

## Crazy 2021

Chapter 2021: Are you lying to me?

In the interrogation room.

“““I still don’t understand,”” amilora asked Zhao Yu.”“Where is my weakness? How did you know?”” ”

“““I didn’t see it,”” Zhao Yu said bluntly.”“I was just guarding against you. After all, you were the only one who survived on the deserted island! ”

“““And you even gave me a very important USB drive!”” ”

“““No, don’t pretend.”” Amiola didn’t believe him.”“If you weren’t so sure, you wouldn’t have asked me to enter the password.”” You’re clearly setting me up!”” ”

“““Okay,”” Zhao Yu shrugged,”“the password was indeed intentional, but before I went to the underwater base, I never suspected you at all!”” ”

“““Oh?”” Amilora was surprised.”“Why are you suspecting me again after going to the underwater base?”” ”

“““You ...”” Zhao Yu looked at amiola and asked,”“do you really want to know that much?”” ”

“““Of course!”” Amiola nodded without hesitation. ”

“““Well ...”” Zhao Yu shrugged again.”“It doesn’t matter if I tell you. In fact ... It was Miao kun who reminded me. He said that you have a problem!”” ”

“““Miao kun?”” Amiola was surprised again. ”

“““I saved Miao kun from the underwater base, but ... It has been kept a secret and I didn’t announce it to the public. ”

“““After the underwater base, he was protected.”” Zhao Yu said honestly,”“then, when I was talking to Miao kun, he told me something. He said that you were just a right-hand man that you SUFU hired! ”

“““He did not save your life at all! ”

“““That’s why I’m suspicious of you ...”” ”

“““I see,”” amerolaia said, shaking her head.”“Miao kun didn’t die. It was an accident!”” ”

“““However, I didn’t lie. Although I investigated you, due to time constraints, I didn’t find any solid evidence, so I only suspected you!”” Zhao Yu said,”“I didn’t know that your main target would be the Guangzhou police station! ”

“““Otherwise, I wouldn’t have given you the chance to control that high-ranking official, Wu Chengjun!”” ”

“““Alright, I understand!”” ““I only have one question,”” amerolaia said.”“Since you understand, let’s talk about the conditions.”” ”

“Wrong!” Zhao Yu waved his hand in a hurry. “I’m here today to see you and catch up with you. I don’t have any other intentions!” Your crime has nothing to do with me, so you don’t have to negotiate with me, understand?”

Bang ...

“Hearing Zhao Yu’s words, Li Zhenzhu, who was in the monitoring room, couldn’t help but slap the table.”

“Her original intention was for Zhao Yu to persuade Amiola to give her some clues about the Wei Jin Treasury. This way, both sides had reached an agreement to cooperate and they could search for Xi Wei’s Treasury together in the future.”

“Unexpectedly, Zhao Yu did not buy it.”

“Oh?” Amiola was also very surprised. She stared at Zhao Yu seriously, trying to figure out what Zhao Yu meant.”

“The ending will definitely be something you can’t imagine!” Zhao Yu said, “your real boss is dead, but the fake boss is still alive!”

“However, even though you betrayed him, he still pleaded for you! Let us help you do something within our power ...”

“I understand. It’s not easy to be a double agent. If you don’t do well, you’ll be like Zhu Bajie looking at himself in the mirror.” Zhao Yu didn’t know if Amiola could understand him, so he immediately lectured her. “When the chief saw me, the first thing he asked was if you were okay ...”

“Don’t say anymore ... Don’t say anymore!” Finally, Amiola could no longer control herself. She slammed her hands on the table and shouted, “don’t worry about me!”

“I’m asking you, how did Londee die?”

“He was shot to death by Jiang Kui! There was an internal conflict ...” Zhao Yu answered honestly.”

“You’re talking nonsense ...” Amiola didn’t believe him, but her tears continued to fall. “You must have done it!” No! You did it!”

“You planned all of this in advance. Zhao Yu, I’ve really underestimated you! Ah ...”

“Looking at Amiola’s hysterical screams, Zhao Yu quickly advised, “Can you calm down? As the saying goes, if people don’t offend me, I won’t offend them. This matter has always been your doing in the dark!”

“Even if I designed it, I’m doing the people a favor!”

“Why don’t you think about it? Snatching the fruits of others’ labor, killing them to silence them, looking down on life, what kind of hero is this?” Zhao Yu scolded, “Lola, don’t be so stubborn!”

“I came here today to tell you that if you cooperate well with Hanfang, at least you will have a chance to get out. This way, you won’t be wasting the chief’s efforts to plead for you!”

“Phew ... Phew ...” Amiola panted heavily, her tears falling like a broken string of pearls. She thought for a long time before she calmed down and said to Zhao Yu, “Zhao Yu, I’m afraid there’s something you don’t know yet.”

“Oh?” “What is it?” Zhao Yu asked.

“However, Amiola looked at the single-sided glass next to her and seemed to have something she couldn’t say.”

Zhao Yu saw this and took a step forward.

“Have you heard about ...” Amerolla said in a very small voice, “the mole?”

Ah?

“Zhao Yu was shocked. Indeed, back in the secret underground room, Jiang Kui had mentioned that he had planted a spy in the Korea police.”

“However, so far, the police had not found out who the traitor was.”

“Thinking of this, Zhao Yu quickly went up to Amiola and asked in a low voice, “Do you know who the traitor is?”

“Right!” “Okay!” Amelia nodded, signaling Zhao Yu to come closer. She then whispered in Zhao Yu’s ear, “the mole is Wu Chengjun!”

“Ah?” Zhao Yu was shocked. He never expected that Amiola would give such an answer.

“So, Do you understand now?” Amiola continued to whisper, “it’s useless to bribe a small soldier!”

“But ... If that’s the case, why did you still tie ...” He said.

“What Zhao Yu meant was that he didn’t understand. If Wu Chengjun was in cahoots with her, why did Amelia still kidnap him?”

“Shh ...” Amilora shushed Zhao Yu, then suddenly pushed him away and said loudly, “Zhao Yu, the task that Londee gave me was to find this!”

“As for whether it’s a clue to Xi Wei’s vault, I don’t know!”

“Ah?” Looking at Amiola’s abnormal behavior, Zhao Yu suddenly realized something. He widened his eyes and shouted, “you ... You want to trick me?”

“As he shouted, Zhao Yu looked at the one-way glass.”

“At that moment, the policemen behind the one-way glass were all surprised, especially Li Zhenzhu. The way she looked at Zhao Yu had a 180-degree change!”

“I’ve told you everything you wanted to know!” “Let’s see what you do next!” Amilora said. Good luck, great detective Zhao!”

“You’re lying to me!” Zhao Yu said, “you’re trying to sow discord! How did you ... How did you become like this? Have you forgotten that we once fought side by side? I really wanted to save you!”

“““Hmph!”” Amilora smiled faintly.”“It’s up to you to believe it or not! If you have the ability, then say what I told you loudly!”” ”

“““You!”” Zhao Yu’s eyes widened, and he wanted to slap her. ”

He had never expected that Amilora would use such a method to take revenge on him.

“Later, once Li Zhen Zhu asked him a question, no matter how he answered, it would attract her suspicion ... ”

Chapter 2022: killing two birds with one stone

“““Brother-in-law,”” Ding Lan joked at Zhao Yu at the dining table,”“you rejected Miss Li Zhenzhu’s invitation, are you feeling uncomfortable?”” Why do you look so pale?”” ”

“At that moment, Zhao Yu, Ding Lan, Miao kun, Li Jing, and Xiao hang, a total of five people, were sitting in a Korean-style restaurant and enjoying dinner. ”

“Eating was just a passing thought, but discussing serious business was the main point. ”

“Outside the window, it was drizzling. It had been a day on and off. The air was damp, and it actually made people feel a little cold. ”

“““You’re making fun of your brother-in-law again,”” Zhao Yu said, pointing to the food on the table.”“Miss Li wants to treat me to Korea barbecue. There’s barbecue here too, so it’s the same where we eat it.”” ”

“““Sir,”” Xiao hang reported to Miao kun as he walked in from the door of the private room.”“I’ve checked all of them. There are no problems!”” ”

“““Okay ...”” Miao kun nodded, then raised his glass and said,”“come on!”” To thank Zhao Yu for saving my and Xiao Lan’s lives, let’s have a toast!”” ”

“““Look at what you’re saying,”” Zhao Yu quickly raised his glass and said humbly,”“you’re my father-in-law, and Ding Lan is my sister-in-law. Aren’t you treating me like an outsider by saying this?” ”

“““However, we can talk about the merit. How about it, is there a bonus?”” ”

“““You’re really something,”” Li Jing interjected with a smile.”“Officer Miao has even given you a fortune and his precious daughter, and you’re still thinking about the bonus!”” Aren’t you being a little too greedy?”” ”

“““That’s not right,”” Zhao Yu quickly retorted.”“You haven’t given it to me yet, have you? Before that, I have to be independent, right? I don’t want people to say I live off a woman! ”

“““Alright, alright,”” Miao kun said as he quickly finished a small glass of sake. He then told Zhao Yu,”“I’ve already prepared a bottle of 1979 white Savannah for you. I’ll bring it to you when we get back to New Zealand!”” ”

""""Hmm...That's more like it!"" Zhao Yu extended two fingers."" After all, I've saved you twice, right?"" "

"Hearing Zhao Yu's words, everyone burst into laughter. Miao kun was not embarrassed at all. "

"After toasting, the few of them chatted for a while and ate a few mouthfuls of food before they finally got to the main topic. "

""I swear to the lamp,"" Zhao Yu patted his chest and promised everyone in a low voice,""that woman told me one thing. She said that Wu Chengjun was Jiang Kui's spy! "

""As for Xi Wei's treasure, she didn't even mention a word about it!"" "

"Hearing this, everyone fell silent. After a long while, Li Jing broke the silence.""I think she's lying to you!  
"

""At that time, it was officer Miao and I who saved Wu Chengjun from amiola. From his reaction throughout the whole process, it didn't seem like he was mentally prepared!"" "

""Yes,"" Xiao hang agreed.""I think so too. I secretly investigated after the incident and found that Wu Chengjun had the key to the evidence room himself. If he was a mole, why would he need ahmelora and a group of criminals?"" "

""That's not necessarily true. "" Ding Lan objected,""if Wu Chengjun did it himself, then he won't be able to escape responsibility."" "

""But if she was held hostage, then she can perfectly shirk her responsibility?"" "

""The point is,"" Zhao Yu said,""what should I do now? You guys didn't see how Li Zhen Zhu looked at me today! "

""I can't possibly tell her that your superior is the mole, right?"" "

""Then ... What did you tell her?"" Li Jing was surprised.""It's impossible that she didn't ask you, right?"" "

""Of course I did,"" Zhao Yu said.""I can only say that amiola tricked me. She only moved her mouth and didn't say anything!"" "

""Hehe."" Ding Lan shook his head.""Only a ghost would believe you."" "

""Then I have no other choice!"" Zhao Yu was helpless.""Do whatever you want!"" "

""No, I think ..."" Miao kun finally said something useful.""That's not good. It will only increase suspicion and affect our future cooperation."" "

""Don't forget, the case isn't over yet, we can't leave! "

""Besides, even if you can leave, you can't just leave, right?"" "

""Then what do we do?"" Zhao Yu asked,""do you want me to continue interrogating amiola? Do you think they'll let me get in touch with amiola again under such circumstances?"" "

“““No matter what,”” Ding Lan bit her lip and said,““we have to find out the truth about the mole. We can’t let any of long di and Jiang Kui’s accomplices off!”” ”

“““They also played a part in the people who harmed Godfather and me. We can’t let them get away with it so easily!”” ”

“““But ...”” Li Jing grinned.““We can’t be sure.”” What if that woman was just talking nonsense?”” ”

“““Then ... Why don’t we investigate Wu Chengjun in secret?”” Ding Lan suggested.““As long as we can find evidence, it’ll work.”” ”

“““I’m afraid that’s not good. ““ ““Once we’re discovered, we won’t be able to clear our name even if we jump into the Han River,”” Xiao hang said quickly. ”

“““Long di and Jiang Kui are both dead,”” Zhao Yu said.““If he was really the mole, then all the evidence would have been erased a long time ago, and it would not be easy to investigate!”” ”

“““So,”” Miao kun smiled, then said in a serious yet elegant manner,““there is only one way to solve this trust crisis!”” ”

“““Oh?”” Everyone looked at Miao kun. ”

“““Zhao Yu!”” Miao kun was silent for two seconds, then said to Zhao Yu,““it’s time for you to show what you’re good at. As long as you can help them find Xi Wei’s Treasury, then the problem will naturally be solved!”” ”

“““What?”” Zhao Yu was surprised.““Father-in-law, you’re not joking, right? Didn’t we say to avoid touching the vault?”” ”

“““The situation is different now, we have to learn how to adapt to the situation! ““Hehe ...”” Miao kun took a sip of wine and said leisurely,““we just didn’t want to get involved in this before, but now it seems that we have no choice!”” ”

“““Zhao Yu,”” Miao kun said seriously,““you’re so smart. You should have realized that Xi Wei’s Treasury is not only filled with wealth that can rival a country ‘s, right?”” ”

“““This ...”” Zhao Yu pondered for a moment, then nodded and said,““indeed, I did have my suspicions before. Londee was already rich enough to rival a country, so why would he take such a risk to look for Xi Wei’s Treasury?”” ”

“““Right!”” Miao kun nodded.““Xi Wei has imprisoned londee for so many years. I’m afraid he must have found out something. That is what londee truly cares about! ”

“““Londee’s original intention was perhaps to destroy those things?”” ”

“““Oh ...”” Zhao Yu couldn’t help but be curious.““What would those things be? Since it’s so important to londee, it should be important to us too, right? ”

“““Maybe it’s even more valuable than those treasures!”” ”

“““I understand Xi Wei’s character,”” Miao kun said.““From the diamond case, you can see that his so-called treasures must have been obtained through unconventional means! ”

“““If you can really find the vault,”” Miao kun took another sip of sake and said with a happy expression,”” we can return the treasures to their original owners. That would be a good deed for the world, right?”” ”

“““Since it’s a matter of justice, why shouldn’t we?”” ”

“Zhao Yu cursed in his heart, go to hell! Why don’t you do it? I’m in trouble! Who knew how many criminals were coveting this wealth that could rival a country! ”

“““When the time comes, who knows what might happen. It definitely won’t be that easy!”” ”

“““In addition, while Zhao Yu is helping the Koreans find the treasure, we can take this opportunity to observe officer Wu Chengjun,”” Miao kun said.”” We can also take this opportunity to see if he is a ghost.”” ”

“““This way, isn’t it killing two birds with one stone? Don’t you guys agree?”” ”

Chapter 2023: virtuous wife and loving mother

“““No, I have to stay for a few more days,”” his girlfriend Miao Ying said to Zhao Yu over the phone.”” It’s better to be careful. The intelligence Department is confirming the news. Once they confirm that we’re fine, we’ll retreat!”” ”

“After she finished speaking, miss Miao added in a low voice,”” After all, they’re my biological parents. I can’t be careless!”” ”

“““Oh ... Oh oh ...”” Zhao Yu laughed and asked,”” whose parents are they?”” ”

“““I’ve heard everything about you. You must have met a lot of pretty girls in Korea, right?”” Miss Miao quickly changed the topic. ”

“““No matter how many beauties there are, they’re not as considerate as my Zhao Yu said happily,”” to tell you the truth, I have a follow-up mission here, so I’m afraid I can’t go back yet! ”

“““How about this? after you’re done with the team, why don’t you come to Korea to find me?”” Zhao Yu confessed,”” I’ve missed you so much. Come over quickly. I’ll take you shopping, have some barbecue, and do some beauty treatments, okay?”” ”

“““Mm ...”” Miao Ying suddenly asked,”” Zhao Yu, is my dad with you?”” Is he alright?”” ”

“““It’s fine, it’s fine. With me around, what could happen to him?”” Zhao Yu replied quickly,”” this time, he saw that I completed the task well, so he rewarded me with a bottle of white sand. Let’s go to New Zealand and drink it together!”” ”

“““Ai!”” Miao Ying sighed and said,”” my father is no longer the Father I was when I was young! ”

“““Zhao Yu, please help me persuade him to retire and enjoy his life. He shouldn’t be so tired every day and do such risky things! ”

““““I can’t control you anymore. If my dad is still like this, then our family will exist in name only!”” ”

“For some reason, hearing Miao Ying’s words, Zhao Yu felt warm in his heart. ”

“To put it bluntly, blood was still thicker than water. Only a biological daughter would care so much about her father and family. Only Miao Ying cared the most about this family and was the bond of this family. ”

“Zhao Yu felt very lucky. Even though Miao Renfeng had been very domineering in the past, she would definitely be a good wife and mother after they got married. ”

“Speaking of a good wife and mother, Zhao Yu suddenly thought of something and quickly reported to miss Miao,““““By the way, my dear, there’s something I have to tell you! ”

““““After the completion of the mission Korea, due to a small accident, I adopted a godson! My father-in-law has adopted a God-grandson!”” ”

““““...”” Miss Miao pondered for a moment, then asked,““““you mean, there are two more people in our family?”” ”

““““No, no... My godson and his godgrandson are the same person, right?”” Zhao Yu quickly explained to Miao Ying about Lee Bencheng’s request for help. ”

““““It can’t be?”” Miao Ying did not regard him as an outsider and said directly,““““so, I have a foreign son? Can he speak Chinese?”” ”

““““You can’t even speak Korean, so you should be speaking Sylvie now Serbia right?”” Zhao Yu explained,““““but, I have to return the favor to li Bencheng. That child ...”” ”

““““It doesn’t matter!”” Miao Ying said,““““this is a good opportunity for my dad to have such a godgrandson. He can take the opportunity to retire and take care of the child! What do you think?”” ”

““““Mm ...”” Zhao Yu’s mind was in a mess for two seconds. Obviously, Miao Ying had messed up his rhythm, so he quickly added,““““yes, yes!”” I can persuade him to retire quickly! ”

““““He has too many enemies!”” ”

““““Don’t just talk about him.”” Miss Miao suddenly changed the topic.““““You should have as many enemies as my dad has!”” Furthermore, there’s only more and no less!”” ”

Zhao Yu was speechless.

““““You too. I know that my words are unpleasant to hear, but in the future, don’t risk your life so easily!”” Miao Ying said,““““don’t forget, there are so many people who care about you!”” ”

““““Oh ... I know, I know ...”” Miao Ying’s words hit Zhao Yu’s soft spot. He was so touched that he almost cried. ”

““““I know,”” Zhao Yu said, touched.““““Having a godson is definitely not enough! We still have to have a son! Hehehe ...”” ”

““““All you know is that sons, sons, and daughters are good, right?”” Miss Miao rebuked. ”

“““Ah? ““Don’t tell me ...”” Zhao Yu was surprised.”“You’re already ... Pregnant?”” ”

“““Go to hell!”” Miao Ying cursed,”“twins? You can’t risk your life for us, do you understand?”” ”

“Then, miss Miao hung up the phone, leaving a confused Zhao Yu behind. ”

“““Twins? ““Hehe ... Of course, Zhao Yu knew that miss Miao was joking with him, but he still tried to recall it seriously, and counted the days. ”

Di di ...

“At this time, another text from Miao Ying came on the phone: ““Zhao Yu, when I get back to the capital, if the Special Investigation Group doesn’t have any new cases, I’ll go to Korea to find you!”” ”

That’s great!

“Zhao Yu was very excited. He had not seen a girlfriend in a long time. Although he was surrounded by beautiful women every day, he knew that no one could replace MeowMeow’s position! ”

“If Miao Ying came, he would definitely perform well and find out more about the twins ... ”

“Putting down his phone, Zhao Yu thought about a lot of good things, then gradually focused on the present. ”

“Through Miao kun’s decision, Zhao Yu was still required to help the Koreans investigate the secret of Xi Wei’s Treasury. ”

“Regarding this matter, Zhao Yu had no idea. ”

“He was thinking that since he could guess that Xi Wei’s vault didn’t just have treasures, then hanfang would definitely be able to guess it too. ”

“So, if they really found the vault, would they be in danger? ”

“He could imagine that those important things should be top secret information! Londee’s business was spread all over the world, and this information could be related to the economic lifeline of any country!  
”

“Therefore, no matter who it was, they would definitely want to take it for themselves. ”

“Moreover, there were no walls in the world that were completely impervious. Perhaps there were already criminals who had begun to plan for a Treasury! ”

“However, other than having a valid reason, Zhao Yu did indeed have an innate curiosity towards Xi Wei’s Treasury. ”

“Regarding the secret of the Treasury, the more mysterious it was, the more curious Zhao Yu was. ”

It seemed that he could only cooperate with Li Zhenzhu again and search for it together.

“Thinking of this, Zhao Yu’s heart gradually relaxed. He then prepared to take off his clothes and go to the bathroom to wash up. ”

“At this moment, he was alone in his hotel room. Through the huge French window, he could still see that the rain outside had not stopped!”

“In the end, just as Zhao Yu got out of bed, he suddenly saw a book on the bedside table.”

“This book was “black eyes”, which was adapted from a real case by Gu zhaochiro!”

“It turned out that after he finished talking to Li Zhenzhu today, she had actually sent someone to buy him this book. However, the book was in the Korean version.”

“Opening the title page of the book, one could see a picture of Tani zhaochiro, as well as an introduction to the book.”

“Just looking at the photo of Gu zhaochiro, Zhao Yu could recall what had happened on Miracle Island. At that time, Gu zhaochiro had been shot dead by Xi Wei right in front of him.”

A detective writer of a generation had lost his life.

“Later on, Zhao Yu had heard from Miao kun that Gu zhaochiro was not a likable person. In order to write a book that would sell well, he would often use some underhanded means at all costs. It was also because of this that he had offended Xi Wei.”

“However, if one looked at it from another perspective, one could also see how persistent Tani zhaochiro was with his own works!”

Black eyes ...

Tsk tsk ...

“Zhao Yu pouted and sighed. The black eye murder case, which had disappeared for forty-five years, had happened again in another country, and the methods and props used were the same as forty-five years ago.”

“If such a case were to happen in his own country, it would definitely cause a sensation, right? Furthermore, the higher-ups would definitely send their own Special Investigation Group to investigate!”

Sigh ...

“Zhao Yu let out a small sigh. In fact, what Li Zhenzhu said was true. Ever since he heard about the case, Zhao Yu’s heart had been itching.”

It was a pity that he had a new mission now and would never have the chance to work on this case again.

Gu zhaochiro ...

““How about this, after I find Xi Wei’s vault, I’ll help you find the truth behind the black pupil case?””  
Zhao Yu said, looking at the photo.”

Chapter 2024: What evidence?

“The next day, 10 am, in the evidence room of the Guangzhou police station. ”

“““Ever since the incident,”” Wu Chengjun explained to Zhao Yu,””we have closed the evidence room and started to look for suspicious items one by one! ”

“““But so far, we still haven’t figured out what they are looking for.”” ”

Zhao Yu saw that the evidence room was more than ten times larger than the average evidence room. It was almost like a basketball court.

“At this moment, no less than 50 inspectors were checking the evidence one by one. ”

“““Didn’t you say that Amiola wasn’t alone?”” ““Where are the others?”” Zhao Yu asked. ”

“““They’re all dead!”” Wu Chengjun said helplessly,””at that time, our people had already surrounded them! However, they did not surrender and chose to continue resisting ... ”

“““Originally, we tried our best to capture them alive, but in the end, some of them even shot themselves or their companions!”” ”

“““If Lola wasn’t controlled by Mr. Miao,”” Li Zhenzhu echoed,””I’m afraid she wouldn’t have lived until now!”” ”

“““Oh ...”” Zhao Yu started to think. ”

“““Well ...”” Wu Chengjun couldn’t help but ask,””detective Zhao, I heard that the Middle-Eastern woman mentioned to you about the mole. Did she ...”” ”

“““Chief Wu!”” Upon hearing this, Li Zhenzhu hurriedly reminded him,””detective Zhao has already explained this problem. It was that woman who deliberately did this!”” ”

“““She didn’t say anything. She just wanted to make us suspicious! We can’t be fooled!”” ”

“““I understand, I understand ...”” Wu Chengjun nodded, but his eyes were full of doubt. ”

“Zhao Yu thought to himself,””if I told you that you were the mole that Amierolais was talking about, would you feel better?”” ”

“““I have no reason to lie to you!”” However, he still had to explain. Zhao Yu said to Wu Chengjun,””after all, the thing they are looking for is in your evidence room. There is no point in me hiding it! ”

“““Moreover, we didn’t even want to have anything to do with Xi Wei’s vault ... ”

“““If I really know what they’re looking for, I’ll definitely tell you!”” ”

“Zhao Yu deliberately put the focus on the Treasury, so as to divert the sensitive issue of the mole. ”

“““I understand, I understand,”” Wu Chengjun quickly said.””We will continue to put pressure on that Middle-Eastern woman and try to make her speak as soon as possible.”” ”

“““About the evidence,”” Li Zhenzhu said to Zhao Yu,””we are trying to find anything related to Xi Wei! ”

“““I think that when Xi Wei was doing some illegal seduction, the National affairs Department sabotaged it and collected evidence. It might have been an accident!”” ”

“““Yes,”” Zhao Yu analyzed.””This thing is not only an important piece of evidence, but it is also inconspicuous. That’s why you guys ignored it!”” ”

“““AI!”” Wu Chengjun suddenly said,””if I knew this would happen, I would have continued to be a hostage. When I help them get what they want, I will take them down. Then, we will know what they are looking for.”” ”

“““Hmph,”” Zhao Yu snorted coldly,””then you have no value! The first thing they will do after getting the item is to kill you!”” ”

“““Oh ...”” Wu Chengjun’s face was embarrassed. ”

“““Officer Wu,”” Zhao Yu asked,””I would like to ask, Guangzhou’s evidence room is so important. Do they only need to control you to open it?”” ”

“““Yes,”” Wu Chengjun said without thinking,””I have the authority and password, and the key is in the hands of the gatekeeper. So, if I want to enter the evidence room, it is relatively easy!”” ”

“““What’s in this evidence room?”” Zhao Yu asked again. ”

“““It’s the evidence or stolen goods seized after the National affairs Department took action,”” Wu Chengjun said.””Because the National affairs Department is involved in big cases, the evidence here will not cross paths with the police station. We will send special people to deal with it!”” ”

“““Then ...”” Zhao Yu asked,””can I take a look at the National Defense Department’s clean-up records?”” ”

“““This ...”” Wu Chengjun’s expression was difficult.””Then you’re making things difficult for me!”” The National Intelligence Department’s operations are top secret. Even I don’t have the authority to record their operations!”” ”

“““Alright then!”” Zhao Yu shrugged helplessly. ”

“““But ...”” Wu Chengjun changed the topic and said,””I can ask the higher-ups to look for suspicious actions in the National affairs department’s action files. Do you think that’s okay?”” ”

“““It just ... Needs some time!”” ”

“““Alright then!”” Zhao Yu looked at Li Zhenzhu and joked,””then I’ll have to ask miss zhenzhu to treat me to a few more Korea barbecue meals!”” ”

“““No problem,”” Wu Chengjun quickly said.””I’ll pay, I’ll pay ... If it wasn’t for detective Zhao’s help, I’m afraid my old life would have been lost!”” ”

“““I should be grateful, hahaha ...”” ”

“The few of them exchanged a few more words, then Zhao Yu left the evidence room with Li Zhenzhu. ”

“““Detective Zhao,”” Li Zhenzhu hurriedly explained when they arrived at the corridor,””the National affairs Department is involved in important cases, and these cases will not be leaked no matter what ...”” ”

“““I understand,”” Zhao Yu said.””Then let them investigate! He was mainly looking for cases in recent years that were more in line with Xi Wei’s style! ”

“““Xi Wei and londee are the kind of people who think highly of themselves, have their eyes on the top of their heads, and look down on the common people. Their criminal style is definitely the cautious and bold kind!”” ”

“““I understand!”” Li Zhen Zhu nodded.””Thank you for participating and helping us. We will definitely do our best to find Xi Wei’s Treasury.”” ”

“““Then ...”” Li Zhenzhu pointed downstairs.””Do you want to see Simone?”” After all, she’s Xi Wei’s daughter. I feel like she should know more than amiola!”” ”

“““Mm ... I think ...”” Zhao Yu thought for a moment, then said,””forget it! This woman hates me to the bone now. If I interrogate her, it may backfire!”” ”

“““Oh ... Alright then!”” Li Zhenzhu said,””anyway, this person will be handed over to you sooner or later! You’ll have a chance to meet, right?”” ”

Tsk tsk ...

“Hearing Li Zhenzhu’s words, Zhao Yu couldn’t help but pout. ”

“In fact, he really wanted to talk to Xi menna about what she had said. After all, in the underground secret room, Xi menna had revealed that she knew the secret of Xi Wei’s Treasury. ”

“But, thinking about his Dream’s fate, Zhao Yu felt uncomfortable. ”

“He was worried that Xi menna would end up like amiola. Not only would they not be able to get any important information from her, but they might also be accused instead. ”

“For example, regarding the green diamond, Simone knew more than others. If she told others about the island of wondrous footprints, it would not be fun. ”

“““You guys have to keep an eye on her,”” Zhao Yu said.””This woman is very important. I don’t know how many people are thinking about her!”” ”

“““Mm, don’t worry!”” Li Zhenzhu said,””it will definitely be the strictest imprisonment. There will definitely be no problem!”” ”

“““That’s good, that’s good ...”” Zhao Yu wiped his sweat. He felt that Guangzhou was much hotter than Seoul. ”

“““Detective Zhao,”” Li Zhen Zhu said again,””since it will take some time to investigate the evidence, then ... Are you interested in going with me to the search team?”” ”

“““Oh?”” Zhao Yu was surprised.””Why are you going to the search team? Also, what does the search team do?”” ”

“““I received news from Park Xianhe,”” Li Zhenzhu said.””After comparing it with two Japanese experts, it has been confirmed that the two black eye cases that happened here are very similar to the Yokohama black eye case from 45 years ago!”” ”

“““This case is even more legendary than the novel,”” Li Zhenzhu said mysteriously.””The black-eyed killer is pan Tian GUI Qi. He might still be alive!”” ”

## Chapter 2025: Two extremes

“The so-called extensive search team, full name wide-area search team, was composed of excellent police officers in the country, dedicated to solving difficult unsolved cases and high-risk cases. ”

“It gave Zhao Yu the feeling that it was similar to the duties of his Special Investigation Group. Once there was an important case, he would travel all over the country to investigate. ”

“However, since the blackpupil incident happened in Seoul the search team worked in the local police department of Seoul. ”

“Moreover, Park Hyun-ho was the direct leader of the search team, and everyone had to listen to his orders. ”

“When Zhao Yu arrived, he was just in time for a case analysis meeting, so Li Zhen Zhu didn’t introduce Zhao Yu to anyone. The two of them just greeted Park Xianhe from a distance, then sat in the last row to listen. ”

“The person in charge of the case analysis meeting was a slightly chubby middle-aged male detective. At that moment, he was pointing at the photos and information on the big screen and introducing them to everyone. ”

“““The first case happened in Jin Jiang road ... ”

“““The victim’s name is Li Yiyan, a female employee of Seoul bank’s Jinjiang branch ... ”

“““We’ve investigated her movements. According to her colleagues ““ statements and the surveillance camera, she got off work at 8 p.m. That night and never returned home! ”

“““The next day, her body was found on a bench in Jinjiang Park ... ”

“““Through the on-site inspection, no extra blood or other traces were found. The initial suspicion is that the park bench should not be the first crime scene. The deceased was moved there after being killed by the murderer! ”

“““The forensic analysis showed that although the stone was only replaced, the murderer’s entire eye replacement process was very detailed. He didn’t simply and roughly dig out the victim’s eyeball and then replace it with a stone. ”

“““The removal was as precise as surgery. The entire process did not damage any other structures in the eye ... ”” ”

“““Then ...”” Park Hyun-ho couldn’t help but ask,“““where’s the eyeball? Are you suspecting that the victim’s eyeball was completely removed by the murderer and was kept? What did he want to do? A memento?”” ”

“““It’s very possible!”” The agent nodded. ”

“““Officer Park, police detectives ...”” At this time, a man in a suit sitting next to Park Hyun-ho suddenly stood up and said in not-so-fluent Korean,“““according to our information, after Hiroshi Pouta jumped off the cliff, the police searched his residence. Although they found a lot of evidence related to the black eye case, they couldn’t find the victim’s eye!”” ”

Oh ...

Zhao Yu understood that the man in the suit was an expert sent by the Japanese.

“At this time, another man in a suit stood up and said,““we also suspected that the murderer had collected the victim’s eyeballs!”” ”

“““Because, during the final arrest, pangtian Takumi had already replaced the judge’s eye. At that time, the judge’s eye was knocked into a bottle full of containers by pangtian Takumi!”” ”

“““Oh ...”” ”

“After the two Japanese experts said that, there was a small commotion at the scene. The police detectives were all tired of the murderer’s perverted behavior. ”

“““Then,““ Li Zhenzhu whispered in Zhao Yu’s ear,““the judge was saved in time, but he lost an eye ...”” ”

“““Agent Liu,““ Park Hyun-ho said,““next, please talk about the second victim!”” ”

“““Alright!”” Agent Liu nodded and clicked on another picture on the big screen, then said,““as everyone knows, the second victim is Quan youdong of the Golden stream Chamber of Commerce! ”

“““Two days ago, his body was found in the yard of his own villa. His eyes were also gouged out and replaced with black stones ...”” ”

“Zhao Yu saw a strong tattooed man appear on the big screen. The man had a broad shoulder and a round waist, and his eyes were fierce. He didn’t look like someone to be messed with. ”

“However, what caught his attention was the Azure Dragon tattooed on this person’s body. It looked extremely familiar. ”

Tsk tsk ...

The world was really unpredictable.

Zhao Yu felt that the Green Dragon Tattoo on his arm before he transmigrated was exactly the same as the one on Quan youdong’s body.

His own Green Dragon was tattooed by the famous ghostly hands master at that time.

“However, after transmigrating, Grandmaster netherclaw no longer existed. ”

“Who would have thought that in the distant Korea, there was actually a tattoo expert who looked exactly the same? this was really ... ”

“Of course, Zhao Yu was no longer the thug and ruffian he used to be. He naturally didn’t have the mood to find a master to tattoo a Green Dragon on himself. ”

“”According to the investigation, on the night before the incident, Quan youdong went to many entertainment venues, had a meal, took a bath, and went to the dance hall. He only returned to the villa in Xuyang cave at two o’ clock in the morning! ”

“”At that time, the driver drove him to the entrance of the villa and watched him enter the villa before driving off! ”

“”But, according to Quan youdong’s wife, Quan youdong didn’t enter the villa that night, so he didn’t hear anything. ”

“”In the past, Quan youdong often didn’t return home, so his wife didn’t pay much attention to it ...” ”

“”So, we suspect that Quan youdong was attacked by the murderer the moment he entered the courtyard but was not on his way to the villa. ”

“”We’ve checked the surveillance cameras and found out that the surveillance cameras in their house have been destroyed! ”

“”Also, the two hounds in their yard were drugged ...” He added. ”

“”This is a little strange!” Upon hearing this, Park Xianhe raised his own doubts,””Quan youdong is known as the Big Brother of Chengping Daoist. Back then, he single-handedly defeated more than 20 of an xianxiu’s thugs! ”

“”Such a strong person, how could he fall so easily in the hands of others? Furthermore, it was in his own courtyard? Even if someone were to launch a sneak attack, they would at least make a sound if they shouted, right?” ”

“”Indeed!” At this time, a long-haired man with an unkempt beard said,””so we suspect that the murderer may not be alone!” ”

“”Then ... What’s the purpose of the killing?” Park Xianhe asked again,””have you found the connection between the two victims?” ”

“”Hmm ...” Agent Liu frowned slightly and shook his head.””Not yet! We’ve looked into the relevant information, but we didn’t find any interactions between the two!” ”

“”It can’t be?” Park Xianhe said,””if it’s really related to the black pupil case from 45 years ago, then these two people must be related! ”

“”They must have offended the murderer somewhere, and that’s why they were killed! ”

“”And ...” He pointed at his eyes.””It must be related to this!” ”

“”Yes!” Agent Liu quickly nodded. ”

“““Chief Park,”” at this time, the bearded agent said to Park Xianhe,””we have investigated the first victim, Lee yihan. She was a gentle person and had never had any conflicts with anyone! ”

“““We’ve also checked her information. This person’s life is relatively simple and has not done anything illegal. ”

“““But,”” he pointed at the big screen,””Quan youdong is completely different. I think you know more about this person than I do, right?”” ”

“““Indeed!”” Park Xianhe nodded.””The people Quan youdong has offended can be added together into a train! They are really ... Two extremes!”” ”

“““Could it be that ...”” The bearded man said in a low voice,””the black pupil case was just a cover, and the real motive was to kill Quan youdong?”” ”

“““Oh?”” Upon hearing this speculation, Park Hyun-ho could not help but fall into deep thought. He felt that this person made sense ... ”

Chapter 2026: Whose student is he?

“““With the help of the Japanese experts!”” Detective Liu continued to explain the case,””we have compared the fake eyes that the murderer installed for the victim! ”

“““Based on the comparison ... Mm ...”” Agent Liu pondered for a moment, then pointed at the big screen and said,””we can now confirm that the victim’s four fake eyes, and the fake eyes from the Yokohama black pupil case, all came from the same black quartz!”” ”

“As soon as these words came out, the entire place was in an uproar. ”

“After all, the Yokohama F. Marinos black pupil case happened 45 years ago, and the main suspect, Pouta Takeshi, had jumped off a cliff and disappeared, and his whereabouts were still unknown! ”

“Now that it had suddenly appeared, how could it not be shocking? ”

“““More importantly,”” agent Liu looked at the two Japanese experts and said,””through the test, we have confirmed that these four fake eyes were polished decades ago! ”

“““In other words ... These four fake eyes were probably created around the same time as the Yokohama F. Marinos black eye case!”” ”

Whoosh ...

“This time, the scene was even more out of control, and all the investigators involved were shocked. ”

“““How did this happen?!”” An agent near Zhao Yu asked,””could it be that pan Tian GUI Qi really didn’t die? He’s brought the fake eyes he made decades ago to our place?”” ”

“““No way!”” Another person echoed,””pan Tian GUI Qi was only 27 years old when he went missing. After 45 years, he’s already 72 years old! ”

“““How could a 72-year-old man kill Quan youdong?”” ”

“““Yeah ...”” Someone else suggested,““do you think ... Pan Tian GUI Qi took in a disciple?”” ”

“““And,”” the first person said,““if it really has something to do with pangtian guiqi, then what did he do for the past 45 years?”” ”

“““Yup!”” Someone scratched his head and sighed.““If pan Tian GUI Qi really didn’t die, then the black pupil case wouldn’t have happened only now, right?”” ”

“““Alright, alright!”” At this time, the bearded man suddenly stood up and shouted at the detectives on the scene,““shut your mouths!”” ”

“After he finished shouting, the entire place quietened down. ”

Oh ...

Zhao Yu understood that this unkempt man must be the leader of the wide search team!

“““Alright,”” the man said,““no matter what, the murderer in this case must be related to the Yokohama black pupil case from 45 years ago!”” ”

“““As long as we can catch the murderer, we can figure out the whole truth. ““So,”” the man’s eyes widened, and he revealed a fierce look,““let’s trade strength. Show me your best skills!”” ”

“““If it’s really the black pupil case, then Quan youdong might not be the last victim. So,”” the man said,““we have to catch the murderer before the next victim appears!”” ”

“““Do you all understand?”” ”

“““I understand!”” The police detectives quickly agreed. ”

“““Officer Park is right,”” the man said.““Since it is a serial murder case, the relationship between the victims is of utmost importance. Team 1, I’ll leave this matter to you. Re-investigate the information of the two victims!”” ”

“““Even if their children are in the same kindergarten; Even if they used to be in the same elevator, you have to find out!”” ”

“““Yes!”” An agent promised. ”

“““Li Yiyan works in a bank,”” detective Liu reminded,““check if golden stream Chamber of Commerce or Quan youdong has ever deposited money or invested in their bank.”” ”

“““Yes!”” The agent promised again. ”

“““Team 2,”” the bearded man from before said,““investigate Quan youdong’s activities in detail, don’t miss a single detail!”” ”

“““The murderer must have put in a lot of effort to knock him down! ”

“““To see if there’s anyone suspicious who has been secretly observing Quan youdong.”” ”

“““Yes!”” Another team of agents nodded in agreement. ”

““““Alright, there’s no need to say anything else. You can see how serious the case is.”“ He looked at the Japanese experts and said,“let’s get to work now!”“ ”

“After that, the case analysis meeting came to an end. The police detective left the analysis room to carry out his investigation. ”

““““Aiyo, what wind blew our miss Zhen Zhu all the way here?”“ When most of the people had left, the bearded man suddenly walked up to Li Zhen Zhu and greeted her respectfully.“I haven’t seen you for many years. You’ve become more beautiful!”“ ”

““““Hehe,”“ Li Zhenzhu smiled and shook hands with the other person out of courtesy.“Captain ju is still so funny and humorous!”“ ”

Oh ...

“Zhao Yu could tell that he was indeed the captain of the wide search team, but his surname was a little unusual. ”

““““This is?”“ Team leader ju saw Zhao Yu and suddenly looked confused. ”

““““This is the famous Chinese detective, Zhao Yu,”“ Park Xianhe said to Captain ju.“You should have heard of the headless female corpses case and the devil case, right?”“ ”

““““Oh ...”“ Team leader ju looked at Zhao Yu seriously. His eyes were wide, but his eyes betrayed him. ”

“Obviously, he had never heard of Zhao Yu’s name, but he had to pretend that he had heard of him, which made him look a little awkward. ”

““““Ahle ““No one responded, but a woman’s scream came from the side. The woman spoke Japanese, so Zhao Yu and the others didn’t understand. ”

““““Zhao Yu, you’re really Zhao Yu!”“ The next second, the woman ran to Zhao Yu excitedly and said in stiff Chinese,“I didn’t expect to see you here!”“ ”

““““What?”“ ”

“Zhao Yu was surprised. He turned around and saw that it was a petite, beautiful girl. She was wearing overalls and looked out of place. ”

“But ... Zhao Yu tried to recall, but he didn’t know this person at all. ”

““““What a surprise,”“ the woman exclaimed excitedly.“Detective Zhao Yu, who solved five major unsolved cases, I’ve always wanted to have an interview with you!”“ ”

““““There’s a rumor outside that you solved the Goman child’s suspicion case in mahazaya. Is this information accurate?”“ ”

““““This ...”“ Zhao Yu and Li Zhenzhu looked at each other. ”

““““Come!”“ Then, the little girl got close to Zhao Yu and held his arm. She even took out her phone and took a selfie. ”

“““Hey, Masako.”” Finally, one of the Japanese experts couldn’t hold it in anymore and immediately stepped forward to stop her.”“You’re being too rude!”” Put away your phone!”” ”

“““I’m sorry!”” Another Japanese expert quickly and politely introduced her,”“this is our team’s expert, miss Masako Yangshan. For many years, she has been researching the Yokohama F. Marinos black-eyed case and has written many insightful articles. She has a certain investigative value!”” ”

“““Hello, everyone. I’m Masako Yangshan. Nice to meet you!”” The woman quickly bowed to the crowd and said,”“I’m a writer and freelance writer, so I know more about the black pupil case and pangtian guiqi!”” ”

“““I hope I can help everyone!”” ”

Oh ...

“Zhao Yu pondered in his heart,”“so this girl is also an expert. She looks so young, I wonder ...”” ”

“““By the way,”” one of the Japanese experts pointed at Masako and said,”“miss Masako’s teacher is Mr. Tani zhaichiro!”” Actually, she was also involved in the work ‘black pupils’!”” ”

Chapter 2027: -more practical

No way?

“Looking at the petite woman, Zhao Yu felt uncomfortable. He didn’t expect her to be a student of Tani zhaichiro. ”

It seemed that he couldn’t get around this detective author.

“““I ... I don’t quite understand ...”” At this time, Captain ju of the wide search team was puzzled.”“Detective Zhao, did you come to visit us this time?”” ”

“““Chengfan,”” Park Hyun-ho quickly explained,”“this detective Zhao just helped us solve a big case!”” ”

“““This time, because the black pupil case involves international relations, we specially invited him to assist us!”” ”

“““Oh ...”” Captain ju quickly shook hands with Zhao Yu, but Zhao Yu could tell from his eyes that this arrogant Captain didn’t buy it at all. ”

“Shengfan ... His surname is ju, and his name is ju shengfan? Why did this name sound so hungry? ”

“““That’s great, that’s great!”” Masako clapped happily.”“It’s a great honor to be able to participate in the investigation with the great detective Zhao Yu!”” ”

“““Detective Zhao, please give me your guidance!”” Then, Masako bowed to Zhao Yu. ”

“Zhao Yu didn’t want to be embarrassed, but he still followed the other person’s example and returned the bow. ”

“““Captain ju,”” Li Zhenzhu saw the resistance in the man’s voice and immediately explained,””detective Zhao is just here to help, almost like an advisor!”” ”

“““Don’t worry, just do what you need to do. Detective Zhao will only give some ideas and opinions, he won’t participate in your operation!”” ”

“““Oh ...”” Team leader ju felt better and immediately nodded at Zhao Yu. ”

“““That’s good,”” Park Xianhe said.””Next, aren’t we going to exchange opinions with the Japanese experts? Then let’s go together?”” ”

“““Hmm ...”” Captain ju looked displeased, but he still sat down. ”

“In fact, Zhao Yu could understand how he felt. If it were him, he would definitely feel even more uncomfortable. ”

“He was just investigating a serial murder case. Not only did the Japanese experts come, but now there was also an unrelated Chinese detective. In addition to the intervention of the leaders, it must have made him extremely uncomfortable. ”

“Zhao Yu understood this, so he did not say a word. ”

“““Then let’s start from the beginning!”” Masako took out her notebook and said,””of course, if we start from the beginning, it must be about the death case of Hiroshi Pouta’s father, who is also Hiroshi Pouta! ”

“““We believe that the reason why pangtian Takumi used such an extreme method was to take revenge on the people who caused his father to be sentenced to death in court! ”

“““Turning their eyes black means that they can’t see, and black and white can’t be distinguished ... ”

“““Of course, black eyes might have other meanings ...”” Masako then gestured to her companions. ”

“Another Japanese expert immediately stood up and said,””““Through our years of research, we found that in the Akita and Aomori regions in eastern Japan, as well as some mountain areas in Hokkaido, there was a primitive religion! ”

“““In the teachings of this religion, there are records of blackpupil ...”” ”

“““Right!”” Masako nodded.””In these primitive religions, black eyes represent the suppression of evil. It’s a bit like the soul suppression in your country! ”

“““Painting the eyes of the dead or the enemy black can suppress their soul and make them unable to be reborn forever ...”” ”

Tsk tsk ...

Zhao Yu didn’t expect that there would be so much more to blackpupil’s history.

“““We have investigated the family history of Hiroshi Pouta,”” another expert said.””Their ancestors did move from eastern Japan! ”

“““In his house, we also found some relics and books that worship the primitive religion ...”” ”

““So,”” Masako said,““the black pupil case is not a Western legend, but is related to evil spirits! All in all, this is a pure revenge!”” ”

““Is there ... A prerequisite?”” Li Zhenzhu suddenly interrupted and asked,““the premise is that my father is innocent?”” ”

““But if his father was really wronged, why haven’t we found the real murderer after so many years?”” ”

““The Hirata family runs a butcher’s shop,”” Masako said.““Two dismembered corpses appeared in their butcher’s shop. Hiroshi Hiroshi Hiroshi Hiroshi can’t escape the responsibility!”” ”

““Later, before Hiroshi pangtian was executed, and after the black pupil case happened, our search Hall sent out more than ten Special Investigation groups!”” ”

““Five years ago, there was still a special task force investigating that case!”” ”

““But,”” Masako said regretfully,““because the body was dismembered, there was too little evidence, and we couldn’t find any other suspects in the end!”” ”

““However, the tools used to dismember the bodies were all from the pangtian family’s butcher shop, and they all had pangtian Shou’s fingerprints on them!”” ”

““In addition, pan Tian Shou didn’t have a clear alibi, so he became the only suspect in that case! And he’s a major suspect!”” ”

““To be able to enter the butcher’s shop and be familiar with the tools,”” detective Liu suddenly said.““Did you ever think that if it wasn’t for Hiroshi pata, the murderer must be someone familiar with the butcher’s shop?”” ”

““I understand what you mean!”” Masako said politely,““you suspect that the real murderer is Pouta Takumi himself, right?”” ”

““Yes, that’s what I thought,”” detective Liu said.““Pan Tian GUI Qi was the murderer of the dismembered body case, so he knew that his father was innocent! Then, because my father was sentenced to death, he vented his anger on others and committed the black eye case!”” ”

““Don’t talk nonsense!”” Captain ju suddenly grumbled,““if pangtian guiqi is the murderer of the two girls, then if he really wants to save his father, he should just come out and admit it?”” ”

““But,”” agent Liu was obviously not convinced,““that’s possible, right? Pan Tian GUI was so angry that he didn’t dare to stand up, until father died because of him, so he became even more violent?”” ”

““No...”” Masako said.““We have investigated Pouta Takumi’s movements. When the dismemberment case happened, he had a sufficient alibi and was still in school!”” ”

““That was a boarding school, very far from Yokohama. He had nothing to do with the dismembered body case!”” ”

““But, the strange thing is,”” Masako said,““ever since Toshiki WADA was sentenced to death, there hasn’t been a similar dismemberment case in Yokohama!”” ”

“““The dismemberment case is not a serial murder case,”” Captain ju suddenly stood up and said.””It should just be a single case!”” I don’t know what you’re thinking, but the New Black pupil case and the new criminal are right in front of you. Instead of studying history here, it’s better to do something more practical!”” ”

“After that, Captain ju glanced at his phone, then said to Park Xianhe and Lee Pearl,””“Officers, I have to go to the scene now!”

“““Let agent Liu continue to talk with you!”” ”

“““This ... Um ...”” Although Captain ju was his subordinate, Park Xianhe didn’t dare to say much and immediately agreed to Captain ju’s departure. ”

“Seeing Captain ju leave in a hurry, Zhao Yu and Li Zhenzhu looked at each other. Zhao Yu felt that Captain ju might have just received some news, so he left in such a hurry. ”

“From this, it could be seen that the other party had no intention of sharing the clues with others. ”

“““Alright,”” inspector Liu quickly took up his role and said to Masako,””I’m not like him. I like to study history. I would like to ask, who were the two victims in the dismembered body case?”” ”

“““Two girls under the age of ten,”” Masako was not affected by Captain ju’s words and continued,””they are neighbors who live near the Hiroshi Hiroshi Hiroshi’s house. On the way back from school, they would pass by their family’s butcher shop, and they know Toshiki Hiroshi Hiroshi Hiroshi ...”” ”

“““Then it’s settled!”” Inspector Liu said,””in my opinion, if pan Tian Shou isn’t the real murderer, the real murderer could be his neighbor?”

“““Someone often went to his family’s butcher shop, so he was familiar with the shop and the two girls,”” detective Liu said, waving his hands and feet.””This person calculated the time, lured the two girls into the butcher shop, and then committed the crime ...”” ”

## Chapter 2028: The widow in the villa (1)

“On Seoul’s highway, Li Zhenzhu was driving Zhao Yu in a police car. ”

“““A detective’s way of thinking is really different,”” Li Zhen Zhu said as she drove.””There are so many clues, but why did you have to go to Quan you’s company?”” ”

“““Can you share your thoughts with me?”” ”

“““It’s still the same. I can only trust you here!”” Zhao Yu said,””I’ve said it before. Either you don’t participate, or once you do, you can’t just brush it off!”

“““Besides, after I solve the black pupil case, we can quickly go and find Xi Wei’s treasure!”” ”

“““No wonder they say you’re a crazy detective ...”“ Li Zhenzhu pouted and asked,““since you trust me, can you tell me what you’re doing at Quan youdong’s company?”“ ”

“““Do you know that Quan youdong’s house isn’t a place that just anyone can enter?”“ ”

“““If there’s a need, I can apply for a Class one search warrant ...”“ ”

“““No need!”“ Zhao Yu said,““I’m just going to take a look at the scene!”“ ”

“““Oh ...”“ Li Zhenzhu suddenly realized.““Do you think that you missed something?”“ ”

“““The surveillance cameras were destroyed, the dogs were knocked out, and they were in someone else’s house ...”“ Zhao Yu said.““If I were the murderer, I would never have started from such a dangerous place!”“ ”

“““Think about it,”“ Zhao Yu said,““before going home, Quan youdong went to so many places. Why did he have to do it at home?”“ ”

“““Maybe ...”“ Li Zhenzhu said.““In other places, Quan youdong always brought his bodyguards or followers with him.”“ Of course, I haven’t seen the specific information yet ...”“ ”

“““Or ...”“ Zhao Yu said.““The murderer didn’t want to alarm anyone! If we make a move in advance, Quan youdong’s men will definitely find out, and changing his eyes will take a long time!”“ ”

“““Yeah?”“ Li Zhen Zhu pondered seriously, Quan youdong’s home might seem dangerous, but it’s actually the safest place! The driver is gone, and the family doesn’t know he’s back, so it’s a good time to make a move!”“ ”

“““That’s why,”“ Zhao Yu spread his hands,““I wanted to go to the scene to see!”“ ”

“““Such an important place,”“ Li Zhenzhu said, pouting.““Captain ju and the others should have already searched it carefully, right? Do you need me to call him and ask? Or, should we ask him to send us the investigation information?”“ ”

“““Don’t ...”“ Zhao Yu shook his head.““Can’t you see that Captain ju is already treating me as an enemy? No matter how many times they’ve checked, I have to go to the scene to take a look!”“ ”

“““Oh ... I see ...”“ Li Zhenzhu laughed.““Zhao Yu, tell me honestly, do you think that Captain ju and the others missed out on any important clues?”“ ”

“““Could it be that the key to solving the black pupil case is in Quan youdong’s house?”“ ”

“““Please, sis.”“ Zhao Yu frowned.““Although I’m a famous detective, a detective should still see the scene first!”“ ”

“““We’ve only just started investigating the case, don’t think too highly of me, okay?”“ ”

.....

“25 minutes later, the car arrived at Quan youdong’s Villa in Xuyang cave. ”

“When the car stopped in front of the villa, Zhao Yu saw that there were already many police officers there to maintain order. ”

“““Here, put this on ...”“ Li Zhen Zhu took out an id from her bag, then said,“““don’t you speak Korean? After you enter, try not to let them know that you’re not Korean! ”

“““As for why, you should know ...”“ ”

“““Understood!”“ As Zhao Yu put on his id, he glanced at the device bar in his brain. There were still more than seventy simultaneous translators left, which were enough for him to use for a few days. ”

“When the two got out of the car, the police officer standing guard at the door didn’t know them, but he didn’t dare to stop them when he saw the ID on their chests. ”

“However, when Zhao Yu entered the villa, he was shocked to see a shocking scene that he had never seen before. ”

“The courtyard of Quan youdong’s Villa was cordoned off, and more than a dozen police officers and forensic scientists were working. ”

“On the side of the villa, there were more than 30 people in black suits and sunglasses. ”

These people were not easy to deal with. They were either burly or had tattoos on their necks. Zhao Yu could tell that these people were probably from the martial arts world!

“Of course, these Jianghu people had a formal occupation, which was the staff of the Golden stream Chamber of Commerce ... ”

“““Wow ...”“ Zhao Yu whispered to Li Zhenzhu,“““this is a spectacular scene!”“ ”

“““It’s fine,”“ Li Zhenzhu explained.“““These are all normal phenomena. Quan youdong is dead, so the people at the Chamber of Commerce will definitely increase their vigilance!”“ ”

“““Officer li? Why are you here?”“ ”

“As soon as she finished speaking, a white-haired man walked out of the police officers and greeted her. ”

“Zhao Yu had seen this person during the analysis meeting before. He should be a team leader under the search team, and was mainly in charge of Quan youdong’s case. ”

“““Oh, nothing. I just came to take a look,”“ Li Zhenzhu said.“““Did you find anything?”“ Team leader li?”“ ”

“““Mm ...”“ Team leader li first looked at Zhao Yu, then said embarrassedly,“““so far, there are no important findings. Quan youdong died in an area with floor tiles, which are hard to leave footprints on!”“ ”

“““Can you ...”“ Zhao Yu couldn’t help but interrupt,“““prove that this is the first murder scene?”“ ”

“““This ...”“ Team leader li looked at Zhao Yu again, clearly not knowing Zhao Yu’s identity. ”

“““It doesn’t matter,”“ Li Zhen Zhu said.“““This is the senior Consultant who will assist in the investigation of this case. You can answer the questions.”“ ”

“““Oh ... Okay.”” Although team leader li was suspicious, he still gave the answer.”“To be honest, the crime scene is a bit strange!”” ”

“““According to the witnesses ‘preliminary examination, there were no obvious traces of blood or dragging. So, we can’t be sure if this is the first crime scene!”” ”

“““Ah?”” Li Zhenzhu was surprised.”“How could this be?”” ”

“Li Zhenzhu looked at Zhao Yu, but he didn’t say a word. He seemed to be thinking about something. ”

“““Officer li, um ...”” At this time, team leader Li said to Li Zhenzhu again,”“can you do us a little favor?”” ”

“““Oh?”” Li Zhenzhu was surprised again.”“What favor?”” ”

“““You see ...”” Team leader li pointed to the Men in Black in the distance,”“we have almost finished investigating the crime scene. According to team leader ju, we need to search the entire villa, but ...”” ”

“““Oh?”” Li Zhenzhu glanced at the Man in Black in the distance.”“What? They won’t let you into the villa?”” ”

“““Yes,”” team leader li explained,”“although Quan youdong’s wife said that Quan youdong did not enter the villa that night, according to the rules, we still have to conduct an investigation.”” ”

“““Of course ...”” Li Zhenzhu said.”“If the yard wasn’t the first crime scene, then the villa must be searched!” ”

“““Okay ...”” Li Zhen Zhu took out her phone.”“I’ll help you contact ...”” ”

“““That’s great, that’s great ... Thank you, thank you ... Um ... This ...”” ”

“As team leader li was expressing his gratitude, he saw Zhao Yu enter the police cordon and lie on the white line with Quan youdong’s death, pretending to be a dead person. This immediately caused the police detectives to cry out in shock. ”

“After Li Zhen Zhu saw it, she stuck out her tongue unconsciously and felt goosebumps all over her body. ”

“At that moment, they heard a commotion at the villa’s entrance. They turned around and saw Captain ju leading a group of people into the courtyard and heading straight for the villa. ”

“At the same time, he shouted loudly,”“““Hey! Xu Meina! Where did you hide the driver? Hurry up and hand over the human puppet!”” ”

## Chapter 2029: The widow in the villa (2)

“Zhao Yu was lying in the middle of Quan youdong’s white line of death, feeling something with his heart. ”

He knew that his actions would inevitably attract criticism from the agents of the extensive search team.

“However, he didn’t expect that before he could attract everyone’s attention, there was a new mess in the villa. ”

“The unshaven and unkempt Captain ju suddenly came to the door of the villa with a face full of anger. He pointed inside and shouted, ” ”

“”Xu Meina, I know you’re in there! Hurry up and come out!” ”

“As he spoke, he was about to rush into the villa, but he was stopped by the Men in Black who were guarding there. ”

“”Hey! ” Captain ju, ” a Man in Black with a ponytail stopped Captain ju and said, ” why are you so angry? ” Who provoked you again? ” ”

“”Go to hell!” ” Unexpectedly, the hot-tempered team leader ju actually went up and slapped this person. He shouted, ” you have no right to speak here! Get lost!” ” ”

“”Eh?” ” ”

“Even though this slap wasn’t too hard, it was still a slap to the face. The Men in Black were immediately anxious and all gathered around. ”

“All of them held their heads high, revealing fierce looks. ”

“”What are you doing? What are you doing?” ” Captain ju’s men were not easy to deal with either. They immediately rushed forward and started pushing those Men in Black, shouting, ” do you want to go to jail?” ” ”

“Captain ju was quite skilled. In the midst of the pushing and shoving, he found an opportunity and threw one of the men over his shoulder. Then, he jumped over the railing of the villa’s balcony and directly flipped over the villa’s door. ”

“However, just as he was about to step in, he suddenly saw a woman walk out of the door. ”

“This woman was wearing a gorgeous red shirt and black sunglasses. As soon as she appeared, her aura was so powerful that it actually forced Captain ju to retreat back to his original position along the steps. ”

“”So it’s the famous Captain ju.” ” The woman took off her sunglasses, revealing a graceful and gorgeous face, but her eyes flashed with a murderous light. ” Why? ” she asked. Are you trying to bully a widow like me? ” ”

“”Hmph!” ” Team leader ju finally came back to his senses. He smirked and said, ” Xu Meina, you’re dressed so conspicuously. You don’t seem to think of yourself as a widow, do you? ” ”

“”I’m used to it ...” ” Xu Meina did not even lift her eyelids as she gestured at her red shirt. ” I can’t get used to the other colors! ” ” ”

“”Captain ju, are you here to cause me trouble?” ” ”

““Cut the crap!”” Captain ju said impolitely,““hurry up and let the driver go! He’s an important witness, don’t mess around!”” ”

““Driver?”” Xu Meina raised her eyebrows.““What driver? I don’t understand what you’re saying. “” ”

““Stop playing,”” Captain ju said.““He’s your driver! Do you think that Quan youdong’s death was because he didn’t drive his car into the villa that night and didn’t escort your husband back to his house?”

““Xu Meina, it’s not too late to hand over the person now! I can pretend that nothing happened ...”” ”

““Team leader ju!”” Xu Meina rudely interrupted Captain ju and said coldly,““you are the inspector of the search team. You need evidence to speak, not slander! ”

““Don’t you think that I’m the one who wants to find my husband’s murderer the most? Why should I target a driver?”” ”

““Sure, aren’t you being very clear about your reasoning?”” Captain ju said,““we’ve checked the surveillance cameras near the driver’s house. He was taken away by your Chamber of Commerce! ”

““I know that you’re not only going to punish him, but you’re also going to use your own methods to avenge your husband, right? ”

““Xu Meina, don’t be silly!”” Captain ju advised him righteously,““this case not only caused a sensation in the country, but even foreign countries are paying close attention to it! ”

““Even the National affairs Department is getting involved now! Do you want the entire golden stream Chamber of Commerce to be buried with you?”” ”

““You!”” Xu Meina glared at Captain ju and said through gritted teeth,““I told you, the driver has nothing to do with me. I didn’t touch him! You can do whatever you want!”” ”

““You?”” Team leader ju was furious. He pointed at Xu Meina and said,““you ungrateful woman. If you continue to be so stubborn, I’ll have to bring you back to the police station for interrogation!”” ”

““This is too much!”” Hearing this, the Men in Black were furious. They all rushed over. The few people in the lead even deliberately hit their leader with their shoulders. ”

Captain ju’s men didn’t hesitate either. They rushed forward and started pushing and tearing at the Men in Black again.

“But this time, the conflict was getting more and more intense, and both sides were even willing to make a big move. The situation was about to get out of control. ”

“At this time, Li Zhenzhu was also quite surprised. Seeing that the situation was not good, she quickly took out her phone and asked for help. ”

The police detectives and technical staff in charge of the scene also put down their work and went to stop the fight ...

This ...

“On the empty ground, only Zhao Yu was left, lying awkwardly in the white line, the crows cawing around him ...”

“However, Zhao Yu was used to strange situations, so even though the scene was so chaotic, it didn’t affect his thinking.”

“He laid on the cool ground, savoring the taste of being a dead person.”

“According to the autopsy report, the deceased should still be conscious before his death! He watched helplessly as the murderer cut off his eyes one by one. How could he have collapsed?”

“Of course, it was not appropriate to use the word ‘watching’ to describe it.”

That was because he could not see anything after his eyes were taken off ...

“Then ... Was the murderer simply trying to imitate the Yokohama F. Marinos black eye case, or was it really related to the Yokohama F. Marinos black eye case?”

“And ... How did the murderer easily subdue Quan youdong, who was so strong?”

“After all, this was Quan youdong’s home. As long as Quan youdong made a call, the murderer would be exposed. Why did he take such a big risk to attack from here?”

“Judging from the fact that the murderer destroyed the surveillance cameras and knocked out the two hounds, the murderer must have done some in-depth research on Quan you’s family or was very familiar with his house.”

Could it be ... An acquaintance?

Or perhaps ...

“Zhao Yu leaned to his side and supported his head with his right arm, as if he was a Sleeping Buddha. He then carefully observed his surroundings.”

“Soon, he noticed a problem. The path that he was on extended from the entrance to the villa in the distance. There were no other branches.”

The other places were all green or grass fields!

“Looking at this situation, Zhao Yu pondered. Unless the murderer had entered from the main entrance, he would have stepped on the surrounding green.”

“So ... On the green space, were there footprints left by the murderer?”

“Thinking of this, he almost couldn’t help but think of a prop that he hadn’t used for a long time, the “footprint identifier”!”

“What he meant was that he wanted to search the villa’s yard to see if there were any suspicious footprints, and then determine the murderer’s route of crime.”

“However, at this time, the conflict between Captain Ju and Quan youdong’s widow, Xu Meina, had already reached the stage of turning white hot.”

“Due to the large number of Xu Meina’s underlings, Captain ju and the rest were quickly at a disadvantage. They were surrounded by the Men in Black, and some of the agents were already injured.”

“In a moment of desperation, Captain ju actually took out his gun without a care ... ”

Chapter 2030: neither biased nor biased

No way?

“Zhao Yu got up from the ground, dusted off the dirt, and thought to himself,”“why does this Captain have such a hot temper?”“ The way he was holding the gun was similar to his style back in the days! ”

“In fact, the captain was more than ten years older than Zhao Yu, so he could be considered Zhao Yu’s senior. ”

“““What are you doing?”“ The Men in Black saw Captain ju pull out his gun, but they didn’t buy it at all. They continued to fight with the other investigators, and one of them even shouted at Captain ju,”“are you trying to scare us? If you have the guts, drive in this direction! Open it?”“ ”

“As he spoke, he actually rushed towards Captain ju. Captain ju naturally didn’t dare to shoot, so he could only fly up and kick this guy who didn’t care about his life away. ”

This infuriated the Men in Black even more. They surrounded the police detectives and looked like they were about to start a fight.

“““Stop!”“ ”

“In the midst of the chaos, an old and hoarse voice suddenly shouted from behind the crowd. ”

“The strange thing was that when they heard this voice, the Men in Black seemed to be frightened and stopped pushing and shouting. The villa’s entrance instantly became quiet. ”

“At the same time, Xu Meina’s expression changed slightly, revealing a hint of fear. ”

“Soon, the crowd cleared a path, and an old man in a white shirt and gold-rimmed glasses walked in from the door. ”

“The old man was already very old and his head was seriously balding, but the rest of his hair was combed and shiny, especially neat. ”

The old man was intimidating without being angry. Behind him were four or five strong bodyguards with evil eyes.

Xu Meina’s men immediately stood on both sides of the old man and bowed their heads to show their respect.

“As for the agents whose clothes and hair were in a mess, they all showed fear and retreated to the other side. ”

““““What are you guys doing?”” The old man strode over to Xu Meina and the others. He said angrily,““““youdong’s body is still warm. Who would dare to act so atrociously here?”” ”

“One sentence, and the scene immediately quaked into silence. ”

“Only Xu Meina was brave enough to say to the old man,““““President, this is all the work of the wide search team! You can ask them!”” ”

Oh ...

Zhao Yu understood that this old man was most likely the president of the Golden stream Chamber of Commerce. He had a strong aura!

Didn’t they say that Quan youdong was the second-in-command of the Chamber of Commerce?

It should be the boss’s turn now!

“This time, there was going to be a good show to watch! ”

“So, Zhao Yu sat cross-legged on the ground and started to watch the show. ”

““““President Qiu,““ Captain ju recognized the man and immediately put away his gun. He then said to the old man,““““Quan youdong’s driver ...”” ”

Pa!

“Unexpectedly, the old man didn’t wait for Captain ju to finish speaking. He actually raised his hand and slapped Captain ju! ”

““““Ah!”” ”

“This time, all the police detectives were dumbfounded. Team leader ju also did not react in time and was instantly confused! ”

Oh my God ...

“Zhao Yu’s eyes were wide open, and he found it unbelievable. ”

““““Team leader ju,““ the old man turned his head and said to team leader ju coldly,““““you didn’t give the deceased any peace. This is your fault! ”

““““I’m giving you this slap on behalf of youdong!”” ”

““““...”” Team leader ju’s face was red, and his body was trembling. However, he covered his face and didn’t dare to refute. ”

““““Meina!”” The next second, the old man turned to Xu Meina and said,““““I already know what’s going on! You should release the driver now!”” ”

““““Ah?”” This time, it was Xu Meina’s turn to be shocked.““““President ...”” She said. ”

““““What, do I have to say it a second time?”” Guild leader Qiu glared at Xu Meina, causing her to shiver in fear. ““““The search team is helping us find youdong’s murderer. Don’t add to the trouble!”” ”

““““But ...”” Xu Meina argued,““the driver might have been sent by an outsider!”” We’ll ...”” ”

““““Bastard! What an ignorant woman!”” President Qiu snapped,““it’s not up to you to make your own decisions in the Golden stream Chamber of Commerce. At this time, there’s nothing more important than catching the murderer!” ”

““““Think about it ...”” Guild leader Qiu strode over to Xu Meina. Xu Meina’s face paled in fear and she quickly lowered her head.””That driver has been with your family for six years. If he was really sent by the enemy, youdong would have been finished a long time ago! Why wait until now to make a move?”” ”

““““He ...”” Even though Xu Meina was trembling in fear, she was still not convinced.””He might have been bribed!”” ”

““““If they’ve been bribed,”” guild leader Qiu pointed at the team leader,““I believe that the wide search team will give us a satisfactory answer!” ”

““““Let’s leave this matter to the most professional people!” ”

““““I’m saying it for the second time, let him go-Yueyue!”” ”

““““Oh ...”” Xu Meina shuddered in fear. She took out her phone with trembling hands and called someone. ”

Hehe ...

Zhao Yu laughed coldly from a distance. It seemed that the old man was really something. He was indeed the president.

“In the pugilistic world, this move was called neither bias nor direction. On the surface, it was a slap to the face of the wide search team, but in fact, it helped the wide search team achieve their goal. ”

“Also, the woman named Xu Meina was not as simple as she seemed. It turned out that she did not want to punish the driver or use their method to find the murderer. Instead, she suspected that the driver might have been bribed! ”

It seemed that this scene was getting more and more interesting ...

“However, Zhao Yu also realized that there might really be something wrong with Quan youdong’s driver. ”

Perhaps this guy really knew something?

“If he wanted to solve the case, he really had to have a good talk with the driver ... ”

““““Hello,”” Xu Meina’s call was connected. She said into the phone,““let him go, now ... Mm ... Mm ...”” ”

“Suddenly, Xu Meina’s eyes widened. She raised her voice and asked,““““What’s wrong? Hey...Hey...Say something, say something ...”” ”

““““Ah!”” ”

“This time, not only Captain ju and the others, but even Zhao Yu, who was watching from the side, was shocked.”

What was going on?

Could it be that ... The situation had changed?

“““What’s wrong? What’s wrong?”” Team leader ju quickly asked.”

“““Hello...Hello Hello ...”” Xu Meina turned on the speaker and a series of moans came out of the phone.  
”

“““It’s broken!”” Team leader ju realized the severity of the situation and quickly asked Xu Meina, ““where are they being held?”” ”

“““Oh ... Oh ... It’s not far, not far ...”” Xu Meina pointed in a direction in a panic. ““It’s at the abandoned repair shop on the mountain road in the North!”” ”

“““They ... They might have been attacked ...”” He said.”

“““Send me the exact location immediately ...”” After that, Captain ju immediately called his men and rushed out of the villa like a madman, driving away ... ”

“Seeing that there was an accident, guild leader Qiu quickly ordered his capable subordinates to follow the search team to take a look ... ”

“At this time, only Li Zhenzhu was at a loss.”

“““Hey!”” Zhao Yu quickly went forward and pulled her back. ““What are you still standing there for? Hurry up, let’s go and take a look!”” ”

“Then, Zhao Yu pulled Li Zhenzhu out of the villa and followed the search team.”
