Chapter 1891: past

“““In order to not let others suspect me,”” yang jianen continued,””I tidied up the rental house and rented it out ... ”

“““Then, I began to prepare my revenge plan and determined the target of my revenge. In fact, from the beginning ...”” Yang jianen glanced at Zhao Yu, then said with resentment in his eyes,””I was already prepared to use the ‘record of the ghost king’ to carry out this case. If I were to do the ghost Dao, I would be possessed by a ghost! ”

“““Dressing the dead as demons can speed up their process of atonement in the netherworld and let mi Rou ascend to Nirvana earlier. Also, it can suppress the dead souls and prevent them from turning into malicious ghosts after death to harm me!”” ”

“““You ...”” Hearing this, Zhao Yu couldn’t help but ask,””what is your relationship with the record of ghost kings and Tao Yulan?”” ”

“““Relationship?”” Yang jianen slightly raised the corner of his lips, revealing a strange expression.””I have no relationship with Tao Yulan, but I can’t be more familiar with the ‘record of the ghost king’!”” ”

Oh?

This sentence made Zhao Yu even more confused.

“““Everyone in western Sichuan knows of the famous Tao Yulan, but not many know that he has a disciple called Qi shengrong!”” Yang jianen said,””and Qi shengrong...Is my Godfather!!!”” ”

Oh?

“Zhao Yu carefully observed Yang Jian ‘en’s expression, but he didn’t see any flaws. It seemed that he didn’t have any intention of lying. ”

“Zhao Yu already knew that Qi shengrong was Tao Yulan’s disciple, but he didn’t know that he was yang jianen’s Godfather! ”

“““My father used to run carriages, and my mother died early ...”” Yang Jian ‘en recalled.””When I was young, my father often entrusted me to Qi shengrong’s family and let them take care of me. After a long time, I took advantage of the situation and recognized them as my godmother and Godfather! ”

“““At that time, I often stayed at Qi shengrong’s house, sometimes for a few months. I was almost no different from his own son! ”

“““After that, under his influence, I joined a troupe to learn and perform. It can be said that ... I’ve been influenced by old master Qi even more than my father! ”

“““Besides, I also know a lot of secrets about grandfather Qi! For example, Tao Yulan and the ghost king’s record ... ”

“““The old man often told me stories about his childhood, and he even showed me the”” record of the ghost king ““that he had kept for so long!”

“““He said that Tao Yulan was his master and that he had once learned from her.”

“““Later, Tao Yulan was arrested by the police for the ghost king case. For some reason, the”” record of the ghost king ““fell into his hands, and he has been keeping it since ...”

“““Other than opera, he also knows a lot about the ghost Dao and reincarnation. I was influenced by him since I was young, so I learned a lot from him. Later, I even became addicted to it ...”

“““Look at the ghost king’s portrait on the wall of my house. Those were all drawn by me. I don’t believe that a person can become a ghost after death, but I believe in the ghost Dao’s reincarnation. There is Dao in the world, and the ghost Dao is also Dao ...””

“Next, yang jianen talked about a lot of things related to the ghost Dao. Zhao Yu couldn’t bear to listen any longer, so he motioned for him to continue talking about the ghost king case.”

“““The relationship between our two families has always been good, but ... Later, something happened, which caused a gap between us ...”” Yang jianen continued.”“It can be said that our two families can be called the Masters of opera!”

“““Other than my father, the others are all opera singers ...”

“““Qi shengrong’s son was two years older than me, and he was in the same troupe as me. We were like brothers, and later, we found our own partners, and we were both actors in Sichuan Opera!”

“““What was even more coincidental was that in the same year, our family had ah Mei, and their family had Qi Hao ... At that time, grandfather Qi was smiling like a flower and kept trying to match us together. He wanted us to arrange an arranged marriage between our children so that the two families could be even closer ...”

“““Unfortunately ... Sigh ...”” Yang jianen shook his head and sighed.”“A sudden car accident changed everything!”

“““One day more than ten years ago, the troupe had an important performance in Yichuan. As I didn’t have any scenes in the play, I didn’t go with them. My wife and Qi Hao’s parents took the same car to Yichuan!”

“““In the end, they encountered a falling rock on the hillside, and the car fell off the cliff. They were all killed ...””

Oh?

It’s actually ... Like this!

“Zhao Yu was shocked. Before this, he only knew that Qi Hao’s parents had been in a car accident, but he never expected that Yang Jian ‘en’s wife would be in the car as well ...”

“““The great change in the family was undoubtedly a huge disaster for us living people. I have never understood it,”” yang jianen continued.”“Although we lost our loved ones, we should have been closer.

But for some reason, since then, grandfather Qi seemed to have changed into a different person. He became more and more distant from our family until later, when he almost cut off all contact with us ... ”

“““I’ve tried to improve my relationship with the old man, but I was coldly rejected by him ... From then on, although our families lived so close, we rarely contacted each other ... ”

“““After grandfather Qi passed away, they became even more like strangers ... ”

“““This ... This is my relationship with the”” record of the ghost king “““and Tao Yulan!”” Yang Jianen said, “““after the old man died, the ‘record of the ghost king’ has been in the hands of his grandson, Qi Hao ...”” ”

“Zhao Yu listened carefully and saw Yang Jian ‘en pause. He was worried that Yang Jian’ en was thinking about a lie, so he urged him,“““Then ... What happened after that? What happened?”” ”

“““Then ... Oh ...”” Yang Jian ‘en came back to his senses and said,“““let’s continue talking about mi Rou! In order to take revenge for mi Rou, I’ve already made a plan to use the “““records of the ghost king”” to commit crimes! ”

“““I think I did that because I was responding to my ancestor, Tao Yulan. I heard from my Godfather that Tao Yulan didn’t kill people for no reason, she had her own reasons! ”

“““In his impression, Tao Yulan was an amiable person, not a homicidal maniac. The reason why he committed the ghost king case was to seek justice, but as for what justice he wanted, he didn’t know! ”

“““After all, my Godfather was still young at that time ... He only knew that those who were killed by Tao Yulan were all sinners. Tao Yulan used the Dao of the ghost to take their lives and wanted them to repent and atone for their evil deeds ...”” ”

“““Or ...”” Zhao Yu saw that Yang Jian ‘en was going off-topic again, so he quickly reminded him to get on the right track.“““Let’s continue with the topic just now. So, did you start killing people next?”” ”

“““No!”” Yang Jian ‘en said,“““I’ve never killed anyone before, and it’s not easy to kill someone. Not to mention, I have to kill someone according to the ghost king case. ”

“““Of course I’m conflicted. I’ve been mulling it over for a long time, but it’s still very difficult for me to make up my mind! To be honest ... At the last moment, I was already wavering. After all ... Mi Rou and I are not related. It’s just ... That kind of special relationship ... Is it worth ... Worth risking the rest of my life? ”

“““However, the will of the heavens makes fools of people, and ghosts control fate ... Just when I was most conflicted, something else happened, which made me make up my mind again! ”

“““And this is ...”” Yang Jianen looked up at Zhao Yu and said frankly,“““my daughter actually divorced Wang Zhen!!!”” ”

“““I’m sure you already know that my in-law is the CEO of the famous Chuan KAI Group, Wang likai!””
Yang jianen continued,““my son-in-law is the current chairman, Wang Zhen! ”

“““In the early years, my daughter did marry into a rich family, and even my father-in-law benefited from it. He used to live in a 300-square-meter villa at Jade Pavilion! ”

“““However, the good times didn’t last long. Under the suppression of Chuanxing’s Shen family, the Wang family quickly fell, and chuankai group was forced into a corner. The company sold the building and even the villa they gave me, so I could only live in This Old House again. I even had to rent out two of the rooms ... ”

“““After that ... My son-in-law’s leg was inexplicably broken, and my old in-law, Wang likai, also went crazy because of the stress! ”

“““In the end, the two children actually got a divorce ... ”

“““AI! ““ Actually ...”” Yang jianen said,““they divorced because they had no other choice. It wasn’t because there was a problem with their relationship! ”

“““Wang Zhen, this child, still has a conscience! ”

“““He saw that the Chuan KAI Group was about to go bankrupt, so he divorced my daughter in a high-profile way so that my daughter could keep a part of her assets. ”

“““On the divorce agreement, he gave almost everything of value to my ah Mei. All he had was a bunch of worthless, empty shares. ”

“““When ah Mei told me that they were divorced, she cried her heart out. She told me that once the chuankai group went bankrupt, it wouldn’t be as simple as going bankrupt. Wang Zhen himself would also face prison. ”

“““An economic dispute can be big or small. With chuankai company’s huge debt, if the Shen family still holds onto Wang Zhen, then he might not be able to get out for the rest of his life! ”

“““My ah Mei is deeply in love with Wang Zhen. Because of the divorce, she’s getting thinner and thinner, and she doesn’t have any appetite. As her father, how can I not be distressed? ”

“““I don’t know how to do business, and I can’t help much usually, but ... When Shen Wenbin is mentioned, I can’t help but link Wang Zhen’s matter with mi Rou ‘s! ”

“““I also didn’t expect things to be so coincidental! ”

“““Therefore, a magical inspiration quickly sparked in my mind and gradually took shape!”” Yang jianen’s eyes suddenly widened, and his eyes flickered as he said,““I’m thinking, if I were to combine these two things and deal with them together, what kind of effect would it have? ”

“““If I can kill Shen Wenbin in a high-profile way like the ghost king case, and at the same time effectively strike down the Chuan KAI group’s main competitors, then ... Will I be able to kill two birds with one stone? ”

““““At that time, not only will I make those who bullied mi Rou pay, but I can also revive my son-in-law Wang Zhen’s Chuan KAI Group and let my daughter return to her original rich life ... ”

““““Then, don’t you think that this ghost king case ... Is worth it? I ... Do I no longer have any reason to not make a move? Isn’t that right?”” ”

“Zhao Yu observed Yang Jian ‘en’s subtle reactions without making a sound or expression. He found that Yang Jian’ en’s eyes were blurred, and his nerves were excited. It seemed that Yang Jian ‘en had already entered a state of self-intoxication. ”

“It seemed that, regardless of whether his confession was false or not, at least this person’s mental state had certain problems! ”

““““The ghost king case of western Sichuan has a wide influence, and people still remember Tao Yulan’s name. So ... If I imitate his way of killing people, then naturally, people’s attention will be turned to the record of the ghost king. ”

““““But no one would know that the real purpose of the ghost king case was to kill Shen Wenbin, the culprit! He was the one who hired someone to push my son-in-law down from the rooftop. Wang Zhen almost lost his life! ”

““““So, no matter who it is, Shen Wenbin must die. As long as Shen Wenbin dies, Chuanxing group will be without a leader, and my son-in-law, Wang Zhen, will have a chance to rise again! ”

““““So, from the day I made up my mind, I increased my workload. In addition to studying how to carry out the ghost king case, I also studied and analyzed the economic situation that the Chuan KAI Group was facing. I found out who the potential opponents were, as well as the companies that had cooperated with the Shen family to suppress Wang Zhen. I wanted to make use of the ghost king case to catch all of these people in one fell swoop!”” ”

““““Let them pay the price for their evil deeds back then ... ”

““““Next, I began to choose my targets and began to secretly follow them. I monitored their every move and made a meticulous killing plan ... ”

““““Niu jinkui broke the condom and caused mi Rou to be pregnant,”” Yang Jian ‘en said through gritted teeth.””This kind of old villain and scumbag who harmed others without benefiting himself should be the first to kneel at mi Rou’s feet and repent! ”

““““Good! Didn’t he like to play the piano? Then I can dress him up as the champion ... ”

““““Also, the place of death I chose for him was carefully studied. The community near the temple of Guan Yu is facing demolition, and if the terrifying ghost king case were to happen at this time, the local residents would be more than willing to cooperate with the demolition! ”

““““Shen Wenbin has always been interested in that piece of land, so the withdrawal of Chuanxing group will affect the trend of bidding and give Wang Zhen an opportunity! ”

““““Even if Wang Zhen doesn’t get the chance, it’ll still attract some potential opponents and buy him precious time ...”” ”

“““The second one is naturally Shen Wenbin,”“ yang jianen said.”“I chose the best place for him, which is the eighteen levels of hell in ghost city! ”

“““I think there’s no better place to let him die than there! ”

“““The 18 levels of hell will never allow him to be reincarnated. Let him repent his sins in the endless hell ... ”

“““Of course, I didn’t force him to play the role of Lady Dou. It seemed to be quite compatible with his identity, even though she was a ghost ...”“ ”

“““Hmph ...”“ Yang Jian ‘en suddenly snorted coldly and said fiercely,”“Mrs. Dou was pregnant before marriage and was beaten to death by her boyfriend’s family. She was still holding a baby in her arms! ”

“““Shen Wenbin was a rotten man and had countless illegitimate children. How many women had he hurt? Letting him have a taste of what the daughter of the Dou clan had to go through was perhaps the best punishment for him! ”

“““The city Lady is a vicious woman. Tao Yan, the owner of the bathhouse, is obviously the most suitable candidate!”“ Yang Jian ‘en continued,”“mi Rou once told me that the reason she fell into such a miserable state was because she was bewitched by Tao Yan! ”

“““If it wasn’t for her instigations, I would never have done such a thing! ”

“““The ghost Dao has long said that even without mi Rou’s death, people like Tao Yan would have gone to hell!”“ After saying that, yang jianen seemed to have changed into a different person. He continued with an evil look in his eyes,”“however, the Lanyang Academy from No. 17 high school doesn’t have many motives. It’s just to avenge Wang Zhen! ”

“““At first, he had his eyes on the Lanyang Academy and wanted to buy that ancient building by renovating the school dormitory! ”

“““But later, because Shen Wenbin sent someone to make things difficult for them, the bidding eventually failed. I think the school should at least take some responsibility, right? ”

“““Also,”“ Yang Jian ‘en gritted his teeth and said resentfully,”“I’ve already investigated thoroughly. It was Lei feiyi who introduced mi Rou to Shen Wenbin! ”

“““Without this pimp, mi Rou wouldn’t have known Shen Wenbin at all, and she wouldn’t have jumped off the building! ”

“““So, this person is a ghost! ”

“““Zhenfeng is an evil spirit that eats women, so it’s more appropriate to use Zhenfeng to represent this pimp, right? ”

“““Chuantai tea house is not the main target. The target is the development company on the left bank of Sena. Once the ghost king case is out, I’ll see how their real estate can make money!”“ ”

This ...

“Just as yang jianen was explaining this, Zhao Yu suddenly realized something. It seemed that there was still an important person who had not yet appeared. ”

“””But ...”” As expected, when Yang Jian ‘en mentioned the last ghost, he finally mentioned this important person.””I admit, Qi Hao ... Was indeed an accident!!!”” ”

Chapter 1893: sinister villain

“””I admit,”” yang jianen confessed to Zhao Yu,””Qi Hao had nothing to do with mi Rou, nor did he have anything to do with business competition. The only reason I dragged him into this was because I needed a capable helper! ”

“””The ghost king case isn’t that simple. No matter how good I am, I can’t do it perfectly. Moreover ...”” Yang jianen said.””Nowadays, cameras are everywhere. If I’m not careful, I will be caught by the surveillance cameras. In that case, I can’t do anything!”” ”

“””Also, I’ve already predicted that once the ghost king case is announced, the police will definitely not disclose the case to the public. In that case, the effect will obviously be unsatisfactory. ”

“””I need to expand the influence of the ghost king case, so I can only rely on the internet to promote it. But, I know nothing about the internet. I know that if I post anything, not only will it be blocked, but it will also be tracked down by the police ...”” ”

“””That’s why I urgently need a genius in this area to come with me! ”

“””Qi Hao is undoubtedly the best candidate. ”

“””Qi Hao might have been sick before, but he’s a genius in electronics. Only he can help me get rid of those surveillance cameras and post the photos and posts of the murder ...”” ”

“Zhao Yu squinted his eyes and stared at Yang Jian ‘en, then asked coldly,””””Stop running your mouth. Murder is a serious crime. This has nothing to do with Qi Hao. Why would he work with you?”” ”

“””This isn’t difficult, it’s just money and people!”” Yang jianen said,””I know Qi Hao quite well. His intelligence is extraordinary, but his emotional intelligence is worrying. The way he thinks about problems is also relatively simple! ”

“””I went to him and told him that my daughter had divorced Wang Zhen and was single. ”

“””She didn’t get a share of Wang Zhen’s family property but was kicked out of the house. Wang Zhen only gave her a bunch of worthless stocks! ”

“””However, I told Qi Hao that if he was willing to work with me to revive the Chuan KAI Group, the shares in my daughter’s hands would be worth hundreds of millions, or even billions! ”

“””By that time, he’ll have done me such a big favor. Not only will I marry my daughter to him, but he’ll also become a super-rich man and be able to soar in the future! ”

“““You guys don’t know,”“ yang jianen continued,”“Qi Hao and ah Mei were childhood sweethearts, and they were engaged when they were children. Qi Hao has always liked my daughter! ”

“““Later, in order to pursue my daughter, he even volunteered to join the army and became an information soldier! If he had not been forced to retire from the Army due to his stroke, perhaps they would have been together! ”

“““His illness could be serious or minor. After careful consideration, I still didn’t fulfill my promise and didn’t marry ah Mei to him. ”

“““I heard that because of this, Qi Hao was very sad back then. Maybe he was also traumatized, which is why he became an otaku ...”“ ”

“““So ...”“ Of course, Zhao Yu didn’t believe yang jianen’s words and immediately asked suspiciously,”“after you told Qi Hao this, he agreed? Aren’t you afraid that he’ll leak the news?”“ ”

“““I’m not afraid. If word gets out, I haven’t carried out my plan. What’s there to be afraid of?”“ Yang jianen said confidently,”“I’m still confident about Qi Hao. ”

“““After I explained it to him, he did hesitate and asked a lot of questions, but after I persuaded him, he finally agreed! ”

“““Soon, he came up with a more detailed, even flawless plan for me! ”

“““Hmph!”“ Zhao Yu snorted coldly and said,”“from what you’re saying, it sounds like killing someone is very easy. Let me ask you, since Qi Hao was your accomplice, why did he die later and become the fifth victim of the ghost king case? ”

“““Did you plan to use him as your scapegoat from the very beginning?”“ ”

“““Right!”“ Unexpectedly, yang jianen nodded without hesitation.”“The ghost king case is of great importance. I have to do it thoroughly. Qi Hao has long become my target! ”

“““At first, I wanted to use mi Rou’s stepfather as the fifth ghost. Mi Rou’s current state is inseparable from his stepfather’s ruthlessness. ”

“““But, after thinking about it, I changed the plan in the end, because ...”“ Yang Jian ‘en looked at Zhao Yu and said frankly,”“if I killed mi Rou’s stepfather, then the police would quickly trace it to mi Rou, and through mi Rou, they might be able to trace it to me! ”

“““In order to put an end to this danger, I let this person go in the end. I turned my attention to Qi Hao!”“ At this point, yang jianen’s eyes had become cold and terrifying.”“No matter what, Qi Hao must die! ”

“““This person’s will is weak, and he speaks without thinking. He’s not the kind of person who can keep secrets for his entire life. ”

“““Secondly, his illness can not be cured. It’s known as cancer that can’t be killed. I can’t let my daughter jump into the fire pit ...”“ ”

“““Moreover, the most important thing is that my daughter can not marry Qi Hao because her divorce with Wang Zhen was fake. Once the Chuan KAI Group is revived, they will get back together!”

“““What will Qi Hao Do then?”” ”

Hmph!

“““Hmph!”” Zhao Yu snorted coldly in his heart. He had already heard clearly that Yang Jian ‘en was full of Orthodox ghost Dao, punishing evil and promoting good, but his actions were so selfish and despicable. He was a real villain. ”

“Therefore, from the very beginning, the ghost king case was not to seek justice for mi Rou, but to pursue desire and benefits! ”

“““In order not to be caught by the cameras, Qi Hao and I bought a fully enclosed tricycle to track the target and finally carry out the operation!”

“““After a few months of preparation, we finally felt that the time was right, so we made our move!”” Yang jianen said,““it was my first time killing someone, so I was indeed a little nervous. However, we were well-prepared and had plenty of time, so we managed to kill Niu jinkui successfully in the end!”

“““As for the details, we tried our best to replicate Tao Yulan’s crime style, but we didn’t know what kind of poison Tao Yulan used. So, after thinking about it, we decided to use the more toxic rat poison!”

“““It’s not easy to buy this thing now,”” yang jianen said.““In order not to attract attention, we drove more than 100 kilometers and bought it from a village in Yiyang ... ”

“““As for what happened after that, our technology was clearly getting better and better. We blocked ghost city’s power and cut the surveillance power supply ... ”

“““Also, the Lanyang Academy used an assistant ladder to easily transport Tao Yan to the destination ... ”

“““In order to increase the impact, after killing Tao Yan, we also went to the bathing Center’s computer and posted the photos and information of the first three cases. ”

“““If there was really an accident, I’m afraid it was at chuantai tea house,”” yang jianen said.““We had planned the best route, but the police suddenly appeared at that intersection, which scared us!”

“““At that time, he even wanted to give up, but he thought that he couldn’t delay the timeline of the ghost king case, so he chose to take a detour in the end. Only then did he manage to complete his plan ...”” ”

“““By the way, speaking of the chronological order ...”” Yang jianen raised his eyes and said,““these were all arranged to imitate Tao Yulan’s case. You should have understood it by now, right?”” ”

“““The time of the murder was arranged according to a specific time in the ghost Dao’s reincarnation ...”” After he finished speaking, yang jianen raised his eyebrows and said coldly,““just like that, after completing the first four cases, only Qi Hao, who was kept in the dark, was left!”” ”

Chapter 1894: another expert

““““There was only one day between the fourth and fifth ghost,”” yang jianen said.””Because we were delayed at chuantai tea house, we were pressed for time for the last case! ”

““““Qi Hao thought we were going to capture mi Rou’s stepfather in broad daylight. He was very worried at the time and thought that our plan had failed. He never thought that he was the fifth target!”” ”

“At this point, Yang Jian ‘en’s eyes had completely changed, becoming fierce and perverse.””If Qi Hao becomes the fifth ghost, I’ll be able to get away with it perfectly! ”

““““First, Qi Hao’s grandfather was Tao Yulan’s disciple, and he had the record of the ghost king. If the police found out about him, they would definitely think that he was possessed by the devil and wanted to inherit the ghost king kill from his ancestor! ”

““““Secondly, Qi Hao is a homebody. He rarely leaves the house and doesn’t have many friends. ”

““““If the police investigate mi Rou, they might suspect that Qi Hao and mi Rou had an ambiguous relationship. Qi Hao committed the ghost king case to avenge mi Rou! ”

““““After all, an otaku like him would have an empty heart. Although mi Rou was that kind of woman, Qi Hao could also be infatuated with her! ”

““““If he had died as the fifth ghost, the police might have thought that he had committed suicide for mi Rou! ”

““““Thirdly, Qi Hao knows those complicated electronic technologies and was once an information soldier. He has a certain level of anti-reconnaissance abilities. The police will definitely think that he has the ability to commit crimes. ”

““““Fourthly, by using Qi Hao as a scapegoat, not only would he be able to attract the police’s attention, but he would also be able to prevent any future trouble. We would never have to worry about him again!”” ”

““““Of course, there’s one more thing ...”” Yang Jian ‘en smiled mysteriously.””You should know that the Willow tomb is also in the demolition plan. Once the news of the ghost king case comes out, it will inevitably cause panic among people, and the demolition work will definitely speed up! ”

““““At that time, even if Wang Zhen doesn’t manage to get the temple of Guan, the pressure from the competition for the willow tree tomb will be reduced to the minimum! ”

““““Without a strong opponent like Chuan Xing, Wang Zhen can go all out. It won’t be long before our family returns to our original rich life! ”

““““So,”” yang jianen widened his bloodshot eyes and said ferociously,””Qi Hao must die!”” ”

“Zhao Yu looked coldly at yang jianen’s behavior. At that moment, he looked like a ferocious, murderous maniac. It seemed that this person’s mentality had long been out of balance. ”

““““Of course,”” yang jianen recovered a little and continued,””if you want Qi Hao to be the scapegoat, it’s going to be very difficult! ”

““““I need to make full preparations in advance to avoid any suspicion from the police. ”

““““I originally wanted to forge some text messages about Qi Hao and mi Rou’s close relationship, or to tempt him to write a will or something. But I was afraid that it would be unnecessary, so I didn’t do it. ”

““““However, through my in-depth contact with Qi Hao, I accidentally found a photo on his phone! ”

““““It was a photo of Qi Hao and the girls from the bathhouse. There were four girls in total. Coincidentally, mi Rou was right next to him, and her actions were quite ambiguous! ”

““““The heavens are really helping me!”“ Yang Jian ‘en’s eyes lit up, and he seemed extremely excited.”“ After I cut this photo, Qi Hao and mi Rou really did have a relationship ...”“ ”

Tsk tsk ...

“Hearing this, Zhao Yu pouted. It seemed like there were still loopholes in his work. How could he have forgotten to check this important photo? ”

““““I guess ...”“ Yang jianen continued,”“it might be that Qi Hao was fixing the computer for the bathing center, or that he took the photo when he was busy with something. ”

But that’s no longer important ...

““““If I want to disguise Qi Hao’s suicide, I still have more detailed work to do, such as ...”“ Yang jianen said,”“a long time ago, I made Qi Hao wear Ling Sha’s clothes with the excuse of trying out clothes. Then, I adjusted the date of the camera and took a picture of him! ”

““““This way, the police would think that he had taken the photo of his death in advance. Otherwise, the suicide would not be valid! ”

““““Also,”“ yang jianen continued,”“I want to make Qi Hao look like he committed suicide out of love, so I can’t tie him up or knock him out. I can only inject him with poison! ”

““““Plus, he thought we were going out to kill mi Rou’s stepfather, so I had to catch him off guard. I could only make my move in advance, I couldn’t wait until after 12! ”

““““So, at about Teno’ clock that night,”“ yang jianen said,”“I tricked Qi haoxi into going to the basement, then I prepared the poison in advance and injected it into his body, killing him! ”

““““He’s a living person, after all. He struggled a few times at the time, so there were some tears at the wound and blood flowed out ...”

““““But,”“ yang jianen said,”“I think that this mistake shouldn’t have a big impact. Maybe the police would think that Qi Hao wasn’t determined enough when he committed suicide, and that his hands were shaking badly. ”

““““Then, before the corpse stiffened, I put him on the table and started to do his makeup and set up the scene to look like the fifth ghost! ”

““““Our proposals are usually completed in the basement, so we don’t have to touch anything there. I just hung the photo of mi Rou and Qi Hao on the wall. ”

“““Ling Sha represents a lonely ghost, and Qi Hao is an otaku. There seems to be some kind of destiny in the dark?”

“““Police officer,”“ yang jianen said frankly,”“this is the whole process of my crime in the ghost king case. I killed all of them. Please let my daughter go!”“ ”

“Zhao Yu looked at Yang Jian ‘en coldly for more than ten seconds, making Yang Jian’ en feel a little guilty. He then asked,”

“““I don’t think you’ve ever mentioned your explosive plan, right? Didn’t you guys prepare a big gift for us online?”“ ”

“““Oh ... Oh ...”“ Yang Jian ‘en nodded.”“Yes, yes. We did prepare the photos and information of the five cases and sent them at a fixed time in order to expand the influence of the ghost king case, but ... But ... In the end, it didn’t seem to be successful.”“ ”

“““Hmph!”“ Zhao Yu smiled.”“You still dare to deny it? don’t you understand that the more detailed a crime is, the more loopholes there will be?”

“““Why don’t you think about it? if you put Qi Hao’s photo in your portfolio, will Qi Hao help you post it regularly? How stupid must he be to help you so insensibly?”“ ”

“““No... It’s not like that.”“ Yang jianen was a little flustered and quickly explained,”“this ... This was a mistake of mine. My original plan was to immediately post the post after killing Qi Hao!”

“““Create the illusion that Qi Hao posted it himself and then committed suicide.”

“““But ... But there was an accident. Qi Hao installed a remote surveillance system on the computer of the bathhouse. I was about to post something when I saw a lot of police on the surveillance. I realized that our secret might have been exposed, so ... So ...”“ ”

“““I could only set it to be sent at a fixed time, so that the police would think that it was set in advance. Then ... Then ...”“ Yang jianen’s thoughts were obviously a little confused.”“Then, I went back to my own home. I didn’t expect that you would come to my door so soon!”“ ”

“““Oh? Is that so?”“ Zhao Yu smiled, then asked with his eyes wide open,”“that post used an overseas server to jump. Didn’t you say that you don’t know anything about the internet?”“ ”

“““This ... This ...”“ Yang Jian ‘en was flustered, and large beads of sweat seeped out of his cheeks. ”

“““Hmph!”“ Zhao Yu shook his head and laughed.”“What do you think? is there no way to justify yourself? Haven’t you noticed? In your confession, there was one less expert, so of course there was no way to cover it up!”“ ”

“““Another ... Another master?”“ “Who is it?”“ Yang Jian ‘en asked in surprise. ”

“““Alright, don’t waste any more time,”“ Zhao Yu said, shaking his head.”“Without your daughter’s involvement, the ghost king case wouldn’t have been a success!”“ ”

“““No, no, no, I’m confused, I’m confused,”“ yang jianen said again.”“I originally wanted to post the post first, then kill Qi Hao, but I got so excited that I forgot. If I posted the post after killing him, then Qi Hao wouldn’t be able to make it look like a suicide ...”

“““We prepared those instructions in advance, so of course I know how to operate them ...”“ Yang Jian ‘en tried his best to explain.”“Please believe me. My daughter has nothing to do with this case. She’s just a little woman. You can investigate it. She didn’t live with me after she divorced Wang Zhen ...”“ ”

“““And, the wall ... The wall ...”“ Yang jianen continued,”“my father was seriously ill. I thought it was because the graffiti on the wall was inauspicious, so I asked my daughter to buy the paint and paint the wall. She ... She really didn’t know anything!”“ ”

“““Is that so?”“ Zhao Yu shouted coldly,”“the graffiti on the wall is inauspicious. How could you make it up? even if you wanted to paint it, did you have to work in the middle of the night?”

“““You’ve been drawing those paintings for more than ten years, and you only now realize that it’s inauspicious?”“ ”

“““Your daughter ran away the moment she saw us, and you say she’s innocent? And she said she didn’t know anything?”

“““Also, your daughter used to be an information soldier. Her electronic knowledge is no worse than Qi Hao ‘s!”“ Zhao Yu shouted,”“if you really want to find someone to help, your daughter is the best candidate. Qi Hao is just a scapegoat you and your daughter chose!”

“““Yang Zimei was there on the day of Qi Hao’s death, right?”“ Zhao Yu continued,”“do you think it’s that easy to inject the poisonousness into Qi Hao while he’s alive?”

“““One of you must have restrained him, while the other did it! There were bruises on Qi Hao’s shoulder, which were obviously caused by fighting with someone ...”

“““You and your daughter are really vicious. Qi Hao is your Godfather’s grandson and the only child of the Qi family. You actually killed him for your own selfish desires. Aren’t you ... Afraid of the ghost’s reincarnation?”“ ”

“““Yes, you’re right!”“ Unexpectedly, yang jianen did not refute him. He immediately nodded and said,”“I may be vicious, I may be possessed, but I’ve already told you clearly that the ghost king case was committed by me alone from the beginning to the end. It has nothing to do with my daughter!”

“““Believe it or not ... I admit ...”“ He raised his head and looked at Zhao Yu with a strange look.”“I asked my daughter to paint the wall because I was afraid that the police would see it, but I didn’t expect you to come to me so quickly!”

“““I don’t understand. My plan was so meticulous and flawless. How ... How did you find the flaws? Why haven’t you let go after finding Qi Hao? How ... How did you find me?”“ ”

“““A flaw? Hmph!”“ Zhao Yu snorted and said,”“to tell you the truth, you did do it perfectly. There were no flaws at all. If you didn’t admit it to me now, I wouldn’t have known that things would turn out this way!”

“““As for how they found you, we’ll have to ask the ghosts of the people you killed! They told me in my dreams! They also said that your daughter is the real ghost king assassin!”” ”

“““You!”” Yang Jian ‘en suddenly understood something.”“You ... Are talking nonsense!?”” You actually tricked me? But ... But ... That’s impossible ...”” ”

“““What’s impossible? ““If you don’t want people to know, then don’t do it ...”” Zhao Yu said sternly.”“Now, whether your daughter was involved or not, whether she’s guilty or not, it’s no longer up to you!”” ”

“Then, Zhao Yu stood up and took out the camera that was hidden under his pillow. He said to yang jianen, ““I’d like to see what your daughter has to say next!”” ”

“““Ah? ““Ah ...”” Yang Jian ‘en finally realized that he had been tricked. He was so angry that he wanted to rush over and grab the camera, but Zhang Ling had already led a group of police officers into the room and pushed Yang Jian’ en to the ground ... ”

.....

“Two hours later, in the andu police station’s interrogation room. ”

“Zhao Yu stepped into the monitoring room, and the police officers in the room greeted him. ”

“Zhao Yu glanced at yang Zimei, who was behind the single-sided glass, then asked cui Lizhu, “““How is it? did you speak?”” ”

“““No...”” Cui Lizhu shook her head and said, ““this woman seems to have eaten a rock, and she refuses to admit that she has anything to do with the ghost king case!”” ”

“““Is that so?”” ”

“Zhao Yu looked carefully at yang Zimei, who was sitting in the interrogation chair. He saw that yang Zimei’s face was tense, but she looked extremely calm. ”

“““Then ...”” Zhao Yu quickly asked, ““did you show her the video of Yang Jian ‘en’s confession? She didn’t have any reaction?”” ”

“““There is ...”” ”

“At cui Lizhu’s signal, a technician brought up the previous image. ”

“Yang Zimei’s expression changed drastically after she saw the video of yang jianen’s confession. Her pupils dilated, the corners of her mouth curled up, and her body trembled slightly. She was obviously shocked by yang jianen’s confession! ”

“““It’s obvious that this woman is the accomplice!”” Cui Lizhu said helplessly, ““maybe he’s the mastermind!”” But ... Sis Wu said that if she refused to admit that she was related to the ghost king case, we couldn’t do anything to her!”” ”

“““Mm ...”” Zhao Yu nodded. He naturally understood this. After all, none of the crime scenes in the ghost king case had any evidence related to yang Zimei. ”

“Although Yang Jian ‘en had already confessed, if yang Zimei insisted on claiming that she knew nothing about her father’s crimes, it would be difficult to convict her.”

“”Now ...”” Ran Tao said.””There’s one more thing that’s giving us a headache. We can’t be sure what’s going on with Qi Hao!”

“”Although he’s dead, whether he was involved in the ghost king case or not is related to his reputation! If he did, then he would be one of the ghost king assassins. If he didn’t, then he would just be an innocent victim ...”

“”We can only hope that yang Zimei will tell us the truth!””

“Hearing Ran Tao’s words, Zhao Yu didn’t answer him directly, but looked in the direction of the interrogation room again.”

“At that moment, Wu Xiumin was still actively interrogating yang Zimei. She showed mi Rou’s photo to yang Zimei and asked,”””Take a look, do you know this woman?”””

“”I don’t ...”” Yang Zimei shook her head calmly and didn’t say anything.”

“”This woman rented your house. Don’t you know her?”” Wu Xiumin asked again.”

“”I rarely go to my father’s house.”” Yang Zimei shook her head.””It’s normal that I don’t know him.”””

“Wu Xiumin asked,””why did you run away when you saw us last night?”””

“”I didn’t know you were the police!”” Yang Zimei replied,””I thought it was a robbery. Why didn’t you run?”””

“”Your father has already confessed. He said that you were also involved in the ghost king case. What else do you have to say?”” Wu Xiumin said.”

“”I don’t believe it. Then let my father come and confront me!”” Yang Zimei said calmly,””I don’t know anything about the ghost king case ...”””

“”Did you paint the walls with pictures of ghosts?”” “”Are you trying to cover up the evidence?”” Wu Xiumin asked loudly.”

“”I painted the wall. The paintings were there a long time ago,”” yang Zimei said.””My father asked me to erase the paintings as soon as possible. I don’t know what he meant ...”””

.....

“Looking at yang Zimei’s sharp performance, cui Lizhu said,””It seems that it won’t be easy to get this woman to tell the truth!”””

“”Not necessarily,”” Zhao Yu said confidently.””I haven’t even used my big move yet! Didn’t they say that Wang Zhen had already been caught? Why don’t we listen to what this young master has to say!”””

“Two days later, at Ten o’ clock in the evening, in an du City Police station’s interrogation room. ”

“““According to the torture regulations, you can’t exceed 48 hours,”” yang Zimei, who was still sitting in the interrogation chair, protested to Wu Xiumin.””If you don’t have any evidence, you have to release me without charges!”” ”

“““If you have any evidence, take it out and transfer me to the prison ...”” ”

“““Hmph! You’re quite familiar with the regulations on interrogation and the procedures for handling cases. It seems that you’ve done your homework before?”” Wu Xiumin said coldly,””the 48 hours you mentioned is the rule for normal interrogations, but the ghost king case involves five victims, which is a serious and vicious case. We have a 72-hour interrogation time limit. I think ... If you have studied it thoroughly, you should understand, right?”” ”

“““Alright, 72 hours, right?”” Yang Zimei said indifferently,””then we’ll just wait one more day ... Officer, I’m really sad and regretful that my father committed such a crime in the ghost king case, but I’ve told you everything I know! ”

“““This case has nothing to do with me, please don’t make things difficult for me ... I won’t admit to anything I haven’t done!”” ”

“““Yang Zimei, I really admire your perseverance, but ...”” Wu Xiumin picked up a document and said,””let the facts speak for themselves!”” Your ex-husband, Wang Zhen, has personally admitted that you and he were all involved in this case. You and your father, Yang Jian ‘en, are responsible for the ghost king case, while Wang Zhen is responsible for the peripheral business, drawing in bank financing, restoring various relationships, and preparing for the land bidding at any time! ”

“““You’ve divided the work and worked so meticulously that it’s almost turning into an industry!”” After that, Wu Xiumin slammed the document on the table.””You make money by killing people. How can you be so at ease? Now ... The evidence is irrefutable, what else do you have to say?”” ”

“““Hmph ...”” Yang Zimei snorted and said,”” alright, since you have evidence, you can Sue me!”” ”

“““I’ll do as you please, but I’ll still say the same thing,”” yang Zimei said coldly,””I won’t admit to anything that I’ve never done!”” ”

“““You ...”” Wu Xiumin’s face was pale, and her hands were trembling. ”

“In fact, what she had just said about Wang Zhen’s confession was all a lie. After two days of interrogation, Wang Zhen said nothing at all. He insisted that he knew nothing and had nothing to do with the ghost king case. ”

Crack ...

“At that moment, there was a knock on the door, and Zhao Yu suddenly entered the interrogation room and sat down directly next to Wu Xiumin. ”

“Yang Zimei had not only seen Zhao Yu before, but she also knew his identity. At that moment, when she saw Zhao Yu’s serious face, she was slightly stunned, but she quickly regained her composure. ”

“““Yang Zimei,”” Zhao Yu asked without even lifting his eyelids,””it seems like you know who I am, right?”” ”

“““You ...”” Yang Zimei pondered for a moment, then said,””you’re that famous detective, right? I’ve seen it on TV before ...”” ”

“““Very good!”” Zhao Yu raised his head and looked directly at yang Zimei.””Then, I’ll save the self-introduction. In your words, we don’t have much time left, so let’s get straight to the point and talk about the important things! ”

“““I really want to ask you a question,”” Zhao Yu asked, pretending to be curious.””Have you been to Qi Hao’s house recently?”” ”

“““What?”” ”

“Hearing Zhao Yu’s sudden question, yang Zimei was very surprised and fell into deep hesitation. ”

“““Why ...”” Zhao Yu urged,””is this question very difficult to answer? I think, if you have nothing to do with this case, you shouldn’t be thinking about such a simple question for so long, right?”” ”

“““I’ve been!”” Yang Zimei replied indifferently,””after I divorced Wang Zhen, for some reason, my father insisted that I bring food to Qi Hao!”” ”

“““Is that so?”” Zhao Yu asked,””how many times have you sent me?”” ”

“““Two times!”” ”

“““What did you get?”” ”

“““The first time was a pie, and the second time was noodles!”” ”

“““How long did you stay in his house? What did you do?”” ”

“““I stayed there for more than ten minutes. I didn’t do anything. We just chatted for a while ...”” ”

“““Have you been to his basement?”” ”

“““Um ...”” Yang Zimei paused for a moment, then said,””no!”” ”

“““Then ...”” Zhao Yu asked again,””did you see that Qi Hao’s living room had a lot of stage costumes and props?”” ”

“““No, I didn’t!”” Yang Zimei shook her head and answered with certainty. ”

“““Good! Good!”” Zhao Yu suddenly clapped.””Sure enough, not a single drop of water can leak out. It seems that you and Yang Jian ‘en have agreed on your statement in advance, right? Yang Jian ‘en also said the same thing!”” ”

“““Because I’m telling the truth!”” Yang Zimei’s eyes widened. ”

“““Is that so?”” Zhao Yu smiled faintly.””Why do I feel like you’re worried that you might have left some clues at the scene? ”

“““Are you worried that you might have dropped a strand of hair or left a fingerprint there? if the police find it, you won’t be able to explain yourself?”” ”

“““You?”” Yang Zimei frowned.”““What do you mean?”” ”

“““If you admit that you went to Qi Hao’s house before, then even if we found your hair or fingerprints at the scene, it doesn’t mean that you are related to the ghost king case! ”

“““But the truth is, we didn’t find it!”” Zhao Yu said,”“we didn’t find anything that you and your father left behind at the scene. There wasn’t even a piece of skin! ”

“““Now, you should be at ease, right?”” ”

“““You ...”” Yang Zimei was getting more and more confused, but she had a bad feeling about this. ”

“““Yes!”” Zhao Yu nodded.”“I’ve been a super detective for so many years, but I’ve never seen such a cautious criminal! You took control of Qi Hao’s house, kidnapped Tao Yan, and stayed there for such a long time, but you didn’t leave behind any clues. You’re really amazing!”” ”

“““...”” Yang Zimei did not say anything, but stared at Zhao Yu fiercely. She thought for a while, then said,”“you can’t slander people. I’ve already said that I have nothing to do with the ghost king case!”” ”

“““Yeah, if you had nothing to do with the ghost king case,”” Zhao Yu said,”“those were all your father and Qi Hao’s doing, but...Don’t you think it’s strange? ”

“““If your father didn’t leave any hair or fingerprints at the scene, does that mean he would have to wear a mask and gloves everyday? Andu was so hot right now. Wouldn’t Qi Hao notice? ”

“““The two of them are working together, and the location is at Qi Hao’s house. What kind of idiot would Qi Hao be to not suspect your father?”” ”

“““You ...”” Yang Zimei finally understood Zhao Yu’s point. She immediately made up her mind, shook her head, and said,”“how would I know? You can ask my father!”” ”

“““Tsk tsk ...”” Zhao Yu stared at yang Zimei and sighed.”“Your dad can’t explain it anymore. What you guys think is flawless is actually full of flaws! ”

“““In this case, only you and your father could have caused such a scene!”” ”

“““That’s just your subjective opinion,”” yang Zimei said stubbornly.”“I’ll say it again. I have nothing to do with the ghost king case. I don’t know what my father did.”” ”

“““If you think I was involved in this case, then show me the evidence! If you don ‘t, then stop talking nonsense!”” ”

“““Good! I was just waiting for you to say that!”” Zhao Yu’s eyes widened as he pointed at yang Zimei and said,”“you think we really don’t have any evidence? ”

“““Alright, I’ll show it to you now!!!”” ”

Yang Zimei's expression changed when she heard that Zhao Yu was going to show evidence.

""Hmph Hmph Hmph ..."" Zhao Yu snorted coldly and said, ""I know that in your original plan, there was no such thing as confessing! ""

""You've already made all the preparations. Even if you were to be arrested by the police, you would be sure that we, the police, have no way to find direct evidence to prove that you and your daughter are guilty! ""

""So, you've already made up your mind not to confess. ""

""When you saw us that day, the only reason you wanted to escape was to call Yang Jian 'en and inform him to get ready! ""

""But you never expected that your father wasn't as determined as you were. He directly confessed and took all the blame! ""

""This will disrupt your previous plan, right? ""

""Yang Zimei, "" Zhao Yu said seriously, ""you know very well that for your happiness, your father has put his own life aside and taken all the blame! ""

""So, even if you don't do it for yourself, for your father, you must never confess, right? ""

""Although you feel guilty and sorry for your father, you can only grit your teeth and endure it!"" "

""Hmph, "" yang Zimei snorted coldly, ""think whatever you want. If you have evidence, show it now!"" If you don 't, then don't waste your breath. "" "

""Don't worry, "" Zhao Yu said with a smile. ""I'll show you the evidence, but there are some things we have to make clear in advance!"" "

""I remember that a famous criminal investigator once said that in the process of a crime, as long as it happened, there would be material exchange. This is the case for ordinary crimes, not to mention a case as big as the ghost king case. ""

""You thought that you didn't leave any evidence, and that you were invulnerable, but in fact, you are just deceiving yourself, "" Zhao Yu said. ""As long as you really did it, you won't be able to escape the punishment of the law! ""

""You two, father and daughter, not only are your methods brilliant and cautious, but you also know how to play psychological warfare!"" Zhao Yu said, ""through our analysis, we found that the costumes in Qi Hao's living room were actually moved from his basement, right? ""

""Qi shengrong is an opera singer, so it's normal for those things to be in the basement! However, if it was suddenly placed in the most conspicuous living room, the effect would be different! ""

""Those things are covered in dust and are old and strange. Once the police saw those things, they would naturally think that Qi Hao was a person with a dark heart. This kind of person was very likely to be involved in the ghost king case! Right?"" "

“““What does this have to do with me?”” Yang Zimei said nonchalantly,““I’ve told you before that when I went to Qi Hao’s house, I didn’t see those things in the living room! ”

“““They probably transferred it after I did, right?”” ”

“““By them?”” Zhao Yu asked,““are you talking about your father and Qi Hao? Your father wanted Qi Hao to be his scapegoat, so it was understandable that he would do that! ”

“““But, what about Qi Hao? Would Qi Hao be so stupid as to help your dad move his things into his living room and decorate his house in such a terrifying way? ”

“““Things have already come to this point. Can’t he guess your father’s true purpose?”” ”

“““Then ... How would I know?”” Yang Zimei said,““maybe they wanted to clear out the basement to make a murder plan?”” ”

“““In other words, you don’t know anything about the costume?”” Zhao Yu suddenly spoke faster,““then, when I asked you before if you saw the stage costume in Qi Hao’s living room, you should have felt strange, but your answer was so clear that you did not! ”

“““That feeling, it was as if you already knew that Qi Hao had stage costumes in the living room! If I’m not wrong, you and your dad were the ones who transferred the costumes over!”” ”

“““What a joke!”” Yang Zimei shook her head slightly.““What’s wrong? Just because I’m not curious, you want to judge me as guilty? This is your so-called evidence? ”

“““You asked me if I have it, and I answered No. What’s the problem!?”” ”

“““Good! If you say there’s no problem, then there’s no problem. Alright....Since you’re still so stubborn, then I won’t be polite!”” Zhao Yu suddenly stopped smiling and said seriously,““to tell you the truth, you guessed right. Actually, I was just bluffing. ”

“““I don’t have any substantial evidence! ”

“““Are you satisfied now?”” ”

“Hearing Zhao Yu’s words, Wu Xiumin covered her face, and the colleagues in the monitoring room all looked at each other, thinking that Zhao Yu had some mental problems. ”

“Yang Zimei was also confused, and she looked at Zhao Yu suspiciously. ”

“““But ...”” Sure enough, after Zhao Yu’s nonsensical affirmation, he took another turn and said,““the substantial evidence I’m talking about is physical evidence. Just because there is no physical evidence, it doesn’t mean that there is no witness!”” ”

“““Witness?!”” ”

“His words immediately attracted everyone’s attention, and they all looked at Zhao Yu again. ”

“““No, it’s not Wang Zhen. Don’t get the wrong idea,”” Zhao Yu said to yang Zimei.““I know that your ex-husband was a kindred spirit. Even if he knew something, he wouldn’t give in so easily!”” ”

“““Furthermore, I’ve already confirmed that the things he knows are very limited ...”” ”

““““You ... What are you trying to say?”” Yang Zimei looked at Zhao Yu in a daze, but she couldn’t help but feel nervous. ”

““““Yang Zimei, let me ask you something,”” Zhao Yu leaned forward and asked yang Zimei mysteriously,””the portraits of the ghost king on your wall ... Who drew them?”” ”

““““You ...”” ”

“When Zhao Yu suddenly asked such a seemingly unrelated question, yang Zimei suddenly shivered, and cold sweat broke out on her forehead. ”

““““The ... The painting ...”” Yang Zimei thought for a moment and said unconfidently,””it ... It was my father who drew it? He’s been influenced by Qi shengrong since he was a child, so he’s more interested in the culture of the ghost Dao ...”” ”

““““Oh, really? ““Hehehe ...”” Zhao Yu suddenly laughed, as if he had just realized something. His laughter gave people goosebumps. ”

Yang Zimei’s expression had turned ugly.

““““What’s wrong? Have you already noticed that I’ve caught a loophole?”” Zhao Yu laughed.””Let me tell you, the painting on your wall was not drawn by your father, but by your grandfather!”” ”

Yang Zimei was speechless.

““““Do you understand now? The witness I’m talking about is your grandfather, Yang Jian ‘en’s father, the old man lying in the hospital bed, the one who urged yang Lujin to come!”” ”

Yang Zimei became even more nervous after hearing that.

““““If I’m not wrong,”” Zhao Yu paused for two seconds, then said again,””yang Lujin is just his fake name. His real name should be yang chenqin Chenchen!”” ”

““““You ...”” Yang Zimei shuddered again and immediately retorted,””you ... What nonsense are you talking about?”” ”

““““How could I be talking nonsense? ““I knew it all along.”” Zhao Yu’s lips curled up into an evil smile.””Your grandfather is Tao Yulan’s first disciple, and Qi shengrong’s eldest senior. And that”” record of the ghost king ““is your Yang family’s heirloom, and it has always been in your family’s hands!!!”” ”

Chapter 1898: Another truth

““““Stop pretending. You and your father know everything about your grandfather,”” Zhao Yu said coldly.””Ever since Tao Yulan’s death, your grandfather was afraid of being implicated, so he changed his name. Not only did he change his name to yang Lujin, but he also changed his career to being a truck driver. He didn’t even dare to act in Sichuan Opera anymore! ”

“““Qi shengrong was different. He was just a child who didn’t know anything about the world. He wasn’t worried about being harmed, so he continued to work in the Sichuan Opera industry!”

“““It’s precisely because he’s a child that Tao Yulan would pass on such an important book to him.”

“““Yang Zimei, stop your futile resistance,”” Zhao Yu said.”“The reason why you and yang jianen didn’t dare to reveal yang Lujin’s true identity was that you were afraid that we would suspect you through him!”

“““That’s why you fabricated the story of the ghost king you got from Qi shengrong ...”” ”

“““You ... Hehe ...”” Hearing this, although yang Zimei looked shocked, she still laughed coldly and said,”“you really know how to make things up. In order to get me to confess, you actually made up such a big lie?”

“““You turned my grandfather into Tao Yulan’s first disciple, you’re really something ...”” ”

“““Yang Zimei!”” ““What?”” Zhao Yu’s face suddenly turned cold and stern as he asked seriously,”“do you really think that what I’ve said is just a wild guess?”” ”

“““You ...”” Yang Zimei gulped. She felt guilty again.”

“““Because ...”” Zhao Yu lowered his voice.”“You know that your grandfather has a serious cerebral vessels disease, so he is delirious and often in a coma. So, his mind is in a mess, and he doesn’t know anything, right?”

“““Actually, you’re wrong. You guys just rarely show him any concern ...”” ”

“Then, Zhao Yu took out his phone and pulled up a video that he had prepared earlier.”

“After opening it, he saw an old man lying on the bed. He said with a depressed look,”“““Officer ... This day ... Has finally come ... ”

“““What an evil creature, what an evil creature ...”” Tears welled up in the old man’s eyes as he said remorsefully,”“the ghost Dao reincarnates and good and evil are determined. I’m afraid ... This is my retribution!?”” ”

“The old man spoke clearly. Although he was weak, his words were clear.”

“When yang Zimei saw her grandfather speak, she was shocked and felt that it was unbelievable.”

“““Yes ... Yes, yes ... That book is mine. Humans don’t believe in ghosts, but the Dao of ghosts is deeply rooted in their hearts. I ... Cough cough ...”” The old man lay flat on the bed, but his words were unusually agitated.”“Actually, I’ve been waiting for this day for a long time ... ”

“““It’s been ... About 60 years? ‘I thought ... I would eventually be secretly brought to my grave ... Now that I think about it, it’s a kind of release ...’ ”

“““Lord Tao ... Tao Yulan was indeed my teacher ... The”” record of the ghost king “““is the only memento he left me ...”” ”

“As they listened to yang qinchen’s words, both the interrogation room and the monitoring room fell silent, as if time was being reversed. ”

“”I admit that I’m guilty ...”” The old man coughed twice and continued,””back ... Back then ... It was me and my master who committed the ghost king case! I’m his accomplice, and I’ve also killed someone!”” ”

“”Ah!?”” ”

“Everyone was shocked, especially yang Zimei, who was sitting in the interrogation chair. She couldn’t believe her eyes! ”

“”After the incident, my master took all the blame, and I was able to escape punishment ...”” Yang qinchen’s eyes welled up with tears once more.””Of course ... There was a reason ... Cough cough ...”” ”

“The old man coughed violently because of his excitement. A nurse came forward to help him clear his throat. Half a minute later, the old man could continue,””Did you know? My master insisted on carrying out the ghost king’s punishment on those people, and he wanted me to carry out the punishment with him because we have an irreconcilable hatred with those people! ”

“”Those people are all evil soldiers and bandits. Before the liberation, they took advantage of the chaos to wantonly Rob and kill, and committed heinous crimes! ”

“”My parents, little Qi ... Oh, shengrong’s father and sister, and my master’s wife ... Were all killed by those bandits. The women were also humiliated by them ... ”

“”It was ... It was in the theater where we stopped at that time ... ”

“”Fortunately, master took me and shengrong to buy steamed cakes, so we were lucky enough to escape this disaster ...”” ”

“”In that chaotic era, my master had no way to report to the officials, and no one would listen to him if he reported to the Army. My master did not have the ability to take revenge. That kind of hatred, that kind of humiliation, it simply made people ... Cough cough ... Cough cough ... ”

“He then added,””later, after the founding of the country, something even more incredible happened. Those surviving soldiers and bandits somehow became officials in various units, and their reputations were completely cleared ...”” ”

“”My master had prepared a complaint and wanted to Sue them, but this sudden change made him completely desperate! ”

“”In the end, he finally gathered his courage and prepared to seek revenge in his own way. That was how he committed the shocking ghost king case!”” ”

“”The reason why they were dressed up as evil spirits was to show the world that they had countless vengeful souls under their control. Vengeful spirits would lock their souls and make them unable to reincarnate for all eternity!!!”” ”

“After watching this video, the scene once again fell into a dead silence ... ”

The crowd was thoroughly shocked by yang qinchen's past. No one had expected that there was such a huge hidden story behind Tao Yulan's case!

"The world only knew that Tao Yulan was a nightmarish ghost king assassin, but they never thought that she would experience such a tragic story."

Yang Zimei had never heard her grandfather talk about these things before. She was dumbfounded and her body trembled as if she had fallen into an ice cellar ...

""Yes, it wasn't just the five bandits who killed our loved ones that year. The others either died in the war or were far away from western Sichuan, their whereabouts unknown ..."" After a moment of recovery, yang qinchen continued,""my master only remembered those five people ... "

""I don't know either ... If my master wasn't captured, would he continue to look for his enemies? But I know that the reason why my master wanted me to participate in the ghost king case was so that I could kill my enemies with my own hands and avenge my parents ... "

""Although shengrong has a grudge against me, he's still too young to know anything ... "

""After master's accident, the troupe dispersed. I was worried that the police would come after me, so I changed my name and started another career ... "

""Shengrong's mother was still alive, and he had a good foundation. So, when he grew up, he joined another Sichuan Opera troupe and continued to sing ... "

""After that, the situation wasn't as tense as before ..."" Yang qinchen continued,""so, I deliberately went to shengrong's house and bought a piece of land from the willow tree tomb, and became his neighbor ..."" "

""After that, we started our own families and had our own children. We even got our children to join a troupe, and our lives got better and better ... But ..."" Yang qinchen clutched his chest and said,""after all, I've killed people before, so it's like there's something stuck in my heart. Although ... Those people I killed were all bad people, but ..."" "

""In the ghost Dao's reincarnation, good and evil are hard to determine ... I just don't feel at ease. Now ... I finally understand that in the ghost Dao's reincarnation, there's a cause and effect ... My retribution didn't happen to me, but it affected my descendants, causing them to go mad and become demons!!!"

”

Chapter 1899: Proof of the opposite

""If I knew this would happen ..."" Yang qinchen's face was filled with grief and indignation in the video,""I would have destroyed the record of the ghost king earlier!"

""But ... I can't blame the child for everything. Actually, I was the first one to suffer from Qi deviation ... I shouldn't have studied the Dao of ghosts too deeply. I shouldn't have ... I shouldn't have drawn those ghostly symbols and portraits of malicious ghosts at home ... "

““““I ... I shouldn't have written those notes and recorded things related to the ghost Dao ... ”

““““I ... I know now that I've made a mistake ...”” All of a sudden, tears streaked across yang qinchen's aged face as he wailed in despair,““““I'm the one who harmed my child, causing him to follow me into the path of the ghost...I've made a mistake ...”” ”

“At this point, the video began to shake a little, and then there was an obvious jump in, but yang qinchen's mood was slightly restored, and he continued to speak to the camera, ”

““““I was afraid of exposing my crime, so I didn't tell anyone that I was involved in the ghost king case. It's a secret that even shengrong didn't know about ...”” ”

““““My child, Jian 'en...I've only told him a few bits and pieces. He and A-Mei only know that my real name is yang qinchen, Tao Yulan's eldest disciple, and that I've only obtained the lost copy of the”” records of the ghost kings. ”” ”

““““Perhaps, they were suspicious of me before, but I never told them the truth. ”

““““I'm afraid this is fate! ”

““““The”” record of the ghost king ““““was passed down to him by master's ancestor. In order to take revenge, master committed the ghost king case! ”

““““And sixty years later, this”” record of the ghost king ““““brought bad luck to our family again! It gave Jian 'en the idea of using the record of the ghost king to kill. Retribution ... Retribution! ”

““““My master killed people for revenge, but Jian 'en didn't have any grudges. Why, why would he harm people? ”

““““Moreover, Jian 'en is really stupid. It's one thing for him to plot to use the ghost king to kill people, but why ... Why did he drag ah Mei in as well? ”

““““Ah Mei is still young, still young ... They ... What's wrong with them ...”” ”

Kachaa!

“Zhao Yu immediately turned off the video and shouted at yang Zimei,““““Yang Zimei, is there any clearer evidence than this? ”

““““Your own grandfather has already admitted that you and your father plotted and carried out the ghost king case. What else do you have to say?”” ”

“At this moment, yang Zimei was no longer as calm as before. Her eyes darted around as she tried to explain herself in a panic,““““You ... This is a trap you set up! ”

““““My grandfather's cerebellum shrank. He was just talking nonsense. How can his words be used as a confession?”” ”

““““Wrong!”” Zhao Yu raised his hand and said,““““we've already checked your grandfather's medical records. He only has some vascular diseases, but these diseases don't affect his memory and nervous system. ”

“““It is precisely because he is your grandfather that his testimony will become important and effective evidence! “““Yang Zimei,”” Zhao Yu shouted,”” do you still dare to deny it? ”

“““We’ve already checked the hospital’s records. You and your father hired a caretaker for yang qinchen, and through the caretaker and the hospital’s surveillance, we’ve confirmed that during the period of the ghost king’s death, neither of you appeared in the hospital to protect yang qinchen. ”

“““So, you two don’t have any alibis! ”

“““I have also carefully investigated your movements,”” Zhao Yu said.””Since the ghost king incident, we have never caught your figure on the surveillance cameras near your house! ”

“““Moreover, during those days, the electricity and water meter in your house did not move much, which proves that you did not live in your own house at all. ”

“““So, you claim that you’ve been staying in your own home all this time. That’s not true at all!”” ”

“““But ...”” ”

“Yang Zimei wanted to argue, but Zhao Yu interrupted her ruthlessly,””You don’t need to quibble anymore! First, you don’t have an alibi. ”

“““Secondly, Yang Jian ‘en’s statement was full of loopholes. He couldn’t explain why he didn’t leave any fingerprints or hair at Qi Hao’s house, and he couldn’t explain who designed the scheduled release of the computer at the end. In his testimony, it’s obvious that he’s missing the existence of another important accomplice, and you’re the biggest suspect. ”

“““Third, we have evidence to prove that Qi Hao was not involved in the crime. ”

“““Fourthly, with your grandfather yang qinchen’s confession, the fact that you have a significant interest in this case, and the fact that you possess special skills that allow you to carry out this case, what else do you think you can deny?”” ”

“““You ...”” Yang Zimei was at a loss for words. She was clearly at a loss for words, but she still insisted on a certain condition.””What makes you think that Qi Hao wasn’t involved in the crime?”” ”

“““Nonsense! If I didn’t investigate clearly, would I have revealed all my cards to you?”” Then, Zhao Yu took out a document from his pocket and said,””that’s right. You and yang jianen were very careful. You didn’t leave anything at Qi Hao’s house that could prove your identity! ”

“““But, to prove a case, sometimes, you don’t need to prove your non-existence. You only need to prove the existence of another person, and the truth will quickly become clear!”” ”

“Zhao Yu’s words were obviously difficult to understand, and yang Zimei was a little confused. ”

“““Our technical experts aren’t just for show. They searched the basement of Qi Hao’s house and finally found something special. Guess what it is...What it is?”” ”

“Zhao Yu asked in a mysterious tone, and yang Zimei was confused. ”

“““Well, I’ll just tell you the answer,”” Zhao Yu said, shaking his head.””It’s a bit difficult for a girl like you to guess! ”

“““Let me tell you, we found Qi Hao’s urine in the basement!”” ”

“““What?”” Hearing this, yang Zimei furrowed her brows even more and became even more confused. ”

“““Don’t you think it’s a little coy in the basement?”” Zhao Yu smiled.”“You might say that Qi Hao’s urine sample is not a big deal. Does this mean that he doesn’t care about personal hygiene? ”

“““However, there’s a great mystery hidden in this urine sample!”” Zhao Yu laughed again.”“With our current technology, not only can we determine who the urine belongs to, but we can also find out what ingredients are in it. Most importantly, we can also detect when the sample appeared. Don’t you think it’s amazing?”” ”

“““Ah?”” Suddenly, yang Zimei understood what Zhao Yu meant. She couldn’t help but shiver, and her eyes showed despair. ”

“““It has been confirmed,”” Zhao Yu opened the document in his hand and read the contents,”“on the 5th of this month, which was the day of the ghost king case at the Lanyang Academy, Qi Hao left this urine sample that we detected in his basement. There was a large amount of pteropodradine in the sample ...”” ”

“““Yang Zimei,”” Zhao Yu glared at yang Zimei coldly and asked,”“you’re not unfamiliar with this kind of composition, are you?”” ”

“““...”” At this moment, yang Zimei had already lost a whole chunk of her height. Her face was trembling violently, and it was obvious that she was extremely excited. ”

“““Let me tell you!”” Zhao Yu said,”“Qin Fen is a highly effective nerve sedative that can make people sleep for a long time ...”” ”

“““The most important thing is that this highly effective sedative doesn’t need to be injected, so it won’t leave a pinhole! Moreover, because it was nerve anesthesia, and the absorption was relatively fast, after the matter was done, it only needed to be sprinkled with a few bubbles, and it would not be detected! ”

“““Yang Zimei,”” Zhao Yu gritted his teeth and said,”“this evidence is enough to prove that Qi Hao did not participate in the case of the Lanyang Academy. However, the Lanyang Academy needs to be conquered. It’s impossible to do it alone! ”

“““In order for you and your daughter to commit the crime in peace, not only did you imprison Qi Hao, but you also gave him anesthesia! ”

“““In order to make Qi Hao a scapegoat, you didn’t dare to tie him up or inject him with anesthetics, for fear of leaving any traces! ”

“““Hmph! You father and daughter really have all the tricks up your sleeves! However, you didn’t expect that the heavens are fair and the ghost Dao reincarnates. As long as you have committed a crime, don’t even think about escaping the harsh punishment of the law!”” ”

“At two o’ clock in the morning, Zhao Yu walked to the window of the office. Through the clean glass, he could see the empty streets and empty alleys. ”

“Although he didn’t go outside, Zhao Yu could still feel the sweltering heat that was spreading through the streets. It seemed like there was going to be another heavy rain. ”

“After looking at the street View, he looked at the system interface in his mind. ”

“Although he was proud of it, Zhao Yu couldn’t help but feel that it was a pity. Because, if he had gotten a hexagram the day before yesterday, he might be preparing for a big harvest now! ”

“Putting aside the dazzling array of props, he now had more than 80000 points. If he handled the ghost king case well, he might be able to get 100000 points after the completion of the case and upgrade the system! ”

“Now, he could only watch as the system interface remained silent and pay for his stubbornness! ”

“”By the way, this should be the most legendary case you’ve ever solved, right?”” Cui Lizhu had gotten an ice cream from somewhere. As she licked the cool cream, she said to Zhao Yu,“”did I use too much force? ”

“”Even the truth of Tao Yulan’s case from sixty-six years ago has been dug out! “”Boss, boss,”” cui Lizhu said as she licked the cream on her fingers, then gave Zhao Yu a thumbs up.“”You’re really about to become a God. I wonder if there are any cases in this world that you can’t solve.“” ”

“”Low-key, low-key ...”” Zhao Yu was as “”humble”” as ever.“”There seems to be no case that I can’t solve, right? No wonder meowmeowmeow advised me to solve a cold case!”” ”

“”Tsk ... Here we go again ...”” Cui Lizhu pouted, and her respect for Zhao Yu suddenly disappeared. ”

“”Boss,”” Ran Tao asked,“”since yang qinchen has already confessed the truth from sixty-six years ago, did he say how Tao Yulan died?”” ”

“”Why did he suddenly die when he was just arrested by the police and hasn’t been tried?”” ”

“Hearing this, Zhao Yu shook his head slightly.“”Yang qinchen said that he didn’t know what was going on either, but he could roughly guess that it wasn’t the police’s problem. After all, the case hasn’t been investigated yet! ”

“”It was such a sensational case, of course the police wouldn’t want him to die so soon. ”

“”According to yang qinchen’s speculations, he suspects that ... The possibility of Tao Yulan committing suicide to escape punishment is higher!”” ”

“”Oh? Committing suicide to escape punishment?”” Cui Lizhu and ran Tao said at the same time. ”

“”Yes,”” Zhao Yu said.“”Yang qinchen said that, when he and Tao Yulan committed the ghost king case, they used the venom of a Viper from western Sichuan. The viper’s venom is very poisonous. After being injected into a person, the person would lose all reaction for five minutes and their heart would stop beating for ten minutes! ”

““““At that time, they had already completed five ghost king cases, so it could be said that Tao Yulan’s wish had been fulfilled and she had no more worries. She knew that she would definitely die if she was caught, but she was afraid of implicating yang qinchen, so she simply chose to commit suicide, leaving behind a ghost king case that lasted for more than half a century!”” ”

““““Waa!”” Cui Lizhu couldn’t help but exclaim, ““if ... If it weren’t for yang Zimei and yang jianen, and if yang qinchen wasn’t still alive, I’m afraid ... No one would ever know about this secret!”” ”

““““Hmph, who knows!”” Zhao Yu shook his head and sighed. ““There’s a cause and effect for all good and evil in this world. Maybe there’s really a destiny in the dark?”” ”

““““You’re quite mysterious. Have you also entered the ghost Dao?”” Cui Lizhu took a big bite of her ice cream, then asked Zhao Yu, ““by the way, boss, since yang qinchen admitted that he was Tao Yulan’s accomplice, then ... How should we deal with his crime?”” ”

“Hearing cui Lizhu’s question, Zhao Yu shook his head indifferently, indicating that he had no idea. ”

““““I don’t think we’ll be sued. It’s even very difficult to file a case!”” Zeng ke suddenly gave his answer from afar, ““according to our country’s criminal law, if a criminal crime of more than 20 years needs to be pursued, it must be reported to the Supreme Court for approval!” ”

““““In Tao Yulan’s case, the trial has already ended, and yang qinchen is not a fugitive. In addition, from the day of the crime, the suspect had not committed any continuous crimes or other criminal acts. ”

““““Considering his current age and unstable mental state, even if yang qinchen has already pleaded guilty, this is the only way we can proceed with the case ...”” ”

““““Alright, it’s about the same as I expected!”” Cui Lizhu shrugged her shoulders. ““Anyway, the old man is old and ill, so he can’t serve a sentence. He told us the truth before he died, which is a good thing!”” ”

““““No...”” Zhao Yu said. ““He did more than one good thing! Without him, I wouldn’t have been able to do anything to yang Zimei!”” ”

““““Ah? It can’t be, right?”” Cui Lizhu was surprised. ““Didn’t the old man testify against his son and granddaughter? Don’t tell me ... You ...”” ”

““““I just used a little trick of the montage ...”” Zhao Yu stood up, deliberately making himself taller, then said, ““actually ... From the beginning, I had my eyes on this old man!” ”

““““I just wanted to check Yang Jian ‘en and his daughter’s alibis through him, but I didn’t expect to find so many unexpected things ...”” ”

““““Although the old man is often unconscious for five days a week, he is not muddled. He remembers everything clearly, but ...”” ”

““““Usually, yang jianen only takes care of his physiological needs and ignores his spiritual feelings, so ... In yang jianen and yang Zimei’s eyes, the old man is no different from a vegetable. He can’t stop them from doing their big things!” ”

““““However, after the operation, they had to stay at Qi Hao’s house for a long time and had no time to take care of the old man. So, they sent the old man to the hospital and hired a caretaker to take care of him!”” ”

““““I think that if Yang Jian ‘en and his daughter made any mistakes, then this old man is undoubtedly their biggest mistake!” ”

““““When I went to the hospital, I thought that the old man was in a vegetative state, and I couldn’t get anything out of him. But ...”” Zhao Yu shook his head.””I don’t know if the doctor gave him the right medicine, or if God helps the good, but when I went, the old man just woke up!” ”

““““Then, I just mentioned the ghost king case to him, and as a result, I got such a big surprise. To be honest, I was also scared at that time!” ”

““““I had some expectations that the old man might be yang qinchen, but I didn’t expect that he was actually half a ghost king assassin and was personally involved in Tao Yulan’s case!” ”

““““To be honest, I still feel like I’m watching a wuxia movie ...”” ”

“Zhao Yu touched his heart and continued,””I saw that the old man had completely opened his heart, so I had an idea. I told him that his son, Yang Jian ‘en, and granddaughter, yang Zimei, were secretly planning to carry out the ghost king case. They wanted to pay their respects to their ancestor, Tao Yulan, and kill a few enemies. Fortunately, the police stopped them in time, or else they would have made a big mistake ...”” ”

““““Because of what I said, the old man provided me with the confession on my phone. Didn’t you see ... I edited the video?”” ”

““““Oh ... So that’s how it is!”” Cui Lizhu grinned, her expression unnatural. ”

““““I know that it’s not very good to do this, but ...”” Zhao Yu admitted.””But, if I tell the old man the truth, I’m afraid ... The old man won’t tell me the truth ...”” ”

““““I can see that this old man is not easy to deal with. He was able to maintain his identity for 66 years, so he must have a certain level of strength!”” ”

““““But ...”” Cui Lizhu suddenly thought of something.””Don’t forget that yang Zimei hasn’t really confessed yet!”” What if ...”” ”

““““I’ll still say the same thing, the truth can’t be faked, we’ll make sure it’s true!” ”

““““If yang Zimei really didn’t participate in the ghost king case ...”” Zhao Yu said frankly.””Then, no matter how clever we are, she would never admit to her crimes!” ”

““““But if she is the murderer, then ...”” ”

“Just as Zhao Yu said this, Captain Zhang Ling ran into the office, panting heavily. She excitedly reported to everyone,””He confessed! He confessed! Yang Zimei has already confessed everything!”” ”
