

Crazy 1871

Chapter 1871: The premise of having a child

“The next morning, in the Special Investigation Group’s office, everyone was still studying the follow-up investigation of the ghost king case. ”

“““Team leader,”” Zeng ke reported to Zhao Yu,”” one of mi Rou’s sisters confirmed that, when mi Rou finished the paternity test, she asked Tao Yan for Niu jinkui’s phone number!”” ”

“““Then, we checked the call record, and mi Rou did call Niu jinkui ...”” Zeng ke took out a piece of information.””The record showed that the two of them had a conversation for two minutes and five seconds, and it was Niu jinkui’s side who hung up first!”” ”

“““Then, needless to say,”” cui Lizhu shrugged her shoulders,””it must have been a big fight!”” After mi Rou heard that Niu jinkui had the habit of making holes, she went to question him. Of course, Niu jinkui would not admit it!”” ”

“““So ...”” Ran Tao said,”” mi Rou was sure that the child was Niu jinkui ‘s, so she was greatly disappointed and thought of jumping off the building to commit suicide?”” ”

“““She thought that the child was Niu jinkui ‘s,”” cui Lizhu continued.””So, she would rather die than jump off the building with the child! What a sin, the child is not guilty!”” ”

“““But ...”” Zeng ke said,””in any case, Niu jinkui is not the child’s father. Mi Rou misunderstood him, and Qi Hao might have misunderstood him as well, so he did not deliberately compare the DNA again.”” ”

“““Then ...”” Zhao Yu asked Zeng ke,””who can prove that when mi Rou was in contact with Shen Wenbin, Niu jinkui and mi Rou had sex?”” ”

“““This ...”” Zeng ke said,””sis Wu has carefully investigated it. The women in those bath centers all said that Niu jinkui was a regular customer there, so he should have been there with every lady!”” ”

“““However, if we want concrete proof, only the boss, Tao Yan, would know. But Tao Yan is already dead ...”” ”

“Zhao Yu didn’t make a sound, but made a mark on the whiteboard. ”

“““In addition,”” Zeng ke continued to report,””another lady claimed that the people in chuanmei bathing center all knew that Niu jinkui’s reputation was not good, so when they took his business, they would deliberately protect him.”” ”

“““But because mi Rou had just arrived at that time and didn’t get along well with the others, no one told her. After all, there’s competition between them, and they can’t wait for mi Rou to fall for it!”” ”

“““So, mi Rou only found out later,”” Ran Tao clapped his hands,””but she found out too late. The child was already born, so she went to Niu jinkui to reason with him!”” ”

“““However, theory is useless. That’s why he chose to jump off the building ...”” ”

“““By the way,”” Zeng ke said,““a woman who knew mi Rou said that after mi Rou got pregnant, she had a fight with Tao Yan!”” ”

“““Of course, Tao Yan didn’t want her employee to get pregnant, which would affect her work. However, mi Rou’s attitude was very firm. I guess she firmly believed that she was pregnant with Shen Wenbin’s child. ”” ”

“““The higher the expectations, the greater the disappointment!”” Ran Tao concluded. ”

“““Then ... What happened after that?”” Zhao Yu asked,““why do I not know what happened after mi Rou got pregnant? where did she give birth to the child?”” ”

“““Well ...”” Zeng ke said helplessly,““we haven’t found out yet, but someone has proven that mi Rou never appeared in chuanmei bathing center after she was four months pregnant. I don’t know where she went.”” ”

“““I think ...”” Cui Lizhu stuck out her tongue.““If I’m not wrong, could mi Rou have been living at Qi Hao’s house?”” ”

“““Qi Hao was the one who took care of her until the child was born? Is that why they had such a strange emotional entanglement?”” ”

“““What!”” Ran Tao grinned.““You know that the child is not your own, and you know that this is a lady in a special profession, but you still want to take the blame? This Qi Hao, how much does he need women?”” ”

“““Maybe ...”” Cui Lizhu said.““Mi Rou lied to Qi Hao and said that the child was Qi Hao’s, so she asked him to take care of her. This woman is so selfish, what can’t she do?”” ”

“““The point is ...”” Ran Tao disagreed.““Did mi Rou really have sex with Qi Hao?”” Let’s not talk about Qi Hao first. I’m also suspicious that mi Rou would fall for a shut-in like Qi Hao!”” ”

“““I ...”” Zhao Yu pondered for a moment, then said,““I’ll ask forensic Zhang later to see if he found any traces of mi Rou living in Qi Hao’s house!”” ”

“““Since ...”” Zhao Yu glanced at the team members, then said,““we can’t fully restore mi Rou’s experience, let’s try to see if we can find anything from Shen Wenbin.”” ”

“““I remember that we found out that the fourth victim, Lei feiyi, introduced mi Rou to Shen Wenbin as a female star or model, right? ”

“““Regarding this pimping incident, have you found any progress? Didn’t you say that there were other women with mi Rou?”” ”

“““Right!”” Zeng ke replied,““Captain Zhang has already sent people to investigate it, but because this matter was highly confidential in advance, and it has been a long time, and Lei feiyi is dead, not many people know about it. ”

“““Moreover, those women don’t know each other. I’m afraid it will take some time to find all of them!”” ”

“““It can’t be?”” Zhao Yu shook his head.”“From Shen Wenbin’s followers? His Secretary, bodyguards, and chauffeur should be able to find out something, right? If not, he would be Shen Wenbin’s best friend, a rich second generation brother who had a good relationship with him! ”

“““He found so many beautiful women in one go. He shouldn’t be enjoying them alone, right?”” ”

“““Captain Zhang has already done so,”” Zeng ke said.”“I think that it will be found out soon ... Um ... By the way,”” Zeng ke looked at his mobile phone and said,”“we have asked Shen Wenbin’s company staff. At that time, when mi Rou went to Tianding building to find Shen Wenbin, many people were there!”” ”

“““Oh? What do you mean?”” Zhao Yu asked. ”

“““They said,”” Zeng ke replied,”“Shen Wenbin’s attitude towards mi Rou was very tough, and he said that as long as mi Rou gave birth to the child and proved that the child was his, he would marry Mi Rou and make her his concubine. In the future, he would ensure her wealth and prosperity!”” ”

“““But, if he isn’t, he won’t pay a single cent. Tell mi Rou to stop bothering him!”” ”

“““Tsk, tsk, tsk ...”” Hearing this, Zhao Yu couldn’t help but sigh.”“It seems like mi Rou choked. In order to fight for her pride, she had to give birth to the child!”” ”

“““Shen Wenbin is really something,”” cui Lizhu said.”“He knew that it was impossible for him to have a child after taking the safety pills, but he still let mi Rou give birth to the child!”” ”

“““If I had explained it to mi Rou on the spot, mi Rou would have aborted the child a long time ago and she wouldn’t have jumped off the building!”” ”

“““Zhang Peipei told me,”” Zeng ke said.”“When the child is 16 weeks in the belly, it is true that DNA testing can be done by amniocentesis, but this kind of test is still dangerous, especially for the child in the belly!”” ”

“““Oh ...”” Cui Lizhu nodded.”“Maybe mi Rou didn’t want anything to happen to the baby, so she didn’t do an amniocentesis!”” ”

“““But ... If she wanted to do this, didn’t she have to be 100% sure that the child was Shen Wenbin ‘s?”” cui Lizhu asked, her eyes wide. ”

“““But ...”” Zhao Yu raised his eyebrows, shook his head, and said,”“the child is not Shen Wenbin ‘s!”” ”

“““Waa!”” Cui Lizhu was shocked.”“Could mi Rou’s pregnancy also be a conspiracy?”” Even ... Including her Yingluo jumping off a building?”” ”

Chapter 1872: The reason for the conspiracy

“““I forgot which movie it was ...”” Facing the white board, Zhao Yu said to Zeng ke and the others,”“a sniper killed five innocent people. On the surface, it looked like the sniper was crazy and randomly picked a gun, but in fact, it was a planned murder! ”

“““Among the five victims, only one was the murderer’s target! The other four victims were all used as a cover!”” ”

“““Wow, you even thought of that ...”” Cui Lizhu had just made a cup of coffee, but she put the cup down and said,““are you trying to say that the ghost king case was also just to kill one person?”” ”

“““If that’s the case, then he must want to kill Shen Wenbin!”” Ran Tao said,““except for Shen Wenbin, the others are either prostitutes, nannies, or pimps. Shen Wenbin is the most valuable!”” ”

“““Well, that does make sense.”” Zeng ke quickly pointed to his computer and said,““I’ve found out that the first ghost king case was in a demolition area.”” ”

“““At that time, the government was already investigating the demolition situation of the community. Although there was no open bidding, industry insiders claimed that the Sichuan construction investment Group, where Shen Wenbin was working, was the strongest competitor for that land!”” ”

“““No way? Why didn’t you say so earlier?”” Ran Tao’s eyes widened.““Now that Shen Wenbin is dead, the bidding of Sichuan construction had a natural miscarriage. So ... As long as we find out who the biggest beneficiary is, then ...”” He said. ”

“““Zeng ke told me a long time ago ...”” Zhao Yu said helplessly.““I’ve checked, and if Chuan Jian construction were to withdraw the bid, then any real estate company in the country would likely win the bid. There is no so-called biggest beneficiary!”” ”

“““Oh? Ran Tao scratched his head.““Could there be any other reason? Shen Wenbin has offended so many people, is it ... A vendetta?”” ”

“““There are no vested interests,”” Zhao Yu said, shaking his head.““A vendetta wouldn’t kill so many people!”” ”

“““Then ... What about the others?”” ““Other places, like Ghost city, Lanyang Academy, and ... Tea houses?”” cui Lizhu asked. ”

“After asking that question, cui Lizhu suddenly became dejected. No one gave her an answer, and she already knew how stupid her question was! ”

“The ghost city was a scenic spot, and the Lanyang Academy was in the school. How could it be involved in demolition or other benefits? ”

“Although chuantai tea house might have been involved in the demolition, a new community had already been built there, and there were no vested interests to speak of ... ”

“““Then ...”” Ran Tao thought of something and said,““could it be an internal matter of the chuanjian Investment Group?”” Who would benefit the most from Shen Wenbin’s death?”” ”

“““Captain Zhang Ling has already looked into this,”” Zeng ke said.““Chuanxing group has a shareholding system. Shen Wenbin’s father is not dead yet, but he has just retired to the second-tier. ”

“““Shen Wenbin is dead. The old man still has the final say. He can’t kill his own son, can he?”” ”

“““This ...”” Everyone was speechless. ”

“““It seems that ...”” Zhao Yu sighed,““it’s just wishful thinking on my part. I’m trying to find a reason for my conspiracy theory!”” ”

“““If Qi Hao isn’t the real murderer and is being controlled, we need to come up with a reasonable reason. But now, it seems that this reason doesn’t exist ...”” ”

“““Boss, don’t worry,”” cui Lizhu said.““This kind of case can’t be rushed. I think we should investigate mi Rou’s matter first!”” ”

“Just as cui Lizhu finished speaking, Captain Zhang Ling suddenly entered the office.”

“““Detective Zhao, the DNA comparison just came back ...”” Zhang Ling handed a set of documents to Zhao Yu as she introduced,““the DNA data of mi Rou’s child was not successfully compared. The child’s father should not have a criminal record!”” ”

“Cui Lizhu stuck out her tongue and said,““I knew it would be like this ...”” ”

“““However ...”” Zhang Ling changed the topic and said,““our analysis experts have made an approximate comparison with the database. This time, we found that a person named Wang maosheng is blood-related to mi Rou’s child ...”” ”

“““Oh?”” Hearing this, it immediately attracted everyone’s attention. ”

“““The experts have confirmed,”” Zhang Ling said.““This set of DNA is reflected on the child’s father’s DNA, which means that this person named Wang maosheng has a close blood relationship with the child’s father!”” ”

“““Wang maosheng ...”” Zhao Yu picked up the information that Zhang Ling handed over and read it carefully. ”

“““He’s from the great Liang mountain in western Sichuan,”” Zhang Ling introduced.““Six years ago, he was arrested and imprisoned for theft. Now, he has finished his sentence and is released!”” ”

“““That’s good!”” Ran Tao clapped his hands and said,““as long as we find out which of this person’s close relatives lives in andu, we can find the child’s biological father.”” ”

“““The key is ...”” Zhang Ling frowned and said,““Wang maosheng’s father has six brothers. He has four brothers and three sons ...”” ”

“““No way ... She’s so fertile? Isn’t this reincarnation?”” Cui Lizhu pouted.““What case were you investigating last time? It seems like there’s been a pot like this before, right?”” ”

“““It’s the water well case,”” Ran Tao said.““You weren’t involved at that time ...”” ”

“““It doesn’t matter,”” Zhao Yu said.““As long as we find the central point, the rest is just a matter of time! Captain Zhang, I’ll leave the child’s father to you!”” ”

“““Yes, don’t worry!”” Zhang Ling nodded confidently.““We’ll definitely be able to find out!”” ”

“““Oh ...”” Suddenly, he remembered something.““Oh right, I just received a notice. Do you still remember that Wang zhangkun?”” ”

“““Oh?”” Zhao Yu thought for a moment, then nodded and said,“““isn’t it the pimp who got into a car accident? What’s wrong?”” ”

“““He’s awake,”” Zhang Ling said.“““The operation was very successful. That guy came back alive!”” ”

“““Oh ...”” Zhao Yu pondered for a moment, then asked,“““did he say anything? Does he know about mi Rou’s matter?”” ”

“““Yes ...”” Zhang Ling replied hurriedly.“““He just woke up and his body is still weak. We can only ask him after his condition has stabilized!”” ”

“““Oh ...”” Zhao Yu said.“““Wang zhangkun has a good relationship with Lei feiyi. Maybe he knows something! I’ll definitely ask your people to ask in detail!”” ”

“““Yes,”” Zhang Ling nodded,“““don’t worry!”” ”

“““Hmm ...”” Zhao Yu thought for a moment and said,“““forget it, I’ll ask him myself!”” ”

“““Ah?”” Zhang Ling was surprised, and so were her team members. ”

“““It’s nothing ...”” Zhao Yu waved his hand.“““I just feel a little bored and want to go out and relax. You guys continue with your work. If there’s any news, just let me know!”” ”

.....

“An hour later, at the andu Central Hospital. ”

“““Hmph, there must be something hateful about the poor man ...”” On the bed, Wang zhangkun, whose head was covered in bandages, said to Zhao Yu and the others with a numb expression and dull eyes,“““when I think of this woman, my head hurts ... Just like now, even more painful than now ...”” ”

“Looking at Wang zhangkun’s fragile appearance, Zhao Yu and Zhang Ling didn’t say much, but waited patiently. ”

“““I really don’t believe that she’s a country bumpkin. Not only does she only care about money, but she’s also lazy and relies on her looks to be arrogant ...”” ”

“““If it wasn’t for the fact that Lei feiyi only kept it safe, and I couldn’t find her, I wouldn’t have asked her to go! ”

“““Speaking of which, it’s like fate ... ”

“““Lei feiji knows a lot of young masters, second generation nouveau riche. He runs a film and television training company in name, but it’s actually a shell company. He’s just a pimp not much better than me ... ”

“““So, if there’s any business, he still needs me to find people for him ...”” ”

“After a bunch of nonsense, Zhang Ling couldn’t help but urge him,“““Please, just get to the point! We just want to hear about mi Rou ...”” ”

Chapter 1873: reading the ghost king's record at night

""It was ... Last year on New Year's Day ..."" Wang zhangkun, who was lying on the bed, told Zhao Yu and Zhang Ling.""Lei Fei asked me to help him find some pretty girls to attend a private ball. "

""After that, I really couldn't find anyone, so I introduced mi Rou to him ... "

""I don't know where the ball was held or who was there. You can ask Renji, he should have been there ..."" Wang zhangkun said.""In total, he went six or seven times. In the end, Renji gave me five thousand Yuan. "

""At that time, Lei feiji mentioned that Chairman Shen of the Chuan Jian Investment Group might be interested in mi Rou and took her to other places ..."" He said. "

""When I got the news, I asked mi Rou for a proposal, but the woman refused to admit it. She said that she had never dated anyone in private ... "

""Sigh, it's not easy to investigate this kind of thing. Everyone's confused, so I didn't take it to heart, but ... I didn't expect mi Rou to suddenly be pregnant and to go to Tianding building to extort money from Chairman Shen! "

""Aiyo, because of this, Lei chengi almost broke off our friendship,"" Wang zhangkun said angrily.""I haven't had any good business for more than a month! "

""This woman is selfish and doesn't consider the consequences of her actions. From then on, I didn't dare to look for her!"" Wang zhangkun shook his head and said,""but I didn't expect that she would jump off a building!"" "

""So ..."" Zhao Yu noticed something and asked,""you don't think mi Rou is the kind of person who would jump off a building?"" "

""It ... It should be?"" Wang zhangkun said,""logically speaking, a person who's in the prostitution business shouldn't be that fragile, right? "

""If you accidentally had a child, there are plenty of people who don't know who the Father of the child is. You wouldn't have to jump off a building, right?"" "

""Then ... If mi Rou's child isn't Shen Wenbin 's, who do you think it will be?"" Zhang Ling asked. "

""That's hard to say ..."" Wang zhangkun said,""shouldn't you ask Lei feiji who else is with Chairman Shen?"" Did those people do it?"" "

""The grenade airplane is dead!"" After Zhang Ling exchanged a look with Zhao Yu, she told him what happened to Lei feiyi. "

""Ah?"" Wang zhangkun shivered in fear.""He's dead? How ... How did he die?"" "

""You don't need to know about this,"" Zhao Yu said.""Do you know Niu jinkui? Have you heard that he has a hobby of putting on condoms?"" "

“““Ah? Niu jinkui? Putting on a condom?”” Wang zhangkun tried his best to recall, then shook his head and said,““I think I’ve heard of this person before, but I’m not too familiar with him. I’ve never spoken to him before ...”” ”

“““You’d better think this through,”” Zhang Ling took the opportunity to threaten him.““We have all the information on your crimes. According to the criminal law, you will have to go to jail for at least five years!”” ”

“““You’re a pimp, and Niu jinkui is a notorious lapper. How could you not be familiar with him?”” ”

“““Police officer, what are you saying...I...Of course I don’t want to go to jail. As long as I know, I’ll definitely tell you,”” Wang zhangkun said.““Niu jinkui is a stingy person. He can’t wait to find a beautiful woman for 10 yuan to cover his monthly expenses. I’ve never dealt with such a stingy person!”” ”

“““As for the special Hobby you mentioned, this is the first time I’ve heard of it. Is there really such a despicable person in this world?”” ”

“““If I find out about this, I’ll definitely beat him until he becomes a eunuch!”” ”

“““Tsk tsk ...”” Zhao Yu pouted. This sentence seemed familiar. Cui Lizhu seemed to have said the exact same thing before. ”

“““Then ...”” Zhang Ling took out Qi Hao’s photo and showed it to Wang zhangkun.““Have you seen this person before?”” ”

Wang zhangkun took a closer look and shook his head in denial.

“““How much do you know about Shen Wenbin?”” Zhao Yu asked again. ”

“Wang zhangkun shook his head again.““Officer, I’m just a nobody. I’ve only seen Chairman Shen from afar a few times, right?”” ”

“After that, Zhao Yu asked Wang zhangkun a few more questions, such as Tao Yan’s personality and so on. After asking for more than half an hour, Zhao Yu felt that he couldn’t get any more information out of Wang zhangkun, so he left the ward with Zhang Ling. ”

“““Detective Zhao,”” as soon as they came out, Zhang Ling said to Zhao Yu,““Wang zhangkun might be right. We are already investigating the rich men who are close to Shen Wenbin. Maybe mi Rou’s father is among them.”” ”

“““I don’t think so,”” Zhao Yu said.““If mi Rou had had sex with someone else at that time, she wouldn’t have been so sure that the child’s father was Shen Wenbin, and she wouldn’t have insisted on giving birth to the child!”” ”

“““There must be a problem here!”” Zhao Yu sighed.““If this is really a conspiracy, then the person who planned this must not want us to find out the truth!”” ”

“““Oh ...”” Zhang Ling nodded her head.““In that case, we can only place our hopes on Wang maosheng!”” ”

“““We’ll have to walk on two legs,”” Zhao Yu said.””Find out who attended the ball with mi Rou as soon as possible. Only by knowing what happened at that time can we make further deductions!”” ”

“““Yes!”” Zhang Ling nodded.””We’re already looking for them. We’ve found a few of them, but we don’t know their real names, so we still need some time!”” ”

.....

“At Ten o’ clock in the evening, Zhao Yu was the only one left in the Special Investigation Group office of the andu police station. ”

“Ever since they had started investigating the ghost king case, none of the team members had had a good night’s rest. So, Zhao Yu asked everyone to get off work early and go back to the hotel to rest. ”

“At that moment, Zhao Yu was holding a cup of coffee and sitting in front of his temporary desk. ”

“He saw the ““record of the ghost king”” that he had brought back from Qi Hao’s house on the table. He sat up straight, closed his eyes, and took a few deep breaths. Then, he stretched out his hands and opened the hand-copied ancient book. ”

“It turned out that Zhao Yu had deliberately found such a quiet time in the middle of the night to personally read the records of the ghost king, to see if he could learn anything from the book. ”

He also wanted to use this opportunity to experience Qi Hao’s state of mind. He wanted to see if reading a book could change a person’s heart and make him want to kill.

“According to the experts, this ““record of the ghost king”” was different from the collection in the museum. It only recorded the story of the ten vengeful spirits that had died unjustly, but the content was more detailed and rich. ”

“Opening the ancient ““record of the ghost king””, he saw that the book had been severely damaged. Many of the words and even illustrations had become blurry. ”

“Starting from Bo Qi and jiefu Jin, then to Guan Xian, Dou’s daughter, the city Lady, as well as Zhen Zhen and Ling Sha, Zhao Yu first skimmed through them. ”

“He quickly discovered that from the beginning to the end, all the words that appeared in the book were narrative words. There was no bewitching or provocative language. ”

“According to common sense, a normal person would not have any evil thoughts after seeing it. ”

“Moreover, after searching the entire book, he could not find the line that Qi Hao had written on the xuan paper: ”

“““I don’t believe that a dead man can become a ghost, but I believe in the ghostly Dao’s reincarnation. All sentient beings have their ghostly nature, and there’s always a fixed definition of good and evil!”” ”

“However, this sentence had appeared on the title page of the ““record of the ghost king”” in the museum. It seemed that there was a big difference between the two versions. ”

The only similarity was the illustrations of the ten malicious ghosts ...

“Zhao Yu turned to the page with the illustration. In order to look at the picture in detail, he lowered his head and lifted the book slightly. ”

“Just then, Zhao Yu’s phone suddenly rang. ”

Buzz buzz buzz ... Buzz buzz buzz ...

“““Ah?”” ”

“Zhao Yu, who was in a state of tension, was shocked. He lost his balance in his chair and stumbled. Then, he exerted strength in his hands and tore the record of the ghost king into two. ”

Chapter 1874: The suspect’s confession

“The next day, at 7 am, in the Special Investigation Group office. ”

“““It can’t be?”” Cui Lizhu looked at the record of the ghost king, which had been torn in half, and asked Zhao Yu in surprise,““boss, are you possessed by the devil or something? Why did you tear the book?”” ”

“““Um ... Well ...”” Zhao Yu pretended to be calm and took a sip of coffee, then asked,““have you watched the story of The Deer and the Cauldron? Wei Xiaobao tore up the ‘forty-two chapters of the Sutra’ and discovered that the treasure of the Qing Dynasty’s dragon vein was hidden in it?”” ”

“““F * ck ...”” Cui Lizhu almost spat out vulgarities. She quickly bit her lip and said,““it turns out that you really have Qigong deviation!”” This ““records of the ghost king”” is too evil. I can’t watch it anymore. It’s better to tear it up!”” ”

“““Team leader ...”” Zeng ke said, confused.““We have a technical department. If you think there’s a problem with the book, you can find a professional to deal with it.”” This is evidence, how can you tear it?”” ”

“““Hmph,”” Zhao Yu’s face turned red. He couldn’t say that he tore the book because he was scared, so he could only say,““so what if I tore it?”” So that the demon book won’t harm people!”” ”

“““... ”” The team members looked at each other in embarrassment. ”

“““By the way,”” Zhao Yu quickly changed the topic,““last night, Zhang Ling called me and said that they have locked onto the suspect and know who the Father of mi Rou’s child is. What’s going on now? it’s already been a night, why is there still no news?”” ”

“““Oh ... Oh oh ...”” Ran Tao quickly said.““I just asked, and the person has been arrested, and is on the way to the police station!”” ”

“““The suspect’s name is Wang yuanfei,”” Zeng ke said.““He is the only son of Wang maosheng’s fifth uncle. He came to andu in 2014 to work at a private club in chaoling District. He is responsible for security, cleaning, and other chores ...”” ”

“““Captain Zhang has checked,”” Ran Tao agreed.””In Wang maosheng’s family, Wang yuanfei is the only one who lives in andu. So, he should be the person we are looking for!”” ”

“““However, he resigned not long ago and went to Fengping County to seek refuge with his relatives. Captain Zhang rushed over overnight to catch him, so it took some time to bring him back ...”” ”

“““A private club ...”” Zhao Yu asked.””Whose?”” ”

“““The registered legal person is Qi Sheng, but the actual owner should be some rich man!”” “““But it’s definitely not Shen Wenbin ‘s,”” Zeng ke replied. ”

“““Oh ...”” Zhao Yu nodded.””Perhaps, the ball that Wang zhangkun was talking about will be held here! It seems like ... This person is really a big suspect ...”” ”

“““Cleaning ...”” Cui Lizhu was puzzled.””Why would mi Rou have a child with a cleaner?”” ”

“““Is it because she doesn’t have good taste or ... ”

“““Aiyo ...”” Cui Lizhu exclaimed, then quickly reminded Zhao Yu,””boss, hurry up and call Captain Zhang!”” I think there’s something strange about this, but please tell them to keep an eye on this suspect and not let anything happen to him, okay?”” ”

“““Mm ...”” Zhao Yu thought about it for a moment and felt that cui Lizhu was right. If Wang yuanfei was really the Father of mi Rou’s child, and if there was another powerful murderer in the ghost king case, then Wang yuanfei would definitely be in danger! ”

Zhao Yu quickly took out his phone and was about to make a call.

““However, after he picked up the phone, it rang first. ”

Buzz ... The vibration was the same as last night. Zhao Yu shivered out of reflex and almost threw his phone out.

“““It can’t be?”” Cui Lizhu covered her mouth.””Boss, are you okay?”” ”

“““Go, go, go ...”” Zhao Yu regained his composure in a second and pressed the answer button. ”

“““Hello, detective Zhao, I’ve brought him back,”” Captain Zhang Ling’s voice came from the phone.””The collection was done when we caught him. I’m directly sending him to the interrogation room now!”” ”

.....

““Five minutes later, in the monitoring room next to the interrogation room. ”

Zhao Yu was holding a piece of information about the suspect and was reading it carefully.

““This Wang yuanfei’s resume was relatively simple. His family was poor, he dropped out of high school, went to the city to work, and was only 24 years old this year. Other than that, he had no other experience. ”

““Zhao Yu looked at the document and was interested in the signature. He pointed at the signature and asked,””Flying? What do you mean?”” ”

“““Don’t joke with me, boss,”” Ran Tao pointed out.”“It’s Wang yuanfei. This guy’s writing is too rough!”” ”

“As soon as he said that, all the police officers in the monitoring room couldn’t help but laugh. ”

“At this time, the suspect had already been brought into the interrogation room. Through the single-sided glass, everyone could see Wang yuanfei clearly. ”

“““Ah?”” ”

“At first glance, Zhao Yu and the others couldn’t help but exclaim. ”

“““This ...”” Cui Lizhu’s eyes were wide open.”“Why does this guy look so familiar?”” ”

“Zhao Yu took a few steps forward, and his nose touched the single-sided glass. He looked at the suspect in surprise and said,”““This guy ... He looks like Shen Wenbin ...”” ”

“Sure enough, the suspect, Wang yuanfei, did look like Shen Wenbin, especially from the side profile. They were almost exactly the same! ”

“The difference was that Wang yuanfei was a few centimeters shorter than Shen Wenbin and a little fatter. Also, Wang yuanfei was now trembling in fear and trembling, as if he had been frightened! ”

“““What’s going on?”” ““This man ... Is Shen Wenbin’s twin brother?”” cui Lizhu asked in surprise. ”

“““Don’t talk nonsense ...”” Zeng ke said.”“All the DNA tests have been done, and there’s no relationship at all!”” ”

“““Then ...”” Everyone turned to look at the interrogation room. ”

“““Wang yuanfei, do you know ... Why I captured you?”” In the interrogation room, Captain Zhang Ling sat in front of the suspect and shouted in a dignified manner. ”

Wang yuanfei shivered and shook his head like a rattle.

“““Hmph!”” Zhang Ling snorted and threw mi Rou’s photo in front of him.”“Take a closer look. Do you know this woman?”” ”

“““Ah?”” When Wang yuanfei saw the woman in the photo clearly, he trembled and his body slid down. He kneeled in front of Zhang Ling and cried,”“officer, I know I was wrong! Wuwuwu ... ”

“““I’m guilty, I’m guilty! Wuwuwu ... ”

“““I ... I ...”” Wang yuanfei sobbed and broke down.”“I was possessed and lustful. I ... I was wrong ...”” He said. ”

“Originally, Zhang Ling was well prepared, but after Wang yuanfei’s sudden cry, she couldn’t help but be flustered. ”

“After a long time, he shouted again,”““You ... Get up first, get up and talk. What’s going on?”” ”

“““She ... Wu Wu ...”” Wang yuanfei didn’t get up. Instead, he wiped his nose and said,“““is her name mi Rou? I only found out about it after reading the newspaper. I ... I didn’t expect ... It would become so serious. ““ ”

“““Can you focus on the main point?”” Zhang Ling urged gloomily,“““her name is indeed mi Rou. How did you know her?”” The child in her stomach ... Is yours?”” ”

Thump ...

“Wang yuanfei’s body trembled again. He actually bowed and kowtowed to Zhang Ling. He cried again,“““What a sin, what a sin! Just let me die. I deserve to die, I deserve to die. I caused her death ... Wuwu ...”” ”

Chapter 1875: Crazy for three minutes

“““She ... She took the initiative to throw herself at me. I ... I wasn’t prepared for it ...”” In the interrogation room, Wang yuanfei was trembling and crying.“““In that situation, as long as it was a man, no one could stand it. I ... I really couldn’t control myself, sigh!”” ”

Clang clang clang ...

“Captain Zhang Ling was so angry that she knocked on the table and reminded loudly,““““Damn it, can’t you start from the beginning? What was a man crying for? Speak properly!”” ”

“““I ... Oh ... Oh ...”” Wang yuanfei wiped his tears, then said from the beginning,“““around New Year’s Day last year, our boss invited a lot of friends and beautiful women to the club to play! ”

“““There are not many staff members in the club. Other than being security guards, we also have to act as waiters when guests come, serving them plates, opening wine, and so on. Sometimes, we just help out in the kitchen ... ”

“““That day, they had a lot of fun. Both men and women drank a lot of wine ... ”

“““I don’t know if I was lucky or unlucky that day. I accidentally spilled a wine cup in the storeroom, and the wine spilled on me ... ”

“““That wine wasn’t cheap, so of course I couldn’t let the boss see it. I quickly went to the bathroom to wash it, but who knew that just as I took off my clothes, a woman would appear from the bathroom partition! ”

“““It’s ...”” Wang yuanfei pointed at mi Rou in the photo.“““It’s her!”” ”

“““I swear, I went into the men’s room ...”” Wang yuanfei swore.“““I don’t know why a woman would appear out of nowhere. ”

“““This woman was dressed so luxuriously and looked so good. Her figure was amazing too. Aiya, I don’t even know how to describe it. Anyway, when she saw me ... ”

“Listening to Wang yuanfei’s narrative, the monitoring room was dead silent. Zhao Yu and the others all frowned, their feelings indescribable. ”

“””I ... I’m just a poor security guard. I’ve never touched a woman before, especially such a beautiful one. I ... I really can’t reject her ...”” ”

“Upon hearing this, the atmosphere in the monitoring room became even more awkward. Ran Tao covered his face, and cui Lizhu narrowed her eyes. ”

“””Um ... That woman ...”” Zhang Ling thought for a moment and asked,“”did she say anything at that time? What’s her condition?”” ”

“””Wang yuanfei realized that he had said something wrong, and his face turned red. He quickly shut his mouth. ”

“””Oh? Mistook you for someone else?”” However, Zhang Ling caught on to this topic and asked,“”it seems like you knew long ago that mi Rou had the wrong person?”” ”

“””Mm ... Mm ...”” Wang yuanfei hesitated for a while, then finally made up his mind and said,“”Al! Officer, I’ll be honest with you ... ”

“””In the beginning, I thought I was lucky and was chosen by a beauty, so she did that with me. ”

“””But later on ... I realized that the woman might have mistaken me for someone else!”” ”

“””Oh?”” Zhang Ling already knew what Wang yuanfei meant, but she still asked,“”who did he think you were?”” ”

“””I think so. He must be the Crown Prince of Chuanxing,”” Wang yuanfei bit his lip and said,“”in fact, someone told me a long time ago that I was with the Crown Prince of Chuanxing, Shen ... Shen what?”” She looked very similar to him ... ”

“””Someone even ... Someone even joked with me and asked me to apply to be his body double. I even stupidly said that he wasn’t even a movie actor, why would he need a body double!”” ”

“””Oh?”” Zhang Ling asked again,“”then ... On the day you had sex with mi Rou, was the Crown Prince there?”” ”

“””Here! Here!”” Wang yuanfei nodded.“”He’s a guest. Our boss specially organized that banquet to invite him, but ... I was in charge of the kitchen at that time, so I didn’t really see him. I only saw him a few times from afar ...”” ”

“””Then ... What happened after that?”” Zhang Ling asked again. ”

Wang yuanfei’s face revealed an intoxicated expression.

“””Damn it, who asked you how you felt?”” “”I’m asking you, what happened after that?”” Zhang Ling scolded. ”

“””What happened ... Wu ... Wu ...”” Who knew, at the mention of this, Wang yuanfei was so excited that he cried again.“”Then ... That woman actually jumped off the building! ”

““““I ... I saw it in the newspaper and found out her name from the newspaper. I also knew that she was carrying a child in her arms when she jumped off the building ...”

““““Wu ... Wu ...”” He sobbed, and then said in great frustration,““““I realized that I might have made a huge mistake. Her death might have had something to do with me!”

““““I was afraid. I was afraid that someone would blame her death on me. I was also afraid that the Crown Prince would come after me for it, so I quickly quit my job and went to my fourth aunt’s house ...”

““““I’m scared ... Of her child ... Child ... Wuwuwu ...”” ”

““““Are you afraid that her child is yours?”” ”

“After Zhang Ling asked, Wang yuanfei burst into tears again. He nodded and gestured with his hands,““““Counting from the three minutes we were crazy, it’s exactly ten months ... Sob ...”” ”

“Seeing such a strange scene, the monitoring room fell into a dead silence again. No one would have thought that mi Rou’s child actually originated from a three-minute misunderstanding!”

“Perhaps, if mi Rou did not drink at that time;”

“Perhaps, Wang yuanfei did not look like Shen Wenbin.”

“Or perhaps, Wang yuanfei didn’t go to the bathroom to spill his clothes. Then, so many things wouldn’t have happened!”

“Zhao Yu knew that if mi Rou’s child had come from such a coincidental misunderstanding, then all of their previous conjectures about a conspiracy would not be valid.”

“There was no conspiracy behind mi Rou’s death, so the whole ghost king case might not be as complicated as they had thought. The real murderer was Qi Hao himself.”

“It seemed that this time, Zhao Yu would have to seriously consider how to close the ghost king case.”

Chapter 1876: heart knot

“That night, on the Jingli gourmet Street of andu city.”

“In the crowd, cui Lizhu was holding a stick of fried stinky tofu in her left hand and a box of cold cakes in her right hand. She handed them to Zhao Yu and said,““““Boss, help me eat this, I really can’t eat anymore ...”” ”

“Zhao Yu’s eyes were fixed on the crowd, and he didn’t react at all.”

““““It can’t be?”” Cui Lizhu looked around, then quickly pulled Zhao Yu to a long bench and asked him with concern,““““boss, please, we’re just here to have fun. Can you stop thinking about your case?”” ”

“““No... No...”” Zhao Yu shook his head numbly.”“These days, the string has been too tight. I can’t relax for a while. What did you just say?”” What do you mean you can’t eat?”” ”

“““The cold cake ...”” Cui Lizhu handed the cold cake to Zhao Yu and said,”“don’t lie to me, your eyes have already betrayed you!”” ”

“““Boss, we’ve tried our best, but we have to believe in the evidence. The truth is right in front of us. It’s time to close the ghost king case!”” ”

“““Mm ... Mm ...”” Zhao Yu stirred the cold cake, but didn’t open his mouth to eat it. ”

“““The DNA comparison is out,”” cui Lizhu continued.”“Mi Rou’s child’s biological father is that Wan Fei, Oh, Wang yuanfei! This means that our previous speculations were all made up out of thin air. Our conspiracy theories are not valid at all!”” ”

“Seeing that Zhao Yu still didn’t respond, cui Lizhu continued,”“Yes, I know that you won’t give up. You’re so stubborn, so you must think that there are still many doubts in this case ... ”

“““However, those suspicious points are no longer the key. They can’t prove that Qi Hao is the real murderer!”

“““Also,”” cui Lizhu said solemnly,”“in the photo on Qi Hao’s wall, there was an intimate photo of him and mi Rou. Forensic Zhang also found mi Rou’s hair at Qi Hao’s house, which means that mi Rou had been to Qi Hao’s house. They had some intimate contact and even lived together for a short time ...”” ”

“““So, mi Rou’s death, coupled with the”” record of the ghost king ““that was passed down by his ancestors, made Qi Hao want to take revenge and commit suicide. That’s why he committed the seemingly incomprehensible ghost king case!”

“““Boss, isn’t this logical relationship clear enough? What are you still holding on for?”” ”

“““Mm ...”” Zhao Yu opened his mouth, then closed it again. ”

“Although he didn’t say anything, it was clear from his expression that he still hadn’t given up. ”

“““Please, it’s not that you can’t be persistent, but it depends on the situation, right?”” Cui Lizhu continued to persuade him,”“although we haven’t found any witnesses yet that can prove that mi Rou and Qi Hao had an ambiguous relationship, don’t you think that this is no longer important?”

“““Boss,”” cui Lizhu pressed on Zhao Yu’s arm and said seriously,”“let’s change our way of thinking, okay?”

“““You see, if there’s another murderer in this case, then doesn’t this murderer have to have a clear purpose for killing? I can’t just do it out of personal interest, can I?”” ”

“““Right!”” Zhao Yu nodded. ”

“““Well,”” cui Lizhu said.”“Through our investigation, has it been proven that the murderer of the ghost king case wanted to use the record of the ghost king to avenge mi Rou?”” ”

“““Mm ... Almost ...”” Zhao Yu nodded again. ”

“““That’s right,”” cui Lizhu continued.””In order to avenge mi Rou, does the murderer have to have a particularly close relationship with mi Rou?”” ”

Zhao Yu continued to nod.

“““Then ... Isn’t it clear enough?”” Cui Lizhu spread out her hands.””We’ve already looked through everyone who has anything to do with mi Rou. Besides Qi Hao, who is close to her, can’t you find a second person?”” ”

“Zhao Yu didn’t nod, but cui Lizhu continued,””So, we’ve been overthinking this case! ”

“““Only Qi Hao had the motive and the conditions to kill. The only regret is that he’s already dead and can’t confess in person! ”

“““In fact, the whole case was clearly laid out in front of us, but we just didn’t want to close it! ”

“Cui Lizhu bit her lip and said,””maybe what I said isn’t pleasant to the ears, but I think ... You can’t let go of the case and think that there’s still a truth because you have a knot in your heart!”” ”

“““Mm ...”” Cui Lizhu hit the nail on the head, making Zhao Yu’s expression awkward. ”

“““I understand, I understand you very well ...”” Cui Lizhu said sincerely.””For a long time, no matter what case you solved, it had always been smooth sailing. You have never been as passive as you were in the ghost king case! ”

“““It’s because you failed to stop the ghost king case from happening in time and catch the murderer in advance that you have a knot in your heart and a kind of conflicting emotion. That’s why you are full of doubts about the whole case, right?”” ”

“““You ...”” ”

“Facing cui Lizhu’s direct words, Zhao Yu didn’t deny it, because what cui Lizhu said was true. Zhao Yu really had such a knot in his heart. ”

“After all, he had come to andu to take charge of the ghost king case when the first one happened, but it was not until the murderer committed five cases in a row that he barely managed to find out the truth. In the end, even the murderer committed suicide! ”

“It had to be said that this caused Zhao Yu a huge sense of loss, and he felt that he had lost a lot of face. ”

“He always felt that if he had worked harder from the beginning, the ghost king case might not have developed to this extent! ”

“He believed that although the murderer was dead and the murderer’s information had not been spread on the internet, the murderer had still defeated him. Therefore, he felt particularly angry. ”

“Perhaps it was because of this that he had so many doubts about the ghost king case. He always felt that there was a hidden story behind the case, and that there was a real murderer ... ”

“Now, it seemed that he was really being influenced by negative emotions. Was he really overthinking? ”

But ...

“Thinking of this, Zhao Yu felt a headache and pinched his forehead. ”

“””Boss, don’t be like this. I just saw that you’ve been working too hard, so I said it so directly!”” Cui Lizhu said with concern,“”actually, this is not a failure for you at all! ”

“””This case itself is a sophisticated operation. Qi Hao has already thought of any possibility. No one would be able to stop it ...”” ”

“””You must not be affected!”” Cui Lizhu held Zhao Yu’s hand and said,“”my dad used to teach me that no man is perfect, not even a God. Sun Wukong was so powerful, but he didn’t even get the complete Scripture, let alone a human.”” ”

“””Hehe ...”” Zhao Yu laughed,“”your dad is quite humorous.”” ”

“””To be honest, from the beginning ...”” Cui Lizhu said.“”I also believe in your theory of conspiracy, and I think that this case is not that simple! But now, the evidence is irrefutable, so we should let it go! ”

“””Boss,”” cui Lizhu said solemnly.“”Let’s discuss how to close this case tomorrow.”” ”

Hu ...

“Zhao Yu took a deep breath, as if he could get rid of all the pent-up frustrations in his heart. ”

He had to admit that Xiao Cui’s heart-to-heart words did make him feel a lot more comfortable.

“But, thinking about the strange ghost king case, Zhao Yu still couldn’t completely understand. He always felt that, besides the knot in his heart, there seemed to be something missing from this case ... ”

Chapter 1877: Little rascal

“That night, at 12:30, in a hotel, in Zhao Yu’s room. ”

“Instead of sleeping, Zhao Yu was holding the phone and listening carefully to the angry roar on the phone. ”

“””Are you okay? I won’t stop you from asking me questions, but I’m already so old. Aren’t you afraid that you’ll scare my old heart?”” ”

“””Captain Jin, I’m sorry ... Um ...”” Zhao Yu said frankly,“”I’m just at a bottleneck, and I hope you can give me some advice ...”” ”

“””It can’t be?”” Captain Jin zhenbang’s tone changed.“”You’re already a famous detective. Why are you still asking me for advice ...?”” ”

“””Aiyo, you scared me to death. It’s the middle of the night ...”” ”

“””Old man ... Who is it ... Aren’t you already retired?”” A woman’s voice came from the other end of the phone. It was probably Captain Jin’s wife. ”

“Well, it’s like this, Captain Jin,” Zhao Yu continued, “I’m in the middle of a case ...”

“Who knew that before he could even say a word, the other party actually hung up the phone!”

‘F * ck ...’

Zhao Yu looked at his phone and cursed angrily. He also felt a little guilty. It was indeed a little inappropriate for him to torture an old lady in the middle of the night.

“However, he didn’t know why, but every time he encountered a difficult problem, he wanted to chat with the old man who had brought him into the industry.”

Maybe it was because Captain Jin had given him an important hint when he was solving the devil case.

“He had always felt that although the old man was not famous in the criminal investigation world, his experience was irreplaceable.”

“So, he was possessed tonight. He actually called the old man in the middle of the night, and the result really shocked him!”

This matter is ... Sigh ...

Di di ... Di di ...

“Just as Zhao Yu sighed, his mobile phone rang again. It was his grandfather calling back.”

“Hello ...” Zhao Yu picked up the phone and quickly apologized, “I’m sorry, Jin, I ...”

“Just now, your aunt accidentally dropped the phone.” Jin seemed to have sobered up a lot. “Are you really Zhao Yu?” What case did you just say you encountered?”

“I just solved a serial murder case, but the murderer is already dead. I suspect that there’s something else to this case,” Zhao Yu said, getting straight to the point. “But, after half a day of investigation, I couldn’t find anything. So, I would like to hear your opinion on whether we should continue the investigation. Or should we close the case?”

“Oh ... I see ...” Jin thought about it for a while, then said to Zhao Yu seriously, “you’re looking for the wrong person. I can’t make the decision for you, the great detective!”

“If you want to close the case, then close it. If you want to continue investigating, then continue investigating. I’ve already retired, and I still have to take care of my grandson tomorrow! I’m almost driven crazy by that little brat ...”

“Well ...” Zhao Yu pouted and advised, “Jin, you said that your grandson is a little brat, so from a genetic point of view, aren’t you a rabbit Lord?”

“You ...” Captain Jin was stunned, then he scolded, “you little brat, a dog’s mouth can’t spit out ivory. You came in the middle of the night just to play with me, right?”

“I’m telling you, your case is your case. You have to trust your intuition. I can’t help you, and I can’t help you, so you can do as you see fit!”

“““By the way, you can call me in the future, but don’t call me in the middle of the night again. I’m suffering from a nervous breakdown now, and I won’t be able to sleep again after I wake up. It’s like a F*cking war ...”” ”

Captain Jin complained a few more times before hanging up the phone again.

“““Fine, you old man,”” Zhao Yu cursed in his heart. ““If you call me a little brat, then wouldn’t I become your grandson too?”” You really think you’re Lord rabbit, huh? ”

“However, even though he was scolding him, Zhao Yu felt a strange warmth in his heart. He quickly recalled what Master Jin had just said. ”

“““Your case is your case. You have to trust your intuition. It’s useless no matter what others say ...”” ”

That’s right ...

Zhao Yu scratched his head and pondered. It only took him a few seconds to understand the meaning of this sentence. Wasn’t the depression in his heart because of this?

“Ever since he had talked to Cui Lizhu, Zhao Yu had been thinking about a problem. He had insisted that there was something fishy about the ghost king case. Was it just a matter of face? ”

“Or perhaps, he had encountered too many strange cases in the past and always encountered all kinds of twists and turns, so he developed the habit of being suspicious. No matter what case he encountered, he didn’t think it was that simple? ”

“However, if these two factors were not taken into consideration, was there really no problem with the ghost king case? ”

“The answer was, of course, yes. Zhao Yu had thought about it more than once. If Qi Hao was really the murderer of the ghost king case, and he really killed to seek justice for Mi Rou, then why didn’t he leave any evidence at the scene of his suicide? ”

“For example, a will, a video, or a voice recording. Since they wanted to seek justice for Mi Rou, they should at least explain the injustice Mi Rou had suffered. ”

“Also, what was Qi Hao’s relationship with the ““record of the ghost king””? Why did he disguise the dead as malicious ghosts? ”

“If he didn’t explain these things clearly, wouldn’t it be a pity if Qi Hao simply committed suicide? ”

“However, no such evidence was found at the scene of Qi Hao’s death. Wasn’t that the biggest suspicion? ”

“If he were to analyze further, the pictures on the wall, the murder plans, and the ““record of the ghost king”” on the table seemed to be deliberately set up by someone to frame Qi Hao! ”

Could it be ...

“Zhao Yu thought about it seriously for a few minutes, then made up his mind. He told himself, ““don’t say”” maybe. ““If I want to find out the truth, I need to do something more practical!”” ”

“Zhao Yu didn’t care that it was already late at night. He put on his clothes and walked out of the room, ready to return to the police station to continue the investigation of the ghost king case. ”

“Just as he walked out of the room, he discovered a new situation. ”

Oh my God!

He quickly turned his attention to the system interface in his mind and saw that the hexagram area in the center of the interface had returned to its original color. He could open another hexagram!

Waa ...

“Zhao Yu then realized that once midnight passed, the system’s hexagram area would be unfrozen, and he could open new hexagrams again. ”

“Looking at the familiar hexagram interface, Zhao Yu’s excitement was obvious. ”

“The timing was just right. If he opened a hexagram right now, it would undoubtedly be of great help to the direction of the future investigation! ”

“Perhaps, as soon as the hexagram was opened, he would immediately know whether there was a need to continue the investigation of the ghost king case, which would naturally save him a lot of trouble! ”

“However, just as Zhao Yu was about to open a hexagram, he suddenly stopped. ”

“Because, in a flash, he suddenly remembered something that made him not want to open a hexagram again! ”

“Before this, he had always had a question. If he had been able to get a hexagram at the beginning of the ghost king case, would the final result still be like this? ”

Would he be able to end the case and find out the truth before Qi Hao committed suicide?

So ... Zhao Yu’s mood suddenly became complicated. His innate stubbornness and persistence made him compete with the system for the first time.

“He was thinking, if I don’t open a hexagram, is there no way to find out the truth? ”

“If I rely on the system for everything, what kind of detective am I? ”

Since that was the case ...

Zhao Yu made up his mind and immediately exited the system interface. He really didn’t get any hexagrams!

Let’s just watch ...

He silently made up his mind that he must rely on his own ability to thoroughly investigate the ghost king case!

Chapter 1878: The village hospital

“At Six o’ clock in the morning, the sky had just brightened, and andu city was shrouded in a thick fog. ”

“Wu Xiumin, who had just arrived at the andu police station, was wet from the mist, as if she had just been caught in the rain. ”

“Wu Xiumin had to attend an important coordination meeting at the Western Sichuan Provincial Office this morning, so she came to the office early in the morning to rush out a report. ”

“Just as she pushed the door open, she was shocked by the unexpected situation in the office! ”

“““Wow ...”” Wu Xiumin’s eyes were wide open, and she held the documents in her arms tightly. She asked Zhao Yu, who was in the middle of the office,“““team leader ... What are you doing?”” ”

“The office was in a mess, and the floor was filled with white papers with words written on them. Zhao Yu was sitting in the middle of the papers, as if he was meditating. ”

“Hearing Wu Xiumin’s exclamation, Zhao Yu opened his eyes slightly and said calmly,““““Sis Wu, you’re so early!”” ”

“““Team leader, what are you doing?”” Wu Xiumin was still looking at the strange scene in front of her in shock.“““I thought there was a thief here!”” ”

“He looked up and saw that the six whiteboards that were used to study the case were all full of drawings, but the whiteboards were placed in a mess, and one of them was even on the ground ... ”

“““Nothing much ...”” Zhao Yu said calmly.“““I was just studying the case again!”” ”

“““What’s wrong?”” Wu Xiumin walked up to Zhao Yu and asked,“““do you still think that the ghost king case can’t be closed? But ... Didn’t you already think it through when we were on the phone yesterday?”” ”

“““This case ...”” Zhao Yu bit his lip, then said mysteriously,“““can’t be closed yet!”” ”

“““Oh?”” Wu Xiumin understood Zhao Yu’s ability, so when she heard Zhao Yu say this, she suddenly realized the importance of the matter. She immediately squatted down and asked Zhao Yu seriously,“““so, you found a new clue? Do we have to start a new round of investigation?”” ”

“““Mm ...”” Zhao Yu hesitated for a moment, then scratched his head in embarrassment and said,“““not yet! But ... It should be soon! ”

“““Look ...”” Zhao Yu pointed to the messy office.“““Yesterday, I started to study the case again, starting from mi Rou’s jumping off the building. I feel that there are still many suspicious points in this case. We can’t just close it hastily!”” ”

“““What ... What else is there to doubt?”” Wu Xiumin pretended to be listening carefully. ”

“““There was no witness to mi Rou’s suicide. From the time she disappeared from the surveillance cameras of Tianding building to her suicide attempt, there was more than 40 minutes. Anything could have happened in these 40 minutes! ”

““““And ... Qi Hao was forced to retire from the Army because he had stroke,”” Zhao Yu said.””I’ve checked, and it’s a terminal illness that can’t be killed. He can’t do heavy physical work at all ...”” ”

““““And ... There was no record evidence found at the scene of Qi Hao’s death. Besides Qi Hao’s fingerprints, no one else was found on his Electric Tricycle. This doesn’t make sense at all. ”

““““So ... I think it is necessary for us to continue investigating!”” ”

““““Team leader ...”” For the first time, Wu Xiumin reached out and patted Zhao Yu’s shoulder, then said with a solemn expression,””you’ve worked too hard. You really need to take a good rest!”” ”

““““If this continues, even iron Men will collapse!”” ”

““““I’m fine ...”” Zhao Yu shook his head.””I can handle cases that are harder than this ...”” ”

““““No... Your condition is a little off ...”” Wu Xiumin couldn’t help but say.””I’m worried that the disease you had in valkries has relapsed!”” Your ear ... Have you been having tinnitus recently?”” ”

“As she spoke, Wu Xiumin reached out and wiped Zhao Yu’s face, only to see that it was covered in sweat. ”

““““Team leader ...”” Wu Xiumin said.””There are surveillance cameras on the stairs leading to the top floor of Tianding building. We have confirmed all the replays. That day, only mi Rou carried the child from there to the roof, and only the mother and son were on the roof.”” ”

““““Also, it’s not easy to commit suicide by jumping off a building. The reason mi Rou stayed on the roof for more than 40 minutes was probably because she was struggling internally. After all, she had a child who wasn’t even a month old in her arms ... ”

““““And ... Mi Rou jumping off the building wasn’t without witnesses,”” Wu Xiumin said.””Didn’t Zhang Ling already report it to you? ”

““““Someone saw mi Rou jump from another building. He was very sure that there was no one else beside mi Rou ...”” ”

““““And ... This is the investigation information I got last night ... Because it was too late, I didn’t have time to tell you ...”” Mi Rou opened the document and told Zhao Yu,””Captain Zhang’s men found the place where mi Rou gave birth. It is a private hospital in the countryside! ”

““““According to the doctor’s memory,”” Wu Xiumin said with a solemn expression,””mi Rou’s child had a cleft lip and jaw!”” ”

““““Ah?”” Zhao Yu was surprised.””A cleft lip and jaw ... Can’t ... Can’t be cured?”” ”

““““Yes, it can be cured, but ...”” Wu Xiumin said.””You have to consider mi Rou’s feelings at that time. The child is not Shen Wenbin ‘s, and she has lost her only chance to make a comeback ...”” ”

““““The child could be an old man ‘s, because the condom was broken ... ”

““““In addition to the child’s cracked lips and jaw, how could it not make a helpless woman collapse? ”

“““Therefore, these combined factors were the root cause of mi Rou’s final decision to jump off the building!”” ”

“““I see ... But ...”” Zhao Yu’s eyes were wide open as he asked,“““did you just say a village hospital? Did you see Qi Hao?”” ”

“““No, the hospital’s surveillance records are gone. But according to the doctors and nurses ‘memories, mi Rou was alone from the beginning!”” Wu Xiumin replied,“““mi Rou was hiding there, perhaps to avoid Tao Yan! ”

“““After all, mi Rou is working for Tao Yan. Tao Yan definitely won’t let her give birth to the child so easily ...”” ”

“““Then ...”” Zhao Yu thought hard,“““what about Qi Hao? If mi Rou had given birth to the child alone, what role did Qi Hao play? Could it be that there’s no relationship between the two of them?”” ”

“““Not necessarily ...”” Wu Xiumin said solemnly.“““Team leader, it could also be because of Qi Hao that mi Rou chose to give birth in a village hospital!”” ”

“““Think about it. If Qi Hao had been by mi Rou’s side all this time, how could he have watched mi Rou jump off the building?”” ”

“““Oh ...”” Zhao Yu finally understood.“““You’re saying that mi Rou did have an intimate relationship with Qi Hao, but it was Qi Hao’s one-sided love from the beginning. After mi Rou got pregnant, she quietly left Qi Hao and hid in the hospital to give birth until she jumped off the building?!”” ”

“““That’s why ...”” Wu Xiumin said.“““Qi Hao’s resentment is so great!”” ”

“After Wu Xiumin finished speaking, Zhao Yu finally quieted down. The inference in front of him was obviously more realistic. Perhaps, mi Rou and Qi Hao’s relationship was not that complicated! ”

“““And ...”” Wu Xiumin continued,“““we have already done in-depth research on Qi Hao’s as * as * as in his stroke. ”

“““There are many different types of diseases. We’ve checked Qi Hao’s medical records, and his condition is basically under control. If he recovers well, it won’t affect him from doing heavy physical labor at all! ”

“““We can verify this from the drugs he often takes ...”” ”

“““Oh ...”” Zhao Yu’s expression became even more complicated. ”

“““Also, the other suspicious points you mentioned can all be explained reasonably, but there is one thing that I agree with you on ...”” Wu Xiumin said solemnly.“““From a professional point of view, Qi Hao did not leave any clear evidence at the scene. This is indeed unexpected!”” ”

Chapter 1879: Do you think you’re dead?

“At 7:30 in the morning, the fog gradually dissipated, but in the Special Investigation Group office, as the team members arrived one after another, everyone felt as if they had fallen into a new fog.”

“““What the hell is this?”” Looking at the mess in the house, Cui Lizhu asked, “““what’s going on? Did boss fight with someone again?”” ”

“““No, definitely not ...”” Ran Tao squatted down to check the papers. “““This is boss’s handwriting. I think boss might have found some clues about the ghost king case.”” ”

“““It can’t be?”” Zeng Ke pouted. “““Didn’t boss figure it out last night? Why did you spend the whole night studying it?”” ”

“““The point is ...”” Cui Lizhu looked around. “““Where’s the old master?”” ”

“After Cui Lizhu finished speaking, the three of them took out their mobile phones and pretended to make a call.”

“““Alright ... Stop guessing!”” At this time, Wu Xiumin’s voice came from behind a computer, “““the team leader is fine. He went to sleep. Don’t call him!”” ”

“““Ah? Sis Wu?”” Cui Lizhu tilted her head and saw that Wu Xiumin was typing on a computer. “““What are you doing?”” she asked.”

“““There’s an important meeting today,”” Wu Xiumin said. She had already finished typing up the documents, so she immediately stood up and explained to everyone, “““I have to apply for an extension for the team leader. The ghost king case is not yet closed!”” ”

“““Aiyo ...”” Cui Lizhu lowered her body, feeling a little confused.”

“““Boss went to sleep? “““Well ...”” Ran Tao scratched his head and asked, “““the ghost king case has been postponed. Sis Wu, don’t be silly. Did you and the team leader find new clues?”” ”

“““No...”” Wu Xiumin walked to the printer, waiting for the document to be printed, while she said to Ran Tao, “““we just think that there are still some suspicious points that need to be investigated.”” ”

“““After all, we represent the country’s top criminal investigation team, and we can’t afford to be careless. If the ghost king case really has some problems, and we close the case hastily, the consequences will be much more serious than the average Criminal Investigation Agency!”” ”

“““Suspicious point?”” “““What’s the suspicion?”” Zeng Ke asked.”

“““According to the usual psychological analysis, if the murderer who planned and carried out the ghost king case was Qi Hao, then he should have a strong desire to show off, and should have left us some information to support his statement, but ...”” Wu Xiumin said. “““We didn’t find any similar information, which is the biggest suspicious point of the case!”” ”

“““Of course I understand,”” Cui Lizhu said, nodding. “““We’ve discussed this countless times. I just want to ask, since the closing of the case has to be postponed, and there are still doubts, what do we need to do?”” ”

“““How should we investigate? Did the boss give us any orders?”” ”

“““There are!”” Wu Xiumin nodded and said,““the team leader told me to tell you to rest well during the day. At night, he will take you to re-investigate the scene!”” ”

“““What? At night?”” Ran Tao wiped his sweat and looked worried.““Can’t we do it during the day?”” ”

“““Zeng ke, you have to be prepared ...”” Wu Xiumin sorted out the documents that she had already typed out, then said to Zeng ke,““the team leader wants you to play the dead tonight, and he will play the murderer. He wants to reproduce the whole process of the murderer killing and setting up the ghost king case in order to find a breakthrough point ...”” ”

“““I’m ... Dead!?”” ““Why?”” Zeng ke asked. ”

“““Oh ...”” Cui Lizhu nodded and patted Zeng ke.““Do you even need to ask?”” You’re about the same weight as the deceased!”” ”

“““Boss, this is crazy ...”” Ran Tao wiped his sweat again. ”

“““The team leader also said,”” Wu Xiumin picked up the documents, came to the three of them, and said,““he asked you to prepare the props and try to restore the crime scenes of the ghost king case as much as possible. Also, he hoped that tonight, he could simulate all the first four crime scenes. So, you had better get ready as soon as possible!”” ”

“““It can’t be?”” The three of them scratched their heads. ”

“““Wu Xiumin, Wu Xiumin ...”” Seeing that Wu Xiumin was about to leave, Zeng ke quickly stopped her and said,““can I not be a dead person?”” I think that my height and weight are similar to Qi Hao ‘s, so I should be the more suitable one to play the role of the murderer! ”

“““Team ... Team leader is so strong, he’s not suitable to play the role of the murderer ...”” ”

“““You can tell the team leader yourself!”” Wu Xiumin shook off Zeng ke’s arm and walked toward the door again. ”

“““Hehehe ...”” Cui Lizhu laughed evilly.““Zeng ke, you don’t have to reject me. I’m looking forward to seeing you become a malicious ghost. Hahaha ...”” ”

“““I think ...”” Ran Tao added,““although Xiao Cui is a woman, she can also be considered as the murderer. After all, Qi Hao was seriously ill, so his strength was not that great. He should be similar to Xiao Cui ...”” ”

“““Brother Tao, what are you saying?”” Zeng ke was not convinced.““Why should she be the murderer? Wasn’t there a woman among the victims? Why didn’t you let cui be a guest?”” ”

Bang ...

“Just as they were talking, the office door was suddenly slammed open, and Wu Xiumin, who had just walked to the door, was almost knocked down. ”

“““Ah?”” Wu Xiumin was so shocked that she loosened her grip, and all the documents she had just typed fell to the ground. ”

“Everyone looked over and saw that the person who had rushed in like a madman was none other than their team leader, Zhao Yu!”

“Zhao Yu’s clothes were unkempt, his eyes were dark, and his beard was unkempt. Coupled with his threatening aura, he looked like a Savage who had come down the mountain to hunt for prey!”

““It can’t be?” “Boss, what’s wrong with you?”” cui Lizhu asked. You didn’t sleep all night, how did you become like this?” ”

““Yeah ...”” Ran Tao raised his eyebrows and asked, “is boss practicing drawing ghosts?”” ”

““Wu Xiumin, Wu Xiumin ...”” Zhao Yu ignored everyone, but grabbed Wu Xiumin and asked loudly, “this morning, you told me ... What happened at 17th high?”” ”

““What?”” Wu Xiumin was stunned. Feeling the pain in her arm from Zhao Yu’s grip, she quickly broke free and asked, “what are you talking about?”” ”

““17th high?”” Cui Lizhu was surprised. “What about 17th high?”” ”

““Oh ...”” Zeng ke suddenly remembered. “Isn’t 17th high the LAN yang Academy? It’s the crime scene of the third ghost king case!”” ”

““Are you alright?”” Wu Xiumin said helplessly, “No. 17 high school has suspended classes. What’s the matter?”” ”

““Why ... Why are the classes suspended?”” Zhao Yu asked again. His eyes were wide open, as if he wanted to eat someone. ”

““The ghost king case, what else could it be?”” Wu Xiumin explained, “think about it. With such a big case happening in the school, who could stand it? Even the parents won’t do it?”” ”

““Oh ...”” Zhao Yu thought for a moment, then asked, “then ... What’s the situation at the school now? When will classes resume?”” ”

““Yes, that’s what I told you,”” Wu Xiumin said. “The school leaders have already gone to the city government and asked us to find out the truth as soon as possible and give an explanation. They also asked us to make a public announcement to appease the students and resume classes as soon as possible!”” ”

““Hmph,”” cui Lizhu said. “You’re so timid. It’s not like you’re a student.”” Is there a need to suspend classes?”” ”

““Team leader ...”” Zeng ke felt that something was wrong, so he asked Zhao Yu in a hurry, “do you think there’s anything wrong with this?”” ”

““I ...”” He stammered and said, “do I ... Not have to act as a dead ghost anymore?”” ”

“““Boss, what are you thinking of?”” Cui Lizhu jumped up and down.””Do you have to act like Zhang San is crazy and Su Qi ‘er is crazy? 17th high school is a school. What’s wrong with a school?”” ”

“““No... No...”” Zhao Yu came back to his senses.””Zhang Sanfeng and Su Qi ‘er? Are you saying that I’m acting crazy? I’m ...”” ”

“Then, Zhao Yu turned to look at the big screen in the office, then asked Wu Xiumin,””Sis Wu, hurry up. You’ve been busy with the public media these days. Tell me quickly, what’s the situation with the ghost king case in public?”” ”

“““Mm ...”” Wu Xiumin was confused, but she still patiently answered Zhao Yu’s question.””I’ve already reported it to you. After all, there was a large number of posts last time, and coupled with the special historical background of the ghost king case in western Sichuan, the public’s reaction to the ghost king case is very strong, and it has already caused a sensation! ”

“““Now, even though we have reached an agreement with the media, those are the official and mainstream media. We can’t stop the other media from reporting and speculating about the ghost king case ...”” ”

“““I have to say that the current situation is very tricky, and there is a lot of pressure from all sides. Even our Criminal Division is already making an assessment ... ”

“““To be honest, if it weren’t for our team leader’s reputation, and if it weren’t for Division Chief Jiao’s mediation,”” Wu Xiumin said frankly,””from the day Qi Hao’s death was discovered, we should have started to close the case!”” ”

“““Indeed ...”” Zeng ke whispered.””This case is not like the old unsolved cases we solved before. If we can’t give the public an explanation, I’m afraid it will only get worse!”” ”

“““As the saying goes, saliva can drown people. Originally, the case was not a big deal, but after those negative channels gossiped about it and exaggerated it, it will cause even greater panic ...”” ”

“““Hmph!”” Cui Lizhu glared at Zeng ke.””If your analysis is so reasonable, why don’t you work in the public media department?”” ”

“““I ...”” Zeng ke covered his face.””I’m just stating the facts!”” ”

“““Okay, that’s not what I’m talking about,”” Zhao Yu said to Wu Xiumin.””What I want to ask is, after the ghost king case, what happened to the units related to the crime scenes?”” ”

“““Oh?”” Wu Xiumin was stunned, and so was everyone else. ”

“““Relevant units?”” ““Is it related to the crime scene?”” Wu Xiumin asked. ”

“““Yes,”” Zhao Yu said.””For example, at the Guan Emperor temple? Wasn’t that place being demolished? Now that the terrible ghost king case had happened at the temple of the Guan Emperor, did it mean that the residents there were even more eager to demolish it? Who would want to live in a haunted neighborhood?”” ”

“““Oh?”” Wu Xiumin frowned.””I ... Don’t know.”” ”

“““Cui ...”” Zhao Yu said, snapping his fingers at Cui Lizhu.”““Quickly contact Captain Zhang Ling and ask him to send someone to the Guan Emperor temple to get some information!”” ”

“““Oh ...”” Cui Lizhu quickly followed the order and left. ”

“““Wow!”” Ran Tao spread his hands and said to Zhao Yu,”““boss, you’re overthinking it!”” Do you think that someone wanted to speed up the demolition process, so they created the ghost king case?”” ”

“““No!”” Zhao Yu replied firmly, then asked Wu Xiumin,”““what about ghost city? After the ghost king case, what’s the situation in ghost city now?”” ”

“““Ghost city is still closed,”” Wu Xiumin replied.”““Ghost city has also made a complaint to the police. The long holiday is coming, and they hope to resume business as soon as possible!”” ”

“““Still open for business?”” Ran Tao pouted and sighed.”““People are dead, and you’re still in business? Now, it’s truly a ghost town. Let’s see how many people will dare to visit it in the future. ”” ”

“““We can’t say for sure ...”” Zeng Ke raised an objection.”““People are all curious. Maybe, the ghost king case will make ghost city famous!”” ”

“““Zeng Ke!”” Zhao Yu suddenly shouted at Zeng Ke,”““go and investigate the details of ghost city. I need their financial statements for the past few years, as well as their assets, operations, and shares. Also, find a professional to evaluate them and see what kind of impact the ghost king case will have on them.”” ”

“““Oh ... Okay, okay ...”” Although he still had some doubts, Zeng Ke did not dare to disobey, so he quickly went to his desk to make a phone call. ”

“““Wu Xiumin, let’s continue ...”” Zhao Yu asked Wu Xiumin again,”““what about 17th high?”” What’s the impact of the ghost king case in the Lanyang Academy on the 17th high school?”” ”

“““Classes are still being suspended, but ... Suspension is not mandatory, because after all, the Lanyang Academy and the teaching building are not together. It is only because of the students and their parents that they are forced to listen to the classes! ”

“““As for the impact ...”” Wu Xiumin thought for a moment, then said,”““based on the special historical background of the ghost king case on the people of western Sichuan, I think the school will have a great impact!”” ”

“““No. 17 high school isn’t a key school to begin with. If they want to use the refurbished District to attract students, their future enrollment will definitely be affected ...”” ”

“““Mm ...”” ”

““Zhao Yu waved at Ran Tao, who immediately understood and nodded.”““Alright, leave 17 high to me! I’ll definitely investigate it thoroughly for you!”” ”

““After that, Ran Tao ran to his desk to make a phone call. ”

““This time, Wu Xiumin didn’t wait for Zhao Yu to ask, but said,”““Among the five cases, chuantai tea house was undoubtedly the most influential!”” ”

“““Oh?”” Zhao Yu’s eyes lit up, and he listened carefully. ”

“““The biggest influence is not the chuantai teahouse itself, but the community on the left bank of Sena, where chuantai teahouse is located!”” Wu Xiumin reported,””the Siena left bank Community is under construction, and the property is expected to be handed over the year after next. Now is the prime time for sales, and the pre-sales have already reached 40%. However, once the ghost king case is out ... Tsk tsk ...”” ”

“““Oh?”” Zhao Yu said,””it won’t just be the house price that will fall, right?”” ”

“““Of course not,”” Wu Xiumin said.””I heard that after the ghost king case, the owners who had paid for the house all asked for a refund!”” ”

“““The developer is going to suffer a huge loss this time! ”

“““Although it has been sixty-six years since Tao Yulan’s case, it has become a deep-rooted legend in the lives of the people of western Sichuan. No one wants to touch it! ”

“““Team leader,”” Wu Xiumin raised her head and said,””I’ll go and investigate the left bank of Sena!”” ”

“““Now, I kind of understand what you mean.”” She gave Zhao Yu an affirmative look.””I don’t know if you heard? ”

“““Even the community where Qi Hao’s house is located is also part of the government’s demolition plan!”” ”

“““Oh?”” Zhao Yu was surprised, as it was the first time he had heard of it. ”

“““It’s called the willow tree tomb,”” Wu Xiumin explained.””It’s said that, like the Guan Emperor temple, it has been demolished many times, but it has never been successful! So, this time, the ghost king case might be able to bring a turning point for the demolition ...”” ”

“““Well, I can’t say for sure if it has anything to do with the demolition,”” Zhao Yu said.””But my intuition tells me that these five murder locations may be the key to the ghost king case! ”

“““Think about it ... Why would the murderer be so insistent on releasing the photos of the ghost king case? He even added a provocative description to the photo? ”

“““Also, why didn’t the murderer leave behind any evidence? ”

“““I think,”” Zhao Yu clenched his fist,””the murderer did this to expand the influence of the ghost king case! ”

“““Not only do we have to let people know that the terrifying ghost king case really happened, but we also have to make it very mysterious! ”

“““He’s using this to achieve his unspeakable goal!!!”” ”
