Chapter 1971: Unable to bear it

““““You were attacked on Jeju Island?”““““What about Jecca and the others?”““ Zhao Yu asked amerolan.
”

““““I don’t know,”““ amerolaia said.““““We were supposed to meet in a private villa. We were attacked before we even entered the villa! ”

““““Those people were very professional. They all had weapons. We didn’t have a chance to fight back at all. We could only wait to be captured ...”““ ”

““““Then ...”““ Amiola continued,““““I was knocked out by them. When I woke up, I saw a white man with a scar on his face! ”

““““He gave me a miniature USB and threatened me that if I wanted to keep Yusufu alive, I had to personally hand the USB to you without anyone knowing ...”““ ”

A scar on his face ...

Zhao Yu thought about it for a moment. The person that amerolaha had described was the same as Miao kun ‘s. It seemed that the person who kidnapped Miao kun and Yusufu were the same person.

““““I didn’t think too much about it at the time ...”““ Amerolan said excitedly.““““I thought that he wanted me to give you the USB drive personally so that I could be a Messenger and make a deal with you. I didn’t expect him to use such an extreme method ... ”

““““When I woke up again, I was hanging from a tree, and ...”““ Fear flashed in amerolan’s eyes.““““All of yosufu’s men were dead ... ”

““““I’m sorry, Zhao Yu,”““ amerolaia said.““““When I was taken to the hospital by the police and saw you there, I finally understood what they meant! ”

““““I know. Since they want me to pass you the USB flash drive without letting anyone know, then ... This USB flash drive will definitely pose a danger to you! ”

““““But I really had no other choice. Those people are cruel,”““ amerolan said with tears in her eyes.““““Yusoff is not only my boss, but also my Savior. So ... I can’t ... I can’t watch him die. Do you understand this feeling?”““ ”

““““I understand, I understand ...”““ Zhao Yu comforted her. ”

““““I’m sorry ...”““ Amerolla said.““““I could only do as they said. These people came with bad intentions and were very powerful. I was afraid that they might have eyes in the police or doctors, so I didn’t dare to tell you the truth in the hospital ... I could only give you the USB secretly ... ”

““““How is it ... What’s in that USB? You ... Are you alright?”““ ”

“While speaking, mellaura held Zhao Yu’s hand with concern, looking very excited. ”

““““Lola,”” Zhao Yu advised,““““I’m fine. In this world, no one can harm me, Zhao Yu!””

““““Laura, try to recall again. Are there any important details? Can you remember what kind of transportation they used when you were controlled by them?””

““““Did you hear or see anyone else or any situation?””

““““Also, which mansion on Jeju Island were you attacked?”” ”

“After Zhao Yu asked the question, Amiola suddenly stopped talking and looked down at her handcuffs.”

““““Oh, don’t worry.”” Zhao Yu saw through her thoughts and said quickly,““““previously, it was because the situation was unclear. Now, since you have explained it clearly, I will submit an application to the Korea authorities to release you as soon as possible!”” ”

““““No!”” ““““Zhao Yu!”” Suddenly, Amiola gritted her teeth and said with a determined look,““““I want to fight side by side with you, just like the house of sin!”” ”

““““What?”” Zhao Yu frowned.““““Fight side by side?”” ”

““““Right!”” ““““No one knows if the chief is still alive or dead,”” said Amelia with determination.““““I want to fight alongside you and investigate together so that we can save the chief as soon as possible!”” ”

““““Uhm ... About that ...”” Zhao Yu gritted his teeth and thought to himself, sis, I can’t do anything right now. I can’t even protect myself, so I don’t have the final say!”

““““Zhao Yu,”” Amiola seemed to understand Zhao Yu’s difficulties, so she said,““““I’ve seen the enemy’s face, and I know a lot of information. You can talk to the person in charge in Korea. They will definitely agree to let me join!”” ”

““““You ...”” Zhao Yu frowned. ”

““““I’m not talking nonsense.”” Amiola narrowed her eyes.““““You know what I do for a living. I definitely have information on it. It will be of great help to your investigation!”” ”

““““If you don’t agree to my conditions, then you’d rather shut up!”” ”

““““You ...”” Zhao Yu was speechless. ”

““““Ever since the incident,”” Amiola said,““““I don’t believe in anyone but myself!”” ”

““““But ...”” Zhao Yu still shook his head,““““I don’t have the final say in this!”” ”

“Just as Zhao Yu finished speaking, the door of the interrogation room was pushed open.”

““““Alright, I agree to your conditions!”” Li Zhenzhu walked in from the door and replied in fluent English,““““I have the final say in this matter!”” ”

“Having seen Li Zhen Zhu before, she immediately stood up and said,““““““Alright, then you’d better be prepared. Our enemies are much stronger than you think!”” ”

““““Alright!”” Li Zhenzhu smiled, then gestured to Zhao Yu to see her off. She then changed to Chinese and said,““““police officer Zhao Yu, you have nothing to do here! Please leave!”” ”

“F * ck!” Zhao Yu suddenly understood what Li Zhenzhu meant. She didn’t want him to participate! ”

“Ah, finally someone who’s willing to tell the truth.” Li Zhen Zhu rolled her eyes at Zhao Yu, then said to amiola, “Miss Lola, let’s have a good talk!” ”

“After that, Li Zhenzhu opened the door of the interrogation room and sent the guest off again. ”

“Okay, you’re good ...” Zhao Yu wanted to argue with Li Zhenzhu, but he still had a lot of things to do, so he left the interrogation room resentfully. ”

“The moment he stepped out of the interrogation room, he heard the door close behind him. ”

“Hmph, damn it ... If I wasn’t in a hurry, I would have taught this Korea girl a lesson today ... ”

“After walking out of the interrogation room, Zhao Yu saw Xiao hang, who was anxiously making a phone call. He quickly walked over and ordered him, ” ”

“Xiao hang, you’re just in time. Go to the monitoring room and listen to what Zhen Zhu and Lola are talking about!” ”

“Aiyo, Zhao Yu ...” Seeing Zhao Yu, Xiao hang quickly put down the phone and said to Zhao Yu frantically, “the woman took the USB! Why did you tell me everything?” ”

“A USB drive? “Oh ...” Zhao Yu waved his hand. “It’s okay, I have a backup here ...” ”

“Oh ... But ...” Xiao hang said awkwardly, “they just arrested Yu mengwan!” ”

“Yu mengwan?” Zhao Yu recalled and said, “Oh, the Chinese person in charge of the underwater base? The one who was pushed down the stairs?” ”

“Yup!” Xiao hang gritted his teeth in anger. “That’s too much!” ”

“It’s not too much?” Zhao Yu said indifferently, “if it were me, I would definitely have a good talk with her! ”

“Don’t forget, in order to open her safe, other than fingerprints, you also need a password! ”

“How did those criminals know her password?” ”

“It can’t be?” Xiao hang was speechless. He was stunned for a few seconds before saying, “there’s one more thing. I’m afraid you can’t bear it anymore, right? ”

“I just received news from the hospital that Miao kun has been secretly taken away by the Korean police!” ”

“What?” This time, Zhao Yu’s eyes widened. “What do you mean? Who is so bold as to touch my father-in-law?” ”

“It’s her!” Xiao hang quickly pointed to the interrogation room. “It’s that miss Zhen Zhu. They said that Miao kun was an important witness, and they were worried that he would be attacked, so they moved him away secretly. They didn’t even tell us!” ”

“F * ck!” ”

Zhao Yu was so angry that he turned around and kicked the door of the interrogation room hard.

Chapter 1972: Zhao Yu's plan

“““We are allies on the same front line. We should be honest with each other and not suspect each other. Why did we fight?”” ”

“In the monitoring room, a Korea official with glasses reprimanded Li Zhenzhu and Zhao Yu. ”

“This person was a high-ranking official of the Korean National affairs Department, Li Zhen Zhu's direct superior, Wu Chengjun. ”

“In addition to the official, Li Jing had also arrived at the scene. She had been standing behind the Korean official, her face ashen and silent. ”

“Zhao Yu and Li Zhenzhu's clothes were all torn, and they looked so embarrassing that it was funny. Li Zhenzhu's hair was disheveled, and she even lost one of her shoes. ”

“It turned out that, when Zhao Yu found out that Li Zhenzhu had moved Miao kun away behind his back, he couldn't help but fly into a rage. He rushed into the interrogation room and had a big fight with Li Zhenzhu. ”

“The more they quarreled, the more agitated they became. In the end, they even had a physical conflict. ”

“Since the other party was a woman, Zhao Yu couldn't possibly use force against her. He could only use his gangster Kung Fu to wrestle with the Korea policewoman, and even rolled on the ground. ”

“Fortunately, there were enough police officers on the scene. When they saw that the situation was not good, they quickly swarmed forward and pulled the two of them. ”

“Otherwise, Li Zhenzhu's clothes would have been torn to pieces by Zhao Yu. ”

“At this moment, Li Zhenzhu's face was red with anger, and her chest heaved up and down, but she couldn't do anything in the presence of her superior. Although he felt wronged, he could only suppress his anger and swallow it ... ”

“““Please, let's be more professional, okay?”” the senior official, Wu Chengjun, continued to persuade him.””After all, we have the same interests. We are all trying to solve this crisis ...”” ”

“Hearing such a familiar opening speech, Zhao Yu was prepared to have calluses in his ears. He thought that the guy would continue to talk nonsense until the end of time. ”

“However, the other party suddenly changed the topic and went straight to the main topic,”” ”

“““Alright, I don't have to say this, and you all understand. I won't waste any more time.”” Wu Chengjun's gaze swept across the people in the monitoring room and said,””I know that the conflict

between the two of you is a misunderstanding. Detective Zhao was just asking for help, so it's understandable! "

""And our officer Li is also thinking about the big picture. Since we've already talked it out, let's not argue anymore! "

""I think, next, we should discuss a solution! This matter must be resolved as soon as possible, or else ... It will be really troublesome!"" "

"Wu Chengjun let out a heavy sigh and continued,"" "

""I've received the message, and I understand the current situation ..."" He glanced at Mellaura behind the one-way glass, then turned to Li Jing and said,""I just exchanged opinions with officer Li Jing. The enemy dared to make such a big move in our territory this time, so they must have made thorough preparations ..."" "

""You must be worried that our side or your side will be infiltrated by the enemy. So, I made a last-minute decision to discuss countermeasures and solve the actual problem in this room. "

""If any information is leaked in the future, then it would mean that the problem lies with the few of us!"" "

"As soon as he said this, everyone looked at each other. "

"At this moment, in addition to the high-ranking official Wu Chengjun, Li Jing, Zhao Yu, Li Zhen Zhu, Park Xianhe, and Xiao Hang, there was also a Korean staff member and an assistant that Li Jing had brought. "

"As Xiao Hang's Korean was the worst, the assistant had been acting as a translator for him. "

"At this time, following Wu Chengjun's signal, the Korean staff quickly turned off all the equipment in the monitoring room. Then, he brought a few transparent plastic bags and came to everyone. "

Everyone naturally understood what he meant. They immediately took off all their electronic equipment and put them into plastic bags.

"Later on, just in case, the staff member took out a scanner and scanned everyone. After confirming that there was no other listening device on them, he took the plastic bags and walked out of the house. "

"With that, there were only seven people left in the room. "

""Okay,"" Wu Chengjun said to everyone,""now, we can talk about it openly!"" Sheriff Lee, detective Zhao, you are the commanders of both parties. Now, I want to hear your plans!"" "

"Upon hearing this, Li Zhen Zhu took the first step forward and saluted Wu Chengjun. Then she pointed to Amiola behind the mirror and said,"" "

""Sir, this Middle-Eastern woman claims that she has important information about our enemies and wants to cooperate with us! My plan is to ..."" "

""Hmm, I already know that!"" Wu Chengjun interrupted Li Zhen Zhu and nodded."""Her master was also kidnapped by the enemy, so she wants to cooperate with us to save her master!"" "

“““But,”” Wu Chengjun asked with a serious expression,”” as far as I know, this woman used to be a double agent. Can she be trusted?”” ”

“““This ...”” Li Zhenzhu frowned. She hadn’t had time to study amerolla’s identity in detail. ”

“““Yes,”” Zhao Yu said.”” I once completed a mission with her, so I know that she has a good relationship with her master! Besides, we share the same interests, so we can trust each other ...”” ”

“““Oh ... Then ...”” Wu Chengjun pointed at amiola and asked Li Zhenzhu,”” did she say anything?”” ”

“““We were in the middle of a discussion,”” Li Zhenzhu said, glancing at Zhao Yu.”” But we were interrupted by detective Zhao!”” This Middle-Eastern woman has a close relationship with officer Zhao. She won’t say anything when she sees us having a conflict! ”

“““She told us that she would only cooperate with us if Zhao Yu showed up ...”” ”

Pa!

“Zhao Yu snapped his fingers and muttered,”” ah melaura, you’re such a good friend!”” ”

“Li Jing immediately glared at Zhao Yu, signaling for him to restrain himself. ”

“““But ...”” Zhao Yu suddenly said,”” I think that, although amerolla wants to cooperate with us, I feel that she doesn’t know much!”” ”

“““Oh? Why?”” Wu Chengjun expressed his doubts. ”

“““Because she was just too eager to save someone and wanted to join our operation. If she really knew something important, she would have told us long ago! ”

“““Think about it, she’s in such a hurry to save her master. If she really knows something important, why would she have the time to waste on us? ”

“““She’s a professional spy, so she naturally knows the importance of time. The earlier we get the information, the higher the chance of rescuing the hostages!”” ”

“““Oh ...”” Hearing Zhao Yu’s analysis, Wu Chengjun nodded, then asked,”” so ... Detective Zhao, if you think that officer Li’s plan is inappropriate, then ... What’s your plan?”” ”

“““Of course I do!”” Zhao Yu snapped his fingers again, his eyes shining as he said,”” I have a plan! ”

“““In fact, when we were on the submarine, I had already contacted the enemy and made a deal with them. As long as we can make good use of this deal, we can bring them to justice and save the hostages!”” ”

“““You!”” Hearing Zhao Yu’s words, Li Zhenzhu couldn’t help but fly into a rage.”” Zhao Yu, I told you that they were the ones who called you, right?”” You ... You still refuse to admit it. You ...”” ”

“““Zhen Zhu, Oh ... Officer li,”” Wu Chengjun quickly tried to stop her.”” It’s a critical moment, so don’t be so calculative. Let’s first listen to what detective Zhao’s plan is, right?”” ”

Chapter 1973: The opponent is a madman?

It wasn't until three in the morning that Zhao Yu finally finished his work at the police station and returned to the hotel to rest.

"It was already so late, so he couldn't return to his hotel in Seoul. He could only find a luxury hotel near the kangzhou police station to stay in."

"Of course, Zhao Yu was an important person, so the local police had already arranged for a large number of police officers to come and protect him."

"Just like every time he got a super hexagram, Zhao Yu was exhausted. He couldn't wait to lie in bed and have a good sleep."

"However, when he thought of the difficult and chaotic case, the terrifying enemy, and Ding Lan's imminent danger, how could he let him sleep peacefully?"

"At this moment, he had already taken a shower and was lying on the bed, looking at the ceiling and thinking."

"The first thing he thought of was his own hexagram, the earth-shattering double kun change hexagram. It was still in the center of the system interface and had no intention of disappearing."

Zhao Yu knew that perhaps the real big event was yet to come! It wouldn't be long before he would encounter an even greater fortuitous encounter!

Hu ...

"He closed his eyes and let out a long breath, very naturally thinking of another matter."

It was the two disasters that he had stopped today!

"If he hadn't used the signal jammer in Room 11 in time, the fire in the technology Building might have been inevitable."

"If the fire really started, then even if he had 10000 invisible fire extinguishers, it would be useless!"

"In that case, economic losses would be secondary. There were so many people in the building, and there would be countless casualties."

"At that time, he didn't think much of it, but now that he thought about it carefully, he couldn't help but be afraid."

"The same was true for the undersea base. If it weren't for his hard work and the help of that little employee, no survivor in the undersea base would have survived!"

That was close ...

"Fire and water, the double kun hexagram was indeed not a small matter!"

“He didn’t know what earth-shaking things would happen next, so he had to recover his energy as soon as possible and make full preparations.”

“In addition to the hexagram, Zhao Yu also carefully analyzed the unknown enemy several times.”

“It was undeniable that this was the strongest enemy that Zhao Yu had ever encountered. Not only could he move freely in Korea, but he could also capture Miao kun, Ding Lan, li Bencheng, you SUFU, and the others. His strength was unimaginable.”

“This was especially true for his father-in-law, Miao kun. The old fox was extremely cunning. He had been in the International Martial Arts world for decades, but he was still able to handle it with ease. He was definitely a top master.”

“But even so, he had still fallen into the hands of this enemy, as if he had been easily caught. It was really a bit unbelievable.”

“Zhao Yu knew that Miao kun had become more cautious ever since his failure in Morocco. He lived in a different place every day, and sometimes even Zhao Yu couldn’t find him!”

“From this, it could be seen that the enemy must have put in a lot of effort to deal with him.”

So ... Who was this enemy?

“If Xi Wei’s daughter, Tina, hadn’t become a headless female corpse, Zhao Yu could have assumed that all of this was the work of Xi Wei’s remaining forces.”

“However, not only was Tina dead, but he also heard from Miao kun that Xi Mengna had been captured by the mysterious enemy. Zhao Yu was a little confused!”

“Logically speaking, the enemy of my enemy is my friend.”

“If this mysterious enemy had a grudge against him, then shouldn’t he be on the side of Xi menna?”

“On the other hand, he shouldn’t have kidnapped Miao kun and the others.”

Then ... What was the reason for this?

Could it be that this person had a grudge against him and Xi menna?

“Also, from the two major events that had happened today, the enemy seemed to have a strong commercial purpose other than targeting him and the sisters!”

“Not only did they want to destroy the scientific research in Lab 11, but they also wanted to burn all the researchers involved in the research to death. Their goal was extremely vicious.”

“It was the same for the undersea base. Not only were they going to steal the core information of the synthetic rare earth materials, but they were also going to blow up the undersea base and drown all the staff. They were truly ambitious and evil.”

Then ... Who was it that was so vicious?

Who would do such an extreme thing?

“Zhao Yu felt that this terrorist crisis was the same as solving a case. If he wanted to capture the enemy and save the hostage, he had to at least analyze the other party’s purpose and behavior clearly.”

“No matter what crime a criminal committed, he had to have a motive.”

“According to common sense, no matter what kind of ill-intentioned multinational company, aggressive financial predators, or special institutions of a big country, as long as they had a little bit of rationality, they would never do such a risky act.”

“Because once the matter was exposed, they would all die an embarrassing death.”

“So, Zhao Yu felt that the enemy he had encountered, besides wanting to gain commercial benefits, was also full of hostility and hatred!”

“The entire incident seemed to be a form of revenge. Be it the person or the technique, they all seemed to be what he wanted to use for revenge!”

“Therefore, Zhao Yu felt that he needed to investigate Miao kun and his team, himself, Xi Mengna, as well as the history of Lab 11 and the undersea base. He wanted to see if there was anyone or a company that had a history with these people or companies.”

“From Zhao Yu’s point of view, the enemy might really be like what he had shown in the video, not only an evil radical, but also a living, breathing lunatic!”

“Zhao Yu knew that in order to play with such an enemy, not only did he need to be more cautious, but he also needed to use some unexpected means. He couldn’t play by the rules.”

“Because of this, Zhao Yu did the exact opposite over the phone. He scolded the self-righteous enemy and belittled him as worthless.”

“In this way, the enemy might do something stupid because of the humiliation, giving him an opportunity to take advantage of.”

“At that very moment, Zhao Yu kept thinking and analyzing the situation. He felt that the enemy would probably accept his conditions three days later and give him a call.”

“Perhaps, the plan he had designed today could really succeed!”

“Of course, a plan was always a plan. In the three days of waiting for the phone call, the enemy could also take new actions. So, Zhao Yu decided that he would study this aspect carefully the next day, in order to prevent it before it happened.”

“The high-ranking Korean official, Wu Chengjun, also said that he would apply to his superiors to send more police and military forces to strengthen the security in suspicious areas, limit the other party’s freedom, and prevent greater danger from happening.”

“Of course, since the enemy was flying a military helicopter today, they had already applied for orders to all military bases to conduct a self-examination to prevent the enemy from passing off the real thing ...”

“It had to be said that this crazy enemy was indeed bold. When they discovered that the submarine was being followed, not only did they not escape, but they also continued to hover near the submarine. Such courage was truly terrifying.”

“What was even more suspicious was that when they returned to the mainland, they disappeared into thin air. The police and military joined forces to track and search for them for an entire day, but they could not find any news.”

No one knew where they had flown to ...

Hu ...

“Thinking of this, Zhao Yu let out a heavy breath. Since he couldn’t find the enemy’s whereabouts, he could only wait for three days and see if he would call him or not.”

Chapter 1974: are you panicking?

“Three days later, at 10 am, in the Guangzhou police station, all the police officers were on high alert, as if they were facing a great enemy.”

“The atmosphere in Zhao Yu’s office was tense. Everyone was gathered around Zhao Yu, waiting for the call.”

“In the past three days, despite Amiola’s cooperation and the police’s extensive efforts, there was no progress in the search for the mysterious enemy.”

“They didn’t find anyone suspicious, nor did they find the disguised helicopter.”

“So, everyone placed their hopes on Zhao Yu’s phone call.”

“Three days ago, Zhao Yu told the Korean official, Wu Chengjun, that he had made a deal with a mysterious enemy. He wanted to use the core information on the tablet to exchange for Ding Lan.”

He had also used this deal to come up with a plan to counterattack.

“At first, his plan was strongly opposed by Li Zhenzhu and the others, but after weighing the pros and cons, Wu Chengjun and Li Jing agreed with Zhao Yu’s proposal.”

“However, they needed Zhao Yu’s guarantee that the core information of the rare earth synthesis would never fall into the enemy’s hands!”

“Zhao Yu had already made a detailed plan, so he immediately made a guarantee. Wu Chengjun and the others then agreed to his plan.”

“In the past three days, they had already made careful preparations. Now, they were just waiting for the mysterious enemy to call.”

“However, looking at the phone that didn’t respond for a long time, everyone couldn’t help but start to worry. If the enemy didn’t call, it would mean that all their efforts in the past three days would be in vain. ”

“However, after these few days of calm thinking, Zhao Yu was more confident that the enemy would definitely contact him that day. ”

“His only reason was that until now, his dual kun hexagram had not disappeared and was still displayed in the center of the system interface. ”

“Since the hexagram didn’t disappear, it meant that he was heading in the right direction. ”

They would definitely call him today!

“Sure enough, Zhao Yu’s confidence came true. Just after Ten o’ clock, his phone rang, and the caller ID showed a string of unknown numbers! ”

“Seeing the phone ring, the police officers immediately shut up and looked at Zhao Yu. ”

“Zhao Yu looked at Li Zhenzhu and the others, then waited patiently for the phone to ring a few times before he picked up the call. ”

“”Hello ...”” Zhao Yu said softly. ”

“”Hahaha ... Did you get the item? A great detective?”” That familiar emotionless voice suddenly rang out from the phone. ”

“As expected, it was from that mysterious enemy! ”

“The police officers present immediately held their breaths as if they were facing a great enemy, not even daring to breathe loudly. ”

“However, Zhao Yu’s response surprised everyone. ”

“”It’s me, you little bastard. You miss your father, right?”” Zhao Yu grinned and said,“”I’ve already prepared a gift for you, son!”” ”

I’ll ...

“When the Korean police officers understood what was said through the translation software, they almost fell down on the spot. They had never seen anyone speak to a criminal in such a rude manner! ”

“However, for some reason, the mysterious criminal did not seem to be angry. Instead, he said,“” ”

“”Alright, then listen to my instructions. Let’s Make a Deal!”” The cold, mechanical voice continued,“”see you at the White beach Water park in 40 minutes. Bring your phone and listen to my instructions!”” ”

“”F * ck you!”” Zhao Yu cursed.“”Do you think I’ll go wherever you say? If you don’t let me see that Ding Lan is still alive, I ‘ll, hey...Hey ...”” ”

“Zhao Yu interrupted the other party, but he realized that the other party did not stop talking. He continued to speak step by step, ”

““““I’m warning you, if we find out that the information is fake or you’re not alone, you’ll have to wait to collect your little sister’s corpse ...”” ”

“After that, the call stopped abruptly and the other party hung up. ”

F * ck ...

“Zhao Yu then realized that the other party was only using a voice message, and it was not a real person who had called him. Therefore, there was no chance for him to negotiate! ”

““““It’s a recording!”” Li Zhenzhu glanced at Zhao Yu. ”

““““I’ve found it!”” Suddenly, a technician with headphones on stood up and said,“““the phone is the office number of white beach Water park!”” ”

““““White beach?”” Xiao hang repeated,“““an office call?”” ”

““““It’s 50 kilometers from Guangzhou,”” Li Zhenzhu explained.“““It’s a water park! It’s the tourist season now, so there are a lot of people!”” ”

““““They actually chose such a crowded place. Tsk tsk ...”” Zhao Yu pouted.“““It seems that the other party has made a lot of preparations!”” ”

““““Aiya,”” Park Xianhe suddenly said,“““this water park is very close to the place where the helicopter disappeared!”” Could they have been hiding there?”” ”

““““Hey, what are you thinking about? Xiao hang narrowed his eyes.“““The phone call was a recording ... Obviously, the person couldn’t have been there!”” They told Zhao Yu to keep his phone with him, so it’s very likely that they’ll change the location of the transaction ...”” ”

““““Zhao Yu,”” Li Zhenzhu said quickly,“““considering the traffic, you can’t make it in forty minutes. You can only take the helicopter!”” The rest of us will be in position soon ...”” ”

““““Mm ...”” Zhao Yu nodded.“““Let’s stick to the original plan! ”

““““Remember, the enemy might be observing the police station, so when you make a move, try not to expose any flaws!”” ”

““““Don’t worry!”” Park Xianhe said,“““I’ve already deployed most of the police force to all corners of Guangzhou. The police station won’t be able to tell anything at all!”” ”

““““Zhao Yu,”” at this time, Wu Chengjun told Zhao Yu,“““our people will set up surveillance on the periphery of the white sand beach. I will inform the military later. ”

““““Once we have determined the enemy’s target, we will take action immediately. At that time, you must pay attention to your safety!”” ”

““““I understand! Don’t worry!”” Zhao Yu snapped his fingers at Wu Chengjun. ”

““““Alright,”” Li Zhenzhu put down the communication device in her ear and said to Zhao Yu,“““let’s go!”” The helicopter is in position, I’ll go with you! ”

""I'll control the plane's speed. When the ground troops are almost in place, we'll land at the water park!"" "

""Alright!"" Zhao Yu agreed and turned to leave. "

""Zhao Yu!"" Suddenly, Amiola stood up, grabbed Zhao Yu's arm, and said, ""you must be careful!"" It's a pity that I can't fight alongside you!"" "

"As Amiola's authority had yet to be removed, she could only stay in the police station and could not follow the police. "

""Don't worry!"" Zhao Yu patted her hand and said, ""I'll definitely get you SUFU out!"" "

""En!"" ""Okay!"" After nodding, she looked at Zhao Yu with concern. ""You have to be careful too!"" "

"Then, just as Amilora was about to return to her seat, Zhao Yu grabbed her arm and said something shocking, "" "

""Laura, I want to go to the toilet to pee now. Are you also feeling stifled? Come, scatter one with me ..."" "

"Then, under everyone's watchful eyes, Zhao Yu pulled Amilora out of the office and into the men's bathroom. "

Chapter 1975: The ultimate game (1)

"Outside the bathroom, Xiao Hang bent down to look inside, then turned to Li Zhenzhu and asked, "" "

""That's not right, officer Li. Why don't you go in and take a look? Don't forget, Zhao Yu escaped through the bathroom last time!"" "

""Hmph!"" Li Zhenzhu put her arms in the air and said, ""if you want to run, then run! This is a police station with anti-theft Windows. Let's see how he can escape! "

""Ai!"" She looked at her watch and sighed. ""I remember that detective Zhao has a girlfriend, right?"" "

""Hmm ... I was going to ask you, "" Xiao Hang said, scratching his head. Have you guys confirmed the gender of this Middle-Eastern beauty? You won't really spread your N together, right?"" "

"The two of them were having fun outside the door, but it was a completely different scene inside the bathroom. "

"Zhao Yu brought Amelora to a corner and took out his laptop. He quickly operated it, then handed the laptop to Amelora and said, "" "

""Laura, hurry up. Key in a password that only you know. It's an 18-digit password. Hurry up ..."" "

""Ah?"" Amiola was surprised. ""You ... What do you mean?"" "

“““I want to add the last security password to the document,”” Zhao Yu said.”“I don’t trust the Koreans, and I’m worried that someone will leak the information. No matter what, we can’t let the enemy get this information!”” ”

“““Then ...”” Amiola asked in surprise,”“can’t you just type it in yourself?”” Why me?”” ”

“““I have to ensure the security of the document,”” Zhao Yu said.”“The enemy is coming for me. After I meet the enemy, there is a high chance of death. So, even I can’t know the password!”” ”

“““Ah? ““This ...”” Amiola was a little surprised, and immediately asked doubtfully,”“Zhao Yu, can’t you give them fake information?”” ”

“““Absolutely not! Zhao Yu said,”“those people are all experts. If I gave them fake information, they would be able to tell at a glance! ”

“““So, we can only split the information into two parts and encrypt the key parts. Now, I need you to control the last password! ”

“““If you enter incorrectly, the file will self-destruct! ”

“““This is the only way to ensure the absolute safety of the documents ...”” ”

“““Um ... Okay ...”” Amiola nodded and immediately entered the password twice, completing the encryption. ”

“““Alright,”” Zhao Yu said.”“This group of people came with ill intentions, and I’m worried that my people will not be safe. So, they will never think that you are the one who controls the password ...”” ”

“““Hey, detective Zhao, are you done?”” Suddenly, Li Zhenzhu’s voice came from outside the door.”“You’re not really thinking of running away, are you? If you don’t come out now, you won’t be able to make it!”” ”

“““Alright, alright, what are you rushing me for?”” ““I’ll be done in a minute! Why don’t you come in and help me?”” Zhao Yu shouted. ”

“““Zhao Yu ...”” Seeing that Zhao Yu was about to leave, Amiola stopped him again and said worriedly,”“there’s something I’ve always wanted to tell you, but I never had the chance!”” ”

“““Oh? What’s the matter?”” Zhao Yu turned around and asked. ”

“““These Koreans can’t be trusted,”” said Amelia, frowning.”“After all, they don’t have hostages in the hands of the enemy. They’re just doing it for their own national security. So, when they confirm the enemy’s location, they may take tough measures without caring about the life and death of the hostages ... I’m worried ...”” ”

“““They won’t,”” Zhao Yu said.”“This matter also involves the interests of the Korean side. The enemy is so big that they can even forge a military aircraft, which means that they may have planted spies in the higher-ups of the Korean side. The Korean side also wants to take this opportunity to find out the truth. ”

“““Don’t worry, they won’t act rashly unless they have no other choice. They also want to capture him alive!”

“““Trust me,”” Zhao Yu said, pressing on amilora’s shoulder.”“I will definitely save yosufu and the rest!””

“““Hmm ... Alright!”” “““You have to be careful,”” amerolla said.”“Even if you can’t save her, you have to be safe!”” ”

“““Haha, don’t worry!”” Zhao Yu said confidently,”“I’ve already survived the house of sin, let alone this group of mentally-disabled criminals. ”

“““Lola, just wait for my good news ...”” ”

“Then, Zhao Yu pulled amilora out of the bathroom. ”

.....

Buzz ... Buzz ...

“Dozens of minutes later, the propeller was spinning high in the sky, and the helicopter that Zhao Yu was in was flying towards the sea. ”

“““Zhao Yu,”” Li Zhenzhu put her face next to Zhao Yu’s ear and said loudly,”“I still think your plan is too risky! ”

“““Those people know that you have a micro-tracking device in your body. If they really catch you, they will remove the tracking device as soon as possible, just like Ding Lan and Miao kun ...”” ”

“““It’s fine. Don’t we have a backup plan?”” Zhao Yu said,”“we’ve made so many preparations. Are you still afraid that I’ll go missing?”” ”

“““I don’t know ...”” Li Zhenzhu said worriedly.”“But they must have their own ways to disappear from our sight. I’m worried ...”” ”

“““Alright, you should just read me more, big sister!”” Zhao Yu laughed,”“we’re a team!”” ”

“““There’s a saying in our line of work that a bulletproof vest can protect the body, but not the head,”” Li Zhen Zhu said, still worried.”“Those people hate you to the bone. If you go there like this ...”” ”

“““Pei Pei Pei!”” Zhao Yu frowned and pointed at the laptop.”“I have what they want. If I don’t tell them the password, they won’t dare to touch me!”” ”

“““But,”” Li Zhenzhu said,”“what if they don’t care about the information? Luring you here just to kill you?”” ”

“““You ...”” Xiao hang was dumbfounded.”“This woman doesn’t know how to chat,”” he muttered. ”

“““Don’t worry, I won’t!”” Zhao Yu said confidently,”“I’m sure that the other party is a greedy person. He must want to have both the fish and the bear’s paw. He must really want this information!”” ”

“““Alright then!”” Li Zhenzhu stared at Zhao Yu for a few seconds, then muttered,”“if you can come back alive, I’ll treat you to Korea Food!”” ”

“““Ah? What?”” Zhao Yu didn’t hear her clearly and asked loudly, “““you’re inviting me to shoot a Korea C-level? Forget it, I think it’s okay to look, but forget about filming ...”” ”

“““...”” Li Zhenzhu was speechless. She immediately changed her words and scolded, “““I said, I’m going to throw you off the plane!”” ”

“““Ah?”” This time, Zhao Yu pretended to be stupid. “““Do you really want to film five or six episodes with me? There’s a series for this kind of film? Alright, if you’re the female lead, then it wouldn’t be a problem to film a hundred or so episodes. I’ll have to force myself to do it ...”” ”

“““Hehehe ...”” Xiao hang laughed so hard that his stomach hurt. ”

“However, as the plane gradually descended, the pilot’s voice was the complete opposite of the happy atmosphere. ““““Sir, we’ve arrived at the water park ...”” ”

“Hearing this, Zhao Yu immediately stopped smiling and became serious again. He looked down and saw a large water amusement park. ”

“The amusement park was packed with people, and it was bustling with activity. ”

“Zhao Yu couldn’t help but take a look at the system in his mind. The three big words “““Qian Kun, kun”” were still standing out. ”

He knew that the real major event was about to begin ...

Chapter 1976: The ultimate game (2)

“Like most water amusement parks, the White beach Water park also had its iconic Ferris wheel and a variety of thrilling water entertainment projects. ”

“The sun was scorching, the beach was cool, and tourists were coming in an endless stream. Most of them were in swimsuits, and the handsome men and beautiful women coming and going were very pleasing to the eye. ”

“Of course, Zhao Yu wasn’t in the mood to appreciate any beautiful women. ”

“In order to make sure that he followed the instructions, he let the helicopter Park in the farthest parking lot, and then trotted all the way to the main entrance of the amusement park. ”

“Since he could not reveal his identity, he could only buy a ticket and enter the amusement park. ”

“However, this time was different from the past. Zhao Yu wasn’t fighting alone. The police that the Korean police had sent out had already taken control of the entire amusement park. ”

“After all, this was a public place with many people, so the Koreans were naturally very careful and even arranged for troops and special police forces to be stationed at the periphery. ”

“Once there was a gunfight or other dangerous events in the amusement park, they would come out in full force to control the situation as soon as possible. ”

“In addition, the police also carried out more detailed control in the city where the amusement park was located. Once the enemy asked Zhao Yu to change his location, they would adjust in time and continue to use high-tech means to track him to ensure that he would not be discovered by the enemy.”

“And if the enemy had been exposed, it would be almost impossible for them to escape. The police had even prepared helicopters. The submarine incident would never happen again ...”

“After entering the water park, Zhao Yu looked up at the sky carefully. He knew that the police were using drones to monitor him and keep an eye on the situation here.”

“However, he also knew that if the enemy wanted to meet him here, they would definitely be fully prepared. Perhaps, at this time, they were also watching him from a hidden place ...”

“Of course, Zhao Yu wasn’t afraid of the enemy shooting at him. He had two invisible alarms in his device. If someone wanted to ambush him from a distance, the alarms would give him an early warning.”

“Besides, he still had the emergency evacuation ball, the bullet proof suit, and other awesome props. He couldn’t keep a low profile even if he wanted to, so why would he be afraid of them?”

“Zhao Yu believed that once he met up with the enemy, the enemy would definitely kidnap him and use some kind of shielding device to block all signals from his body, so that he would disappear completely.”

“However, they did not know that, in addition to the signal jammer, he also had a signal booster!”

Hmph ...

“Zhao Yu looked at his watch and snorted coldly. He thought to himself, “sons of bitches, you still want to fight with your dad?” Look at this old man ...”

Di di ... Di di ...

“Just as he was thinking about this, Zhao Yu’s watch rang.”

“Before this, in order to remind himself not to miss the call, Zhao Yu had set the ringtone to the maximum and turned on the vibration.”

“Seeing his phone ring, he immediately picked up the call.”

“As the amusement park was crowded, he could only cover his ear with one hand and answer the phone with the other.”

“Hello, great detective Zhao, it’s time. Are you there yet?” The mechanical voice came from the phone again. Zhao Yu was about to say, “your father is here,” but the other party still played the recording and said without stopping, “go to the largest slide ladder into the sea immediately. There’s an unlucky bear at the entrance of the slide ladder. Go and stand next to the unlucky bear!”

“After that, the other party hung up the phone.”

“Hey, hey, hey ...” Zhao Yu cursed angrily. “I only know what a F * cking bear is. What the hell is an unlucky bear? A bear? Or is it bald cockroach?”

“Although he was cursing, he still found the largest slide into the sea according to the map. ”

“This slide was set up high from the seaside, almost more than ten meters above the ground. The slide was spiral-shaped, like a huge conch. ”

“The travelers entered through the entrance of the slide ladder and slid down the closed slide ladder, finally falling into the sea. It was very exciting. ”

“There was a large swimming area in the sea with all kinds of sea toys. After the tourists slid down, they could continue to play in the pool ... ”

“Although Zhao Yu didn’t know what an unlucky bear was, when he arrived at the entrance of the slide, he could see it at a glance. On the right side of the entrance, there was a white, silly, and cute-looking teddy bear. ”

“The teddy bear was much taller than Zhao Yu. Standing in front of him, he could not even reach the bear’s shoulders. ”

Tsk tsk ...

You actually want me to stand next to a bear? what’s the meaning of this?

“Zhao Yu was worried that there was something fishy going on, so he quickly checked the invisible detector in his brain. Although it didn’t find any explosive, Zhao Yu understood what the other party meant. ”

“Because, according to the detector, there was a mobile phone under the right paw of the teddy bear! ”

“Just as Zhao Yu stood in front of the unlucky bear, his mobile phone suddenly rang. ”

“What was even stranger was that the ringtone of the mobile phone was not an ordinary ringtone, but the kind of beeping sound that asked for a video call. ”

Zhao Yu pried the bear’s paw away and took out a black mobile phone. He saw that there was indeed a video call request on the screen.

“Zhao Yu quickly observed his surroundings. There were fewer tourists here, so he went around behind the bear and pressed the answer button. ”

“In the end, after the video call was connected, something even more shocking happened. ”

“What appeared on the screen was not the mysterious enemy, nor the cold, mechanical voice. Instead, it was a woman in a Surgical Gown, tied to a chair! ”

“The woman was not only tied up, but her mouth was also taped ... ”

“”” Ah!?” ”

“Zhao Yu exclaimed. This woman was his godsister, Xuanji Ding Lan! ”

“”” Ding Lan ... Ding Lan ...”” Zhao Yu’s eyes were wide open as he couldn’t help but call out. ”

“As a result, Ding Lan could see Zhao Yu, too, and immediately shook her head at Zhao Yu. ”

This ...

“Zhao Yu suddenly realized that this was not a video call, but a real-time video call. Ding Lan struggled to get rid of the tape in her mouth, as if she wanted to say something to Zhao Yu. ”

“”Ding Lan,”” to confirm the truth, Zhao Yu quickly asked,””blink your right eye!”” ”

“Hearing this, Ding Lan was stunned for a moment. Then, she followed Zhao Yu’s request and blinked her right eye. ”

“As expected, it was not a video recording! ”

“Zhao Yu finally confirmed his suspicions, then said to Ding Lan,”””Ding Lan, don’t worry. I’ll definitely come and save you!”” ”

“”Wuwuwu ... Wuwuwu ...”” Ding Lan kept shaking her head. Her meaning was obvious. She was telling Zhao Yu not to come ... ”

“”Hahaha ...”” Suddenly, the camera turned black. The other party’s phone was probably pinned to the wall or the ground. The cold, mechanical voice suddenly sounded from the phone.””What a long sibling relationship, detective Zhao!”” ”

“”You ...”” Zhao Yu’s blood was boiling, and he was so angry that he wanted to get into his phone and beat the other party up. ”

“”How is it? I’m a man of my word, right?”” The other party said,””you have already seen that I didn’t touch your little sister, right? So ... Detective Zhao, did you bring the thing I asked for?”” ”

“” ...”” Zhao Yu squinted his eyes and suppressed the anger in his chest. He took out the laptop and placed it in front of the camera on his mobile phone. ”

“”Hahaha ... Good, very good ...”” The enemy laughed and said,””in that case, let’s start the deal!”” ”

“”Alright!”” Zhao Yu nodded.””Send Ding Lan over immediately. I’ll give you the things!”” ”

“”Hahaha ...”” The other party laughed wildly again.””We’re both professionals. Can you not treat me like an idiot?”” Why would I be stupid enough to make a deal with you at the meeting point? ”

“”Next, you just have to listen to my arrangements and do as I say. I guarantee that you’ll be able to see your little sister soon ...”” ”

Chapter 1977: The ultimate game (3)

Damn that unlucky bear!

What kind of international joke was this?

“At that moment, Zhao Yu had already climbed up the ladder to the top of the high slide ladder into the sea and stood at the entrance of the slide ladder. ”

“This thing was really exciting, and just looking at it made her a little dizzy ... ”

“It turned out that, after talking to the enemy on the phone, the mysterious enemy had asked Zhao Yu to make a sea slide ladder and make him slide down! ”

She really did not know what he was thinking.

“Zhao Yu looked down and saw that the water area was very lively. No one noticed him, who was about to take the slide ladder. ”

This ...

“Zhao Yu looked at his enemy’s phone and his laptop, then muttered in his heart, ”“what if water gets in?”” ”

“However, on second thought, since the other party had made such a request, they should have made preparations, right? Besides, the laptop itself was waterproof ... ”

““Hey!”” Suddenly, a man in work clothes noticed Zhao Yu and waved at him. ”“Sir, why aren’t you wearing a swimsuit? We have a rule here that if you don’t wear a swimsuit, you’re not allowed to take the slide ... Hey...Hey...Hey ...”” ”

“Without waiting for the staff to finish speaking, Zhao Yu quickly slipped into the elevator! ”

“At this time, he didn’t want to get into any more trouble and argue with the staff. ”

“Therefore, after he entered, he sat on the smooth sliding ladder and rushed down ... ”

Waa ...

“Zhao Yu had never sat on such an exciting slide before. As the slope at the entrance was steep and there was a stream of water on the slide, under the strong gravitational acceleration, he was like an arrow that left the bow, sliding straight down! ”

“Soon, he slid into the spiral curve. Although the speed was a little slower, his body was spinning rapidly with the slide, which was exciting enough ... ”

????.....

““Ah!”” Zhao Yu exclaimed. This was too exciting. In the future, when he had nothing to do, he would come over too ... Mm ... Eh? Ah ... ”

“Just as Zhao Yu was enjoying himself, he suddenly felt his butt sink, and his vision went black. He had been sliding forward, but he was falling rapidly! ”

I’ll cut!

“Zhao Yu was shocked, but before he could react, he felt his back fall heavily on something soft! ”

“Immediately after, a large splash of water came down from his head, as if it was raining, and all of it was poured on him. ”

Ah?

“Zhao Yu was shocked. He looked up and realized that one section of the sliding ladder had been opened up by someone, and he had fallen out of the sliding ladder! ”

“Soon, with a click, the sliding board closed again, and his vision fell into darkness again. ”

Waa ...

What was going on?

“Zhao Yu touched his bottom and saw that he had fallen on a sponge cushion. The angle and strength were just right, so he wasn't hurt at all. ”

“Tap, tap, tap ... ”

“At this time, Zhao Yu heard footsteps in front of him. He looked up, and with the help of the faint light, Zhao Yu saw three tall men in camouflage clothes. ”

Two of them even had pistols in their hands.

“““Don't move, great detective!”” A foreign man with curly hair spoke to Zhao Yu in standard English,““we're just here to make a deal with you!”” ”

“Then, he leaned forward, stretched out his arm, and pulled Zhao Yu up from the cushion. ”

“““Alright! That's creative!”” Zhao Yu looked at the slide ladder above and praised it in English,““that's a good idea! It's an unexpected move, interesting!”” ”

“““Thank you for the compliment.”” Curly hair was tall and well-mannered, looking like a gentle and elegant gentleman.””Just in case, we have to give you a comprehensive examination. I hope you can cooperate!”” ”

“Then, he nodded to his two companions, who immediately came forward with professional equipment and prepared to search Zhao Yu. ”

“Zhao Yu had expected this, so he made an indifferent gesture. ”

One of the enemies handed Zhao Yu a pair of swimming trunks and asked Zhao Yu to take off his clothes and change into them.

“““I'm sorry, great detective,”” curly hair explained.””We're going to swim in the sea later, so it's better to change into swimsuits!”” ”

Hmm ...

“Looking at the gaudy swimming trunks, Zhao Yu thought of Ding Lan, who was waiting for him to save her. In the end, he decided to bear with it, and immediately took off his clothes and put on the swimming trunks. ”

“Seeing that Zhao Yu was very cooperative, curly hair was relieved and immediately got his companions to search Zhao Yu. ”

One of them used advanced equipment to perform a full body scan on Zhao Yu.

“The other one went to look through Zhao Yu’s clothes. He found Zhao Yu’s mobile phone, laptop, watch, wallet, and other items.”

“In the process of the body search, Zhao Yu finally got a clear look at the environment in front of him. It was located below the slide, at the corner of a cliff and the sea. The surroundings were surrounded by plastic plates, so he couldn’t see the outside, forming an enclosed space.”

It seemed that the enemies had indeed put in a lot of effort for this deal.

Di di ... Di di ...

“Then, as the enemy’s device made a sound, they found that Zhao Yu had a hidden mini positioning device on his arm.”

Sigh ...

Zhao Yu remembered that Xiao hang had said that this thing was the latest technology and would not be detected.

““Great detective.”” At this time, curly hair held onto Zhao Yu’s arm and raised a needle-like instrument.”“We agreed to keep our word, so ...” He said.”

“Zhao Yu didn’t speak, but made a helpless expression.”

““Please bear with it,”” curly hair said with a smile.”“It might hurt a little!”” ”

“Then, without waiting for Zhao Yu to react, curly hair immediately stuck the thick needle into Zhao Yu’s arm.”

Oh ...

Zhao Yu clenched his teeth and endured the pain. He felt like the needle was piercing into his bones!

““Alright, I’m done!”” Curly hair poked the needle into Zhao Yu’s muscles a few times, then pulled it out.”“I’ve taken it out!”” ”

“Then, Zhao Yu saw that there was indeed a tiny electronic object on the needle, which was his locator.”

““AI!”” Zhao Yu clutched his painful arm, his face covered in cold sweat as he mumbled,”“if I knew this would happen, I wouldn’t have pretended!”” ”

“However, the three people at the scene were not joking with him. They took the equipment and checked Zhao Yu’s body again, even his private parts!”

“Finally, after making sure that there were no problems, curly hair gestured to his subordinates to let go of Zhao Yu.”

“Then, he took the laptop and asked,”“Great detective, are the things we want here?”” ”

““You can’t be the only smart ones, right?”” Zhao Yu said,”“the information is indeed in there, but this thing has been specially processed. Only I can open it safely!”” ”

““““Alright!”” Curly hair smiled and immediately placed the laptop into an exquisite metal box. He then held it in his hand. ”

“Zhao Yu guessed that they might have been worried that there would be some tracking software on the laptop, so they locked it in a metal box that could block signals. ”

This group of people was really cautious ...

““““Alright, I’m done!”” After he was done, curly hair turned to Zhao Yu and said,“““great detective, please follow me. The deal is about to begin! Everyone’s waiting for you!”” ”

Chapter 1978: The ultimate game (4)

““““Are you kidding me? there’s no signal ...”” In a command vehicle two kilometers away from the amusement park, Xiao hang said gloomily,“““Zhao Yu didn’t slide down the slide ladder at all!”” ”

““““It’s possible ...”” Li Zhenzhu stared at the image sent by the high-altitude drone and said,“““they did something to the slide ladder, so Zhao Yu might have fallen down!”” ”

““““Fall down? It’s so high, won’t you fall to your death?”” “““The point is, why is there no signal?”” Xiao hang asked anxiously. The bug is fine, but what about the locator?”” ”

““““Sir,”” a Korean agent asked Li Zhenzhu,“““do you want us to send the nearest person to take a look?”” ”

““““No!”” Li Zhenzhu said firmly,“““Zhao Yu told me not to alert the enemy. If the other party just wanted his life, he would have been dead long ago! ”

““““Calm down, all of this was within Zhao Yu’s calculations ...”” ”

““““Eh? ““Hey, hey, hey ...”” Just as Li Zhen Zhu finished speaking, Xiao hang suddenly exclaimed and pointed to the big screen.””What ... What’s going on?”” ”

“The crowd quickly looked over and saw that under the slide ladder that Zhao Yu had disappeared from, there were three speedboats driving out at the same time! ”

“What was even more peculiar was that after the three speedboats left, they actually drove in three directions at the same time. One of them drove deep into the sea, while the other two sped along the beach. Their speed was very fast, and it was obvious that something was wrong! ”

““““Sir, the signal has appeared!”” The technician reported in a hurry,“““the signal on Zhao Yu’s watch and button is heading south ...”” ”

““““F * ck!”” Xiao hang looked at his mobile phone and said,“““Zhao Yu’s mobile phone signal and the locator signal are obviously heading east!”” ”

““““But ...”” Li Zhenzhu zoomed in on the camera sent back by the drone and said,“““the speedboat that was driving north looked more like Zhao Yu himself. Look at the clothes ... But ...”” ”

“Xiao hang quickly looked at the big screen and frowned.” “Maybe someone else changed his clothes? Why didn’t this person raise his head? If it’s Zhao Yu, he should give us some hints, right?”

““What should we do, Sir?”” The technician was obviously anxious.” “They’re very fast ...”

““I have to call all of you!”” Li Zhen Zhu immediately took out her walkie-talkie and gave an order.” “Team one, send helicopters to follow East. Be careful not to get too close!”

““Yes!”” Team one received the order. ”

““Team two, go after the speedboat heading north. That’s the way to the city. You can follow it slowly along the coast. Don’t let them notice you!”

““Yes!”” The second team responded. ”

““As for the one heading south, let the drone follow it.”” Li Zhen Zhu turned back to the driver and said, “let’s go around the amusement park and follow them from a distance ...”

““Yes!”” The driver agreed, and the command vehicle immediately started and drove towards the South of the amusement park ... ”

““Hurry up!”” Li Zhen Zhu then instructed the technician, “send me the terrain information of the South immediately! Let’s see where they might be going. ”

““Hmm ...”” Xiao hang frowned and said to Li Zhen Zhu with uncertainty, “officer li, are you so sure that they went south?”

““Don’t forget, Zhao Yu has a locator in his body, and the locator is now heading east!”

““To the East is the deep sea,”” Li Zhen Zhu said.” “The view is wide, and today is a rare day of good weather. Sending a helicopter over is enough ...”

““Then ... What about the North?”” Xiao hang asked. ”

““The North is shallow, close to the city,”” Li Zhen Zhu said.” “Our people are there. They can’t escape!”

““But, the South is different. Do you know why I want to use the map?”” Li Zhen Zhu explained, “the south side is full of submerged reefs and deserted islands. It’s a good place to hide!”

““Oh ...”” Xiao hang thought for a moment and was still a little worried.” “Don’t forget that the other party has played with submarines before!” What if there’s a submarine in the East?”

““Don’t worry!”” Li Zhen Zhu said with confidence, “our submarine is there too! This time, I won’t let them have another chance!”

.....

“Just as Li Zhen Zhu and Xiao hang were chasing the speedboat, Zhao Yu was wearing the gaudy swimming trunks and walking in a dark passage with curly hair and the other two. ”

““Hmph, you’re really something,”” Zhao Yu said to curly hair as he looked at the narrow corridor.” “You’ve really racked your brains and used all sorts of tricks for me! ”

“““They sent out three speedboats in one go, but they were all F * cking camouflage. Awesome!”” ”

“Hearing this, curly hair turned around and glanced at Zhao Yu, but didn’t say anything.”

“It turned out that after the three speedboats set off, they did not take any speedboats. Instead, they went down a hole under the slide ladder and drilled to the bottom of the cliff.”

“After they got in, they even used a large rock to block the hole, leaving no gaps.”

“There was a narrow crack at the bottom of the cliff. After walking along the crack for a short while, they entered a dark and damp passage.”

What was even more peculiar was that there were also narrow caves like air-raid shelters on both sides of the passage. There was one every few meters.

Some of the floors were even piled with a lot of rubbish.

“““What the ...”” Zhao Yu looked at the air raid shelters and suddenly thought of the war era.”

“Looking at the style of these man-made caves, they were likely left behind from the war a long time ago.”

He was too F * cking cunning ...

“As he walked through the passage, Zhao Yu pondered. The enemy even knew about such a secret place. It seemed that they had been working here for more than one or two years. There might be some kind of connection!”

“Not long after, something that made Zhao Yu even more curious happened. Somewhere in the passage, there was an Electric Tricycle with a bucket.”

“After seeing the electric bike, curly hair immediately urged Zhao Yu and the other criminal to enter the back of the car. The third criminal went to the driver’s seat, turned the key, and started the electric bike!”

Tsk tsk ...

“Once the electric car started, Zhao Yu felt a cool breeze blowing in his face. He couldn’t tell whether it was fresh or uncomfortable.”

“This scene was quite strange. Zhao Yu had thought of hundreds of possibilities, but he never would have thought that the enemy would use an Electric Tricycle as a means of transportation, especially in such a deep and long underground tunnel.”

“On the way, Zhao Yu kept mumbling, trying to get some information out of curly hair.”

“However, perhaps curly hair had received an order, or perhaps he knew Zhao Yu’s purpose, but throughout the entire process, he only aimed his gun at Zhao Yu. His eyes were not big, but he didn’t say a word.”

“Hence, it was a little awkward during this period of time, and Zhao Yu could only observe his surroundings quietly.”

“Although this place was underground, due to the cracks between the rocks, some sunlight could still shine in.”

“Moreover, the terrain was particularly complicated. The tricycle made many turns, and Zhao Yu was soon confused.”

“Six or seven minutes later, the electric car drove through a metal gate, and the scene before them suddenly brightened.”

This was ...

“As a result, another unexpected thing happened. After the electric bike drove through the iron gate, a Hall appeared in front of them. However, the hall was filled with rows of aquarium tanks!”

“Zhao Yu rubbed his eyes. That’s right, it was a fish tank!”

“The big ones and the small ones stood on the tables with all kinds of fish and seaweed. Some even had corals, which were especially exquisite and beautiful ...”

No way?

It was simply unbelievable!

The enemy had actually brought him to such a strange place ...

Chapter 1979: Manhattan

“The electric Tricycle stopped in an unremarkable corner, and curly hair used his pistol to signal Zhao Yu to get off.”

“Because there were fish tanks everywhere, the place was filled with a humid, hot, and salty smell. Zhao Yu had never raised fish, but he could tell that the fish in the fish tanks were probably all marine fish.”

He even saw seahorses and jellyfish in one of the fish tanks ...

“Under the lead of curly hair and the rest, Zhao Yu walked into the hall filled with fish tanks.”

“The place was like a maze. To Zhao Yu, the fish tanks were mostly similar. After making a few turns, he came to another iron door.”

Whoosh ...

Curly hair pressed the doorbell and then waved at the camera above the door. The metal door opened with a click.

“However, as soon as the door opened, a person quickly came out.”

“”Hahaha ... Great detective Zhao Yu, we finally meet ...”” The man came to Zhao Yu and extended his right hand enthusiastically.”

“Zhao Yu took a look and saw that the man was slightly taller than him, with white sideburns and loose skin. He was obviously not young.”

“The most eye-catching thing was that there was an obvious knife scar on the right side of the man’s face. As the knife scar was close to the corner of his eye, it caused his right eye to be slightly deformed, which looked a little scary.”

Oh ...

Zhao Yu glanced at his left hand and saw that he was indeed missing his middle finger.

It seemed that this person was the one that Miao kun had mentioned to him before.

“He was the mysterious enemy that he had been looking for! He was the one who had kidnapped Miao kun, Xi Mengna, and you SUFU ...”

“”Hahaha ...”” Seeing that Zhao Yu was reluctant to shake hands, the scar-faced man still raised his hand and laughed.””I know that you know many languages, so Let’s Talk in English!”” He said. It’s too awkward to use this thing!”” ”

“As he spoke, he took out a black electronic device with a loudspeaker and spoke in English.”

“The machine quickly translated it into Chinese and said in a cold, mechanical, and emotionless voice,“””Detective Zhao, I’m an admirer of yours. I’ve studied all the cases you’ve solved ... Hahaha ...”” ”

As expected!

“Hearing this familiar voice, Zhao Yu determined that the mysterious enemy who had spoken to him on the phone before was him! Ding Lan was in his hands!”

“However, even though they were enemies, since the other party was polite, Zhao Yu didn’t act rashly, but politely shook hands with the other party.”

“”Hahaha ... It’s an honor to meet you ...”” The scar-faced man held Zhao Yu’s hand enthusiastically and said,“”the crazy detective really lives up to his name. He actually dared to come alone. This courage is indeed worthy of admiration!”” ”

“”I thought that we would never meet again! Hehehe ...”” ”

“This person’s laughter was sometimes high and sometimes low, and the tone was also up and down. It was indeed a bit strange, making people feel uncomfortable.”

“”Come, come, come, this way please ...”” ”

“Then, the scar-faced man gestured and led Zhao Yu inside.”

“”You’re a detective,”” the Scarface said as he walked.””You should have guessed that everything here is a facility left behind from the war era, right?”

“”This place is located by the sea and is a strategic location. Therefore, the local people have built this rather large underground defense according to the structure of the mountain.”

“““But it’s an era of peace now,”” Scarface said with a smile.””This place has been forgotten by the people!”” ”

“At this point, the group had already entered another spacious hall. This Hall wasn’t as big as the previous one, but it was taller. From the ground to the ceiling, it was about six to seven meters. ”

“The decorations in the hall were also more luxurious than before. There were couches, lounge chairs, coffee tables, and some places were even carpeted. ”

“There were many electronic devices and instruments around the hall. Not only were there computers, but there were also many things that Zhao Yu had never seen before. ”

“However, the most eye-catching thing in the hall was not the things, but the people. As soon as Zhao Yu entered, he saw more than twenty armed men in camouflage suits with loaded guns. ”

“These people were spread out in every corner of the hall. Some were on duty, some were operating electronic devices, and some were even feeding the fish ... ”

“Zhao Yu realized that they were wearing camouflage uniforms, as well as their weapons and equipment. They were all the same as the Korea police. ”

“Even though most of these people were Caucasians, if they wore helmets and mixed into the Army, it would be impossible to distinguish them. ”

Oh ...

“Even if the Korean personnel were able to determine his position and rush in, facing these enemies who were dressed exactly like him, he was afraid that he would be at a big disadvantage! ”

“When the scar-faced man led Zhao Yu to the sofa in the middle of the hall, he said to Zhao Yu,””I’m sorry, I’m sorry. I was so busy greeting detective Zhao that I forgot to introduce myself. I’m really sorry ...”” ”

“““Because I’ve always yearned for world peace since I was young, I gave myself a name. I’m called the ‘Manhattan Beach!’”” ”

“.....”

“Zhao Yu had never dealt with foreigners before, so he didn’t understand the joke. He immediately showed an indifferent expression. ”

“““Hahaha, because the United Nations building is in Manhattan. I can’t ...”” Scarface said seriously,””call it the United Nations building, right?”” ”

“As soon as he said that, the scene fell into silence at first. Two seconds later, everyone burst into laughter. Scarface laughed so hard that his body swayed back and forth. ”

“““Hahaha...Haha...I thought that as long as I could enter the United Nations building, I would be able to maintain world peace! Hahaha ...”” ”

“Seeing this strange scene, Zhao Yu felt even more embarrassed, and could only sit down on the sofa. ”

“Seeing the fruits in front of the sofa, he picked up an Apple and began to eat it as if no one was around.”

“After Manhattan finished laughing, he sat next to Zhao Yu and said, “in short, you can call me Manhattan!”

““I’m telling you, I’m really a big fan of yours,”” Manhattan said enthusiastically. ““You should be able to see that. Otherwise, I wouldn’t have imitated the cases you solved!”” ”

Oh?

Zhao Yu finally got the main point and immediately stopped chewing.

““But to be honest,”” Manhattan was like an excited child, ““I was too naive! For example, chopping off a hand wasn’t as simple as picking up an axe and chopping it off!”” ”

““You have to understand the target’s tracks and habits. He also had to find a way to duplicate her car keys so that he could open her door easily. Then, he found a place to start, prepared anesthesia, tools to cut off his hand, and bandaged it. He also had to pay attention to any emergencies and avoid the cameras ...”

““I only did it once and I’m already very frustrated! He had wanted to chop off a few more hands ...”

“He then pointed to an Asian man who was standing behind the sofa and said, “he made all the preparations for the devil case, and the atmosphere he created was even more realistic than the real devil case!”” ”

““But what happened in the end? ““I had to push that woman down myself ... Hahaha ...”” Manhattan laughed in a strange manner. ““Killing people is not fun at all!”” ”

““Well, that’s because ...”” Zhao Yu adjusted the simultaneous translator and spoke in English, ““you didn’t pick a good day. When there were stars and moon in the sky, the victims could see the environment clearly!”

““Since you’ll definitely die if you jump down, you might as well be scared to death by a ghost, don’t you think so?”” ”

““Oh ... Oh ...”” Manhattan nodded as if he had realized something. ““I see. It seems that the murderer han Kuan is really powerful. He thought of all the details!”” ”

““But, it seems that you’re better, detective. You caught such a cautious criminal, which means you’re the best!”

““Hahaha ... You’re my idol indeed ... Hahaha ...”” ”

“As he spoke, Manhattan picked up an Apple and took a bite ...”

““Interesting, really interesting ...”” Zhao Yu stared at Manhattan, who was chewing an Apple, and grinned. ““Why do I feel like our roles have been reversed?”” ”

““What?”” Manhattan smiled and asked, ““what’s the other way around?”” ”

“““I thought ...”” Zhao Yu squinted his eyes and said coldly,““I thought I was the one who wanted to stall for time! But now, it seems that I was wrong!”” ”

“As soon as he said that, the hall immediately fell into a dead silence! ”

Chapter 1980: The mermaid

“““You ...”” This time, it was Manhattan’s turn to stop chewing. He smiled awkwardly and asked Zhao Yu,““detective Zhao, what do you mean by that? ”

“““Could it be that ... You think that I’m trying to stall for time? That’s so laughable ...”” ”

“““To be honest, I did think about having a fan meeting, but ...”” Zhao Yu took a bite of his Apple with a cold expression and said,““after thinking about it, I decided not to! A detective isn’t a celebrity, and solving cases is more suitable for me. ”

“““So, let’s get to the main topic quickly!”” Zhao Yu said,““where’s the information? I’ve brought it to you, and I’ve brought it to you myself. Now, can we proceed with the transaction?”” ”

“““Hmm ... Alright!”” Manhattan smiled and looked at Zhao Yu with his ugly eyes. He said,““since you’re asking for it, I’ll do as you wish! ”

“““You’re right. I also feel that our identities have been swapped, hehehe ...”” ”

“Manhattan waved his hand, and curly hair immediately opened the metal box and took out the laptop that Zhao Yu had brought with him. ”

“““Actually, everyone has vanity,”” Manhattan continued to stare at Zhao Yu and said,““when you see your idol, why do you want to show off? ”

“““Great detective Zhao, look at my previous arrangements. The little games I made with you are okay, right? Isn’t this unexpected? I’m looking forward to your evaluation!”” ”

“““Oh ...”” Zhao Yu had finished the whole apple, so he immediately threw the core on the table, then said with a serious expression,““you mean, the games you played with me! ”

“““It’s alright! If it’s 100 out of 100, I can give you 0.25 because 0.25 multiplied by 100 is 250. Wahaha...Haha ...”” ”

Zhao Yu’s sudden maniacal laughter instantly filled the hall with a foul smell. Everyone was shocked by Zhao Yu’s nonsense.

“Manhattan’s face darkened. He wiped his cold sweat and said,““your cold joke is really cold! Why do you always like to disrupt my rhythm? ”

“““I think you’re doing this on purpose, right?”” ”

“““Yes, I did it on purpose, because ...”“ Zhao Yu stopped smiling and said,“““I don’t like dealing with people who graduated from an Institute for the mentally disabled. In my opinion, everything you did before was just an Idiot’s mother opening the door for an idiot and inviting the idiot home! ”

“““You still have the face to ask me what I think of your little game? Unexpected? Bah! If it was unexpected, would I have defeated you twice in a row? ”

“““If your methods were brilliant, would you have begged me to make a deal with you? ”

“““So, I’m begging you, can you stop acting like an idiot? ”

“““You’re a gangster, so you should act like one. You’ve been nagging at me the moment you came in, like a long-winded woman. Even if you’re not disgusted, I’m disgusted!”“ ”

“““You ...”“ Manhattan was dumbfounded. He pointed at Zhao Yu’s nose, but couldn’t say a word. ”

“““Remember, you’re just a nobody, a clown, and an extra. Why are you snatching so many lines? ”

“““I’m serious. Criminals don’t need any personality. Don’t think you’re acting in an American drama. Wake up. Let’s get down to business, okay?”“ ”

“““You ... I ... You ... I ...”“ Zhao Yu’s vulgarities made Manhattan fly into a rage. His face turned purple and green. After panting for a long time, he pointed at Zhao Yu’s nose and shouted,“““you! Are you tired of living? ”

“““This is my territory, my territory! ”

“““How dare you still be so arrogant? Aren’t you afraid that I’ll kill you with one shot? You ... You’re crazy, you’re not crazy, you’re crazy, Hu...Huhu ...”“ ”

“Seeing Manhattan fly into a rage, curly hair and the rest immediately took out their guns and aimed at Zhao Yu. ”

The rest of the people also gathered around and glared at Zhao Yu.

“““Yes ...”“ Zhao Yu nodded in satisfaction.“““This is how a criminal should be!”“ Come, come, come, be more ruthless, and have a more exaggerated expression! Imagine the camera giving you a close-up ...”“ ”

“““You! ”“Gulu ...”“ With one sentence, Manhattan and his men were completely speechless. He took a few deep breaths before he calmed down a little and said,“““okay, I understand. You’re doing this just to anger me and make me ... Make me lose my mind ...”“ ”

“““Fine, you’re cunning. I knew it. A detective isn’t just crazy, he’s really intelligent ... Alright, since you say so, I’ll play with you!”“ ”

“After saying that, Manhattan waved his hand. One of his men immediately walked to the center of the hall and pulled open a huge curtain that looked like a curtain. ”

“In the end, after the curtains were pulled open, the scene that appeared in front of Zhao Yu shocked him! ”

“Behind the curtain, there was a huge transparent fish tank! ”

“The fish tank was three meters high and six meters wide. It was filled with water, seaweed, coral, and all kinds of beautiful small fish ... ”

“What surprised Zhao Yu wasn’t the fish tank itself, but the fact that there were two living people in it! ”

“Not only were they alive, but they were also two women who were dressed up as mermaids! ”

“””Ah!”” ”

“Seeing the two women, Zhao Yu’s heart was in his throat. ”

“He knew both of them. One of them was his godsister, Ding Lan. The other one was the artiste he had met at the detective salon, Simone! ”

“Ding Lan and Xi menna both had stunning figures, and they were dressed in mermaid costumes. One was red and the other blue, and they were both soaking in the fish tank. ”

“As the fish tank was made of smooth glass, the two of them could only swim back and forth in the fish tank that was three meters deep. Otherwise, they would sink into the water and be unable to breathe ... ”

* Crack crack ... *

“Zhao Yu clenched his fists so tightly that his knuckles cracked. Even through the glass, he could feel Ding Lan and her husband’s deep sense of helplessness. ”

“However, what Zhao Yu couldn’t figure out was that, while Ding Lan’s appearance was reasonable, why did she bring out Xi Mengna? what was the meaning of this? ”

“””Hahaha ...”” At this time, Manhattan saw that he had finally defeated Zhao Yu and laughed proudly.””I’ve been raising fish for so many years, and raising two mermaids has always been my ultimate dream! ”

“””Detective Zhao Yu, look at these two fish. Aren’t they beautiful?”” ”

Zhao Yu turned around to look at the huge fish tank and couldn’t help but take a few steps forward.

“Ding Lan, who was in the fish tank, saw Zhao Yu very quickly. She immediately swam to the glass, waved at Zhao Yu, and shouted something anxiously. ”

“However, for some reason, Zhao Yu couldn’t hear her clearly. ”

“At this time, Xi menna also swam over. When she saw Zhao Yu appear in front of her, she showed a very complicated expression. ”

“Upon seeing Xi menena, Zhao Yu couldn’t help but recall his past with her on the Island of Miracles, even though this woman was a murderer, Xi Wei’s daughter, and his accomplice. ”

“However, Zhao Yu had always had a special feeling for her. This feeling was not friendship, not love, nor was it any kind of feeling that he knew. It was strange, but indescribable. ”

“””Detective Zhao,”” Manhattan stopped smiling and said to Zhao Yu,””no matter what, I kept my promise and didn’t hurt your little sister! ”

""You can see that she can swim in the water ... "

""So, I also hope that you can keep your promise and not play any tricks with me ..."" "

""Okay, I'll tell you the password and how to operate it now,"" Zhao Yu said, pointing to the laptop on the coffee table. ""We've already met twice, and I've followed the rules! "

""So, after you've verified the information, let my sister go. I'll stay here and let you do whatever you want to me!"" "
