

Crazy 2041

Chapter 2041: Personally interrogating

“”Ah Xi!”” “”F * ck!”” The brawny man cursed after being hit. He immediately pounced at Li Zhenzhen with his eyes wide open. ”

“Li Zhenzhu touched her gun with her right hand, meaning to reveal her identity and scare off these two ignorant guys. ”

“However, before she could pull out her gun, Zhao Yu, who was behind her, suddenly appeared and punched the strong man in the face! ”

BOOM!

The punch was so fierce that the brawny man could not react in time and fell to the ground. He then covered his face and screamed ...

“”You!”” The other man was shocked. He didn’t expect this pretty boy to be so rude and unreasonable. He raised his fist on the spot, but he was obviously hesitant. ”

Ka ...

“Li Zhenzhu held the gun and was about to take it out, but Zhao Yu stopped her. ”

“Then, Zhao Yu didn’t hesitate at all. He went up and gave the man a good beating. The man’s teeth were all over the floor. Finally, his body tilted, and he rolled down the stairs. ”

“Very quickly, the strong man covered his face and stood up. Zhao Yu gave him two tight slaps and then kicked him down the stairs. ”

Roll roll roll ...

The two of them crashed into each other and let out a miserable howl ...

“”Hurry up ...”” However, Zhao Yu acted as if nothing had happened, and quickly told Li Zhenzhu to turn on her phone and continue watching the interrogation video. ”

“”Oh ...”” Li Zhenzhu didn’t dare to say anything more. The two sat back on the stairs and continued to watch the video. ”

“”Oh ... Oh ...”” ”

The two men struggled to stand up from the stairs and looked at Zhao Yu and Li Zhenzhu as if they had seen ghosts. It was as if they had just been dreaming.

“”Ah Xi ...”” The strong man spat out a mouthful of blood, then pointed at Zhao Yu and shouted,“”fine, fine, you don’t know who you’ve offended! If you have the guts, just you wait!”” ”

“The most infuriating thing was that, even though the strong man had been talking for a long time, Zhao Yu and su lingyue didn’t even bat an eye, as if they were just air. ”

Depressing ...

“The brawny man wanted to fight back, but he felt the pain as if his bones were falling apart. He also thought of the ruthless fist and slap just now, so he didn’t dare to move forward. ”

“After much consideration, he and his companions supported each other and went downstairs ... ”

““Hey,”” Li Zhenzhu watched the video and asked Zhao Yu curiously,““why don’t you let me take out my gun?”” There’s no need to dirty your hands for this kind of person. Just scare him and he won’t dare to come again!”” ”

““It’s okay, it’s okay ...”” Zhao Yu looked at the video seriously and said,““I just think that the driver’s confession is a bit problematic. I want to interrogate him myself later!”” ”

““You always like to change the subject,”” Li Zhenzhu said helplessly.““You want to interrogate the driver. What does it have to do with you fighting?”” No wonder people call you crazy detective! ”

““I think you’re just itching for a fight, right? Or?”” Li Zhen Zhu took the opportunity to make a joke.““Trying to court favor in front of me?”” ”

““I just don’t like them calling you a beauty,”” Zhao Yu said bluntly.““They really have bad taste!”” ”

““You ...”” Miss Li pouted.““You really don’t know how to talk!”” ”

““You keep pulling out your gun,”” Zhao Yu said, shaking his head.““No wonder you haven’t solved your personal problems yet. Sigh ...”” ”

““Hmph, bad guy!”” This time, Miss Li was really a little angry.““If you continue to mock me like this, I’m going to shoot you ...”” ”

““Shh ...”” Zhao Yu gestured to be quiet, then carefully watched the video. ”

“At this moment, Captain ju’s interrogation of the driver had already come to an end. ”

“Of course, Captain ju knew that the driver was innocent. He had just wanted to scare him. ”

“At that moment, after the driver explained his experience, a Special Agent began to record his statement. ”

“From time to time, team leader ju would think of some questions and would interrupt the record to ask the driver. ”

“Most of the interrogations were like this. Agents would usually ask many questions based on the statements of the interrogated, so this interrogation would take a long time. ”

“More than ten minutes later, Zhao Yu and Su Yu were still watching the interrogation video on the steps. ”

“Suddenly, there was a commotion from downstairs. There were shouts, footsteps, and the sound of sticks hitting each other ... ”

““What’s wrong?”” Li Zhenzhu couldn’t help but stick her head out and look downstairs. She then sighed helplessly and said to Zhao Yu,““look, this is all your fault, right?”” ”

""What's wrong?"" "

"Zhao Yu turned his head and saw a large group of people rushing up from downstairs. These people were holding sticks in their hands, obviously not here to play. "

"Soon, the two men who had been beaten up appeared in the crowd. They pointed upstairs and commanded, ""Up, just one more level and we'll be there!"" "

Crack ...

"Seeing this, Li Zhenzhu immediately took out her pistol and complained to Zhao Yu, ""If I had pulled out my gun just now, this wouldn't have happened, right?"" "

""Hey!"" Zhao Yu suddenly glared at Li Zhenzhu and shouted, ""put the gun away!"" "

""What?"" Li Zhenzhu was surprised. ""You ... What are you doing?"" "

""Are you showing off your gun?"" Zhao Yu glared at miss Zhen Zhu. ""She's holding a stick, and you're holding a gun. You'll be a joke! Don't you feel embarrassed?"" "

""You ..."" Li Zhen Zhu was confused. She put her gun in the holster, not knowing whether to hold it or not. ""What are you doing, my crazy detective? do you want to fight them?"" "

""Wahaha ..."" Zhao Yu laughed, then stood up and did some chest expansion exercises. ""I haven't exercised for a long time!"" "

""You ..."" Li Zhenzhu was also drunk. Hearing Zhao Yu's words, she quickly took a step back, put the gun back into the holster, and assumed a posture of watching a show. "

""It's him! That's right!"" At this time, the thugs, led by the brawny man, had arrived at the bottom of the stairs. The brawny man pointed at Zhao Yu and shouted, ""this is the kid! Brothers, beat him to death!"" "

"Hearing this, the others immediately raised the sticks in their hands and shouted, then rushed towards Zhao Yu. "

Eh?

"Just then, Li Zhen Zhu suddenly discovered a problem. She looked at the appearance of these criminals and felt a sense of familiarity, as if she had seen them somewhere before. "

"Just as Li Zhenzhu was in a daze, another accident happened. Zhao Yu rushed to the door of the stairs, opened it, and ran away! "

""Eh?"" Li Zhenzhu was dumbfounded. She thought that Zhao Yu wanted to move his muscles and bones to fight with the criminals! "

He didn't expect that he would actually run away!

""Hey, great aunt!"" The next second, Zhao Yu reached his hand in from the door and pulled Li Zhenzhu away. ""What are you doing?"" Aren't you going to run?"" "

""You ... Didn't you want to fight with them?"" Li Zhenzhu asked hurriedly. "

“““I’m crazy. Fight them? Do you think my life is too long?”” Zhao Yu didn’t even look back as he pulled Li Zhenzhu and ran out of the stairwell. ”

“At that moment, Li Zhenzhu was so tormented by Zhao Yu that she couldn’t speak. She didn’t understand what Zhao Yu was trying to do! ”

“When the two entered the hospital corridor, Zhao Yu pulled Li Zhenzhu and ran in the direction of the driver’s ward. ”

“The murderers behind him naturally wouldn’t let him go, and they all chased after him while clamoring. ”

“Very quickly, Zhao Yu ran to the door of the ward. As the interrogation was still ongoing, all the investigators from the search team were there. There were at least six or seven investigators, plus the guards on duty, there were more than ten people! ”

“““Help ... Help me!”” ““Someone’s coming!”” Zhao Yu shouted as he approached the ward. ”

Ah?

“Hearing the clamor in the corridor, the police detectives were shocked and all came to the corridor to check. Captain ju was also shocked. He quickly took out his pistol and ran to the corridor! ”

“Then, something interesting happened. When Zhao Yu and Li Zhenzhu ran to the door of the ward, the thugs with sticks and fierce shouts followed them. ”

Chapter 2042: Suspicious behavior

Ah ...

“““Oh oh oh ...”” ”

F * ck ...

Don’t run ...

The originally quiet hospital was suddenly in an uproar and was unusually lively.

“With Zhao Yu’s superb acting skills, the police detectives thought that the criminals were here to catch Quan youdong’s driver. So, without a second word, they started a fight with the criminals! ”

“Most of the police detectives had guns in their hands, and these murderers were undoubtedly the most depressed and unlucky ones. They had never thought that they would suddenly encounter such a group of ruthless people when they were only here to seek revenge. ”

What was worse was that they still had guns in their hands.

“Oh ... Because they were familiar with each other, the criminals quickly recognized that these people were the agents of the wide search team! ”

“With that, they did not dare to attack anymore. The entire army was defeated and they fled in all directions ...”

““Catch, catch, catch!”” Captain Ju didn’t know what to do. He immediately shouted at all the investigators,““catch all of them! Don’t let any of them escape!”” Catch ...”” ”

The scene became even more lively ...

“The battle quickly turned into a chase. The police detectives were going crazy in the hospital, chasing the criminals until they cried and cried ...”

So that was how it was ...

“It wasn’t until now that Li Zhenzhu finally understood one thing. No wonder these criminals looked familiar! It turned out that they were all from the Jin Xiu Chamber of Commerce, and they were all an xianxiu’s subordinates!”

“An xianxiu and the driver had been sent to the hospital together, so they were in the same hospital.”

An xianxiu’s ward was on the upper floor.

Oh ...

“Li Zhenzhu thought gloomily that Zhao Yu had already recognized that the two men who were teasing her were an xianxiu’s men. That was why he didn’t ask him to pull out his gun. Instead, he deliberately had a conflict with them so that he could lure Captain and the others away.”

This Zhao Yu ... He’s really bad!

Zhao Yu ... Mm ...

“When Li Zhenzhu looked at Zhao Yu again, she realized that he had already sneaked into the ward to talk to the driver.”

““Tell me in detail what happened on the night of Quan Youdong’s accident,”” Zhao Yu asked.””Quan Youdong usually brought his bodyguards with him, but why didn’t he bring them that day?”” ”

““Yes ...”” The driver tried to recall, then answered honestly,““but, when they went to have fun, President Quan drove them away!”” ”

““Chased away?”” ““Why?”” Zhao Yu realized the importance of the question and asked.”

““It’s always like this,”” the chauffeur replied.””The bodyguards were all arranged by Madam. President Quan was afraid that they would tattle on him to Madam, so he sent them away ...”” ”

““Besides, the place we’re going to is President Quan’s property, so there’s no need to be afraid of any accidents! ““And ...”” The driver continued,““President Quan is well-known for his strong physique. Even if he doesn’t use bodyguards, ordinary people won’t be able to get close to him!”” ”

““You said before,”” Zhao Yu continued,““that after he got home, he deliberately sent you away? Is this abnormal?”” ”

“““Yes, it’s indeed abnormal!”” The driver nodded.”“Usually, I drive the car into the manor and send him all the way to the villa! ”

“““But that day, he only asked me to stop the car at the gate and got out of the car himself!”” ”

“““Oh?”” Zhao Yu asked again,”“are you sure you saw him enter the villa?”” ”

“““Yes,”” the driver said.”“There was a sensor in the car, and the door was open, but it was a little dark at the entrance, so I shone the headlights on him and clearly saw him walk into the villa ...”” ”

“““Then ... Did you notice anything unusual?”” ”

“““I ... I don’t think so?”” The driver said,”“the only unusual thing was that he didn’t let me drive in! You know, it’s quite a distance from the main entrance to the villa. He’s usually very lazy and never willing to take an extra step!”” ”

“““Did he drink a lot that day?”” ”

“““It’s hard to say,”” the driver said.”“It depends on the condition. It’s the same every day, right? ““That day, I think it was about the same. President Quan’s alcohol tolerance is very high. I’ve never seen him vomit from drinking ...”” ”

“““When he was playing,”” Zhao Yu asked again,”“did anything unexpected happen?”” ”

“““I don’t think so? ““As usual, I used business as an excuse, but in fact, I was just having fun with the girls ...”” The driver sighed.”“I shouldn’t have said it, but now that the president is no longer here, it’s fine if the madam finds out!”” ”

“““Then ...”” Zhao Yu asked again,”“were there any new girls that day? Who did he have sex with?”” ”

“““Um ... This ... This ...”” The driver was stunned by the question and did not know how to answer. ”

“““Hey!”” However, at this moment, a shout suddenly came from the door,”“what are you guys doing here?”” ”

“Zhao Yu and Li Zhenzhu turned their heads and saw that Captain ju had already returned. Interestingly, the corner of Captain ju’s eye had been hit by someone, and it was now swollen. ”

“““It’s fine,”” Li Zhen Zhu hurriedly pointed to the driver and explained,”“see if he’s okay.”” We’re worried that the enemy will create a diversion and deliberately lead you away ...”” ”

“Hu Chi, Hu Chi ... ”

“Team leader ju panted heavily. Although he didn’t hear any flaws in his words, he still felt very suspicious, so he asked,”““Did you lure those people here?”” ”

“““Mm ...”” Zhao Yu opened his mouth, but didn’t know how to answer. ”

“““I met them in the corridor,”” Li Zhenzhu said without thinking.”“I saw that they were not friendly, so I asked them a few questions. As a result, I was chased by them!”” ”

“““What’s wrong, Captain ju?”” Li Zhenzhu’s face became serious and she replied rudely,”“you look uneasy. Is there something on your mind?”” ”

“““Mm ...”” The captain was speechless. After a long while, he said,““those people are an xianxiu’s men!”” ”

“““I guess he’s looking for the driver to take revenge,”” ”

“““Then you have to send more people,”” Li Zhen Zhu took the opportunity to order,““not only to protect the driver, but also to control an xianxiu’s people!”” ”

“““If they go to the Golden stream Chamber of Commerce to cause trouble, you won’t have a good time!”” ”

“““Yes, I understand!”” Team leader ju quickly promised,““I will definitely do this well!”” ”

“““Alright, you guys can go back to your work!”” Li Zhen Zhu motioned for Zhao Yu to get up.““We won’t bother you anymore. Remember to give me a copy of your confession later!”” ”

“““Yes ...”” Team leader ju quickly agreed. ”

“Just like that, Zhao Yu and Miao Ying left the ward. When they looked outside the ward, they saw people all kneeling on the ground. ”

“The arrogant criminals were all caught by the police detectives, kneeling on the ground and handcuffed one by one ... ”

.....

“““You’re so mean.”” Once they got into the car, Li Zhen Zhu couldn’t help but shoot at Zhao Yu.““You knew that those two were an xianxiu’s men, right?”” ”

“““This is also good!”” Zhao Yu felt good and said,““we should suppress an xianxiu’s men first, let them know that the police are paying close attention to them!”” ”

“““As long as they don’t mess around, the mastermind’s goal won’t be achieved ...”” ”

“““You always have a reason!”” Li Zhen Zhu shook her head.““Captain ju will get to the bottom of this. He’ll find out sooner or later that you’re the one behind all this. When that time comes ...”” ”

“““When the time comes, I’ll have you anyway! ”” He definitely wouldn’t dare to do anything to me, but then again,”” Zhao Yu looked at Li Zhen Zhu and laughed,““the two words you said to Captain ju carried a lot of weight!”” ”

“““So, do you still think that there’s something wrong with the captain of the search team?”” ”

“““Let’s not talk about this first,”” Li Zhen Zhu asked.““Let me ask you, what do you want to know from the way you interrogated the driver?”” ”

“““Don’t tell me ... You suspect that Quan youdong’s death is related to his wife, Xu Meina Qianqian!?”” ”

""Xu Meina, why?"" ""Why would you think so?"" Zhao Yu asked. "

""Quan youdong was killed when he entered the house,"" Li Zhenzhu said.""If Quan youdong requested for the driver to leave, could it be that he had already sensed something?"" "

""You were confirming this with the driver just now, so I guessed that you might be suspecting Xu Meina. "

""Of course, Xu Meina knows her own home and Quan youdong. It was effortless for her to knock out the two dogs and destroy the video!"" "

""So you're saying that Xu Meina colluded with other people and used the black pupil case to kill her husband, Quan youdong?"" Zhao Yu asked,""does the black pupil case become a love murder case? "

""But what about the first victim?"" "

""We can investigate the relationship between Xu Meina and the first victim!"" Li Zhenzhu said with certainty,""Zhao Yu, have you ever thought about this question?"" "

""What's the problem?"" "

""Li Yiyan was killed about a month ago. Because the murderer used the black pupil case's method, the news spread it all over the place and everyone knew about it. "

""Think about it, if Quan youdong and Li Yiyan had a relationship, shouldn't Quan youdong be aware of Li Yiyan's death? "

""But what about him? He's still indulging in debauchery every day without any precautions. Don't you think this means that there's nothing going on between them?"" "

""But ..."" Zhao Yu raised his doubts,""the Japanese experts have confirmed that the black pupils of the two deceased victims came from the same stone as the Yokohama case. Furthermore, the era and method of production are the same. How do you explain this?"" "

""I think there's only one explanation,"" Li Zhenzhu made a bold guess.""Xu Meina has something to do with the pangtian aura!"" "

""It can't be?"" Zhao Yu was stunned.""That's amazing!"" "

""I think ..."" Li Zhenzhu said very seriously,""we have to investigate this woman!"" "

""Big sister, didn't you say that Xu Meina has a bad temper?"" Zhao Yu obviously had a different opinion from Li Zhenzhu, so he immediately put forward his own opinion.""This kind of personality is obviously not in line with the black-eyed killer, right?"" "

""Didn't I already tell you?"" Li Zhenzhu said,""she has an expert behind her! Perhaps, pan Tian GUI Qi had helped her plan all this! "

""Think about it, pan Tian GUI Qi is still alive in this world ... If the news media were to smell it, who knows what they would do!"" "

“““The noble Qi of pan Tian ... Why do I hear a lingering sense of evil?”” Zhao Yu shrugged his shoulders.””But, it’s good to investigate. I was just thinking of investigating this woman!”” ”

“““Well ... I’m confused by your words.”” Li Zhen Zhu frowned.””Are you suspecting her or not?”” ”

“““Before I have concrete evidence, I suspect everyone!”” Zhao Yu said seriously,””miss Zhen Zhu, while Captain ju is still dealing with those lackeys, let’s hurry and do something important!”” ”

“““Oh?”” Li Zhenzhu was surprised.””What is it?”” ”

“““For someone as high ranking as Quan youdong,”” Zhao Yu said,””he must have a dashcam in his car, right? Let’s take a good look at it first!”” ”

“““Car camera?”” Li Zhenzhu was very surprised. ”

“““The driver said that he turned on his car lights to light up Quan youdong’s house and watched him enter the villa!”” Zhao Yu said,””so, if there is a dashcam in the car, it should contain the last image of him before he died! ”

“““We can use this to determine if the driver is lying or not, as well as to observe the direction of the case. ”

“““This is very important. I’m guessing that Captain ju and the others haven’t thought of this yet, so quickly get your people to get the video! ”

“““Remember, just make a copy. Don’t let Captain ju find out that we’re competing with him and that we’re ahead of him!”” ”

“““Oh ... Oh ... Okay ...”” ”

Li Zhenzhu quickly took out her phone and ordered her men to handle the matter.

“““So ...”” After she was done, Li Zhenzhu fastened her seat belt and asked Zhao Yu,””what should we do next?”” ”

“Zhao Yu looked at his watch and smiled at her,””““The time is just right. Those high-class restaurants, bathhouses, karaoke centers, and dance halls are all open! ”

“““Then let’s reenact the route Quan youdong took that night! ”

“““Didn’t the driver say that Quan youdong has found himself a few pretty girls?”” Zhao Yu raised his eyebrows mischievously at Li Zhenzhu.””I also want to have a one-stop service to experience Quan youdong’s feelings.”” ”

“““Hmm...The National affairs Department has to reimburse me for my expenses!”” ”

“““You ... Um ...”” Li Zhen Zhu was speechless for a long time, then said in a daze,””why do I feel that your purpose doesn’t seem to be to investigate the case?”” ”

.....

“In the next few hours, Li Zhenzhu and Zhao Yu went back to the same place where Quan youdong had died that night. They questioned many witnesses and restored the scene of that night. ”

“Of course, it was not a one-stop service like Zhao Yu had said. ”

“Regarding the girls, Zhao Yu only patiently asked them about Quan youdong’s situation, as well as some routine questions. ”

“Because Zhao Yu and Li Zhenzhu had lunch late, they didn’t find a Western restaurant to have dinner until nine in the evening. ”

“Although he was joking, Zhao Yu still paid the bill like a gentleman. After all, Li Zhenzhu had been treating him to meals these days, so it would be inappropriate if he didn’t pay for it. ”

“Besides, he was not short of money. ”

“After dinner, the two of them returned to the police station office. ”

“““Here,““ Li Zhenzhu passed a new set of information to Zhao Yu.““We investigated Wang Yan and Zhao Ci’s accounts, phone numbers, and all of their personal user information, but we didn’t find any clues!““ ”

“““Whoever is protecting them must be very professional ...““ ”

“Zhao Yu took the information, nodded, and said, ““I’ve noticed that these two have a few things in common. First, they don’t have any family. Second, they were not doing well in the Chamber of Commerce. Third, they were all very bold! ”

“““These people are the most suitable to be used as guns. As long as you give them a lot of money, they are likely to betray the boss and work for others!““ ”

“““Yes,““ Li Zhenzhu nodded,““I asked people who knew them. Although they didn’t have any gambling debts, they didn’t have much savings either!““ It was possible that he held a grudge against the Chamber of Commerce. ”

“““Also, they’re both country bumpkins ... Sigh!““ She sighed and said,““I’m just afraid that the person who hired them has already arranged for them to escape!““ ”

“““I think so too,““ Zhao Yu agreed.““Starting from these two, it’s hard to make a breakthrough! It seems like ... We have to find another way!““ ”

“““But ...““ Li Zhen Zhu frowned.““The instigator behind the scenes seems to have hidden even deeper, right?““ ”

Di di ... Di di ...

“Just as she said this, Li Zhen Zhu’s phone suddenly rang. She had received a new message. ”

“““It can’t be?““ Li Zhenzhu looked at Zhao Yu in surprise.““Quan youdong did have a dashcam in his car, but the card is gone!““ ”

“““Oh?““ Zhao Yu was stunned. ”

“““This case is too strange!““ Li Zhenzhu frowned.““It feels like someone is always one step ahead of us!““ ”

““No!”” Zhao Yu’s eyes lit up as he said, ““the card is missing, which means that there must be a big problem with the car camera! ”

“Zhao Yu looked at his white board and said, ““look, the murderer’s tail has been revealed ...”” ”

Chapter 2044: a wave not yet settled

Whoosh ...

Whoosh ...

“When Zhao Yu was woken up by his phone’s vibration, he realized that he had fallen asleep in the office! ”

“He looked at his watch. It was already a new morning, but it was dark and gloomy outside the window. He couldn’t tell that it was dawn. ”

““Hey!”” ”

“The call went through, and Li Zhenzhu’s urgent words came through. But, as Zhao Yu did not turn on the real-time translator, he did not understand what Li Zhenzhu was saying. ”

“From her hurried tone, he could tell that she was in a hurry. Perhaps something new had happened. ”

“Zhao Yu quickly used the device, then said, ““Slow down, I didn’t hear you clearly just now!”” ”

““No way? Aren’t you the least bit surprised that such a big thing has happened?”” Li Zhenzhu was surprised and repeated what she had just said. ““I just received news that Qianqian Qiu minzhe is dead!”” ”

““What?”” ““What did you say?!”” Zhao Yu stood up, knocking over a pile of documents and finally saw that it was raining outside. ”

““You ... Did you just wake up?”” Li Zhenzhu was depressed. ““Zhao Yu, the thing I was most worried about has happened! With Qiu minzhe’s death, the conflict between the two Chambers of Commerce can no longer be contained!”” ”

““Qiu minzhe ... That old man ...”” Zhao Yu could not believe it. ““Is he an idiot? After so many things had happened, did he not know how to protect himself? ”

““Right, how ... How did he die? Could it be an accident?”” ”

““He should be poisoned,”” Li Zhenzhu said. ““But I don’t know the details yet!”” I heard that when he was sent to the hospital, there were no more signs of life ...”” ”

““Ah? ““Then ...”” Zhao Yu quickly asked, ““where are you?”” ”

““I’ll go to the police station immediately,”” Li Zhenzhu said quickly. ““Then we’ll go to the hospital together!”” You can go downstairs now!”” ”

“”Alright!”” Zhao Yu didn’t have time to wash up, but quickly packed his briefcase and rushed downstairs.”

“On the way down, his mind was constantly thinking.”

“Qiu minzhe was dead. Qiu minzhe was the president of the gold origin Chamber of Commerce, and Quan youdong was the Vice President. This meant that both the Presidents were dead!”

“An xianxiu of the Jin Xiu Chamber of Commerce was seriously injured and hospitalized, losing a leg ... Perhaps the murderer wanted to kill him before?”

“If both Chambers of Commerce suffered losses, who would benefit from this?”

“Also, Quan youdong was dead. Qiu minzhe would have taken precautions, but why was he still killed?”

“Was it an accident, or ... Was there another spy by Qiu minzhe’s side?”

“If that was the case, it meant that the mastermind behind the scenes must have a powerful background, right?”

“At first, when Zhao Yu had analyzed the various interests, he had pointed the finger at Captain ju of the wide search team.”

“He felt that Captain ju probably hated these people’s illegal behavior and wanted to get rid of them, so he set up a series of schemes to make them lose and suffer.”

“However, when he thought about it carefully, Captain ju didn’t meet the requirements at all.”

“This was because if he wanted to bribe Wang Yan and Zhao Ci, he would definitely need a large sum of money. Captain ju was so poor that he couldn’t afford that much money.”

“So, Zhao Yu believed that the murderer behind the scenes must have a powerful background!”

“As he was thinking, he had already arrived downstairs. Li Zhenzhu’s car had just arrived at the entrance. Zhao Yu didn’t waste a second and got into the car.”

“The heater was on in the car, and the windshield was covered in raindrops. It was obvious that it was raining heavily outside.”

“However, to Zhao Yu’s surprise, when he got into the car, Li Zhenzhu didn’t say anything to him. Instead, she held her phone and talked to someone with a surprised look on her face.”

“Maybe it was because this call was important, Li Zhen Zhu didn’t even start the car immediately.”

“After waiting for more than a minute, Li Zhen Zhu finally hung up the phone, revealing a helpless expression.”

“”What’s wrong?”” “”Did Qiu minzhe really die from murder?”” Zhao Yu asked.”

“”No, it was a call from the National Intelligence Department.”” Li Zhen Zhu shook her head, looking very excited, and her voice trembled.””In the flower garden in Chengnan city, another suspected black eye case victim has been found!”” ”

“““I’ll cut!”” Zhao Yu was shocked. He didn’t expect Li Zhenzhu’s words to have nothing to do with Qiu minzhe. ”

This ...

The black pupil case?

“This time, Zhao Yu was also a little confused ... ”

“““Zhao Yu ...”” Li Zhenzhu said hesitantly.””The first black-eyed case was nearly a month apart from the second one, and it’s only been less than five days since the second one. Why is there a third case?”” ”

“““The distance between Chengnan and Seoul is 40 kilometers,”” Li Zhenzhu said.””Does this mean that the black pupil case has nothing to do with Qiu minzhe’s death? ”

“““What ... What’s going on?”” ”

“““Don’t worry,”” Zhao Yu thought hard, suppressing his excitement, and said,””let’s take it one by one. I’m afraid it will take some time to confirm if this is the real black pupil case!”” ”

“““So, let’s put the black pupil case aside and talk about Qiu minzhe first! ”

“““Now ... What’s the situation with Qiu minzhe?”” ”

“““Qiu minzhe ...”” Li Zhenzhu said.””Qiu minzhe has been confirmed dead, and the doctor suspects it’s cyanide poisoning ...”” ”

“““Then ... When was he poisoned?”” Zhao Yu asked. ”

“““I don’t know yet,”” Li Zhenzhu said.””But someone mentioned that Qiu minzhe’s body was cold when he was sent to the hospital. So, he should have been dead for some time.”” ”

“““Zhao Yu, let’s go to the hospital now! Captain ju and the others are there too!”” Then, she started the car and drove towards the entrance of the parking lot. Soon, they arrived in the rain. ”

“The rain was silent, but extremely dense, enveloping the entire city in a mist. ”

“““No!”” Just as the car drove into the rain, Zhao Yu raised an objection,””Qiu minzhe died in his house. We should go to his house now!”” ”

“““Ah? Home ... Home?”” Li Zhenzhu was a little hesitant.””At this time ... The police have not had the time to intervene. Qiu minzhe’s men are agitated. I’m afraid ... If the two of us go over, we will ...”” ”

“““Let’s go to his house!”” Zhao Yu said firmly,””hurry up and call for help! Especially the forensic Department, since it was cyanide poisoning, it must be murder! ”

“““If there was really a mole, maybe the scene would have already been destroyed! We have to move fast ...”” ”

“““Alright, alright!”” As she sped up, she used her Bluetooth phone to call her men. ”

“Soon, the car drove onto the main road and into the dense rain and fog. ”

“In the past, Zhao Yu had rarely seen rain like this. It was like rain and fog at the same time, making it impossible for people to see their surroundings clearly, just like the case he was currently dealing with.”

Tsk tsk ...

“Zhao Yu couldn’t help but sigh in his heart. This rain really came at the wrong time, as it might have washed away many important traces.”

“It was really a case of two waves before the first one settled. Not only was Qiu minzhe poisoned, but there was another black pupil case 40 kilometers away!”

The black pupil case had broken the law of Time. He didn’t know what it meant.

Did it really have nothing to do with Qiu minzhe’s death?

Or was he trying to prove something?

Or was someone ... Deliberately imitating the Youyou black-eyed case?

Chapter 2045: A phone that’s not afraid of water

““Zhao Yu, take a look for yourself.”” In the driver’s seat, Li Zhenzhu handed Zhao Yu her phone.””The rain is getting heavier ...”” ”

“Zhao Yu opened it and saw that it was the latest message from Li Zhenzhu’s subordinate. Because Li Zhenzhu had to drive properly, she couldn’t check it, so she had sent it to Zhao Yu.”

““Qiu minzhe has been confirmed to have been poisoned with cyanide. The doctor has certified that he had consumed drugs that contained cyanide ...”” ”

““Read it out loud, let me hear it too!”” Li Zhenzhu urged.”

““Oh ...”” Zhao Yu quickly read out,””the doctor suspected that Qiu minzhe died very early last night. As no one found him, he was only sent to the hospital this morning. When he was sent, it was already too late ...”

““Also, according to Qiu minzhe’s butler, he had a video conference with many political officials last night and didn’t go to bed until very late ...”” ”

““Heavily guarded ...”” After Zhao Yu finished reading, Li Zhenzhu said,””the murderer must have bribed the people around him!”” ”

““Hurry up,”” Zhao Yu held his phone and said,””ask your men to check if Qiu minzhe had the habit of taking medicine. Also, did he show any signs of being forced to drink medicine? We need to know how the poison got into his stomach!”” ”

““Come on,”” Li Zhen Zhu said.””The phone is in your hands. Can’t you just send a text message?”” ”

""What the ..."" Zhao Yu was depressed. ""Sis, I don't know how to write Korean, I can only understand it ... Can I leave a voice note?"" "

""Of course not."" Li Zhenzhu grabbed the phone and drove carefully while sending a text message. At the same time, she didn't forget to tell Zhao Yu, ""the person who sent the text message can't be exposed!"" "

Oh ...

""Zhao Yu then realized that the person who sent the message was not one of Li Zhenzhu's men, but her informant. ""

""Fortunately, the road was slippery due to the rain, and there were few people on the road. Li Zhenzhu's car arrived at Qiu minzhe's residence in less than half an hour. ""

""In truth, Qiu minzhe's residence was not far from Quan you's family. It was also in Xuyang cave on Chengping road, but one was in the South while the other was in the North. ""

""As the president of the Golden stream Chamber of Commerce, the house he lived in was naturally not inferior to Quan you's. It was also the kind of detached villa with a garden, green space, and a swimming pool. ""

""After the car was parked, Zhao Yu and Su Yu went to the door and rang the doorbell. ""

""As there was a hole in the door, the two of them were not drenched in the rain. ""

""However, no one answered after a long time. ""

""What's the situation?"" Zhao Yu punched the door hard. ""Is there no one inside?"" "

""You still don't know them well,"" Li Zhenzhu said with her arms crossed. ""At this time, they don't welcome people in uniforms like us!"" "

""Is that so?"" Zhao Yu took a look and saw that he and Li Zhenzhu weren't wearing any uniforms. ""

""Oh, Zhao Yu then realized that Li Zhenzhu was just making an analogy. ""

""The people of the Chamber of Commerce were of a Jianghu nature. Now that their boss was dead, they would instinctively resist the police and only want to solve the problem in their own way. ""

Shua shua shua ...

""Zhao Yu hit the doorbell a few more times, and the doorbell finally rang. ""What are you doing?"" "

""Open the door, search team!"" Zhao Yu mimicked Captain ju's tone and shouted. ""

""Search team? What's that?"" However, the person inside did not buy it. ""This has nothing to do with you. Get lost!"" "

F * ck!

""Zhao Yu couldn't take it anymore, so he immediately used an invisible lock opener to open the door. ""

Kachaa!

“When the door opened, Li Zhenzhu was shocked. ”

“”“Eh?”” She couldn’t figure out how the door was opened, and she was stunned. ”

“At this time, Zhao Yu had already rushed in! ”

“By the time Li Zhenzhu rushed in, she saw two members of the Chamber of Commerce in black being beaten to the ground by Zhao Yu! ”

“”“Motherf * cker!”” Zhao Yu kicked one of them and cursed,“”how dare you talk to me like that? are you tired of living?”” ”

Ah ... Ah ...

The man screamed in pain and wailed loudly.

“The other man stood up with the help of a huge potted plant. Zhao Yu glared at him and gave him a whirlwind kick, sending the potted plant and the man flying into the rainy courtyard! ”

“”“Oh oh oh ...”” ”

“Hearing the screams from the door, a few members of the Chamber of Commerce rushed over from the villa. They were shocked and surprised to see Zhao Yu, who was full of killing intent. ”

“However, when they saw their two companions lying on the ground in pain, they still shouted and rushed towards Zhao Yu. ”

“Just as Zhao Yu was about to start a fight, Li Zhenzhu suddenly took out her gun and pointed it at the face of the Man in Black in the front. ”

“”“Don’t move!”” Li Zhenzhu shouted,“”are you guys trying to assault the police? I told you, we’re here to investigate a case!”” ”

“”“Oh oh oh ...”” ”

“Seeing Li Zhenzhu pull out her gun, the Men in Black were all frightened and quickly stopped. ”

Zhao Yu took the opportunity to slap one of the guys who was about to attack him!

Pa!

“After that, Zhao Yu said nonchalantly,“”Hurry, bring us to Qiu minzhe’s bedroom! We’re here to help you find the real murderer!”” ”

“”“No need!”” ”

“Just as Zhao Yu finished speaking, a woman’s voice came from the back of the courtyard. ”

Zhao Yu looked up and frowned.

“The woman who spoke was dressed in red and had a well-rounded figure. She was Quan youdong’s wife, Xu Meina! ”

What was going on?

Zhao Yu was surprised. This was Qiu minzhe's house. Why would Xu Meina be here?

“Two officers!” Without an umbrella to shelter her from the rain, Xu Meina came up to Zhao Yu and Miao Ying and said coldly, “I don't need to trouble you! We've found the murderer!”

“At that very moment, the rain was still falling silently, and Zhao Yu and the others were all shrouded in the rain.”

“Hearing this, Li Zhenzhu put down her gun and asked, “What do you mean? Who's the murderer?”

“See for yourself!” Xu Meina took out a red phone and showed the screen to Zhao Yu and su lingfei. “This is what we found in the video!”

Oh?

“Zhao Yu and Miao Ying looked at the phone screen and saw a screenshot of a video. In the screenshot, there was a man.”

“Zhao Yu, who was familiar with the case, immediately recognized that the man was an xianxiu's subordinate, Zhao Ci!”

No way?

“Zhao Yu and Li Zhenzhu looked at each other. Zhao Yu asked, “Is your phone waterproof?”

.....

“Two minutes later, Zhao Yu and Li Zhenzhu, led by Xu Meina, entered Qiu minzhe's Villa.”

“This morning, as soon as I received the news, I rushed over immediately!” Xu Meina explained to the two of them, “however, when I rushed over, the president had already been sent to the hospital!”

“So, I didn't go to the hospital with the others, but stayed here to take charge of the situation!”

“In the end, after we checked the video surveillance, we found this person!” Xu Meina said, “Zhao Ci is an xianxiu's subordinate. The death of the president must be the work of the Jin Xiu Chamber of Commerce!”

“No,” Li Zhenzhu quickly said. “It's too early to say that. Zhao Ci might have already betrayed an xianxiu and been used by others!” You guys, don't mess around!”

“Don't worry!” Xu Meina said, “my husband is dead and the president is no longer around. I will definitely assist the police in their investigation. I just hope that you can give us a satisfactory answer as soon as possible!”

“Otherwise, none of us will be able to control what happens in the future ...”

Chapter 2046: Fatal medicine

“““Here, we know the rules ...”“ As they spoke, Xu Meina had already led Zhao Yu and Zhao Yu to the door of Qiu minzhe’s bedroom. She pointed at the room and said,““after the president was in trouble, we had already sealed off this place! ”

“““Other than carrying the president away, no one else was allowed into the room!”“ ”

“Then, she gestured for them to enter, which meant that Zhao Yu and su lingyue could enter. ”

“““I want to ask,”“ Zhao Yu said.”“Last night, did the president have any bodyguards here? Can outsiders really come in as they please?”“ ”

“Xu Meina didn’t answer Zhao Yu’s question, but shrugged her shoulders and stood aside. She was obviously saying that she didn’t know either. ”

“““In principle ...”“ At this time, a member of the Chamber of Commerce said to Zhao Yu,““someone has to be on duty 24 hours a day, but we can’t guarantee that no one can get close to the president!”“ ”

“““If this person is familiar with the environment and our rotation, perhaps we still have a chance?”“ ”

“““Yes!”“ Zhao Yu nodded and said,““I saw that the wall of the President’s House is quite low, so it should be relatively easy to climb over the wall!”“ ”

“““No,”“ the member of the Chamber of Commerce quickly said.”“There is an infrared sensor system on the wall. If someone climbs over the wall, the security guards will know immediately!”“ ”

“““Oh? Is that so?”“ Zhao Yu touched his chin and asked,““can anyone tell me where Zhao Ci appeared in the video?”“ ”

“““Yes, outside the north wall of the villa,”“ the member replied.”“It’s very close to the house!”“ ”

“Zhao Yu then asked,““have you checked the infrared alarm device there?”“ If Zhao Ci really came in from there, is it possible for her to enter the president’s Room?”“ ”

“““We ... We haven’t checked yet!”“ ““Yes, sir!”“ The member quickly ordered his men to check and answered Zhao Yu’s second question at the same time,““in principle, it’s possible. Although we have staff on duty, it’s impossible for them to keep their eyes open in the middle of the night ...”“ ”

“““Alright then!”“ Zhao Yu glanced at Xu Meina, then put on the shoe covers and gloves with Li Zhenzhu, and entered Qiu minzhe’s room. ”

Qiu minzhe’s bedroom was a little messy. The room was filled with the smell of incense and there were a few scattered footprints on the floor.

“Zhao Yu was a professional detective, so he knew that the forensic scientists had not arrived yet, so he took out his mobile phone in advance to take a few photos of the scene. ”

“““So ...”“ After taking the picture, Zhao Yu asked the others,““who found the dead first?”“ ”

“““Um ... It’s the Butler, Mr. Wan!”“ The previous member quickly replied,““guild leader Qiu has the habit of jogging in the morning. The Butler will go into the room to wake him up at 6 O’ clock every day!”“ ”

“““It’s still raining!”” Li Zhenzhu frowned. “““Why are you still running?”” ”

“““It’s a treadmill!”” The member replied, “““this is guild leader Qiu’s daily habit. He has always been in good health!”” ”

“““Then ... What about the Butler?”” Zhao Yu asked again. ”

“““He followed her to the hospital!”” The member replied. ”

“As he spoke, Zhao Yu was already walking around the bedroom. His gaze quickly stopped on Qiu minzhe’s bedside table. ”

“In addition to the table lamp, there was a book, an empty teacup, and a few small medicine bottles on the bedside table. ”

“Looking at the bottles, Zhao Yu’s eyes lit up. He quickly turned around and asked, ““““Does your President have the habit of taking medicine?”” ”

“““Um ... I don’t know about that!”” The man replied, “““I’ll have to ask the Butler to know!”” ”

“Just as the man finished speaking, Li Zhenzhu handed a message to Zhao Yu. ”

The information was sent by Li Zhenzhu’s informant. He had already found out the specific information and confirmed that Qiu minzhe did have the habit of taking the medicine every night.

“He had taken an anti-anxiety drug, which he had to take every night, or he would not be able to sleep. ”

“After seeing this message, Zhao Yu instinctively turned his attention to the medicine bottles. He opened them and carefully checked the medicine inside. ”

He saw that almost half of the pills were in each bottle.

“““When the Butler found out,”” Li Zhenzhu asked the member at the door, “““where was president Qiu?”” ”

“““It’s right where you’re standing,”” the member said. “““Next to the table lamp!”” ”

“““Oh?”” Li Zhenzhu observed for a moment and found that the bed was neat and tidy. She then said to Zhao Yu, “““could it be that Zhao Ci sneaked in in advance and changed President Qiu’s medicine?”” ”

“However, Zhao Yu was deep in thought and didn’t answer Li Zhenzhu’s question. He just opened the drawer of the bedside table and took a look. ”

“““We have to take these bottles back to test them before we can know ...”” Li Zhenzhu bit her lip and said, but then she saw that Zhao Yu suddenly took out his mobile phone and quickly typed on it. ”

“““You ...”” She could not help but ask, “““who are you contacting?”” ”

“““I’m fine ...”” Zhao Yu pointed to the medicine bottles and said, “““I’m just checking the effects of these medicines!”” ”

“““Oh ...”” Li Zhenzhu first nodded, then widened her eyes and whispered, “““Zhao Yu, didn’t you say that you didn’t know how to write Korean? Who are you sending a message to?”” ”

“In the end, just as Li Zhenzhu was about to get closer to Zhao Yu to take a look, Zhao Yu suddenly pointed at the curtain in the distance and said,“”””Hurry up! Quickly go and see if the window is open.”” ”

“”””What?”” Li Zhenzhu was still confused, but she didn’t dare disobey Zhao Yu’s order. She reluctantly went to the bedside and checked the situation. ”

“”””Both Windows are open, but there are anti-theft Windows on the outside ...”” Li Zhenzhu checked and said,“””the anti-theft Windows are fine!”” ”

“”””Zhao Yu, you didn’t think that Zhao Ci did it outside the window, did you?”” Li Zhenzhu gestured.””This place is very far from the bedside table!”” ”

“”””Is that so?”” Zhao Yu finally finished typing the text message, then stood up and walked to the window to observe the situation. ”

“At that moment, Xu Meina and the others, who were standing at the door, were staring at the two of them. They did not know why Zhao Yu was so interested in the window. ”

“After a few minutes of checking, Zhao Yu returned to the bedside table and asked the member,“”””What was he wearing when he found the president? Is it a nightgown?”” ”

“”””Right!”” The member quickly nodded. ”

“”””But the bed didn’t move,”” Zhao Yu said, pointing to the bed.””This means that the incident happened before the president put on his pajamas and was ready to go to bed!”” ”

“”””What did I say before?”” Li Zhenzhu became more energetic.””I told you that President Qiu died while taking the medicine! ”

“”””After he changed into his pajamas, he drank the medicine before he went to bed. So, the time of the crime should have been around 12 o’ clock last night!”” ”

“”””But ...”” Zhao Yu asked,“””how did Zhao Ci sneak into the room and change the pills for President Qiu?”” ”

“”””Didn’t I just say it? “””Zhao Ci knew about the loopholes here and sneaked into the bedroom in advance,”” Li Zhenzhu said.””Maybe Zhao Ci was in this room when President Qiu was poisoned!”” ”

“”””That’s why guild leader Qiu didn’t make any noise when he fell to the ground and was discovered by others ...”” ”

Chapter 2047: The real murderer is him!

“”””What?”” Just as Li Zhenzhu was making bold guesses, the latest news came from outside. The member said,“””the infrared alarm is not working? It can’t be, right?”” ”

“Hearing this, it not only attracted the attention of Zhao Yu and Zhao Yu, but also Xu Meina. ”

“““Officer,”” the member quickly said, ““the power of the alarm was cut off!”” ”

“““Cut it off?”” Zhao Yu asked, ““how did you cut it off?”” ”

“““Well ...”” The member said, ““someone pulled out the power! The power source ... Hmm...Can only be pulled out from the surveillance room!”” ”

“““What?”” Xu Meina’s eyes widened when she heard that. ““Does that mean that someone within guild leader Qiu’s team is helping Zhao Ci?”” There’s a mole!”” ”

“““It can’t be?”” The member was dumbfounded. ““There were only a few people on duty last night! We’ll know who the mole is once we check!”” ”

“““Then check! What are you waiting for?”” ““The gold origin Chamber of Commerce has already been bullied to such an extent. Are you guys not going to do anything about it?”” Xu Meina shouted. ”

“““Yes, um ... Yes ...”” The member quickly nodded. ““The few people on duty all followed him to the hospital!”” I ... I’ll get someone to investigate it now ...”” ”

“After that, the member quickly made a call. ”

“““I see ...”” Li Zhenzhu exclaimed. ““It turns out that there’s someone inside. No wonder Zhao Ci was able to enter President Qiu’s room!”” ”

“““It’s hard to guard against thieves at night ...”” Li Zhenzhu sighed and turned around, returning to Qiu minzhe’s bedroom. ”

“““It’s hard to guard against house thieves!”” Zhao Yu corrected. ”

“Unexpectedly, Miss Li suddenly saw something and immediately exclaimed. ”

“““What’s wrong?”” Zhao Yu quickly asked. ”

“““Zhao Yu, look! ““Look ...”” Li Zhenzhu pointed to the cup on the bedside table and said, ““this cup, isn’t it strange?”” ”

“““Cup, what’s wrong?”” Worried that he would destroy the evidence, Zhao Yu did not dare to reach out his hand. He only pointed at the cup and asked, ““this should be the cup that President Qiu used to drink medicine, right?”” ”

“““Think about it ...”” Li Zhenzhu reasoned. ““Cyanide takes effect very quickly, and it can kill a person in just ten seconds! ”

“““If Guild Master Qiu was poisoned by drinking the medicine, he would not have been able to put the cup back in time. Shouldn’t the cup have fallen on the carpet?”” ”

“““Oh?”” Zhao Yu gave her a thumbs up. ““Well done, miss Zhen Zhu. Your reasoning ability is amazing!”” ”

“““The cup didn’t fall to the ground,”” Li Zhenzhu said. ““Then could it be that Zhao Ci, or perhaps Zhao Ci had joined forces with the mole, sneaked into President Qiu’s bedroom, controlled him, and forced him to drink the poison?”” ”

“““Don’t worry,”“ Xu Meina, who was standing at the door, said,““we’ll definitely find out who the mole is!”“ If he was really in cahoots with Zhao Ci, he should have taken the opportunity to escape! ”

“““So, all we need to do now is to find out who was missing from the bodyguards last night. That person must be the mole!”“ ”

“““I think so!”“ Zhao Yu raised his head and said to Xu Meina,““I still have to check the surveillance cameras! Since you’ve captured Zhao Ci’s image, there are so many cameras in the villa. You should be able to find his camera, right? ”

“““Maybe we can find the traitor as well!”“ ”

“““I think it’s enough!”“ Li Zhenzhu was not optimistic.““The mole must know the positioning of the cameras and must have prepared in advance!”“ ”

“““I think ...”“ Zhao Yu took off his gloves and walked out of the bedroom.““It’s necessary to take a look!”“ Surveillance can tell us a lot of facts that can’t be hidden!”“ ”

“““Alright, you can do whatever you want!”“ Xu Meina glared at Zhao Yu, then pointed in a direction and said,““but, I have to go to an xianxiu to get her back. I’m sorry but I can’t keep you company!”“ ”

“““Xu Meina!”“ Upon hearing this, Li Zhenzhu immediately stopped Xu Meina.““Don’t do anything stupid! Can’t you tell? This is a well-planned conspiracy. Both your Chambers of Commerce have been tricked!”“ ”

“““Oh? Is that so?”“ Xu Meina’s eyes widened.““If that’s the case, then all the more I have to talk to an xianxiu!”“ If we can find Zhao Ci, then the truth will be revealed!”“ ”

“““Are you stupid?”“ Li Zhenzhu stopped Xu Meina.““How could Zhao Ci be with an xianxiu now?”“ she asked. ”

“““You don’t have to worry about that!”“ Xu Meina glared at Li Zhenzhu.““My husband is dead, and so is our President!”“ ”

“““I can’t take this lying down! ”

“““Even if Zhao Ci isn’t with an xianxiu, an xianxiu would definitely know something!”“ ”

“After that, Xu Meina pushed Li Zhenzhu away and continued to walk towards the door. ”

“““In that case ... I won’t watch the video now!”“ Zhao Yu suddenly said,““if I find the real murderer behind Zhao Ci now, wouldn’t this case be closed?”“ ”

“““Oh?”“ Hearing that, Xu Meina stopped in her tracks. She turned around and asked,““officer, do you know what you just said?”“ ”

“As soon as Xu Meina finished speaking, the member who was responsible for making the call returned to the living room. ”

“““You’re in such a hurry to find an xianxiu ...”“ Zhao Yu said.““Are you trying to run away in advance? Or do you really want to fight with the Golden stream Chamber of Commerce to get rid of your suspicion?”“ ”

""You ..."" "

"As soon as he said this, the whole Hall was shocked, and Li Zhenzhu was also dumbfounded. "

""What did you just say?"" ""What do you mean?"" Xu Meina glared at Zhao Yu with her signature big eyes. "

""What's wrong?"" Zhao Yu said slowly, ""isn't my words obvious enough? Is it really fun for you to stand here and call me a thief?"" "

""You!"" Xu Meina was shocked. She pointed at Zhao Yu's nose and scolded him, ""what the hell, which lunatic are you? What are you talking about?"" "

""Xu Meina, stop pretending!"" Zhao Yu said frankly, ""Zhao Ci and Wang Yan were both hired by you, right?"" "

""You ..."" Xu Meina trembled again. She paused for 0.5 seconds before she exploded in anger. ""You're crazy. Are you looking for death?"" "

""Don't worry, don't worry ..."" Zhao Yu sat down on the expensive sofa and said to Xu Meina, ""we have plenty of time to talk about this!"" "

"Seeing Zhao Yu's attitude, Li Zhenzhu was a little confused. She thought that Zhao Yu was targeting Xu Meina for some purpose, so she didn't dare to interrupt. "

""What do you want? How come I've never seen you in the wide search team?"" By then, Xu Meina had already calmed down. She sat down on the other side of the sofa and said, ""since you're suspicious of me, tell me your reason!"" "

""If I'm not wrong ... Hehehe ..."" Zhao Yu laughed and said, ""last night, Zhao Ci only showed his face on the camera. He didn't even enter President Qiu's Villa, right?"" "

"After Zhao Yu finished speaking, there was a dead silence. Everyone was attracted by his words. "

""Perhaps, I'm a little biased when I say that you're the mastermind behind this! "

""Because ... Although Wang Yan and Zhao Ci were instructed by you, the one who killed President Qiu wasn't you, nor was it these two people ..."" Zhao Yu suddenly revealed a ferocious smile. ""Do you think ... I'm right?"" "

"" ..."" When Xu Meina heard this, she seemed to have realized something. Her expression changed drastically. "

""Then ..."" The member next to him couldn't help but ask, ""then ... Who killed the Guild leader?"" "

""Hahaha ..."" Zhao Yu laughed slyly, then said to the crowd, ""the murderer of President Qiu was none other than miss Xu Meina's husband, his sister-in-law, Quan youdong!!!"" "

Chapter 2048: The magical medicine bottle

Whoosh ...

“Zhao Yu’s words stunned everyone for a few seconds, and then they exploded! ”

“““What ... What are you talking about?”” The member of the Chamber of Commerce said,“““President Quan is dead, and his eyes were gouged out!”” ”

“““Officer, you won’t even let go of my dead husband. What do you want?”” Xu Meina was furious, but her face was pale. ”

“““Zhao ... Mm ...”” Li Zhenzhu didn’t dare to call Zhao Yu by his name, so she gently pulled him and whispered,“““officer Zhao, are you joking?”” ”

“““Wahaha ...”” Zhao Yu laughed wildly, which startled Li Zhenzhu. ”

“““Everyone,”” Zhao Yu crossed his legs, looked around at the crowd, and said,“““calm down and let me finish first! ”

“““This is indeed a little strange, but ... The person who killed President Qiu is definitely Quan youdong! ”

“““The murderer is actually a dead person. I think we can really make it into a novel or a movie, right? Hahaha ...”” ”

“““I don’t believe it,”” the member said, shaking his head.“““President Quan is dead. I saw it with my own eyes. It’s absolutely true!”” How could a dead man kill someone? Are you going to resurrect?”” ”

“““Maybe my thinking is a bit off. I hope your comprehension ability can keep up with my super high detective level! ”” Next ...”” Zhao Yu boasted,“““I’m going to carry out my reasoning! ”

“““If you can’t understand, it only proves that your comprehension ability is poor, not that my reasoning level is bad ...”” ”

“““You ...”” Xu Meina glared at him.“““Are you trying to stall for time?”” Why is there so much nonsense?”” ”

“““Miss Xu Meina, Oh ... Isn’t that a little inappropriate? should I call her Mrs. Quan or Madam?”” “““Let me ask you the first question. You said that you rushed here as soon as you received the news, but the president was already sent to the hospital, right?”” Zhao Yu asked. ”

“““Hmm ...”” Xu Meina hesitated for a moment before answering,“““yes, why?”” ”

“““Your house is so close to Guild Master Qiu’s house. You should be the first one to arrive, right?”” Zhao Yu asked,“““but why did they already leave when you arrived?”” ”

“““That’s because I received the notice too late,”” Xu Meina replied without hesitation.“““Who would care about a widow like me now?”” ”

“““So, after you came, the president had already left, so you stayed to preside over the situation. And then, we came!”” Zhao Yu looked at his watch.“““But, the moment we arrived, you took out the video with Zhao Ci’s image! ”

“““Don’t you think this is a little too deliberate? ”

“““It seems that you haven’t been a Criminal Police officer before,”” Zhao Yu said.”“Looking for surveillance videos is a very time-consuming job! ”

“““There were so many surveillance cameras, and it took so long. Even the experienced police officers couldn’t have checked all the surveillance cameras in such a short time. ”

“““Don’t you think that it was a little too easy for you to find Zhao Ci’s image the moment you arrived?””

“““We were just lucky,”” Xu Meina said.”“When something happened to the president, the first thing we did was to check the surveillance footage. I didn’t expect to find Zhao Ci so quickly!”” ”

“““Zhao Ci only flashed past the wall, but you found her so quickly. You’re really lucky!”” Zhao Yu said. ”

“““What are you trying to say?”” ““Just because I found Zhao Ci’s video, you’re suspecting that I’m the murderer?”” Xu Meina shouted angrily. ”

“““Let’s talk about Qiu min Zhe’s Cup,”” Zhao Yu suddenly changed the topic,”“if I’m not wrong, Zhao Ci’s fingerprints are on the cup, right?”” ”

“““What?”” Xu Meina was shocked, but the others were completely stunned. ”

“““I’m sorry. I just reminded you that my thoughts were a bit off!”” Zhao Yu said,”“officer li had noticed the cup earlier, but she was wrong!”” ”

“Zhao Yu gave Li Zhenzhu a look, then said,”“““The reason why the cup did not fall to the ground was either because Qiu minzhe placed it there after he was poisoned or because he was poisoned. Or, the cup did fall on the carpet, but someone touched it later! ”

“““And then ...”” Zhao Yu turned to look at Xu Meina.”“Someone secretly put Zhao Ci’s fingerprints on the cup!”” ”

“Upon hearing this, Xu Meina squirmed a little, as if Zhao Yu had hit the nail on the head. ”

“““The infrared alarm on the wall,”” Zhao Yu said.”“I’m not sure, but I’m sure that the alarm wasn’t pulled out last night. Either someone turned off the power from the inside, or someone just turned it off when no one was paying attention! ”

“““Infrared rays can’t be seen or touched. Even if the power is cut off, no one will notice it on normal days. ”

“““This person could be Wang Yan; It was also possible that it was Quan youdong himself; It could also be our Ms. Xu Meina!”” ”

“““You! Nonsense!”” Xu Meina shouted fiercely. ”

“However, because Zhao Yu’s words were so vague, most of the people present were confused and didn’t know what Zhao Yu was trying to say. ”

“However, Zhao Yu continued at his own pace and said, “Next, it’s the most important bottle! I’ve already checked all of guild leader Qiu’s medicine bottles! ”

“I’ve received news that he takes an anti-anxiety drug every night. I really can’t name the drug, it’s too long. ”

“But, I took a look at it just now, and the pill was very large. Only such a large pill could be easily mixed with highly toxic cyanide and kill him! ”

“So, if the murderer really used a drug to poison her, he would definitely use such a large pill!” ”

“But ...” The member could not help but ask, “wasn’t it Zhao Ci who sneaked into the president’s Room and forced him to drink the poison?” ”

“If the poison is forced, the deceased will struggle with all his might!” Zhao Yu said, “I just received news from the hospital that there were no obvious external injuries on President Qiu’s body, nor were there any signs of struggle. ”

“This means that he simply swallowed the poison himself!” ”

“Oh ...” The member finally closed his mouth. ”

“So,” Zhao Yu said, pointing to the bedroom, “the medicine bottles on the bedside table, or to be exact, the medicine bottle with the anti-anxiety medication, are the most decisive evidence!” ”

“I just saw that each bottle was filled with pills,” Li Zhen Zhu said. “Do you mean that all the pills in the anti-anxiety medicine bottles contain poison? ”

“Or ... The murderer only made a fake pill, and President Qiu would have swallowed it sooner or later and died an unnatural death. The other pills did not contain any poison, so we couldn’t detect it at all?” ”

“It ... Shouldn’t be like this, right?” Zhao Yu corrected her, “my suspicion is the opposite of yours. I think the murderer made a box full of fake medicine that contained poison! ”

“This is the only way they can accurately predict Qiu minzhe’s death!” ”

“.....”

“As soon as he said that, everyone fell into the fog again. ”

“Mm ... Okay ...” Seeing the confusion in everyone’s eyes, Zhao Yu shrugged his shoulders and said, “in that case, I’ll try not to skip anything. I’ll tell you all from the beginning in chronological order. What exactly happened?” ”

“As Zhao Yu spoke, Xu Meina’s state of mind had completely changed. Her body was squirming as if she was sitting on pins and needles. Her lips were also trembling slightly, as if she had a bad feeling ... ”

““““Long before the election for President, Quan youdong and his wife had already planned this operation,”” Zhao Yu said.”“““They wanted to use this operation to clear the dissidents, strengthen their strength, and take the opportunity to destroy the enemy. ”

““““Therefore, Qiu minzhe and an xianxiu are their main targets! ”

““““So, the two of them bribed guild leader Qiu’s assistant, Wang Yan, and an xianxiu’s subordinate, Zhao Ci, to make all the necessary preparations! ”

““““When the time was right, they started to act ... ”

““““The first goal of this operation is to get rid of Qiu minzhe!”” ”

““““You ... You’re talking nonsense!”” Xu Meina stood up immediately.”“““Qiu minzhe was the chairman of the Chamber of Commerce. Why would we kill him?”” You’re crazy, you’re talking nonsense!”” ”

Pa!

“Just as Xu Meina got angry, Li Zhenzhu pulled out her gun and slammed it on the table. She said to everyone,””“““I think you all want to find out the truth behind Guild Master Qiu’s death, right? ”

““““If you want to, then listen carefully! If you don’t want to, it can only mean one thing-whoever disturbs officer Zhao’s deduction is related to the murderer!”” ”

“Li Zhenzhu’s words were clearly contradictory. If Xu Meina still dared to act rashly, it would only make her even more suspicious. ”

““““Xu Meina,”” Li Zhenzhu said.”“““Don’t worry, I’m here!”” If you’re being framed, I’ll naturally seek justice for you! ”

““““But you have to listen to officer Zhao’s story first!”” ”

“Xu Meina sat back down on the sofa after hearing Li Zhenzhu’s words. However, her face was gloomy and she looked extremely anxious. It was obvious that she was hiding something. ”

“A few of the people present were Qiu minzhe’s subordinates. Of course, they wanted to know the truth, so they all stood in the hall and listened attentively. ”

““““Power is something that can enchant people. Quan youdong wants to fight for it, but Qiu minzhe doesn’t want to let it go!”” Zhao Yu continued,”“““Qiu minzhe wanted to hand over the president’s position to Quan youdong because he had no choice. The National affairs Department had something on him! ”

““““But Qiu minzhe wasn’t willing to retire. He was worried that Quan youdong would be at a disadvantage after he took office. So, he secretly contacted the other big bosses in the Chamber of Commerce and prepared to tamper with the voting to make Quan youdong lose the election! ”

““““When the time comes, they will arrange for a nobody to be the puppet president while Qiu minzhe will continue to control the entire golden stream Chamber of Commerce from behind the scenes! ”

““““Quan youdong and his wife knew about this long ago but they had no other choice. They could only take the risk and kill Qiu minzhe!”” ”

The confusion on everyone's faces did not disappear. They could not understand why Qiu minzhe would only be killed now if they had already planned this.

And how did Quan youdong die?

“““After the plan started,”” Zhao Yu said,““Quan youdong prepared a whole bottle of poison that was disguised as an anti-anxiety drug, then secretly put it in the drawer of Qiu minzhe's bedside table. He then took away the whole bottle of medicine that Qiu minzhe had originally put in the drawer!””

“““People who take medicine for a long time have this habit. They're worried that they'll run out of medicine, so they'll put a whole bottle of new medicine in the drawer in advance.””

“““As the second-in-command of the Chamber of Commerce, Quan youdong must have been in Qiu minzhe's house often. It's easy to put the pills in the drawer without arousing suspicion.””

“““Maybe Wang Yan can do it too, but,”” Zhao Yu said,““I've checked Wang Yan's records. Recently, Wang Yan was sent out on missions by Qiu minzhe, so he didn't have a chance.””

“““Plus, Wang Yan wouldn't really dare to do something as big as murdering the president!””

“““So, I'm sure that the murderer who killed guild leader Qiu is Quan youdong! From the moment Quan youdong changed the medicine bottle, the murder had already begun!”” ”

“““Then ...”” The member couldn't help but ask,““since the pills were changed a long time ago, why did the president only get into trouble now?”” ”

“““Because ...”” Zhao Yu smiled.““When Quan youdong changed the medicine bottle, he counted the number of pills!”” ”

“““Did you count the number of pills?”” Everyone was puzzled.””

“““Right!”” Zhao Yu explained,““Quan youdong isn't stupid. If Qiu minzhe's poison acted up right after he finished changing the medicine bottle, then everyone would naturally suspect him!””

“““So, he just changed the medicine bottle in the drawer,”” Zhao Yu said.““And on the bedside table, there were still some unfinished medicine from Qiu minzhe!””

“““Qiu minzhe would never change. He would take a pill before going to bed every day. Only when the pills were finished would he open a new bottle and take the cyanide-filled medicine that Quan youdong had mixed!”” ”

“““Just one piece and Qiu minzhe will be dead!”” ”

“““Oh ... He counted the pills ...”” Li Zhen Zhu suddenly understood.““You mean Quan youdong counted the pills, so he could accurately calculate which night Qiu minzhe would open the new bottle and take the poison!”” ”

“““So ...”” Zhao Yu said,““Quan youdong is the real murderer who killed Qiu minzhe!”” ”

“““But ...”” Li Zhen Zhu was confused.““If that's the case, then ... Qiu minzhe only ate one pill, so why is there only half of it left in the bottle?”” ”

““““Besides, if all the pills contained cyanide, then wouldn't we be able to find it with a simple test?”” ”

““““The smart thing about this is ...”” Zhao Yu said.””Zhao Ci's sudden appearance will divert everyone's attention. In addition, in their plan, they also designed an ingenious recycling link! ”

““““So, the cyanide pills and medicine bottles have been taken away!”” Zhao Yu pointed to the bedroom,””what we see now is that the medicine bottle with only half of the pills left in it was replaced by someone just now!”” ”

““““Ah?”” ”

“Zhao Yu's words were shocking, and everyone was stunned! ”

““““Just now ...”” Someone asked,””who was it? Who just went in?”” ”

““““Miss Xu Meina,”” Zhao Yu turned to face Xu Meina and asked coldly,””the reason I wanted to check the surveillance camera was to confirm the position of the bodyguards. I wanted to see if Zhao Ci could have snuck into President Qiu's bedroom. ”

““““But, you insisted on looking for an xianxiu to settle the score, so I had no choice but to lay my cards on the table! ”

““““Because ...”” Zhao Yu's face suddenly became serious, and his eyes were evil.””Once you leave this villa, you can get rid of the two Medicine bottles on you, right?”” ”

““““Ah ... You ...”” Xu Meina's expression changed. Her face was as yellow as wax, and she was embarrassed. Her whole body trembled, and she was extremely embarrassed. Obviously, Zhao Yu had hit her in her weak spot! ”

““““Bastards, are you trying to frame me?”” At that moment, two of Xu Meina's subordinates stood in front of her to protect her. ”

“However, the member of the Chamber of Commerce was not someone to be trifled with. He immediately led a group of Qiu minzhe's men and surrounded them. ”

“In an instant, the atmosphere in the hall was tense and heavy. ”

““““I'm guessing ...”” Zhao Yu pointed at Xu Meina calmly and said,””you should have two Medicine bottles with you. One of them was the empty bottle that Qiu minzhe used to take all the pills! ”

““““The other one was a fake bottle filled with cyanide pills! Do you think my guess is right?”” ”

Chapter 2050: superior plan

““““Xu Meina!”” Then, Li Zhenzhu raised her gun and said to Xu Meina in a commanding tone,””do you want me to do it, or do you want to take it out yourself?”” ”

““““...”” Xu Meina's mouth twitched. Her eyes were filled with anger and despair. However, she sat there the whole time without moving. ”

“““I have to say,”” Zhao Yu said.““This plan is indeed very smart! ”

“““You guys calculated the exact date and deliberately made Zhao Ci appear in the video outside Qiu minzhe’s wall in the middle of the night, creating the illusion that Zhao Ci had sneaked into the villa and poisoned the president. ”

“““This way, we’ll be able to successfully divert people’s attention. ”

“““Also, when the police see that there is still half a pill in the medicine bottle and the test results show that there is no problem, they will never think that there is a problem with the medicine. They will only think that Qiu minzhe was poisoned to death by Zhao Ci! ”

“““Zhao Ci is an xianxiu’s subordinate, so you have one more reason to declare war on an xianxiu! ”

“““This plan is not bad, but unfortunately ...”” Zhao Yu paused, then said,““although your plan is not bad, you can’t predict the future. At this critical moment, an unexpected accident happened!”” ”

“““Your husband, Quan youdong, suddenly died!”” ”

“Seeing Zhao Yu’s Frank and confident speech, Li Zhenzhu couldn’t force Xu Meina to hand over the evidence or search her body, so she had to listen patiently. ”

“““Quan youdong’s death was probably an accident!”” Zhao Yu said,““I don’t know why, but he provoked the murderer of the black pupil case and was targeted by the murderer! ”

“““From the information I have so far, Quan youdong’s death should have nothing to do with the struggle between your Chambers of Commerce!”” ”

“““You’re talking nonsense!”” Xu Meina suddenly gritted her teeth and said,““my husband was killed by those evil people! Not only did you kill him, you even gouged out his eyes and replaced them with black stones ... Ah ...”” ”

Xu Meina was so excited that she looked like she was about to bite someone.

“““No!”” Zhao Yu shook his head and said,““Qiu minzhe was already prepared to push Quan youdong out. He wouldn’t kill Quan youdong at such a critical time! ”

“““An xianxiu wouldn’t either. If he killed Quan youdong, the Golden stream Chamber of Commerce would only become more harmonious, which would be detrimental to him! If he wanted to kill someone, he should kill Qiu minzhe! ”

“““And,”” Zhao Yu continued,““you probably don’t know yet, but we, the police, have confirmed that Quan youdong’s death was indeed the work of the black-eyed killer, not an imitation!”” ”

“““No... That’s impossible ...”” Xu Meina’s eyes were wide open as her cheeks trembled.““Black-eyed assassin? what the hell is that?”” It’s definitely not ...”” ”

“““It seems that ...”” Zhao Yu pouted and said,““my inference is true! ““Logically speaking, once Quan youdong is dead, your plan should have been canceled or ... You could have just waited for Qiu minzhe to consume the poison! ”

“““But ... You didn’t stop your plan. Instead, you made Wang Yan and Zhao Ci ... Attack! ”

“““The day Captain ju barged into your villa, your plan was already in progress ...”” Zhao Yu said.”““You suspected that Quan youdong’s driver had been bribed, so you kidnapped him and forced him to confess! ”

“““After that, you arranged for Zhao Ci to bring an xianxiu’s men to snatch her away. You put on a good show for yourself! ”

“““Then, he used Zhao Ci to make the driver appear at an xianxiu’s restaurant. This way, the police would think that it was an xianxiu who had stolen the driver and that an xianxiu had something to do with Quan youdong’s death ... ”

“““And at the same time, you arranged for Wang Yan to drive the crane and iron ball that you prepared to smash an xianxiu’s restaurant. Your purpose was to smash an xianxiu to death on the spot, so that the dead can not testify! ”

“““This way, an xianxiu and Qiu minzhe will both die, and the two Chambers of Commerce will fall apart. This means that you have avenged your husband, and at the same time, you can use Quan youdong’s name to rise up and become the future lady of the Golden stream Chamber of Commerce! ”

“““I think ... This is your plan to take over the throne, right? ”

“““Your plan is really good!”” Zhao Yu laughed.”““Before this, I was still studying who would be the final winner if the two Chambers of Commerce fought! ”

“““I didn’t expect that the biggest beneficiary would be you, the widow! ”

“““However ... To your disappointment, an xianxiu wasn’t crushed to death by the big iron ball! Even though he’s missing a leg, this annoying opponent still exists. What a disappointment!”” ”

“““Hmph!”” Suddenly, Xu Meina slammed the table, stood up, and shouted at Zhao Yu,”““nonsense! You police have no real skills at all! All you know is to make up stories and slander others. What a waste of time!”” ”

She turned around to leave but was quickly surrounded by Qiu minzhe’s men.

“““Xu Meina,”” Li Zhen Zhu stood up and said,”““I’ve always been fair. If you think we’re slandering you, then let me search your body!”” ”

“““If I can’t find any evidence on you, I won’t make things difficult for you! But ... If you really find evidence, then you’ll have to come with me obediently!”” ”

“““Hmph!”” Xu Meina kicked the cup on the coffee table and it shattered on the floor. She then shouted hysterically,”““why?!”” Why do I have to let you search me? Do you know where this place is?”” ”

“““You ...”” The member of the Chamber of Commerce glared at Xu Meina and was about to explode. ”

“Who knew that the broken cup was a signal. As soon as the cup was broken, more than ten strong Men in Black suits rushed in with a loud noise! ”

“These people were all Xu Meina’s subordinates. As soon as they rushed in, they immediately pushed the members of the Chamber of Commerce to the side. ”

“These people were clearly prepared. Not only were they aggressive, but they also held powerful weapons such as sticks in their hands.”

“““Xu Meina!”” Li Zhenzhu suddenly aimed the gun at her.””If you move again, I’m going to shoot!”” ”

“““What’s wrong?”” Xu Meina said indifferently,””if you want to do it, then do it! I’m also warning you, I’m not your suspect now! ”

“““Are you going to shoot an innocent citizen?”” ”

“““You’re the suspect!”” Li Zhen Zhu pulled the bolt.””If you have the guts, try to move!”” ”

“““On what basis?”” Xu Meina was not convinced.””Where’s your arrest warrant?”” I’m not a suspect without an arrest warrant! Alright, shoot! ”

“““Do you want to take a gamble?”” “““You’re using your entire career to bet on whether I have a bottle of medicine on me?”” Xu Meina yelled. ”

“““You ...”” ”

“As she was hesitating, one of Xu Meina’s subordinates stood in front of her and shouted,””““Madam, you don’t need to pay attention to them. You go first, we’re here! ”

“““Damn cop, if you have the ability, shoot me!”” ”

“The moment he shouted, the others followed suit and stood in front of Xu Meina ... ”

“This time, Li Zhen Zhu couldn’t help but panic. Although he was a National Intelligence agent, without solid evidence, and without being fatally attacked, he couldn’t shoot rashly! ”

“““Hmph ...”” Xu Meina snorted and slowly backed away. She was about to leave the living room and the villa. ”

“Once she left the villa, the evidence on her would also disappear. ”

“However, as he watched Xu Meina walk further and further away, Zhao Yu did not panic, nor did he have any intention of fighting with the Men in Black. ”

“Instead, he crossed his arms and waited until Xu Meina was about to leave before he opened his mouth and shouted,””““Hey! Xu Meina, you’re dreaming! ”

“““Do you think that you can get rid of the charges after you get rid of the two Medicine bottles on you?”” ”

“““Oh?”” Xu Meina had no choice but to stop when she heard that. She stared at Zhao Yu fiercely, as if weighing whether Zhao Yu was lying or not. ”

“““Here ... Take this ...”” Zhao Yu suddenly turned on his phone and threw it at Xu Meina from a distance. At the same time, he said,””you showed me a video the moment you came in.”” Now, let me show you a video!”” ”

“““Ah ...”” When Xu Meina took the phone and saw the video, her legs trembled and she fell to the ground ... ”
