

## Crazy 1851

### Chapter 1851: Motive for killing

“““Mi Rou,”” Zeng ke read out the information,”” 23 years old, from langyu County, high school, worked as a car salesperson, and worked at the supermarket counter ...”” ”

“““Four months ago, she did jump off the roof of Tianding building with a baby in her arms ...”” ”

“““No,”” cui Lizhu said.””The information is too simple! We don’t even know the ins and outs of the matter! ”

“““Although there are rumors that she is pregnant with Niu jinkui’s child, but she is in that kind of industry. Who can be sure that the child is definitely Niu jinkui ‘s?”” ”

“Zhao Yu’s face darkened as he said,””boring holes in the duvet ... That’s really mean. If I had met a guy like that before, I would have beaten him up!”” ”

“““Team leader,”” Wu Xiumin said,””it’s precisely because Niu jinkui has this bad habit that women who are familiar with him would generally choose other protective measures when they take his business!”” ”

“““However, mi Rou is a newcomer and doesn’t know Niu jinkui well. There was no one else to remind him, so she might have fallen into his trap!”” ”

“““What the ...”” Zhao Yu gritted his teeth and said,””why didn’t anyone do anything to such an evil person? If he was with me, I would have made him pay at least a hundred thousand Yuan for emotional damage! ”

“““I don’t understand. Miss has already jumped off the building, but this old man is still going to the bathhouse to enjoy himself as if nothing has happened?”” ”

“““Well ...”” Wu Xiumin said.””In fact, according to the reactions of other insiders, this matter is not entirely true. ”

“““They only heard that Niu jinkui had this kind of bad habit, but they have never verified it. They thought that it might be because someone hated Niu jinkui, so they created this rumor for him!”” ”

“““What did I just say?”” Cui Lizhu took advantage of the situation and said,””it’s hard to say! ”

“““After all, those women have special identities. It’s normal for them to get pregnant by accident. Therefore, he could not be sure that mi Rou’s death was definitely related to Niu jinkui! ”

“““So, that old man is still living a carefree life, and no one is messing with him!”” ”

“““How about ...”” Zeng ke suggested,””we find the child’s body and test his DNA?”” ”

“““It has been cremated ...”” Wu Xiumin shook her head. ”

“““It’s quite strange,”” cui Lizhu said, frowning.””Mi Rou is in that kind of profession. When she found out that she was pregnant, she quietly aborted it, right?”” ”

“““Why ... Do you insist on giving birth?”” ”

“““Indeed ...”” Zeng ke was also curious.””And, even if she gave birth to the child, she wouldn’t have jumped off a building, right?”” And you’re even jumping with the child?”” ”

“““Wait ...”” Suddenly, Zhao Yu realized something, so he stopped Zeng ke and asked,””you said before, where did mi Rou jump from?”” ”

“““Yes ...”” Zeng ke replied in a hurry.””The roof of the Tianding building, which has 26 floors ...”” ”

“““Tianding building ...”” Zhao Yu pointed to Zeng ke’s computer and said,””hurry up and check if Tianding building has anything to do with Shen Wenbin.”” ”

“Hearing this, Zeng ke quickly typed on the keyboard and soon found the answer. ”

“““Waa!”” Zeng ke exclaimed in surprise,””Tianding building is the office building of Chuan Jianshe Investment Corporation. Because it was an acquisition, the name was not changed. Shen ... Shen Wenbin works there!”” ”

Whoosh ...

“After hearing the news, the office fell silent. Everyone was stunned. ”

“After a full ten seconds, cui Lizhu finally broke the silence.””That is to say ... This woman who jumped off the building may also be related to Shen Wenbin?”” ”

“““No, it’s not just Shen Wenbin ...”” Wu Xiumin said.””The people in the bathing center said that mi Rou joined this business because she was tricked by Tao Yan!”” ”

“““Although I’m not sure about the details, Tao Yan should be responsible for mi Rou’s death ...”” ”

“““Waa!”” Cui Lizhu’s eyes were wide open.””So, we have figured out the ins and outs of the ghost king case?”” Everyone’s death was related to mi Rou? This is the real motive behind the ghost king case!”” ”

“““Then ...”” Zeng ke said,””the murderer of the ghost king case should be related to mi Rou?”” Is ... Is he her family, or ... Or ...”” ”

“““What are you still doing?”” Zhao Yu slapped Zeng ke.””Hurry up and find out mi Rou’s detailed information. What did I just say?”” Is my premonition accurate? is the truth getting closer and closer to us?”” ”

.....

“The next morning, Zhao Yu woke up in his hotel room. The continuous fighting in the past few days had exhausted him. ”

“So, he made an exception and went back to the hotel to sleep last night. ”

“Although he had only slept for three hours, it had allowed Zhao Yu to recover most of his energy, and he felt much more relaxed. ”

“The sun was shining brightly, and it looked like it was going to be a hot day. ”

Zhao Yu knew that today was the most important day of the ghost king case!

“He had found the key point of the ghost king case, and as long as he carried out a large-scale investigation around this key point, the truth might soon be revealed. ”

“Oh, oh ... ”

“Looking at the street View and the glaring sunlight outside the window, Zhao Yu yawned. ”

“He felt that if he could open a hexagram today, he should be able to open a higher level “Gen” or “kun” hexagram. ”

It was a pity that his system would end its freezing period in a few days and start a new hexagram.

“If he could solve the ghost king case in time, he would be able to gain 100000 points, which would upgrade the system again! ”

But unfortunately ...

“Zhao Yu felt a little regretful, but he quickly brushed his teeth and washed up, then returned to the police station office in the shortest time possible. ”

“As soon as he entered the office, he saw a busy scene. Several special investigators were so busy that they could fly. ”

“Team leader,” cui Lizhu quickly reported to Zhao Yu as soon as she saw him. “We have found all of mi Rou’s relatives and friends. Mi Rou’s situation is very complicated. She has a half-sister, a half-brother, and two younger brothers of different mothers and fathers ...”

“It can’t be?” Zhao Yu pouted. “I just entered the room, and you’re already showing off your tongue twisters? Different mothers and different fathers, so there’s no relationship?”

“No... No,” cui Lizhu explained. “It’s just that her mother took her to marry someone else a few times ...”

“Team leader,” Zeng ke added, “we asked mi Rou’s relatives, and they said that after mi Rou’s mother passed away, she didn’t get along well with her brothers and sisters, as well as her stepdad and stepdad. Then, she left in a fit of anger and went to the city to work ...”

“Also,” cui Lizhu continued, “we heard that Tao Yan and mi Rou were relatives, but they were very far away. Tao Yan must have lied to mi Rou, saying that she could make a lot of money, and then seduced her to become a professional woman ...”

Hmm ...

“Zhao Yu nodded. He suddenly remembered that after Tao Yan’s death, the murderer had dressed her up as a City Lady. The murderer might have wanted to tell the world that Tao Yan was a woman as vicious as a Viper! ”

“Captain Zhang Ling has sent out a large number of police officers,” Zeng ke said. “She has gone to find mi Rou’s friends and relatives to investigate. Brother Tao has also led some people to investigate the movement of these people one by one ...”

“““Very good. So ...”” Zhao Yu turned to Wu Xiumin and asked,“““did Shen Wenbin find anything?”” ”

“““I was just about to tell you!”” Wu Xiumin said,“““from the surface information alone, we can’t find anything so far. So, I’m going to take some people to Tianding building later to talk to the people there ...”” ”

“““Alright, thank you for your hard work, sis Wu. Be careful!”” Zhao Yu raised his head and said to the crowd,“““if the ghost king case murderer’s killing time is regular, then after midnight tonight, there is a high possibility that there will be a fourth victim! ”

“““So, we must catch the murderer before 12 o’ clock!”” ”

Chapter 1852: I’m a suspect?

In an office in Tianding building.

“““I ... Of course I know about this. How could I not know?”” A handsome young man in a suit said to Wu Xiumin,“““we were unlucky to have lost some money in the end! ”

“““I really don’t understand. There are so many buildings in andu. Why did she have to jump down from our building? sigh ...”” ”

“The man was young, but he was Shen Wenbin’s Senior Assistant. His name was Zheng Xiaokang, and he knew Shen Wenbin best. ”

“““I mean,”” Wu Xiumin asked calmly,“““what is the relationship between this woman and your Chairman, Shen Wenbin?”” Is the child his?”” ”

“““You ...”” The assistant raised her eyebrows and said with a straight face,“““what do you mean by that? How could our Chairman be related to this kind of woman?”” ”

“““What kind of woman?”” Wu Xiumin immediately caught the assistant’s slip of the tongue and asked,“““it seems that you know this woman very well!”” ”

“““Um ... This ...”” The assistant’s forehead was covered in sweat as she hurriedly explained,“““it’s like this, because I was involved in this matter, of course I had to understand her, you know? She’s just a prostitute in a bathhouse! ”

“““I really don’t understand why she would jump off a building, and with a baby ... Seriously ... ”

“““Officer, this woman really has nothing to do with our Chairman!”” ”

“““Hmph!”” Wu Xiumin sneered,“““I’ve already given you a chance. I don’t understand. Shen Wenbin is dead. Why are you still protecting him?”” ”

“““Police officer,”” the assistant said seriously,“““you already said that our Chairman is dead. There’s no need to smear his reputation anymore.”” ”

“““To tell you the truth,”” the assistant said,”” our Chairman does look for women often, but the ones he looks for are air stewardesses, models, and celebrities. Would he look for some lowly escort girl who hangs out in bathhouses? ”

“““And ... Even if our director really is related to this woman, how could I possibly know? I’m just his assistant, I’m not a worm in his stomach ...”” ”

“““Alright, I’ll give you a second chance!”” Wu Xiumin didn’t show any emotion in the face of her assistant’s uncooperative attitude. She picked up her phone and made a call. ”

“After the call was connected, Wu Xiumin still said in a cold and serious tone,””““Manager Liu, I am Wu Xiumin, an investigator from the criminal Division. We just met! ”

“““Yes, I have something to tell you.”” Wu Xiumin glanced at the assistant.””“Your employee, Zheng Xiaokang, refused to cooperate with my investigation ...”” ”

“As soon as she heard that Wu Xiumin was calling the company’s general manager, the assistant suddenly realized that something was wrong. She widened her eyes and swallowed. ”

“““No, you misunderstood me,”” Wu Xiumin said.””“He refused to investigate not because he didn’t want to help the Shen family find out the cause of Shen Wenbin’s death, but because he didn’t want the police to investigate the truth!”” ”

“““I also suspect that he might have something to do with Shen Wenbin’s death. I’m going to take him back to the andu police station now for interrogation! Now, I’m going to say hello to you first ...”” ”

“““Don’t ... Don’t ...”” Hearing this, assistant Zheng kangkang knelt down in front of Wu Xiumin on the spot and almost kowtowed.””“Police officer, please don’t joke around. I’ll tell you everything I know!”” ”

“““I ... I had nothing to do with young master Shen’s death! How did I become a suspect?”” ”

“““Um ... Wait a minute, manager Liu.”” Wu Xiumin nodded with satisfaction, then said into the phone,””“it seems that Xiao Zheng has remembered something again. Let me ask him about it first!”” ”

“After that, Wu Xiumin pretended to hang up the phone. In fact, she had not been talking to anyone at all. It had just been a simple act. ”

“What kind of person was Wu Xiumin? After a short conversation with Zheng Xiaokang, she could tell from his Wavering Eyes that he was hiding something. ”

“Of course, Wu Xiumin also knew that although Shen Wenbin was dead, Zheng Xiaokang still didn’t dare to say anything. After all, mi Rou’s incident of jumping off the building from Tianding building had already caused a huge commotion. ”

“If the outside world found out that mi Rou’s suicide was really because of Shen Wenbin, it would undoubtedly have an even worse impact on the entire company. ”

“However, compared to the bad influence, the suspect’s power was naturally greater! ”

The assistant still didn’t understand how she suddenly became a suspect.

“““I’ll tell you, I’ll tell you ... This is what happened!”” In order to eliminate her suspicion, the assistant didn’t dare to hide anything anymore. She quickly told Wu Xiumin,““you’re right. The girl who jumped off the building was indeed related to my young master, but ... Her jumping off the building really had nothing to do with our young master!”” ”

Oh?

Wu Xiumin suddenly realized that mi Rou’s jumping off the building might not be what she had expected.

“““I don’t know how they met in the beginning,”” the assistant said.““It was more than a year ago. One day, Mr. Shen took a few girls to the club to play, and mi Rou was one of them!” ”

“““During that time, I saw her a few times. She was pretty and had a good figure, so I have some impression of her ... ”

“““At that time, I felt that this girl was quite pure and gentle, but I didn’t know that this woman was also a sordid and sinister woman!” ”

“““Probably ...”” The assistant recalled for a moment and said,““a few months later, the girl was pregnant and came to the company to look for our young master. She said that the child in her stomach was our young master ‘s! He wants our young master to give him a settlement fee ... ”

“““I don’t believe you ...”” Zheng Xiaokang said angrily.““Don’t you think this woman is too shameless?”” ”

“““The child ...”” Wu Xiumin asked with a blank expression,““is it Shen Wenbin ‘s?”” ”

“““No, of course not!”” The assistant waved her hand and said,““you don’t know this, but a few years ago, my young master was indeed a Casanova. He did owe a lot of Casanova debts, and he had a few illegitimate children ... ”

“““As a result, he was entangled with those women and even went to court several times. Later, he had to pay alimony and money, which made him very angry!” ”

“““So, from then on, he learned his lesson. When he had sex with women again ...”” Zheng Xiaokang lowered his voice and said to Wu Xiumin,““he would take men’s contraceptive pills. After taking those pills, it was impossible for him to have children!”” ”

“Wu Xiumin’s eyes were wide open, and her face was full of emotions. ”

It seemed that her judgment was indeed accurate. The matter was not as simple as she had imagined.

“““Think about it ... If she were to act coquettishly or something, perhaps our young master would give her some money to appease her, but this woman ... Don’t you understand that this is extortion!”” Zheng kangkang clapped his hands and said,““young master did not ask the security guards to throw her out at that time, which is already giving her face!” ”

“““That woman really doesn’t know what’s good for her. She even swore to our young master that the child is our young master ‘s. If she doesn’t believe me, she can give birth to the child and do a paternity test!” ”

“““When he heard that, our young master laughed and joked with her on the spot. He said that if it was a deal, then go ahead and give birth! Let’s see whose child it is. ”

“““AI!”” Speaking of this, Zheng kangkang sighed heavily.”“Who knew that the woman really gave birth to the child? but it was fine!”” ”

“““They haven’t even done a DNA test yet, and they actually ran to our rooftop and jumped off with the child ...”” ”

## Chapter 1853: Who’s the Zhen Gu?

“FiveO’ clock in the afternoon, in the Special Investigation Group office. ”

“““There’s no doubt about it. This story doesn’t seem that difficult to tell, right?”” Cui Lizhu put her hands behind her back and said to the crowd,”“let me tell you. Listen to it and see if that’s the case. ”

“““Mi Rou was originally an innocent girl, but because of her family’s misfortune, she was forced to run away from home and went to the city to work and live independently. ”

“““But I didn’t expect that she would be tricked by her distant relative, Tao Yan, into a bath center and become a special profession. ”

“““However, mi Rou was unwilling to give up. She tried her best and relied on her own efforts to finally meet Shen Wenbin, the chairman of Chuanxing group. Not only did she have sex with Shen Wenbin, but she also got pregnant with his child!”” ”

“““So, she thought that a mother’s status would rise because of her son, and she made use of the child in her stomach to make a fortune. However, she did not expect that Shen Wenbin would not admit it at all. In a fit of pique, she was ready to give birth to the child and then do a paternity test! ”

“““Unfortunately, she didn’t know that Shen Wenbin had taken preventive measures in advance, so it was impossible for her to have her own child, but mi Rou had no idea. ”

“““Just like that, mi Rou gave birth to the child with great hope. However, when the results of the DNA test came out, she was dumbfounded. She never expected that the child was not Shen Wenbin ‘s!”” ”

“““If it’s not Shen Wenbin ‘s, who else could it be? ”

“““Yes, it must be that old bastard, Niu jinkui!”” Cui Lizhu said regretfully,”“it turns out that Niu jinkui secretly disabled the safety measures, which allowed mi Rou to have a child! ”

“““That child belongs to that old bastard! ”

“““After suffering such a heavy blow, mi Rou completely broke down. She was completely disheartened, so she climbed to the top of Tianding building, held her child, and jumped down from the 26th floor ...”” ”

“After listening to cui Lizhu’s speculation, the scene fell into silence. ”

“Um ... About that ...” After more than ten seconds, Zeng ke raised an objection. “Cui! There are only a few companies that can do a paternity test, and we’ve already checked. Whether it’s mi Rou or Shen Wenbin, there’s no record of them doing a paternity test.”

“This can be done anonymously!” Cui Lizhu said, “I’ve talked to the people at the paternity testing company before. Think about it. After all, paternity testing is a relatively obscure thing, so many places can provide anonymous services!”

“Then we can only investigate the surveillance cameras of the appraisal company and see which company mi Rou went to.” Ran Tao said, “however, mi Rou jumped off the building four months ago. Most of the videos can only be maintained for three months, so it’s likely that they’ve already been deleted ...”

“And,” Zeng ke said, “these are all cui’s guesses. What if Shen Wenbin lied?”

“No,” Zhang Peipei suddenly said. “We detected nonenhanol in Shen Wenbin’s blood. This drug is indeed the main ingredient in men’s knockout drops!”

“But ...” Zeng ke spread his hands. “Mi Rou’s child has already been born. Who can prove whether Shen Wenbin took any medicine when he had sex with mi Rou?”

“Please, please!” Wu Xiumin waved her hand and said, “let’s not think about having children.” She pointed to the clock and said, “there are only seven hours left until 12 o’ clock. Maybe the murderer has already kidnapped the fourth victim!”

“The most important thing now is to stop the fourth ghost king case from happening!”

“Mm ...” Zhao Yu finally spoke up and asked Zeng ke, “Zeng ke, how’s the investigation on the suspect going?”

“It was very difficult,” Zeng ke replied helplessly. “According to the witness’s testimony, we found that mi Rou was a bad-tempered woman and had very few friends!”

“Where are your relatives?” Zhao Yu asked. ”

“No...” Zeng ke shook his head. “Captain Zhang sent people to investigate all of mi Rou’s relatives, and they all have bad comments about her!” It’s been many years since she’s seen her relatives at home ...”

“Yes, I am!” Wu Xiumin continued, “mi Rou and her stepfather, as well as her brothers and sisters, not only have no feelings for each other, but they have also been at odds with each other for a long time. They have long cut off all ties!” Those people didn’t even attend mi Rou’s funeral. They won’t be able to avenge mi Rou!”

“Then ...” Zhao Yu said, “it can only be someone else! To be able to move Niu jinkui and Shen Wenbin, this person must at least be a strong and powerful man!”

“I think so too,” Wu Xiumin said. “This person may have been in a relationship with mi Rou, or he has been secretly in love with mi Rou!”

““““But ... This sounds more like a joke!”” Cui Lizhu pouted.””Mi Rou is a lady. Who would fall in love with her?”” Can you fall in love like this?”” ”

““““Perhaps, it was before mi Rou turned bad?”” Zeng ke guessed,””for example, mi Rou’s first love, or her classmate?”” ”

““““Zeng ke,”” Zhao Yu suddenly remembered something and asked,””didn’t I ask you to log in to mi Rou’s WeChat and QQ? Did you find anything inside?”” ”

““““We found a lot of contacts, and we are still checking them one by one, but so far, we have not found anything unusual. You know ...”” Zeng ke said.””In view of mi Rou’s special profession, her friends and contacts are all regular customers like Niu jinkui ...”” ”

““Wu Xiumin then said,””we have also questioned and investigated the people who have a close relationship with mi Rou, but so far, there has been no progress.”” ”

““““Team leader, I think, based on mi Rou’s situation, I’m afraid it’ll be difficult for us to find the suspect in a short time! We’ll need a certain amount of time to do the most comprehensive investigation ...”” ”

““““Mm ...”” Zhao Yu nodded. Of course, he knew how complicated things were, so he said,””it seems that if this path doesn’t work, I can only choose another one!”” ”

““““Right!”” Wu Xiumin echoed,””at least we know that the motive for the ghost king case was mi Rou! Then ... We need to find out who the next target of revenge will be!”” ”

““““That’s true, but ...”” Zhao Yu said worriedly.””It’s definitely not easy to find this person! According to the records of the ghost king, the next vengeful ghost that appeared was called zhenchi, and it was a monster that ate women! ”

““““Think about it! ““He eats women ...”” Zhao Yu said.””He must be one of the lapdogs who once bullied mi Rou!? This number, can it be described as uncountable?”” ”

““““Yes,”” Zeng ke shook his head as well.””It’s definitely not enough to just have it in the phone’s address book. Most of them don’t leave their contact information. We have to ask the parties involved.”” ”

““““Tsk ...”” Zhang Peipei said in a low voice,””it sounds like you know a lot about this industry?”” ”

““““I ...”” Zeng ke blushed and quickly explained,””I only heard it from Captain Zhang Ling. How could I have been to that kind of place?”” ”

““““Alright, there’s no time,”” Zhao Yu said, looking at his watch.””We can only do our best! ”

““““Wu Xiumin ...”” He turned to Wu Xiumin and said,””go and talk to the people who know mi Rou and see if she had any conflicts with a certain beggar.”” He would try to narrow down the scope of his search. ”

““““Zeng ke ...”” He then said to Zeng ke,””you and Captain Zhang Ling will carefully check all the people related to mi Rou to see if there is anyone who can’t be contacted.”” ”

““““If the murderer has already kidnapped him, then this person must have been lost in contact!”” ”

““““Alright!”” Zeng ke and Wu Xiumin nodded, then threw themselves into the intense investigation ... ”

Zhao Yu turned around and couldn't help but flip open the records of the ghost king and see the illustration of the Zhen Zhen. The zhenman had two horns on his head and fangs in his mouth. He looked extremely ferocious.

He wondered who would become this woman-eating evil spirit after midnight.

He didn't know if he could stop the murderer from killing again!

Chapter 1854: Is it him?

“At 10 p.m., The Special Investigation Group's office was already in a tense and busy state. ”

““““Team leader,”” Zeng ke reported to Zhao Yu,””on the suspicious list, there are seven people we can't contact. We have sent people to look for them ...”” ”

““““Team leader,”” Wu Xiumin reported,””this mi Rou is different from what we thought. According to her sisters, mi Rou has a bad temper, is treacherous and greedy, and has a bad reputation. She used to get into conflicts with customers often, so it's almost impossible to count ...”” ”

““““Also, I've checked mi Rou's circle of friends, contact list, and chat friends,”” Zeng ke added.””I found a few suspicious targets, but it will take some time to investigate and analyze them ...”” ”

““““Boss, I just checked on mi Rou's high school classmates,”” cui Lizhu said as she leaned forward.””They all said that mi Rou had a lot of suitors in high school, including people from other classes or outside the school, because of her outstanding appearance and figure.”” ”

““““It's said that ... She didn't have a good reputation back then! There were many bad rumors ... ”

““““However, no one knows exactly who she's been in a relationship with. We need to confirm it further ...”” ”

Hu ...

“Listening to his team members ""reports, Zhao Yu looked at his watch. There wasn't much time left until midnight. ”

“However, they still hadn't found any clues yet. Zhao Yu was worried that the fourth murder in the ghost king case might be inevitable. ”

“After all, there were too many characters. On one hand, they had to find a suspect who admired mi Rou or had a deep relationship with mi Rou. On the other hand, he had to find a victim who fit the criteria of the fourth ghost king case and prevent him from being caught by the murderer in time. ”

“However, due to mi Rou's special profession and personality, the former could not be found, while the latter could be found everywhere! ”

It was really ...

Depressing ...

“Zhao Yu looked at the white board, and for the first time, he felt that he could not control his strength.”

“Ever since the ghost king case appeared, it had always been in a strange and mysterious state. The murderer had left many clues, but not a single one could help Zhao Yu find the murderer!”

“In addition, this serial murder case involved many people. Even though the entire andu police station had taken action, it still made the case more and more difficult.”

“First, it was Tao Yulan from sixty-six years ago, then it was the “record of the ghost king” with an unknown origin, and then it was the three victims who were disguised by the murderer, as well as the many people who were involved in the murder ...”

“Now, Zhao Yu had finally found a suspicious motive for the murder, which was mi Rou. However, he didn’t expect that he wouldn’t be able to find any more information in such a short time.”

What was the truth of the case?

Was he really just a person who liked mi Rou and wanted to take revenge for her?

“Or ... Could it be that the murderer had nothing to do with mi Rou, and the reason he wanted to kill the people who caused mi Rou to jump off the building was just to complete Tao Yulan’s unfinished ghost king case?”

“So, he started killing from the sixth ghost in the “record of ghost kings” in order to take over Tao Yulan’s case?”

Tsk tsk ... Tsk tsk ...

“The more Zhao Yu thought about it, the more clueless he became. It was as if the truth was right in front of him, but he couldn’t grasp it!”

Just ... Just what was it missing?

““Team leader,” Zeng ke said to Zhao Yu, holding his phone up. “We’ve found four more people, and now there are only three people left that we can’t contact!””

““Oh ...” Zhao Yu stopped thinking and asked, “tell me, who are these three people?””

““The first one is a regular customer of chuanmei bathing center, named ma lei. But after some investigation, we couldn’t find this person, so he probably used a fake name!”

““We’ve already sent someone to verify the surveillance of chuanmei bathing center and get a video of this person.”

““I heard that mi Rou had an argument with this person before because of the price, but it wasn’t too serious ...”

“““The second one is called Li Chao. He’s a professional gambler. He went into hiding a few days ago because of a debt! This person had also had conflicts with mi Rou, and more than once. It was basically because of some service matters ...”

“““The third one is called Wang zhangkun, and he’s a professional pimp,”” Zeng ke continued.””Not only does he work in mi Rou’s bathing center, but he also has a wide range of business ...”” ”

“““A pimp ...”” Zhao Yu pondered for a moment, then asked,””what’s his situation?”” ”

“““I only know that Wang zhangkun introduced mi Rou to a lot of business,”” Zeng ke replied.””But no one knows what his relationship with mi Rou is, and no one has ever seen them having any conflicts!”” ”

“““Then ... Why can’t you find it?”” Zhao Yu asked again. ”

“““Because ...”” Zeng ke glanced at the information, then said,””there doesn’t seem to be any reason. It’s just that we suddenly lost contact with him, starting last night ...”” ”

“Hearing this, Zhao Yu and his team members looked at each other. ”

“““The probability of him being a pimp is very high ...”” Cui Lizhu was the first to nod her head in affirmation. “”Also, isn’t the time when he lost contact a little too coincidental?”” ”

“““Also,”” Zhao Yu said,””the pimp profession is more in line with the characteristics of a prostitute. They eat women!”” ”

“““Team leader,”” Zeng ke replied in a hurry,””Captain Zhang Ling has already sent someone to look for her. Do you need him to hurry up?”” ”

“Zhao Yu nodded slightly.””From the current situation, this person should be the most suspicious one. Although I don’t know what conflict he had with mi Rou, he is very likely to be the murderer’s target!”” ”

“““I’m worried that even if he is the one chosen by the murderer, we won’t be able to make it in time. After all, we’ve lost contact with him for a whole day!”” Cui Lizhu guessed,””do you think ... When mi Rou and Shen Wenbin first met, it was this person who set up the bridge? ”

“““If he didn’t introduce mi Rou to Shen Wenbin, then all these things wouldn’t have happened. So, the murderer is sure that he was the one who harmed mi Rou?”” ”

“““I ...”” Zeng ke quickly picked up his phone.””I’ll look into this pimp again ...”” ”

.....

“An hour later, Zeng ke finally received a reply from the investigation team. ”

“““Team leader,”” he hurriedly reported to Zhao Yu,””Xiao Cui guessed it right! This Wang zhangkun does know a lot of big shots, and he often introduced girls to the rich second generation and young masters, and then both sides took a cut. “” ”

“““Yay!”” Cui clenched her fists.””So, he is the fourth victim of the ghost king case?”” But ... We’ve lost contact with him. How ... Are we going to find him?”” ”

“Well ...” Zeng ke quickly pulled out the information and explained to everyone, “Wang zhangkun went to major entertainment venues at night. According to the latest information, someone saw him at the lasvey family mansion at around 12 o’ clock last night, and then he disappeared!”

“We’ve checked his mobile phone, and there’s no signal. His WeChat account also has no response ...” Zeng ke said. “Captain Zhang Ling just told me that Wang zhangkun has been doing well in the past few years. He just bought a house in the third ring Road, so it was impossible for him to suddenly run away!”

“Alright!” Zhao Yu said to Zeng ke, “tell Zhang Ling to send out a police force immediately to conduct a comprehensive search of the pimp. Search his residence, and get the Venus, oh no, all the surveillance cameras inside and outside the lasway club. See if you can find any clues about his disappearance.”

“Then, Zhao Yu looked at his watch and saw that it was getting closer and closer to midnight.”

“Alright, there’s no time. I can only take a gamble!” Zhao Yu then picked up his coat and said to his team members, “you guys look after the house. I’ll go and take a look ...”

#### Chapter 1855: The mysterious person

“At two o’ clock in the middle of the night, outside the ICU ward of andu Central Hospital.”

“Zhao Yu rushed to the door of the ward and saw that there were already a few police officers standing there, including several traffic police and Civil Police.”

“Detective Zhao ...” Captain Zhang Ling, who had been waiting for a long time, immediately came forward and reported the situation to Zhao Yu. “We found Wang zhangkun. He’s inside, but he hasn’t woken up yet ...”

“What’s going on?” Zhao Yu was very surprised to find out that Wang zhangkun had been admitted to the hospital.”

“Hmm ...” Zhang Ling hesitated for a moment before saying with an embarrassed expression, “we ... Might have found the wrong person!” It turns out that the reason we lost contact with Wang zhangkun was because he got into a car accident last night!”

“What?” Zhao Yu was surprised. “Car accident?”

“Yes, I am!” Zhang Ling pointed at a dejected middle-aged man sitting on a long chair in the distance. “This guy drove under the influence of alcohol and hit Wang zhangkun!” Not only did he knock Wang zhangkun unconscious, but he also smashed his phone!”

“It can’t be?” Zhao Yu was dumbfounded. “Are you saying that Wang zhangkun has been in the hospital all this time?”

“““Right!”” Zhang Ling said, ““the driver who caused the accident and the traffic police in charge of handling the accident were unable to verify Wang zhangkun’s identity. The traffic police could only take a photo of Wang zhangkun and then join the police to go to the scene of the accident for questioning!””

“““But the nightclubs and bars there work at night, so it wasn’t until just now that someone recognized Wang zhangkun, and we received the news!”” ”

“““Damn it!”” Zhao Yu clenched his teeth. If Wang zhangkun was only lost in a car accident, then it could be said that he was not the target of the ghost king case murderer. ”

They had found the wrong person!

“““Police officer, I know I was wrong ...”” At this time, the frustrated driver was admitting his mistake to the police.”” I thought there would be no one at that intersection since it was past threeo’ clock in the middle of the night, but I didn’t expect ... Sigh ...”” ”

Twoo’ clock in the morning ...

Twoo’ clock in the morning ...

“Zhao Yu pondered over the driver’s words, then suddenly thought of something. He quickly walked up to the driver and asked,“““Now, tell me what happened. From what you’re saying, did the person you hit suddenly run out from the intersection?”” ”

“““Mm ...”” The driver looked at Zhao Yu, then nodded and said,““yes, yes, he suddenly rushed out, and ran very fast. I ... I didn’t have time to avoid him!”” ”

“““And, he ... He probably ran a red light, right?”” ”

“““Oh?”” Suddenly, Zhao Yu thought of something and turned to Zhang Ling.””Hurry up, find the surveillance camera at the scene and see what happened.”” ”

“““Oh ...”” ”

Zhang Ling suddenly understood what Zhao Yu meant. Zhao Yu must be suspecting that Wang zhangkun’s car accident was fishy!

“Could it be that ... Wang zhangkun was threatened by someone, so he rushed out of the intersection and was hit by a car? ”

“If that was the case, who was the one chasing him? ”

Could it be ... The evil resplendent ghost king assassin?

“Zhao Yu felt that, although everything was just a guess, the possibility of this happening was still very high. ”

“This was because, in order to carry out the ghost king case smoothly, the murderer might have gone to capture the target a day in advance! ”

“So, regarding the fourth ghost king case, there might be a turning point ... ”

“Come on, detective Zhao ...” Zhang Ling pointed to the corridor and said to Zhao Yu, “the traffic police are extracting the surveillance footage of the crime Section. They will send it to our command vehicle later!”

“The command vehicle is at the hospital entrance!”

“Then ...” Zhao Yu glanced at the ICU ward and asked, “how is Wang zhangkun’s situation now?”

“I’ve asked the doctor just now,” Zhang Ling replied. “The situation doesn’t look good. They’ve already arranged for an open skull operation. They’ll probably be pushing the patient into the operating room soon!”

“Oh ...” Zhao Yu thought for a moment, then instructed Zhang Ling, “in that case, send two people to guard the hospital. If this guy is really the target, the murderer might appear!”

“Understood!” Zhang Ling immediately followed Zhao Yu’s instructions and left two police officers behind.

“In fact, in addition to these two police officers, there were also traffic police and police officers responsible for handling the accident at the scene. If there was really any danger, they should be able to deal with it.”

.....

“15 minutes later, the surveillance camera at the intersection where the incident happened was sent to the police command vehicle.”

Zhao Yu quickly saw the car accident from the screen.

“However, after seeing the accident, Zhao Yu and Zhang Ling frowned.”

“I can’t be this unlucky, right?” Zhang Ling furrowed her brows and said, “didn’t you see anyone behind Wang zhangkun? It seems like ... It suddenly rushed out?”

“Tsk tsk ...”

Zhao Yu also pouted and felt depressed.

“In the video, the car sped past the intersection, and then Wang zhangkun suddenly rushed out from the lower left corner. He was hit on the spot and fell on the platform under the traffic light, then stopped moving.”

“However, the camera couldn’t see the direction Wang zhangkun came from, nor could it tell why he was running so fast.”

“Hey!” At this moment, Zhang Ling shouted into the phone, “what are you guys doing? Was there only one set of surveillance cameras at that intersection? What about the other side? What did I mean by I didn’t make myself clear? I want all the surveillance cameras at that intersection! Send it to me immediately!”

“After hanging up the phone, Zhang Ling cursed angrily ...”

“A few minutes later, the other party finally sent over all the surveillance footage ... ”

“”Here ... Here ...”” Zhang Ling said to the technician.””The time is 2:10. Yes ... I saw it. Quick, rewind a few seconds ... Play ...”” ”

“When the surveillance camera was played, Zhao Yu and Zhang Ling’s eyes widened. They saw that, besides Wang zhangkun, there was really a new figure on the screen! ”

“The man was holding a long, knife-like weapon in his hand, and he was chasing Wang zhangkun down the street. ”

“Wang zhangkun, on the other hand, was running with all his might while looking back nervously ... ”

“In the end, as he was looking back at the mysterious man, he didn’t notice the car driving over from the intersection and was hit by the car! ”

“After Wang zhangkun was hit by the car, the mysterious man suddenly stopped in his tracks. He stood in the shadows and watched silently for a few seconds, then turned around and left ... ”

“”As expected ... Someone is indeed chasing him!!!”” Zhang Ling was so shocked that she almost jumped up, but she didn’t forget to flatter Zhao Yu.””Fortunately, detective Zhao didn’t give up on this clue! ”

“”Liu ...”” Zhang Ling turned to her police officer and said,””hurry up and ask if there are any surveillance cameras on that Street.”” And the direction they came from, what was the situation before? ”

“”The person who was chasing Wang zhangkun was most likely the murderer of the ghost king case!”” ”

“”Yes ...”” The police officer quickly took out his mobile phone and made a call. ”

“”Captain Zhang, stop dawdling,”” Zhao Yu ordered.””Hurry up and drive the command vehicle over. Let’s go to the scene!”” ”

“”Okay, okay ...”” Zhang Ling finally reacted and quickly ordered the driver. The command vehicle immediately started and drove towards the place where the accident happened last night ... ”

Chapter 1856: city search

“”I think ...”” In the command vehicle, Zhang Ling pointed to the surveillance video and said to Zhao Yu,””the mysterious man was holding a machete! ”

“”If it’s a stick, it shouldn’t be that thin ...”” ”

“”Tsk tsk ...”” Zhao Yu’s expression was unusually ugly, because he had already felt that something was wrong. He immediately said to Zhang Ling,””strange, if this mysterious man is the ghost king case’s killer, then isn’t it unreasonable for him to hold a knife and chase Wang zhangkun down the street?”” ”

“““Yeah, I think so too!”” Zhang Ling furrowed her brows as she made a wild guess. “““Could it be that the murderer wanted to subdue Wang zhangkun but was accidentally discovered by Wang zhangkun, so he wanted to kill him with a knife?”” ”

“““No...”” Zhao Yu shook his head. “““From the previous three cases, the murderer was very professional. He wouldn’t have made such a low-level mistake!”” ”

“““Even if there was an accident, he couldn’t have chased Wang zhangkun down the street with a knife ... This scene ...”” Zhao Yu pointed at the video of Wang zhangkun’s escape on the screen and muttered, “““this scene looks very familiar. It’s more like a vendetta, like a gangster looking at someone!”” ”

“““This ... Could it be that ...”” Zhang Ling continued, “““Wang zhangkun knew the murderer and recognized his face, so the murderer had to find a way to kill Wang zhangkun?”” That’s why you’re so desperate to kill him?”” ”

“““No... No...”” Zhao Yu quickly analyzed the situation, then shook his head and said, “““if I were the murderer, there was still one day before the time to make the move. I wouldn’t take the risk to kidnap him on the street!”” ”

“““Even if there aren’t many surveillance cameras, there are bars and nightclubs everywhere, so it’s inevitable that we’ll be discovered. ”

“““If it were me, I would find a more secluded place to start ...”” ”

“““No way? Zhang Ling asked worriedly, “““according to your analysis, this mysterious man might not be the murderer of the ghost king case?”” Then ...”” ”

“““I think ...”” Zhao Yu said cautiously, “““let’s check all the surveillance cameras first!”” ”

“As it was late at night, it didn’t take long for the command vehicle to arrive at the intersection where Wang zhangkun had an accident. There were already police officers waiting for them. ”

“After meeting up, Zhao Yu and Zhang Ling immediately arranged for people to inspect the scene, and along the route that Wang zhangkun had been chased down, they began to pull up the surveillance cameras in the opposite direction. ”

“After more than 40 minutes, they finally found the answer from the surveillance camera on the other side of the street. ”

“In the camera, Wang zhangkun was seen walking from the relatively bustling Bar Street to the intersection, with two brightly dressed women. ”

The woman was coquettish and obviously a special worker.

“Soon, they stopped a taxi and the two women got in, but Wang zhangkun didn’t. He watched the taxi leave and turned into the street where he was being chased. ”

“In the end, just as Wang zhangkun turned the corner, a sneaky man appeared on the screen. The man’s eyes were fixed on Wang zhangkun, and he quietly followed him ... ”

“From the surveillance camera, he could see that the man had his right hand behind his back, probably holding some kind of weapon. ”

“The video paused, and Zhao Yu and Zhang Ling could see that the man was wearing a checkered shirt. He was slovenly dressed, and he had a hat on his head. The hat was lowered, so they couldn’t see his face. ”

“”It seems like ...”” Zhang Ling guessed,“”this person didn’t intend to kidnap or subdue Wang zhangkun!”” ”

“Zhao Yu nodded, agreeing with Zhang Ling’s guess. From the man’s appearance, it seemed like he held a grudge against Wang zhangkun and wanted to plot against one of his enemies. ”

“”Most importantly, we didn’t see that electric car ...”” Zhang Ling continued,“”if you want to kidnap Wang zhangkun, you should at least have a means of transportation, right? So, this mysterious person really doesn’t have to be the ghost king assassin!”” ”

“”Phew ...”” Zhao Yu took a deep breath, and couldn’t help but feel disappointed. ”

“He was thinking that if he was a ghost king assassin, he would not be easily exposed under surveillance. He would have to go to a place where he would not be easily exposed before he made his move. ”

“It seemed that this sneaky and mysterious person was not a ghost king assassin. In other words, his entire night’s time had been wasted! ”

“He had placed all his bets on Wang zhangkun, but he had clearly not won. ”

“But ... If the murderer’s fourth target wasn’t Wang zhangkun, then ... Who else could it be? ”

Or ... Would the fourth ghost king case not happen tonight?

Hu ... Hu ...

“Zhao Yu panted heavily, his mind quickly filtering through a large amount of information: mi Rou, the suspect, the next victim, Wang zhangkun ... ”

I ... Did something go wrong?

“However, with so many suspects, it would indeed take time to compare them one by one. ”

“”Go and find the earlier videos,”” Zhang Ling said to her police officers.“”See where this suspect came from! ”

“”No matter what, I need you to confirm this person’s identity in the shortest time possible!”” ”

“”Yes!”” The police officers received the order and immediately went to investigate ... ”

“”Detective Zhao ...”” Then, Zhang Ling said to Zhao Yu,“”it’s already threeo’ clock. If we found the wrong person and the murderer has already made his move, we might not be able to make it in time!”” ”

“”Now ...”” Zhao Yu shook his head helplessly, then said,“”we only have one stupid way left!”” ”

""What is it?"" Zhang Ling asked. "

""The first case was the Guan Emperor temple, the second was the ghost city, and the third was the Academy,"" Zhao Yu said.""The locations that the murderer chose to commit the murders were all ancient buildings. Although the ghost city was built later, at least from the shape, it was an ancient building ..."" "

""Oh ..."" Zhang Ling understood.""You mean we have to search all the buildings with similar names?"" That amount of work is ..."" "

""I know how big andu city is,"" Zhao Yu said.""We can filter out the buildings that are heavily guarded and more formal! "

""Then, we'll start from the buildings that are most likely to be chosen by the murderer, such as the temple of Emperor Guan, public places that are unguarded at night, and so on ... "

""These places are convenient for the murderer's tricycle to get close, and there are few surveillance cameras. The surrounding terrain is complex, which is not conducive to the police's video deduction ..."" "

""Oh ..."" Zhang Ling nodded helplessly.""It seems like that's the only way. I'll contact the information Department now and get them to list out the suspicious buildings in the shortest time possible!"" "

""Also,"" Zhao Yu said,""arrange for all the people you can mobilize to patrol the streets and search the whole city for the tricycle! "

""It's still midnight. If there's a tricycle on the street, we should be able to find it. "

""I know this is a very stupid method, but the most important thing now is to do our best! "

""Even if we can't save the fourth victim in time, we have to find a way to catch the murderer!"" "

""Yes, I understand!"" Zhang Ling nodded and said,""our police station has already mobilized all of our forces. How about this, I'll apply to the higher-ups to let the Transportation Department participate in the city-wide search ..."" "

Chapter 1857: hasty

"At 8:15 A. M., In the left bank District of Xena, North Mountain area of andu city. "

"Today's weather was particularly bad. The sky was covered with dark clouds, and the air pressure was so low that it made people feel suffocated. It seemed that another heavy rain was brewing ... "

The police station's command vehicle drove by slowly and stopped next to an antique building next to the main entrance of the community.

“The building had a total of three floors, and the words “chuantai tea house” were written on the plaque. It was said that the tea house had a long history and was relatively famous in the local area. This three-story building had a history of 100 years and was considered a protected cultural relic.”

“Zhao Yu and Zhang Ling got out of the command vehicle one after another. Both of their expressions were very serious, not only containing the fatigue from a night of fighting, but also the loss of their efforts after not getting any results.”

“Twenty minutes ago, the police received a report that there had been a murder in chuantai tea house.”

“When the first batch of police officers arrived at the scene and saw the deceased, they immediately called Captain Zhang Ling.”

That was because they believed that this murder was the fourth murder case that no one wanted to see and had been trying to avoid!

“When Zhao Yu and Zhang Ling arrived, Ran Tao and Zhang Peipei were already at the scene, as they were closer.”

“Ran Tao was waiting outside to welcome them, while Zhang Peipei had already led her forensic team into the scene to conduct an investigation.”

He looked up and saw that the century-old tea house was located on the right side of the main entrance of the community on the left bank of Sena. On the left side of the main entrance was the sales office of the community.

“It was unknown whether it was intentional or for some other reason, but the main entrance of the community and the sales office on the other side were all modeled after the teahouse. They were built in a classical Chinese style and looked mixed together, neat and uniform, with a unique charm.”

“However, the construction of this residential area had just begun. Behind the main entrance was a large construction site with tall buildings.”

“Through the main entrance, he could see that more than a dozen high-rise buildings had been erected. The tall scaffolding reached into the clouds, and the workers were in full swing with the sound of axes chiseling everywhere ...”

“At this time, Ran Tao, who had just received the latest information, explained to Zhao Yu, “because chuantai tea house is a century-old building, it is a historical relic, so it was preserved.”

“The real estate developer also funded the reinforcement and external decoration ...” As they were talking, they arrived at the entrance of the teahouse. Ran Tao continued, “the owner of the teahouse took the opportunity to renovate the interior of the teahouse. It is said that the renovation has been completed, and it is currently being ventilated to remove the smell ...”

“So, there are no tea leaves in the teahouse at the moment, and it’s not suitable for people to live in, so the boss didn’t arrange for anyone to be on duty ...”

“At this time, the crowd lowered their heads and entered the teahouse.”

“Even without Ran Tao’s introduction, Zhao Yu could tell that the murder case must have taken place on the first floor of the teahouse, because they had seen the crime scene as soon as they had entered. ”

Behind the counter on the first floor of the teahouse sat a man with a twisted face. The man was dressed like a ghost. He had horns on his head and fangs in his mouth. What was even more evil was that he was holding a woman in his arms!

“““Waa!”” Zhang Ling’s eyes widened and she exclaimed, ““it’s really the same as the illustrations in the records of the ghost king! There’s actually ... A woman ...”” ”

“““Team leader,”” Ran Tao quickly said, ““don’t worry, that woman is an inflatable doll, not a real one!”” ”

“““Blow-up doll ...”” ”

Zhao Yu walked closer and took a closer look. The woman in the victim’s arms was indeed a fake person dressed like an ancient woman.

“There was a patch of red on her neck, and the corner of the deceased’s mouth was also stained with blood. This was exactly the same as the illustrations in the record of the ghost king. ”

“The zhenman had two horns on his head, a mouth full of fangs, and he preyed on women ... ”

“““Team leader ...”” ”

“After Zhang Peipei saw Zhao Yu, she immediately nodded at him. Needless to say, the corpse in front of her was in the same condition as the other three corpses in the ghost king case. ”

“Therefore, there was no need to examine it in detail to determine that this case was the fourth ghost king case, and it was the same murderer as the first three cases. ”

And the person who represented the 9th suppressing ghost was still killed!

“““Team leader,”” Ran Tao whispered to Zhao Yu, ““the deceased had makeup on, so I’m afraid it will take a long time to see his true face and know his identity. ”

“““You see ...”” Ran Tao lowered his voice and whispered, ““should we post him on the internet and ask the netizens to provide him with an identity?”” ”

“““You’re really sick!”” Zhao Yu shook his head. ““I’m starting to suspect that you’re an accomplice to the murderer. Can’t you see that the murderer also wants to quickly publish the photos of the scene?”” ”

“““Oh ...”” Ran Tao scratched his head and explained awkwardly, ““I just want to know the identity of the deceased as soon as possible!”” ““Boss ...”” He lowered his voice as low as he could. ““Don’t forget, there’s only one day left this time! Tonight, he’ll probably kill another one!”” ”

“““Mm ...”” Zhao Yu was naturally more anxious than anyone else, but he still said calmly, ““don’t worry, just wait and see. It won’t take long for the murderer to announce it!”” ”

“““It’s just that he just killed someone and hasn’t had the time to announce it yet!”” ”

“““I hope so,”” Ran Tao said.”“I heard from Zeng ke that if the murderer posted the thread at the same address, they would be able to find out the exact location!”” ”

“““Alright, that’s enough!”” ”

“Zhao Yu waved his hand, signaling Ran Tao to keep quiet. He then walked over to the body and examined it carefully. ”

“However, after a long time, his brows unconsciously furrowed, and a strange feeling passed through his heart. ”

“At first glance, the bodies in front of him were exactly the same as the first three. Their faces were twisted and they were dressed up as terrifying ghosts. ”

“But, upon closer inspection, Zhao Yu found some details that were different from before. ”

“For example, the two horns on the deceased’s head didn’t seem to be symmetrical. The right horn was crooked to the left, and it was parallel to the left horn! ”

It was probably because the glue used to fix the corners wasn’t stuck properly ...

“Also ... The deceased’s body was slanted, and his clothes were wrinkled and swollen. There was even a wound on his left shoulder, which was different from the previous situation. ”

“Then, he looked at the blow-up doll in the victim’s arms. Although the doll was wearing ancient women’s clothes, the clothes were a little out of place. They looked more like clothes from a wedding dress store. Furthermore, the clothes were slanted and out of shape ... ”

This ...

“Zhao Yu looked at these details carefully, and a strange feeling rose in his heart. It seemed that the murderer had dealt with the body in a hurry! ”

“However, this was not the case for the first three cases. The murderer had handled the case perfectly, and such a situation had never occurred. ”

Why?

Why was the murderer in such a hurry?

“Could it be that ... He caught them late and delayed them, so in order to complete the murder scene on time, he had to do it in such a hurry? ”

Or ... Did they encounter some kind of accident while they were dealing with the bodies?

Chapter 1858: The last ghost

“““Zeng ke, I have sent you the photo of the deceased. You can compare the deceased with the people we have been looking for before,”” Zhao Yu said to Zeng ke over the phone.””It is possible that this person is among the information we have in our investigation!”” ”

“After giving his orders, Zhao Yu saw that Captain Zhang Ling had something to say, so he quickly hung up the phone. ”

“““Detective Zhao,”” Zhang Ling quickly reported,””I just asked about yesterday’s situation. There were indeed patrols in the northern mountain area, but ... They didn’t focus on the left bank of Sena! ”

“““As you can see,”” Zhang Ling said in disappointment,””we would never have thought that the murderer would target such a century-old tea house!”” ”

“Zhao Yu didn’t say anything. Of course, he knew that the failure to prevent the fourth ghost king case from happening wasn’t the police’s fault. ”

“Even if it were him, he would not have guessed that the murderer would place the fourth murder in such a place. ”

“However, that was not Zhao Yu’s purpose. He immediately asked Captain Zhang Ling again,””““Then ... Did the patrols find anything suspicious?”” ”

“““No, I didn’t!”” Zhang Ling replied,””they said that they patrolled the entire night and didn’t see a single tricycle!”” ”

“““Well,”” Zhao Yu said.””Ask them to mark the areas where they patrolled last night, then compare it with all the surveillance cameras to see if you can find the route that the murderer took to transfer the bodies.”” ”

“““Alright,”” Zhang Ling nodded,””I’ll get it done immediately!”” ”

“After Zhang Ling left, Zhao Yu stood still at the scene of the crime. He watched Zhang Peipei and the others examine the body, while pinching his head and thinking about the case. ”

“This time, his intuition was not accurate. He thought he was getting closer and closer to the truth, but with the fourth ghost king case, he finally tasted failure. ”

“Ever since Zhao Yu had become famous, although he had experienced all kinds of difficulties, it had always been smooth sailing for him. He had never encountered such a predicament. ”

“He didn’t know why, but from the beginning of the ghost king case, he couldn’t keep up with the rhythm, and the murderer had taken advantage of him. ”

“He didn’t know if it was because he had underestimated his enemy, or if the murderer of the ghost king case was too clever. ”

“Why ... This person could commit a series of crimes in front of me, but I can’t do anything to him? ”

Who was the murderer of the ghost king case?

“Thinking of this, Zhao Yu had no choice but to start thinking about the real problem. ”

“Since the fourth ghost king case was inevitable, he had to pull himself together and focus on the rest of the work.”

“According to the pattern, the murderer’s next kill would only be one day after the fourth case.”

“In other words, after midnight tonight, he would kill another person and dress this person up as the last malicious spirit in the “record of the ghost king”!”

“By now, Zhao Yu was very familiar with the “record of the ghost king.” He knew that the tenth malicious ghost recorded in the book was called the Pixiu lingsha!”

“According to the records, the so-called Ling Sha was a true wandering ghost. It was recorded in “God searching record” and “Guangling San.””

“It was said that this ghost died of loneliness due to being alone and poor. After death, it turned into a malicious ghost and wandered in the wild, looking for pedestrians who went out at night, trapping them or dragging them into their tombs.”

“In the Western Sichuan region, people often said that ghosts were hitting walls because they encountered a spirit.”

“There were also people who said that Ling Sha didn’t trap the pedestrians to harm them, but because he was too lonely and just wanted to find someone to accompany him ...”

“In the illustrations of ‘record of the ghost king’, Ling Sha was dressed in tattered clothes and had a hunched figure. He looked like a beggar, but also like a poor ghost or a God of bad luck in a game.”

Ling Sha ...

Ling Sha ...

Zhao Yu couldn’t figure out what the last victim in the ghost king case was like.

He wondered if the fifth person chosen by the murderer was related to mi Rou’s death.

““Boss,”” Ran Tao Ran in and reported to Zhao Yu,“I just checked the outside scene, but because it’s not finished yet, there are no cameras installed.””

““I can only send people to look for him on the main road. However, this place is next to the mountain, and there are only small roads in the mountain that are not even on the map. If the murderer came in and out from there, it would be difficult to find him!””

“After hearing Ran Tao’s report, Zhao Yu still didn’t say a word.”

“It seemed that the murderer had prepared for all the possible problems that could be exposed. He was fully prepared, so he committed such a shocking case!”

Zhao Yu looked at his watch. He did not have much time left.

“If the murderer successfully killed the fifth victim tonight and I still can’t catch him, then I’ll lose all my face as a detective!”

“So, no matter what, he had to find out the truth about the case today!”

“However, the murderer was so cautious and flawless. How could he stop him? Yesterday was undoubtedly a case of failure, so shouldn’t he change his method today? ”

“But the point was, he didn’t even know who the fourth victim was! ”

Who was this person who had disguised himself as Zhenfeng after being killed?

.....

“An hour later, Zhao Yu returned to his office in the andu police station. ”

“He felt mentally exhausted after working through the night, and what was worse was that he didn’t get any clues, which made him angry. ”

“At that moment, the stubborn Zhao Yu did not rest, but insisted on writing the latest information on the whiteboard as usual. ”

“Writing was good for thinking. As he was adding information, Zhao Yu started to think about the case again and again, trying to find new breakthroughs. ”

“At that moment, his phone suddenly rang. It was Captain Zhang Ling. ”

““Hello, detective Zhao, I have two pieces of good news.”” Zhang Ling’s excited voice came from the phone.”“We have found the identity of the fourth victim. He is not on our list, but he is also a pimp!”” ”

““Ah?”” “Who is he?”” Zhao Yu asked. ”

““His name is Lei feiyi,”” Zhang Ling said.”“People in the industry call him airplane Lei. On the surface, he’s a salesman for a film company, but in reality, he’s just a high-class pimp! ”

““You know what? One of my men found this person’s photo when he was checking Wang zhangkun’s WeChat. He felt that this person looked very similar to the fourth victim, so he immediately contacted me. I didn’t expect that after comparison, it was really this person!”” ”

““A pimp who knows Wang zhangkun ...”” Zhao Yu suddenly realized something and said in a hurry,”“so ... The person who introduced mi Rou to Shen Wenbin might be this person?”” And not Wang zhangkun?”” ”

““It’s very possible!”” Zhang Ling said,”“it’s said that this Thunder airplane often wanders around the upper-class society and introduces beautiful women to the rich second generation and young masters! ”

““I’m guessing ... He must have told the public that the beauties were all actresses from a film company, but in reality, they were just girls he found from various low-level places in cooperation with Wang zhangkun! ”

““So ...”” Zhang Ling said excitedly,”“we can be sure that the ghost king case is still related to mi Rou. The fifth victim should be someone related to mi Rou!”” ”

Chapter 1859: An unexpected address

3 p.m. In the andu police station interrogation room.

“““It’s ... It’s not my fault. I ... I just wanted to teach him a lesson. I didn’t expect him to be hit by a car ...”” A young man in a plaid shirt sat in the interrogation chair, trembling as he said,““I really ... Really didn’t expect it to turn out like this ...”” ”

“This person was the one who had followed and chased Wang zhangkun on the street two nights ago, causing Wang zhangkun to be hit by a car. ”

“Through video comparison and a detailed investigation, Captain Zhang Ling’s men confirmed the man’s identity half an hour ago and arrested him. ”

“The man’s name was Tang Zhigang, and he was a repairman in a motorcycle repair shop. ”

“““Speak, why do you want to teach Wang zhangkun a lesson?”” The interrogator asked. ”

“““I ... Of course I want to hit him!”” Tang Zhigang said,““this son of a B \* tch actually dragged my girlfriend down and made her do that kind of business! ”

“““I tried to persuade her, but her girlfriend broke up with me and became a prostitute. It’s ... It’s all because of Wang zhangkun, that son of a B \* tch. Of course I want to beat him up! ”

“““But ... Police officer ...”” Tang Zhigang trembled as he tried to explain,““I ... I didn’t want to kill him! I don’t know if he would be hit by a car ... He ... Was it a serious injury? Are you dead?”” ”

“Seeing the expressionless face of the interrogator, Tang Zhigang was full of regret. He immediately explained dejectedly,““““Officer, no matter what, he was killed by a car. I ... You can’t blame me for everything, right?”” ”

“At the same time, in the monitoring room next to the interrogation room. ”

“A police officer said to Zhao Yu and Zhang Ling,“““Sir, we’ve verified that what Tang Zhigang said is true. We’ve found the two women that night and Tang Zhigang’s girlfriend. ”

“““Also, we’ve investigated Tang Zhigang’s movements. When the second ghost king case happened, he was working overtime at the repair shop all night, so he’s not a suspect ...”” ”

“““AI!”” After the police officer reported the situation, Zhang Ling sighed helplessly and turned to Zhao Yu.“““Detective Zhao, it seems that Wang zhangkun’s lead is useless!”” ”

“““No, it’s not completely useless,”” Zhao Yu said, shaking his head.“““After all, there was still a fifth victim! Although Wang zhangkun was unconscious, he could not be excluded. The murderer’s fifth target could still be him! ”

“““Captain Zhang,”” Zhao Yu asked,“““how’s Wang zhangkun doing?”” ”

“Hearing Zhao Yu’s question, Zhang Ling quickly looked at one of his men. ”

“““Oh ...”” The police officer quickly replied,“““the operation has been completed, and the situation is good. Wang zhangkun’s life is no longer in danger, but ... When he will wake up depends on the situation ...”” ”

“““Okay,”” Zhao Yu said.““If you wake up, remember to let me know. I still have some things that I need to confirm with Wang zhangkun!”” ”

“““Yes!”” ”

“The police officer nodded in agreement, and Zhao Yu and Zhang Ling walked out of the monitoring room. ”

“““Detective Zhao,”” Zhang Ling said with a worried look,““I have a bad feeling. So far, the murderer of the ghost king case has not posted any news about the fourth ghost king case on the internet!”” ”

“““Do you think he’s working hard on the last case?”” ”

“““Maybe ...”” Zhao Yu pondered,““the murderer knew how we police worked, and knew that he might be locked onto by us once he posted, so he didn’t post it!”” ”

“““Or maybe he wanted to wait until the last case was solved before publishing it together with the fourth one!”” ”

“““Tsk tsk ...”” Zhang Ling pouted.““Time is running out. We’ve already screened all the suspects, but we still don’t know the identity of the murderer or his next target!”” ”

“““Ling Sha is a lonely ghost ...”” Zhao Yu said.““The fifth victim might be related to loneliness, but ... How do you define loneliness?”” ”

“““Indeed,”” Zhang Ling agreed.““This is not easy to investigate! Andu city is too big, and we can’t find a needle in a haystack!”” ”

“““No, it’s not completely like that!”” Zhao Yu said,““the crime scene at chuantai tea house today was obviously more rushed than the previous three! ”

“““I suspect that the murderer must have encountered some accident in the process of kidnapping or transporting the victim, which delayed his time!”” ”

“““Oh ...”” Zhang Ling nodded.““Do you think that this accident might be related to our city-wide search last night?”” ”

“““It’s possible,”” Zhao Yu said.““For example, our people blocked the path he had to take, so he had no choice but to take a detour, which delayed him!”” ”

“““There are surveillance cameras on the main road ... Wait ...”” Zhang Ling suddenly remembered something and said to Zhao Yu in a hurry,““detective Zhao, I understand what you mean. We need to find where the victim, Lei feiyi, disappeared from. ”

“““Then, we’ll go from the place where he disappeared to the scene of the crime to deduce the video. We’ll see where they went and find clues from there?”” ”

“““Mm ...”” Zhao Yu nodded.““I’ve already asked Ran Tao to do it! ”

“““However, Lei feiyi’s whereabouts are usually uncertain, and there are no witnesses. We can’t be sure where he went missing and when he went missing!”” ”

“““That’s true,”” Zhang Ling pondered.””If he was caught in advance, we wouldn’t be able to determine where the murderer took him to chuantai tea house. ”

“““Tsk, tsk ... This is ...”” ”

“Zhang Ling did not finish her sentence, but Zhao Yu understood what she meant. ”

“Ever since the ghost king case, the entire andu police station and even the government’s top brass had been under great pressure, especially after the murderer had posted the photos and posts. The situation had become very serious. ”

“Even though they were still trying to appease the media, the news still inevitably spread to the public. Now, almost all the people of andu were paying attention to the progress of the case. ”

“However, the case was still going on, and the victims appeared one after another. Not only was the murderer not arrested, but he also increased the frequency of his crimes. All of this undoubtedly put a heavy burden on the shoulders of all the investigators, and they could not breathe. ”

“Now, the murderer only had one target left. If the police still couldn’t stop the murderer this time, the consequences would be unimaginable. Not only would the police lose face, but it would also cause the people to fall into panic brought about by the ghost king case, and it would be out of control! ”

Di di ... Di di ...

“At this time, Zhao Yu’s mobile phone rang. He opened it and saw that it was Zeng ke. ”

“““Group leader, hurry!”” ““Come to the office, the murderer ... The murderer ...”” Zeng ke’s anxious voice came through the phone. ”

“““It can’t be?”” Zhao Yu’s heart trembled, and his eyes widened.””The murderer posted another post?”” ”

“““No, no, no, no...”” Zeng ke quickly clarified, ““it’s not that he posted a new post, but that we have already cracked the address of his post!”” ”

“““Oh?”” ““Where?”” Zhao Yu asked. ”

“““It’s incredible,”” Zeng ke said nervously.””The murderer actually posted it on the computer of chuanmei bathing center!”” ”

Chapter 1860: Whose child is it?

“4 p.m., Chuanmei bathing center. ”

“““Detective Zhao, this is indeed our negligence,”” Zhang Ling said with an ashamed look.””Because of the serious lack of police force these days, no one was arranged to be on duty at chuanmei bathing center, which allowed the murderer to take advantage of the loophole! It’s really ... Um ...”” ”

“““It doesn’t matter, it’s just that the murderer is bold.”” Zhao Yu shook his head.”“It has nothing to do with us, the police!”” ”

“““Boss,”” Ran Tao hurriedly came over and reported,”“I just checked. The camera in the bath center was turned off a long time ago, so there is nothing in it.”” ”

“““Yes,”” Zhang Ling agreed.”“My people just asked. Ever since Tao Yan was killed, the bathing center has been completely closed down!”” ”

“““Because it’s a serious matter,”” Zhang Ling continued,”“we haven’t informed Tao Yan’s family yet! So, no one touched anything in the bath center ...”” ”

“““Team leader, team leader ...”” At this time, Zeng ke, who had just finished checking the computer, came out of the bath center and reported to Zhao Yu.”“This time, it’s correct. The murderer posted the post on the computer at the front desk of the bath center!”” ”

“““The IP match is irrefutable. ”

“““His methods are very professional. He used the Trojan Horse to make more than a dozen jumps. If he did it a few more times, I’m afraid it would take more than a month to find out!”” ”

“““Al!”” Ran Tao sighed.”“Cui Lizhu is right. Even if we find the address where the murderer posted the thread, we won’t be able to find the murderer!”” ”

“““No... That’s not right ...”” Zhao Yu pondered for a moment, then suddenly said,”“the time of the murderer’s post was nineo’ clock in the morning. We only knew that Tao Yan was killed in the Lanyang Academy after we saw the post! ”

“““In other words, at that time, the bathhouse wasn’t closed, right?”” ”

“““Um ... Cough cough ...”” Zhang Ling coughed and said to Zhao Yu,”“it seems that you still don’t understand this industry very well! They don’t open in the morning!”” ”

“““You’re not opening the door?”” ”

“Zhao Yu recalled for a while, then realized that there was a custom of one place to another. In his impression, a bath center of such a scale should be open 24 hours a day. ”

But ...

“Zhao Yu rolled his eyes and said,”“if the bathing center was not open at that time, does that mean that the murderer knew this place very well?”” How ... How did he get in?”” ”

“““Um ...”” Ran Tao replied in a hurry.”“I checked all the entrances, exits, and Windows, but I didn’t find any traces of locks or broken windows. The murderer ... The murderer might have duplicated a key!”” ”

“““That’s for sure. The murderer could even enter and leave ghost city as he pleased,”” Zhang Ling shook her head and said,”“let alone such a small bathing center!”” ”

“““No... I still feel that something is not right ...”” Zhao Yu suddenly thought of something and said to Ran Tao and Zhang Ling,”“take a closer look at this place, especially the surveillance cameras. Why do I feel that the murderer might be someone inside the bathhouse?”” ”

“““It can’t be?”” Ran Tao was surprised.”“The murderer should have known that we would find this place sooner or later, so he wouldn’t have made such a low-level mistake, right?”” ”

“““Also, we’ve already investigated all the staff in the bathhouse. We didn’t find anything unusual.”” ”

“““If the photo was really posted here, then that day ...”” Zhao Yu closed his eyes and recalled,”“the murderer first killed Tao Yan in the Lanyang Academy, then sneaked into the bathing center to post the photo and post it? ”

“““Then ...”” ”

“““Eh? ““That’s true ...”” Zhang Ling’s eyes lit up.”“The Lanyang Academy is about five or six kilometers away from the bathhouse. If we take the surveillance video from that day, will we be able to find the suspect’s image?”” ”

“““Yes, yes, yes!”” Ran Tao patted Zhang Ling’s shoulder and said,”“Captain Zhang, hurry up and send some people to me. I’ll handle this!”” ”

“““Alright ...”” ”

Di di ... Di di ...

“As they were talking, Zhao Yu’s phone rang. This time, it was cui Lizhu. ”

“““Boss, boss, Hello ...”” After the call was connected, cui Lizhu said, panting,”“I just found an important clue. I sent someone to the paternity testing company with mi Rou’s photo to look for it one by one. In the end, a paternity testing agency in Anyuan District claimed that they might have received a customer who looked very similar to mi Rou!”” ”

“““Oh?”” Zhao Yu’s eyes lit up, and he quickly asked,”“and then?”” ”

“““I’m right here!”” Cui Lizhu said,”“it’s been verified by the surveillance video at the door. Mi Rou did the DNA test here ...”” ”

“““The staff who received her said mi Rou used a fake ID ...”” ”

“““Oh?”” Zhao Yu quickly asked,”“what’s the result? Did you find the report? Whose child is it?”” ”

“““Um ...”” Cui Lizhu said, embarrassed.”“The person in charge of the company said that they were a private agency, not a judicial appraisal agency. In order to protect the privacy of their customers, they would not record the test reports!”” ”

“““F \* ck his grandmother!”” Zhao Yu scolded,”“don’t listen to their nonsense. They must have a backup! A paternity test was not a joke. One could be sued if they were not careful. In order to protect themselves, they must have kept a record! ”

“““Listen to me, immediately give them the general position!”” Zhao Yu’s tone changed.”“If you don’t cooperate, I’ll apply for a search warrant for you right now!”” ”

“““Hehehe ...”” After Zhao Yu finished speaking, cui Lizhu laughed. She laughed mischievously and meaningfully. ”

“““Oh ...”” Zhao Yu suddenly realized and asked in a hurry,“““Xiao Cui, have you finished it?”” You’re still in the mood to joke at a time like this?”” ”

“““I saw that you were too nervous, so I just wanted to adjust the atmosphere!”” Cui Lizhu laughed and said,“““that’s right. I told them everything a long time ago. Their manager was so scared that he quickly brought me the test report.”” ”

“““As for me, I asked forensic Zhang to send the DNA data of Niu jinkui and Shen Wenbin over for on-site comparison! What do you think?”” ”

“““Ah?”” Zhao Yu asked,“““the child ... Whose is it?”” ”

“““It’s not anyone’s,”” cui Lizhu replied.“““It’s not Shen Wenbin’s or Niu jinkui’s!”” ”

“““What?”” Zhao Yu was surprised.“““Nobody’s? How did this happen? Then ...”” ”

“““Boss, I’m not joking this time. The people from the testing agency will definitely not make a mistake!”” Cui Lizhu said,“““why don’t I send the data to Zeng ke first and let him compare it with the database?”” ”

“““See if you can find the child’s father in the database.”” ”

“““I ... Um ... Okay!”” “““I’ll go back to the police station now,”” Zeng ke said.“““I’ll compare them right away ...”” ”

“As he watched Zeng ke leave in a hurry, Zhao Yu suddenly felt dizzy.”

“He had thought that mi Rou’s child’s father must be either Shen Wenbin or Niu jinkui. But if it was neither of them, then who could it be?”

Could it be ... The murderer’s?

‘What ... What is going on?’

“If Niu jinkui had nothing to do with mi Rou’s death, then why did the murderer kill him? Furthermore, he was the first one to be killed?”

Could it be ... This ghost king case wasn’t all about mi Rou?

“In his anxiety, Zhao Yu looked at his watch again. There were less than eight hours left until midnight, but the case had already become complicated to a new level!”

Then ... Could he still find out the truth within these eight hours?
