his hand and said,““then let’s go our separate ways! I don’t want to continue investigating this case!”” ”

“Then, Zhao Yu snapped his fingers, and Ding Lan took out her phone to book plane tickets. ”

“”Zhao,”” Juliet said solemnly,””I’ve shared all my information with you. I did hide something before because I didn’t want you to solve the case alone, but now I swear to God that I didn’t hide anything from you!”” ”

“”Is that so?”” Zhao Yu asked,””then tell me, why are you so concerned about this case? If we solve the Gu mantong murder case, what good will it do you?”” ”

Chapter 1782: mission

“”Alright,”” Juliet said as she looked around at her men.””Since everyone is here, I’ll get straight to the point! ”

“”Listen up, all of you. I’m insistent on investigating this case not because I want to, but ... But because our President wants to find out the truth!”” ”

Whoosh ...

There was dead silence in the carriage. Juliet’s men were all dumbfounded.

“”There’s nothing to be surprised about!”” Juliet shrugged.””The president is a fan of detective novels! ”

“”And ... The fourth victim of the Gu mantong case, Miss Li Lan from Singapore, was the president’s University classmate and ex-girlfriend, so...You can figure out the relationship between the two if you analyze it yourself!”” ”

“As soon as he said that, the carriage fell into a dead silence again. ”

“Zhao Yu and Ding Lan looked at each other, their minds in a mess. No one would have thought that Juliet’s intervention would be for such a weird reason. ”

“”Of course,”” Juliet said.””If the case is solved, it’ll be good for me! It’s not just me, it’s the same for all of you!”” ”

“With that, Juliet glanced at her men again, and this time, they all puffed out their chests, their eyes shining with a strange light. ”

“”Zhao,”” Juliet said,””I’m just trying to show my sincerity. I’m forced to say it! However, I’ve also promised Female Miao that I’ll ensure your personal safety! ”

“”So ...”” She pointed at Ding Lan and said,””just book the plane tickets and leave this place as soon as possible. Leave the rest to us!”” ”

“”This ...”” Zhao Yu and Ding Lan looked at each other. ”

“”But ...”” Juliet got close to Zhao Yu and pulled him by the collar very affectionately.””You must keep this secret a secret!”” ”

“““Do you know how serious the consequences will be if you leak the information?”” ”

“““I know, but ...”” Zhao Yu said.””I’d advise you to book your flight tickets as soon as possible! The thing behind the Gu Man case is not to be trifled with!”” ”

“““I understand,”” Juliet said.””But this is our mission! Even if we have other purposes, finding the truth of the Gu mantong case is at least fair to the more than twenty innocent victims, isn’t it?”” ”

“When Juliet spoke, her men’s eyes glowed with determination. ”

“It was obvious that although they knew the danger, they were still full of hope and confidence in the investigation. ”

Di di ...

“At that moment, Zhao Yu’s phone rang. He opened it and saw that Ding Lan had sent him a text message. ”

“““Don’t believe her. She’s trying to goad us into action!”” ”

Hehe ...

“Zhao Yu smiled, but didn’t look at Ding Lan. ”

“““Sis, in that case ...”” Zhao Yu patted Juliet on the shoulder.””I can only wish you good luck! Anyway, I can’t continue to follow up on this case! ”

“““I hope you can understand. As long as we’re not in mahazaya, I’ll accompany you to the end, but now ... Hehe ...”” ”

“““Understood!”” Juliet didn’t try to stop him.””I know that this case has nothing to do with you, and the clues can’t be more obvious! ”

“““We can handle this. You can go home without worry!”” ”

“With that, Juliet snapped her fingers, and the news van started to move, ready to return to the hotel. ”

“After the bus started moving, the interior of the bus fell into silence. No one was talking, and it was completely different from the usual scene. ”

“However, after driving for more than ten minutes, the driver still turned around and muttered,”” ”

“““Sir, we’re being watched!”” ”

“Through the surveillance screen, Juliet soon saw a black car behind the news van. It was an old Santana, covered in mud, and even the license plate couldn’t be seen clearly. ”

“““I’m thinking ...”” One of the agents in the car said.””If we catch this guy, can we find the mastermind behind this?”” ”

“““Ignore him!”” Juliet said indifferently,””they still don’t know what we’re doing. Don’t move for now and just go back to the hotel!”” ”

“Just like that, the news van drove straight back to the Hilton Hotel, while Zhao Yu and Ding Lan returned to their rooms.”

“However, after entering the room, Ding Lan was not in a hurry to express her opinion, but scanned the room first. After making sure that there were no problems, she said to Zhao Yu,”

“If she wasn’t trying to provoke you, she wouldn’t have had to talk about the president!” Ding Lan shrugged. “Just send us away and then start his investigation!”

“Brother-in-law, don’t fall for it. Although she doesn’t need your help with the case anymore, there are still many benefits for her to continue working with you!”

“At the very least, you represent the Secret Service. As long as you’re here, the Secret Service will have to participate.”

“This way, they will have another layer of protection!”

“I know, I understand everything ...” Zhao Yu sighed heavily and said, “but, just leaving like that, I don’t feel very comfortable!” This isn’t my style!”

“Even if you’re crazy, you have to know your limits,” Ding Lan advised. “As a qualified agent, you have to first assess the risks. Regarding the Gu Man Tong incident, no matter how you look at it, there’s no benefit to us. Since there’s no benefit, there’s no need to invest any more experience!”

“But ... Miya’s case ...” Zhao Yu shook his head. “That’s like giving up halfway!”

“I knew you’d say that. Stop finding excuses for yourself to stay,” Ding Lan advised. “You said it yourself, mahazaya is no different!”

“Their political situation is still unstable, and now there’s a terrifying force eyeing them covetously from behind. This is not something we can solve at all!”

“Mm ...” Zhao Yu nodded. “I understand, I understand everything! So ... Have you booked the plane tickets?”

“I’ve booked it. We’ll be flying to Xiangjiang airport at 3 pm!” “Let’s leave this place as soon as possible!” Ding Lan said.

“Alright, it seems like ... That’s the only way!” Zhao Yu said, “wait until the political situation is stable in the future. I really can’t imagine this case ... How did it become like this!”

“Brother-in-law,” Ding Lan thought for a moment, then said, “do you think that the reason the Gu mantong murder case hasn’t been solved for so many years is because someone is supporting the killer?”

“I was just thinking, could the Gu mantong murder case be a disguised political assassination? The dead ...”

“No!” Zhao Yu said, “I’ve checked the information, and the majority of the victims were businessmen. After all, it was impossible to raise a Gu mantong without a certain amount of financial strength!”

“““Business and politics are closely related,”” Ding Lan continued her theory,””maybe there’s a bigger conspiracy behind this case!”” ”

“““Otherwise, why are people trying so hard to obstruct the investigation now?”” ”

“““Your words have reminded me!”” Zhao Yu said,””if Mia’s death was really related to the Gu Man child case, it means that someone had been watching Mia’s every move since she was in Xiangjiang! ”

“““If we can catch the person who killed Mia, we might be able to get more information.”” ”

“““That’s easier said than done, brother-in-law!”” Ding Lan shook her head.””It’s a professional killer. It won’t be easy to find out.”” ”

“““No! The person who killed Mia was not a professional killer, but someone he knew, someone he was familiar with! ”

“““Mm ... I ...”” Suddenly, Zhao Yu’s eyes lit up, as if he had thought of an idea. He quickly picked up his mobile phone and said,””I’ll call Zeng ke now. Maybe we can find this person!”” ”

Chapter 1783: The deleted suspect

“““I asked Zeng ke to take the suspect’s video and compare it with all of Mia’s friends!”” Zhao Yu said,””I feel that the person who killed Mia should be someone he knows. ”

“““And it’s not just any acquaintance!”” ”

“““Alright, let’s hope we can find this person,”” Ding Lan said as she packed her luggage.””This way, at least we won’t have to return empty-handed! ”

“““Ai!”” Ding Lan looked at Zhao Yu.””To be honest, brother-in-law, I’ve been in the Secret Service for so long, but I’ve never encountered anything like this! ”

“““In the past, no matter what kind of mission I encountered, I wouldn’t be as uncertain as I am now.”” ”

“““I’m the same!”” Zhao Yu said,””in the past, no matter how difficult the cases were, they never backed down immediately! Although I already have some clues, but ... Tsk tsk ...”” ”

“Then, Zhao Yu started rummaging through his luggage. ”

“““Oh? A general idea?”” Ding Lan looked up and asked,””brother-in-law, can you tell me?”” I don’t understand, why would someone not want the truth of the Gu Man child case to be revealed?”” ”

“““I’m not sure, but I’m sure that someone has been paying close attention to this case,”” Zhao Yu said.””So, when he heard that there was a similar Gu mantong murder case in Xiangjiang, he immediately sent someone to investigate!”” ”

“““So, your previous thoughts were right?”” Ding Lan asked,””the person in charge of gathering information chose Mia to follow and eavesdrop on him?”” ”

“““Yes, from the looks of it,”” Zhao Yu said,““this person should be someone who is familiar with Mia, but he is not a professional killer! ”

“““He had been paying attention to Mia’s every move. Originally, after confirming that the Xiangjiang case was the fake Gu mantong case, there was nothing else to do! ”

“““But at that time, I went to look for Mia and reminded him to investigate the case in reverse. It seems that ...”” Zhao Yu shook his head helplessly.““Mia’s death has something to do with me!”” ”

“““I can’t blame you for this,”” Ding Lan said.““Who would have known that this case was so dangerous?”” ”

“““After I reminded Miya, Miya called Marge, who was far away in mahazaya. I guess he asked Marge some questions about the Goman thong case, such as the suspicious points left behind from back then. ”

“““It was this phone call that made the person who was monitoring Mia feel uneasy. So, he ran to the stadium and talked to Mia in person! ”

“““In the end, he found out that Mia was about to find out the truth, so he strangled her to death!”” ”

“““And then,”” Ding Lan continued,““there was a ripple effect. In order to prevent the police from investigating further, the person behind the scenes sent a professional killer to Thailand to kill Mia’s assistant, and then to malge’s family in Maha Zaya! ”

“““This ... This is really ruthless! Also, the person behind the scenes seems to be particularly sensitive!”” ”

“““Not only that,”” Zhao Yu said,““since he dared to burn the Deputy Chief of the guards Bureau in Maha Zaya, it means that this person has a lot of power in Maha Zaya. ”

“““I suspect that this person is in mahazaya!”” ”

“““Yes, I have the same feeling. Otherwise, why would someone be following us so quickly?”” Ding Lan frowned.““But ... Who could it be?”” ”

“““In the past, there were a lot of people like this, because there were drug dealers everywhere in mahazaya! ”

“““But it’s different now. All the drug dealers have been eliminated, and a new political party has come to power. Who else could have such a big force? ”

“““Could it be ... Some high ranking official in the governing party?”” ”

“““That’s hard to say,”” Zhao Yu said.““A starving camel is still bigger than a horse. Drug dealers are not that easy to get rid of. Even if a new political party comes to power, it’s inevitable that they have drug dealers or other countries ‘forces behind them!’”” ”

“““Well ... In that case, we can’t guess who the mastermind is by just guessing!”” Ding Lan smacked her suitcase.““Ahem, that’s true. It has nothing to do with us anymore, so why are we still thinking about it?”” ”

““““Actually ...”” Zhao Yu slowed down the speed at which he was packing his luggage and said slowly, ““““if we want to know who the mastermind is, we just need to figure out one thing, and that might be able to solve the problem! It’s a pity ...”” ”

““““Oh?”” ““““Which matter?”” Ding Lan asked. ”

““““A suspect!”” Zhao Yu said, ““““from the very beginning, I felt that there was something wrong with this place!”” ”

““““Suspect?”” ““““Are you talking about the suspect in the Gu mantong case?”” Ding Lan repeated curiously. ”

““““Yes ...”” Zhao Yu said sadly. ““““In the previous Gu mantong case, there were indeed suspects, but it was only a few cases that had one or two suspects! ”

““““But, according to the document Juliet gave me, there were five suspects in the Maha Zaya case. This doesn’t seem very normal! ”

““““Also, the mastermind not only killed Mia and Marge, but also destroyed the suspect’s information. What does that mean?”” ”

““““Yeah.”” Ding Lan nodded. ““““If they wanted to destroy the information, they could’ve just destroyed everything. But they only destroyed the suspect’s ... This ...”” ”

““““I think the key to the problem lies here!”” Zhao Yu continued, ““““it’s possible that the real Gu mantong killer is one of the five suspects!”” ”

““““Ah?”” Ding Lan was shocked, and her face was covered in sweat. ”

““““But, I don’t know what went wrong back then,”” Zhao Yu said. ““““Someone helped the real murderer get rid of suspicion, so the police didn’t pay much attention to it. ”

““““But, with my hint, Mia might have remembered this, so he called Marge to discuss the suspect! ”

““““Miya ... Maybe he was just making a casual remark and wasn’t really sure, but ... The people who were watching him took it seriously and scared me! In the end, I could only take the risk and kill him!”” ”

““““Wow ...”” Ding Lan gasped. ““““If that’s the case, then this case will be ...”” ”

“Ding Lan stammered for a long time, but still couldn’t find the right word to describe it. ”

““““The truth once appeared in front of people, but they didn’t cherish it,”” Zhao Yu said. ““““Maybe it wasn’t because the investigators were incompetent, but because the Gu mantong killer was too powerful! ”

““““Maybe he’s not just a serial killer, but also a high-level figure with power and influence. That’s why he hasn’t come to the surface yet!”” ”

““““But ...”” Ding Lan lowered her voice. ““““As long as we can find the information of these five suspects, won’t we be able to solve half the problem?”” ”

““““Can we ... Think of something else?”” he asked. ”

“Juliet has already looked into it,” Zhao Yu said. “The information about the five suspects is top secret. Other than the police officers involved in the investigation, no one else knows anything.”

“Now that the information has been deleted, I’m afraid ...”

“Brother-in-law,” Ding Lan said cautiously, “there were quite a few people with Mia back then. Why don’t we look for them and see if they still have any records?”

Di di ...

“As they were talking, Zhao Yu’s mobile phone rang. He opened it and saw that it was a message from Zeng ke.”

“After reading the message, Zhao Yu’s eyes suddenly lit up. He quickly said to Ding Lan,”

“Zeng ke has found the suspect who killed Mia! It’s actually him!”

Chapter 1784: troubled place

“This person ...” Ding Lan looked at the picture on Zhao Yu’s phone and felt that he looked familiar.

“This man’s name is Qi kun,” Zhao Yu said. “When we were investigating the Maha Zaya gumantong murder case, he was Miya’s superior!”

“Oh ... I remember now ...” Ding Lan nodded. “How ... How could it be him?”

“I asked Zeng ke to compare his facial features. In fact, even if we don’t compare, it’s almost the same,” Zhao Yu said. “Qi kun is of mixed blood, and he’s 1.88 meters tall. In 2010, he was shot in the leg while chasing after a criminal, which left him with a leg injury and a limp!”

“This is exactly the same as the suspect in the MIA case!”

“And ...” Zhao Yu continued, “Zeng ke found his immigration record. He arrived in Xiangjiang one day earlier than Mia, and he left by plane on the day Mia was killed!”

“He left?” “Where did you go?” Ding Lan asked.

“Mm ... Plane ticket ...” Zhao Yu said helplessly, “the ticket is for mahazaya!”

“It can’t be?” Ding Lan sat on the bed and said with her eyes wide open, “so, Qi kun is in Maha Zaya now? We ... We ...”

Hu ...

“Zhao Yu took a deep breath and sat on the bed, deep in thought.”

“Now, Mia’s murderer had been found, but this person had come to mahazaya, so ... Could they catch him? Can we find him?”

“Zhao Yu looked at the Kun Qian hexagram in his mind, and his mind was in a mess.”

What should I do next?

“The plane tickets had been booked. Should they leave by plane, or catch Qi kun, or ... Continue to investigate the Gu mantong murder case? ”

“““Brother-in-law, listen to me.”” Ding Lan had a bad feeling and quickly pulled on Zhao Yu’s arm.”“Even if Qi kun killed Mia, it doesn’t mean that he’s the mastermind behind this! ”

“““He’s already here in mahazaya. I feel that this person has most likely been killed like Marge!”” ”

“““But,”” Zhao Yu said,”“although he’s not the mastermind behind this, he must know the inside story! If we can catch him, we might be able to find out the truth!”” ”

“““But ... How?”” he asked. Ding Lan pointed out the window.”“We can’t even save ourselves now! If they left the hotel, there was no guarantee that they could even reach the airport safely! ”

“““Brother-in-law, the timing is not right. You should know this in your heart!”” Ding Lan advised,”“after we go back, we’ll find other ways to find the information of the five suspects from that year. We’ll confirm our enemies first, and then we can think of a way to solve the case!”” ”

“““We’re all professional agents. We need to understand the situation and assess the danger. We can’t go against an unknown enemy like this!”” ”

“““Mm ... I understand ...”” Zhao Yu sighed heavily. How could he not understand what Ding Lan was saying? ”

“He clearly knew that if he continued to investigate, there would be uncontrollable danger. If he stubbornly insisted on it, he would be irresponsible to himself and his colleagues! ”

“Although Zhao Yu had a powerful device with him, he couldn’t act rashly in the face of a powerful and unknown enemy. ”

“““Alright then!”” Zhao Yu said,”“I’ll ask Zeng ke to locate Qi kun again. If we can’t find him, let’s go to the airport!”” ”

“““No, not even the location!”” Ding Lan said solemnly,”“Qi kun used to be a criminal investigator, so he knows how to hide his tracks. If he can really find the location, it must be a trap! ”

“““Brother-in-law, it’s still the same!”” Ding Lan shook her head.”“As long as we’re not in mahazaya, even if it’s a trap, we’ll still dare to charge in! But here, we really can’t do that. Everything is out of our control!”” ”

“““Ai!”” Zhao Yu waved his fist in anger and muttered,”“this is the first time I’ve been defeated. With all the clues in front of me, the suspect is right in front of me, but I can’t investigate! This is so depressing!”” ”

“““Let’s go!”” Ding Lan picked up her luggage and said,”“we should leave this place as soon as possible!”” ”

.....

“Ten minutes later, Zhao Yu said goodbye to Juliet and the others, then took a local taxi with Ding Lan to the airport. ”

“Before they left, it was obvious that Juliet wanted Zhao Yu to stay. However, Juliet knew how serious the situation they were about to face was, so she didn’t say anything in the end, but only wished Zhao Yu a safe journey. ”

“The hotel wasn’t far from the airport. After half an hour, they arrived at the airport. ”

The three Secret Service agents had already been notified and were waiting at the airport.

“After meeting them, Ding Lan explained the situation to them, then handed over her and Zhao Yu’s guns to the three of them. ”

“After all, he couldn’t bring his gun onto the plane, and he still needed his three colleagues to deal with the aftermath. ”

“““Sir,”” one of the slim agents said to Ding Lan,”“if necessary, we can stay for a few more days and investigate!”” ”

“““Yeah,”” another agent said,”“Maha Zaya isn’t big, so it shouldn’t be difficult to find Qi kun!” ”

“““And ... Regarding the Gu mantong case, we can also secretly contact some of the investigators from back then and ask them about the five suspects!”” ”

“““No!”” Ding Lan immediately interrupted them and said solemnly,”“don’t do anything. Take care of the aftermath and leave. Don’t ask for any more information!”” ”

“““Remember, this is an order. Safety first!”” ”

“““Mm ... Yes!”” The three agents reluctantly agreed. ”

“““Alright,”” Ding Lan took Zhao Yu’s arm and said to the agents,”“we’re going in! Let’s go!”” ”

“After saying goodbye to the agents, Zhao Yu and Miao Ying went straight into the airport, ready to go through security. ”

“Due to the situation, the Maha Zaya airport was particularly deserted. Looking around, other than the tight security, there were not many passengers. ”

“Hence, Zhao Yu and Su Yu quickly entered the departure hall and began to go through the departure procedures. ”

“As he was queuing up, Zhao Yu’s heart was still beating like a drum. He didn’t know if his Kun Qian hexagram would end immediately after he got on the plane. ”

The points and props he had bet on were all for nothing?

“Or perhaps, the real big event that he was about to encounter was on the plane? I can’t Dodge it at all?
”

“Just as his heart was racing, two airport security guards suddenly came up to him and Ding Lan. ”

“““You two ...”” They waved the police batons in their hands and said to Zhao Yu and Miao Ying,“““you two, come with us!”” ”

Thump ...

“Zhao Yu’s heart skipped a beat, and he suddenly realized that something was wrong. ”

“““Why?”” “““Why should we go with you?”” Ding Lan asked in English. ”

“““Cut the crap!”” The two security guards cursed a few times in the local language, then pointed arrogantly into the distance.“““Follow me, we suspect you are carrying prohibited items!”” ”

“““What?”” Ding Lan and Zhao Yu looked at each other, both having a bad feeling. ”

“Zhao Yu looked up and saw that in the hall, there were a few security guards staring at him. One of them was even holding a rifle. ”

“““Okay, okay ...”” Zhao Yu knew that it was not a good time to resist, so he followed the two security guards with Ding Lan and left the exit and entry hall, then entered an office. ”

“As soon as they entered the office, the two security guards became even more arrogant. They immediately pushed Zhao Yu and Ding Lan, forcing them to stand against the wall. ”

“Then, the other person violently opened their luggage and began to rummage through it ... ”

“Zhao Yu didn’t say anything, but turned around, wanting to take a look. ”

“““Don’t move! Turn around!”” The security guards behind him immediately pushed Zhao Yu hard against the wall. ”

Chapter 1785: double attack

“““It looks like ...”” Ding Lan leaned against the wall and spoke to Zhao Yu in Chinese,“““there are some things that we can’t avoid just because we want to! They’re still going to make a move on us ...”” ”

“““Shut up!”” The security guard behind her immediately rushed over and held a Baton to Ding Lan. Ding Lan had no choice but to stick to the wall. ”

“By now, Zhao Yu understood that the two security guards were obviously up to no good. They must have received some orders to make things difficult for him or to find out some information. ”

“If it had been in the past, he would have already lost his temper, but in this situation, Zhao Yu had no choice but to suppress his anger. ”

“However, the reality was much worse than Zhao Yu had imagined. ”

“““I found it!”” The security guard, who was searching the items, called out. He then took out a bag of white powder from Zhao Yu’s luggage. ”

“Then, he immediately called into the walkie-talkie. ”

“It was as if they had been prepared for this. As soon as the call came in, a few soldiers with rifles rushed in from the outside. As soon as they entered, they surrounded Zhao Yu and Ding Lan. ”

“““It can’t be?”” Zhao Yu looked helpless and said in Chinese,““aren’t you guys playing too LOW? You actually tried to frame me, tsk tsk ...”” ”

“““Don’t move!”” A security guard pressed on Zhao Yu’s arm again and began to search him. ”

“At the same time, the other perverted security guard also reached out his dirty hand to Ding Lan. It looked like he was going to search her body. ”

“““F * ck!”” The other party’s behavior had obviously crossed Zhao Yu’s bottom line. He immediately cursed, then turned around to resist. ”

“When the soldiers saw Zhao Yu struggling, they immediately surrounded him, ready to fight. ”

“““No, brother-in-law, brother-in-law, wait a minute ...”” Ding Lan said in Chinese.““I think they’re trying to make us lose our temper. We can’t be fooled!”” ”

“““Don’t worry, there’s a camera in my bag. I can prove that they’re framing me! ”

“““As long as we can contact the embassy, we still have a chance ... Oh ...”” ”

“Before Ding Lan could finish her sentence, the security guard behind her pushed her against the wall and was about to reach out his lecherous hand to molest her ... ”

Motherf * cker!

“At this point, Zhao Yu’s patience had reached its limit. He didn’t mind being beaten up, but if someone wanted to bully Ding Lan, he definitely couldn’t tolerate it. ”

“Hence, Zhao Yu pushed away the soldiers who were blocking his way and immediately kicked the soldier who was trying to molest Ding Lan away! ”

“““Oh oh oh ...”” ”

“The soldiers and security guards were shocked, and they quickly raised their rifles, trying to aim at Zhao Yu. ”

“However, since Zhao Yu had already made his move, he was naturally well prepared. He immediately did the classic bull’s charge, and in just one hit, he knocked down a few soldiers. ”

“““Aiya ... Tsk tsk ...”” At this time, Ding Lan saw that the situation was beyond redemption, so she could only smack her lips helplessly, then fly into the camp and attack. ”

“There were four soldiers and two security guards in the room. Although the soldiers had guns, they were unable to fight back against the manic Zhao Yu and the Super strong Ding Lan. ”

“In less than a minute, Zhao Yu and his partner had knocked all of them to the ground and grabbed their rifles. ”

“““Brother-in-law, why can’t you just bear with it?”” Ding Lan grumbled with her rifle in hand,““they probably just wanted to test the waters. Look at them now, there’s no way to take care of them!”” ”

Buzzzzzz!

Buzzzzzz!

“Zhao Yu ignored Ding Lan. He grabbed the security guard who had tried to molest Ding Lan and gave him two hard punches in the face. He was beaten beyond recognition, and it was a terrible sight. ”

“““Speak!”” Zhao Yu pressed his head down and asked in English,“““who gave the order for you to frame us? Speak!”” ”

“““No... No...”” The security guard denied in pain.“““It’s just a random investigation ...”” ”

“““Alright then!”” ”

“Zhao Yu saw a stapler on the desk, so he immediately put it on the man’s ear and inserted a few stapler nails into his ear without any explanation. ”

“““Ah ... Wuwuwu ...”” The security guard suddenly screamed and clapped his hands.“““I’ll say it, I’ll say it. We’re just following orders, following orders!”” ”

“““Whose orders?”” Zhao Yu asked fiercely. ”

“““I ... I only know that it was our captain’s order,”” the security guard shouted.“““Our Captain asked us to investigate you and give you a bag of white powder ...”” ”

“““And then?”” Zhao Yu pinched his ear so hard that it almost broke. ”

“““Ah ...”” The security guard screamed like a pig being slaughtered and said,“““then we’ll take you to the police station, and our mission will be completed!”” ”

“““The police station again!”” Zhao Yu looked at Ding Lan and said in Chinese,“““it looks like they’re not just playing with us! They simply don’t want us to live!”” ”

“““Alright, stop wasting time!”” “““We have to leave this place as soon as possible!”” Ding Lan said. ”

“Zhao Yu gave the security guard another punch, knocking him to the ground and making him faint. ”

“Then, Zhao Yu picked up the security guard’s walkie-talkie, then picked up his luggage with Ding Lan and left the office in a hurry. ”

“As soon as they went out, they were surprised to see a team of soldiers with loaded guns rushing over from the distance. ”

“““This way ...”” ”

“Ding Lan pulled Zhao Yu to the other side of the office, then walked along an empty passage towards the airport lobby. ”

“Although the two were in a critical situation, the experienced Ding Lan still held onto Zhao Yu’s arm as if they were just ordinary passengers. ”

The two of them passed through the lobby and walked towards the main entrance of the airport.

“At this moment, someone must have noticed the tragic situation in the office. Almost all the soldiers were on the move and began to surround the main door. ”

Di di di ... Di di di di ...

“Just then, Zhao Yu’s phone rang. He opened it and saw that it was Juliet. ”

““Hey!”” Zhao Yu picked up the phone and immediately asked loudly in English,“what’s wrong, senior?”” ”

““Zhao Yu, are you guys okay?”” Juliet said hurriedly on the phone,“I feel like we’ve been exposed. They’ve already made a move on us! You have to be careful!”” ”

“Zhao Yu grinned. “I was just about to tell you!”” We’re being surrounded at the airport ...”” ”

““It can’t be?”” Juliet shouted,“is the guy behind the Goman child case a lunatic? They actually dared to attack us!”” ”

“Zhao Yu didn’t have time to reply, when a warning came from behind him. ”

““Don’t move, raise your hands!”” ”

““Raise your grandmother’s leg!”” “F * ck!”” Zhao Yu cursed in his heart, then immediately ran forward with Ding Lan, hiding behind a marble pillar. ”

“Just as they were charging forward, the soldiers in the distance finally opened fire. ”

Pfft ... Pfft ...

“The bullets hit the stone pillar, raising clouds of dust. ”

““Zhao Yu ... He actually fired a shot!”” Juliet heard the gunshot on the phone and immediately shouted,“hold on, I’ll send someone to get you! ”

““Bang ...”” ”

“Before Juliet could finish, gunshots were heard from the other end of the phone. Juliet and the others had been attacked! ”

The call was hung up.

Damn it!

“Zhao Yu put down the phone gloomily and said to Ding Lan,“Juliet and the others are also under attack. It looks like someone doesn’t want us to leave mahazaya alive!”” ”

Chapter 1786: Jumping out of the car

Bang ...

Huala ...

Zhao Yu and Ding Lan rushed to the entrance of the airport and fought with a few of the guards there.

“Zhao Yu was fierce, and he hit a soldier, sending him flying. He even smashed the glass on the floor into pieces.”

Ding Lan’s movements were Swift and violent. The two soldiers didn’t even have time to pull out their guns before they were knocked unconscious by Ding Lan.

“At that moment, the soldiers who were chasing them from the inside of the Sosnovka Military Base were already within reach. Ding Lan grabbed the rifle and fired at them.”

“Ding Lan’s marksmanship was extremely accurate, but she still missed a few shots, which only scared the soldiers so much that they took cover.”

“Taking advantage of this opportunity, she and Zhao Yu quickly rushed out of the airport.”

“There were also many security guards and soldiers on duty outside the airport, and they were quickly surrounding them.”

“Ding Lan also fired a few shots at them, then snatched a tricycle that was transporting goods from Zhao Yu!”

“The tricycle ran on diesel. Zhao Yu stepped on the gas, and the engine started to groan and emit black smoke. Then, the tricycle drove forward.”

Bang ... Bang ... Bang ...

“Ding Lan sat in the back seat and fired back at the pursuing soldiers. Every shot was perfect. They didn’t hit the enemy, but they scared them.”

Di di ... Di di ...

“Zhao Yu had just turned the side road of the airport when his mobile phone rang again. This time, it was Zeng ke.”

““Hello? Team leader!”” Zeng ke said excitedly,““I found out that Qi kun’s mobile bank has just logged in from mahazaya!””

““I can lock onto the login location in a general area. I’ll send it to you now!”” ”

““Oh? Mobile banking? Did someone send him money?”” Zhao Yu was curious. ”

““I’m not sure about that. I can only find out that Qi kun’s account was logged in, but I can’t find out the specific operations! Zeng ke said,““you have to be careful. You don’t have an arrest warrant, so even if you find Qi kun, you don’t have the right to restrict his freedom!”” ”

““Why don’t we contact the embassy and have a talk with the Maha Zaya side? Get them to issue an arrest warrant and arrest the person?”” ”

““Um ... This ...”” ”

Bang ...

“Before Zhao Yu could answer, a bullet whizzed past his ear. Zhao Yu was so scared that he quickly shrank his neck. ”

““Waa!” “What ... What’s wrong?” Zeng ke asked, startled. Why did I hear a gunshot?” ”

““Alright,” Zhao Yu said, “I’ll hang up first! Just send me the location!” ”

“After hanging up the phone, Zhao Yu looked back and saw two military vehicles chasing after them! ”

“The local military vehicles were all old-fashioned pickup trucks. Because they often drove on muddy roads, the cars were covered in mud, and even the military symbols were almost impossible to see. ”

“At that moment, in the back of the military vehicle, some soldiers were aiming at Zhao Yu and shooting. ”

Zhao Yu quickly made a turn and went into an alley.

“In fact, it was not exactly a small alley, because there were no buildings on both sides, but tents that were built together. ”

“There were small merchants and hawkers doing business in the tents, as well as some stalls that sold haircuts. Even though there weren’t many people, it was still a relatively lively place. ”

“Logically speaking, Zhao Yu’s tricycle could turn in, but the military vehicle couldn’t. ”

“However, to Zhao Yu’s surprise, the military vehicle that was chasing them didn’t care about that at all. It just followed the tricycle and crashed into them. ”

Buzz ... Buzz ...

“As soon as the large military vehicle drove in, it knocked over a few tents and the crowd scattered in fear. In the blink of an eye, it was a mess ... ”

““Brother-in-law,” Ding Lan said to Zhao Yu, holding her phone, “we only have one way now, let’s go to the Embassy!” I’ll show you the way!” ”

““Alright!” Zhao Yu nodded and stepped on the gas. The tricycle started emitting black smoke again. ”

“However, the tricycle’s horsepower was limited, after all. It didn’t take long for the military vehicle in front to catch up. ”

Bang ...

Bang ...

“The soldiers in the military vehicle fired at the tricycle again. The situation was dangerous, so Zhao Yu quickly prepared the invisible accelerator. ”

“However, before the accelerator could be used, Ding Lan had already fired a shot at the tire of the military vehicle! ”

Bang ...

“With a loud explosion, the front tire of the military vehicle burst. The car turned around and rushed into the tent next to it!”

Wuuu ...

Another military vehicle caught up from behind. Ding Lan did the same thing and aimed at the tire again.

“However, the soldiers in the military vehicle had already fired their guns. The bullets whizzed past, and Ding Lan had no choice but to Dodge.”

““Sit tight, sister!”” Zhao Yu shouted, ““I’m going to speed up!””

“After that, the tricycle suddenly sped forward as if it had been injected with chicken blood. In the blink of an eye, the distance between the tricycle and the military vehicle had widened.”

“Ding Lan grabbed the handle tightly, feeling incredulous. She couldn’t understand how Zhao Yu could drive a Diesel Tricycle like a sports car.”

The small alley soon came to an end and met with a muddy road. Zhao Yu immediately turned the tricycle to the right.

“Unexpectedly, the road here had been in disrepair for a long time. It was uneven and full of mud. As soon as the tricycle entered, it bounced up and down, splashing mud everywhere. Even Ding Lan was almost thrown out of the tricycle.”

“Zhao Yu quickly slowed down and controlled the tricycle so that it would no longer bump violently. Unexpectedly, just as he controlled the tricycle, he heard a police siren from the main road ahead!”

He looked up and saw a Santana police car driving over in front of him. The siren was buzzing and it was coming straight for him.

“At the same time, the pursuing military vehicle had turned into the main road, blocking Zhao Yu’s tricycle in the middle.”

Crack ...

What was even more depressing was that Ding Lan’s rifle had run out of bullets.

Zhao Yu looked at both sides of the road and realized that there were low ditches on both sides. There was no way to escape.

Damn it!

“In the blink of an eye, the tricycle buzzed forward, and the police car in front of it had no intention of slowing down. It went straight for the tricycle!”

“Ding Lan saw that they were about to crash, so she immediately shouted at Zhao Yu,””

““Hurry up! Jump into the carriage!””

““Oh?”” Zhao Yu understood what Ding Lan meant, and nodded.”

“Seeing this, Ding Lan immediately jumped off the tricycle and rolled into the ditch nearby!”

“However, Zhao Yu obviously misunderstood. He used an invisible spring launcher, and the diesel Tricycle suddenly jumped more than two meters high on the spot, flying over the top of the police car.”

“At that moment, it was as if time had stopped, and everything was in slow motion. Zhao Yu could see the surprised looks on the faces of the police officers in the police car.”

“However, this slow-motion only lasted for a moment. After the tricycle rose into the air, it drew an elegant arc in the air and then landed steadily without a single part falling off!”

The police car was heading straight for the military vehicle behind ...

Ah ...

“With a burst of exclamations, the police car and the military vehicle slammed on the brakes at the same time, making a harsh squeak. However, because the two cars were too close, they finally collided with each other!”

“Fortunately, the two cars did not crash into each other. The right side of the police car hit the right side of the military car. Under the powerful acceleration of gravity, the two cars flew diagonally, fell into the ditch, and overturned!”

“Tut, tut, tut ...”

“Tut, tut, tut ...”

Zhao Yu turned on the accelerator of the tricycle and looked in Ding Lan’s direction. He saw that Ding Lan had already climbed out of the ditch and was looking at him with a suspicious look.

“What made Zhao Yu not know whether to laugh or cry was that the ditch was filled with stinky mud. Ding Lan had turned into a Mud Man, and he was in an extremely sorry state!”

““F * ck ...”” Zhao Yu swallowed and quickly waved at Ding Lan.”“Hurry!”” Get in the car, get in the car!”” ”

Chapter 1787: A powerful enemy

“20 minutes later, at a certain beach in mahazaya.”

Ding Lan took a quick shower in the bathroom and changed her clothes.

“At that moment, she was wiping her wet hair with a towel as she sat in the diesel Tricycle and said to Zhao Yu, who was in the driver’s seat,”” ”

““Now, can you tell me what happened just now?”” ”

“Ding Lan was, of course, referring to the car accident.”

“”””Hmm...This!””” Zhao Yu stammered, “”””at that time, there was a pit. I was about to jump out of the car, but I didn’t expect to be hit. Then, by some strange coincidence, I somehow managed to get around the police car! ”

“”””Say, don’t you think I’m lucky?””” ”

“”””I don’t know if you’re lucky or not, but I fell into a stinking ditch ...””” Ding Lan stared at Zhao Yu with a strange look, which made Zhao Yu feel guilty. ”

“”””You can’t blame me for this ...””” Zhao Yu said innocently. “”””I should have jumped into the stinking ditch too! Isn’t this just a coincidence?””” ”

“”””Sigh ... Okay ...””” Ding Lan was speechless. She wiped her hair clean, then asked Zhao Yu, “”””what should we do next?””” We’re now the most wanted criminals of the Maha Zaya!””” ”

“”””We definitely can’t go to the Embassy!””” Zhao Yu said, “”””they must have blocked the Embassy, unless we can fly in!””” ”

“”””What about the French?””” Ding Lan asked. ”

“”””I haven’t contacted him yet!””” Zhao Yu said, “”””although they’re all secret agents, I don’t think it’s a good idea! If Juliet and the others are caught, sigh ...””” ”

“”””Then ...””” Ding Lan took out her phone. “”””I’ll contact our agents now. They should have a way to leave this place!””” Also, I have to report our situation to Secret Service ...””” ”

“”””Hmm ... That’s the only way!””” Zhao Yu then remembered something and said, “”””by the way, Zeng ke sent me a location. An hour ago, Qi kun just logged into his mobile banking account!””” ”

“”””Oh? Is it in mahazaya?””” Ding Lan was worried. “”””Do you think it’s a trap?””” ”

“”””Hehe, I don’t think so!””” Zhao Yu shook his head. ”

“”””How can you be so sure?””” Ding Lan was confused. ”

“”””Of course I’m sure,””” Zhao Yu said, turning on his mobile phone. “”””I just checked the location that Zeng ke sent me. Can you guess where Qi kun logged in to his mobile bank?””” ”

“”””Where?””” Ding Lan took the phone and looked at it. Her eyes widened and she said in surprise, “”””no way? Isn’t ... Isn’t this the mahazaya’s Capitol?””” ”

“”””So, this is definitely not a trap!””” Zhao Yu said, “”””Qi kun might be involved with some higher-ups in Maha Zaya! Killing Mia, Mia’s assistant, and Marge’s family were all the instructions of this high-level figure!””” ”

“”””The parliament building! “”””Indeed ...””” Ding Lan frowned and guessed, “”””if that’s the case, no wonder our enemies are so powerful!””” How dare you attack us at the airport and kill so many people!””” ”

“”””Yes,””” Zhao Yu said. “”””Now, although we can’t be sure of the truth of the Goman thong case, we can judge that the person who has been trying to obstruct the investigation of the Goman thong case must be someone who can do whatever he wants in Maha Zaya!””” ”

“““If it were anywhere else, we might still have a chance, but ...”” Ding Lan looked at Zhao Yu’s mobile phone and said helplessly,““we can’t go against a country, right?””

“““I’ve looked it up,”” Ding Lan said.““It’s a critical time now, and the mahazaya parliament building is the most secure place in the country. There’s an entire Army guarding it. It’s impossible to catch Qi kun!”” ”

“““Mm ...”” Zhao Yu agreed with Ding Lan, but he still had many ideas in mind. ”

“After all, he had so many powerful props. Even if the Capitol was impregnable, he could still sneak in. ”

“However, was he considering the consequences of doing so?”

“““Brother-in-law,”” Ding Lan pressed on Zhao Yu’s shoulder and said with a serious expression,““do you think there’s any other reason for what happened to us besides the Gu Man child case?”” ”

“““Oh?”” Zhao Yu was surprised and asked,““what’s the reason?”” ”

“““Don’t you think that even if someone wanted to stop the investigation of the Gu mantong case, they were too much?”” Ding Lan said,““after all, we’re already preparing to leave the country, but they still won’t let us go. Isn’t this a little out of the ordinary?”” ”

“““Well ...”” Zhao Yu thought about it carefully and felt that Ding Lan’s words made sense. ”

“Since they had already prepared to leave the country, it meant that they had given up on the investigation. In that case, why would the mastermind behind the scenes make things difficult for them?”

“Moreover, Zhao Yu and Ding Lan were China citizens, after all. If they dared to provoke them so blatantly, weren’t they afraid of causing even more trouble?”

“Could it be ... As Ding Lan had said, there was some personal grudge between them?”

“But ... I don’t even know any Maha Zayas, so who can I offend?”

“““Xi menna!”” Ding Lan suddenly blurted out a name, then pulled on Zhao Yu’s arm and asked,““could it be that this woman is behind this?”” ”

“““Xi Mengna...Tsk tsk ...”” Speaking of this woman, Zhao Yu suddenly felt like there was a dagger on his back. ”

“““I’m not talking about the XI menna who’s in the military intelligence Department. I’m talking about the XI menna you saw at the house of sins!”” Ding Lan said,““the guy we’ve been on guard against!””

“““Do you think that she found out that we’ve come to Maha Zaya and thought that this was a good opportunity to take revenge on us?”

“““Otherwise ...”” Ding Lan said,““how could Juliet and the others have been attacked?”” ”

“““...”” Zhao Yu’s emotions were complicated. He said,““Juliet was one of Xi menna’s targets for revenge. Not only was she involved in Xi Wei’s death, but she also attacked the house of sins and saved londee ... Tsk tsk ...”” ”

“Yup!” Ding Lan said, “even if our opponent is a high-ranking figure in mahazaya, it’s still quite risky to attack a foreign team representing a France Television station, right?”

“If we don’t handle it well, the France military might take revenge!”

“There must be a reason behind this!”

“That’s true ...” Zhao Yu scratched his head. “Although we are investigating the Gu mantong murder case, in fact, we haven’t touched the core truth yet. Logically speaking, even if they wanted to hide the truth, they didn’t have to be so sensitive to the point that it would make things worse, right?”

“Brother-in-law,” Ding Lan said nervously, “no matter what the reason is, there are at least two things we can deduce.”

“First, our opponent is a powerful figure who can topple a country! Second, we are in danger!”

“So ...” Ding Lan held Zhao Yu’s hand and said, “let’s contact secret services immediately and ask them to send someone to pick us up so that we can leave Maha Zaya as soon as possible!”

“No!” This time, Zhao Yu did not agree with Ding Lan’s suggestion. He held Ding Lan’s hand and said, “listen to me, sister. As the saying goes, if you don’t offend me, I won’t offend you ...”

“Oh no, I don’t offend people!”

“But now, they’ve offended me!”

“I, Zhao Yu, can’t take this lying down. So, even if I can’t fight back, I will definitely not let those who provoke me live so comfortably!”

“Even if they leave ...” Zhao Yu’s lips curled up into a smirk. “I’ll make them eat a few flies before they leave!”

Chapter 1788: A disgusting plan

“In the capital of mahazaya, 15 meters away from the Bureau of National Guards, a high-class police car was parked at the corner of the intersection.”

“It was nine o’ clock in the evening, and the night had long fallen. Due to the underdeveloped economy, the whole of mahazaya was sparsely lit, and most of the area was shrouded in darkness, including this small intersection.”

Wu...Wuwuwu ...

“The two local police officers had already been stripped of their uniforms by Ding Lan. They were tied up and their mouths were bandaged, so they could only make whimpering sounds.”

“Ding Lan might have been annoyed by their muffled cries, for he punched one of them and knocked him out on the spot. He could no longer make a sound.”

The other police officer was so frightened by Ding Lan's punch that he immediately shut his mouth and didn't dare to make another sound.

"However, Ding Lan didn't have any intention of letting him go. She also threw a punch and knocked him out."

""Alright, it's your turn!"" After knocking out the police officers, Ding Lan patted Zhao Yu, who was in the front seat.""Put them in the trunk!"" "

""It can't be?"" Zhao Yu was a little impatient, ""can't you just throw it into the ditch?"" "

""No!"" Ding Lan said solemnly, ""we can't let them know that we've kidnapped the Bureau chief yet!"" "

Ding Lan glanced at the passenger seat and saw a curly-haired man in his forties.

This person was none other than the Bureau chief of the local Garrison guards!

It turned out that Zhao Yu and Ding Lan had ambushed the police station and attacked the Bureau chief's car.

Zhao Yu's so-called disgusting plan was carried out around this bureau chief.

"The airport security had told Zhao Yu that they had received orders from their superiors to frame Zhao Yu and Ding Lan. After framing them, they would be sent to the police station for trial. "

"Hence, Zhao Yu had guessed that even if the chief of the police station was not the mastermind, he would definitely know something about it. Hence, he decided to talk to the chief of the police station personally before he left to see what he knew. "

"If he could get any information from him, it would definitely anger the real mastermind and disgust him deeply. "

Zhao Yu's disgusting plan was unexpected. The other party would never have thought that they would dare to kidnap the Chief of Police under such heavy pressure.

"So, even the cautious Ding Lan agreed to Zhao Yu's plan. "

"Hence, the two of them planned and carried out this kidnapping. "

"In order to stop the police car, Ding Lan had put on very little clothes and used her voluptuous body to stop the police chief's car. "

"Then, Zhao Yu took the opportunity to go forward and beat up the Bureau chief's guards, then knocked the Bureau chief unconscious. "

"At that moment, under Ding Lan's orders, Zhao Yu had no choice but to go to the back seat of the car, put the two unconscious police officers on his shoulders, and stuffed them into the trunk. "

""Let me warn you ..."" Zhao Yu pointed at the two police officers and said, ""both of you can get in there. If you wake up, you can untie each other!"" "

“““I can’t care that much anymore!”” Ding Lan said,“““by the time they wake up, our mission will have been completed!”” ”

“““Hehe, I don’t think so,”” Zhao Yu said, shaking his head.“““Since the mysterious mastermind is so powerful, I don’t think he will confess so easily!”” ”

“““Don’t worry,”” Ding Lan smiled confidently,“““I’ll make him talk!”” However, he had to know something first! Otherwise, it’s useless even if we kill him!”” ”

“““I can guarantee that,”” Zhao Yu said, pointing to the unconscious bureau chief.“““This kid must know something!”” ”

“““Come, change your clothes first!”” Then, Ding Lan took the uniform from the police officer and handed it to Zhao Yu.“““There’s a curfew here, and we may encounter patrolling soldiers at any time!”” ”

“Then, Zhao Yu and Ding Lan quickly put on the uniforms that they had just snatched. ”

“““Sigh, in my opinion ...”” Zhao Yu looked at Ding Lan, who looked sexier in her uniform, and muttered,“““even if she wore her uniform, it might not work! Was there a policewoman in mahazaya? You can tell this is fake! ”

“““How about ...”” Zhao Yu suggested.“““You can just play the role of the Bureau chief’s mistress, which will be more convincing!”” ”

“““Stop joking, brother-in-law!”” Ding Lan pouted.“““Hurry up and drive the car away! Also, let’s get the ugly words out of the way first. No matter what we get out of this guy, we can’t stay in Maha Zaya any longer! ”

“““I’ve already contacted secret services. They’ll arrange for us to leave ...”” ”

“““I know, my sister-in-law!”” Zhao Yu started the car and drove it into an abandoned residential area. ”

“Because of the curfew, the streets were deserted, and the abandoned residential area was even more silent. ”

“““Oh ...”” ”

“As the car stopped, the Bureau chief, who had been knocked unconscious by Zhao Yu, started to wake up. ”

“In order to speed up the process of waking up, Zhao Yu opened a bottle of mineral water and poured it on his face. ”

“““Ah? “”?##...”” The Bureau chief was shocked and struggled to get up. He looked at Zhao Yu in horror and spoke a lot of local dialect. ”

“““I know you speak English.”” Ding Lan pointed the director’s gun at his head and threatened,“““now, we can talk!”” ”

“““Who ... Who are you?”” The director asked in horror,“““what ... What do you want?”” ”

“““Speak, What is your name?”” Zhao Yu’s eyes were wide open as he asked fiercely. In fact, he already knew the man’s name, so he just wanted to intimidate him. ”

“““Abu Ajie ...”” The director said his name in a trembling voice. ”

“““Okay, open your dog eyes and take a good look,”” Zhao Yu asked in fluent English.””Do you know the two of us? Hmm?”” ”

“““You ... You guys?”” Abu Ajie was stunned for a moment and quickly shook his head.””I don’t know him! Who are you people?”” ”

“““Alright then!”” Zhao Yu glanced at Ding Lan, then covered Abu Ajie’s mouth and said,””it’s your turn!”” ”

Kachaa!

“Just as Zhao Yu finished speaking, Ding Lan broke one of Abu Ajie’s fingers. ”

“““Wu ... Wu ...”” Abu Ajie was in so much pain that he jumped up from his seat. His head almost hit the roof of the car, and it was so painful that tears flowed out. ”

“““Endure!”” Zhao Yu covered his mouth and threatened him,””after I let go, if you dare to scream, it won’t just be a finger. Do you understand?”” ”

“““Wu...Wu...Wu ...”” Abu Ajie was still crying. ”

“Zhao Yu pressed on his head and shouted,””Hey! Do you understand?”” ”

“““Wuwuwuwu ...”” Abu Ajie was really frightened and quickly nodded his head. This bureau chief had always been pampered, when had he ever suffered such torture? ”

“Zhao Yu let go of his hand, and as expected, Abu Ajie did not dare to shout. Instead, he looked at Zhao Yu and Ah Meng with tears in his eyes and a face full of horror. ”

“““Alright, ask again!”” Zhao Yu raised his eyes and asked again,””do you remember now? Do you even know us?”” ”

Chapter 1789: What did I offend?

“““Wu Wu Wu ...”” This time, bureau chief Abu Ajie nodded hard and said in not-so-fluent English,””I ... I’m just following orders. I know ... You’re from China, and one of you is a famous detective!”” ”

“Hearing this, Zhao Yu and Ding Lan looked at each other. Zhao Yu nodded proudly. It seemed that they had not wasted their efforts, and had found the right person. ”

“““Alright then, whose orders are you following?”” Zhao Yu asked again,””why did you frame us? When did we offend you?”” ”

“““I ... I really don't know!”“ Abu Ajie said with an innocent face,““the order I received came from the upper house. Someone suspects that you're a spy carrying out sabotaging activities. They want US police to find an excuse to arrest you first and then interrogate you!”“ ”

“““F * ck!”“ Zhao Yu grinned, then asked,““the upper house should have a name, right? Who gave you the order?”“ ”

“““This ... This ...”“ Abu Ajie hesitated for a moment and quickly said,““I received a call from the upper house. I really don't know who gave the order!”“ ”

“““Oh ... I don't know ...”“ Zhao Yu gave Ding Lan a look, and Ding Lan immediately grabbed ahold of Abu Ajie's other finger. ”

“““No... Don 't, don' t, don't ...”“ Abu Ajie was scared out of his wits and quickly begged for mercy.““I'm really telling the truth. We're in a new regime, so all my orders have to be followed by the upper house. I really don't know which Lord gave the order ...”“ ”

“““Oh ... It's okay ... It's okay ...”“ Zhao Yu chuckled and waved his hand. Ding Lan pulled hard, and Abu Ajie's second finger was broken! ”

Pa ...

Ah ...

“A scream came from the car, and Zhao Yu quickly covered his mouth, then complained to Ding Lan,“““Can't you look at me for confirmation before you make a move? I should at least block his mouth first!”“ ”

“““Alright?”“ Ding Lan was unconvinced.““You're better at this dirty work than I am. Can't you just break the next finger yourself?”“ I'll block his mouth!”“ ”

“““Mm ...”“ Zhao Yu thought for a moment, then pressed down on Abu Ajie's third finger and said,““alright, I'll do it myself!”“ I'll try it first, and if it doesn't work, you can try again!”“ ”

“Then, Zhao Yu held onto Abu Ajie's third finger tightly and looked as if he was about to kill him again. ”

“Abu Ajie was so scared that he almost fainted and quickly shouted, ““I'm begging you, I really don't know! Don't ... Don't ...”“ ”

“““I'm sorry,”“ Zhao Yu smiled and said softly,““I don't believe you!”“ ”

“Then, Zhao Yu tried to break the man's fingers, but because he wasn't using enough strength, he didn't manage to break his fingers. However, when he tried to break his fingers, it was even more painful than breaking his fingers! ”

“““Ah ... Wuwu ...”“ Abu Ajie's body twitched in pain. Ding Lan quickly covered his mouth. ”

“““Tsk tsk ...”“ Zhao Yu pouted and complained to Ding Lan,““see, I told you that I wasn't very skilled. Fine, let's change another finger!”“ ”

“Then, Zhao Yu extended his vicious hand to Abu Ajie's pinky. ”

“Wu...Wuwuwu ...” This time, Abu Ajie’s mental defenses completely collapsed. He shook his head hard and squeezed out a few words from Ding Lan’s fingers. “I’ll talk, I’ll talk ...”

“Hearing this, Ding Lan finally let go of Zhao Yu’s hand, but Zhao Yu was still holding onto Ding Lan’s little finger.”

“I ... I ... Sigh ...” Abu Ajie spoke with great difficulty, “I beg you, I can tell you who gave me the order, but ...”

“I ... I don’t want to die! Wuwuwu ...”

He didn’t expect that the Bureau chief would cry like a frightened child.

“It’s okay,” Zhao Yu comforted her. “If you tell us, at least we won’t kill you! But if you don’t tell me, not only will you die now, but you will also die in pain and in an ugly way!”

“So, you choose!”

“Hu ... Hu ...” Abu Ajie endured the excruciating pain and trembled as he spoke to Zhao Yu and Miao Ying, “you ... You don’t know what you’ve done!”

“Even if I tell you, it won’t change anything!”

“No,” Zhao Yu retorted, “at least you can save one more finger! If you don’t tell us, we’ll change the knife!”

“Then, Zhao Yu really took out a knife.”

“Okay ... I’ll tell you, I’ll tell you ...” Abu Ajie’s face turned pale with fear. He thought for a few seconds before he reluctantly said, “I received a call from the Prime Minister’s Secretary!”

“So ... I think ... This order ... Is probably ...”

“What the ...” That sentence made Zhao Yu and Ding Lan gasp. Even though they already knew how serious the situation was, they had never expected it to be this serious!

“Are you trying to say,” Ding Lan asked, “that it’s the pill Dragon representative?”

“Pill Dragon was one of the current leaders of mahazaya, and had absolute power in the reformist party. He was also the only candidate for the next president!”

It could be said that this person was now the Big Brother of the entire mahazaya.

“Ha ... Ha ha ...” At this moment, Abu Ajie’s crying suddenly turned into laughter and he almost went crazy. “Are you satisfied now?” I will soon become the next Marge!”

“My poor wife and child, they’re innocent!”

“Hearing this, Zhao Yu and Ding Lan looked at each other again. Ding Lan immediately pressed down on Abu Ajie’s body and asked, “So, the death of Marge’s family was not an accident?”

“Hmph ...” Abu Ajie snorted coldly. “For as long as I can remember, no one in the Maha Zaya Kingdom has ever been burned to death in a fire!”

“““Then ... Do you know why Marge died?”” Zhao Yu asked. ”

“““I don’t know,”” Abu Ajie shook his head and asked,””do you know? I think he must have offended someone somewhere. Or perhaps, he had joined an organization that he shouldn’t have. ”

“““But, I’m sure that he’s not from the anti-faction or the drug lords, because after he got into trouble, I received a clear order not to investigate his case!”” ”

“““Hmph! Still pretending!”” Zhao Yu grabbed Abu Ajie’s finger and said,””without your permission, who would be bold enough to delete the information on the Gu mantong case?”” ”

“““What?”” The Bureau chief was completely dumbfounded.””What ... Are you guys talking about? Why were there so many strange things happening recently? ”

“““Do we have some misunderstanding? ”

“““The Gu Man case ... Didn’t it happen in 2015? What does it have to do with Marge? ”

“““Also, why did you guys delete the information?”” ““I really don’t understand,”” Abu Ajie said, puzzled. ”

“Zhao Yu carefully observed Abu Ajie’s reaction and realized that his pupils were not dilated, so it didn’t seem like he was acting. ”

Could it be that he really knew nothing about the Gu Man case?

Or ...

“““Then ...”” Ding Lan opened up the photo of Miya and Qi kun and showed it to Abu Ajie.””Have you seen these two people before?”” ”

“““Oh?”” Abu Ajie took a closer look and said with uncertainty,””are these two people thai?”” ”

“““Oh?”” Zhao Yu’s eyes lit up.””You know her?”” ”

“““Four years ago,”” Abu Ajie recalled,””we investigated the Gu mantong murder case together. The two of them should be experts sent by the Thailand side, right? We had lunch together! ”

“““But at that time, Marge was the main person in charge, and I was only responsible for some logistics and recording work!”” ”

“““Oh? Recording work?”” Zhao Yu blurted out almost without thinking,””then do you remember that there were five suspects in that case?”” ”

Chapter 1790: Unexpected

“““Five suspects? ““Oh ...”” Abu Ajie endured the pain in his knuckles and tried hard to recall.””I ... I have a little impression, but ... I wasn’t the supervisor at the time, I ...”” ”

“““What else do you remember about the five suspects?”” Zhao Yu urged her anxiously, ““do you still remember their names?”” ”

“““They’re ... They’re all men ...”” Abu Ajie recalled. ““They’re all foreigners and most of them are businessmen, or ... Are they all businessmen?”” ”

“““Some of them are in their forties, some in their fifties, and some even seem to be in their sixties.”” ”

“““What’s the name? What’s your identity?”” Zhao Yu urged. ”

“““I ... I can’t remember. I really can’t remember!”” Abu Ajie painfully replied, ““I ... I can check the records! But you have to tell me, what does the question you asked have to do with Marge’s death?”” ”

“““I suspect that one of the five suspects is the real murderer!”” Zhao Yu said. Moreover, this murderer is in cahoots with the people who are trying to kill us!”” ”

“After saying this, even Zhao Yu himself was shocked. ”

“If his deduction was correct, then didn’t that mean that the murderer of the Goman thong murder case had a close relationship with the current leader of the mahazaya Kingdom, dan long? ”

Or ... The pill Dragon itself ... Was ...

“““I ... I don’t remember?”” Abu Ajie obviously understood what Zhao Yu meant and immediately said, ““when the case happened four years ago, dan long was an important figure in the reformists. If he had anything to do with the Goman kid case, how could we not know?”” ”

“““Then, what about the suspect?”” Ding Lan asked again, ““could the suspect be related to the pill Dragon representative?”” ”

“““That’s impossible, right?”” Abu Ajie said, ““the pill Dragon representative is a well-known figure after all. If the suspect is related to him, then the record will definitely ... ”

“““Oh ...”” ”

“Suddenly, Abu Ajie lowered his head and understood the stakes. He immediately said in shame, ““If the suspect is related to him, then the record would not show it! ”

“““Four years ago, it was the critical moment of the election of the reformists. With his style of doing things, he would’ve spared no effort to draw a clear line! ”

“““So, even if you found the suspect’s information, it shouldn’t be able to prove anything. It’s possible that the information was falsified!”” ”

“““That’s why we need you to explain it to us!”” Zhao Yu’s eyes were wide open as he said, ““aren’t you afraid of being killed? ”

“““Well, if you can help us recall the suspect’s information, maybe we will have the ability to take down that powerful opponent! ”

“““You still have a F * cking chance of survival!”” ”

“““But if you can’t help us,”” Ding Lan said,””then we’ll spread the news that you’ve been kidnapped, and you’ll be finished!”” ”

“““Don’t ... Don’t ... Don’t! I know ... I know what to do!”” Abu Ajie thought carefully for a moment before saying,””although I don’t remember the information of the five suspects, I have a way ...”” ”

“““Don’t tell me you’re going to the police station!”” Zhao Yu declared solemnly,””my people have already checked your files. The information on the suspect has long been deleted!”” ”

“““Oh ... Listen to me,”” Abu Ajie said,””I really didn’t know that the information was tampered with. If someone really deleted the information behind my back, that means that they have a mole in our police station, and it’s not a low-ranking one!”” Am I right?”” ”

“““Yes, but ... What’s the point?”” Zhao Yu asked. ”

“““Since they deleted the information,”” Abu Ajie continued,””that means that there must be something important in the deleted information, right?”” ”

“““Do I need you to tell me that?”” Zhao Yu grinned. ”

“““Well, I know a person,”” Abu Ajie said.””This person’s brain is very good. He also participated in the investigation of the case back then. I think he should be able to remember the information of those suspects!”” ”

“““Who’s there?”” ”

“““Mali,”” Abu Ajie said,””to be precise, this person is not a police officer, but an interpreter. He was in charge of the translation work for the Thailand and Philippines experts, so he had been investigating with the team. ”

“““I can still remember that he was also involved in the interrogation and investigation of the suspect! ”

“““So, he should still remember! ”

“““We just need to ask him and we’ll know!”” ”

“Hearing this, Zhao Yu and Ding Lan exchanged a look. Zhao Yu then asked,”” ”

“““Then ... Can you still find this person?”” ”

“““I can!”” Abu Ajie nodded vigorously.””I had a meal with him the day before yesterday. He’s no longer a little translator. Because he has been following the reformists, he’s now the Vice Minister of the Ministry of Foreign Affairs, a rank higher than mine!”” ”

“““Where can I find him?”” Zhao Yu asked. ”

“““I know his home,”” Abu Ajie said.””Of course, I also have his phone number. We can ask him directly or call him!”” ”

“Hearing this, Zhao Yu and Ding Lan exchanged looks again, but this time, they obviously couldn’t reach an agreement in a short time. ”

“Hence, the two of them had to get out of the car to discuss. ”

“““I think it’s enough to investigate up to here!”“ ““You can’t call him,”“ Ding Lan warned.““It’s too dangerous to go to his house!”“ She pointed at the trunk.““Don’t forget that we still have two burdens!”“ ”

“““How about this!”“ Zhao Yu said,““when the time comes, I’ll bring him in. You just have to look after these two!”“ ”

“““Brother-in-law,”“ Ding Lan said solemnly,““we now know who our enemy is! As long as we leave successfully, it’ll be the same as giving him a fly to eat! ”

“““Your disgusting plan has already succeeded. Why should we take any more risks?”“ ”

“““No!”“ Zhao Yu said coldly,““I want to get the suspect’s information. The truth is very likely to be hidden there. If we leave with the information, we’ll be feeding him flies! And it’s a feast of mung bean flies!”“ ”

“““But ...”“ ”

“““No buts. It’s still too early for us to evacuate,”“ Zhao Yu said.““Why don’t we bring a gift with us? So what if he’s the president? I’ll teach him a lesson if he dares to frame us! ”

“““When we dig out the big news, we’ll spread it out. It’ll be enough to make that kid suffer!”“ ”

“““But ... That’s the Ministry of Foreign Affairs ...”“ ”

“““Don’t worry! I’m here!”“ Zhao Yu urged,““after we’re done with him, we’ll go to the meeting point. I promise I won’t cause any more trouble, okay?”“ ”

“““Ai!”“ Ding Lan sighed.““I really can’t control you. We’re the most wanted criminals in mahazaya!”“ ”

“However, while Ding Lan was still sighing, Zhao Yu had already gotten into the car. ”

“““Let me ask you,”“ Zhao Yu asked Abu Ajie,““is the Deputy Minister’s family far away?”“ ”

“““Not far away!”“ Abu Ajie replied,““it’s a 10-minute drive!”“ ”

“““Okay.”“ Zhao Yu nodded, then started the car. ““Now, let’s go to his house!”“ ”

“““Um ... But ...”“ Abu Ajie suddenly thought of something and hurriedly said,““I’d better call and ask first!”“ Due to a diplomatic incident today, I’m not sure if he’s at home or at work. ““ ”

“““Oh?”“ Zhao Yu asked casually,““a diplomatic incident? What accident?”“ ”

“““Yes, I heard it’s quite troublesome. Not only was there a terrorist attack by the opposition, but it was also a very serious diplomatic incident!”“ Abu Ajie casually said,““this afternoon, the military arrested a group of foreign spies disguised as news workers at the Hilton Hotel! ”

“““Although the arrest was successful, on the way back, they were attacked by an explosion from the opposition. All the foreigners were killed!”“ Zhao Yu said. ”

Creak ...

“Zhao Yu had already started the car, but when he heard this, he slammed on the brakes and stopped the car again ...”
