Chapter 2061: The reason to take action

“““What the hell is this? Who allowed you to speak?”” On the way up, Ding Lan couldn’t stop complaining to Zhao Yu, ““can’t you just shut up if you can’t talk?”” ”

“““Who ... Who asked you not to give me a heads up?”” ““Which part of me looks like a Japanese?”” Zhao Yu asked. ”

“““Silly.”” Ding Lan frowned. ““If you were a secret agent, you’d be dead!”” Wasn’t I just adapting to the situation just now? ”

“““If there is a Japanese in this church, or in the fraternity, then this person is very likely to be related to the black eye case!”” He said. ”

“““I know ...”” Zhao Yu said. ““But, so what if I show off my Japanese? I just wanted to cooperate with you!”” ”

“Ding Lan blushed with shame, ‘you call this cooperation? That female cultivator must be suspecting us! Really, if I had known earlier, I would have come in alone!’” ”

“““Wait ...”” Zhao Yu saw that Ding Lan had come to the second floor, so he quickly asked, ““what do you want to do now?”” ”

“““To find the information you wanted?”” ““Didn’t the woman just say that the student Aid Association only opens at two in the afternoon?”” Ding Lan asked. Now is a good time to make a move!”” ”

“““But ...”” Zhao Yu pointed to the end of the corridor and said, ““there are surveillance cameras here ...”” ”

“““It’s okay, brother-in-law,”” Ding Lan said. ““We’re just looking for some information, not really completing some top-secret Special Agent mission. As long as we don’t take the information away, no one will find out!”” ”

“While they were talking, Ding Lan had already arrived at the door of the room marked with the words ““fraternity.”” ”

“Zhao Yu had already detected the surveillance cameras with the detector in his brain. Just in case, he used two anti-surveillance cameras on himself and Ding Lan. ”

“This way, the surveillance cameras would not leave any traces of them. ”

“Ding Lan knocked on the door first, then twisted it open, but there was no response. ”

“So, she took out some tools and started to pry the door open. Agents were indeed good, and Ding Lan’s skills were probably no better than Cui Lizhu’s. It only took her a few seconds to open the door. ”

“The fraternity wasn’t a top-secret place, and the office here was very simple. After entering, the two quickly placed their focus on the file cabinet against the wall. ”

“There were all kinds of folders in the cabinet. Ding Lan was fluent in Korean, and Zhao Yu had a translator with him. The two of them searched through the folders, and it only took them a few minutes to find the relevant information. ”

“After that, the two of them took out their mobile phones and began to take pictures of the information. Very quickly, they had completed their task. ”

“Not only did they find the name list of the teachers in the fraternity, but they also found the records of their lessons. They also found the name list of all the members who had participated in the fraternity in the past year. ”

“After they got it, the two left the church and returned to the car. ”

“”Then ...”” Ding Lan said,“”should we go back to the police station and study this information?”” ”

“”No!”” Unexpectedly, Zhao Yu said firmly,“”let’s go back to Jin Jiang Dao bank and continue to investigate Li Yiyan’s colleagues and family according to our original plan! ”

“”I thought of something last night,”” Zhao Yu explained.“”If Li Yiyan really offended someone because of the loan issue, then the loan was definitely not released! ”

“”So, as long as we focus on the loans that Li Yiyan rejected, the workload will be reduced. Then,””Zhao Yu pointed to his mobile phone,“” if we compare it with the person on the screen, maybe we can find some clues!”” ”

“”Amazing!”” Ding Lan gave him a thumbs-up.“”Brother-in-law is indeed a genius detective!”” ”

“Thus, the two of them explained to the driver and the car returned to Jin Jiang Dao bank. ”

“Fortunately, after communicating with the bank, they found out that all the loans that had not been approved were recorded. ”

The bank quickly pulled out all the loan applications related to Li Yiyan that had not been approved.

“The application had the details of the applicant, which made it very easy to find. ”

“After that, Zhao Yu and Ding Lan went to look for Li Yiyan’s co-workers and began their routine questioning. ”

“Prior to this, the search team and Li Yiyan had done the same thing. However, the colleagues they had found were all colleagues who were more familiar with Li Yiyan. ”

“But this time, Zhao Yu had deliberately looked for a few colleagues and higher-ups who were not familiar with Li Yiyan. He wanted to understand Li Yiyan from another perspective. ”

“However, these people’s testimonies were not much different from the others. Li Yiyan was not only an honest person, but she also treated her work meticulously. ”

“All the rejected loan applications were carried out in full accordance with the rules and regulations, without any personal emotions. ”

“It was the same in terms of social circles. Li Yiyán’s circle was very small. Other than her colleagues and a few good classmates, she had no other social circles.”

“Moreover, this person paid more attention to his words and actions, and had almost never offended anyone.”

“”I really don’t understand ...”” After the investigation was over and they returned to the car, Ding Lan frowned and said,“”Li Yiyán and Quan youdong are two complete opposites!”” ”

“”She was such an honest person. Why did the murderer kill her, and in such a cruel way?”” ”

“”Indeed ...”” Zhao Yu looked at the credit information that the bank had given him and murmured,“”if you killed him just because the loan wasn’t approved, wouldn’t that be a little too much?”” ”

“”Quan youdong did all kinds of bad things, and Liu bingcheng caused seven people to be burned to death because of his selfishness ...”” Ding Lan echoed.“”It’s just that the loan hasn’t been approved, so it really doesn’t seem to make sense.”

“”Besides, Li Yiyán was just following the rules. Even if she didn’t approve the loan, she didn’t do anything wrong.”

“”Also, black eyes represents indifference and non-existent. Not lending money doesn’t seem to fit the theme, right?”” ”

“”Unless ...”” Zhao Yu said,“”Li Yiyán used some illegal means to deliberately not approve the loan for this person. And, because the loan was not approved, the consequences were very serious!”

“”This is the only reason for the murderer to kill me ...”” ”

“”You mean ...”” Ding Lan pondered for a moment.“”If it’s as you’ve guessed, it should be easy to investigate the person whose loan was rejected?”” ”

“”Maybe ...”” Zhao Yu pointed at the documents and said,“”we still need to find someone who is familiar with the bank’s loan business to help us see if there are any problems with the procedures that Li Yiyán approved.”” ”

“”Okay ...”” Ding Lan nodded and asked,“”can we go back to the police station now?”” ”

“”No!”” “”No!”” Zhao Yu denied,“”we still have to go to Li Yiyán’s house!”” ”

“”Home?”” Ding Lan frowned.“”Didn’t we already go there once?”” He should have asked all the questions he needed to, right? You’re still going?”” ”

“”No,”” Zhao Yu said.“”Didn’t we discuss this last night? If she really harbored a grudge because of the loaning of money, then perhaps Li Yiyán received some sort of warning before she died!”” ”

“”But,”” Ding Lan looked at the information and said,“”Li Yiyán is a divorced woman. She doesn’t have any children, and her parents aren’t around. Even if there were signs, she wouldn’t know, right?”” ”

“”Yes.”” Zhao Yu nodded.“”When I went there with Li Zhenzhu, I met Li Yiyán’s parents. They said that in the past six months before the incident, there was nothing unusual about Li Yiyán.”” ”

“““Then ...”” Ding Lan frowned.”““Why are we still going there?”” I’m afraid you can’t even open the door now. “” ”

“““I was thinking ...”” Zhao Yu said.”““To ask her neighbors, or the caretaker, or something like that! The black-eyed assassin knows Li Yiyang’s whereabouts like the back of his hand. He might have appeared near Li Yiyang’s residence ...”” ”

“““It can’t be?”” Ding Lan grinned.”““Are we going to knock on each door? Brother-in-law, don’t you think that these tasks can be handed over to Li Zhen Zhu’s men? ”

“““Don’t forget, you’re just a friendly guest. You don’t have to do everything by yourself, right?”” ”

“““As I said,”” Zhao Yu said without hesitation,”““since we’re investigating, we have to do our best!”” ”

“After he finished speaking, he pulled Ding Lan into the car and they headed towards Li Yiyang’s house together ... ”

Chapter 2062: Strange walking

“““I don’t know ...”” A man with an unkempt beard said.”““Although we’re neighbors, we don’t really have much contact!”” I only know that the woman lives alone and it’s quite quiet. I didn’t hear any particularly loud movements from her side ...”” ”

.....

“““The woman who had her eyes taken out? “““It’s so sad ...”” A woman who was perming her hair said.”““She looks quite ordinary, so I don’t pay much attention to her. I just never saw her come back with anyone. She’s usually alone ...”” ”

.....

“““You’re so annoying,”” an old man with white hair said.”““You’ve asked me many times! I really don’t know her ...”” ”

.....

“““I know, she works in a bank ...”” A young man said.”““I saw her at Jinjiang bank. She was well-dressed and very particular about her food and use. It’s just that ... She doesn’t like to talk much ...”” ”

.....

“Just like that, Zhao Yu and Ding Lan visited more than ten families, and all of them gave similar answers. ”

“““Ai!”” Ding Lan sighed.”““I thought you detectives would have a much easier time than US Special agents! It seems that I was wrong ...”” ”

“““Maybe ...”” Zhao Yu said.”““The clue to solving the case lies in the casual conversation of these people. Let’s go! Let’s go to Li Yiyang’s house and take a look!”” ”

“Li Yiyan lived in a high-end apartment, which was about 10 kilometers away from her workplace. ”

Li Yiyan’s apartment was different from most of the tenants here. She had bought it with her own money.

“This was Seoul after all. Even though the apartment was small, it was worth a lot. One could buy a big villa in the countryside. ”

“”I came here once before,“” Zhao Yu said.“”I didn’t find any items in Li Yiyan’s house that were used by men. It’s clear that after her divorce, she lived alone. ”

“”The financial situation is also clear at a glance. After she divorced her ex-husband, she obtained a considerable amount of property. In addition to the convenience of work, she took a loan to buy this apartment!“” ”

“”I think ...“” Ding Lan said.“”Li Yiyan’s death from having black pupils shouldn’t have anything to do with her financial status or marital status, right?“” ”

“”Don’t tell me ... You want to investigate her ex-husband?“” ”

“”I’ve already investigated,“” Zhao Yu said.“”He’s doing business in our country! She’s already remarried ...“” ”

“”You’re really something ...“” ”

“As they spoke, the two of them arrived at Li Yiyan’s residence. As Li Yiyan had passed away for a month, there were no police officers here. ”

“The two of them rang the doorbell, and no one answered. This meant that Li Yiyan’s family members were not staying here. ”

“Thus, the two of them contacted the apartment’s administrator, hoping that the administrator could open the door and let them in to take a look. ”

“The administrator was a fat man. He ran up to them, panting heavily. He immediately told Zhao Yu that he couldn’t open the door either. ”

“This was because this house was different from the tenants. The management office did not have a spare key. If they wanted to enter, they would have to contact Li Yiyan’s family. ”

“Li Yiyan’s parents were still alive, and she had many siblings. She did not have any children either, so it was likely that this apartment would lead to inheritance problems. ”

“”Then ...“” Zhao Yu asked the administrator,“”do you have their contact information?“” ”

“”I only have one, but no one has been picking up the phone,“” the administrator said.“”I have something to talk to them about! Li Yiyan’s car is still in the parking lot. The parking spaces are all rented, so she needs to pay the parking fee!“” ”

“”What?“” Her words immediately caught Zhao Yu’s attention.“”What did you say? Are you saying that Li Yiyan has a car?“” ”

“Yup!” The fat manager said, “it’s a white modern car and the car is new! It seems like ... You’ve only bought it for half a year?”

“There was a car ...” Zhao Yu murmured. “If there was a car, why did the investigation record show that she walked home that night?”

“Oh, really? Oh ...” The fat manager said, “she doesn’t usually drive. She only drives when she goes back to her hometown to visit her parents during the holidays, right?”

“The parking lot is underground,” Ding Lan said. “How do you know she doesn’t usually drive?”

“Of course,” the fat manager replied, “I’m on duty in the apartment lobby. I see Li Yiyang coming in from the main entrance almost every day!”

“If she drove here, then she didn’t need to go through the lobby, but took the elevator directly upstairs!”

“Tsk tsk ...” Zhao Yu recalled, “in Jin Jiang road bank, there was a staff parking lot, and it was ten kilometers away from the apartment. Obviously, driving was the most convenient!”

“Also, Li Yiyang often works overtime,” Zhao Yu continued. “She can only go home very late at night. At that time, the traffic is no longer congested, so it’s obviously the best time to drive, right?”

“Otherwise, she wouldn’t have bought a car,”

“That’s nothing ...” Ding Lan said. “Maybe she doesn’t like to drive?”

“Is that so?” Zhao Yu pondered for a moment, then said to the manager, “bring me to Li Yiyang’s car to take a look!”

The manager didn’t dare to delay and immediately nodded in agreement. He and Zhao Yu entered the elevator and went to the parking lot.

“On the way, Zhao Yu used his phone to check. If Li Yiyang didn’t drive home after work, then she could only rely on taking a taxi, the subway, or the public bus.”

“There was no direct bus, and there were no more buses after eight in the evening.”

Taking a taxi would cost a lot of money. Li Yiyang would probably not be able to afford it with her current condition.

“If he took the subway, he would have to walk more than 800 meters to reach the subway station. After exiting the subway, he would still have to walk more than 400 meters to reach the apartment.”

‘That’s strange ...’

“Zhao Yu was puzzled. Since Li Yiyang had bought a car, why did she still have to walk every day?”

Was it to train his body?

“However, if he wanted to exercise, why would he buy a car?”

Could it be that ... There’s something wrong with this?

“Soon, the elevator reached the parking lot. The caretaker led them to a white modern car.”

Eh?

Zhao Yu reached out to touch the car and found that the car was covered with a thin and even layer of dust. It seemed that the car had not been driven for a long time.

“““What’s wrong with the search team?”” Ding Lan said in Chinese.”“The victim even had a car! Why didn’t you come over to check?”” ”

The fat administrator was slightly taken aback by Ding Lan’s words.

“““This case is different from other cases,”” Zhao Yu said.”“The video on the night of Li Yiyan’s accident clearly showed that she left the unit on foot.”

“““Even if it was in our place, we might not be able to trace it back to this car ...”” ”

“““Even if they do, I’m afraid it won’t be of much use, right?”” Ding Lan was puzzled.”“This car hasn’t been used for a long time. It obviously has nothing to do with the case!”” ”

“““No!”” Zhao Yu shook his head and said,”“although the car didn’t move, it doesn’t mean that it has nothing to do with the case! I’ve said before that the truth is often hidden in those inconspicuous clues!”

“““Li Yiyan has a car but she doesn’t drive it. She would rather walk every day. Perhaps ... There’s a reason! And this reason ...”” Zhao Yu’s eyes lit up.”“ May be the key to solving the case!”” ”

“““You ... You guys ...”” As Zhao Yu was also speaking Chinese, the fat administrator could not hold back anymore.”“Which country are you detectives from?!”” ”

Chapter 2063: Same age

“““The report is out, the report is out ...”” An agent from the National Intelligence Department rushed into an office in the Seoul police station with an identification document in his hand. ”

“At that moment, Zhao Yu and Ding Lan were discussing the case in the office. The whiteboards that were filled with information had increased to five.”

“Zhao Yu spread out the five whiteboards in a circle, then stood in the center of the circle, thinking hard.”

“““Detective Zhao, detective Zhao,”” the police detective came in and interrupted Zhao Yu’s train of thought,”“the forensics department’s report is out. Li Yiyan’s car really did have an accident!”” ”

“““Ah?”” ”

Zhao Yu and Ding Lan exclaimed at the same time.

“““Look ...”” The police detective pointed at the introduction of the report.”““The entire front bumper of Li Yiyan’s car has been changed. The left side of the headlights and the wheels have also been changed ...”” ”

Left ... Headlights and wheels ...

“Zhao Yu took a look at the report and suddenly had an idea. If Li Yiyan had really been in a car accident, then could this car accident be related to the black pupil case? ”

“““The car was just bought half a year ago ...”” Ding Lan spoke in Chinese.”““And there was an accident. After that, Li Yiyan never dared to drive again! Aiya, brother-in-law, your sense of smell is really too sharp. There’s really a problem here!”” ”

“““We investigated the car,”” the agent continued,”“it was a new car purchased through formal channels. The procedures were complete, and there were no problems!”” ”

“““What about the accident?”” Zhao Yu asked,”“did you find out what accident the car had?”” ”

“““No...”” The agent shook his head.”““We’ve already checked, but we didn’t find any information. The insurance company didn’t touch it either!”” ”

“““If it was a normal car crash ...”” Zhao Yu said.”““Changing the bar and lights is still acceptable, but changing the wheel ... Hmph ...”” ”

“““Oh ...”” Ding Lan was enlightened.”““This means that the car accident scratched the wheels, but in order to cover something up, the driver changed the wheels!”” ”

“““So, the thing she hit should be more important,”” Zhao Yu said.”““Otherwise, she wouldn’t have been so scared that she didn’t even dare to drive!”” ”

“““Report ...”” At this time, another police detective walked into the office and reported to Zhao Yu,”“super detective Zhao, we have already investigated the surveillance images of Li Yiyan’s apartment. We found that she had not touched that car in the past four months ...”” ”

“““The car was bought half a year ago, and it hasn’t been touched for four months ...”” Ding Lan said.”““Which means the car accident happened four months ago?”” ”

“““That’s weird. If there was really a major car accident, why didn’t the police find Li Yiyan? Could it be that ... The car didn’t have a license plate when it got into the accident?”” ”

“““No,”” one of the police detectives said.”““We have strict regulations here. After a car is purchased, it must be photographed before it can be driven. We do not allow temporary license plates!”” ”

“““Seoul’s surveillance cameras are very dense. Even if one intersection isn’t captured, if you check the next intersection ...”” Another police detective said,”“you should be able to find out, right?”” ”

“““Unless ...”” Zhao Yu said.”““The person who was hit ... Didn’t report the case!”” ”

“““Ah? It can’t be, right?”” Everyone was shocked.”““Why didn’t you report it?”” ”

“““Alright,”” Zhao Yu said to the two police detectives,”“go to the traffic Department and check if there was any major accident on Li Yiyan’s way home four months ago.”” ”

“““If you can’t find anything, then you can follow the route that Li Yiyan took to her home and ask them one by one. If the victim didn’t report the case, then the traffic Department probably doesn’t have the relevant information!”” ”

“““Yes!”” The two of them quickly agreed. ”

“““Also,”” Zhao Yu continued,””surrounding Li Yiyan’s car, we need to conduct a routine investigation and find out which repair shop repaired her car! ”

“““You can start from Li Yiyan’s call history or network information. After Li Yiyan’s accident, she must have contacted the repair shop. It should be easy to investigate!”” ”

“““Understood!”” The two of them agreed in unison. ”

“““Also ...”” Zhao Yu thought for a moment, then said,””find me a detailed record of Quan youdong’s whereabouts four months ago.”” ”

“““Yes!”” After the two agents agreed, they left the office. ”

“““Brother-in-law,”” Ding Lan quickly spoke in Chinese,””are you saying that Quan youdong was involved in the accident?”” The two of them died because of the same thing?”” ”

“““I don’t know.”” Zhao Yu shook his head.””I can only assume so for now. After all, Li Yiyan and Quan youdong’s cases were a month apart, which matches the time interval of the Yokohama black pupil case.”” ”

“““Alright then!”” Ding Lan shrugged.””So, we just have to wait for the news?”” ”

“““Of course not,”” Zhao Yu said.””Today, I have to check all the family members of the seven victims in the bus fire in detail. ”

“““We also need to thoroughly understand the information we found about the fraternity. Also, we need to find out who in the church and the fraternity often came into contact with these family members, and who is the most suspicious.”” ”

“““Waa!”” Ding Lan grinned.””With such a heavy workload, you won’t be able to sleep tonight, right?””

“““Oh my ...”” Ding Lan stretched.””How about I help you share the burden?”” ”

“““No!”” Zhao Yu said firmly,””in order to find out the truth, I have to get hold of all the information myself. No one else can help me!”” ”

“““Sigh ...”” Ding Lan stood behind Zhao Yu and massaged his shoulders. She smiled and said,””in that case, I can only do the logistics for you!”” ”

“““How about this, you give me some money and I’ll go buy some supper ...”” ”

“““You’re a big eater!”” Zhao Yu frowned.””Your salary isn’t low either, right?”” ”

“““Haha, I’m just joking ...”” Ding Lan waved her hand and walked to the door.””How about kimchi, hamburger, or fried chicken?”” Have you heard of fried chicken and beer?”” ”

““““Alright, you can buy as you see fit!”” Zhao Yu stared at the whiteboard and said,““““as long as there’s something to eat ...”” ”

““““Alright!”” With that, Ding Lan disappeared out of the door happily. ”

‘Sister-in-law ...

““““Ah ...”” Zhao Yu mumbled. He felt that it was a blessing to have such a cheerful and lively sister-in-law like Ding Lan, who could also fight. ”

“Then, Zhao Yu began to cast aside all distracting thoughts and focus on studying the case, seriously looking up the information. ”

“Half an hour later, Ding Lan still hadn’t returned. Instead, he received a call from Li Zhenzhu. ”

““““Detective Zhao, you’re amazing,”” Li Zhenzhu praised him.””After finding out about the fraternity, you still have the mood to investigate Li Yiyao. I’m so impressed!”” ”

““““Why?”” Zhao Yu laughed.””Miss Zhen Zhu didn’t call me just to praise me, right?”” ”

““““Hehe, of course,”” Li Zhen Zhu smiled and said.””I’ve already found out who the mentor who counseled the seven victims ‘family members was!”” ”

““““Oh? Who is it?”” Zhao Yu quickly took the relevant information and prepared a pen. ”

““““It’s the highest-ranking psychologist in Seoul psychological college, Kim Shun-Seok, and ...”” Li Zhenzhu said,““““the bishop of the Church, Mr. Markson, is also involved. Only these two people!”” ”

““““How old are these two?”” Zhao Yu asked. ”

““““Jin Shunxi is 71 years old, Markson is 69 years old ...”” Li Zhenzhu said.””So, are you trying to say that these two people are about the same age as pangtian guiqi?”” ”

Chapter 2064: the person who bought the medicine

““““What the ...”” Zhao Yu grinned, then laughed.””Miss Zhen Zhu, you really guessed what I was thinking. It seems that you haven’t been following me for nothing these days!”” ”

““““Hahaha, that’s true ...”” Li Zhenzhu laughed and changed the topic,””but, we have already checked. These two people have nothing to do with Pouta Takumi, Japan, or Yokohama!”” ”

““““Oh? Is that so?”” Zhao Yu asked,””are you sure they didn’t have plastic surgery?”” ”

““““Don’t worry,”” Li Zhenzhu said.””I’ve already sent people to confirm it with unconventional means. It’s absolutely true!”” It’s impossible for them to be impersonated or disguised!”” ”

““““Unconventional means?”” ““Did you guys follow the two old men to the bathhouse?”” Zhao Yu asked. ”

“““What are you saying!”” Li Zhen Zhu said,““we can use a simple thermal scanner to determine if they are wearing masks and disguises. Why would they need to go to a bathhouse?”” ”

“““Oh ...”” Zhao Yu nodded.““That is to say, your people have already approached these two people? Then I’d advise you not to withdraw your men and monitor them for a few more days. What if there’s something fishy going on?”” ”

“““I know,”” Li Zhenzhu said.““Now, we are investigating all the people in the church and the fraternity who have come into contact with the family members of the fire victims! ”

“““Look, who else agrees with the conditions?”” ”

“““Okay, then ...”” Zhao Yu suddenly thought of something.““Do you have the detailed records of the mutual aid groups that the family members of the victims organized?”” ”

“““Of course not,”” Li Zhen Zhu said.““The fraternity requires everyone to open their hearts and explain their troubles. These are all absolute privacy, and there will be no records, let alone videos! ”

“““Unless we ask the participants of the fraternity. But I don’t think they’ll tell us.”” ”

“““Oh ...”” Zhao Yu understood. ”

“““Also,”” Li Zhen Zhu said,““my people investigated for a whole day, and now we can be sure that the family members of the fire victims all had alibis. ”

“““Although it seems a bit coincidental, but ...”” Li Zhen Zhu said.““My people said that it didn’t seem to be deliberate, because their daily life is like this. They didn’t deliberately leave any alibis ...”” ”

“““Alright, I understand!”” Zhao Yu said. ”

“““Zhao Yu,”” Li Zhenzhu said,““I’m going back to Seoul now. Do you need me to bring you some supper?”” ”

“““Hey?”” ”

Zhao Yu was proud of himself. It seemed like he was quite popular.

“““Mm, no need!”” Zhao Yu quickly said,““I’m already full! If you’re tired, then you don’t have to come over. Rest early!”” ”

“““No, no, no,”” Li Zhenzhu said hurriedly.““I have to go back to the Seoul police station. I should be the one saying that. If you’re tired, you should go back to the hotel and rest early!”” ”

“““It’s been so many days, you’ve really worked hard ...”” ”

“““It’s okay,”” Zhao Yu said, smiling.““When the case is closed, you can reward me!”” ”

“““Hehehe ...”” Li Zhenzhu’s laughter came from the phone. ”

“Just as the two of them were about to hang up the phone, the office suddenly became lively. ”

“One of the police detectives returned to the office with Ding Lan. The police detective was in a hurry with some documents in his hand, while Ding Lan was carrying some supper with a strange expression. ”

“““Detective Zhao!”” As soon as the detective entered the door, he gasped and shouted,””I found it, I found it. There was a car accident, there was a car accident!”” ”

“““Ah?”” Zhao Yu’s eyes were wide open. Considering that Li Zhenzhen had not hung up yet, he put the phone on speaker so that Li Zhenzhen could hear him. ”

“““Detective Zhao, we followed Li Yiyan’s car route back home. When we found Junshan cave, we found out something from a pharmacy!”” ”

“Hearing this, Ding Lan quickly put down her supper and listened carefully. ”

“““That was four months ago, according to the pharmacy owner,”” the agent said as he held the information.””That night, at about 11 O’ clock, it was raining heavily, and a man went into the pharmacy to buy medicine. ”

“““However, before he could finish buying the medicine, he heard a muffled bang from outside the door. ”

“““The man and the boss were both shocked and quickly opened the door to take a look. In the end, they saw a woman across the street lying on the ground. The umbrella in her hand had flown away and was washed away by the rain ... ”

“““The man was frightened and quickly ran over, but the woman was already unconscious. Her head was still bleeding, and her condition was very bad ... ”

“““The boss then realized that the woman should be the man’s wife. She must have been hit by a car! However, the hit-and-run vehicle did not stop. It escaped! ”

“““After that, the man almost went crazy and kept calling the woman’s name. The pharmacy owner ran back to the pharmacy to call the ambulance ... ”

“““Later, the ambulance came and took her away. The pharmacy owner didn’t know what happened after that! ”

“““He said that he thought the police would come to the pharmacy to investigate, but after waiting for a long time, they didn’t find anything. ”

“““For this, he also specifically looked at the surveillance video in front of the pharmacy,”” the agent said.””Because it was raining that day, the surveillance only saw a white car driving by quickly, knocking someone over, and then quickly escaping without even stepping on the brakes ...”” ”

“““The car just flashed by, and I couldn’t see it clearly in the surveillance camera ...”” ”

“““Ah?”” At this time, no one spoke in the office. Li Zhen Zhu suddenly became anxious and shouted at the agent,””where’s the surveillance?”” ”

“““The surveillance ... Oh ... The surveillance footage has been taken back. The pharmacy owner made a copy of it just in case ...”” The police detective recognized Li Zhenzhu’s voice and hurriedly replied,””we even got the video of the man entering the pharmacy!”” ”

The agent took out a USB drive from the folder.

“““That won’t do. Hurry up and send someone to bring the pharmacy owner back! We can’t just ask such an important witness a few questions. We must get to the bottom of the situation!”” ”

“““Oh ... Yes, yes!”” The agent quickly nodded in agreement and wiped the sweat off his forehead. ”

“““There was indeed a car accident!”” Zhao Yu said excitedly,““the person who ran her over is most likely Li Yiyan! And the person who bought the medicine is most likely related to the black-eyed killer!”” ”

“““Detective Zhao,”” the police detective said quickly,““the pharmacy owner also said that the man and woman walked to the pharmacy. It was raining that night, so they were likely to live near the pharmacy!”” ”

“““As long as we take the man’s photo and search the local area, we should be able to find him, right?”” ”

“““Mm ...”” Zhao Yu said.““Let’s not delay any further. It’s best to send someone over now!”” ”

“““Understood, um ... Right ...”” The police detective thought for a moment and said,““the pharmacy owner also said that the man bought folic acid!”” ”

“““Ah?”” Ding Lan was shocked.““So, the woman who was hit by the car might be pregnant?”” ”

“““In that case,”” Zhao Yu said,““the nearby hospitals ... We have to check the nearby hospitals too ...”” ”

“““Understood!”” The agent quickly saluted.““Don’t worry, leave these things to us!”” ”

“Then, the police detective passed the information and the USB drive to Zhao Yu, then went off to carry out his mission. ”

“““Li Yiyan knocked into this man’s wife ...”” Ding Lan mumbled.““And the wife is pregnant. Even if the adult doesn’t die, I’m afraid the child won’t be able to survive, right?”” ”

“““And Li Yiyan, who was a hit-and-run, did nothing to save her,”” Zhao Yu said.““Her disregard for life also goes with the meaning of black pupils! ”

“““It seems that we are getting closer and closer to the truth of the black pupil case!”” Zhao Yu said, his eyes shining. ”

Chapter 2065: shouting

“““This car ...”” At midnight, Zhao Yu pointed at the computer screen while eating fried chicken and said,““it should have lost control in advance!”” ”

“““The car is white,”” Ding Lan said seriously as she ate her fried chicken leg.““From the shape, it looks like Li Yiyan’s modern car ...”” ”

“““And,”” Zhao Yu continued,””the woman who was hit was standing on the side of the road, where there was a roof to shelter her from the rain. But, the car lost control and ran into the roof, hitting her, which caused her to lie on the road ...”” ”

“““The car is too far away from the surveillance camera, and it’s raining.”” Ding Lan shook her head.””I’m afraid it’ll be difficult to take a clear picture of the car ...”” ”

“““After the car hit the person, it actually came out from under the roof and then drove away without any braking!”” Zhao Yu said,””I just don’t understand why the man who bought the medicine didn’t call the police. ”

“““Could it be that ... Something happened to him?”” ”

“““Hmm ... I think ... We didn’t manage to find any information, right?”” Ding Lan’s chicken leg was left with only bones.””Brother-in-law, look at the man who bought the medicine. Is there something wrong with his appearance?”” ”

“““Oh?”” Zhao Yu adjusted the computer and enlarged the man’s photo. He observed it carefully and found some clues.””This man doesn’t look like a Korean!”” ”

“““I think he might be an illegal immigrant.”” “““You didn’t call the police because you were worried about being deported?”” Ding Lan asked. ”

“““It’s possible,”” Zhao Yu said, nodding.””The accumulated depression caused him to have evil thoughts! Since I’m not calling the police, I’ll take revenge in my own way! But ... Black eyes ...”” ”

““What Zhao Yu meant was that even if this person wanted to take revenge, he couldn’t have done the exact same thing as the Yokohama F. Marinos black pupil case. ”

“““So ...”” Ding Lan understood what Zhao Yu meant and said immediately,””he must have been instructed by someone. Brother-in-law, do you think that if we check the name list of the fraternity, we’ll be able to find the person who bought the medicine?”” ”

“““Will you?”” Zhao Yu shook his head.””Since he’s an illegal immigrant, would he dare to join the association? You forgot that you need to register to join the fraternity!”” ”

“““Oh ...”” Ding Lan pondered.””That means ... This man got in touch with the black-eyed killer through other channels! In short, I don’t think that this person is the black-eyed killer who killed everyone. He shouldn’t be ... Related to the bus fire, right?”” ”

“““Investigate ... We still have to investigate ...”” Zhao Yu wrote this down in his book and was ready to assign tasks to the agents from the National affairs Department. ”

“““Eh? ““Hey, hey, hey ... Brother-in-law, look ...”” At this time, Ding Lan saw an unexpected scene on the computer screen and hurriedly reminded Zhao Yu to watch it. At the same time, she threw away the chicken bone and started operating the computer. ”

Zhao Yu took a look and saw that there were new changes in the surveillance camera of the pharmacy.

““When the woman was hit, the man ran to the woman and called for help. The pharmacy owner ran back to the pharmacy to call the emergency number. However, a black car drove over from the road. ”

“Moreover, the black car slowly stopped at the scene of the accident after the man waved his hand to stop it.”

“Because of the camera, Zhao Yu couldn’t see what the man was saying to the driver, but he could feel that the man was probably begging the driver to take his wife to the hospital.”

“However, after more than ten seconds, the black car still drove away and did not agree to the man’s request. In the camera, the man could only be seen waving his arms in despair, and then holding the woman in his arms ... ”

““This car ...” Zhao Yu swallowed. “Damn it!” “Isn’t this Quan youdong’s big Benz?” ”

““Ah?”” Ding Lan jumped in shock. “Quan ... Quan youdong ‘s? This means ...” ”

““In other words,”” Zhao Yu’s eyes were wide open, “we found the root of Quan youdong’s murder!” ”

““After the woman was hit, Quan youdong passed by the place. The man asked Quan youdong for help to send the woman to the hospital, but Quan youdong refused!” ”

““That’s why the woman missed the best chance to save her. That’s why the man not only hated Li Yiyang for bumping into his wife, but he also hated Quan youdong for not helping her!” ”

““That’s why we have to kill them in the black eye case!”” ”

““A person ... So cold and indifferent, not helping a dying person ... Isn’t this too inhumane?”” Ding Lan frowned. “Why does the black pupil case feel more like a scream?”” ”

“Ding Lan’s words were obviously caught up in a conflict of right and wrong values, just like Zhao Yu had in the past.”

“However, although Zhao Yu had experience in such matters, it was hard for him to make a judgment.”

““Sigh ...”” Zhao Yu took a deep breath, shook his head, and said, “Quan youdong has done so many bad things, but I didn’t expect ...” ”

““I’m afraid ... Even he didn’t expect this. It’s actually because he refused to save her ...”” ”

““Indeed.”” Ding Lan nodded. “How many detours have we taken to investigate Quan youdong?”” ”

““Mm ...”” Zhao Yu corrected her. “I was the one who took a wrong turn, okay? You didn’t even participate!”” ”

““If that’s the case ...”” Ding Lan stood up. “As long as we can catch the man who bought the medicine, everything will be solved, right?”” ”

““So, can we take a break now?”” ”

““Mm ...”” Zhao Yu thought for a moment, then said, “but there’s still a lot of information that I haven’t seen yet! If you’re tired, then go back to the hotel and rest!”” ”

““No, I’m not!”” Ding Lan smiled. “It’s quite lonely to be by your side!”” ”

“Ding ding ding, ding ding ding ... ”

“As they were talking, the phone rang. Ding Lan quickly picked it up and said to Zhao Yu, “”””You need a Secretary too, don’t you?”” ”

“””Hello? “”Well ...”” Ding Lan picked up the phone and repeated the report while listening to the phone.””You mean the pharmacy owner has been brought back to the police station? Then ...”” ”

“Zhao Yu waved his hand, and Ding Lan understood. ”

“””Oh, it’s okay. You can ask him!”” Ding Lan said,“”detective Zhao has more important things to do, so he won’t be going in person! ”

“””Oh ... Oh ...”” After listening for a while, Ding Lan said,“”you’ve already found out about it from the hospital?”” That night, the emergency department did receive a car accident. The victim was a pregnant woman, and in the end, both the adult and the child were lost ... ”

“””The doctor said that if he had been sent here a few minutes earlier, perhaps his life could have been saved ... ”

“””Oh ... Then, before the hospital could register, the deceased’s family took the deceased away? ”

“””Oh ... Alright, alright, I understand!”” Ding Lan said,“”please send me the hospital’s video data as soon as possible!”” If the video is slow, then send the photos first ...”” ”

Ding Lan’s heart was heavy after she hung up.

“””Yup!”” Zhao Yu was the same.””In a foreign country, he finally made it. His wife had a child, but because of their indifference, they took away the two most precious things in his life! ”

“””Maybe, even if he wasn’t an illegal immigrant, he would deliberately not want to call the police?”” ”

Ding ...

“Before Zhao Yu could finish, his phone rang again. ”

“Ding Lan picked it up immediately. When she heard the message, she repeated excitedly,“”””You’re saying that you’ve already found out the identity of the man who bought the medicine, and you’re in the midst of arresting him?”” ”

Chapter 2066: The revenge of being exchanged?

“4:20 am, Seoul police station, interrogation room. ”

“””The suspect’s name is Yu Wanjin. He gave himself this name after coming to Korea. We still don’t know what his original name is yet ...”” An agent told Zhao Yu in the monitoring room.””In fact, he is an illegal immigrant from Southeast Asia. His whole family snuck in. They are a big family!”” ”

“””They live in the residential area behind the pharmacy and rely on the underground Chamber of Commerce. ”

““““Yu Wanjin works in the workshop while his wife works in the sewing factory. Although the work is tough, they do earn quite a bit ...”” ”

“Listening to the introduction, Zhao Yu turned to the one-way glass and looked at everything in the interrogation room carefully. ”

“At this moment, a suspect with a Southeast Asian face was sitting in the interrogation chair, and the National Intelligence Department was interrogating him. ”

““““Yes,”” Yu Wanjin replied to the interrogator’s question,”” my wife was killed by a car! If I call the police, I’ll be sent back to my country. My entire family is here, so I don’t want to go back ...”” ”

““““Hmph,”” the interrogator snorted coldly,”” you make it sound so simple. You think you can explain everything by not calling the police?”” Let me ask you, do you know these two people ...”” ”

“As he spoke, the interrogator placed the photo of Li Yiyang and Quan youdong on the table. ”

““““Hmm ...”” Yu Wanjin took a closer look and shook his head calmly.”” I’m sorry, I don’t know him!”” ”

Whoosh ...

There was an uproar in the monitoring room. No one expected Yu Wanjin to deny it and be so calm.

““““Don’t you feel sad about your wife’s death?”” the interrogator asked. Have you never thought of seeking revenge on the person who killed your wife?”” ”

““““I’ve thought of it, but what can I do?”” Yu Wanjin’s expression did not change as he said,”” my rights are different from yours. When faced with such a disaster, what else can I do but endure it?”” ”

Yu Wanjin’s answer made the monitoring room silent again.

“He was surprisingly calm, which was obviously different from the usual situation. Therefore, everyone could almost conclude that Li Yiyang and Quan youdong’s deaths were definitely related to him! ”

“But ... If he refused to confess, the police might not be able to come up with a better solution for the time being. They would have to carry out a lot of investigation. ”

““““Try to recall, on the 14th of this month, on Friday night,”” the interrogator continued his routine,”” where were you?”” ”

That day was the day Quan youdong was killed.

““““The garage received an order to make a soul-returning car,”” Yu Wanjin said without thinking.”” I was at the garage the whole night. The people who worked with me can testify!”” ”

““““F * ck ...”” Hearing this, Zhao Yu couldn’t help but curse. He then whispered to Ding Lan,”” she’s obviously here to memorize the lyrics!”” ”

““““Yeah.”” Ding Lan frowned.”” She said it without even thinking. How fresh!”” Um ... Brother-in-law, what’s a soul-returning car?”” ”

“““Soul-returning cars are cars that have had accidents. They are modified into new cars by these illegal modification factories and then sold as smuggled cars!”” Zhao Yu answered quickly. He was, of course, familiar with such shady business. ”

“““Oh ...”” Ding Lan nodded, then said worriedly,“““why do I feel like things are going to get more complicated?”” ”

It had to be said that Ding Lan’s premonition was quite accurate.

“When the interrogators asked about Yu Wanjin’s whereabouts on the night of Li Yiyan’s death, Yu Wanjin did not change a single word. He gave the exact same answer, saying that he was also modifying the soul-returning car that night ... ”

“After that, Yu Wanjin answered all the other questions that the interrogators asked without leaving a single drop out. ”

“They interrogated him until dawn, but they still didn’t find any flaws. ”

“““AI!”” One of the police detectives in the monitoring room sighed.“““It seems that we can only find the car repair shop and investigate them one by one! As long as we can expose this kid’s lies, we won’t be afraid that he won’t admit to his crimes!”” ”

Tsk tsk ...

“Hearing this, Zhao Yu sighed in his heart, because he had already had a premonition that the case was definitely not that simple. ”

“Since the arrest was so easy and Yu Wanjin’s answer was so fluent, it could only mean that they were ready to be interrogated. ”

“From past experience, Zhao Yu knew that sometimes, the earlier a suspect was caught, the more likely it would be that the truth would not be revealed. ”

“Once again, it was proven that Zhao Yu’s premonition was very accurate. ”

“The next day, at around nineo’ clock in the morning, the person in charge of investigating Yu Wanjin’s confession returned dejectedly. He said that through their investigation, they had already proven that Yu Wanjin’s confession was completely true. ”

“During the time when Li Yiyan and Quan youdong were killed, he had been working in the underground modification factory. Not only were there a large number of employees who could testify, but there was also a video as evidence! ”

“The boss of the factory was worried that his employees ‘hands were not clean or that they were wasting their time, so he secretly installed surveillance equipment to record their work. ”

“The video clearly showed that Yu Wanjin had been working all night. Other than going to the toilet, he did not leave the camera. ”

“At the same time, another team of investigators searched Yu Wanjin’s residence but found nothing. They did not find anything related to the blackpupil case. ”

“The Korean law stipulated that a suspect could not be detained for more than 24 hours, even for a serious case like the blackpupil case.”

“So, if the police still couldn’t find any decisive evidence by four o’ clock tomorrow morning, they could only release the man!”

““Brother-in-law,”” Ding Lan said tiredly to Zhao Yu in the office,””since Yu Wanjin has a clear alibi, does that mean that Li Yiyang and Quan youdong’s deaths have nothing to do with him?”” ”

““No!”” Zhao Yu said with certainty,””your words are not accurate! It could only be proven that Yu Wanjin did not kill Li Yiyang and Quan youdong, but it did not mean that he had nothing to do with their deaths!”

““Yu Wanjin must be an important insider. Otherwise, he wouldn’t be so calm!”” ”

““Um ...”” Ding Lan rubbed her forehead and said,””brother-in-law, I’ve been given the name ‘flying intelligence’. Do you want to hear it?”” ”

““Oh?”” Zhao Yu nodded.””Go ahead!”” ”

““Could it be ...”” Ding Lan said.””A murder in exchange?”” ”

““Oh?”” Ding Lan’s words seemed calm, but they suddenly lit up something in Zhao Yu’s mind. ”

““Didn’t the suspects in the third case also have alibis? ””Then ...”” Ding Lan said,””why don’t we exchange?”

““Let’s see what Yu Wanjin was doing on the night that the third victim, Liu Bingcheng, was killed. ”

““Then, let’s take a look at what the family members of the fire victims were doing when Li Yiyang and Quan youdong were killed.”” ”

““Right! You’re right!”” Zhao Yu pressed on Ding Lan’s shoulder excitedly.””Let’s assume that there was really a black-eyed killer behind the scenes, who wanted these people to achieve their goal of avenging their family. Then, is it possible to arrange for them to exchange their belongings for revenge?”” ”

““Reporting, Sir.”” At this time, an agent came into the office and reported to Zhao Yu,””we just found out an important piece of news. Yu Wanjin and his wife are both Catholic, and they go to the Seoul church almost every week ...”” ”

Chapter 2067: good intentions

“10 am, Seoul police station command room. ”

““Yes,”” one of the police detectives on the video call said,””Quan youdong’s driver recalled that there was indeed such a thing!”” ”

““Four months ago, Quan youdong finished a business deal and decided to celebrate. He brought two women from Jinchi and went to a hotel in Lingdong. ”

“““Someone stopped a car on the way. It turned out to be a car accident.”” The agent said,““a man stopped their car and begged them to take the woman who was hit to the hospital! ”

“““But Quan youdong rejected her! And he had rejected her in a very brutal way ... ”

“““The driver said ... He wanted to stop Quan youdong, but he didn’t dare to say anything because Quan youdong was drunk ... The two women in the car were the same ... ”

“““In the end, I could only drive away ...”” ”

“““To verify the identities of the two women,”” Li Zhen Zhu said.““To see if the driver’s testimony is true!”” ”

“““Yes!”” ”

“After hanging up the phone, Li Zhenzhu looked at Zhao Yu and said with concern,“““Zhao Yu, you didn’t sleep last night. Do you want to go and rest now?”” ”

“““Let’s wait a little longer,”” Zhao Yu said.““How are the arrangements at the church?”” ”

“““Senior officer!”” At this moment, an agent sitting in front of the computer said,““team one has entered the church and is on the move!”” ”

“““Very good, let’s switch to the live scene!”” ”

“With Li Zhen Zhu’s order, the scene appeared on the big screen, which was transmitted by the camera on the agent’s body. ”

A team of police detectives entered the church and began to question Yu Wanjin’s photo.

“Finally, after a few rounds of questioning, they finally found their target, a priest named Markson. ”

“““Hello, priest,”” the police detectives greeted politely after finding the priest,““sorry for taking up your time. We have a case and need your cooperation in our investigation!”” ”

“““Oh?”” Markson was very surprised. He asked in authentic Korean,““what case?”” ”

“““Here.”” The police detective showed Yu Wanjin’s photo.““May I ask if you know this person?”” ”

“““Oh ...”” Markson took a few glances and nodded.““I know them, I know them. They are believers here. They come to the church every week to listen to lectures.”” ”

“““Do you know what his name is?”” The agent asked. ”

“““I don’t know!”” Markson answered with certainty. ”

“““Then ... Did he join the student organization?”” The agent asked again. ”

“““I don’t think so ...”” Markson said,““I often go to the fraternity, but I haven’t seen him! ““Hmm ...”” Markson pointed to the photo and said,““this person is very pious. Although his conditions are not very good, he is very calm ... ”

“““However, his wife passed away, and he was a little depressed ...”” ”

“““Someone said ...”” The agent asked.”“This man once confessed. May I ask, at that time, did you help him?”” ”

“““Right!”” Markson replied very quickly,”“I did it for him! He has pain in his heart. Telling and listening to him can help him reduce his sorrow and walk out of the haze earlier ...”” ”

“““Then ... If I may ask,”” the detective said again,”“you’ve also participated in the Mutual Aid Association for the families of the bus fire victims, right?”” ”

“““Bus ... Fire ...”” Markson carefully recalled, then nodded and said,”“yes, professor Jin Shunxi invited me to attend their Mutual Aid Association. It was about five or six times, and I helped them recover from their trauma. Why?”” ”

“““It’s like this,”” the agent explained.”“We have a lot of questions to ask you, but it’s not convenient to do it here, so please cooperate with us and return to the Seoul police station to assist us. ”

“““This matter is related to a major case. So, please!”” After that, the agent bowed to Markson respectfully. ”

“““This ...”” Markson was a little embarrassed, but he finally nodded and said,”“okay! Since it’s an important matter, I should have helped ...”” ”

“““I can’t thank you enough!”” The police detectives bowed together and then led the priest out of the church. ”

“Through the camera, most of the people in the church had seen this scene. ”

“As the police detectives were wearing eye-catching police uniforms, these people were all very surprised. They did not understand why the priest would be taken away by the police. ”

“““Alright! The plan is going very smoothly!”” Li Zhenzhu smiled at Zhao Yu, then said to her men,”“next, you have to closely monitor the church and everyone in the fraternity through mobile phone positioning signals! ”

“““The real black-eyed killer might be among these people!”” ”

“““Amazing, amazing ...”” Ding Lan gave Zhao Yu a thumbs up and praised him in a low voice.”“Brother-in-law is really smart. The priest was brought back to the police station in a high-profile manner, so he definitely wouldn’t be able to sit still and do nothing about the black-eyed killer hiding in the dark!”” ”

“““The moment he dares to move, he will be immediately discovered by us!”” ”

“““Watch and learn, this is called knocking on the mountain to scare the Tiger, it works every time,”” Zhao Yu said.”“Just watch, we should soon be able to determine who planned all of this!”” ”

“““Add a little more!”” Li Zhenzhu saw that Markson had been taken into the police car and immediately ordered another team of detectives,”“go and search Markson’s residence and office, see if there is anything related to the black pupil case. ”

“““Remember, you have to be high-profile and polite. Don’t break other people’s things!”” ”

“““Understood!”” The team of agents received the order and immediately set off. ”

““““Alright, I’m done!”” Li Zhenzhu said to Zhao Yu, ““let’s wait and see who the black-eyed killer is!”” ”

““““Then ...”” Zhao Yu asked again, ““about the alibi, how is it going?”” ”

““““Not that fast,”” Li Zhen Zhu replied. ““The first victim, Li Yiyang, died a month ago. It will take time to check the alibis of so many people at one go!”” ”

““““But,”” Ding Lan interrupted, ““what about Yu Wanjin? It shouldn’t be too difficult to check if Yu Wanjin had an alibi on the night that the third victim, Liu Bingcheng, was killed, right?”” ”

““““Right!”” One of the police detectives next to him replied, ““we have checked. At least, Yu Wanjin did not work overtime at the car factory that day!”” ”

““““We also asked him, and he said that he was sleeping at home that night. We need further proof!”” ”

““““Is that so?”” Zhao Yu said, ““show me the video of your interrogation!”” ”

““““Oh ...”” The investigator quickly searched on the computer. It took him more than two minutes to find the video. ”

“In the end, Zhao Yu didn’t need to remind him, as he realized the problem himself. ”

“However, when the interrogator asked Yu Wanjin where Liu Bingcheng was on the night he was killed, Yu Wanjin was obviously stunned. ”

“Through the slow-motion replay, it was clear that Yu Wanjin was not prepared for this question and was rather surprised. ”

““““Did you see that? Did you see that?”” Ding Lan said excitedly, ““it’s a trade! ”

““““Liu Bingcheng’s death could be caused by Yu Wanjin! ”

““““As for the family members of the fire victims, they helped him kill Li Yiyang and Quan Youdong ... This black-eyed killer really had good intentions!”” ”

Chapter 2068: stakes

Zhao Yu opened his eyes and saw a beautiful face smiling at him.

““““Eh? Meow Meow? What are you doing here?”” ”

“This beautiful face was his girlfriend, Miao Ying. ”

““““I’m here to see you!”” Miao Ying smiled. Her smile was so beautiful that it could cause the downfall of a city. There was even a colorful light behind her. It was beautiful. ”

““““That’s great!”” Zhao Yu held her beautiful face in his hands, feeling happy from the bottom of his heart. ”

“Hey! What the hell is this!” Unexpectedly, at this time, a discordant voice suddenly sounded. “Who asked you to come? Do you know how dangerous this place is?”

“Oh? Dad?” Miao Ying panicked and quickly turned around. ”

“Miao kun was already standing at the door. He pointed at the door and shouted, “Go! Let’s go, leave this place!”

“But ... But ...” Miao Ying looked at Zhao Yu affectionately, obviously reluctant to let him go. ”

“F * ck!” Zhao Yu grinned and was about to curse, but he found himself unable to speak. Then, he couldn’t even move. ”

“Run! This place is too dangerous!” The next second, Zhao Yu watched as his father-in-law, Miao kun, pushed Miao Ying out of the door. ”

“But, Zhao Yu couldn’t move at all ... ”

Ah ...

“As he shouted, Zhao Yu suddenly sat up on the bed, panting and sweating. ”

No way?

He swallowed his saliva and realized that it was just a dream.

“He looked at the clock on the wall. It was 5:30 in the afternoon, and he had slept for more than four hours. ”

Whoosh ... Whoosh ...

“He pulled open the curtains and found that it was a cloudy day outside. The sky was covered with dark clouds, as if it was going to rain soon. ”

The weather ...

Al!

Zhao Yu rubbed his eyes and recalled the dream he had just had. It felt both real and blurry.

It seemed like ...

“He had missed Miao Ying so much. Ever since Miao Ying had joined the Secret Service, he had not seen her again. He wondered how

Would he lose weight?

“She was already slim enough, so she couldn’t be any slimmer! ”

Zhao Yu couldn’t help but pick up his phone and call Miao Ying.

“Hello ...” The call was quickly connected, and the voice of the goddess came through. “Zhao Yu, why did you think of me at this time?”

“What are you saying? I’ve been thinking about you all this time! Zhao Yu said excitedly, “MeowMeow, when are you coming to Korea? I don’t even have the chance to use my black card!”

“Hehe,” Miao Ying laughed, “don’t worry, it’ll be soon!” The protection mission is coming to an end. I need to return to the Secret Service to report first, and then go to the criminal Division to take a look.”

“When everything’s fine, I’ll immediately head to Seoul to find you!”

“Hmm...Then hurry up!” Zhao Yu said sincerely, “I really missed you so much!”

“I missed you too!” Miss Miao asked, “how is it? I heard that you have a new case?” You must pay attention to your relaxation and not work too hard!”

“I know, I know. I’m right here ...”

“Before Zhao Yu could finish, his phone toot. Obviously, someone was calling him.”

“Alright then!” Miao Ying heard the voice and quickly said, “go and work on your case first! I’ll find you as soon as possible, Chen ...”

“Mm ... You have to be careful too. Take care of her until she’s fair and chubby ... Mm ...”

“Before Zhao Yu could finish, Miao Ying hung up the phone.”

“He looked at the caller ID and saw that it was his sister-in-law, Ding Lan. Ding Lan had been keeping an eye on him at the police station. Since she had called him, it meant that something important had happened.”

“So, Zhao Yu pressed the answer button.”

“Hello, brother-in-law, are you awake yet?” Ding Lan said hurriedly, “we have a new situation here. A priest in the church has left Seoul for no reason. He’s taking a long-distance bus to daqiu!”

“Ah?” “Which priest?” Zhao Yu asked.

“Yes, his name is Ike. He’s a German, only 27 years old this year!” Ding Lan replied.

“Ah?” Zhao Yu was surprised and said in a hurry, “then tell Li Zhenzhu not to rush to catch him! He was so young, so it was very likely that he was only a small disciple!”

“Send someone to follow him and see if we can catch a big fish!”

“Right!” “Officer Li thought the same,” Ding Lan said. “That’s what he planned.”

“Then ...” Zhao Yu asked again, “any other progress?”

“Yes, there is!” Ding lanyan said, “you should come over first!”

“Alright!” Zhao Yu immediately got out of bed and got dressed. He didn’t even have time to wash up, but went straight to the Seoul police station.”

.....

After 15 minutes.

Seoul police headquarters.

“““The testimony isn’t very reliable,”” Li Zhenzhu said to Zhao Yu.”“My people went to Yu Wanjin’s house, and his family members’ testimonies were inconsistent. We have reason to suspect that Yu Wanjin was lying!””

“““On the day Liu Bingcheng was killed, he was probably not sleeping at home!”” ”

“““Then ...”” Zhao Yu quickly asked,”“what about the surveillance cameras near the place where Liu Bingcheng was killed? Did you manage to capture Yu Wanjin?”” ”

“““No.”” Li Zhen Zhu shook her head.”“I’ve checked it many times. The park is accessible in all directions, and not all places have surveillance cameras!”” ”

“““Since the black-eyed killer chose to dump the corpse there, he must have done some research in advance.”” ”

“““It’s so strange ...”” Ding Lan frowned.”“Why do I feel more and more confused as I get closer to the truth?”” He really wanted to know who this black-eyed killer was. Was it really ... A plot of land? Where is he?”” ”

“““You’re too tired, sister!”” He said. Zhao Yu said with concern,”“now that I’m well rested, you should go back to the hotel to sleep!”” ”

“““I’m not sleepy!”” Ding Lan refused.”“I slept last night. You were the one who stayed up all night!”” Don’t worry! I’ve received professional training. If there’s a problem, I’ll go and rest!”” ”

“““Then ... Alright!”” Zhao Yu shrugged. ”

“““It’s about the family members of the victims of the bus fire,”” Li Zhenzhu said.”“The situation is a little complicated. Li Yiyang and Quan Youdong are two separate cases, so we’re investigating them separately.””

“““In the end, out of the 10 people, six of them were unable to prove where they were on the night of Li Yiyang’s death. When Quan Youdong was killed, there were four people who couldn’t prove their innocence.””

“““There are some that overlap, and some that don’t.”” ”

“““Oh ...”” Zhao Yu nodded.”“If they really did it, it seems that there are quite a few people involved!”” ”

“““Then ...”” Li Zhenzhu said again,”“let’s ask the detective’s opinion. Can we arrest them now?”” Arrest those who can’t prove it and interrogate them?”” ”

“““No...”” Zhao Yu shook his head.”“You’re only allowed to interrogate him for 24 hours. Without any further evidence, I’m afraid you won’t be able to get anything out of him!”” ”

“““Right, we’re thinking the same thing again!”” Li Zhenzhu said,““just like Yu Wanjin, because he has no direct interest in Liu bingcheng, regardless of whether he has an alibi or not, as long as we don’t have solid evidence, we can only release him!”” ”

“““Stakes! An alibi! ““Tsk tsk ...”” Zhao Yu pouted.““Black-eyed killers really know how to play! It seems that he knows your law very well!” ”

“““Even if we catch all the suspects, I’m afraid we won’t be able to convict them!”” ”

Chapter 2069: cutting method

“At eight o’ clock in the evening, there was news from the front. ”

“The German, Ike, had no problems at all. He was only going to the great Qiu to participate in a low-level cricket match. ”

“It turned out that he was a cricket fan. The game had been scheduled as early as last week, and the agents who had followed him all the way had wasted their efforts. ”

“““What a headache, except for Ike,”” Li Zhenzhu said to Zhao Yu helplessly,““whether it’s the church staff, the staff of the fraternity, or the teachers, none of them found anything unusual!”” ”

“Zhao Yu shook his head and sighed.““It seems that the black-eyed killer didn’t fall for it. My warning didn’t work!”” ”

“““Or maybe ...”” Li Zhenzhu said.““The black-eyed killer is not in the church, and we have found the wrong place.”” ”

“““No!”” Zhao Yu said firmly,““it must be there! Only in the fraternity and the church will the black-eyed assassins have the chance to see the weaknesses of those people and make use of them!”” ”

“““Don’t tell me,”” Li Zhen Zhu shrugged her shoulders,““you want us to search the entire church!”” ”

“““No need,”” Zhao Yu said, closing his eyes.““Give me a little more time. I should be able to think of a way.”” ”

“Then, Zhao Yu turned around to leave. ”

“““Then ...”” Li Zhenzhu quickly asked,““what about Yu Wanjin?”” When the sun rises tomorrow morning, we’ll have to release him!”” ”

“““Isn’t it cloudy today?”” Zhao Yu laughed,““it’d better rain tomorrow!”” ”

“After that, he left the command room and went to his office. ”

“““Rain ...”” Li Zhenzhu smiled playfully.““Rain doesn’t prevent them from being released!”” ”

.....

“When Zhao Yu returned to his office, he saw a person standing at the door. It was the female expert from Japan, Masako Yangshan. ”

‘F * ck ...’

He really was like a ghost that refused to leave!

“Zhao Yu frowned, but the other party had already noticed him. ”

“““Detective Zhao, you’re finally here, hahaha ...”” Masako always looked energetic, or even overly energetic, no matter the time. ”

“She picked up the bag in her hand and said excitedly,““““Are you going to work late tonight? Da da da da ... I’ve brought you supper. It’s sushi and Japanese desserts I bought from the club. You’ll definitely like it!”” ”

“““You ... Um ...”” Zhao Yu used his fingerprint and password to open the office door, then stopped Masako outside the door and said,“““you should go and do what you need to do!”” ”

“““Um ... Please don’t ...”” The little girl said coquettishly.“““Give me a chance to learn from you. I’ll at least see how you study the case! ”

“““Also, I have a lot of information that even the Korean side doesn’t have. Maybe it can help you!”” ”

“Zhao Yu took a closer look at Masako. As the invisible detector in his brain was always on, he could clearly see that Masako was not wearing a pinhole camera or any other recording equipment. ”

“From this, it seemed that she really wanted to participate in the investigation. ”

“Since ... Zhao Yu thought that both of their goals were related to the black eye case, and she was an expert in the case, it was not a bad idea to keep her here to help. ”

“Besides, Zhao Yu had some questions that he wanted to ask her. ”

“Thus, he could only move away. ”

“Masako was quick-witted, and immediately slipped into the office under Zhao Yu’s arms. ”

“““Here,”” she put the food on the table, then took out her mobile phone and said to Zhao Yu,“““all the information about Liu bingcheng’s murder is with me! ”

“““I can be your assistant later. If there’s anything you want to know, just ask me!”” ”

“Zhao Yu ignored her, but stood in the middle of the five whiteboards, and began to add information to them at his own pace. ”

Masako Yangshan was really sensible. She just watched quietly from the side and did not make any more noise.

“After adding it for more than half an hour, Zhao Yu waved at Masako and said,““““Here, help me move another side over!”” ”

“““Okay ...”” Masako was more than happy to see that. She immediately placed a new whiteboard in front of Zhao Yu. ”

“Zhao Yu stood in between the six whiteboards, which formed a hexagon, which was a bit strange. ”

One hour ...

Two hours ...

Three hours ...

“Masako waited for a few hours, yawning sleepily, but Zhao Yu didn’t speak to her again. He was standing by the whiteboard, thinking about the case seriously. ”

“Later on, Masako couldn’t take it anymore and fell asleep without realizing it. ”

“When she woke up again, she realized that Zhao Yu had already returned to his desk. He was carefully looking through some information and writing something down in a notebook. ”

Oh ...

Masako stretched lazily and looked at the time. It was already past three o’ clock at night.

“Then, she looked at the sushi and desserts she had brought. There were not many left. ”

Oh ...

“She yawned again and scratched her head as she walked over to Zhao Yu. She finally couldn’t help but ask,“““How is it, detective Zhao? any news?”” ”

“““Oh?”” Zhao Yu turned around and looked at her.““You’re awake?”” ”

“““You have so much energy!”” Masako said in admiration,““it’s so late. Aren’t you sleepy? Oh ... It’s already 3 o’ clock. Does that mean that the suspect, Yu Wanjin, will be released in an hour?”” ”

“““It doesn’t matter,”” Zhao Yu said.““Whether you let her go or not, officer li will take care of it! He will never be able to escape ...”” ”

“““So ...”” Masako looked at Zhao Yu’s notebook and rubbed her eyes,““there’s really a lead?”” ”

“““Mhmm ... Masako ...”” Zhao Yu gestured to the seat next to him and asked,““can you tell me about the details of the Yokohama F. Marinos black pupil case?”” ”

“““Oh?”” Masako was surprised and quickly sat next to Zhao Yu. She nodded and said,““okay? Although I haven’t experienced it personally, I’ve studied it with teacher and I can’t be more familiar with it!”” ”

“““Okay, then let me ask you,”” Zhao Yu said.““Do you think that pan Tian’s noble father was really wronged?”” ”

“““Yes, I am!”” Masako nodded without hesitation.““The dismembered bodies of two girls appeared in his family’s butcher shop! I think that if pan Tian’s father was really the murderer, as long as he had some common sense, he wouldn’t have made a move in his own butcher shop!”” ”

“““Then ...”” Zhao Yu asked again,““back then, did the police study the technique?”” ”

“““Technique?”” Masako didn’t understand.”““What technique?”” ”

“““The method of killing,”” Zhao Yu said solemnly.”““A butcher who sells meat must have his own way of cutting. Although the human body and animals are somewhat different, if we carefully examine the marks left by the knife, can we compare them?”” ”

“““Yes, I am!”” To his surprise, Masako once again nodded without any hesitation and said,”““at that time, the police invited experts from the National University’s medical school and Biology Department to participate. ”

“““Through the examination, they found that most of the cuts on the body were similar to that of pan Tian guiqi’s father, except for some minor differences!”” ”

“““Ah? It’s actually like this?”” This time, it was Zhao Yu who was surprised. ”

“““Otherwise,”” Masako said,”““why would his father be found guilty?”” ”

“““In that case ...”” Zhao Yu asked again,”““is there any helper in the butcher’s shop? Does your father have any disciples?”” ”

“““Eh?”” At this moment, Masako suddenly realized something and asked in surprise,”““no way? Detective Zhao, you’re asking these questions ... Do you want to solve the case from forty-five years ago?”” ”

Chapter 2070: death case

“““I’m so excited, so excited!”” Masako said,”““I’ve already heard about the ghost king case. It’s amazing that detective Zhao was able to find the truth of such an old case!”” ”

“““That was just a coincidence ...”” Zhao Yu said.”““You are really well-informed. The ghost king case happened not long ago, and you already know about it?”” ”

“““That’s right,”” Masako said without any hesitation.”““I’ve been paying attention to you! The ghost king case is really unexpected. The real murderer is actually ...”” ”

“““Alright, alright, let’s get down to business!”” Zhao Yu waved his hand.”““The reason why I asked you about the Yokohama F. Marinos black-eyed case is to further enhance my deduction. ”

“““Here, pangtian guiqi was 26 years old back then. If he followed his father as an apprentice, would he be able to learn the same saber technique as his father?”” ”

“““It’s already been 45 years, why ...”” Masako grinned.”““Why do I still feel a chill when I hear you say that? ”

“““But, pan Tian GUI Qi was working in the butcher shop in his early years, so he also had some simple slaughtering skills. ”

““““But he was really studying in another city. Although there were no surveillance cameras, the students and teachers in the same dormitory could prove it!”” ”

““““You’re already 26 years old. Are you still in school?”” Zhao Yu was confused. ”

““““Yes.”” Masako nodded.””It’s a technical school. After you finish your studies, you can work in the Yokohama F. Marinos marine industry Department. It’s very popular!”” ”

““““That is to say,”” Zhao Yu said,””the murderer of the two girls is definitely not him?”” ”

““““Right!”” Masako nodded.””Looking at you, you don’t seem to be satisfied! My teacher had the same expression as you! It feels like ... You two are very similar in some ways ...”” ”

““““I’m very curious ...”” Zhao Yu creased his eyebrows and said,””how did pan Tian GUI Qi have the ability to kill so many jurors, and even lawyers and judges ...”” ”

““““Then why? Why didn’t he go and find the real murderer? If we can find the real murderer, won’t we be able to clear his father’s name?”” ”

““““Oh, that’s what you mean. I haven’t answered your previous question!”” Masako said,””the police also thought of your idea back then, but pangtian guiqi’s father never took an apprentice. The butcher shop is a small business, and he has never hired anyone!”” ”

““““Then ...”” Zhao Yu asked again,””what about pan Tian’s noble mother?”” ”

““““His mother died a long time ago,”” Masako said.””She died of illness, so Pangda Takumi and his father relied on each other like their lives depended on each other. They had a very good relationship!”” ”

““““Oh ... I see ...”” Zhao Yu was still thinking about something. ”

““““According to the information,”” Masako said,””Ponda Takumi is very good at swimming, so I always thought that he didn’t die when he jumped off the cliff! ”

““““I just don’t understand. If he was still alive, then the black pupil case shouldn’t have stopped. At the very least, he’s going to lay his hands on the remaining jury members!”” ”

““““Is there anyone else in his family?”” Zhao Yu thought for a while and asked. ”

““““I don’t have any close relatives,”” Masako said.””I do have a few cousins, but they live in Hokkaido, which is far away.”” ”

““““So,”” Zhao Yu asked,””pan Tian GUI Qi is the only child?”” ”

““““Yes, that’s right!”” Masako nodded.””His mother died early, and his father didn’t look for another woman for his child, so he only has one child!”” ”

““““I can’t believe it ...”” Zhao Yu creased his eyebrows.””This case is really full of doubts!”” ”

““““Although the technology back then wasn’t very advanced,”” Masako said,””the police thought of everything they could think of! From the investigation to the trial, to the execution of the death penalty, it took less than two years! ”

“““They’ve really tried their best in the past two years!”“ ”

“““In that case,”“ Zhao Yu said, shaking his head.”“I’m afraid there’s only one explanation, and that is that pan Tian GUI Qi’s father is the murderer! ”

“““However, pan Tian GUI Qi’s mind was twisted. He always believed that his father was innocent! This kind of stubborn thinking originated from his love and trust for his father. ““ ”

“““That’s what Ms. Tanizawa thought back then, but ...”“ Masako shook her head.”“His father is kind and doesn’t look like a murderer! ”

“““If pangtian guiqi doesn’t have an alibi, perhaps we can understand that the two children were killed by pangtian guiqi, and the person responsible for dismembering them was his father! ”

“““But pan Tian GUI Qi was not present, and there was no one else in his family. This case ... Is a dead case!”“ ”

“““I think,”“ Zhao Yu smiled bitterly,”“that there are no real dead cases in the world. Since there are cases, there must be a reason for them to appear! ”

“““Let me ask you ...”“ Zhao Yu asked.”“At that time, did the police investigate the background of the two girls, their family, and their parents? did they have any conflicts with the pangtian family? ”

“““Or, could it be that the two girls”“ family conditions are very good, and there’s a possibility that they were kidnapped? The murderer who killed them had only planned the kidnapping? ”

“““Or ... Um ... Um ...”“ ”

“Just as Zhao Yu was thinking seriously, he saw that Masako Yangshan’s face was covered in tears. She was actually crying ... ”

“““Eh?”“ Zhao Yu was surprised and asked,”“Masako, miss Masako, you ... What’s wrong?”“ ”

“““Oh, I’m sorry!”“ Masako wiped her tears and said to Zhao Yu,”“I just thought of you, Sensei. Seeing ... Seeing you think so hard, I thought of my teacher, Mr. Gu Zhao ...”“ ”

No way?

Zhao Yu felt strange and awkward. Do I look like that old man?

“““Zhao ... Detective Zhao ...”“ At this time, Masako suddenly changed her previous lively attitude and hugged Zhao Yu’s arm. She begged,”“I know that you also participated in the detective salon ...”“ ”

“““I ... I beg you to tell me, how did my teacher, Tani zhaichiro, die?”“ ”

“““You!”“ Zhao Yu was shocked. He had never expected Masako to ask this question. ”

“““Please!”“ Masako cried and complained,”“Mr. Gu Zhao is like my father. Before he left, he only told me that he was going to the detective salon organized by the Royal College of United Kingdom. ”

“““However, I didn’t expect that it would be the last time I would see him! ”

“““When his body was sent back, I only knew that he was shot in the head,”” Masako sobbed as she asked,”” detective Zhao, can you tell me who shot him?”” ”

“““This ...”” Zhao Yu weighed the pros and cons carefully, then asked,””so, you’re trying to get close to me just to ... To find out the truth behind Tani zhaichiro’s death?”” ”

“““Yes,”” Masako said bluntly,””I can’t find anyone else, but you are my only chance! I’m begging you!”” ”

“““I’m sorry, Masako!”” Zhao Yu’s answer was also very straightforward,””I can’t tell you! All you need to know is that the person who killed Tani zhaichiro has paid the price for his actions. ”

“““I can’t tell you anything else!”” ”

“Zhao Yu had signed a confidentiality agreement with MI6 at the detective salon on Miracle Island. Even though Xi Wei was dead, he couldn’t reveal it. ”

“Hearing Zhao Yu’s answer, Masako cried even more. But, from her eyes, it could be seen that she understood Zhao Yu’s pain, so she didn’t ask for more. ”

“““Alright,”” Zhao Yu comforted her,””miss Masako, don’t cry! I’m not familiar with Tani zhaichiro, but I can at least help him fulfill one of his wishes!”” ”

“““Oh? What wish?”” Masako hurriedly asked. ”

“““Help him close the black pupil case,”” Zhao Yu said confidently.””Let people know that, although it has been forty-five years, this is not a death case!”” ”
