Chapter 1861: major discovery

“10:30 p.m., Special Investigation Group office. ”

The dark clouds that had gathered in the morning finally turned into rain and began to rain.

“However, the drizzling rain didn’t bring any refreshing feeling to the city, which was known as a furnace. Through the glass, people could still feel a sense of heat. ”

“”Boss,”” cui Lizhu reported to Zhao Yu helplessly.””Zeng ke compared the DNA with the database, but there was no match! ”

“”I’ve also compared the DNA of the four victims. Mi Rou’s child has no blood relationship with these four people. So, we still don’t know who mi Rou’s child is. ”” ”

“”Team leader,”” Zeng ke couldn’t help but say to Zhao Yu,””there’s something strange about this. If a pregnant woman wanted to do a paternity test for the child in her stomach, she didn’t actually need to give birth to the child!”” ”

“”Actually, when the child is 16 weeks old, the amniotic fluid can be extracted for the test. If mi Rou just wanted to do a paternity test, there was no need to give birth to the child.”” ”

“”Oh?”” Zhao Yu was stunned.””There’s such an operation? Why is this the first time I’ve heard of it? Didn’t you say that a woman who was raped can only give birth to the child if she wants to testify against the criminal?”” ”

“”That was in the past,”” Zeng ke said.””Now, DNA technology is getting more and more advanced. The best technology can even extract a DNA sample of a child during the first month of pregnancy!”” ”

“”Waa!”” Cui Lizhu was surprised.””Zeng ke, I didn’t expect you to know about this at such a young age. Tell me, was there a truth in the past?”” ”

“”What!”” Zeng ke blushed.””I learned this in school. It’s all common sense!”” ”

“”This is strange!”” Zhao Yu shook his head, then asked cui Lizhu,””did mi Rou do the DNA test after she gave birth to the child?”” ”

“”Yup!”” Mi Rou nodded.””It’s clear on the surveillance camera. Mi Rou took the child to do the DNA test!”” ”

“”That’s strange,”” Zhao Yu said.””Did she not know about the technology, or did she want the child from the beginning?”” Don’t tell me ... There’s more to mi Rou’s suicide?”” ”

“”Boss,”” Ran Tao said.””I have re-investigated mi Rou’s suicide case. The surveillance camera in Tianding building clearly showed that mi Rou took the elevator to the top floor with the child in her arms. During that time, she did not have any contact with anyone.”” ”

“““Mi Rou’s numb expression does have the obvious characteristics of a suicide victim. Also, according to witnesses, there were no other suspicious people in the process of mi Rou’s suicide ...”” ”

Hmm ...

“Zhao Yu nodded. Before this, he had indeed carefully studied mi Rou’s suicide, but he had not found any signs of murder. ”

“However, in this case, because mi Rou jumped off the Tianding building with a baby in her arms, the police and the media had suspected whether this matter was related to Shen Wenbin, the chairman of the Chuanxing group. ”

“However, after the police investigation, they ruled out Shen Wenbin as a suspect. ”

“After the initial sensation, the media also quickly quieted down and did not continue to ferment. Zhao Yu guessed that Shen Wenbin was afraid of affecting the group’s interests, so he secretly gave the media some benefits. ”

“However, the fact was that mi Rou’s child was not Shen Wenbin’s, so it was easy for Shen Wenbin to get rid of this trouble. ”

Hu ...

“Zhao Yu let out a heavy breath. The ghost king case was the toughest case he had ever encountered in his life. Up until now, he had found so many clues, but there had been no substantial progress in solving the case. ”

“The police had investigated and done everything they could, but they still couldn’t find the murderer. They couldn’t even find out who the last victim was. ”

“““Boss,”” cui Lizhu said.””If we want to extract and compare the DNA of all the suspects, it will definitely be a big project. We don’t have enough time!”” ”

“As they spoke, everyone looked at their watches. There was only an hour left before midnight. ”

“““I have also checked all the staff in the bathing center,”” Ran Tao said.””They are all online, so there is no problem ...”” ”

“Cui Lizhu suggested,””why don’t we check the old shop assistants?”” Should I check those who used to work in the bathhouse?”” ”

“““We’ve already checked,”” Zeng ke said.””The list that we’ve compiled before should be detailed enough. We’ve checked all of them! ”

“““The key is that this person must have a good relationship with mi Rou to avenge her. ”

“““But looking at all the suspects, there’s no such person. Mi Rou’s temper, character, and character are all problematic!”” ”

“““Tsk tsk ...”” Cui Lizhu was depressed.””I’m so worried. We can’t find the murderer, and we don’t even know who the fifth victim is?”” ”

“““This person should have framed mi Rou before, right? ”

“““The 10th evil spirit is a lonely spirit. Is there such a person beside mi Rou? What kind of person could be considered lonely? Just like my uncle Li Fei?”” ”

Bang ...

“At that moment, the office door was suddenly pushed open. Zhang Ling ran into the office and shouted at Zhao Yu, ”

“““Detective Zhao, detective Zhao ... I found it ... I found it!”” ”

“““What?”” Zhao Yu was shocked and quickly asked,““what did you find? Have you found the murderer?”” ”

“““No... No no...”” Zhang Ling wiped the beads of water on her forehead. She didn’t know if they were sweat or raindrops.””I found the tricycle!”” ”

“““Oh?”” ““Where did you find it?”” Zhao Yu asked. ”

“““After getting your hint, I sent someone to investigate the morning of Tao Yan’s death. There were surveillance cameras on the road from Lanyang Academy to chuanmei bathing center! ”

“““And then ... And then ... From the cameras on East Main Street, archway alley, and the shops near the bath center, they all saw the tricycle!”” ”

“““Oh?”” Zhao Yu’s eyes lit up, and he asked,““can you see the suspect’s face?”” ”

“““I ... I can’t see clearly ...”” Zhang Ling shook her head.””The tricycle was covered up very tightly. I’ve already sent the video to the technical team. Let them see if they can find anything!”” ”

“Hearing this, Zhao Yu and the others were disappointed. They had been excited for nothing. In the end, there was no substantial progress. ”

“““No... But ...”” Zhang Ling continued, panting,““after we tracked the video, we found a problem! ”

“““We’ve checked all the surveillance cameras near the bathhouse, but we couldn’t find the tricycle. We only saw him go in, but he didn’t come out ...”” ”

“““Mm ...”” Because of his fatigue, Zhao Yu’s thoughts paused for a moment, and he asked casually,““what do you mean?”” ”

“““We suspect that ...”” Zhang Ling said.””The murderer either hasn’t left the bathhouse for a long time, or he lives near the bathhouse!”” ”

“““Ah?”” Zhao Yu squinted his eyes and asked,““Are you sure?”” ”

“““I’m very sure!”” Zhang Ling replied,““the reason why I delayed reporting to you until now is because I’ve been trying to confirm this! ”

“““We drew an encirclement according to the location of the surveillance cameras. If the murderer left on a tricycle, he would definitely be captured by one of the cameras! ”

“““But ... No...” As she spoke, Zhang Ling took out her phone and opened a photo.”“It wasn’t until two days later that we saw the tricycle again on the surveillance camera in front of the same store! ”

“““And that day was the day of the fourth ghost king case!”“ ”

“““Oh ...” Zhao Yu finally understood how important Zhang Ling’s discovery was.”“In other words, the murderer either lives in a bathhouse or near one!”“ He said. ”

“““On the day of Tao Yan’s death, the people in the bathing center didn’t know about it, and it was still open for business,”“ cui Lizhu analyzed.”“That is to say, the murderer couldn’t have lived in the bathing center, unless he was one of the staff!”“ ”

“““But all the employees have been cleared of suspicion!”“ Zhao Yu shook his head. ”

“““That’s why I think this is the main point!”“ Zhang Ling pointed at the map on the big screen and said,”“there’s a large Pingfang District behind the bathing center! Maybe ... The killer’s lair is here!”“ ”

Chapter 1862: The identity that was ignored

“Late at night, 11:45, near chuanmei bathing center. ”

“It was still drizzling, but because it had been raining for a long time, the air was humid and the temperature had dropped sharply. It was no longer as hot and dry as before. ”

“At that moment, the police officers from various police stations had completely surrounded the residential area in front of them. ”

“The residential area had no official name. The locals called it Willow tomb. It was said that before the founding of the country, it was an ancient cemetery, but it could no longer be found. ”

“The residential area was extremely old, which affected the appearance of the city. The local government had proposed many demolition plans, but because of the tough folk and the high price, they had been delayed several times ... ”

“““Detective Zhao,”“ Zhang Ling, who was wearing a raincoat, said to Zhao Yu,”“we’ve already started searching house by house! If that guy is really hiding here, we will definitely be able to find him!”“ ”

“Zhao Yu stood still and looked into the distance, but he was not as optimistic as Zhang Ling. ”

“It was almost midnight, the time for the murderer to kill. Even if the murderer lived here, he might not be at home right now, but somewhere else carrying out his last ghost king case! ”

“However, if they could find the murderer’s residence, it would naturally be a good thing. Even if they couldn’t prevent the last ghost king case from happening, they might be able to catch the murderer! ”

“But ... But, for some reason, Zhao Yu felt uneasy. He had a feeling that this matter was not as simple as it seemed. ”

He wondered if he had overlooked something. Or did he have an ominous premonition?

Swoosh Swoosh Swoosh ...

“It was still drizzling, and the Pingfang District was covered in mist. It was the first time that Zhao Yu felt so cold. ”

Tap tap tap tap ...

“At this time, a team of police officers came out of chuanmei bathing center and came to Zhao Yu and Zhang Ling. ”

“““Team leader,““ Ran Tao reported to Zhao Yu,““we searched the entire bathing center again, but we didn’t find anything. It’s impossible to hide someone there!““ ”

“““Mm ...““ Zhao Yu nodded, then glanced at the bathing center and said casually,““this is my second time coming here today!““ ”

“““En!““ Ran Tao nodded in agreement, then said,““I’ve been here a few times. A few days ago, when I was investigating mi Rou’s residence, I was here too!““ ”

“““Oh ...““ Zhao Yu and Zhang Ling looked at each other and nodded. But after that, they both widened their eyes and looked at Ran Tao. ”

“““What did you just say?!““ Zhao Yu asked in surprise,““mi Rou’s residence?““ ”

“““Yup!““ Ran Tao said,““it’s in the rented apartment behind the bathing center. It should be convenient for you to go to work, right?““ However, after mi Rou’s death, the house was rented to someone else! ”

“““The landlord cleaned up mi Rou’s belongings and can’t find her ...““ ”

“““What the ...““ Zhao Yu patted his head and sighed.““I forgot such an important thing!““ ”

“““Ah?““ Zhang Ling was shocked and stammered,““could it be ... You think that the murderer ... The murderer ...““ ”

“““Impossible!““ Ran Tao waved his hand and said,““I’ve investigated it. After mi Rou’s death, the house was rented to a female staff member of the bathing center! ”

“““When I was investigating, because the bathhouse was closed, she had already moved to another entertainment place, but she didn’t return the house! ”

“““It took me some effort to find that woman! I’ve investigated them all, and they’re definitely not suspects!““ ”

“““Oh, really? ““But ... No matter what,““ Zhao Yu took off the hood of his raincoat and waved at Zhang Ling and the others,““let’s go in and take a look first ...““ ”

“““Okay ...““ Realizing the importance of the matter, Ran Tao quickly led the way.““I know him. It’s very close, almost just one wall away from the bath center ...““ ”

.....

“Two minutes later, the police pried open the door to mi Rou’s previous room. It was a rental house with only two small rooms. Because it was a separate room from the landlord, there was no yard and the rooms were relatively small. ”

“After entering the house, he saw that the house was in a mess. Women’s clothes and supplies were everywhere ... ”

“““Look ... It’s like this,”” Ran Tao said.””The last time I was here, it was this messy. The lady never cleaned the house ...”” ”

“Zhao Yu walked into the room and rummaged through it, trying to see if he could find anything related to mi Rou. ”

“““Detective Zhao,”” Zhang Ling also rummaged around and said,””it seems that this place really has nothing to do with the murderer! ”

“““It’s so small, it’s impossible to hide anyone ...”” ”

“However, Zhao Yu was still patiently searching ... ”

“““Mm ...”” Ran Tao quickly said.””Team leader, I have already sent people to look for them. These things belong to the woman who is living here now. Mi Rou’s things have all been disposed of!”” ”

“Hearing this, Zhao Yu stood up and began to observe the environment in the room. As he observed, he thought quickly. It was as if in an instant, he had already grasped an important idea! ”

“““Waa!”” “Ah!”” Finally, as he held on to this thought, Zhao Yu suddenly shouted, which shocked Zhang Ling and ran Tao. ”

“““What ... What’s wrong, boss?”” Ran Tao asked. ”

“““I ... I understand!”” Zhao Yu’s eyes were wide open as he said,””it ‘s...It’s a neighbor!”” ”

“““What? Neighbor?”” ”

“““Oh my God!”” Zhao Yu said excitedly,””previously, in order to find the suspect, we investigated mi Rou’s relatives, friends, colleagues, customers, and even classmates and childhood friends, but we couldn’t find a suspect that matched the conditions! ”

“““But ... We’ve neglected another identity!”” ”

“““O-neighbor!”” Ran Tao trembled.””Are we neighbors?”” ”

“““A bootlicking neighbor!”” Zhao Yu said,””he saw mi Rou every day, so...So...He fell in love with mi Rou and was attracted to her ... Perhaps...They had a close relationship, but we overlooked that ...”” ”

“““Neighbor!”” Zhang Ling was also excited.””Then, this guy should be nearby?”” ”

“With this in mind, Zhang Ling quickly took out her walkie-talkie and gave orders to the police officers ... ”

“““Bootlicking neighbors ...”” Zhao Yu suddenly realized something and immediately said,””oh no! I have a feeling that something bad is about to happen!”” ”

“““Ah? What’s wrong?”” Ran Tao was confused. ”

Zhao Yu looked at his watch. There were only two minutes left until midnight.

“Time was tight, and Zhao Yu didn’t have time to explain to Ran Tao. He immediately strode out of the door. ”

“At the same time, he tapped on the device bar in his brain and used an invisible drone! ”

“In order to enhance the effect, he also spent 3000 points to enhance the night vision function of the drone. Even in the dark of the night, he could still distinguish the scenery. ”

“As the drone rose into the air, Zhao Yu paid close attention to the surveillance screen in his brain, looking at the images sent back by the drone. ”

“After the drone took off, it began to circle the bungalow and survey mi Rou’s residence. ”

“In the end, not even a minute after the plane took off, Zhao Yu suddenly caught something suspicious on the camera. ”

“In a small courtyard of a single-story house less than 30 meters South of mi Rou’s residence, an Electric Tricycle suddenly appeared! ”

Chapter 1863: right in front of you

Bang ...

“With a loud bang, the police used a hammer to knock down the rusty iron door. Zhao Yu took the lead and rushed straight into the courtyard ... ”

“Zhang Ling was shocked. She then realized that Zhao Yu was not carrying any weapons, so she quickly followed him in with her pistol. ”

“Then, Ran Tao led a group of fully armed police officers into the courtyard. ”

Zhao Yu was the first to see a silver-white Electric Tricycle parked in the corner of the yard. This car was very similar to the suspicious vehicle he had seen in the surveillance video of the ghost king case!

“Although they were shocked, Zhang Ling and the others were obviously confused, because according to the pattern, tonight was the day the murderer completed the last case of the ghost king case. ”

“In other words, the murderer shouldn’t be at home right now. He should have gone out on an Electric Tricycle! However, there was clearly a tricycle in front of them. If the tricycle was the murderer’s, could it be that ... The murderer didn’t go out? ”

“““He’s ... At home!?”” ”

“Thinking of this, Zhang Ling and ran Tao became even more nervous, and they quickly protected Zhao Yu on both sides. ”

“However, Zhao Yu didn’t care about anything at all. When he saw the courtyard, he immediately rushed into the house. ”

There were a total of five single-story houses in the courtyard. There were two small houses in the South and three main houses in the North. Zhao Yu came to the door of the main room and realized that the anti-theft door was open!

““Detective Zhao, be careful ...”” Zhang Ling was worried about danger, so she stopped Zhao Yu and stood in front of the anti-theft door. ”

“However, Zhang Ling’s worry still reminded Zhao Yu. Zhao Yu quickly used the invisible detector to scan the area within a thirty-meter radius. ”

“After some investigation, he confirmed that there were no weapons or explosives in the house. ”

“Thus, he pushed Zhang Ling away, opened the anti-theft door, and stepped into the room. ”

“The room was pitch black. Zhao Yu was about to turn on his invisible night vision, but Zhang Ling turned on a flashlight and shone it into the room. ”

““Wow ... What are these things?”” Zhang Ling only took one look and shivered. ”

“In the depths of the room, there was a large pile of colorful clothes. At first glance, these clothes looked like burial clothes for the dead! ”

“However, upon closer inspection, he found many wigs, head covers, and even fake people. ”

““This ...”” Zhang Ling swallowed her saliva. She wanted to say something, but she held back. ”

“Without a doubt, these clothes were not graveclothes, but more like stage costumes! ”

“However, looking at it from the dark flashlight, it gave off a terrifying and strange feeling. Even the insensitive Zhao Yu felt a chill down his spine. ”

““Team leader ...”” Ran Tao, who was behind Zhao Yu, reminded him softly. ”

Zhao Yu turned around and saw Ran Tao pointing at the light switch.

“As Zhao Yu already knew that there was no danger, he nodded at Ran Tao. ”

“Ran Tao made a gesture to the police officers, who immediately divided into two teams and got ready for the assault. ”

“Then, Ran Tao gestured 3,2,1 with his hand and then pressed the switch. ”

Whoosh ...

“The lights were turned on, and at the same time, two teams of police officers quickly rushed into the left and right wing rooms and launched a surprise attack ... ”

“However, the room was limited in size. In less than ten seconds, the police officers from both sides responded, proving that both rooms were safe. ”

“After the lights were turned on, Zhao Yu finally saw clearly that in the middle of the living room, there were indeed all kinds of costumes, and many stage props. ”

““Team leader,”” Ran Tao looked at The West Wing and said to Zhao Yu,““come and take a look. What are these?”” ”

“Zhao Yu and Zhang Ling immediately went to the door of the west room. There were no beds in the room, but rows of shelves like a supermarket. ”

“On the shelves, there were some strange electronic devices. These electronic devices were of different shapes and sizes. Some were more modern, while others were more ancient and backward. ”

“There were also a lot of electric cables, as well as Transformers and other things ... ”

““What ... What are these for?”” Zhang Ling couldn’t understand and frowned. ”

““Alright, all of you can exit now!”” Zhao Yu ordered the police officers,““don’t destroy the scene. No matter what these are, let’s wait for the experts to come and check them first!”” ”

“Following Zhao Yu’s orders, the police officers had to leave the room and go to the courtyard. ”

“Zhao Yu walked to the East Room, but the things in the East Room were also very unexpected. It was like an internet cafe, and on the side of the wall, there were computers of all sizes. ”

“Among them, there were many sophisticated electronic instruments. What were they for? ”

“He finally saw a bed in the corner on the other side, but it was a simple single bed. ”

““This ... This is ...”” Zhang Ling was even more speechless. It was hard to imagine what the owner of the room did for a living. ”

““Captain ...”” At this time, one of Zhang Ling’s police officers came in and reported,““we just asked the neighbors. This family is not a tenant, but a permanent resident here who has lived here for decades. ”

““They said that this family’s surname is Qi. The grandfather and grandson used to live in the house, but the old man passed away five years ago, leaving only the old man’s grandson to live alone. ”

““However, this young man is usually reclusive and not good at socializing. He’s an otaku, and the neighbors can’t even remember his name!”” ”

““Oh?”” Zhang Ling pondered for a moment and immediately realized the problem. She asked,““if the grandfather and grandson live here, what about the child’s parents?”” ”

““Hmm ... I heard that he got into a car accident a long time ago. The neighbors we asked came late, and they didn’t know ...”” ”

““Wow ...”” Zhang Ling looked at Zhao Yu in shock.““Detective Zhao, this ... Doesn’t seem right? Why do I feel that this child is more like the last malicious spirit in the ““record of the ghost king””?” ”

““She lost her parents when she was young, and now even her only grandfather is gone. Isn’t ... Isn’t she all alone and miserable? But ...””Zhang Ling was puzzled.““ Aren’t we here to find the murderer?”” ”

“““I was just about to tell you about this!”” Zhao Yu said with a serious expression, “““I suspect that the ghost king Assassin’s last target is likely to be himself! ”

“““He’s also a person who has to be responsible for mi Rou’s death. Therefore, he has long made up his mind to turn himself into a real wily and evil person!!”” ”

“““Ah?”” Zhang lingqiang swallowed hard and asked, “““you’re saying that the murderer will choose to commit suicide tonight? No wonder he didn’t drive that tricycle! ”

“““I ... I ...”” Zhang Ling quickly ordered her subordinates, “““hurry, hurry up and find out this person’s identity. Then, track his phone signal and see where he is now.”” ”

“““If he wanted to commit suicide, would he choose a location similar to the previous four cases? ”

“““If it’s for atonement ...”” Zhang Ling rubbed her hands anxiously. “““Will it be ... At mi Rou’s grave?”” ”

“““No!”” Zhao Yu looked at the furnishings in the room and waved at Zhang Ling. “““There’s no need to check. I think it’s far away, but close at hand! ”

“““This person is here!!”” ”

Chapter 1864: Living beings of the ghost Dao

“““Zhi button ...”” ”

“As Zhao Yu opened a large wardrobe in the east wing room, everyone was shocked to see that there was a flight of stairs that extended downwards from the wardrobe, leading to a dark underground! ”

“““It can’t be?”” Zhang Ling’s eyes widened. This ...””He looked at Zhao Yu in surprise.”” How did you know?”” ”

“Zhao Yu, of course, saw it through the invisible x-ray vision device. ”

“Before he entered the room, he found that the door was not locked. He was worried that there might be some traps in the room, so he not only used a detector but also an x-ray vision to explore the room. ”

“Therefore, he had long discovered that there was a secret space under the East Room, and it was not small. ”

“This secret chamber was located right below his own courtyard, so even if someone built a house outside, it would not be affected. ”

“““Shhh ...”” ”

“As for Zhang Ling’s question, Zhao Yu naturally had no way of explaining it to her, so he had no choice but to take the initiative. He gestured for her to keep quiet, then pointed at the secret passage under his feet. ”

“She was obviously warning him that the murderer might be down there, so he should speak less! ”

“Zhang Ling and ran Tao quickly pulled out their pistols, as if they were facing a great enemy.”

“However, they were still a step too slow. Zhao Yu wasn’t holding any weapons, but he was the first to enter the wardrobe and go into the secret room.”

“””Don’t ...”” ”

“Zhang Ling was worried about Zhao Yu, so she immediately followed him with Ran Tao.”

The secret room was located underground. Zhao Yu took a few steps into it and turned on the flashlight on his phone.

“In the end, when he peeked into the depths of the secret chamber, his eyes suddenly widened!”

“Even though he had already mentally prepared himself, he still felt a great shock and horror when he saw the terrifying scene in front of him!”

“In front of the secret chamber was an antique desk, and a man in tattered clothes with unkempt hair and a dirty face was sitting in front of the desk, motionless!”

“The man was dressed like a dirty beggar, but also like a poor ghost in a game. He was exactly the same as the last ghost in the record of the ghost king!”

“Seeing this scene, it indicated that the last case of the ghost king case had happened!”

“However, unlike the previous victims, this last victim was very likely to be the Tao Wu’s murderer!”

Was he really dead?

“Zhao Yu forced himself to stay calm and shone the flashlight on the dead man. He saw that the dead man’s body was stiff, and his face was twisted. He was not moving at all, just like the other victims in the ghost king case.”

“””Damn it!”” ”

“Zhao Yu cursed and looked at his watch. The time was 12:03, just past midnight.”

“Logically speaking, if he had committed suicide at 12 o’ clock, he should not have stopped breathing by now. Could it be that ... He did not wait until 12 o’ clock, or ... He had died long ago?”

Pa ...

“With a crisp sound, Ran Tao turned on the lights in the basement, and it was suddenly bright.”

“The police officers might have been mentally prepared. Even though they saw the hideous corpse, no one screamed. Instead, they did a full investigation of the scene in case there was any danger.”

Zhao Yu turned off the flashlight and looked at the dead man again. He was shocked to see that there was a piece of rice paper used for calligraphy on the desk in front of the dead man.

“””I don’t believe that a dead man can become a ghost, but I believe in the ghostly Dao’s reincarnation. All sentient beings have their ghostly nature, and there’s always a fixed definition of good and evil!”” ”

“24 words appeared on the paper, and together with the scene of death, it was naturally a chilling and strange sight. ”

“““Ghost ... Ghost Dao reincarnation ...”” Zhang Ling’s face was pale as she stammered,““these words ... Aren’t they from the preface of the ‘record of ghost kings?’”” ”

“““What?”” At this time, Zhao Yu suddenly realized something. He immediately stretched out his hand and moved the rice paper away. He saw that under the rice paper, there was an ancient book! ”

“““Ah?”” ”

“This time, everyone couldn’t help but exclaim. On the cover of the ancient book, three big words were written in ancient and traditional characters,““record of ghost kings””! ”

“““This ...”” Zhang Ling’s eyes widened.““There’s a record of the ghost king here!”” ”

“Zhao Yu didn’t think too much about it, but stretched out his hand again to open the ““record of the ghost king.”” He only flipped through one page and was shocked. ”

“This record of the ghost king was actually a hand-copied version, and there was an eye-catching ““Tao”” word on the title page! ”

“““No way!”” Zhang Ling felt like she was out of breath.““This ... This book, could it be Tao Yulan’s book?!”” ”

“““When Tao Yulan was arrested,”” Zhao Yu said,““only his record of the ghost king was missing. Could it be ...”” ”

“Then, Zhao Yu turned to look at the dead man in front of him. ”

“The dead man’s face was hideous, but it could still be seen that he was a young man with average looks and a short height. ”

“Looking at the way he died, he was indeed the same as the other victims of the ghost king case, but he was the one who sat the most upright among all the victims. ”

“Even though his face was also twisted, he still gave people a feeling of calmness and determination. ”

And ...

“Zhao Yu noticed something, so he quickly turned on the flashlight and shone it at the feet of the deceased. ”

“In the end, he quickly saw a syringe on the ground, and there was still a small amount of white liquid left in the syringe ... ”

“““This is ...”” Zhang Ling also saw the syringe and immediately said to Zhao Yu,““this should be the injection that contains the strong Poison of the rat, right?”” ”

“““The previous four victims didn’t appear,”” Zhao Yu said, staring at the syringe.““But it appeared here, which means ...”” ”

“““It’s indeed a suicide!”” Zhang Ling nodded.”“It seems that you’re right. The murderer really treated himself as the last malicious ghost! Ling Sha, Ling Sha, I really didn’t expect it to be like this!”” ”

“““Team leader,”” Ran Tao waved at Zhao Yu and said,”“come here and take a look at this!”” ”

“It turned out that this underground secret room was not completely transparent. There were some small partitions on the east side, separating the secret room into two small suites. ”

“Ran Tao was standing at the door of the first suite, waving at Zhao Yu. ”

“Zhao Yu turned off his phone again, then walked over to Ran Tao and looked into the suite. ”

Waa ...

“““Ah!”” Zhao Yu couldn’t help but let out a cry of surprise. He saw that the walls of the suite were covered with photos and some handwritten information. ”

“In the few photos that were closest to Zhao Yu, he could see Niu jinkui and Shen Wenbin, while on his right-hand side, Tao Yan and Lei feiyi were there. ”

The photos were obviously taken in secret. It was obvious that the person who took the photos had secretly followed these people and investigated their details.

“Further in, there were photos of mi Rou and the deceased herself, and even a group photo of them! ”

“Thus, it could be seen that the fifth victim did have an intimate relationship with mi Rou ... ”

“““Team leader,”” a police officer who had just entered the secret room shouted at Zhang Ling,”“we found an electric wall-climbing ladder in the yard. We also found an electronic device that can short-circuit power on the shelf in The West Wing ...”” ”

“““Captain,”” a police officer on the other side of the basement said,”“I found two large bags of powder here. Looking at the sign, it should be poisonousness!”” ”

“““Captain,”” another police officer called out,”“I found a lot of cosmetics, which are very similar to the ones applied on the faces of the victims of the ghost king case ...”” ”

Chapter 1865: Two questions

“At threeo’ clock in the evening, a beautiful female police officer from the forensics department was carefully collecting evidence from the crime scene. ”

She was mainly in charge of the deceased’s desk. She was holding professional equipment and checking something on the rice paper with the writing brush.

“The next second, Ran Tao suddenly started to read a poem next to the female police officer,”” ”

“““I don’t cultivate good things in my life, I only love to kill and set fire. “““Suddenly, the Golden rope was untied, and the Jade lock was broken ...””” Ran Tao raised his eyebrows at the female police officer.”””The tide of the Qiantang River came, and today, I know who I am!””” ”

“Ran Tao’s words immediately caught the attention of the female police officer, who turned around and glanced at him. ”

“Ran Tao immediately put on a cool look, pointed at the words on the rice paper, and said,“““““I feel that the artistic conception in these two poems is similar!””” ”

“The female police officer looked at Ran Tao carefully, then lowered her head and continued to work. She muttered three words in a low voice,“““““The divine venomous Meridian disease!””” ”

.....

“““““Sir, Sir ...””” At this time, a local police officer came to Zhao Yu and Zhang Ling and said to them,“““we’ve investigated everything. What the neighbors said is basically true. The deceased’s name is Qi Hao. He is 27 years old this year and is a local ...””” ”

“““““His parents have indeed passed away in 2005. A falling rock and a car fell into the river ... ”

“““““Since then, Qi Hao and his grandfather Qi shengrong have been living together in this Old House! ”

“““““But five years ago, Qi shengrong passed away, and Qi Hao was the only one left in the family ...””” ”

“As he spoke, the police officer handed Qi Hao’s photo and information to Zhao Yu. When Zhao Yu saw the photo, he could immediately recognize that Qi Hao was the deceased in front of him. ”

“““““We’ve just confirmed that Qi shengrong is a retired officer from the Cultural Center. He used to be an actor in the Sichuan Opera troupe, and he was quite famous!””” The police officer reported. ”

“““““Another opera singer!””” Zhang Ling’s eyes widened. She pointed at the book ‘record of the ghost king’ on her desk and said,“““could it be that Qi shengrong is related to Tao Yulan? ”

“““““Don’t be ... Tao Yulan’s accomplice ...””” ”

“““““No,””” the police officer said.”””When Tao Yulan committed the crime, Qi shengrong was less than ten years old. It’s impossible for him to be his accomplice!””” ”

“““““Oh,””” Zhang Ling ordered,“““then you must investigate carefully and see if Qi shengrong is related to Tao Yulan.””” ”

“““““Yes!””” “““Yes,””” the police officer replied. He then took out another document and continued,“““Qi Hao used to be a soldier. He was also an Information Officer in the Army. ”

“““““We’ve checked the Army’s reports. Qi Hao’s results have always been excellent. He would have had a bright future, but unfortunately, he suddenly fell seriously ill after being in the Army for less than two years and was forced to leave the Army! ”

“““““Later, he worked in a performance troupe and some other jobs. In the end, relying on his self-taught skills, he started an online business, making electronic components and computer drawings for others. He could earn money by taking orders without leaving the house! ”

“““We’ve checked his transaction records, and they’re basically all related to electricity and communication equipment ...”“ ”

“““Alright.”“ Zhang Ling let out a sigh of relief and said to Zhao Yu,““this way, we can explain why the murderer could cause ghost city’s power to fail, and why he could easily take care of all the surveillance cameras at the crime scene! ”

“““Also, I understand the information soldiers. They don’t just research technology, but also have the quality of Scouts. That’s why the murderer’s anti-investigation ability was so strong and didn’t leave any clues for us! ”

“““I didn’t expect the murderer of the ghost king case to be such a good and capable neighbor.”“ Zhang Ling shook her head and sighed.”“It seems that the truth can’t be clearer. Just wait and see. The child in mi Rou’s stomach must be Qi Hao ‘s!”“ ”

“““An otaku and a young lady. Qi Hao must have been attracted by mi Rou’s beautiful appearance and developed feelings for her. They even had a child together. ”

“““But, mi Rou wanted to be pregnant with the child of the big boss, Shen Wenbin. When she found out the real identity of the child, she was so desperate that she jumped off the building with the child!”“ ”

“““The death of mi Rou and her child was a fatal blow to Qi Hao. That’s why he wanted to kill everyone who was related to mi Rou’s death! ”

“““Qi Hao felt that it would be too easy on them to kill those evil people so easily! ”

“““He wanted those people to die a tragic death, so he thought of the Tao Yulan’s ghost king case from sixty-six years ago and decided to turn them into the five evil spirits in the”“ record of the ghost king ““! ”

“““However, he should have been prepared long ago. He thought that he was one of the culprits who killed mi Rou, so he killed until the end and turned himself into the last evil ghost, bringing the ghost king case to a perfect end! ”

“““Detective Zhao,”“ Zhang Ling said to Zhao Yu,““I think we can start closing the case, right?”“ ”

“Zhang Ling’s words were reasonable and aligned with the case. Everyone nodded, but only Zhao Yu was still frowning, deep in thought. ”

“““Um ... What’s wrong?”“ Zhang Ling saw Zhao Yu’s hesitation and quickly asked,““could it be...Do you think there’s something wrong with this case?”“ ”

“““I have two questions,”“ Zhao Yu said, stretching out two fingers.”“First, if the child is Qi Hao ‘s, why did Qi Hao kill Niu jinkui? ”

“““Think about it, Qi Hao knew that mi Rou’s child was his, so he also knew that it had nothing to do with Niu jinkui. Since it had nothing to do with Niu jinkui, why did he still kill him, and why was he the first one to kill him? ”

“““Secondly,”“ Zhao Yu continued,““the first four victims were all in ancient or antiques buildings. If Qi Hao had made up his mind, why didn’t he find a similar place to commit suicide? ”

““““Why did you die in your own home?””

““““If we can’t find this place, doesn’t that mean that he will rot to death here without anyone knowing?””” ”

““““Um ... This ...””” ”

Zhao Yu’s words left Zhang Ling and the others speechless.

“Indeed, these two questions were more important. ”

““““Detective Zhao ... Do you think ...””” Zhang Ling asked hesitantly,““““that there’s still something fishy about this case? that it’s not over yet?””” ”

““““No,””” Zhao Yu said, shaking his head.““““I just think that there might be a lot of things we haven’t figured out yet. Perhaps something else happened between Niu jinkui and mi Rou, or Qi Hao ...””” ”

““““Team leader,””” before Zhao Yu could finish, Zeng ke suddenly entered the secret room and reported to Zhao Yu,““““I just checked the deceased’s computer. He set a timer on the computer. Tomorrow at nineo’ clock in the morning, he will post all the photos of the ghost king case on the internet!””” ”

““““And ... Including his own!””” ”

““““Eh? What ... What do you mean?””” ”

“Zhao Yu and Zhang Ling were shocked, but they didn’t understand what Zeng ke meant. They followed Zeng ke out of the secret room and came to Qi Hao’s computer. ”

““““I’ve already canceled the post,””” Zeng ke said.““““This guy is really an expert. Once the time is up, he will post the information on tens of thousands of forums, including abroad. Fortunately, we stopped it in time. Otherwise, it would have been really troublesome!””” ”

“When Zhao Yu saw the information that Qi Hao was about to publish, he finally understood what Zeng ke meant. In the last few photos, Qi Hao himself was dressed up as an idiot, sitting in front of his desk and dying! ”

“In the photo, there was even a line of writing he had written with a brush: ”

““““I don’t believe that a dead man can become a ghost, but I believe in the ghostly Dao’s reincarnation. All living beings have ghostly nature, and there’s always a fixed good and evil ...””” ”

Chapter 1866: Yet to be closed

““““That’s really ruthless. What kind of psychological quality does he have?””” Zeng ke sighed.““““I found out that the last photo was taken at 10 O’ clock last night!””” ”

““““So ...””” Zeng ke pointed to the photo and said,““““the deceased dressed up as a lingsha and took a photo of himself!””” ”

“Ran Tao scratched his head and said, “he’s really good at it ... Taking photos of himself after his death ... It feels so weird. This guy must have some psychological problems ...” ”

““Oh, that means ...” Zhang Ling pointed at the photo and said, “when the photo was taken, Qi Hao was alive. He took the photo of his death and not someone else?” ”

““Definitely.”” Zeng ke pointed to Qi Hao’s face in the photo. “Look, at this time, the deceased’s face is relatively peaceful, and there is no distortion, which means that he was not poisoned when he took the photo!” ”

““Also, the forensic doctor also said that the time of death of the deceased was close to 12 o’ clock, which means that when we first came in, Qi Hao had just died!”” Zeng ke said. ”

““If someone took a picture of him, they wouldn’t be able to upload it to the computer in time.” ”

““That’s true ...” Zhang Ling said. “The fingerprints on the syringe belong to the deceased. This should be a suicide!” ”

““Why ...” Just as everyone was discussing, Zhao Yu looked at the computer and thought of something else. He muttered, “this doesn’t seem to make sense, does it?” ”

““What?”” “What do you mean?”” Zhang Ling asked. ”

““It’s fine if he’s dead, but why did Qi Hao post the photos on the internet so many times?”” Zhao Yu said, “the ghost’s reincarnation. He killed people to take revenge. He pretended the dead to be a malicious ghost and cursed the dead, but why did he post it on the internet for everyone to see?” ”

““Well ...” Zhang Ling rolled her eyes and said, “this shouldn’t be difficult to explain, right?” ”

““The murderer posted the information on the internet, was it so that we could find out about the case in time? Let us know the exact location of the crime, or ... Let us investigate the truth of mi Rou’s death?” ”

““I think so too ...” Ran Tao reminded him. “Do you remember the first victim, Niu jinkui, in the Guan Emperor temple? He had been placed in the temple for three days before he was discovered!” ”

““Could it be that the murderer was afraid that the body would rot after a long time, so he decided to post it on the internet so that people could find it early?” ”

““After all ...” Ran Tao pointed at the computer and said, “he has the skills to hack!” ”

““Something’s wrong!”” Zhao Yu denied it without thinking, “if it was just to let us find the body in time, he wouldn’t have had to post those comments on the forum!” ”

““And,”” Zhao Yu pointed to the computer, “he didn’t have to publish it on such a large scale, did he? From the looks of it, he seemed to want to let the whole world know!” ”

““If it’s just to remind us, then just a post or photo would be enough to lure us here!” ”

““Hmm ... That’s true!”” Zhang Ling nodded. “Could it be that ... The murderer deliberately wanted to make the ghost king case known to the world?”” Did he want to show off his crimes to the public? Or should I ...” ”

“““Eh?” ““Team leader, do you still remember the file on Tao Yulan’s case?”” ”

“““After Tao Yulan killed someone, she also placed the victim in a more eye-catching place that was easily discovered by the public! ”

“““Could it be ... That the victim was following in Tao Yulan’s footsteps, so he wanted to make the case bigger?”” ”

“““It’s true,”” Zhang Ling said.”“The murderer might be worried that we will block the case and not let the public know! ”

“““Maybe, besides avenging mi Rou, he also wants to help the ghost king Killer Tao Yulan!”” ”

“““Mm ...”” After hearing what Zeng ke and Zhang Ling said, Zhao Yu stopped guessing and nodded. ”

“““No matter what,”” Zhang Ling said, clutching her chest,”“it’s our good fortune that these photos and information weren’t released! ”

“““If this is released, we won’t be able to turn the situation around! Wouldn’t it cause an uproar?”” ”

“““I don’t think so,”” Zeng ke said.”“After all, the victims of the case were all related to mi Rou. Besides, now that the murderer is dead, and the truth is out, it doesn’t matter even if the case is spread!”” ”

“““Yes, you’re right, you’re right ...”” Zhang Ling agreed. ”

Hu ...

“Zhao Yu let out a heavy breath. He had been tense for the past few days, and he was on the verge of breaking down. ”

“Although the last ghost king case had not been stopped, if Qi Hao could be proved to be the ghost king assassin, then the ghost king case could finally be closed! ”

“But ... He didn’t know if it was because the case wasn’t clear yet, or because the clues were too confusing, but Zhao Yu felt uneasy. ”

“Just like the major unsolved cases he had experienced before, he faintly felt that something was not right, as if he had overlooked something ... ”

.....

“After daybreak, the rain stopped, and the air became stuffy again. ”

“Zhao Yu hadn’t had a good rest for several days, so he urgently needed a good night’s sleep. However, the case had just been solved, so he insisted on staying at the crime scene and continuing to look for all kinds of clues. ”

“After a night of careful searching, the police found more evidence from Qi Hao’s house that could prove that he was the ghost king Killer. ”

“For example, they found information on Qi Hao’s hacking skills, a map of the neighborhood near the Emperor temple, as well as detailed maps of ghost city, Lanyang Academy, chuantai tea house, and even chuanmei bathing center. The maps even marked the locations of various surveillance cameras ... ”

“In addition, the police also found Qi Hao’s detailed plans for each ghost king case, including how he kidnapped the target, how he transported the target, how he set up the scene, and how he evacuated the place. The plan was very detailed and covered all aspects.”

“In addition, the police also found the personal belongings of the victims of the previous four ghost king cases, such as their mobile phones, wallets, clothes, accessories, and so on, in the partition of the secret room.”

“This proved that Qi Hao had indeed kidnapped them. The victim’s cell phone card and battery had all been removed, so the police couldn’t locate her.”

“In the end, through examination, the police also proved that the two packets of powder found in the secret room were indeed the poison that could quickly kill people.”

“However, they were still trying to find out how to purchase the poison rat.”

“At the same time, the police also found a leather bag next to the bag containing the strong Poison. In the bag, there was a syringe for extracting Strong Poison, a solution that could dilute it, and even a few professional books about injections and poisons ...”

“As such, with the emergence of a large amount of evidence, the police could basically confirm that Qi Hao, the last victim of the ghost king case, was the ghost king assassin!”

“He was the one who had kidnapped and killed Niu jinkui, Shen Wenbin, Tao Yan, Lei feiyi, and himself!”

“However, even though there was a lot of evidence, Zhao Yu searched Qi Hao’s house. Other than the crime plan, he did not find any diary or will evidence.”

“Therefore, the police had no idea about Qi Hao and mi Rou’s relationship, how Qi Hao obtained Tao Yulan’s “ghost king Record,” or the changes in his state of mind and details during the entire crime.”

“Hence, the case could not be considered a complete conclusion. There were still many questions that needed Zhao Yu and the others to continue investigating.”

Chapter 1867: Whose is it?

“At Five O’ clock in the afternoon, after Zhao Yu woke up from the hotel, he returned to his office in the andu police station.”

“This time, he was really tired. He slept from noon to the afternoon. He slept until the sky was dark, and the sun and moon were dark. When he woke up, he felt refreshed and recovered a lot of energy.”

“However, as soon as he entered the office, he immediately felt that the situation was not good. Because his team members were gathered in front of the big screen, discussing something intensely.”

“Looking at their expressions, some were nervous, some were surprised, and some were in disbelief. There must be an emergency.”

“““What’s wrong? What’s wrong?”” Zhao Yu stepped into the office and immediately asked. ”

“““Team leader? You’re finally here!”” “““The DNA of the deceased, Qi Hao, is out. Guess what happened?”” Zeng ke answered before cui Lizhu could. ”

“““The child isn’t his?”” Before Zeng ke could finish, Zhao Yu interrupted him, which almost made Zeng ke choke. ”

“““Ah?”” Cui Lizhu’s eyes were wide open.””Boss, you know everything?”” ”

“““What do you know!”” Zhao Yu frowned and said,””if the child was Qi Hao ‘s, would you guys have had such a heated discussion?”” ”

“““Hmm ...”” The group members looked at each other. ”

“““You’re right,”” Zeng ke said.””Qi Hao’s DNA doesn’t match mi Rou’s DNA, which means that the child is not Qi Hao ‘s!”” ”

“““Isn’t this too amazing?”” Ran Tao scratched his head out of habit.””Who on earth did mi Rou have this child with? It’s not Shen Wenbin, not Niu jinkui, not Qi Hao, tsk tsk ...”” ”

“““Boss, boss ...”” Cui Lizhu said to Zhao Yu in surprise.””Do you think that there are any more changes in the ghost king case? ”

“““Could the real murderer not be Qi Hao, but someone else? Qi Hao was just a scapegoat? ”

“““If not, Qi Hao has an accomplice. Is the child his accomplice ‘s?”” ”

“Hearing this news, Zhao Yu fell into deep thought and didn’t say a word. ”

“““Team leader,”” Zeng ke said,””I have already taken the child’s DNA to the database for comparison, but if the child’s father has no criminal record, it will be difficult to find him ...”” ”

“““Do you think we should find all the men who are related to mi Rou and extract their DNA one by one?”” ”

“““Don’t be silly,”” Ran Tao said.””Who would be silly enough to go to a brothel and leave their ID card? Mi Rou does that kind of thing. She can be a husband to any man and doesn’t waste her time at night. There are too many of them, so where can we find one?”” ”

“““Well ...”” Zeng ke retorted.””We can calculate it based on the date of the child’s birth. We can mainly look for the men who were in contact with him when mi Rou was pregnant, right?”” ”

“““This is also enough!”” Ran Tao said,””the bathing center is a place with a high turnover rate. I don’t know if we can find witnesses or something so far away. ”

“““Well ... Four months plus ten months of pregnancy. It’s been more than a year ...”” ”

“““Hey, what’s wrong? are you deaf out of habit?”” Cui Lizhu pouted and said,””I just said that the most important thing now is that since the child is not Qi Hao ‘s, there might be another murderer in this case, or there might be an accomplice. As long as we find this person, the child’s matter will naturally be solved, right?”” ”

“““We ... We didn’t say anything else, did we?”“ Zeng ke felt wronged.”“As long as we find the child’s father, the truth will be revealed, right?”“ ”

“““I think ...”“ Zhao Yu finally opened his mouth. He frowned and said,““if the child isn’t Qi Hao ‘s, it can prove that the murderer is Qi Hao himself!”“ ”

“““Ah?”“ ““Why?”“ everyone was surprised. ”

“““Because ...”“ Zhao Yu said with a serious expression,““if the child is not Qi Hao ‘s, then it makes sense that Qi Hao wanted to kill Niu jinkui first!”“ ”

“““Perhaps, Qi Hao thought that mi Rou’s child could only be Niu jinkui ‘s. It was Niu jinkui who tore the condom and made mi Rou pregnant!”“ ”

“““Mi Rou stubbornly believed that the child belonged to Shen Wenbin and that she had to give birth to the child. This led to a misunderstanding, which eventually led to mi Rou jumping off a building in despair!”“ ”

“““Therefore, Qi Hao shifted all his hatred onto Niu jinkui. He believed that Niu jinkui was the one who was responsible for mi Rou’s death, so he killed him first!”“ ”

“After he said that, the crowd fell silent. Everyone quickly understood what Zhao Yu meant. ”

“““Oh ...”“ After a few seconds, Zeng ke nodded.”“If the child is Qi Hao ‘s, then he has no reason to kill Niu jinkui!”“ ”

“““But ...”“ Wu Xiumin raised an objection.”“Qi Hao committed a near-perfect crime in the ghost king case, which shows that he is a very cautious and meticulous person. Then ... Wouldn’t he have compared the child’s DNA with Niu jinkui ‘s?”“ ”

“““Well ...”“ Wu Xiumin’s words made sense, and Zhao Yu was at a loss for words. ”

“““I think ...”“ Cui Lizhu suggested.”“We can focus on this point and look into it. Although Niu jinkui, mi Rou, and Qi Hao are already dead, she was pregnant for ten months. That’s such a long time. We should be able to find one of the parties involved, right?”“ ”

“““En, that’s a good way of saying it!”“ Zhao Yu pointed at cui Lizhu and said,““then, I’ll leave this to you!”“ ”

“““Ah?”“ Cui Lizhu wiped her sweat, but after thinking about it, she nodded and said,““alright, I’ll do it! I have to find the child’s father for you to see ...”“ ”

“After cui Lizhu dodged, Wu Xiumin said to Zhao Yu, ”

“““Team leader, there’s been some progress on Qi Hao’s family situation.”“ She turned around and took out a document.”“Qi Hao’s grandfather, Qi shengrong, once studied in a folk troupe, which was first founded by Tao Yulan!”“ ”

“““So, the two of them ... Should have crossed paths before!”“ ”

“““Oh?”“ Zhao Yu’s eyes lit up.”“Is it really related?”“ ”

“““Qi shengrong learned martial arts when he was young, but ...”” Wu Xiumin said.”“It’s very likely that he followed Tao Yulan!”” ”

“““Wow, so they’re master and disciple!”” Ran Tao was shocked.”“So, Tao Yulan knew that she had committed the ghost king case and would be arrested sooner or later, so she gave the record of the ghost king to Qi shengrong.”” ”

“““Qi shengrong had been keeping this book for a long time. In the end, it fell into the hands of Qi Hao!”” ”

“““Then, Qi Hao studied the book until he became obsessed,”” Zeng ke said.”“So, he developed a resonance with Tao Yulan and yearned for her. That’s why he decided to commit a new Ghost king case to fulfill Tao Yulan’s last wish ...”” ”

“““So ...”” Ran Tao concluded,”“there’s no other reason for this case. The real murderer is Qi Hao himself!”” ”

“““I don’t object to whether Qi Hao is the murderer or not,”” Wu Xiumin said, crossing her arms.”“But, your inference just now does not have any real evidence to support it. It is just a subjective guess based on the case, and it has no actual effect!”” ”

“Zeng ke and ran Tao looked at each other, speechless. ”

“““By the way,”” Zeng ke suddenly thought of something and quickly reported to Zhao Yu,”“there’s a letter from the forensics department. They have carefully studied the handwritten copy of the record of the ghost king that was found at Qi Hao’s house!”” ”

“““After comparing the handwriting, the book was written at least 150 years ago, so it shouldn’t have been written by Tao Yulan. The ““Tao”” word on the title page can’t be confirmed to be Tao Yulan’s handwriting, but it could be written by Tao Yulan’s ancestors. ““ ”

Chapter 1868: Zhao Yu’s suspicion

“Seven o’ clock in the evening, in the autopsy room of the andu police station. ”

“““Two needle holes were found in the deceased’s abdomen,”” Zhang Peipei said to Zhao Yu.”“The injection locations were the same as the previous four victims, but more obvious than the previous ones. ”

“““In addition, there was bleeding and oozing after the injection. I guess the murderer tore the subcutaneous tissue because his hands were trembling violently when he injected it ...”” ”

“““Oh ...”” Zhao Yu nodded.”“So, the possibility of the deceased injecting himself with it is the highest, right? After all, he knew that he was trying to kill himself by injecting the poison into his body. How could he have done it so calmly?”” ”

“““You can say that, but we can’t rule out the possibility that ...”” Zhang Peipei hesitated for a moment, then said,““someone pressed the deceased’s hand and injected it by force!”” ”

“““The victim was struggling, so there was blood ...”” ”

“““Oh?”” Zhao Yu looked at Zhang Peipei and saw that she was expressionless. As an excellent forensic doctor, Zhang Peipei only told the facts and never made wild guesses! ”

“““And ...”” Zhang Peipei continued,““traces of bondage and anesthesia were found on all the other victims, but not on Qi Hao. There were only some irregular bruises on his left and right shoulders, which seemed to be caused by bumps or pressure ...”” ”

“““You’re saying that ... Someone pressed Qi Hao’s shoulder hard?”” Zhao Yu’s eyes widened. ”

“““It’s possible, but if someone carried a hard object with their shoulder, it would leave a similar indentation,”” Zhang Peipei said.““This is difficult to judge!”” ”

“““Oh ... Then ... Is there something under Qi Hao’s nails?”” Zhao Yu looked at the body on the autopsy table and asked. ”

“““Yes, it’s being tested ...”” Zhang Peipei answered. ”

“““Oh ...”” Zhao Yu nodded and asked a few more questions about the body, then left the autopsy room. ”

“Zeng ke was waiting at the door of the autopsy room. When he saw Zhao Yu and Zhang Peipei, he immediately came up to them. ”

“““By the way,”” Zhang Peipei said to Zhao Yu,““in the secret room, we found some human hair from the deceased. One of the sets of hair was found to be the victim, Tao Yan ‘s!”” ”

“““Oh ...”” Zhao Yu said.““Tao Yan disappeared much earlier than the time of her death, so Qi Hao must have imprisoned her in a secret chamber!”” ”

“““It’s possible,”” Zhang Peipei said.““The other victims only took some skin tissue from their personal belongings, not as much as Tao Yan ‘s.”” ”

“““Oh, the other victims were all killed on the spot, but Tao Yan was kidnapped in advance!””

“““Chuanmei bathing center is not far from Qi Hao’s house,”” Zeng ke said.““Qi Hao probably thought that Tao Yan was a Night Walker, so he kidnapped her in advance.”” ”

“““Dr. Zhang,”” Zhao Yu could not help but ask,““based on your professional judgment, did Qi Hao die of suicide?”” ”

“““I can’t judge!”” Zhang Peipei answered without hesitation,““my team and I have done a detailed analysis. If there was another murderer involved in this case, as long as they were careful, it was possible that they could have caused Qi Hao’s death!”” ”

“““Then ...”” Zhao Yu asked again,““from the items at the scene, were there no other fingerprints, hair, or skin samples?”” ”

“““Yes,”” Zhang Peipei said.”“The information we have collected is amazing, and it is currently being tested.”

“““But, you’d better be mentally prepared, because when we did the sample analysis, we could see that the non-deceased samples collected were relatively old. Even if we could find a match, it might not be related to the case. Someone might have accidentally or indirectly touched those items and left them behind!”” ”

“““Understood,”” Zhao Yu said, taking a deep breath.”“But, no matter what, we still have to test all the samples and compare them one by one!”

“““Even if it’s been a long time, it might be helpful in solving the case!”” ”

“““I know!”” Zhang Peipei agreed, then said goodbye to Zhao Yu and Zeng ke and went back to work.”

Zhao Yu and Zeng ke closed the door of the autopsy room and went to the corridor.

“““Team leader,”” Zeng ke asked seriously,”“do you think that the ghost king case can not be closed rashly? Could it be that ... This case really wasn’t Qi Hao’s doing, and he was just a scapegoat?”” ”

“““I don’t know ...”” Zhao Yu shook his head and said.”“I just think that the case seems to be perfect, so perfect that it’s a little strange ... How could an otaku who used to be an information soldier do it?”” ”

“““Yes,”” Zeng ke agreed.”“I have discussed it with Peipei before. If I were Qi Hao, I would definitely not be able to do such a complicated and precise killing procedure!”” ”

“““Not only does this require skill, but it also requires courage, experience, and luck!”” ”

“““And one more thing ...”” Zhao Yu continued,”“according to the information you’ve gathered, mi Rou is not a gentle goddess!”

“““She is a hot-tempered, flirtatious woman, and not good at dealing with interpersonal relationships.”” Zhao Yu patted Zeng ke and said,”“you don’t know this, but to be an excellent and skilled woman, you need to master a lot of interpersonal skills!”” ”

“““So, as an experienced otaku like Qi Hao, how could he fall for a woman like mi Rou? I really don’t understand!”

“““There’s a limit to infatuation. I don’t think you’d be willing to die for her, right? This man, what kind of state of mind must he have to be so infatuated with him?”” ”

“Zeng ke nodded and said,”“it seems that this case is really strange!”” ”

“““What’s important now,”” Zhao Yu said,”“is that we have three directions to investigate. First, mi Rou and Qi Hao’s relationship. How did the two of them get together? What could have happened to make Qi Hao so crazy?”

“““Second, we need to know the truth behind mi Rou’s suicide. We need to know how mi Rou died and if there were any other circumstances to her death.”

“““Also, whose child is her?”

""As for the third point ..."" Zhao Yu glanced at Zeng ke and asked, ""I'll give you a chance to talk about the third point!"" "

""The third point ..."" Zeng ke immediately said, ""should be to find out the ins and outs of the record of the ghost king?"" "

""Let's see how Qi Hao is related to the records of the ghost king and Tao Yulan. Look at him, how did he get bewitched and become a ghost king assassin like Tao Yulan?"" "

""Alright!"" Zhao Yu nodded with satisfaction. ""You've grown a lot after being with me for so long!"" "

""Hehe, hehe ..."" Zeng ke laughed, then said, ""in addition, I think we need to investigate this Qi Hao!"" "

""Team leader, I understand otakus. Otakus might look abnormal, but not all of them have psychological problems! "

""So, I want to study this person carefully. I want to look through all the information on his computer, his study books, his profession, his chat history, and so on. I want to see if I can dig out the little secrets in the depths of his heart!"" "

""Good job,"" Zhao Yu said. ""Your tenacity is similar to my style in the past! As long as you do a good job, I'll let you be my best man when I get married!"" "

Chapter 1869: Whose collection is more?

""This feels so good!"" At noon the next day, in a hotpot restaurant in Andu city, Zhao Yu took out all the serviettes from the tissue box and wiped his face vigorously. ""Andu hotpot, it really lives up to its name. It's so spicy!"" "

""As the hotpot was too numbing and spicy, Zhao Yu felt like he was in a sauna. No matter how he wiped, he was still sweating. "

""I told you,"" cui Lizhu pouted, ""how good would it be if you had a double pot?"" I'm telling you, you're not allowed to have any leftovers today. You can eat it all!"" "

""Zhao Yu used his chopsticks to pick up a stick of pepper and sighed. ""This pepper is actually green. It's so disgusting. It's so disgusting. I can't eat it!"" "

""It's okay, it's okay ..."" Zhang Ling said hurriedly. ""Just try it. The one you ordered is indeed a little spicy. I can't even eat it!"" "

""Later, I'll take you to the food street and try the snacks there ... Andu has a lot of delicious food!"" "

""No need,"" Zhao Yu said, taking a big gulp of sprite. ""I'll just make do with some food. As for the food, we'll talk about it after the case is closed!"" "

“““That’s great!”” Zeng ke said,““this is my first time in andu, so I wanted to take a look around! Du Jiangyan, Leshan and Buddha, after the case is closed, I will ... Um ...”” ”

“““Then ...”” Zhang Ling waved to the waiter.““Why don’t we change the pot to a clear soup? officer Ran Tao and officer Wu Xiumin haven’t arrived yet, so we’ll just have another pot!”” ”

“““I’m telling you, this meal is on me, hehe ...”” ”

“Just as Zhang Ling finished speaking, Ran Tao rushed into the private room and said,““““Aiya, the weather is so hot, and you guys are still eating hotpot, really ...”” ”

“Ran Tao rolled up his sleeves and sat down next to the hot pot. Then, he picked up his chopsticks without saying anything. ”

“““Eh?”” Cui Lizhu glanced at it and asked,““Tao, where’s sis Wu?”” Aren’t you two together?”” ”

“““Oh ...”” Ran Tao quickly explained to Zhao Yu,““they came out together, but the media department suddenly called and asked her to discuss the press conference, so she left!”” ”

“““Tsk tsk ...”” Hearing this, Zhao Yu put down his chopsticks and muttered,““didn’t I already tell the higher-ups of andu? The ghost king case is still unresolved, so we can’t hold a press conference now?”” ”

“““Yup! If we release this, we’ll have to close this case even if we don’t want to!”” ““What if there’s a change in the case?”” cui Lizhu asked.““Wouldn’t that mean that the police are going back on their word?”” ”

“““Oh, no, no, no...”” Ran Tao hurriedly explained,““it’s just a discussion, just a discussion.”” Team leader, sis Wu knows what she’s doing. If there’s anything she can’t make a decision on, she’ll ask you for advice!”” ”

“““Mm ...”” ”

“Ran Tao was right. Regarding Wu Xiumin’s way of doing things, Zhao Yu was quite at ease. ”

“““But ...”” Zhang Ling said worriedly,““although there are still some suspicious points, we can’t drag this on for too long! After all, the ghost king case has caused a sensation among the public, and the higher-ups want us to close the case as soon as possible!”” ”

“““Of course I know that,”” Zhao Yu said, taking a big bite of the meat.““So, I’ll have to ask everyone to continue working hard to find out the truth of the case!”” ”

“““If Qi Hao is the real murderer of the ghost king case, that would be for the best! However, if by any chance he has an accomplice or another murderer, we can’t let such a dangerous person get away with it! ”

“““Aiyo, it’s so spicy, so spicy...Whoosh whoosh whoosh ...”” ”

“““Yes!”” The team members agreed in unison. ”

“““By the way,”” Ran Tao saw this, so he put down his chopsticks and said to Zhao Yu,““team leader, I just came back from the investigation team. Qi Hao is really an otaku. He doesn’t leave the house, and he always orders takeaway for his meals!”” ”

““““He would order takeaway almost every afternoon and buy two at a time. He probably kept one for himself at night ...”” ”

““““We just asked all the deliverymen who sent him food,”” Ran Tao continued.”“They said that they used to see Qi Hao in person when they sent him his food, but in the past month, they didn’t even see him in person!”” ”

““““Qi Hao installed a Special Delivery port on the door of his house, and the delivery man only needed to put the lunch box in, so I’ve never seen him in person! ”

““““However, the deliverymen like to deliver food to Qi Hao because Qi Hao always gives them good reviews!”” ”

““““Not showing his face ...”” Zeng ke was the first to raise his doubts.”“Could it be that Qi Hao has made up his mind to work on the ghost king case, so he did not show his face?”” ”

““““No,”” cui Lizhu put down the meat that was covered in spices and said,”“I think, even if Qi Hao was determined to do the ghost king case, he didn’t have to hide, right?”” ”

““““Anyway, he’s already decided to commit suicide for love, so why would he be afraid of people seeing it? ”

““““Do you guys think ... He’s being controlled by someone? The person who doesn’t want to see people is actually the big BOSS behind the scenes?”” ”

““““Cui,”” Ran Tao shook his head and said,”“your imagination is unparalleled! Do you think that Qi Hao was framed, that he had nothing to do with the ghost king case, and that he was just a scapegoat? ”

““““But ... With so much evidence, his relationship with Tao Yulan, his relationship with mi Rou ... Could all these be faked?”” ”

““““Tao,”” cui Lizhu pouted,”“tell me, which one are we sure of?”” ”

““““This ...”” Ran Tao was speechless. ”

“Indeed, up until now, they had yet to find out the relationship between Qi Hao, mi Rou, Tao Yulan, and the record of the ghost king. ”

““““We’ve encountered a lot of strange cases before,”” Zeng ke said.”“I think that it would be a good way to find out the truth if we were to raise a suspicious point like what cui did!”” ”

““““For example ...”” Zeng ke said.”“I checked Qi Hao’s internet access today. Although he is an otaku, he doesn’t seem to have any psychological problems! ”

““““For example, he often plays League of Legends and is an important figure in the team. He has even participated in the regional knockout competition. ”

““““I’ve seen his chat records with his teammates. He really doesn’t look like the kind of person who is psychologically deformed, dark, or perverted! ”

““““Also, he’s more active when it comes to business. He’s good with words, and when he takes on orders, he often gives his customers a lot of advice to earn more benefits ...”” ”

""Also, about his private life,"" Zeng ke said.""Through his chat history, I feel that he can still interact with women normally. He has a lot of female netizens. "

""Did you know?"" Zeng ke then said,""I also found 2TB of videos on his computer!"" "

""Waa!"" Ran Tao's eyes widened.""Isn't he a pervert to collect so many films? He's seen a lot but hasn't had any actual combat experience, so he must have fantasized about women. That's why he likes a woman like mi Rou? "

""You call this not reasonable?"" "

""Then ..."" Cui Lizhu picked up her chopsticks and asked Ran Tao,""how many did you collect?"" "

""Me? I don't even have 1TB of data! Well ... Ran Tao was stunned, and his old face instantly turned red. "

""Yup!"" Cui Lizhu narrowed her eyes.""Are you a pervert?"" "

""Indeed,"" Zeng ke said.""An adult otaku with these things is more like a normal person! If there isn't, that would be abnormal!"" "

""It seems that ..."" Cui Lizhu looked at Zeng ke maliciously, then whispered,""Zeng ke has at least 10 terabytes of storage, right?"" "

"Zeng ke's face turned red, and he quickly wiped his sweat. "

Chapter 1870: A conflict that can not be ignored

"At eight o'clock in the evening, in the Special Investigation Group's office, a passionate song was playing on the computer slightly: "

""...Good girl, you're so beautiful. The flowers are all blooming for you. For you, I'm singing, singing out my dream ..."" "

""What do you mean?"" Listening to the passionate song, Zhao Yu heard Miao Ying's confused voice from the video on his phone.""Why are you playing such a song for me?"" "

"Hearing Miao Ying's question, Zhao Yu turned off the music and said to her,""How is it? do you feel it? "

""This song was copied from Qi Hao's computer. According to the records, Qi Hao played the song at least 200 times in less than 100 days after he downloaded it!"" "

""Oh ..."" Miao Ying suddenly understood.""You mean, people who like to listen to such songs shouldn't be dark-hearted killers who like to deal with demons?"" "

""It's not just that,"" Zhao Yu said.""I went back to the crime scene today to check. I saw many marks on the floor of Qi Hao's house. I suspect that someone touched the furniture in Qi Hao's room in a short period of time!"" "

“““What do you mean?”” Miao Ying was confused.““Touched the furniture? who touched it? why?”” ”

“““I don’t know, but from the feeling ...”” Zhao Yu said mysteriously,““I think that maybe someone deliberately decorated Qi Hao’s house like this! ”

“““Qi Hao’s family might not have been like this in the past. ”

“““For example, the costumes, props, and mannequins used for acting, they might all be ...”” ”

“““Wow,”” Miao Ying interrupted Zhao Yu,““you’re getting more and more sensitive! If the memoir of the murder was like this, was the ghost king case the same now? ”

“““Let’s not talk about other things. The underground secret chamber in Qi Hao’s house, was it also built in a short period of time?”” ”

“““No, no...”” ”

“““So,”” Miao Ying said,““building such a secret underground room, is there any psychological problem?”” ”

“““No, it’s not like this!”” Zhao Yu explained,““Qi Hao didn’t build that basement. It was built when he was building his house, and it wasn’t just his house!”” ”

“““Oh?”” Miao Ying was surprised. ”

“““We’ve asked the local residents,”” Zhao Yu said.““They said that because of a special historical reason in the 1970s, when the local people built their houses, they would build a basement in their yard!
”

“““Later on, even if they were to flip houses, the basement would still be preserved. ”

“““We went to Qi Hao’s neighbor’s house to check it out. Basically, every house has a similar basement!”” ”

“““Oh ... In that case ... That’s really ... Sigh!”” Miss Miao sighed and said,““it seems that it’s very difficult for me to sway you! ”

“““However, don’t you have to think about it? if Qi Hao was killed by someone or someone, then ... At that time, you had already surrounded the entire residential area and conducted a detailed search. Why didn’t you find any other suspicious people? ”

“““When you arrived, Qi Hao had just died. If there were other people at the scene, how could you not know?”” ”

“““We have already studied this problem,”” Zhao Yu said.““Zeng ke found a Trojan program that could be remotely controlled on Qi Hao’s computer. The Trojan program was implanted into the computer of chuanmei bathing center.”” ”

“““In other words, Qi Hao can use the camera to monitor chuanmei bathing center! ”

“““So, when we found the computer, it meant that the murderer had already taken precautions! ”

“““On the night of Qi Hao’s death, we sent people to search the bathhouse. So, from that moment on, we were exposed!”

“““So, the murderer killed Qi Hao before midnight.”

“““Then, he would have had enough time to avoid the police’s search ...”

“““Besides, when we found the body, our attention was already drawn to it. The murderer could have taken the opportunity to escape!””

“““Alright, I still have an assessment tonight. I won’t argue with you!”” Miss Miao said,““since you think there are still doubts in the case, then continue the investigation!”

“““I just feel that you’ve been working too hard recently, and I don’t want you to be entangled with cases every day ... I can’t help you, but I really want to fight alongside you!””

“““Don’t worry, my dear,”” Zhao Yu smiled,““soon. Work hard. When you become a special Agent, there will be many major international cases waiting for us to make our debut!””

“““Pfft ...”” Miss Miao chuckled.““Don’t worry, I’m fine here. I’ve learned a lot of useful things these days!””

“As there were other people in the office, Zhao Yu couldn’t be too intimate with miss Miao, so the two joked for a while more and hung up the phone.”

“““Aiyaya ...”” As soon as Zhao Yu hung up the phone, the gossipy cui Lizhu came up to him and said,““boss, don’t work too hard. I don’t want you to be entangled with cases every day ...”” Then, Xiao Cui pulled on Zhao Yu’s arm like a resentful woman.““How I wish I could fight side by side with you!””

“Zhao Yu narrowed his eyes and glared at cui Lizhu. Then, he pinched her chin and scratched her nose hard. He warned her,““in this world, anyone who dares to look down on me, Zhao Yu, is finished!””

“““Aiyo ...”” Cui Lizhu broke free from Zhao Yu’s grasp, rolled her eyes, and said,““I was just joking to lighten up the atmosphere!””

“““Boss, I heard everything you said just now. I don’t think we’re being paranoid. Think about it ...”” Cui Lizhu said.““Qi Hao is a homebody. He has no friends or relatives. He’s alone, and no one usually goes to his house!”

“““If there were really bad people who controlled him and used his name to commit the ghost king case, then framed him and made him a scapegoat, it is completely possible!””

“““Mm ...”” Xiao Cui’s words put Zhao Yu in a difficult position, and his face showed an indescribable complicated expression.”

“““What’s wrong?”” ““Did you think of something again?”” cui Lizhu asked.”

“““Um ... Cui ...”” Zhao Yu took a deep breath, sat on the chair, and said to her,““in fact, everything has two sides. I admit that there are still many doubts about the ghost king case, and it can not be closed. There are indeed many unknown possibilities ...””

“““But ... Mm ...”” Zhao Yu spread his hands and said meaningfully, ““we can’t ignore the most original and basic reason!”” ”

“““The reason? What do you mean by that?”” Little cui was confused. ”

“““Do you know why we’ve been led by the nose by the murderer since the ghost king case?”” Zhao Yu asked. Zhao Yu asked. ”

“““Ah?”” ““Why?”” Xiao Cui was puzzled. ”

“““It’s because of the motive!”” Zhao Yu said, ““it’s because we couldn’t find the murderer’s motive, and the murderer was so careful, that we didn’t manage to solve the case before he killed everyone!”” ”

“““Motive for killing?”” Cui Lizhu frowned. ““Didn’t you already find it? Isn’t it because of that Missy mi Rou?”” ”

“““Yup!”” Zhao Yu said, ““now, take mi Rou into consideration and think about it again! If Qi Hao was just a scapegoat, then what was the real murderer’s purpose in committing the ghost king case?”” ”

“““This ...”” Cui Lizhu didn’t really understand. ”

“““The reason why we suspect Qi Hao is because Qi Hao might be related to mi Rou. He is taking revenge for mi Rou!”” Zhao Yu explained, ““but if Qi Hao was just a scapegoat, and there was another real murderer in the ghost king case ... ”

“““Then for what reason would the murderer kill Niu jinkui and his men?”” ”

“““Hmm ...”” Cui Lizhu guessed. ““Maybe the real murderer is related to mi Rou, not Qi Hao!”” Don’t forget, we still don’t know who mi Rou’s child’s father is!”” ”

“““No! ““You still don’t understand what I mean,”” Zhao Yu said.”” If there’s really another murderer, and this murderer wanted to complete the ghost king case and control Qi Hao at the same time, then this person’s ability, isn’t it a little too overpowered?”” ”

“““Oh ...”” Cui Lizhu nodded. ”

“““Then why would such a capable person like him fall for a hot-tempered and vulgar lady from a bath center? And you even let her give birth to your child?”” Zhao Yu said seriously, ““don’t you think that this is a contradiction that can’t be ignored?”” ”
