Chapter 1881: The purpose of the ghost king case

“Threeo’ clock in the afternoon, in the Special Investigation Group office. ”

Zhao Yu was sitting in front of his desk with his legs crossed and his eyes closed in meditation.

“As soon as he closed his eyes, he could see his system interface more clearly. At that moment, the unfrozen hexagram area was like the stars in the sky, which attracted Zhao Yu’s attention. ”

“Zhao Yu also knew that as long as he opened a hexagram, he would immediately know whether his latest clue was correct. ”

“Moreover, there were many benefits to opening a hexagram. Not only could it provide him with instructions to solve the case, but it could also allow him to earn a high number of points and various props. ”

There were one or two times when he couldn’t help but place his mental cursor on the open hexagram button.

“However, in the end, he still held back! ”

“It didn’t matter if he was stubborn or persistent, Zhao Yu was determined to solve the case with his own abilities. ”

“””Boss,”” cui Lizhu was the first one to come back and report. She pushed the door open and said to Zhao Yu with a serious expression,””I just investigated the situation around the temple of Guan Emperor. Because of the ghost king case, the demolition work has been suspended!”” ”

“””I disguised myself and sneaked into the circle of local residents. The ghost king case ... Sure enough, it’s already been spreading around there ...”” ”

“””Hmm ... The residents were really scared. These days, no matter if they were men or women, old or young, no one dared to go out at night! There were also some timid ones who went to hide in their relatives ‘houses ... ”

“””I don’t know if the news is accurate, but it’s said that a few households near the Guan Emperor temple are even willing to spend money to rent a house outside! I don’t even dare to go back home ...”” ”

“Zhao Yu asked,””what about the demolition?”” What did they say about the demolition?”” ”

“””Well ... I specifically asked a few households that were nailed to the wall,”” cui Lizhu said.””Just as you thought, no matter how much money they had, they wanted to demolish the house as soon as possible, so they didn’t dare to be nailed to the wall again!”” ”

“””However, due to time constraints, I didn’t manage to get all the information I wanted. But I can roughly judge that after the restoration, the demolition work will definitely be smoother than before!”” ”

“““Then ... What about the demolition office? What’s your attitude now?”” Zhao Yu asked again. ”

“““No,”” cui Lizhu replied affirmatively.””There’s no attitude. On the surface, it doesn’t seem to have much of an effect.”” ”

“““Is that so?”” Zhao Yu asked,”” no one took the opportunity to lower the price?”” ”

“““I don’t know. The price hasn’t been set yet!”” Cui Lizhu said,””if you want to investigate further, you’ll have to give me more time!”” ”

“““Then ... Did you get any news from the developer?”” Zhao Yu asked again,””who will benefit the most from the withdrawal of chuanjian investment?”” ”

“““No way? Haven’t we already discussed this?”” Cui Lizhu shook her head.”” Although Shen Wenbin is dead, it doesn’t mean that chuanjian Investment Group has to quit! ”

“““The demolition is only at the public opinion survey stage, and the bidding has not really started yet!”” ”

“““You still have to check,”” Zhao Yu said.””Help me check all the companies that are interested in that land. There’s a lot going on here!”” ”

“Cui Lizhu nodded. ““Okay!”” She said. ”

“““Team leader ...”” As soon as cui Lizhu finished speaking, Zeng ke pushed the door open and reported to Zhao Yu in a mysterious manner,””I found some new information in ghost city!”” ”

“““Oh?”” Zhao Yu’s eyes lit up.””What’s the matter?”” ”

“““Well ... Your intuition may be right,”” Zeng ke said.””I suspect that ghost city may be involved in money laundering!”” ”

“““Ah?”” Zhao Yu and cui Lizhu were both surprised. Zhao Yu asked,””what do you mean? Money laundering?”” ”

“““After you gave me the task, I carefully studied and reviewed their financial statements, and then carefully checked their business records. ”

“““Leader, I’ve worked in the economic Investigation Unit before. Ghost city’s accounts and property records have obvious characteristics of money laundering!”” ”

“““Oh?”” ““For whom?”” Zhao Yu asked. ”

“““Yes, that’s the key question,”” Zeng ke said.””Ghost city was originally a tourism project built by the government, but later, because of poor management, it was sold to a private company. In just three years, it changed hands several times. Now, the registered company is called Blackie films. ”

“““When I investigated it further, I found out that the company was very deep and had a very complicated structure. There were many overseas accounts in the accounts, which were typical characteristics of money laundering. ”

“““So, if we want to find out their specific situation, it will take a lot of time. I need ... Um ...”” Zeng ke said.””I need the help of the andu economic investigation team!”” ”

“““That’s easy to say, but ...”” Zhao Yu pondered for a moment, then asked,””what do you think the impact of the ghost king case on ghost city’s operation is?”” ”

“““Well ... I’ve already asked around,”” Zeng ke said.””The ghost city’s customers all come from travel agencies. Now that the ghost king case has been exposed, even if ghost city was not closed down, the travel agencies would definitely not dare to push any more tourists to this tourist spot!”” ”

“““So, ghost city’s performance will definitely decline. Although they don’t rely on tickets for a living, after the decline in performance, it will definitely affect their money laundering activities! ”

“““Think about it, ghost city is completely deserted, where would there be income and benefits? If they dare to continue with the money laundering, then they will definitely get the attention of the relevant departments!”” ”

“““If you can’t even launder money ...”” Zhao Yu nodded.””Then ghost city would really be useless! At the same time, it would also affect the operations of the financial groups behind the scenes! ”

“““Could it be that the real purpose of the ghost king case murderer was to target these people?”” ”

“““Team leader,”” Zeng ke said confidently,””if that’s the case, then wouldn’t this case be simple? As long as we can find out who is using ghost city to do money laundering, then find its enemy, then we will be able to find the murderer, right?”” ”

“““It’s just a guess,”” Zhao Yu said.””After all, the ghost king case isn’t the only case. We still have to find the problems in other cases!”” ”

“As Zhao Yu spoke, he saw Ran Tao and Wu Xiumin walk into the office together. However, from their dejected expressions, they probably didn’t find any useful clues. ”

“As expected, Ran Tao reported to Zhao Yu,””““Boss, I’ve carefully investigated the situation at 17 high school. The construction company responsible for the construction of 17 high school has nothing to do with the Chuanxing group! ”

“““I can’t see the connection between this and the ghost king case.”” ”

“““It’s the same on the left bank of Sena,”” Wu Xiumin said.””The developer has nothing to do with Sichuan construction investment Corporation, but is a small local real estate development company!”” ”

“““However, the ghost king case did cause a heavy blow to the project,”” Wu Xiumin said.””If the house can not be sold, then the developer will face bankruptcy!”” ”

“““It doesn’t matter,”” Zhao Yu said to the two of them.””Next, I need you to investigate in detail the specific situation of the two companies when they bid for the project at No. 17 high school and the left bank of Sena. You have to take a closer look at who they defeated to get the project.”” ”

“““Ah?”” Everyone was shocked. ”

“““Boss, what do you mean?”” cui Lizhu asked, surprised. ”

“Zhao Yu narrowed his eyes and said,“I suspect that the real purpose of the ghost king case may be a disguised revenge!””

““However, mi Rou is not the only one at the center of the revenge. It’s more likely to be an angry economic revenge!!””

Chapter 1882: new target

““I don’t believe that a dead man can become a ghost, but I believe in the ghostly Dao’s reincarnation. All sentient beings have their ghostly nature, and there’s always a fixed definition of good and evil!””

“At Seven o’ clock in the evening, Zhao Yu opened the lunchbox that Captain Zhang Ling had personally brought over as he savored Qi Hao’s last words. ”

“If there really were other murderers in the case, then this sentence was likely to hide the meaning of the murderer’s words. ”

“All living beings had their own ghostly nature, and there was always a fixed definition of good and evil ...”

“Although Zhao Yu couldn’t fully understand the meaning of the sentence, he could feel a sense of revenge. The murderer might have wanted to use the ghost king case to determine the good and evil of some people. ”

“Guan Xian, Lady Dou, lady Qing Cheng, Zhen Gu, and Ling Sha ... Thinking back on the origins of these five Ghosts, almost all of them had been wronged and were not born evil ghosts! ”

“From this, it seemed that the murderer of the ghost king case also had resentment in his heart. However, the resentment that was enough for him to kill five people did not necessarily come from mi Rou, who jumped off the building with a child! ”

So ... What was the murderer’s purpose in doing this?

Who was this person?

“After so many investigation experiences, Zhao Yu deeply understood that no matter what kind of case it was, the most difficult part was often not being able to find the direction of the investigation. ”

“Once they found the right direction and had a certain goal, they would not be far from finding out the truth! ”

“So, Zhao Yu firmly believed that if his investigation direction was correct, then the case would soon make important progress! ”

Unless this line of thought was wrong.

““Chuankai group ...”” Ran Tao picked up some food from the lunchbox and pointed at the big screen.““I think we should investigate this company!””

“““At first, it was called Li Kai, but later it was changed to Chuan Kai. Although I didn’t find any specific information, the reason for the change in name is probably because of Chuan Xing Group.”

“““Chuanxing, chuankai, they sound like they’re competing!”

“““I’ve checked,”” Ran Tao said.”“Among the first companies to bid for Jiansheng new No. 17 high school, whether it was in terms of strength or price, chuankai group had the highest chance of winning the bid!”

“““But, for some reason, it was eventually snatched away by an unknown small construction company!”

“““Boss,”” Ran Tao said to Zhao Yu,”“I think that someone must have done something to the bidding that year. We have to investigate it!””

“““Mm.”” Zhao Yu nodded.”“But, the construction of a school shouldn’t be a big deal for big developers. Even if they didn’t win the bid, it shouldn’t be a big deal!”

“““Brother Tao,”” Zhao Yu stared at Ran Tao and said,”“show me your true ability and dig deeper!””

“““Okay, okay ...”” Ran Tao quickly nodded.”

“““Team leader, I’ve also found some information about the chuankai group,”” Wu Xiumin said.”“When the bidding was held at the left bank of Sena, the chuankai group also participated in the bidding!””

“““Similar to the situation at 17th high school, chuankai group was also the most powerful real estate developer at that time, but in the end, it lost to a small real estate company that was not very famous!”

“““It is said that,”” Wu Xiumin said,”“chuankai group was in a hurry to get this project, so they invested a lot of energy in advance. But in the end, because of the scandal, they were disqualified from the bidding!””

“““Oh ...”” Zhao Yu nodded.”“So, it seems like there’s really something wrong with the chuankai group?””

“““I’m sending people to investigate what exactly happened at that time,”” Wu Xiumin said.”“But from all the signs, it seems that chuankai group’s failure was deliberately planned by someone!””

“““Then ...”” Zhao Yu asked,”“what’s the situation with this company?””

“““Last summer ...”” Wu Xiumin had been prepared for this. When she heard Zhao Yu’s question, she immediately answered,”“the chairman of chuankai company, Wang likai, was admitted to the sanatorium due to his health. All of the company’s business is currently being handled by his son, Wang Zhen.””

“““In the past few years,”” Wu Xiumin said without hesitation,”“chuankai group’s performance has been declining, and it is on the verge of bankruptcy. Now, it is relying on its old capital and some small projects to barely survive!””

“““Hey!”” Upon hearing this, Ran Tao suddenly clapped his hands and said excitedly,”“did you see that? The truth of the ghost king case might be here!”

““““Because of business competition, the chuankai group was suppressed by the Chuanxing group, as well as those construction and real estate companies, and became heavily in debt. So, they want to use the ghost king case to retaliate!”” ”

“Cui Lizhu then said,””he took the opportunity to get rid of Shen Wenbin, the chairman of Chuanxing, and get rid of a strong competitor!”” ”

““““You even found a scapegoat! This plan is simply wonderful!”” ”

““““So,”” Ran Tao said in a hurry,””we have to investigate this chuankai group, especially that Wang Zhen!”” ”

““““Wang Zhen ... Um ...”” Just as he finished speaking, Zeng ke pointed to his computer and said,””I’m afraid everyone will be disappointed. Wang Zhen injured his left leg in a fight five years ago, and now he has to walk with a crutch!”” ”

““““Ah? Is that so?”” Cui Lizhu quickly ran to Zeng ke’s computer and saw that it was indeed the case. ”

““““Could he be ... Pretending?”” Ran Tao raised an objection. ”

““““It doesn’t matter if he’s pretending or not,”” cui Lizhu said.””He could have hired a killer to do it.”” ”

“Then, Zhao Yu looked at Wu Xiumin, exchanged a look, and said,””Well, Zeng ke and cui Lizhu, you two will be in charge of this matter. Investigate the Chuan KAI Group and this Wang Zhen!”” ”

““““Sure, no problem ...”” The two agreed readily. ”

““““But ...”” Zhao Yu looked at the big screen and said,””if Chuan Kai and Chuan Xing were enemies, then killing Shen Wenbin might explain it! Suppressing a small real estate company and causing the project on the left bank of Sena to go bankrupt could also be explained ... ”

““““But ... It doesn’t seem to make sense to suspend classes at 17th high, right? In any case, the school was already built. If there were any problems, it wouldn’t be the builder’s fault ... ”

““““And ... What do ghost city and Guan Di Temple have to do with the Chuan KAI Group?”” ”

““““Team leader,”” Zeng ke said,””ghost city’s accounts have been handed over to the economic investigation team for a secret investigation! However, because they were more professional in accounting, they still needed some time! ”

““““I feel that the company behind ghost city’s money laundering should have something to do with the Chuan KAI Group, right?”” ”

““““Then ... What about the Guan Emperor temple?”” Ran Tao looked at cui Lizhu and asked,””little cui, aren’t you in charge of the Guan Emperor temple? Did you find anything?”” ”

““““I didn’t?”” Cui Lizhu scratched her head.””Among the companies that are interested in bidding, there is no chuankai group. I only know that Chuan Xing is the boss!”” ”

““““That’s more or less the case,”” Ran Tao said to Zhao Yu.””It seems that this is purely economic revenge! If the ghost king case is really related to the Chuan KAI Group, it seems that they don’t want to take advantage of this opportunity to profit, but only want revenge!”” ”

“Just as Ran Tao said that, the office door suddenly opened. Captain Zhang Ling rushed in with an exaggerated laptop in her hand. ”

““Detective Zhao, police detectives,”” as soon as she entered, Zhang Ling said excitedly to the crowd,””Chongyang has just found a new piece of news. They confirmed a shocking piece of news through an old artist who was involved in Tao Yulan’s case!”” ”

“Then, he raised the laptop and placed it in front of Zhao Yu. ”

““Oh?”” ““What news?”” everyone asked curiously. ”

““Look ...”” Zhang Ling pointed at a yellowing black-and-white photo on the computer screen and said,””this is a group photo of Tao Yulan’s troupe! ”

““This one ...”” Zhang Ling pointed at a certain person in the photo and said mysteriously,””is Tao Yulan herself!!!”” ”

Chapter 1883: The suspicious eldest disciple

““Ah!”” ”

“When they heard that they had found Tao Yulan’s photo, they were all shocked and felt a chill run down their spines. ”

“Upon closer inspection, one could see that in the middle of the yellowed photograph, there was a young man in a costume. It was Tao Yulan herself. ”

“Unfortunately, Tao Yulan’s face was covered in makeup, so he couldn’t be seen clearly. But for some reason, when they saw this person, they still felt a strange and ominous feeling. ”

It was probably because he was the ghost king assassin.

““Look ...”” Zhang Ling pointed at the photo and said,””the old artist we found was 19 years old at the time. He was doing odd jobs in the troupe. He was the one standing at the back! ”

““This year, I’m almost at 90!”” ”

““Oh?”” Cui Lizhu was shocked and said in surprise,””we finally found a witness! Captain Zhang, what did this old artist say?”” ”

““Mm ...”” Zhang Ling said helplessly.””The old artist said that Tao Yulan was arrested less than half a year after he joined her troupe! ”

““Because he was only an odd-job worker at the time, he didn’t know much about Tao Yulan ...”” ”

““D * MN ...”” Cui Lizhu complained.””We’ve already used a bamboo basket to get water, and now ...”” ”

“““No, not exactly.”” Zhang Ling suddenly pointed at the photo and said,““look, the two children standing beside Tao Yulan ...”” ”

Oh?

“Everyone quickly looked over and saw that Tao Yulan was sitting in the center of the photo, and on her left and right, two young children stood. ”

“““The old artist said,”” Zhang Ling introduced,””that these two children were not only Tao Yulan’s disciples, but also her adopted children! ”

“““Did you know?”” Zhang Ling pointed at the shorter child.””This child is Qi Hao’s grandfather, Qi shengrong!”” ”

“““Ah?”” ”

“Hearing this, everyone was shocked again, and Zhao Yu even had goosebumps all over his arms. ”

“““It’s actually him!?”” Ran Tao was also surprised.””So, Qi Hao ... Qi Hao really has an important relationship with Tao Yulan?”” he asked. ”

“““Then ...”” Zhao Yu suddenly realized a problem and pointed at the other child,””this tall one, who is he?”” ”

“““It’s my eldest disciple,”” Zhang Ling replied,””his name is yang qinchen!”” ”

“““Oh?”” Zhao Yu looked at the child carefully and had an indescribable strange feeling in his heart. ”

“““The old artist said,”” Zhang Ling continued,””that ever since Tao Yulan’s incident, her eldest apprentice disappeared. Only her youngest apprentice, Qi shengrong, took over Tao Yulan’s mantle and continued to be active on the stage of Sichuan Opera ...”” ”

“““Then ...”” Zhao Yu seemed to have caught on to something and asked,””have you found the whereabouts of your first disciple?”” ”

“““I ... I’m looking for him ... But ...”” Zhang Ling said awkwardly,””he’s been missing for so many years. I’m afraid he’s already dead, so ...”” ”

“““Yang qinchen ...”” Cui Lizhu asked,””this name, is it correct?”” ”

“““No, he won’t ...”” Zhang Ling replied.””The old artist’s memory is surprisingly good. He said that he was living in the same room as yang qinchen at that time, and they had a good relationship, so he wouldn’t have forgotten. Oh ...”” ”

“““He also said that because of the influence of the opera, yang qinchen kept telling him that he was the descendant of a Yang family general ... ”

“““Also, this yang qinchen has a special talent for singing and is deeply loved by Tao Yulan. If he had persevered back then, he would have definitely become an artist by now!”” ”

“““Then ...”” Zhao Yu suddenly thought of a question,””back then, how old were yang qinchen and Qi shengrong?”” ”

““““Hmm ...”” Zhang Ling thought for a moment and replied,“““the old artist said that Qi shengrong was only about 10 or 11 years old, and that he was still a child. Yang qinchen was about 16 years old!”” ”

““““Um ...”” Zhang Ling continued,“““the old artist also said that these two children were adopted by Tao Yulan before the liberation. It is said that the two children’s father was Tao Yulan’s peer, but unfortunately died in the war ...”” ”

““““Wow, there’s such a legendary story? “““If that’s the case ...”” Cui Lizhu gulped.””Tao Yulan isn’t a bad person, is she?”” Is there any other injustice in the ghost king case?”” ”

““““I think ...”” Zeng ke said.””Isn’t this first disciple more suspicious? On second thought ... If Tao Yulan was going to pass the record of the ghost king to her disciple, she should have passed it to her eldest disciple, who was more sensible, right? ”

““““Then ... Then it shouldn’t be in Qi Hao’s hands? ”

““““Don’t tell me ...”” ”

Zeng ke’s words immediately brought everyone into infinite speculation.

It seemed that the appearance of his eldest disciple had indeed brought a great change to the ghost king case!

““““You mean ...”” Cui Lizhu stared at Zeng ke and asked,“““the real murderer of the ghost king case is the descendant of this first apprentice?”” He knew Qi Hao’s past, so he found Qi Hao and made him a scapegoat? ”

““““This ... This is too unbelievable, right?”” ”

““““Qi shengrong was only ten years old back then, and he was still an insensible child ...”” Zeng ke guessed.””Tao Yulan would never give the record of the ghost king to a child!”” ”

““““Wait a minute,”” Ran Tao suddenly patted his head and said,“““weren’t we going to investigate the chuankai group? What’s chuankai group’s last name?”” ”

““““King!”” Wu Xiumin replied,“““the Chairman’s name is Wang likai, and he’s now in charge of it by Wang likai’s son, Wang Zhen ...”” ”

““““His surname is Wang ...”” Ran Tao shook his head.””But Tao Yulan’s eldest apprentice’s surname is yang, so it doesn’t make sense, does it?”” ”

““““What?”” “““Everyone, why did you suddenly mention chuankai group?”” Zhang Ling asked. ”

Everyone was slightly taken aback when they heard Zhang Ling’s question. They realized that Captain Zhang Ling was still unaware of the latest development in the case.

““““Captain Zhang,”” Zhao Yu seemed to have heard something and asked in a hurry,“““from what you’re saying, you’re very familiar with the chuankai group?”” ”

““““Of course ...”” Zhang Ling said.””It was called Li Kai construction company in the beginning. My sister used to be a general supervisor there ...”” ”

“““Oh? Is that so?”” Zhao Yu and the team members looked at each other and asked,““then can you tell us about the history of the Chuan KAI Group?”” ”

“““History?”” ““This company used to be the best construction company in andu. Later on, it was upgraded to a real estate company that everyone knows!”” ”

“““Bull? Is it more powerful than Chuanxing group?”” Ran Tao asked. ”

“““Hmm...How should I put it?”” Zhang Ling said,““Chuanxing is a long-standing leading company, even earlier than the chuankai group. However, after the rise of the chuankai group, it once surpassed the Chuanxing group and did well in western Sichuan!” ”

“““These two groups have a history of grudges. When chuankai was first established, it was called Li Kai, but in order to overtake Chuanxing, it was changed to chuankai!” ”

“““After that, he took away many of Chuanxing’s projects, which made Chuanxing very unhappy!”” ”

“““Then ... What happened after that?”” Zhao Yu seemed to see the key to the problem, so he quickly asked. ”

“““After that?”” Zhang Ling replied,““chuankai has only been glorious for a few years, right? In the end, it was suppressed by Chuanxing. First, they lost a lot of projects, then there was a debt crisis and so on. Now, they could not do it!” ”

“““I heard that Wang likai couldn’t accept the decline of the Chuan KAI Group and almost lost his life. He even had mental problems and was admitted to the mental hospital!”” ”

“““Ah? Mental hospital? Isn’t it a nursing home?”” Everyone was shocked and looked at each other. ”

“““What?”” Zhang Ling was taken aback and quickly clarified,““I’m sorry, I’m sorry. I’ve only heard of it. That’s all! It might just be a rumor. I ... I can confirm it later!”” ”

“““So ...”” Zhao Yu said,““the two groups have a deep grudge?”” ”

“““Well, you can say that,”” Zhang Ling said.““My sister said that the legs of the current chairman of chuankai, Wang Zhen, were also broken by Chuanxing’s people!” ”

“““For this, our Criminal Police Department also specially investigated! But ... That case was handled by the branch office, so I’m not too sure about the details ...”” ”

Chapter 1884: Latest news

“At 11:00 the next day, the Special Investigation Group’s office was bustling with activity again, and everyone was busy. ”

“““Team leader,”” Zhang Ling was the first to report to Zhao Yu,““the mental illness was not a rumor, Wang likai really suffered a shock and developed a serious mental problem!” ”

““““However, Wang Zhen didn’t put him in the sanatorium. Instead, he took care of him at home and hired many people ...”

““““Also,”” Zhang Ling continued,””I investigated the incident where Wang Zhen was injured. Five years ago, Wang Zhen was accidentally involved in a fight. In the chaos, he was pushed off the roof, causing his right leg to be permanently disabled!”

““““The person in charge of pushing Wang Zhen has been found and sentenced to seven years in prison. But because of the reduced sentence, he’s already out of prison.”

““““I’ve already sent the criminal Police to look for this person.”” Zhang Ling looked a little embarrassed.””However, even if he was bribed, he would never admit it! After all, he’s already been imprisoned ...”” ”

““““Mm ...”” ”

“Zhao Yu nodded silently. In fact, according to his temper in the past, as long as he could find this person, Zhao Yu had a hundred ways to make him confess.”

“But Zhao Yu obviously wouldn’t do that now. Moreover, he didn’t think it was necessary. It was because the truth had become clearer. Wang likai’s family did indeed have a deep conflict with the Shen family of Chuanxing group!”

““““I really wouldn’t have known if I hadn’t checked, but once I did, I was shocked!”” At this time, cui Lizhu came over with a document and reported to Zhao Yu,””I went back and checked the records of the residential area where the temple of Guan was located. The residential area has been demolished many times, but in the end, it was all because of some accidents ...”” ”

““““At that time, demolition wasn’t as strict as it is now. Generally, they would attract investment first, then demolish,”” cui Lizhu said, her eyes wide open.””Did you know? Chuankai group had won the bid three times, but they were all scammed in the end!”

““““Also, I checked the records, and in the end, they all failed because the demolition rate was not up to standard. I guess ...”” Cui Lizhu said.””Someone did something bad!”” Perhaps he had bribed the local residents and deliberately made them stay in the house without signing.”

““““Actually, according to the standards given by chuankai group, it’s already a good enough discount.”” ”

““““It’s the same for 17th middle school,”” Ran Tao said.””Boss, I did an in-depth investigation according to your ideas, and I really found something!”” ”

““““It seems that if the Chuan KAI Group really wants revenge, their target is not the construction company that built 17th high school, but the school itself!”” ”

““““Oh?”” Her words caught Zhao Yu’s attention.””What do you mean?”” ”

““““The key is the Lanyang Academy! Ran Tao quickly said,””the chuankai group participated in the bidding for the construction of No. 17 high school with the purpose of getting the Lanyang Academy. Because the Lanyang Academy is a historical relic, it has a high appreciation value.”

“““So, the chuankai group agreed to help build the teaching buildings and school dormitories for free, but the premise was that Lanyang Academy would be acquired by the chuankai group and be under their name! ”

“““Originally, the school had already agreed to the chuankai group’s request under such favorable conditions. ”

“““However, in the end, for some unknown reason, the situation suddenly changed. In the end, an unknown small construction company won the bid, and the Lanyang Academy was eventually retained in the school! ”

“““Boss,”” Ran Tao said proudly,””although there is no evidence to prove it, what exactly happened? ”

“““But after my in-depth investigation, I found a reliable source of information. The mastermind behind this should be the Chuanxing group, led by Shen Hao! ”

“““Shen Hao saw through Wang likai’s plan a long time ago, so he secretly funded the small construction company and offered conditions that 17th high couldn’t refuse. That was why chuankai group’s plan was ruined! ”

“““The facts have proven that if the chuankai group had successfully acquired the Lanyang Academy, they would have made a huge profit! ”

“““That Academy is worth 100 million Yuan!”” ”

“““Waa!”” Cui Lizhu clapped her hands and said,””if that’s the case, do we really have found the person behind the ghost king case? ”

“““The real murderer is most likely this Wang Zhen!”” Cui Lizhu spread out her hands, gesturing as she speculated,””my family business was suppressed, my father was forced to go crazy, and my leg was broken! ”

“““Isn’t this the modern version of the Prince’s revenge? Wang Zhen committed the ghost king case in order to take revenge on his opponents who had suppressed him back then! ”

“““Using the ghost centipede to take revenge!?”” ”

“““This is really sensational!”” Ran Tao swallowed and said,””he used the ghost king case to achieve his revenge! ”

“““He killed Shen Wenbin, the heir of the Chuanxing group, and then took revenge on those stubborn households in the Guan Emperor temple, the school leaders of No. 17 high school, and the developer on the left bank of Sena who had ostracized him! ”

“““We don’t even know what’s going on between ghost city and the willow tree tomb. If they’re related, we’ll be able to kill many birds with one stone.”” ”

“““Team leader,”” Zeng ke asked anxiously,””can we bring Wang Zhen back for questioning now?”” If the real target of the ghost king case is the Chuan KAI Group, then even if Wang Zhen isn’t the real murderer, he must be related to it. “” ”

““No...”” Zhao Yu frowned, shook his head, and said,““now is not the time. All of our inferences are subjective, and there is no real evidence!””

““Besides, even if Wang Zhen is the real murderer, we can’t make him confess.””

““Furthermore, we still have a few problems that have not been resolved. If it’s related to commercial revenge, then mi Rou’s problem seems inexplicable. What role does mi Rou play?””

““If mi Rou jumping off the building was also one of their plans, then isn’t this revenge plot a little too unbelievable?””

““If Wang Zhen really had such a brain, he would have already made a name for himself in the business world. Why would he take the risk of killing someone?””

““Hmm ...”” Cui Lizhu scratched her head.““That seems to be true, right?””

““Also, to use the ghost king case to commit the crime, the murderer must at least know the ins and outs of the ghost king case, which means that he must have some connection with Tao Yulan!””

““But Wang Li Kai and Wang Zhen are both surnamed Wang!”” Zhao Yu continued,““he doesn’t have the same surname as Tao Yulan, Qi shengrong, or yang qinchen?””

““Aiyo, don’t worry so much, boss!”” Cui Lizhu urged,““who cares what his last name is? Don’t forget, yang qinchen was a man, but that didn’t mean he had a son. What if he gave birth to a daughter, and the son-in-law’s surname was huanwang?””

““Hey!”” Cui Lizhu’s eyes lit up.““Could it be that Wang likai is yang qinchen’s son-in-law?””

““No... No, no, no...”” Zhang Ling hurriedly said,““we’ve already investigated Wang likai’s family tree, and there’s no connection between him and yang qinchen or Tao Yulan!””

““We’ve also done some research on the Wang family’s interpersonal relationships. They don’t have any connections with Qi Hao or Qi shengrong, but...Hmm ...””

Zhang Ling paused for a moment.

““But what?”” Cui Lizhu urged.”

““Wang Zhen’s ex-wife’s surname is yang,”” Zhang Ling said.““But they’re already divorced. It’s said that his ex-wife was biased towards the rich. When she saw that the chuankai group was facing bankruptcy, she went abroad to find a rich man ...””

““So ...”” Zhang Ling shrugged her shoulders.““This woman should have nothing to do with the ghost king case, right?””

““No!”” Zhao Yu shook his head and said,““you’d better look into her. Although she has nothing to do with the ghost king case, what if she’s yang qinchen’s descendant?””

““Wang Zhen might have gotten the”” record of the ghost king ““from her, right?””

““Oh ...”” Zhang Ling nodded.““Then I’ll ... I’ll hurry and check ...””

“Just as Zhang Ling was nodding her head, his phone rang. Someone had sent him a new message.”

“After reading the message, Zhang Ling’s expression changed and she quickly reported to Zhao Yu,” “My men have just received news that Shen Wenbin’s father, Shen Hao, has died!” “ ”

Chapter 1885: Neighbors again

“At 7 p.m., In a high-end Western restaurant in Yuyang District of andu city. ”

“Zhao Yu and Zhang Ling were sitting at a table by the window. Although there was a sumptuous spread on the table, the two of them were not in the mood to enjoy it. Their eyes were all looking at another table not far away. ”

“““Look,”” Zhang Ling said,””the one in the blue suit is Wang Zhen! I’ve already sent someone to check his medical records, and his leg is really disabled. It’s impossible for him to have committed the ghost king case personally!”” ”

“““Mm ...”” ”

“Zhao Yu took a closer look at the current chairman of the chuankai group. Although Wang Zhen was a middle-aged man in his forties and had a disability in his leg, he was handsome and had a good appearance. ”

“Moreover, his every movement exuded an elegant aristocratic temperament. One look and one could tell that he was not an ordinary person. ”

“““The two people sitting beside him,”” Zhang Ling introduced,””are the two managers of the Western Sichuan bank’s credit department. Recently, there’s been news that the chuankai group is going to carry out a new round of financing and is preparing to bid for a few pieces of land in andu ...”” ”

“““Oh ...”” Zhao Yu nodded slightly, then whispered,””all these years, the Shen family of Chuanxing has been suppressing the chuankai group, making it hard for the Wang family to breathe! ”

“““Now, there are no more obstacles. Shen Wenbin was killed, and now even the sect leader, Shen Hao, has died of illness. This is a good opportunity for Dongshan mountain to rise again!”” ”

“““Yes!”” Zhang Ling also whispered,””with Shen Hao’s death, Chuanxing group will really be in chaos for a while! ”

“““If Wang Zhen manages to get the funds and successfully bid for a suitable land, then the rise of chuankai group will only be a matter of time!”” ”

“““Humph, that’s smart,”” Zhao Yu said.””If the ghost king case is really related to Wang Zhen, then this move was really a good one!”” ”

“““In fact, the ghost king case can still bring them great benefits, but it’s not as obvious as it seems!”” ”

“““I think so too, this Wang Zhen is too suspicious,”” Zhang Ling said.””He thought that since he was crippled and his family had nothing to do with Tao Yulan, we wouldn’t suspect him! ”

“““Let’s see, the ghost king case was most likely done by someone he hired! ”

“““You’re right, this move is indeed ruthless!”” Zhang Ling continued,““if he just hired someone to assassinate Shen Wenbin, or did other criminal acts against the Chuanxing group, then the police will soon suspect him! ”

“““But, when the”” ghost king case ““came out, it directly changed our train of thought! ”

“““If it wasn’t for you, we would never have thought that it would be a commercial revenge! ”

“““And ...”” Zhang Ling gritted her teeth and said,““they even found a scapegoat, Qi Hao, in the end. We were almost fooled ... ”

“““If the case is closed haphazardly ... Detective Zhao,”” Zhang Ling asked,““would this be considered a perfect crime?”” ”

“““I don’t know if it’s perfect or not. It’s just that Qi Hao and Shen Hao are always in a daze ...”” Zhao Yu took a sip of red wine and said,““when I heard the news of Shen Hao’s death today, I was still puzzled! Wasn’t Qi Hao dead? Why did he die again? Later, when I heard that he was Shen Wenbin’s father, I finally understood!”” ”

“““Hehe,”” Zhang Ling smiled.““It’s just a name. In fact, Shen Hao has always been in poor health. Otherwise, he wouldn’t have handed the company over to Shen Wenbin so early on!”” ”

“““After the ghost king case, his family kept the news of Shen Wenbin’s death a secret. However, such a big company naturally needed someone to step up and take charge of the situation. So, in the end, the news was still found out by old master Shen Hao! ”

“““In the end, when elder Shen found out about his son’s tragic death, he was so angry that he fainted on the spot. Who would have thought ...”” Zhang Ling shook her head helplessly.““By the time he was sent to the hospital, it was already too late! ”

“““This is great.”” Zhang Ling secretly pointed at Wang Zhen in the distance.““With the Shen father and son dead, the Wang family will naturally be able to hold their heads high and become the biggest beneficiary!”” ”

“““You see ... Shen Hao just died today, and Wang Zhen couldn’t help but look for the bank manager to discuss business ... ”

“““Even a ghost wouldn’t believe that there’s nothing wrong with this!”” ”

“““But ... ”” ”

“Zhao Yu cut a piece of the Tomahawk steak, but he sighed. ”

“““Yeah ...”” Zhang Ling was not stupid and immediately understood what Zhao Yu meant. She said helplessly,““but, we can’t do anything to him now, right?”” ”

“Zhao Yu nodded again. Obviously, Zhang Ling had hit the point. ”

“Even if they had found out that Wang Zhen might be the mastermind behind the ““ghost king case,”” they didn’t have any evidence to send Wang Zhen to the police! ”

“He didn’t even have the right to bring Wang Zhen back to the police station for questioning, let alone make him plead guilty. ”

“““Unfortunately,”” Zhang Ling sighed,””there were so many crime scenes in the ghost king case, but none of them left any evidence that could be used for an effective comparison! ”

“““Now ...”” Zhang Ling looked at Wang Zhen in the distance and said,””we can only keep an eye on Wang Zhen. If we can find the killer he hired, we might have a chance!”” ”

“““Hmph!”” Zhao Yu snorted coldly and said,””the truth can’t be faked, and the fake can’t be real. If this case is really Wang Zhen’s mastermind, then he can’t escape! ”

“““As the saying goes, if you don’t want people to know, then don’t do it. There is no perfect crime in this world! But ...”” ”

“““Oh?”” ““But what?”” Zhang Ling asked anxiously. ”

“““But ... I still don’t understand ...”” Zhao Yu said honestly.””If ... Wang Zhen is really the murderer behind the ghost king case, then ... His IQ is not low, is it?”” ”

“““Of course.”” Zhang Ling nodded.””I’ve been a Criminal Police officer for so many years, but I’ve never encountered such a complicated murder case with such high intelligence!”” ”

“““That’s strange,”” Zhao Yu wondered.””If Wang Zhen was really that powerful, then for so many years, would the Chuan KAI Group have been suppressed so badly by Chuan Xing? ”

“““With Wang Zhen’s intelligence and ruthlessness, he should have killed Chuan Xing long ago. Do you still need to use the ghost king case?”” ”

“““This ...”” Zhang Ling scratched her head.””That’s true! ““Could it be ...”” He thought quickly and soon came up with a reason.””Could it be that the honest man was forced into a corner?”” ”

“““A kind man doesn’t command an Army, and a righteous man doesn’t do business. Could it be that Wang Zhen just wanted to do business honestly, but in the end, his own leg was broken, and his father went crazy? That’s why I decided to go all out, that’s why ...”” ”

Di di ... Di di ...

“Just as he said this, a phone suddenly rang at the table. ”

Zhao Yu and Zhang Ling checked the phone together and realized that it was Zhang Ling’s phone.

“““Hello ...”” In order not to attract Wang Zhen’s attention, Zhang Ling picked up the phone without looking at the display.””What’s the matter?”” she asked softly. ”

“In the end, Zhang Ling’s expression changed when she heard the contents of the call. ”

“He had been listening for a long time, then hung up the phone and reported to Zhao Yu with a look of surprise,”” ”

“““Detective Zhao, my people just found out that Wang Zhen ...”” As he spoke, he glanced at Wang Zhen in the distance, then lowered his voice and whispered to Zhao Yu,““some things about Wang Zhen’s ex-wife ...”” ”

“““His ex-wife’s name is yang Zimei. We’ve checked her household register, and there’s no yang qinchen in her family ...”” ”

“““Oh ...”” Zhao Yu nodded, but looked puzzled.““So, although her surname is yang, she shouldn’t have any relationship with Tao Yulan?”” ”

“““No... It’s the exact opposite ...”” Zhang Ling suddenly said nervously,““we found out that yang Zimei used to be a soldier, and she was an information soldier like Qi Hao!”” ”

“““What?”” Zhao Yu was confused,““what do you mean?”” Female, information soldier?”” ”

“““That’s nothing,”” Zhang Ling continued,““do you know where her old house is?”” ”

“““Where ... Where?”” At that moment, Zhao Yu realized how serious the problem was. He had an answer in his mind, but he didn’t say it out loud. ”

“““It’s at the willow tree tomb!”” Zhang Ling’s eyes widened in shock.““He’s Qi Hao’s ... Neighbor!!!”” ”

Chapter 1886: see-through

“““Don’t worry about anything else.”” In a speeding police car, Zhang Ling ordered one of her subordinates through her phone,““just keep an eye on Wang Zhen. Be careful not to let him find out!”” ”

“““Remember, this person is an important suspect. You must keep a close eye on him! If he gets away, don’t blame me for being impolite ...”” ”

“After hanging up the phone, Zhang Ling looked out of the car in a hurry, then said to Zhao Yu,““Detective Zhao, it seems that their divorce may be fake! ”

“““According to the investigation ... Wang Zhen’s ex-wife, yang Zimei, had no record of leaving the country after her divorce. I think ... There’s definitely something fishy going on!”” ”

“Zhao Yu didn’t say anything, but he agreed with Zhang Ling. ”

“Wang Zhen’s ex-wife was very suspicious. First, her surname was yang. Second, she was once an information soldier, third, she lived on the willow tree tomb, and third, she was a woman. Fourth, she had a close relationship with Wang Zhen. Even though they were divorced, she was one of the biggest beneficiaries of the ghost king case! ”

“““Maybe the divorce is just a cover,”” Zhang Ling said.““The divorce can divert our attention! In my opinion, this case was probably done by the two of them together!”” ”

““““Intel soldiers ...”” Zhao Yu also looked out the window. At this moment, they were rushing to the willow tree tomb.””What’s with the Intel soldiers?”” ”

““““We’re ... We’re still investigating ...”” Zhang Ling replied hurriedly.””From the military unit that they served in ... Yang Zimei and Qi Hao should be in the same military unit!”” ”

““““Not only are they neighbors, but they’re also in the same unit,”” Zhao Yu said.””The relationship between these two must be unusual, right?”” ”

““““The only difference is,”” Zhang Ling continued,””Qi Hao retired from the Army earlier due to a serious illness, while yang Zimei was promoted to an officer and even studied in an Intelligence Agency.”” ”

““““But ... For some reason, she didn’t continue to work. Instead, she married Wang Zhen and became a rich woman!”” ”

““““You mean ...”” Zhao Yu asked.””She has the ability to commit the ghost king case?”” ”

““““That’s very possible. Although it’s a woman, since she was in the military, there shouldn’t be a problem, right?”” Zhang Ling analyzed,””the point is that she’s very close to Qi Hao and knows everything about him. She knows that Qi Hao is a homebody, so ...”” ”

““““Mm ...”” Zhao Yu nodded.””Motive, ability, and conditions, all three match ...”” ”

““““Moreover, although Wang Zhen’s leg is crippled,”” Zhang Ling continued,””it doesn’t mean that he can’t do anything, right? He can also help yang Zimei!”” ”

““““And ...”” Zhao Yu continued,””the problem with the record of the ghost king has been solved. It was left behind by Qi Hao’s grandfather, but because they were close, Qi Hao showed it to yang Zimei. That’s why yang Zimei thought of using the ghost king case to kill people!”” ”

““““That’s right!”” Zhang Ling slapped her thigh.””Detective Zhao, can we arrest him now?”” ”

““““No!”” Zhao Yu waved his hand and said,””let’s go to yang Zimei’s house first and see what’s going on. The ghost king case was done so perfectly, so the murderer must have been mentally prepared!”” ”

““““Let’s ... Meet her first and see who she is?”” ”

“At this time, the police car that Zhao Yu and Miao Ying were in had already passed through chuanmei bathing center and entered the alley of the willow tree tomb. There were other criminal investigators who had rushed over from the police station, including Ran Tao and his team. ”

Di di ... Di di ...

“Before she got out of the car, Zhang Ling’s phone rang again. ”

“After picking it up, Zhang Ling’s eyes widened in disbelief. She quickly reported to Zhao Yu, ”

““““Detective Zhao is too ... Too strange! Do you know? Yang Zimei’s old house had five single-story houses, but two of them were rented out!”” ”

“““Oh my God!”” Zhao Yu’s mouth was wide open.”“You’re not trying to say that the two rooms were rented to mi Rou, are you?”” ”

“““That’s right!”” Zhang Ling nodded her head vigorously.”“Oh my God, we ... We actually missed such an important clue! Who would’ve thought ... Mr. Landlord ... It’s Mr. Landlord ...”” ”

Creak ...

“Before Zhang Ling could finish her sentence, the car had already stopped at the entrance of an alley. The two of them quickly got out of the car. ”

“Looking up, they had indeed been here before. Mi Rou’s rental house was about ten meters into the small alley. ”

“““Captain, this way ... This way ...”” However, a police officer who had been waiting there for a long time led the two to another alley. ”

“When Zhao Yu and Miao Ying followed the police officers to a door, the police officers quickly asked,”“Leader, should we knock?”” ”

“““No!”” Zhao Yu ordered decisively,”“all of you, take out your guns. Later, when we break in, all of you scream and shout as loudly as you can. I’m going to knock on the mountain and scare the Tiger, so that the other party can’t react in time!”” ”

“““Yes!”” The police officers took the order and pulled out their pistols. ”

“Zhao Yu knew that the ghost king case was done flawlessly. Even if they caught the suspect, they might not be able to get him to confess. ”

“However, no matter how strong a criminal’s mental fortitude was, there were still times when he was weak. Therefore, he wanted to take the opportunity to intimidate the suspect. If the suspect was really the ghost king assassin, he might give himself away in the panic! ”

Swoosh Swoosh Swoosh ...

The fully armed police officers knew the importance of this matter and immediately surrounded the suspect’s house. The leading police officer checked the lock on the door and nodded to the others.

“At the same time, two police officers ran over to Zhao Yu and Zhang Ling with two bulletproof vests, signaling for them to put them on. ”

“However, the two of them knew that they were just bluffing and didn’t really wear it. ”

“Soon, two police officers ran out of the crowd with hammers in their hands. They worked together to hit the iron door of the suspect’s house with the hammer. With only one sound, the iron door was broken! ”

Bang!

“Following the loud noise, more than a dozen armed police officers rushed into the suspect’s courtyard and then rushed to each room in the courtyard. ”

“Crack, crack ...”

“While Zhang Ling and Zhao Yu were waiting outside, Zhang Ling’s smoking addiction kicked in. She took out a cigarette and started it with a lighter.”

“However, before he started the lighter, he suddenly remembered that Zhao Yu didn’t like to smoke, so he put it away.”

“However, Zhao Yu didn’t care about his actions. When the police officers rushed in, he quickly followed them.”

“Zhao Yu, of course, wanted to see how the suspect would react after seeing so many police officers.”

““Hey ... Hey Hey ...”” However, Zhang Ling was shocked. She quickly blew out the cigarette in her mouth and followed Zhao Yu in ...”

“In the end, something unexpected happened. When the two of them rushed in, they found that all the houses were empty. There was no one in the house!”

Tsk tsk ...

“Zhao Yu walked into the main room. As he was smacking his lips, he noticed another strange phenomenon. In the three main rooms, other than two small beds and a few old cupboards, there were almost no other furniture.”

“Moreover, the strangest thing was that the room was filled with a damp smell of starch powder, as if it had just been repaired.”

“Out of curiosity, Zhao Yu walked to the wall of the inner room and wiped it with his hand. He was surprised to find that the wall had just been painted, and had not even dried yet!”

This ...

“Zhao Yu wiped the wall a few times, and something even more amazing happened. Under the paint, there were some faint black words ...”

““Hurry up!”” Zhang Ling’s reaction wasn’t slow. She immediately beckoned to her subordinates, “quick, get a wet towel and wipe the wall!”” “Hurry up!””

The police officers received the order and immediately went to prepare wet towels.

“However, Zhao Yu had already clicked on the device bar in his brain and used an invisible x-ray vision device.”

“The invisible fluoroscopic device could not only see through walls, but if it was adjusted, it could also see things hidden under the paint.”

“In the end, as Zhao Yu adjusted the invisible fluoroscopic device, the scene on the wall suddenly made his scalp numb and he felt a chill run down his spine!”

“On the wall, in addition to a large number of strange ghost symbols, there were also five lifelike portraits of fierce ghosts. At the bottom of the signature, a line of bold and powerful words was written in official script: ”

“””I don’t believe that a dead man can become a ghost, but I believe in the ghostly Dao’s reincarnation. All living beings have ghostly nature, and there’s always a fixed good and evil ...”” ”

Chapter 1887: Lucky Strike

“A few minutes later, the police wiped off the latex paint on the wall with a wet cloth and saw the strange scene on the wall. ”

“He saw that the ghost symbols and drawings of ghosts were all drawn with a fuel similar to black charcoal, as if they were deeply embedded in the wall. They couldn’t be covered up by a layer of latex paint. ”

“In particular, the five lifelike portraits of ghosts were extremely realistic and even terrifying. All the police officers present were dumbfounded and their hands and feet turned cold. ”

“However, Zhang Ling, who was familiar with the “”record of the ghost king,”” could tell that the five portraits were the first five Ghosts recorded in the “”record of the ghost king””! ”

“Sixty-six years ago, after Tao Yulan killed someone, she dressed the body up like these five Ghosts! ”

“””How ... How did this happen?!”” ”

“Looking at the eerie wall, Zhang Ling shuddered and was stunned. ”

“At that very moment, Zhao Yu had already arrived at another bedroom. The wall of the bedroom was only one wall away from mi Rou’s rented room. ”

“He soon saw that there were also freshly painted marks on the wall. Through his invisible x-ray vision, he could see clearly that the other five malicious spirits from the “”record of the ghost king”” were also drawn on the wall! ”

“Guan Xian, Lady Dou, lady Qing Cheng, Zhen Gu, and Ling Sha ... In the new Ghost king case, the victims were dressed up as these five malicious ghosts ... ”

“Yes, yes ... ”

The ten malicious ghosts were all here!

“After the initial shock, Zhao Yu realized that he had found the right clue. ”

“If there were no accidents, the owner of the room was the real murderer of the ghost king Record! ”

“Since the house was Wang Zhen’s ex-wife, yang Zimei ‘s, the murderer must be this woman? ”

“Then, Zhao Yu carefully observed the room and found more clues. He saw that the lower part of the wall had not been painted yet, which seemed to be insufficient. ”

“At the corner of the wall, there were brushes for painting, a few empty buckets, and all kinds of wall-painting tools. From the humidity of the paint, it could be seen that the paint on this wall was fresher, and it should have been painted not long ago. ”

Could ... Could it be ...

“““Captain Zhang, Captain Zhang ...”” Thinking of this, Zhao Yu quickly ran to Zhang Ling and ordered, ““quickly get your men to search the vicinity and find any suspicious targets. The suspect may not have gone far! ”

“““Also, track down yang Zimei’s phone number and see where she is now.”” ”

“““Yes! ““Yes ...”” Zhang Ling quickly ordered. ”

“At this moment, a police officer came up to Zhang Ling nervously. He wanted to say something to her, but she was busy giving orders and ignored him. ”

“““What’s wrong?”” Zhao Yu could tell that there was something wrong with the police officer, so he asked. ”

“““Oh ... Leader ...”” The police officer quickly replied, ““it’s like this, I ... I’ve been here before. When you sent me to investigate mi Rou’s rental situation, I ... I’ve seen the owner of this house!”” ”

“““What?”” Zhao Yu was shocked. He quickly grabbed the policeman’s arm and asked, ““have you seen the owner of the house?”” ”

“““Yes ... Yes,”” the police officer was scared and at a loss.””I asked mi Rou’s landlord, but ... But ... Her landlord ... Is a man?”” he said. ”

“““Ah? Male?”” Zhao Yu looked at Zhang Ling and was surprised again. ”

“““I ... I didn’t bring my record book, but ...”” The police officer confirmed.””Mi Rou’s landlord was really a man. I ... I only asked him about the rental house at the door, but ... But ...”” ”

“““But what?”” ““What did that man look like?”” Zhang Ling asked anxiously. ”

“““Elder ...”” The police officer quickly replied, ““it’s a man, a man in his 50s, and he looked quite strong!”” He’s kind ...”” ”

“““Oh ...”” Zhang Ling smacked her forehead.””I almost forgot that yang Zimei’s household register has more than one person. She has a father and a grandfather!”” ”

“““Is this man in his 50s her father?”” ”

“““Investigate!”” Zhao Yu quickly reached out and ordered, ““hurry up and investigate, the sooner the better! Anyone who lives in this house is a suspect!”” ”

“““Yes, yes ...”” ”

Zhang Ling took out her phone and was about to make a call when it rang first.

“In order to let Zhao Yu get the news as soon as possible, he deliberately turned on the speaker. ”

“““Captain, Captain ...”” A police officer on the phone said anxiously,““we found a suspect in the alley. It’s a female, and there was a bucket of latex paint on her electric car!”” ”

“““We went up to ask her, but she threw the electric bike away and ran away ...”” ”

“““Geezer GE ...”” Zhang Ling was so shocked that even her tone had changed.““Catch ... Catch her!”” Don’t let her escape! Hurry up!”” ”

“Seeing that Zhang Ling was in a panic, Zhao Yu grabbed the phone and asked loudly, ”

“““Tell me, which direction did the suspect go? Where are you guys?”” ”

“““We ... We’re at the entrance of the alley. The woman jumped over the wall and ran away. We’ve already sent people to chase after her ...”” ”

“““Climb over the wall?”” Zhao Yu and Zhang Ling looked at each other, suddenly feeling anxious. ”

“““Quick!”” Zhang Ling shouted again.““Lock down the entire willow tree tomb. We must capture her, no matter the cost!”” ”

Di di ... Di di ...

“Before he could hang up, Zhao Yu’s mobile phone suddenly rang again. He opened it and saw that it was Ran Tao. ”

“Oh my God, what happened again? ”

“Zhao Yu, who was already exhausted, quickly picked up the phone. Unexpectedly, Ran Tao’s excited and happy good news came through the phone.““Boss, boss! I caught a sneaky woman who ran quite fast in the bath just now ...”” ”

.....

“Five minutes later, Zhao Yu and Zhang Ling saw the woman that Ran Tao had caught in front of the police car. As they had seen the photo before, they were very sure that this woman was Wang Zhen’s ex-wife, Zhenzhen, yang Zimei! ”

Zhao Yu had never thought that he would meet the biggest suspect in the ghost king case in such a way.

“Yang Zimei was wearing a black T-shirt, a pair of jeans, and a pair of sneakers. She looked no different from any other woman. ”

“However, there were some paint stains on her body. It was obvious that she was the one who painted the wall! ”

“As there was a new barrel of latex paint on her electric car, Zhao Yu speculated that she would continue to paint the wall tonight! ”

“““Don’t you guys think this is called “zhengs,”” huh?”” At this time, Ran Tao, who was standing on the other side, said to the police officers in high spirits,““I was searching the bath center on my side, and I didn’t expect someone to suddenly climb over the wall and run into me. How can I not arrest her?”” ”

““““You don’t say. That woman is quite agile. I almost let her run away again. However, our Kung Fu is not for nothing. It’s child’s play to deal with a woman, hehehe ...”” ”

“Zhao Yu felt that Ran Tao’s voice was too loud, so he immediately waved at him, signaling him not to talk nonsense. ”

“Then, he walked over to yang Zimei and said to the rich lady,““““Yang Zimei, I’ve already exposed your scheme. Do you have anything else to say, ghost king assassin?”” ”

“Hearing Zhao Yu’s question, yang Zimei raised her head and looked at Zhao Yu. ”

“In the end, with just one look, Zhao Yu knew that it would be very difficult for him to find out the answer today. ”

“That was because yang Zimei’s eyes were evil, and the corners of her mouth were slightly upturned, revealing a smug and even a strange smile! ”

Chapter 1888: You are under arrest!

Wuuu ...

The police car that Zhao Yu was in was speeding towards the hospital in Xiushui District of andu city.

“Fifteen minutes ago, the police had found out that the owner of the house with the ghost king’s portrait was not Wang Zhen’s ex-wife, yang Zimei, but yang Zimei’s father, Yang Jian ‘en. ”

“According to the information, Yang Jian ‘en was 55 years old this year. In his early years, he was also an actor in the Sichuan troupe. He was in the same troupe as Qi Hao’s grandfather, Qi shengrong. ”

“So, Zhao Yu suspected that Yang Jian ‘en could very well be yang Zimei’s accomplice! The ghost king case might not have been committed by yang Zimei alone, but by the father and daughter. ”

““““Detective Zhao,”” Captain Zhang Ling, who was in the same car as him, was still in a panic. She asked Zhao Yu again,””are we ... Just going to leave like this? Why did he have to catch yang Zimei’s father himself? I’ll send some people over, alright? ”

““““Yang Zimei ... Shouldn’t we interrogate her properly?”” ”

““““It’s no use!”” Zhao Yu said,””I just tried to sound her out. Yang Zimei is obviously prepared, so she won’t say anything!”” ”

““““But ...”” Zhang Ling raised an objection.””If she’s already prepared, why would she run?”” ”

““““This is the main point!”” Zhao Yu said,””I suspect that the reason why she ran was not because she was guilty, but because she wanted to tip him off!”” ”

““““Tip him off?”” Zhang Ling was taken aback. ”

““““Report to his father and tell him to make preparations!”” Zhao Yu replied. ”

“““Oh ...”” Zhang Ling finally understood.”“You mean ... The father and daughter are in cahoots?”” And ...”” ”

“““Plus,”” Zhao Yu continued,”“yang Zimei’s father might not be as determined as yang Zimei, so we have to catch him off guard and find a breakthrough from him!”” ”

“““Oh ...”” Zhang Ling finally understood. ”

“Zhao Yu was right. In fact, even though they had found the ghost king’s portrait in the old house, those portraits didn’t prove anything at all. ”

“If yang Zimei refused to admit to her crime, the police would not be able to do anything to her. ”

“Through his interaction with yang Zimei, Zhao Yu could clearly see that yang Zimei had received professional training, after all. Her eyes were firm, and although she was a woman, she was obviously determined and would not easily admit to her crimes! ”

“Moreover, Zhao Yu speculated that, if the ghost king case was really committed by the father and daughter, then the Father should only be an accomplice, not the mastermind! ”

“So, Zhao Yu now put all his hopes on Yang Jian ‘en, hoping that he would be able to intimidate this person with a heavy blow later. ”

“As long as he opened his mouth, the interrogation would be easy. By then, yang Zimei would have no choice but to speak. ”

“Through the location of Yang Jian ‘en’s mobile phone, the police found that he was now in a hospital in Xiushui District. So, Zhao Yu and Zhang Ling rushed to the hospital to arrest him. ”

“Of course, Zhao Yu and Zhang Ling both knew that other than yang Zimei and Yang Jian ‘en, there was another person that couldn’t be ignored. It was the chairman of the chuankai group, Wang Zhen! ”

“Since Wang Zhen was the biggest beneficiary of the ghost king case, it was very likely that he was also involved. ”

His high-profile divorce with yang Zimei might have just been a show for outsiders. The purpose was to deceive people.

“Therefore, before they left, Zhang Ling had already ordered the police officers who were monitoring Wang Zhen to take action and bring him back to the police station for interrogation. ”

Di di ... Di di ...

“Hearing her phone ring, Zhang Ling thought that she had caught Wang Zhen, but when she opened it, she saw another message. ”

“““Oh ... I didn’t expect that ...”” Zhang Ling quickly reported to Zhao Yu,”“detective Zhao, according to Yang Jian ‘en’s neighbor, the reason he was in the hospital was because he had to take care of a patient!”” ”

“““Patient? Who is it?”” ““Yang Zimei’s mother?”” Zhao Yu asked. ”

“““No! “““Yang Zimei’s mother has passed away,”” Zhang Ling replied.””She’s yang Zimei’s grandfather. His name is yang Lujin!”” ”

“““Grandpa?”” Zhao Yu thought for a moment, then sighed.””He must be quite old, right?”” ”

“““Although the name is different ...”” Zhang Ling sighed,””but I keep thinking about Tao Yulan’s eldest disciple, yang ... Yang something Chen?”” ”

“““Yang qinchen!”” As Zhao Yu said the name, he had the same thought as Zhang Ling. Could yang Zimei’s grandfather be yang qinchen? ”

“Yang qinchen, Qi shengrong...Then yang Zimei and Qi Hao, and then they all lived at the willow tree tomb. Could this be just a coincidence? ”

“““We don’t know his age yet, but ...”” Zhang Ling continued,””the neighbors said that the old man had cardiovascular disease. About 20 days ago, he was sent to the hospital for treatment ...”” ”

“““Twenty days ...”” Zhao Yu thought about it for a moment. He felt that the timing was very intriguing, as it happened just before the ghost king case. ”

“Could it be that yang Zimei and her daughter were worried that the old man would be in the way, so they sent him to the hospital? ”

“Thinking of this, Zhao Yu’s eyes lit up and he quickly instructed Zhang Ling,””Quick, contact the hospital. I want to know everything about the old man’s hospitalization. I want to ask them if they have arranged for any caretakers during his stay in the hospital.”” ”

“““Oh ...”” Zhang Ling obviously couldn’t keep up with Zhao Yu’s thoughts. She pondered for a while, then quickly made a phone call ... ”

.....

“Five minutes later, the police car stopped in front of the hospital. Zhao Yu, Zhang Ling, and many other police officers got out of the car and ran quickly in the direction of Yang Jian ‘en’s ward. ”

“As they were walking, Zhao Yu gave Zhang Ling a look and asked,””Do you understand what I’ve just said? Later, you must follow my plan!”” ”

“““I understand, I understand!”” Zhang Ling nodded vigorously.””That’s a mean ... No, brilliant move!”” Don’t worry, I know what to do ...”” ”

“After confirming, the few of them quickly ran and arrived at a Ward on the third floor. ”

“At this time, one of the police officers wanted to pull out his gun, but was stopped by Zhao Yu. ”

“Then, Zhao Yu gently pushed the door open and entered the ward. ”

“It was not a single room. All three beds were occupied by patients, and beside the beds were the family members of the patient’s family. ”

“Zhao Yu had already received Yang Jian ‘en’s message. As soon as he entered, he saw a man lying on the outer side of the accompanying bed. He was the target he wanted to arrest. ”

The man seemed to be tired and was sleeping with his eyes closed ...

“Zhao Yu looked at the bed again and saw an old man with white hair and a white beard lying there. It was obviously yang Zimei’s grandfather, yang Lujin. ”

“The old man was already asleep, but he didn’t sleep well. His body kept shaking ... ”

Hu ...

“Zhao Yu took a deep breath, then walked to Yang Jian ‘en’s side and patted him. ”

Buzzzzzz!

“As a result, Yang Jian ‘en sat up reflexively, his eyes wide and panting, as if he was frightened. ”

“When they saw Zhao Yu, they were shocked and confused. ”

“““Shh ...”” Zhao Yu shushed him, then pointed to the door and said,““come out with me. I have something to discuss with you!”” ”

“““Ah?”” Yang Jian ‘en was stunned once again, and large beads of sweat had already appeared on both sides of his cheeks. ”

“Zhao Yu didn’t bother with him, but turned around and left the ward. ”

“Yang Jian ‘en panted, but obediently got out of bed and followed Zhao Yu outside the ward. ”

“As a result, the moment he walked out of the ward, the police officers swarmed him and pressed him against the wall. ”

“““You ... You guys ... This is ...”” Yang Jian ‘en was even more terrified, and his whole body trembled. ”

“““Speak! What’s your name!?”” Zhang Ling pressed her lips closer to his ear and asked. ”

“““Yang ... Yang Jian ‘en ...”” Yang Jian’ en cooperatively said his name. ”

“““Very good!”” Zhang Ling took out a pair of handcuffs and put them on Yang Jian ‘en’s hands. She said coldly,““ghost king assassin, you are under arrest!!”” ”

Chapter 1889: hit

“““Enter!”” ”

“Following Zhang Ling’s shout, the police officers pushed the terrified Yang Jian ‘en into the doctor’s office. ”

“The doctor’s office was divided into two rooms: the outer room was where the doctors worked, and the inner room was where the doctors rested. There was a small bed in the room. ”

“Yang Jian ‘en was pushed into the inner room. He sat on the bed, waiting for Zhao Yu’s interrogation. ”

“However, not only did Zhang Ling retreat to the outer room after pushing him away, but she also deliberately left the door open so that Yang Jian ‘en could see the situation outside. ”

“““Yang jianen, speak.”” Zhao Yu took a chair and sat in front of yang jianen, then asked seriously,””do you know why we are arresting you?”” ”

“““I ...”” Although Yang Jian ‘en looked nervous, he still braced himself and said,””I don’t know! Officer ... I ... What did I do wrong?”” ”

“““Hmph!”” Zhao Yu had expected this, so he sneered and shouted,””I knew you would pretend! I’m telling you, your crimes have all been caught by us! Take a look for yourself!”” ”

“Then, Zhao Yu unlocked his phone and showed Yang Jian ‘en a photo. The photo was the portrait of the ghost king on the wall of their house! ”

“““This ...”” Yang Jian ‘en started to play dumb.””What’s wrong?”” Is it a crime for me to draw on the walls of my house?”” ”

“““Hmph!”” “““Hmph!”” Zhao Yu snorted coldly and shouted again,””do you think that by placing all the blame on Qi Hao, we will not continue to pursue the matter? You guys are done for!”” ”

“““Q-Qi Hao?”” Yang jianen continued to play dumb.””Isn’t Qi Hao dead? And dressed up as a demon? What ... What’s wrong? ”

“““Officer, is there some kind of misunderstanding? Don’t tell me...You suspect that Qi Hao’s death is related to me?”” ”

“““Alright, you got it!”” Zhao Yu smiled.””But it’s okay. Even if you don’t tell me, your accomplice will. As long as we catch her, I’ll see what else you have to say ...”” ”

“Then, Zhao Yu flipped through the photos and found mi Rou’s photo. He asked Yang Jian ‘en,””Take a closer look ... Do you recognize this person?”” ”

“Just as Zhao Yu was looking through the photos, Captain Zhang Ling walked through the door with her phone in her hand. She deliberately said to the phone, ”

“““What? He escaped? And it’s a woman?”” “““What?”” Zhang Ling was surprised. Paint? What paint? Latex paint? ”

“““Say that again, a woman wearing latex paint ran away when she saw you?”” ”

“Suddenly, Yang Jian ‘en’s body trembled when he heard Zhang Ling’s words. It was obvious that he had caught his attention. ”

“““Hey!”” Zhao Yu pointed at mi Rou’s photo and asked,””tell me, do you know this person?”” ”

“““I ... I know him ...”” Yang Jian ‘en’s thoughts were all on Zhang Ling. He nodded perfunctorily and said,””he used to rent my house ...”” ”

“““Oh ... You’ve surrounded them, right? “““That’s good ...”” At this time, Zhang Ling shouted from outside the door,””this person is an important suspect in the ghost king case. If you let her escape, all of you will have to quit!”” ”

“““What? Resisting arrest?”” Zhang Ling shouted,““ old GE, do you still need to say this? Are you all useless? if she dares to arrest you, just shoot her! ”

“““I don’t care if it’s Dead or Alive. This case can’t be dragged on any longer. Even if it’s dead, it can still be closed ...”” ”

“After hearing the word “shoot,”” Yang Jian ‘en obviously couldn’t hold it in anymore. His face trembled violently, and it was obvious that he was extremely nervous. He no longer had the mood to listen to Zhao Yu’s questions. ”

“However, Zhao Yu didn’t care about anything else and continued to ask, ““I’ve rented your house before. How long did you rent it for? What happened after that? ”

“““And ...”” Zhao Yu pulled up Shen Wenbin’s photo and asked,““take a closer look. Do you know this person?”” Hey, say something ...”” ”

“At that moment, yang jianen couldn’t hear Zhao Yu’s question. He stared at the door without blinking, and his hands kept shaking. He was obviously worried about someone. ”

“At this moment, with a buzzing sound, Yang Jian ‘en’s phone suddenly vibrated in his pocket. It was obvious that someone was calling him! ”

“““This ...”” ”

“In an instant, Yang Jian ‘en was dumbfounded. He didn’t know what to do. ”

“Zhao Yu pretended to be shocked, quickly pointed at Yang Jian ‘en, and shouted,““““Hurry up! Take out your phone! Hurry up!”” ”

This ...

“Yang Jian ‘en was about to reach out, but he suddenly thought of something and stopped. ”

F * ck!

Zhao Yu cursed and immediately reached into yang jianen’s pocket to get his phone.

“““Don’t ... Don’t ...”” ”

“Yang Jian ‘en tried his best to stop Zhao Yu, but he was handcuffed. How could he be Zhao Yu’s opponent? Zhao Yu immediately pushed her hard and took out her phone. ”

“When he was taking out his phone, Zhao Yu deliberately showed the caller ID in front of yang jianen’s face. He saw two big words clearly on the caller ID: ““A-Mei!”” ”

“Without a doubt, ah Mei was yang Zimei’s nickname. The phone call was from yang Zimei. ”

“Seeing that it was a call from his daughter, Yang Jian ‘en was even more bewildered. In his panic, he suddenly jumped up and tried to hang up the phone! ”

“However, Zhao Yu would not let him have his way. He pushed Yang Jian ‘en onto the bed again and picked up the phone with his other hand. ”

“In order to let Yang Jian ‘en hear the contents of the phone call, he deliberately turned on the hands-free function!”

“In the end, an anxious woman’s voice came from the phone.””””Dad ... Dad ... We’ve been exposed. Hurry ... Run ...”” ”

“However, the woman had only said a few words when a clear gunshot was heard from the phone. ”

Bang! Bang!

”””Ah?””” Hearing the gunshot, Yang Jian ‘en was so scared that he shivered, and his whole face turned pale. ”

“In the end, after the gunshot, there was only a busy tone on the phone ... ”

”””No! ”””No, no, no...””” The next second, Yang Jian ‘en got up from the bed, his face full of despair. Then, he knelt in front of Zhao Yu and cried in despair,”””police officer, police officer, I’ll tell you, I’ll tell you everything!”

”””Please ... Please ... Please don’t hurt my daughter ... I beg you ... I beg you ...”” ”

“At the end of his begging, Yang Jian ‘en even brought out a sobbing tone. ”

“Seeing that Yang Jian ‘en had fallen into the trap, Zhao Yu turned to look at Zhang Ling, who was standing outside the door, and an evil smile appeared on his face. He muttered in his heart,”” ”

”””Hmph, you’re all too young to play with me!”” ”

“However, after all, Yang Jian ‘en hadn’t really told him anything, and the act had to go on. ”

“Hence, Zhao Yu pretended to be sympathetic and pushed the door open. He shouted at Captain Zhang Ling,””Captain Zhang, tell your men not to shoot! It’s good to capture him alive!”” ”

”””This ...”” Zhang Ling followed the routine and showed a reluctant expression. Then, she nodded and said,””alright! I’ll inform them!”” ”

“Zhang Ling took out her phone and left the house. Before he left, he even gave Zhao Yu a look of admiration! ”

”””Okay,”” Zhao Yu turned around and asked yang jianen,””now, we can have a good talk! Is the suspect being arrested by the police your daughter?”” ”

”””Officer,”” after the initial breakdown, Yang Jian ‘en’s face showed a determined expression,””I’ll tell you, I’ll tell you everything!”” I admit that I’m the ghost king assassin you guys were talking about! ”

”””However, everything was done by me alone. It has nothing to do with my daughter!!”” ”

Chapter 1890: Reincarnation and rebirth

“““I was the one who asked ... Asked her to paint the wall!”“ Yang Jian ‘en said determinedly,”“my daughter ... Doesn’t know anything at all!”“ ”

“““Oh ...”“ Zhao Yu nodded slightly, but his heart was clear. This case couldn’t have nothing to do with yang Zimei. ”

“However, Zhao Yu had a lot of experience. Now that Yang Jian ‘en had finally opened his mouth, he naturally had to let him continue. ”

“““Just explain the entire case clearly,”“ Zhao Yu reminded him.”“If it has nothing to do with your daughter, we won’t make things difficult for her!”“ ”

“““Then ...”“ Yang Jian ‘en asked worriedly,”“can you tell me how my daughter is now?”“ Just ... Just now, I heard gunshots!”“ ”

“““As you can see,”“ Zhao Yu pointed to the door,”“we have already informed the local police. Your daughter will be fine!”“ I’ll tell you about your daughter later!”“ ”

“““No!”“ “If you can’t be sure that my daughter is safe, then I won’t say a word even if I die. You will never know the truth!”“ ”

“““You motherf * cker!”“ Zhao Yu cursed angrily and raised his fist, wanting to hit someone. But on second thought, he lowered his fist. ”

“““Okay ... Okay ... Just you wait ...”“ Zhao Yu stood up and shouted at Captain Zhang Ling, who was outside,”“Captain Zhang, what’s the situation now? Is there anything wrong with the female suspect?”“ ”

Zhao Yu winked at Zhang Ling as he spoke.

“Zhang Ling immediately understood what Zhao Yu meant and quickly replied,”“Oh, there’s a letter. We’ve already captured him alive! I’m fine, I’m fine!”“ ”

“““How is it?”“ Zhao Yu turned around and said to yang jianen,”“did you hear that? Have you given up now?”“ ”

“““No!”“ However, yang jianen was not satisfied. He immediately asked Zhao Yu,”“I want to make sure she’s fine!”“ ”

“““You!”“ ”

“Zhao Yu was about to curse, but he had an idea. He immediately took out his phone and showed yang Zimei a photo that had been taken when she was arrested. ”

“““Ah?”“ ”

“As soon as he saw the scene of his daughter being arrested, Yang Jian ‘en suddenly had mixed feelings and complicated emotions. On one hand, he was glad that his daughter’s life was not in danger; On the other hand, he was worried about his daughter being arrested by the police! ”

Whoosh ...

“Zhao Yu only gave him a glance, then immediately put away his phone and glared at Yang Jian ‘en. ”

““““Okay ... Okay ...”” This time, yang jianen was finally relieved. He calmed himself down and said to Zhao Yu,““““alright, I’ll tell you! I’ll tell you everything ... ”

““““Actually, everything started when that woman called mi Rou moved into my rental house! ”

““““At the beginning, of course I knew that she was in that kind of industry, so I didn’t take her seriously!

““““But ... Later ... Later ...”” Yang Jian ‘en pondered for a few seconds, then lowered his head and said,““““later, I went to her house to collect rent once, but she told me very directly that she had no money, but she could pay the rent with her body ... ”

““““I was an old Bachelor ... It was hard for me to resist that kind of temptation, so I had sex with her ... ”

““““At first, we just had sex, but ...”” Yang Jian ‘en suddenly blushed and said in shame,““““I don’t know what happened, but I went from the body to the soul, and then ... And then I gradually had feelings ...”” ”

““““That kind of feeling is not what you guys think ... I know that she’s a woman in that kind of industry, but the comfort she gave me was definitely not just physical! ”

““““When we were together, we didn’t talk much, but our hearts were connected ...”” As he spoke, Yang Jian ‘en fell into a state of infatuation.““““I ... Have been deeply fascinated by her! ”

““““It’s a pity that our love was so short. Not long after, I lost contact with her ... I couldn’t find her no matter what! ”

““““She didn’t ask me to return the house, and I didn’t rent it out again ... Until nine months later, she ... She ...”” Yang jianen swallowed and said sadly,““““she actually jumped down from the roof of Tianding building!”” In his arms, he’s carrying a baby who’s not even a month old yet!”” ”

“When Yang Jian ‘en was confessing his crime, Zhao Yu stared at him without blinking, observing his subtle movements and expressions. ”

““““When I got the news,”” yang jianen continued,““““my mood plummeted. It was as if I had fallen from a high place to the bottom of the valley and was smashed into pieces! ”

““““I know mi Rou’s life is a mess, but ... I really didn’t expect her to end her life so rashly! And ... There were children ... ”

““““Sigh ...”” A few drops of tears inadvertently fell from the corners of Yang Jian ‘en’s eyes. His voice trembled as he continued,““““I really want to figure out what happened to her in the nine months she was missing. ”

““““Who’s her child? ”

““““Her death ... Could someone have murdered her? ”

““““She ... She really doesn’t look like the kind of woman who would jump off a building!”” At this point, Yang Jian ‘en unconsciously clenched his fists and said,““““so ... I secretly investigated mi Rou’s suicide ... ”

“““At first, the most popular rumor was about Shen Wenbin, the chairman of Chuanxing group,”” yang jianen said.””Some people said that mi Rou was pregnant with Shen Wenbin’s child, and she wanted to use her son to make her more powerful. She threatened Shen Wenbin, and then Shen Wenbin was so angry that he sent an assassin to kill mi Rou!”” ”

“““But, after investigation, it was proven that this was purely a rumor. If Shen Wenbin really wanted to kill mi Rou, he wouldn’t have done it in his own Tianding building! ”

“““Besides, the police have already investigated and confirmed that Shen Wenbin is not a suspect. ”

“““Thus, I continued to investigate further. Very quickly, an old beggar named Niu jinkui appeared in my line of sight. ”

“““This person’s reputation is particularly bad. It’s said that he has a perverted habit of wearing condoms. ”

“““Then, I heard that after mi Rou gave birth, she had a big fight with Niu jinkui. Only then did I understand why MI Rou suffered such a huge mental trauma! ”

“““She must have thought that she was fully prepared and that the child must be rich Shen Wenbin ‘s. But after the child was born, she found out that the child was actually Niu jinkui, that old bastard’ s! ”

“The huge psychological gap caused mi Rou to have the thought of committing suicide, and she chose a path of no return ... ”

“““Police officer,”” Yang Jian ‘en’s expression changed completely. He became cold and ruthless as he said fiercely,””from that time on, I made up my mind to make these people who caused mi Rou to jump pay the price! ”

“““No matter what mi Rou’s identity is, what her temper is, or what her personality is like, she’s a lonely woman. She jumped off a building with a child in her arms so miserably. ”

“““Those people who caused mi Rou’s tragic life and caused her to commit suicide can’t just live so calmly as if nothing had happened, right? ”

“““Everyone in the world has their own ghostly nature, good and evil must be compensated! ”

“““When I thought that mi Rou would turn into an evil ghost after her death and drift in the netherworld, unable to be reincarnated, my heart felt like it was being cut by a knife! ”

“““So ...”” Yang Jian ‘en clenched his fists and said fiercely,””I want to uphold justice for mi Rou and let these people who have committed sins against her fall into the netherworld to atone for her sins, so that mi Rou can escape the ghostly path and enter the Elysian world as soon as possible!”” ”
