Chapter 2181: Chapter 2176-magnifying glasses

“In a small conference room in the VIP area of the cruise ship, all the guests in the VIP area had been called here. ”

“““I told you, I told you,““ an old man in a plaid shirt and permed curly hair said excitedly when he learned what had happened.““This damn cruise party is a conspiracy, but you didn’t believe me. What happened? did something happen?““ Hmph!““ ”

“Zhao Yu had seen this old man before. Last night, it was because of him that Zhao Yu had gone to the casino to gamble. ”

“Unexpectedly, this old man was an important figure in the Tianqin group. He used to be the General Manager of the group, but because of his old age, he had retired to become one of the major shareholders of the group. ”

“His name was Lei Dasheng, and he was also one of the six suspects in the yacht disappearance case four years ago. ”

“““President Lei, don’t be too excited ...““ At this time, a middle-aged man sitting next to Lei Dasheng advised,““no one wanted such a thing to happen.““ ”

“The man who spoke was the captain of the missing yacht case, Guan xiujie. In fact, Guan xiujie’s identity at that time was the office Director of the Tianqin group. Because he was proficient in ship driving skills, he only played the role of the captain of the passenger ship. ”

“Now, Guan xiujie had become the manager of the group’s branch company, and his career was smooth and prosperous. ”

“““Not excited? how can I not be excited?““ Lei Dasheng clenched his fist and said,““isn’t this too much of a coincidence? Four years ago, we were already suspects for a while! ”

“““Now, it’s actually happening again! Have you all forgotten the feeling of being observed with colored glasses? ”

“““The murderer from four years ago wasn’t found, and now there’s another one ... Last time, it was director Zhu, and now it’s director Zhu’s sister. Yun di is really a good person. I don’t understand why someone would want to harm her?““ ”

“““Not necessarily,““ at this time, behind Lei Dasheng, a fashionable middle-aged woman said,““this time, it’s a cruise ship, not a yacht. There are thousands of people on the cruise ship!““ ”

“““Out of these thousands of people, anyone could be the murderer, right?““ ”

“This woman’s name was han aobing. Four years ago, she was also on the yacht that Zhu Xicheng disappeared on. At that time, everyone was in a coma except for her. ”

“However, as she had been in her room the entire night, she had no idea what had happened on the yacht.”

“In fact, Han Aobing was not an employee of the Tianqin group back then, but the female president of the Leo Group.”

“At that time, the Leo Group was facing the dilemma of being acquired by the Tianqin group because of a cash flow problem. Therefore, Han Aobing went to talk to Zhu Xicheng. She wanted to use their personal relationship to solve the company’s difficulties.”

“However, at that time, it just so happened that Zhu Xicheng was leading the group’s senior executives out to sea for a team-building project. Under Zhu Xicheng’s Grand invitation, she followed them out to sea.”

“However, he didn’t expect that the discussion would not come to an end and that something would happen to Zhu Xicheng instead. He was also inexplicably involved in the whirlpool of murder and became one of the important suspects.”

“Today, the Leo Group had not escaped the fate of being acquired, and had long become a subsidiary of the Tianqin group.”

“So, this time, as the General Manager of the Leo Group, Han Aobing also boarded the Heavenly King.”

““No!” At this time, the Cruise’s general manager, Qi Jianhua, said, “unfortunately, there are only two entrances and exits in the VIP area of the cruise ship. There are also two elevator exits.”

““After we checked the surveillance video, no outsiders entered the VIP area after Ms. Zhu Yundi returned to the VIP area last night.”

““Now, we’re expanding the time range of the surveillance to find suspicious people ...””

““There are no outsiders, no outsiders!” Lei Dasheng said excitedly, “did you all hear that? This time, it was a crime committed by a wife, right? The six of us are here! This time, no one can escape. This is called adding to the already suspicious!””

““Since ... You have surveillance cameras,” at this time, a tall and extremely beautiful woman spoke, “as long as you can see who entered Chairman Zhu’s room, then you can know who the murderer is, right?””

“The woman’s name was Yi Qin, and she had been one of the six suspects.”

“At that time, she was the personal secretary of the chairman, Zhu Xicheng. Because of her figure, unparalleled beauty, and intelligence, she was deeply loved by Chairman Zhu and would take her with him wherever he went.”

““I’m sorry,” Qi Jianhua said. “This is the VIP area. We have to respect the privacy of our customers, so there are no cameras installed in the corridor!””

““Alright, this is going to be interesting!” “You’re right, CEO Lei,” Yi Qin said. “We’ve been criticized for being murderers the last time!””

“““This time, don’t even think about escaping! This is really fate!”” ”

“““Could it be that ...”” At this time, a big fat man sitting in the front said,““someone climbed over from the cruise ship?”” I’ve been to Chairman Zhu Yundi’s room before, and she has a terrace there. Is there anyone who can climb over the terrace?”” ”

The fat man’s name was Zhang Menghai. He was the company’s Logistics Manager and one of the six suspects from that year.

“Due to his superb cooking skills, he had served as the chef at the yacht party and provided delicious meals for everyone. ”

“““I won’t!”” The captain, bi Guosheng, said,““we respect the privacy of our tourists, but we also have to ensure everyone’s safety. We have installed alarm devices and cameras on the external facilities of the cruise ship, and the crew will make regular inspections. Such a thing will never happen!”” ”

“““We’re also investigating the external surveillance cameras,”” Qi Jianhua said.““If someone really entered Ms. Zhu Yundi’s room from the outside, we’ll definitely be able to find out!”” ”

“““Alright, I think Yi Qin is right,”” Lei Dasheng said.““This is our fate!”” ““But ...”” He looked at his other colleagues at the scene and said,““this time, it’s not just the six of us. It seems that there are a lot of new friends, right?”” ”

“Lei Dasheng was right. Due to the Tianqin group’s growing strength, it was not only the six of them who participated in the cruise party. There were also more than ten company senior leaders and staff members. ”

“Therefore, everyone in the VIP area would be the suspects of this case. ”

“““Alright,”” Lei Dasheng said gloatingly,““in the past, you should have doubted us a lot. Now, I will let you have a taste of being doubted!”” Hahaha ...”” ”

“““CEO Lei, please stop joking.”” At this moment, on the other side of the meeting room, a middle-aged man with a dignified appearance said,““can’t you tell? In Chairman Zhu Yundi’s murder, the six of you are the most suspicious!”” ”

“This well-dressed middle-aged man was called sun Jinjian, and he was the current general manager of the Tianqin group. ”

“““You!”” Lei Dasheng was suddenly anxious. He stood up and glared at him.““What did you say?!”” I dare you to say that again!”” ”

“““Four years ago, Chairman Zhu was pushed off the yacht. Now, it’s Chairman Zhu Yundi, and the yacht has become a cruise, but the modus operandi has not changed!”” The man said coldly,““so, you guys are the most suspicious!”” ”

“““Please don’t pull us into your faction!”” ”

“““Old Sun, what’s the meaning of this?”” Zhang Menghai stood up and shouted,““how have we offended you? Don’t you slander me!”” ”

“““That’s right!”” Han aobing said,““we are all in the VIP area. Everyone is a suspect. Maybe the murderer is you!”” ”

“““Hahaha ...”” Sun Jinjian laughed and said,““God really has eyes! Last night, I found two pretty girls in the bar. They were in my room the whole night. I have a witness. If you don’t believe me, you can go and check ...”” ”

## Chapter 2182: The number one suspect

“Just as Lei Dasheng and the others were arguing with sun Jinjian, Zhao Yu was carefully observing the people present. ”

“He discovered that the six suspects from the missing yacht case had all appeared and made their statements. However, Li Qin had been hiding in the corner and did not show any reaction. ”

Li Qin was the head of the Tianqin group’s technology Department. He was a top student who graduated from the capital University and had been in charge of the yacht company’s technology research and development.

“It was said that he was related to the chairman, Zhu Xicheng, and had a close blood relationship with Zhu Xicheng’s maternal family. ”

“However, in the missing yacht case, Li Qin was the number one suspect. ”

“Out of the six suspects, he was the only one with the motive to kill. ”

“This was because, before the disappearance of the yacht case, Chairman Zhu Xicheng had once made a cuckold out of Li Qin! Zhu Xicheng and Li Qin’s wife had a secret date and had an affair behind his back. ”

“Moreover, due to the lack of confidentiality, the news had long been spread in the company. ”

“In the end, Li Qin was forced to divorce his wife. ”

“However, for the sake of his own future, he chose to swallow his anger and continued to work in the Tianqin group, working for Zhu Xicheng. ”

“Therefore, it was obvious that he would definitely bear a grudge against Zhu Xicheng. ”

“Therefore, after the disappearance of the yacht case, the police focused on investigating Li Qin and listed him as the number one suspect in the case. ”

“The police believed that Li Qin was a technical backbone, belonging to the type of research personnel who was introverted, not good at socializing, and easily controlled by emotions. ”

“This kind of personality made it easier for him to become depressed and become ill, so he killed people in anger. ”

“In addition, Li Qin was also a high IQ genius, proficient in the internal and external structure of yachts, navigation technology, and yacht navigation. Therefore, he was most likely the one who designed and carried out the missing yacht case!”

“However, in the subsequent investigation, the police did not find any substantial evidence, and in the end, they did not form any charges.”

“However, over the years, many people were almost stubbornly certain that Zhu Xicheng’s disappearance was Li Qin’s doing.”

It was because of this that Li Qin’s life these years had been very difficult.

“First of all, the fact that he had been cuckolded was discovered by the police, and everyone knew about it. The impact was getting bigger and bigger.”

“Secondly, he was the biggest suspect in the missing yacht case, so it was inevitable that people would talk about him behind his back.”

“However, what was incomprehensible was that even at this point, Li Qin still stubbornly stayed in the company. He didn’t resign, didn’t jump ship, and didn’t seek another career.”

“It was unknown if he was used to working at a yacht company or if he didn’t have the courage to find another way out, but all these years, he had been working on the technology of yachts and had never left the Tianqin group.”

“As for the company’s higher-ups, they had never thought of touching him. Even if they wanted to, they would not do it.”

“This was because Li Qin was indeed a rare talent in Science and Technology, especially in the yacht manufacturing industry. He had long become a top expert in the industry.”

“Moreover, he had the core information of the yacht company in his hands, so the company’s senior management did not dare to do anything to him.”

“Just like that, under great pressure, Li Qin spent four years. Now, he had become a suspect in a new case.”

“However, Li Qin was not as excited as the others. Ever since he learned that Zhu Yundi had been thrown into the sea, he had been curled up in a corner and did not say a word.”

“At this moment, looking at the fierce argument between Lei Dasheng and sun Jinjian, his eyes were indifferent, as if all these things had nothing to do with him.”

“““Alright, don’t get too excited and anxious.”” At this time, the Cruise’s general manager, Qi Jianhua, interrupted the quarrel and said,““please rest assured that we will give you an explanation for this incident!”” ”

“““For this, we invited the famous detective Zhao Yu to find out the truth of the case,”” Then, he pointed to Zhao Yu, who was sitting in the middle, and said,““I believe that everyone is familiar with detective Zhao Yu, right? The devil case, the headless female corpses case, four of the five major unsolved cases in China were solved by detective Zhao!”” ”

“Unexpectedly, Qi Jianhua’s introduction silenced the crowd. ”

“Obviously, although they had never heard of Zhao Yu’s name, they were more familiar with the devil case and the headless female corpses case. They did not expect that such a famous detective would appear here. ”

“““Everyone,”” Qi Jianhua said,””now, the cruise ship has authorized detective Zhao Yu to investigate the case. In addition, we have contacted the police department and have been given the privilege to investigate the case. ”

“““So, in order to find the murderer as soon as possible and clear everyone’s name,”” Qi Jianhua pointed at Zhao Yu and said,””next, detective Zhao will question everyone one by one. I hope you will cooperate.”” ”

“““Oh ...”” ”

Most of the people listened to Qi Jianhua’s introduction without any objection.

“However, Lei Dasheng still made a different sound and said,””““So what if you’re a super detective? Why? We know the law. It’s against legal procedure for you to find a detective to investigate us!”” ”

“““You ...”” Qi Jianhua did not expect Lei Dasheng to have such a bad attitude. He was speechless. ”

“““Alright, go and find your legal procedures!”” Zhao Yu didn’t seem to care.””I’m telling you, you don’t have to participate in our investigation, but I’ll record everything that happened. Whoever doesn’t cooperate with the investigation will be Qianqian’s number one suspect!”” ”

“““This ...”” This time, it was Lei Dasheng’s turn to be defeated. ”

“““I’m telling you, this is a murder case, and human lives are at stake,”” Zhao Yu said righteously.””If you want to go through legal procedures, then I’ll tell you how to go through the normal legal procedures! ”

“““We’re going to wait until the cruise ship is done with its voyage and we’re back in the country. We’ll seal off the scene and arrest all suspicious people. We’ll bring them to the Jing hai police station for investigation. ”

“““Due to the complexity of the case, you will be detained by the police for 48 to 72 hours, and you will be summoned for interrogation at any time. ”

“““From now on, you will follow the police to the scene repeatedly to investigate. At least, before the truth is found out, no one can go home and live a peaceful life. ”

“““I think everyone here should have a deep understanding of this, right?”” ”

“Zhao Yu’s words enlightened Lei Dasheng, and he immediately shut his mouth. ”

“““But, if you cooperate with my investigation,”” Zhao Yu said,””I can guarantee that I will find out who the murderer is before I return! ”

“““As long as the murderer is found, we won’t waste any more of your precious time. At the same time, we can also restore your innocence and reputation from four years ago. ”

""I believe that you will make your choice!"" "

""Well said,"" sun Jinjian, the talkative general manager, said. ""You said you could find out the truth, so you can find it? "

""What if it's the same as four years ago?"" He clapped his hands. ""Until now, we haven't found Chairman Zhu's body!"" "

Bang! Bang!

"As soon as he said that, Zhao Yu slammed the table, which shocked everyone. "

""I'm warning you,"" Zhao Yu said fiercely, ""now, since there is a murder case, you have to cooperate! "

""I'm telling you, I'm now a Special Investigation Team leader in the criminal Division. After the incident, I have already reported the case to the criminal Division and the local police station. I believe that with my reputation in the industry, I will be able to get the investigation authority immediately. "

""So, you'd better cooperate with me. If anyone else dares to make a scene, I have the right to sue you for obstructing the investigation. I suspect that you are a major suspect in this case. I can lock you up first and hand you over to the police station for interrogation after we return!"" "

"As soon as he said that, the scene was silent again. Whether it was Lei Dasheng or sun Jinjian, they all closed their mouths ... "

Chapter 2183: Chapter 2178-double case investigation

Plop ...

"In one of the guest rooms in the VIP area of the cruise, a glass cup was thrown to the ground by Zhao Yu! "

""Zhao Yu,"" Miao Ying quickly came over and said, ""what's wrong with you? Why are you so angry?"" "

""The chairman is dead,"" Zhao Yu said, pointing outside. ""They were all making sarcastic remarks, attacking each other, pouting, and slandering each other, but none of them were really worried about Zhu Yundi!"" "

""Yes!"" Miao Ying said, ""I can see that these people only care about their own interests! Right now, everyone was probably planning how they would gain more power after the Tianqin group lost its leader! "

""But ..."" Miao Ying said, ""it's not your first day working on a case, so you have to stay calm! The more it's like this, the more we can't let the murderer succeed!"" "

“““To be honest,”” Zhao Yu said,““I did make this suggestion to Zhu Yundi yesterday. I said that if she could fake her death, then I would have enough authority to investigate her brother’s yacht disappearance case from four years ago! ”

“““After Zhu Yundi heard this, he also said that he would think about it carefully. The cruise ship had just set sail, and we still have time to plan slowly, but ... But ... Who would have thought ... ”

“““Meow Meow ...”” Zhao Yu said regretfully,““I can’t think of who pushed Zhu Yundi into the sea at this time! ”

“““I don’t think it’s one of the six suspects! ”

“““Zhu Yundi didn’t know the truth about the missing yacht case. The murderer might have other reasons for killing her!”” ”

“““Yes,”” Miao Ying said.““Judging from the scene, the murderer seemed to be looking for something on the spur of the moment! ”

“““Zhao Yu, I’ve already contacted Jinghai. They will send a helicopter over today and bring us two forensic scientists to help us collect the evidence!”” ”

“““Mm ...”” Zhao Yu said.““I’ve talked to the criminal Division, and Division Chief Jiao gave me special permission to investigate! This case must be investigated thoroughly!”” ”

“““Although that’s true, it’s just our intuition,”” Miao Ying said.““We can’t rule out the possibility of the six suspects. We have to focus on everyone, including the employees who were serving in the VIP area at that time ...”” ”

“““Mm ...”” Zhao Yu said.““I’ve discussed it with Qi Jianhua. The duration of the surveillance footage has to be extended. The murderer might have been hiding in Zhu Yundi’s room a long time ago! ”

“““Also, in this case, I don’t really trust Qi Jianhua and the foreigner,”” Zhao Yu said.““We have to find a few neutral people on the ship, or people we can trust, to watch the videos with them!”” ”

“““Then ...”” Miao Ying said,““I’ll go check the passenger list of the cruise ship to see if there are any people with similar work experience on the ship, and temporarily recruit them over?”” ”

“““Sure,”” Zhao Yu said.““It would be even better if we could transfer Zeng ke and the others over!”” ”

“““Not good,”” Miao Ying said.““They’re still in Chengzhou! I can only ask for permission from Jing hai!”” ”

“““This case ...”” Zhao Yu rubbed his palms nervously and murmured,““is not just difficult!”” ”

“““I understand what you mean.”” Miao Ying knew Zhao Yu too well, so she immediately said,““that depends on what you think! If you only focus on investigating the case of Zhu Yundi’s murder, it won’t be particularly difficult! ”

“““But, if you count the missing yacht case from four years ago, it would be more than just tricky! ”

“““Zhao Yu, listen to my advice, you can’t eat in one bite!”” Miss Miao said earnestly,“““although you did find out the truth about the ghost king case and the black eye case, you still have to admit that you have a lot of evidence. ”

“““But you have to think carefully. Back then, you also solved the case in front of you first, then followed the clues and found the truth of the past. ”

“““So, this time is no exception. As long as we can find the murderer who murdered Zhu Yundi, maybe the truth of the missing yacht case from four years ago will be revealed!”” ”

“““I understand, I understand!”” Zhao Yu said,“““but this case is different from the ghost king case and the black pupil case. The suspect is already in the four years. I think I can’t miss this opportunity!”” ”

“““Investigating both cases at the same time,”” Zhao Yu said.“““It’s a good idea! Or perhaps, the truth of Zhu Yundi’s murder is hidden in the missing yacht case!”” ”

“““Investigate both cases at the same time. You have to know how much pressure you’re under. We’re on a cruise ship, and we don’t have the advanced technology of the police!”” Miao Ying advised. ”

“““I know, that’s why ...”” Zhao Yu’s eyes were filled with excitement.“““I’m taking this as a challenge! MeowMeow, don’t worry, I know the priority of the case. I will focus most of my energy on Zhu Yundi’s murder case! ”

“““As for the case from four years ago, I will carry it out while investigating.”” ”

“““A foot?”” Miao Ying hesitated for a moment, then pointed to a piece of white paper on the table that was filled with case information and said,“““this is all information about the missing boat case. Is this considered a slip-up?”” ”

“““I wrote this last night. At that time, I didn’t know that something had happened to Zhu Yundi!”” Zhao Yu said,“““I looked up information from four years ago, and someone said that the case was very similar to the Oriental Express bus murder case! ”

“““That is, all the suspects in the case have a deep hatred for the victim and all of them want to kill the victim ... ”

“““But ...”” Zhao Yu pointed to the information on the white paper and said,“““in my opinion, this case is the complete opposite. It seems that other than Li Qin, who was cheated on by Zhu Xicheng, no one else had a particularly deep hatred for the victim, right?”” ”

“““Is that so?”” Miao Ying looked at the information and said,“““didn’t you say that han aobing from the Lei ou group is also a major suspect? ”

“““First of all, she is the only one out of the six who is not unconscious! ”

“““Secondly, when their company was on the verge of being acquired by the Tianqin group, I heard that Zhu Xicheng used despicable means! ”

“““So, han aobing hates her?”” ”

““No!”” Zhao Yu shook his head and said, ““the police detectives from back then have already made an objective analysis of this matter. First, Han Aobing was pulled onto the yacht by Zhu Xicheng at the last minute!””

““Second, Han Aobing doesn’t know anything about sailing technology, nor does she know anything about yachts.””

““Thirdly, she has too little strength. It would not be easy for her to push Zhu Xicheng, who weighs 190 pounds, off the yacht!””

““Oh ...”” Miao Ying pondered for a moment and did not express her opinion. ”

““Actually,”” Zhao Yu said, ““among all of them, Li Qin is the most suspicious! Including Zhu Yundi, she had always believed that the murderer was the introverted and seemingly harmless Li Qin!””

““But,”” Zhao Yu shook his head and said, ““I looked through the information in detail and found that before Li Qin was cuckolded, he had been living separately from his wife.””

““Moreover, there’s evidence that his wife had ambiguous relationships with other men, and Zhu Xicheng was just one of them. Therefore, Li Qin’s marriage only existed in name, and the possibility of him taking revenge on Zhu Xicheng was not particularly high!””

““There’s one more thing,”” Zhao Yu said. ““I don’t know if you realized, but four years ago, the people who were invited to the yacht by Zhu Xicheng were all Zhu Xicheng’s capable subordinates, and they were his most trusted people!””

““At that time, there were several shareholders and managers in the company, and their positions were not lower than these people. However, Zhu Xicheng did not invite them. From this, it can be seen that Zhu Xicheng still trusted Li Qin!””

“Du, du, du ...”

“Just as Zhao Yu was speaking, someone knocked on the door.”

“The Cruise’s general manager, Qi Jianhua, came in and asked, “““Detective Zhao, the suspects are all waiting outside. Can we start?”””

““Who do you plan to ask first?”””

Chapter 2184: Chapter 2180-bad habits

““Why do I feel like I’ve seen you before?”” In the room, Lei Dasheng, a shareholder of the Tianqin group, said, ““why can’t you remember?”””

“At that moment, there were only Zhao Yu and Lei Dasheng in the room. Because it was not a regular interrogation, the two of them simply sat opposite each other.”

“In order to record the interrogation process, Zhao Yu had already installed a camera in the room, but Lei Dasheng did not know that. ”

“”Is that so?”” Zhao Yu said deliberately,“”I also think he looks familiar, but I can’t remember!”” ”

“”Police officer, I went to a lot of places last night,”” Lei Dasheng said, feeling good about himself.“”I went to sleep as soon as I got back to my room. My assistant, Xiao Tian, can testify!”” ”

“”You guys can check the surveillance. He drank a lot yesterday and returned to his room around 12 o’ clock. He was in a bad mood because he didn’t find a beauty and lost money, so he went to bed early ...”” ”

“Listening to Lei Dasheng’s story, Zhao Yu pretended to record something in his notebook, but did not speak. ”

“”I really didn’t expect you to call me first,”” Lei Dasheng said.“”Don’t tell me ... This old man has become the first suspect? ”

“”According to the order, shouldn’t you ask Li Qin first?”” ”

“”Cut the crap,”” Zhao Yu said rudely.“”You don’t understand the rules of a police trial. We often put the most important suspect in the last trial, because we have the most evidence in our hands at that time!”” ”

“”Oh ... Oh ...”” Lei Dasheng came back to his senses and nodded honestly,“”I understand. You trust me, so you were the first to call me in, right?”” ”

“Right, my ass! ”

Zhao Yu cursed in his heart. I called you first because I don’t like you.

“”Right!”” However, Zhao Yu did not mean what he said. He said earnestly,“”I know that you are well-informed, so I called you in first. If you can play a key role in the case, you will definitely benefit!”” ”

“”You ... What are you saying? I don’t want any benefits,”” Lei Dasheng said quickly.“”My niece was harmed by someone. As long as I can catch this guy, I will be satisfied!”” ”

“”This murderer is too despicable. Eldest niece is a good person. I really didn’t expect that the murderer would be so inhumane!”” ”

“”Oh?”” Zhao Yu seemed to have caught on to something, so he asked,“”you mean to say that Zhu Xicheng is not a good person?”” ”

“”You ... You ...”” One sentence forced Lei Dasheng to use the honorific title,“”what are you saying? how ... How do you want me to say it?”” ”

“”Just say what you need to say,”” Zhao Yu said.“”It’s hard for me to trust you so much that you told me everything you know. What kind of people are Zhu Xicheng and Zhu Yundi?”” ”

“”Zhu Xicheng ... Hmm ...”” Lei Dasheng pondered for a moment, then asked,“”I think, aren’t we investigating Zhu Yundi’s murder now? Is it ... Related to Zhu Xicheng?”” ”

“Of course I do!” Zhao Yu said, “all these years, Zhu Yundi has not given up on the investigation of Zhu Xicheng’s disappearance. ”

“Do you know why I’m on this ship?” Zhao Yu started to run his mouth, “actually, Zhu Yundi made an appointment with me. She had already found some evidence of the missing yacht case, and wanted me to help her find the real murderer!” ”

“Oh ... Oh ... No wonder, no wonder!” Lei Dasheng widened his eyes and said, “I was wondering why the cruise ship was arranged so strangely this time! Why did you arrange for those jinxes to be with me again? it turns out ... It turns out that this was all arranged by my niece! ”

“Zhu Yundi, Zhu Yundi, I really didn’t expect...Actually...They would use such a trick. Evidence, since you have evidence, why don’t you go to the police station directly? ”

“And ...” Lei Dasheng continued, “you mean that Zhu Yundi already knows who the real murderer is among the six of us? ”

“Who is it? Is it Li Qin?” ”

“Boss, should I ask you or you ask me? You’re really a busybody!” Zhao Yu said, “let me tell you. Although Zhu Yundi already knew who the real murderer was, she didn’t have the time to tell me!” ”

“Ah?” Lei Dasheng was shocked, “so ... So ... That sun Jinjian was right?” The person who killed Zhu Yundi was the same person who killed Zhu Xicheng? ”

“My God, this guy is crazy. How did the Zhu family offend him? Do you have to be so ruthless?” ”

“It seems that, besides Li Qin,” Zhao Yu said, “you don’t suspect anyone else?” ”

“Well ... This ...” Lei Dasheng felt a little confused and immediately shook his head and said, “I really can’t think of anyone else besides him!” ”

“Alright, you should just follow my train of thought!” Zhao Yu said, “I advise you to tell me everything you know about the Zhu siblings, no matter which aspect it is!” ”

“Oh, Okay, okay ... I’ll tell you ...” Lei Dasheng said. “Chairman Zhu is all-powerful in the business world. There is no doubt about that, but in terms of conduct, he is indeed a bit ...” ”

“That one? Which one?” Zhao Yu asked. ”

“Well, it’s about his private life,” Lei Dasheng said. “In the past, when he had a wife, he could still restrain him, but after he got divorced, he started to make trouble! ”

“It’s fine if they’re playing around. They’re rich and willful, so we can’t do anything about it! ”

“But, boss Zhu didn’t look for models, flight attendants, or movie stars, but a married woman! It was really strange ... ”

“I heard that he wanted to enjoy the pleasure of stealing. When something happened, he threw money into it to settle the matter. ”

“Of course, most people would let it go for the sake of money. However, boss Zhu’s actions were to destroy other people’s marriage. It was inevitable that he would suffer the revenge of those husbands who had been cuckolded ... ”

“For example ... You know, Li Qin is a living example ... ”

Tsk tsk ...

“After hearing Lei Dasheng’s story, Zhao Yu couldn’t help but be amazed. It was really impossible to understand the world of the rich. ”

Who would have thought that the president of a Corporation would have such a hobby?

“However, there was no record of this hobby in the case records. It seemed that the police had not discovered this in the previous investigation. ”

“Then ... About Li Qin,” Zhao Yu asked, “do you know anything about him?”

“Well, I really don’t know much about this,” Lei Dasheng said. “Li Qin is a boring person, and I don’t like to deal with this kind of bookworm! ”

“I heard that their marriage was broken before chief Zhu stole his wife. ”

“Li Qin is definitely a weirdo,” Lei Dasheng said. “He clearly knows that he has been cuckolded, but he still goes to work as if nothing has happened.”

“What’s even more amazing is that he actually stayed in the company after the incident. He’s a God!”

“Mm ... ” Zhao Yu thought about it carefully, then asked, “then ... On the yacht four years ago, did you notice anything? Is Li Qin’s reaction normal?”

“It should be quite normal, right?” Lei Dasheng replied without thinking, “don’t look at how boring he is. He can drink quite a lot. That night, he might have been the one who drank the most! ”

“I still remember that chief Zhu specially called him to the deck and even put his arm around his shoulder and said something to him. It was as if the two of them had never been cheated on ... ”

Chapter 2185: Chapter 2180-fulfilled

It took more than an hour to ask Lei Dasheng alone.

“During this period, Lei Dasheng told Zhao Yu in detail about the missing yacht case from the beginning to the end. ”

“However, other than Zhu Xicheng’s special hobbies, everything else was exactly the same as what was recorded in the case record. ”

“After talking about the missing yacht case, Lei Dasheng briefly introduced what he knew about Zhu Yundi’s situation.”

“The Tianqin group was a family business, and Zhu Xicheng was the eldest son of the family. He had a younger brother and a younger sister, making them a total of three siblings. However, the Group’s business was usually managed by Zhu Xicheng and Zhu Yundi.”

“Zhu Xicheng’s younger brother, on the other hand, was a professional ski athlete who lived in Europe all year round. He rarely participated in company affairs and had little contact with them.”

“Zhu Yundi was a very capable female entrepreneur. When she was young, she had followed her father and elder brother to run the business. After Zhu Xicheng disappeared, she naturally took control of the entire company.”

“Under Zhu Yundi’s management, not only did the company’s performance not decline, but it also made the company grow and even expanded into the cruise ship industry.”

“However, there were always losses to every gain. Although Zhu Yundi managed the company well, her family life was not perfect.”

“Ten years ago, she had already divorced her lawyer husband. She had also left her child with her husband and was still single.”

“However, according to Lei Dasheng, there might be a problem with Zhu Yundi’s sexual orientation!”

“It was said that she had a few close female friends, and they were obviously beyond the range of normal friends.”

“In fact, the issue of Zhu Yundi’s sexual orientation was no longer a secret. It had long been reflected in the major gossip media.”

“However, this kind of gossip had no effect on the female entrepreneur.”

“After Lei Dasheng left, Zhao Yu had yet to decide who to talk to next, but Miao Ying had already returned to her room.”

“““I’ve contacted the criminal Department,”” Miao Ying said.”“The internal file of the yacht disappearance case from four years ago will be sent to our computers in five minutes!”

“““Also, the criminal Division has contacted the investigators who handled the case back then and asked them to cooperate with our investigation remotely. If there is anything unclear, you can contact them directly.”

“““At that time, because the body was not found, the case was handled by the local police. It was not reported to the provincial or Criminal Department.”” ”

“““Oh ...”” Zhao Yu understood that, as the body had not been found, the yacht murder case could not be established. It could only be called the yacht disappearance case.”

“““And,”” Miao Ying said,””I found a few traffic police officers on vacation on the boat!”” I’ve told them, and they’re willing to assist us in investigating the surveillance footage with the cruise ship. I’ve already made the arrangements! ”

“““With them around, we don’t have to worry about the cruise ship!”” ”

“““Alright!”” Zhao Yu nodded.””So, how’s the ocean search going? Did you find Zhu Yundi?”” ”

“““No, I didn’t!”” Miao Ying shook her head.””There’s no news yet, but the search team has expanded their search area! ”

“““However, last night, the wind was strong, the waves were strong, the sea currents were fast, and the temperature was low. The search staff said that the chances of Zhu Yundi surviving were zero! ”

“““Even the chances of finding the body are slim ...”” ”

“““Ai! ““The siblings actually suffered the same thing,”” Zhao Yu said emotionally.””Is this the fate of the Zhu family?”” ”

“““No matter what,”” Miao Ying said,””according to the procedure, we have to inform her family. So far, her only family member is her second brother, who is far away in Europe!”” ”

“““Also, the Tianqin group is a well-known company in the country, and Zhu Yundi is the current chairman. Her disappearance is no small matter! ”

“““The following work will definitely not be easy! ”

“““Here,”” Miao Ying said, pointing to her mobile phone.””I’ve already reported to the criminal Division, and they will give us some support.”” ”

“““But, Division Chief Jiao said that it’s better to find out the truth about Zhu Yundi’s murder as soon as possible! If we drag this on for too long, it’s inevitable that something will change!”” ”

“““En!”” Zhao Yu nodded and said,””but no matter what, in order to avoid panic on the cruise ship, we have to block the news for the time being.”” ”

“““Yes, don’t worry. The people I found are absolutely reliable. Qi Jianhua and bi Guosheng have also promised us that the news will not spread among the crew! ”

“““But,”” Miao Ying pointed outside,””those people from the Tianqin group can’t do anything about it! We didn’t ask them to cut off all contact with the outside world, so I’m sure they’ve already spread the news!”” ”

“““It doesn’t matter,”” Zhao Yu said confidently.””I, Zhao Yu, am not an undeserved detective. I will investigate the case clearly on the cruise ship’s return trip!”” ”

“““How is it?”” Miao Ying also pointed to the door and asked,””did the old man say anything? I just heard that he came with his assistant. His assistant can prove that he was in the room last night!”” ”

“““Yes,”” Zhao Yu nodded and said,””last night, I saw him. He was walking around on the cruise with his assistant!”” ”

""When we were asking him just now, his answers were very normal. He's indeed very unlikely to be a suspect!"" "

""Zhao Yu,"" Miao Ying said,""so ... Should we continue with the questioning?"" "

""Well, of course, the interrogation has to continue, but ..."" Zhao Yu said.""I'll have to trouble you to help me run another trip. I want to see the internal structure of the cruise ship. I want to see if there are any internal passages between their VIP rooms!"" "

""You can ask that foreigner, but don't believe him completely. It's more important to look at the blueprint!"" "

""Alright!"" Miao Ying nodded in agreement. "

""And,"" Zhao Yu continued,""doesn't Zhu Yundi also have a female secretary? Why don't I see him?"" "

""Oh,"" Miao Ying quickly replied.""Qi Jianhua said that after the incident, the female secretary was very anxious and insisted on setting off with the cruise rescue team to look for Zhu Yundi at sea!"" "

""Is that so?"" Zhao Yu didn't even frown.""Don't forget, he's also an important suspect! I think you should contact the rescue team and ask her to come back! "

""Even if she has nothing to do with the case, she knows a lot of inside information about Zhu Yundi, which may be helpful to the case!"" "

""Alright!"" Miao Ying nodded.""I'll do it now!"" "

""Mm ..."" Zhao Yu was a little embarrassed.""MeowMeow, thank you for your hard work!"" "

""Aren't you being too polite? What's so hard about it?"" Miao Ying smiled.""You're the team leader, and I'm the Deputy Team Leader. The Deputy Team Leader has to listen to the team leader!"" "

""You used to have team members, but now ..."" Zhao Yu asked with concern,""remember to take your medicine! You've just started to get better, so don't get any better!"" "

""Don't worry,"" Miao Ying said, smiling.""I'm not that delicate! Zhao Yu, do you remember what I said to you when we first got on the boat?"" "

""When you boarded the ship?"" ""What did you say?"" Zhao Yu asked. "

""I say, wherever you go, something will happen!"" Miss Miao shook her head and said,""see, now, it's finally coming true, right?"" "

Chapter 2186: Chapter 2182-conspiracy?

""I don't think that Li Qin was also unconscious,"" in the room, the female president of Leo Corporation, Han Aobing, recalled,""at that time, Li Qin walked over from the cabin under the yacht. He walked unsteadily, but ... That could also be an act?"" "

“Looking at the female president, who was nearly fifty years old but still had her charm, Zhao Yu was thinking quickly about how he could get more useful information from her. ”

This was because this woman was the only one out of the six suspects who had not been knocked unconscious by the sleeping pills.

“That night, she might have heard something. Of course, she could have committed the crime. ”

“““It’s a pity that we got lost,”” han aobing continued to recall.””After we were rescued, although the police tested our blood, they couldn’t find out who was not unconscious ... ”

“““Actually, I think that Li Qin is a smart person. If he had taken the sleeping pills after he committed the crime, the police wouldn’t have been able to make a judgment, right?”” ”

This woman ...

“Zhao Yu frowned slightly. From the start of the interrogation, she had been harping on Li Qin, but she rarely mentioned him. ”

“““Think about it ... It’s really too scary,”” han aobing said.””If ... The murderer had lost his mind and set the yacht on fire, or hit a reef to silence himself, then the few of us, wouldn’t we all be finished?”” ”

“““Okay, okay ...”” Zhao Yu was getting more and more out of hand, so he quickly interrupted her and asked,””tell me first, besides Li Qin, who else did you suspect?”” ”

“““Sir, a police officer asked me this question more than a hundred times back then,”” han aobing said.””I was pulled onto the ship by Zhu Xicheng at the last minute, so I don’t know those people at all! ”

“““Otherwise, I wouldn’t have returned to my room to rest so early ...”” ”

“““So ...”” Zhao Yu asked again,””that night, after you returned to your room, did you really not hear anything?”” ”

“““I’ve said this not a hundred times, but a thousand times,”” han aobing said.””I think that although I didn’t drink that day, it doesn’t mean that I wasn’t under the influence of sleeping pills! ”

“““I remember that I drank water and a few glasses of fruit juice ...”” Han aobing recalled,””maybe the water, fruit juice, and even the vegetables were also drugged? ”

“““Anyway, that day, I went back to my room and took a quick shower, then I fell asleep very quickly. You should know ...”” Han aobing made a helpless expression.””At that time, I was only thinking about the company, and Zhu Xicheng, that wily old fox, didn’t make a sound. I had no choice but to keep quiet about it! ”

“““How could I fall asleep so easily in that kind of situation? ““So ...”” Han aobing said,””I think I’m also under the influence of sleeping pills ... ”

“““Absolutely! It’s just that I didn’t suffer too much, so I woke up normally this morning!”” ”

“““Then ...”” Zhao Yu said,””let me ask you another question that has been asked to you a million times. What is your relationship with Zhu Xicheng?”” ”

“““I knew you would ask this ...”“ Han aobing shook his head and sighed,“““I don’t understand. Since I’ve already answered it a million times, why do you still ask?”“ ”

“““Because ...”“ Zhao Yu said pretentiously,“““I’m a super detective. I can tell if you’re lying!”“ ”

“““You ...”“ Han aobing laughed helplessly and said,“““alright, then open your eyes wide and see if I’m lying!” ”

“““As we all know, Zhu Xicheng likes married women,”“ han aobing said.“““He is indeed drooling over me. He used our business dealings to flirt with me ... ”

“““However, I’m different from those gold-diggers. I don’t lack money, nor do I lack lovers. I have my own family, and I’m very happy ... ”

“““But, Zhu Xicheng, that bastard, took advantage of his resources and suppressed my company again and again. I saw it clearly. He did it because I rejected him ... ”

“““That day, I went to talk to him about the acquisition. He deliberately pulled me onto the boat. His intentions were already very obvious!”“ Han aobing said,“““as long as I go to his room on the yacht that night, then ... I can keep my company and not be acquired by him ... ”

“““Police officer,”“ han aobing raised both her hands and waved them as she said,“““I can swear to God that I, han aobing, really hate Zhu Xicheng to the core. I can’t wait for him to get into an accident, I can’t wait for him to die early ...”“ ”

“““But, I would never do something like murder!” ”

“““You can look at my communication records. After I got on the ship that day, I called my husband a few times. I wanted him to rest assured that I would never give in to that person for the company!” ”

“““You can also ask the other suspects. They can testify that I really disappointed Zhu Xicheng that night. He didn’t even drink a sip of wine and went back to his room to rest early ...”“ ”

Hmm ...

Zhao Yu carefully observed han aobing’s reaction. It could be said that her confession was almost exactly the same as what was written on the file.

“She did have the motive to kill him, but she didn’t have the conditions to do so!”

“The missing yacht case was obviously a planned conspiracy, and han aobing had been pulled into the boat by Zhu Xicheng at the last minute, so the suspicion was not high.”

“Zhao Yu already understood that, when the police were investigating the case, they had also suspected that it might have been a gang crime.”

“There was not only one murderer, but several people who had a grudge against the deceased had joined forces to commit the crime, just like the “““Eastern Express murder”“?” ”

“Therefore, it could be seen from the file that the police had done a very detailed investigation of each suspect’s background. In the end, they found that they didn’t have close contact with each other, so they gave up on this investigation.”

“However, now that Zhu Yundi’s disappearance case had happened, Zhao Yu had no choice but to think about this again. ”

“”Well, that’s all about what happened four years ago. Next ...” Zhao Yu said.””Let’s talk about the present! What do you think of Zhu Yundi? Did you hear anything?”” ”

“”Zhu Yundi and her big brother are the same,”” han aobing said.””Although she doesn’t like married women, in terms of business tactics, she is even better than her big brother! ”

“”She’s good at setting up traps,”” han aobing said coldly,””she’s good at making her competitors and business partners fall into the trap without them knowing! ”

“”At this time, she would intervene and seek benefits, or she would use these things to threaten them!  
”

“”Although I’m also a part of Tianqin now, this is my opinion of her. I don’t lie!”” ”

“”Oh?”” This was the first time Zhao Yu had heard about this. He quickly jotted it down in his notebook, then asked,””so, among these new suspects, who do you think is the most suspicious?”” ”

“”No,”” han aobing said without hesitation,””before I came in, I thought about it seriously. According to my understanding, I don’t think anyone would want Zhu Yundi’s life! ”

“”These people are the company’s higher-ups, and they stand on the same line of interest as Zhu Yundi. If something happens to Zhu Yundi, no one will benefit!”” ”

“”Mm ...”” Zhao Yu thought carefully, then said,””then ... Let’s ask one last question!”” Where were you last night?”” ”

## Chapter 2187: The suspicious female secretary

“When han aobing left the room, Miao Ying had just finished her work and came to Zhao Yu again. ”

“”How is it?”” Miao Ying pointed to the door and asked,””how is this woman doing?”” ”

“”Very steady, just like Lei Dasheng,”” Zhao Yu said.””His answer was watertight! It’s almost exactly the same as the file!”” ”

“”Oh, really? ””It’s been four years ...”” Miao Ying said.””If they didn’t miss a single word, then either they didn’t lie, or they deliberately hid it!”” ”

“”That’s as good as not saying anything,”” Zhao Yu said.””I think we need to investigate han aobing’s husband. Han aobing and her husband are now living in Shanghai. Can you help me find a suitable person to investigate?”” ”

“”It can’t be?”” Miao Ying was surprised,””han aobing’s husband?”” ”

“““Yes, it’s written in the information that he’s a lawyer!”” Zhao Yu said,““just in case, let’s check it out! Han aobing said that Zhu Xicheng had been chasing her all this time, and for this reason, he did not hesitate to use commercial means to force han aobing to give in. ”

“““There’s nothing her husband can do even if he’s a lawyer. He’ll definitely hate Zhu Xicheng.”” ”

“““But ...”” Miao Ying said,““when they were on the yacht, han aobing was dragged onto the yacht by Zhu Xicheng. Even if her husband found out, he couldn’t catch up with the yacht and commit the crime, right? ”

“““Even if he really used a speedboat or something to find Zhu Xicheng’s boat, how could he have used sleeping pills to knock out the people on the boat?”” ”

“““Yes,”” Zhao Yu said.““That’s true, but anything is possible. What if the couple conspired to help us?”” ”

“““Han aobing just told me that even if it’s Fang Qi company, they would never let Zhu Xicheng succeed! If you’re speaking with such conviction, then why did you still board Zhu Xicheng’s ship?”” ”

“““You suspect that ...”” Miao Ying said,““han aobing was well prepared, deliberately got on the boat, and then knocked out everyone, and then called her husband to kill Zhu Xicheng together?”” ”

“““I’m not too sure, but ... What if han aobing lied?”” Zhao Yu said,““I heard from Lei Dasheng that Zhu Xicheng used to force himself on the people he liked with his money and power. He used drugs to attack the people he liked, and none of them failed! ”

“““I suspect that han aobing lied. In fact, she was already drugged by Zhu Xicheng, and Zhu Xicheng got his way! Zhu Xicheng either took a photo or had something on han aobing, so han aobing didn’t hesitate to kill him!”” ”

“““Furthermore, it was also using sleeping pills, an eye for an eye!?”” Miao Ying thought about it and felt that Zhao Yu’s guess made some sense. ”

“If one could force a person to kill, there must be a good reason. ”

“““Alright, I’ll go investigate! ”” But ...”” Miao Ying asked,““if your speculation is true, what about Zhu Yundi? Is there a conflict between han aobing and Zhu Yundi?”” ”

“““Han aobing said that she was sick of the cruise ship. Last night, she stayed in her room and never went out!”” Zhao Yu replied. ”

“““Oh ...”” Miao Ying nodded.““Then, if we check the surveillance cameras, we should be able to prove it.”” ”

“““And,”” Zhao Yu said,““don’t talk about being grateful, most people have a good impression of Zhu Yundi. They say that she has created benefits for the group, and that she has done better than her brother! ”

“““He treats the elders of the company quite well. ”

““““However, only Han Aobing had an opinion of her and thought that her business merger methods were too despicable. Al!”” Zhao Yu pinched his forehead.””It seems like I still have a lot of things to do. I have to check on the Tianqin group and the operations of Leo Corporation ...”” He said. ”

““““It’s okay, leave it to me, great detective!”” Miao Ying said,””we can also contact Zeng Ke and ask him to provide us with long-distance help!”” ”

““““Mm ...”” Zhao Yu asked.””So ... Did you get the drawing of the cruise?”” ”

““““No,”” Miao Ying said.””Bi Shengguo went to the captain’s room to get it. He will be here soon!”” He said that although the VIP area of the cruise ship is luxuriously designed, whether it’s the ventilation system or the other pipeline facilities, they would never allow an adult to enter!”” ”

““““Oh ... You can’t get in from the outside, and you can’t get in either,”” Zhao Yu said.””So ... You can only enter through the main door?” ”

““““This matter is really strange!”” Zhao Yu said,””think about it. Zhu Yundi returned to her room in the middle of the night. At this time, if one of the six suspects knocked on her door, would she open it for them?” ”

““““Don’t forget, he’s here for these six people. How can he not be on guard?” ”

““““Who is it? Who would knock on the door in the middle of the night and Zhu Yundi would open the door for him without any precautions?”” ”

““““There are too many possibilities,”” Miao Ying said, shaking her head.””There are no surveillance cameras in the corridor, so we can’t see the situation at the door of Zhu Yundi’s room. ”

““““I noticed that there was an electric box at the door of her room. The electric box was concave, so someone could hide there!” ”

““““Could it be that the murderer was hiding there before, and when Zhu Yundi opened the door, he rushed in?” ”

““““I just went to take a look again,”” Miao Ying said helplessly.””The area was carpeted, and there were no footprints left ...”” ”

““““You’re right,”” Zhao Yu said, frowning.””There are too many possibilities. It’s also possible that the murderer had been hiding in her room for a long time!”” ”

““““I’ve asked the yacht’s staff,”” Miao Ying said.””The VIP room’s door is locked, and you need a room card to enter. ”

““““The hotel staff does have a master key, but to open the room, we need the guest’s permission and a record!” ”

““““This kind of lock is very difficult to pry open. There is only one room card, and it is in Zhu Yundi’s hands. If the murderer wants to get in, I’m afraid he’ll have to bribe the waiter ...”” ”

“As she spoke, Miao Ying recorded this detail on her phone, planning to ask the staff with the universal Card later. ”

“““I ... Um ...”” Zhao Yu pondered for a moment, then said,“““MeowMeow, send me the photos you took in Zhu Yundi’s room. I want to take a closer look!”” ”

“““It’s really not easy to investigate two cases at the same time!”” ”

“““Yes!”” Miao Ying shared the photo with Zhao Yu, while saying,“““the most difficult thing is that we don’t know if the case of Zhu Xicheng’s disappearance four years ago is related to the case of Zhu Yundi’s disappearance now! ”

“““If we can confirm it, we can narrow down our search area!”” ”

“““It’s easy to say, but how can it be that easy?”” Zhao Yu sighed and asked,“““where is Zhu Yundi’s female secretary now? Why hasn’t he returned? ”

“““This female secretary is of great importance!”” ”

“““I’ve already informed the rescue team,”” Miao Ying said.“““They took a helicopter to search and rescue, and are currently on their way back. In another half an hour, they should be back!”” ”

“““But, um ...”” Miao Ying thought for a moment, then said,“““I forgot to tell you that Qi Jianhua was also very suspicious of the female secretary, so he checked her surveillance video first! ”

“““But, the female secretary didn’t live in the VIP area, but on the floor below the VIP area. According to the surveillance cameras, the female secretary didn’t go to the VIP area last night! ”

“““She only went to the VIP area in the morning ...”” ”

“““Is that so?”” He didn’t know why, but even though the result was so obvious, Zhao Yu still felt that there might be something wrong with the female secretary! ”

Chapter 2188: Chapter 2184-perfect exoneration

“There was no white board on the cruise, so Zhao Yu had to start drawing the case analysis in his notebook. ”

“There were two notebooks. One recorded the missing yacht case from four years ago, and the other recorded the cruise ship falling into the sea case. ”

“After all, Zhu Xicheng was the president of a well-known company in the country. His disappearance had caused a big sensation back then. ”

“At that time, Zhao Yu had yet to transmigrate to this world, but he still had some vague memories of it. ”

“The case didn’t seem complicated, but if you looked at the records in the file, you would find that the murderer was very clever and impeccable! ”

“Previously, when Zhao Yu was playing chess and chatting with Captain Jin, Captain Jin had mentioned that there were a few scenarios in which he thought he could get away with his crime perfectly: ”

“The first was to find someone to take the blame. After the crime was committed, he would frame someone with a motive so that the person could not refute and go to jail for him.”

“Second, forge an alibi. As long as you can prove that you were not at the scene of the crime, you can get rid of suspicion.”

“Thirdly, it was precisely because of the situation in the missing yacht case that he was confused among the many suspects, so that the police could not distinguish them!”

“In fact, the missing yacht case was even more brilliant. As the yacht was in the vast sea, all the suspects were unconscious because they had been drugged.”

“So, this case was filled with infinite possibilities. It was also possible that Zhu Xicheng had accidentally fallen into the sea, or it could have been a suicide, or it could have been someone from the outside who had killed or kidnapped Zhu Xicheng ...”

“Of course, although these possibilities were valid, they had been ruled out by the police who had investigated before.”

“First of all, Zhu Xicheng could not swim. He was a cautious person, and the possibility of him accidentally falling into the sea was very small.”

“Besides, the suspect had been drugged with sleeping pills, the yacht’s surveillance hard drive had been removed, and the route had been changed. There was an obvious plan!”

“Secondly, Zhu Xicheng’s business was booming, and he was at the peak of his career. How could he commit suicide?”

“In the end, the possibility of an outsider entering the yacht was also ruled out.”

“This was because, during the police’s investigation, they found traces of sleeping pills in two bottles of red wine and a bottle of drink, as well as in everyone’s glasses.”

“After examining the wine bottle, they found no traces of injection, which meant that the murderer had put the sleeping pills in the bottle while everyone was having a banquet!”

“Therefore, from this point of view, the possibility of an outsider committing the crime was almost zero. The real murderer was one of the six suspects!”

“However, other than Han Aobing, everyone else claimed that they had been drugged by sleeping pills.”

“Moreover, as the yacht had already drifted far away, when the police tried to extract the blood of each suspect for testing after the rescue, they could no longer detect anything!”

“Han Aobing was right. Even if it could be detected, it probably couldn’t prove anything. After the murderer killed Zhu Xicheng, removed the hard disk and changed the flight route, he could have taken sleeping pills and fainted with everyone else!”

“So ... Among these six people, who was it?”

“Back then, the police had already investigated all six of them, including their ancestors. However, even the most suspicious person, Li Qin, was unable to sue them due to insufficient evidence.”

“It could be seen that the level of crime in this case was unprecedented. Even if it had just happened, Zhao Yu might not have been able to find a way to solve it, let alone four years later. ”

“Other than the sleeping pills, there was no other evidence. ”

“The sleeping pill was a strong sleeping pill used for professional sedative treatment. Although it couldn’t be bought in the market, it could still be obtained through certain channels. ”

“The police launched an investigation, but in the end, they didn’t find anything. ”

“Other than the sleeping pills, the only other room was Zhu Xicheng ‘s. ”

“At that time, the police found that Zhu Xicheng’s room on the yacht was rather messy. It seemed like there had been a fight that wasn’t too intense. The table was overturned, some items were scattered on the ground, and the window was open. ”

“Therefore, the police concluded that, because the murderer had committed the crime in a hurry, when he pushed Zhu Xicheng into the sea through the window, Zhu Xicheng might have woken up, and the two parties had pushed each other. ”

“However, in the end, Zhu Xicheng was still completely unconscious, so the murderer had his way. ”

“The police checked the scene in detail and found hair, fingerprints, and skin tissue of four of the six suspects. The only dead people were Han Aobing and Li Qin. ”

“However, these four people claimed that they had been to Zhu Xicheng’s room before, so it was completely normal for them to leave these things behind! ”

“In this regard, the police had no way to further prove it, which eventually led to the fact that the murderer of this unsolved case had not been confirmed. ”

Clang clang clang ...

“At that moment, there was a knock on the door, and Miao Ying entered the room with a young girl with messy hair and trembling. ”

“This young lady was Pan Suxi, the female secretary who had come with Zhu Yundi. ”

“She had just taken a rescue helicopter back to the cruise ship. Although someone had put a coat on her, she was still shivering from the cold. ”

The girl’s eyes were red. She had obviously been crying.

“”Calm down first,”” Miao Ying comforted him.””This police officer wants to ask you some questions about Chairman Zhu. If you answer them properly, you might be able to help us find Chairman Zhu!”” ”

“”He fell into the sea ... Sob ...”” After Miao Ying said that, Pan Suqian cried again.””The chairman fell into the sea, how could he be of any help?”” ”

“”At least ...”” Miao Ying said.””We have to find the person who harmed her!”” ”

“”Oh ...”” The little girl was very obedient. She adjusted her glasses and said,””you can ask. I’ll tell you everything I know ...”” ”

“““The people in the cruise ship’s VIP area,”” Zhao Yu asked directly,”” who has a conflict with Zhu Yundi?”” ”

“““Conflict?”” Pan Suxi shook her head and said,””No... No?”” The chairman was very good to them. Although some of them were suspected of killing the former chairman, sister Zhu did not deliberately target them!”” ”

“““Let me ask you,”” Zhao Yu asked again,”” did Zhu Yundi mention to you the real purpose of her bringing the company’s top management to the cruise ship?”” ”

“““Yes, he did ...”” Pan Suxi nodded and said,”” all these years, the chairman has been brooding over his brother’s disappearance and wants to find out the truth.”” ”

“““So, she wants to use this cruise party to make the six people give themselves away ... ”

“““She wanted me to pretend to be careless and reveal an important piece of information to these six people. She said that the chairman had found clues to the yacht case ... ”

“““After that, she wanted to determine who that person was from their reactions! ”

“““But,”” pan Suxi said with tears in her eyes,”” we’ve just set sail, and our plan hasn’t even started! The chairman, why did she ... Wuwuwu ...”” ”

“The plan had not started yet. Zhao Yu nodded silently. From this, it could be seen that there were other possibilities for Zhu Yundi being pushed into the sea. ”

“““Let me ask you,”” Zhao Yu said again,”” Zhu Yundi’s room has been turned upside down. The murderer should be looking for something. What do you think it would be?”” ”

Chapter 2189: Chapter 2184-luring the snake out of its hole

“““I ... I don’t know.”” Pan Suxi was confused.””What could be in the Chairman’s Room?”” ”

“““Are you sure ...”” Miao Ying asked seriously.””You haven’t implemented the plan to spread fake news? Could it be that the murderer got wind of it and thought that Zhu Yundi had some evidence, so he took the risk to kill her?”” ”

“““No, I really didn’t!”” Pan Suxi said,””when we left, the chairman was still hesitating about this matter! She was worried that not only would the murderer not be fooled, but he would also be alerted!

”

“““We ... Um ...”” Pan Suxi said bluntly,””our original plan was to secretly install cameras and bugs in everyone’s rooms, so that we could monitor their true reactions after hearing the news and determine who the real murderer was!”” ”

“““Those ... Those surveillance cameras and bugs that I’ve prepared are still in my bag! If you don’t believe me, you can go and take a look!”” ”

“Bao’ er?” “Where’s the bag?” Miao Ying asked. ”

“It’s ... It’s in my room!” Pan Suxi pointed at the door. ”

“Then ...” Miao Ying glanced at Zhao Yu. Should she go over and take a look? ”

“Let me ask you,” Zhao Yu asked another question, “Zhu Yundi wanted to lure the snake out of its hole. Who else knows about this plan?” ”

“And ...” Pan Suxi thought for a moment and said, “that’s all?” It seems like it’s just the two of us! If there were any more, only the chairman would know! ”

“You don’t know, but even last night, the chairman was still hesitating! After all, installing a camera is an invasion of privacy, and you have to take responsibility!” ”

“Oh ... So,” Zhao Yu asked, “she wants you to install it?” You know how to install it?” ”

“Yes ...” Pan Suxi nodded weakly. ”

“Then let me ask you,” Zhao Yu asked again, “how did you open those people’s rooms?” ”

“Well ... The chairman made preparations in advance. She has a Universal Card that can open everyone’s room,” pan Suxi said. “The original plan was for her to lead all the staff to the hall for a celebration party, while I went to install cameras for the six people!” ”

“...” Zhao Yu looked at Miao Ying and began to wonder if the Cruise’s general manager, Qi Jianhua, knew about this as well. ”

Qi Jianhua was the only one who could get the universal Card to open all the doors in the VIP area.

“Of course, Zhu Yundi was the Chairman of the Board. It was not difficult for her to get a Universal Card. ”

“That Universal Card ...” Miao Ying asked, “is it with you?” ”

“No,” pan Suxi shook her head, “it should still be with the chairman. He hasn’t given it to me yet!” ”

“Hearing this, Zhao Yu and Miao Ying exchanged a look. Miao Ying first looked at her watch, then whispered, “The search team will arrive in an hour. Let’s wait a little longer!” ”

“Miao Ying’s meaning could not be any more obvious. If they wanted to thoroughly search Zhu Yundi’s room and confirm the universal Card, they would have to wait for a professional search team to prevent any damage to the scene. ”

“Pan Suxi,” Zhao Yu stared at the girl with glasses and asked, “what were you doing last night?” ”

“I ... I was in my room, I didn’t go anywhere!” Pan Suxi answered without hesitation, “because this morning, the chairman is going to hold a video conference with the United States to discuss the joint venture to develop a new generation of yachts. I have to prepare a lot of information ...” ”

“Then ...” Zhao Yu asked again, “you didn’t see Zhu Yundi last night?” ”

“““After dinner, the chairman told me a few things,”” pan Suxi said.”“Then we went our separate ways. We didn’t meet, but ...”” She thought for a moment and added,”“although we didn’t meet, we’ve been in contact on WeChat!”” ”

“““I ... Um ... I asked her a few questions about the meeting, and she gave me an answer ... ”

“““I also asked her about our plan. She told me to wait a little longer ...”” Pan Suxi took out her cell phone and said,”“if you don’t believe me, you can take a look at it. There are records on it!”” ”

“““Oh ...”” ”

“At Zhao Yu’s gesture, Miao Ying took the phone. If pan Suxi wasn’t lying, then she had already been eliminated from the suspect list. ”

“““Then ...”” Zhao Yu thought for a moment, then said,”“next, tell me what happened this morning ...”” ”

“Just like that, Zhao Yu continued to ask pan Suxi a lot of questions, before finally ending the conversation. ”

“After pan Suxi left, Miao Ying pointed at the laptop on the table and nodded,”“““I’ve already copied the information on pan Suxi’s phone. I’ll take my time to read it later! ”

“““I just briefly looked through it,”” Miao Ying said.”“It’s exactly as she said, but ... The tone they used was a little ambiguous ...”” ”

“““Mm ...”” Zhao Yu nodded and said,”“I could tell that long ago. It seems that the rumors are true!”” ”

“““Oh?”” Miao Ying was surprised.”“What did you see?”” ”

“““The president of such a big listed company only brought a female secretary with him to the cruise party. She’s so young too. She’s definitely not a simple person!”” Zhao Yu shook his head and said,”“but, her relationship with Zhu Yundi does not affect the investigation of this case ...”” ”

“““Zhao Yu,”” Miao Ying thought for a moment, then asked,”“do you think we should talk to Qi Jianhua and the Italian again? Zhu Yundi wanted to lure the snake out of its hole. After all, it’s against the law. She should have first gotten the consent of these two people, right?”” ”

“““Enough!”” Zhao Yu said,”“if the two of them agree, then Zhu Yundi doesn’t need to prepare a Universal Card. ”

“““I think that although Zhu Yundi is the boss, the installation of cameras will affect the reputation of the cruise ship. As the manager and Captain of the cruise ship, they would never agree to it. ”

“““That Universal Card must have been obtained by Zhu Yundi through other channels ...”” ”

“““Achoo ...”” Miss Miao suddenly sneezed. “““See ...”” Zhao Yu quickly asked with concern,”“what did I say? Did you drink the indigowoad root?”” ”

“““I drank it.”” Miss Miao took out a paper towel to wipe it and said,”“it’s just a cold, it’s not a big deal!”” I just feel that this case is getting weirder and weirder!”” ”

“““Is that so?”” “““Why do you say that?”” Zhao Yu asked. ”

“““I always feel,”” Miao Ying said solemnly,””that for such a difficult case, we’d better remember one first!”” Zhao Yu, a yacht is a yacht, and a cruise is a cruise. If you jump around like this, it’ll be easy to get confused! ”

“““I still think that we should put aside the case from four years ago and focus on figuring out the truth behind Zhu Yundi’s fall into the sea! ”

“““After all, this case happened right in front of our eyes, and there are many clues waiting for us to discover. Moreover, the murderer is among the suspects, so we have to distinguish between the primary and secondary!”” ”

“““Mm ...”” Zhao Yu pondered for a moment, then said,””what you said does make sense, but I feel the exact opposite of what you feel. Between the two cases, I feel that the case from four years ago seems to be easier to solve!”” ”

“““Zhu Yundi’s disappearance is the real headache!”” ”

“““No way? Are you kidding me?”” Miao Ying was shocked.””You haven’t even finished interrogating the suspect! Don’t tell me you already know who the murderer is?”” ”

#### Chapter 2190: Sleeping pills

“““Of course I’m joking,”” Zhao Yu said.””We don’t know anything yet! Even if I’m a famous detective who can shake the universe, you still need to give me some time!”” ”

“““ ...”” Miss Miao looked at him with disdain. ”

“““I still think that the two cases are not contradictory,”” Zhao Yu said.””Regardless of whether they are related or not, we should still know more about the details! ”

“““It’s a pity ...”” Zhao Yu pointed to his notebook, which was full of information, and said,””there’s no white board here, so it’s too tiring to write on paper!”” ”

“““Zhao Yu ...”” Miss Miao said solemnly,””I think I still have to remind you. Don’t forget why we came to the cruise ship! ”

“““Although the case is important, we can’t ignore our mission!”” ”

“““I know, I know ...”” Zhao Yu said.””Don’t worry! I know my limits! How about this, help me call the next person in, and I’ll continue with the questioning!”” ”

“““I think ...”” Miao Ying pointed to the door and said,””should I go and investigate pan Suxi? Let’s see if she’s telling the truth? The surveillance cameras that we’ve prepared ...”” ”

“““No need,”” Zhao Yu said, waving his hand.””The trial has just begun, and there are only two of us. Let’s go through the procedures first!”” ”

“““That pan Suxi shouldn’t be lying ...”” ”

“““Okay,”” Miao Ying said, pointing to the door again.”“Then, which one should I call next?”” ”

“““As you wish!”” Zhao Yu said indifferently,”“just call any suspect in!”” ”

“““You ... Okay ...”” Miao Ying understood Zhao Yu’s character, so she nodded and said,”“then I’ll just call someone in!”” ”

“With that, miss Miao walked out of the room. ”

“Zhao Yu massaged his temples, then closed his eyes to rest. ”

Zhao Yu had to admit that Zhu Yundi’s sudden fall into the sea caught him off guard.

“Last night, he had already promised Zhu Yundi that he would work with her to investigate the truth of the missing yacht case from four years ago. ”

“To be honest, he really wasn’t doing it for the 100 million reward. He was just itching for a fight. ”

“In his opinion, the missing yacht case was a very challenging case, and he especially wanted to give it a try. ”

“Therefore, he didn’t sleep much last night. He had been studying the case and thinking about how to investigate the six suspects. ”

“However, he had never expected that he would receive such bad news this morning! ”

Zhu Yundi had actually fallen into the sea in the middle of the night!

“Obviously, Zhu Yundi could not have committed suicide or fallen into the sea by accident. Someone must have pushed her off the cruise! ”

Then ... Who could this person be?

Is it related to the yacht disappearance case from four years ago?

Why did Zhu Yundi suffer the same fate as her big brother?

“Also, last night, Zhu Yundi had just recognized him from the casino and discussed the investigation with him. How could she have suddenly been murdered? ”

Could it be that ... Her falling into the sea was also related to him?

Right!

“Zhao Yu felt that he had to check the surveillance video from the casino last night, to see who had been watching him after he had caused a scene at the casino. ”

“Du, du, du ... ”

“There was a knock on the door, and a fat man in sports attire entered the room. ”

“Zhao Yu looked up and immediately recognized that the man was Zhang Menghai, one of the six suspects. ”

“Zhang Menghai was the logistics Manager of the Tianqin group. Because he was a chef, he was in charge of Cooking for Everyone on the yacht four years ago. ”

“According to the file, the police had conducted an in-depth investigation on him that year, but they did not find any conflicts between him and Zhu Xicheng. On the contrary, it was Zhu Xicheng who had promoted him to the position of Logistics Manager from a chef. ”

“Therefore, he was the one with the least motive to kill out of the six people. ”

“At that moment, Zhang Menghai was an expert at sucking up. When he greeted Zhao Yu, he did not forget to compliment, ””””I’ve long heard of you, detective Zhao, but I didn’t expect you to be so young and handsome!”” ”

”””Mm ...”” Zhao Yu nodded and said, ”””it’s not enough to just be young and handsome. You have to add in the words ‘elegant, handsome, and reserved’!”” ”

””” ...”” Zhang Menghai was speechless and blushed. He had never seen such a shameless person. ”

”””Alright, let’s get down to business!”” Zhao Yu said seriously, ”””I want to ask you two things. The first is four years ago, and the second is now, and you also know!”” ”

”””Yes, yes, I understand, I understand!”” Zhang Menghai was very observant. He did not waste any time and immediately recounted the yacht disappearance case from his perspective. ”

“Just like the previous two, his confession was exactly the same as what was recorded in the file. He even told them exactly what he had cooked on the ship that day! ”

”””It can’t be?”” Zhao Yu was surprised. ”””You have a good memory, you can even remember the dishes?”” ”

”””Of course!”” Zhang Menghai said proudly, ”””as a qualified chef, you need to have a good memory. Otherwise, if you add one less or wrong ingredient, the dish will be useless!”” ”

”””Oh ...”” Zhao Yu looked at the photos on the file and murmured, ”””king crab, sea cucumber, caviar ... The dishes you had that night must have cost a lot, right?”” ”

”””Yes, ”” Zhang Menghai nodded and said, ”””they’re all the freshest ingredients. Of course, they also need top chefs to bring out their best. This is why director Zhu brings me along every time he goes out to sea!”” ”

”””The wine ... Should be pretty good too, right?”” Zhao Yu asked again. ”

”””Of course, ”” Zhang Menghai said. ”””Petrus in 2011 was twice the size of Lafite in 1982! Furthermore, there are two bottles!”” ”

”””You should know, ”” Zhao Yu raised his eyes, ”””that the sleeping pills are put in the wine, right?”” ”

”””Yes, I heard about it!”” Zhang Menghai nodded. ”

”””Then, among the six of you, ”” Zhao Yu asked, ”””who do you think had the best chance of drugging the wine?”” ”

""Interesting. I don't understand why you all think that I know who drugged the wine."" Zhang Menghai said innocently,""at that time, chief Zhu personally opened a bottle and then asked me to open a second bottle! "

""After that, we poured the wine into the wine divider to sober up. Then, I went to the kitchen to prepare the dishes! "

""Later on, because our banquets lasted for a long time, I would often go to the kitchen to replenish the food. Therefore, I was the most unlikely one to know who would have done something to the wine!"" "

""Oh ..."" Zhao Yu nodded slightly,""I see ..."" "

""Police officer,"" Zhang Menghai added,""four years ago, I told the police that I thought that the sleeping pills were definitely not added from the beginning!"" "

""Oh? Is that so?"" Zhao Yu was curious. "

""Because,"" Zhang Menghai recalled,""the wine is so expensive. We all tasted it mouthful by mouthful. Han aobing didn't drink it. "

""We drank for a very long time that night, starting from Seveno' clock and all the way until about Teno' clock before we gradually lost our memories! "

""If sleeping pills were thrown in from the beginning, we would probably have fainted before 10 O' clock, right?"" "

""Oh ..."" Zhao Yu nodded and said,""that is to say, the murderer secretly put it in when you were drinking and eating?"" "
