

Crazy 2091

Chapter 2091: gift

“Jinghai city, in a certain neighborhood on Beiyuan Road. ”

“Miao Ying was leading a team, rushing towards one of the residential buildings. ”

“““Yes,”” Miao Ying Korea to Zhao Yu over the Bluetooth phone,””we went to the house of the girl who jumped off the building, but there was no one there.”” ”

“““Yes, if I’m not mistaken, the suspect should be the girl’s father! Ever since the divorce, he was the girl’s only close relative ... ”

“““We’ve already set up a GPS tracker on his phone, but we found out that he didn’t bring his phone with him. Instead, he left it at home ... ”

“““We’ve already searched the house and found a lot of information, some of which is about the victim of the negative internet celebrity. From this, we can be sure that the girl’s father is the biggest suspect! ”

“““He hated this person for being a negative internet celebrity and encouraging the girl to jump off the building, so he wanted to kill her for revenge and for his daughter ... ”” ”

“““Then ... ”” Zhao Yu asked,””what about the other part?”” ”

“““Your reaction is really fast,”” Miao Ying said.””The other part is about a scumbag! ”

“““It was this scumbag who deceived his daughter’s feelings and caused her to jump off the building. So ... We suspect that the girl’s father is likely to make a move on this scumbag! ”

“““We’ve arrived at the residential area where the scumbag is. According to the GPS, he should be home!”” ”

“““Then ... You guys be careful!”” Zhao Yu reminded her,””the murderer might also be there!”” ”

“““Don’t worry!”” As they were talking, Miao Ying had already arrived at the target corridor.””We’re going in. Wait for my news!”” ”

“After that, Miao Ying hung up the phone and waved to her subordinates, and all the police officers rushed upstairs together. ”

“Originally, Miao Ying had brought cui Lizhu along and was prepared to let cui Lizhu open the anti-theft door. ”

“However, when they came to the door, they found that it was open. ”

“At that moment, Miao Ying had a bad feeling. She quickly held her gun and was the first to rush in. ”

“In the end, the scene in front of her was shocking, and Miao Ying was stunned. ”

“He saw a person lying in the middle of the small living room. To be precise, it was a corpse of a Pi Xiu! ”

“The corpse’s face was covered in blood, and the most terrifying thing was that the eyes were no longer there. Instead, they were replaced by two black stones!”

“The room was filled with the smell of blood, and the floor was covered in blood ... ”

“““Ah?”” Cui Lizhu and Ran Tao, who had rushed in after him, were both shocked. They realized that they had come too late. ”

Clang ...

“At that moment, Miao Ying suddenly heard a clatter from the bathroom. ”

Her eyes lit up and she immediately rushed into the bathroom with a gun.

“““Ah?”” A cry of surprise came from the bathroom. A middle-aged man in a bloodied shirt was holding a scalpel and retreating to the corner! ”

Miao Ying immediately recognized that the middle-aged man was the father of the girl who had jumped off the building!

He was the murderer!

“The basin was covered in blood, mixed with human tissue that looked like eyeballs. It seemed that the man wanted to wash it clean after killing the man. ”

“““Ah ... Ah ...”” When the man saw the gun in Miao Ying’s hand, he hesitated for a moment in surprise. Then, he took the scalpel and went straight to Miao Ying! ”

“Miao Ying could have killed him with one shot, but she was quick-witted and reacted quickly. She could tell from the middle-aged man’s determined eyes that he was just seeking death! ”

“Miao Ying couldn’t let him die so easily, so she didn’t pull the trigger. Instead, she dodged the man’s scalpel, grabbed his wrist, and tripped him, pressing him to the ground ... ”

“““Ah ... Ah ...”” ”

“The middle-aged man screamed and struggled, but when Ran Tao and other police officers arrived, they had already grabbed the scalpel in his hand and pressed him firmly on the ground. ”

“A few seconds later, the man was handcuffed and taken out of the room by the police. ”

“Miao Ying quickly picked up her phone and called Zhao Yu, telling him that they had caught the murderer. ”

“Zhao Yu suddenly shouted at Miao Ying, ”” ”

“““Hurry up! Hurry up! If he had just succeeded, that person might still be alive! ”

“““They used a type of muscle relaxant. It’s a long process from the moment they die ... Quick ... Save them ...”” ”

“Hearing Zhao Yu’s shout, Miao Ying suddenly came to her senses. She quickly called for the emergency medical staff to give the victim first aid, then carried the victim into the police car and went straight to the nearest hospital.”

.....

“Two hours later, in the police station of Seoul, Korea, Zhao Yu was anxiously waiting for Miao Ying’s reply.”

“At that moment, Li Zhenzhu and Masako Yangshan were all in the office, waiting anxiously with Zhao Yu.”

“““The operation on Matsumoto Yosuke was successful,”” Li Zhen Zhu said.””But she is still in a coma. In order to reach the standard for interrogation, I’m afraid we have to observe her for at least 30 hours. After all, her problem is with her heart ...”” ”

“““What about the investigation?”” Zhao Yu quickly asked,””did you find out who she was in contact with? How did you get in touch with someone so far away?”” ”

“““No,”” Li Zhenzhu shook her head regretfully,””cui Dongshan and Yu Wanjin said that they were at Matsumoto’s house when they met up with her. They didn’t see anyone else!”” ”

“““When the bus caught fire, didn’t ten family members of the victims attend the fraternity?”” Masako Yangshan asked,””could it be that there are other people involved?”” ”

“““No, I didn’t!”” Li Zhenzhu shook her head again.””We’ve investigated this matter very clearly. Only cui Dongshan and the other three were involved. No one else knows anything.”” ”

“““The others ...”” Zhao Yu said.””They didn’t just lose their closest kin, and their personalities and environments were different from cui Dongshan and the others. So, it shouldn’t be them!”” ”

“““I just looked through it,”” Masako said to Zhao Yu.””Your Jinghai case was too crude! He’s definitely not an apprentice ...”” ”

“““But,”” Zhao Yu said,””the ratio of the muscle relaxant and the black pupils are the same. It must be Masamoto Yosuke behind the scenes!”” ”

“““Oh my God!”” Masako Yangshan frowned and muttered,””Matsumoto Yumo, you’re actually hiding something from us! ”

“““It seems that if we can’t find the missing black eyes, there will still be people who will die in the black eye case?”” ”

Di di ... Di di ...

“As they were talking, Zhao Yu’s phone finally rang. After picking up, he heard Miao Ying’s voice, ”

“““Zhao Yu, you’re right, the man ... Is not dead! After the hospital’s emergency rescue, the victim’s life was saved, but she can’t wake up for the time being due to severe hypoxia ...”” ”

“““Then ... What about the interrogation?”” Zhao Yu asked anxiously,””what did the murderer say? Does he even know Matsumoto yozuki?”” ”

“““Yes, yes,”” Miao Ying replied quickly.”“The murderer said that he went to Seoul a month and a half ago and met an old lady! ”

“““The old lady gave him two bottles of medicine and four black stones ...”” ”

“““What? Four? You only gave me 4?”” Before Miao Ying could finish, Zhao Yu was dumbfounded and shouted,”“this is going to be troublesome for Zhenzhen!”” ”

## Chapter 2092: blackpupil revelation

“““Four months ago, after his daughter jumped off the building,”” Miao Ying told Zhao Yu,”“Bai pingxin (the father of the girl who jumped off the building) received an email from a foreign country, and the writer expressed his comfort. ”

“““At first, he didn’t care and didn’t reply. ”

“““However, after that, every once in a while, the mail would be delivered on time. Gradually, the contents of the letters began to attract his attention. ”

“““Because the letter mentioned revenge, mentioned the hatred in his heart, mentioned how to make him eliminate his hatred, and so on ... ”

“““Bai pingxin said that those words pierced his heart, and he finally wrote a reply. From then on, he established a connection with the person who wrote the letter ... ”

“““Later,”” Miao Ying said,”“he was deeply attracted by the man’s words, so he took a plane to Seoul to meet the person who wrote the letter!”” ”

“““Where did you see him?”” Zhao Yu asked. ”

“““I’ve asked for the address. It’s at Matsumoto Yushi’s house. “” Also,”” Miao Ying replied,”“according to Bai pingxin’s description, the person he saw should be Matsumoto Yumo himself! ”

“““He also said that not only did Matsumoto yozuki have a long conversation with him, but he also encouraged him to take revenge with the scalpel. He also explained the specific operation method and gave him the medicine for the crime, as well as four black pupils! ”

“““The only people that Bai pingxin wants revenge on are the scumbag who hurt his daughter and the Internet celebrity who cheered for his daughter’s suicide ... ”

“““Zhao Yu, I’ve read the information you sent me,”” Miao Ying said.”“I think that Bai pingxin, Yu Wanjin, and the others are all people who have suffered. And Matsumoto yozuki accurately and effectively used their pain and hatred to turn them into killers!”” ”

“““Mm ...”” Zhao Yu nodded,”“but ... Because it was too far, Matsumoto yozuki couldn’t collect the eyeballs himself, so he gave Bai pingxin four black pupils and let him take revenge himself!”” ”

“““Bai pingxin was completely disheartened,”” Miao Ying said.””Under the brainwashing of Matsumoto yozuki, he only wanted to kill his enemy. Then, he didn’t want to live anymore!”” ”

“““Mail!”” Zhao Yu asked,””have you checked the email?”” ”

“““No,”” Miao Ying said.””Bai pingxin has deleted the email according to Matsumoto Yushi’s instructions, and Zeng ke is trying to recover it!”” ”

“““We have to find the address as soon as possible,”” Zhao Yu said.””We have searched Matsumoto yozuki’s home, but we couldn’t find the internet cable or computer. We also checked her mobile phone!”” ”

“““If we can find the device that Matsumoto yozuki used to send his mail, we might be able to find the whereabouts of the other black pupils!”” ”

“““Okay.”” Miao Ying nodded.””I’ll ask Zeng ke to speed up, and we’ll keep in touch!”” ”

“““Okay,”” Zhao Yu said.””Send me your interrogation materials, I’ll take a closer look!”” ”

“After that, the two hung up the phone. ”

“““You ... You’re still the best!”” After hanging up the phone, Li Zhenzhu said to Zhao Yu jokingly,””I thought that since Bai pingxin was so determined to die, he would be like Yu Wanjin and cui Dongshan, refusing to sell out Masamoto Yushi!”” ”

“““No,”” Zhao Yu shook his head,””it’s not like that. In the beginning, Bai pingxin didn’t say anything! ”

“““But, we showed him the video of Matsumoto yozuki’s confession. Bai pingxin saw that Matsumoto yozuki had already been caught, so there was nothing to hide!”” ”

“Zhao Yu was very cunning. When he realized that Matsumoto had the intention to confess, he had already turned on the camera function of his mobile phone and recorded everything she said. ”

“““I see ...”” Li Zhen Zhu shrugged her shoulders.””We’re just saying this, but it feels like these people are stupid. How could they be so easily controlled by Matsumoto Yosuke?”” ”

“““But if you think about what happened to them, it’s understandable.”” ”

“““Yes.”” Masako nodded.””Masako Matsumoto has never studied psychology, but she’s good at grasping people’s hatred. But no matter what, it’s immoral to use such a violent method to instigate others to kill! ”

“““Everything originated from the depression and pain in her heart. She was just using those people to reduce the guilt in her heart! ”

“““She thought that she was helping those who had lost their loved ones by letting them pick up the butcher’s knife! In fact, I’m harming them!”” ”

“““All in all,”” Zhao Yu said,””our top priority is to find Matsumoto yozuki’s Black pupils. Since she gave Bai pingxin four of them, she might have given them to more people!”” ”

“Yup!” Masako Yangshan said, “Bai pingxin was incited by Matsumoto Yushi through email. Perhaps the other black pupils used the same method!”

“These people have at least one characteristic. They have suffered the pain of losing their loved ones, just like Yu Wanjin, cui Dongshan, and Bai pingxin ...” He said.

“To be more precise,” Zhao Yu said, “we need to focus our energy on finding a similar situation to Bai pingxin’s!”

“Don’t forget that Yu Wanjin’s wife was in a car accident. If Matsumoto did not eavesdrop on Yu Wanjin’s confession, he would not have known about it!”

“So, we have to look for those typical representative events! Just like Liu bingcheng who got into a bus accident, and the negative internet celebrities who saw a girl jump off a building ...”

“Right!” Masako nodded. “I’m looking for influential people who ignore life or leave people in the lurch!”

“But ...” Li Zhen Zhu raised an objection, “I think it’s more reliable to look for an email first!”

“After all, Bai pingxin’s incident happened so far away. If we want to search for similar incidents, do we have to search the entire world?”

“To tell you the truth, don’t you think that there are too many people who ignore life? You’re cheering for someone who jumped off a building and pretending not to see someone who was hit, ignoring others. Aren’t people like this everywhere?”

“Li Zhenzhu’s words hit the nail on the head, making Zhao Yu and Masako Yangshan speechless.”

“Even though Matsumoto yozuki’s actions were too extreme, her black pupils had caused a strong condemnation of the entire society.”

“Zhao Yu couldn’t help but ask himself,”

“Is our world really that cold and indifferent?!”

“Just like that, the office suddenly fell into a gloomy silence. It was not until a minute later that Zhao Yu broke the silence and said,”

“I believe that indifference may be inevitable, but there should still be more good people in the world, right? “Miss Zhen Zhu,” Zhao Yu said. “Our duty is to prevent crime from happening. Behind every crime, there is a liter of tears!”

“No matter how much we’ve been tortured by our conscience, we ... Must solve the black pupil case as soon as possible. We can’t let anyone die!”

“Zhao Yu’s words were sincere, and the two ladies suddenly became alert.”

“I think,” Zhao Yu said, “we have to go to the church again! When Ding Lan and I first saw Matsumoto yozuki in the church, there was a computer in her office!”

““““I think we should check that computer. Could it be possible that Matsumoto Yumo used the church’s computer to send the email ...”” ”

Di di ... Di di ...

“Just as Zhao Yu finished speaking, Li Zhenzhu’s phone suddenly rang. ”

“After picking it up, Li Zhenzhu’s face changed and she said to Zhao Yu regretfully,“““““We can’t go to the church! We just received news that there were two murder cases in the entire province, and the eyes of the deceased were all replaced with black orbs!”” ”

## Chapter 2093: special class

““““How did this happen?”” After receiving the news, Masako Yangshan’s eyes widened in disbelief.““““It feels like Masako Matsumoto has buried a lot of bombs, and they are exploding one by one!”” ”

““““It’s over ...”” Li Zhenzhu said gloomily.““““What I’m afraid of is coming. You’re right!”” If we don’t find the black pupils who were sent out, more people will be killed in this case!”” ”

“After she finished speaking, Li Zhenzhu snapped her fingers at her subordinates, and the agents immediately got ready. It seemed that she wanted to go to the state to investigate the scene immediately. ”

““““Detective Zhao, Masako,”” Li Zhenzhu was about to leave, but she saw that Zhao Yu and Masako didn’t move. She asked in a hurry,““““what’s wrong?”” Aren’t you guys coming with me?”” ”

““““Mm ...”” Zhao Yu was the first to speak.““““Wherever the black pupil case is, we’ll just run to it. This will not solve the root of the problem!”” ”

““““Yes, I am!”” Masako Yangshan nodded.““““I think we should do our best to find out the name list of Matsumoto Yushi!”” ”

““““But ...”” Li Zhenzhu said.““““Don’t you think that this case is a little different?”” In the past, the black pupil cases all happened at night, but now it happened in the day? ”

““““Also, I just received news that two people died in the same place! This means that the black pupil case has begun to change!”” ”

““““Oh?”” Zhao Yu was surprised.““““That is to say, the two victims were from the same case? Where did they die?”” ”

““““He was killed by a bulldozer’s shovel!”” Li Zhenzhu replied. ”

““““A shovel?”” Masako Yangshan was shocked.““““It really mutated ...”” ”

““““So, I have to go and take a look now,”” Li Zhenzhu said.““““If we can catch the murderer, maybe we can get some clues!”” ”

“““No!”” Zhao Yu grabbed Li Zhenzhu’s arm, shook his head, and said,“““what if she’s like Bai pingxin? Matsumoto Yumo only contacted each person individually?”” ”

“““That’s true ...”” Masako Yangshan agreed.“““There’s no connection between them! Even if we find the murderer, we won’t be able to find out who the black pupils were sent to. “” ”

“““Al!”” Li Zhenzhu sighed heavily.“““The most depressing thing is that we still don’t know how many black pupils Masamoto Yosuke has. ”

“““Back then, how big of a rock did she use to make these black eyes?”” ”

“Masako shook her head helplessly.“““I really don’t know. It might be better if there aren’t many left. I’m just afraid ...”” ”

“““How about this!”” Zhao Yu said to Li Zhenzhu,“““officer li, don’t go to the state anymore. Leave it to your assistant to get the latest information on the case as soon as possible!”” ”

“““If it’s the same case as Bai pingxin ‘s, I think that as long as we can find out the identity of the deceased, maybe the murderer can be identified very quickly!”” ”

“““Then ...”” Li Zhenzhu raised her eyebrows.“““If I don’t go, where should I go?”” ”

“““Let’s go to the church!”” Zhao Yu said,“““as long as we can find out which emails Matsumoto Yumo sent, we can find out who else got the black pupils!”” ”

“““Hmm ...”” Li Zhenzhu pondered for a moment, then said,“““okay!”” At this time, I’ll listen to you! I’ll assign the tasks and we’ll set off immediately!”” ”

.....

“An hour later, Seoul church. ”

“As Li Zhenzhu had brought professional technical team members, Zhao Yu and the others didn’t need to do anything to check the computer. They just sat in the car outside and waited patiently. ”

“The reason why Zhao Yu wanted Li Zhenzhu to come over personally was that the church was a sensitive area, and they had to have Li Zhenzhu’s orders before they could carry out a thorough search. ”

“““Or maybe ...”” Masako Yangshan started to imagine as she sat in the car. “““Masako Matsumoto used a mobile phone instead of her identity to register, and then used this mobile phone to contact every target! ”

“““If you want to control someone’s heart, do you have to do it anytime, anywhere?”” ”

“““But,”” Zhao Yu said,“““we have already recovered Bai Ping’s deleted emails. Although the address is virtual, we still need to check further. ”

“““However, I’ve seen the time when those emails were sent. They were all sent during the day!”” ”

“““Oh ...”” Li Zhen Zhu understood.“““Matsumoto yozuki often helps in the church, so you’re so sure that she used the church’s computer?”” ”

“““Yes ...”” Zhao Yu said.”“The emails might have been deleted, but as long as we can find Matsumoto Yushi’s account, we can find out where she sent every email!”” ”

“Just as Zhao Yu said this, Li Zhen Zhu’s phone rang. It turned out to be a call from the police detectives from the state.”

“In order to let Zhao Yu and Masako Yangshan get the information as soon as possible, Li Zhenzhu turned on the speaker.”

“““Sir, we’ve found the identity of the two deceased,”” the police detective reported.”“It’s really easy to find out, because they were the ones who drove the bulldozer!”” ”

“““One of the victims was called Park Yong Sheng, and the other was called Lee Jinxiu. They were both drivers of Zhen Xing industrial company. Their job was to drive bulldozers ...”” ”

“““Then ...”” Li Zhenzhu quickly said,”“hurry up and put their names on the internet, see if there are any ...”” ”

“““Yes, yes, yes ...”” The police detective quickly replied.”“We’ve already searched them. As you said, these two people were on the news and were related to a car accident!”” ”

“““Oh?”” Li Zhenzhu’s eyes widened.”“Another car accident?”” ”

“““Right!”” The agent said,”“one night a year ago, the two of them were driving a bulldozer as per normal when a white SUV suddenly crashed into them from behind. It rear-ended the bulldozer and caught fire ...”

“““The driver and the passengers in the front passenger seat were conscious at the time. They saw the car on fire and wanted to leave quickly, but the door was deformed and couldn’t be opened!”

“““At that time, the two bulldozer drivers only needed to move the bulldozers forward, and these two people could get out of the car ...”

“““But, the two drivers only cared about calling the police and didn’t move the bulldozer, causing the two people in the car to be burned alive!”

“““The two drivers witnessed the whole process, but they didn’t do anything to save anyone ...”

“““After the incident, although they were on the news and were condemned by public opinion,”” the agent said regretfully,”“because it was a white car that rear-ended them, they were not responsible ...”” ”

“After hearing the investigator’s story, Zhao Yu and the others were silent.”

“Although they were mentally prepared, they still felt a little uneasy when they heard such a cold and indifferent thing.”

“““Then ...”” Li Zhenzhu calmed herself down and said,”“the murderer can’t be more obvious! Have you found out?”” ”

“““Yes,”” the police detective quickly replied.”“We found out that the two women who were burned to death were mother and daughter. The mother was driving, and the daughter was in the car ...”

“““Then, we checked their family background. They were a family of three, but after the car accident, only the girl’s father was left!””

“““Also, the girl’s father is called song yuanguo. He’s a court officer in the state court!”” ”

“““What? Bailiff? The entire state ...”” ”

“After hearing the news, Li Zhen Zhu was suddenly stunned. ”

“““What’s wrong?”” ““Do you know this person?”” Zhao Yu asked. ”

“““No!”” Li Zhenzhu said in surprise,““I just ... Thought of something!”” ”

“““What is it?”” Masako hurriedly asked. ”

“““Before this, weren’t we always curious about where Matsumoto yozuki’s muscle relaxers came from?”” Li Zhen Zhu rubbed her hands and said,““we ... How could we forget such an important channel?”” ”

“““Channels?”” Zhao Yu and Masako were puzzled.““What channel?”” ”

“““There’s a Department in the bailiff that specializes in the execution of death sentences,”” Li Zhen Zhu said.““I actually forgot that Amber scales is an important component of the drugs used to execute death row criminals by injection!”” ”

“““Waa!”” Masako’s eyes widened.““You’re saying that this bailiff provided the drugs for Masamoto Yosuke!?”” ”

## Chapter 2094: The victim

“““We haven’t found anything yet,”” the agent responsible for searching the church’s computer reported to Li Zhen Zhu through the walkie-talkie.““Sir, there aren’t many computers in the church, and those old e-mails are rarely used!”” ”

“““If there were any traces of use, it should be very obvious. However, I haven’t found anything yet ...”” ”

“““Look carefully,”” Li Zhen Zhu ordered.““Not only the mail, but also the documents, browsing records, and so on. The targets chosen by Matsumoto Yushi should have been on the news!”” ”

“““If we can find her search records, we can also stop more crimes from happening!”” ”

“““Yes!”” The agent quickly promised. ”

“After hanging up the phone, Li Zhenzhu’s face became very ugly. She said to Zhao Yu and Masako Yangshan with worry,“““The thing we were most worried about has probably already happened!”” ”

“““The black pupil case was originally a legendary case. Now, not only has it appeared in our country, but it has also involved even further areas. ”

““““You should know our media. This case ...”” Li Zhen Zhu shook her head helplessly.””It definitely can’t be suppressed!”” Just look, tomorrow’s newspaper headlines will definitely be about this case ...”” ”

““““When the time comes ...”” Masako Yangshan swallowed and said with a serious expression,””I’m afraid it will cause a strong social discussion? Morality, crime, and indifference. People will engage in intense debates around these topics!”” ”

““““But ...”” Li Zhenzhu frowned and said,””the most worrying thing is that someone will imitate us! That would be ... Really terrible!”” ”

““““So,”” Zhao Yu said,””we have to find the black-eyed people who were sent out by Matsumoto Yosuke before the case gets serious!”” ”

““““If the truth had been revealed to the world at the same time, perhaps the negative impact would not have been so great that it would have been unmanageable! ”

““““As long as we can control the crime rate, then when we expose it to the media, with some kind of guidance, there should still be room for salvation!”” ”

““““But it’s easier said than done ...”” Masako said.””If there’s no progress at the church, what else can we do to find blackpupil who has disappeared? ”

““““Do I really have to search for every piece of news?”” ”

Di di ... Di di ...

“At this moment, Li Zhen Zhu’s phone rang. After picking it up, she saw that it was a call from the police detectives far away in the state. ”

““““Sir,”” the detective reported to Li Zhen Zhu,””we ... We have caught the murderer. The murderer should be song yuanguo!”” But ... When we arrived, it was already a little late ...”” ”

“Hearing the detective’s tone, Zhao Yu and Masako Yangshan’s hearts tightened instinctively. ”

““““What’s wrong?”” “““Did something happen to Song Yuan Kingdom too?”” Li Zhenzhu asked. ”

““““Yes, I am!”” The agent said regretfully,””when we rushed into song yuanguo’s house, we found that he had already slit his wrist and committed suicide. In his arms, he was holding the photos of his wife and daughter ...”” ”

““““...”” Hearing this news, Zhao Yu and Masako Yangshan looked at each other with disappointment in their eyes. Obviously, this was the last result they wanted to see. ”

““““Song yuanguo was still holding a scalpel in his hand, which was exactly the same as the one found in Matsumoto yozuki’s house ...”” ”

““““Also, we found detailed information about the two victims in song yuanguo’s storage, as well as the crime plan written by song yuanguo, along with all the syringes and drug residues ... ”

““““Now, we’re checking his phone and computer to see if we can find his contact information with Matsumoto Yushi ...”” ”

“““Then ...”” Li Zhenzhu quickly asked,““is there any progress in the court?”” Can you find the relationship between the kingdom of song and succulin?”” ”

“““Yes ...”” The detective replied.““We have sent people to look for it, and we are still confirming it.”” However, from the perspective of their positions, Song Yuan Kingdom was the prime suspect! ”

“““Because he’s a Senior Manager in the center, so he has the authority to manage the drugs. It’s very possible that he’s trying to tamper with the amberlylin!”” ”

“““Alright, hurry up and confirm!”” Li Zhen Zhu said,““if he was the one who provided all the drugs, then this Song Yuan Kingdom could be an important instigator of Masamoto’s drugs!”” ”

“““Maybe we can find out the whereabouts of the other black pupils from him ...”” ”

“““Yes!”” ““We’re also conducting a thorough search of song yuanguo’s house and office. We’ll report to you as soon as we find anything!”” ”

“““Alright!”” ”

“Li Zhen Zhu nodded in agreement, but just as she was about to hang up the phone, the agent suddenly remembered something and quickly said,““ ”

“““By the way, there’s one more thing I forgot to tell you. The forensic doctor just gave us a brief death report,”” the detective said.““The report shows that the two victims in the state were not killed during the day, but late last night! ”

“““However, because the two victims were lying in the bulldozer, they were not discovered until someone touched the bulldozer.”” ”

“““Oh ...”” Li Zhenzhu nodded.““So, song yuanguo’s suicide didn’t just happen?”” ”

“““Right!”” The detective replied,““when we arrived, song yuanguo had already been dead for a long time. His body had already cooled down. I reckon that he committed suicide after he returned home from his crime! ”

“““Also, we’ve just found out that song yuanguo had already bought three graveyards when his wife and daughter were buried. Two of them were for his wife and daughter’s burial, while the middle one was for himself ...”” ”

“The police detective’s words seemed calm, but in the ears of Zhao Yu and the others, they were particularly harsh. ”

“They were originally a family of three, at the prime of their lives, but they ended up in a tragic end where they could only meet in a tomb. It was really a sad and emotional thing! ”

“There were many kinds of karmic ties in the world, but in this black pupil case, Zhao Yu couldn’t figure out what kind of karmic ties all the parties involved had. ”

It gave him the feeling that everyone was a victim in this case! And all of them were murderers!

The greatest coldness and pain in the world had been vividly demonstrated by this case!

Who was right? Who was wrong?

Who was the pitiful one? Who was the lamentable one?

Who was the weak one? Who was the strong one?

The victim was the murderer? The murderer was also a victim ...

Di di ... Di di ...

“As his phone rang again, Zhao Yu’s compassionate voice was interrupted. He picked up his phone and saw that it was Miao Ying, who was in Jinghai. ”

““Hello ...” After the call connected, Miao Ying said to Zhao Yu,“Zhao Yu, let me tell you an important piece of news. When we were interrogating Bai pingxin, we got a piece of information! ”

““According to what Bai pingxin said, when he met with Matsumoto Yushang, Matsumoto Yushang had a silver-grey laptop! ”

““He suspected that Matsumoto Yushi’s email was edited and sent through that laptop!”” ”

““Ah?”” Hearing this, Zhao Yu glanced at Li Zhenzhu and shook his head. ““We’ve already searched Matsumoto’s house, but we didn’t see any laptop.”” ”

““Yes!”” Masako Yangshan, who knew Chinese, echoed,““I was also wondering before. When Matsumoto Yushi looked at the Student Association’s sneaky video, there must be a playback device, right? ”

““If she didn’t find anything on her phone, then she must have a computer ...”” ”

““A laptop ...”” Li Zhenzhu pouted and said,““if we find this laptop, we can know who Masamoto Yushi gave the black pupils to!”” ”

““But ...”” She immediately frowned. ““Where ... Is the computer?”” ”

Chapter 2095: The only way

“8 p.m., Seoul police station office. ”

“After such a long time, Zhao Yu had developed feelings for the office. ”

“However, what he didn’t expect was that the case he was involved in had not been completely solved.  
”

““I have a bad feeling ...”” Masako Yangshan said. ““After tonight, there might be more deaths! The black pupils are like death-hastening talismans. I really hope that I can find the person holding them quickly!”” ”

““I remember ...”” Zhao Yu recalled,““when we broke into Matsumoto’s house, he was not prepared at all! ”

““““She probably didn’t hide her laptop in advance. Then ... Where ... Did her Laptop Go?”” ”

““““Masako Matsumoto once said that your capture was earlier than she expected ...”” Masako said,””in other words, her plan should still be in progress, right? Why ... Did they implement it so early? ”

““““This woman is too terrifying!”” ”

“As soon as Masako Yangshan finished speaking, Li Zhenzhu suddenly entered the door. As soon as she entered, she shook her head and sighed.””No, we’ve searched the church and Matsumoto Yumi’s house thoroughly, but we didn’t find any laptops!”” ”

Tsk tsk ...

“Zhao Yu and Masako looked at each other, speechless, and disappointed. ”

““““However, the people from the church said that they saw Matsumoto yozuki holding a laptop!”” Li Zhen Zhu continued,””we have also extracted the video. As the video is quite blurry, we can only see Matsumoto Yushi leaving the church with the computer bag. However, we can’t be sure if there is a computer in the bag!”” ”

““““Since it’s on the internet ...”” Masako Yangshan suggested,””can we find the name of the device through the internet and then locate the location of the device through the internet?”” ”

““““Our technicians are trying,”” Li Zhen Zhu said.””But the church’s network equipment is different from individual users. There is only one big IP address, and all the offices share this big IP, so the link address of each device is automatic. It is difficult to determine which one is Matsumoto’s laptop! ”

““““Even if we can find it, if the computer is already shut down, we can’t determine its location. Besides ...”” Li Zhen Zhu said frankly,””I’m worried that the computer has been destroyed by Matsumoto Yumo!”” ”

““““That’s bad,”” Masako Yangshan said.””Is it that we can only try to find relevant news?”” ”

““““From the analysis, those people could be Matsumoto Yumo’s targets?”” ”

““““We’ve already done that ...”” Li Zhen Zhu shook her head and said,””the information Department has been looking for similar news for a long time, but ... But ...”” ”

““““What’s wrong?”” Masako could tell that li Zhenzhen was in a difficult position.””Is there too much news like this?”” ”

““““Yes,”” Li Zhenzhu said.””If we only set the range in Seoul it might be better! However, in China, Japan, and Korea, there are simply ... Too many to count!”” ”

““““This ...”” Masako covered her face.””It seems like there’s a reason why Masako Matsumoto promoted the black pupil case to such an extent! ”

““““Then ...”” Masako looked at Zhao Yu and asked instinctively,””detective Zhao, do you think we have any other way? ”

““““Are we just going to watch as more people die in the black eye case?”” ”

“Mm ...” Zhao Yu looked at Masako, then at Li Zhenzhu. Surprisingly, when he saw Li Zhenzhu, his eyes suddenly froze! ”

“You ...” Li Zhenzhu was embarrassed by his stare. She blushed and asked, “what’s wrong?” Is there something on my face?” ”

“I want ...” Zhao Yu stared at Li Zhenzhu without blinking, then said seriously, “I need your authority!” ”

“What?” Li Zhenzhu was confused by Zhao Yu’s words. “My authority? Can I help solve the case with my authority?” ”

“Right!” Zhao Yu stretched out his hands and pressed them on Li Zhen Zhu’s shoulders, saying solemnly, “now that things have come to this, there’s only one way! Are you willing to make a bet with me?” ”

“Oh?” “What is it?” Li Zhenzhu asked. ”

.....

“30 minutes later, outside a certain Ward of the cardiology department of Seoul first hospital. ”

“I fell for it ... I fell for it ...” Li Zhenzhu paced back and forth at the door, as anxious as an ant in a hot pot. “I shouldn’t have agreed, I really shouldn’t have agreed!” She muttered. ”

“At this time, Masako Yangshan was leaning on the glass of the ward and looking inside. However, it was frosted glass, so she could not see anything. ”

“Hey, stop looking!” Li Zhenzhu reminded him, “Zhao Yu said that we can’t peek. We have to trust him!” ”

“You’re so strange.” Masako pouted and said to Pearl li, “you know that this is against the rules. If you were to be reported to your superior, you’d be hard-pressed to escape the blame!” ”

“But ...” Li Zhenzhu calmed down and said, “Zhao Yu is right. Now, this is our only way!” ”

“Only Matsumoto Yumo himself knows how many black pupils there are and who he gave them to ...” ”

“But,” Masako scratched her head, “how can Matsumoto Yumo be interrogated in such a situation? The doctor said that although she has woken up, her consciousness has not fully recovered. She is in a completely fuzzy state!” ”

“Didn’t Zhao Yu already say?” “This isn’t an interrogation,” Li Zhenzhu said. “I’m just talking to her!” ”

“AI!” Masako Yangshan glanced at the ward again and said, “I hope ... That Matsumoto yozuki will find his conscience and tell me where blackpupil is ...” ”

“At the same time, in the ward. ”

“Youmin ... Youmin ...” ”

“Hearing the familiar voice, Matsumoto Yumi opened his eyes. ”

“She found that the ward was filled with a warm yellow halo, as if she were in some kind of illusionary dream. ”

“As the yellow halo faded, she saw a familiar and distant face staring at her affectionately ... ”

“””Oh ...”” ”

“””Oh,”” Matsumoto Yuyu replied. She tried her best to look at his face, but the next second, she was stunned. ”

“This ... This face ... Is so familiar ...”” ”

“””Noble ... Noble brother ...”” Matsumoto Yosuke’s eyes widened and he said excitedly,””is that you?”” Is it really you?”” ”

“As she spoke, she struggled to get up, but was gently pressed down by the man. ”

“””Shush ...”” The person made a comforting gesture and said gently to Matsumoto Yushi,””sister Yushi, we finally meet again ... Are ... Are you alright?”” ”

“””Noble brother ... Sob ...”” Seeing the familiar face, Masayoshi Matsumoto could not help but cry,””it’s really you, I thought ... You were dead ... Sob ...”” ”

“””Don’t cry, don’t cry ...”” The man stopped Matsumoto Yushi and comforted him,””Alright, alright, it’s all in the past, it’s all in the past ...”” ”

“””Brother ... I’m sorry ...”” Matsumoto Yosuke was already in tears,””I’m sorry, I’ve done you wrong. Can ... Can you still forgive me?”” ”

“””It’s fine, it’s fine ... It’s all in the past, it’s all in the past ...”” The man consoled her.””Sister youmin, I know everything. It’s okay, it’s okay ...”” ”

“””I ...”” Matsumoto Yumo blinked his eyes and thought for a moment. He seemed to have understood something and said in a depressed tone,””are we ... Dead? Where are we?”” ”

“””All of this is not important anymore!”” The man consoled her kindly,””as long as you can let go of your resentment, we ... Everything else will not matter anymore ...”” ”

“””Wuwu...Wuwu ...”” Suddenly, she remembered her sad cry and cried like a child,””brother ... I’ve let it go, I’ve let it go ... Wuwu ...”” ”

Chapter 2096: A race with death (1)

“””Why aren’t they out yet?”” ”

“Li Zhen Zhu glanced at the ward, then at the corridor in the distance, her heart very anxious. ”

“At this moment, the doctors were stopped outside by Li Zhen Zhu’s agents. If something really happened to Matsumoto Yumo, she would have to bear the blame. ”

“”” Aiyo ...”” Masako Yangshan was also impatient. She paced back and forth and muttered to herself,“”” she’s still unconscious!”” What could he get out of her? ”

“”” Matsumoto Yuki, you can’t die! There are still many mysteries and details that we have yet to ask! She was the only person involved in the Yokohama F. Marinos black pupil case and the girl’s murder case ... ”

“”” Even if the prosecution period is over, even if the real murderer has passed away, we still have to give the pan Tian Family Justice ...”” ”

“”” Lower your voice ...”” Li Zhen Zhu made a shushing gesture.“”” Don’t affect the inside!”” ”

“”” Officer li ...”” Masako Yangshan said in a low voice,“”” what do you think Zhao Yu will do? Matsumoto yozuki’s heart is so dark, what if he doesn’t say it?”” ”

“”” I don’t know.”” Although Li Zhenzhu’s forehead was sweating, she said with certainty,“”” but, in any case, I believe in detective Zhao!”” ”

“”” Ever since I started working with him, he has never let me down ...”” ”

Crack ...

“Just as he finished speaking, the door opened from the inside and Zhao Yu walked out with a bitter face. ”

“Seeing Zhao Yu come out, Li Zhenzhu quickly waved at the police detectives under her. The police detectives immediately surrounded the doctors and nurses and went into the ward to check on Matsumoto Yumo’s condition. ”

“”” She’s fine,”” Zhao Yu said, wiping his sweat.“”” She’s just asleep ... But ...”” ”

“”” It’s over,”” said Masako Yangshan disappointedly.“”” From your expression, I can tell that you didn’t get anything out of me.”” ”

“”” No!”” Zhao Yu shook his head and said,“”” I’m afraid we’re going to have to race against the god of death!”” ”

“”” What?”” The two girls were shocked.“”” A race with the god of death?”” ”

“”” Right!”” Zhao Yu suddenly pressed on Masako’s shoulder and asked,“”” in Shinjuku, your country, there was an ishsekawa incident. Have you heard of it?”” ”

“”” Ah? Ishsekawa?”” Masako frowned, then her eyes widened. This incident happened last year, right? It’s ... It’s been a year and a half, almost two years, right?”” ”

“”” Ishsekawa?”” Li Zhen Zhu didn’t understand and quickly asked,“”” what do you mean?”” ”

“”” Ishisekawa is the name of a murderer,”” said Masako Yangshan.“”” This man was abandoned by his wife and became mentally ill! ”

“““One day, after he got drunk, he mistook a woman named nagazawa Yuuko for his wife and beat her up ...”” ”

“““Originally, after changze youzi pretended to be dead, she had already escaped from the devil’s claws and ran to a Street! ”

“““But when she asked the shops on the street for help, she was ruthlessly rejected! You Zi knocked on the doors of four shops, but none of them opened ... ”

“““In the end, Yuko was caught by ishsekawa, who rushed over after her. In the end, she was beaten to death on the street. The scene was tragic ... ”

“““After that, people realized that there were people in all four shops. If only one of them could open the door and let youzi in, this tragedy would not have happened ...”” ”

“““That’s right!”” Zhao Yu swallowed his saliva and said,““Matsumoto yozuki said that this is a door! To let her reopen the door of black-eyed slaughter ... ”

“““So, I think that the ishsekawa incident is the most important thing!”” ”

“““You ... You mean ...”” Masako Yangshan asked,““the first instigator might be the victim of the ishsekawa incident?”” No, no, no, you Zi has already died a tragic death, so ... You Zi’s family?”” ”

“““That’s all Matsumoto Yushi said,”” Zhao Yu said.““She said that she had let go of everything in the past and wanted to close the door through ishisekawa! ”

“““Since this happened nearly two years ago, then ...”” Zhao Yu said,““the family members of the victims of the ishsekawa incident might be very close to Matsumoto Yosuke!”” ”

“““Perhaps, the remaining black pupils are all in his hands!”” ”

“““Now ... The black eye cases are happening frequently,”” Li Zhen Zhu said worriedly.““Could it be ... That person is already preparing to take action?”” ”

“““So,”” Zhao Yu said,““we have to race against the Grim Reaper!”” ”

“““Aiya!”” Masako suddenly said,““I remember now. Because ... Because ishsekawa was confirmed to be mentally ill, he was not sentenced in the end. Instead, he was sent to a mental hospital for compulsory management! ”

“““If you Zi’s family wants to use blackpupil to take revenge, then ... They should be the first to attack him, right?”” ”

“““Masako!”” Zhao Yu pressed on Masako’s shoulder and said,““it’s too late for us to get there, and it’s not realistic! So, it’s all up to you to stop the black pupil case from happening again!”” ”

“““I ...”” Masako Yangshan’s eyes widened and she nodded vigorously.““Yes! I know! I’ll contact the Japan Police Department now and ask Shinjuku to send out all the police forces to stop the black-eyed killer. No one can die!”” ”

“After saying that, Masako immediately took out her phone to make a call. Li Zhen Zhu also quickly picked up her phone, wanting to report to her superior. ”

“““By the way ...”” Zhao Yu suddenly remembered something important and held onto Li Zhenzhu’s shoulder.””Just now ... Matsumoto Yushi told me!”” ”

“““What?”” Li Zhenzhu was stunned.””What did he tell you?”” ”

“““Black pupils ...”” Zhao Yu said.””There are fifty of them in total!”” ”

“““Ah?”” Li Zhenzhu’s face suddenly turned pale.””There were 17 stones with Matsumoto Yumi. Later, there were cases in Jing hai and Quan Zhou, so 8 stones were removed. This ... This means ...”” ”

“““Right!”” Zhao Yu said,””there’s still half of it! If all of them are really sent out, at least 12 people will die ...”” ”

“““Really ...”” Li Zhenzhu grabbed a handful of hair and said resolutely,””I understand. Now we have reached the most critical moment. We have to race against time!”” ”

.....

“An hour later, in the command room of the Seoul police station. ”

“““Detective Zhao, officer li,”” Masako Yangshan held her mobile phone and reported to the two of them,””we found out that the victim of the ishsekawa incident, Yuuko, had an older brother! ”

“““His brother is a retired soldier. He’s been heartbroken by what happened to youzi and has disappeared from Shinjuku for a long time! The local police had no way of determining his location! ”

“““But don’t worry,”” Masako said.””The local police have already placed surveillance at the mental hospital where ishsekawa is staying ...”” ”

“““Besides ishsekawa himself,”” Zhao Yu said,””the four people who didn’t open the door for youzi must also be monitored!”” ”

“““The murderer might have started with those people!”” ”

“““I understand,”” Masako said.””The local police have already found the residence of these four people and are on their way!”” ”

“““This won’t do either!”” Zhao Yu shook his head and said,””what if youzi’s brother doesn’t plan to make a move tonight? We can’t just keep waiting like this! ”

“““As an important contact of Matsumoto yozuki, we have to find him in advance!”” ”

“““Alright!”” Masako said,””then I’ll make another call and tell the local police to arrest youzi’s brother tonight no matter what!”” ”

“““Wait ...”” Li Zhen Zhu suddenly heard the problem and hurriedly said,””I’ve seen the information. Although youzi was still a student at that time, we can’t just keep an eye on her brother, right?”” ”

“““Could she ... Have a boyfriend who wants to avenge youzi?”” ”

“““This ...”” You Zi was stunned and quickly nodded.””Hi! I’ll go check it out now ...”” ”

## Chapter 2097: Racing against the god of death (2)

“After another hour, Zhao Yu stood in front of the big screen in the command room, his thoughts in a mess. ”

“He really didn’t expect that the blackpupil case would be so complicated. Although they had already caught the culprit and even found out the truth of what happened 45 years ago, the blackpupil case was far from over! ”

“A single spark could set a Prairie on fire. Matsumoto yozuki seemed to have planted a seed of hatred, which was taking root and sprouting everywhere, and even bearing fruit. ”

“Previously, in order to get the whereabouts of blackpupil from Matsumoto yozuki, Zhao Yu had taken a risk and used his own disguise machine to disguise himself as pangtian Takumi. ”

“At that time, although Matsumoto Yumo had already woken up, he was still in a hazy state of consciousness. ”

“Unexpectedly, Zhao Yu’s plan had succeeded. Matsumoto Yosuke thought that he had met his noble brother in heaven or the netherworld. Under Zhao Yu’s guidance, he told him about ishsekawa. ”

“However, because of Masamoto Yosuke’s condition, Zhao Yu wanted to ask more questions, but she fell unconscious again. ”

“According to the news from the hospital, Matsumoto yozuki’s life wasn’t in danger, but because heart bypass was a major operation, her body was very weak. ”

“Recalling how Masayoshi Matsumoto had been lying in his arms like a child, Zhao Yu felt a little sad. ”

“In fact, even though Matsumoto yozuki was a black-eyed assassin, she was also a human! Once upon a time, when pan Tian GUI Qi deeply hurt her, she was also a victim. ”

“When she was abandoned by pangtian guiqi, she didn’t receive the love and comfort of others, which led to an extreme thought of revenge. From then on, it was out of control. ”

“Zhao Yu often said that the sin was in the human heart, but sometimes, the human heart was also formed through a certain development process. ”

He could empathize with how Matsumoto yozuki felt at that time. It was precisely because she was deeply hurt and could not resolve it that it eventually resulted in her indifference to punishment ...

AI!

“Looking at every move on the big screen, Zhao Yu could only hope that he could find blackpupil’s whereabouts as soon as possible and prevent more blackpupil cases from happening. ”

This was the only way he could feel more comfortable.

“Just as Masako Yangshan had said, he really couldn’t let anyone die because of blackpupil! ”

“““Detective Zhao,”” at this time, Masako Yangshan came in from outside and hurriedly said to Zhao Yu,”” officer Li was right. The Shinjuku police found out that besides having a brother, youzi did have a boyfriend who was in love with her at that time! ”

“““Her boyfriend used to be in the Army too. He was also a comrade-in-arms with youzi’s brother!”” ”

“““Oh?”” Zhao Yu’s eyes lit up, and he quickly said,””then ... Maybe it’s the two of them ... We have to quickly determine the boyfriend’s location. Maybe they are together!”” ”

“““Right, I think so too!”” Masako nodded and said,””don’t worry, the Shinjuku police have already found her boyfriend’s address. They’ve already set off!”” ”

“““Mm ...”” Zhao Yu pondered for a moment, then said,””according to the usual practice, the black-eyed killers would choose to attack at midnight. So, at this time, they should still be at home making preparations!”” ”

“““I hope ... There won’t be any more mistakes!”” ”

“““I found it, I found it ...”” At this time, Li Zhen Zhu suddenly appeared and said to the two,””the investigators investigating song yuanguo sent news. They checked with the court regarding the muscle relaxant drug, and indeed found a problem!”” ”

“““Song yuanguo made use of his position to give us a list of medicines. Now, we can confirm that the succulin used by Matsumoto Yushi was obtained from song yuanguo ...”” ”

“““If that’s the case ...”” Zhao Yu recalled the timeline of the case and said,””after the ishsekawa incident in Shinjuku, Matsumoto Yumo had already been brewing her plan! ”

“““She got in touch with youzi’s brother or boyfriend and used their hatred to incite them to take revenge for youzi ... ”

“““After that, when song yuanguo’s wife and daughter died in a car accident, she saw the hope of obtaining succulin ... ”

“““Later on, she found out about Yu Wanjin and cui Dongshan’s desire for revenge through the church. At the same time, she got in touch with Bai pingxin, who was far away in Jinghai ... ”

“““Maybe ...”” Zhao Yu said.””In Matsumoto’s plan, it was all carried out step by step! However, after we arrested her, we disrupted their rhythm! ”

“““So, those people with the black pupils were worried that they wouldn’t be able to take revenge after being caught, so they took action early ...”” ”

“““So ...”” Masako Yangshan continued,””tonight, there will definitely be a black eye case in Shinjuku, and Yuko’s brother and boyfriend will definitely make a move on ishsekawa?”” ”

“““Is it ishsekawa or the four people who refused to open the door?”” ”

“““It’s definitely ishsekawa!”” Zhao Yu said,””since Matsumoto Yushi was arrested, they would definitely kill their number one enemy first!”” ”

“““Okay, okay ...”” Masako swallowed her saliva and quickly said,“““I ... I’ll confirm with the Shinjuku police again to see how ishase Kawa is doing ...”” ”

“Just as Masako picked up her phone, it suddenly rang. ”

“After picking it up, Masako’s eyes suddenly widened and she said in surprise,““““Oh, really? Caught? They ... They’re all here? That’s great!”” ”

“Then, Masako held the microphone and said to Zhao Yu and Zhao Yu, ”

“““We’ve already captured youzi’s brother and her boyfriend. We found a large amount of medicine and surgical equipment at the scene. ”

“““And ...”” Masako said excitedly,“““they even prepared the doctor’s uniform from the mental hospital. It seems like they want to sneak into the mental hospital and then kill ishase Kawa!”” ”

“““Hurry up!”” Zhao Yu quickly ran in front of Masako and reminded her loudly,“““quickly find blackpupil!”” ”

“““Right!”” Masako hurriedly shouted into the phone,“““quickly find blackpupil!”” ”

.....

“Five minutes later, at Masako’s request, Zhao Yu and the others received a real-time image of the scene of the arrest. ”

“““Look ...”” Masako pointed at the live video and said,“““this is the plastic bag that contains blackpupil! There’s ... There’s so much more inside!”” ”

“As he spoke, the agent from Shinjuku poured blackpupil’s body out of the plastic bag onto the table and began counting. ”

“1?2?3.....”

“Masako counted as well. In the end, she only counted 15 before she was done. ”

“““It’s broken!”” Masako’s heart skipped a beat.“““It should be 25 ... I’m still short ... I’m still short of 10?”” ”

“““Don’t worry,”” Li Zhenzhu reminded.“““You Zi’s brother is going to kill five people, which is exactly 10. Could they have put it somewhere?”” ”

“As a result, as soon as Li Zhenzhu finished speaking, a police officer from Shinjuku immediately picked up the phone and spoke a lot of Japanese to Masako Yangshan. ”

Zhao Yu quickly adjusted the simultaneous translator function and understood what the other party was saying.

“““Miss Masako, we’ve just asked the suspects. They said that the 15 black pupils were left behind by them, and the 10 missing ones were given away by them!”” ”

“““What? A gift?”” Masako was shocked.“““Who did you give it to?”” ”

““Mm ...” Agent Shinjuku replied.”“According to the suspect, it was given to someone who had the same hatred as them and needed black eyes to heal their wounds!”“ ”

## Chapter 2098: Masako's wish

Two o'clock at night Seoul police station command room.

Zhao Yu and Li Zhenzhu's eyes were wide open as they watched the real-time image on the big screen nervously.

“On the screen, several heavily armed Japan Police officers sneaked into a residential building. After successfully opening one of the doors, they immediately rushed into the house with their guns ... ”

“Then, the scene shook violently, and there were screams from the house, as well as the shouts of the police. After a long time, the noise gradually weakened, and a police officer asked for a name in Japanese. ”

“Then, the camera gradually stabilized, and a suspect who was pressed to the ground finally appeared. The suspect nodded and answered the police officer's question, proving that he was the person the police were looking for ... ”

““I'm asking you, where is blackpupil ... Speak, where is blackpupil?”“ The police officer asked again in Japanese. ”

“In the end, the suspect nodded without hesitation and said,““In ... In the kitchen ... In the drawer ...”“ ”

Hu ...

“Hearing the suspect's words, Zhao Yu was relieved. ”

“However, Li Zhen Zhu didn't understand Japanese, so she was still waiting nervously. ”

“At this time, the real-time image had followed the officer into the suspect's kitchen. After opening the kitchen drawer, he was surprised to see a syringe, a scalpel, and other tools ... ”

“Very quickly, the search team found a black jewelry box. ”

“At that moment, Zhao Yu and Li Zhenzhu held their breath and stared at the screen. ”

“Finally, when the search officer opened the jewelry box, there were two black stones inside. When the camera zoomed in, Zhao Yu and Miao Ying could see them clearly. ”

These two black stones were the black eyes of the Kasaya that Matsumoto yokuma had forged!

Whoosh ...

“Seeing the two black pupils, Zhao Yu and Li Zhenzhu hugged each other excitedly! ”

This was because these two black pupils were the last two pupils they were looking for!

“Prior to this, through the interrogation of brother you Zi and her boyfriend, they had already revealed the whereabouts of the other black-eyed people. ”

The 10 black pupils were given to three people who needed them.

“From the information they provided, the Japan Police had successfully stopped the other two suspects and recovered the other eight black pupils. ”

“Now that he had found the last two, Zhao Yu could finally put his heart at ease. ”

“““We found it, we found it ...”” Masako Yangshan ran in excitedly, tears already flowing from the corners of her eyes.”“We finally found all the remaining black pupils ...”” ”

“““It really wasn’t easy!”” ”

“Then, she took the initiative to welcome them and hugged Li Zhenzhu and Zhao Yu affectionately. ”

“After hugging each other for a long time, Masako Yangshan bowed to Zhao Yu and Zhao Yu and said,“““Thank you so much! If it wasn’t for you guys who caught Matsumoto Yushi in time and discovered the black eye problem, I’m afraid that there would be a large-scale black eye case in our country! ”

“““It’s scary just thinking about it. The Yokohama F. Yokohama F. Marinos black eye case from 45 years ago is making a comeback, and it will definitely disrupt social peace ...”” Masako said emotionally.”“When that time comes, there might be more people following this case. That will be troublesome!”” ”

“““Yes, it’s a relief,”” Li Zhenzhu said.”“We stopped youzi’s brother and boyfriend in time, as well as other people who tried to commit the crime, and prevented the tragic incident of song yuanguo from happening.”” ”

“““All my hard work was not in vain!”” ”

“““Yeah,”” Zhao Yu sighed,”“they were just trying to commit a crime, so they shouldn’t be charged. At least there’s still hope!”” All of you are so young. You shouldn’t just live in hatred for the rest of your life!”” ”

“““You’re absolutely right!”” Masako looked at Zhao Yu with admiration and said,”“in any case, the black pupil case can finally be put to a close!”” ”

“After hearing Masako’s words, Zhao Yu and Li Zhenzhu didn’t show any joy. ”

“““I think,”” Li Zhenzhu said,”“our mission may not be over yet! The blackpupil case has indeed come to an end, but the revelation that the blackpupil case brought to people is worth pondering over!”” ”

“““Right!”” Zhao Yu nodded in agreement.”“We can’t relax yet. While we’re dealing with this case, we have to carry out more benign publicity work to avoid being used by some criminals!”” ”

“““En!”” Masako Yangshan nodded vigorously.”“Understood! The three of us, on behalf of three countries, have an obligation to work hard to deal with the aftermath of the black pupil case. ”

“““Don’t worry, I’ll handle the Japan side!”” Masako bowed to the ground again after she finished speaking.”

Zhao Yu and Li Zhenzhu quickly returned the gesture. Li Zhenzhu suggested that the three countries where the black pupil case occurred should hold a specialized seminar together.

He wanted to study how to deal with the aftermath of this case safely and properly. He couldn’t let others be affected by the black pupils.

Li Zhenzhu’s proposal was agreed by Zhao Yu and Masako. Such a big case could not be handled carelessly.

“““I hope ...”” At this time, Masako Yangshan crossed her fingers and made a praying gesture.”“I hope that there will be a little more care and warmth in the human world, and that the cold and terrifying black eye case will no longer happen!”

“““I believe in detective Zhao’s words. There are still many good people in the world ... Even if there are cold and dark existences, I believe that as long as we all know how to care for each other, we will be able to resolve those cold existences!””

.....

“At threeo’ clock on the night shift, Zhao Yu, Masako Yangshan, and Li Zhenzhu came out of a 24-hour eatery. The three of them had just had supper there.”

“Although it was a simple supper, it was the most comfortable meal Zhao Yu had had since he came to Korea.”

“In order to match the atmosphere, the three of them even had some local sake. At this moment, the three of them were blushing, but none of them were drunk.”

“At this time, Li Zhenzhu raised her right hand high and snapped her fingers. A black SUV immediately stopped in front of the three of them.”

“““Masako,”” Li Zhenzhu said to Masako Yangshan,”“my people will send you back to the hotel safely!”“ You’ve worked hard today!””

“““Oh?”” Masako looked at the car, then at Zhao Yu and Li Zhenzhu. She immediately understood something and nodded.”“Okay! You should have more important things to discuss, so I won’t waste your time!”

“““Thank you again, detective Zhao, officer li, thank you!”” Masako bowed very politely and said,”“my wish has been fulfilled. When I go back, I can fulfill my teacher’s last wish and give the black pupil case a happy ending!””

“Then, Zhao Yu took the initiative to hug Masako again.”

“Zhao Yu’s previous impression of the Japan girl changed, and he had a good impression of her.”

“After that, Masako got into the car. The car sped up and disappeared in the blink of an eye.”

“At that moment, Zhao Yu and Li Zhenzhu stopped in their tracks and looked at each other for more than twenty seconds. ”

“”Ha ...”” Li Zhenzhu laughed and said jokingly,“”if you don’t know, you’ll think we’re a couple and are preparing to kiss!”” ”

“”Yes, this is good!”” Zhao Yu laughed.“”I don’t mind you being old!”” ”

“”You’re really good at chatting,”” Li Zhenzhu said with a smile.“”If it were any other girl, you’d have been hit by the soles of their shoes!”” ”

“”Cough! I can’t say that to a young and beautiful lady!”” Zhao Yu said. ”

“”Alright then!”” Li Zhenzhu supported Zhao Yu with one hand, and her other hand made a shoe-taking gesture. ”

“However, Li Zhen Zhu wasn’t someone who couldn’t take a joke. She just lifted her heels and then laughed heartily.“”Alright, since you helped us solve the black pupil case, I’ll let you off this time! ”

“”Mainly, it’s because of my shoes ...”” ”

“”Officer li ...”” At this time, Zhao Yu held Li Zhenzhu’s arm, and asked,“”next, shouldn’t we talk about serious business?”” ”

Chapter 2099: show some respect

“Two days later Seoul theme park, on a high-speed roller coaster! ”

“”Ah ... Ah ...”” ”

“Zhao Yu was so scared that he almost had a heart attack. He never thought that the roller coaster here would be so exciting. Not only was the speed extremely fast, but the roller coaster also kept spinning around the track. ”

Really ... Great grandmother!

“Zhao Yu’s face turned pale, but he suddenly remembered that his godson Li Jie was sitting next to him!  
”

“”This kid is really ...”” Zhao Yu complained in his heart. Of all the rides, why did he have to take a roller coaster? ”

This amusement park was really something. A 6-year-old child was actually allowed to ride in it?

“If anything happens to the child, Won’t You Be blamed? ”

“However, when Zhao Yu turned his head to look at the child beside him, he realized that Li Jie was shouting excitedly, ”

“”Xinoto, do Acula have a tacit understanding ...”” ”

Tsk tsk ...

“Zhao Yu smacked his lips in his heart. This child is really bold. No wonder he is li Bencheng ‘s, Oh, li Bencheng’s son ... ”

“The child was obviously shouting in an Eastern European language. He had grown up in Eastern Europe and could only speak a little English, let alone Chinese or Korean. ”

“This old man Li was really ... To this day, no one had seen him alive or dead. How good would it be if he was still alive? Then, father and son would be reunited. However ... ”

“Zhao Yu knew that the probability of li Bencheng being alive was basically zero. If he was still alive, he would have received the news a long time ago ... ”

“Just then, the roller coaster began a 90-degree vertical dive. Zhao Yu was so scared that he quickly closed his eyes. ”

“Li Jie, on the other hand, was extremely excited. Despite the strong wind blowing, he was still shouting loudly in Eastern European language ... ”

“A few minutes later, the roller coaster arrived at its final stop and stopped. ”

“Zhao Yu’s legs felt weak, and he staggered out of the station with Li Jie. ”

“”Hahaha ...”” Ding Lan, who had come to welcome them, laughed and pointed at Zhao Yu.””What crazy detective?!”” She’s even scared of a roller coaster. She’s not even as good as a child ...”” ”

“”MA ... Mother ...”” Li Jie greeted Ding Lan affectionately in Chinese. ”

“”Yes ...”” Ding Lan looked embarrassed and quickly corrected her.””It’s mom!”” ”

“”Mom ... Mom ...”” Li Jie was a fast learner. He managed to pronounce the words correctly after only one time. ”

“”Hmm...This doesn’t seem right either?”” “”You should be calling me ‘Auntie!’”” Ding Lan said after some thought. ”

“”Aunt?”” “”What is this?”” Li Jie asked in English. ”

Puchi ...

“”It’s not a thing,”” Ding Lan said with a smile.””It’s mom’s sisters ...”” ”

“”Oh ...”” Li Jie understood and tried to say,””aunt ...”” ”

“”This kid ...”” Zhao Yu touched Li Jie’s head and said,””he’s so handsome, with thick eyebrows and big eyes. He doesn’t look like Li Jie at all.”” ”

“”Her mother is pretty, um ...”” Ding Lan frowned, then quickly made a shushing gesture at Zhao Yu. ”

“He was warning Zhao Yu that, even though Li Jie did not understand Chinese, he should not mention the good things about his child’s biological parents in front of his child in the future, in case he was sad. ”

Zhao Yu understood and immediately shut up.

He pondered in his heart. It seemed that taking care of children was also a kind of knowledge. There were still many things he had to learn!

“Aunt ...” At this moment, Li Jie pointed at the amusement park in the distance and said in broken Chinese, “I want ... Gun ... Gun ...”

“Oh.” Ding Lan understood and nodded hurriedly. “You want to shoot, don’t you?” Good ... Let’s go! Let’s go play a shooting game ...”

“As they spoke, the two of them led Li Jie to the shooting game studio.”

“After Zhao Yu paid, Li Jie excitedly took out his gun and started shooting.”

“However, the ten bullets only hit one target, and the child’s face revealed a disappointed expression.”

“It’s okay,” Ding Lan consoled her. “You’re still young, and you still need to practice. Come, let your Godfather buy you a few more ...”

“Alright!” Zhao Yu took out his wallet and was about to pay.”

“Suddenly, Li Jie grabbed Zhao Yu’s hand and said in broken Chinese, “Godfather, come ... Come and fight ...”

“Hmm...Me?” Zhao Yu looked at Ding Lan. “You mean, you want me to shoot?”

“Yup!” Ding Lan was all smiles. “Why don’t you give the child a demonstration?”

“You ... You must be joking!” Zhao Yu laughed. “I’m a crazy detective. Once I shoot, someone will die! Let’s do it this way ...”

“Then, Zhao Yu passed the gun to Ding Lan and said to Li Jie, “I’m such a high-level sharpshooter, I can’t easily make a move. Let your aunt give you a warning!”

“...” Ding Lan didn’t say anything, but her eyes were full of disdain. However, the female agent still took the toy gun that Zhao Yu handed over.”

“Ten minutes later, Li Jie was carrying a huge plush toy and left the shooting range with Zhao Yu, full of joy.”

“Looking at Zhao Yu’s body, he was carrying at least ten plush toys on his back. He was almost unable to carry them ...”

“Auntie is so awesome!” “Sharpshooter!” Li Jie praised with admiration.”

“Tsk!” Zhao Yu said disdainfully, “your Godfather hasn’t even made a move yet! If I were to make a move, he would have to compensate me with the entire shooting stall!”

“It’s not that I want to criticize you,” Zhao Yu turned to Ding Lan and said, “what you’re doing is a little too much. The shooting stall is a small business. You won all their prizes. Isn’t that a little too much?”

““Who asked them to be dishonest?”” Ding Lan pouted.”“The scope slanted 0.5 degrees to the left on purpose. Fortunately, it’s a bullet!”” If it’s an electronic reaction, it might have been tampered with! You deserve it!”” ”

““He deserves it!”” Although Li Jie did not understand anything, he echoed Zhao Yu’s words, which made Zhao Yu and Ding Lan laugh. ”

“After that, the three of them strolled around the amusement park again. ”

“In order to save time, Zhao Yu also applied for three VIP tickets. This way, he wouldn’t have to line up when he played the Galaxy train, fantasy adventure, or flying carpet. ”

“In addition to playing, they also tasted all kinds of delicious food in the amusement park and had a great time. ”

“It was a child’s nature to play, so of course Li Jie was having a lot of fun. ”

“Zhao Yu and Ding Lan hadn’t been so relaxed in a long time, so they also relaxed. ”

It was not until after dark that the three of them reluctantly left the amusement park and returned to the hotel.

“After returning to the hotel, the child was tired from playing, so Ding Lan handed him over to the nanny and arranged for an excellent bodyguard to protect him. ”

“However, after making arrangements for the children, Zhao Yu and Ding Lan did not return to their respective rooms to rest, but went to a luxurious Presidential Suite in the hotel together. ”

“After entering, he saw that Xiao hang and Li Jing had been waiting for a long time. After Zhao Yu and Ding Lan sat down, Miao kun also came out of the bedroom at the back. ”

“Miao kun was holding a bottle of red wine in his hand. Before he sat down, he said to the crowd,”” ”

““Come, have a taste! Even though it’s not white savey, it’s still quite expensive!”” ”

““Eh?”” Zhao Yu suddenly realized that something was wrong and asked in a hurry,””father-in-law, what does this mean? Are you trying to tell me that our operation in Korea has ended?”” ”

““No!”” ““On the contrary, the real operation is about to begin,”” Miao kun said with a serious expression. ”

Chapter 2100: wrong script

“Late at night one day, in a remote forest on suburbs of Seoul. ”

“Several black off-road vehicles were parked outside the forest. As one of the doors opened, a criminal with handcuffs and a hood on his head was escorted out of the car by the detectives. ”

“At this time, Li Zhenzhu got out of another car, slowly approached the prisoner, and took off the prisoner’s hood. ”

“The hood was removed, revealing the face of a young woman with obvious Middle-Eastern characteristics. It was the female spy, aunt Mei Lola! ”

Amiola looked around without any panic or expression.

““Do you think ...”” Li Zhenzhu spoke to amiola in fluent English,““is it necessary to go this far?”” When you fall into the hands of the Americans, will you be comfortable? ”

““You should know their methods better than anyone else, right?”” ”

“Upon hearing her words, amerolaia narrowed her eyes and looked at her. Although she knew what she was going to do, she didn’t say anything. ”

““I really don’t know what your beliefs are. Your employer has already been killed by you, so what are you still insisting on?”” Li Zhen Zhu pointed to the forest in the distance.““Later, as long as you enter the forest, there will be no turning back!”” ”

““The American is waiting for you there!”” ”

““From what you’re saying ...”” Amiola glanced at Li Zhenzhu with disdain and said coldly,““as if I still have a way out!”” ”

““You’re so smart, but you still don’t know how to protect yourself?”” Li Zhenzhu said,““well, for Zhao Yu’s sake, I’ll give you one more chance!”” ”

“As she spoke, Li Zhenzhu took out a pill and placed it in front of amiola. ”

““What are you doing?”” Amiola’s lips curled up.““Do you want me to take the poison?”” ”

““Now, tell us what londee is looking for in the evidence room of the Guang Zhou police station,”” Li Zhenzhu tempted.““I’ll give you this pill. It can make you foam at the mouth, but it won’t kill you! ”

““Then, we can use the excuse that you have epilepsy to unilaterally terminate the hostage transfer ... ”

““Now,”” Li Zhen Zhu waved the pill in front of amiola,““do you understand what I mean? As long as we can find Xi Wei’s vault, then ... You won’t need to be extradited to America! ”

““We will also release you unconditionally according to the conditions we promised you during the interrogation! You will regain your freedom ... ”

““How is it?”” Li Zhenzhu advised,““if I were you, I would rather stay in a third-party country. This is really your last and best chance!”” ”

““Hmph ...”” After hearing Li Zhen Zhu’s suggestion, Lola Mei suddenly sneered. She approached Li Zhen Zhu and said,““in my opinion, it’s the same no matter where I go! ”

““I’m tired of the hypocrisy of you negotiators and politicians. None of you can give me the freedom I want ...”” ”

“““Why are you so stubborn?”” Li Zhenzhu frowned and shook her head. You’ve probably been hurt too deeply by others, and you can’t trust anyone anymore, right? ”

“““Or ... Have you been a double agent for too long and become numb?”” ”

“““It’s fine ...”” Amiola laughed coldly.”“The Guangzhou evidence room is still with you. When I get to America and tell them what londee is looking for, they will still turn around and talk to you about cooperation! ”

“““So, you don’t have to worry about me. Since I’ve harmed all my employers, let me go to hell!”” He said. ”

“““You ... Sigh ...”” Li Zhen Zhu said helplessly.”“I know, you are reminding me of our interests with the US! You want to use this method to make us insist on keeping you here ... ”

“““But it’s a pity that we don’t have that kind of power ... If you don’t believe me, then we can only do as you wish ...”” ”

“““If I say it out loud, I’ll be of no value!”” Amiola sneered again.”“I don’t know if I can hold on until the end, but I can guarantee that Xi Wei’s treasure has nothing to do with you anymore!”” ”

“As soon as she finished speaking, the sound of a car and the flashing of lights suddenly came from the forest. ”

“““Alright then!”” Li Zhenzhu said helplessly,”“it doesn’t matter if the treasure is related to us or not. It has nothing to do with me. But then again, we don’t want to get involved in this! ”

“““Now, I can only send you on your way, Miss Lola!”” Li Zhenzhu said fiercely,”“as you wish, go to hell!”” ”

“Then, she pulled out her gun and dragged amerolaia towards the forest ... ”

“At this time, the cars in the forest had already been parked. Through the car lights, one could vaguely see many tall and burly foreigners getting out of the cars. ”

It was obvious that these people were American agents who were ready to accept amiola.

“Before entering the forest, Li Zhen Zhu and Aurora Mei first had to pass through a forest corridor. While passing through the corridor, Li Zhen Zhu deliberately looked around. ”

“Just as the two of them reached the middle of the tunnel, a car suddenly drove over from the depths of the tunnel! ”

“The car didn’t have its lights on, so it was only noticed when it was close by! ”

Whoosh ...

“The car’s engine roared loudly, and the headlights suddenly lit up, blinding Pearl li and amiola. ”

“In the blink of an eye, the car arrived in front of them and was about to knock li Zhenzhen and amiola away. ”

“At the crucial moment, Li Zhen Zhu pushed amerola1 away and rolled on the ground to avoid the car! ”

Creak ...

“The car seemed to have been controlled by someone very well. As if it had been calculated, it stopped right in front of the fallen amiola. ”

“Immediately after that, the windows on both sides of the car rolled down at the same time. A person in the back seat opened his arms and aimed two signal guns at the cars on both sides. Then, he fired two black flashbangs at the same time! ”

“The flashgrenades hit the Korean and American cars respectively, and after they exploded, two blinding flashes of light instantly burst out in the dark forest! ”

Ah ...

The Korean and American agents were caught in the bright light and covered their eyes in pain.

“At the same time, a man got out of the car and pulled Lola Mei into the car. The car screeched and went straight ahead like an arrow ... ”

“”Eh?”” ”

“After the car drove away, Li Zhenzhu suddenly jumped up from the ground and shouted,“”””Why is the script wrong? Where did you get the flash grenade?”” ”

Wuuu ...

“In the end, just as Li Zhen Zhu was in shock, she saw another car driving over from the direction they had come from. ”

“When the car drove past Li Zhenzhu, she was shocked to see that the driver was Zhao Yu! ”

“Zhao Yu was also in disbelief. As he passed by Li Zhenzhu, he shouted at her,“”””Where the hell did you get the car and the stun grenade? I haven’t even gotten in the car yet! Who bought the tickets first?”” ”

“””It’s broken!”” ”

“Seeing that the person who had snatched Aurora away wasn’t Zhao Yu, Li Zhenzhu’s heart thumped as she realized that she had been tricked ... ”
