Chapter 2011: Undying bird

Cough cough ...

Cough cough ...

“With a fit of violent coughing, Xi menna woke up from her daze. ”

“When she opened her eyes, she could see light. Her instincts told her that she had changed her environment and was no longer in the place where she had fainted. ”

“In her blurry memory, she could remember that she had been soaked in water before. The hall she had been in must have been flooded and everything was flooded ... ”

“But ... As for how she floated to such an unfamiliar environment and why she didn’t drown in the water, she had no idea. ”

“Looking around, there was a large amount of debris washed over by the flood, and there were many corpses among the debris. ”

“When he took a closer look, he realized that the ground beneath him was smooth and Rocky. He seemed to have been washed into a cave. ”

“The cave was connected to the exit of the secret underground chamber. After the flood poured into the ground, it was all flushed away from here ... ”

“She raised her head and wanted to see where the light was coming from. In the end, before he could see the light, he saw an unusually serious woman’s face! ”

Crack ...

“With the sound of metal, the woman cuffed Xi menna. ”

“““This is Xi menna!”” A man’s Chinese-speaking voice came from behind. It was Xiao hang. ”

“Xiao hang quickly squatted down in front of Xi menna and checked her injuries. He then asked her anxiously,“““Xi Mengna...Tell me, where ‘s...Where’s Zhao Yu?”” he asked. ”

“As Xiao hang asked the question, the woman immediately turned around and ordered,“““Quick, go in and look for survivors, especially Zhao Yu!”” ”

“This woman was the Korean police officer, Li Zhenzhu. The subordinate heard the order and immediately entered the secret underground room to search ... ”

“““Zhao Yu ... Cough cough ...”” Xi Mengna’s body shook as she looked up at Li Zhenzhu and said,“““Zhao Yu is already dead!”” ”

“““What?”” “““Tell me, how ... How did he die?”” Xiao hang asked in a hurry. ”

“““He’s dead ...”” Unexpectedly, Xi menna’s eyes were numb, but her eyes were filled with tears as she said,““he can’t be alive! He ... He should have died long ago ... Oh ...”” ”

“With a groan, Xi menna then realized that her whole body was in pain as if her bones were falling apart. There were also many injuries, such as her thighs and shoulders, and there was even glass stuck in them ... ”

Hu ...

Li Zhenzhu gasped for breath. How could she not know that it would be difficult for there to be any survivors in this situation?

“According to the information, the flood in the reservoir poured into the entire underground passage. Although the flood had been washed away along the cliff and cracks after it passed, how could there be any survivors after such a violent flood? ”

“Xiao hang was also in a bad mood, but he still called for the medical staff to treat Xi menna. After all, Xi menna was an important witness. If there were no other survivors, she was the only one who knew what had happened inside. ”

“““Senior officer, senior officer ...”” ”

“Just as everyone was feeling down, a staff member’s excited shout suddenly came from the secret room. ”

“““Oh?”” ”

“Li Zhen Zhu and Xiao hang looked up at the same time, only to be shocked to see a group of staff members surrounding two people walking out of the ground. They were obviously two survivors. ”

“When they reached the door, they saw clearly that there were not two survivors, but three. In between the two, there was a little boy with European characteristics! ”

“““Ah?”” Xiao hang’s eyes were sharp, and he immediately recognized the two adults as Zhao Yu and Ding Lan. He rushed up to them excitedly and said,““thank God, thank God, you’re all ... You’re all alive!!?”” ”

“““Hmph ...”” Ding Lan glared at him.““So, you’re saying that I Shouldn’t Be Alive?”” ”

“““Ahem ... What are you saying! ““I just feel that happiness came too suddenly, but ... But ...”” Xiao hang stared at Zhao Yu and Ding Lan, then said playfully,““the two of you look quite casual in your clothes!”” ”

“Zhao Yu was wearing a swimsuit, while Ding Lan was wearing a mermaid costume. They were not ““casual”” at all. ”

“““Zhao Yu ...”” Li Zhenzhu also quickly came forward and said in surprise,““you really are the legendary Immortal Bird!”” How ... How did you all Dodge it? ”

“““This ... This little boy ...”” Li Zhen Zhu immediately looked at the boy. ”

“Hurry up!” Zhao Yu suddenly remembered something important and quickly asked for Li Zhenzhu’s phone.”

“Li Zhenzhu didn’t dare to delay. She let the medical staff check on Zhao Yu and the other two, while she took out her mobile phone and handed it to Zhao Yu.”

Zhao Yu shook off the medical staff and ran to an empty corner to call Lee Bencheng!

“Hello?” After the call was connected, Lee Bencheng was obviously very excited, “Zhao Yu, you ... Are you okay? What happened just now?”

“Li, let’s not talk about anything else. Let me ask you ...” Zhao Yu asked urgently, “where is londee’s family? You didn’t really do anything, did you?”

“He’s here, he’s still here!” Lee Bencheng said, “I’m sorry about before. I shouldn’t have changed the plan on my own and almost ruined the big plan!”

“What?” Zhao Yu was shocked. “Are you still at londee’s house?” “Didn’t we agree on this? Are you crazy?”

“I was the one who made a mistake first!” Lee Bencheng said solemnly, “I will not leave until I have confirmed that you are still alive!”

“You’re crazy! Listen,” Zhao Yu shouted anxiously, “hurry up and retreat! Long di is already dead, and so is Jiang Kui. His wife and children should not be implicated in this. Please let his family go!”

“Ah?” Li Bencheng was shocked, “what ... What happened? They ... Are all dead? How did he die?”

“Internal strife! I messed up just now!” After Zhao Yu finished speaking, he finally told him what had happened, “by the way, Li, I have good news for you! Jiang Kui lied. Your son is still alive, and we’ve already found him!”

Bang ...

“Before Zhao Yu could finish his sentence, he suddenly heard gunshots coming from the other side of the phone.”

Terrible!

“Zhao Yu was shocked and asked in a hurry, “li Bencheng, li Bencheng, what’s wrong?” “What’s wrong?”

“Oh ...” Lee Bencheng’s panting could be heard from the phone, “it’s nothing, it’s just that someone came!”

Damn it!

“Zhao Yu then realized that he had called too late. According to the plan, Lee Bencheng should have left a long time ago. Every minute that he stayed in londee’s Manor would increase his danger!”

“Hurry up!” “Run!” Zhao Yu urged.”

“““Don’t worry!”” Li Bencheng said, ““I have a hostage ... Zhao Yu ...”” The voice on the phone was a little intermittent, ““can I trouble you with something, can I see Abby?”” ”

Abby was obviously his son’s name.

“““F * ck!”” Zhao Yu scolded, ““at a time like this, hurry up and run. You’ll be reunited with your father once you run out! You can do it!”” ”

“As Zhao Yu spoke, he could hear the gunshots from Lee Bencheng’s side getting louder and louder. ”

“Suddenly, Zhao Yu wanted to fly over to help Lee Bencheng, but he knew that Lee Bencheng was on the other side of the world! ”

“““Hurry ... We can see our son,”” Lee Bencheng shot back as he pleaded with Zhao Yu, ““it’s worth it to die ...”” ”

“““Good! Good! ““Just you wait ...”” After that, Zhao Yu immediately switched the line to video mode, then quickly ran back to Lee Bencheng’s son and pointed the camera at him. ”

“““Uncle? Why are you here?”” The little boy, Abby, widened her eyes and asked into the phone, ““what are you doing? Are you shooting?”” ”

“The child spoke English, which was not very standard. Obviously, he did not know Korean because he had lived abroad for a long time. ”

“““Al ... Abby ...”” In the camera, li Bencheng was panting heavily, but his words were filled with relief, ““are you okay? Are you safe?”” ”

“Hearing li Bencheng’s voice, Li Zhen Zhu immediately came closer, but only looked from a distance, not daring to interrupt. ”

“Obviously, she had also heard the gunshots from Lee Bencheng’s side and realized that there was danger there. ”

“““En!”” Abby nodded vigorously. ““I’m fine! I even played diving with uncle and aunty just now! The ones with oxygen tanks, they’re really fun ...”” ”

“““Okay, okay ...”” At this moment, Lee Bencheng’s voice was choked with sobs. Even if he was such a tough man, he couldn’t resist the love of licking the child and the deep blood relationship. ”

“At this time, the sound of gunfire on the phone became more and more intense. Li Zhen Zhu couldn’t wait any longer and quickly shouted into the video, “““Senior! If you can’t hold on, then surrender! No matter what, it was good to be alive! We still have a chance ...”” ”

“““Zhen ... Zhen Zhu ...”” When li Bencheng heard Li Zhen Zhu’s voice, he immediately returned the line back to normal and said to her, ““don’t worry, I will not leave any traces! ”

“““I’m already considered a traitor, and I’ve even carried out terrorist activities on my own land. Everything is my own personal action! ”

“““As long as you know that I’m loyal to the country! ”

""Don't worry, I definitely won't ..."" "

""Senior ..."" Hearing this, Li Zhen Zhu's tears fell like rain. She anxiously advised,""listen to me. No matter what, you must live, even if it's for your child!"" "

""Alright, don't worry, zhenzhu! ""Please pass the phone to Zhao Yu ..."" After Lee Bencheng agreed, he suddenly changed the topic. "

Li Zhenzhu didn't dare to delay and quickly handed the phone to Zhao Yu.

""Zhao Yu!"" Li Bencheng said hurriedly,""for Miao kun's sake, can you promise me one thing?"" "

""Ah? What's the matter?"" Zhao Yu was surprised. He didn't understand why Li Bencheng had suddenly brought up Miao kun at such a critical time. "

""I want you to be Abby's stepfather!"" Lee Bencheng said each word with a pause,""in the future, he is your son, help me ... Help me take care of him!!!"" "

"Then, there was a sudden explosion from the phone, and the call was cut off ... "

Chapter 2012: knot

"9 o' clock at night, at a Korea restaurant near the kangzhou police station. "

""We have ahmelora and her accomplices under control,"" Li Zhenzhu said to Zhao Yu.""But, so far, they haven't explained why they went to the National Defense Department's evidence room, and what they were looking for in the evidence room. "

""Don't worry,"" Li Zhen Zhu said, as if to comfort her.""That's definitely not Xi Wei's Treasury! I think there should be some clues to the vault, right?"" "

"At that moment, there were only Zhao Yu and Li Zhenzhu at the table. They found a quiet place to enjoy the classic Korea cuisine while discussing the case. "

"This was the rooftop of the restaurant. The moon was bright and the stars were few. The sea breeze caressed their faces, making them feel comfortable. "

""It doesn't matter,"" Zhao Yu said.""I don't care about this at all! Interrogate them properly, they'll tell you sooner or later! "

""Don't underestimate amiola just because she's young. She's a wily old fox. She's waiting to make a deal with you!"" "

""We won't let her off!"" Li Zhenzhu made her stand clear.""I'm the same as you. I'd rather Xi Wei's Treasury never be found out. It has nothing to do with me anyway, so it's best if we can't get anything out of it."" "

"Hearing this, Zhao Yu smiled. "

“He knew very well that since even londee was coveting Xi Wei’s Treasury, it meant that Xi Wei’s Treasury was definitely as rich as a country’s. Whoever could find it would be able to make a fortune.”

“However, the problem now was that it was too valuable. The things inside must have been stolen by Xi Wei from various countries through illegal means.”

“Therefore, this item had already become a hot potato.”

“From all the signs, the location of the vault was likely to be in Korea. Therefore, the Korea authorities did not really want to find the vault.”

“This was because once they were found, it would cause him big trouble and push them to the forefront of public opinion, where they would be criticized by various countries.”

“In the end, they had no choice but to deal with those valuable items in accordance with international laws. By then, the losses would outweigh the gains!”

“Rather than that, it was better to muddle through it and wait for the incident to cool down before thinking of a way to get the Treasury.”

“Because of this, they weren’t as enthusiastic about Amiola’s interrogation and the search for the vault.”

“Zhao Yu was thinking the same thing. He might be able to investigate the Treasury through Xi Menna now. However, after finding the vault, he couldn’t deal with it either.”

“So, it was better not to touch this thing.”

“““Song’s kimchi soup, Guangzhou tender beef barbeque ...”” At this time, the waiter brought out two new dishes and placed them on the table.”

“““Wow, officer Li, you’ve spent a lot of money. It looks expensive!”” Zhao Yu immediately picked up a piece of beef and savored it. “““Wow ... It smells so good ...”” ”

“““Mm, it’s good that you like it. I promised you this, so I’ll treat you to the most authentic food!”” Li Zhenzhu said it casually, but her face still couldn’t hide the sadness.”

Zhao Yu knew that she was still sad about Li Bencheng.

“““What a coincidence,”” Zhao Yu said.””I just watched a Korea police movie a few days ago. There was a detective who spoke very well. He said that every police officer was a criminal who had committed crimes in their past lives, and that the reason they became police officers in this life was to atone for their sins!”

“““Li Bencheng has completed his mission. In his next life, he can finally be a good person easily ...”” ”

“At the mention of Li Bencheng, Li Zhenzhu’s eyes couldn’t help but dim, and she said,””““I just received the latest news. Although the US kept it a secret, Longdi Technology Company should be changing its flag!”” ”

“““Oh ...”” Zhao Yu’s heart was heavy.””So, Londee’s family ...”” ”

“““It should be!”” Li Zhenzhu nodded.”“The people who went in didn’t go to save people. I always felt that londee was just a chess piece! Behind him, there might be a deeper level of controller! ”

“““What we have done can only be described as coming to an end ...”” ”

“““Then ... What about Lee Bencheng?”” Although Zhao Yu already knew the result, he still asked. ”

“““It’s said,”” Li Zhen Zhu sighed,”“that there was an explosion at the scene, and no one was left alive! It would probably take some time before the official explanation of this matter could be made. ”

“““Senior, he ... Sigh ...”” ”

“““I saved my son, but I still can’t reunite with him. What a pity!”” Then, Zhao Yu put down his chopsticks, obviously having lost his appetite. ”

“““Detective Zhao, I heard senior Li’s last words!”” Li Zhen Zhu suddenly changed the topic and said,”“I’ve already sent people to investigate. Everyone related to Abby has been killed! ”

“““Now, he has truly become a pitiful orphan. You ...”” ”

“““You’re not trying to say,”” Zhao Yu said,”“that you really want me to raise him? Aren’t you afraid that I won’t be able to take care of him?”” ”

“““I’m thinking ...”” Speaking of this, Li Zhen Zhu suddenly pulled out a strand of her hair, then tied it into a dead knot, and then clenched it tightly. She said,”“senior li must have his own reasons for this arrangement ...”” ”

“Then, Li Zhenzhu handed Zhao Yu her tied-up hair. ”

“Zhao Yu took a look and saw that the dead knot had become a small lump. If he didn’t look carefully, he wouldn’t be able to see it. ”

“““What deeper meaning?”” Zhao Yu held the hair, feeling confused. ”

“““Senior li is a loner. He doesn’t have a good relationship with either the government or the International big shots, not to mention the criminals he has hurt!”” Li Zhenzhu explained,”“so, if we raise this child, I’m afraid ...”” ”

“““Hehe,”” Zhao Yu smiled,”“it seems that you really want me to take this child away? If someone knew that this was Lee Bencheng’s son, it wouldn’t affect me anymore? ”

“““And ...”” Zhao Yu pointed at his hair.”“What do you mean by this? Could it be that you want me to put it in the dishes and eat the Overlord meal?”” ”

“““No.”” Li Zhenzhu frowned.”“Detective Zhao, can you open this dead knot?”” ”

“““What?”” Zhao Yu was stunned. He looked at the dead knot carefully. He didn’t expect Li Zhenzhu to have such a request. ”

“““You’re right,”” Li Zhen Zhu said with emotion.”“We detectives are all here to pay our debts! I think it’s best for you to raise the child! ”

“““Whether it’s your environment or your character, it’s reassuring! Besides, this is also respecting senior Li’s last wish!”” ”

“““This ...”” Zhao Yu fiddled with his hair, shook his head, and said,““this is a dead end. It’s impossible to untie it ...”” ”

“Hearing this, Li Zhen Zhu smiled and immediately took the hair. She stuck the dead knot on the outside of her left palm. ”

“Then, she clenched her left hand and gently rubbed it for more than twenty seconds. When she opened her palm to take out the hair, Zhao Yu was shocked to see that the dead knot on the hair had already opened. ”

“Then, Li Zhenzhu gently unraveled the seemingly impossible dead knot. ”

“““Waa!”” Zhao Yu exclaimed,““I learned another trick today! The palm print can actually solve the problem ...”” ”

“““So,”” Li Zhen Zhu said, taking advantage of the situation,““no matter how difficult it is, there is a corresponding solution, so ...”” ”

“““Alright!”” Zhao Yu suddenly realized something and immediately nodded.““Then, I’ll be the child’s stepfather! By the way, what’s his name?”” ”

“““Abby!”” ““That’s his only name!”” Li Zhenzhu said. ”

“““Alright!”” Zhao Yu nodded and took the hair in his hand, then said,““in that case, I’ll give him a new name. From now on, he’ll be called Qianqian Li Jie!”” ”

Chapter 2013: old ghost

“That night, in a small noodle restaurant that was about to close in a cave in front of Guang Zhou. ”

A hunchbacked old man with an unkempt beard was gobbling down a bowl of udon noodles. He was wearing a large camouflage uniform.

“““Ha ...”” He had a good time eating. He blew on the hot air and sighed in Arabic.““This is the best thing I’ve ever eaten in the world!”” ”

“When the owner heard him mumbling in Arabic, he couldn’t help but glance at him, hoping that he would pay the bill early so that he could close the shop soon. ”

“At that moment, the television in the house was on, and it was broadcasting a piece of news. ”

“The old man didn’t understand Korean, but he could see that there were many things related to the police on the TV screen. There might be a case. ”

“Moreover, there were many images related to eyes in the image. ”

The most interesting thing was that one of the pictures even painted the person's eyes black ...

""What!"" The old man stared at the television screen.""How can a person's eyes turn black? Wouldn't that make him a beast?"" "

"As the old man mumbled, the TV screen suddenly changed again. The water park and the reservoir appeared on the screen. They could even see the reservoir pouring and the flood rushing out of the cave and flowing into the sea ... "

"Hearing the noise on the TV, the shop owner put down his work and came to the TV. He was obviously a little shocked, and he was mumbling something. "

""Um ..."" At this time, the old man looked at his empty bowl, waved at the shop owner, and shouted in English, ""boss, please give me another bowl!"" "

"The shop owner could really understand English. He immediately turned around and impatiently said to the old man, ""If you're so hungry, why didn't you order an extra bowl in the beginning? "

""I'm going to make you something new, understand?"" "

""It's fine, it's fine ..."" The old man waved at the shop owner.""My people will be here soon. I'll just give you more money!"" "

"After hearing his words, the shop owner could only nag and go to cook for him ... "

"As soon as the owner left, he looked up at the TV and mumbled, ""There's even a bullet. Fortunately, I ran fast enough!"" "

"After that, he reached out and touched the things in his arms. There was a pistol and a tablet computer with rare earth formulas. "

"He was calculating in his heart that this information was of no use to him. However, if he were to sell it on the black market, it should be worth a lot, right? "

"At that moment, a black car suddenly drove in from outside the noodle restaurant. It looked very high-end and stopped right in front of the noodle restaurant. "

"Then, a man in a black suit got out of the car. The old man couldn't see the man's face clearly because of the advertisement on the noodle restaurant. "

"However, the old man's face still showed joy because he had contacted his men in Korea. Someone must have come to pick him up! "

"However, the joy only lasted for a moment. When the man entered the noodle restaurant, the old man was dumbfounded. "

"The person who had just entered was none other than his old acquaintance, Miao kun! "

""I'm sorry,"" the store owner said to Miao kun in English.""We're closed!"" "

""It doesn't matter,"" Miao kun said without turning his head.""I'm here to pay for this customer!"" "

""Oh ..."" The shop owner nodded in relief and went back to the kitchen. "

“Hehehe ...” Miao kun pointed at the empty bowl and laughed at the old man. “Chief, are you hungry?” he asked. You’re really a treasured saber that never ages! There were so many patrolling guards, but you still managed to escape!”

“That’s right, this old man was the chief, Yusufu.”

“You!” You SUFU swallowed her saliva, feeling incredulous. “How did you find me?”

“As he said that, he kept looking outside.”

“Stop looking!” “Your people won’t be coming!” Miao kun said, still smiling.

“You ...” You SUFU subconsciously pressed on the gun.

“Eh?” Miao kun glared at him. “You’re not going to shoot me, are you? I’m here alone!”

“Oh ...”

“You SUFU was not a fool. He clearly knew that Miao kun was not his enemy, so he obediently took out his laptop and pistol, placing them on the table.”

“AI!” Miao kun sighed. “That’s for the best. At least we don’t have to fall out!” I want to ask a few things, and I’ll leave after I’m done!”

“Then tell me first,” you SUFU asked. “How did you find me?”

“This thing ...” Miao kun pointed at the laptop and said, “it has a back door. As long as you activate it three times, it will automatically pop out of its original position. This is just in case!”

“But ...” Yusoff was still confused. “Londee activated it once, and I activated it once after that. It’s only been two times?”

“Before he went in, Zhao Yu had already moved once!” Miao kun shook his head. “I’m not here to do math with you, old man!”

“Then ... What about amiola?” You SUFU trembled as she asked, “she ... She’s really a double agent? I was so good to her, but she ...”

“What’s wrong?” Miao kun raised his head. “Do you still want to see her? If you want to go, then come with me later!”

“Miao!” You SUFU looked embarrassed as she said, “it seems like the flood didn’t drown Zhao Yu? That would be great!”

“Alright, I know what you want to ask me!”

“That’s right, back then, I was the one who betrayed londee and sold his whereabouts to Xi Wei! All these years, I’ve always known that he was locked up by Xi Wei!”

“Really?” Miao kun wasn’t surprised. “Then why?” he asked. Do you still need to put in so much effort to find londee?”

“““First, I wanted to put on an act so that others wouldn’t suspect me ...”“ You SUFU said with a trembling voice.”“Second, I wanted to confirm whether he was dead or not.”“ ”

“““What’s wrong?”“ Miao kun’s eyes widened.”“If he doesn’t die, are you going to kill him?”“ ”

“““No, um ... Maybe ... Yes! ““I don’t know,”“ you SUFU said with difficulty.”“Anyway, Xi Wei is dead, so everything is different! ”

“““I didn’t know that Xi Wei would lay his hands on us for the diamond! ”

“““When I was on wondrous Island, I was worried that he would tell others about this! ”

“““This is a stain on my record. I hate londee. I hate him. There’s no reason why ...”“ ”

“““Wrong!”“ Miao kun suddenly slammed the table.”“Your black mark is not that you betrayed londee, but that you did not tell me the truth when you knew that we had already rescued londee! ”

“““If you had told me earlier, this might not have happened! ”

“““Open your eyes and see for yourself ...”“ Miao kun pointed at the TV.”“How many people have died because of this?”“ Even li Bencheng fell into it! Zhao Yu was almost killed by you!”“ ”

“““I ... I was wrong ...”“ Yusoff covered her face in regret.”“I thought Xi Wei was dead. Londee didn’t even know that I betrayed him! ”

“““But I really didn’t expect ... Amilora...To be one of his people ... ”

“““Miao!”“ You SUFU suddenly raised her head and said,”“I admit that I did something wrong! However, think about it, even if I told you, can you avoid today’s disaster? ”

“““After all, we didn’t know that londee was such a radical person. We don’t even know that he’s the big BOSS of some super criminal group! Did you and Zhao Yu offend him in the past?”“ ”

“““Hmph! Old ghost!”“ Miao kun glanced at you SUFU.”“Zhao Yu told me that you were knocked out in the secret chamber. It seems that you were playing dead. You heard everything ...”“ ”

“““Right!”“ You SUFU grinned and pointed at the laptop.”“Otherwise, how would I know that this laptop is worth so much?”“ ”

“As soon as you SUFU finished speaking, the atmosphere at the dining table suddenly thawed. Miao kun laughed, and so did you SUFU ... ”

“““Coming ...”“ At this moment, the boss brought over a bowl of steaming udon noodles. ”

“““Wow, it smells so good ...”“ Miao kun took a sniff and said quickly,”“I’m hungry too. Boss, can you make me a bowl too?”“ ”

“““Aiyo, guest! You can’t do this ...”“The owner was unhappy.”“ I told you, I’m closing ...”“ ”

“As a result, Miao kun took out a thick stack of Han Yuan and slapped it on the table. The boss immediately went to cook ... ”

“““Chieftain, you’re so mean,”” Miao kun said at the dining table.””You could have saved Zhao Yu and Ding Lan, but you ran away!”” ”

“““No, no, no, you can ask Zhao Yu yourself!”” You SUFU retorted,””when he was running away, did he think about me? He would rather save Xi Wei’s daughter than save an old man like me ...”” ”

“““Ahem!”” Miao kun complained,””it’s your fault for being so good at acting. Zhao Yu thought you were dead! You deserve it ...”” ”

Chapter 2014: acquitted?

“““So ...”” In a luxury hotel room, Miao kun said to Zhao Yu,””you did the right thing. After all, I was friends with old Li. Now that he’s gone, it’s reasonable for you to adopt his son!”” From now on, he’s my God-grandson!”” ”

“““Li Jie ...”” Ding lanyao, who was standing at the side, felt a sense of satisfaction. She pointed at the child on the bed and said,””this name is interesting, but ... The child is already so old. I’m afraid he won’t accept this new name so easily, right?”” ”

“Zhao Yu took a look and saw that Lee Bencheng’s son was sleeping soundly on the bed, so he said,””““How interesting. Not only do I have a goddaughter, but I also have a godson now ...”” ”

“““You have to think about it carefully, brother-in-law,”” Ding Lan reminded him.””A godson is different from a goddaughter. Your goddaughter has a father and a mother, so she doesn’t need you to raise her!”” ”

“““But, this Abby ... Well ... Let’s call him Li Jie! But he was different! Not only does he have no parents, but he also has enemies. Your mission is not only to raise him, but also to ensure his safety!”” ”

“““Don’t worry! ““That’s not a problem,”” Miao kun promised.””After I return to China, I’ll hire the best teachers and the most professional bodyguards to protect him!”” ”

“““In the future, whoever wants to touch my God-grandson better think twice!”” ”

“““Father-in-law,”” Zhao Yu suddenly changed the subject and asked Miao kun,””did you really let you SUFU go?”” ”

“““Mm ... Yes!”” Miao kun nodded.””He’s an old man. After all, we’ve been friends for so many years. Besides, he didn’t interfere much in this matter. Strictly speaking, he’s just a victim!”” ”

“““Don’t worry, when we met today, he explained the whole story to me. For this, he even gave me a few more important information ...”” ”

“““Hmph!”” Zhao Yu grinned.””You’re really unscrupulous merchants. You’re really good at business. You can still extort me at this time?”” ”

“““Maybe ... It’s because of his old age?”” Miao kun continued,””the chieftain is still holding a grudge against amerolan and can not accept her! ”

“““Even though he knew that Mellaura had deceived him, he still repeatedly told me to treat her well and plead with the Korean side to fight for leniency ...”” ”

“““I also didn’t expect this!”” Ding Lan sighed.””I finally understand now. No wonder Amelia insisted on going to the house of sins with me when we were in Western Sahara! ”

“““I’ve always thought that she was a loyal person, but I never thought that she was loyal to Londee!”” ”

“““Speaking of which ...”” Miao Kun looked at Zhao Yu and couldn’t help but say,””Zhao Yu really hid it well. He even deceived me!”” ”

“““I could only guess that you suspected that Londee was related to the criminal group in the landing, but I didn’t expect that you would actually team up with Lee Bencheng and pull a trick from the bottom of the pot, turning the tables on Londee! You’re really something!”” ”

“““I learned all of this from the seamless gate,”” Zhao Yu said, smiling.””Who asked you to be so disappointing that you were all caught by the enemy? I was forced to do this!”” ”

“““...”” Miao Kun and Ding Lan looked at each other, embarrassed. ”

“““Great, no matter what, I didn’t misjudge you back then!”” Unexpectedly, Miao Kun was not angry. Instead, he gave Zhao Yu a very high evaluation.””Kid, you’re becoming more and more mature. You’ve changed from a small detective to an expert who can grasp the overall situation!”” ”

“““Even sly old foxes like Xi Wei and Londee fell into your hands. From now on ... I’m afraid it’ll be difficult to find an opponent, right?”” ”

“““Don’t be like this, father-in-law,”” Zhao Yu said humbly.””I’m not serious yet! Did you forget what I told you? I’m the type that transmigrates with a system, whoever messes with me will be in trouble!”” ”

“““Here we go again ...”” Miao Kun said disdainfully, but his eyes were full of pride and love as he looked at Zhao Yu.””Don’t get me wrong. I’m just complimenting my good taste!”” I can rest assured now that I’ve handed Miao Miao to you!”” ”

“““That’s enough. I’m getting goosebumps.”” Ding Lan couldn’t stand it anymore.””You two really hit it off. We’re discussing serious business now!”” ”

“““Brother-in-law,”” Ding Lan turned to Zhao Yu and asked,””in the secret underground room, you electrocuted those heavily-armed men with electric cables, but ... Why are you fine?”” ”

“““Because I have the system. I have a device called the lightning rod. No electric current can shock me!””
“““Hahaha ...”” Zhao Yu was used to telling the truth, so he actually blurted it out. ”

“““However, Ding Lan couldn’t believe it. She immediately pouted and said,””““The strangest thing is that nothing happened to Xi Menna and I! We were standing in the water, but we didn’t feel the electricity! ”

“““Also, after the flood came, so many people died, but Simone is still alive? Tell me, why is she so lucky?”” ”

“““You’re too far away from the electric cable. Even if you’re electrocuted, it shouldn’t be a big deal, right?”” Zhao Yu scratched his head and explained,““as for Xi Mengna...It seems like she’s not fated to die!”” ”

“““The matter with Xi menna is indeed a little tricky!”” Miao kun suddenly said,““the Korea authorities don’t know what to do with her now!”” ”

“““Oh?”” ““Why?”” Zhao Yu asked. ”

“““Because the only charge Xi menna has been charged with is the murder of Green’s daughter, Jasmine. Jasmine is a United Kingdom citizen, so, according to international law, the Korean authorities should send her back to England! ”

“““However, the United Kingdom and the US made a deal. They gave the US the right to judge Xi menna. ”

“““However, because she was kidnapped on the way, she’s now a victim and has not violated any Korean laws.”” ”

“““Then send them to the US?”” ““Isn’t Xi menna an American?”” Ding Lan asked. ”

“““No,”” Miao kun said.““The deal between the United States and the United Kingdom is a secret, so there are no official legal documents. According to the normal procedures, Xi menna may be released without charges!”” ”

“““It can’t be?”” Zhao Yu was surprised,““that’s weird.”” Isn’t this woman a little too hot?”” ”

“““Indeed, since the British agreed to the deal with the Americans,”” Miao kun continued to explain,““it means that they have given up on the charges against Xi menna. ”

“““But, because londee was the one who kidnapped Xi menna, and the Mi exchange agreement was proposed by londee, so...Handing Xi menna over to the Mi side is not too appropriate!”” ”

“““That’s nothing ...”” Ding Lan pouted.““Xi menna said she knows the secret of Xi Wei’s Treasury. This is going to be even more troublesome!”” ”

“““Right!”” Miao kun nodded.““The Koreans want it, but it’s illegal. However, they couldn’t just give Xi menna to someone else! ”

“““I think, in the end, they might really release Xi menna without any charges!”” ”

“““Releasing Xi menna is the same as killing her!”” ““Even if Xi menna doesn’t know the secret of Xi Wei’s Treasury, she will definitely be pursued by various forces. Rather than that, she might as well stay in prison!”” ”

“““The prison won’t be able to hold them.”” Ding Lan shook her head.““It won’t be long before the US and the British put pressure on the Korean side. When that happens, whatever the Korean side does will be wrong!”” ”

“““Alright ...”” Miao kun said, looking a little tired.““It’s already past 12 o’ clock. The three of us survived a great disaster, so let’s get some rest and not worry about it!”” ”

“Remember, Xi menna and Xi Wei’s Treasury has nothing to do with us.”

“You’ll only be busier from tomorrow on,” Miao kun said, stretching. “Things have gotten so out of hand that it’ll definitely be difficult to deal with the aftermath. We have to be more alert!”

“As soon as Miao kun finished speaking, Zhao Yu’s eyes widened in shock and he almost fell to the ground.”

“What’s wrong?” Miao kun was surprised. “Are you going to kneel down to me? I didn’t bring my red packet!”

‘Holy sh * t ...

“Zhao Yu did not respond to Miao kun, but exclaimed in his heart, because the system suddenly sent him a notification that the miracle adventure had ended, indicating that his current miracle adventure completion rate was 1120%!”

Chapter 2015: a hundred days for a serious injury

“Back in his room, Zhao Yu couldn’t wait to check the system interface.”

“The system interface clearly showed that his adventure completion rate had exceeded 1000%, reaching an unprecedented 1120%!”

Oh my God ...

“Zhao Yu couldn’t hide his excitement. Ever since he had gotten the miracle System, he had never thought that one day, his completion rate would exceed a thousand!”

The double kun hexagram was indeed powerful!

“Behind the completion rate was his harvest this time. He had obtained a total of 133 devices of different levels, of which there were no less than 10 top-grade devices. He had simply reached the point of “public indignation”!

“When she opened it, she was almost dazzled.”

“In general, the proportion of red devices was increasing. In addition to the small invisible iters, emetizers, and amnesia pills, he also got common devices such as a universal scope, a blade cutter, an invisible electric baton, and so on.”

“Other than that, he also received invisible teardrop, invisible stun grenade, and other offensive items that he had never received before.”

“In particular, there was a top-grade offensive device at the end, which attracted Zhao Yu’s attention even more. It was called the laser booster!”

“The introduction said that after using this item, it could add the effect of a laser on ordinary weapons, making them almost invincible.”

“In other words, if he used the laser on a sword, then this sword could really become the invincible laser sword in Star Wars!”

‘Holy sh * t ...

“The non-offensive weapons were even more abundant. There were aircraft and invisibility cloaks, as well as emergency evacuation balls and invisible spacesuits ...”

“At that moment, Zhao Yu felt extremely happy. However, his gains were not over yet. When he checked his system points, he found that after this side adventure, his total points had reached a new high of 130000 points!”

“It had far exceeded the requirements for an upgrade, so he could upgrade the system again.”

Alright!

Zhao Yu rubbed his hands together and immediately pressed the upgrade button. He wanted to upgrade the system immediately.

“However, this time, something unexpected happened to the system.”

“He saw a message pop up from the system, reminding him that the system was currently on cooldown, and that it could only be upgraded after the cooldown was over.”

Cool down?

Oh ...

“Zhao Yu then remembered that every time the system opened a super big hexagram, it would need some time to cool down. The cooldown time was proportional to the level of the hexagram.”

Then ... This time ...

“However, when Zhao Yu clicked on the open hexagram area, he was dumbfounded. The system notified him that the system needed a whole 100 days to cool down before he could open a new hexagram!”

No way!

“Zhao Yu was speechless. It had only been a hundred days since he was injured! ‘System, did you also hurt your muscles and bones?’”

“He remembered that the last time he had gotten a [heaven and earth variation] hexagram, it had only cooled down for 40 days. Why was it that this time ...”

Oh ...

“Zhao Yu then realized that he had been thinking about the “double kun” hexagram, but he had forgotten that there was a “” in front of “double kun”!”

“This was clearly a change of heaven and earth hexagram, and with the suffix “kun,” the degree of this naturally couldn’t be represented by an ordinary hexagram.”

Sigh ...

“In other words, even if he wanted to upgrade the system, he would have to wait for 100 days?”

This was bad. What if another big case happened during this period?

“However, the current Zhao Yu was no longer the Zhao Yu of the past. In some ways, he no longer completely relied on the system.”

“Having grown up, Zhao Yu was more mature now. Even without the instructions of the hexagram, he was still confident that he could deal with big cases.”

Alright!

“Boss system, 100 days isn’t a short time, but it isn’t a long time either. Let’s say goodbye for now? ‘See you again in 100 days ...’”

“After the cool-down question, Zhao Yu followed his usual practice and recorded and analyzed the double kun hexagram.”

“From his point of view, the double kun hexagram’s original severity should have been much more serious than what he had actually experienced. However, because Zhao Yu had handled it well and resolved most of the crisis, the hexagram had not turned into the disaster he had imagined!”

“After all, without Zhao Yu’s brave performance, the technology Building would have been on fire. The undersea base would also be flooded by seawater. Also, the water park’s bullet would also explode!”

“If that happened, there would definitely be countless deaths and injuries, leading to one disaster after another with serious consequences!”

“Now that he thought about it carefully, Zhao Yu still had a lingering fear. Human lives were at stake, and if there was any mistake, the consequences would be completely different ...”

“Of course, even so, the severity of the incident in Korea was not small. Just the final underground chamber battle alone had killed many people.”

“However, because of Zhao Yu’s heaven-defying existence, those who died were all enemies!”

“Long di, Jiang Kui, curly hair ... In the end, they all fell at Zhao Yu’s hands. The only thing that Zhao Yu regretted was li Bencheng’s death!”

“Of course, it was too early to say that Lee Bencheng was dead. After all, they had not received specific news from Boston. However, Zhao Yu knew that the possibility of Lee Bencheng still being alive was extremely slim.”

“In fact, if li Bencheng had not put forward any additional conditions to provoke Jiang Kui, or if he had retreated earlier after realizing that the situation had gone out of control, perhaps they would have had a happy ending in the end?”

“Now, he suddenly had a son. He really didn’t know how to get in touch with this godson in the future. And ... What would Miao Ying think when he got home?”

AI!

“The double kun hexagram was indeed extraordinary. From the opening of the hexagram to the end of the hexagram, it was like he was riding a roller coaster. Adventures came one after another. He finally solved all the big events, and in the end, he even had a son. He really had no place to reason with ...”

“However, seeing that he had gained a lot, he would bear with it ...”

“Then, he thought of the other ladies-Ding Lan, Li Zhenzhu, Amerolan, and Xi Mengna. There were family, friends, and enemies ...”

“Especially Xi Mengna. Zhao Yu didn’t know why, but he felt like Xi Mengna’s fate was entangled with his, and he couldn’t get rid of it.”

“Just like when he first saw Cui Lizhu, he had a faint premonition that he might have to cross paths with this woman in the future!”

“Now, Xi Mengna, who had lost her father and sisters, was all alone. She looked pitiful.”

“However, judging from Xi Mengna’s ruthlessness on Miracle Island and her final counterattack against Ding Lan, it was clear that this woman had a demon hidden in her heart. She was definitely not a good person, and he had to keep a close eye on her in the future.”

“Otherwise, if she were to seize the opportunity, she might become someone even more terrifying than Xi Wei!”

“Thinking about this, Zhao Yu couldn’t help but think about Xi Wei’s Treasury.”

“He did not know if Xi Mengna was telling the truth. Did she really know where Xi Wei’s Treasury was, or was she just trying to make things up so that Ding Lan could save her?”

“As a detective, Zhao Yu couldn’t help but be curious about where Xi Wei’s Treasury was. What were Amiola and the others looking for in the evidence room?”

“Also, what could be in the vault? Why was Londee so interested in it?”

“Zhao Yu’s mind was confused by these messy thoughts. In the end, he was exhausted, so he used an invisible sleeping pill to force himself to sleep.”

“However, perhaps it was because his thoughts were too fluctuating, he still had many strange nightmares even after taking sleeping pills.”

For example ... He had accidentally discovered the secret of the Treasury and was hunted down by a mysterious enemy ...

“Also, she didn’t know how they had gotten into a relationship, but he had actually gotten intimate with Xi Mengna and even had a child with her.”

Chapter 2016: camouflage?

Seven days later Seoul police station.

“Zhao Yu was sitting in front of an office desk, with his legs crossed. He was on the phone with someone.”

“““Cui, did you find all the bodies? According to the rules, I’m afraid that it will take at least three to four months to finish the work, even if it doesn’t take half a year, right?”” ”

“““What, boss?”” cui Lizhu asked over the phone.”“Did you forget? Officer Wang has been in charge of the memoir of a murder case. Our Special Investigation Group is just helping!” ”

“““Since the real murderer has been found, they’ll be responsible for the follow-up matters.”” ““We have to go back to the criminal Division now,”” cui Lizhu said. ”

“““Then ...”” Zhao Yu quickly asked,”“did you find all the bodies?”” ”

“““I’m afraid it’s not enough,”” cui Lizhu replied.”“Tu Qiang confessed to his crime, but because of the changes in time, he can’t remember many burial locations!” ”

“““However, I can at least find most of them, right?”” Cui Lizhu said,”“by the way, what you said about the telephone pole was right. In the year 2000, tu Qiang did kill a woman in the big tile-roofed house area of xulong County. However, the body was not buried near the telephone pole, but under a big poplar tree. ”

“““The local police have already found the corpse ... ”

“““And, as I’ve guessed, tu Qiang did fall in love with gambling after he broke his leg,”” cui Lizhu said.”“The body that was buried in his yard was the last person he killed!”” ”

“““ 13 people killed in 10 years!”” Zhao Yu pouted and sighed.”“It’s because of the shadow his father left on him when he was a child!”” ”

“““That’s what you meant by justice,”” cui Lizhu said.”“If he didn’t have a guilty conscience and didn’t try to control Nong zhifa, I’m afraid this case would never have been solved!”” ”

“““You can’t say that it’s completely unnecessary,”” Zhao Yu said.”“Did you notice? In fact, in the end, it was tu Qiang’s desire to show off. He controlled Nong zhifa to expose the memoir not only to get away with it, but also to show off!”” ”

“““Your words are exactly the same as sis Wu ‘s!”” Cui Lizhu clicked her tongue.”“Boss is almost a psychologist now, but no matter what, tu Qiang is an unpardonable murderer. He deserved to die!”” ”

“““Boss, now I can finally understand why you are so insistent ...”” Cui Lizhu said.”“When we catch the criminal and justice is served, we will feel a special sense of satisfaction!” ”

“““I’ve decided, I’ll do my best in the future! Don’t let those bad people who have done bad things get away with it!”” ”

“““Well ... I’m very glad that you have such an awareness!”” Zhao Yu recalled Miao kun’s lines.”“At least this proves that I was right about him!”” ”

“““You’re taking the opportunity to show off again,”” cui Lizhu said.””Boss, let’s get down to business!””
You’re not here, and sister Miao is not here. What’s going on with our Special Investigation Group now?
”

“““What if there’s a new case now?”” ”

“““It’s okay, it’s okay,”” Zhao Yu said.””I’m done here, so I’ll be back soon! Your sister Miao might be even faster than me. We’ll be able to investigate the case together soon, so don’t worry!”” ”

“““That’s good!”” Cui Lizhu said,””we’ve been handing over our work for the past few days. We’ll probably be back in the capital the day after tomorrow. If you and sister Miao are back by then, why don’t you come to my house for a barbecue?”” ”

“““Mutton hotpot is fine too ... I bought a lot of good wine in Yaoming!”” ”

“““Okay, no problem, no problem ... Hehe ...”” Zhao Yu said to cui Lizhu, then hung up the phone. ”

“Even though it was drizzling outside the window, Zhao Yu felt very happy. ”

“Over the past few days, he, Miao kun, and the others had been cooperating with the Korean investigation to deal with the follow-up tasks of the Korea incident. Although the work was cumbersome, it was not tiring. ”

“After a few days of rest, Zhao Yu had completely recovered his spirit and felt refreshed. ”

“Yesterday, he, Ding Lan, and Miao kun had even taken his godson, Li Jie, to the amusement park. Li Jie was only 6 years old this year, and because he had little contact with li Bencheng, he did not know that li Bencheng was his biological father. ”

“However, he used to live in Eastern Europe and only missed his relatives who had raised him. However, those relatives had long since died under londee’s blade. ”

“In fact, Miao kun was also quite ashamed, because li Bencheng made a mistake and let an Eastern European woman have a child. It was all because of Miao kun. ”

“Therefore, Miao kun was very attentive to the child. Before he returned to the country, he had already sent people to make arrangements for Li Jie’s custody. ”

This would save Zhao Yu a lot of trouble.

“At that moment, after Zhao Yu hung up the phone with cui Lizhu, he saw a strand of long hair on the office table. He picked it up immediately and fastened it with a button. ”

“Then, he mimicked Li Zhen Zhu’s actions and began to fiddle with the hair, trying to untie the knot. ”

“However, his skin was rough and his palm lines were wide. She couldn’t untie it even after several attempts ... ”

“Zhao Yu was the kind of person who took things seriously. The more he couldn’t solve it, the more he was unwilling to give up. As he fiddled with it, his forehead was covered in sweat ... ”

“““Hey, no way?”” Suddenly, Zhao Yu heard a familiar woman’s voice behind him.”“Are you still studying hair?”” ”

What the ...

Zhao Yu was shocked and quickly turned around to look. The person in front of him was Li Zhenzhu.

“““You’re really persistent!”” Li Zhenzhu was surprised.”“No wonder you can become a super detective!”” ”

“““Miss Zhen Zhu ...”” Zhao Yu had already changed the way he addressed her due to their close relationship. He immediately held the hair and asked,”“tell me the truth, did you prepare two strands of hair last time?”” He used a smokescreen on me?”” ”

“““What?”” Li Zhenzhu was stunned and repeated,”“two? What did he mean by a smokescreen? My Chinese isn’t very good ...”” ”

“Although she said this, Li Zhenzhu still took the hair and did the same thing. It didn’t take long for the knot to be untied. ”

“““Uhm ... Okay ...”” Zhao Yu shook his head, holding his hair.”“Just pretend I didn’t say anything just now ...”” ”

“““Mm ...”” Li Zhenzhu sat next to Zhao Yu and said with a smile,”“detective Zhao, I’m here to invite you to interrogate amilora with us ...”” ”

“““It can’t be?”” Zhao Yu rolled his eyes and suddenly became alert.”“I can’t participate in your case!”” ”

“““You’re being too polite. We’ve always been partners!”” Li Zhenzhu said,”“I think that since you’ve been in contact with amiola, it’s best for you to interrogate her!”” ”

“““You know what? It’s been so many days, but she hasn’t said a word. I’m afraid she’s really holding back and wants to make a deal with us!”” ”

“““I’ll give you an idea,”” Zhao Yu said.”“Amerolaer was hired by londee. She wasn’t holding back from making a deal with you, but was hoping that londee would come back to save her! ”

“““As long as you tell her about londee’s death and analyze the situation with her, she will definitely confess ...”” ”

“““This ...”” Li Zhenzhu was in a difficult position.”“We’ve already done this, but she still won’t tell us?”” ”

“““Is that so?”” Zhao Yu pouted and said,”“you didn’t just arrest Aurora. Why don’t you interrogate the others? ”

“““Miss Zhen Zhu, it’s not like you don’t know, but I, Zhao Yu, stabbed Amelia. She now hates me to the core. If I interrogate her, it’ll only have the opposite effect ... ”

“““I think it’s better if I don’t disturb you ...”” ”

“...” As for Zhao Yu’s attitude, Li Zhenzhu seemed to have expected it. She immediately said, “detective Zhao, there’s one thing that you might not know yet.”

“Oh? What’s the matter?”

“Xi Mengna ...” Li Zhenzhu lowered her voice. “She’ll be handed over to you very soon and will go home with you!”

Chapter 2017: Black pupils (1)

“Before this, Miao kun had already told Zhao Yu that if the Korean authorities wanted him to help with the trial of Aurora or Simone, he had to find an excuse to not participate.”

Zhao Yu was very clear that the Korean authorities were in an awkward situation. They did not want to investigate Xi Wei’s Treasury and attract criticism and pressure from the other big countries.

“So, if they were forced into a corner, they might try to drag Zhao Yu, Miao kun, and the others into the mess. As long as the Chinese were involved, the nature of the entire incident would be completely different.”

“This way, they would have a powerful partner, which would reduce the pressure from the big countries.”

“If anything happened, they would have another reason to avoid it.”

“Although these were all international news, Zhao Yu felt that it was similar to the times when he was in the underworld.”

“For example, if someone obtained a treasure, it would attract others to fight over it.”

“Because this person was weak, he didn’t dare to compete with those who were fighting for it, and he was also unwilling to give up the treasure, so he simply found a powerful third-party force to seek protection and share the benefits with the force in order to ensure his own safety.”

“In this way, even if they really fell out in the end, it would have nothing to do with him.”

“So, now that the Koreans wanted Zhao Yu to try Lola, they were undoubtedly trying to win over the power behind Zhao Yu.”

“This way, once Zhao Yu managed to get some clues about Xi Wei’s treasure, it would be difficult for him to escape, and he would have to cooperate with them.”

It was because of this that Zhao Yu rejected Li Zhenzhu’s good intentions on the spot.

“Xi Wei’s treasure was important, but he had to know his limits and not get his hands on it.”

“However, something that surprised Zhao Yu happened. Li Zhenzhu suddenly mentioned that Xi Mengna wanted to follow Zhao Yu back to China, which was beyond his expectations.”

“““Don’t joke around,”” Zhao Yu laughed.”“Xi Mengna is not my wife. Why should she come home with me?”” ”

“““No, I’m serious!”” Li Zhenzhu said,”“you should receive the news soon! Do you know? After interrogating Jiang Kui’s surviving subordinates, we’ve found Tina’s head!”” ”

“““Ah?”” ”

“““What?”” Zhao Yu was shocked again. It had been a few days, and he had almost forgotten about it. Xi menna’s sister, Tina, had been killed by londee and the others, and had become a headless female corpse. But her head had not been found yet! ”

“““We’ve told Xi menna everything. You should know how she’ll react, right?”” ”

Li Zhenzhu’s words had indeed piqued Zhao Yu’s curiosity. He really wanted to know how the relationship between the two sisters was.

“““Xi menna was very clear about her situation, so,”” Li Zhenzhu looked into Zhao Yu’s eyes and said,”“she made a condition! As long as we can send him back to his country, she’s willing to tell us the secrets of Xi Wei’s vault, as well as all the evil things he’s done in the past!”” ”

“““Oh? Sent back to their country?”” Zhao Yu was puzzled.”“Is she looking for death? When she returns to America, there are so many people waiting to kill her!”” ”

“““No, you’re wrong!”” Li Zhenzhu said calmly,”“Xi menna changed her nationality a long time ago. She’s already a citizen of your country!”” ”

“Then, Li Zhenzhu turned on her phone and showed Zhao Yu some information. ”

“““It can’t be?”” Zhao Yu’s eyes were wide open, feeling incredulous. ”

“““Here,”” Li Zhenzhu pointed to the information and said,”“this is the nationality information we found. She is indeed a legal citizen of your country, absolutely true! ”

“““So, we agreed to her conditions and sent her back to China. We’ll hand her over to you!”” ”

“““This ...”” Zhao Yu scratched his head. He couldn’t accept it. He felt like an ignited bomb had been kicked back to his feet. ”

He did not expect his dream to come true. He was really going to cross paths with Xi menna again.

“““Detective Zhao, you and I both know,”” Li Zhenzhu said in an unusually serious tone.”“Ever since you came to solve this case, our fates have been tied together. ”

“““So, let’s taste this together!”” ”

“““But,”” Zhao Yu asked,”“aren’t you afraid that we’ll get our hands on the secret of Xi Wei’s treasure? Also, Xi menna knows so much confidential information about Xi Wei. Are you guys really willing to give up?”” ”

“““Hehe, these are all the problems that politicians think about,”” Li Zhen Zhu laughed.”“All we have to do is follow orders. ”

““““Actually, you should know that our situations are different. Xi Wei’s treasure might be a treasure to you, but to us, it’s a bomb!””

““““There’s no point in saying more, detective Zhao ...”” Li Zhenzhu looked at Zhao Yu again and said,““““now, can you consider going with me to interrogate amilora?”” ”

““““Aiyo ...”” Zhao Yu wiped his sweat and sighed.““““I thought I would be able to go home soon! So, I still have to continue eating kimchi and Korea Food?”” ”

““““What’s wrong? is it not good?”” Li Zhenzhu laughed.““““I can treat you to Korea barbecue tonight!”” ”

““““Who’s treating?”” At this moment, Park Hyun-ho, who had not seen each other for a long time, suddenly appeared in front of the two and joked,““““there’s a saying in my hometown, ‘the listener gets a share’!”” ”

“Then, he placed a stack of documents in front of Zhao Yu and said,““““Detective Zhao, these are the follow-up documents for the technology Building. Some of them need your signature. Please check them!”” ”

““““Oh ...”” Over the past few days, Zhao Yu had signed a lot of documents and was familiar with the work flow in Korea, so he nodded in agreement on the spot. ”

““““No problem!”” Li Zhenzhu hurriedly smiled.““““Then let’s go together tonight?”” There’s a very authentic barbeque restaurant on Chengping road. There are usually no seats, but I’ve helped the boss before, so he will reserve a seat for us!”” ”

““““Hehe, it’s fine,”” Park Hyun-ho smiled and said,““““don’t you know that there’s a big case on my side? What a coincidence, I just received a notice that a new victim has appeared in the black pupil case, and it just so happens to be on Chengping road!”” ”

““““Yeah?”” Li Zhen Zhu immediately stopped smiling.““““The case where the person’s pupils were replaced with black stones?”” ”

““““Not the pupils, but the entire eyeball!”” Park Xianhe corrected,““““this second case is even more serious. The victim is the second shareholder of the Golden stream Chamber of Commerce. This will be difficult to control. I have to go to the scene later!”” ”

““““Ah?”” Li Zhenzhu’s eyes widened. And ... And he died in the black pupil case?”” ”

““““Oh? So, you know him?”” Park Xianhe was a little surprised. ”

““““Of course I know him.”” Li Zhen Zhu pouted.““““He’s not someone to mess with. He’s related to at least 40 cases of malicious injury.”” He really didn’t expect that the police couldn’t do anything to him for so many years, and he died in a serial murder case? ”

““““Tsk tsk ...”” Li Zhen Zhu seemed to have realized something.““““I heard that this guy is running for the chairman position of the Chamber of Commerce. It’s not a good thing for him to die at this time!”” ”

““““Yes,”” Park Xianhe nodded,““““now all the forces are ready to make a move, thinking that this is a vendetta. If we don’t catch the murderer as soon as possible, it will really be a mess!”” ”

“““Blackpupil?”” At this time, Zhao Yu suddenly interrupted and asked, ““do you mean ... Black pupils?””

Chapter 2018: Black pupils (2)

“As Lee Zhen Zhu and Park Xianhe had been conversing in Korean, Zhao Yu had only heard the two words ““black eyes,”” so he interrupted and asked. ”

“““There’s a misunderstanding here ... When it came from Japan, it was already called this name ...”” Park Xianhe explained to Zhao Yu. ““Maybe ... Um ... Maybe it’s just a rhyme?” ”

“““After all, it doesn’t sound nice to be called black eyes, black eyeballs, black eyeballs, and so on!” ”

“““Oh?”” Zhao Yu raised his eyebrows and was even more confused. ““What do you mean when it came from Japan? Is there a mistake in our understanding? Aren’t you guys discussing a case?”” ”

“““Yes, yes ...”” Park Xianhe nodded. ““It’s just one case, and it’s quite sensational!” ”

“““Look ...”” He suddenly realized something, then pointed at Zhao Yu with his eyes wide open and said, ““I almost forgot that Zhao Yu is a great detective! Hehehe ...”” ”

“““After the murderer killed, he dug out the eyes of the deceased and replaced them with a black stone,”” Li Zhenzhu said. ““The famous black eye case in history, detective Zhao should have heard of it, right?”” ”

“““In history? What do you mean by that?”” Zhao Yu was confused. ““I’ve never heard of this! I’ve read all the world’s famous unsolved cases, haven’t I? Gu mantong or me ... Hmm ...”” ”

“Although the Goman child case had been solved by Zhao Yu, for various reasons, it had not been announced to the public. ”

“““This isn’t an unsolved case,”” Li Zhenzhu explained. ““The case has been solved!”” ”

“““Oh? This is a little interesting, tell me about it!”” Zhao Yu suddenly became interested. ”

“““Mm ...”” At this time, Park Xianhe looked at his watch and said to Zhao Yu, ““I’m sorry, detective Zhao, the case is urgent, I have to go!”” If we’re late, I’m afraid something will happen again!”” ”

“““Oh ...”” Zhao Yu nodded in agreement. ”

“““The documents are all here, there’s no hurry,”” Park Xianhe said. ““I’ll come back tomorrow to get them. If you don’t understand anything, just ask the police here!”” ”

“With that, Park Xianhe tidied up his clothes and left the office in a hurry. ”

“At this moment, through the floor-to-ceiling window, one could see that the rain outside was getting heavier and heavier. The water droplets kept sliding down the glass, making one’s heart feel a little tight. ”

“““Detective Zhao, I’ve got a good idea,”” Li Zhenzhu said to Zhao Yu excitedly. “““Didn’t you say you were bored? Should I? I’ll help you apply for it, so you can enjoy solving cases in Korea?”” ”

“““Don’t!”” Zhao Yu quickly waved his hand, “““I’ve already solved a case and almost lost my life. Just eat my barbecue!”” ”

“““Hehe, I was just joking!”” Li Zhenzhu smiled slightly, then told Zhao Yu about the history of the black pupil case. “““This case can be traced back to Yokohama, Japan, in the 1970s. ”

“““My memory is a little blurry. The first case should have happened in 1974 ...”” ”

“““At that time, someone found a male body on the beach. The corpse had not rotted, but it was very frightening. That was because the eyes of the corpse were black! ”

“““Later, after a police examination, they found that it wasn’t a real eye, but a stone that was carved into the shape of an eye ... ”

“““And the eyes of the deceased have been gouged out by the murderer ...”” ”

“““Oh ...”” Zhao Yu grinned and couldn’t help but ask, “““what’s the cause of death?”” ”

“““He died of suffocation!”” Li Zhen Zhu replied, “““but, the deceased was not drowned or strangled to death.”” ”

“““It can’t be?”” Zhao Yu was puzzled. “““Hang?”” ”

“““Um ... The police found a synthetic drug containing Amber bile in the body. They suspect ... Suspect ...”” Speaking of this, Li Zhenzhu suddenly stuttered. ”

“““Succulin?”” Zhao Yu thought for a moment, “““why does it sound so familiar?”” ”

“““It’s a drug that numbs the muscles and nerves,”” Li Zhenzhu explained. “““After using it, it will numb the nerves and cause the muscles to go out of control. ”

“““If it’s overused, it will cause the person to fall into a deep coma and eventually die from being unable to breathe ... ”

“““In the medical field, this is a drug that is strictly controlled!”” ”

“““Oh my God!”” Zhao Yu took a deep breath. “““She didn’t lose consciousness directly, which means that when the murderer replaced her eyes, the deceased ... The deceased felt it?”” ”

“““This is just the first case,”” Li Zhenzhu continued. “““In the following six months, similar cases appeared in succession in the same city, and the number of victims reached five! ”

“““Even though the case has reached a very serious level, the police still don’t have many clues! ”

“““These five people are in different professions, with different ages and genders. They are also not related ... ”

“““Because the deceased’s eyes were replaced with black stones,”” Li Zhenzhu said thoughtfully, “““this serial murder case is also known as the black eyes case!”” ”

““““Oh ...”” Zhao Yu nodded, then asked,““““what happened after that? Didn’t you say that the case has already been solved?”” ”

““““Right!”” Li Zhen Zhu nodded.”“““After the fifth victim appeared, the police dug up the background of these five victims in detail and finally found a crucial common point! ”

““““It turns out that all five of them have participated in the jury selection of the local court and have been in court for an important court defense case.”” ”

““““Oh? Jury members?”” ”

“Although he had never had direct contact with them, Zhao Yu often heard this term from movies and TV shows. He knew that the duty of foreign jury members was probably to listen to the defense of the court and then give their own opinions. ”

“Especially in a country like Japan, the jury members often played a very important role. The judge would even pass the jury’s vote to determine if the accused was guilty. ”

““““At that time, during the defense, the five jurors unanimously decided that the accused was guilty, which eventually led to the death penalty!”” ”

““““Oh ...”” Zhao Yu suddenly understood.”“““The murderer is most likely a family member of this death row convict?”” ”

““““Right!”” ““““Yes.”” Li Zhen Zhu nodded.”“““The death row criminal is a butcher. He was suspected of dismembering two children under the age of ten, so he was arrested and prosecuted by the police.”” ”

““““After the court’s ruling, he was finally executed. ”

““““The murderer of the black pupil case is the son of this death row convict!”” ““““Maybe he thought that his father was wronged and that it was the jury, lawyers, and judges who killed him!”” ”

““““That’s why he had to kill these people to seek justice for his father!”” ”

““““Wait ... Wait ...”” Suddenly, Zhao Yu heard something and asked in a hurry,““““what did you mean by ‘maybe’? Could it be that the murderer had not been interrogated? Did he commit suicide or was he beaten to death for resisting arrest?”” ”

““““Arrested, but not killed!”” Li Zhenzhu said,““““when the police caught the murderer, they found that the murderer was not at home, so they quickly sent people to protect the other jury members, as well as the plaintiff’s lawyer and the judge! ”

““““Coincidentally, when the police entered the judge’s house, they saw the murderer committing the crime. The murderer had already replaced one of the judge’s eyes. ”

““““When the murderer realized that his crime had been exposed, he fled, and the police pursued him on the spot. ”

““““In the end, the judge lived in a seaside villa. When the murderer fled to the cliff, he jumped off the famous sailor cliff ...”” ”

Chapter 2019: Blackpupil (2)

“Wow, that’s a legend!” Zhao Yu was surprised. “It sounds like it can even be made into a TV series!”

“In fact,” Li Zhen Zhu pouted and said, “the famous Japan crime novelist, Tani zhaichiro, wrote a book based on this case, black eyes. Later, it was adapted into a TV series and movie with the same name. Our country even remade it!”

“I feel that this case is quite famous. Have you really not heard of it?”

“Oh ... Oh ... Hehe ...” Zhao Yu laughed at himself. “Maybe it’s because I’ve only been an International Detective for a short time? At the moment, I’m only studying the unsolved super cold cases. I’m not interested in those that have already caught the murderer ...”

“However, even though Zhao Yu said so, he was shocked in his heart, because he was not unfamiliar with the name Gu zhaichiro.”

Wasn’t this the person who had participated in the detective salon on the island of wonders with him and was shot dead by Xi Wei?

“This man was a detective novel writer, and his reasoning had played an important role on the island.”

It turned out that this person was really a famous writer in the Japanese and Korean region!

“In the religious legends of medieval Europe and America, there are many records about black eyes. It is said that people with black eyes are ominous or evil. Some places even call black eyes evil spirits and even burn them to death!” Li Zhenzhu introduced.

“Is that so?” Zhao Yu shook his head. “Obviously, the case that happened in Japan can’t be explained in this way, right?”

“Right!” Li Zhen Zhu nodded. “The murderer used a black stone to remove the victim’s eyeballs. He probably wanted to express his dissatisfaction with the victim!”

“The wrong decision made by the deceased led to the death penalty of the murderer’s father. So, the murderer must have thought that these people made a decision that went against the facts blindly, and that they were blind!”

“I’ve read the novel by Tani zhaichiro,” Li Zhenzhu said. “Tani zhaichiro expressed his opinion through the novel. He believed that there were major doubts in the trial of the murderer’s father.”

“Although the two girls were found in the murderer’s father’s butcher shop, because the corpses were so badly damaged, the police didn’t have enough evidence to prove that he was the murderer!”

“The trial lasted for nearly half a year, and there was always a polarized situation in the court, which led to the final opinions of the jury.”

“““In the end, it seems that there’s only one more vote to go before the death sentence is given! But unfortunately, the ending just had to be like that. I remember in the book, Tani zhaochiro used the phrase ‘one vote difference, life and death’ to describe it! ”

“““Although the novel has some elements of fabrication, I think that if the case was not an unjust case, then the son of a death row convict would not have committed the black eye case to take revenge on those people! What do you think?”” ”

“““In this world,”” Zhao Yu asked,””are there really people with black eyes?”” ”

“““I don’t think so?”” Li Zhenzhu pouted.””The white of the eye is the cornea, which accounts for five-sixth of the eyeball. Gorillas have a brownish-black cornea, and some wild beasts have it. However, humans have a white cornea! ”

“““If there’s really someone whose entire eye is black, he should be suffering from some kind of disease ... ”” ”

“““Oh ...”” Zhao Yu realized that his question had nothing to do with the case, so he asked,””by turning people’s eyes black, does it mean that they can turn a blind eye to it?”” ”

“““The murderer blamed the victim for ignoring her father’s life, so he committed such a cruel crime?”” ”

“““I have to say,”” Li Zhenzhu said.””In Japan the death penalty is actually very rare. Only the most outrageous cases will sentence the murderer to death! ”

“““However, the cruel methods of the two girls who were not even ten years old did cause the public to be angry, so ...”” ”

“““This case is really legendary. If there was a list of unsolved cases Japan, this case would definitely be on the list, right?”” Zhao Yu pouted and sighed, then held up two fingers.””But, I still have two questions that I’m not sure about! ”

“““First, the murderer jumped into the sea from the cliff, so ... Did the police find his body? Have you confirmed that he’s dead? ”

“““In movies, there are a lot of scenes where people come back to life ...”” ”

“““No, I didn’t!”” Li Zhenzhu said,””the police searched the entire sea area after the incident, but they didn’t find the body! This was the legendary part of the case, and it had indeed frightened the Japan Police for many days. ”

“““After all, the murderer didn’t complete his task. Other than the judge who lost an eye, there was also the plaintiff’s defense lawyer, a jury member who voted guilty, and a few witnesses. ”

“““The police believed that if the murderer was still alive, he would definitely seek revenge on these people in the future! ”

“““But, since then, the black pupil case has never happened again,”” Li Zhenzhu said.””So, people believe that the murderer is dead, but his body hasn’t been found yet! ”

“““I forgot to tell you that the murderer’s name was pangtian guiqi. After the incident,”“ Li Zhenzhu continued,”“the police searched his house and found the raw materials and tools to make black eyes, professional information about eye surgery, and related drugs ...”“ ”

“““That medicine was concocted by pangtian Takumi himself,”“ Li Zhenzhu said.”“You guessed it right. He wanted the deceased to deeply experience the pain of being replaced with black pupils ...”“ ”

“““Oh ...”“ Zhao Yu grinned. He thought that he had seen the cruelest cases in the world, but now it seemed that it was far from that. ”

“““By the way,”“ Li Zhenzhu asked again,”“you just said that you have two questions. What about the second one?”“ ”

“““Oh ...”“ Zhao Yu gathered his thoughts and said,”“if you think about pan Tian GUI Qi’s father, oh no, he was really wronged! Then ... Did the police find the real murderer who killed the two children?”“ ”

“““No, I didn’t!”“ Li Zhenzhu said,”“not only did they not find it, but there were no similar cases in Yokohama!”“ ”

“““Therefore, this is still an unsolved mystery! ”

“““Even now, people still can’t be sure if pan Tian GUI Qi’s father is innocent or not. If not, it means that there’s another killer demon who’s still free!”“ ”

“““I can’t believe it ...”“ Zhao Yu pouted.”“This case is indeed legendary! No wonder Ichiro wrote it as a novel!”“ ”

“““Ichiro? Gu zhaichiro?”“ Li Zhen Zhu heard the problem.”“Are you very close to him?”“ ”

“““Oh ...”“ Zhao Yu, of course, couldn’t tell anyone about the detective salon, so he nodded and said,”“he once looked for me, wanting to adapt the cases I had solved into a novel, but I rejected him!”“ ”

“““Oh ...”“ Li Zhenzhu asked again,”“why did you refuse?”“ ”

“““Behind every crime, there is a liter of tears.”“ Zhao Yu said,”“I don’t want his novel to agitate the family members of the victims! ”

“““Although they’re only a small group, I think they deserve the greatest respect!”“ ”

“““Oh ...”“ Li Zhenzhu nodded as if she had understood something.”“I didn’t expect you to be so considerate of others. You really ... Really ...”“ ”

“For a moment, Li Zhenzhu couldn’t find the right words to describe it. ”

“““Miss Zhen Zhu,”“ Zhao Yu asked again,”“black eye’s story is over, but what happened just now?”“ ”

“““Sheriff Park, do you mean that there’s also a black pupil case here?”“ ”

“““Right!”“ Hearing Zhao Yu’s question, Li Zhenzhu immediately stopped smiling and said seriously,”“this is the second case!”“ ”

Chapter 2020: Not a gift

“““About a month ago,”” Li Zhenzhu sat down next to Zhao Yu and continued to explain the case to him,”” someone found a body on a recliner in a small park on Jinjiang road in Seoul. ”

“““The deceased is a female, a female employee of the Seoul Bank Jinjiang branch,”” Li Zhenzhu said.””When she was found, her eyes were a terrifying black. After forensic examination, it was found to be the same as the black pupil case. ”

“““The murderer removed the eyeball of the deceased and replaced it with a black stone!”” ”

“““Wow,”” Zhao Yu said, calculating with his fingers.””It’s been more than 40 years since the black pupil case in Japan, right? A full 45 years? This case is really ...”” ”

“Zhao Yu didn’t finish his sentence. Obviously, the black pupil case had successfully piqued Zhao Yu’s interest. ”

“““It’s not an ordinary stone,”” Li Zhenzhu said.””I heard that it’s a kind of black quartz. In the middle of the quartz, there’s a black color representing the cornea, and a deeper color of the pupil. It’s almost exactly the same as a real person’s eyes!”” ”

“““Oh?”” Zhao Yu was surprised. At first, he thought that it was just a round black stone. ”

“““I’m not in charge of the specific case,”” Li Zhen Zhu said.””But, just to be safe, I also helped the search team contact the Japan Police and borrowed their original files! ”

“““In the end, after comparing it with the Japanese’s file, can you guess what happened?”” Li Zhenzhu suddenly kept him in suspense.””I think ... This is the most interesting part!”” ”

“““It can’t be?”” “““Oh?”” Zhao Yu suddenly realized something and asked with his eyes wide open,””is this case really related to the case from forty years ago?”” ”

“““Right!”” Li Zhen Zhu nodded with certainty.””Through comparison, the police have basically confirmed one thing. The black eyes used by the murderer are exactly the same as the black eyes that appeared in the black pupil case in Japan! ”

“““Also, the ratio of succulin is the same!”” ”

“““It can’t be?”” Zhao Yu was surprised.””Is it really related? Please don’t tell me that the criminal from forty-five years ago didn’t die and escaped to your country, only to see injustice and pluck out his eyeballs! ”

“““If that’s the case, Gu zhaochiro would really die early! Black pupils can be released as a sequel ...”” ”

“““This matter has already attracted the attention of the Japanese experts,”” Li Zhen Zhu said.””It is said that they have sent a Commissioner to bring the evidence from that year to us to assist in the investigation!”” ”

“““I guess ...”” Li Zhen Zhu looked at her watch.””She’s probably on the plane now?”” ”

“““At least ...”” Zhao Yu pondered for a moment, then said,““you guys have a direction for your investigation now, right? The dead bank employee, was he also a jury member?”” ”

“““No...”” Li Zhenzhu explained,““the system is different. Although we have jury members, they are not civilian jury members. The final decision is made by the judge, not the jury members!”” ”

“““That is ...”” Zhao Yu raised his head.““What did the deceased do? Was she a witness? And he didn’t speak the truth? ”

“““If we can find out the reason, it might not be difficult to find the murderer?”” ”

“““Maybe, but ...”” Li Zhen Zhu said,““this is all Sheriff park’s job, I don’t have to worry about it! ”

“““Detective Zhao, I’ve already made a great contribution if I can successfully settle the matter with long di and Jiang Kui! ”” Speaking of which ...”” Li Zhenzhu smiled sweetly,““it’s only right to treat detective Zhao to a few barbeque meals!”” ”

“““Oh ... I see?”” Zhao Yu said seriously,““then ... Do you have anything more expensive than barbecue? Don’t you think it’s too cheap to only eat a few meals of barbecued meat and food?”” ”

“““Yo, you’re really not satisfied!”” Li Zhen Zhu smiled and brought the topic back to the right place.““I’ve given you the chance to obtain Xi Wei’s Treasury. Isn’t this gift valuable enough?”” ”

“““Come on!”” Zhao Yu joked,““this isn’t a treasure, it’s a bomb! You should have already calculated that this Treasury must be in your country! ”

“““So, when we open it together, you guys can have a fair share of the loot?”” ”

“““You’re really a crazy detective, daring to say such things. Actually ...”” Li Zhenzhu said indifferently,““whether it’s a Treasury or not, it has nothing to do with me. I still prefer to follow orders!”” ”

“““So, detective Zhao ...”” Pearl li raised her eyebrows.““Let’s go see your old friend Lola now?”” ”

“““Wait a minute ...”” Zhao Yu suddenly waved his hand and said,““it seems that we haven’t finished discussing the case just now, right? Didn’t Officer Park just say that there was a second black eye case?”” ”

“““Oh?”” Li Zhenzhu glanced at him and said seriously,““this case just happened, so I don’t know the details yet! ”

“““I only know that the victim is Quan youdong of the Golden stream Chamber of Commerce. He’s not someone to be trifled with!”” ”

“““Oh?”” Zhao Yu had watched a lot of Korea movies in the past, so he had a rough impression that the Chamber of Commerce here was generally more like a gangster. ”

It seemed that this Quan youdong should also be a Big Shot in the underworld.

“““I think officer PU should be hoping that Quan youdong really died in the black pupil case, right?”” Li Zhenzhu explained,““if he died in a serial murder case, then as long as we can catch the murderer, the problem will be solved! ”

“““But if he isn’t, then we’ll be in big trouble!””

“““The current gold River sect’s power is unrivaled. There are already undercurrents surging in the dark, and the Golden stream Chamber of Commerce is running for a shareholder. Quan youdong’s death has already broken some kind of balance, and some people have seen an opportunity!”” ”

“““Al!”” Hearing this, Zhao Yu sighed and said,”“the National affairs Bureau and the Criminal Investigation Bureau are really different!””

“““The same thing, but what I see is completely different from what you see!”” ”

“““Is that so?”” Li Zhenzhu was curious and asked,”“what did you see?”” ”

“““I saw,”” Zhao Yu said,”“as long as we can find out what relationship this Quan Dongdong has with the bank employee, we can more or less deduce why they were chosen by the murderer!”” ”

“““It’s Quan youdong. Oh, so that’s what you meant!”” Li Zhenzhu smiled awkwardly.”“These are the matters of the search team. I don’t need to think about them!”” ”

“““But then again ...”” Li Zhenzhu looked at Zhao Yu seriously and asked,”“detective Zhao seems to be very interested in this case!”” ”

“““It’s okay. If you want to get involved, I just need to inform old park. You can be a Special Advisor or something else.”” Li Zhenzhu said awkwardly,”“to be honest, this kind of case is rare. You can just take it as a walk!””

“““I promise, if the case is solved, I will let them record your credit. If it isn’t solved, I won’t let anyone know, as it will damage your reputation!””

“““Is it ... A special gift from me?”” ”

“““Miss Zhen Zhu,”” Zhao Yu suddenly stopped smiling and said seriously,”“after all, two people died! This was not a gift!””

“““In our place, as long as someone’s life is lost, we’ll do our best to catch the murderer as soon as possible!””

“““Taking a break is not the attitude you should have when dealing with a murder case!””

“““Especially in a serial murder case like this. Aren’t you worried that there will be new victims?”” ”
