

Crazy 2081

Chapter 2081: Illogical

““““Ah?”” Zhao Yu was shocked and asked in a trembling voice,“““you ... Who are you?””””

“Suddenly, a strange scene appeared in Zhao Yu’s mind.”

“On that night at Yokohama F. Marinos Beach Villa 45 years ago, the police found out that Pouta Takeshi was the biggest suspect in the black-eyed murder case. They followed the trail all the way to the judge’s house and happened to see the scene of Pouta Takeshi’s murder!”

“After that, pan Tian’s noble Qi escaped and fell into the sea from a hundred-meter high cliff, never to be seen again.”

“However, in the scene that Zhao Yu saw, there was another murderer hiding at the crime scene of the judge’s house. It was pan Tian GUI’s angry escape that had attracted all the police officers.”

And she ... Quietly took an eyeball that she had already taken from the judge and retreated from the dark corner ...

“Although it was just Zhao Yu’s imagination, this scene was comparable to the scariest scene in any classic horror film!”

Could ... Could it be ...

“For the past 45 years, had people been wrong? [Pan Tian GUI Qi has an accomplice?] Or perhaps, the black-eyed killer was not him at all?”

““““Who am I?””” Matsumoto sat up straight and said elegantly,“““I’m the Savior who punished the world for being indifferent!””””

““““Our world has fallen into the abyss of morality. Many people are selfish, cold-hearted, and indifferent to life. They never understand the difficulties and pain of others. They even watch as other people’s lives are mercilessly taken away without doing anything ...””””

““““Such people should have a taste of losing their eyes. Such people don’t deserve to live in this world!””””

““““Seventeen eyeballs ...””” Zhao Yu swallowed his saliva and said in shock,“““eleven of them were from the victims of the Yokohama F. Marinos black-eyed case, right? Including the judge who lost an eye?””””

““““Hmph ...””” The corner of Matsumoto’s mouth lifted slightly, revealing that terrifying smile again,“““I’m afraid that the world thinks that the judge’s eye has been brought down the cliff by the magnanimity of pangtian?””””

““““Pan Tian noble Qi ...””” Zhao Yu asked again,“““what is your relationship with pan Tian noble Qi?””””

““““Pan Tian GUI Qi ...””” Matsumoto Yumo closed his eyes and took a deep breath.“““That’s a long time ago!””””

""It doesn't matter,"" Zhao Yu said calmly. ""You can speak slowly. I'm very willing to listen!""

""This fool ..."" Matsumoto said. ""Back then, when Pangda Takumi's father was sentenced to death by the court, he was so stupid that he wanted to find two girls to kill and dismember them ...""

Thump ...

Zhao Yu's heart skipped a beat. Matsumoto's words were completely out of his expectations. He had actually mentioned the girl's murder case.

""However, despite his doubts, he did not interrupt the other party.""

That was because he realized that the current Matsumoto yozuki had already sunk into the memories of the past.

""Don't you think he's too stupid?"" Masayoshi Matsumoto's eyes widened, and a nervous expression appeared on his face. ""He thought that if he used the same method to kill the two girls, he would be able to prove that the killer who killed the girls was not his father!""

""This way, the court will make a new ruling and let his father go!""

""Simply ... Too childish ...""

* Buzz Buzz ... *

""Just as Masako Matsumoto was explaining, Zhao Yu's mobile phone vibrated. It was a text message from Masako.""

""Detective Zhao, I know who Matsumoto yozuki is. She's a good friend of pan Tian GUI Qi and we grew up together.""

""In the case record, I saw her information. I once suspected that she was pan Tian GUI Qi's girlfriend. However, because the relationship wasn't too obvious and the person himself denied it, he was eventually ruled out.""

""Detective Zhao, I'll find more information about her and send it to you as soon as I find it ...""

""You're at a critical moment in your interrogation, so it's inconvenient for me to enter the scene!""

Hmm ...

Zhao Yu was very satisfied with Masako's performance.

The reason why he had asked Li Zhenzhu to call Masako over was to ask Masako to help investigate the identity of this key suspect.

""So,"" in order to lead Matsumoto yozuki to tell the truth, Zhao Yu followed her train of thought and asked, ""you stopped him?""

""Yes,"" Matsumoto said. ""The police are watching him at all times. If he were to kill someone, he would not be able to escape. Not only would he not be able to save her, but he would also be finished!""

““““At that time, in order to save her father, she even begged me to help her find two girls to kill ... How could I do that?”

““““He’s really ... Already possessed by the devil!”“““

““““Mm mm ...”“ Zhao Yu’s experience told him that he couldn’t interrupt, so he could only wait patiently.”

“As expected, Matsumoto Yumi’s desire to talk was triggered and he continued,“““““Fortunately, what I was worried about didn’t happen. He wasn’t stupid enough to kill anyone!”

““““However, when his uncle ... Pangtian guiqi’s father was sentenced to death, pangtian guiqi’s attitude changed completely!”

““““He no longer had the passion and love for life. Every day, he was in a daze, like a walking corpse. I felt sorry for him when I saw his pitiful appearance, so ...”

““““So, in order to encourage him and make him get back on his feet, I gave him the idea of killing people for revenge!”

““““I told him,“““ said Matsumoto yozuki elegantly,““““that the jury members killed his father. One vote, just one more vote!”

““““If only one of those who voted in favor could vote against it, then uncle pan Tian wouldn’t have died!”

““““So, in the end, the ones who killed uncle pan Tian were the jury members who voted in favor, and of course, the other party’s defense lawyer, as well as the hateful judge!”

““““These people are responsible for uncle pan Tian’s death, so I advised pan Tian to kill these people in anger. This way, he can resolve his hatred and not continue to live in a muddled state ...”“““

What the ...

“Zhao Yu cursed in his heart, what kind of bullsh * t logic is this?”

“Pangtian guiqi had suffered a blow from his father’s death. It was understandable that his thinking was different from ordinary people, but this woman’s thinking was too abnormal.”

“In that situation, if she was really concerned about pangtian guiqi, shouldn’t she have tried to persuade him?”

What was this? Using killing to resolve hatred?

Why did she come up with such a vicious and sinister idea?

““““He agreed.”““ Matsumoto smiled evilly.”““ As I said, he saw the hope of revenge and got back on his feet!”

““““I also gave him a suggestion, saying that the jury members were blind. Uncle pan Tian was clearly wronged, but they still voted in favor. So, we can’t let them die so simply!”

““““I suggest ...”” A bloodthirsty look appeared in Matsumoto Yumo’s eyes,““““we better dig out their eyes and replace them with black stones!””

““““My hometown is in Hokkaido. There is an ancient legend in the tribe. When the tribesmen kill an enemy, in order to prevent the enemy from turning into ghosts and retaliating, they will use a black stone to cover their eyes!””

““““And I think,“““ Matsumoto Yushi seemed to be talking about something very normal,““““if we change the eyes of those people who killed uncle pan Tian, we can let the world know that they have done wrong!””

““““Their eyes are all black!””””

Gulp ...

“Hearing this, Zhao Yu swallowed again.”

“The more he thought about it, the more he felt that this woman’s mental state was abnormal.”

““““Also,“““ Matsumoto continued,““““I know of a formula that uses a muscle relaxant. It can make the other party unable to move, but it has consciousness!””

““““This way, he can personally experience the feeling of having his eyes taken away by us!””””

Chapter 2082: Scalpel

““““For this revenge plan, we have made a lot of preparations,“““ said Matsumoto Yosuke.““““We have made muscle relaxers, anesthetic, and of course, those black eyes! ””

““““We searched for a long time before we found a suitable black stone. We bought our own tools and started cutting the stone, grinding it, and making it into black eyeballs ... ””

““““Of course,“““ Matsumoto said,““““in order to avoid suspicion, we didn’t take action immediately. Instead, we prepared for more than 10 months. We waited until the news of uncle pan Tian’s death gradually cooled down before we began our revenge! ””

““““Our plans are very detailed, and every plan has a corresponding backup plan. ””

““““The facts have proven that our plan was very successful. In less than half a year, we killed five jurors from different places and took out ten of their eyeballs. ””

““““The dosage of muscle relaxant was also well controlled. By the time we finished changing eyes, they had died from muscle atrophy and breathless! ””

““““We’re very satisfied with such a death,“““ said Matsumoto.““““Pangda Takumi was also very happy. He already felt the pleasure of revenge! ””

““““Of course, while we were taking revenge, the news of the black eye case also caused a sensation in the country. The police had already launched a large-scale investigation! ””

“““We know that the more people die, the more information we leave for them. ”

““““Sooner or later, they’ll find out the connection between the victims, and then they’ll trace it to us! ”

““““So, we plan to leave Yokohama after killing the judge,”” said Matsumoto Yosuke.””Then, we’ll think of a way to go abroad! ”

““““Because the defense lawyer who killed uncle pan Tian also went abroad. We were thinking that when the case died down, we would go abroad to find him! ”

““““We can’t let anyone who harmed uncle pan Tian off ... ”

““““But, what we didn’t expect was that the police were very fast,”” Matsumoto muttered.””On the night we laid our hands on the judge, they actually came to find us! ”

““““I had no choice. In order to protect me, pan Tian GUI Qi rushed out and drew them away!”” ”

“Speaking of this, Zhao Yu could clearly see that there was a change in the look in Matsumoto Yosuke’s eyes. It was a faint look of regret and regret. ”

There were even tears in her eyes ...

““““At that time, we agreed that after he escaped, we would meet at the shipyard and then leave together by boat ... But,”” Matsumoto said sadly,””I waited for him at the dock for a long time, but I only received news that he fell off the cliff! ”

““““He actually jumped down from the top of the cliff!!!”” ”

“As she said this, a crystal-clear tear fell from the corner of her eye. ”

““““He didn’t fulfill his promise,”” said Matsumoto Yuki as he closed his eyes.””For more than 40 years, no one hoped more than me that he was still alive! ”

““““But he never appeared again ... ”

““““And, for more than 40 years ...”” The corners of her mouth rose, and she once again revealed that evil smile.””He has been crowned the black-eyed killer! ”

““““Hehe, what a joke!”” At this point, she suddenly widened her eyes.””Actually, all the murder plans were arranged by me! I was the one who carried out all the killing! ”

““““Although I’m taking revenge for him, pan Tian GUI Qi is only my assistant! ”

““““I ...”” Matsumoto Yumo revealed a ferocious look and said fiercely,””I’m the real black-eyed assassin!!!”” ”

“As soon as he said that, the room was filled with a cold and murderous aura. ”

This seemingly kind and harmless old man was the famous black-eyed assassin!

““““So ...”” Zhao Yu thought for a moment, then asked,””you and pangtian Takumi ... You are his girlfriend?”” ”

“““Girlfriend ... Right?”” Matsumoto yozuki was still in an unstable state. He muttered to himself,““if not for so many things happening, maybe, it should be?”” ”

“““You guys participated in the murder together for revenge. What was your motive?”” Zhao Yu asked,““isn’t it for the sake of the land?”” ”

“““Is that so?”” ““Is it because of him?”” Matsumoto yozuki asked in confusion. ”

“““You and him ... What is your relationship?”” Zhao Yu asked seriously. ”

“““Perhaps, it’s not related?”” Unexpectedly, Matsumoto Yosuke and Zhao Yu were talking in riddles. ”

“““Tsk tsk ...”” Zhao Yu creased his eyebrows and asked from another angle,““I have a question that I can’t understand!”” Since you keep saying that you’re a black-eyed killer, why did you wait 45 years to make a move again? ”

“““What have you been doing for the past 45 years?”” ”

“““Hmm ... That’s a good question ...”” Matsumoto yozuki returned to his previous elegant state and said,““after Pouta Takeshi left me, I lived alone. ”

“““The police didn’t suspect me, and I successfully got rid of the suspicion. ”

“““I work at the health center of the shipyard. My life is simple and boring, and I don’t have many people to interact with! Moreover, everyone would smile when they met each other every day. When someone was in trouble, everyone would help each other ... ”

“““Unknowingly, so much time has passed ... I thought that I would carry my secret with me and grow old alone until I die! ”

“““After I died, someone found the box of eyeballs after tidying up my belongings ... Perhaps, it will only leave them with endless speculations? ”

“““Hmph ...”” Matsumoto said calmly,““in those lonely days, I had a taste of what it was like to lose a father! ”

“““That feeling was really uncomfortable. It made me look at all the beautiful things in the world in front of me, but I couldn’t integrate into them. ”

“““Perhaps the curse of the black eyes still flows in my bones. Or perhaps, there’s something in this world waiting for me ... ”

“““Many years later, the shipyard closed down and was acquired by a Korea company. I also came to Seoul by accident,”” said Matsumoto Yumi.““I’ve been living there for many years! ”

“““But at this time, as I came into contact with more and more people, I suddenly realized that this world wasn’t a good place. There were many unacceptable stains! ”

“““I see that there are many people who are cold and emotionless. They ignore others and look down on life ... ”

““““Their hearts are filled with malice. They speak ill of others, do not know respect, do not know gratitude, and even when their lives are about to disappear, they are too lazy to reach out their hands ... ”

““““This kind of person is even more despicable than those jury members who misinterpreted right and wrong! However, they often lived a good life and would not be pursued for any responsibility ... ”

““““So, it was these people who changed me and made me suddenly have an epiphany. That’s why I abandoned 45 years of numbness and loneliness and found the meaning of life again! ”

““““I want those cold-hearted people who have hurt others to pay for their actions! ”

““““Perhaps this is my destiny! ”

““““That’s why, after 45 years, I picked up the beautiful scalpel that can replace the human eye again!”” ”

Chapter 2083: hatred detection

““““I’ve been doing volunteer work in the church for the past few years,”” Matsumoto said. ““““Here, I can easily see through people’s hearts. ”

““““Many people come to the church to repent, and I like to eavesdrop on them in secret. Those who come to the fraternity to participate in psychological counseling all have their own stories. ”

““““So, I planted a bug in the fraternity.”” Matsumoto yoyo’s posture was still elegant, but there was a ruthless light in his eyes,””I listen to their stories, and in their stories, I can see the evil in the world! ”

““““Hmph! The lectures from the church and the counseling from the experts are all wrong!”” Matsumoto Yumi said with a heavier tone,””using kindness to drive away evil is a lie! ”

““““That’s just deceiving yourself by covering your ears to steal the bell. It can’t soothe the hearts of those who are injured. If those who hurt them are not punished, how can they heal their wounds?” ”

““““So, I’ve decided to use my own method to help them! ”

““““The moment I thought about how I was going to punish those cold and heartless people with my black eyes, I couldn’t hide the excitement in my heart. I felt that my life had a new meaning, just like the magnanimity in the past. ”

““““Although he died because blackpupil jumped off the cliff, I believe that he will not regret it! ”

““““From then on, I began to gather information, research all kinds of related knowledge, and make my precise plans. Everything seemed to have returned to the past ...”” ”

“Listening to what Masamoto Yushang had to say, Zhao Yu realized that this person’s mentality had long been out of balance. Her thoughts were extreme, and it was a typical morbid state. ”

“However, even though she was extreme in her thinking, she was also an extremely capable person. ”

Such a person was often more terrifying than those vicious people who bared their fangs and brandished their claws.

“““What finally pushed me to make up my mind was the bus fire,”” said Matsumoto Yosuke.””Liu Bing became his own luggage, causing seven passengers who should have escaped to die in the fire. His sin is absolutely unforgivable! ”

“““From the eavesdropping of the fraternity, I found out that people like Cui Dongshan and Han Cheng have expressed their desire to take revenge on Liu Bingcheng. ”

“““Although, under the persuasion of those psychologists, they eventually said that they had resolved the knot in their hearts and given up the idea of revenge, in fact, they did not let it go at all. ”

“““And only I can see this,”” Matsumoto said smugly.””It’s strange. I haven’t studied any psychology, but I’m very sensitive to the hatred in other people’s hearts. ”

“““These people’s eyes are shining with the same light as Pan Tian GUI Qi ‘S. I know that they need me just like Pan Tian GUI Qi, so I should help them ...”” ”

“““So ...”” Zhao Yu followed her train of thought,””you found Cui Dongshan and the others and convinced them? You took advantage of their hatred?”” ”

“““No, this isn’t called using!”” ““I’m sincerely helping them. I don’t ask for anything in return, so I’m not using them!”” ”

“““But,”” Zhao Yu was puzzled,””once you tell them, they all listen to you?”” ”

“““Almost!”” The corner of Matsumoto’s lips curled up.””I didn’t deliberately incite them. I just bluntly put forward my plan, but they all agreed without exception!”” ”

“““Are they Cui Dongshan, Han Cheng, his wife, and Park Yunshun?”” Zhao Yu asked,””besides these four people, was there anyone else involved?”” ”

“““No,”” said Matsumoto Yosuke, nodding.””I’m a good judge of character. Only the four of them were hurt the most. They even thought of suicide. I’m sure they will agree without hesitation!”” ”

“““It’s my plan. Let them be Reborn!”” ”

“““Then ...”” Seeing that Matsumoto had answered his question, Zhao Yu asked again,””what about Yu Wanjin? He agreed to it?”” ”

“““Of course,”” Matsumoto answered,””I heard Yu Wanjin’s confession clearly. I’m sure that he will avenge his dead wife and the child in her stomach at all costs! ”

“““Moreover, I’m very sure that he already knows who his enemy is!”” ”

“““You know ...”” Zhao Yu had already deeply experienced how terrifying this woman was, so he immediately asked,””the hatred between Cui Dongshan and Liu Bingcheng is too obvious, so you decided to let them kill each other?”” ”

“““What do you mean by a kill exchange?”” Matsumoto revealed his evil smile once again.””I’m the one who’s going to kill you. What’s the deal?”” ”

""This ..."" Zhao Yu was at a loss for words. "

"However, there was nothing wrong with what he said. "

""I'm just letting them participate and be my assistants, just like pan Tian GUI Qi back then!""
Matsumoto said very naturally, ""besides, I'm old and I need an assistant. "

""Although they couldn't kill their enemies with their own hands, because I used the black pupils""
method, they were very satisfied when they finally completed it! "

""Not only did they thank me, but they also knelt in front of me and swore that even if they were
caught by the police, they would never expose me! "

""I believe that they are already prepared to die, "" said Matsumoto Yosuke, looking at Zhao Yu. ""So,
you were able to find me not because of them, right?"" "

What the ...

Zhao Yu took a deep breath and felt goosebumps all over his body. He never thought that this woman's
judgment would be so strong. It was as if she could really see through people's minds!

""I know, "" Matsumoto Yumi continued, ""even if they don't rat me out, you won't believe them! "

""Although I've made them make an exchange, there are still many loopholes. As long as you can find
out the relationship between Yu Wanjin, Li Yiyan, and Quan youdong, then you can still trace it to me! "

""Although the probability is very small, it seems that ... "" Matsumoto Yumo smiled evilly, ""you guys
really succeeded! Since that's the case, I'll just accept it ... "" "

"As she spoke, she spread her cuffed hands and made a ""catch me"" gesture. "

""I'm still a little curious, "" Zhao Yu said. He still had a lot of questions, so he was not in a hurry to get
to work. ""After cui Dongshan and Yu Wanjin found out about your plan, they should know that you are
the famous black-eyed killer, right? "

""They ... What was their reaction?"" "

""Your question is very unique, "" Matsumoto said. ""One day, when you lose your beloved child
because of the indifference of others, you will know that my identity is not worth mentioning compared
to your hatred! "

""Let me tell you, when those people found out that I was a black-eyed assassin, they didn't have any
reaction at all. If they did, they would only be excited. It's the kind of excitement that comes from seeing
the hope of revenge!"" "

Tsk tsk ...

"Zhao Yu pouted and sighed. This woman's judgment and insight were extraordinary. Through this
conversation, he could confirm that she was the black-eyed killer! "

"Seeing that Matsumoto had no intention of continuing the conversation, Zhao Yu stood up and asked
the police detective to take him back to the police station. "

“At this moment, the door was suddenly opened. Masako Yangshan suddenly walked into the room and asked Matsumoto yozuki impatiently,”” ”

“”“Since you’re so sure that pan Tian GUI Qi’s father was wronged, could it be that you already knew the truth of the two girls”” murder?”” Masako bowed to Matsumoto yozuki and said,””please tell me, who killed those two little girls!”” ”

Ah?

“Upon hearing Masako’s question, Matsumoto Yushi uncharacteristically revealed a surprised expression. His body, which had just stood up, immediately collapsed again ... ”

Chapter 2084: The murderer from 45 years ago

“”“Please,”” said Masako Yangshan very politely.””Please tell me the truth of what happened back then!”” ”

“”“You ...”” Matsumoto stared at Masako and asked,””Who are you?”” ”

“”“Yosuko is my aunt.”” Masako Yangsan bowed and said,””in other words, she is my mother’s sister ...”” ”

This ...

Zhao Yu was dumbfounded. He never expected Masako Yangshan to have such an identity!

Yuuko was one of the two girls who had been killed that year.

“Just now, Zhao Yu was still in disbelief. Why would Masako bow to a murderer? ”

“Now, he understood a little. Masako wanted to find out the truth of Masako’s death through Matsumoto Yumo. ”

This young lady was really ...

“”“Oh ...”” Matsumoto Yumi narrowed his eyes and thought for a moment, then nodded slightly. ”

“”“Auntie’s tragic death has caused my grandfather’s family to be deeply saddened. Before my grandfather and grandmother passed away, they still couldn’t forget this matter,”” said Masako Yangshan sincerely.””Now that my mother is seriously ill, I really hope that I can let her know the truth while she’s still alive! ”

“”“I beg you, please tell me the answer!”” ”

“”“ ...”” Matsumoto did not say anything, but the evil smile on his face was gone. On the contrary, she seemed to have suddenly aged many years, revealing a kind of cold and desolate look. ”

“”“I know,”” Masako Yangshan said.””Before you instigated pangtian guiqi, you must have already known something! ”

“““You abhor evil as if it is your enemy. It means that you are very clear that your father is innocent, right?”” ”

“““...”” Matsumoto Yumo’s lips trembled. He had already opened his mouth, but no sound came out. ”

“““Tell me the truth!”” Masako Yangshan continued,“““otherwise, you wouldn’t help pangtian Takumi for no reason, doing something that has nothing to do with you! ”

“““Don’t you think that the reason you became a black-eyed assassin is too illogical? ”

“““In the process of your mental development, you are still missing that most important link!”” Masako Yangshan’s words became more and more serious.“““But you deliberately avoided that part in your description. ”

“““How is it? you should admit it, right?”” Masako Yangshan then said,“““actually, you are the murderer of the two girls!”” ”

“““No... No...”” Matsumoto Yumo suddenly lost his composure and denied it,“““no! It wasn’t me!”” ”

“““Still not going to admit it?”” Masako Yangshan said,“““I’ve studied the girl’s murder case for many years and finally came to a conclusion. If the murderer is really not pan Tian guiqi’s father, then the reason why the murderer dismembered them must be to hide something! ”

“““No matter if it was before or after that, there were no similar cases. So, the death of the two girls was probably an accident?”” ”

“““...”” Masako Matsumoto’s face trembled, and her lips turned blue. Obviously, Masako’s words hit her where it hurt. ”

“““You’ve studied medicine, you know how to use scalpels, and you understand the structure of the human body ...”” Masako continued,“““you dismembered them and framed Pouta Takumi’s father! ”

“““It was also because of this that when his father was sentenced to death, you felt sorry for him, but you didn’t dare to tell him the truth! ”

“““You and pan Tian GUI Qi were childhood sweethearts. You’ve been secretly in love with him, but you’ve hurt him deeply! ”

“““It was this irreconcilable contradiction that caused your mentality to be distorted. So, you deliberately misled pan Tian GUI Qi and made him transfer his hatred to the jury members! ”

“““In fact, you killed those people just to resolve your own sins! ”

“““But a sin is a sin. It can’t be resolved and can’t be your salvation, just like what you did today!”” ”

“““Ah ...”” ”

“Matsumoto Yumo clutched his chest and let out an “““Oh.”” He looked like he was about to vomit blood, but nothing came out. ”

This ...

“Zhao Yu looked at Masako Yangshan with mixed feelings, and he couldn’t keep up with the rhythm. ”

“Prior to this, he had already felt that something was missing from Masayoshi Matsumoto’s confession, but he did not have the time to think deeper about it. ”

“However, he didn’t expect Masako Yangshan to be so quick-witted. Although she looked very polite on the surface, she had actually made a killing move and directly attacked the enemy’s base! ”

“““Oh ...”” Matsumoto Yumo clutched his chest, as if his heart was being twisted by a knife. ”

“““Do you think that by picking up a scalpel and killing people like Quan youdong and Liu bingcheng who ignore life, you can atone for your sins?”” Masako Yangshan was still aggressive.”““You didn’t collect those 17 eyes to let the world know, but to bring them to your own grave, right? ”

“““In the legends of your hometown, the black eyes can suppress a person’s soul, but taking another person’s eyes to be buried with you can alleviate your sins! ”

“““If that’s the case, aren’t you also a selfish and lowly person who disregards life? Don’t you think that your actions are too hypocritical and shameful? ”

“““You take advantage of other people’s hatred, but in the end, besides your hands that are stained with blood, what do you get? ”

“““If you really like the noble Qi of pan Tian, you should have bravely taken responsibility and bravely told the truth back then! It’s you who harmed him and his entire family!”” ”

“““Ah ...”” ”

“This time, Matsumoto Yumo’s reaction was even greater. She clutched her chest in pain, her body curled up and twisted, as if she had become smaller. ”

“Seeing Matsumoto’s painful reaction, Masako Yangshan knew what was going on. She immediately turned her head and bowed deeply to Zhao Yu. ”

“““Detective Zhao, thank you very much!”” Masako thanked him sincerely.”““Last night, I didn’t think much of what you said, but I didn’t expect that we’d actually figure out the truth of what happened 45 years ago so quickly! ”

“““Now, I’m satisfied. You’re truly the legendary detective! ”” Also, I would like to thank you again for my teacher’s help!”” ”

Masako bowed deeply to the ground and turned to leave.

“““Wait a moment!”” ”

Zhao Yu and Matsumoto Yushi shouted at the same time.

“““Oh?”” Masako stopped in her tracks and looked at Zhao Yu first, then at Matsumoto Yushi. She didn’t understand why the two of them would say this in unison. ”

“Zhao Yu also looked at Matsumoto Yosuke and said to Masako Yangshan,““““You’re wrong, Masako! The person who killed those two girls can’t be her!”” ”

“““W-what?!”” Masako was shocked and also looked at Matsumoto Yushi. ”

“At this moment, Matsumoto Yushi suddenly laughed. It was a smile that made one’s heart turn cold,”””He...Hehe...I finally know why I was caught by you!”” ”

“””Detective Zhao,”” Masako hurriedly asked,””why?”” ”

“””I’ve read the information you gave me,”” Zhao Yu said.””Dismembering a corpse and being proficient in body structure are two completely different things! ”

“””There’s an old saying in my hometown that doctors and butchers can’t mix together! This meant that once a person picked up a scalpel and became a doctor, it was impossible to pick up a butcher’s knife and become a butcher! ”

“””By the same logic, a butcher who is used to killing livestock will never be a Doctor Who can cure illnesses and save lives. Because even if he picked up a scalpel, his heart would only think of killing. ”

“””One is to save her life, while the other is to take her life. If Masayoshi Matsumoto was using a scalpel, then she can’t be the murderer who dismembered the girl!”” Zhao Yu turned to Matsumoto Yosuke and asked,””am I right?”” ”

“””...”” Matsumoto Yumo didn’t say anything, but his silence meant that he agreed. ”

“””Then ...”” Zhao Yu asked seriously,””now, can you tell us who the real murderer was forty-five years ago?”” ”

Chapter 2085: The distant truth

“””Hmph ...”” Matsumoto looked as if he had nothing to live for,””I’m not familiar with Hiroshi Pouta’s father, and I don’t have any experience in butchering people. How could I imitate his father’s way of cutting and killing those two girls?”” ”

“””Then ...”” Masako Yangshan frowned.””What’s going on?”” Do you not know who the murderer is? ”

“””Or ... Is the real criminal pan Tian’s father? Everything was just pan Tian GUI Qi’s imagination?”” ”

“””No... No...”” Matsumoto Yumo finally lowered his head, no longer showing any grace. He said in an unusually gloomy voice,””you don’t know, but in this distant story, there are actually two fathers!”” ”

What?

Two fathers?

“Zhao Yu and Masako Yangshan were shocked at the same time. At first, neither of them understood, but in the end, Zhao Yu’s thoughts were faster, and he immediately asked in surprise,”” ”

“””You mean, the real murderer is not pan Tian GUI Qi’s father, but your ... Your father?”” ”

“Since Matsumoto did not refute, it meant that she had silently confirmed Zhao Yu’s guess. ”

“””Another ... Another father?”” he asked. Masako Yangshan was in a mess.””Who is your father?”” ”

“““My father’s name is Matsumoto,”” said Matsumoto.”““It’s been more than 40 years. This secret...This secret ...”” ”

“Just by saying these few words, Matsumoto Yumo’s body started to tremble. It was as if what she was about to say had been suppressed in her heart for a lifetime. ”

“When she said the name, Masako quickly shook her head at Zhao Yu, which meant that the name Matsumoto had never been mentioned in the investigation of the case. ”

“““My father is in Hokkaido ...”” Matsumoto said,”““Hiroshi Pouta’s family is also in Hokkaido. We are from the same village. ”

“““This lady is right, he and I are indeed childhood sweethearts, childhood playmates ... ”

“““I’m five years younger than him. He’s a very handsome big brother ...”” Matsumoto said.”““Actually, when we were very young, we played the black eye game together. ”

“““Most of the families in our village live by slaughtering. As long as they are adult men, they basically know some slaughtering skills ... ”

“““We often see that after the livestock is slaughtered, the adults will take the livestock’s eyes and replace them with black stones. Then, they will hold a ceremony. The adults said that this could ward off evil and avoid disasters, and suppress the resentful souls of livestock ... ”

“““So, noble brother and I sometimes kill some small animals like chickles and kittens, and then we imitate the adults to change their eyes ...”” ”

“““Oh my God!”” Hearing this, Zhao Yu felt his blood run cold. The two children were so young, but they were already used to killing. This seemed even scarier than the scenes in horror movies! ”

“““Since we’re all from the same village, everyone’s slaughtering skills and cutting methods are similar, right?”” Matsumoto said,”““therefore, my father and Hideki Pouta’s father, Hideki Pouta, had the same slaughtering method. This was also why Hideki Pouta was sentenced to death!”” ”

“““This ...”” Masako Yangshan was anxious and urged,”““can you be more specific? What was the process of the case?”” ”

“““After that ...”” Matsumoto yozuko was not affected by Masako’s words and continued to speak at her own pace,”““noble brother’s mother passed away, and his father took him far away to Yokohama. ”

“““At that time, it was a hot trend. Because Yokohama was a trading port, there were many foreigners who liked to eat beef. Their slaughtering skills came in handy, so a lot of people left the village, not just the poutian family. ”

“““However, my father didn’t follow this trend and stayed in my hometown. Just like that, I separated from brother pan Tian. In those years, we could only communicate by letters ...”” ”

“““Pangtian Gege is already deeply rooted in my heart. I miss him so much that I’m lovesick. When I was in high school, I would secretly take a bus to Yokohama to find him ... ”

““““Back then, it was the best time of my life. We would go to the beach and tourist spots in the day, and at night, he would take me to try all kinds of delicious food. Then, we would go to the hotel or his dormitory and do those things like crazy ...”

““““However, even though we had sex a long time ago and he treated me well, I always felt that our relationship was a little different from others. I always felt that he didn’t treat me like a lover, but more like family.”

““““But I was immersed in the joy of love and didn’t care.”

““““Later on, I ignored my family’s objections and gave up on a famous university and a bright future. I chose to study at a Normal University in Yokohama. That way, I could finally be with my noble brother!”

““““However, what I didn’t expect was that when I went to look for him, I found out that he already had a girlfriend!”

““““My worry came true. He still thinks of me as the little sister next door and doesn’t really like me ...”

““““At that time, I was particularly disappointed, but I didn’t despair.”

““““Because I think I still have a chance!”” Matsumoto Yumi was immersed in the memories of the past.””After all, we’re in the same city. I have many ways to get noble brother back ...”” ”

““““However, it turned out that my methods were all wrong. Although I caused a lot of misunderstandings and trouble for him and his girlfriend, not only did I not get noble brother back, but it also made him feel disgusted. He even said angrily that he didn’t want to see me again!”

““““At that time, my heart was completely broken by him. I was heartbroken. I hated him. I hated him for betraying me ... I even thought about killing him and dying with him ...”

““““But, some things are just like fate ... And at that time, an accident happened ...”” Matsumoto did not even blink, but tears kept falling.”

“After that, she stopped talking, as if she was trying her best to calm down. Then, she continued to speak to Zhao Yu,”

““““One day, when I was in despair, my father suddenly found me!”

““““I was very surprised. When I left my hometown, I left in a bad mood. I didn’t expect my father to suddenly come and find me ...”

““““At first, I was so touched that I wanted to hold my father and cry.”

““““But what I didn’t expect was that my father’s expression was particularly panicked. His body kept shaking, and his words were incoherent,”” Matsumoto muttered as he recalled.””I asked him what was wrong, and he stammered for a long time. Then, he called me to the woods and showed me his car!”

““““There was blood on the car, and I immediately understood. He must have gotten into a car accident to see me!”

““““But, I didn’t expect ...”” Matsumoto Yushi said in a trembling voice,””when he opened the trunk, I ... I saw ...”

““““I saw it ... Phew ...”“ Masamoto yozuki’s face was twisted as he covered his face and said in pain,““““I saw the bodies of two girls!!”“ ”

Oh my God ...

“Hearing this, Zhao Yu and Masako Yangshan were both stunned. They never thought that the situation would be like this! ”

““““My father, he was already numb from fear,“““ Matsumoto continued,“““he said that he borrowed his car from a villager, and the procedures for the car might not be complete ... ”

““““He deliberately passed through the seaside path, but he didn’t expect two girls to suddenly appear on the road ... ”

““““At that time, I ... I ...”“ Matsumoto Yushi clutched his chest and said remorsefully,“““sigh! If ... If I had persuaded him to turn himself in at the police station, perhaps, perhaps nothing would have happened ...”“ ”

Chapter 2086: The butcher’s weakness

“Zhao Yu and Masako Yangshan looked at each other. Both of them felt the same way, both shocked and curious. ”

It was natural to be shocked. No one would have thought that the tragedy that happened forty-five years ago would be caused by a car accident.

What they were curious about was that they couldn’t understand how a car accident could turn into a cruel dismemberment and involve pan Tian’s father.

““““My father said ...”“ Matsumoto continued,“““after he killed the two girls, he didn’t know if there was anyone else nearby, so he put the bodies in his trunk ... ”

““““He was too panicked, so when he drove onto the main road, he knocked down two trash cans. He also noticed that a lot of people on the street had noticed him! ”

““““Also, he might have seen the blood on the car. If the police investigate, they will definitely find him. ”

““““At that time, he had already fallen into despair when he saw the bodies of the two girls. But I was different ...”“ Matsumoto said through gritted teeth.“““The more I saw the bloody scene, the calmer I became. ”

““““I started to think hard about how I could help my father get away with his crime. ”

““““And ... From the very beginning, I’ve already thought of the pangtian family’s butcher shop. Also ... Can I use this opportunity to take revenge on that heartless man?”“ he thought. ”

Zhao Yu’s eyes were wide open as he thought of something even more terrifying!

“““When I was with my noble brother ...”” Matsumoto continued,“““I’ve been to his family’s butcher shop many times. I know that his family’s butcher shop has a small door that will open with a simple poke ... ”

“““Once, we even made love in a butcher’s shop ... ”

“““I have a deep impression of that place. There was a familiar smell of blood there, so ...”” Matsumoto Yosuke closed his eyes and said,“““I was thinking, why don’t I use this place where we used to have fun to take revenge on that heartless man? ”

“““I don’t know why I would think that way. Perhaps I was blinded by hatred back then,”” said Matsumoto Yosuke.””In the end, I really did it ... Now that I think about it, it’s really ... ”

“““Ai!”” She sighed heavily.””It’s me who ruined everyone’s lives! That includes me!”” ”

“““You ... What did you do?”” Masako Yangshan’s voice had already changed. ”

“““My father and I drove the car to the forest near the butcher’s shop. At that time, the butcher’s shop was already closed. It was dinner time for every family. There was no one in the forest ... ”

“““Then, my father and I carried the two children’s bodies into the dried meat. We left the rest to my father ... ”

“““I didn’t think too much about it at the time. I only thought that the only way to deal with the two children would be to use this method so that no one would link them to a car accident! ”

“““As long as it’s not related to a car accident, the police wouldn’t look for witnesses, and they wouldn’t investigate my father’s car ... ”

“““Also,”” Matsumoto said,“““I also wanted to use this opportunity to give that heartless man some trouble and teach him a lesson. I really didn’t expect that things would deteriorate to the point where I couldn’t clean up ... ”

“““Perhaps, I was lucky enough to think that if the meat and bones were disposed of with the butcher shop, no one would know about this matter anymore? ”

“““At that time, I was really possessed. I knew that everything was contradictory. Two living girls were gone, and her family would not give up so easily! ”

“““I knew that the best solution was to get my father to turn himself in, but I ... Just did it ... ”

“““At that time, my father no longer had any opinions. He listened to me. He would do whatever I said ... ”

“““At that time, I also did something that I thought was smart, because I had something to do with Pangda Takumi, so,”” Matsumoto shook his head and said,“““I drove my father’s car to the seaside far away, then returned to my dormitory to be with my roommates! ”

“““This way, I have an alibi ... ”

“““That night, I knew that my father was doing something inhumane, but I still chatted and laughed with my roommates. I didn’t show any signs of abnormality ... ”

“Just like that, after my father finished his business, he didn’t meet me. He went directly to the beach, washed the car, and drove away when it was still bright!”

“Everything, just like that ... Just like that ...”

“At this point, Matsumoto Yosuke couldn’t stop sobbing and couldn’t speak.”

“How did this happen?” Masako Yangshan said, “even if there was a car accident, even if someone was killed, even if the procedures were incomplete, if they could handle it actively, they might not go to jail!”

“Why are you so silly?” Masako Yangshan asked, “although you study medicine, you should know the law, right? How could you instigate your father to do such an inhumane thing?”

“Just because pan Tian GUI Qi is a heartless man?”

“Wuwu ...” After hearing this, Matsumoto Yumo actually cried out and said with regret, “you don’t know this, but when my father found me, it was already too late!”

“We ... We can only do that ...”

“Ah?” Masako Yangshan was puzzled. “Why?”

“Because,” said Matsumoto Yosuke, “after the car accident, a girl was killed by a car, and the other ... The other ...”

Whoosh ...

“In that instant, Zhao Yu felt a chill run down his spine. He felt his scalp go numb and a chill run down his spine.”

“You mean ...” Masako Yangshan was also shocked. “Your father ... Killed that child!?” Oh my God!”

“This is the weakness of a butcher ...” Matsumoto said. “Years of slaughtering has made him unable to distinguish between humans and animals ...”

“No! These are all excuses!” Masako Yangshan shouted angrily, “what butcher’s weakness? this is simply inhumane. How can such a person be worthy of living in this world?”

“Yes, you’re right. This kind of person doesn’t deserve to live in this world ... Hehe ... Hehehe ...” Masamoto Yosuke had already fallen into a state of madness.

“You’re even more detestable than your father!” Masako Yangshan said with hatred, “you condoned the murderer, gave him bad ideas, and even framed others. You ...”

“At this time, Zhao Yu realized that Matsumoto was about to lose control of his emotions, so he quickly stopped Masako and changed the topic, “That is to say, the murderer who killed and dismembered the girl was your father!”

“What happened after that?”

“After that ... After that ...” Matsumoto said nervously, “you all guessed it right ...”

“““In fact, I didn’t expect that pan Tian’s father would really be sentenced to death. Are the police officers, prosecutors, jurors, and judges blind? ”

“““This matter has nothing to do with pan Tian Shou, but they actually sentenced him to death. These people must have done it on purpose. They are blind ...”” ”

“““So, I kept giving pan Tian GUI Qi psychological hints, so that he would transfer his hatred to those people ... ”

“““The father and son had a very deep relationship. After father’s death, brother GUI Qi was in low spirits. He even broke up with his girlfriend ... ”

“““But at that time, I didn’t feel any joy or relief. I only felt endless regret. I couldn’t believe that it was my wrong behavior that caused noble brother to lose his father ... ”

“““I want to get back on good terms with him, but I don’t dare to face him! ”

“““In the end, I could only lie to myself and make myself firmly believe that I wasn’t the one who killed his father, but those jury members and judges! ”

“““We have to kill them and give them black pupils to take revenge for brother guiqi’s father, Qianqian!”” ”

Chapter 2087: come back ...

“““In the process of revenge,”” Matsumoto Yosuke clutched his chest and said weakly,””my noble brother finally accepted me. It was as if we were back in the black-eyed game of childhood ... ”

“““At that time, I was still looking forward to it. Perhaps after I’ve avenged him, we can really be together. I’ll also forget everything I’ve done to him ... ”

“““But, obviously, my vision was too subjective,”” Matsumoto Yosuke blinked his eyes tiredly, as if he had used up all his energy.””We killed so many people, it’s impossible for the police not to suspect him. Just as we took off one of the judge’s eyes, the police officers suddenly arrived ... ”

“““In order to protect me, noble brother helped me draw them away, and then ... Those things that you know of happened ... ”

“““Because my identity was unknown, and Noble brother covered for me,”” Matsumoto Yosuke continued,””so, the police didn’t even ask me about the blackpupil case. ”

“““When they were investigating the girl’s murder, some investigators came to question me, but I had an alibi and I didn’t know how to use a knife, so they never suspected me again ...”” ”

“““Noble brother jumped off a cliff, and the police couldn’t find his body. I don’t know if he’s Dead or Alive, so I didn’t dare to leave Yokohama. ”

““““Later, after graduation, I went to the shipyard to be a doctor,”” said Matsumoto.””Because it was quieter there, I needed to find a quiet place to wait for my noble brother to come back and find me ... ”

““““But who knew that this wait would last for 45 years ...”” Matsumoto yozuki did not show any emotion as he spoke, but his tears could not stop falling,””noble brother ... Where did you go?”” ”

““““Do you know how long I’ve been waiting for you? the prosecution period is over. Come back ... Sob ...”” At the most emotional part, Matsumoto Yuya began to cry.””Come back, come back ...”” ”

““““Then ...”” Zhao Yu asked,””what about your father?”” ”

““““My ... My father’s condition ... Isn’t any better than mine ...”” Matsumoto Yuya wailed as if he was terminally ill. His voice was weak.””After that incident, he ... He became quiet and never picked up a butcher’s knife again. Let alone a butcher’s knife, he ... He couldn’t even lift a fruit knife ...”” ”

““““Four or five years later, he died of a terminal illness.”” Matsumoto Yosuke twisted his body in pain.””Although he did something wrong, he was my father. I didn’t know what to do. Should I be angry, sympathetic, or sad?”” ”

““““Originally ... Originally ...”” At this time, Matsumoto Yumo opened his palm that had been covering his heart and pointed in the direction of the bedroom. With great difficulty, he said,””that ... That ... That should be 19 and a half, but ... Oh ...”” ”

“Just as he said this, Matsumoto Yushi suddenly fell onto the bed, his body trembling non-stop, as if he was sick ... ”

““““Ah!”” ”

“Zhao Yu and Masako Yangshan were shocked. Just as they got up, Li Zhenzhu quickly opened the door.
”

““““Hurry up! Hurry up!”” Li Zhenzhu waved to the outside and said,””send him to the hospital immediately!”” ”

“Following Li Zhen Zhu’s order, several paramedics actually carried a stretcher in, put Matsumoto Yosuke on the stretcher in a flurry, and then carried him away. ”

““““Matsumoto yozuki has a serious heart disease,”” Li Zhenzhu said to Zhao Yu and Zhao Yu.””I was prepared for this! That’s why we called for an ambulance and an emergency doctor ...”” ”

““““Oh ...”” ”

“Zhao Yu was still in a state of shock, and he looked extremely uneasy. ”

“Masako Yangshan was the same. After a long time, she said to Zhao Yu,””““No wonder the truth of the girl’s murder case was so difficult to find! ”

““““Poor pan Tian Shou. He became a scapegoat and even knew what happened before he died!”” Masako pulled herself together and said,””this won’t do. I have to reveal the truth to the public as soon as possible and clear Hiroshi Pouta’s name! ”

““““Although he’s dead, this matter must be taken seriously and his reputation must be restored ...”” ”

“““But ...”” Li Zhenzhu shook her head and sighed.”“I heard everything just now.”“ In fact, the root of the problem lies with Matsumoto yozuki. Although this woman is very capable, there’s a huge problem with her mind!”” ”

“““Yup!”” Masako Yangshan took a deep breath.”“Who would have thought that the girl’s murder and the black pupil case were all caused by jealousy between men and women!”” ”

“““His father must have some psychological problems too,”” Zhao Yu agreed.”“After hitting someone, not only did he not try to save her, but he even killed her! ”

“““I think that’s the reason why Matsumoto yozuki hates the cold and indifferent people! ”

“““To a certain extent,”” Zhao Yu said,”“his father was also the main culprit who caused what happened to Matsumoto Yushi today!”” ”

“““The truth is finally out in the open, but ...”” Masako Yangshan sighed,”“why is there no joy in my heart, but instead, it feels heavier?”” ”

“Masako’s words hit the nail on the head. It was the same as every major case. He had clearly found the truth, but the truth often made people sigh and feel even more unacceptable. ”

Heaven and hell with a single thought!

“Sometimes, people were just one step away from the abyss. A simple choice or coincidence could make people fall into the abyss and be unable to extricate themselves. ”

“What Zhao Yu remembered the most was that every time he solved a case, he would always say the same thing: ““If someone didn’t do that, there wouldn’t have been any more crimes!”” ”

“““Just a little bit more. If it wasn’t such a coincidence, I’m afraid this case wouldn’t have happened, right?”” ”

“In this case, it was the same. If Masayoshi Matsumoto’s father had a little bit of rationality, he would not have agreed with what Masayoshi Matsumoto did. Then, there would not have been the unstoppable killing! ”

“Now, when Zhao Yu looked back at these things, he suddenly realized that some things were not simple coincidences, but rather, they were inevitable! ”

“In the end, it all depended on the choices of those involved. ”

“Take the black eye case as an example. Even if Matsumoto’s car accident did not happen that year, it did not mean that there would be no black eye case after that! ”

“This was because of Matsumoto Yushi’s personality. If she encountered similar situations in the future, she would probably make the wrong choice again! ”

“Perhaps, accidents were inevitable, but the hearts of the people must not be imbalanced! ”

“““Miss Masako,”” at this time, Pearl li turned to Masako Yangshan and asked,”“you said that you are a relative of Masako. Is that all fake?”” ”

“““En!”” Masako nodded.”“At that time, I thought that Matsumoto Yumo was the murderer of the little girl. Therefore, I wanted to use my identity as a relative of Masako to challenge her!”” ”

Hmm ...

“Zhao Yu nodded. In fact, he had already known about this, because Ding Lan had already investigated Masako Yangshan’s background and knew that she had nothing to do with the victim of the girl case. ”

“““But ... The last thing she said ...”” Masako Yangshan suddenly turned to Zhao Yu and asked,”“ 19 and a half, what does that mean?”” ”

“““She ... She’s trying to say that she originally wanted to take off her father’s eyes and replace them with black pupils?”” ”

“Zhao Yu didn’t answer Masako’s question, but a scary scene appeared in his mind. ”

“In a village in the distant Hokkaido, there was a tomb. In the cave of the tomb, there was a skeleton that had been dead for decades. ”

There were two black stones embedded in the eyes of the skeleton ...

Chapter 2088: blackpupil’s disappearance

“““Back then ...”” Masako Yangshan stood in the corner of the yard, looking at the technicians who were busy collecting and searching. She then said to Zhao Yu,”“after the police entered pan Tian guiqi’s house, they found items related to the black eye case, but they didn’t find his fingerprints on those items. ”

“““Maybe it’s because they were all wearing gloves!”” ”

“““But,”” Zhao Yu said,”“the police only thought that everything was done by Pouta Takumi alone, so they let their guard down and didn’t investigate Matsumoto Yosuke.”” ”

“““Right!”” Masako said,”“I think, although pangtian Takumi is good at swimming, in that dark night, jumping off a 100-meter-high cliff ... People ... Would definitely not survive! ”

“““Maybe it’s because our generation has watched too many soap operas,”” Masako Yangshan said with a serious expression.”“We always thought that this case was legendary, and that one day, pangtian’s noble aura would reappear. ”

“““But in reality, he should be dead. My teacher once hired marine experts to carefully study the current at Yokohama F. Mariner cliff. If someone fell into the sea, their body would be swept by the current several kilometers into the deep sea, and it would be difficult to find them! ”

“““Besides, 45 years have passed. If he’s still alive, he’ll go look for Matsumoto yozuki, right?”” ”

“““I can’t believe it,”” Zhao Yu said, shaking his head.”“Pan Tian GUI Qi was not the black-eyed killer, and his father was not the girl’s murderer! ”

“““Father and son have been misunderstood by the world for decades. How pitiful ...”” ”

“““Alright.”” As the two were talking, Li Zhenzhu came in from the door and said to them,“““Matsumoto Yushi was sent to the hospital in time and is being rescued.”” ”

“““According to the doctor, her condition is very serious. She may need to undergo a bypass surgery. We can’t interrogate her in a short time!”” ”

“““It seems so,”” said Masako Yangshan.“““We still have a lot of details that we haven’t figured out. We must keep her alive!”” ”

“““Yes, we will try our best! ““Ah ...”” Li Zhenzhu and Zhao Yu felt completely different. She was in a completely relaxed state.”” Now, not only has our case been solved, but we’ve also figured out the truth of what happened forty-five years ago!”” ”

“““All the victims can finally rest in peace! Hmm ...”” ”

“Then, Li Zhenzhu noticed Zhao Yu’s strange behavior and asked,““““What’s the matter, detective Zhao? you don’t look so good!”” ”

“Li Zhenzhu asked, but she was very curious in her heart. If the case had little to do with Li Zhenzhu, then it had nothing to do with Zhao Yu. ”

“Since the case had been solved, then Masako Yangshan might be filled with emotions, but shouldn’t Zhao Yu be excited and happy? ”

“However, Zhao Yu’s eyebrows were tightly knitted, and his face was expressionless. ”

“““This case ...”” Zhao Yu pouted and said,“““it’s not completely over yet!”” ”

“““Oh?”” Li Zhenzhu’s eyes widened. Isn’t Matsumoto Yumo’s statement clear enough?”” ”

“““I feel...I seem to have overlooked something!”” Zhao Yu said,“““for example ... Where does Amber cholylin come from?”” ”

“““Yes.”” Masako Yangshan nodded.“““I was just about to say that! With Masako’s financial condition and ability, it was impossible to obtain a sensitive drug like Amber scales! ”

“““Among the participants of the black pupil case, it seems that no one can get it ...”” ”

“““Right!”” Zhao Yu agreed,“““no one can come into contact with this drug, and Masako Yangshan is no longer a doctor, unless she steals it! ”

“““But, you forgot ...”” Zhao Yu reminded Li Zhenzhu,“““we have already checked all the channels in Seoul. There are no signs of it being lost, right?”” ”

“““Well, I’m afraid we’ll have to check the manufacturer,”” said Masako Yangshan.“““As far as I know, there are two pharmaceutical factories in Seoul that can produce this kind of medicine. Why don’t we check it again?”” ”

“““It can’t be?”” Li Zhenzhu pouted.“““Is there still a need to check? The murderer had been caught. After the operation was completed, she could explain herself! ”

“““I’ve already told her the truth about what happened 45 years ago. Why would I be afraid that she won’t tell me the details?”” ”

“““No!”” ““That’s not what I’m worried about!”” Zhao Yu said. ”

“““Ah?”” Li Zhenzhu scratched her head.””What else?”” ”

“““That year, after pangtian Takumi jumped off the cliff,”” Zhao Yu said,””the police found a lot of items and information related to the black eye case in pangtian Takumi’s house, but only two things were missing! ”

“““One ...”” He raised a finger.””The eye of the deceased was replaced! Of course, because these eyes were organs that were not easy to preserve, they might have been thrown away or buried, so the police would not investigate further. ”

“““And secondly,”” he raised a second finger,””we didn’t find the stone that was used to make the black pupils, or we didn’t find the black pupils that were made from that stone!”” ”

“““Ah?”” When he said that, Masako Yangshan immediately broke out in a cold sweat.””Yes! ”

“““We’ve already proven that the six black pupils found on Li Yiyan, Quan youdong, and Liu bingcheng not only came from the same stone as the one in the Yokohama F. Marinos case, but also...And ...”” ”

“““And they’re from the same batch!”” Zhao Yu nodded and said,””this means that Matsumoto must have made a lot of black pupils at that time! ”

“““But, the police still couldn’t find anything ...”” ”

“““Then ...”” Li Zhenzhu tried her best to keep up with the rhythm of the two people’s thoughts and said,””in that case, isn’t the result obvious?”” ”

“““Those black pupils that were already made were hidden by Matsumoto Yumi, then brought to Seoul, and then created these three black pupils cases?”” ”

“““But ...”” Zhao Yu and Masako Yangshan asked almost in unison,””what about the rest?”” ”

“““The remaining?”” Li Zhenzhu had some understanding, but she didn’t think much of it. ”

“““Now,”” Zhao Yu pointed at the collection team and said,””we found the victim’s eyeball in Masamoto yozuki’s house, but ... We haven’t found the rest of the black pupils, have we?”” ”

“““Is that so?”” Li Zhen Zhu was surprised, and then explained,””did you just finish it?”” ”

“““Impossible!”” Zhao Yu shook his head.””When we just rushed in, Matsumoto Yumi said something to us. ”

“““She said that we came earlier than she had expected! ”

“““What did she mean by that?”” Zhao Yu said solemnly,””is there anyone else she wants to kill?”” ”

“““Ah?”” Li Zhenzhu’s mouth was wide open.””It shouldn’t be that serious, right? We’ve already caught her, how could it be possible?”” ”

“““But,”” Zhao Yu said,”“what about blackpupil? Why can’t I find it?”” ”

“““Okay, okay ...”” Li Zhenzhu said quickly.”“I’ll tell the technical staff to check again!”” ”

“““You ... You’d better inform the doctor Who performed the surgery on Matsumoto Yosuke,”” Masako came up with an idea.”“Once Matsumoto Yosuke comes to consciousness, ask her where those black pupils are!”” ”

“““This ... This is no small matter!”” Masako Yangshan realized the importance of the matter and quickly said to Pearl li,”“there should be a lot of black pupils made by Matsumoto Yosuke left. If we can’t find them, we might be in big trouble!”” ”

“““Oh ... Oh ...”” Li Zhen Zhu quickly nodded and then called his men ... ”

Chapter 2089: The most worrying thing

In a Chinese restaurant in Seoul Ding Lan and Zhao Yu were enjoying dinner.

“““What? You still haven’t found him?”” Zhao Yu held the phone and said to Li Zhenzhu,”“it seems that those black-eyed people may have been dealt with by Matsumoto Yosuke! ”

“““Why don’t you guys search other places and ask the neighbors where Matsumoto Yushi often goes? Who was he in contact with? ”

“““Also, just in case, you should send someone to the church and the fraternity! ”

“““Matsumoto yozuki has eavesdropped on the confessionary and the fraternity. Hurry up and ask around, see if there are any other people who have suffered the same fate as Wan Jin and cui Dongshan. ”

“““I’m worried that Matsumoto yozuki has another target ...”” Zhao Yu said seriously.”“From her words and eyes, I can tell that Liu bingcheng is definitely not her last target ...”” ”

“““I know,”” Pearl Li said.”“Masako Yangshan is also helping to find news Japan to see if Matsumoto Yumo’s target is the judge or defense lawyer who was not killed that year ...”” ”

“““Yes, yes,”” Zhao Yu said quickly.”“I was just about to remind you! Including the police detectives who arrested poutian Takaki and forced him to jump off the cliff, they had to be investigated ... ”

“““Although Matsumoto yozuki was caught, I still feel that my left eyelid is twitching. Oh no, it should be my right eyelid, right?”” Zhao Yu pondered for a moment. ”

“““Alright, I got it, detective!”” Li Zhenzhu complimented,”“I will follow your instructions and carry out the follow-up investigation. I will not let go of any clues. Is that okay?”” ”

“““I really admire your serious attitude! When I find those black pupils, I’ll definitely treat you to a good meal!”” ”

“““Then ...”” For the first time, Zhao Yu didn’t sound poor, but asked directly,““how’s Matsumoto Yumi doing?”” ”

“““We’re still preparing for the operation,”” Li Zhenzhu said.““Because her body is very weak, she can’t meet the standards for the operation. The doctor is worried that she will die on the operating table, so we plan to wait until the indicators meet before moving her.”” ”

“““He didn’t wake up ... During this period?”” Zhao Yu was anxious. ”

“““I’ve been awake for a while, but my consciousness is still blurry. I can’t communicate with him!

““Detective Zhao,”” Li Zhenzhu said with concern,““you’ve been working hard these days! You’d better, you’d better hurry up and have a good rest. Leave the rest to us!”” ”

“““Hmm ... Alright!”” Zhao Yu said,““if there’s any new information ...”” ”

“““I’ll definitely tell you as soon as possible!”” ““Don’t worry!”” Li Zhenzhu said. ”

“““Alright!”” Zhao Yu nodded.““Then I’ll wait for you to invite me!”” ”

The two of them joked for a while before finally hanging up.

“However, after the call ended, Ding Lan started complaining.““““Brother-in-law, I really don’t understand. You’re such a smart person, why would you do such a stupid thing?”” ”

“““What for?”” Zhao Yu’s eyes widened.““When did I offend you again?”” ”

“““Can’t you just stop causing more trouble?”” Ding Lan pouted.““The black pupil case has been solved and the murderer has been caught. Next, we should focus on preparing for the Xiwei treasure case! ”

“““Why do you have to do this?”” Ding Lan tapped her chopsticks and said,““what you’re doing is equivalent to not being able to close the black pupil case! ”

“““Do we have to wait until that woman’s operation is over? ”

“““If she dies on the operating table, will this case still be closed? ”

“““Also, why do you have to compete with those black stones? ”

“““What if you can’t find it? ”

“““Besides, can’t it be used up already?”” ”

“““How can we do that?”” Zhao Yu squinted his eyes.““I’m a professional detective. Since there are still doubts in the case, I must solve them!”” ”

“““It’s settled,”” Ding Lan retorted.““You don’t know, but the United States has already sent both black and white teams to Seoul! ”

“““Through political means, he demanded Amiola and Simone; On the other hand, he was trying his best to find out about Xi Wei’s treasure. ”

“““From this, it can be seen that Xi Wei’s treasure must have something that they value the most! If these things fall into their hands, it might be disadvantageous to us! ”

“““If we don’t make a move now, it’ll be too late!”” ”

“““My sister, calm down, calm down!”” Zhao Yu picked up a piece of Yuxiang shredded pork and said, ““sometimes, it’s meant to be, but there’s no point in forcing it. As for Xi Wei’s treasure, it’s definitely not as simple as it looks!”” ”

“““Come on.”” Ding Lan narrowed her eyes. ““You’re acting again!”” ”

“““Well, you saw through me ...”” Zhao Yu drank the soup, then said, ““don’t worry, it’s not like we can be anxious!”” ”

“““Hanfang’s attitude is still unclear! If we get involved, we’ll definitely offend the US, so I’m afraid they can’t make up their mind now!”” ”

“““Ah ... Oh ...”” Zhao Yu yawned, obviously exhausted. ”

“Not to mention the black pupil case, ever since he came to Korea, he had not had a good night’s sleep.”

“““Alright then!”” Ding Lan could see Zhao Yu’s fatigue, so she said, ““I’ll send you back to the hotel after you’re done eating. At least, Li Zhenzhu was right about one thing. You need to get a good rest!”” ”

“““Although the detective is crazy, he’s not made of iron ...”” ”

“““Don’t worry!”” Zhao Yu smiled. ““Your brother-in-law isn’t that weak!”” ”

“““But ...”” Ding Lan stared at Zhao Yu and asked, ““it must be very difficult to sleep tonight, right?”” ”

“““Oh? Why do you ask?”” Zhao Yu was curious. ”

“““I finally know the difference between a Special Agent and a detective,”” Ding Lan said. ““Just like the blackpupil case, you guys often come into contact with things that are on the verge of morality and death, so you must be very strong-minded, right?”” ”

“““Brother-in-law, don’t let these cases affect your heart ...”” She said. ”

“““It’s okay,”” Zhao Yu said with a smile. ““Your brother-in-law has solved so many big cases, so I’m used to it!”” ”

“Zhao Yu said it nonchalantly, but in fact, only he knew how he felt. ”

“““I think,”” Ding Lan said, ““you should also find a place like the fraternity to vent your frustrations.”” I’m afraid it’ll affect you if you suppress it for too long!”” ”

“““The fraternity ... Hehe,”” Zhao Yu laughed. ““We’re all the same. Many things are top secrets, and we can’t just say them out loud.”” ”

“““Alright,”” Zhao Yu said, wiping his mouth. ““We’re done with dinner. Let’s go back to the hotel ...”” ”

.....

In the hotel.

“Zhao Yu didn’t know how long he had slept, but he suddenly heard the door open. ”

“When he opened his eyes, he was surprised to see a familiar figure in front of him. It was his goddess, Miao Ying!”

“”Eh?”” Zhao Yu sat up on the bed excitedly and opened his arms instinctively.””Meow Meow? You’re finally here! Is this a surprise for me?”” ”

“”Hmph, Zhao Yu, you’re the one who gave me a surprise!”” “”Look at what you’ve done!”” Miao Ying pointed at Zhao Yu’s side and said. ”

“”Ah? What good news?”” Zhao Yu tilted his head to take a look and was shocked to see a woman lying next to him. It was his sister-in-law, Ding Lan. ”

“”Ah!”” ”

“Zhao Yu was frightened and quickly waved his hands to explain,””Meow Meow, no, no, it’s a misunderstanding, a misunderstanding!”” ”

“In a moment of desperation, he sat up from the bed for the second time. As he wailed, he realized that it was just a dream! ”

What the ...

“He looked at the bed beside him as if he was scared, but there was no one there. ”

“He didn’t drink last night, so he could clearly remember that his sister-in-law, Ding Lan, had sent him home and gone back to his room. She hadn’t stayed at all! ”

Whoosh ...

This dream ...

“He wiped the cold sweat from his forehead. He felt that this dream was a real nightmare, even more terrifying than the monsters he dreamed of! ”

“Feeling thirsty, he got out of bed and went to the water dispenser to get some water, only to find that it was already past seven in the morning. ”

This sleep was really long.

Buzz ... Buzz ...

He had just finished getting the water when the phone on the bedside table suddenly rang.

No way?

“Zhao Yu thought,””she’s calling so early. Could it be that there’s something going on with Li Zhenzhu?”” ”

“After he picked up the phone, he found that it was Miao Ying. ”

Eh?

Zhao Yu’s eyes lit up Seoul wondered if

“However, when he picked up the call, he received a completely opposite message.”

““Zhao Yu,”” Miao Ying said in a heavy voice,””let me tell you some bad news. I just received a notice that this morning, in a Park in Jinghai city, someone found a body. The eyes of the body were taken away and replaced with two black, curly-bearded stones!”” ”

Chapter 2090: The disciples ‘discussion and the negative internet celebrity

“Eight o’ clock in the morning, Seoul Police Department office.”

“Zhao Yu, Li Zhenzhu, Masako Yangshan, and a group of police detectives were sitting opposite each other. Everyone’s face was pale, and it was as if they were wearing Sun Wukong’s curse on their heads.”

““Well,”” Zhao Yu said,””what I was most worried about still happened! However, I didn’t expect...That this strike would go so far!”” ”

““How did this happen?”” Li Zhenzhu crossed her arms, her face full of disbelief.”” Matsumoto Yumo has already ... Already confessed. Why ... Why are there still black-eyed assassins outside?”” ”

““Who is this person?” ”

““Why didn’t Matsumoto yozuki say anything?”” ”

““Hu ...”” Zhao Yu took a deep breath and said,””originally, I wanted to take a plane back immediately, but on second thought, the cause of the incident is still in Seoul so I handed the case over to my colleagues!”” ”

““But, in order to cooperate with the investigation,”” Zhao Yu said to Li Zhenzhu solemnly,””I need to send all the information related to the black pupil case to them!”” ”

““No problem!”” Li Zhen Zhu agreed readily.””Just be careful not to expose this in front of the media!”” ”

““Mm ...”” Zhao Yu nodded, then said,””according to this situation, Matsumoto Yoo might have taken in Qianqian as an apprentice! ”

““She knew that she was weak and sickly, and that she was already old. In order to pass down blackpupil’s skills, she took in a disciple! ”

““And this disciple ... He might not be Korean!”” ”

““Since the black eye case has appeared in your country,”” Masako Yangshan said worriedly,””then, if we can’t stop it quickly, it is likely to appear in more places, including our country!”” ”

““So,”” Zhao Yu said,””the most amazing thing about Matsumoto Yumo is that she is not only a black-eyed killer, but also a disseminator of black-eyed ideas! This is the most terrifying part!”” ”

Di di ... Di di ...

“Just then, Zhao Yu’s phone rang. It was Miao Ying.”

““Zhao Yu, I’m still on my way to Jinghai. I’ve applied to the criminal Division that our team will be in charge of this case,”” Miao Ying said.”“Zeng ke and the others have already set off!”” ”

““Alright!”” Zhao Yu said,”“then I’ll stay in Seoul. We’ll investigate both at the same time! Right, is there any feedback from the front? We need to confirm the nature of the case as soon as possible!”” ”

““Yes, I’ve already contacted them,”” Miao Ying said.”“I’ll send you the photos of the scene now!”” However, I’m afraid it will take some time to identify the deceased!”” ”

““Alright!”” Zhao Yu then said,”“although the black pupil case is very serious, there is a clear logical relationship in it. So, once you find out the identity of the deceased, immediately start investigating what bad things he had done! ”

““These things are related to being cold-hearted and disregarding life ... ”

““Also, I will send you all the information on the black pupil case as soon as possible!”” ”

““Alright!”” Miao Ying replied,”“we’ll find out the situation as soon as possible ...”” ”

“After hanging up the phone, the pictures of the scene that Miao Ying had sent to Zhao Yu had also been sent to his phone.”

“Zhao Yu synchronized his mobile phone with the big screen, and the photo of the crime scene appeared on the big screen.”

““Ah?”” However, Masako Yangshan stood up and said,”“what a crude method. This Matsumoto Yumo is completely different!”” ”

“In fact, Zhao Yu only took a glance and found the problem.”

“The photo clearly showed that although the victim’s eyes had been replaced with black pupils, blood was oozing out around the eye sockets, making him look extremely evil and terrifying!”

“And in the previous blackpupil case, there had never been such obvious bloodstains.”

““It’s obvious ...”” Masako said.”“This person didn’t learn Matsumoto’s skills. He was very rough when he cut, and it was a destructive removal!”” ”

““Seriously.”” Li Zhen Zhu frowned and shook her head.”“Why did you run so far away?”” How did the murderer and Matsumoto Yumo establish a connection? ”

““I feel ...”” She looked at Zhao Yu and said,”“it shouldn’t be through the church or the fraternity, right?”” ”

““Again ... Again ...”” Zhao Yu thought of something and said in a hurry,”“go ask Yu Wanjin, cui Dongshan, and the others!”” Ask them, other than themselves, who else had come into contact with Matsumoto Yushi? You’re involved in their murder plan?”” ”

““Okay, okay ...”” Li Zhenzhu waved her hand, and one of her agents immediately left to interrogate Yu Wanjin and the others ... ”

“““How about the surgery?”” Masako Yangshan suddenly thought of something and quickly asked,““has Matsumoto Yumo undergone surgery? If not, let’s quickly think of a way to make her speak! ”

“““I think she realized her mistake yesterday. Maybe if we ask her, she will tell us who the murderer is?”” ”

“““She can’t ...”” Li Zhenzhu said.““She’s already in the operating room, and the operation won’t be finished until three in the afternoon. After that, she needs to be observed for a while before we can interrogate her!”” ”

“““Although it’s a long way,”” Zhao Yu said,““time flies! I’m just afraid that ... There’s more than one person who’s been brainwashed by Matsumoto Yushi!”” ”

“After Zhao Yu said that, all the police detectives at the scene trembled. No one had expected that the black pupil case would have such a complicated situation! ”

“““Yes ... This is no small matter ...”” Li Zhenzhu said worriedly.““I have to report this to the higher-ups immediately. From now on, all news about the black eye case is to be highly blocked!”” ”

“““Otherwise, once this case is publicized by the media, who knows how many people will try to imitate it. If that happens, it’ll really be bad ...”” ”

.....

“At one o’ clock in the afternoon, a police detective bought lunch boxes for Zhao Yu and the others. ”

“However, Zhao Yu had no appetite at all. He kept looking through the information related to the black pupil case, trying to analyze how Matsumoto yozuki had done it. ”

Di di di ...

His phone rang. Miao Ying finally called him.

“““Zhao Yu, we’ve found out the identity of the deceased,”” Miao Ying said in a hurry.““It turns out that this person was a negative internet celebrity!”” ”

“““What?”” Zhao Yu was confused.““A negative internet celebrity?”” ”

“““Right!”” Miao Ying said,““about half a year ago, on the roof of a high-rise building in Jinghai city, a girl was about to commit suicide by jumping off the building! ”

“““This person was one of the onlookers at the time. While he was watching the show, he shouted loudly in the crowd, urging the girl to jump faster and not waste his time ... ”

“““In the end, the girl really did jump down and died on the spot! ”

“““However, after the girl fell to her death, not only did this person not regret his actions, but he even jeered on the spot, saying a lot of demeaning words, and even laughed out loud ... ”

“““Who knew that his actions would be recorded by someone on their phone and uploaded online? in the end, he was condemned by the public and became a negative internet celebrity ...”” ”

""As expected...As expected!"" Zhao Yu gritted his teeth and said quickly, ""in that case, the murderer must be a relative of the girl who jumped off the building!"" "

""Right!"" Miao Ying said, ""we've already found information about the girl's family and are sending people to arrest them! There should be a reply soon!"" "
