Chapter 2071: emergency arrest

““““Cui Dongshan?”” Li Zhenzhu looked at the information that Zhao Yu had given her and asked in surprise, ““is it really him?”” ”

““““Don’t worry about it,”” Zhao Yu said. ““Get your men to bring him back before dawn. I want to interrogate him personally!”” You’ll know when the time comes!”” ”

““““Cui Dongshan ...”” Said Masako Yangshan. ““He is the first suspect in Liu bingcheng’s Black eye case, because in that car accident, his wife and only eight-year-old child died! ”

““““Someone mentioned that his wife and child were sitting in the front. If it wasn’t for Liu bingcheng’s obstruction, they would definitely have survived!”” ”

““““Yes,”” Li Zhenzhu said. ““He is indeed the first suspect, but he also has an alibi!”” ”

““““We’ve investigated him thoroughly and even searched his house, but we didn’t find anything ...”” ”

““““We’re not talking about Liu bingcheng’s murder, but the first two black pupil cases,”” Masako said. ““At least, when Quan youdong was killed, this cui Dongshan didn’t have an alibi, right?”” ”

““““But,”” Li Zhenzhu said, ““there’s no motive and no evidence. If we arrest them rashly, I’m afraid ...”” ”

““““Don’t worry, miss Zhen Zhu,”” Zhao Yu said. ““Since you’ve brought the man here, I’ll show you my evidence! Trust me, do it!”” ”

““““Well ...”” Li Zhenzhu was obviously still in a difficult position. ”

““““Also,”” Zhao Yu took the information and said, ““this bank escort, Park Yuchun, and the Han couple who sell fish, immediately send someone to keep a close eye on them. ”

““““If there’s a need, I’ll let you know and arrest them at any time!”” ”

““““Ah? ““You mean ...”” Li Zhenzhu swallowed. ““These people are also involved in the black pupil case?”” ”

““““Just do as I say!”” Zhao Yu said, ““at this rate, there will definitely be more deaths. So, we have to end this as soon as possible!”” ”

““““Well ...”” Li Zhenzhu hesitated for a moment, then said to her men seriously, ““did you all hear that? Take action immediately!”” ”

““““Yes!”” The agents immediately got to work. ”

““““Oh ...”” Zhao Yu stretched and yawned. ““I haven’t slept all night. I have to take a shower and get some breakfast!”” ”

““““Zhao Yu ...”” Li Zhenzhu asked again, ““it’s time to release Yu Wanjin. We can only release him!”” ”

“““Then let’s do it!”” Zhao Yu said,““but, if I’m not wrong, Yu Wanjin must have been involved in Liu bingcheng’s case. So, you’d better send someone to monitor him. ”

“““Maybe you’ll have to catch him before he gets home.”” ”

“““Okay, then there’s no need for that,”” Li Zhenzhu said, squinting her eyes.““Yu Wanjin is an illegal immigrant. I can use the immigration law to transfer him to the prison!”” ”

“““Hmph, I knew you had a way.”” Zhao Yu smiled.““Then don’t bother, just let him stay at your police station!”” ”

“““Maybe there will be a result soon!”” ”

“Then, Zhao Yu turned around to leave. ”

“““Hmm ...”” Li Zhenzhu couldn’t help but ask,““these people ... Should be accomplices?”” The real murderer should be ...”” ”

“““Don’t worry,”” Zhao Yu said with confidence.““Everything will come to light!”” ”

“Then, Zhao Yu turned around and left. Masako Yangshan followed Zhao Yu out of the command room.
”

“““Hello?”” Zhao Yu raised his eyebrows.““I’ll take a shower? What are you doing? Do you want to come with me?”” ”

“““Alright? Why not?”” Masako regained her liveliness and laughed.““I’m so good at back-scrubbing! Do you want to try?”” ”

.....

“40 minutes later, the sky had just brightened. However, because of the dark clouds, the sun did not seem to be as bright. ”

“However, Zhao Yu, who was in the interrogation room, didn’t feel that there were no windows at all. ”

“Masako was sitting next to Zhao Yu, holding a stack of documents, acting as his assistant. ”

“Li Zhen Zhu and a group of investigators were standing in the monitoring room, waiting for the upcoming interrogation. ”

“With the sound of handcuffs being cuffed, the suspect Cui Dongshan was brought to a chair in the interrogation room. ”

“The man was burly, with broad shoulders and a round waist. He had a full beard and thick hair. Even through his shirt, one could see the chest hair sticking out of his collar ... ”

“However, this person had obviously never been to the interrogation room before. When he sat down in the interrogation chair, he looked a little uneasy and his eyes kept looking around. ”

“““Cui Dongshan,”” Zhao Yu said in standard Korean.““Do you know why we caught you?”” ”

“““I ... Um ... I don’t know ...”” Cui Dongshan’s voice was trembling. ”

“““It shouldn’t be, right?”” Zhao Yu said,“““according to my analysis, you have been a soldier and have carried out combat missions. Your mental strength should be very good, right?”” ”

“““I ... Me?”” Cui Dongshan shook his head nervously.“““It’s not a real combat mission. It’s a drill, a drill ... ”

“““Um ... May I ask, why ... Why did you arrest me?”” ”

“““Because you were involved in the black pupil case and assisted the murderer in killing someone!”” Zhao Yu’s face grew serious.“““Tell me, why did I arrest you?”” ”

“““I ... No... No no no?”” Cui Dongshan waved his hands and shook the handcuffs.“““I’ve explained to you that I really hate Liu bingcheng to the bone. I’m happy that he’s dead! ”

“““But I really didn’t kill him? That day, I went to Seoul to settle some matters. I have an alibi ...”” ”

“““Hmph!”” Zhao Yu smiled.“““Your performance is really far from Yu Wanjin ‘s. Didn’t anyone tell you not to panic when you’re being interrogated?”” ”

“““I ... I’m not panicking,”” Cui Dongshan wiped the sweat from his forehead. He didn’t seem to believe it. ”

“““Alright, let’s hurry up!”” Zhao Yu said,“““we brought you here not because of Liu bingcheng’s murder, but because of the second victim of the black pupil case, his sister-in-law, Quan youdong!!”” ”

“Zhao Yu deliberately emphasized the words “““Quan youdong.”” Sure enough, after cui Dongshan heard it, he trembled violently. He was obviously frightened by Zhao Yu. ”

“““Quan ... Quan youdong ...”” Cui Dongshan said hypocritically,“““I know this person. He ... He’s also a victim of the black pupil case, right?”” ”

Bang!

“Suddenly, Zhao Yu slammed the table. Not only was cui Dongshan shocked, but even Masako, who was next to him, was shocked and covered her heart. ”

“““Hmph!”” Zhao Yu shouted,“““don’t recite your lines here. You were involved in Quan youdong’s murder case, so you’re the murderer of Xuanji!”” ”

“““Ah?”” Cui Dongshan’s expression changed and he quickly explained,“““it’s ... It’s not me? I don’t have any grudges with him, why would I kill him?”” ”

“““Because as long as you kill Quan youdong, someone will take care of Liu bingcheng for you and avenge your dead wife and child!”” ”

“““You ... This ...”” Cui Dongshan was at a loss. He retorted nervously,“““no, there’s no such thing.”” I don’t even know Quan youdong and Yu Wanjin ...”” ”

“““Oh ... Oh ...”” Zhao Yu stood up, his eyes wide as he said,“““you’re confessing, right? Isn’t he confessing? I didn’t say anything just now. How did you know the name Yu Wanjin? ”

“““Are you still pretending? I caught you, didn’t I?”” ”

“““Um ... You ...”” Cui Dongshan said, sweating.““Didn’t you just mention that name?”” Why am I not as good as Yu Wanjin?”” ”

“““Oh? Is that so?”” Zhao Yu turned around and asked Masako Yangshan,““did I just mention Yu Wanjin’s name?”” ”

Masako nodded weakly.

“““Oh!”” Zhao Yu sat down and said,““but, even if I did mention it, you shouldn’t be familiar with the name.””

“““Cui Dongshan, I know you are an accomplice,”” Zhao Yu said, shaking his head.““As long as you tell me the truth, you will be treated leniently!”” ”

“““So, just confess! Tell me, how did Quan youdong die?”” ”

Chapter 2072: shocking words

“““Police officer, police officer ...”” Cui Dongshan shook his head and said,““I’m not lying. I really don’t understand what you mean!””

“““Quan youdong’s death has nothing to do with me. Really, really ...”” ”

“““Oh ... Is that so?”” Zhao Yu smiled and said,““since you don’t want to tell me the truth, I’ll tell you everything for you!””

“““It’s a pity. If you could confess, I would have let you go considering your family’s misfortune! However, since you’ve already made your choice, there’s no other way!””

“““Cui Dongshan, do you still not understand? If we didn’t have solid evidence, how could we arrest you?””

Some of you have already confessed!

“““Yu Wanjin, Han Cheng, Park Yunshun, Lee xuanmei ...”” Zhao Yu narrowed his eyes.““Who do you think confessed first?”” ”

“Unexpectedly, after hearing this, Cui Dongshan suddenly calmed down and did not say a word.”

“““Okay, okay ... You don’t believe me, do you?”” Zhao Yu laughed,““then I’ll tell you their confession from the beginning!””

“““The selfish Liu Bingcheng caused the death of your wife and child, and you hate him!”” Zhao Yu continued,““at the same time, people like Han Cheng and Park Yushun, like you, had their families killed by Liu Bingcheng!””

“““However, Liu Bingcheng could only be condemned by public opinion, but not punished by the law. So, at that time, you all thought about punishing him in your own way!””

““““However, you are all law-abiding citizens. These thoughts of revenge will only remain in your suppressed hearts.”

““““As the family of the fire victims, you have been through a lot of trauma. Every month, you have to go to the church to participate in the mutual aid meeting.”

““““This noble can empathize with your pain and your hatred. Therefore, he suggested that we use extreme means to help you resolve your hatred.”

““““So, he began to teach you how to take revenge and how to relieve the hatred in your heart. ““““After you heard his plan, you were also blinded by the flames of revenge and agreed to his plan, participating in it ...”

““““You know, the bus incident has a great impact. Once Liu bingcheng dies, the police will definitely suspect you.”

““““So, you can’t do it yourself. You need to exchange it with another person who also has a deep-rooted hatred, and this person is Yu Wanjin!”

““““Yu Wanjin lost his wife in a car accident, and his wife was pregnant with a child,”” Zhao Yu said.””““But, because of his identity, the driver got away scot-free, and Quan youdong, who left him in the lurch, was even more hateful. He was a scumbag!”

““““So, under the guidance of that noble, you guys decided to do a murder exchange. You guys will first take revenge for Yu Wanjin by killing the driver, Li Yiyang, and Quan youdong. Then, Yu Wanjin will help you guys kill Liu bingcheng!”

““““This way, all of you will have alibis and escape the police’s investigation.”

““““And because you guys had nothing to do with Li Yiyang and Quan youdong, the police wouldn’t suspect you of the two’s deaths!”

““““I have to say, the plan is indeed good, but you guys forgot one thing. This is the black eye case!”” Zhao Yu said,””““the person who incited you is a black-eyed killer!”

““““All three of them had their eyeballs replaced. Tell me, how could we not link you two together?”

““““Do you think that changing the eyes of the deceased and letting the deceased die with black pupils is the best revenge? But, ask yourself, do you really feel comfortable in your hearts?”” ”

“Cui Dongshan lowered his head to wipe his sweat again. From his embarrassed state, it seemed that Zhao Yu had hit the nail on the head.”

““““Alright, you’re still not convinced?”” Zhao Yu laughed coldly,””““next, I’ll tell you the process of your crime. Since I’ve caught you today, I’ll mainly help you review how you helped them kill Quan youdong!”” ”

“Then, Zhao Yu opened the information, but didn’t look at it. He said to cui Dongshan, ”

““““On the day Quan youdong was killed, this was what happened. In fact, he didn’t die in his own villa, but after his death, he was transported there!”

“““The key is here!”” Then, Zhao Yu lifted the information and saw a photo. In the photo, there was an Electric Tricycle. ”

“““Ah?”” However, when he saw the picture of the tricycle, Cui Dongshan trembled instinctively. ”

“At the same time, Li Zhenzhu and the others, who were standing in the monitoring room, were confused. They couldn’t understand what Zhao Yu meant. Quan Youdong clearly died in his own villa, so why did Zhao Yu say that he transferred his body there? ”

“““That night,”” Zhao Yu kept the photos and continued,””Quan Youdong followed his usual routine of having a meal, taking a bath, and going to the nightclub. The last place he went to was the nightclub he opened! ”

“““You guys calculated the time he left and gave him an anesthetic in advance. However, the dosage was controlled precisely so that Quan Youdong wouldn’t fall unconscious immediately and would think that he had too much to drink. ”

“““After that, Quan Youdong went to the washroom. That was when you guys started the fight!”” Zhao Yu said,””at that time, Quan Youdong was already in a semi-conscious state. As soon as he entered the bathroom, you guys took care of him easily. You used an inhalant to knock him out completely! ”

“““Next is the most magical place!”” Zhao Yu glared at Cui Dongshan,””after Quan Youdong fell unconscious, you guys took off his clothes, and then you, Cui Dongshan, changed into Quan Youdong’s clothes, took his wallet and mobile phone, and pretended to be Quan Youdong!”” ”

Whoosh ...

“Zhao Yu’s words were shocking, and the monitoring room was suddenly in an uproar. Everyone felt as if they had heard a legend, and couldn’t believe it at all. ”

“““Me?”” Cui Dongshan frowned.””How can I pretend to be Quan Youdong?”” ”

“““Your size!”” Zhao Yu said calmly,””you’re on par with Quan Youdong. The bar is dark, so as long as you dress up as Quan Youdong, no one will suspect anything!”” ”

“““Also, Quan Youdong often wears big sunglasses. When he puts them on, they almost cover half of his face ...”” ”

“““Besides, everyone knew that Quan Youdong had too much to drink, so even if his voice changed, no one would notice ...”” ”

“““The driver said that after you went to the bathroom that night, you didn’t return to the karaoke room, but got in the car and left! At that time, you walked through the back door without surveillance. ”

“““When he saw you suddenly get into the car, the driver asked you a few questions, but you only pretended to be drunk and said,”” hurry up and drive home!”” ”

“““The driver was an honest man. The lights in the car were dim, so he didn’t attract any suspicion. ”

“““But, when you got in the car, you played another trick,”” Zhao Yu said.””You deliberately left the wallet far away, and when you got in the car, you asked your driver to pick up the wallet! ”

“““The driver left, and you ...”” Zhao Yu made a gesture of reaching out his hand.”“Hurry up and take out the memory card from the car’s driving recorder!”” ”

“““Because you know that you will be captured in the dashcam later. So, you must remove the memory card!”” ”

Chapter 2073: appearance of the benefactor

“Cui Dongshan’s face was pale. He pursed his lips nervously, and his eyes were filled with 30% despair and 70% fear. ”

“““Because you were wearing Quan youdong’s clothes and reeked of alcohol, the driver didn’t notice you.”” Zhao Yu continued,”“he picked up the wallet and returned it to you, then drove you home! ”

“““According to our usual practice, the car must drive through the courtyard gate, pass through the courtyard, and drive all the way to the entrance of the villa! ”

“““But,”” Zhao Yu said,”“that day, because there was a change in person, you pretended to be Quan youdong and asked the driver to stop at the entrance, then you walked in. ”

“““The driver didn’t dare to disobey you, so he stopped the car and used the car lights to illuminate you. He watched you enter the courtyard before he drove away. ”

“““It’s time for you to show off your skills,”” Zhao Yu said.”“As soon as you entered Quan youdong’s house, you immediately used the things you prepared in advance to numb the two hunting dogs! ”

“““You’re very well-informed and know that Quan youdong’s hunting dogs will be in the yard at night. The hunting dogs only recognize Quan youdong and his wife’s scent, so when you come back, they will rush over and bark. ”

“““Perhaps the two dogs barked a few times at that time? But the things you prepared successfully numbed them! ”

“““I’ve looked up your information, cui Dongshan!”” Zhao Yu said,”“when you were in the Army, you spent a long time in the police dog Unit, so you must know the habits of these dogs, right? ”

“““Now that we’ve dealt with the hounds, you’ll follow our original plan and go to Quan you’s boss’s guardhouse to destroy the video feed and remove the hard drive! ”

“““After that, you’ll have to wait for a long time,”” Zhao Yu said.”“You’ll be sitting at the door of Quan you’s boss’s house, waiting anxiously. You’ll be looking left and right, waiting for the other team that you’ve arranged to meet with ...”” ”

“Listening to Zhao Yu’s Bold Reasoning, cui Dongshan broke out in a cold sweat. Even Masako Yangshan, as well as Li Zhenzhu and the others in the monitoring room, were dumbfounded. ”

“Based on the detailed description, it was as if Zhao Yu had been there at the scene. ”

“But before that, Zhao Yu didn’t say a word. ”

“”The other group of people you’re waiting for is Han Cheng and his wife, Lee xuanmei, as well as Park Yunshun ...”” Zhao Yu said coldly.””Han Cheng and his wife sell fish, and Park Yunshun is the escort. ”

“”In that tragic car accident, Han Cheng and his wife lost their beloved daughter, and Park Yunshun lost his precious son. Originally, the two of you could’ve become in-laws. But unfortunately ... ”

“”Because of Liu bingcheng’s selfishness, he destroyed their happy family. So, like you, they had the determination to give up everything! ”

“”For the sake of this revenge operation, Han Cheng and his wife bought a brand new electric Tricycle many days in advance! This was because their current tricycles were stained with the smell of fish, which would arouse the police’s suspicion. ”

“”In Seoul”” Zhao Yu said without stopping,””because it’s a hilly area, tricycles are not popular, unless they are in special professions like the Han Cheng couple! ”

“”Alright, each flower has its own branch,”” Zhao Yu squinted his eyes and said confidently,””after changing people in the bathroom, Han Cheng and Park Yuchun carried the unconscious Quan youdong out of the bathroom through the window! ”

“”Li xuanmei had already parked the tricycle outside the window. After Quan youdong was carried out, he just happened to land in the tricycle’s container. ”

“”I know. Some people will say that Quan youdong weighs more than 220 pounds. Can two people carry him?”” Zhao Yu smiled and said,””I think Han Cheng and Park Yuchun are enough. ”

“”That’s because Han Cheng is famous for his strength in the seafood market. He has never lost in arm wrestling! ”

“”Park Yunshun is the bank’s escort. He has to move billions of dollars around every day. I’m sure his arm strength must be amazing, right?”” ”

Zhao Yu paused deliberately and looked at cui Dongshan.

Cui Dongshan was drenched in cold sweat and almost out of breath.

“At this time, Li Zhenzhu’s forehead was also sweating, because when Zhao Yu had gone to the bar to investigate, she had been the one who had led him there. ”

“At that time, she thought that Zhao Yu was just looking around, but she didn’t expect that Zhao Yu had already found these hidden clues. ”

“”I don’t think I need to describe what happened after that in detail, right?”” Zhao Yu said coldly,””the three of them were on their tricycles, avoiding the cameras and driving to a remote corner! ”

“”And then, the most important person has finally appeared. Your ‘noble’ has long been holding his surgical equipment and waiting in the dark for a long time!”” ”

“Hearing this, cui Dongshan trembled, and the police detectives in the monitoring room all had goosebumps! ”

“““In the dark, he accurately controlled the dosage of the drug ...”” Zhao Yu said coldly.””He injected a muscle relaxant into Quan youdong and woke him up at the same time! ”

“““Quan youdong can’t move, but I can feel everything he’s going through. Maybe ...”” Zhao Yu said.””You guys have video recordings or live broadcasts, right? Just for Yu Wanjin to admire? ”

“““Let Yu Wanjin look at Quan youdong and pay the price for his indifference? ”

“““Of course ...”” Zhao Yu shook his head.””As for the video and the live broadcast, I can’t be sure about that. Because of the short time, I haven’t found the corresponding evidence! ”

“““But, one thing for sure was that Quan youdong saw one of his eyes being removed by the noble and replaced with a black stone! ”

“““Of course, he couldn’t see anything when the second one was replaced ... ”

“““It’s easy to imagine the fear in his heart ...”” ”

“As Zhao Yu spoke, cui Dongshan’s body twisted, as if there were thousands of insects crawling on his body. ”

“The police detectives in the monitoring room also felt extremely uncomfortable when they heard this. Some of them even hugged their arms tightly, feeling the cold air. ”

“““After an unknown period of time, when the specially formulated muscle relaxant was at its maximum effect, Quan youdong could no longer maintain his breathing due to muscle atrophy, which eventually led to his death! ”

“““Of course, when he stopped breathing, his heart had already collapsed ... ”

“““Next,”” Zhao Yu continued,””Han Cheng and the others passed through the small mountain paths, avoided the surveillance cameras on the main road, and used the tricycle to send Quan youdong’s body back to his own home! ”

“““At this time,”” Zhao Yu looked at cui Dongshan and said,””you’ve probably been waiting for so long that you’re feeling weak, right? You finally heaved a sigh of relief when you saw the tricycle! He quickly opened the door and welcomed the tricycle in! ”

“““At that time, you were still in a state of high tension,”” Zhao Yu explained.””Because the place where you dumped the body was directly facing Quan youdong’s wife’s room. As long as she lifted the curtains, she might have seen your crime!”” ”

“““In the dark, you used the moonlight to place Quan youdong’s body on the floor tiles. Then, you took off the clothes that originally belonged to Quan youdong and put them on him again. ”

“““At the same time, you also returned Quan youdong’s wallet, phone, watch, keys, sunglasses, and other items to their original places. This perfectly created the illusion that Quan youdong died in his own home ...”” ”

“““Cui Dongshan,”” Zhao Yu suddenly shouted,””I know the process of your murder very well. What else do you have to say?”” ”

“““I ...”” Cui Dongshan twisted his body, drenched in sweat. However, after hesitating for a long time, he still chose to remain silent. ”

“““You still don’t understand? I’m giving you a chance!”” Zhao Yu advised,””someone has already confessed. You’re not the first one, but I don’t want you to be the last! ”

“““You are an accomplice. At least you didn’t kill anyone yourself. In court, people will consider that you are also a victim and give you a lighter sentence, but the premise is ...”” Zhao Yu said heavily,””you must cooperate with our investigation and tell us the truth!”” ”

“““I ... I ...”” Cui Dongshan’s body trembled. He was on the verge of collapse, but he did not surrender. ”

“““You ...”” Zhao Yu stood up and walked in front of Cui Dongshan. His eyes were wide open as he asked,””what are you still insisting on? Do you think I’m joking with you?”” ”

“““I ... Um ...”” Cui Dongshan’s lips were blue and his face was as white as a sheet, but he refused to admit it. ”

“““Motherf * cker!”” ”

“““F * ck!”” Zhao Yu cursed angrily, then ran up and hugged Cui Dongshan’s head tightly, holding him so hard that he could not breathe. ”

“““This ...”” ”

“At this time, the agents in the monitoring room couldn’t sit still and quickly asked Li Zhenzhu for her opinion.”””Chief, what is he doing? We ... Do we need to go over?”” ”

“At that moment, Masako Yangshan, who had been helping Zhao Yu, was also dumbfounded. ”

“When Zhao Yu had started his deduction, she had already been shocked by Zhao Yu’s amazing performance. Now, seeing Zhao Yu suddenly make a move, she quickly left her seat and tried to stop him. ”

“However, at this time, Zhao Yu’s side had already changed. ”

“With a tearing sound, Zhao Yu tore off Cui Dongshan’s beard, and the sound was painful! ”

Ah ...

Cui Dongshan screamed in pain and almost fell out of his chair ...

“When Zhao Yu helped him up, everyone saw that his beard had been glued on. It was fake. ”

“““In order to pretend to be Quan Youdong,”” Zhao Yu said,””you even shaved off your original beard. If I didn’t check your photos in the Army, I really wouldn’t have been able to tell!”” ”

“Ah?” Masako was stunned. It was only then that she realized that Cui Dongshan’s face shape was very similar to Quan Youdong’s without his beard. ”

“And ... Your hair!” Zhao Yu pointed at Cui Dongshan’s head and grinned. “Do I need to do it myself?” ”

“No... No, no, no...” Cui Dongshan was so scared that he shivered. He quickly covered his head and said, “don’t come here, don’t come here!” ”

“What else do you want?” Zhao Yu continued, “have you heard of the law of exchange? if you changed Quan Youdong’s clothes, no matter how strict your security measures are, it will still leave behind your body’s information! ”

“And ...” Zhao Yu gestured at his eyes. “Did you think that you could just wipe your glasses carefully when you returned to Quan Youdong?” Do you know how much of your skin tissue will be left in the angle of the glasses?” ”

“Upon hearing this, Li Zhenzhu, who was in the monitoring room, quickly snapped her fingers at her subordinates. They immediately went to the forensic Department to verify the information that Zhao Yu had just said. ”

“Okay, okay ...” Cui Dongshan suddenly waved his hand and said, “I’ll explain, I’ll tell you ... Officer, you’re right, I killed Quan Youdong!” ”

“After Cui Dongshan said this, the monitoring room suddenly became quiet. ”

“Zhao Yu was also stunned for a full five seconds, then he started to curse, ”

“You motherf * cker! What are you talking about?” ”

“I killed Quan Youdong with my own hands!” “I’m the murderer!” Cui Dongshan said with a firm look in his eyes. ”

“Impossible!” Zhao Yu shook his head. “You were at Quan Youdong’s house!” ”

“No!” Cui Dongshan suddenly stood up and said, “after I took care of the hounds and the surveillance cameras, I returned and killed Quan Youdong with my own hands!” ”

“You’re talking nonsense!” Zhao Yu shouted, “Quan You’s boss is so far from the bar, how are you going to get there without a means of transportation?” ”

“I didn’t return to the bar. They sent Quan Youdong to somewhere near the villa,” Cui Dongshan said. “I did it there!” ”

“They sent Quan Youdong over. Who are they?” Zhao Yu asked. ”

“... ” Cui Dongshan paused for a moment, then said, “in short, I’m the murderer, and it has nothing to do with anyone else!” ”

“You bastard!” Zhao Yu didn’t expect Cui Dongshan to be so stubborn. He immediately scolded him, “you can’t even explain yourself. Do you know the ratio of muscle relaxers? Do you know the inner structure of the eye? ”

“““Let’s not talk about anything else,”” Zhao Yu shouted.”“First, tell me, where did the needle prick on Quan youdong’s body?”” Speak! Say it!”” ”

“““I ... I ...”” Cui Dongshan gritted his teeth and repeated,”“I’m the murderer. I killed Quan youdong!”” ”

“““You don’t have any grudges with Quan youdong. Why did you kill him?”” Zhao Yu asked this question to force cui Dongshan to say Yu Wanjin’s name. ”

“However, cui Dongshan did not fall for it. He said determinedly,”“““I don’t like him!”” ”

“““F * ck your grandmother’s leg!”” Zhao Yu couldn’t take it anymore, so he went up and gave cui Dongshan a punch, knocking him to the ground! ”

“““This is bad! It’s broken!”” This time, the police detectives in the monitoring room couldn’t hold back anymore and rushed to the interrogation room to stop the fight ... ”

“Li Zhen Zhu grabbed the collar of one of his men and shouted,”“““Hurry up! Hurry up! Arrest Han Cheng, his wife, and Park Yuchun immediately! Immediately, immediately!”” ”

“““Yes!”” The subordinate understood the importance of the matter and quickly went to arrest him. ”

“Then, Li Zhenzhu walked to the interrogation room, pulled Zhao Yu aside, and said,”“““Zhao Yu, don’t be so agitated! You’ve already done us a great favor, so leave the rest to us!”” ”

Hmph!

Zhao Yu then let go of cui Dongshan and left the interrogation room in anger.

“In fact, the reason why Zhao Yu was so angry was that he had never expected cui Dongshan to be so stubborn! ”

“At first, when he saw cui Dongshan trembling with fear, he thought that he would immediately confess after his crazy attack. ”

“However, he didn’t expect him to be a stubborn donkey! ”

“Zhao Yu thought that he would be able to find out about Yu Wanjin’s relationship with him. In that case, Yu Wanjin would not be able to escape. ”

“In addition, the most important thing was that Zhao Yu was eager to know who the black-eyed killer behind the scenes was. If they could find this black pupil killer, the Yokohama F. Marinos case from 45 years ago might even be revealed. ”

It was obvious that there was a real mastermind behind cui Dongshan and the others! The mastermind had an important relationship with the Yoto case!

“However, after seeing cui Dongshan’s state, Zhao Yu suddenly understood something. The reason why this group of people listened to the black-eyed killer was because they completely trusted him! ”

“Therefore, cui Dongshan would rather lie that he was a murderer than mention a single word about the black-eyed killer! ”

This was troublesome ...

“If cui Dongshan refused to open his mouth, he would have to work on the others. ”

AI!

“Standing at the door of the interrogation room, he could still hear cui Dongshan shouting hysterically, ””””I’m the murderer! I’m the murderer!”” ”

“Zhao Yu couldn’t help but sigh. In fact, what he said before was right. The reason why he chose cui Dongshan as the breakthrough point was that he really wanted to help him. ”

“He had already lost his wife and child. If he could atone for his crime by doing good deeds, he might be able to apply for a lighter punishment. ”

“However, he had clearly lost his last chance by causing such a ruckus. ”

It was because of this that Zhao Yu felt very angry and uncomfortable.

Chapter 2075: An unexpected answer

”””The way you spend here is indeed different from ours,””” Zhao Yu said.”””Do you need to use a credit card to buy a tricycle?”” ”

“An hour later, in a quiet office, Zhao Yu was telling Li Zhenzhu and Masako Yangshan about his reasoning. ”

”””The prices are too high,””” Li Zhen Zhu said.”””Tricycles are not cheap either! Also, there’s a discount when using credit cards. ”” ”

”””Here,””” Zhao Yu said, placing a piece of information in front of Li Zhenzhu.”””This photo is of the Han couple’s fish stall. Do you see it?””” They already had a tricycle! ”

”””A tricycle should be enough for such a small fish stall, right? Why do you want to buy a new one?”” ”

”””So ...””” Masako Yangshan said in surprise,”””you discovered the problem? Did he use his credit card to buy a new tricycle? My God, what kind of brain do you have?”” ”

”””The point is,””” Zhao Yu said,”””the timing of their purchase of the tricycle was too coincidental. It was right before Li Yiyan was killed!”” ”

”””So ...””” Li Zhenzhu said,”””you think that Li Yiyan’s death is related to the couple?”” ”

”””Right!””” Zhao Yu nodded.”””Li Yiyan’s body also showed signs of being moved. The only way to get into the park would be with a tricycle. ”

”””Of course, the reason why I pay so much attention to tricycles is also because I just solved the ghost king case!”” ”

”””Oh ...””” Masako’s eyes lit up.”””I remember now. It’s true. The murderer in the ghost king case also cleverly used an Electric Tricycle! ”

“““It’s both convenient and sneaky. This thing is almost worthy of being called the king of murder, right?”” Masako said excitedly,““I have to remember it well. It will definitely be useful in my novels in the future!”” ”

“““Of course, we can’t be sure just because it’s a tricycle,”” Zhao Yu said.““I carefully studied the ten family members of the victims who participated in the fraternity, and I found that most of them could be ruled out. Only cui Dongshan and a few other people could have taken the risk! ”

“““Because they lost their most important or only family member in the bus fire. ”

“““Only a few of them would be blinded by revenge, and they still have a certain level of ability. ”

“““So, I think ...”” Zhao Yu said meaningfully,““the reason why the black-eyed killer chose them from the many family members of the victims, I’m afraid, was also because of these points?”” ”

“““You’re really something,”” Li Zhenzhu said.““When we went to the bar to investigate, you already guessed that someone might be impersonating Quan youdong, right?”” ”

“““No,”” Zhao Yu clarified,““in the bar, I only found out from the driver’s statement that Quan youdong, after going to the bathroom, suddenly asked to go home, which was a little abnormal! ”

“““At that time, I only thought that the problem might be in the bathroom. ”

“““Not only is the bathroom on the first floor, but it also has an open window that can be opened from the inside! ”

“““There’s a passage outside the window, which makes me feel very strange. In our country, we must install anti-theft Windows!”” ”

“““Then ...”” Li Zhenzhu quickly asked,““when did you realize that there was a problem with cui Dongshan?”” ”

“““Last night,”” Zhao Yu said frankly,““it wasn’t until last night, when I compiled all the information, that I realized that someone might have been pretending to be Quan youdong, and that person was cui Dongshan! ”

“““First of all, as you can see, if you remove the full beard and change the hairstyle, the two of them are very similar in both body shape and facial features. ”

“““If you changed your clothes and put on some makeup, it would be very difficult to be discovered in that dark environment! ”

“““Secondly,”” Zhao Yu continued,““I talked to the driver for more than two hours, and the driver mentioned the wallet and the sunglasses! ”

“““When the driver drove Quan youdong home, Quan youdong was wearing a pair of big sunglasses, which was different from usual. Why did she keep wearing it when she was already drunk? He was clearly putting on an act for his imposter! ”

“““Besides, this is the only way to explain why Quan youdong, who has always been too lazy to walk, had to walk back to the villa when he got home! ”

“““Finally, when I found out that Cui Dongshan used to be a soldier and had even been in the police dog Unit, the thought became even stronger.”

“““I just realized that they actually played a game of sky-stealing sun-changing!”” ”

“““Amazing,”” Masako exclaimed.””Even so, you didn’t say a word to me last night. You’re so bad, detective Zhao!”” ”

“““This isn’t bad. If you really give me a bath, then you’ll know what’s bad!”” Zhao Yu said,””I just need to prepare all the information!”” ”

“The two women looked at each other, and black lines appeared on their foreheads.”

“““According to the report, no valid fingerprints were found on Quan Youdong’s wallet,”” Zhao Yu continued.””It was obvious that Cui Dongshan wiped it clean, as he didn’t want to leave his fingerprints on it.”

“““Also, the autopsy report showed that there was a long indentation on Quan Youdong’s back. I think it should have been on the edge of the bar’s bathroom window.”

“““Also, there was a pattern of indents on his back, but it wasn’t obvious. However, the floor of Quan you’s boss’s garden was flat, so the indents on his back were different.”” ”

“““So, I suspect that the location of Quan Youdong’s murder might not be in his house. It might be ...”” Zhao Yu looked at Li Zhenzhu and said,””it might have been printed on Han Cheng’s tricycle!”” ”

“““You ...”” Li Zhenzhu pouted.””Could you have said it earlier?”” ”

“After that, she quickly walked to the side and informed her agents to quickly look for Han Cheng’s tricycle.”

“““I’ve seen the marks you mentioned before,”” Masako frowned and asked,””but there were no marks on Li Yiyang and Liu Bingcheng’s bodies. Is it not a tricycle?”” ”

“““The imprints weren’t too obvious, as Li Yiyang and Liu Bingcheng were too light,”” Zhao Yu said.””They might not be able to make it, but it’s different for Quan Youdong!”” ”

Di di di ... Di di di di ...

“At this time, Li Zhenzhu didn’t have time to interrupt, and her phone suddenly rang again.”

“““What?”” After picking up, Li Zhenzhu’s eyes immediately widened and she told Zhao Yu,””on Quan Youdong’s sunglasses, we’ve found skin tissue that matches Cui Dongshan’s!”” ”

“““That’s great!”” Masako clenched her fists in excitement.””This way, we won’t have to worry about Cui Dongshan not admitting his guilt!”” I really hope that I can find out who that black-eyed killer is soon!”” ”

“After putting down the phone, Li Zhenzhu said,””I don’t think so. Cui Dongshan is a coward. The more he is like this, the more he will ignore our evidence. It will be harder for him to speak!”” ”

“““It’s okay,”” Zhao Yu said.”“Don’t we still have Han Cheng, his wife, and Park yushun? How are they? Did you catch him?”” ”

“““Reel in the net immediately.”” Li Zhen Zhu turned on the big screen in the office and said,”“it’s live streaming now!”” ”

“““Remember,”” Zhao Yu reminded her,”“after you catch the person, strike while the iron is hot!”” ”

“““Don’t worry!”” Li Zhen Zhu nodded, then turned up the sound of the big screen, and then sent out a capture message to her subordinates. ”

“After the message was sent out, the agents in the video moved quickly. They rushed to the seafood market and pressed the Han couple, who were cleaning up the fish stall, to the ground. ”

“At the same time, an agent asked loudly,”“what’s your name?”” Speak! What’s your name?”” ”

“““Han ... Han Cheng ...”” The man on the ground did not struggle and immediately said his name. ”

“““How about you?”” The agent asked the woman. ”

“““Li xuanmei!”” The woman didn’t struggle, and her answer was unusually calm. ”

“““Do you know ...”” The agent asked according to the planned routine,”“why they arrested you?”” ”

“In the end, Han Cheng’s answer surprised Zhao Yu. ”

“A gratified smile appeared on his face, and he said with relief and determination,”“““I know, I’m the black-eyed assassin!”” ”

Chapter 2076: chaotic confession

“Two hours later, inside an interrogation room in Seoul police station. ”

“““I killed him!”” The fishmonger Han Cheng said calmly,”“I’m the black-eyed killer. You can sentence me. I’m willing to plead guilty!”” ”

“““Hmph, it’s easy for you to say!”” The interrogator slammed the table and shouted,”“I’m asking you, who ordered you to do this? What did you guys encounter in the fraternity?”” ”

“““At the fraternity? Hmph!”” Han Cheng said coldly,”“the fraternity is a lie! Our child died, but the murderer didn’t have to take any legal responsibility, so I killed him!”” ”

“““Are you referring to Liu bingcheng?”” The interrogator frowned and asked,”“when Liu bingcheng was killed, you clearly had an alibi!”” ”

“““It’s all fake,”” Han Cheng said.”“I sneaked away in places without surveillance and killed Liu bingcheng!”” ”

“““Then ... What about Li Yiyan and Quan youdong?”” The interrogator shouted,”“we have enough evidence to prove that you are related to the death of these two people!”” ”

“““Right!”” To her surprise, Han Cheng said without hesitation,“““I killed these two people on my family’s tricycle!””

“““These two people look down on life and have done all kinds of bad things. I just want to use them as a practice!”” ”

“““Nonsense!”” The interrogator was flustered and exasperated.“““It’s obvious that you exchanged kills with Yu Wanjin! Tell me, do you know Yu Wanjin?”” ”

“““You don’t know him?”” Han Cheng gritted his teeth and asked,“““who is Yu Wanjin? I don’t know him!”” ”

“““Okay, okay ...”” The interrogator clenched his fist and asked,“““then let me ask you, since you say you are a murderer, is your wife Li Xuanmei your accomplice?”” ”

“““Right!”” Han Cheng said without any hesitation,“““it was all done by us! After Xiao Ya is gone, we have nothing to stay for!””

“““Come, judge us! Use your so-called fair legal system and sentence us to death! Hahahaha ...”” ”

“Han Cheng laughed evilly, and the interrogator was at a loss for what to do ...”

“At the same time, Zhao Yu and the others, who were standing in the monitoring room and watching the interrogation, all frowned. They had realized that the case was not as simple as they had thought. ”

“““Yaya ...”” Masako Yangshan muttered,“““is that their daughter’s name? Why does it sound like my parents are calling me? Aiya ...”” ”

She shivered and felt goosebumps all over her body.

.....

“Ten minutes later, in another interrogation room. ”

“““Yes, it was the two of us who did it!”” Li Xuanmei said calmly,“““all three of them deserve to die, especially Liu Bingcheng. We felt great killing him!”” ”

“““You mean ...”” The interrogator asked,“““you and your husband killed these three people?”” ”

“““Yes,”” Li Xuanmei admitted.“““We did it together. It had nothing to do with anyone else!”” The more people we kill, the more serious our crimes will be. I hope you can give us the death penalty soon!”” ”

“““But your husband just said that he did it himself,”” the interrogator questioned.“““And you only provided him with an alibi!”” ”

“““No, no!”” Li Xuanmei didn’t panic and said calmly,“““that’s because he wants to clear my name. What I said is the truth. We did it together ...”” ”

“““What about Yu Wanjin?”” The interrogators asked,“““how did you exchange kills?”” ”

“““Who is Yu Wanjin?”” Li Xuanmei shook her head coldly.“““No...”” ”

.....

“At the same time, an interrogation was being carried out in another interrogation room. ”

“The person being interrogated was the bank escort, Park Yunshun, who had been captured by the police detectives a little later! ”

“““Yes, yes,““ unlike Han Cheng and his wife, Park Yuchun was a little panicked.““We did it together. I was involved in the murder, and I did most of it ...““ ”

“““Um ... How about ... How about ...““ Park Yunshun immediately changed his mind.““I did it all, right?““ Don’t make things difficult for them, I did it all by myself!““ ”

“““You still dare to talk nonsense! What do you think this place is?““ Although the interrogator was helpless, he still had to follow the established interrogation rules.““You had an alibi for Liu bingcheng’s death! ”

“““Yu Wanjin has already confessed that he was the one who made an agreement with you to kill Liu bingcheng in exchange for revenge!““ ”

“““Yes, yes ...““ Who knew that Park Yunshun would actually fall for it? he nodded and said,““Liu bingcheng was killed by Yu Wanjin! ““I made an exchange with him, so I helped him kill Quan youdong and the female employee at the bank ... ”

“““The female employee hit someone with her car, and she didn’t even step on the brakes ... That Quan youdong from the black bang didn’t help her. Their evil is the same as Liu bingcheng! ”

“““So, I’m very happy to kill them!““ ”

“Hearing Park Yunshun’s answer, the interrogators were surprised at first, but then they frowned and asked,“““In other words, you, cui Dongshan, Han Cheng, and Li xuanmei had reached an agreement with Yu Wanjin to kill him in exchange, so ...““ ”

“““Wait a minute,““ Park Yunshun quickly corrected himself,““I made an agreement with Yu Wanjin. It has nothing to do with anyone else!““ ”

“““F * ck ...““ The interrogator couldn’t help but curse.““You just said that you did it together!““ ”

“““Is that so?““ Park Yunshun hurriedly said,““I’m not in the right mind. Did I say something wrong? Yu Wanjin and I did the entire thing. I killed two and he killed one. It’s that simple! ”

“““Arrest me then, I have no complaints. At most, just execute me. I don’t want to live anyway ...““ ”

“““You ...““ The interrogator gritted his teeth and asked hatefully,““you don’t even have a means of transportation. How are you going to move the body?““ ”

“““I stole Han Cheng’s family’s new tricycle ...““ Park Yunshun made up a story. ”

“““Do you know the structure of the eyeball?““ ““Do you know where to inject it?““ the interrogator asked, using Zhao Yu’s question. ”

“““You know?““ ““It’s injected into the meridians on his right arm. He won’t die first. He’ll watch me replace his eyes ...““ ”

.....

“Hu!” In the monitoring room, Li Zhenzhu sighed heavily and said, “at least we can keep Yu Wanjin here!”

“Plus, Park Yunshun knew the injection location ... So, he must have been personally involved in the eye transplant process ...”

“But ...” Masako Yangshan shook her head and said, “these people didn’t mention the black-eyed killer in the fraternity at all. They ... They clearly want to protect the real murderer!”

“Right!” Zhao Yu said, “people who are not afraid of death are the scariest! If they continue like this, they will only admit their crimes and at most, their companions, but they will never rat out the person!”

“It’s obvious ...” Masako Yangshan said excitedly, “these people are all accomplices, and the real murderer is pangtian Takaki! Pan Tian GUI Qi was still alive! I’m alive!”

“How about ...” At this time, an agent suggested to Li Zhen Zhu, “we thoroughly search the church and the fraternity again?”

“Hmm ...” Li Zhen Zhu frowned, obviously in a difficult position. The church was not an ordinary place. Without absolute evidence, the higher-ups would not approve.”

“It’s almost noon again!” Zhao Yu looked at his watch, then said to Li Zhenzhu, “my little sister, Ding Lan, should be up by now?”

“Mm ...” Li Zhenzhu suddenly understood what Zhao Yu meant. “You ...” She said.”

“Ding Lan and I ...” Zhao Yu said, “let’s go to the church again!”

Chapter 2077: privacy

“Little lazy bug ...” In the Seoul church, Zhao Yu knocked Ding Lan’s head lightly. “You slept the entire night, and slept the entire morning. Why are you still so sleepy?”

“Look at what you’re saying.” Ding Lan pouted. “I still have other tasks to do, okay? He had only slept for a few hours in the morning in the past three days.”

“You’re pretty. I heard that the Japan little Mei Mei accompanied you for the entire night. Isn’t it comfortable?”

“Masako ... Mm ...” Zhao Yu gently pressed on Ding Lan’s shoulder and said solemnly, “she deliberately approached me. As expected, she had a motive!”

“Oh? What’s your purpose?” “Do you want to have sex with a crazy detective?” Ding Lan asked.”

““Go to hell!”” Zhao Yu reproached, ““what are you saying! Your brother-in-law is as pure as ice and as pure as Jade. I’ve been walking around with my chastity Memorial Arch on my back! Let me tell you, she wanted me to tell her the truth about Tani zhaoichiro’s death! ”

““She saw Gu Zhao’s body and knew that he was shot by a gun!”” ”

““That won’t do,”” Ding Lan said in a low voice. ““Gu Zhao was killed by Xi Wei, and we’re currently looking for Xi Wei’s treasure. This is a sensitive time, so we can’t tell her!”” ”

““I know.”” Zhao Yu nodded. ““She still has some professional ethics. I think she might have understood what I meant, so she didn’t pester me anymore!”” ”

““That won’t do either.”” Ding Lan frowned. ““Since she was able to find out that you were in the detective salon, it’s enough to prove that she’s not easy to deal with!”” ”

““Maybe she accepted a secret mission. She’s a spy who’s going to use you to spy on Xi Wei’s treasure! You must be careful ...”” ”

““I don’t think so?”” Zhao Yu had an invisible detector in his brain. If there was any abnormal device on Masako Yangshan, he would definitely be able to detect it. ”

““We must always be on our guard, especially at such a sensitive time ...”” Ding Lan quickly lowered her voice when she saw a priest approaching. ”

“After the priest had left, Zhao Yu asked, ““““You said you didn’t sleep last night. Where did you go?”” ”

““Your father-in-law is having a meeting with us!”” Ding Lan said, ““I could’ve told you about the meeting, but you’re too close to that Japan beauty, so I’d better not tell you now!”” ”

““I’ll tell you slowly after I’m done with this ... ”

““By the way,”” looking at the huge church, Ding Lan asked Zhao Yu, ““what are we doing here?”” Didn’t Sheriff Lee’s men already check everyone?”” ”

““I want to check on the fraternity,”” Zhao Yu said. ““I want to know more about their specific process.”” ”

““Hehe ...”” Ding Lan looked at her watch and laughed awkwardly. ““You really know how to pick a time, brother-in-law. The last time you came, it was also around this time. Did you forget that the student Aid Association has already finished work?”” ”

““Yes,”” Zhao Yu nodded, ““I’m going to check on them when no one is around!”” ”

““He’s gone, what’s the point of investigating? Ding Lan pouted. ““Do you want me to go with you to the fraternity’s office?”” ”

““Almost!”” Zhao Yu nodded. ““We’ve already been there. There are only a few rooms on the second floor! You’re so good at picking locks, so it should be a piece of cake, right?”” ”

““You ... Tsk tsk ...”” Ding Lan was depressed. ““I was right. Do you think the murderer would be stupid enough to hide his tools in his office?”” ”

""What are we looking for?"" "

""Look for records related to cui Dongshan and the others,"" Zhao Yu said.""The black-eyed killers would definitely pay special attention to those few people! "

""Let's look carefully, maybe we can find something!"" "

""I really don't understand ..."" Ding Lan said unwillingly.""This is such a big case, why don't they just search the place?"" Why do you have to act like a thief!"" "

""Actually,"" Zhao Yu said,""that's good! If we were to conduct a large-scale search, it would instead scare the black-eyed assassins away!"" "

"As they spoke, the two of them arrived at the fraternity's location. "

"Earlier, they had already opened an office and obtained the records from there. "

"So, Zhao Yu planned to start from the innermost room of the corridor. He felt that, according to a criminal's psychology, the closer they were to the inner side, the safer they would feel. "

"Ding Lan said unwillingly, but she still deftly pried open the door lock for Zhao Yu. "

"When they opened the door, they were dumbfounded. What they saw was a very spacious meeting room. "

There were no tables in the meeting room. There was only a circle of chairs in the middle of the room. The chairs formed a circle.

""Oh, I see ..."" Zhao Yu said in a low voice.""This should be the place where the people who participated in the student Aid Association interact, right? I've seen it in the movies!"" "

""Right!"" Ding Lan looked around and found that the facilities in the room were simple. Other than a circle of chairs, there was almost nothing else. "

"However, on the surrounding walls, there were many warm-colored murals. Most of them were loving and peaceful, as well as full of religious colors. "

"There was no doubt that seeing these scenes would make one feel at peace, which was of great benefit to psychological counseling. "

Zhao Yu also walked to the center and walked around the chairs. He could even feel what kind of pain the people sitting on the chairs were going through.

"The mental pain was more serious than the physical pain. What crushed a person was not the heavy burden on their shoulders, but the psychological burden. "

"Zhao Yu seemed to be able to see cui Dongshan and the others sitting on the chairs and listening to the counseling. Then, they stood up and spoke about their feelings. "

"Logically speaking, with the professional guidance of the psychological counselor and the respectful admonishment of the church priest, cui Dongshan and the others should be able to face their own problems and get forgiveness, right? "

But why did they all choose to kill in the end?

Could it be that ... Someone had given them the wrong psychological suggestion?

This person ... Who was he?

“After walking around, Zhao Yu gathered his thoughts and left the meeting room with Ding Lan. He wanted to continue searching the other rooms. ”

“However, just as Ding Lan locked the door, Zhao Yu’s eyes suddenly widened, and he pressed on Ding Lan’s shoulder excitedly.” “Aiyu, d * MN!” ”

““Yo!”” Ding Lan was startled.” “What are you doing?”” she complained. You’re so surprised!” ”

““No,”” Zhao Yu said excitedly.” “I heard someone say that those who participate in the student Aid Association have absolute privacy Protection, right?” ”

““Of course it’s right!”” Ding Lan replied,” “otherwise, who would dare to voice their thoughts in front of so many people? Many of the psychological trauma they had suffered were difficult to talk about. ”

““It contains many obscure and incomprehensible scandals ...” ”

““Then ...”” Zhao Yu pointed at the door lock.” “You ... You open it for me!”” I have to go in again!” ”

““What the hell is this?”” Ding Lan pouted.” “Do you think it’s easy for me to pick the lock? This is really ...” ”

“Even though she was complaining, Ding Lan had always listened to Zhao Yu. She still used her tools to unlock the door of the meeting room for the second time. ”

“After opening it, Zhao Yu immediately ran in. ”

“Then, to Ding Lan’s surprise, Zhao Yu put a chair under his feet, then reached out to the chandelier on the ceiling of the meeting room. He quickly took off a black object! ”

No way?

Ding Lan could easily guess that the black thing was probably a surveillance device that could monitor the meeting room at any time!

Chapter 2078: installing

““No, that’s not right ...”” Watching Zhao Yu skillfully remove the thing hidden in the hanging lamp, Ding Lan asked in disbelief,” “how did you know that there was something inside the hanging lamp?”” You ... You’re clairvoyant?” ”

““No,”” Zhao Yu pointed to the ground and lied,” “I just have obsessive-compulsive disorder. Just now, when the sun shone on the hanging lamp and reflected on the ground, the pattern should be regular, but this place was cut off, so it was a little abrupt!” ”

“Of course, Zhao Yu was just making things up. What really made him realize the problem was the invisible detector in his head.”

““That’s impossible, right?”” Ding Lan was still confused.”“If it’s really as you say, won’t we be discovered as soon as we turn on the lights?”” ”

““No,”” Zhao Yu explained.”“This thing was blocked behind the lampshade, so ... Sigh ...”” He couldn’t explain himself, so he quickly raised the thing in front of Ding Lan and changed the topic.”“Hurry up and take a look, is this an invisible camera?”” ”

““Not just a camera ...”” Ding Lan said,”“there should also be an audio recorder!”” ”

““There’s no doubt ...”” Zhao Yu said, looking at the hanging lamp.”“Someone is monitoring the activities of the fraternity and eavesdropping on the victims!”” ”

““That’s so immoral,”” said Ding Lan.”“Eavesdropping on someone else’s privacy ... This ... This means that the person who set up the listening device wasn’t from the church or the fraternity?”” ”

““At least ...”” Zhao Yu said.”“He didn’t have the right to enter this place, but he wanted to know the victims ‘privacy! So ...”” ”

““So ...”” Ding Lan’s eyes widened.”“The person who set up the listening device was the black-eyed killer?!”” ”

““Quick ...”” Zhao Yu pointed at the bug and asked,”“you’re a professional. See if you can find the person through this?”” ”

““Wait a minute, let me see ...”” Ding Lan opened her fashion bag and took out some advanced electronic equipment. She quickly connected the listening device to her phone.”

““It’s an old listening device,”” Ding Lan said.”“There’s no wireless line or remote device, so it can’t be shared in time.”” ”

““Then ...”” Zhao Yu responded quickly,”“the person who installed it must have done it manually? Hurry ... Hurry up and open the video!”” ”

““Alright!”” Ding Lan couldn’t keep up with Zhao Yu’s rhythm, but she managed to find the source of the surveillance device and successfully turned on the video.”

““Move to the front! “Look at the beginning ...”” Zhao Yu said.”“If the person who installed it personally installed it, then the camera would definitely record him!”” ”

““Oh ...”” Ding Lan finally understood what Zhao Yu meant, and immediately played the video to the beginning.”

“In the end, an exciting scene appeared in the shaking image.”

He saw a man in a priest’s robe swaying in front of the camera. He was probably fixing the camera.

“After he fixed it in place and lowered his arm, a clear face was finally revealed!”

I’ll cut!

Why was it her?

Zhao Yu and Ding Lan exclaimed at the same time. They had seen this face before! She was the female cultivator who had received them when they came to check on her two days ago!

“How ... How could it be her?!” Seeing this face, Zhao Yu felt a chill run down his spine. ”

“It’s ... It’s ... It’s a woman!?” Ding Lan felt her scalp go numb, and she had goosebumps all over. ”

“Hurry up! ” “Hurry ...” Zhao Yu quickly returned the phone to Ding Lan, then pressed the gun on his waist and quickly ran out. ”

“Ding Lan didn’t dare to delay, and followed Zhao Yu closely. ”

Their intention was obvious. They wanted to go downstairs and find the female cultivator! This person was very likely to be closely related to the black-eyed assassins!

“The female cultivator’s room was just downstairs. The two of them rushed in one after the other. However, the situation in the room surprised them again. ”

“He saw two nuns sitting at the table, talking and laughing as they ate. ”

“Um ... You guys?” The two nuns were both foreigners. When they saw Zhao Yu and his wife come in, they immediately asked in choppy Korean, “what can I do for you?” ”

“Seeing this, Zhao Yu quickly put the gun back into its holster, but Ding Lan was still alert and holding the gun tightly. ”

“We ... Um ...” Zhao Yu said. “We’re here to look for the female cultivator, the older one! We were here the day before yesterday, and she was the one who received us ...” ”

“... ” The two nuns looked at each other. One of them recalled and said, “you’re talking about aunt li, right?” ”

“I think so,” the other one said. “You’re wrong. She’s not a cultivator. She’s a volunteer here and often comes to help us!” ”

“Are you talking about the afternoon two days ago?” The first nun continued, “because there’s a Charity Association, we’re quite busy, so Auntie li came over to help us!” ”

“D-volunteer work?” Zhao Yu frowned. “That day, she did ask us about our volunteer work. We thought she was a practitioner of the church!” ”

“No,” sister said. “Aunt li likes to wear long robes, so that’s why she was misunderstood.” ”

“Then ...” Zhao Yu quickly asked, “can you help me find her? I have something important to do, and I need to find her immediately!” ”

“I see ...” ”

“The two cultivators took out their mobile phones at the same time and looked through them. Very quickly, one of them gave Zhao Yu the phone number he had found. ”

“Zhao Yu quickly jotted down the number and asked, “Then, do you know where she lives?” ”

““This ...” The two nuns shook their heads. ”

““Did she come to the church today?”” Ding Lan asked from behind. ”

““No...”” The two nuns shook their heads.”“I didn’t see her.”” I guess he’ll only come to help at the charity event?”” ”

““Alright then!”” Ding Lan nodded.”“Thank you, guys!”” ”

“Then, she and Zhao Yu both left the room. However, when they reached the door, Zhao Yu suddenly had an idea and asked the two sisters, ”

““By the way, did you guys know that Auntie Li can speak Japanese?”” ”

““Oh?”” The two nuns were puzzled. First, they shook their heads in unison, and then one of them said, “I think ... I heard her speak Japanese before? However, I can’t be sure. Why are you asking this?”” ”

““Oh ... It’s nothing ...”” Zhao Yu waved his hand and smiled.”“We have a Japan Friend who asked us to find her!”” ”

“Then, Zhao Yu quickly shut up and left the house with Ding Lan. ”

“When they returned to the church, Ding Lan was on high alert, searching for the people who had appeared in the church. Zhao Yu quickly found a quiet corner and told Li Zhenzhu about his shocking discovery. ”

“Li Zhenzhu was naturally very excited and quickly told Zhao Yu that she would immediately locate the phone and find out the identity of this “aunt li.”” ”

““Tsk tsk ...”” After Zhao Yu hung up the phone, Ding Lan seemed to be lacking in confidence. She told Zhao Yu, “cui Dongshan, Yu Wanjin, and the others have already been arrested by the police ...”” ”

““I’m worried that this so-called Auntie li has already run away! ”

““Before this,”” Ding Lan asked, “didn’t Sheriff li already check everyone? Why didn’t we find this person?”” ”

““No,”” Zhao Yu recalled, shook his head, and sighed.”“I looked through all the information last night, but I really didn’t find any information on her.”” ”

““It’s no wonder,”” Ding Lan said.”“She’s just a volunteer. She’s definitely not on Sheriff Li’s list!”” I didn’t expect the suspect to not be an employee of the church or the fraternity, but a volunteer!”” ”

““Maybe ...”” Zhao Yu said.”“It’s not too late to catch her yet, right? You see, if she had run away long ago, she should have at least put away the listening device, right?”” ”

““I hope so! “I just don’t understand.”” Ding Lan was puzzled.”“Why is it a woman?”” Could it be that ... Pan Tian GUI Qi ... Had changed? ”

““Think again ... Does that woman look like pangtian guiqi?”” ”

Chapter 2079: ancient name

““““What?”” When the two of them walked out of the church, Ding Lan asked in disbelief,““““he lives behind the church? You’ve located the signal?”” ”

““““What’s there to be surprised about? Behind the church is a densely populated residential area. Living in such a densely populated place is more conducive to hiding your identity. “” ”

“As they spoke, Zhao Yu saw one of Li Zhenzhu’s men get out of the car and run to the back of the church, waving at Zhao Yu. ”

He was telling Zhao Yu that they had received orders to arrest the suspect.

“So, Zhao Yu and Ding Lan followed closely behind them, and soon entered a residential area located in the hills. The road was rugged and there were many alleys, and they were up and down. ”

“It looked like a flat road, but it was actually upslope, and it was particularly difficult to run. ”

“However, the alley was narrow and cars couldn’t drive in. ”

“Zhao Yu looked at his phone, then at the complicated environment. He was a little worried. Once the suspect escaped, it would be difficult to arrest him in such a place. ”

““““That’s not what I meant.”” Ding Lan was obviously stronger than Zhao Yu. After running for a few minutes, she still looked calm and explained to Zhao Yu,““““I just think that since the killer was so careful, he should have run away a long time ago. ”

““““I’m just afraid that when we find where she lives, we’ll only find a mobile phone. ”

““““We don’t have any information on this woman’s identity. If she really runs away, it’ll be hard to catch her!”” ”

““““You’re right to be worried, but it’s meaningless,”” Zhao Yu said.““““Since we’ve already located their location, we can only go and take a look first! ”

““““Also, the questions that you mentioned are ridiculous!”” Zhao Yu said,““““pan Tian GUI Qi is 1.8m tall, but that old lady is not even 1.6m tall ...”” ”

“Just then, Zhao Yu suddenly saw that the police detective in front of him had stopped outside an ordinary house. ”

It seemed that they had reached the location of the signal.

“Then, the agents made professional hand gestures and ran to different directions in the house. ”

“Immediately after, two agents took out their pistols and stood on both sides of the courtyard door, clearly ready to charge. ”

“Seeing this, Zhao Yu and Ding Lan immediately exchanged a look, then pulled out their own pistols and rushed to the entrance of the courtyard.”

“At this time, the police detectives were already in position. After receiving orders from their superiors, the two police detectives at the door rang the doorbell.”

“One, two, three ...”

“After the third bell rang, the police detectives were about to attack.”

“However, just as they were ready, the courtyard door opened with a creak, which gave the police detectives a shock.”

I’ll cut!

“Zhao Yu and Ding Lan were both standing outside the door, so he could clearly see that the person who opened the courtyard door was none other than the old man that he and Ding Lan had seen before!”

“Zhao Yu and Ding Lan’s eyes lit up, and they immediately rushed forward.”

“““Oh?”” The old lady had already seen Zhao Yu and Ding Lan. She immediately asked in Korean,““why are you two here?”” ”

“However, in the next second, the person saw the police detectives on both sides rush in front of him and point their muzzles at him!”

“““This ...”” The old lady was slightly stunned and looked a little panicked.”

“However, panic only flashed across her face for a moment. She quickly regained her composure, and an indescribable evil glint appeared in her eyes.”

Kachaa!

“With the sound of metal, the agent handcuffed the old man.”

“Zhao Yu and Ding Lan rushed into the old man’s house nervously, guns in hand.”

“In fact, the area of this courtyard was not large. Other than the small courtyard, there were only three wooden houses of different heights.”

“However, both the courtyard and the house were well organized and clean.”

“Very quickly, Zhao Yu and the police detective searched the old man’s house, but they did not find anyone else.”

The agents had also found the mobile phone on the coffee table and confirmed the location of the phone.

Hu ...

“Seeing that there was no one else at the scene, Zhao Yu motioned for the police detectives to continue their detailed search, while he took out the listening device and came to the old man, asking,”

“““What do you think? do you recognize this? Auntie li?”” ”

""So ..."" The old man looked at Zhao Yu, then nodded and said, ""you are all police detectives!"" I really couldn't tell!"" "

""Old lady, we couldn't find your identity,"" Zhao Yu said. ""Now, can you tell me your name? Also, do you know why we rudely barged into your house?"" "

""Hehe ..."" The old man chuckled, then raised the corners of his mouth, revealing an uncomfortable smile. ""I know, I know why!"" "

""However, it's earlier than I expected!"" "

""Is that so?"" Zhao Yu reminded her, ""you haven't answered my first question yet! What's your name?"" "

""In fact, when you mentioned Japanese to me in the church, I should have known that you did it on purpose. Unfortunately ..."" The old man sighed, but he still maintained that slightly evil smile. ""I ignored it!"" "

"Hearing the old man's words, Ding Lan was a little anxious, but just as she opened her mouth, she was stopped by Zhao Yu. "

"Zhao Yu was also smiling, obviously waiting for something. "

""My name is Matsumoto Yosuke,"" the old woman replied. She closed her eyes and said, ""it's been decades since anyone called me by my name!"" "

""Ah!?"" "

"Upon hearing this, all the investigators were stunned. "

""Sure enough,"" Ding Lan nodded, ""it's a Japan name!"" Tell me, pan ... Pan Tian GUI Qi, who is he to you? He ..."" "

"Ding Lan had wanted to ask, ""where is he?"" She was stopped by Zhao Yu again. "

"Zhao Yu knew that they were facing an extremely cunning opponent. At this time, if he said anything wrong, he might be used by the other party. "

"Now, even though this woman was highly suspicious, the listening device alone could not prove that she had any relationship with the black-eyed killer. "

""Pan Tian GUI Qi, hehe...Hehe ..."" The old man closed his eyes again and maintained that evil smile. ""This name, it has been a long time since anyone mentioned it in front of me. Have I almost forgotten this name? "

""No... I don't think so ..."" At this point, Matsumoto Yosuke suddenly opened his eyes, like an evil witch about to use her demonic power. He said to Zhao Yu and the others, ""I will never, ever forget this name, never forget ..."" "

""Haha...Hahahaha ..."" "

“After she finished speaking, she actually laughed wildly and evilly. Her laughter sent chills down everyone’s back and gave them goosebumps ... ”

““Senior officer!”” At this moment, an agent who was searching the room came forward and reported,““you ... You should take a look at this!”” ”

“Then, he led Zhao Yu and the others towards the bedroom on the innermost side. ”

“As he walked, Zhao Yu realized that the police detective’s legs were weak, and he couldn’t help but stumble. When he walked past the door frame, he almost fell down. ”

What the hell?

“At first, he didn’t think much of it, but when Zhao Yu walked into the bedroom and saw what the police detectives had found, his eyes widened and he almost fell to the ground. ”

Chapter 2080: 17

““What ... What is this?!”” At the scene, some people asked questions, but more people covered their mouths in silence, obviously feeling disgusted. ”

One of the agents found a covered plate with a Japanese-style pattern on it.

“After opening the lid, there were many ... Many spherical objects! ”

“These things were like chess pieces, fixed at the bottom of the plate, and they looked densely packed ... ”

Oh my God!

“Even though Zhao Yu had solved many shocking cases, he had never seen such a strange scene. ”

Those spherical objects were clearly ... Clearly human eyes!

These eyes seemed to have been processed in some way. They were preserved in good condition like specimens.

“Although such a terrifying scene was not comparable to the bloody cases, Zhao Yu felt that the eyes that could only be eyes of a living person were staring at him. This made Zhao Yu’s scalp go numb. ”

“The police detectives’ faces were twisted in pain. Some did not dare to look at him, while some felt disgusted ... ”

““1,2,3,4 ...”” At the scene, only one person seemed to be unaffected. It was the special Agent Ding Lan. She even began to count one by one.” ...16, 17!”” ”

““Waa!”” Ding Lan grinned.”“There are 17 in total! Were these the eyeballs of real people? Why are there so many of them?”” ”

““Cough cough ... Cough cough ...”” Zhao Yu choked on Ding Lan’s words. ”

“““How many people have died?”” Ding Lan said indignantly, “““this is insane! He was a murderous demon!””

“““Eh? ““Wait a minute ... Hmm ... Li Yiyang, Quan youdong, Liu bingcheng ...”” Ding Lan stretched out three fingers and mumbled in confusion, “““three people, that should be six eyeballs. Where did the others ... Come from?””

“““And ... Why is there an odd number?”” ”

“““Ding Lan, Ding Lan ...”” Zhao Yu quickly waved his hands. “““Stop talking, stop talking ... Hurry up and search ...”” ”

“Then, Zhao Yu closed the lid of the box, and everyone felt better. ”

“Then, the police detectives and Ding Lan rummaged through the cabinets and found a lot of other things in the cabinet where they found the plate. ”

“For example, a large number of syringes, medicine, unknown liquids, scalpels, some surgical instruments, and so on ... ”

“In a drawer at the side, the police detectives found information that contained photos of Li Yiyang, Quan youdong, and Liu bingcheng. They did not need to look at it to know that the information was used for the murder plan ... ”

“Later on, the police detectives even found a sneaky video of the fraternity on the computer. They didn’t expect that she had been secretly following the fraternity’s activities since five years ago ... ”

“With these things, it was basically confirmed that this Masayoshi Matsumoto had a major relationship with the black-eyed murder case and was an important suspect in this case. In fact, the black-eyed killer who had been hiding behind the scenes, Gong Jie, was her! ”

“She had been lurking in the church for a long time, secretly observing those who had suffered psychological trauma, looking for the target she was going to encourage. ”

“Then, she would use these people’s desire for revenge to help them fulfill their wishes. ”

But ...

Why?

Why?

“Zhao Yu looked at the old man in the courtyard, who was handcuffed and restrained by the police detectives. He was very puzzled. ”

“Those dead people had nothing to do with her, so why would she do that? ”

“Also, why would she have the same method of committing the crime as the Yokohama F. Marinos black pupil case? why would she have the same drug formula and black stone? ”

Didn’t they say that a noble person had no close relatives?

What did this woman have to do with the ‘pan Tian GUI Qi’?

“During the search, Li Zhen Zhu arrived at the scene with more investigators. After seeing the cuffed old man, Li Zhen Zhu was also very surprised. ”

“Originally, according to the rules, the police detectives were supposed to read out her rights to Matsumoto Yushi and then take her back to the police station for interrogation. ”

“However, Zhao Yu changed his attitude and asked Li Zhen Zhu not to take Yosuke Matsumoto away immediately, but to find a quiet place to talk to her. ”

“This was because, from their initial conversation, Zhao Yu had already felt that the woman might have been prepared to be arrested. ”

“Therefore, striking while the iron was hot might be the best opportunity to reveal the answer! ”

“At this point, Li Zhen Zhu also listened to Zhao Yu’s words. She immediately asked the police detectives to clean up a small room for Zhao Yu to interrogate on the spot. ”

“When the old man was brought into the house, Li Zhen Zhu received a message about Masayoshi Matsumoto. She immediately showed it to Zhao Yu. ”

“The message said that Matsumoto Yosuke was a Japanese immigrant who moved to Seoul in 2010. Her hometown was Yokohama, which was not far from Pouta Takaki’s residence! ”

“She was 67 years old this year and used to work at a shipyard. After she retired, she left Yokohama and migrated to Seoul. The records showed that she had no marriage records. She should have been unmarried all her life and had no children. ”

“Her financial situation was also very ordinary, and she could barely make ends meet ... ”

“”Mm ...” Zhao Yu memorized the information in his heart, then whispered to Li Zhen Zhu,“”it’s best to call Masako Yangshan. This case is obviously not limited to the few cases we have now.”” Let her come over, she might be able to help!”” ”

“”Okay,”” Li Zhen Zhu agreed to Zhao Yu’s request,“”I’ll contact her now!”” ”

“Seeing that Li Zhen Zhu had picked up the phone, Zhao Yu turned around and went into the small house. He came in front of Matsumoto Yosuke. ”

“Matsumoto Yosuke was wearing loose Japanese-style clothes. Although the material looked ordinary, it was very clean. ”

“”You just said,”” Zhao Yu said directly,“”that you knew we would come, but just came earlier than you expected, right? ”

“”So, you still have some unfulfilled wishes?”” ”

“”You guys ... Are indeed more powerful than I thought,”” said Masayoshi Matsumoto. Although he was handcuffed, he stood straight and said elegantly,“”I thought I would have at least three to six months left!”” ”

“” 17 eyeballs?”” Zhao Yu suppressed his excitement and asked,“”are they all true?!”” It can’t be a fake specimen, right?”” ”

""Do you know ..."" Matsumoto asked, ""why do I have to take off their eyes?"" "

Thump ...

She was obviously trying to tell Zhao Yu that the eyeballs were real!

""Why?"" Zhao Yu could only go along with the flow. "

""Because, "" Matsumoto smiled elegantly and said, ""even if they have eyes, they can't see anything!"" "

""This ..."" Zhao Yu frowned and said, ""I didn't expect there to be so many eyeballs! That year, when the Yokohama F. Marinos police searched Hiroshi Pouta's house, they only found the tools and drugs. They didn't find the eyes of the victims! "

""Could it be that ..."" Zhao Yu raised a key question, ""those eyes were originally collected by pan Tian GUI Qi?"" Did he give it to you?"" "

""Ha ... Haha ..."" Hearing this, Matsumoto Yumo revealed that evil smile again and said, ""it seems that you don't know anything yet! "

""Don't tell me ... You really think that pan Tian GUI Qi is the so-called black-eyed assassin!"" "
