Chapter 2191: Who poured the wine?

“““Yes, that’s definitely the case!”” Zhang Menghai said with certainty,““he put sleeping pills in when no one was paying attention! ”

“““It’s a pity that the surveillance cameras were tampered with. Otherwise, we would be able to see who the person who drugged the car was!”” ”

“““Oh ...”” Zhao Yu pondered for a moment, then asked,““I remember that there was a lot of wine left, right? There’s still some left in the bottles, the wine divider, and your glasses, right? ”

“““You guys drank for such a long time. Did you only drink so little?”” ”

“““Of course!”” Zhang Menghai said in embarrassment,““that wine is thirty thousand pounds a bottle. Even if the chairman told us to drink as much as we want, would we dare to? ”

“““And to be honest, that wine is not as good as the dry red wine that costs a few hundred Yuan. It’s a little bitter, and we’re not used to it ...”” ”

“““The red wine is on the table, and there are so many people in the dining room ...”” Zhao Yu said doubtfully.““Did the murderer really have a chance to put the medicine in?”” ”

“““Yes!”” Zhang Menghai nodded and said,““I’ve thought about that too! Weren’t sleeping pills just pills? After putting it into the wine bottle, should I stir it? ”

“““I can still remember that the two bottles of wine were always on the table’s fixed frame. Other than me, there are six more people, which means the bottle is in front of them. This is really difficult! ”

“““By the way, this was what I thought before ...”” Zhang Menghai said excitedly.““Could the person who put the drug in secretly put the drug in while pouring the wine?”” ”

“Hearing this, Zhao Yu couldn’t help but snap his fingers, because he had thought of the same thing. He asked,““Then ... Do you still remember who raised the bottle to pour wine?”” ”

“““Yes, there’s so much!”” Zhang Menghai said,““only two people touched the wine bottle. One of them was director Zhu himself, and the other was director Zhu’s Secretary, Yi Qin!”” ”

“““Yi Qin?”” Zhao Yu asked, frowning. ”

Yi Qin was Zhu Xicheng’s Secretary and had an ambiguous relationship with him.

“The police had also investigated Yi Qin back then, but they had not found any conflict between her and Zhu Xicheng. ”

“Moreover, under those circumstances, Zhu Xicheng had been Yi Qin’s protective umbrella. Zhu Xicheng had already promised to hand over a branch company to her in the future. ”

“In addition, Yi Qin, like han aobing, had limited physical strength, and it was difficult for her to lift the heavy body of Zhu Xicheng. ”

““““But ...”” At this time, Zhang Menghai began to hesitate again.”“““I can’t guarantee anything because I have to go to the kitchen to prepare the dishes. I don’t know if anyone else poured wine from the bottle or something else happened ...”” ”

“As Zhang Menghai spoke, Zhao Yu opened the file, which contained the investigation record of the sleeping pills. ”

“According to the police investigation that year, the police found a total of six people’s fingerprints on the two wine bottles. Among the six fingerprints, the only one that did not belong to the suspect, Li Qin!
”

“However, not only did this not eliminate Li Qin’s suspicion, but it also made the police even more suspicious. They thought that Li Qin deliberately didn’t bang the two bottles. ”

“After all, putting sleeping pills in a bottle didn’t mean that he had to touch the bottle. ”

“Of course, by the same logic, even if other people’s fingerprints were found, it did not mean that these people were all suspicious. ”

“So, the investigation on sleeping pills eventually fell into a deadlock and could no longer be continued.
”

““““Since you have such a good memory,”” Zhao Yu asked again,”” can you remember anything else that was wrong that night?”” ”

““““Is there something wrong?”” Zhang Menghai recalled for a moment and said,””the biggest problem must be that han aobing, right? ”

““““We’re having an internal party, and she’s an outsider! He’ll definitely be a little restrained when he speaks. Some things involve trade secrets, so he doesn’t dare to speak carelessly!”” Zhang Menghai pouted and said,””also, even though the woman didn’t drink peetrus, she had a few bites of caviar!”” ”

““““...”” Zhao Yu rolled his eyes. He didn’t expect the chef to be so stingy. ”

““““You don’t know,”” Zhang Menghai explained quickly, probably because he saw Zhao Yu rolling his eyes,””that’s the best caviar for the big white sturgeon. It’s not an exaggeration to say that it costs ten thousand Yuan for a spoonful! ”

““““We only eat the freshest stuff, so I only prepared this much for the finale! But this woman who suddenly boarded the ship messed up my plans, and I almost didn’t have enough to share ...”” ”

“What the f * ck, 10000 Yuan for a spoonful? What did that mean? ”

“Zhao Yu was speechless, feeling that the fat Chef was exaggerating. ”

““““However, I was also a little confused,”” Zhang Menghai recalled.”““I vaguely remember that we ate all the caviar at that time, but when I woke up from my coma, there was still a little bit of caviar left on the table ... ”

““““It’s more expensive than gold. I’m quite interested in this thing, but I can’t remember. Maybe I remembered wrong, or maybe someone didn’t finish it?”” ”

“““Oh ...”” Hearing this, Zhao Yu flipped through the file records and quickly found a photo of the scene.
”

“The photo clearly showed that there was a small amount of caviar left on the plate on the table. However, the caviar was black in color. It was unclear if it was due to the photo or because it was no longer fresh. ”

“Under the photo, the test report of all the ingredients was attached. According to the police’s test, sleeping pills were only found in the two red wine bottles, the wine divider, and the wine glasses. ”

He didn’t detect anything from the other ingredients and utensils.

“Therefore, the police concluded that the problem must be with the red wine. They believed that as long as they could find the person who put the sleeping pills in the wine, they would be able to find the truth of the yacht disappearance case. ”

“However, even the police had not been able to find it back then. For Zhao Yu now, it was undoubtedly even more difficult than ascending to heaven. It was almost impossible. ”

“After that, Zhao Yu asked Zhang Menghai for some more details, as well as about Zhu Yundi. ”

“Zhang Menghai had to admit that ever since Zhu Xicheng disappeared, his status in the company had plummeted. He was never cut out for business. Without the support of chief Zhu, his power had almost been stripped away by Zhu Yundi, and he had become an empty position with no real reputation. ”

“During this period, there were a few times when he wanted to resign and return to his old job. However, firstly, the salary he earned in the company was not low. Secondly, he was already used to this kind of comfortable life and could no longer suffer in the kitchen! ”

“So, he just made do with it. ”

“Unlike the other suspects, Zhang Menghai was tactful, experienced, and good at flattery. He was also the least suspicious in the missing yacht case, so he had been doing well in the past few years. ”

“Zhang Menghai claimed that even though he held the position of Logistics Manager, Zhu Yundi had never invited him to a meeting. ”

“Therefore, he did not have much interaction with Zhu Yundi and it was impossible for him to push her into the sea. ”

“In addition, he also said that last night, he played fight the landlord with two senior business management executives of the company until twoo’ clock in the middle of the night. Those two people could prove it to him ... ”

“After Zhao Yu finished interrogating Zhang Menghai, he didn’t continue to interrogate the other suspects, because at this time, the forensic evidence collection team from Jinghai had already arrived. ”

A total of three forensic scientists had come from Jinghai.

“After a brief explanation, the three of them began their collection work and searched Zhu Yundi’s room. ”

“Previously, in order to protect the crime scene, Zhao Yu had only checked the scene briefly, and had not searched it carefully. ”

“At this moment, while the gatherers were working, he once again entered the scene. As he checked Zhu Yundi’s room, he was thinking hard. ”

“Zhu Yundi’s room was in a mess, and many items were thrown on the floor. Zhu Yundi’s luggage had also been opened, and her clothes were thrown everywhere ... ”

“At first glance, such a scene looked like a scene of robbery or theft. ”

Could it be that Zhu Yundi’s fall into the sea was just an accident?

“That night, a thief broke into her room to steal, but happened to see Zhu Yundi return. The thief was so frightened that he knocked Zhu Yundi out or killed her, then pushed her into the sea? ”

But ...

“After all, this was a cruise ship, and there were so many cameras outside. Would there really be a thief who dared to steal on a cruise ship? ”

“Also, after the first round of surveillance, they did not find any suspicious people leaving the VIP area that night. ”

“In other words, even if there was a thief, the thief was most likely still in the VIP area. ”

This ... How could this be possible?

“““There’s ... There’s nothing valuable ...”” At this time, the female Secretary’s voice suddenly came from outside the door. ”

“It turned out that Miao Ying and Zhao Yu had the same idea, and were asking Zhu Yundi’s female secretary, Pan Suxi, at the door. ”

“““Our Chairman is a low-key person,”” Pan Suxi said.””He doesn’t like to wear gold and silver. This time, he didn’t bring anything valuable to the cruise party except for those clothes!”” ”

“““No, he’s definitely not a thief!”” ”

“““You can’t be so absolute, can you?”” At this time, the Italian, Bi Guosheng, said,””you know that Chairman Zhu didn’t bring any valuable property, but the thief doesn’t think so! ”

“““Maybe he thought that since this was the most luxurious room on the cruise, there must be something good in the room?”” ”

“““Are the doors of your VIP rooms that easy to open?”” Pan Suxi questioned,””how can an ordinary thief enter so easily?”” ”

“““No, that’s not it,”” Qi Jianhua quickly explained.”“Our electronic lock will never be pried open by anyone. Besides, look, there’s no sign of a lock being pried open on this door.”” ”

“““If that’s the case ...”” Miao Ying analyzed.”“It can only be an acquaintance. The door was opened by Zhu Yundi personally for the murderer!”” ”

“““But,”” pan Suxi shook her head and said,”“we’re back to square one. Think about it. If it was any of the six suspects, would Chairman Zhu open the door for them?”” ”

“““So ...”” Qi Jianhua grinned and said,”“you mean, the one who pushed Chairman Zhu into the sea was not the six suspects, but ... But someone who would not arouse the Chairman’s suspicion?”” ”

“When Qi Jianhua said this, everyone was stunned on the spot. They thought hard about who could be the person who would not raise Zhu Yundi’s guard. ”

“““You, me,”” pan Suxi pointed at Qi Jianhua and then at herself,”“I think only the two of us can make the chairman open the door without any worries at this cruise party, right?”” ”

“““You ...”” Qi Jianhua was shocked.”“What do you mean by that?”” Are you suspecting me?”” ”

“““I’m not suspecting you,”” pan Suxi said.”“All of us have already provided the police with our tracks last night. I want to know where you are.”” ”

“““You ... Aren’t you still suspecting me?”” ““I accompanied Chairman Zhu to inspect the cruise ship last night,”” Qi Jianhua said angrily.”“In the end, I separated from her at the casino. Then, I went back to my room to sleep! ”

“““If you don’t believe me, you can check the video. You ... Why are you suspecting me?”” Qi Jianhua said unhappily,”“I don’t have any grudges with the chairman. Why would I harm her?”” ”

“““Don’t get too worked up,”” Miao Ying said.”“Manager Qi, you have to be more professional. In this case, we’ll investigate everyone who has come into contact with Chairman Zhu. We’ll treat them all equally!”” ”

“““Treat everyone equally, is it?”” Qi Jianhua pointed at Zhao Yu, who was in the room.”“Here, last night, he was the last person Chairman Zhu saw!”” ”

“““Why don’t you guys suspect him?”” ”

“““F * ck your grandmother’s leg!”” In the end, as soon as he said this, Zhao Yu’s cursing immediately came from inside the room.”“Aren’t you the ones who urged me to solve the case? ”

“““If you guys dare to doubt me again, then I’m not doing this!”” Zhao Yu patted his chest and roared,”“F * ck, I’m the famous detective Zhao Yu, who shocks the universe and shakes the universe. I’m here to catch murderers!”” ”

“Zhao Yu’s roar scared Qi Jianhua, and he did not dare to speak anymore. ”

“““Let me tell you,”” Zhao Yu said as he walked out of the house and pointed to the corridor outside.”“Zhu Yundi’s fall into the sea was definitely not the work of a thief! ”

“““The murderer must have made thorough preparations in advance. This is a premeditated murder!”” ”

“““Is that so?”” The crowd was stunned. Pan Suxi asked,““you ... Are you sure?”” ”

“““This is the VIP area. Low-level thieves would not dare to touch her, while high-level thieves would gather information in advance,”” Zhao Yu said.““Once they know that Zhu Yundi is a low-key person, they would not make a move!”” ”

“““One more thing,”” Zhao Yu said, sticking out a finger.““No matter if it’s a Big Thief or a Big Thief, they wouldn’t choose to make a move at such a critical time when the ship has just set sail. They would definitely conduct a field inspection first and wait until the voyage is almost over before making a move!”” ”

Oh ...

“When everyone heard Zhao Yu’s analysis, they all felt that it made a lot of sense. ”

“““Then ...”” Pan Suxi pointed to a depression outside the door and said,““what I said before, is it possible?”” The murderer was hiding behind the depression with the power box, and when the chairman opened the door, he suddenly came out and pushed the chairman into the room?”” ”

“““Open your eyes wide and look,”” Zhao Yu pointed at the depression,““that place is about ten meters away from here, and the lights are bright there. If a person were to suddenly jump out, and Zhu Yundi had already opened the door, she could have completely locked the person outside!”” ”

“““Oh, by the way, I asked my staff,”” Qi Jianhua suddenly said.““A restaurant waiter said that at midnight yesterday, he saw with his own eyes that Chairman Zhu used the room card to open the door and entered the room safely!”” ”

“““Hmm ... He was delivering food to room 15, and he happened to pass by ...”” ”

“““Oh,”” Miao Ying said.““If that’s the case, then we can rule out the possibility that someone followed us, or forced their way into Zhu Yundi’s room?”” ”

“““Yeah, that means ...”” Pan Suxi said.““The possibility of an acquaintance committing the crime is the highest?”” Strange, who could this person be?”” ”

“““Pan Suxi,”” Miao Ying reminded her,““think about it carefully. This person turned Zhu Yundi’s room upside down, so he must be looking for something!”” ”

“““So, is there such a thing?”” ”

Chapter 2193: Chapter 2188-major discovery

“30 minutes later, in the temporary information room of the cruise ship. ”

“““Last night ...”” Li Qin, the head of Tianqin company’s technical department, recalled,““last night, I stayed in my room the whole night. First, I checked the information on the computer, then I wrote a draft for the company’s latest internal issue. I also had a short conversation with my assistant on WeChat. I fell asleep at about 11:30 ...”” ”

“Li Qin was tall and handsome, but when he spoke, his eyes were evasive and his voice was unusually low. It was obvious that he was introverted. ”

“““What happened four years ago must have affected you a lot, right?”” Zhao Yu didn’t waste time with Li Qin, but went straight to the point. ”

“““Yes,”” Li Qin replied honestly.””Xiao Mei (Li Qin’s wife) and director Zhu have a scandal. As her husband, I’m definitely embarrassed ...”” ”

“““But,”” Li Qin said,””before the scandal was exposed, I was already talking to Xiao Mei about a divorce. One was about the child, and the other was about the division of assets. We couldn’t come to an agreement, so we delayed it ...”” ”

“““After that, the parents of both sides got involved and wanted more benefits. In the end, they fought and it was very unpleasant ...”” ”

“““So,”” Zhao Yu asked,””you don’t care about your wife’s affair at all? Don’t you have any complaints about Zhu Xicheng who seduced your wife?”” ”

“““It’s impossible to say that I don’t care at all! But ...””Li Qin said helplessly,”” before chief Zhu, it wasn’t her first time! ”

“““It was because of her that I lost confidence in women. As for chief Zhu ... I don’t know how to describe him. Sometimes, I hate him for hitting me when I’m down, but sometimes, I don’t hate him!” ”

“““Police officer, I already said it four years ago,”” Li Qin said.””Director Zhu personally explained to me that Xiaomei was an untrustworthy woman, and that such a woman was better off not having!” ”

“““On the yacht, he also promised me that he would give me more support in the future, whether it is in work or in life. He hopes that I can find a woman I can trust in the future. He also said that he will promote my position and let me be in charge of the technical research and development of the entire yacht company ...”” ”

Zhao Yu had already seen these words in the records of the file.

“However, he still wanted to hear it from Li Qin’s mouth to make a judgment. Thus, he listened very carefully and pondered over every word. ”

“““But I didn’t expect that something like that would happen on the yacht!”” Li Qin shook his head and said,””not only did I not get promoted, but I also became an important suspect. From then on, I suffered all kinds of cold eyes and slander ... ”

“““Why can’t these people understand? Since chief Zhu is willing to take me on the yacht, it means that he trusts me!”” ”

“““In that case,”” Zhao Yu said,””why didn’t you leave the Tianqin group?”” ”

“““I want to prove to them that I have a clear conscience and that I didn’t kill chief Zhu! I want to stay in Tianqin to prove my innocence!”” Li Qin said excitedly,””of course, I can’t bear to give up everything I’ve worked so hard to build. The Tianqin group is the only place that can help me realize my dream!”” ”

“““You’re a technical backbone,”” Zhao Yu asked again.””In the past few years, has anyone tried to get you to jump ship?”” ”

“““Yes, there are countless of them.”” Li Qin listed the names of a few big companies, then said,””even European and American companies have asked me for help, but in the end, I still stayed in Tianqin! ”

“““Mm ... I have to say ...”” Li Qin hesitated for a moment, then said,””Zhu Yundi still gave me a lot of support, so I am very grateful to her!”” ”

“““You should know that I’m the biggest suspect in chief Zhu’s death! ”

“““Chief Zhu is Zhu Yundi’s older brother. Logically speaking, she should hate me. But all these years, not only did she not suppress me, but she also gave me a lot of support, just like chief Zhu! ”

“““So, please believe me. I won’t hurt her! ”

“““Police officer, please think about it,”” Li Qin said.””It’s been four years. If the police could really find the murderer, they would have found him long ago, right? ”

“““Since we can’t find him, it means that the murderer has been perfectly exonerated! How could he be so stupid as to touch Zhu Yundi again? Isn’t this ... Isn’t this the same as walking right into a trap?”” ”

Zhao Yu’s eyebrows were tightly knitted together.

“From a certain point of view, he had to admit that Li Qin’s words were very reasonable. However, from another point of view, he felt strange! ”

But he couldn’t tell what was strange about it.

“Then, Zhao Yu asked Li Qin a few more questions. After Li Qin answered them one by one, the interrogation was over. ”

“After Li Qin left, Zhao Yu didn’t rush to ask the next person, but instead carefully recorded and analyzed the information in his notebook, noting down the few points that he might have thought of. ”

“Regarding this Li Qin, he didn’t see any flaws. Although he was the biggest suspect, in Zhao Yu’s eyes, he felt that this person’s suspicion was very small. ”

“From Li Qin’s conversation, it could be seen that although Li Qin was bored, he was smart and logical. ”

“If he was really the one behind the missing yacht case, then he must have expected that he would be the biggest suspect and that the police would focus on investigating him! ”

“Therefore, under such circumstances, he should not have dared to make a move. ”

Tsk tsk ...

“From this point of view, the yacht murder case was really an unsolved case. The six suspects were clearly placed in front of them, but no one could see through who the real murderer was! ”

“After recording everything, Zhao Yu wanted to call the next suspect in, but when he turned on his phone, he suddenly realized that he had received a message. ”

“The message had been sent by Xiao hang from the Secret Service. After opening the message, the first thing he saw was a photo of a woman. ”

“Zhao Yu recognized the woman at a glance. She was his old partner from his missions in Korea, Li Zhenzhu! ”

Xiao hang’s information was attached to the back of the photo:

“““Old Zhao, we’ve checked all the surveillance footage on the cruise and only found one old friend. She boarded the Heavenly King eleven days ago! ”

“““We’ve traced all the videos that followed, and clearly, this old friend found nothing on the cruise ...””

“In the photo, Li Zhenzhu was wearing casual clothes and sunglasses, looking very fashionable. ”

Tsk tsk ...

“Zhao Yu smacked his lips and began to ponder. It seemed that Li Zhenzhu and her team had been eyeing the cruise ship for a long time, but they didn’t find anything after boarding it. ”

But ...

“Li Zhen Zhu didn’t find anything, but that didn’t prove that the cruise ship was safe! ”

“After all, Tina was not someone to be trifled with. If she really used the cruise ship to transport the treasure from Xi Wei’s vault, she would definitely have done a good job of protecting it and would not have been discovered by the surveillance cameras. ”

So ...

“Zhao Yu secretly made up his mind that after he was done investigating Zhu Yundi’s case, he would still have to search the ship. Let’s see if my magical items can be of any use ... ”

“““Zhao Yu, Zhao Yu ...”” Just as Zhao Yu was thinking about this, Miao Ying rushed in and said,““the forensic scientists have just found a major clue. We ... We might already know who pushed Zhu Yundi into the sea!”” ”

Chapter 2194: Chapter 2190-evidence

“In Zhu Yundi’s room, Miao Ying, who was wearing a pair of gloves, presented a cylindrical object in front of Zhao Yu. ”

“Miao Ying pulled Zhao Yu into Zhu Yundi’s bedroom. After making sure that there was no one in the room, she told Zhao Yu, ”

“““Zhao Yu, this is an asthma inhaling device,”” Miao Ying said.““There’s half a bottle of medicine in it!””

“““An asthma inhalator?”” Zhao Yu was confused.”“This ... What does this mean?”” ”

“““This thing is definitely not Zhu Yundi ‘s!”” Miao Ying looked out of the room and whispered,”“I just asked a professional, and only asthma patients would use this thing, and Zhu Yundi doesn’t have asthma!”” ”

“““Oh?”” Zhao Yu quickly asked,”“you suspect that the murderer accidentally left this in the room? Or should I ...”” ”

“““The forensic scientists have just checked it,”” Miao Ying said.”“This inhaling device has been used for a long time, which means that someone has been using it for a long time! ”

“““Also, there are clear fingerprints on it, as well as some skin residue,”” Miao Ying said, pointing to the inhaling device.”“I’m afraid that the owner can’t deny it!”” ”

“““Its owner? ““Could it be ...”” Zhao Yu thought of something and asked,”“you already know who this belongs to?”” ”

“““Right!”” Miao Ying said,”“I just sent someone to check the information. Among all the suspects, only one person has asthma. This thing is very likely to be his!”” ”

“““Him?”” Zhao Yu was surprised.”“Who is he? Which one is it?”” ”

“““Guan xiujie!”” Miao Ying said a name,”“he was the captain who was in charge of steering the ship during the missing yacht case, the office Director of the Tianqin group!”” ”

“““Holy sh * t, it can’t be?”” Zhao Yu was stunned.”“Why is it him?”” ”

“““We’ll know soon enough!”” Miao Ying said,”“do you think we should go and ask him directly now? ”

“““It doesn’t matter if he admits it or not, we have evidence anyway!”” ”

“““But ...”” Zhao Yu suddenly frowned.”“Don’t you think it’s a little suspicious? If the murderer was really Guan xiujie, how could he have left such an important thing in Zhu Yundi’s room? ”

“““By the way, where did you find this thing?”” ”

“““The balcony outside!”” Miao Ying said,”“it rolled under the coffee table on the balcony. There are traces of movement on the coffee table. It might have been caused by Zhu Yundi’s struggle when the murderer pushed her off the balcony!”” ”

“““The inhaling device fell off, and it was stuck under the coffee table,”” Zhao Yu said.”“But, the murderer didn’t know ...”” ”

“““When he found out about it later,”” Miao Ying said,”“he started to search the whole house, and that’s why he turned Zhu Yundi’s room into a mess?”” ”

“““Tsk tsk ...”” Zhao Yu shook his head and said,”“our analysis is a bit too childish! The murderer is clearly a meticulous person. How could he make such a low-level mistake?”” ”

“““It’s also possible ...”” Miao Ying said.”“This thing doesn’t belong to Guan xiujie, so we might as well ask him!”” ”

“““Mm ...”” Zhao Yu thought about it carefully, then nodded and said,““that’s good. Anyway, I haven’t asked this person yet. Now is a good opportunity!”” ”

“““But ...”” Zhao Yu weighed the pros and cons, then said to Miao Ying,““I still like double insurance. How about this, we’ll split up. I’ll ask Guan xiujie, you go find Qi Jianhua, and you guys go into Guan xiujie’s room to search!”” ”

“““While you’re at it ... Let Zeng ke and the rest investigate Guan xiujie’s background in detail. See if there’s anything wrong with him after the yacht disappearance case.”” ”

“““Alright then!”” Miao Ying nodded, and the two of them immediately split up. ”

“A few minutes later, Zhao Yu returned to the interrogation room, and called Guan xiujie in. ”

“Guan xiujie was only the office Director of the Tianqin group at the beginning. Now he had been promoted to the manager of the group’s branch, and had a certain amount of experience in the group. ”

“In fact, this person was also an important suspect back then. ”

“After all, Guan xiujie was in charge of steering the ship at that time, and was most familiar with yacht driving and sailing routes, so he had sufficient conditions to commit the crime. ”

“However, the conditions were right, but the motive was the opposite. ”

“Just like Zhang Menghai, the logistics Manager, Guan xiujie was also a direct and capable general who had been promoted by Zhu Xicheng. He was deeply trusted by Zhu Xicheng. ”

“However, unlike Zhang Menghai, who was a chef, Guan xiujie had a certain ability that was enough to take charge of things for Zhu Xicheng. ”

“Therefore, if the situation developed according to that year’s momentum, he would eventually replace Lei Dasheng and become one of the candidates for the group’s trusted general manager, and he would inevitably have a seat in xiujie. ”

“It was a pity that Zhu Xicheng’s disappearance had affected his career. Now, he was only the manager of a branch company, and had no hope of being promoted to the General Manager of a group company. ”

“Therefore, not only did Guan xiujie not have a motive to kill, but he was also one of the people who did not want anything to happen to Zhu Xicheng. ”

“Moreover, the police didn’t find anything suspicious when they investigated him that year, so they ruled him out early on. ”

“Out of all the suspects, he was the one who was the least affected. ”

“““Police officer, I’ve heard of your name long ago. It’s my great fortune to meet you today!”” After entering the room, Guan xiujie, like Zhang Menghai, began to flatter Zhao Yu,““this is great. With a super detective like you here, I believe that you will definitely be able to clear my name!”” ”

“““Yes, I hope so!”” Zhao Yu didn’t waste any time, but took out the asthma inhale and placed it in front of Guan xiujie. He asked,““take a look first, do you recognize this?”” ”

“““Eh?”” After seeing the inhaling device, Guan xiujie’s eyes widened in surprise,“““this thing ... Why do you have it?”” ”

“““Oh?”” “““Is this yours?”” Zhao Yu asked, frowning. ”

“““Yeah!”” Guan xiujie took the inhaling device and looked at it carefully, then confirmed,“““yes, this is mine! I have asthma, and this thing can save my life at a critical moment! ”

“““How ... How could it be here? Did you ... Search my room?”” ”

“““You mean,”” Zhao Yu asked,“““this thing has been in your room all this time?”” ”

“““Yeah?”” Guan xiujie said without hesitation,“““in the past few years, my condition has not been as serious as before, so I don’t use it often. This time on the ship, it has been in my suitcase, and I haven’t taken it out yet! ”

“““Um ... You’re ...”” ”

“““This thing,”” Zhao Yu said coldly,“““was found in Zhu Yundi’s room!”” ”

“““What?”” Guan xiujie was so shocked that he shivered. He quickly stood up and said excitedly,“““you ... You must be joking ... I ... I have never been to Zhu Yundi’s room! ”

“““Oh my God, this ... This is obviously someone trying to frame me ... Wu ... Wu ...”” ”

“Because he was too excited, Guan xiujie suddenly gasped for breath, and actually made a mistake. He quickly took the inhaling device and took a few puffs ... ”

“Just then, Zhao Yu’s phone suddenly rang. ”

“Miao Ying gave him a call.””Zhao Yu, we found something unusual in Guan xiujie’s room! This person ... I’m afraid there’s a huge problem with Yingluo!”” ”

Chapter 2195: Chapter 2190-chance to solve the case

“““This ... This ... How is this possible?”” In the interrogation room, Guan xiujie looked at the things that Miao Ying had brought over, his face full of disbelief. ”

“““This is the internal information of Singapore’s Royal Casino, and your handprint is on it!”” Miao Ying said,“““four years ago, you owed 12 million Yuan in gambling debt at this casino!”” ”

“““Yes, yes, but ...”” Guan xiujie’s face was pale, and his lips trembled,“““I have ... Have already returned? This ... This is clearly someone trying to frame me!”” ”

“““Don’t talk about being framed!”” Zhao Yu said sarcastically,“““let’s talk about what happened four years ago! Did Zhu Xicheng find out about your debt?”” ”

“““Ah? No... No...””Guan xiujie quickly said,“““ absolutely not, you ... You guys can’t talk nonsense!”” Even if ... Even if they knew, so what? You can’t ... You can’t say that because of this, I’ll ... I’ll ...”” ”

“““During the investigation four years ago,”” Miao Ying said, holding the file,””why didn’t you tell the police?”” ”

“““I ... I ...”” Guan xiujie trembled as he spoke,””this kind of thing is embarrassing after all. If I say it out loud, I will lose face, and ... And it will increase my suspicion, and it will put me at a disadvantage in the company’s internal election ...”” ”

“““O-officer ... This is human nature!”” Guan xiujie pleaded,””but please believe me, I’m not the murderer!”” ”

“““Guan xiujie,”” Zhao Yu said coldly,””I think you still don’t understand your current situation!”” ”

“““The situation ... Hmm ...”” Guan xiujie’s face was filled with fear. ”

“““Your asthma inhale was found in Zhu Yundi’s room,”” Miao Ying said.””Then, we found this information in your room!”” ”

“““This means that you are now the number one suspect in the murder of Zhu Yundi! ”

“““You discovered that Zhu Yundi had evidence of the huge gambling debt you owed four years ago. You were worried that your scandal would be exposed, so you sneaked into Zhu Yundi’s room in the middle of the night, pushed her into the sea, and snatched the information ...”” ”

“““Don’t ... Don ‘t!”” Hearing this, Guan xiujie was so scared that he fell to the ground, and quickly said,””this ... This is absolutely impossible! I ... I have never been to Zhu Yundi’s room, I swear to the heavens!”” ”

Di di ...

“As Guan xiujie was explaining, Miao Ying’s phone rang. After she turned it on, Miao Ying’s face was cold. She pointed the phone at Guan xiujie and said, ”

“““Guan xiujie, what else do you have to say?”” ”

Zhao Yu turned his head and saw a financial report on Miao Ying’s phone.

“After Guan xiujie saw the report, he shivered, and quickly took the asthma inhale, and took another puff ... ”

“““This is the financial report of your company before Zhu Xicheng’s accident,”” Miao Ying said.””You paid off your gambling debt, but you paid off your debt with the Tianqin company’s money, right?”” ”

“““Oh ... So ...”” Zhao Yu pointed at Guan xiujie and suddenly realized,””so you’re misusing public funds!”” ”

“““I ...”” Guan xiujie was on the verge of tears. He knelt on the ground in pain, clutching his heart,””who is this?”” Who is trying to kill me!”” ”

“““You’re still trying to deny it, aren’t you?”” Zhao Yu said coldly,””if you don’t do anything wrong, you won’t be afraid of anything. If you can’t explain this clearly, then you’ll have to go back to the police station to be interrogated!”” ”

““““Explain ... I’ll explain ...”” Guan xiujie bowed to Zhao Yu,““““police officer, I was really framed! I ... I admit that I did use the company’s office funds to pay off my gambling debts! ”

““““But ... I swear to God, chief Zhu really didn’t know!”” Guan xiujie said,““““at that time, although I was in a huge gambling debt, it wasn’t that I couldn’t afford it! ”

““““We have investments in the foreign exchange market. Also, I’ve secretly invested in a few international investments. If we take out that money, we can definitely pay off our gambling debts! ”

““““But ... I need, I need time!”” Guan xiujie said,““““after chief Zhu’s incident, I knew that the police would investigate me thoroughly, so I borrowed a sum of money through my connections early on and paid back the company’s money! ”

““““Because the finances were done very carefully, and there was no loss of money, no one saw any problems at the beginning!”” Guan xiujie said,““““later on, after I collected the peripheral funds, I paid off the debt! ”

““““Detective Zhao, you’re a smart person. You only need to think carefully to see that if director Zhu already knew about me, how could he have let me on the yacht that day? ”

““““There are plenty of people in the company who know how to drive a ship!”” ”

“Hearing Guan xiujie’s explanation, Zhao Yu and Miao Ying looked at each other. They didn’t say anything, but their expressions were complicated. ”

““““Detective Zhao,”” Guan xiujie said again,““““I have no enmity with director Zhu, and he is my benefactor, how could I harm him? ”

““““Twelve million is not a huge sum of money to us! Back then, even if chief Zhu knew about it, he would at most give me a good scolding! ”

““““If it doesn’t work, can you fire me? ”

““““But, if I were to kill someone for this bit of gambling debt, I would definitely not do such a thing!”” ”

““““Then,”” Miao Ying asked,““““how do you explain the information in your room?”” ”

““““It really isn’t!”” Guan xiujie’s face was innocent,““““I didn’t even know ... I’ve never seen anything like this before ...”” ”

““““You see, I’m not stupid enough to get a piece of evidence against myself, am I?”” ”

““““This information,”” Miao Ying said,““““obviously, someone found it from the casino through illegal means. I just asked Zhu Yundi’s Secretary, and pan Suxi said that Zhu Yundi made a special trip to Singapore two months ago! ”

““““Now it seems that this information should be Zhu Yundi’s! We’ve already found fingerprints on the data and are trying to find a way to compare them!”” ”

““““Guan xiujie, it’s not too late for you to tell me the truth now,”” Zhao Yu shouted.““““Tell me, did you steal this information from Zhu Yundi?”” ”

“““Detective Zhao,”” Guan xiujie wanted to cry but had no tears,””think about it, if I really stole it, if I really pushed Zhu Yundi into the sea, then...Would I be stupid enough to put such important information back in my room? ”

“““It’s obvious, too obvious that someone is trying to frame me! ”

“““The person who framed me was the real murderer!”” ”

“As Guan xiujie said this, Zhao Yu and Miao Ying looked at each other again. ”

“In fact, Zhao Yu and Miao Ying had long seen that this was an obvious set-up. Because, if Guan xiujie was really the murderer, how could he have done such a terrible job? ”

“Not only did he leave his asthma inhalator at the scene, but he also brought unfavorable information back to his room? ”

The reason why Zhao Yu and Miao Ying played the bad guy was to force Guan xiujie to reveal what he knew.

“Now, it seemed that there were some new changes to the case. ”

“Zhao Yu felt excited. His experience told him that the more the murderer tried to cover up, the more flaws he would leave behind! ”

“The murderer not framing Guan xiujie was fine, but if he really did frame him, Zhao Yu would have seen an opportunity to take advantage of it! ”

Chapter 2196: Where to hide

“““This case is getting more and more interesting!”” After Guan xiujie left, Zhao Yu was making notes in his notebook as he said to Miao Ying,””logically speaking, the person who pushed Zhu Yundi into the sea should be a careful and smart person. ”

“““But, he made an unnecessary move to frame her, which was a bit unprofessional!”” ”

“““Yup!”” Miao Ying frowned and said,””I also think this is very contradictory! Did the murderer take us for fools? Would they think that we can’t tell that this is an obvious set-up?”” ”

“““The more movements there are, the more loopholes there will be!”” Zhao Yu said,””as long as we follow this lead, I don’t believe he won’t be able to find out!”” ”

“““But ...”” Miao Ying said cautiously,””regarding that Guan xiujie, we can’t let our guard down! The murderer deliberately exposed this person to us. Could it be that he wants to reveal some information to us? ”

“““Even if Guan xiujie had nothing to do with the current case, could he have been an important breakthrough point in the yacht case from four years ago?”” ”

“““That’s right,”” Zhao Yu nodded,““you ask Zeng ke to investigate Guan xiujie again to see if he is hiding anything else.”” ”

“““No problem, but ...”” Miao Ying said, worried.““I think we have to be more careful in the next trial!”” ”

“““Think about it, this murderer, he could easily steal Guan xiujie’s asthma inhale, and could easily put the information in Guan xiujie’s room, and could freely enter and exit Zhu Yundi’s room, this person...Is really not simple!”” ”

“““Indeed!”” Zhao Yu had the same feeling.““Just like the missing yacht case, the most interesting part of this case is here. ”

“““The two surveillance cameras covered the entrance and exit of the VIP area. As long as he wants to leave the VIP area, he will definitely appear in the video! However, the murderer did not appear! ”

“““That means that after pushing Zhu Yundi into the sea, this person did not think of a way to escape, but stayed in the VIP area!”” ”

“““Then ...”” Miao Ying said,““you mean, we should conduct a thorough search?”” ”

“““This is a cruise ship, where can he hide?”” Zhao Yu frowned and said,““since the murderer dared to make a move, it means that he had already thought of a way out! ”

“““I still think that the real murderer might be hidden among the suspects! ”

“He then added,““maybe this guy wasn’t the murderer of the missing yacht case four years ago, but he might have gotten inspiration from the case!”” Zhao Yu said,““he wanted to use the six suspects to hide his identity!”” ”

“““Zhao Yu ...”” Miao Ying pondered for a moment, then said to Zhao Yu,““I think that, in order to solve Zhu Yundi’s case, we can’t ignore Zhu Yundi herself! ”

“““Since someone wanted to push her off the cruise ship, it means that she must have provoked something! How about this, we’ll apply to the criminal Division and ask Shanghai to cooperate with us to conduct an internal investigation of the Tianqin group to find out who would hate Zhu Yundi so much?”” ”

“““Alright! This is a must!”” ““Yes!”” Zhao Yu said. He first looked at his watch, then said,““it’s already time for lunch. We have to let Qi Jianhua draw some blood and treat us to a good meal. We can’t be worse than these VIPs!”” ”

“““Then ...”” Miao Ying asked,““do you think we need to control these suspects? Let them have their meal in the VIP area?”” ”

“““No, no...”” Zhao Yu said decisively.““This case is a bit special. If I control their freedom, then I, Zhao Yu, would be incompetent! ”

“““You tell them what they should do! We’ll continue after lunch!”” ”

“““Oh ... But ...”” Miao Ying also looked at her watch, then said,““actually, you’ve already asked five of the six suspects. You’re only missing Zhu Xicheng’s female secretary!”” How about ...”” ”

“““No!”” Zhao Yu waved his hand and said,““not only the female secretary, but everyone in the VIP area is a suspect! Don’t worry, don’t worry ...”” ”

“““Well done ...”” Miss Miao squinted her eyes and looked at Zhao Yu carefully.““There’s such a big case involving human lives, yet you can still keep your cool. This is not like you!”” ”

“““Why do I still feel that you and Zhu Yundi are in cahoots?”” ”

“““Don’t mess around! How could I joke about such a big matter?”” Zhao Yu promised,““if I really work with Zhu Yundi, even if I don’t tell the whole world, I’ll tell you, my lady!”” ”

“““...”” Miss Miao still narrowed her eyes, indicating that he couldn’t be trusted. ”

“““Actually,”” Zhao Yu told the truth,““I just feel that it’s been a long time since I’ve had such an exciting case! Such a difficult case, of course, I have to put in my heart to solve it!”” ”

“““Oh, really? I don’t think so. ”” Miao Ying mumbled,““you give me the feeling that you already know something!”” ”

“““Your cold must be getting worse.”” Zhao Yu quickly held onto miss Miao’s hand and advised her,““you should pay more attention to rest!”” ”

“““I will not hide it from you! ”

“““Besides, all the suspects are right in front of us. We’re not afraid that they’ll run away, so what’s the hurry?”” ”

“After hearing Zhao Yu’s explanation, Miao Ying finally let go of her doubts and walked out of the interrogation room with Zhao Yu. ”

.....

“There was a separate restaurant in the VIP area. It was an Italian restaurant, led by an Italy chef who specially prepared the dishes for the guests. ”

“However, the atmosphere in the restaurant was clearly different from before. ”

“All the guests had become suspects, so they would naturally be greatly affected. ”

“During the meal, only Zhao Yu’s side was talking and laughing, while the others all chose to remain silent. No one talked, no one made phone calls, and no one played with their mobile phones. ”

“Everyone ate in silence, as if they were carrying out some kind of oppressive ritual. ”

“At this time, everyone obviously no longer trusted others, for fear that their discussion would cause trouble, so they could only choose to shut up. ”

“““Officer Zhao ...”” Qi Jianhua saw that there was no one nearby, so he whispered to Zhao Yu,““I just sent someone to confirm that Guan xiujie was right. After dinner last night, he returned to the VIP area!”” ”

““““However, his door is not within the surveillance range. We can’t be sure if he has been in his room all this time, or if someone else has entered his room!”” ”

““““Mm ...”” Zhao Yu ate a big mouthful of delicious steak, then nodded and said,““““in the afternoon, you will continue to be in charge of the surveillance. Expand the surveillance range, and look at the time of the crime, as well as the areas near the VIP area. See if there is anything suspicious!”” ”

““““Oh ... Alright, alright!”” Qi Jianhua quickly nodded. ”

““““Also,”” Zhao Yu said,““““after we finish eating, can you accompany me to walk around the VIP area? other than the two entrances, are there really no other suspicious places that can enter the VIP area?”” ”

““““Aiyo, definitely!”” Qi Jianhua said,““““I’ve been on this ship for so many years. Do you think I don’t know?” ”

““““The people living in the VIP area are all famous people. Their safety, privacy, and satisfaction will directly affect the reputation of our cruise ship!” ”

““““So, every time I serve the VIP area, I do it myself. Other than the cabin, there are only two entrances!” ”

““““And even if they were to jump over roofs and walls to enter, there would be infrared cameras outside. They would definitely be seen!”” ”

““““Then ...”” Zhao Yu asked again,““““in the VIP area, is there a place where we can hide people?”” ”

Chapter 2197: Chapter 2193-dummy?

“Two’ clock in the afternoon, in the temporary information room. ”

““““Yes, it’s no secret anyway. It doesn’t matter!”” Yi Qin, who was currently the Deputy Director of the Tianqin group’s Etiquette Department, said,““““you can say whatever you want, but there are a few things you must know. First, at that time, Chairman Zhu Xicheng was all alone, and he couldn’t call me a mistress!” ”

““““Secondly, I didn’t have a boyfriend at that time, and I wasn’t married either, so there was no extramarital affair!” ”

““““Of course ...”” Yi Qin said, folding her arms.““““Due to Chairman Zhu’s special status, we can’t really be considered to be in a normal relationship. We’re just taking what we need!” ”

““““I know that Chairman Zhu has a lot of mistresses and I know his special hobbies, but I don’t think that he will only favor me. I just want to get some practical benefits and work a few years less than others!”” ”

“Looking at Yi Qin, who spoke with fervor and assurance without hiding anything, Zhao Yu had a good impression of her. At least, this woman was not pretentious and dared to speak bluntly. ”

“““But there’s one more thing I need to remind you,”” Yi Qin said.”““Since I’m on Chairman Zhu’s yacht, that means I’m an internal staff member. Someone he can trust! ”

“““So, I think that among all of them, I’m the least suspicious. After Chairman Zhu went missing, I was the saddest one! ”

“““As for the others, they are all thinking about their own interests ...”” ”

“““So ...”” Zhao Yu seemed to have caught on to something and asked,”“do you have any opinions on the other five suspects?”” ”

“““Of course,”” Yi Qin took out a pack of cigarettes and gestured to Zhao Yu, then said,”“if it wasn’t for Zhu Yundi’s insistence on organizing this cruise party, I wouldn’t have met these people! ”

“““I’ll tell you one more thing,”” Yi Qin said, still lighting up her cigarette.”“I’m only the Vice Director of the Board of Rites. The main director isn’t here, so I shouldn’t even be getting a share in this cruise party! ”

“““But I still received an invitation. In the end, when we got on the boat, we found that all six of us were there! Wasn’t this strange? ”

“““This must be Zhu Yundi’s doing!”” ”

“““It seems like,”” Zhao Yu caught on to another detail and asked,”“you also have an opinion of Zhu Yundi?”” ”

“““Of course.”” Yi Qin took a deep puff and said,”“ever since she took over Chairman Zhu’s position, I’ve never had a good time! ”

“““Only between women would there be such an obvious conflict! In the company, she picked on me and wanted to fire me! ”

“““I know. She knows very well that I can’t possibly be her brother’s murderer, but she can’t tolerate me having intimate contact with her brother. ”

“““However, I won’t leave if she wants me to!”” ““I didn’t do anything wrong,”” Yi Qin declared haughtily.”“She has no reason to fire me!”” ”

“““So, I persevered. ”

“““After that, I don’t know if it was because she was too busy with work, but she forgot about me or something. After I went to the Ministry of Rites, she didn’t pay attention to me anymore, until today!”” ”

“““You mean,”” Zhao Yu asked,”“you’re not close to her?”” ”

“““Yes, she targeted me before, but we’re not close!”” ““You don’t have to suspect me,”” Yi Qin replied.”“Last night, I video chatted with my new boyfriend until one in the morning. You can go find him to confirm it!”” ”

Zhao Yu was speechless.

“““I wasn’t too sure at first,”” Yi Qin said.””But since something’s happened, I’ll just be Frank! I think that Zhu Yundi’s fall into the sea could be a scheme! ”

“““It’s a trick she used to test us. How can there be such a coincidence in this world? her brother fell into the sea and disappeared, and she fell into the sea too? Her brother was using a yacht, so she changed to a cruise ship? ”

“““Police officer, please investigate again and see if she was really the one who fell into the sea. Could she have just thrown a dummy down?”” ”

“““ ..”” Zhao Yu was speechless again. He didn’t expect Yi Qin to have the same thoughts as Miao Ying. ”

“In fact, last night, when Zhu Yundi asked him for help, he had also thought of making Zhu Yundi pretend to fall into the sea. But now, it seemed that these people were all smart monkeys and could not fool them at all! ”

“However, Yi Qin did remind him that although the surveillance cameras had captured the scene of Zhu Yundi falling into the sea, it had been very late at night, and it had only been a flash. ”

What if the person who fell into the sea was not Zhu Yundi?

Would he?

“Then, Zhao Yu quickly wrote it down in his notebook, planning to take a closer look at the video later, or send the video to Zeng ke so that they could help make an outline comparison. ”

“Next, Zhao Yu asked Yi Qin a few more questions about the missing yacht case. As Zhang Menghai had previously emphasized that only Zhu Xicheng and Yi Qin had touched the bottle that contained the sleeping pills, Zhao Yu emphasized on the bottle. ”

“Yi Qin didn’t deny that she’d taken the bottle, but said that the atmosphere had been so lively that she couldn’t quite remember. ”

“As for who was most likely to have done something to the wine, she couldn’t tell. ”

“Like most people, Yi Qin’s main suspect was Li Qin. She believed that Li Qin was the only one who had the motive to kill. ”

“After questioning Yi Qin, Zhao Yu found a few of the service staff working in the VIP area and asked them about the situation. ”

“In the end, Zhao Yu did not continue to question the other suspects, but walked around the VIP area again. During this time, he did not forget to check on the cleaning of Zhu Yundi’s room. ”

“After a few hours of collection, the forensic scientists ‘work was almost over. ”

“In Zhu Yundi’s room, he did not find her mobile phone or the universal Card that could access all the rooms in the VIP area that the female secretary had mentioned. ”

He only found her room card and some of her personal belongings.

“Since there was no list, the female secretary pan Suxi could not confirm what else Zhu Yundi had lost besides her mobile phone and the universal Card. ”

“The forensic scientist told Zhao Yu that although Zhu Yundi’s room looked messy, it was actually very clean. The murderer should have been wearing gloves and shoe covers, so there were no suspicious traces. ”

“Of course, that was with the exception of Guan xiujie’s asthma inhale. ”

“After checking the crime scene, Zhao Yu returned to his room and began to sort out the clues. It took him a few hours to sort them out, all the way until eighto’ clock in the evening. He then left his room and went to the restaurant to have dinner with Miao Ying. ”

“This time, in order to avoid the awkwardness at lunch, they deliberately went to another restaurant on the cruise. ”

“After dinner, an accident happened. Miao Ying’s cold suddenly became worse. Zhao Yu touched her forehead and felt that it was a little hot, so he quickly took Miao Ying to the hospital room on the cruise ship. ”

“In the infirmary, the doctor gave Miao Ying an injection of fever medicine, then told her to rest. ”

“Zhao Yu was even more worried. He didn’t care about the case anymore and quickly pulled Miao Ying back to her room to rest. He put a hot towel on her forehead, poured her some water and medicine, and served her well. ”

“He stayed up all night and waited until the next day, when Miao Ying’s fever finally subsided. ”

Chapter 2198: Miss Miao’s special mission

“““Officer Zhao,”” Qi Jianhua, the Cruise’s general manager, ran over to discuss with Zhao Yu early in the morning,””the cruise is about to reach Jeju Island! ”

“““Do you think we should control the suspects in the VIP area?”” ”

“““No need!”” Zhao Yu waved his hand and said,””let them be!”” ”

“““This ...”” Qi Jianhua frowned.”” Aren’t you afraid that the murderer will take the opportunity to escape?”” ”

“““I can’t wait for him to escape!”” Zhao Yu said,””as soon as he ran, I knew who it was! If he doesn’t run, I’ll be in trouble!”” ”

“““Oh ... I see!”” Qi Jianhua nodded.”” Alright then, I won’t bother anymore!”” If they’re willing to get off the ship, then let them be!”” ”

“““Let’s just wait and see,”” Zhao Yu said, smiling.”” With such a big thing happening, how would they still be in the mood to go to Jeju Island? They would definitely stay on the ship obediently! ”

“““Old Qi,”” Zhao Yu said as he put his arm around Qi Jianhua’s shoulder.”“It doesn’t matter if they go or not, but my assistant and I are going to get off the ship. After all, it’s our first time here!”“ Make the proper arrangements!”“ ”

“““You ...”” Qi Jianhua was surprised.”“You ... You’re getting off the ship too?”“ But we haven’t found the killer yet! You ... Um ...”“ ”

“““Calm down, calm down!”” Zhao Yu smiled mysteriously.”“I told you, when the cruise ship returns, I will find the murderer! Now, I’m still waiting for some news. Since I have nothing to do, why don’t I come to the island to play?”“ ”

“““This ...”” Qi Jianhua gulped and reminded her,”“you’ll be gone for an entire day. Are you sure it won’t delay your work?”“ If ... If something happens to the ship, then ...”“ ”

“““The problem on the ship is between you and the Italian. I’ve said it before, I’m only responsible for solving the case!”” Zhao Yu said indifferently,”“remember, give me and my female assistant VIP treatment! Please don’t just arrange for us to go shopping ...”“ ”

Qi Jianhua was speechless.

.....

“An hour later, the skygliding cruise docked at the Jeju Island Pier. Zhao Yu brought Miao Ying and followed the tourists off the ship to participate in the Jeju island’s tourist activities. ”

“““Zhao Yu,”” although Miao Ying’s fever had gone down, she still looked pale,”“I’m sick at the wrong time! It’s a small matter to delay the case, but to delay our mission ...”“ ”

“““Don’t say that,”” Zhao Yu said.”“We’re here on a mission! The ship was docked at Jeju Island for a day. If Tina had really used the ship to transport Xi Wei’s treasure, she could only have used the disembarking of the ship as a tourist! ”

“““After they buy the goods, they need to load them on the ship. So, we have to experience it for ourselves and see what kind of process it is. “” ”

“““Mm ...”” Miao Ying coughed a few times and said,”“I also noticed that it was a clever way to mix things with the tourists! ”

“““But,”” Miao Ying pondered,”“we can get on the boat, but what about getting off? When the cruise ship returned to Jinghai Harbor, could it avoid the inspection? ”

“““Don’t you think we should focus on that? ”

“““I heard that Jinghai Harbor is an international trade port. There are countless containers and warehouses there. If the items can’t be transported out of the port, could it be that Xi Wei’s treasure is still hidden in one of the warehouses?”“ ”

“““Don’t worry. Let’s observe first!”” Zhao Yu sighed.”“Right now, our relationship with the treasure is very delicate! ”

““““Maybe Li Zhenzhu and her people have been watching us! It’s best that we don’t make any big moves for the time being.”

““““Even if those things are really in Jinghai port, we’d better not make a big deal out of it. It’s better to be careful.”” ”

““““Well, that’s true,”” Miao Ying said.””All of this is just our assumption! Xi Wei’s treasure might not even have anything to do with this cruise!”” ”

““““By the way,”” Zhao Yu suddenly remembered something and asked,””Miaomiao, before we came here, didn’t secret services already give us the internal information? ”

““““Who did this cruise ship belong to before? From whom did Zhu Yundi buy it?”” ”

““““Well, it’s a Chinese, Japanese, and Korean joint venture company, which used to do import and export trade,”” Miao Ying said.””The cruise ship didn’t make much money, so they sold it to Tianqin! ”

““““Secret services has already investigated their background, and they are very innocent!”” ”

““““Is that so?”” Zhao Yu was curious.””Since it’s not profitable, why did Zhu Yundi buy it?”” She’s so smart, she wouldn’t do a losing business, right?”” ”

““““I’m not too sure about that,”” Miao Ying said.””Can we ask the people in those companies? Or perhaps, the Tianqin group was in the yacht business and had other plans? Cough, cough ...”” ”

““““Here, drink some water. It’s pear soup with rock sugar. I asked old Qi to find a chef to make it for you!”” Hearing Miao Ying cough, Zhao Yu quickly opened the thermos and poured Miao Ying a cup. ”

““““I didn’t expect you to be so meticulous. Thank you for your hard work!”” Miss Miao was touched. ”

““““Cough! What are you saying? it depends on who you’re being careful with!”” Zhao Yu laughed.””When we get to the island later, you still have an important mission to do!”” ”

““““Ah? What kind of mission?”” Miao Ying was surprised. ”

““““There!”” Zhao Yu took out an invisible camera and his black card, then said,””when we reach the store later, I need you to be a shopaholic. Buy as many things as you can, and buy as many as you can!”” ”

““““Ah? ““This ...”” Miao Ying grinned,””what kind of mission is this?”” ”

““““There’s no other way,”” Zhao Yu said.””Only after buying a certain amount can I go on a cruise ship! This way, we can observe the entire transportation process through the camera and find any loopholes! ”

““““Then, we’ll find a way to find the list from a few months ago or ask the crew for information. Then, we’ll know if Tina is really using this cruise!”” He said. ”

““““Your idea really leaves me speechless, cough cough ...”” Feeling uncomfortable, Miao Ying quickly took a sip of the pear with rock sugar, then complained,””isn’t it too extravagant to buy a mountain of things?”” ”

“““When we find the seats and the treasure, you can ask your dad to reimburse me!”” Zhao Yu laughed,““he’s not short of money anyway!”” ”

“““Mm ...”” Miao Ying laughed.““I haven’t bought anything like crazy in a long time! I’m actually looking forward to it ...”” ”

.....

“While Zhao Yu and Miao Ying were laughing, Qi Jianhua, who was standing on the deck, looked into the distance with a bitter face. ”

“““Old bi,”” he said to the Italian next to him,““it’s been so long. Is there no hope for the search and rescue?”” ”

“““Right!”” Bi Guosheng said sadly,““I’ve been a Captain for so many years, but this is the first time I’ve encountered a case of falling into the sea, and it’s our new boss! ”

“““However, I just consulted with the lawyers,”” bi Guosheng said.““If they can find out that it was indeed a murder, and that someone pushed the boss down, then the cruise ship will have no responsibility! ”

“““But if she lost her footing by accident, or ... If we can’t find the real murderer in the end, that would be terrible! I’m afraid it’ll be difficult for you and me to keep our positions!”” ”

“““F * ck!”” Qi Jianhua frowned deeply.““How can you blame us for this?”” Aren’t we too innocent?”” ”

“““We might be innocent, but as long as the detective you found is reliable, we still have a chance to turn things around!”” The Italian pointed to the bottom of the cruise ship and said,““but, why is he so unreliable? He’s still in the mood to travel to the island at a time like this?”” ”

“““Yup!”” Qi Jianhua said,““that’s what I’m most worried about. But I’ve already sent people to ask around. This person is indeed the genius detective who solved the five major unsolved cases in our country!”” ”

“““Al!”” Looking at the bus leaving, bi Guosheng shook his head and sighed.““It’s too late to change people now. We can only leave it to fate ...”” ”

Chapter 2199: Chapter 2194-I have an opinion

“When Zhao Yu and Miao Ying followed the tour group back to the Uranus cruise, the sky was already dark. ”

“That day, the two of them really did not waste their time. Miao Ying really bought a lot of things, attracting the envy of countless people in the same group. ”

“Unlike ordinary tourists, the cruise ship had opened up a green channel for these VIP tourists, which allowed them to check in the cargo cabin of the cruise ship for free. ”

“Zhao Yu and Miao Ying realized that if Tina really wanted to use the cruise ship to bring Xi Wei’s treasure, they had to solve two problems. ”

“First, the exit security check at the dock. All the goods that were exported had a strict security check mechanism. With so many eye-catching things in Xi Wei’s vault, it was impossible to leave the country without any means. ”

“Second, the cruise ship had its own security equipment, and there was strict control over the items on board. If they couldn’t solve the problem with the cruise ship, they wouldn’t be able to move the things onto the ship! ”

“Either Tina didn’t use the cruise ship to move the treasure away, or she had other ways. ”

“He didn’t know if it was the effects of the injection and medicine yesterday, or the shopping that strengthened her body, but miss Miao was completely refreshed today. At dinner, she even asked Zhao Yu to open a box of spicy cabbage for her! ”

“Of course, Zhao Yu couldn’t agree. He told her that she couldn’t eat spicy food, and that it would be better to have millet porridge for dinner. ”

“After returning to the boat, Qi Jianhua and fan Guosheng had been waiting impatiently. They quickly pulled Zhao Yu into the interrogation room and began to discuss the case with him. ”

“““Detective Zhao, you’ve played with it and bought it,”” Qi Jianhua pleaded.””Can we continue to solve cases now?”” After all, the one who fell into the sea is the big boss. If this case can’t be solved, we’ll be condemned by history!”” ”

“““Yup!”” The Italian was not interested in Zhao Yu, so he said rudely,””if you look like this, why don’t we just transfer some investigators from Jinghai? ”

“““The VIP area is only so big, and there are only a few suspects. Are you really unable to find them?”” ”

“““I’ll cut!”” Zhao Yu glared at him.””What do you know? Can’t you see that there’s something deeper hidden behind Zhu Yundi’s fall into the sea? ”

“““Don’t think that I’ve been playing for the whole day, my agents haven’t been idle the whole day! They were already at the headquarters of the Tianqin group, conducting various investigations! ”

“““If we want to know the truth behind Zhu Yundi’s fall into the sea, we have to figure out the stakes behind this. This is not something that can be figured out in a day or two!”” ”

“““But ... But ... ”” Fan Guosheng was not convinced.””If the suspect sees you slacking off, he will be even more pleased!”” ”

“““Nonsense,”” Zhao Yu shouted,””I just want him to be smug. If he isn’t smug, how would he give himself away? ”

“““Also, which part of me is slacking off?”” Zhao Yu said arrogantly,””if you think I’m slacking off, then you can find the real murderer yourself!”” ”

“““You!”” Fan Guosheng was anxious. “““I’m the captain, and you’re a detective. We both have our own professions!”” ”

“““That’s right, since you understand this logic, then stop talking nonsense!”” Zhao Yu reached out his palm and wanted to give him the middle finger, but then he remembered that he was the righteous detective, and he couldn’t be so despicable anymore, so he wiped his face. ”

“““Don’t get excited, don’t get excited!”” “““Don’t be angry,”” Qi Jianhua said to Zhao Yu. “““They’re always so direct!”” ”

“““Um ... Detective Zhao, didn’t we catch the biggest suspect during the day? That ... That Guan xiujie with asthma, why ... Why did you let him go?”” ”

“““Can’t you tell? That’s an obvious framing!”” Zhao Yu said, “““what we need to do now is to catch the person who framed us!”” ”

“““Yup!”” Fan Guosheng took advantage of the situation and said, “““you’re going to catch them! Don’t tell me that you and your girlfriend went to the island to catch people?”” ”

“““You ... Hmm ...”” Zhao Yu glanced at fan Guosheng, then pinched his chin and asked, “““do you have something against me?”” ”

“““Don’t misunderstand,”” fan Guosheng said. “““I don’t have any objections. I have too many objections!”” ”

“““I’ll cut!”” Zhao Yu’s eyes widened. “““You still dare to joke around with me?”” ”

“““I only know,”” fan Guosheng said without a trace of fear, “““that with such a huge murder case, as a police detective, you can’t just be greedy for your own pleasure!”” You have the duty to find out the truth and catch the murderer!”” ”

“““You ... Damn it ...”” Zhao Yu wanted to curse, but he held himself back in time. He squinted his eyes and said, “““it seems that if I didn’t show you my skills, you wouldn’t know that the horse King has three eyes!”” ”

“““MA Wang Ye?”” Fan Guosheng did not understand. “““What does three eyes mean?”” Don’t tell me that even the eyes on the buttocks are to be included?”” ”

I’m down!

Zhao Yu and Qi Jianhua fell to the ground instantly!

“““Alright, alright!”” Zhao Yu raised his hand and said, “““originally, I wanted to wait until everything was clear before revealing the murderer, but since you doubt my ability so much, I have no choice but to announce it in advance!”” ”

“““What?”” Upon hearing this, Qi Jianhua, who had just gotten up, fell to the ground again and exclaimed, “““detective Zhao, are you kidding me? You ... You already knew who the real murderer was?”” ”

“Tsk tsk ...” Zhao Yu hesitated, then said, “it’s not difficult to find the real murderer, but the difficult part is that my chain of evidence is not enough!”

“Hahaha ...” Fan Guosheng burst out laughing. “This is the funniest joke I’ve ever heard!” He said. Hahaha ...”

“Seeing the Italian laugh, Zhao Yu was speechless.”

“Yeah, detective Zhao.” Qi Jianhua obviously didn’t believe him. “You’ve been out for a whole day, and you already know who the murderer is?”

“Wrong!” Zhao Yu corrected her, “before I went out to play, I already knew who the murderer was! I’m just observing him in the dark to see if he’ll give himself away!”

“Alright, tell me, who is the murderer?” Fan Guosheng still did not believe him. He shook his head and said, “it seems that you haven’t even finished questioning the suspects, have you?”

“Right, you’re right again!” Zhao Yu replied, “because I already knew who the murderer was, it would be a waste of time to ask the suspects one by one!”

“Detective Zhao,” Qi Jianhua said solemnly, “don’t joke around. This is a murderer!” You’d better quickly find him! Maybe we can even find out the truth about the missing yacht case from four years ago!”

“Wrong again!” Zhao Yu extended his hand and said, “I mean, I have found the real murderer of the missing yacht case from four years ago!”

“But, as for the murderer who caused Zhu Yundi to fall into the sea, we have to wait a little longer. We have to ask the murderer first!”

“Alright, alright! You’re a weirdo!” Fan Guosheng shook his head and said, “no matter which one it is, can you tell us your name first?”

“Alright! “But ...” Zhao Yu said. “Before I say this name, I need to gather all the suspects. I need to dig out the real murderer in front of everyone!”

“Then ...” Qi Jianhua looked at his watch and said, “let’s do it in the restaurant!” It’s dinner time now, I’ll call everyone over!”

Chapter 2200: Chapter 2195-vested interests

“Zhao Yu, what are you up to now?” In the restaurant, when Miao Ying heard that Zhao Yu had gathered all the suspects to announce the murderer in public, she was obviously at a loss. “Don’t tell me you have another plan? Why didn’t I know about it?”

“The Italian looked down on me,” Zhao Yu said frankly as he ate the appetizer. “Although I already know who the murderer of the missing yacht case was, I still feel that it’s not enough!”

““““Since he defeated me, I have to show him some of my skills so that they don’t look down on me, the great detective Zhao!”” ”

““““You ...”” Miss Miao frowned.”““Since you already knew who the murderer was, why didn’t you tell me earlier? ““Who is it?”” Miao Ying looked around and asked in a low voice. ”

““““Hmph!”” After miss Miao asked the question, the Italian, bi Guosheng, snorted and said disdainfully,”“the murderer wasn’t found four years ago, and now he can solve the case by asking a few questions? ”

““““This is simply a fantasy story!”” ”

““““...”” Qi Jianhua’s expression was complicated. He immediately tugged at bi Guosheng, signaling him to stop talking. ”

““However, bi Guosheng was panting as he got fatter. He continued,”“““The six suspects are all here. I’d like to see which one it is.”” ”

““Under Qi Jianhua’s arrangement, all the guests in the VIP area had entered the luxurious and exquisite restaurant. ”

““““Isn’t this tormenting people? What do you want to do now?”” Lei Dasheng, who was smoking a cigar, said to the waiter unwillingly,”“is there a banquet?”” ”

““““That’s wishful thinking,”” sun Jinjian, the General Manager next to him, taunted.”““You can’t tell that the police have already found a clue and are going to announce who the murderer is!”” ”

““““It can’t be?”” Lei Dasheng glared at sun Jinjian.”““It’s only been less than two days, and the real murderer has already been caught? Who is it?”” ”

““When Lei Dasheng said this, everyone was even more surprised and immediately began to discuss. ”

““““Come on, old Qi!”” Bi Guosheng looked at the curious crowd and said to Qi Jianhua,”““everyone’s here. Next, it’s time to watch our great detective’s performance!”” ”

““““Hmm...This ...”” Qi Jianhua was in a difficult position, so he turned to look at Zhao Yu. ”

““However, at that moment, Zhao Yu had been sitting on the high stool, eating cream dessert, as if nothing had happened. ”

““““You see, you see ...”” Bi Guosheng pouted and said,”““look at him, he must be at a loss!”” ”

““““Good! If you’re not coming, then I’ll do it!”” ”

““As he spoke, bi Guosheng picked up a small spoon and a wine glass and walked towards the center of the restaurant. ”

““As the small spoon hit the wine glass, it made a crisp tinkling sound. ”

““As soon as they heard bi Guosheng knocking on the glass, everyone immediately stopped talking and looked at the Italy Captain. ”

“““Everyone, everyone,”” bi Guosheng deliberately pointed at Zhao Yu and said to everyone,””let me tell you a piece of good news. Our detective has found out the truth of the yacht missing case from four years ago! ”

“““Now, he called everyone here to announce in public who the murderer who pushed Chairman Zhu Xicheng from the yacht into the sea is!”” ”

Whoosh ...

Bi Guosheng’s words caused an uproar.

“Everyone looked at each other, feeling very surprised. ”

“However, although it was an accident, everyone’s eyes couldn’t help but fix on Li Qin. In everyone’s eyes, Li Qin was still the biggest suspect in the death of Chairman Zhu Xicheng! ”

“Feeling the strange gazes, Li Qin’s face turned red, and he wanted to find a hole to hide in. ”

“In addition, Guan xiujie’s face was also not looking good. After all, he had been framed before, and at this moment, he was also in a mess. ”

“““Hey, What is this?”” At this time, the outgoing Lei Dasheng spoke,””why are you all looking at us? Didn’t he still not say that name? Don’t go too far!”” ”

“““Officer!”” Han aobing walked to the front of the crowd and said to Zhao Yu,””if you can really find the real murderer from four years ago, I will definitely thank you! ”

“““Because that way, I can clear my name!”” ”

“““Yup!”” Zhang Menghai said,””police officer, stop teasing us. Tell us quickly, who is the person who killed Chairman Zhu Xicheng?”” ”

“““Vested interests!”” ”

“““Shut up!”” Zhao Yu said, silencing everyone. ”

“““Oh?”” Miao Ying frowned. Even though it was a short sentence, she seemed to have understood something. ”

“““Four years ago, our police investigation obviously made a mistake,”” Zhao Yu said.””Because the sleeping pills were put into the red wine in the middle of the banquet, the police logically thought that the murderer must be on the boat, and that he must be one of the six people! ”

“““However, the truth often surprises people! ”

“““Holy sh * t, it can’t be?”” After Zhao Yu said this, bi Guosheng was the first to exclaim,””you’re not trying to say that the murderer is not one of the six people? Is ... Is that even possible?”” ”

“““Old bi ...”” Qi Jianhua quickly pulled him back to stop him from talking nonsense. ”

“““When I was questioning the suspects,”” Zhao Yu said,””Li Qin said something that reminded me. He said that the people who could Board Chairman Zhu’s speedboat were all people that Chairman Zhu trusted! ”

“““I thought about it, that’s true! ”

“““Six people, no matter what their positions were, were all people that Zhu Xicheng trusted. These people were all dependent on Zhu Xicheng, so how could they have the idea of killing? ”

“““Zhu Xicheng’s disappearance is not good for them at all! Don’t you think that’s the case?”” ”

“““Yeah!”” Lei Dasheng said,““four years ago, I told the police this! If Chairman Zhu felt that one of us would pose a threat to him, he would never let us on the yacht! ”

“““I’ve already said it, but did anyone listen?”” ”

“““Old Lei, what are you saying!”” At this moment, one of the company’s directors pointed at Han aobing and said,““did you forget that there is an outsider among the six of you? Since she’s an outsider, why would chief Zhu trust her?”” ”

“““You ...”” Han aobing was furious,““what do you mean by saying that?”” ”

“““Phew!”” Zhao Yu quickly stopped her and said,““about Miss Han, let’s talk about it later! I don’t need to tell you, but you should know that she was pulled onto the boat by Chief Zhu at the last minute! ”

“““The missing yacht case, on the other hand, was a meticulously planned murder! ”

“““So, you’d better not interrupt my thoughts, let me continue ... Mm ...”” Zhao Yu said.““In my inquiry, another person gave me inspiration, and that person was Guan Xiujie!”” ”

“Zhao Yu said, and everyone looked at Guan Xiujie, who was shocked. ”

“““He told me,”” Zhao Yu said,““that there are many people in the company who know how to drive a boat! Yes, you’re a yacht company. Of course, you have plenty of people who know how to drive a boat! ”

“““Everyone, in fact, the missing yacht case seems to be unsolvable, but in fact, there are still traces to follow!”” Zhao Yu said,““to solve such a case, we can’t just look at the present, but also analyze it from a long-term perspective! ”

“““So, I didn’t stay idle for the past two days. I sent my capable assistant to investigate the records of Zhu Xicheng going out to sea on a yacht before the accident! ”

“““That murderer has entered my sight so easily and happily!!!”” ”
