

## Crazy 1991

### Chapter 1991: Ultimate reasoning (8)

“““What?”” Zhao Yu was surprised.”“There’s one more thing? What’s the matter?”” ”

“““Of course it’s that Miss Lola ...”” Manhattan said.”“You’ve guessed it right. We are indeed stalling for time! Otherwise, I wouldn’t be here! ”

“““You know what? The Korea incident is not over yet. Signal enhancement and rare earth synthesis technology are only my secondary goals! ”

“““Other than that, I have another main target. That’s the main reason why I appeared in Korea! ”

“““My company is already in the process of developing the signal amplification technology. All I need to do is to stop others from developing it in advance! ”

“““As for the rare earth synthesis technology, there are always a few difficult problems to overcome, so ...”” Londee pointed at the tablet computer.”“I need information from your side. ”

“““You’re right about that, Mr. Detective,”” londee glanced at Zhao Yu and said gloomily,”“I came here with my emotions! ”

“““If I didn’t lack six years, my technology company would have developed these two technologies and led the world! ”

“““That’s why I’m not willing to be left behind. I won’t allow anyone to surpass me!”” ”

“““Hmph,”” Zhao Yu was disdainful.”“You said the chief was a selfish villain, but you’re not bad either! And you’re even more abnormal than him! ”

“““It seems like Xi Wei has been giving you quite a bit of stimulation these past six years, right? You’re crazy!”” ”

“““Hmph, you can say whatever you want,”” londee said nonchalantly,”“in any case, if you can’t guess what my main goal is and what Miss Lola wants to do, then your ultimate reasoning is not complete! ”

“““Then ... Your agreement with Manhattan will be considered a failure. You will watch helplessly as your little detective sister gets stung to death by a lionfish!”” ”

“““Londee, you old bastard!”” Zhao Yu scolded her,”“the people who destroyed your criminal empire were Miao kun and your father. It had nothing to do with Ding Lan!”” ”

“““Did you forget? Ding Lan was the one who saved you from the house of sins. You’re ungrateful, ungrateful, and shameless, do you understand? You shameless old man!”” ”

“When Zhao Yu spoke, Manhattan looked a little embarrassed. He seemed to want to interrupt and say something, but because of londee’s aura, he did not say anything in the end. ”

“““No, no, no, I’m just respecting the rules of the game,”” londee shook his head proudly and said,““you’re already very close to the truth. You can give it a try. If you can really figure it out, I’ll keep my promise and let your sister go!”” ”

“““You old bastard!”” Zhao Yu said,““if I could figure it out, would I have fallen for your trick? Amiola, I was wrong about her! She ... What is she trying to do?”” ”

“““Detective,”” londee saw Zhao Yu’s anxiety and immediately straightened his body, as if he was feeling good. He then said leisurely,““you better think about it. If you give up this chance to deduce, then I’ll have to let the fish go!”” ”

“As he spoke, londee shot a look at the criminal beside the fish tank. The criminal immediately bent down and lifted the fish tank, as if he was going to release the fish. ”

“““Wait a moment!”” Zhao Yu quickly stopped her, then closed his eyes and tried to think. But, after thinking for a long time, he couldn’t come up with a conclusion. He could only mumble to himself,““even if the entire Guangzhou police station is mobilized, there are still many police officers left behind. What can Lola do by herself?”” ”

“““Hahaha ...”” Upon hearing this, Manhattan burst out laughing.““Detective, what’s the matter? you’re about to die, and you still want to pry into our secrets?”” ”

“““Crazy detective!”” Londee said heavily, as if he was dissatisfied with Manhattan’s interruption. He glared at Zhao Yu and said,““if you want to know the truth, I can tell you now! ”

“““But, after I tell you, I’m going to release the fish! You’ll have no more chances!”” ”

“““You ...”” Zhao Yu clenched his fist, then said with determination,““okay, then tell me! I really don’t know what your ultimate goal is! If you die, then die!”” ”

“““Hmph, Hmph Hmph ...”” Seeing that Zhao Yu had admitted defeat, londee laughed proudly and said,““alright, then I’ll tell you!”” ”

“““Wait.”” Manhattan was shocked by londee’s words. He quickly reminded him,““Mr. Londee, you must not ...”” ”

“““Shut up!”” However, londee shouted at him unhappily and said,““it’s almost time. We have to prepare to wrap up the operation. We don’t have time to waste with this crazy detective!”” ”

“““This ...”” Manhattan’s expression was grim. Cold sweat broke out on his forehead. ”

“““Alright,”” londee looked at his watch and said to Zhao Yu,““it’s going to end soon, so I don’t mind telling you! ”

“““The Kyoko police station is not an ordinary police station. The intelligence room for the Korean National Intelligence Department is also in this office building!”” ”

“““Ah?”” Zhao Yu frowned, completely confused.““National affairs Department? What do you mean by that?”” ”

“““You don’t need to know the details,”” londee said, still feeling good about himself. “““You only need to know that there is something very important to me in the Guangzhou police station. That’s all!”” ”

“““Ah? “““Oh ...”” Zhao Yu said in surprise. “““Evidence of your crime? You’re going to send amiola to get the evidence?”” ”

“““Hmph, what evidence? what a joke!”” Londee said, “““I’m telling you, I’m looking for Xi Wei’s Treasury! He imprisoned me for six years and took away so many things from me. It’s time for me to collect some interest!”” ”

“““What? You motherf \* cker!”” Zhao Yu’s eyes widened and he grinned. “““Xi Wei’s Treasury is in the Guang Zhou police station? You ... What kind of international joke is this?”” ”

“““Hehehe ...”” Londee laughed indifferently, “““detective, you’re still too naive! I’ve known for a long time that Xi Wei has a priceless and wealthy Treasury!”

“““He did everything he could to get that batch of diamonds so that he could put them in the vault and make them a collection worth showing off!”

“““But he didn’t expect that in the end, he would lose his life because of the diamond.”

“““After I was rescued from the house of sin, I frantically destroyed Xi Wei’s remaining forces mainly to find his Treasury!”

“““In the end, I finally caught his eldest daughter, Tina. Guess where I caught her?”” ”

“““Han ... Korea ...”” Zhao Yu replied. ”

“““Right!”” Londee nodded. “““That’s a fast reaction! Since I caught her in Korea, it means that Xi Wei’s vault could be here!”

“““At that time, since I had already caught Tina, I thought that I had already found the vault. However, what surprised me was that the old fox, Xi Wei, didn’t even tell his own daughter!”

“““After that, I used all sorts of methods to get important clues from Tina. “““So, my answer is in the Guangzhou police station. That’s why we arranged for you to use amiola as your trump card!”

“““Actually, she’s been one of my people since a long time ago. She’s a chess piece that I’ve placed by the chief’s side!”” Londee laughed sinisterly. “““Otherwise ... In Morocco she wouldn’t have put in so much effort to find the place where I was imprisoned!”” ”

“““Oh ...”” Zhao Yu was shocked. “““I see!”” ”

“““Alright, I’ve told you the truth. Now ...”” Londee pointed at the fish tank. “““Next, let’s enjoy the show together!”” ”

“““Seeing the signal, the criminals by the fish tank were about to make a move.”

“““Wait!”” However, Zhao Yu suddenly shouted, then stared at londee and Manhattan. “““I say, the two of you are old and confused. Didn’t you notice at all?”” ”

“““What?”” Manhattan was stunned for a moment. He asked, “““what did you notice?”” ”

“Think about it,” Zhao Yu said, spreading out his hands. “There are so many people in the police station. Why would I tell such an important password to an outsider like Amiola?”

“Ah?” Suddenly, Manhattan’s expression changed drastically. ”

Chapter 1992: backup plan

Manhattan’s expression changed. He immediately signaled to his men to check the surroundings to see if anyone had sneaked in.

“After some careful consideration, Londee’s expression changed slightly. He first looked at Manhattan unhappily, then turned back to Zhao Yu and said, ”

“Crazy detective, you’re on the verge of death, is there any meaning in doing such an uninteresting last struggle? Do you really think that by stalling for time, someone will come to save you?”

“Old man, you’re trying to buy time too, but,” Zhao Yu said rudely, “don’t you think about it? Amierolaha has been doing this for a long time. Logically speaking, she should have succeeded long ago, right?”

“...” Londee’s expression changed and he looked at Manhattan again. ”

“Manhattan was extremely nervous. His forehead was already covered in sweat, but he still shook his head at Londee and said, “We can’t contact him at this time! I’ll think of another way ...”

“Hmph, it’s useless to think about it!” Zhao Yu swaggered back to the sofa and said sarcastically, “I’ve already told you that I deliberately told Amiora the password!”

“Actually, I’ve been on guard against her for a long time!”

“Impossible!” Manhattan swallowed and said fiercely, “if you wanted to be on guard against her, why would you tell her the real password? Don’t forget, I’ve already unlocked the computer!”

“Hmph!” Zhao Yu snorted coldly, “you can’t get a Wolf out of a child you don’t want to give up. Compared to catching you behind the scenes, what is a mere piece of information worth?”

“Hmph, don’t boast shamelessly here. You’re already feeling good!” Of course, Manhattan did not believe him. “To tell you the truth, I have eyes in the Korea military and police. If someone had found this place, we would have received the news long ago!”

“You’re alone right now. Don’t tell me you want to kill your way out of here?”

“Manhattan,” Londee looked at Manhattan and said, “special circumstances require special measures. The Guangzhou Police Department is indeed important, but we have to make preparations in advance!”

“Yes, I understand ...” Manhattan immediately walked to the side to discuss something with curly hair. ”

“Detective,” londee turned around and said to Zhao Yu, “now, no matter how you quibble, it’s useless! Just now, you didn’t guess the truth about the Guangzhou police station, so I can only let the fish go now!”

“When I see your little sister being stung to death by a fish, I’ll give you a quick death!”

“Wait ...” Zhao Yu quickly waved his hands to stop him, then pointed to the fish tank and said, “there’s still a Xi menna in there! Didn’t you say that you were going to imprison Xi menna for life?”

“Hmph, you don’t have to worry about this!” Londee said smugly, “I want her to experience all the pain in the world. So, she will not die!”

“After he finished speaking, londee waved his hand again to let his subordinates release the fish.”

“Wait ...” This time, Zhao Yu stopped him and said loudly, “londee, are you really old and confused?”

“Are you really so sure that everything is under your control?”

“Hearing this, londee was once again stunned. At this moment, Manhattan had finished his task and returned to the sofa.”

“Wahaha ...” Zhao Yu leaned back on the sofa, held his head in his hands, and said calmly, “why don’t you think about it? since I’ve already figured it out, you’re the big BOSS behind the scenes!”

“Aren’t you worried that I have a backup plan?”

“Hahaha ...” Londee did not speak, but Manhattan laughed coldly. “Zhao Yu, did I not make myself clear just now? I know the police’s actions like the back of my hand.”

“Even if you have a backup plan, I’ll make sure you die before your backup plan, Mr. Londee,” Manhattan turned to londee and said, “this person is very evil. He has been trying to interfere with our emotions. So, I think we should stop playing with him!”

“According to our agreement, let’s give him a quick end!”

“Hey, hey, hey ...” Zhao Yu turned his head and glanced at Manhattan. “You’re in such a hurry to kill me. Are you worried that I’ll reveal something? you don’t want that old man, londee, to know, right?”

“You ...” Manhattan raised his eyebrows in anger. “Are you still trying to sow discord?”

“Well, since you’re afraid that I’ll drive a wedge between you and me,” Zhao Yu pointed at the laptop in the distance, “then turn it on and see if you’ve already copied the information.”

“Ah?” Upon hearing this, the atmosphere instantly became tense.

Manhattan and londee glared at each other. Curly hair even secretly pressed his gun.

“You!” Manhattan clenched his fist at Zhao Yu and scolded, “you B \* stard, you’re talking nonsense. Alright, I’ll turn on my computer now and show you ...”

“As he spoke, Manhattan walked toward the laptop and reached out to grab it.”

“““Wait!”” However, londee stopped him at the crucial moment.”“Don’t move!”” ”

“““Ah?”” Manhattan was shocked. He quickly explained,”“Mr. Londee, listen to me. The information is in there! I didn’t touch it, so don’t listen to him ...”” ”

“““What are you saying!”” Londee furrowed his brows.”“Of course I believe you! However, I suspect that this kid is deliberately letting you touch the computer. Be careful of any tricks!”” ”

“““Ah?”” Thinking of this, Manhattan quickly retracted his hand. ”

“““Hmph!”” Londee pondered for a moment and nodded at Manhattan.”“You’re right. The crazy detective is indeed a dangerous person!”” ”

“Londee’s eyes were filled with killing intent. He gestured to Manhattan, telling them to shoot Zhao Yu to death and not let him disturb him again. ”

“As he spoke, he glanced at Zhao Yu, who was lying on the sofa leisurely as if it was his own home. He started to wonder if the sofa would be stained with blood after he shot Zhao Yu to death. ”

“““962420 ... There are three letters behind it, H, O, D ...”” Suddenly, Zhao Yu said a series of inexplicable numbers and letters without raising his head.”“By the coast of Boston, there is a white beach. It’s far from the city, so it’s a good place for a vacation ...”” ”

Crack ...

“At this time, Manhattan took out a pistol and pulled the bolt. He aimed at Zhao Yu’s head and shot him in the head! ”

“However, after Zhao Yu said those strange words, londee’s eyes suddenly widened. He stood up from his wheelchair excitedly and shouted at Manhattan, ““Don’t shoot!!!”” ”

“““Oh?”” Manhattan did not know why londee had such a huge reaction, but he still put away his gun. ”

“““Crazy ... Crazy detective ...”” At this time, londee’s voice trembled.”“You ... What do you mean, what are you ...”” ”

“““Hehehe ...”” Zhao Yu smiled and said,”“didn’t I just tell you? Since I’ve guessed that you’re the big BOSS, then ... I should at least buy some insurance for myself. ”

“““Otherwise, isn’t it the same as seeking death to charge into the thieves”” lair alone? ”

“““Mr. Londee,”” Zhao Yu raised the corner of his mouth and showed a cold smile,”“you guessed it right before. I am the same as you, I am also stalling for time, waiting for news! ”

“““But I’m not waiting for help. In this situation, even if there is help, I can’t guarantee my safety! ”

“““So, my backup plan is to have you personally escort me and my sister out! This is the most awesome way, isn’t it?”” ”

“A few minutes ago, at the Guangzhou police station. ”

“““You ... You can't run!”” The high-ranking official, Wu Chengjun, was forced into the elevator by Amelia.””The National affairs Department is on the 12th floor. What are you trying to do?”” ”

“““Shut up!”” Amiola pointed her gun at Wu Chengjun's back and warned,””remember, if you're exposed, I'll shoot. It's fine if you die, but your colleagues will die with you!”” ”

“Seeing that they were about to reach the 12th floor, amiola got close to Wu Chengjun's ear and ordered,”””Now, take me to the evidence room of the National affairs Department! Then, take me in ...”” ”

“““The evidence room?”” Wu Chengjun was stunned.””Why are you going to the evidence room?”” I can't get in! You don't have enough authority!”” ”

“““Hmph!”” ““Stop pretending,”” amiola snorted.””We already knew that the key to the evidence room is with you. Only you and the guards can open the door!”” ”

“““Ah? You ... You guys ...””Wu Chengjun was shocked.”” How did you guys know ...”” ”

Ding dong ...

The elevator reached the 12th floor and the door opened automatically.

“““Be good, let's go!”” After saying that, amiola pushed hard, wanting to walk out of the elevator with Wu Chengjun. ”

“Just then, a blue electric light suddenly flashed outside the elevator! ”

“The electric light was extremely fast, and it went straight into the elevator. The two people had almost no reaction, and with a plop, it shot Wu Chengjun! ”

“Then, the electric light suddenly exploded and crackled with lightning. Because Aurora was close to Wu Chengjun, she was instantly shrouded in the electric light. ”

Ah ...

“As amilora cried out in alarm, she was already struck by the electric current and felt as if she had lost control of her body ... ”

“When the electric light ended, Wu Chengjun fainted on the spot, and amilora fell to the ground, unable to move. ”

“““Hahaha ...”” At this time, a voice came from outside the elevator.””No wonder Zhao Yu especially likes this taser gun!”” You're really amazing, especially when you have a hostage!”” ”

“She forced herself to look outside and was shocked to see that the person who had knocked her down with a taser gun was none other than the Jian Jia, Miao kun! ”

“Li Jing, the chief of secret services, was standing next to Miao kun. Li Jing was wearing a bulletproof vest and holding a gun in her hand. She was aiming at Lola in case the situation changed. ”

“Then, she carefully walked into the elevator, put away amiola’s pistol, and began to check if she had any other weapons on her. ”

“”Hmph!”” Miao kun said proudly,“”fortunately, Zhao Yu found out about the problem long ago and asked me to keep an eye on you! Sigh ... The world is so cold, you really can’t know a person’s heart! ”

“”Such a beautiful girl is actually a double agent ...”” ”

Ding dong ...

“Just as Miao kun said that, the door of an elevator next to him suddenly opened, and five fully armed special police officers wearing helmets walked out! ”

“”Oh, oh ...”” ”

“When he saw the five people, Miao kun instinctively realized something. According to the plan, no one would have taken the elevator to the 12th floor during this time. ”

These five people ...

“Seeing Miao kun’s abnormal reaction, Li Jing stuck her head out and looked outside. She happened to meet the eyes of the five people. ”

“When the other party saw Wu Chengjun and amiola lying on the floor in the elevator, they were obviously surprised. ”

“In an instant, the atmosphere in front of the elevator reached an unprecedented tension. ”

“After all, Miao kun and Li Jing were experienced experts. They could smell danger. Miao kun did not hesitate to lower his head and jump into the elevator. ”

“At the same time, Li Jing also pressed the elevator’s close button. ”

Ah?

“The five of them were so shocked that they were a little slow to react. By the time they raised their guns and shot at Miao kun, the elevator door had already closed! ”

Bang Bang Bang ...

All the bullets hit the elevator door ...

“”Dogshit!”” A special police officer took off his helmet and revealed a western face. He ran a few steps to the elevator and pressed the buttons madly. ”

“”This is bad,”” the other fake agent took off his helmet and said helplessly,“”without that woman, we couldn’t have opened the door of the evidence room!”” ”

“”It’s okay.”” At this time, another fake SWAT officer took off a Black Package.””We can just blow them up!”” He said. Otherwise, we won’t be able to report back!”” ”

“”Alright!”” Another one said,“”since we’re going to die anyway, why don’t we just blow it up? what if it explodes?”” ”

“After making up their mind, the five of them turned around at the same time. However, when they turned around, they were all dumbfounded. ”

“Behind them, there were more than 20 real special police officers who had already formed a line and were aiming at them with countless guns! ”

.....

In the secret underground room.

“““You! What do you want?““ Hearing Zhao Yu’s words, londee trembled and clutched his chest in excitement. ”

“““Mr. Londee,““ Manhattan was completely confused and quickly asked,““what happened?““ ”

“Then, as if they had realized something, the criminals, led by curly hair, all pulled out their guns and pointed them at Zhao Yu. ”

“However, Zhao Yu didn’t care about them at all. He was still lying on the sofa leisurely, and said to londee,““Old man, since you’ve already understood what I just said, why don’t you quickly release my sister? ”

“““Don’t you understand that I, Zhao Yu, am not fighting you all alone? You’ve offended someone you shouldn’t have offended!““ ”

“Then, Zhao Yu leaned forward, grabbed a cup on the coffee table, and took a sip of tea. As the tea was already cold, it felt a little bitter. He immediately puffed up his nose and made a bitter face! ”

“““Alarmist ... Alarmist talk!““ Manhattan pointed at Zhao Yu and scolded,““let’s see if you’re more stubborn than my gun!““ ”

“As he spoke, Manhattan seemed to be about to order his men to shoot. ”

“However, londee stopped him and said,““wait!““ ““I ... I want to check ...““ He then said to one of his men,““contact Boston!““ ”

“Looking at londee’s anxious and worried expression, Manhattan seemed to have understood something. Other than feeling incredulous, he also felt extremely curious. ”

“Therefore, after the line was connected, he quickly went up to londee. ”

“Londee was holding a phone made of a special material. After the line was connected, a shocking scene appeared on the screen. ”

“Inside a villa, there were corpses sprawled all over the ground. Beside the corpses, londee’s wife, son, daughter, grandson, and granddaughter were all tied up with ropes and had their mouths taped! ”

They were all trembling in fear and were extremely helpless.

It was obvious that his family had been kidnapped!

“Seeing this, londee was dumbfounded, while Manhattan was in disbelief. He was about to use his gun to threaten Zhao Yu, but someone suddenly spoke on the screen! ”

“A man with blood-red eyes, who looked like a madman, appeared on the camera. He shouted hysterically at the screen,”” ”

“””Jiang Kui! You despicable man, where’s my son? Where’s my son?”” The man roared like a madman,””if you don’t give me my son, I’ll kill all these people!!!”” ”

“””Ah!”” ”

“When Manhattan saw the man on the screen, he was so scared that he almost threw his gun away. It was as if he had seen a ghost! ”

How ... How ... How could Wanwan be him?

Chapter 1994: attacking poison with poison

“””What?”” Manhattan turned to look at Zhao Yu, his eyes full of disbelief.””What happened? Why is he here?”” ”

“It turned out that the person in the video who was roaring with bloodlust was the Korea agent, Qian Qian, Lee Bencheng, who had died a long time ago! ”

“Previously, during the incident at the technology Building, Lee Bencheng had already been shot multiple times and died. This was the truth, but now ... How did he suddenly appear in Londee’s hands? ”

“Furthermore, he was controlling Londee’s family? ”

“””This ... ”” Londee’s face turned pale as if he had been struck by lightning. He pointed at Manhattan and roared,””what ... What is going on?”” ”

“””This can’t be ... A video, right?”” Manhattan suddenly thought of a possibility. However, he quickly denied it. Londee’s family was all in the video, how could it be a video? ”

What ... What was going on?

“After more than ten seconds of shock, the two of them looked at Zhao Yu together. ”

“Zhao Yu was still calmly sitting on the sofa with his legs crossed, ignoring the black muzzles in front of him. He glanced at the two bosses frivolously and said playfully, ”

“””What’s wrong? Haven’t you watched ‘Infernal Affairs 2’?”” Zhao Yu laughed coldly.””The ‘Infernal Affairs’ trilogy is good, but I still think that 2 is the most classic! ”

“””It taught me one thing. When I encounter difficulties, I can’t just think about how to deal with them. I must find a good way to solve the root of the problem! ”

“””And this li Bencheng is my best method! This was called giving them a taste of their own medicine. In layman’s terms, it was like fighting poison with poison! ”

“””You used a hostage to threaten me, so I’ll use a hostage to threaten you! Wahahaha ... ”” ”

“Impossible!” Manhattan trembled as he said, “Lee Bencheng is dead! My people saw him being taken to the autopsy room by the police ... According to the procedure, the forensic doctor should have already cut open his stomach!”

“He doesn’t have any signs of life, how could he still be alive? “Even if he’s alive ...” Manhattan glanced at the video on his phone. “Even if he’s alive, he can’t possibly go to Boston.”

“Hmph!” Zhao Yu’s smile disappeared and he snorted coldly. He stared at the two of them with Wolf-like eyes and said, “if I don’t use the most extreme method, how can I fool you guys?”

“You even know that he was carried into the autopsy room. It seems like ... You did have some arrangements in Korea!”

“Fortunately, my acting skills are still considered superb! “Hey, londee,” Zhao Yu grinned and asked londee, “I heard that you have a few companies in Hollywood. When will you recommend me to be the male lead? My acting skills should be considered passable, right?”

“You ... You ...” Londee clutched his chest. He was so shocked and furious that he even asked the most basic question, “what do you want?”

“After asking, he also felt a wave of shame, and his expression became even more embarrassed.”

“Perhaps to save some face, he grabbed his subordinate’s gun, pointed it at Zhao Yu, and shouted angrily, “Hurry up! Release my family! Let him go!”

“Tsk tsk ...” Zhao Yu glanced at londee, shook his head, and sighed. “I thought you would have some extraordinary reaction!” Isn’t the result the same as in the movie?”

“You ...” Londee gestured at Zhao Yu, then turned the gun to the fish tank. “If you don’t let go, I’ll kill your sister!”

“Londee! Londee! I know it’s you, talk to me, talk!” However, at this time, Lee Bencheng was still shouting loudly on the phone, “if you don’t speak, I will shoot!”

“Ah?” Londee was shocked. He quickly raised his phone, faced the camera, and worriedly pleaded, “don’t ... Don’t shoot ...”

“Is Zhao Yu still alive?” Lee Bencheng asked, and when londee turned the camera to Zhao Yu, he immediately heard Lee Bencheng’s crazy roar, “Zhao Yu! Where’s my son? My son ...”

This ...

“Upon hearing Lee Bencheng’s question, Zhao Yu’s heart skipped a beat. Manhattan had mentioned that Lee Bencheng’s son might have been killed.”

“However, at such a critical moment, how could Zhao Yu provoke him? so, he turned his eyes to Manhattan and said, “You ... You should ask him!”

“Seeing the look in Zhao Yu’s eyes, londee, who was holding the phone, had no choice but to aim the camera at Manhattan again.”

““““Jiang Kui, you bastard! Ah ...”“ As soon as he saw Manhattan, Lee Bencheng gritted his teeth and immediately shouted at him,““““ quick! Let me see my son ...”“ ”

It turned out that Jiang Kui was the real name of Manhattan.

““““This ...”“ Jiang Kui reached out and tore off the fake scar on his face, but his eyes were fixed on Li Bencheng, not saying a word! ”

““““Ah ...”“ Lee Bencheng howled at the sky and turned around to shoot Londee’s family. With a bang, Lee Bencheng’s wife was shot and fell to the ground, letting out a heart-wrenching scream ... ”

““““Ah? Don ‘t!”“ Londee was so frightened that he jumped up on the spot, then rushed in front of Jiang Kui like a mad man. He grabbed his collar and shouted,““““ quick! Hurry up and bring his son out! Hurry up!”“ ”

““““En ...”“ However, Jiang Kui was still in a difficult position. He stammered and refused to speak. ”

““““What are you doing?”“ Londee shouted,““““ hurry up and go!”“ ”

““““Londee! I know you’re the boss behind the scenes!”“ At this moment, Lee Bencheng pointed his gun at Londee’s family and shouted,““““ if I don’t see my son, then none of your family will live!”“ ”

““““Wait ... Wait a minute ...”“ Londee’s entire body was trembling, and he could barely hold his phone. Seeing this, the curly-haired man immediately took the phone and held it in front of Londee. ”

““““Jiang Kui, do you not want to live anymore?”“ Then, Londee pointed his gun at Jiang Kui and ordered loudly,““““ return his son to him! Did you hear that?”“ ”

“However, Londee had already forgotten one thing. This was not his territory. ”

“Just as he pointed his gun at Jiang Kui, Jiang Kui’s men immediately raised their guns and aimed at Londee. ”

“However, Londee’s men obviously had more men, and all of them raised their guns, pointing them at Jiang Kui’s men ... ”

“In an instant, the two sides were at daggers drawn, and the atmosphere was extremely tense. ”

““““I ... Um ...”“ Jiang Kui quickly gestured for his men to put down their guns. Then, he shot a look at Londee and tried to dissuade him.““““ You ... You calm down first. This ... This is a trap they set for us! We ... We can’t be fooled!”“ ”

““““You still dare to say that!”“ Londee angrily pointed the gun at Jiang Kui’s forehead again.““““ Look at what you’ve done! How could you let Li Bencheng live? and ... And ...”“ ”

““““Sir, I’ve already done my best to do as you requested,”“ Jiang Kui pleaded,““““ Lee Bencheng was really just an accident!”“ ”

““““What accident ... Hehe ...”“ Zhao Yu knocked on the sofa with a shovel.““““ Londee, think about it! If no one had informed me, how could I have foiled your two operations in a row? ”

“““If it wasn’t for your people playing tricks in the dark, then Lee Bencheng wouldn’t have been able to come back from the dead, right?”” ”

“““You ...”” Jiang Kui was dumbfounded. He turned to Zhao Yu and shouted,““shut up!”” ”

“““Hmph!”” However, how could Zhao Yu be the type to shut up? he immediately said like a gossiper,““londee, I told you, you should Polish your eyes! ”

“““After stabbing you in the back, someone will be able to take the position. Hahaha ... Think about it, if no one betrayed you, how would Lee Bencheng know where your family lives? ”

“““You have so many security guards there, how could Lee Bencheng succeed?”” ”

“““You!”” Jiang Kui’s face turned green in fear. He hurriedly explained to Dragon Island,““Mr. Londee, don’t listen to him! I’m very loyal ... Otherwise, I wouldn’t have ...”” ”

“““Stop!”” However, after Zhao Yu’s encouragement, londee suddenly realized something. He immediately let go of Jiang Kui and slowly walked over to Zhao Yu. ”

“““Alright then ... Let’s have a good talk!”” ”

#### Chapter 1995: planning ahead

“Time went back to the second day after Zhao Yu arrived Korea. It was ten at night, in the autopsy room of the Seoul police station. ”

“““So ...”” Li Zhenzhu asked Zhao Yu with a puzzled look,““you didn’t bring me to the autopsy room for this body?”” ”

Li Zhenzhu pointed at the headless female corpse covered by a white cloth on the autopsy bed.

“““Yes.”” Zhao Yu looked around, then looked at the invisible detector in his head.““I asked you to bring me here for three reasons. First, it’s quiet here! ”

“““Second, you’re the only one I trust in the entire police station! ”

“““Thirdly, you are from the National affairs Department. You have more limited authority than ordinary police officers, and you can make many decisions!”” ”

“““Oh? ””“You mean ...”” Li Zhen Zhu frowned.““We were infiltrated by the enemy?”” ”

“““No, I’m just worried!”” Zhao Yu explained. ”

“““Since you’re so worried, why are you so sure that I’m fine?”” Li Zhen Zhu asked again,““could it be that ... You followed me?”” ”

“““I admit that it was a gamble!”” Zhao Yu said,““but I won’t lose anything. If I bet wrong, at least I will know that you are the mole!”” ”

“““China detective, your train of thought is a little strange!”” Li Zhenzhu pouted. ”

“““The enemy has set up such a big game of chess. I can’t trust your people, nor can I trust my people,”” Zhao Yu said.””So, I have to establish a friend who can tell me the truth!”” ”

“““It sounds like a great honor, but ...”” Li Zhen Zhu asked,””what can I do to make you trustworthy?”” ”

“““Well ... I killed people in your country and imitated the cases I solved,”” Zhao Yu said, squinting.”” Am I crazy?”” ”

“““I was just joking!”” Li Zhen Zhu smiled.”” Alright, I want to hear what you want me to do.”” ”

“““Be prepared for the worst,”” Zhao Yu said seriously.”” Next, the enemy is likely to use a more covert way to contact me, and then use Ding Lan’s disappearance to threaten me! ”

“““When the time comes, I’m afraid I’ll have no choice but to follow their orders!”” ”

“““No!”” Li Zhen Zhu’s attitude was firm.”” If you do anything to harm us, I can only try my best to stop you!”” ”

“““I know, but I know what I’m doing,”” Zhao Yu said.”” At least, this is an important clue! I promise you that I will report everything to you. We must establish a special relationship!”” ”

“““That sounds ...”” Li Zhenzhu pouted.”” A little ambiguous!”” ”

“““Wrong!”” Zhao Yu denied it seriously,”” on the contrary, in front of outsiders, we have to pretend to be enemies. We have to be at odds with each other!”” ”

“““Bickering?”” Li Zhenzhu obviously didn’t understand. ”

“““That’s right, you want to find fault with me, look down on me, and blame me for not telling you the truth,”” Zhao Yu explained.”” This way, no one will suspect that we have an affair. Oh ... We have a special relationship, understand?”” ”

“““Understood!”” Li Zhenzhu said,”” they want me to act!”” ”

“““It’s not just acting,”” Zhao Yu said.”” I trust you so much, so you have to show me your attitude. I don’t like to do things without a clear understanding!”” ”

“““Oh ...”” Li Zhenzhu narrowed her eyes.”” What do you want to know?”” ”

“““Li Bencheng!”” Zhao Yu said,”” I still don’t know the specific situation of this person! This man is an extremely dangerous person. I have to know if he has anything to do with this incident and your attitude toward him. ”” ”

“““This ...”” Li Zhenzhu pondered for a moment, then said,”” I have to ask my superiors!”” ”

“““I’m very curious, how do you ask?”” This time, it was Zhao Yu’s turn to pout.”” You’re saying that you had an affair with me? Then what’s the point of us meeting in the autopsy room now?”” ”

“““Oh ...”” Li Zhenzhu weighed her options and said,”” okay, I can tell you about li Bencheng, but in exchange, you have to tell me in detail about you and the ins and outs of this matter!”” ”

“““Good, very good!”” Zhao Yu smiled.”” It seems like I’ve found the right person!”” ”

“““I dare to use my life to guarantee that Lee Bencheng will never betray us!”“ Who knew that Li Zhenzhu would say this? ”

“““Oh?”“ Zhao Yu swallowed his saliva.”“So, he really went missing?”“ ”

“““It’s true. No one is more anxious than us to find him!”“ Li Zhen Zhu said,““he’s my senior who brought me out of the world. I know him! ”

“““Five days ago, he suddenly cut off contact with us during a mission,”“ Li Zhenzhu said.”“We sent people to investigate, but we found nothing ...”“ ”

“““That guy is so powerful,”“ Zhao Yu pondered.”“If he was really kidnapped, there should at least be some traces, right? Could it be ... That they were threatened?”“ ”

“““Senpai knows his identity,”“ Li Zhenzhu said, shaking her head.”“He has no family or friends ...”“ ”

“““Alright then!”“ Zhao Yu said,““we have to be prepared for both eventualities. One is that he has really betrayed us! The other one was already dead! ”

“““You might not like to hear this, but if it’s the latter, we might be better off. But if it’s the former ...”“ Zhao Yu shook his head helplessly.”“Then we might be in big trouble!”“ ”

.....

“One day later, on the 25th floor of the technology Building, in the bathroom next to the 11th laboratory. ”

“““Zhao Yu, what’s going on?!”“ Li Zhenzhu grabbed Zhao Yu’s collar and pressed him against the partition of the bathroom. She shouted angrily,““we just talked about it yesterday. Why is li Bencheng dead today?”“ ”

“““What did you promise me? What about the information you shared with me?”“ ”

“““Shh...Shh...Lower your voice! There are so many people outside!”“ Zhao Yu held Li Zhenzhu down and shushed her, then quickly said,““let me tell you, li Bencheng is not dead. A bullet went through his shoulder, he won’t die!”“ ”

“““What?”“ Li Zhenzhu suddenly shrank, her face full of disbelief.”“You still dare to joke with me at this time? He clearly ...”“ ”

“““Lower your voice, great aunt!”“ Zhao Yu glanced outside the bathroom and said in a low voice,““our Secret Service has a kind of medicine that can fake death. I just gave it to li Bencheng! ”

“““In the next two hours, he will be a corpse!”“ ”

“““You ...”“ ”

“Li Zhenzhu still didn’t believe him, but Zhao Yu handed her a bloodied bullet. ”

“““Listen to me, there’s no time!”“ Zhao Yu said quickly,““I just found another USB on Lee Bencheng’s body. The enemy will launch another attack in five hours!”“ ”

“““What?”“ Li Zhenzhu was shocked.”“What attack? where?”“ ”

“““He said that he had given me some clues,”” Zhao Yu said.””So, you have to tell me, what exactly is the research on in this number 11 laboratory?”” ”

“““I don’t know yet,”” Li Zhenzhu quickly replied.””I’m still investigating!”” ”

“““Alright!”” Zhao Yu nodded and let go of Li Zhenzhu.””Send it to me if you find anything!”” ”

“““What, you’re leaving?”” “““Where are you going?”” Li Zhen Zhu asked. ”

“““I have an idea, but I’m not sure yet, so I can only try,”” Zhao Yu said.””Time is of the essence, so I’ll send you the location later. Just follow me!”” ”

“““However, during this period, you have to settle Lee Bencheng’s matter as soon as possible. No matter how you do it, you have to let outsiders see Lee Bencheng’s body being sent to the police morgue. You can’t let anyone other than the two of us know that he’s still alive, understand? ”

“““Also, remember to sew up the wound on his shoulder. I’ve already stopped the bleeding ...”” ”

“““He ... He really didn’t die?”” Li Zhenzhu asked,””why ... Why did you give him the pseudo-death pill?”” ”

“““I’ll explain it to you later, but I have to go now!”” Then, Zhao Yu got ready to leave. ”

“““But,”” Li Zhenzhu pointed to the door,””I already said I’m going to arrest you!”” ”

“““Then ...”” Zhao Yu looked at her, then looked out the door, then nodded and said,””in that case, I’ll have to trouble you!”” ”

“““What?”” Li Zhenzhu was puzzled.””What do you mean?”” ”

“Before Li Zhenzhu could react, Zhao Yu had already taken out his gun and pushed her out of the bathroom. ”

“““Ah Xi, do you have to be so extreme?”” Li Zhenzhu complained helplessly, but as she was pushed away by Zhao Yu, she pretended to be angry and shouted,””Zhao Yu, you’re crazy!!”” ”

“Then, the police officers outside the door exclaimed ... ”

Chapter 1996: Why didn’t he die?

“Late at night on the day of the incident with chamber 11 and the undersea base, in the morgue of the Guangzhou police station. ”

“““Zhao Yu,”” Li Zhenzhu asked Zhao Yu seriously,””tell me, how did you disappear from the bathroom today?”” Did you really crawl out? Why didn’t I see you? ”

“““Also, what did you give Lee Bencheng to eat? How could a person still be alive after holding his breath for two hours? This didn’t make sense! If I didn’t see it with my own eyes, I ... I ...”” ”

““““Cough cough ... Cough cough ...”“ All of a sudden, a cough came from the bed. Normally, it would have been frightening, but Li Zhenzhu and Zhao Yu were prepared for this, and they both looked at the bed. ”

Whoosh ...

“The dead body on the bed sat up, and at the same time, he removed the White cloth covering his body, revealing Lee Bencheng’s face. ”

““““I don’t understand either ...”“ Lee Bencheng turned to Zhao Yu,““““I didn’t wear a bulletproof vest today, and I was shot three times, so why ...”“ ”

“He touched the wound on his shoulder. A bullet had gone through it earlier, so it was not a big deal. ”

““““Nonsense,”“ Zhao Yu said in his heart.““““That’s because I gave you a bullet proof suit in time!”“ Besides, the invisible pseudo-death potion is my special tool. Of course, I don’t have it anywhere else. ”

““““There’s one more thing I don’t understand,”“ Li Zhenzhu asked.““““How do you know that senior Li was coerced?”“ ”

““““Because, after he was shot, he pushed me away. It was obvious that he wanted to save me, and ...”“ Zhao Yu continued,““““he was the one who gave me the USB, so I think he had something that he couldn’t tell me ...”“ ”

““““Oh ...”“ Li Bencheng and Li Zhenzhu looked at each other. ”

““““Alright, time is of the essence. Let’s not talk about these useless things! ”“ Li Bencheng, let me ask you,”“ Zhao Yu quickly asked,““““you’re working for them, is it really for your son? Where did you get a son from?”“ ”

““““This ...”“ Lee Bencheng was stunned for a moment, then he whispered,““““this was an accident. Back then, when I was carrying out a mission in Bucharest ... Sigh ... Speaking of which, this incident was definitely related to Female Miao. He was the one who brought me to the bar ...”“ ”

““““What the ...”“ Zhao Yu was surprised. He never thought that his father-in-law would do such a thing. ”

““““The child’s mother died early, and the child was always in Bucharest. I only visited him occasionally, but I never thought ... ”

““““Then, you might have been targeted by the enemy ...”“ Zhao Yu’s words were obviously trying to exonerate Miao kun. ”

““““Who is the enemy?”“ Zhao Yu asked again. ”

““““It should be Jiang Kui!”“ Lee Bencheng said,““““this person is doing illegal trading in East Asia. This guy is ruthless and quite cunning. I’ve been dealing with him for so many years, but I couldn’t catch him!”“ ”

““““Alright then,”“ Zhao Yu asked again,““““can you find their lair?”“ ”

““““I can’t find it,”“ Lee Bencheng replied with certainty,““““this guy has many secret hideouts in East Asia. If I could find it, I wouldn’t be in this state! ”

“““Also, I can feel that it’s different this time. After they controlled me, I found a lot of unusual phenomena. Maybe there are more powerful characters outside and he added a lot of new people! ”

“““Zhao Yu, don’t worry about it, I’ll save my son myself,”” as he spoke, li Bencheng lifted the White sheet and wanted to get down from the bed,””don’t you worry!”” ”

“““No!”” Zhao Yu stopped him and said,””it’s no longer your business! Didn’t li Zhen Zhu already explain it to you? ”

“““How about this, I have a plan that I need you to complete!”” ”

“““Oh?”” Both li Bencheng and Li Zhenzhu were stunned.””What plan?”” ”

“““I’ve already guessed who this mysterious enemy is. However, this person might not be in Korea! “”So ...”” Zhao Yu looked at the two of them.””That’s why I made an appointment with them in three days. I wanted to buy time! ”

“““It’s such a big battle. We can’t just let them beat us up and lead us by the nose, right?”” Zhao Yu said,””so, I’m planning to take drastic measures. Only by capturing their Big BOSS can we possibly save your son!”” ”

“““Hurry up and tell me, who is it?”” Li Bencheng was already impatient, and he pulled Zhao Yu’s arm hard, looking extremely excited. ”

“““Maybe,”” Zhao Yu said uncertainly,””you have to go to the United States, and it’s a dangerous mission. I don’t know ...”” Zhao Yu pointed at Lee Bencheng’s shoulder,””can you complete it?”” ”

“““No problem, as long as my son can be saved,”” Lee Bencheng’s eyes lit up,””I can do anything!”” ”

.....

“Twenty minutes later, Miao kun’s voice came from a secret room on the 12th floor of the Guangzhou police station. ”

“““Zhao Yu, don’t say anything else. Tell me about the bomb first. What happened at that time?”” Miao kun asked excitedly,””could it be that the explosives have expired? A stinky bullet? ”

“““But, I clearly remember that there was an explosion ...”” ”

“As the police did not want the news of Miao kun’s survival to be leaked, they secretly moved him from the hospital to the National Security Department’s safe house in the Guangzhou police station building. ”

“““Alright, let’s not talk about this for now. I still have a lot of important things to do ...”” ”

“Zhao Yu wanted to brush it off, but Miao kun held his shoulder and asked stubbornly,””““Why don’t you tell me first? I thought I was dead for sure, and I even took a hit for you, you know? ”

“““I never thought that I could still be alive. Even if I was alive, it’s impossible for my arms and legs to be intact ...”” ”

““““Alright, alright, don’t get too excited!”“ Zhao Yu had no choice but to tell him the truth.”“It’s like this, father-in-law, I have a system in my body. Every time I complete a mission, I will get a device. I used a device called the invisible emergency evacuation ball to save you, so you didn’t die in the explosion. Do you understand?”“ ”

““““I ... I ...”“ Miao kun stared at Zhao Yu for five seconds, then picked up a cup and tried to drag it over Zhao Yu.”“You little brat, you’re still joking with me at a time like this ...”“ ”

““““Father-in-law,”“ Zhao Yu had no choice but to hold him down, then said with a straight face,”“stop it, do you still want to save Ding Lan?”“ ”

““““Ding Lan?”“ Hearing this, Miao kun finally quieted down. ”

““““Next, I need you to do three things!”“ Zhao Yu said,”“first, send me detailed information on londee. ”

““““Second, give me the information I found in the landing to study. ”

““““Third, three days later, I need to make a deal with the enemy. There’s one person I’m not sure about! I need you to keep an eye on her. If you can’t show your face, then leave her to Li Jing!”“ ”

““““Slow down, slow down ...”“ Miao kun shook his head and frowned.”“Why are you investigating londee?”“ Also, who do you want me to keep an eye on? Who asked you to be so worried?”“ ”

.....

Three days later.

““When Zhao Yu was making a deal with the enemy, he fell into the trap of the slide ladder and met curly hair and the other criminals. ”

““In the end, just as the criminal was using the device to check, the phone in his pocket suddenly vibrated. Someone must have sent him a message. ”

““In order not to let the enemy see through him, Zhao Yu deliberately took out his mobile phone, which meant that he was going to hand it over. However, the moment he took out his phone, he had already opened the message. ”

““The message read,”“the target has entered white beach, Boston. House number 962420. The password is H, O, D ...”“ ”

Chapter 1997: Fatal additional conditions

““In the secret underground room, londee regained some of his senses and pointed at the fish tank, then said to Zhao Yu,”“How about this, I’ll let you and your sister go! ”

““““But you have to keep your promise and let Lee Bencheng release my family!”“ ”

““““Mr. Londee ...”“ Hearing this, Jiang Kui was obviously worried and quickly stopped him.”“They are lying to us. We can’t make a deal with them!”“ ”

““Shut up!”” Long di grinned and scolded Jiang Kui,““if you hadn’t screwed things up, how could I have made a deal with them?””

““If it wasn’t for you ...”” He pointed at Zhao Yu angrily,““you wanted to fight with this crazy detective, and we wouldn’t be in this situation!””

““So, shut up! Shut up!”” ”

“Hearing long Di’s shout, Jiang Kui shrunk back and didn’t dare to make another sound. ”

“At this moment, londee put on an unruly expression and said to Lee Bencheng through the phone’s camera,“““Li Bencheng, you should know who I am!””

““If you stop now, it’s still not too late, but ...”” Londee roared ferociously,““if you don’t stop now, then you’ll have to consider whether you can withstand my crazy revenge!””

““Even if you don’t have a family, your country will fall into eternal damnation because of you! I’ll use the deaths of your countless compatriots to take revenge for your actions today!”” ”

““Holy sh \* t,”” Zhao Yu said in surprise.““That’s bold! Are you ... Trying to start a war?”” ”

““Even the Congress has to listen to me,”” londee gritted his teeth, unable to contain his anger.““Even if you can’t start a war, I will still impose economic sanctions on your country and let your people live in deep waters and suffering!”” ”

““Tsk tsk ...”” Zhao Yu shook his head and sighed.““The way you talk now is very similar to someone!”” ”

““Who’s there?”” Londee glared at Zhao Yu. ”

““I really can’t see through people like you,”” Zhao Yu shook his head.““Xi Wei was already rich enough to rival a country, but he was still so persistent in looking for diamonds, and in the end, he died in a foreign land!””

““You, on the other hand, have so much wealth in the world, yet you had to come here to find Xi Wei’s vault!””

““Hmph, I don’t know if the word”” insatiable ““is suitable to describe you guys.”” ”

““Zhao Yu!”” Just as Zhao Yu finished speaking, Lee Bencheng roared through the camera,““don’t waste your breath on them! Tell them to release you guys!”” ”

““Yes, yes!”” Zhao Yu remembered what he had to do and said to londee in a hurry,““what are you waiting for? Hurry up and get my sister out of the fish tank!””

““Remember, don’t get it wrong! ““I have nothing to do with Xi Mengna...And ...”” Zhao Yu pointed at Yusufu, who was still unconscious on the ground.““This chief is not my cup of tea either!”” ”

““...”” Londee hesitated for a moment and said to Lee Bencheng,““you have to abide by the agreement. As long as I let him go, my family ...”” ”

“““Eh? Zhao Yu noticed the problem and reminded them,“““you have to make sure that my sister and I leave safely!““ ”

“““How about this!““ Zhao Yu pointed at his phone.“““Later, give me your phone! As long as my sister and I leave safely, I’ll ask Lee Bencheng to stop, that should work right?““ ”

“““No!““ Jiang Kui couldn’t help but shout,“““that means the initiative is in your hands! If you attract the attention of the Special Forces, we’re all done for ...““ ”

“““This ...““ Londee hesitated. ”

“““It’s not fair to hurt your wife and children, but ...““ Zhao Yu also glared at londee.“““You’ve really pissed us off! That’s why I came up with this plan. Londee, I swear on my character, as long as you do as I say, I will ensure your family’s safety!““ ”

“““ ...““ Londee fell into deep thought. After a long time, he nodded and said,“““alright! I promise you! However, if you really don’t keep your word, then I won’t be polite! ”

“““Your two countries will suffer my crazy revenge. Your friends, family, and compatriots will not have a good life!““ ”

“““Alright, alright!““ Zhao Yu frowned.“““I can’t be bothered to scold you! Hurry up and get my sister out!““ ”

“This time, londee finally waved his hand at the criminal beside the fish tank. The criminal hurriedly picked up a fishing rod and handed it to Ding Lan ... ”

“At this moment, Lee Bencheng suddenly spoke again,““ ”

“““Wait a minute,““ li Bencheng scolded,“““Jiang Kui, you bastard, we are not done yet!““ ”

Giggle!

“Hearing Lee Bencheng’s words, Zhao Yu’s heart skipped a beat. He was very surprised, because Lee Bencheng’s current performance was not part of the plan at all! ”

“““What?““ Long di was taken aback and looked at Jiang Kui. ”

“““Londee!““ Lee Bencheng’s eyes were already red from the killing, and he said to londee,“““I want an additional condition! If you can’t give me my son, then you must take Jiang Kui ...““ ”

“Who knew that before Lee Bencheng could finish his words, an unexpected accident happened at the scene. ”

Bang! Bang!

“With a loud bang, the back of londee’s head exploded on the spot! ”

“With a plop, the corpse fell to the ground! ”

“““Ah!““ ”

“Zhao Yu was shocked, and quickly looked behind long di. The person who had shot and killed long di was none other than the cricket, Jiang Kui! ”

““Go to hell!”” After killing londee, Jiang Kui did not hesitate and immediately fired at curly hair and londee’s subordinates! ”

“Curly hair’s reaction was faster, and he jumped behind the sofa. However, the other two subordinates of londee were shot dead on the spot by Jiang Kui! ”

Ah ...

“In an instant, the secret room was filled with exclamations. No one had expected such a sudden thing to happen! ”

“Londee was such a Big Shot, but he did not even make a sound before he died on the spot! ”

Bang ...

Bang ...

“Londee’s men were not useless either. The moment they saw their boss being killed, they immediately shot back, and the secret room was instantly filled with gunshots! ”

““You’re crazy!”” Curly hair hid behind the sofa. As he shot at Jiang Kui, he shouted hysterically,“do you want to die? Do you know the consequences of your actions?”” ”

““F \* ck you, you piece of sh \* t!”” Jiang Kui hid behind a table and shouted indignantly,“londee is the real lunatic. I told him long ago that times are different! His methods were already outdated! ”

““Can’t you guys tell? His family was already being controlled. He would do anything for his family ... ”

““If I didn’t kill him just now, he would have listened to that Korean and killed me! Ah ...”” ”

Bang Bang Bang ...

“Under Jiang Kui’s crazy shouting, his men and londee’s men launched an intense gunfight. Immediately, bullets flew everywhere, smoke rose, and it was a mess. ”

Damn it!

“At that moment, the most depressed person was Zhao Yu. ”

“Under his seemingly flawless plan, there was only one huge mistake. That was, li Bencheng’s son had been killed by Jiang Kui! ”

“At first, Lee Bencheng and Zhao Yu had similar concerns, but Zhao Yu insisted that if Jiang Kui knew that Lee Bencheng was dead, then there was at least a 50% chance that he would let his son go. ”

“On the contrary, if they knew that Lee Bencheng was still alive, then Lee Bencheng would be controlled by the enemy in every way, which would be disadvantageous to his son. ”

“However, he did not expect Jiang Kui to be so cruel that he would not even let a child off! ”

“Hence, this led to li Bencheng losing control. ”

Bang ...

“A bullet whizzed past Zhao Yu’s ear. Logically speaking, with Zhao Yu’s personality, he should have already run away!”

“However, the situation was completely different now, because Ding Lan was still in the fish tank! He had to save Ding Lan as soon as possible.”

“So, he quickly rushed towards the fish tank, but an enemy rushed over from the side, raising his rifle to shoot Zhao Yu.”

“Zhao Yu shouted, grabbed his rifle, and started fighting with him.”

“As a result, the bullet was shot out and hit the glass on the edge of the fish tank.”

“No matter how he explained, the fish tank was made of glass! After a round of shooting, the glass in the fish tank suddenly cracked ...”

Chapter 1998: The mermaid’s counterattack

“Oh, oh ...”

“Looking at the clear sound of the fish tank breaking, Zhao Yu was so scared that his eyes almost popped out. He no longer cared about arguing with the enemy in front of him, but quickly ran in the opposite direction!”

“As for the enemy with the rifle, he had no intention of shooting anymore. He also ran in the same direction as Zhao Yu with his rifle!”

“Dozens of seconds ago, the criminal standing on the ladder of the fish tank had received londee’s order and was bending over to hand the fishing rod to Ding Lan, intending to pull her up.”

“However, with the sudden gunshots in the secret room, the criminal was clearly stunned for a moment, not knowing what was going on.”

“In the end, Ding Lan, who was quick to react, exerted strength in his arms and dragged the man down from above!”

“Hey, hey, hey ...”

Boom ...

“As the criminal fell into the fish tank, he was instantly stung by the swimming lionfish in the fish tank. It was so painful that he cried out and flapped back and forth ...”

Ding Lan grabbed the fishing rod and wondered how she could escape the fish tank.

“But just then, a row of bullets came from Zhao Yu’s side, all hitting the edge of the glass of the fish tank, causing several cracks.”

Crack ... Crack ... Crack ... Crack ...

“Then, as the sound of the fish tank breaking became louder and louder, Ding Lan and Xi menna were both frightened. The two of them subconsciously swam backward, trying to get as far away from the broken part as possible ... ”

“In the end, the huge fish tank finally shattered, and the glass of the Super huge fish tank smashed into pieces on the ground. Then, the seawater in the tank poured out like a tsunami ... ”

Ah ...

“In an instant, the secret room was in chaos again. The roaring sea water was like a flash flood, and everywhere it passed was in a mess. Not only did it knock over the furniture and electrical appliances in the secret room, but it also caused a large group of people to fall! ”

Ah ... Ah ...

“The seawater came into contact with the power source, and a burst of electric sparks immediately appeared! ”

“Immediately after, the hall suddenly dimmed. Many people were washed away by the water, crying and howling. They abandoned their helmets and armors, and many people even lost their pistols. ”

“In an instant, the sounds of gunfire inside the room weakened ... ”

“””Oh oh oh ...”” ”

“Zhao Yu was standing in front of the fish tank, so he was the first to be hit. He fell onto the sofa, and the sofa fell over and covered him. However, there was seawater under him, so he immediately choked! ”

Cough cough ... Cough cough ...

“However, as the water rushed over, Zhao Yu wanted to use the invisible breathing device, but he quickly gave up the idea. ”

Cough cough ... Cough cough ...

“He coughed and looked back. He didn’t see anything else, but the first thing he saw was a lionfish lying on his body. Since it had left the sea, the fish was already listless. ”

“””Oh oh oh ...”” ”

“Zhao Yu knew that the fish would hurt people, so he quickly shook his body to get rid of it. ”

“However, while he was throwing the fish, Zhao Yu had a plan. He saw that the power supply had been cut off in the sea, so the room was dark, and only a string of wall lamps was still on. ”

“Therefore, he used the classic combination of the power jamming device and invisible night vision device without thinking. ”

“After that, he planned to find Ding Lan and rescue her when no one was looking ... ”

“However, even though he had a good idea, an unexpected thing still happened. The underground secret room was not completely dark. After the lights went out, other than the light coming from the doorways on both sides, there was also a skylight in the depths of the hall. ”

“With this little bit of light, the enemy’s vision was not affected at all. ”

“““All of you, listen up!”” What was even more surprising was that as their vision turned black, the criminal named Jiang Kui suddenly shouted at everyone,““everyone is only after money! Since londee is already dead, there’s no need for you to continue fighting for him! ”

“““Listen to me, curly hair!”” Jiang Kui shouted,““the people we sent out have already succeeded. Once we find Xi Wei’s Treasury, we’ll split it equally. By then, we won’t be able to spend it all even in ten lifetimes! ”

“““Why are you fighting to the death here?”” ”

“In the end, after hearing Jiang Kui’s words, the secret chamber instantly fell silent. It was as if all the criminals were considering his words. ”

Not good!

“Zhao Yu suddenly realized that his power outage strategy was a failure. Instead, it made the enemies calm down. If the enemies stopped fighting among themselves, he would be in trouble! ”

This won’t do!

“Zhao Yu quickly shouted in English from under the sofa,““Hmph, Hmph, you’re all dreaming! I told you that I’ve already taken precautions. Amiola and the people you sent to the Guangzhou police station have already been caught by us! ”

“““Xi Wei’s Secret room? you can’t even find Xi Wei’s toilet paper ...”” ”

Bang ...

“Before Zhao Yu could finish his sentence, someone fired a shot at him in the dark, and the bullet hit the sofa. ”

“Of course, Zhao Yu had already used the invisible bullet proof suit, so it wouldn’t matter even if the bullet hit him. ”

“““Brothers,”” Jiang Kui spoke again,““don’t listen to his nonsense. I have already received the news ...”” ”

“““Pick you up, my ass!”” Zhao Yu cursed in his heart. He immediately put away the power jamming device and restored the lights in the room. ”

“As a result, when the lights were back on, the robbers shuddered and almost instinctively started shooting at each other again! ”

Bang ...

Bang ...

Right!

“Zhao Yu said in his heart, ””this is what I want.”” ”

But ... Zhao Yu quickly got out from under the sofa and braved the rain of bullets to look for Ding Lan.

“Ding Lan had been on the right side of the fish tank, so when the fish tank broke, she had been washed away in the other direction. ”

“However, Ding Lan was a trained agent. Even though she choked on the water from the broken fish tank, she still managed to stay awake. ”

“At this moment, as soon as she was washed out by the water, she immediately grabbed a heavy chair, turned her body around with the chair, and then lay down on the ground. ”

Cough cough ... Cough cough ...

“Ding Lan quickly coughed out the seawater in her mouth. She reached out and grabbed a lionfish, holding it in her hand. ”

“The fins of the lionfish had thorns, but Ding Lan didn’t care. While enduring the pain, she stuck the poisonous thorns into the bottom of her mermaid costume, creating a small hole. ”

“Then, she reached in and tore the mermaid’s pants from the middle, finally freeing her feet. ”

“At this moment, two enemies were also washed over by the water. One of them was lying in the water, and the other was about to shoot when he saw Ding Lan! ”

“However, Ding Lan was one beat faster than him. She stabbed the lionfish in her hand into his face! ”

Ah ...

“The criminal suddenly screamed in pain. Ding Lan took the opportunity to roll to the side, grab the gun from his hand, and then shot the other criminal to death on the spot! ”

“However, it was hard to fight against so many people. Just as Ding Lan finished off the two criminals, the criminal who had rushed in from the door saw them and quickly raised his rifle, wanting to shoot at Ding Lan. ”

“At that moment, Zhao Yu hadn’t put the bullet proof suit on Ding Lan yet. If Ding Lan had been shot, she would have been seriously injured. ”

“In the end, at this critical moment, a black object flashed through the air. With a bang, someone was holding a heavy chair and smashed it heavily on the criminal who was about to shoot! ”

“The chair was heavy, and the criminal fell to the ground. Ding Lan then realized that something was wrong behind her. She turned around to shoot, only to realize that the person who had just saved her was none other than Xi Wei’s daughter, Xi menna! ”

Chapter 1999: The reason to save people

Bang Bang Bang ...

The secret room was filled with bullets. Xi menna and Ding Lan were crouching behind a cabinet that had been washed away.

“Xi menna’s face was pale. She panted heavily and said to Ding Lan in English as if she had been frightened, ““““Take ... Take me out ... I can tell you where the Treasury is!”” ”

““““What?”” Ding Lan was looking for Zhao Yu through the cracks in the cabinet, but when she heard Xi Mengna’s words, she was confused. ”

Ding Lan didn’t know anything about the vault.

““““Hurry ...”” Xi menna pointed at the door.””Let’s run ... Oh ...”” ”

“As she spoke, Xi menna’s body trembled and she fell back. She almost dropped the rifle in her hand. ”

“Ding Lan knew that she and Xi Mengna had been stung by a lionfish before, and the poison was taking effect in their bodies. If they didn’t escape quickly, they might lose their mobility for a while. ”

““““No!”” However, Ding Lan still shook her head at Xi Mengna.””Zhao Yu is still inside. I can’t leave!”” ”

““““You ... Oh ...”” Due to the poison acting up, Xi menna felt even worse. Seeing that Ding Lan did not want to leave, she picked up her rifle and retreated toward the door. ”

““““Hey!”” ““““Stop moving!”” Ding Lan called out to her.””You won’t be able to get out like this!”” ”

“Just as Ding Lan said that, two armed criminals rushed in from the entrance. They were probably the guards outside, but they didn’t know what had happened in the secret room. ”

“As soon as he saw the bullet whizzing by, he quickly lowered his head to Dodge, but just happened to bump into Xi menna’s face! ”

Ah?

“The criminals were shocked. One of them immediately reached out to hold Xi menna’s gun, while the other instinctively strangled Xi menna’s neck and restrained her. ”

“When he looked at Xi menna again, white foam had already come out of the corner of her mouth, and her eyes were unfocused. It was obvious that she was no longer able to resist. ”

Bang ...

“Ding Lan had wanted to shoot to save Xi menna, but she suddenly realized that her vision had blurred. She was worried that she would hurt Xi menna, so she didn’t dare to shoot rashly. ”

It’s broken ...

Ding Lan felt her pulse and felt that it was getting worse.

“At this time, three more criminals crawled over from the side. They were all wet and in a sorry state. One of them had even been shot! ”

“When they finally reached the entrance of the door, they saw the scene in front of them.”

Ah?

“Ding Lan was shocked. She quickly raised her hand and fired a shot, but due to her poor eyesight, the bullet missed.”

“”Ah!”” ”

The three criminals were also shocked. They quickly pounced on Ding Lan and started fighting with her.

“Although Ding Lan had been poisoned, she still had the strength to fight with the three criminals in the water, but she wasn’t at a disadvantage.”

“However, the bullets in the secret chamber were whistling through the air. None of them dared to stand up. They were all sprawled in the bitter seawater, fighting and tearing at each other. The scene was special, but it was also extremely intense ... ”

“Soon, Ding Lan’s pistol was gone, and the enemy had run out of bullets. Finally, someone pulled out a dagger and stabbed Ding Lan! ”

Bang ...

“At this critical moment, a figure appeared behind them. While he was still in the air, he fired a shot and accurately hit the criminal with the dagger. ”

Bang ...

“With the second shot, the other criminal who had been fighting with Ding Lan fell to the ground ... ”

Bang ...

The third shot went under Ding Lan’s armpit and hit the third criminal ...

Ah ...

“The criminal was shot and wailed in pain. Ding Lan followed the sound and elbowed him, knocking him out on the spot. ”

“However, at that moment, Ding Lan’s vision was blurry and she could no longer see clearly. Who was the person who had shot and saved her? ”

“However, there was only one person who could save her in this secret chamber. ”

“Hence, Ding Lan asked almost out of instinct, ”””Zhao Yu, is that you?”” ”

“In the end, he immediately heard a reply from his blurry vision.””How rude of you, call me brother-in-law!”” ”

“After that, two more shots were fired, but Ding Lan could no longer see anything. Her nerves were numb, and she was about to fall unconscious. ”

“However, something magical happened in the next second. Someone gently touched her, and Ding Lan’s eyes snapped open. She could see again! ”

“Moreover, the painful symptoms of being poisoned seemed to have been suddenly taken away by something. His head was no longer dizzy, and his stomach was no longer nauseated ... ”

Ah?

This ...

“Ding Lan didn’t know what was going on, but she still looked forward instinctively. The first thing she saw was that the two criminals who had restrained Xi Mengna had been shot dead! ”

“Zhao Yu, on the other hand, had Xi Mengna in his arms, a complicated expression on his face. ”

“”Sis ... Brother-in-law ...”” Ding Lan looked at Zhao Yu with her eyes wide open, then asked in disbelief,“”I just wanted to tell you that your outfit is too shocking!”” ”

“Zhao Yu looked at it. He was only wearing a pair of swimming trunks, so how could it not be shocking? ”

“Ding Lan’s words seemed to have triggered something, as a bullet flew past her head, heading straight for Zhao Yu. ”

“However, Zhao Yu didn’t Dodge at all, but raised his hand and fired a shot. ”

Bang ...

“The bullet hit one of them, and he fell into the water ... ”

This ...

“Ding Lan was dumbfounded. Zhao Yu didn’t even aim properly just now, did he? ”

This guy’s marksmanship ...

“Ding Lan was still confused, but Zhao Yu had already turned the unconscious Xi Mengna behind him, then raised his right arm and shot towards the secret chamber. ”

Bang ...

Bang ...

“Every time Zhao Yu shot, he would hit one person. Even if he didn’t hit them, they couldn’t fight back, and could only crawl in the water to hide. ”

“Just like that, Zhao Yu fired nine shots in a row until he ran out of bullets. ”

“When they were all gone, there was no sound of gunfire in the secret chamber! ”

My ... Heavens ...

“Seeing Zhao Yu’s amazing performance, Ding Lan was once again dumbfounded. Zhao Yu’s marksmanship just now was even better than hers. It was simply at the level of perfection! ”

“”It’s broken!”” “”F \* ck!”” Zhao Yu cursed, then quickly hugged Xi Mengna and lay down next to Ding Lan. ”

“”Brother-in-law ...”” Ding Lan asked with concern,“”are you okay?”” ”

“““Ding Lan ...”” Zhao Yu said anxiously, ““do you see that phone? The one that curly hair was holding?””

”

“““What? A phone?”” Ding Lan was surprised again. ”

“““I’m afraid that li Bencheng will kill me to silence me!”” Zhao Yu said helplessly, ““his son is already dead ...”” ”

“““What? Li Bencheng?”” Ding Lan naturally didn’t understand. ”

“““Oh, I forgot ...”” Zhao Yu then remembered that Ding Lan didn’t know anything about li Bencheng. ”

“Other than trying to save Ding Lan, he had also been looking for the phone, trying to persuade Lee Bencheng, afraid that Lee Bencheng would kill londee’s entire family in a fit of anger! ”

“““Brother-in-law, I just saw londee, londee is dead ...”” Ding Lan asked urgently, ““what, what is going on?”” ”

“““Let’s not talk about this for now,”” Zhao Yu said, holding Ding Lan’s hand.””Let’s go!”” But ...”” ”

“At that moment, Zhao Yu’s eyes fell on Xi menna again. He seemed to be struggling internally over whether he should save her or not. ”

“““Brother-in-law,”” Ding Lan suddenly remembered something and said to Zhao Yu, ““Xi Mengna just said that if we take her away, she will tell us where the vault is!”” ”

Chapter 2000: -kill

“After the final analysis in the secret room, the reason why Zhao Yu was not afraid and calm, in addition to having li Bencheng as his trump card, was also because of his amazing devices! ”

“So, when he realized that his power jamming device was useless, he simply used a universal scope! ”

“This item was not only a weapon for acting tough, but also a real offensive weapon! ”

“Therefore, after he found a pistol in the water with the help of his detector, he officially blew the horn of counterattack. ”

“With the help of the universal scope, Zhao Yu didn’t need to look with his eyes. He only needed to aim at the scope in his brain, and he could hit the target with 100% accuracy! ”

“Hence, Zhao Yu rushed in front of Ding Lan and shot down the three enemies who were fighting with Ding Lan. Then, he fired two shots in a row, killing the two criminals who were holding Xi Mengna down. ”

“Seeing that Ding Lan had been poisoned, Zhao Yu quickly used the invisible antidote to detoxify her. ”

“However, after he saved Xi menna, he had to hesitate. ”

Should he save this woman or not?

“If he saved her, it would definitely affect his and Ding Lan’s escape, but if he didn’t, then Xi menna would definitely die!”

“This woman bore a grudge against him. If he saved her, she would repay his kindness with enmity in the future. Obviously, it was better not to save her ...”

But ... He couldn’t just give up on her like that ...

“However, if he saved her, what about you SUFU?”

Was it not a little unreasonable to save Xi menna and not the old man because she was pretty?

“Just as Zhao Yu was hesitating, the enemies in the secret room started shooting at him. He then fired nine shots in a row, running out of bullets to suppress the enemies.”

“However, Zhao Yu immediately regretted it after he used up all his bullets!”

“At such a time, he really shouldn’t be so bright. He should let the enemy’s internal strife continue.”

“However, this shot of his had attracted the attention of the two groups of criminals to him!”

“Sure enough, after seeing that Zhao Yu was out of bullets, the two groups of enemies seemed to have reached a tacit understanding, as they all aimed their guns in Zhao Yu’s direction and fired.”

“In that case, Zhao Yu had to consider giving up the burden, Xi Mengna, once again ...”

“However, Ding Lan’s reminder at the crucial moment made him hesitate again.”

“If Xi Mengna knew where Xi Wei’s Treasury was, then it was obvious that he had saved her for work. Could this be considered an alternative excuse?”

Or perhaps ...

Bang ... Bang ... Bang ...

“The bullets whizzed past, and one of them even hit Zhao Yu. But Zhao Yu was wearing a bulletproof vest, so he was not affected.”

“Ding Lan didn’t stay idle. She picked up the rifle from the Dead Man’s Hand and launched a counterattack through the gap between the cover. At the same time, she urged Zhao Yu, “““Brother-in-law, how is it? Are you taking Xi menna with you or not?”””

Alright ...

“This time, Zhao Yu finally made up his mind. He used an invisible antidote on Xi menna on the spot. At the same time, he didn’t care about the cost and gave Ding Lan and Xi menna a bullet-proof suit each.”

““Wake up, wake up ...”” Zhao Yu splashed Xi menna with seawater, then gently slapped her face. ““Stop sleeping, wake up ...””

““Brother-in-law ...”” Ding Lan shot at the enemy and shook her head at Zhao Yu. ““She’s been poisoned, so she shouldn’t be able to wake up for now. How about ... Oh ...””

Ding Lan was only halfway through her sentence when she suddenly saw Xi Mengna open her eyes as if she had been given a fright.

“““Ah?”” Xi mengna tried to break free, but she was pressed to the ground by Zhao Yu, who was prepared.”

“““Listen up!”” Zhao Yu threatened, feigning ferocity,““I’m going to get you out of here now, as long as you’re obedient. Do you understand?”” ”

“““Zhao ... Zhao Yu ...”” Xi Mengna looked at Zhao Yu in horror and asked in disbelief,““I ... I was poisoned, wasn’t I?”” ”

Bang ... Bang ... Bang ...

“A few bullets whizzed past, and Xi mengna was so scared that she quickly shut up.”

“““Hey, are you done? Are you done?”” At this moment, Jiang Kui’s voice came from the depths of the secret chamber.““I’m telling you, we can settle this matter in the future. However, if that detective gets away, none of us will be able to live!”” ”

“After Jiang Kui said that, the gunshots in the room weakened again.”

“““That guy knows all our secrets. Let’s kill him before he calls the police!”” ”

“““Yeah, and those two women ...”” Someone else chimed in from another side.”

“““Hurry up!”” Jiang Kui urged her impatiently,““maybe they have already escaped!”” ”

Bang ...

“Zhao Yu heard Jiang Kui’s voice and fired a shot. But, Jiang Kui was already hiding in a safe zone. Not only did the shot miss, but it also exposed Zhao Yu’s target!”

“““The entrance, it’s at the entrance!”” Following someone’s roar, a dense rain of bullets was shot at Zhao Yu again.”

Damn it!

“Zhao Yu quickly hid behind cover. Although he had a bullet proof suit on, he couldn’t take too many shots. If he was shot too many times, the bullet proof suit would lose its effect.”

“Just as Zhao Yu lay down, there was the sound of a bolt behind him, and a shotgun was pointed at Zhao Yu.”

“He turned around and saw that the person holding the gun was none other than Xi mengna, who had just woken up!”

Ah?

Ding Lan was quick to react and immediately aimed her rifle at Xi mengna.

“““Zhao Yu!”” Xi mengna said breathlessly,““you just said that you were going to take me away, right?”” ”

Zhao Yu nodded.

““““Alright!”” Xi menna turned the gun around and fired a shot into the secret chamber. ”

BOOM!

“The scattergun’s power was huge. After firing, it instantly suppressed the enemy. ”

““““Let’s go!”” ”

“With Xi menna’s shout, the three of them finally rushed out of the door ... ”

““““He’s ... He’s running away ...”” Jiang Kui shouted in the dark.”“Quick, give chase! Don’t let them escape! Hurry up!”” ”

“As they spoke, the surviving robbers in the secret room stopped fighting and ran toward the door. ”

“Hua la, Hua la ... ”

“As the sound of water gradually faded away, the secret room instantly returned to silence. Only a few lionfish that had left the water source were still making sounds of shaking bodies and helplessly struggling ... ”

Hu ...

“Jiang Kui reloaded his pistol and adjusted the bolt, muttering something in his heart. ”

“After a while, he listened carefully, then left the cover and ran quickly to a passage inside the secret room. ”

“However, the water on the ground was below his ankles. As he ran, he immediately made the sound of water dripping. ”

“In the end, someone in the dark immediately shot several bullets at him. ”

“Different from the other people’s weapons, this person’s pistol even had a silencer. ”

“Perhaps sensing something in advance, Jiang Kui leaped up the moment the man fired, dodging the first two bullets. However, the third bullet still hit his shoulder! ”

BOOM!

“Jiang Kui fell into the water, but he didn’t have time to feel the pain. He quickly crawled forward on the ground and quickly arrived at the entrance of the secret Chamber’s passage. He then successfully entered the passage! ”

“After Jiang Kui disappeared, curly hair, who was holding a silenced gun, suddenly stood up in the dark. ”

“He glanced coldly at the path that Jiang Kui had disappeared into, then looked at the door that Zhao Yu and the others had escaped through. He then took out his walkie-talkie and said into the microphone,”” ”

““““Hey, hey...Attention, attention, Mr. Londee has been killed! ”

““““It was done by Jiang Kui and that Chinese detective. All of you, rush in immediately. Other than me, kill everyone else!”” ”
