

Crazy 1801

Chapter 1801: I won't release the Eagle until I see the rabbit

“Hello, bureau chief ah Jie,” the middle-aged man said to Zhao Yu, “I’m the Secretary of dan Long’s representative. If there’s anything important, just talk to me!”

The Secretary-General ...

“Zhao Yu tried to recall the information he had read before, but he had no impression of it.”

“Quickly tell me, what happened?” The Secretary-General squinted his eyes and said, “let me make an assessment. Do we need to inform the representative now?”

“.....”

“Zhao Yu looked at the Secretary and calculated in his heart. If this person had a close relationship with dan long, then he was likely to be a dangerous person, so...He couldn’t act rashly until he saw the rabbit.”

“No!” Zhao Yu waved his hand and said, “my business is related to the reputation of the pill Dragon representative. You can’t tell him until you see him in person.”

“Tsk, tsk ...” The Secretary shook her head helplessly, then said with a slight anger, “you know, you’re already overstepping your level by coming here to look for the pill Dragon representative today, right?”

“Do you know how many things the pill Dragon representative has to deal with? If you don’t go through me, you won’t be able to see him at all ...”

Tsk tsk ...

“Zhao Yu understood what the man meant. It seemed that it was right to not let the Eagle go until he saw the rabbit, but if he wanted to see the rabbit, he had to put some bait.”

“Don’t you know? Last night, director Mali was attacked and killed at home. I sent a notice to the garrison guard this morning, so you should be investigating his case!”

“But you suddenly came here to see the representative. Are you trying to charge you with desertion?”

“No Mali wasn’t killed. He committed suicide!” He said. Zhao Yu couldn’t help but ask.

“What?” The head secretary was so shocked that she almost threw her glasses off. She quickly grabbed her glasses and asked in surprise, “how ... How did you know?”

“Nonsense, I was there too!” Zhao Yu pointed at his neck. “I almost died too!”

“Ah?” The head secretary trembled and his face contorted. He asked hurriedly, “what ... What exactly happened?”

“““A Thai man named Qi kun kidnapped us,”” Zhao Yu lied.””He forced Mali to die and almost killed me!”” ”

“The moment he heard Qi kun’s name, the Secretary-General shuddered again, and his cheekbones trembled. ”

“““I don’t know what he wants to do. But I have a feeling that he’s here for the Gu mantong case!”” Zhao Yu saw the Secretary General’s abnormal reaction and decided to play his cards.””He first forced me to show him the information of the suspect in the Gu mantong case, but I found out that the information was deleted! ”

“““After he had no choice, he forced me to go to the Marians Mali asked him to recall the information of the suspects. He also said that ... This matter, with pill Dragon’s representative ... Um ...”” ”

“““Ah ...”” ”

“The Secretary-General was scared out of his wits. He quickly pulled Zhao Yu to the other side of the corridor, then opened the door of the room. ”

“The first two rooms couldn’t be opened, and the door only opened when it reached the third room. ”

“It was a very small office. There was no one in the office, only a desk. ”

The head secretary quickly pulled Zhao Yu in.

“““Chief ah Jie,”” the Secretary General’s face was pale and he said nervously,””this is not a small matter. Hurry up and tell me, where is the Thai now?”” ”

“““How would I know?”” Zhao Yu pointed at his neck.””If I didn’t play dead, I wouldn’t be able to see you now! ”

“““However, I should be able to catch him, because that fellow told me.....Mm”” ”

“The bait had been set, so Zhao Yu naturally couldn’t say anything more. He immediately shut his mouth. ”

“““You ... Say it!?”” The Secretary-General urged. ”

“““He accidentally let slip a big secret that was related to the pill Dragon pill representative. I can’t tell you this secret, so ...”” Zhao Yu said.””Hurry up and assess if I can see the pill Dragon pill representative today. ”

“““If you can’t see him, you’ll have to bear all the consequences!”” ”

“““You ...”” The Secretary-General frowned. He was obviously very angry, but seeing Zhao Yu’s firm attitude, he finally made a compromise and nodded.””Well, you wait here!”” ”

“““I’ll report to the pill Dragon representative now, but I can’t guarantee that he’ll come to see you right away. At least, it’ll have to wait until after the negotiations with the French representative.”” ”

“““Okay, go on, go on ... I’ll wait ...”” Zhao Yu waved his hand indifferently. ”

“““Ai!”” The Secretary-General sighed and left the office. ”

“After the door of the office was closed, the Secretary’s face suddenly turned gloomy and terrifying, as if she were performing a magic trick. Her eyes also emitted a fierce light! ”

He turned around the corridor and immediately waved to the security guard at the door.

Four burly security guards with guns on their waists immediately rushed to him.

“““Chief ah Jie is in the third room,”” the General Secretary ordered coldly.”“You guys stand at the door and watch him. Don’t let him go anywhere!”” ”

“““Yes!”” The four security guards immediately turned into the corridor and surrounded the office that Zhao Yu was in. ”

“Then, the Secretary-General took out his phone and made a call with a serious expression. ”

Beep ... Toot ...

The phone rang five times before the other party finally picked up.

“““Hey ...”” The Secretary walked quickly to a quiet corner and asked in a low voice,”“what do you want?”” Are you crazy?”” ”

“““I ... Um ...”” A low voice came from the phone.”“What happened to me?”” ”

“““Didn’t I tell you to keep an eye on the captured France agents? Why did you go to Mali ‘s? now ... Mm ... Mm ...”” ”

“The Secretary suddenly realized that something was wrong. She stopped her questioning and asked in surprise,”“Who are you?!”” ”

“““Me?”” The other party spoke,”“I’m Qi kun. What’s the matter?”” ”

“““Ah?”” ”

“Suddenly, the Secretary recognized the voice on the phone. It was not the person he was looking for, but Abu Ajie. ”

“““Damn it!”” ”

The Secretary-General hung up the phone and ran to Zhao Yu’s office.

The security guards were still blocking the door. The head secretary opened the door and entered the house.

“However, after he entered, he was dumbfounded to find that there was no one in the room! ”

“This was a small office with only a small desk that couldn’t hide people. The whole room was almost unobstructed, and there was definitely no one in it! ”

“““Dammit! What the hell is this?”” ”

“The Secretary-General checked the room and after confirming that there was no one in the room, he immediately ordered the security guards,”“Quick, lock down the entire building, block the exit, and search the entire place. You must find chief ah Jie immediately! ”

“““If you let him escape, all of you will die! Hurry up!”” ”

“““Yes!”” ”

“Under the command of the Secretary General, the security guards quickly separated and carried out the order. ”

“““Wait a moment!”” ““Kill him if he tries to resist. He’s an extremely dangerous person now!”” The head secretary shouted. ”

“““Yes!”” ”

The security guards took out their guns and spread out ...

“““F * ck! Damn it!”” The head secretary slammed the door frame dejectedly, then took out her phone and made a new call. She ordered the person on the other end of the line,““Hello, find out the location of a mobile number right now. I’ll send the mobile number to you, and immediately ...”” ”

“Then, he pressed a button on his phone and was about to send a number when he suddenly heard an unusual movement behind him. ”

“““Ah!”” ”

“The Secretary was so shocked that she turned around and only saw a fist the size of a claypot coming towards her face. The next second, she completely lost consciousness ... ”

Chapter 1802: ever-changing deception

Damn it!

“Looking at the fainted Secretary General on the ground, Zhao Yu couldn’t help but curse. He thought to himself,““this old man is really ruthless!”” ”

No wonder so many people died in this case!

“In fact, Zhao Yu had not expected the call to come so suddenly. ”

“In this small office, he was still thinking about how he should act cool when he saw the pill Dragon representative later. How could he find out the truth? ”

“Unexpectedly, the phone that he found on Qi kun’s body suddenly rang. After picking it up, the person on the other end happened to be the Secretary General! ”

“In this case, the matter was clear. This Secretary was not a good person. He had a close relationship with Qi kun, so he must know something. ”

“However, as he was not prepared, Zhao Yu still gave himself away over the phone, and the Secretary General recognized his voice. ”

“He knew that after hanging up the phone, the Secretary General would definitely not let him go. He wanted to escape, but he had already known through the invisible detector that the door was full of security guards.”

“He had no choice but to use his invisibility cloak to take drastic measures. After the security guards left, he suddenly appeared in front of the Secretary and punched him.”

“However, because he was still in a fit of anger, Zhao Yu’s punch was a little heavy. With one punch, he knocked the Secretary General unconscious!”

“He patted the other party a few times, but the Secretary General was already unconscious.”

Tsk tsk ...

“Zhao Yu had been exposed, and he had to make his next move immediately.”

“Logically speaking, if they could kidnap the Secretary General and interrogate him properly, they might be able to get a rough idea of the situation.”

“However, this was someone else’s Capitol after all. How could it be so easy to get him out?”

“Moreover Mali Zhao Yu wasn’t sure whether the Secretary General would confess or not. If he also refused to give in, then it would be a waste of time.”

Then ...

What should he do?

Ding ...

“At that moment, a phone suddenly rang in the room, which gave Zhao Yu a shock.”

He quickly searched his body and realized that the ringing was from the Secretary’s phone. Someone was calling him.

“What was worse was that at the same time, there was the sound of hurried footsteps outside the house. It was probably one of the security guards who heard the bell and ran back.”

Not good!

Zhao Yu quickly closed the office door and locked it from the inside.

“Then, he looked at the unconscious Secretary on the ground, his mind spinning quickly.”

What to do?

What should he do next?

Eh?

“Suddenly, he had an idea and finally thought of a feasible plan.”

“Otherwise ... He might as well give them a fierce blow. Since he had already started to fool them, he might as well fool them to the end and be a big fool.”

He quickly squatted down and used an invisible disguise machine and voice changer to scan and capture the Secretary's face and voice.

Ding ... Ding ... Ding ...

"At that moment, the Secretary's phone was still ringing. "

Shua shua shua ... Shua shua shua ...

"At the same time, someone had arrived outside the door and was currently banging on it while shouting, ""Mr. Secretary, open the door. Are you inside?"" "

"In the midst of the chaos, Zhao Yu did not speak, but quickly took off the Secretary General's shirt and put it on. "

"Then, she even took off his glasses and put them on ... "

"Immediately after, he used two props at the same time and suddenly changed his face to that of the Secretary General. "

"Then, he searched for the Secretary General's phone and stuffed the real secretary General behind the table. "

"At this moment, the phone rang rapidly, and the knocking on the door became louder. "

"Zhao Yu pressed the answer button, then unlocked the door and rushed out. "

""Oh oh oh ..."" "

"There were two burly security guards standing outside the door. Seeing that the door was locked, they were about to break in. However, when they saw the Secretary General push the door open and come out, they were so scared that they staggered and almost fell! "

Pa!

"Zhao Yu quickly closed the office door, then gestured to the security guards to keep quiet, then put the phone to his ear. "

""Hello ... Hello Hello ..."" A man's voice came from the phone. ""Secretary General, can you hear me?"" What happened?"" "

""I'm fine."" Zhao Yu pretended to be calm and asked in the Secretary General's tone, ""what's wrong?"" "

""Oh ..."" The man on the phone quickly said, ""I just received news that Mali's men and guards have been found. Together with them are the two guards from the chief of the guards, Abu Ajie, making a total of four people!"" "

""Secretary General, something big has happened. They said that two Chinese people kidnapped Abu Ajie and Mali. Marion couldn't bear the humiliation and committed suicide. Abu Ajie's entire family has disappeared ..."" "

““““Oh ... Oh ...”” Zhao Yu listened carefully, his eyes looking at the security guard in front of him. He suddenly had a bad idea. ”

““““And,”” the man on the phone continued,””I didn’t see the number you sent me. Didn’t you ask me to locate a phone? Now ...”” ”

Whoosh ...

“Zhao Yu hung up the phone quietly, then pretended to be surprised and shouted into the phone,””““What? What did you just say? Abu Ajie joined forces with the opposition and invaded the parliament building?”” ”

His words scared the security guards in front of him.

““““They ... They’re going to launch a terrorist attack or something?”” Zhao Yu was still acting.””““Okay, okay, I got it! Give me the location immediately, we have to find him quickly!”” ”

“After that, he hung up the phone and shouted at the security guards,””““Did you all hear that? It’s a terrorist attack. Have you caught Abu Ajie yet?”” ”

““““No... No...”” The security Captain said with an embarrassed expression,””I just checked the surveillance cameras, but I didn’t see him.”” ”

““““Pa!”” Zhao Yu gave the security captain a big slap and shouted angrily,””d * MN, did you all grow up eating porridge? ”

““““Hurry up and seal off the building. Search the entire place!”” ”

““““It’s ... It’s been sealed!”” The head of security covered his face and bent over.””““We’re currently searching. I want to ask you, what about the pill Dragon representative? Shouldn’t we hurry and evacuate?”” ”

““““That’s enough. Pill Dragon representative, you don’t have to worry about this. I’ll handle it!”” Zhao Yu waved his hand.””““Hurry up and bring your men to search the entire building. Don’t miss a single corner!”” ”

“Zhao Yu’s actions scared the security guards out of their wits, and they quickly ran off to carry out their orders. ”

Hu ...

“After she left, Zhao Yu heaved a sigh of relief. He didn’t expect that he had been so immersed in his role that he had really thought of himself as the Secretary General. ”

He did not expect the head secretary to be so powerful.

“However, at this point, Zhao Yu was no longer satisfied with being the Secretary General. He felt that no matter how powerful the Secretary General was, he was just an underling. ”

“The real big Boss must be the one sitting in the conference room. Without the instructions of this Big Boss, the Secretary General would not have such great power. ”

So ...

Zhao Yu's eyes were calm and his blood was boiling. He gradually revealed his crazy nature.

“Alright, since I've already reached this stage, I'll go and meet this big tiger who has enough power to topple a country!”

Chapter 1803: Representing your own good

“In the corridor, Zhao Yu tugged at the corners of his clothes, but they were still too tight.”

“He was half a head taller than the head secretary, and his clothes were a size smaller than the head secretary's. It was very awkward.”

“Moreover, he had only changed his shirt. His pants were still the dirty clothes that had been soaked in the drain and still emitted a foul smell. If one had a discerning eye, they would definitely see the problem.”

“However, Zhao Yu couldn't care less.”

“As the saying goes, the skilled are bold. After he straightened his collar, he went straight to the meeting room without hesitation.”

“At this moment, there were still many guards and security guards standing at the door of the conference room, including the White France security guards.”

“If Zhao Yu wanted his plan to go smoothly, he had to get rid of these people.”

“Of course, Zhao Yu was an expert in acting cool, so this small matter was not difficult for him.”

“After he walked over, he shouted at the Maha Zaya guards,”

““Why are you guys still here? are you guys deaf? Didn't you hear me asking you to arrest him?””

““This ...” One of the security guards quickly said,“Secretary General, our main responsibility is to protect the representative! If you capture them ...””

““Bastard!”” Zhao Yu went up and gave the man a tight slap.“Do you know how big of a mess this is? Director ah Jie has colluded with the opposition and has infiltrated our parliament building!”

““You guys search the entire floor and arrest any suspicious people you find. Just two people will do!””

““Ah?”” Upon hearing this, the guards were all sweating. Under the orders of the head guard, they quickly pulled out their pistols and dispersed.”

“Seeing the guards pull out their guns, the France security guards were naturally shocked and immediately fell into a panic.”

“Hey!” Zhao Yu adjusted the real-time translator and spoke to them in fluent French, “everyone, I’m sorry. We just received news that the Capitol has been infiltrated by opposition members and is now in a high-risk state.”

“I suggest you contact your leaders immediately, suspend this meeting, and leave the parliament building for the time being ...”

“This ...” The France security personnel were also shocked. Some of them had already begun to contact their leaders through their headphones, while others rushed into the conference room to protect their officials ...”

“Seeing that his plan had succeeded, Zhao Yu turned around and came to the two remaining Maha Zaya guards. He extended his hand to one of them and asked, “Quick, give me a gun!”

“W-what?!” The security guard’s forehead was covered in sweat. He hesitated and said, “Mr. Secretary, this ... This is against the rules!”

“You bastard!” Zhao Yu’s eyes widened as he cursed, “I’ll say it again, give me the gun! You have no idea what’s happening!”

“But ... But ...”

Pa ...

“With a crisp slap, the guard staggered from Zhao Yu’s slap, and his face suddenly turned red.”

“Do you want to die?” Zhao Yu said fiercely, “if anything happens to the pill Dragon representative, your whole family will die!”

“This ...” The security guard was stunned. In the end, he had no choice but to take out his pistol from his holster and hand it to Zhao Yu.”

“Zhao Yu took the gun and opened the magazine to check it. When he saw that the magazine was full of bullets, he nodded in satisfaction.”

“At this moment, the door of the conference room suddenly opened, and the representatives of the France Embassy all rushed out of the conference room in a panic.”

The security personnel from France immediately began to organize the evacuation and quickly left the conference room with the representatives ...

“Immediately after, an official from the mahazaya Kingdom ran out of the house. When he saw Zhao Yu, he immediately asked in confusion, “Hello, Secretary su kun, what’s going on? Why did all the France officers leave? And you said there was a terrorist attack?”

“Shh ...” Zhao Yu shushed her, his eyes watching the French people walking away.”

The official didn’t know what was going on and quickly kept quiet.

“Two seconds later, when Zhao Yu saw that all the French people had turned the corner and could no longer be seen, he turned back and smiled at the official.”

“Then, Zhao Yu suddenly kicked the official, sending him flying. ”

Bang ...

“The man slammed the door open and flew into the meeting room, causing a commotion in the room. ”

“““ Ah? Secretary-General ... You ...”” ”

“The two guards were shocked, not understanding what Zhao Yu meant. ”

“““ Come! Come over here!”” ”

“Zhao Yu gestured to one of the guards. The guard didn’t know what was going on, so he quickly stepped forward. ”

“However, Zhao Yu raised his big fist and hit him in the face. ”

BOOM!

“The guard fell to the ground, and Zhao Yu followed up with a kick, knocking him out. ”

“““ Ah?”” “““ Don’t ... Don’t move!””” The other guard was shocked and quickly took out his gun and aimed at Zhao Yu. ”

“““ Bastard!”” “““ F * ck!””” Zhao Yu cursed, pointing at the unconscious guard and said, “““ can’t you tell? Do you know why I confiscated his gun? He’s a terrorist!”” ”

“““ Ah?””” The armed guard was so shocked that his chin almost fell to the ground. Although the reason was strange, he still put down his gun instinctively. ”

“However, just as he put down his gun, Zhao Yu gave him a kick! ”

Thump!

“The Guard’s back was against the wall, but with Zhao Yu’s kick, he suddenly screamed and fell to the ground. Zhao Yu then knocked him out with a hook. ”

“In this way, no one else could stand at the door of the meeting room except for Zhao Yu. ”

“Then, Zhao Yu bent down and picked up the gun. ”

“Then, he suddenly turned off his disguise machine and voice changer, and returned to his original appearance. He then kicked open the door of the conference room ... ”

“As soon as they entered the meeting room, Zhao Yu immediately fired two shots, blowing up the two cameras in the meeting room. ”

Bang ... Bang ... Bang ...

“After the two shots, the meeting room was filled with exclamations. ”

This was too much!

“This was the parliament building, the most heavily guarded place in mahazaya! ”

“The officials present were all so scared that they hid under the table. Zhao Yu’s eyes were sharp, and he quickly found his target from the front seat. He immediately rushed over and picked up a middle-aged man in a blue suit. It was the powerful pill Dragon representative! ”

“Zhao Yu grabbed dan Long’s neck, then shot into the sky. He shouted in the local language, ” “Alright, this has nothing to do with you. Get out of here!” ”

“With this shout, the other officials rushed out of the meeting room, including the official who had been kicked by Zhao Yu. He crawled out of the room and disappeared in the blink of an eye. ”

Only Zhao Yu and dan long were left in the room.

“”Who ... Who are you?”” Even though pill Dragon was used to big scenes, he had never been held hostage. His lips turned white and his body trembled. ”

“”Shh ...”” Zhao Yu pushed dan long to his seat and pointed the gun at his head, ” “don’t move!”” ”

“Then, Zhao Yu quickly ran to the door of the meeting room, locked it from the inside, and pushed a table over to block the door. ”

“Then, he went to the window and drew the curtains. ”

“After making a full round, he returned to pill Dragon and sat next to him. ”

“”Hello, pill Dragon representative, ”” Zhao Yu greeted, panting. ” “We finally meet!”” ”

Chapter 1804: I’m a detective

“”Who ... Who are you?”” Dan long didn’t dare to look at the black muzzles, so he looked at the ceiling and asked Zhao Yu, ” “what do you want?”” ”

“Zhao Yu sighed and shook his head. ” “I thought there would be a surprise when I saw the big BOSS! Aren’t your lines a little too LOW? I think I’ve heard it a few times ...”” ”

“”I ... I don’t understand what you’re talking about ...”” Pill Dragon said with a trembling voice. ” “You ... You can’t run away. You’ve been surrounded!”” ”

“”I know, ”” Zhao Yu said, nodding. ” “You don’t have to worry too much. I didn’t want to run at all!”” Actually, I’m not part of the opposition party, nor am I a terrorist, and I’m not an international assassin! ”

“”Now, let me introduce myself, ”” Zhao Yu stretched out his arms, his right hand still pointing the gun at dan long. ” “My name is Zhao Yu, a detective from China. I took the liberty to come here this time not for anything else, but to understand a case. I hope you can provide me with some clues!”” ”

“What Zhao Yu said was true, but to dan long, it was like a fantasy. So, he could only stare at Zhao Yu, speechless. ”

“““Really,”” Zhao Yu explained.”““Logically speaking, I should have made an appointment with you first, but ... Because of a small accident, I had to take such an extreme measure! ”

“““If I’ve scared you in any way, please forgive me, pill Dragon representative. I’m sorry ...”” ”

“““You ... This ... I ...”” Pill Dragon was still in a mess. He stammered for a long time before he finally managed to squeeze out a question.”““What case do you want to know?”” ”

Whoosh ... Whoosh ...

“At this moment, someone suddenly knocked on the office door. It was obvious that the security guards had realized that something big had happened and wanted to rush into the meeting room. ”

“““Tsk tsk ...”” Zhao Yu smacked his lips impatiently, then immediately helped the pill Dragon representative up and escorted him to the door. He then pointed a gun at his back and threatened him,”““please tell your people not to move!”” Or else ... You know the consequences!”” ”

“““Okay, okay ...”” Dan long naturally understood what Zhao Yu meant, and immediately shouted towards the door,”““stop smashing, stop smashing! ”

“““Don’t ... Don’t come in, do you hear me? Without my order, no one is allowed to enter!”” ”

Dan Long’s shout silenced the crowd. The security guards knew that dan long had been kidnapped.

“““G-representative ... Are you ... Alright?”” The voice of an official rang out from outside the door. ”

“Zhao Yu poked dan Long’s back with the gun, and dan long quickly shouted, ”

“““It’s fine, it’s fine! All of you, listen up, don’t move, don’t move, okay?”” ”

“““But ...”” Of course, the officials outside would not give up. ”

“Zhao Yu’s eyes widened, and he fired a shot at the door. ”

Bang! Bang!

The crisp sound of the gunshot scared dan long so much that he shrank his neck. The sound of someone lying down could be heard from outside.

“““Hey, say something ...”” Zhao Yu was well-versed in kidnapping, so he immediately reminded her. ”

“Pill Dragon understood and rushed outside, shouting,”“““Do you hear me clearly now? Don’t move and don’t talk ...”” ”

“As a result, it was quiet outside, and no one dared to speak. ”

“Zhao Yu saw that the time was right, so he pulled dan long back to their seats and went back to the main topic, ”

“““Calm down first. I can tell you responsibly that my purpose is very simple!”” Zhao Yu said faintly,”““I just want to investigate my case. As long as you are willing to answer my questions honestly and help me understand the case, I will not make things difficult for you. I will raise my hands in surrender and let you do whatever you want with me. What do you think?”” ”

“““This ...” Pill Dragon didn’t believe him, but he still asked,““then ... What do you want to know?”” ”

“““Hehe, I feel that you should at least have an idea in your heart, right?”” Zhao Yu stared into dan Long’s eyes, carefully observing his subtle changes, then said word by word,““what I want to investigate, of course, is the famous Gu Qingman’s child rape murder case!”” ”

“““Ah?”” Pill Dragon’s brows furrowed, and a complicated expression appeared on his face.““You ... What did you say? The Gu mantong murder case? ““Then ...”” He recalled for a moment and said,““isn’t that a case from many years ago? ”

“““What does this case have to do with me?”” he asked. ”

Thump ...

“Zhao Yu’s heart trembled. Although dan Long’s expression was complicated, Zhao Yu could not see any shock or worry in it. ”

This ...

“This result could only explain two possibilities. One was that pill Dragon had hidden himself very well, and he had expected this long ago, so he had made full preparations. ”

The other possibility was that he was innocent and didn’t know anything!

“““Hmph.”” Zhao Yu’s expression remained unchanged as he continued to ask,““do you really not know me?”” ”

“““You?”” Pill Dragon shook his head without hesitation.““I don’t know him! This is ... Our first time meeting, right?”” ”

It was watertight ...

“This time, Zhao Yu still didn’t see any problems. ”

“““Alright then!”” Zhao Yu nodded and said,““since you don’t want to admit it, let’s start from the beginning! In any case, I’ve already gone all out!”” ”

Ding ... Ding ... Ding ...

“Just as Zhao Yu finished speaking, the phone in his pocket suddenly rang. ”

“At that moment, he had three phones in his pocket. One was his, one was Qi kun ‘s, and the other was the Secretary named su kun’ s. ”

“Just by listening to the ringtone, Zhao Yu could tell that the call was from the Secretary General’s mobile phone. ”

He took out his phone and saw that it was an unfamiliar number.

“At first, Zhao Yu wanted to hang up, but he thought about it and wondered if he could get the latest news from the Secretary General. ”

“Therefore, he prepared the Secretary General’s voice and planned to get some information through his phone.”

“Unexpectedly, after he picked up the call, the voice of Secretary su kun suddenly came from the other side of the phone.”” ”

“””Hey, Abu Ajie, what the hell are you doing? How could you pretend to be me? Why did you kidnap the pill Dragon representative? are you crazy ...”” ”

“After hearing the barrage of questions, Zhao Yu finally understood that Secretary su kun had woken up and wanted to use his mobile phone to negotiate with him! ”

Alright ...

“Since that’s the case, then I’ll play with you and see if I can’t play you to death! ”

“Hence, Zhao Yu spoke into the phone in his own voice,””Hey, Who are you? Are you crazy? What Abu Ajie? I don’t understand what you’re saying. “” ”

“”” ...”” For a moment, the Secretary was speechless. She hesitated for a long time before asking,””who ... Who are you?”” ”

“””Me?”” Zhao Yu said,””what does my identity have to do with you? I’m telling you, I’m talking to the pill Dragon representative right now, I don’t have time for you!”” ”

“””You ...”” The Secretary was indeed flustered. She could only brace herself and say,””you’re already surrounded. Don’t do anything rash!”” ”

“””Messing around? That’s what I wanted to say to you!”” Zhao Yu said,””don’t do anything stupid. Otherwise, the pill Dragon representative will be in trouble!”” ”

“””You ...”” The Secretary-General immediately said,””okay, let’s talk about the conditions!”” What do you want?”” ”

“””What do I want?”” Zhao Yu glared at him and said fiercely,””I’ll give you 30 minutes to bring the French woman you kidnapped to see me. If you can’t see her by then, then you’ll have to collect the body of the pill Dragon pill King representative!”” ”

Chapter 1805: negotiation

“””What did you just say?”” “”I don’t understand at all!”” The Secretary-General said. ”

“””Still pretending!”” Zhao Yu said coldly,””what did you say when you called Qi kun just now? didn’t you ask Qi kun to keep an eye on that French woman?”” ”

“””Oh ...”” The head secretary was so excited that she suddenly realized something.””Oh ... I understand now. You and Abu Ajie are in cahoots. You two colluded!”” You guys ...”” ”

““““Alright, I still have important things to discuss with the pill Dragon representative. Quickly do as I say!”” Zhao Yu said,““““thirty minutes, and now there are twenty-nine and a half minutes left. Hurry up, old man!”” ”

“Then, Zhao Yu was about to hang up the phone. ”

““““No, listen to me,”” the General Secretary said hurriedly.““““I’m telling the truth. I really don’t know who took the French woman you mentioned.”” Otherwise, I wouldn’t have asked Qi kun to investigate ...”” ”

““““I don’t care ...”” Zhao Yu said fiercely.““““That’s your business. There are 29 minutes and 13 seconds left. Do as you see fit!”” If you can’t do it, then you’ll have to take responsibility for the death of the pill Dragon representative!”” ”

“This time, Zhao Yu finally hung up the phone. ”

““““This ...”” Dan long asked Zhao Yu with a worried look,““““it seems that you’re not just here for the Goman child murder case! French woman? what did that mean? How come I don’t understand anything?”” ”

““““Hehe,”” Zhao Yu smiled,““““you’re also pretending, right? Don’t worry, there are still 29 minutes left, we can have a good talk!”” ”

““““You ...”” Seeing Zhao Yu’s cold smile, dan long shivered and had a bad feeling. ”

““““Representative dan long, you are a decent man,”” Zhao Yu pointed the gun down and said to dan long,““““I hope that our conversation can be more decent. I really don’t want to do dirty things like cutting off fingers, ears, or pulling out tongues to a Big Shot like you, don’t you think?”” ”

“Hearing Zhao Yu’s words, dan Long’s face instantly turned purple. ”

““““I ... I think so too, but ...”” Dan long said with a trembling voice,““““I really don’t know. I really don’t know about the things you just said!”” ”

““““No, don’t worry, listen to me,”” Zhao Yu said.““““You see, I’m just a detective. I’m here to find out the truth!” ”

““““How about this, as long as you tell me the truth, I will definitely not tell anyone, okay? When the time comes, you can still be your representative. I promise I won’t affect you. How about it?”” ”

““““I ...”” Dan long said, embarrassed.““““I’m not lying. I really don’t understand what you mean. You want to investigate the Gu mantong case, and it really has nothing to do with me!” ”

““““Sir, is there a misunderstanding here ...”” ”

““““Ai!”” ”

“Zhao Yu sighed and remained silent for a few seconds. He then pressed dan Long’s palm on the table and pointed the gun at his palm. He said disappointedly, ”

““““That’s too bad. It seems that you don’t want to be a decent person. Then I’ll have to give you a gift first so that we can have a normal communication.”” ”

““““Don’t ... Don’t, don’t, don’t ...”“ Pill Dragon was so scared that he struggled, but Zhao Yu was so strong that he couldn’t break free. ”

““““Don’t worry, it’s just a hole,”“ Zhao Yu said casually.”“If you’re lucky, your fingers won’t be affected. If you’re unlucky, you’ll only have three fingers at most, and they won’t listen to your command anymore!”“ ”

“Then, Zhao Yu pulled the trigger and was about to shoot. ”

““““No! Don’t, don’t, don’t! Wait ... Please!”“ ““What?”“ pill Dragon was so scared that he cried out loudly. He begged while trembling,”“how about this? you ... You tell me what happened first. I promise that as long as I know it, I won’t hide it from you. Is that okay?”“ ”

“Zhao Yu thought for a moment and felt that what he said made sense, so he nodded and said,”“okay, let me think about it. Let’s start with the first thing!”“ ”

““““I came to Maha Zaya to investigate the Goman child case, but I didn’t find anything. But when I was about to go back, I was framed at your airport. The police there stuffed a bag of drugs into my suitcase and tried to frame me! ”

““““But I managed to escape in the end! ”

““““The airport Police told me that it was the garrison guards who ordered them to do so! ”

““““So, I went to the Chief of Police and talked to him, but he told me that he only did it on your orders! ”

““““Master pill Dragon, do you remember who I am now?”“ ”

““““This ...”“ Pill Dragon frowned, still looking confused.”“You’re referring to Abu Ajie, right? ‘But ... I ... Didn’t. ‘ ”

““““I don’t even know you. Why would I send someone to frame you?”“ ”

““““Still pretending? then I’ll tell you from the beginning,”“ Zhao Yu said.”“Deputy Chief of the garrison guard Bureau, Marge, had his entire family killed because he was talking to a Thailand expert who was investigating the Goman thong case! ”

““““Part of the garrison Guard’s information on the Gu mantong case has been maliciously deleted! ”

““““Also, as soon as we entered mahazaya, we were followed and framed. All of this shows that someone is trying to stop anyone from touching this case! ”

““““Some people wanted to cover up the truth, and in order to cover up the truth, they even blew up several France reporters! ”

““““To be able to create such a world-shaking event, he must be a powerful figure. In all of mahazaya, I’m afraid that only you, master pill Dragon, can have such courage.”“ ”

““““This ... This ...”“ ”

“At this point, pill Dragon’s face became even more embarrassed. At this time, Zhao Yu finally caught a trace of fear in his expression. ”

Pill dragon's eyes flickered and his face trembled. He was obviously worried about something.

Hmph ... I've finally caught you!

"With just one look, Zhao Yu immediately knew that pill Dragon definitely knew something."

"Thus, he struck while the iron was hot," "I went to find Ma Li an, but in the end, Ma Li an committed suicide and didn't reveal the name of the culprit behind the scenes!" " "

" " "And Qi kun, he was the same, he didn't want to say a word until his death! " "

" " "What does this mean? It meant that the identity of the mastermind behind the scenes was not someone they could afford to offend. They would rather commit suicide than reveal it! " "

" " "Pill Dragon representative, other than you, who else in mahazaya has such power?" " " "

" " "This ... " " Pill Dragon's body trembled, unable to speak. " "

" " "So, the Gu mantong murder case must be related to you, right?" " Zhao Yu said, feeling good, " "you're trying so hard to cover up the truth. Who are you trying to protect? " "

" " "Is it you? " "

" " "Stop pretending. If I'm not wrong, you're the famous Kongtong Gu mantong killer!" " " "

" " "This ... " " Pill Dragon's face twitched. His face turned from green to purple and from purple to black. It couldn't be uglier. " "

" " "What do you think, pill Dragon representative?" " Zhao Yu pointed the gun at his palm and asked, " "what do you have to say now?" " " "

" " "I ... What should I say to make you believe me? I really didn't do those things you said!" " Dan long said innocently, " "since you say you're a detective, then you need evidence. Why do you say I'm the Gu mantong killer? " "

" " "You ... Don't you think that this is very irresponsible? " "

" " "You said that Abu Ajie said that it was my order!" " Pill Dragon said, " "but what if he's lying?" " " "

" " " ... " " Zhao Yu thought about what pill Dragon said. " "

"A few seconds later, he pressed down on pill Dragon's palm and said fiercely, " " " "You're right, I don't have any evidence! " "

" " "However, there's one thing I want you to know. It's precisely because I don't have any evidence that I'm meeting you in this identity! " "

" " "I hope you can understand that I'm willing to do anything to find out the truth!" " " "

"Then, Zhao Yu pulled the trigger, and a crisp gunshot rang out in the meeting room! " "

Chapter 1806: Control

Ah ...

“After the gunshot, dan long let out a shrill scream. His palm was indeed shot through by a bullet, and blood was flowing out ... ”

Ding ... Ding ... Ding ...

“After the gunshot, the Secretary General’s phone rang. Zhao Yu knew that the people outside must have heard the gunshot and the screams, and wanted to ask about the situation. ”

“““You ... Oh ...”” Dan long covered his injured palm and said to Zhao Yu in horror,““this phone call ... You’d better answer it ... Or else ... Oh oh ...”” ”

“““Otherwise ...”” He lowered his voice and said with difficulty,““we’ll all die!”” ”

“““Oh?”” ““Why?”” Zhao Yu asked coldly, slightly surprised. ”

“““Because...Because ...”” Pill Dragon’s face was full of resentment.““I’m just a puppet! If there was a need, they wouldn’t care about my life! ”

“““You ... You’ve really found the wrong person ...”” ”

Oh?

“Hearing this, Zhao Yu was shocked. He suddenly remembered what Qi kun had said to him before he died,““ ”

“““You don’t know anything ...”” ”

Terrible!

“Zhao Yu seemed to have realized something, so he picked up the call. The Secretary General’s voice came through the phone. ““What’s going on? Didn’t you say you would give me time? Why did you shoot? How’s the pill Dragon representative?”” ”

“Hearing the Secretary General’s question, Zhao Yu put the phone next to dan Long’s ear and gave him a look. ”

“““I ... I’m fine ...”” Dan long said, enduring the pain.““Just now, the gun went off. I’m fine!”” You ... You should do as he says!”” ”

“““Pill ... Pill Dragon representative, you ...”” ”

“The Secretary General wanted to ask more about the situation, but Zhao Yu hung up immediately. ”

“““Pill Dragon representative ...”” Zhao Yu pointed his gun at pill Dragon and said,““you’re still testing my patience at this point, aren’t you?”” ”

“““No, listen to me, I’m really not lying to you!”” Pill Dragon said painfully,““I’m just a chess piece under their control. I don’t have any power! ”

“““Among the things you just said, I only know about Marge and the France reporters. But they told me that Marge’s family died in an accidental fire.”

“““Also, the France reporters encountered a terrorist attack by the opposition, which was also an accident. I don’t know what these things have to do with the Goman thong murder!”

“““Believe me, I really don’t know who you are, and I didn’t ask anyone to frame you!””

“““Under their control?”” ““Controlled by who?”” Zhao Yu asked. ”

“““Well ...”” Pill Dragon hesitated for a moment. His face showed great fear again.””I can’t tell you. If I tell you, my family ... Sigh ...”” ”

“““Oh?”” Zhao Yu then realized that dan Long’s fear might not have been because he had been exposed, but because he was afraid of something. ”

Could it be that ... What he said was true?

Or else ...

“Suddenly, Zhao Yu thought of something. He immediately clicked on the device bar and found a device. It was the Super powerful Kasaya invisible lie detector. ”

“Although Zhao Yu only had one precious lie detector, he felt that this was the best time to put it to good use. ”

“As long as they could determine the truth of pill Dragon’s words, they could determine the direction of the future investigation. ”

“So, Zhao Yu didn’t hesitate and immediately used the device. He then asked dan long seriously,””Now tell me honestly, are you related to the Gu mantong murder case?”” ”

Whoosh ...

“After Zhao Yu asked the question, the system suddenly sent him a notification, indicating that the question was invalid. ”

What?

“Zhao Yu was stunned, but dan long didn’t know anything. He immediately nodded and replied,””No, I didn’t! I really didn’t!”” ”

Oh my God ...

“Zhao Yu was depressed. He didn’t know what the system meant by ““all the questions I should ask are invalid””.”

He carefully recalled the device’s description and gradually found the root of the problem. It turned out that the invisible lie detector now was no longer the heaven-defying lie detector that could directly ask for the truth!

“Through the system’s modification, the function of this device had been weakened. It could only give a relatively accurate lie detection result based on the physical reaction of the subject. ”

“Moreover, the questions raised by the questioner must be directed to specific questions, not general questions.”

So ...

“Zhao Yu thought for a moment, then asked another question, “Tell me, are you the murderer of the Gu mantong murder case?””

““No!”” Pill Dragon said innocently, “what do you want me to say to make you believe me?””

Whoosh ...

“As the green light on the system’s interface lit up, the lie detector showed that dan Long’s words were correct and he was not lying!”

Damn it!

Zhao Yu immediately regretted it.

“The direction of this question was clear, but he still couldn’t rule out the suspicion of pill Dragon.”

“Although he was not the Gu mantong killer, there was no guarantee that he did not know anything, right?”

Damn it!

Depressing ...

“Zhao Yu was so angry that he beat his chest and stomped his feet, gritting his teeth. Pill Dragon was so scared that he shrank his body, almost rolling into a ball.”

““Then ...”” After more than ten seconds of being flustered and exasperated, Zhao Yu asked in a frenzy, “then tell me, who are the real masterminds? Who is the one controlling you?”

““Is there a Secretary-General named su kun? Is it him?””

““I ... I ...”” Pill Dragon bit his lips in pain and said sadly, “Sir, I really can’t tell you!”

““Even if you beat me to death today, I can’t tell you!”

““If I die, my family may still live, but if I tell them, my family and I will all die!”

““Sir, I beg you, please let me go!”

““For the sake of my family, please don’t make things difficult for me!””

““Good! “You’re still pretending ...”” Zhao Yu held dan Long’s palm again and said fiercely, “if there were two holes, your hand would really be useless!””

“Then, Zhao Yu once again pointed the gun at his palm.”

““Please ... Please ...”” Pill Dragon begged in despair. “They chose me because of my pure blood and my experience of being exiled overseas. My story has an absolute advantage in the election!”

“““But in fact, I didn’t do anything of my own free will. It was all planned by those people behind the scenes. I ... I could only listen to them.”

“““As you know, mahazaya used to be a famous poison nest,”” pill Dragon explained anxiously.”“If the reformists want to gain a foothold, they must touch the fundamental interests of the poison followers, and they won’t let it go!”

“““Therefore, everyone is afraid of being assassinated by the miasma, and no one dares to stand up and be the representative. That’s why I, a puppet and shield, was born!”

“““You should understand now, right?”” Pill Dragon said numbly,”“the things you said are not something I can control!”

“““You’ve really ... Found the wrong person!”” ”

“When he said this, pill Dragon almost cried out, looking very pitiful ... ”

Di di ...

“At that moment, Zhao Yu’s phone suddenly rang. He received a text message from Ding Lan.”

“After reading the message, Zhao Yu slowly put down the gun, looking depressed.”

Chapter 1807: -a real husband

“Before entering the parliament building, Zhao Yu had contacted Ding Lan and asked her to help him look up the details of the pill Dragon unit’s representative.”

“Zhao Yu requested that not only the information must be very detailed, but also the data must be compared with the murder track of the Gu mantong killer that year.”

“In the end, the information was sent over. After comparing the information, it was almost clear at a glance that dan long could not be the Gu mantong killer!”

“This was because after dan long went into exile, he mainly settled in the Philippines and Malaysia.”

“Although he had been to many other Southeast Asian countries because of his business, the time he had been to these countries was very different from the time he had been to the goatong murder case. It was almost impossible for them to match.”

“What was more obvious was that dan long had never been to Singapore or Vietnam, but the Gu mantong murder case had happened in both countries.”

“In addition, according to the information, in 2008, dan long had a serious car accident and was seriously injured. He was hospitalized in Kuala Lumpur Hospital for a total of ten months, including surgery and rehabilitation.”

“The year 2008 was the craziest year for the Gu mantong killer. In just one year, he had committed four cases.”

“From this, it could be seen that even without the invisible lie detector, this information was enough to rule out pill Dragon’s suspicion.”

It seemed that the Gu mantong murder case was really not related to him.

“Suddenly, Zhao Yu felt dizzy, and he almost lost his gun.”

“”S-Sir ...” Pill Dragon said carefully.””I’m sorry. For my family, I really can’t say ...”” ”

This ...

“Suddenly, Zhao Yu thought of Mali’s suicide and Qi kun’s refusal to confess.”

“Could it be that they were the same as pill Dragon? because their families were being held hostage, they would rather die than reveal the truth?”

Who were these people?

Why was it so terrifying?

And ... What did these people have to do with the Gu Man case?

“Why did they try so hard to cover up this case? as for the five suspects, what was the mystery behind them?”

“Could it be that the rumors about the Gu Man case were true, that it was not done by a single person, but by a terrifying cult?”

“However, why did they suddenly stop in 2015?”

What ... What was going on?

Zhao Yu was confused and couldn’t help but pinch his forehead in disappointment.

It seemed that he had thought too simply of the case.

“However, on second thought, he couldn’t be completely blamed.”

“This was because Zhao Yu had been in a highly dangerous situation during his trip to Maha Zaya. If he wasn’t being framed, then he was being hunted down. He didn’t have the time or opportunity to go deeper into the case and gather more evidence.”

“That was why he had rashly entered the parliament building to meet with pill Dragon, causing him to be in a dilemma.”

“If the murderer really wasn’t dan long, and the whole case had nothing to do with him, then what should he do next?”

“If he had known earlier, he would have interrogated that Secretary-General!”

Perhaps that guy knew more than pill Dragon!

Hmm ...

“Zhao Yu stared at dan long for a few seconds, then started to wonder if he should use some extreme methods to force him to speak.”

“However, Zhao Yu was a man of justice. If dan long had nothing to do with this, he didn’t want dan long to lose his family because of his confession.”

So ... What should he do next?

“In the past, every time he carried out an important operation, Zhao Yu would usually make a plan in advance and a backup plan. However, for the risk of the Congress building this time, he had done it on a whim.”

“If Juliet hadn’t been taken away, and if he hadn’t seen the tragic deaths of aru, his wife, and the fisherman, he wouldn’t have come to pill Dragon in such a rush!”

“Now, not only did he not find out the truth, but he was also trapped in the parliament building.”

Juliet ... Juliet ...

“All of a sudden, Zhao Yu thought of the France woman. He suddenly realized a serious problem. He had said that he wanted her to hand over Juliet in thirty minutes.”

“But now, it seemed that these 30 minutes had instead become his death toll!”

“If what pill Dragon said was true, then the true mastermind behind the scenes would never allow this deal to be made.”

“Juliet was a France agent, after all, and they couldn’t let the French know about it.”

“Besides, it was unknown who had taken Juliet and whether she was still alive.”

“So, Zhao Yu was worried that once the thirty-minute time limit was up, the other party would not care about dan Long’s life, but would directly rush into the house and kill him!”

“Although he had powerful items to protect himself, he might not be able to break out of the siege.”

So ... So ...

Zhao Yu looked at his watch and saw that it was already twenty-three minutes. It seemed that he could not wait any longer.

“Thinking of this, he took two steps back and subconsciously came to the window. He observed the outside through the gap in the curtain.”

“Police cars and military vehicles were already parked downstairs, and there were police and soldiers everywhere.”

“He silently weighed the situation and felt that even though it was broad daylight, he should still be able to escape if he were to fly invisibly.”

But ...

“Thinking about the Gu mantong murder case, thinking about the innocent people who had died, thinking about the evil mastermind behind the scenes, Zhao Yu still felt unwilling. ”

“Moreover, Qi kun’s last words before his death kept echoing in his ears: ”

“””You don’t know anything ... You don’t know anything!”” ”

“This sentence deeply provoked Zhao Yu, and he couldn’t accept it. ”

Alright!

“Suddenly, Zhao Yu’s eyes were firm, his fists clenched, and his blood was boiling. ”

Go to hell!

“I’m a godly detective. Today, I’ll find out the truth, no matter what! ”

So ...

Zhao Yu squinted his eyes and quickly thought of a new idea.

Hmm ...

Alright!

“Since you’ve angered me, I’ll put on a good show for you! ”

Let’s see if we can find out the truth this time!

“Then, Zhao Yu picked up a bottle of mineral water from the table and took two gulps. ”

“Then, he handed the bottle of water to the pill Dragon representative and said with a desperate expression, ”””Come, you have a sip too! The time was almost up! We’re going to end this!”” ”

“””This ...”” Dan long held the bottle of water, not knowing what Zhao Yu was going to do. ”

“However, he was indeed thirsty, so he raised his head and took a big gulp of water. ”

“After he finished drinking, Zhao Yu looked at his watch, but in his heart, he had already opened the device bar and prepared new devices. ”

“””Sir,”” dan long advised,””how about this? after all, you’re a China citizen. Can we discuss this? let’s see ... Oh ... Um ...”” ”

“Before pill Dragon could finish a complete sentence, he felt dizzy and fell asleep on the table. ”

Amazing!

Zhao Yu had been waiting for this moment. He was secretly impressed. The enhanced version of the invisible sleeping pill was really powerful. He was knocked out in less than a minute.

“Seeing that dan long was asleep, Zhao Yu immediately took off his clothes and started a new round of acting cool ... ”

Chapter 1808: Who's lying?

"In order to make it look more realistic, Zhao Yu not only took off his shirt, but also took off his muddy pants and shoes. "

"Although pill Dragon was shorter than him, he was more suitable than Secretary su kun. "

"Then, Zhao Yu took off dan Long's clothes and exchanged them. He put his dirty clothes on dan Long's body, then activated the invisible disguise device and turned into dan Long's appearance. "

"At this time, through the life detector and the invisible detector, Zhao Yu had already noticed the strange movement outside the door. Countless signals rushed into the meeting room, surrounding it so tightly that not even a drop of water could escape. "

"Zhao Yu quickly put dan long on the ground, then turned on his mobile phone. He took out the micro-listening device from his mobile phone and stuck it in dan Long's shirt pocket. "

"This micro-listening device was a tool specially prepared by the Secret Service for agents. After it was installed, it could be directly monitored through the software on the mobile phone. "

"After that, Zhao Yu used the invisible voice changer to pick up dan Long's voice, then put the pill Dragon under the table and blocked it with the table and chairs. "

"At this time, Zhao Yu originally planned to use a disguise device to change dan Long's appearance into his own, so as to change his face. "

"However, on second thought, he didn't dare to do so. "

"He was worried that if the enemy wanted to kill him, they would shoot him as soon as they saw that dan long had taken his appearance. That would be against his will. "

"Zhao Yu had always been clear about gratitude and grudges. He would never let go of anyone who had committed a crime! However, he did not want to implicate innocent people. "

"However, although Zhao Yu didn't disguise pill Dragon, he was still very confident that his plan would be successful before he was discovered. "

"So, Zhao Yu activated the disguise device and turned himself into dan long. Then, he raised his pistol and fired two shots at the ceiling! "

Bang ... Bang ... Bang ...

"As soon as the gunshot rang out, there was a sudden movement outside the door, which obviously gave them a fright. "

"Then, Zhao Yu removed the tables and chairs that were blocking the door. He put on an invisible bullet proof suit on himself, then opened the door and ran out. "

"Although he had already turned into dan long, he was still worried that someone would kill him as well, so he still used a bulletproof vest to be safe. "

“However, his worries were obviously unnecessary. When he rushed out of the meeting room, the police officers outside were shocked and pointed their guns at him. ”

“However, after seeing his disguised appearance, he quickly lowered his gun. He was shocked and surprised. ”

“““Ah? The pill ... Pill Dragon representative ... How could he ...”” ”

“““Dan ...”” The Secretary, su kun, hurriedly went up and asked loudly,““are you okay?”” Where’s the criminal?”” ”

“““Hurry up! ““Quick ...”” Zhao Yu quickly ran to su kun, then frantically shouted at the people,““run!”” There’s a bomb inside! Quickly run! The bomb is going to explode!”” ”

Whoosh ...

“Upon hearing this, the corridor suddenly exploded. The armed special police who wanted to rush in to check the situation all stopped in fear! ”

“““Quick, leave this place. The bomb is going to explode. Run ...”” ”

“Zhao Yu slowed down and continued to fan the flames. At this time, su kun and a group of special police officers rushed to his side. The special police quickly formed a circle and protected Zhao Yu. ”

Someone even put a thick bulletproof vest on him ...

“Then, they ran towards the elevator together. ”

“““Representative, representative ...”” Su kun anxiously asked,““then ... What about the criminal?”” Who is he?”” ”

“““I beat him up. I don’t know who he is either!”” Zhao Yu answered simply, then shouted,““get everyone to evacuate! The bomb can blow up the entire building!”” ”

“““Ah?”” Secretary General su kun was shocked and quickly shouted to the special police,““hurry ... Hurry and escort the representative out of the building! Hurry up!”” ”

“““Then ...”” A senior SWAT officer said,““we can’t take the elevator. Let’s take the stairs!”” ”

“““Yes!”” ”

“At his command, the special police officers quickly escorted Zhao Yu to the stairs. ”

“At this moment, a lot of panicked people were already swarming toward the stairs. The special police immediately sent out a group of people to block the crowd. ”

“Due to the crowd’s excitement, the two sides even pushed each other. The special police officers had no choice but to shoot at the sky to scare the crowd away. ”

“The rest of the SWAT team took the opportunity to escort Zhao Yu into the stairwell, then quickly ran downstairs. ”

“As he was running, Zhao Yu was worried that he would be exposed in the meeting room, so he secretly used a signal jamming device.”

“This way, even if someone from the top found the real pill Dragon, they couldn’t pass the news to these people.”

The SWAT team was very fast and quickly escorted Zhao Yu to the underground parking lot.

“As soon as they entered the parking lot, they quickly spread out. A small group of people quickly ran to a certain place in the parking lot to drive pill Dragon’s car.”

The other team stayed where they were to protect Zhao Yu.

Huchi ... Huchi ...

“Su kun was old. After running for so long, he was already panting and out of breath.”

“Zhao Yu looked at him, thinking about the next step.”

“His plan was to target Secretary su kun. Since dan long was a puppet, su kun must know something. So, Zhao Yu planned to use dan Long’s identity to kidnap the old man and interrogate him.”

“So, he was now thinking about how to get rid of the special police and kidnap su kun after he left the building.”

Huchi ... Huchi ...

“At this time, su kun was still gasping for breath. He stood side by side with Zhao Yu, waiting for the arrival of the car.”

“”Mm ...”” Zhao Yu wanted to sound him out, so he pulled him in and said,“”Secretary General, I ... I didn’t say anything just now!”” ”

“As he spoke, he gave su kun a complicated look.”

“In fact, Zhao Yu didn’t know what he meant by that look, but he felt that since he was a puppet, he naturally had to appear slightly weaker.”

“However, something that puzzled Zhao Yu happened.”

“After Zhao Yu gave him a look, Secretary su kun’s expression suddenly changed. His face trembled and his eyes were filled with fear. He quickly lowered his head and said to Zhao Yu, ”

“”I’m ... I’m sorry, my Lord.”” Su kun was so scared that he trembled and broke out in a cold sweat.””This time, it was my dereliction of duty. I didn’t do a good job!”” He said. They ... They came too suddenly, please ... Please forgive me, I will definitely find a way to make it up to you ... ”

“”Please, I beg you, please give me another chance ...”” ”

“”Ah!”” ”

“Suddenly, from su kun’s frightened expression, Zhao Yu could tell that he was really scared! ”

‘What ... What’s going on?’

“If he was just a puppet, would su kun be so scared? ”

This ...

“In an instant, Zhao Yu’s blood was boiling, and he felt as if crows were flying past his ears. ”

Could it be that ... He had been tricked again?

‘What ... What is going on?’

“““Oh ...”” Su kun saw that Zhao Yu’s expression was not right, so he quickly asked,“““Mr. Representative, that French woman ... What should we do with her?”” We’ve already transported her here! Should we ... Make her ...”” ”

“As he spoke, su kun made a killing gesture at Zhao Yu. ”

Chapter 1809: Plans can’t keep up with changes

“Suddenly, Zhao Yu felt his brain buzz, and the scenery in front of his eyes started to twist and change. ”

He had never expected that his plan would be interrupted by this sudden accident once again!

Pill Dragon might have deceived him and tricked him!

“And ... Juliet had indeed been taken by them, and she was in the Capitol right now. ”

This ...

“““What?”” Zhao Yu was not pretending to be shocked, but he was really shocked. He grabbed Secretary su kun’s collar and asked with his eyes wide open,“““you ... You really brought that woman here? Do you really want to make a deal with the robbers?”” ”

“““Please ... Please calm down.”” Su kun was so scared that he almost knelt down in front of Zhao Yu. He quickly explained,“““we were just worried about your safety!”” ”

“““What if the time comes and the robber really makes a move? what ... What should we do?”” ”

Oh ...

“Hearing this, Zhao Yu was even more convinced that pill Dragon was not a puppet at all! ”

“Otherwise, these people wouldn’t have sent Juliet over in such a hurry. ”

“““Yes, I know. Those France negotiators just left, but we really had no other choice.”” Su kun explained to himself,“““your safety is the most important! ”

“““I’ve thought it through. If the French know about this, it doesn’t matter. We’ll just say that we snatched it from the hands of the opposition! ”

“““As long as you’re safe, we’ll kill the woman and say that she was killed by the criminal!”” ”

“““You ...”” Zhao Yu wanted to curse, but he was afraid that mahazaya wouldn’t be able to do that, so he could only ask,”” quick, tell me, where is that woman now?”” ”

Creak ...

“While they were talking, the SWAT team members had already driven dan Long’s car to the front. ”

“““My Lord, now is not the time to talk,”” su kun said quickly.””Let’s leave the parliament building as soon as possible!”” There’s a bomb!”” ”

“““No!”” ““No!”” Zhao Yu grabbed su kun’s collar and asked fiercely,””tell me quickly, where is the woman? is she still alive?”” ”

“““She’s alive, she’s alive ...”” Su kun did not know what was going on, but he quickly said,””but I don’t know where she is now.”” I have to call and ask!”” ”

“As he spoke, he immediately took out a new phone and dialed a number. ”

This ...

“Zhao Yu’s invisible signal jammer was still on, so he knew that he couldn’t make the call. ”

“However, he was eager to save su kun, so he immediately turned off the signal jammer and let su kun make the call. ”

“““Lord representative, we ...”” ”

“At this time, the captain of the special police force was naturally anxious. He wanted to urge Zhao Yu to get in the car, but he didn’t dare to speak loudly. ”

Zhao Yu glared at him and told him not to rush him.

“““Hello? ““Let me ask you ...”” After the call was connected, su kun asked the person on the phone,””where are you now?”” Where was he? What? In the elevator? Which floor ... Oh ... Oh oh ...”” ”

“The next second, su kun covered the phone’s microphone and was about to report to Zhao Yu. ”

“Unexpectedly, as his mobile phone suddenly vibrated, he received a new call. Su kun looked at the number and answered it without thinking. ”

“However, he only heard one sentence, and his face suddenly changed. He immediately turned around and looked at Zhao Yu in disbelief. ”

Terrible!

Zhao Yu felt that what he was worried about might have happened.

Perhaps someone had already discovered the real pill Dragon and told su kun.

“Sure enough, after the phone call, su kun was obviously not in a good mood. He looked at Zhao Yu up and down, and his gaze quickly fell on Zhao Yu’s sleeve. ”

“As the clothes were rather small, the cuffs revealed his wrists, making the clothes seem very ill-fitting ... ”

""Hey!"" Zhao Yu could only force himself to ask, ""hurry up and tell me, where is she?"" "

""In ... Um ... Um ..."" "

“Su kun was not a simple person either. He looked at Zhao Yu in horror, while secretly pressing a familiar number on his mobile phone. ”

“After he took it and pressed it, a familiar ringtone came from Zhao Yu’s body. ”

Ding ... Ding ... Ding ...

Terrible!

“Zhao Yu did not expect su kun to come up with such a trick. Su kun secretly dialed his phone number. As su kun’s mobile phone was still with Zhao Yu, Zhao Yu was immediately exposed! ”

""Ah?"" Su kun was so scared that he jumped up and shouted at Zhao Yu, ""you ... Who the hell are you?!"" "

""I’m your grandfather!"" Zhao Yu saw that he had been exposed, so he immediately threw a punch at su kun’s face. ”

Pa!

“Zhao Yu’s heavy punch was fierce and sharp. It only took him one hit to knock su kun to the ground for the second time, and he immediately fell unconscious. ”

""Ah!?" "" "

“The SWAT team members were all shocked, not understanding what had happened. ”

“Zhao Yu lifted his leg and kicked su kun twice, cursing, ""If you can’t even handle such a small matter, don’t even think about living!"" "

"" ... "" Seeing Zhao Yu’s cruelty, the SWAT team members were dumbfounded and scared, and no one dared to make a sound. ”

“Zhao Yu had an idea. He bent down to pick up su kun’s mobile phone, then changed the frequency of the invisible voice changer and used su kun’s voice to shout to the person on the phone, ""Hey, say it again. Where is that French woman now? Hurry up and tell me!"" "

Squeak ... Squeak ...

“Just as Zhao Yu was talking to his phone, the walkie-talkies of the special police team members rang at the same time. ”

It’s broken!

“Zhao Yu understood that someone must have informed them of the situation. If these people also knew that he was an imposter, it would be really bad! ”

“Zhao Yu should have used the signal jamming device immediately, but he was still waiting for an important answer. If he used it, he wouldn’t be able to find out Juliet’s situation! ”

““““Lord su kun, who are you with? did you hear what I just said?”“ At this moment, an anxious voice came from the phone,”“the one you saw might be fake. You must see if he’s wearing a mask ...”“ ”

Whoosh ...

“Zhao Yu hung up the phone, then looked at the previous number in his call record and dialed it. ”

“At the same time, the SWAT team in the car was listening to the walkie-talkie while looking at Zhao Yu in disbelief. Obviously, they had been informed that there was another representative of the pill Dragon unit upstairs. ”

“However, at this point, Zhao Yu couldn’t care less. After the call went through, he immediately asked in su kun’s voice,”“““Hey, say it again. Where is the French woman now?”“ ”

““““Oh? ““The Secretary-General,”“ the person on the phone replied.”“Didn’t I just tell you?”“ When they heard that there was a bomb, they took the elevator back! ”

““““We should be at the parking lot now ...”“ ”

F * ck ...

“Just as he heard the response from the phone, Zhao Yu saw that, fifty meters away from him, there was a team of special police officers pushing a wheelchair quickly towards an ambulance in the distance. ”

“The person in the wheelchair was covered by a black cloth, so he couldn’t see her face clearly. But Zhao Yu could tell from the figure that it was most likely France Senior Sister, Juliet! ”

Chapter 1810: seizing the car

It actually turned out like this?

“Seeing that the person in the wheelchair could be Juliet, Zhao Yu’s eyes widened, and he wanted to rush over to save her. ”

“But at the same time, the Special Forces around him had already been notified that this Lord pill Dragon in front of them could be a fake. ”

““““Mr. Representative,”“ at this time, the special police captain standing next to Zhao Yu stopped Zhao Yu and asked seriously,”“please wait a moment, we need to check your identity!”“ ”

““““We’ve just been informed that there’s no bomb in the meeting room, and ... Ah ...”“ ”

“Before the SWAT team captain could finish his sentence, Zhao Yu had already kicked him to the ground. ”

““““Ah!”“ ”

“The other special police officers were shocked, but Zhao Yu pulled out his pistol and fired a few shots. All the bullets hit the legs of the special police officers around him, including the captain. ”

Ah ...

“With a scream, the special police officers around Zhao Yu all fell to the ground.”

“But, just as Zhao Yu was about to save Juliet, he realized that the situation had changed. The man in the wheelchair had already been pushed into an ambulance.”

“As the ambulance was quite far away from him, Zhao Yu gave up the idea of running over, and set his eyes on the special car of the pill Dragon unit representative.”

It seemed that he had to get the car first before Saving Juliet.

“At the same time, the three special police officers in the car pulled out their pistols and pointed them at Zhao Yu.” “Don’t move!” “They shouted.”

“Zhao Yu had a super powerful bulletproof vest on him, so he was naturally not afraid.”

“So, Zhao Yu did not hesitate to grab the SWAT officer’s arm in the driver’s seat, trying to drag him out of the cockpit.”

“However, the driver was a SWAT officer, so Zhao Yu couldn’t pull him. The two of them started to tear each other apart.”

Bang ...

“The driver’s gun fired, and the bullet hit Zhao Yu in the chest.”

“After the gunshot, the driver himself was shocked. He was also afraid that the person he shot was the real pill Dragon representative.”

“Therefore, after he fired the shot, his movements stopped for a moment. He thought that Zhao Yu would be shot and fall to the ground, but he never expected that Zhao Yu would act as if nothing had happened. Zhao Yu grabbed his collar with both arms and dragged him out of the cockpit.”

““Ah!?””

“The other special police officers had never seen anything so unbelievable before. Even though Zhao Yu was wearing a bulletproof vest, he would still be hurt at such a close distance.”

But ...

“After Zhao Yu dragged the driver out of the car, he opened the door and got in the car as if no one was around.”

““Oh oh oh ...””

“At that time, there were two armed special police officers in the car. The two of them were frightened and quickly pointed their guns at Zhao Yu’s head. They shouted, ““Don’t move! Don’t move! If you move again, we’ll shoot!””

““Mm,”” Zhao Yu nodded indifferently,””go ahead!””

“Then, Zhao Yu stepped on the gas pedal, and the car started up immediately. But, because the handbrake had not been released yet, the wheels were spinning on the spot, screeching and the tires were smoking.”

“““Don’t move, don’t move!”” The two special police officers in the car were about to go crazy. They shouted at Zhao Yu in despair,““I really did shoot! Who the hell are you?”” ”

“Zhao Yu ignored them, released the handbrake, stepped on the gas, and the car quickly drove forward.”

“The two special police officers in the car were frightened, but they didn’t dare to shoot Zhao Yu in the head. So, the special police officer in the back seat had no choice but to rush up from behind and strangle Zhao Yu.”

“The special police officer in the front passenger seat also held the steering wheel hard, not allowing Zhao Yu to drive smoothly.”

Ga.....Zhi

“The car immediately turned in place, and the back of the car swung, slamming into one of the cars in the parking lot.”

“After all, dan long was the number one figure in mahazaya. His car was an imported bulletproof car. Under such a collision, he was almost unscathed, but the car that was hit instantly deflated a lot ...”

“““Don’t move ... Don’t move ...”” ”

“The two special police officers held Zhao Yu down tightly, still trying to grab the steering wheel.”

“In the middle of the fight, Zhao Yu saw that the SWAT team members who had been shot were using walkie-talkies, and there was no doubt that they were calling for help.”

“If he waited until a large number of special police officers arrived, Zhao Yu was afraid that he would not be able to escape.”

“So, he didn’t care about the car turning around. He quickly used a signal jamming device to block the signal at the scene.”

“After the shield was blocked, he was still stepping on the accelerator. As the steering wheel was seized again, the car rushed into the parking lot and crashed into several cars.”

“Zhao Yu tried to get away from the two special police officers, but they were not weak and could not break free.”

“However, Zhao Yu was well prepared. Seeing that he couldn’t break free, he pressed the lift button and raised all the windows on all four sides of the car.”

“At the same time, he used a stink bomb. The car was filled with a stench. In just a few seconds, the two special police officers cried and complained.”

Zhao Yu quickly used the invisible breathing device to avoid the stench.

Cough cough ... Cough cough ...

“Soon, the two special police officers were suffocated by the smell and finally let go. They wanted to open the window, but the window was locked by Zhao Yu and couldn’t be opened. ”

“So, they took a step back and reached out to open the door. ”

“Just as they opened the car door, Zhao Yu stepped on the accelerator and brake, and the car suddenly drifted, throwing the two of them out of the cabin and out of the car. ”

“At first, Zhao Yu wanted to get out of the car and bring Secretary su kun into the car so that he could interrogate him later. ”

“However, before he could Park his car, he saw another team of police officers with loaded guns rushing toward him from the stairway! ”

Forget it!

“Zhao Yu could only look at su kun, who was lying on the ground, then turn the car around and drive toward the ambulance in the distance. ”

Wuuu ...

“The engine of the car roared, and the engine was strong. After Zhao Yu stepped on the gas, he was like an arrow that left the bow, and he rushed straight to the ambulance. ”

“However, the people in the ambulance seemed to have noticed something. When they saw the pill Dragon representative’s car chasing after them, they started the car and drove towards the exit of the parking lot. ”

Not good ...

“Zhao Yu was worried that the enemy would kill Juliet, so he stepped on the gas again and chased her from the side of the parking lot. ”

This unknown vehicle was very powerful. It overtook the ambulance in the blink of an eye and outflanked the ambulance from the side.

Zhao Yu was also a little crazy. He suddenly used an energy booster on the car.

“Then, he went straight for the front of the ambulance ... ”

Ah ...

“The ambulance driver cried out in alarm. The next second, the two vehicles collided with each other, making a huge explosion. ”

Boom ... Boom ...

“The car crashed into the front of the ambulance, and the ambulance lost control. It crashed into a stone pillar and could no longer move. ”

“At the same time, the two police officers in the cockpit of the ambulance were pushed out by the huge inertia and smashed into the car window.”

“Looking at the car that Zhao Yu was in, it was almost unharmed.”

“After the collision, Zhao Yu quickly got out of the car and rushed to the ambulance. As he pulled the door of the ambulance open, there was a burst of fire in the car, and a string of bullets hit Zhao Yu.”
