

Crazy 2151

Chapter 2151: Youth is not a gamble

“Teno’ clock at night, at a cake shop in Chengzhou. ”

“With a crashing sound, a curvaceous woman holding a mooncake box was pulling down the curtain Door of the cake shop. ”

“”Mm ...”” Zhao Yu suddenly appeared behind the woman and asked very carefully,“”excuse me, are you Ms. Mayne?”” ”

“Even though Zhao Yu was very careful, he still gave the lady a scare. ”

The girl instinctively hugged the mooncake box tightly and looked at Zhao Yu alertly.

“”Oh ...”” Zhao Yu quickly showed his police badge, then pointed to the police car in the distance and explained,“”I’m a police detective from the Chengzhou police station. I have something to ask you!”” ”

“”Chengzhou ... Chengzhou police station ...”” She asked weakly.“”Looking for me?”” What’s the matter? “”You ...”” She glanced at the police car, but her eyes were still full of doubt. ”

“”Don’t worry!”” Zhao Yu didn’t want to waste his breath on her, so he immediately took out his phone and showed a blurred out photo in front of meannie. ”

“”Ah!”” Mayne only took one look and immediately collapsed. She could clearly see that the naked girl in the photo was herself. ”

“”Don’t worry,”” Zhao Yu put away his mobile phone and comforted her,“”the police have destroyed the entire illegal loan organization. I’m here just to find out more about the situation!”” ”

“As Zhao Yu spoke, he saw that meannie’s eyes were already wet. Her eyes were filled with despair, and she said to Zhao Yu, trembling,“”He ... He said ... He would delete everything. Why ... Why ...”” ”

“”Mm ...”” Zhao Yu saw that meanni had collapsed on the ground, so he reached out to help her up. He then advised her again,“”please rest assured, miss Mei. If I had gone through the proper procedures, I would not have chosen to take the initiative to find you and would have met you here!”” ”

“”Officer ... Officer ...”” Mayne’s face was pale, and her tears could not stop falling.“”I ... I just got married last month ... I ... I might already have a child ... I beg you, I beg you ...”” ”

“”I’ve struggled so much and finally lived a normal life. If ... If my husband finds out ... I ... I ... Sob ...”” ”

“”Mm ...”” Zhao Yu helped her up, then gestured to his police car and said,“”miss Mei, I promise you with my character that even if you don’t cooperate with my investigation, I won’t leak your information!”” ”

“”You’re the victim. I don’t want to ruin your life ... ”

“”The real bad guys are those black-hearted loan sharks ...”” Zhao Yu said as he helped the girl to the police car. “”I hope you can provide us with help to bring those bad guys to justice!”” ”

“Meanni’s tears flowed silently, but she still obediently followed Zhao Yu into the police car. ”

“After getting into the car, the girl seemed to have gotten a sense of security and her mood improved slightly. ”

“As the weather turned cold, Zhao Yu prepared a glass of warm orange juice and handed it to the girl. The girl held the orange juice with both hands and finally said,”” ”

“““Officer, I ... I ... I was at fault too ...”” Mayannie’s eyes dimmed as she said,””I thought that youth was a gamble, but in fact, I lost from the beginning! ”

“““If I didn’t make that choice, my life wouldn’t have become so terrible ...”” Mayne wiped her tears and said faintly,””in fact, I still don’t understand why I would be so obsessed with a mere 10000 dollars. ”

“““Perhaps, she’s like other girls, obsessed with material enjoyment. Or perhaps, it was the wild waves of youth that made him want to indulge himself ... ”

“““It was only until I was deeply trapped in it and could not extricate myself that I deeply experienced the taste of pain ...”” ”

“In fact, Zhao Yu already had a clear grasp of the girl’s information, but in order to make her tell the truth, Zhao Yu was not in a hurry, but listened carefully. ”

“Mei Annie’s experience was almost exactly the same as the girl who jumped off the building, Gu Xiaoling. However, perhaps because Mei Annie was more beautiful, even though Mei Annie had cleared all her debts, those hateful loan providers did not let her go! ”

“They used meannie’s Luo Zhao to start threatening her, and slowly dragged her into the abyss. ”

“““If I don’t listen to them ...”” Mayne recalled painfully,””then they’ll post my photo on the school’s bulletin board, or paste it all over the streets and alleys, and ruin my reputation! ”

“““After that, they gave me a condition. They told me to sleep with a strange man, just once. Then, not only would they destroy the photos, but ... They would also pay me a huge sum of money! ”

“““I thought about it and realized that there was no way out, so ...”” Mayne said bitterly,””after that, that person really gave me ten thousand dollars ... ”

“““At first, I was also on tenterhooks. I thought that if there was a first time, there would be a second time, but ...”” Mayne said,””after that, they really never threatened me again! They also said, ”

“““They only left me a message. If I still want to, I should contact them ...”” ”

“““Oh?”” ”

“Zhao Yu looked at meannie’s face and was suddenly stunned, because he had only just realized that meannie’s face, under the illumination of the neon lights, was very similar to the five victims. Not only in appearance, but also in size ... ”

“““Police officer ... Police officer ...”” Meannie saw that Zhao Yu was staring at her, and she looked a little nervous. She quickly asked,””you ... What’s wrong?”” ”

""No..."" Zhao Yu came back to his senses and asked, ""you mean, they really kept their promise? You've only served them once?"" "

""En!"" ""Yes."" Mayne nodded and said, ""I also thought about it later on. Maybe they were fishing to make me earn money and taste the sweetness, so I would take the initiative to find them ... ""

""But, No... Nothing at all ... From then on, my life returned to normal, and I gradually got rid of the haze of that incident ... ""

""Until ... Until I met you just now ..."" He said. "

'That's not right ...

"Zhao Yu frowned. Meannie's experience was obviously different from Gu Xiaoling 's. As for Gu Xiaoling, the loan dealers became more and more aggressive. In the end, Gu Xiaoling was forced to commit suicide. "

"However, why did he let this Mayne off after only giving herself to her once? "

This ... Why was this happening?

"Then, Zhao Yu had no choice but to look at the photo on his phone again. He pointed at meannie's toes and asked, ""I noticed that you had red nail polish on your toes. This ..."" "

"Before Zhao Yu could finish his question, Mayne answered, """"Yes, this was their special request. This was before they asked me to sleep with a strange man. They asked me to shoot it myself! He said ... He's afraid I'll call the police or something ..."" "

""Afraid that you'll call the police?"" Zhao Yu was in disbelief. ""You can stop you from calling the police just by painting your nails?"" "

""No, "" Mayne corrected. ""It's an ID card! I'm holding onto my identity card! They said that if I dared to call the police, they would post this photo all over my neighborhood ..."" "

Chapter 2152: similar methods

""Oh ..."" Zhao Yu once again realized that Mei Annie's experience seemed to be different from Gu Xiaoling 's, who had jumped off the building. He asked, ""so, they asked you to give your body to a strange man, not from your residence?"" "

""Yes, "" Mayne replied. ""It's the Shangri-La Hotel. They gave me a room number! I'm really too scared, how would I dare to call the police?"" "

""A Grand Hotel?"" Zhao Yu was shocked and asked in a hurry, ""then ... Then what kind of person did you go to see?"" "

“““It was a middle-aged man in his forties,”” Mayne recalled.””He looked very rich. It was a luxurious guest room, and the food he ate and used were all of high quality! After that ... Um ... After that, he even gave me ten thousand Yuan ...”” ”

“““...”” In an instant, hundreds of possibilities flashed through Zhao Yu’s mind. He quickly took out his mobile phone and showed Li Mingyuan’s photo. He asked,””look, is this the person?”” ”

“Unexpectedly, Mayne shook her head and said,””I don’t know. He was wearing a mask like the one at the masquerade party, covering half of his face. He didn’t take it off the entire time!”” ”

“““Abnormal!”” ““F * ck!”” Zhao Yu cursed, then asked,””then can you remember any special characteristics on him?”” ”

“““Characteristics? ““Well ...”” Mayne pointed at her neck and said,””there’s a mole on this part of her neck. It’s the big and obvious kind. If you look closely, it’s not black, but slightly purple ...”” ”

“““Then ... What about the toes?”” Zhao Yu asked,””before they asked you to go to the hotel, did they ask you to apply nail polish on your toes?”” ”

“““Yes, that’s right!”” ““It’s a very strange request,”” Mayne replied timidly.””I think the other party might have a toe complex or something else. ”

“““In the process ... In the process ...”” Mayne fell into a brief moment of hesitation, and fear seeped through her eyes. ”

“““What happened during the process?”” ““What you said might be very important to me!”” Zhao Yu said slowly. ”

“““Officer ...”” Mayne’s voice trembled as she asked,””if you catch that person, will ... Will ... Will I still have to go to you to identify him? ”

“““I’m worried about my ...”” ”

“““Don’t worry!”” Zhao Yu quickly advised,””I promise you with my character that even if we catch the person, we will never drag you into this! ”

“““Today, right now, will be our last conversation!”” ”

“““Okay, okay, I’ll talk ... I’ll talk ...”” Tears welled up in Mayne’s eyes again, but she said with determination,””that man was a pervert. He used rope, tied me up, and did some things that I couldn’t accept ... ”

“““I was really scared at that time. I was so scared that I was shivering. I didn’t even know how time passed. I even thought that I might not be alive, or that I might not have left the room in one piece!”” ”

* Crack crack ... *

Zhao Yu clenched his fists tightly. Meannie’s words reminded him of the plot in Liu Weiyi’s killing diary. It seemed that the real murderer still had the means written in the diary even after many years.

The only good thing was that he didn’t kill him in the end!

“And through meannie’s words, Zhao Yu was even more certain that the person who had tricked meannie into giving herself to him was most likely the real killer! ”

He ... Who was he?

“““And ...”” Mayne continued to recall her painful memories.”“He was especially concerned about my foot. He held it with both hands and kissed it many times. He seemed to be very intoxicated ... ”

“““But I was so scared that I was trembling ...”” ”

“““Okay,”” Zhao Yu thought for a moment, then said to meannie,”“next, describe the man’s characteristics! For example, height, weight, and so on ...”” ”

“““Alright!”” ““Okay!”” Meannie agreed, and told Zhao Yu the man’s characteristics on the spot, letting him remember them. ”

“After that, Zhao Yu asked her a few more questions, then said,”“Alright, miss Mei, our conversation ends here. Don’t worry, I’ll keep my word and won’t trouble you with this matter again! ”

“““We’ll keep this case a secret and won’t affect your life ...”” ”

“““Thank you, officer,”” Mayne said with a remorseful expression.”“After experiencing such humiliation, I finally understand how hard it is to live an ordinary life! ”

“““I really hope that no one else will be like me, doing such foolish things in the best years of their youth!”” ”

“““Don’t worry!”” Zhao Yu said heavily,”“we will definitely catch all of those criminals! I won’t let them harm others ...”” ”

“When meannie got out of the car, looking at the girl’s back as she left, Zhao Yu sighed again. Earlier, he did not tell Mayne that she was not the only victim like her. ”

“So far, just the electronic photos and videos that the police had seized from this illegal loan group were more than 10 GB or 100 GB. Even a 1TB hard disk could not hold them! ”

“There were more than 200 women who had the same experience as Mayne, asking for nail polish on their toenails and then offering themselves to her! ”

“If these 200 girls were all offering their bodies to the same person, then this person was really ... ”

“For a moment, Zhao Yu was unable to describe what he saw. ”

“If this person was the real murderer of the day of murder case, was he using this method to obtain a deep sense of satisfaction? ”

“Thinking of this, Zhao Yu called cui Lizhu first, because in order to get Li Mingyuan’s DNA information, cui Lizhu had been in close contact with Li Mingyuan. ”

“After the call went through, Zhao Yu went straight to the point. He asked cui Lizhu if she remembered if there was a purple hairpin on Li Mingyuan’s neck! ”

“However, Cui Lizhu said that she only pretended to bump into Li Mingyuan and pulled out a strand of his hair. She didn’t notice his neck.”

“Hence, Zhao Yu immediately gave this task to Xiao Cui, asking her to go to Mingyuan culture company again to find out more about Juan Zi.”

“After hanging up the phone, Zhao Yu pondered for a moment and decided who to call next.”

“At this moment, Captain MoU was secretly visiting the other victims. If the investigation was completed, he would naturally report to him as soon as possible.”

“Zeng Ke, on the other hand, stayed at the police station, trying to study and analyze Li Mingyuan’s financial information in an attempt to find out the connection between him and the illegal loan group.”

“Hence, after much thought, Zhao Yu suddenly remembered someone and called Liu Weiyi directly.”

“”Hello?”” Liu Weiyi might be at the wine table as the place was rather noisy.”

“Zhao Yu revealed his identity, then asked him directly,””Think about it carefully. Back then, among the classmates you knew, was there anyone who had a huge mole on his neck? and the mole was not black, but purple?”” ”

“”What? Purple eyes? Your neck?”” Liu Weiyi was surprised.”

“”Yes, it’s very obvious. Think about it!”” Zhao Yu asked,””was there such a person back then, when you lost your diary?”” ”

“”Oh ... Oh oh oh ...”” Liu Weiyi suddenly thought of something and exclaimed in surprise. He then asked the people at the table loudly,””help me think ... Back then, did the owner of our school’s book rental store have a purple hairpin on his neck?!”” ”

Chapter 2153: Purple eyes

“Late at night, Chengzhou police station.”

“”Yes, then it can’t be wrong!”” Liu Weiyi, whose face had turned red from drinking, said to Zhao Yu and the others,””it’s not just me. A few of our classmates also remember that there was indeed a purple hairpin on the neck of the bookstore owner!”

“”Here ...”” He reached out and pointed at the left side of his neck.””It’s probably here!”” ”

“Zhao Yu took a look, and the location was very close to what Meannie had said.”

“”Do you know why I have such a deep impression of you?”” Liu Weiyi replied,””it’s because a few girls in the class next to ours used this incident to tease us when we were eating in the cafeteria!”” ”

“”Then, I went to take a look, and sure enough ...”” Liu Weiyi said as he gestured.””The hairpin is oval and purple at first glance ...”” ”

“““After that, there was a movie called what was it called again? ““They said that someone got a terminal illness because they didn’t get rid of the mole in time ...”“ Liu Weiyi said drunkenly, ““at that time, when I was watching the movie, I thought of the owner of the book rental store!”“ ”

“““I told nie ya that if the owner of the bookstore saw this movie, he would definitely go to the hospital to take his hairpin, right?”“ ”

“““The owner of the book rental store ...”“ Zhao Yu asked with a dark expression, ““what does he look like?”“ ”

“““Um ...”“ Liu Weiyi thought for a moment and said, ““I really can’t remember. I only remember that he had long hair and was quite young. He didn’t like to talk and wasn’t good at chatting. I think he was the kind of person who stayed at home.”“ ”

“““At that time, it was the era of romance novels. There were no such books in the library, and there were no other bookhouses in the school. It seemed to be quite popular ...”“ ”

“““What should I call it?”“ Although he already knew the answer, Zhao Yu still asked. ”

“““I don’t know about this either!”“ Liu Weiyi said, ““how about this, police officer? I’ll call out to the class group and see if any of my classmates know about it.”“ ”

“““No!”“ Zhao Yu quickly waved his hand. ““For now, don’t blow this matter up! The enemy is in the dark while I’m out in the open. If he hears the news, it’ll be bad!”“ ”

“““Alright, alright then ... I’ll ...”“ Liu Weiyi gestured to the door, indicating that he could leave. ”

“Seeing this, Zhao Yu waved his hand and asked the police officer in the office to send Liu Weiyi away. ”

“As soon as Liu Weiyi left, Zeng ke said to Zhao Yu, “““Team leader, this person shouldn’t be Li Mingyuan! I just checked Li Mingyuan’s WeChat and photos in his space. His neck is very clean, and I’ve also checked his medical records. His medical records are also very clean, and he has almost not had any contact with the hospital in the past ten years ...”“ ”

“““In that case,”“ Zhao Yu said, ““tell cui not to act rashly!”“ ”

“““Also,”“ Zeng ke reported, ““Captain MoU just called. He visited another girl who had her nails painted. This girl’s situation is almost exactly the same as Mayne ‘s!”“ ”

“““The hotel was also Shangri-La, and the man was also wearing a mask. There was also a hairpin on his neck, and everything else, such as the rope and the binding, was exactly the same! ”

“““But it’s twenty thousand, ten thousand more than Mayne ...”“ ”

“““It seems that ...”“ Zhao Yu frowned and scolded, ““this grandson pays according to his mood!”“ If I serve you well, you’ll give me more?”“ ”

“““Team leader,”“ Zeng ke swallowed, ““it seems that the suspect must be very rich!”“ Do you think ... It’s really the owner of the book rental store? ”

“““It’s only been a short period of time ...”“ Zeng ke did some calculations. ““He has become so profitable in just a dozen years?”“ ”

“““That’s hard to say,”” Zhao Yu said.““What if we win the lottery? Besides, the bookstore owner understands the psychology of college students. Maybe he was the one who invented the illegal loan!”” ”

“““Then ...”” Zeng ke asked worriedly,““since there’s been major progress in the case, should we inform sister Miao?”” ”

“““No!”” Zhao Yu quickly waved his hand and said,““it’s not easy for her to go home and rest today. Don’t disturb her. Let her have a good sleep first!”” ”

“““We’ll talk to her tomorrow morning ...”” ”

“““Well ...”” Zeng ke nodded.““Alright!”” ”

“““Zeng ke,”” Zhao Yu asked again,““how’s the investigation on Li Mingyuan’s account information going?”” ”

“““I was just about to report to you!”” Zeng ke quickly took out an analysis report and explained it to Zhao Yu.““I have screened Li Mingyuan’s personal and company accounts, as well as analyzed his movement trajectory and the various agreements signed by his cultural company. ”

“““Then, I found a problem,”” Zeng ke said.““The flow of bright Vision’s funds does have a lot of unusual aspects, and it is suspected of money laundering.”” ”

“““Oh?”” Zhao Yu was surprised,““money laundering?”” ”

“““In the International Criminal investigation community, this is called the soresst verification method, which is the result of concentrated analysis of the company’s signed agreements, the flow of funds, and other information. It is the most mainstream money laundering investigation method now ...”” Zeng ke said a lot of professional terms, then said,““there is a huge difference in the income and expenditure of bright vision, which is completely disproportionate to the projects they have invested in. So, I can now basically judge that bright vision is suspected of money laundering!”” ”

“““If we can conduct a deeper investigation into the company’s accounts,”” Zeng ke said,““I might be able to find evidence ...”” ”

“““Money laundering ...”” Zhao Yu said.““Isn’t that the same as illegal loans?”” ”

“““Strictly speaking, this is just an assumption,”” Zeng ke said seriously.““Team leader, with the business volume and scale of bright vision, it is indeed a large company! ”

“““But, their company doesn’t have any shareholders, nor has it carried out large-scale financing, nor has it been listed. There must be something fishy about this! ”

“““And,”” Zeng ke said,““I’ve checked Li Mingyuan’s resume. With his qualifications, financial resources, and ability, it seems that it’s not too ... Not too ...”” ”

“““Oh?”” Zhao Yu immediately understood what Zeng ke meant, so he asked in a hurry,““you mean, Li Mingyuan may not be the actual leader of Mingyuan? There’s another expert behind him?”” ”

“““Right! ““That’s what I thought,”” Zeng ke said.”“The predecessor of Mingyuan culture was called star lang company, which started out as a bookstore! ”

“““I’m thinking, could it be related to the owner of the book rental store?”” ”

“““Li Mingyuan ... It’s just a cover, because he graduated from Heyang Normal School ...”” Zhao Yu’s eyes widened as he said this.”“And this bookstore owner is the real boss! ”

“““Or perhaps, he started his family with illegal loans, and the cultural company and Li Mingyuan were all his pretense!?”” ”

“““Team leader ...”” Zeng ke swallowed his saliva and went straight to the point.”“If our guess is true, then the reason why Li Mingyuan wanted to sponsor the renovation of the exquisite building may be at the behest of this person!”” ”

“““So ... So ...”” ”

“““Therefore!”” Zhao Yu continued,”“when the body in the garbage dump was dug out, Li Mingyuan might have already known his boss’s real purpose. He might have known that his boss was the murderer!”” ”

“““So,”” Zeng ke said,”“can we arrest Li Mingyuan now?”” ”

Chapter 2154: Villa No. 8

“The next morning, around 10 am, outside Mingyuan culture. ”

“Zhao Yu was sitting in a carefully disguised command vehicle, waiting for something with the other police detectives. ”

“Before that, he asked Captain MoU Yongen to join forces with the economic investigation Brigade and send more than 20 police officers to enter Mingyuan in the name of checking the accounts. ”

“Zhao Yu’s request was to make the police officers make exaggerated movements to make it seem like they were determined to win. This was one of Zhao Yu’s best tricks, which was called ““knocking on the mountain to scare the Tiger.”” ”

“So, the purpose of Zhao Yu asking the police to check the accounts was not really to check the accounts, but to put pressure on Li Mingyuan and make him give himself away! ”

“Sure enough, Zhao Yu’s trick worked. Not long after the audit began, Li Mingyuan made several phone calls in succession. ”

“Some of the calls were to contact lawyers and the heads of various departments in the company, but one of the calls aroused the suspicion of Zhao Yu and the others. ”

“““Team leader,”” Zeng ke reported to Zhao Yu,”“Li Mingyuan called the same phone number within half an hour, but it didn’t get through!”” ”

“““This is the place!”” Zhao Yu squinted his eyes and asked,““did you find anything about this number?”” ”

“““I found it,”” Zeng ke said.““The owner of this number is Wang Lin, 25 years old, and an ordinary employee of Mingyuan. However, I just did some research and found out that Wang Lin is working at bright vision!””

“““If Li Mingyuan was looking for him, why did he have to call him so many times? Can’t we just go to him directly?”” ”

“““Wang Lin ... 25 years old?”” Zhao Yu pondered for a moment, then said,““could it be that he used Wang Lin’s identity to get a SIM card?””

“““Zeng ke, can you locate that number?”” ”

“““I’ve already done that,”” Zeng ke said, shaking his head.““But I didn’t manage to locate it. It must have turned off its phone.”” ”

“““In any case, the person who has this phone number may be the mastermind behind Li Mingyuan, right?”” Captain MoU said,““why don’t I ask the police officers who are checking the accounts to investigate Wang Lin now?”” ”

“““No, don’t worry, don’t worry ...”” Zhao Yu rolled down the window and glanced at the building where Mingyuan was located. He said,““Li Mingyuan is panicking now. Be patient, don’t worry!”” ”

“Half an hour later, Zhao Yu snapped his fingers at Captain MoU, signaling him to order the audit team to withdraw. ”

“Captain MoU did as he was told, and the police officers who were checking the accounts immediately left the building. ”

“““Alright,”” Zhao Yu snapped his fingers again and ordered Captain Yan,““arrange for good people to be stationed in every corner of the building. The show is about to start!”” ”

“““Zeng ke,”” Zhao Yu said to Zeng ke,““you keep a close eye on Li Mingyuan’s location. You can’t let him disappear from our sight!”” ”

“““Mm, don’t worry!”” Zeng ke nodded.““Not only have I located his mobile phone, but I have also hacked into the company’s surveillance system, so I can keep an eye on him at any time!”” ”

“As he spoke, Zeng ke switched the screen to the main screen of the command vehicle. Through the screen, Li Mingyuan could be seen scratching his ears and cheeks, obviously unable to sit still. ”

“He picked up his phone and called the number again, but no one picked up. ”

“Finally, Li Mingyuan couldn’t help but leave the office in a panic and go to the underground parking lot. ”

“Following the surveillance camera, Zhao Yu and the others could clearly see that Li Mingyuan did not inform his driver, but went straight to his Mercedes-Benz, and then drove out of the parking lot. ”

There was no doubt that Li Mingyuan left the company in such a hurry to find the mysterious commander.

“So, under Zhao Yu’s command, the police officers began to follow them quietly. ”

“““All teams, pay attention,““ Captain MoU said to his men.““We have already locked onto the suspect’s vehicle. You don’t have to follow too close to avoid being discovered by the suspect!““ ”

“While Captain MoU was speaking, the command vehicle had already started and was driving in the direction of Li Mingyuan. ”

“““Team leader,““ Zeng ke opened the electronic map on his computer and said to Zhao Yu,““Li Mingyuan is definitely not going home. He is driving in the south of the city!““ ”

“““Look, the Fox’s tail is finally showing, right? ““Knock the mountain to scare the Tiger, and lure the snake out of its hole,““ Zhao Yu said.““Li Mingyuan is a person with no shrewdness. It’s obvious that he’s not good at doing big things! ”

“““We’d like to see who is the divine being hiding behind him!““ ”

“Just like that, under the police’s surveillance, Li Mingyuan went all the way South and drove his Mercedes-Benz into a high-end community called the Shanghe family. ”

“When the car drove into the neighborhood, Zeng ke found out that no one from bright vision lived there. ”

“Obviously, Li Mingyuan must have had an important purpose for choosing to enter such an unfamiliar community at this time. ”

“Soon, Li Mingyuan stopped at the entrance of Villa No. 8. Unexpectedly, just as the car stopped at the entrance, the garage door opened. ”

“Then, Li Mingyuan drove the Mercedes-Benz into the garage and quickly disappeared from everyone’s sight. ”

“““Hurry up!““ Captain MoU quickly picked up the walkie-talkie and ordered,““team one, put the drone on it and Scout the situation inside first!““ ”

“Less than a minute after they received a response, the big screen of the command vehicle played the image sent back by the drone. ”

“Through the villa’s window, the drone’s high-definition camera could see the scene inside the house. ”

“““It can’t be!““ ”

“When everyone saw the scene, they were suddenly shocked and tongue-tied. ”

“He saw a woman in purple pajamas in the villa. As soon as Li Mingyuan entered, the two of them hugged each other. ”

“““Mistress ...““ Captain MoU grinned. ”

“““Third party ...““ Zeng ke was surprised and quickly enlarged the screenshot. ”

“When he zoomed in, a police officer in the car recognized him.””””Eh? This woman ... Isn’t she the actress? What’s her name?”” ”

“”””Yes, yes, yes, yes ...”” Captain MoU also recognized her.”””It’s that actress, the one who acted in ‘invincible King’. She’s the female lead!”” ”

“”””Then ...”” Zhao Yu’s eyes widened as he sighed,”””she’s definitely not Li Mingyuan’s wife?”” ”

“”””Yes, yes!”” Captain MoU nodded.”””This actress seems to be unmarried, right?”” ”

“”””Pang Qianqian ...”” At this time, Zeng ke had already found clear information and told Zhao Yu,”””the owner of this house is pang Qianqian!”” ”

“”””Yes, yes yes yes!”” Captain MoU slapped his forehead.”””That’s her! Pang Qianqian ... She’s a little outdated now. She used to be very popular!”” ”

“”””Holy sh * t ...”” Zhao Yu said incredulously.”””At this time, he still has the mood to find his lover. He’s really something ...”” ”

“”””Yeah,”” Captain MoU said gloomily.”””This is not fun! We’re not here to admire Li Mingyuan’s private life, we still have important things to do!”” ”

“”””Yup!”” Zeng ke said disappointedly,”””so, it seems that Li Mingyuan is not here to find the mysterious leader! What do we do now?”” ”

“”””Hmph!”” Zhao Yu smiled coldly and said to the crowd,”””didn’t you notice? At this time, whether it’s cold or hot, we have to do whatever we want!”” ”

“Then, Zhao Yu opened the car door and ran towards Villa No. 8. ”

Chapter 2155: threat

“”””I ... I don’t know anything!”” ”

“In Villa No. 8, in the face of Zhao Yu’s sudden intrusion, Li Mingyuan pouted his lips, still looking arrogant. ”

“”””Idiot,”” Zhao Yu said in disdain.”””You should say that I don’t understand what you’re saying! I haven’t even asked you anything, and you’re already saying that you don’t know anything. Aren’t you coaxing a child like that?”” ”

“”””I don’t care what you say. So what if you’re a police officer?”” Li Mingyuan was still not convinced.”””I didn’t break the law. What can you do to me? ”

“”””Besides, you ... You’re trespassing! Trespassing, do you understand?”” ”

“While talking, Li Mingyuan took the opportunity to put on his coat, and the movie star hiding behind the bed was still in shock. She covered her body with the sheet and shivered. ”

“““Oh?”” Zhao Yu wasn’t afraid. He immediately rubbed his chin, glared at her, and shouted,““you’re still being stubborn, aren’t you? Let me tell you, the police are suspecting you of being involved in a vicious serial murder. This murder is a national level case. If you know the law, you should know how much trouble you’re in right now, right?”” ”

“““Hmph!”” Li Mingyuan still said angrily,““what National case? I didn’t kill anyone. What does it have to do with me?” ”

“““You’re asking me if I know the law, right? I know the law, and I know that I have the right to call my lawyer. I also have the right to remain silent, Hmph!”” ”

“““Oh?”” Zhao Yu was surprised. He quickly took out his id and shouted,““look carefully, I’m a special investigator from the criminal Division, a famous detective who solved the headless female corpses case. I’m standing in front of you now, showing you my id, and you still dare to deny it?”” ”

“““I ...”” Li Mingyuan was desperate.““I don’t care what famous detective or investigator you are. I’m talking about rights now. I have the right to call a lawyer. If my lawyer is not here, I won’t say anything!”” ”

“““What the f * ck ...”” Zhao Yu was so angry that he put his hands on his waist and laughed.““Okay, okay ... It seems like you’re forcing the Tiger to show its power today, right?”” ”

“Then, Zhao Yu took out his mobile phone and opened the indecent images that the drone had taken before, then said to Li Mingyuan,““I think your wife will be very happy to see these photos!” ”

“““Because she can finally muster up the courage to divorce you. She can get half of your assets and go find some fresh meat. It’s a good deal!”” ”

“““You ...”” Li Mingyuan’s eyes widened, revealing a deep fear.““You are threatening me, you are threatening me!”” ”

“““Wrong,”” Zhao Yu said.““This is not a threat. This should be a blatant threat, just like the shady business you’ve been doing behind my back!” ”

“““You should have a taste of ... Hanging these photos all over your neighborhood!”” ”

“““Ah?”” As soon as these words came out, Li Mingyuan was so scared that he fell to the ground on the spot, but his mouth was still resisting.““You ... You can’t do this! You can’t do this ...”” ”

“““Why can’t we?”” Zhao Yu roared fiercely,““we’ve been monitoring you for several weeks, idiot! If we didn’t have enough evidence, why would we come to arrest you?” ”

“““Use your brain and think!”” Zhao Yu gritted his teeth and said,““based on what you’ve done, you’ll spend the rest of your life in jail!” ”

“““Don’t tell me you still haven’t realized that you’ve been used by that person?” ”

“““You’ve been used as a gun by others, and now that something has happened, you still want to protect him?”” ”

“““Gulp ...”” Li Mingyuan swallowed his saliva, obviously weighing Zhao Yu’s meaning. ”

“““Li Mingyuan,”” Zhao Yu said in a clear voice,””I think, when the body in the junkyard was dug up, you should have realized something, right? ”

“““Don’t tell me...You’ve never suspected it? Are you going to sponsor the renovation project of the exquisite building and personally provide the actual intention of the blueprint?”” ”

“““...”” Li Mingyuan’s face was embarrassed. Zhao Yu’s words obviously hit the point. ”

“““A serial killer case, you want to take the blame for him?”” Zhao Yu continued to persuade her,””where is he? Can you still find him? ”

“““Your father is dead, your mother is married, and each of you cares about your own people. You’ve already come to this point, don’t tell me ... You still want to continue struggling? You said you know the law, but life imprisonment or death penalty, which do you choose?”” ”

“““Ah?”” Li Mingyuan suddenly trembled, obviously frightened by Zhao Yu, and his face turned pale. ”

“““But,”” Zhao Yu immediately changed his expression and brought hope to Li Mingyuan,””now there is a great opportunity in front of you. The treatment of the mastermind and the accomplice can be described as a world of difference. I think you should know which one to choose, right? ”

“““The murder was done by the mastermind! Those illegal activities were also done by the mastermind. You’re just a soldier who follows orders. You don’t know anything. You usually just listen to the boss’s orders. When the boss tells you to go east, you don’t dare to go west ... ”

“““In that case ...”” Zhao Yu blinked his eyes mischievously.””Your crime will change from a death sentence to an indefinite one, and from indefinite to a fixed term. If you perform well to atone for your crime, the fixed term will become a short term. At least you will have hope in this life, right?”” ”

“Li Mingyuan did not speak, but he was obviously moved by Zhao Yu’s words. He seemed to be hesitating about what choice to make. ”

“““Here,”” Zhao Yu put his mobile phone in front of Li Mingyuan and said,””now, I’ll give you a chance to call your lawyer. You can say nothing! However, if your lawyer can save you, you will be dead meat! ”

“““Li Mingyuan, you’re someone who’s seen the world. Think about it again,”” Zhao Yu said slowly.””Since I’m asking you about the person above you, what does that mean? ”

“““It means that we have a large part of the information on that person. Even if you don’t tell us now, we can still find him and capture him! ”

“““But if that’s the case, you’d have missed a great opportunity to redeem yourself,”” Zhao Yu said.””He’s heartless, so you’re allowed to be unjust. I won’t say anything else! You can choose for yourself!”” ”

“Then, Zhao Yu handed the phone to Li Mingyuan’s face ... ”

“In fact, although Zhao Yu looked very confident and imposing, his heart was also beating like a drum. After all, the whole case was only in his deduction stage. If his deduction was wrong, Li Mingyuan would not be fooled at all. ”

“At this time, the phone had already touched Li Mingyuan’s face, but he was still hesitating. ”

“Zhao Yu knew that he couldn’t give this person too much time to think about it, so he put away his phone and shouted, ” “Alright! I understand your choice now, so keep your silence and stop talking!” ”

“Then, Zhao Yu nodded at Captain MoU and the others, who were already prepared. Captain MoU immediately rushed forward with handcuffs. ”

“”No, no, no, no...”” This time, Li Mingyuan finally couldn’t hold on any longer. He quickly knelt on the ground and said to Zhao Yu with cupped fists, ” “I’ll tell you, I’ll tell you ... All of this was done by Xin lang. You ... You’re right. I was instructed by him for everything, and I was used by him without knowing anything!” ”

“”Xin lang?”” Hearing the strange name, Zhao Yu frowned and asked, ” “who is this person?” ”

Chapter 2156: The puppet

“”In the beginning, Mingyuan culture company was his,”” Li Mingyuan said dejectedly. ” “At that time, it was called Xing Lang company, and it mainly dealt in the book business. After I graduated from University, I went there to apply for a job, and then Xin lang hired me ...” ”

“Hearing Li Mingyuan tell the truth, Zhao Yu quickly gave MoU Yongen a look, and MoU Yongen took the female star, pang Qianqian, away. ”

“At the same time, Zeng ke went to the living room next door and used his laptop to look up information about Xin lang. ”

Zhao Yu quietly turned on the recording function of his mobile phone and continued to listen to Li Mingyuan’s confession.

“”Xin lang is six years older than me. He’s a low-key person and doesn’t like to talk,”” Li Mingyuan said. ” “So, he handed over a lot of public events and contract discussions to me. ”

“”I did a pretty good job, so I gradually gained his favor. But I didn’t expect that when we expanded our business and the company officially took off, he would make me the chairman! ”

“”That feeling was like a dream!”” Li Mingyuan recalled. ” “Even ... Even the company was changed to Mingyuan culture company. That was no longer the feeling of being flattered. I even regarded him as my benefactor, my second parent ... ”

“”He told me that he was in poor health and didn’t like social events, so he entrusted the company to me. He was only guiding me from behind the scenes ... ”

“”At that time, I was only thinking about running the company well and being worthy of his kindness. I didn’t think about anything else at all ... Until ... Until later ...”” Li Mingyuan’s eyes suddenly dimmed, forming a huge contrast from before. ” “When I came into contact with the company’s top management, I gradually realized that this Xin lang was not as great and simple as I thought ... ”

““““And my company isn’t as glorious as it looks. Many of the start-up funds for projects came from unknown sources ...”

““““I only realized then,”“ Li Mingyuan swallowed and said helplessly,”“my company was just a tool for Xin lang to launder money ...”

““““However, at that time, I already had no way out,”“ Li Mingyuan sighed and said,”“although I knew that the origin of the money was unknown, I could only cooperate with him!”

““““Otherwise, everything I’ve obtained would have been for naught. For this, I’ve never resisted or disobeyed him even once ...”

““““You’re right. Even if I knew that I was just his puppet, I still enjoyed it. Not only did I gain huge benefits, but I also gained reputation. I gained everything I never dared to dream of before!”

““““With Xin Lang’s support, my company grew bigger and bigger. In the publishing and film industries, I got to know so many big directors, big stars, and authors. Not only can I talk and laugh with them, but they also have a lot of things to ask of me ...”“”

““““I finally understood that everything I had was given to me by Xin lang. If I were to ditch him and go on my own, I would be useless. So ... I just continued living like that ...”

““““Police officer, I know that it’s illegal to do so. I was worried that something like this would happen, but ...”“ Li Mingyuan’s eyes were pleading.”“I really don’t know ... Xin lang...What does Xin lang do? I really don’t know ...”“”

Hmph ...

“Zhao Yu snorted in his heart. Do you think I’m stupid? Previously, when I mentioned that I would post your photos all over the entire estate, you were so scared that you looked like a grandson. Do you not know what Xin lang is up to? Do you think I’m stupid?”

“Also, since Xin lang handed over such a large company to you, he would definitely let you participate in the internal business. How could you not know?”

“However, Zhao Yu’s main purpose wasn’t that, so there was no need to expose him on the spot.”

“Not only was it unnecessary, but Zhao Yu also comforted her by adding oil to the fire,”“If that’s the case, then your crime is even smaller ...”

““““Most importantly, we need to know about the matters regarding the exquisite Pavilion!”“”

““““Zhi Yi tower, Zhi Yi tower ... Oh ... Oh oh ...”“ Li Mingyuan replied hurriedly.”“You’re right, you’re right. The sponsorship and reconstruction of Zhi Yi tower in Heyang Master Academy was all done by Xin lang ...”

““““Police officer, I’m even more innocent in this matter! I don’t ... I don’t know anything. I’m just listening to him ...”“”

““““So ...”“ Zhao Yu asked,”“you don’t know about the body?”“”

““Of course, of course!” Li Mingyuan thumped his chest and stomped his feet. He said confidently, “I didn’t even know that Heyang college was going to renovate the old building. This kind of project is dispensable for us, or it’s a thankless effort. We rarely do it ... ”

““But, but Xin lang asked me to contact the Board of Education and tell them that our company is willing to undertake this business. If Zhi ya tower can be transformed into a Museum, our company is willing to bear all the expenses! ”

““And ... And he also asked me to sell my feelings. I must complete the reconstruction,” Li Mingyuan said excitedly. “Because I also graduated from Heyang college, he asked me to sell my feelings, saying that I couldn’t bear to see that building destroyed! ”

““Actually ... Actually, I didn’t even live in the ultimate building ... Police officer, the corpse can’t possibly have anything to do with me.” ”

““So ... ” Zhao Yu asked, “everything was instructed by Xin lang?” ”

““Yup!” Li Mingyuan bowed and said, “in the beginning, I did it quite smoothly. I successfully convinced the Board of Education and those people in the college to agree to the reconstruction plan and to let our company come up with the reconstruction plan ... ”

““When I reported this to Xin lang, he was also quite happy ... ”

““But ... Not long after, the situation suddenly changed ... ” Li Mingyuan said with a bitter face. “Inside the building, they actually dug out the body ... ”

““Ai! “Actually, when I heard that the body was excavated in Zhi ya tower, I didn’t feel anything. At most, we can just cancel the reconstruction plan. We haven’t paid for it yet! ”

““But, when Xin lang found me one day and gave me a good scolding for no reason, I suddenly realized that things might not be as simple as they seemed! ”

““I heard that the body was dug out from a dusty garbage dump. If it wasn’t for our company’s intervention, the building might have been demolished. Once it was demolished, wouldn’t the body be exposed? ”

““But,” Li Mingyuan swallowed again, “if our reconstruction plan is successful, then the garbage can will be sealed forever, and will never see the light of day again! ”

““So, from that time on, I ... I began to realize a terrible thing ... ” Li Mingyuan rubbed his face and said, “the dead people in the Zhi ya tower, could ... Could have been killed by Xin lang!” ”

Chapter 2157: Return ticket

““Team leader, good news,” Zeng ke whispered in Zhao Yu’s ear, “I just found out that Xin lang is on a plane from Chengzhou to andu. He will land in twenty-five minutes!” ”

“““Mm ... He really wanted to run away.”” Zhao Yu nodded.”““Hurry up and inform the andu police station to arrest him at the airport!”” Remember, when you give the order, be firm. If you can’t catch the suspect, I won’t let them have an easy time!”” ”

“““Yes!”” After receiving the order, Zeng ke turned and left the house. ”

“““Team leader Zhao,”” MoU Yongen whispered to Zhao Yu, holding his mobile phone,”““I just asked Liu Weiyi and the others about Xin Lang’s photo. They can basically confirm that Xin lang ... Xin lang was the owner of the book rental store back then ...”” ”

“““Oh ...”” Zhao Yu nodded slightly. This meant that all the clues had been linked together, and the ins and outs of the entire Murder Diary case had become particularly clear. ”

“““Have you found his residence?”” Zhao Yu ordered,”““quickly apply for a search warrant and search Xin Lang’s residence. Find his hair or skin tissue and send it to the forensics department for testing!”” ”

“““I understand, I understand ...”” MoU Yongen also accepted the order and left. ”

“At this time, Zhao Yu finally turned to Li Mingyuan, who was sitting dejectedly, and asked,”““Li Ming Yuan, when you suspected that Xin lang might be the murderer, what did you do?”” ”

“““Me? I ...”” Li Mingyuan swallowed his saliva.”““ I didn’t do anything. Do you think I would dare to confront him?”” he asked. ”

“““I’m on edge every day, on edge,”” Li Mingyuan said with his arms crossed.”““I’m afraid that he’ll be so angry that he’ll kill me too! ”

“““I’ve known him for more than 10 years. I thought I was the one who knew him the best, but it was only then that I realized I knew nothing! ”

“““For 10 years, he easily held me in his hands. Although I’m the chairman in name, I don’t have any power ...”” ”

“““Just now,”” Zhao Yu asked again,”““when we were checking your company’s accounts, were you going to call him?”” ”

“““Yes,”” Li Ming Yuan nodded,”““but Xin lang didn’t pick up the phone, and I haven’t seen him in the past few days!”” ”

“““Why did you call him?”” Zhao Yu asked in detail. ”

“““I ... I’m afraid ...”” Li Mingyuan said timidly.”““I’m afraid that the police already know about the money laundering and are deliberately investigating me ... ”

“““I’m also afraid ... Afraid that you’ve already found out that Xin lang is my backer and that he’s a murderer ...”” ”

“Li Mingyuan seemed to be panicking, but the matter of the illegal loan was still watertight. He had only mentioned money laundering, which meant that he was clarifying that he had no idea what Xin lang was doing! ”

“However, Zhao Yu was a wily old fox, so he continued to interrogate at his own pace. ”

“““Here ...”” Zhao Yu pointed to the left side of his neck,““is there something here on Xin Lang’s neck?””

“““Something?”” Li Mingyuan was stunned for a second before he reacted. He nodded and said,““yes, yes. There seems to be a hairpin, right?”” ”

“After receiving a positive answer, Zhao Yu was even more certain that Xin lang was not only the owner of the book rental store, but also the leader of the illegal loan organization. ”

“““Xin lang...Didn’t have a family?”” Zhao Yu asked curiously. ”

“““Yes, he’s not married, not married ...”” Li Mingyuan said.““He lives in seclusion and is quite mysterious. I used to think that he was pretending to be noble and virtuous, but now I understand that he has done something that can not be seen in public!”” ”

“““But ... He doesn’t seem to lack women, right?”” Zhao Yu said,““as far as I know, he often finds female college students to accompany him! And you even asked me to paint my toenails ... What ... What color was it again?”” ”

“““Red, red ... Oh ...”” Li Mingyuan replied without thinking, but only after he replied did he realize that he had misspoken. His face turned from white to red, and then from red to green ... ”

“““Hmph!”” Zhao Yu snorted and his expression changed immediately.““And you say that you don’t know about the illegal loans? You’ve also had a taste of those female university students who were victims, haven’t you?”” ”

“““No... No...”” Li Mingyuan quickly clarified.““I didn’t, I didn’t do such an immoral thing. I like ... Like ...”” He pointed outside the door.““I’m not short of money. I like mature female celebrities and don’t like those inexperienced college students ...”” ”

“““The one who likes college students is Xin lang, it’s him!”” Li Mingyuan said in a trembling voice,““over the years, he has used the convenience of his loan platform to cheat many female college students, and they are all as beautiful as the school Belle ...”” ”

“““Let me ask you,”” Zhao Yu asked,““do you know why he asked the girls to paint red nail polish on his feet? Why don’t you apply it on your hands?”” ”

“““I ... I don’t know ...”” Li Mingyuan waved his hand and said,““how could I dare to ask this kind of thing? I also feel that the women he’s found are about the same in figure and appearance! ”

“““And then, he never had a girlfriend. I’m thinking, was he abandoned by a beautiful girl who had red nail polish on her feet?”” ”

“““Mm ...”” Zhao Yu nodded silently. Before this, he had already speculated that the murderer had been hurt before, so he would kill a girl who looked like her. Now, it seemed that the murderer’s purpose of killing was clear. ”

“““Li Mingyuan,”” Zhao Yu said to Li Mingyuan,““don’t try to play any tricks in front of me. Whether it’s the Heyang division murder case or the illegal loan group, just tell me what you know. I promise you that you won’t be at a disadvantage!”” ”

“Think about it, this small case is not worth mentioning at all compared to the devil case and the headless female corpses case,” Zhao Yu said solemnly. “Do you still want to hide it from me?”

“Mm ...” Li Mingyuan carefully savored Zhao Yu’s words, then lowered his head in disappointment and said, “I ... I know. I will tell you everything I know. You can ask ...”

“Okay.” Zhao Yu nodded with satisfaction, then handed over the interrogation to the professional police detectives from the Chengzhou police station.

“These police detectives were mainly in charge of the illegal loan case, so it was naturally more appropriate for them to interrogate Li Mingyuan.”

“Walking out of the house, Zeng ke immediately came forward to report, “Team leader, we’ve already contacted andu. The police station is placing great importance on this matter, and they’ve sent Zhao shengjun, the Bureau chief who we’ve dealt with before, and Captain Zhang Ling to take charge.”

“Now, they’ve already set up a perimeter at the airport,” Zeng ke said, looking at his watch. “They’re just waiting for the plane to land!” There’s still about five to six minutes left ...”

“Mm ...” Zhao Yu said. “With such a short time, I don’t think Xin lang would know that we could lock onto him so quickly! We’ll definitely be able to catch him at the airport!”

“Right!” Zeng ke then said, “I have asked Captain Zhang Ling to prepare a return ticket. After Xin lang is captured, they will fly back to Chengzhou immediately and be interrogated!”

Chapter 2158: strength not allowed

“In the command vehicle outside Villa No. 8, Miao Ying pressed on Zhao Yu’s shoulder with one hand and praised him, “you’re amazing! We’re working together!” I’ve been letting you rest! But you ... You ... Are you mocking me on purpose?”

“What’s the use of having me as the Deputy Team Leader?”

“Don’t be silly, hehe ...” Zhao Yu laughed, but he was not confident. “I saw that you have been too busy recently, so I didn’t tell you last night to let you rest well!”

“Well, I told you this early in the morning ...”

“You ...” Miss Miao reproached as she raised her hand.

“Zhao Yu was quick to catch it, then smiled apologetically and said, “MeowMeow, I want to keep a low profile too, but my strength doesn’t allow me to!”

“That day, I was just walking around the river, but I didn’t expect to meet a girl who jumped off a building. Then, I went through a one-stop service and found out about the largest illegal loan website in the entire Plains.”

“““I would like to listen to you and get some rest, but ... As the messenger of justice, the great detective Zhao, who is famous for shaking the universe, is right in front of you, how can I just stand by and do nothing? ”

“““But! After I’m done, I don’t dare to report it to you. I was impeached by you. If you know that I can crack a criminal group while resting, you’ll definitely criticize me, right? That’s why I didn’t tell you. You have to be professional ...” ”

“““You ... Rascal, thick-skinned, you ...”” Towards Zhao Yu’s shameless boasting, miss Miao was already at a loss for words. She couldn’t find any words to say. ”

“However, even though it was an exaggeration, Miao Ying couldn’t really say anything about Zhao Yu’s actions. Perhaps, this was fate? ”

“““Look,”” Zhao Yu took the opportunity to pinch Miao Ying’s face,””you’ve been so tired these few days that you can’t even squeeze water out! I know that you have a lot of work to do. You can’t say a word wrong when dealing with those high-ranking officials and the media. You’re the only one who can be promoted! ”

“““You’ve worked hard, MeowMeow. After this case is over, I’ll serve you well, okay?”” ”

“““Hmph.”” Miss Miao covered her face.””When the case is closed, when the case is closed, you’ll have to say this a hundred times, right?”” ““Of course ...”” Miao Ying sighed helplessly.””I often mention it ...” ”

“Then, the two of them looked at each other and laughed. Zhao Yu took the opportunity to pull miss Miao into his arms. ““Don’t worry, I won’t make a fuss this time. After this case, I won’t take on any more urgent cases! ”

“““Let’s have some fun, then we’ll go find Xi Wei ...”” ”

“Before Zhao Yu could finish his sentence, the door of the command vehicle opened and a group of police detectives came in. Zhao Yu had no choice but to shut his mouth and let go of his hand. ”

“““Team leader,”” Zeng ke said, looking at his mobile phone.””Xin Lang’s plane has landed. Captain Zhang Ling should be carrying out the arrest now. Due to time constraints, they can not open a real-time camera. Let’s wait patiently. I think we will have results soon ...”” ”

“““Team leader Zhao,”” MoU Yongen, who was on the other side, reported,””we have found the houses under Xin Lang’s name. There are two in total, both of which are expensive luxury houses. We are still searching for them.”” ”

“““Also, I heard from Li Mingyuan that Xin lang might have bought properties through other channels. We’re still investigating ...”” ”

“““It’s alright!”” Zeng ke said,””as long as we catch Xin lang, we will definitely know the answer!”” ”

“““The most important thing,”” Zhao Yu said, rubbing his hands.””Is Zhang Peipei. Only by comparing the correct DNA can we really determine if he is the murderer!”” ”

“““Don’t worry ...”” MoU Yongen said. “““We found a large number of things in Xin Lang’s house that can be used for testing. We’re not afraid of not finding them!”” ”

“““Besides ...”” ”

“As a result, Captain MoU had not finished speaking when Zeng ke’s mobile phone suddenly rang. Zeng ke quickly grabbed the phone, and his hands almost lost control. ”

“““Hello?”” When Zeng ke answered the call, he deliberately put it on speaker. ”

“““Special investigator,”” a familiar voice came from the phone, “““the person has been caught. It’s definitely Xin lang!”” ”

Whoosh ...

“Hearing this news, the command vehicle was suddenly filled with joy, and the agents high-fived each other. ”

“““That’s great, Captain Zhang Ling!”” Zeng ke said excitedly, “““then you should take him back to Chengzhou immediately! We’re going to conduct an important interrogation!”” ”

“““I understand, I understand ...”” Captain Zhang Ling replied. “““I’ve already bought the plane tickets. Don’t worry, detective Zhao!”” I’ve already brought her to you safely, hahaha ...”” ”

“““Then ...”” Zhao Yu suddenly interrupted and said to Zhang Ling, “““Captain Zhang, show us the footage of you arresting Xin lang!”” ”

“““Oh ... Zhao ... Detective Zhao, you’re here too.”” Zhang Ling was very respectful to Zhao Yu and quickly greeted him. “““Okay, I’ll send you the video right away!”” This guy seemed to have a premonition as well. When we pressed him down, he didn’t resist ...”” ”

“After Zhang Ling finished speaking, the video was transmitted to Zeng ke’s laptop. Through the wireless network, Zeng ke directly played the video on the big screen of the command vehicle. ”

“Everyone could see that when a man got off the plane and walked out of the air platform, he was caught red-handed by Zhang Ling and the others who had been lying in ambush. ”

“Throughout the entire process, not only did he not put up any resistance, but he also appeared to be unusually calm. ”

“As the video zoomed in, a close-up of Xin lang appeared on the big screen. Xin lang no longer had long hair, and instead had a rather ordinary crew cut. He was of medium build and looked thin and weak. ”

“““Yes, that’s right,”” Zeng ke said, nodding. “““That should be him!”” ”

“““Just in case,”” Zhao Yu said to MoU Yongen, “““go and take a look at Li Mingyuan. Don’t arrest the wrong person ...”” ”

“““Yes!”” MoU Yongen quickly nodded. ”

“At this moment, the image on the big screen changed. Xin lang was handcuffed and escorted by several police officers to a room in the airport. ”

“Here, Zhang Ling and the rest conducted a body search on Xin lang. At the same time, they opened his luggage to check.”

“As the camera moved, Zhao Yu saw that the police were rummaging through the luggage, and suddenly found something.”

““Hey!” “Captain Zhang!” Zhao Yu shouted into the phone, “hurry up, push the camera over, let me see the script ...””

“Seeing Zhao Yu’s strange behavior, everyone was shocked and focused on the big screen.”

“After receiving Zhao Yu’s order, Zhang Ling went to the suitcase and took out the notebook that Zhao Yu had mentioned. It was an old, yellowed notebook with a blue cover and looked very thick.”

““Beat ... Beat, beat, beat ...” Zhao Yu was so excited that he stuttered, “open it!””

““Oh ...” Zhang Ling received the order and quickly opened her notebook.”

“In the end, when everyone looked at the notebook, their eyes all widened in unison ...”

Chapter 2159: two possibilities

“Four hours later, Captain MoU Yongen personally led the team and successfully picked up the suspect, Xin lang, from the airport.”

“After entering the police station, Captain MoU did not make any adjustments and directly sent Xin lang to the interrogation room for trial.”

“At this time, Zhao Yu met up with Captain Zhang Ling, who had come from afar, to handle the simple handover procedures.”

“In fact, it had not been long since the Western Sichuan ghost king case was solved, but in Zhao Yu’s opinion, Captain Zhang Ling’s memory was a little blurry.”

“This might be inevitable, as Zhao Yu had come into contact with too many Criminal Police captains. Although these captains looked different in age, the drive and professionalism that flowed from their bones were all the same, so Zhao Yu sometimes confused them or forgot them.”

““I didn’t expect to see you again,” Captain Zhang Ling said emotionally in the police Office. “We just parted not long ago, and I can’t believe we’re meeting you again in such a way!””

““Yeah,” Zhao Yu shook hands with Captain Zhang Ling. “This time, Captain Zhang has really worked hard. You’ve done us another great service. Don’t worry, I, Zhao Yu, am the most loyal person. When I return to the criminal Division to write a report, I have to emphasize this, hahaha ...””

““Don’t, don’t, don’t ...” Captain Zhang Ling was flattered and quickly pulled out her hand to bow to Zhao Yu. “Following you to solve the ghost king case has already raised my popularity to the maximum!”

What kind of credit is this? it's just a small matter. If there's any credit, it should be you, the detective who solved many big cases!" " "

"Oh?" Zhao Yu turned around and asked Miao Ying, "when we were in andu, was Captain Zhang also this good at sucking up?" " "

"Her words made everyone burst into laughter. In the midst of the laughter, Zhao Yu shook hands with Captain Zhang again. He expressed that although this was not his territory, he was still willing to play the part of a host and entertain Captain Zhang well. "

"However, Captain Zhang Ling was smart enough to quickly thank him. ""I thank you for your kindness, but your case is in the middle of a crucial trial, so don't let me delay your work. I've already booked the plane tickets, so you should go back and report first! "

"How about this? when you reach andu, old Zhang will definitely treat you well, alright?" " "

"Well, in that case," Zhao Yu said, "I won't send you off. Have a safe journey!" "Don't worry, I'll definitely make you treat me to a meal when I go to andu in the future!" " "

"Just like that, the two of them exchanged a few more words before Captain MoU sent someone to send Zhang Ling and the others back to the airport. "

"After seeing Captain Zhang off, Zhao Yu didn't rush to the interrogation room, but went to the office first. Together with the team members, he checked the evidence found in Xin Lang's bag. "

"In order to make sure, they had invited the author of the killer's diary, Liu Weiyi, to the scene early on. After handing over the evidence, Liu Weiyi recognized his own belongings at a glance without wearing gloves. "

"Yes, that's it! "Oh my God ... I really can't describe how I'm feeling right now. I never thought that the things I've written would become killing tools!" " "

"Am I right?" Zhao Yu gestured, "take a closer look first. Is this your Murder Diary?" " "

"That's right, there's no mistake!" Liu Weiyi put on his gloves and opened The Blue Notebook gently. He said while trembling, "this notebook is definitely mine, but ... What ... What is this ..." " "

"Everyone hurriedly looked down and saw that in the flipped open notebook, other than the words written with a blue pen, there were many red things that looked like annotations. There were even many messy sketches ... "

"There were many dark things in those sketches, and they looked very hurtful and uncomfortable. "

"This is ..." Liu Weiyi took a closer look at the line of text, and his face turned pale with fright. "Oh my God, he ... He is denying my article!" That means ... The actual killing is not what I wrote. There are many things that are wrong ..." " "

"These scribbled dark graffiti," Wu Xiumin said, "fully reflects the inexplicable resentment in the painter's heart. You see, many of the graffiti are tearing women apart, so he should hate women very much ..." " "

“Um ...” Zhao Yu looked at his watch, then asked Zeng ke, “when will the DNA comparison be out?”

“Mm ...” Zeng ke also looked at his watch, then replied, “Peipei said that it would be done in half an hour!” She’s increasing her speed ...”

“Okay, half an hour is almost up.” Zhao Yu looked at his watch and said to Miao Ying, “let’s go and meet the mysterious suspect first and see what his attitude is now!”

“Yup!” Miao Ying crossed her arms and said, “at the airport, that guy was extremely calm! Thus, there are only two possibilities. One is that ... He has already made all the necessary preparations and thinks that we can’t find evidence!”

“Or, he already knows that he can’t escape this calamity and is no longer prepared to resist!”

“Zhao Yu smiled. “I hope it’s the latter!” He said. ”

“Then, the two of them left the office and headed for the interrogation room ... ”

.....

“The interrogation room was dim, but the light was particularly dazzling. The suspect, Xin lang, sat in the interrogation chair, silent and surprisingly calm. ”

“This time, Zhao Yu acted differently. When he and Miao Ying entered the interrogation room, he did not make any opening remarks, but walked straight to Xin lang, stared at his face and asked, “Xin lang, do you know why we’ve captured you and brought you here?”

“After the interrogation, the interrogation room fell into silence. ”

“Xin lang raised his head and looked at Zhao Yu, then said with a blank expression, “Detective Zhao Yu, you live up to your name. I finally saw it today!”

“Mm ...” Zhao Yu laughed coldly. “You don’t have to tell me that! I’m asking you a question, not for your flattery!”

“Ha ... You’ve got a personality ...” Xin lang looked at Zhao Yu again and said, “this is an unsolved case that’s been around for more than twenty years, and you’re actually able to find me. I have no choice but to flatter you!”

“Now that I think about it, it’s really like a big joke. For the past 20 years, whether I’m rich or poor, I’ve always been very careful and cautious. But I didn’t expect that ... In the end, I was just lying to myself!”

“Alright, I can see that although you have a dark heart, you are an open person,” Zhao Yu said. “Since you already know why you are standing in front of me in handcuffs, then be quick and tell me!”

“Were you the one who killed the four victims in the trash can of the exquisite building in Heyang Teacher’s College and the one buried under the big banyan tree?”

“Mm ...” Xin lang looked at Zhao Yu silently, then nodded and said, “yes, I admit it! “When I killed them, there was no advanced DNA technology. I knew that although I was very careful and wore gloves,

I would inevitably leave some skin tissue at the scene for investigation. Therefore, I didn't need to make any fearless struggle and resistance ... ”

“““I, Gong Gong, confess!!!”” ”

Chapter 2160: confession

“““The year we graduated from high school,”” Xin lang said,””neither she nor I managed to get into university. The University at that time was not like now. If we couldn't get in, we had to consider doing something else! ”

“““I was already tired of studying and I knew that I wasn't cut out for it, so I went to find a place to work.”” Xin lang closed his eyes and fell into the past.””As for her, she insisted on taking the college entrance exam and chose to repeat her studies! ”

“““That was the first time we had a disagreement, and it was also ... The last time!”” ”

“Hearing this, Zhao Yu really wanted to ask, who was this “her”?”

“However, Xin lang was currently immersed in his past memories, so Zhao Yu and Miao Ying did not interrupt him. ”

“This was the umpteenth time that Zhao Yu had listened to a murderer's confession. He thought that he would be calm and collected, but at this time, he still maintained a high level of excitement. His ears were open, and his eyes were wide open, afraid to miss a word! ”

“““In those years, my first love and I lived a very simple and innocent life.”” The corners of Xin Lang's eyes seemed to be shimmering with tears.””She loved to eat spicy soup at the school gate, not only because it was delicious, but also because it was cheap ... ”

“““In the summer, she especially liked to put red nail polish on her toenails ...”” Xin lang sobbed.””Because the school didn't allow her to paint her toenails, the first thing she did after school was to take off her socks and reveal the red nails on her feet ... ”

“““It was only a year,”” Xin lang said.””She got into one of the top universities in the province, Heyang Normal University!”” ”

“Hearing Xin Lang's words, Zhao Yu suddenly had goosebumps on his back. He had never expected that the origin of the story would actually be related to the teacher's College. ”

“““When we broke up, I was very calm and collected. I thought that I could accept it since I've read so many romance novels, but ...”” Xin lang shook his head and sighed.””I thought too simply. I couldn't forget her. It was as if my life would be destroyed with her gone! ”

“““That feeling, it was as if I had already become one with her, and if she left, I would die! ”

“““What's even more ridiculous is,”” Xin lang clenched his fist and said,””I can see that she yearns for a beautiful university life. She doesn't miss me at all. It was all a hypocritical show ... ”

“““I’m sad, I’m sad, but I never thought that she would become a mark that I can’t get rid of for the rest of my life. Sometimes, I don’t know what’s wrong with me. ”

“““I want to be strong, but I also want to ... Kill her!!!”” ”

“““After we broke up, I suppressed my pain and went everywhere to work.”” Xin lang still clenched his fists tightly.””I even secretly went to school to see her. She was fine ... And she was talking and laughing with her classmates ... ”

“““Sometimes, I find it strange too. Humans are really strange animals,”” Xin lang shook his head and said.””At that time, I often hung out in the nightclubs in Chengzhou, working as a doorman, a chauffeur, a waiter. I saw a new and lively world, and saw so many women who would do anything for money ... ”

“““The tycoons spent money like dirt, and the girls were like moths to a flame. From that moment on, my eyes were also burning with fire. I also wanted to taste the joy of the moths flying over ... ”

“““Logically speaking, I’ve been working in a place like this for so long, so I should’ve treated our relationship lightly, but ... No... No matter what, I can’t forget her ...”” ”

“““That kind of immature first love memory deeply affected me. I feel that perhaps she is no longer a human, but a kind of dependence in my mind. ”

“““My mother died when I was young, so I have a habitual reliance on women. She is my first and only ... In my heart ... ”

“““When I was in the nightclub, every time I saw a woman who looked like her, I would be mesmerized. I fantasized about them with red nail polish on their feet and pouncing on me ...”” ”

“It had to be said that Xin Lang’s words were full of repetition and contradiction. From this, Zhao Yu could see that this person’s mental abnormality was very serious, and he even had a certain degree of paranoia. ”

“At the same time, Zhao Yu and Miao Ying were both worried about one thing. The ““she”” that Xin lang had mentioned, could she have passed away? ”

Or ... He had already killed them?

“““I really don’t know what happened to me.”” Xin Lang’s eyes were filled with confusion.””Four years later, she graduated from University and left. She left the school! ”

“““As for me ... I stupidly used my four years of savings to buy a bookstore within Heyang Master Academy ... And started a book-selling and book-renting business ... ”

“““You guys must have found it laughable, right?”” Xin lang revealed a strange and ugly smile,””she’s already graduated, but I went to her school to open a shop. I ... What do I want to do? ”

“““Don’t tell me ... She wants to experience what the school she went to is like? Or ... Or ... Am I just a lunatic?”” ”

“Hearing this, Zhao Yu couldn’t help but exchange a look with Miao Ying. They didn’t expect that Xin Lang’s condition would deteriorate so quickly. They started to worry that if this continued, he would break down and delay his confession. ”

“However, if she interrupted him at this time, it might affect the continuity of his confession, and it would not be good for the truth. ”

“Thus, the two of them did not say anything and continued to listen to Xin Lang’s confession,”” ”

“””At first, my life was still considered peaceful, right? Is it five or six years?”” Xin lang said,””my youth was also spent in University. However, I wasn’t a university student. I was a book seller! ”

“””Every day, I just watched the people come and go in the bookstore. There were many people reading books. When I had nothing to do, I would also read. It’s not an exaggeration to say that I read almost all the books in the bookstore, no matter what type ... ”

“””But ... Although those books were good, none of them could make a mark on my heart. Until one day, when I saw a novel written by a student, my heart was hooked ...”” ”

“Then, Zhao Yu took the opportunity to show Xin Lang Liu Weiyi’s Murder Diary. ”

“””Yes, I’ve specially brought it with me when I run away this time!”” Xin lang said without any hesitation,””that’s right, I was too engrossed in it, so I stole it! ”

“””I think ... Since you’ve captured me, you can guess what will happen next, right? ””I can tell you,”” Xin lang once again revealed an evil smile,””you’ve guessed it right! Not only did I steal the manuscript, I also ... Did what was written in the manuscript ...”” ”

As expected ...

“What Xin lang said was right. As for what would happen next, Zhao Yu had already guessed it countless times. Now, it seemed that his guess was almost the same. ”

“However, the truth of the matter was still somewhat incomprehensible. ”

“Hence, Zhao Yu asked,””Now, tell me how you killed the man!”” ”
